Representative Austin offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 110, Page 1, Section A, Line 2, by inserting after all of said line the following:

"210.482. 1. If the emergency placement of a child in a private home is necessary due to the unexpected absence of the child's parents, legal guardian, or custodian, the juvenile court or children's division:

(1) May request that a local or state law enforcement agency or juvenile officer, subject to any required federal authorization, immediately conduct a name-based criminal history record check to include full orders of protection and outstanding warrants of each person over the age of seventeen residing in the home by using the Missouri uniform law enforcement system (MULES) and the National Crime Information Center to access the Interstate Identification Index maintained by the Federal Bureau of Investigation; and

(2) Shall determine or, in the case of the juvenile court, shall request the division to determine whether any person over the age of seventeen years residing in the home is listed on the child abuse and neglect registry. For any children less than seventeen years of age residing in the home, the children's division shall inquire of the person with whom an emergency placement of a child will be made whether any children less than seventeen years of age residing in the home have ever been certified as an adult and convicted of or pled guilty or nolo contendere to any crime.

2. If a name-based search has been conducted pursuant to subsection 1 of this section, within fifteen calendar days after the emergency placement of the child in the private home, and if the private home has not previously been approved as a foster or adoptive home, all persons over the age of seventeen residing in the home and all children less than seventeen residing in the home who the division has determined have been certified as an adult for the commission of a crime shall report to a local law enforcement agency for the purpose of providing [two] **three** sets of fingerprints each and accompanying fees, pursuant to section 43.530. One set of fingerprints shall be used by the highway patrol to search the criminal history repository [and the second], **one** set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files, **and one set shall be forwarded to and retained by the division**. Results of the checks [will] **shall** be provided to the juvenile court or children's division office requesting such information. Any child placed in emergency placement in a private home shall be removed immediately if any person residing in the home fails to provide fingerprints after being requested to do so, unless the person refusing to provide fingerprints ceases to reside in the private home.

3. If the placement of a child is denied as a result of a name-based criminal history check and the denial is contested, all persons over the age of seventeen residing in the home and all children less than seventeen years of age residing in the home who the division has determined have been certified as an adult for the commission of a crime shall, within fifteen calendar days, submit to the juvenile court or the children's division [two] **three** sets of fingerprints in the same manner described in subsection 2 of this section, accompanying fees, and written permission authorizing the juvenile court or the children's division to forward the fingerprints to the state criminal record repository for submission to the Federal Bureau of Investigation. One set of fingerprints shall be used by the highway patrol to search the criminal history repository [and the second], **one** set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files, **and one set shall be retained by the division**.

4. **No person who submits fingerprints under this section shall be required to submit additional fingerprints under this section or section 210.487 unless the original fingerprints retained by the division are lost or destroyed.**

5. Subject to appropriation, the total cost of fingerprinting required by this section may be paid by the state, including reimbursement of persons incurring fingerprinting costs under this section.

[5.] 6. For the purposes of this section, "emergency placement" refers to those limited instances when the juvenile court or children's division is placing a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.

210.487. 1. When conducting investigations of persons for the purpose of foster parent licensing, the division shall:

(1) Conduct a search for all persons over the age of seventeen in the applicant's household and for any child less than seventeen years of age residing in the applicant's home who the division has determined has been certified as an adult for the commission of a crime for evidence of full orders of protection. The office of state courts administrator shall allow access to the automated court information system by the division. The clerk of each court contacted by the division shall provide the division information within ten days of a request; and

(2) Obtain [two] **three** sets of fingerprints for any person over the age of seventeen in the applicant's household and for any child less than seventeen years of age residing in the applicant's home who the division has determined has been certified as an adult for the commission of a crime in the same manner set forth in subsection 2 of section 210.482. One set of fingerprints shall be used by the highway patrol to search the criminal history repository [and the second], **one** set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files, **and one set shall be forwarded to and retained by the division.** The highway patrol shall assist the division and provide the criminal fingerprint background information, upon request; and

(3) Determine whether any person over the age of seventeen residing in the home and any child less than seventeen years of age residing in the applicant's home who the division has determined has been certified as an adult for the commission of a crime is listed on the child abuse and neglect registry. For any children less than seventeen years of age residing in the applicant's home, the children's division shall inquire of the applicant whether any children less than seventeen years of age residing in the home have ever been certified as an adult and been convicted of or pled guilty or nolo contendere to any crime.

2. After the initial investigation is completed under subsection 1 of this section[.];

(1) No person who submits fingerprints under subsection 1 of this section or section 210.482 shall be required to submit additional fingerprints under this section or section 210.482 unless the original fingerprints retained by the division are lost or destroyed; and

(2) The children's division and the department of health and senior services may waive the requirement for a fingerprint background check for any subsequent recertification.

3. Subject to appropriation, the total cost of fingerprinting required by this section may be paid by the state, including reimbursement of persons incurring fingerprinting costs under this section.

4. The division may make arrangements with other executive branch agencies to obtain any investigative background information.

5. The division may promulgate rules that are necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void."; and

"32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section, **and shall be imposed on all transactions on which the Missouri state sales tax is imposed.**

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. (1) The ordinance or order imposing a local sales tax under the local sales tax law shall impose a tax upon all [sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail] **transactions upon which the Missouri state sales tax is imposed** to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

(2) **Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have previously approved a local use tax under section 144.757, shall have placed on the ballot on or after the general election in November 2014, but no later than the general election in November 2016, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:**

Shall the (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer? Approval of this measure will result in a reduction of local revenue to provide for vital services for (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) **If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November 2016, the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer.**

(4) **In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats,**

and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November 2016, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, calling for a proposal to be placed on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection, such cessation shall take effect on March 1, 2017.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors **required to be titled under the laws of the state of Missouri**, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the

order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, **the sales tax upon the titling of all [sales of] motor vehicles, trailers, boats, and outboard motors shall be [deemed to be consummated] imposed at the rate in effect at the location of the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.**

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes [imposed pursuant to the local sales tax law] **shall not be imposed on the seller [on the purchase and sale] of motor vehicles, trailers, boats, and outboard motors [shall not be collected and remitted by the seller,] required to be titled under the laws of the state of Missouri,** but shall be collected **from the purchaser** by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him under the local sales tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax."; and

Further amend said bill, Section 115.601, Page 12, Line 48, by inserting after all of said section and line the following:

"144.020. 1. A tax is hereby levied and imposed **for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which**

are required to be titled under the laws of the state of Missouri and, except as provided in subdivision (9) of this subsection, upon all sellers for the privilege of engaging in the business of selling tangible personal property or rendering taxable service at retail in this state. The rate of tax shall be as follows:

(1) Upon every retail sale in this state of tangible personal property, [including but not limited to] **excluding** motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats and outboard motors **required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of this subsection**, a tax equivalent to four percent of the purchase price paid or charged, or in case such sale involves the exchange of property, a tax equivalent to four percent of the consideration paid or charged, including the fair market value of the property exchanged at the time and place of the exchange, except as otherwise provided in section 144.025;

(2) A tax equivalent to four percent of the amount paid for admission and seating accommodations, or fees paid to, or in any place of amusement, entertainment or recreation, games and athletic events;

(3) A tax equivalent to four percent of the basic rate paid or charged on all sales of electricity or electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers;

(4) A tax equivalent to four percent on the basic rate paid or charged on all sales of local and long distance telecommunications service to telecommunications subscribers and to others through equipment of telecommunications subscribers for the transmission of messages and conversations and upon the sale, rental or leasing of all equipment or services pertaining or incidental thereto; except that, the payment made by telecommunications subscribers or others, pursuant to section 144.060, and any amounts paid for access to the internet or interactive computer services shall not be considered as amounts paid for telecommunications services;

(5) A tax equivalent to four percent of the basic rate paid or charged for all sales of services for transmission of messages of telegraph companies;

(6) A tax equivalent to four percent on the amount of sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp or other place in which rooms, meals or drinks are regularly served to the public;

(7) A tax equivalent to four percent of the amount paid or charged for intrastate tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane and such buses and trucks as are licensed by the division of motor carrier and railroad safety of the department of economic development of Missouri, engaged in the transportation of persons for hire;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of "sale at retail" or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof.

(9) A tax equivalent to four percent of the purchase price, as defined in section 144.070, of new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. This tax is imposed on the person titling such property, and shall be paid according to the procedures in section 144.440.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words "This ticket is subject to a sales tax."

144.021. The purpose and intent of sections 144.010 to 144.510 is to impose a tax upon the privilege of engaging in the business, in this state, of selling tangible personal property and those services listed in section 144.020 **and for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. Except as otherwise provided**, the primary tax burden is placed upon the seller making the taxable sales of property or service and is levied at the rate provided for in section 144.020. Excluding **subdivision (9) of subsection 1 of section 144.020** and sections 144.070, 144.440 and 144.450, the extent to which a seller is required to collect the tax from the purchaser of the taxable property or service is governed by section 144.285 and in no way affects sections 144.080 and 144.100, which require all sellers to report to the director of revenue their "gross receipts", defined

herein to mean the aggregate amount of the sales price of all sales at retail, and remit tax at four percent of their gross receipts.

144.069. All sales **taxes associated with the titling** of motor vehicles, trailers, boats and outboard motors **under the laws of Missouri** shall be [deemed to be consummated] **imposed** at the **rate in effect at the location of the** address of the owner thereof, and all **sales taxes associated with the titling of vehicles under** leases of over sixty-day duration of motor vehicles, trailers, boats and outboard motors [subject to sales taxes under this chapter] shall be [deemed to be consummated] **imposed at the rate in effect**, unless the vehicle, trailer, boat or motor has been registered and sales taxes have been paid prior to the consummation of the lease agreement at the **location of the** address of the lessee thereof on the date the lease is consummated, and all applicable sales taxes levied by any political subdivision shall be collected on such sales **from the purchaser or lessee** by the state department of revenue on that basis.

144.071. 1. In all cases where the purchaser of a motor vehicle, trailer, boat or outboard motor rescinds the sale of that motor vehicle, trailer, boat or outboard motor and receives a refund of the purchase price and returns the motor vehicle, trailer, boat or outboard motor to the seller within sixty calendar days from the date of the sale, **any** [the sales or use] tax paid to the department of revenue shall be refunded to the purchaser upon proper application to the director of revenue.

2. In any rescission whereby a seller reacquires title to the motor vehicle, trailer, boat or outboard motor sold by him and the reacquisition is within sixty calendar days from the date of the original sale, the person reacquiring the motor vehicle, trailer, boat or outboard motor shall be entitled to a refund of any [sales or use] tax paid as a result of the reacquisition of the motor vehicle, trailer, boat or outboard motor, upon proper application to the director of revenue.

3. Any city or county [sales or use] tax refunds shall be deducted by the director of revenue from the next remittance made to that city or county.

4. Each claim for refund must be made within one year after payment of the tax on which the refund is claimed.

5. As used in this section, the term "boat" includes all motorboats and vessels as the terms "motorboat" and "vessel" are defined in section 306.010.

144.440. 1. [In addition to all other taxes now or hereafter levied and imposed upon every person for the privilege of using the highways or waterways of this state, there is hereby levied and imposed a tax equivalent to four percent of the purchase price, as defined in section 144.070, which is paid or charged on new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri.

2.] At the time the owner of any [such] motor vehicle, trailer, boat, or outboard motor makes application to the director of revenue for an official certificate of title and the registration of the same as otherwise provided by law, he shall present to the director of revenue evidence satisfactory to the director showing the purchase price paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that the motor vehicle, trailer, boat, or outboard motor is not subject to the tax herein provided and, if the motor vehicle, trailer, boat, or outboard motor is subject to the tax herein provided, the applicant shall pay or cause to be paid to the director of revenue the tax provided herein.

[3.] 2. In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisal by the director.

[4.] 3. No certificate of title shall be issued for such motor vehicle, trailer, boat, or outboard motor unless the tax for the privilege of using the highways or waters of this state has been paid or the vehicle, trailer, boat, or outboard motor is registered under the provisions of subsection 5 of this section.

[5.] 4. The owner of any motor vehicle, trailer, boat, or outboard motor which is to be used exclusively for rental or lease purposes may pay the tax due thereon required in section 144.020 at the time of registration or in lieu thereof may pay a [use] **sales** tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A [use] **sales** tax shall be charged and paid on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in the state. If the owner elects to pay upon each rental or lease, he shall make an affidavit to that effect in such form as the director of revenue shall require and shall remit the tax due at such times as the director of revenue shall require.

[6.] 5. In the event that any leasing company which rents or leases motor vehicles, trailers, boats, or outboard motors elects to collect a [use] **sales** tax[,], all of its lease receipts would be subject to the [use] **sales** tax[,], regardless of whether or not the leasing company previously paid a sales tax when the vehicle, trailer, boat, or outboard motor was originally purchased.

[7.] **6.** The provisions of this section, and the tax imposed by this section, shall not apply to manufactured homes.

144.450. In order to avoid double taxation under the provisions of sections 144.010 to 144.510, any person who purchases a motor vehicle, trailer, manufactured home, boat, or outboard motor in any other state and seeks to register or obtain a certificate of title for it in this state shall be credited with the amount of any sales tax or use tax shown to have been previously paid by him on the purchase price of such motor vehicle, trailer, boat, or outboard motor in such other state. The tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** shall not apply:

(1) [To motor vehicles, trailers, boats, or outboard motors on account of which the sales tax provided by sections 144.010 to 144.510 shall have been paid;

(2)] To motor vehicles, trailers, boats, or outboard motors brought into this state by a person moving any such vehicle, trailer, boat, or outboard motor into Missouri from another state who shall have registered and in good faith regularly operated any such motor vehicle, trailer, boat, or outboard motor in such other state at least ninety days prior to the time it is registered in this state;

[3)] (2) To motor vehicles, trailers, boats, or outboard motors acquired by registered dealers for resale;

(4)] (3) To motor vehicles, trailers, boats, or outboard motors purchased, owned or used by any religious, charitable or eleemosynary institution for use in the conduct of regular religious, charitable or eleemosynary functions and activities;

(5)] (4) To motor vehicles owned and used by religious organizations in transferring pupils to and from schools supported by such organization;

(6)] (5) Where the motor vehicle, trailer, boat, or outboard motor has been acquired by the applicant for a certificate of title therefor by gift or under a will or by inheritance, and the tax hereby imposed has been paid by the donor or decedent;

(7)] (6) To any motor vehicle, trailer, boat, or outboard motor owned or used by the state of Missouri or any other political subdivision thereof, or by an educational institution supported by public funds; or

(8)] (7) To farm tractors.

144.455. The tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** on motor vehicles and trailers is levied for the purpose of providing revenue to be used by this state to defray in whole or in part the cost of constructing, widening, reconstructing, maintaining, resurfacing and repairing the public highways, roads and streets of this state, and the cost and expenses incurred in the administration and enforcement of **subdivision (9) of subsection 1 of section 144.020 and sections 144.440 to 144.455**, and for no other purpose whatsoever, and all revenue collected or received by the director of revenue from the tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** on motor vehicles and trailers shall be promptly deposited [in the state treasury to the credit of the state highway department fund] **as dictated by article IV, section 30(b) of the Constitution of Missouri.**

144.525. Notwithstanding any other provision of law, the amount of any state and local sales [or use] taxes due on the purchase of a motor vehicle, trailer, boat or outboard motor required to be registered under the provisions of sections 301.001 to 301.660 and sections 306.010 to 306.900 shall be computed on the rate of such taxes in effect on the date the purchaser submits application for a certificate of ownership to the director of revenue; except that, in the case of a sale at retail, of an outboard motor by a retail business which is not required to be registered under the provisions of section 301.251, the amount of state and local [sales and use] taxes due shall be computed on the rate of such taxes in effect as of the calendar date of the retail sale.

144.610. 1. A tax is imposed for the privilege of storing, using or consuming within this state any article of tangible personal property, **excluding motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of subsection 1 of section 144.020**, purchased on or after the effective date of sections 144.600 to 144.745 in an amount equivalent to the percentage imposed on the sales price in the sales tax law in section 144.020. This tax does not apply with respect to the storage, use or consumption of any article of tangible personal property purchased, produced or manufactured outside this state until the transportation of the article has finally come to rest within this state or until the article has become commingled with the general mass of property of this state.

2. Every person storing, using or consuming in this state tangible personal property **subject to the tax in subsection 1 of this section** is liable for the tax imposed by this law, and the liability shall not be extinguished until the tax is paid to this state, but a receipt from a vendor authorized by the director of revenue under the rules and regulations

that he prescribes to collect the tax, given to the purchaser in accordance with the provisions of section 144.650, relieves the purchaser from further liability for the tax to which receipt refers.

3. Because this section no longer imposes a Missouri use tax on the storage, use, or consumption of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri, in that the state sales tax is now imposed on the titling of such property, the local sales tax, rather than the local use tax, applies.

144.613. Notwithstanding the provisions of section 144.655, at the time the owner of any new or used boat or boat motor which was acquired after December 31, 1979, in a transaction subject to [use] tax under [the Missouri use tax law] **this chapter** makes application to the director of revenue for the registration of the boat or boat motor, he shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price, exclusive of any charge incident to the extension of credit, paid by or charged to the applicant in the acquisition of the boat or boat motor, or that no sales or use tax was incurred in its acquisition, and, if [sales or use] tax was incurred in its acquisition, that the same has been paid, or the applicant shall pay or cause to be paid to the director of revenue the [use] tax provided by [the Missouri use tax law] **this chapter** in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a registration for any new or used boat or boat motor subject to [use] tax [as provided in the Missouri use tax law] **in this chapter** until the tax levied for the use of the same under [sections 144.600 to 144.748] **this chapter** has been paid.

144.615. There are specifically exempted from the taxes levied in sections 144.600 to 144.745:

(1) Property, the storage, use or consumption of which this state is prohibited from taxing pursuant to the constitution or laws of the United States or of this state;

(2) Property, the gross receipts from the sale of which are required to be included in the measure of the tax imposed pursuant to the Missouri sales tax law;

(3) Tangible personal property, the sale or other transfer of which, if made in this state, would be exempt from or not subject to the Missouri sales tax pursuant to the provisions of subsection 2 of section 144.030;

(4) Motor vehicles, trailers, boats, and outboard motors subject to the tax imposed by section [144.440] **144.020;**

(5) Tangible personal property which has been subjected to a tax by any other state in this respect to its sales or use; provided, if such tax is less than the tax imposed by sections 144.600 to 144.745, such property, if otherwise taxable, shall be subject to a tax equal to the difference between such tax and the tax imposed by sections 144.600 to 144.745;

(6) Tangible personal property held by processors, retailers, importers, manufacturers, wholesalers, or jobbers solely for resale in the regular course of business;

(7) Personal and household effects and farm machinery used while an individual was a bona fide resident of another state and who thereafter became a resident of this state, or tangible personal property brought into the state by a nonresident for his own storage, use or consumption while temporarily within the state."; and

Further amend said bill, Section 473.737, Page 15, Line 28, by inserting after all of said section and line the following:

"Section 1. Notwithstanding the provisions of section 1.140 to the contrary, the provisions of sections 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615, as amended by this act, shall be nonseverable, and if any provision is for any reason held to be invalid, such decision shall invalidate all of the remaining provisions of section 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615, as amended by this act.

Section B. Because of the detrimental impact that lost local revenues has had on the domestic economy by placing Missouri dealers of motor vehicles, outboard motors, boats and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats and trailers, the repeal and reenactment of sections 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615 and the enactment of section 1 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of sections 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615 and the enactment of section 1 of this act shall be in full force and effect upon its passage and approval."; and

Further amend said bill, page, and section, Line 72, by inserting after all of said line the following:

"162.081. 1. The corporate organization of any school district that is classified as unaccredited shall lapse on June thirtieth of the second full school year of such unaccredited classification after the school year during which the unaccredited classification is initially assigned. The territory theretofore embraced within any district that lapses pursuant to this section or any portion thereof may be attached to any district for school purposes by the state board of education; but no school district, except a district classified as unaccredited pursuant to

section 163.023 and section 160.538 shall lapse where provision is lawfully made for the attendance of the pupils of the district at another school district that is classified as provisionally accredited or accredited by the state board of education], **the state board of education shall, upon a district's initial classification or reclassification as unaccredited:**

(1) Review the governance of the district to establish the conditions under which the existing school board shall continue to govern; or

(2) Determine the date the district shall lapse and determine an alternative governing structure for the district.

2. The hearings shall provide an opportunity to convene community resources that may be useful or necessary in supporting the school district as it attempts to return to accredited status, continues under revised governance, or plans for continuity of educational services and resources upon its attachment to a neighboring district. The department may request the attendance of stakeholders and district officials to review the district's plan to return to accredited status, if any; offer technical assistance; and facilitate and coordinate community resources. Such hearings shall be conducted at least twice annually for every year in which the district remains unaccredited or provisionally accredited. [The purpose of the hearing shall be to:**

(1) Review any plan by the district to return to accredited status; or

(2) Offer any technical assistance that can be provided to the district.

3. Except as otherwise provided in section 162.1100, in a metropolitan school district or an urban school district containing most or all of a city with a population greater than three hundred fifty thousand inhabitants and in any other school district if the local board of education does not anticipate a return to accredited status, the state board of education may appoint a special administrative board to supervise the financial operations, maintain and preserve the financial assets or, if warranted, continue operation of the educational programs within the district or what provisions might otherwise be made in the best interest of the education of the children of the district. The special administrative board shall consist of two persons who are residents of the school district, who shall serve without compensation, and a professional administrator, who shall chair the board and shall be compensated, as determined by the state board of education, in whole or in part with funds from the district.

4.] **3. Upon [lapse of the district] classification of a district as unaccredited, the state board of education may:**

The special administrative board shall appoint a superintendent of schools to serve as the chief executive officer of the school district and to have all powers and duties of any other general superintendent of schools in a seven-director school district. Any special administrative board appointed under this section shall be responsible for the operation of the district until such time that the district is classified by the state board of education as provisionally accredited for at least two successive academic years, after which time the state board of education may provide for a transition pursuant to section 162.083; or

[The special administrative board may retain the authority granted to a board of education for the operation of the lapsed school district under the laws of the state in effect at the time of the lapse.

5.] 4. If the state board of education chooses, upon a district's initial classification as unaccredited, to allow the district to remain under the continued governance of the existing school district board of education under terms and conditions established by the state board of education in subsection 3 of this section, the state board of education shall annually review such decision under the terms of this section for so long as the district remains unaccredited or provisionally accredited, with consideration given to the following:

(1) If the unaccredited district earns an improved score of at least five points in academic achievement on the department's annual performance report as compared to the score it earned in the prior year or if the score is sufficient for accredited status, the state board of education may continue to allow the district to remain under the continued governance of the existing school district board of education under terms and conditions established by the state board of education;

5. A special administrative board appointed under this section shall retain the authority granted to a board of education for the operation of the lapsed school district under the laws of the state in effect at the time of the lapse and may enter into contracts with accredited school districts or other education service providers in order to deliver high quality educational programs to the residents of the district. If a student graduates while attending a school building in the district that is operated under a contract with an accredited school district as specified under this subsection, the student shall receive his or her diploma from the accredited school district. The authority of the special administrative board shall expire at the end of the third full school year following its appointment, unless extended by the state board of education. If the lapsed district is reassigned, the special administrative board shall provide an accounting of all funds, assets and liabilities of the lapsed district and transfer such funds, assets, and liabilities of the lapsed district as determined by the state board of education. [9. (1) The governing body of a school district, upon an initial declaration by the state board of education that such district is provisionally accredited, may, and, upon an initial declaration by the state board of education that such

district is unaccredited, shall develop a plan to be submitted to the voters of the school district to divide the school district if the district cannot attain accreditation within three years of the initial declaration that such district is unaccredited. In the case of such a district being declared unaccredited, such plan shall be presented to the voters of the district before the district lapses. In the case of such a district being declared provisionally accredited, such plan may be presented before the close of the current accreditation cycle.

(2) The plan may provide that the school district shall remain intact for the purposes of assessing, collecting and distributing taxes for support of the schools, and the governing body of the district shall develop a plan for the distribution of such taxes equitably on a per-pupil basis if the district selects this option.

(3) The makeup of the new districts shall be racially balanced as far as the proportions of students allow.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

SIXTY-NINTH DAY, WEDNESDAY, MAY 15, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He giveth power to the faint; and to them that have no might He increaseth strength. (Isaiah 40:29)

Almighty God, Whose saving truth never lets us down and Whose patient love never lets us go, make us conscious of Your presence as in spirit we bow before You in this morning moment of meditation and prayer. Speak Your Word to us and give us ears to hear, minds to heed, and hands and feet to do Your will - in Your way - for Your work during these final days.

Humble us in our pride, strengthen us in our weakness, and make us giants in heart when we would be little in spirit, that we may have joy in our endeavors and happiness in our minds. We need Your grace to listen, to relax, and to be at peace despite so many distractions.

Bless our state and every institution, every citizen, and every effort made which helps people to love one another and to live together. May Your kingdom come and Your will be done in us now.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Molly Daniels, Charlotte Geger, Samantha Geger, Bradley Schoenthal, Evan Schoenthal and Calen Kruger.

The Journal of the sixty-eighth day was approved as printed.

Speaker Jones declared the bill passed.

HCS SB 73, relating to judicial procedures, was taken up by Representative Cornejo.

Representative Solon offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 73, Page 2, Section 304.152, Line 10, by inserting after all of said line the following:

"478.1100. 1. Sections 478.1100 to 478.1120 shall be known and may be cited as the "Veterans Treatment Intervention Act".

2. For purposes of sections 478.1100 to 478.1120, the following terms shall mean:

(1) "Servicemember", any person serving as a member of the United States Armed Forces on active duty or state active duty and all members of the Missouri National Guard and United States Reserve Forces;

(2) "Veteran", any person defined as a veteran by the United States Department of Veterans Affairs or its successor agency.

478.1105. The presiding judge of any judicial circuit or a combination of circuit courts, upon agreement of the presiding judges of such circuit courts, in this state may establish a "Military Veterans and Servicemembers Court Program" under which veterans and servicemembers who suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem may be sentenced in a manner that appropriately addresses the severity of the mental illness, traumatic brain injury, substance abuse disorder, or psychological problem through services tailored to the individual needs of the participant. Entry into any military veterans and servicemembers court program shall be based upon the sentencing court's assessment of the defendant's criminal history, military service, substance abuse treatment needs, mental health treatment needs, amenability to the services of the program, the recommendation of the prosecuting attorney and the victim, if any, and the defendant's agreement to enter the program.

478.1110. 1. Any person who is charged with a felony, other than a felony listed in subsection 2 of this section, identified as a veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem is eligible for admission into a veterans' treatment intervention program approved by the presiding judge of the circuit upon motion of either party or the court's own motion, except:

(1) If a defendant was previously offered admission to a veterans' treatment intervention program at any time before trial and the defendant rejected such offer on the record, the court may deny the defendant's admission to such a program;

(2) If a defendant previously entered a court-ordered veterans' treatment program, the court may deny the defendant's admission into the veterans' treatment program.

In order to maintain compliance with federal law, nothing in sections 478.1100 to 478.1120 shall apply to any offense committed by a holder of a commercial driver's license or any person operating a commercial motor vehicle when the offense was committed, if the provisions of sections 478.1100 to 478.1120 as applied to such offenses results in this state's failure to comply with applicable federal laws and regulations.

2. Any person charged with the following felonies, including attempt of such felonies, shall not be eligible for admission into a veterans' treatment intervention program under sections 478.1100 to 478.1120:

- (1) Murder or manslaughter under chapter 565;
- (2) Kidnapping or false imprisonment under chapter 565;
- (3) Aggravated assault under chapter 565;
- (4) Stalking under chapter 565;
- (5) Elder abuse under chapter 565;
- (6) Sexual offenses under chapter 566;
- (7) Offenses against the family under chapter 568;
- (8) Robbery or burglary under chapter 569;
- (9) Arson under chapter 569;
- (10) Water contamination under chapter 569;
- (11) Child pornography under chapter 573;
- (12) Treason; and

(13) Any offense committed in another jurisdiction which would be a felony offense listed in this subsection if committed in this state.

3. (1) While enrolled in an intervention program authorized by this section, the participant shall be subject to a coordinated strategy developed by a veterans' treatment intervention team. The coordinated strategy shall be modeled after the therapeutic jurisprudence principles and key components listed in subdivision (2) of this subsection, with treatment specific to the needs of veterans and servicemembers. The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but not be limited to, placement in a treatment program offered by a licensed service provider or in a jail-based treatment program. The coordinated strategy shall be provided in writing to the participant before the participant agrees to enter into a veterans' treatment intervention program or other intervention program. Any person whose charges are dismissed after successful completion of the veterans' treatment intervention program, if otherwise eligible, may have his or her arrest record of the dismissed charges expunged under chapter 610.

(2) The treatment program shall include:

- (a) Integrate alcohol and other drug treatment services with justice system case processing;
- (b) Use a nonadversarial approach in which prosecution and defense counsel promote public safety while protecting participants' due process rights;
- (c) Eligible participants are identified early and promptly placed in the treatment program;
- (d) The treatment program provides access to a continuum of alcohol, drug, and other related treatment and rehabilitation services;
- (e) Abstinence is monitored by frequent and random testing for alcohol and other drugs;
- (f) A coordinated strategy governs treatment program responses to participants' compliance;
- (g) Ongoing judicial interaction with each treatment program participant is essential;
- (h) Monitoring and evaluation measure the achievement of program goals and gauge treatment program effectiveness;
- (i) Continuing interdisciplinary education promotes effective treatment program planning, implementation, and operations;
- (j) Forging partnerships among treatment programs, public agencies, and community-based organizations generates local support and enhances treatment program effectiveness.

4. At the end of the intervention period, the court shall consider the recommendation of the treatment program and the recommendation of the prosecuting attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant has successfully completed the intervention program. If the court finds that the defendant has not successfully completed the intervention program, the court may order the person to continue in education and treatment, which may include treatment programs offered by licensed service providers or jail-based treatment programs, or order that the charges revert to normal channels for prosecution. The court shall dismiss the charges upon a finding that the defendant has successfully completed the intervention program.

478.1115. 1. Any veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, and who is charged with a misdemeanor is eligible for admission into a veterans' treatment intervention program approved by the presiding judge of the circuit for a period based on the program's requirements and the treatment plan for the offender, upon motion of either party or the court's own motion. However, the court may deny the defendant admission into a veterans' treatment intervention program if the defendant has previously entered a court-ordered veterans' treatment program.

2. While enrolled in an intervention program authorized by this section, the participant shall be subject to a coordinated strategy developed by a veterans' treatment intervention team. The coordinated strategy shall be modeled after the therapeutic jurisprudence principles and key components in subdivision (2) of subsection 3 of section 478.1110, with treatment specific to the needs of veterans and servicemembers. The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but not be limited to, placement in a treatment program offered by a licensed service provider or in a jail-based treatment program. The coordinated strategy shall be provided in writing to the participant before the participant agrees to enter into a veterans' treatment intervention program. Any person whose charges are dismissed after successful completion of the veterans' treatment intervention program, if otherwise eligible, may have his or her arrest record of the dismissed charges expunged under chapter 610.

3. At the end of the intervention period, the court shall consider the recommendation of the treatment program and the recommendation of the prosecuting attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant successfully completed the intervention program. Notwithstanding the coordinated strategy developed by a team under subdivision (2) of subsection 2 of section 478.1110 or by the veterans' treatment intervention team, if the court finds that the defendant has not successfully completed the intervention program, the court may order the person to continue in education and treatment or return the charges to the criminal docket for prosecution. The court shall dismiss the charges upon finding that the defendant has successfully completed the intervention program.

4. Any public or private entity providing a substance abuse education and treatment program under this section shall contract with the county or appropriate governmental entity. Except for services provided by the United States Department of Veterans Affairs, the terms of the contract shall include, but not be limited to, the following requirements:

- (1) The extent of the services to be rendered by the entity providing supervision or rehabilitation;
- (2) Staff qualifications and criminal record checks of staff in accordance with essential standards established by the American Correctional Association;
- (3) Staffing levels;
- (4) The number of face-to-face contacts with the offender;
- (5) Procedures for handling the collection of all offender fees and restitution;
- (6) Procedures for handling indigent offenders which ensure placement irrespective of ability to pay;
- (7) Circumstances under which revocation of an offender's probation may be recommended;
- (8) Reporting and record-keeping requirements;
- (9) Default and contract termination procedures;
- (10) Procedures that aid offenders with job assistance; and
- (11) Procedures for accessing criminal history records of probationers. In addition, the entity shall supply the presiding judge's office with a quarterly report summarizing the number of offenders supervised by the private entity, payment of the required contribution under supervision or rehabilitation, and the number of offenders for whom supervision or rehabilitation will be terminated. All records of the entity shall be open to inspection upon the request of the county, the court, the state auditor, and the office of administration, or agents thereof.

478.1120. For a person on probation who is a veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, the court may, in addition to any other conditions imposed, impose a condition requiring the probationer to participate in a treatment program capable of treating the probationer's mental illness, traumatic brain injury, substance abuse disorder, or psychological problem. The court shall give preference to treatment programs for which the probationer is eligible through the United States Department of Veterans Affairs. The department of corrections is not required to spend state funds to implement this subsection."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Solon, **House Amendment No. 1** was adopted.

Representative Cornejo offered **House Amendment No. 2**.

On motion of Representative Cornejo, **House Amendment No. 2** was adopted.

Representative May offered **House Amendment No. 3.**

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 73, Page 2, Section 304.152, Line 10, by inserting after all of said section and line the following:

"568.040. 1. A person commits the crime of nonsupport if such person knowingly fails to provide adequate support for his or her spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide adequate support which such parent is legally obligated to provide for his or her child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) **"Arrearage":**

(a) The amount of money created by a failure to provide support to a child under an administrative or judicial support order; or

(b) Support to an estranged or former spouse if the judgment or order requiring payment of spousal support also requires payment of child support and such estranged or former spouse is the custodial parent; or

(c) Both paragraphs (a) and (b).

The arrearage shall reflect any retroactive support ordered under a modification, and any judgments entered by a court of competent jurisdiction or any authorized agency and any satisfactions of judgment filed by the custodial parent;

(2) "Child" means any biological or adoptive child, or any child whose paternity has been established under chapter 454, or chapter 210, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

[(2)] (3) "Good cause" means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

[(3)] (4) "Support" means food, clothing, lodging, and medical or surgical attention;

[(4)] (5) It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.

4. The defendant shall have the burden of injecting the issues raised by subdivision (4) of subsection 2 of this section.

5. Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of twelve monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.

6. (1) If at any time a defendant convicted of criminal nonsupport **or pleads guilty to a charge of criminal nonsupport** is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant's financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due [may] **shall** be in such aggregate sums as is not greater than fifty percent of the defendant's adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court- or administrative-ordered support, only.

(2) If the defendant fails to pay the [current] support and arrearages [as ordered] **under the terms of his or her probation**, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

(3) **After a period of not less than eight years, an individual who has pled guilty to or has been convicted of a first felony offense for criminal nonsupport under this section and who has successfully completed probation after a plea of guilt or was sentenced may petition the court for expungement of all official records all recordations of his or her arrest, plea, trial, or conviction. If the court determines after hearing that such person has not been convicted of any subsequent offense; does not have any other felony pleas of guilt, findings of guilt or convictions; is current on all child support obligations; has paid off all arrearages; and has no other criminal charges or administrative child support actions pending at the time of the hearing on the application for**

expungement with respect to all children subject to orders of payment of child support or that the defendant has successfully completed a criminal nonsupport courts program under section 478.1000, the court shall enter an order of expungement. Upon granting the order of expungement, the records and files maintained in any court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, and as if such event had never taken place. No person for whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement under this section. Nothing in this section shall prevent the director of the department of social services from maintaining such records as to ensure that an individual receives only one expungement under this section for the purpose of informing the proper authorities of the contents of any record maintained under this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

9. Beginning January 1, 1991, every prosecuting attorney in any county which has entered into a cooperative agreement with the [child support enforcement service of the] family support division [of] **within** the department of social services **regarding child support enforcement services** shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

- (1) In any county in which the child resided during the period of time for which the defendant is charged; or
- (2) In any county in which the defendant resided during the period of time for which the defendant is charged.";

and

86.257. 1. perform the duties of a police officer as the result of an injury or illness not exclusively caused or induced by the actual performance of his or her official duties or by his or her own negligence shall be retired by the board of [trustees of the police retirement system] **police commissioners or any successor body** upon certification by the medical [director] **board** of the police retirement system and approval by the board of trustees of the police retirement system that the member is mentally or physically unable to perform the duties of a police officer, that the inability is permanent or likely to become permanent, and that the member should be retired.

2. Once each year during the first five years following such member's retirement, and at least once in every three-year period thereafter, the board of trustees may, and upon the member's application shall, require any nonduty disability beneficiary who has not yet attained sixty years of age to undergo a medical examination at a place designated by the medical [director] **board** or such physicians as the medical [director] **board** appoints. If any nonduty disability beneficiary who has not attained sixty years of age refuses to submit to a medical examination, his or her nonduty disability pension may be discontinued until his or her withdrawal of such refusal, and if his or her refusal continues for one year, all rights in and to such pension may be revoked by the board of trustees.

3. If the medical [director] **board** certifies to the board of trustees that a nonduty disability beneficiary is able to perform the duties of a police officer, and if the board of trustees concurs on the report, then such beneficiary's nonduty disability pension shall cease.

4. If upon cessation of a disability pension under subsection 3 of this section, the former disability beneficiary is restored to active service, he or she shall again become a member, and he or she shall contribute thereafter at the same rate as other members. Upon his or her subsequent retirement, he or she shall be credited with all of his or her active retirement, but not including any time during which the former disability beneficiary received a disability pension under this section.

86.263. 1. Any member **in active service** who is permanently unable to perform the **full and unrestricted** duties of a police officer as the natural, proximate, and exclusive result of an accident occurring within the actual performance of duty at some definite time and place, through no negligence on the member's part, shall[, upon application,] be retired **by the board of police commissioners or any successor body** upon certification by [the medical director of the police retirement system and approval by the board of trustees of the police retirement system] **one or more physicians of the medical board** that the member is mentally or physically unable to perform the **full and unrestricted** duties of a police officer [and], that the inability is permanent or [reasonably] likely to become permanent, **and that the member should be retired. The inability to perform the "full and unrestricted duties of a police officer" means the member is unable to perform all the essential job functions for the position of police officer as established by the board of police commissioners or any successor body.**

2. No member shall be approved for retirement under the provisions of subsection 1 of this section unless the application was made and submitted to the board of [trustees of the police retirement system] **police commissioners or any successor body** no later than five years following the date of accident, provided, that if the accident was reported within five years of the date of the accident and an examination made of the member within thirty days of the date of accident by a health care provider whose services were provided through the board of police commissioners with subsequent examinations made as requested, then an application made more than five years following the date of the accident shall be considered timely.

3. Once each year during the first five years following a member's retirement, and at least once in every three-year period thereafter, the board of trustees may require any disability beneficiary who has not yet attained sixty years of age to undergo a medical examination or medical examinations at a place designated by the medical [director] **board** or such physicians as the medical [director] **board** appoints. If any disability beneficiary who has not attained sixty years of age refuses to submit to a medical examination, his or her disability pension may be discontinued **by the board of trustees of the police retirement system** until his or her withdrawal of such refusal, and if his or her refusal continues for one year, all rights in and to such pension may be revoked by the board of trustees.

4. If the medical [director] **board** certifies to the board of trustees that a disability beneficiary is able to perform the duties of a police officer, [and if the board of trustees concurs with the medical director's determination,] then such beneficiary's disability pension shall cease.

5. If upon cessation of a disability pension under subsection 4 of this section, the former disability beneficiary is restored to active service, he or she shall again become a member, and he or she shall contribute thereafter at the same rate as other members. Upon his or her subsequent retirement, he or she shall be credited with all of his or her active service time as a member including the service time prior to receiving disability retirement, but not including any time during which the former disability beneficiary received a disability pension under this section.

6. If upon cessation of a disability pension under subsection 4 of this section, the former disability beneficiary is not restored to active service, such former disability beneficiary shall be entitled to the retirement benefit to which such

former disability beneficiary would have been entitled if such former disability beneficiary had terminated service for any reason other than dishonesty or being convicted of a felony at the time of such cessation of such former disability beneficiary's disability pension. For purposes of such retirement benefits, such former disability beneficiary shall be credited with all of the former disability beneficiary's active service time as a member, but not including any time during which the former disability beneficiary received a disability beneficiary pension under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Leara, **House Amendment No. 1** was adopted.

Representative May offered **House Amendment No. 2.**

House Amendment No. 2

AMEND Senate Committee Substitute for Senate Bill No. 224, Page 4, Section 84.510, Line 66, by inserting after all of said section and line the following:

"568.040. 1. A person commits the crime of nonsupport if such person knowingly fails to provide adequate support for his or her spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide adequate support which such parent is legally obligated to provide for his or her child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) **"Arrearage":**

(a) The amount of money created by a failure to provide support to a child under an administrative or judicial support order; or

(b) Support to an estranged or former spouse if the judgment or order requiring payment of spousal support also requires payment of child support and such estranged or former spouse is the custodial parent; or

(c) Both paragraphs (a) and (b).

The arrearage shall reflect any retroactive support ordered under a modification, and any judgments entered by a court of competent jurisdiction or any authorized agency and any satisfactions of judgment filed by the custodial parent;

(2) "Child" means any biological or adoptive child, or any child whose paternity has been established under chapter 454, or chapter 210, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

[(2)] (3) "Good cause" means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

[(3)] (4) "Support" means food, clothing, lodging, and medical or surgical attention;

[(4)] (5) It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.

4. The defendant shall have the burden of injecting the issues raised by subdivision (4) of subsection 2 of this section.

5. Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of twelve monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.

6. **(1)** If at any time a defendant convicted of criminal nonsupport **or pleads guilty to a charge of criminal nonsupport** is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant's financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due **[may] shall** be in such aggregate sums as is not greater than fifty percent of the defendant's adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court- or administrative-ordered support, only.

(2) If the defendant fails to pay the [current] support and arrearages [as ordered] **under the terms of his or her probation**, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

(3) **After a period of not less than eight years, an individual who has pled guilty to or has been convicted of a first felony offense for criminal nonsupport under this section and who has successfully completed probation after a plea of guilt or was sentenced may petition the court for expungement of all official records all recordations of his or her arrest, plea, trial, or conviction. If the court determines after hearing that such person has not been convicted of any subsequent offense; does not have any other felony pleas of guilt, findings of guilt or convictions; is current on all child support obligations; has paid off all arrearages; and has no other criminal charges or administrative child support actions pending at the time of the hearing on the application for expungement with respect to all children subject to orders of payment of child support or that the defendant has successfully completed a criminal nonsupport courts program under section 478.1000, the court shall enter an order of expungement. Upon granting the order of expungement, the records and files maintained in any court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, and as if such event had never taken place. No person for whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement under this section. Nothing in this section shall prevent the director of the department of social services from maintaining such records as to ensure that an individual receives only one expungement under this section for the purpose of informing the proper authorities of the contents of any record maintained under this section.**

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

9. Beginning January 1, 1991, every prosecuting attorney in any county which has entered into a cooperative agreement with the [child support enforcement service of the] family support division [of] **within** the department of social services **regarding child support enforcement services** shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

- (1) In any county in which the child resided during the period of time for which the defendant is charged; or
- (2) In any county in which the defendant resided during the period of time for which the defendant is charged.";

and

Further amend said bill, Page 4, Section 84.510, Line 66, by inserting after all of said line the following:

"169.270. Unless a different meaning is clearly required by the context, the following words and phrases as used in sections 169.270 to 169.400 shall have the following meanings:

(1) "Accumulated contributions", the sum of all amounts deducted from the compensation of a member or paid on behalf of the member by the employer and credited to the member's individual account together with interest thereon

in the employees' contribution fund. The board of trustees shall determine the rate of interest allowed thereon as provided for in section 169.295;

(2) "Actuarial equivalent", a benefit of equal value when computed upon the basis of formulas and/or tables which have been approved by the board of trustees. The formulas and tables in effect at any time shall be set forth in a written document which shall be maintained at the offices of the retirement system and treated for all purposes as part of the documents governing the retirement system established by section 169.280. The formulas and tables may be changed from time to time if recommended by the retirement system's actuary and approved by the board of trustees;

(3) "Average final compensation", the highest average annual compensation received for any four consecutive years of service. In determining whether years of service are "consecutive", only periods for which creditable service is earned shall be considered, and all other periods shall be disregarded;

(4) "Beneficiary", any person designated by a member for a retirement allowance or other benefit as provided by sections 169.270 to 169.400;

(5) "Board of education", the board of directors or corresponding board, by whatever name, having charge of the public schools of the school district in which the retirement system is established;

(6) "Board of trustees", the board provided for in section 169.291 to administer the retirement system;

(7) "Break in service", an occurrence when a regular employee ceases to be a regular employee for any reason other than retirement (including termination of employment, resignation, or furlough but not including vacation, sick leave, excused absence or leave of absence granted by an employer) and such person does not again become a regular employee until after sixty consecutive calendar days have elapsed, or after fifteen consecutive school or work days have elapsed, whichever occurs later. A break in service also occurs when a regular employee retires under the retirement system established by section 169.280 and does not again become a regular employee until after fifteen consecutive school or work days have elapsed. A "school or work day" is a day on which the employee's employer requires (or if the position no longer exists, would require, based on past practice) employees having the former employee's last job description to report to their place of employment for any reason;

(8) "Charter school", any charter school established pursuant to sections 160.400 to 160.420 and located, at the time it is established, within the school district;

(9) "Compensation", the regular compensation as shown on the salary and wage schedules of the employer, including any amounts paid by the employer on a member's behalf pursuant to subdivision (5) of subsection 1 of section 169.350, but such term is not to include extra pay, overtime pay, consideration for entering into early retirement, or any other payments not included on salary and wage schedules. For any year beginning after December 31, 1988, the annual compensation of each member taken into account under the retirement system shall not exceed the limitation set forth in Section 401(a)(17) of the Internal Revenue Code of 1986, as amended;

(10) "Creditable service", the amount of time that a regular employee is a member of the retirement system and makes contributions thereto in accordance with the provisions of sections 169.270 to 169.400;

(11) "Employee", any person who is classified by the school district, a charter school, the library district or the retirement system established by section 169.280 as an employee of such employer and is reported contemporaneously for federal and state tax purposes as an employee of such employer. A person is not considered to be an employee for purposes of such retirement system with respect to any service for which the person was not reported contemporaneously for federal and state tax purposes as an employee of such employer, regardless of whether the person is or may later be determined to be or to have been a common law employee of such employer, including but not limited to a person classified by the employer as independent contractors and persons employed by other entities which contract to provide staff and services to the employer. In no event shall a person reported for federal tax purposes as an employee of a private, for-profit entity be deemed to be an employee eligible to participate in the retirement system established by section 169.280 with respect to such employment;

(12) "Employer", the school district, any charter school, the library district, or the retirement system established by section 169.280, or any combination thereof, as required by the context to identify the employer of any member, or, for purposes only of subsection 2 of section 169.324, of any retiree;

(13) "Employer's board", the board of education, the governing board of any charter school, the board of trustees of the library district, the board of trustees, or any combination thereof, as required by the context to identify the governing body of an employer;

a member if the person has a break in service before earning any vested retirement benefits or if the person withdraws his or her accumulated contributions from the retirement system;

(17) "Minimum normal retirement age", **for any member who retires before January 1, 2014, or who is a member of the retirement system on December 31, 2013, and remains a member continuously to retirement, the earlier of the date the member attains the age of sixty or the date the member has a total of at least seventy-five credits, with each year of creditable service and each year of age equal to one credit[,] and with both years of creditable service and years of age prorated for fractional years; for any person who becomes a member of the retirement system on or after January 1, 2014, including any person who was previously a member of the retirement system before January 1, 2014, but ceased to be a member for any reason other than retirement, the earlier of the date the member attains the age of sixty-two or the date the member has a total of at least eighty credits, with each year of creditable service and each year of age equal to one credit and with both years of creditable service and years of age prorated for fractional years;**

(18) "Prior service", service prior to the date the system becomes operative which is creditable in accordance with the provisions of section 169.311. Prior service in excess of thirty-eight years shall be considered thirty-eight years;

(19) "Regular employee", any employee who is assigned to an established position which requires service of not less than twenty-five hours per week, and not less than nine calendar months a year. Any regular employee who is subsequently assigned without break in service to a position demanding less service than is required of a regular employee shall continue the employee's status as a regular employee. Except as stated in the preceding sentence, a temporary, part-time, or furloughed employee is not a regular employee;

(21) "Retirement allowance", annuity payments to a retirant or to such beneficiary as is entitled to same;

(22) "School district", any school district in which a retirement system shall be established under section 169.280.

169.291. 1. The general administration and the responsibility for the proper operation of the retirement system are hereby vested in a board of trustees of twelve persons who shall be resident taxpayers of the school district, as follows:

(1) Four trustees to be appointed for terms of four years by the board of education; provided, however, that the terms of office of the first four trustees so appointed shall begin immediately upon their appointment and shall expire one, two, three and four years from the date the retirement system becomes operative, respectively;

(2) Four trustees to be elected for terms of four years by and from the members of the retirement system; provided, however, that the terms of office of the first four trustees so elected shall begin immediately upon their election and shall expire one, two, three and four years from the date the retirement system becomes operative, respectively;

(3) The ninth trustee shall be the superintendent of schools of the school district;

(4) The tenth trustee shall be one retirant of the retirement system elected for a term of four years beginning the first day of January immediately following August 13, 1986, by the retirants of the retirement system;

(5) The eleventh trustee shall be appointed for a term of four years beginning the first day of January immediately following August 13, 1990, by the board of trustees described in subdivision (3) of section 182.701;

(6) The twelfth trustee shall be a retirant of the retirement system elected for a term of four years beginning the first day of January immediately following August 28, 1992, by the retirants of the retirement system.

2. If a vacancy occurs in the office of a trustee, the vacancy shall be filled for the unexpired term in the same manner as the office was previously filled, except that the board of trustees may appoint a qualified person to fill the vacancy in the office of an elected member until the next regular election at which time a member shall be elected for the unexpired term. No vacancy or vacancies on the board of trustees shall impair the power of the remaining trustees to administer the retirement system pending the filling of such vacancy or vacancies.

3. In the event of a lapse of the school district's corporate organization as described in subsections 1 and 4 of section 162.081, the general administration and responsibility for the proper operation of the retirement system shall continue to be vested in a twelve-person board of trustees, all of whom shall be resident taxpayers of a city, other than a city not within a county, of four hundred thousand or more. In such event, if vacancies occur in the offices of the four trustees appointed, prior to the lapse, by the board of education, or in the offices of the four trustees elected, prior to the lapse, by the members of the retirement system, or in the office of trustee held, prior to the lapse, by the superintendent of schools in the school district, as provided in subdivisions (1), (2) and (3) of subsection 1 of this section, the board of trustees shall appoint a qualified person to fill each vacancy and subsequent vacancies in the office of trustee for terms of up to four years, as determined by the board of trustees.

4. Each trustee shall, before assuming the duties of a trustee, take the oath of office before the court of the judicial circuit or one of the courts of the judicial circuit in which the school district is located that so far as it devolves

upon the trustee, such trustee shall diligently and honestly administer the affairs of the board of trustees and that the trustee will not knowingly violate or willingly permit to be violated any of the provisions of the law applicable to the retirement system. Such oath shall be subscribed to by the trustee making it and filed in the office of the clerk of the circuit court.

5. Each trustee shall be entitled to one vote in the board of trustees. Seven trustees shall constitute a quorum at any meeting of the board of trustees. At any meeting of the board of trustees where a quorum is present, the vote of at least seven of the trustees in support of a motion, resolution or other matter is necessary to be the decision of the board; provided, however, that in the event of a lapse in the school district's corporate organization as described in subsections 1 and 4 of section 162.081, a majority of the trustees then in office shall constitute a quorum at any meeting of the board of trustees, and the vote of a majority of the trustees then in office in support of a motion, resolution or other matter shall be necessary to be the decision of the board.

6. The board of trustees shall have exclusive original jurisdiction in all matters relating to or affecting the funds herein provided for, including, in addition to all other matters, all claims for benefits or refunds, and its action, decision or determination in any matter shall be reviewable in accordance with chapter 536 or chapter 621. Subject to the limitations of sections 169.270 to 169.400, the board of trustees shall, from time to time, establish rules and regulations for the administration of funds of the retirement system, for the transaction of its business, and for the limitation of the time within which claims may be filed.

7. The trustees shall serve without compensation. The board of trustees shall elect from its membership a chairman and a vice chairman. The board of trustees shall appoint an executive director who shall serve as the administrative officer of the retirement system and as secretary to the board of trustees. It shall employ one or more persons, firms or corporations experienced in the investment of moneys to serve as investment counsel to the board of trustees. The compensation of all persons engaged by the board of trustees and all other expenses of the board necessary for the operation of the retirement system shall be paid at such rates and in such amounts as the board of trustees shall approve, and shall be paid from the investment income.

8. The board of trustees shall keep in convenient form such data as shall be necessary for actuarial valuations of the various funds of the retirement system and for checking the experience of the system.

9. The board of trustees shall keep a record of all its proceedings which shall be open to public inspection. It shall prepare annually and furnish to the board of education and to each member of the retirement system who so requests a report showing the fiscal transactions of the retirement system for the preceding fiscal year, the amount of accumulated cash and securities of the system, and the last balance sheet showing the financial condition of the system by means of an actuarial valuation of the assets and liabilities of the retirement system.

10. The board of trustees shall have, in its own name, power to sue and to be sued, to enter into contracts, to own property, real and personal, and to convey the same; but the members of such board of trustees shall not be personally liable for obligations or liabilities of the board of trustees or of the retirement system.

11. The board of trustees shall arrange for necessary legal advice for the operation of the retirement system.

12. The board of trustees shall designate a medical board to be composed of three or more physicians who shall not be eligible for membership in the system and who shall pass upon all medical examinations required under the provisions of sections 169.270 to 169.400, shall investigate all essential statements and certificates made by or on behalf of a member in connection with an application for disability retirement and shall report in writing to the board of trustees its conclusions and recommendations upon all matters referred to it.

13. The board of trustees shall designate an actuary who shall be the technical advisor of the board of trustees on matters regarding the operation of the retirement system and shall perform such other duties as are required in connection therewith. Such person shall be qualified as an actuary by membership as a Fellow of the Society of Actuaries or by similar objective standards.

14. At least once in each five-year period the actuary shall make an investigation into the actuarial experience of the members, retirants and beneficiaries of the retirement system and, taking into account the results of such investigation, the board of trustees shall adopt for the retirement system such actuarial assumptions as the board of trustees deems necessary for the financial soundness of the retirement system.

15. On the basis of such actuarial assumptions as the board of trustees adopts, the actuary shall make annual valuations of the assets and liabilities of the funds of the retirement system.

16. The rate of contribution payable by the [employer] **employers** shall equal one and ninety-nine one-hundredths percent, effective July 1, 1993; three and ninety-nine one-hundredths percent, effective July 1, 1995; five and ninety-nine one-hundredths percent, effective July 1, 1996; seven and one-half percent effective January 1, 1999, and for [all] subsequent **calendar** years **through 2013. For calendar year 2014 and each subsequent year, the rate of contribution payable by the employers for each year shall be determined by the actuary for the retirement**

system in the manner provided in subsection 4 of section 169.350 and shall be certified by the board of trustees to the employers at least six months prior to the date such rate is to be effective.

17. In the event of a lapse of a school district's corporate organization as described in subsections 1 and 4 of section 162.081, no retirement system, nor any of the assets of any retirement system, shall be transferred to or merged with another retirement system without prior approval of such transfer or merge by the board of trustees of the retirement system.

169.301. 1. Any active member who has completed five or more years of actual (not purchased) creditable service shall be entitled to a vested retirement benefit equal to the annual service retirement allowance provided in sections 169.270 to 169.400 payable after attaining the minimum normal retirement age and calculated in accordance with the law in effect on the last date such person was a regular employee; provided, that such member does not withdraw such person's accumulated contributions pursuant to section 169.328 prior to attaining the minimum normal retirement age.

2. Any member who elected on October 13, 1961, or within thirty days thereafter, to continue to contribute and to receive benefits under sections 169.270 to 169.400 may continue to be a member of the retirement system under the terms and conditions of the plan in effect immediately prior to October 13, 1961, or may, upon written request to the board of trustees, transfer to the present plan, provided that the member pays into the system any additional contributions with interest the member would have credited to the member's account if such person had been a member of the current plan since its inception or, if the person's contributions and interest are in excess of what the person would have paid, such person will receive a refund of such excess. The board of trustees shall adopt appropriate rules and regulations governing the operation of the plan in effect immediately prior to October 13, 1961.

3. Should a retirant again become an active member, such person's retirement allowance payments shall cease during such membership and shall be recalculated upon subsequent retirement to include any creditable service earned during the person's latest period of active membership in accordance with subsection 2 of section 169.324.

4. In the event of the complete termination of the retirement system established by section 169.280 or the complete discontinuance of contributions to such retirement system, the rights of all members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be fully vested and nonforfeitable.

5. If a member leaves employment with an employer to perform qualified military service, as defined in Section 414(u) of the Internal Revenue Code of 1986, as amended, and dies while in such service, the member's survivors shall be entitled to any additional benefits (other than benefit accruals relating to the period of qualified military service) that would have been provided had the member resumed employment with the employer and then terminated on account of death in accordance with the requirements of Sections [407(a)(37)] **401(a)(37)** and 414(u) of the Internal Revenue Code of 1986, as amended. In such event, the member's period of qualified military [services] **service** shall be counted as creditable service for purposes of vesting but not for purposes of determining the amount of the member's retirement allowance.

169.324. 1. The annual service retirement allowance payable pursuant to section 169.320 [in equal monthly installments for life shall be the retirant's number of years of creditable service multiplied by one and three-fourths percent of the person's average final compensation, subject to a maximum of sixty percent of the person's average final compensation. (2) **A retirant whose number of years of creditable service is greater than thirty-four and one-quarter on August 28, 1993, shall receive an annual service retirement allowance payable pursuant to section 169.320 in**

equal monthly installments for life equal to the retirant's number of years of creditable service as of August 28, 1993, multiplied by one and three-fourths percent of the person's average final compensation but shall not receive a greater annual service retirement allowance based on additional years of creditable service after August 28, 1993;

(3) A retirant who was an active member of the retirement system at any time on or after June 30, 1999, and who either retires before January 1, 2014, or is a member of the retirement system on December 31, 2013, and remains a member continuously to retirement shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by two percent of the person's average final compensation, subject to a maximum of sixty percent of the person's final compensation;

(5) Notwithstanding the provisions of subdivisions (1) to (4) of this subsection, effective January 1, 1996, any [retiree] **retirant** who retired on, before or after January 1, 1996, with at least twenty years of creditable service shall receive at least three hundred dollars each month as a retirement allowance, or the actuarial equivalent thereof if the [retiree] **retirant** elected any of the options available under section 169.326. If a retirant is reemployed by any employer in any capacity, whether pursuant to this section, or section 169.331, 169.580, or 169.585, or as a regular employee, the amount of such person's retirement allowance attributable to service prior to the person's first retirement date shall not be changed by the reemployment. If the person again becomes an active member and earns additional creditable service, upon the person's second retirement the person's retirement allowance shall be the sum of:

(1) The retirement allowance the person was receiving at the time the person's retirement allowance was suspended, pursuant to the payment option elected as of the first retirement date, plus the amount of any increase in such retirement allowance the person would have received pursuant to subsection 3 of this section had payments not been suspended during the person's reemployment; and

(2) An additional retirement allowance computed using the benefit formula in effect on the person's second retirement date, the person's creditable service following reemployment, and the person's average final annual compensation as of the second retirement date. The sum calculated pursuant to this subsection shall not exceed the greater of sixty percent of the person's average final compensation as of the second retirement date or the amount determined pursuant to subdivision (1) of this subsection. Compensation earned prior to the person's first retirement date shall be considered in determining the person's average final compensation as of the second retirement date if such compensation would otherwise be included in determining the person's average final compensation.

3. The board of trustees shall determine annually whether the investment return on funds of the system can provide for an increase in benefits for retirants eligible for such increase. A retirant shall and will be eligible for an increase awarded pursuant to this section as of the second January following the date the retirant commenced receiving

retirement benefits. Any such increase shall also apply to any monthly joint and survivor retirement allowance payable to such retirant's beneficiaries, regardless of age. The board shall make such determination as follows:

(1) After determination by the actuary of the investment return for the preceding year as of December thirty-first (the "valuation year"), the actuary shall recommend to the board of trustees what portion of the investment return is available to provide such benefits increase, if any, and shall recommend the amount of such benefits increase, if any, to be implemented as of the first day of the thirteenth month following the end of the valuation year, and [the] first payable on or about the first day of the fourteenth month following the end of the valuation year. The actuary shall make such recommendations so as not to affect the financial soundness of the retirement system, recognizing the following safeguards:

(a) The retirement system's funded ratio as of January first of the year preceding the year of a proposed increase shall be at least one hundred percent after adjusting for the effect of the proposed increase. The funded ratio is the ratio of assets to the pension benefit obligation;

(b) The actuarially required contribution rate, after adjusting for the effect of the proposed increase, may not exceed the [statutory] **then applicable employer and member contribution rate as determined under subsection 4 of section 169.350;**

(c) The actuary shall certify to the board of trustees that the proposed increase will not impair the actuarial soundness of the retirement system;

(d) A benefit increase, under this section, once awarded, cannot be reduced in succeeding years;

(2) The board of trustees shall review the actuary's recommendation and report and shall, in their discretion, determine if any increase is prudent and, if so, shall determine the amount of increase to be awarded.

4. This section does not guarantee an annual increase to any retirant.

5. If an inactive member becomes an active member after June 30, 2001, and after a break in service, unless the person earns at least four additional years of creditable service without another break in service, upon retirement the person's retirement allowance shall be calculated separately for each separate period of service ending in a break in service. The retirement allowance shall be the sum of the separate retirement allowances computed for each such period of service using the benefit formula in effect, the person's average final compensation as of the last day of such period of service and the creditable service the person earned during such period of service; provided, however, if the person earns at least four additional years of creditable service without another break in service, all of the person's creditable service prior to and including such service shall be aggregated and, upon retirement, the retirement allowance shall be computed using the benefit formula in effect and the person's average final compensation as of the last day of such period of four or more years and all of the creditable service the person earned prior to and during such period.

6. Notwithstanding anything contained in this section to the contrary, the amount of the annual service retirement allowance payable to any retirant pursuant to the provisions of sections 169.270 to 169.400, including any adjustments made pursuant to subsection 3 of this section, shall at all times comply with the provisions and limitations of Section 415 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, the terms of which are specifically incorporated herein by reference.

7. All retirement systems established by the laws of the state of Missouri shall develop a procurement action plan for utilization of minority and women money managers, brokers and investment counselors. Such retirement systems shall report their progress annually to the joint committee on public employee retirement and the governor's minority advocacy commission.

169.350. 1. All of the assets of the retirement system (other than tangible real or personal property owned by the retirement system for use in carrying out its duties, such as office supplies and furniture) shall be credited, according to the purpose for which they are held, in either the employees' contribution fund or the general reserve fund.

(1) The employees' contribution fund shall be the fund in which shall be accumulated the contributions of the members. The employer shall, except as provided in subdivision (5) of this subsection, cause to be deducted from the compensation of each member on each and every payroll, for each and every payroll period, the pro rata portion of five and nine-tenths percent of his annualized compensation. Effective January 1, 1999, **through December 31, 2013**, the employer shall deduct an additional one and six-tenths percent of the member's annualized compensation. **For 2014 and for each subsequent year, the employer shall deduct from each member's annualized compensation the rate of contribution determined for such year by the actuary for the retirement system in the manner provided in subsection 4 of this section.**

(2) The employer shall pay all such deductions and any amount it may elect to pay pursuant to subdivision (5) of this subsection to the retirement system at once. The retirement system shall credit such deductions and such amounts to the individual account of each member from whose compensation the deduction was made or with respect to whose compensation the amount was paid pursuant to subdivision (5) of this subsection. In determining the deduction for a

member in any payroll period, the board of trustees may consider the rate of compensation payable to such member on the first day of the payroll period as continuing throughout such period.

(3) The deductions provided for herein are declared to be a part of the compensation of the member and the making of such deductions shall constitute payments by the member out of the person's compensation and such deductions shall be made notwithstanding that the amount actually paid to the member after such deductions is less than the minimum compensation provided by law for any member. Every member shall be deemed to consent to the deductions made and provided for herein, and shall receipt for the person's full compensation, and the making of the deduction and the payment of compensation less the deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered during the period covered by the payment except as to benefits provided by sections 169.270 to 169.400.

(4) The accumulated contributions with interest of a member withdrawn by the person or paid to the person's estate or designated beneficiary in the event of the person's death before retirement shall be paid from the employees' contribution fund. Upon retirement of a member the member's accumulated contributions with interest shall be transferred from the employees' contribution fund to the general reserve fund.

(5) The employer may elect to pay on behalf of all members all or part of the amount that the members would otherwise be required to contribute to the employees' contribution fund pursuant to subdivision (1) of this subsection. Such amounts paid by the employer shall be in lieu of members' contributions and shall be treated for all purposes of sections 169.270 to 169.400 as contributions made by members. Notwithstanding any other provision of this chapter to the contrary, no member shall be entitled to receive such amounts directly. The election shall be made by a duly adopted resolution of the employer's board and shall remain in effect for at least one year from the effective date thereof. The election may be thereafter terminated only by an affirmative act of the employer's board notwithstanding any limitation in the term thereof in the adopting resolution. Any such termination resolution shall be adopted at least sixty days prior to the effective date thereof, and the effective date thereof shall coincide with a fiscal year-end of the employer. In the absence of such a termination resolution, the election shall remain in effect from fiscal year to fiscal year.

2. The general reserve fund shall be the fund in which shall be accumulated all reserves for the payment of all benefit expenses and other demands whatsoever upon the retirement system except those items heretofore allocated to the employees' contribution fund.

(1) All contributions by the employer, except those the employer elects to make on behalf of the members pursuant to subdivision (5) of subsection 1 of this section, shall be credited to the general reserve fund.

(2) Should a retirant be restored to active service and again become a member of the retirement system, the excess, if any, of the person's accumulated contributions over benefits received by the retirant shall be transferred from the general reserve fund to the employees' contribution fund and credited to the person's account.

3. Gifts, devises, bequests and legacies may be accepted by the board of trustees and deposited in the general reserve fund to be held, invested and used at its discretion for the benefit of the retirement system except where specific direction for the use of a gift is made by a donor.

4. Beginning in 2013, the actuary for the retirement system shall annually calculate the rate of employer contributions and member contributions for 2014 and for each subsequent calendar year, expressed as a level percentage of the annualized compensation of the members, subject to the following:

(1) The rate of contribution for any calendar year shall be determined based on an actuarial valuation of the retirement system as of the first day of the prior calendar year. Such actuarial valuation shall be performed using the actuarial cost method and actuarial assumptions adopted by the board of trustees and in accordance with accepted actuarial standards of practice in effect at the time the valuation is performed, as promulgated by the actuarial standards board or its successor;

(2) The target combined employer and member contribution rate shall be the amount actuarially required to cover the normal cost and amortize any unfunded accrued actuarial liability over a period that shall not exceed thirty years from the date of the valuation;

(3) The target combined rate as so determined shall be allocated equally between the employer contribution rate and the member contribution rate, provided, however, that the level rate of contributions to be paid by the employers and the level rate of contributions to be deducted from the compensation of members for any calendar year shall each be limited as follows:

(a) The contribution rate shall not be less than seven and one-half percent;

(b) The contribution rate shall not exceed nine percent; and

(c) Changes in the contribution rate from year to year shall be in increments of one-half percent such that the contribution rate for any year shall not be greater than or less than the rate in effect for the prior year by more than one-half percent;

(4) The board of trustees shall certify to the employers the contribution rate for the following calendar year no later than six months prior to the date such rate is to be effective."; and

House Amendment No. 4

AMEND Senate Committee Substitute for Senate Bill No. 224, Page 1, In the Title, Line 3, by deleting the words, "the Kansas City police department" and inserting in lieu thereof the words, "public employees"; and

Further amend said bill, Page 4, Section 84.510, Line 66, by inserting after all of said line the following:

"105.935. 1. Any state employee who has accrued any overtime hours may choose to use those hours as compensatory leave time provided that the leave time is available and agreed upon by both the state employee and his or her supervisor.

2. A state employee who is a nonexempt employee pursuant to the provisions of the Fair Labor Standards Act shall be eligible for payment of overtime in accordance with subsection 4 of this section. A nonexempt state employee who works on a designated state holiday shall be granted equal compensatory time off duty or shall receive, at his or her choice, the employee's straight time hourly rate in cash payment. A nonexempt state employee shall be paid in cash for overtime unless the employee requests compensatory time off at the applicable overtime rate. As used in this section, the term "state employee" means any person who is employed by the state and earns a salary or wage in a position normally requiring the actual performance by him or her of duties on behalf of the state, but shall not include any employee who is exempt under the provisions of the Fair Labor Standards Act or any employee of the general assembly.

3. Beginning on January 1, 2006, and annually thereafter each department shall pay all nonexempt state employees in full for any overtime hours accrued during the previous calendar year which have not already been paid or used in the form of compensatory leave time. [All nonexempt state employees shall have the option of retaining up to a total of eighty compensatory time hours.] **Any nonexempt Missouri department of corrections employee who has accrued any overtime hours may choose to use those hours as compensatory leave time provided that the leave time is available and agreed upon by such employee and his or her supervisor. Compensatory time shall be considered accrued upon completion of time worked in excess of such employee's normal assigned shift and will be the employee's decision whether to take the time off or request payment for such hours. Each nonexempt state employee shall have the right to retain up to eighty hours of compensatory time at any time during the year.**

4. The provisions of subsection 2 of this section shall only apply to nonexempt state employees who are otherwise eligible for compensatory time under the Fair Labor Standards Act, excluding employees of the general assembly. Any nonexempt state employee requesting cash payment for overtime worked shall notify such employee's department in writing of such decision and state the number of hours, no less than twenty, for which payment is desired. The department shall pay the employee within the calendar month following the month in which a valid request is made. Nothing in this section shall be construed as creating a new compensatory benefit for state employees.

5. Each department shall, by November first of each year, notify the commissioner of administration, the house budget committee chair, and the senate appropriations committee chair of the amount of overtime paid in the previous fiscal year and an estimate of overtime to be paid in the current fiscal year. The fiscal year estimate for overtime pay to be paid by each department shall be designated as a separate line item in the appropriations bill for that department. The provisions of this subsection shall become effective July 1, 2005.

6. Each state department shall report quarterly to the house of representatives budget committee chair, the senate appropriations committee chair, and the commissioner of administration the cumulative number of accrued

overtime hours for department employees, the dollar equivalent of such overtime hours, the number of authorized full-time equivalent positions and vacant positions, the amount of funds for any vacant positions which will be used to pay overtime compensation for employees with full-time equivalent positions, and the current balance in the department's personal service fund.

7. This section is applicable to overtime earned under the Fair Labor Standards Act. This section is applicable to employees who are employed in nonexempt positions providing direct client care or custody in facilities operating on a twenty-four-hour seven-day-a-week basis in the department of corrections, the department of mental health, the division of youth services of the department of social services, and the veterans commission of the department of public safety."; and

2. The director shall develop and maintain a list of approved school protection officer training instructors, training centers, and training programs. The director shall not place any instructor, training center, or training program on its approved list unless such instructor, training center, or training program meets all of the POST commission requirements under this section and section 590.200. The director shall make this approved list available to every school district in the state. The required training to become a school protection officer shall be provided by those firearm instructors, private and public, who have successfully completed a Department of Public Safety POST certified law enforcement firearms instructor school.

3. Each person seeking entrance into a school protection officer training center or training program shall submit a fingerprint card and authorization for a criminal history background check to include the records of the Federal Bureau of Investigation to the training center or training program where such person is seeking entrance. The training center or training program shall cause a criminal history background check to be made and shall cause the resulting report to be forwarded to the school district where the elementary school teacher or administrator is seeking to be designated as a school protection officer.

4. No person shall be admitted to a school protection officer training center or training program unless such person submits proof to the training center or training program that he or she has a valid concealed carry endorsement.

5. A certificate of school protection officer training program completion may be issued to any applicant by any approved school protection officer training instructor. On the certificate of program completion the approved school protection officer training instructor shall affirm that the individual receiving instruction has taken and passed a school protection officer training program that meets the requirements of this section and section 590.200 and that the individual has a valid concealed carry endorsement. The instructor shall also provide a copy of such certificate to the director of the department of public safety."; and

House Amendment No. 6

AMEND Senate Committee Substitute for Senate Bill No. 224, Page 4, Section 84.490, Line 66, by inserting after all of said section and line the following:

"313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person **twenty-one years of age or older** to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. It shall be unlawful for a person under twenty-one years of age to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be fined five hundred dollars and guilty of an infraction for the first offense and a class B misdemeanor for second and subsequent offenses."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Shull, **House Amendment No. 6** was adopted.

Representative Cross offered **House Amendment No. 7.**

House Amendment No. 7

AMEND Senate Committee Substitute for Senate Bill No. 224, Page 4, Section 84.510, Line 66, by inserting after all of said section and line the following:

"512.180. 1. Any person aggrieved by a judgment in a civil case tried without a jury before an associate circuit judge, other than an associate circuit judge sitting in the probate division or who has been assigned to hear the case on the record under procedures applicable before circuit judges, shall have the right of a trial de novo in all cases tried before municipal court or under the provisions of chapters 482, 534, and 535, **except in actions between a landlord and a tenant under chapter 535.**

2. In all other contested civil cases tried with or without a jury before an associate circuit judge or on assignment under such procedures applicable before circuit judges or in any misdemeanor case or county ordinance violation case a record shall be kept, and any person aggrieved by a judgment rendered in any such case may have an appeal upon that record to the appropriate appellate court. At the discretion of the judge, but in compliance with the rules of the supreme court, the record may be a stenographic record or one made by the utilization of electronic, magnetic, or mechanical sound or video recording devices.

534.055. If the tenant has an unauthorized pet on the landlord's property, the landlord may contact the appropriate local animal control officer or animal shelter to have the pet removed from the property or may terminate the lease agreement. As used in this section, "unauthorized pet" means:

- (1) A pet prohibited by the lease or any local ordinance; or**
- (2) Any animal deemed aggressive.**

534.060. Forcible entries and detainers, and unlawful detainers, may be heard and determined by any associate circuit judge of the county in which they are committed. Neither the provisions of this section or any other section in this chapter shall preclude adoption of a local circuit court rule providing for the centralized filing of such cases, nor the assignment of such cases to particular associate circuit or circuit judges pursuant to local circuit court rule or action by the presiding judge of the circuit. Such cases shall be heard and determined by associate circuit judges unless a circuit judge is transferred or assigned to hear such case or cases or unless the plaintiff pursuant to subsection 2 of section 478.250 has designated the case as one to be heard under the practice and procedure applicable before circuit judges and the case is heard by a circuit judge. If the case is heard before an associate circuit judge who has not been specially assigned to hear the case on the record, to the extent practice and procedure are not provided in this chapter the practice and procedure provided in chapter 517 shall apply. If the case is heard initially before an associate circuit judge who has been specially assigned to hear the case on a record or before a circuit judge, the case shall be heard and determined under the same practice and procedure as would apply if the case was being heard upon an application for trial de novo **unless the case involves an action between a landlord and a tenant**, and in such instances, notwithstanding the specific references to chapter 517 in this chapter, the practice and procedure provided in the Missouri Rules of Civil Procedure and the extant provisions of The Civil Code of Missouri shall apply instead of those contained in chapter 517.

535.020. 1. Whenever any rent has become due and payable, and payment has been demanded by the landlord or the landlord's agent from the lessee or person occupying the premises, and payment thereof has not been made, the landlord or agent may file a statement, verified by affidavit, with any associate circuit judge in the county in which the property is situated, setting forth the terms on which such property was rented, and the amount of rent actually due to such landlord; that the rent has been demanded from the tenant, lessee or person occupying the premises, and that payment has not been made, and substantially describing the property rented or leased. Giving the notice provided in section 441.060 is not required prior to filing a statement or obtaining the relief provided in this chapter. In such case, the clerk of the court shall immediately issue a summons directed to such tenant or lessee and to all persons occupying the premises, by name, requiring them to appear before the judge upon a day to be therein named, and show cause why possession of the property should not be restored to the plaintiff. The landlord or agent may, in such an action for unpaid rent, join a claim for any other unpaid sums, other than property damages, regardless of how denominated or defined in the lease, to be paid by or on behalf of a tenant to a landlord for any purpose set forth in the lease; provided that such other sums shall not be considered rent for purposes of this chapter, and judgment for the landlord for recovery of such other sums shall not by itself entitle the landlord to an order for recovery of possession of the premises. The provisions of this section providing for the filing of a statement before an associate circuit judge shall not preclude adoption of a local circuit court rule providing for the centralized filing of such cases, nor the assignment of such cases to particular circuit or associate circuit judges pursuant to local circuit court rule or action by the presiding judge of the circuit. The

case shall be heard and determined under the practice and procedure provided in the Missouri rules of civil procedure, except where otherwise provided by this chapter.

2. If a judgment has been entered in favor of the plaintiff under subsection 1 of this section for recovery of the premises, the sheriff of the county in which the premises is located, within ten days of such judgment, may inspect the premises for the sole purpose of determining safety prior to the removal of any contents as required by the court.

535.030. 1. Such summons shall be served as in other civil cases at least four days before the court date in the summons. The summons shall include a court date which shall not be more than twenty-one business days from the date the summons is issued unless at the time of filing the affidavit the plaintiff or plaintiff's attorney consents in writing to a later date.

2. In addition to attempted personal service, the plaintiff may request, and thereupon the clerk of the court shall make an order directing that the officer, or other person empowered to execute the summons, shall also serve the same by securely affixing a copy of such summons and the complaint in a conspicuous place on the dwelling of the premises in question at least ten days before the court date in such summons, and by also mailing a copy of the summons and complaint to the defendant at the defendant's last known address by ordinary mail at least ten days before the court date. If the officer, or other person empowered to execute the summons, shall return that the defendant is not found, or that the defendant has absconded or vacated his or her usual place of abode in this state, and if proof be made by affidavit of the posting and of the mailing of a copy of the summons and complaint, the judge shall at the request of the plaintiff proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure set forth in this section.

3. If the plaintiff does not request service of the original summons by posting and mailing as provided in subsection 2 of this section, and if the officer, or other person empowered to execute the summons, makes return that the defendant is not found, or that the defendant has absconded or vacated the defendant's usual place of abode in this state, the plaintiff may request the issuance of an alias summons and service of the same by posting and mailing in the time and manner provided in subsection 2 of this section. In addition, the plaintiff or an agent of the plaintiff who is at least eighteen years of age may serve the summons by posting and mailing a copy of the summons in the time and manner provided in subsection 2 of this section. Upon proof by affidavit of the posting and of the mailing of a copy of the summons or alias summons and the complaint, the judge shall proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure provided in subsection 2 of this section.

4. On the date judgment is rendered as provided in this section where the defendant is in default, the clerk of the court shall mail to the defendant at the defendant's last known address by ordinary mail a notice informing the defendant of the judgment and the date it was entered, and stating that the defendant has ten days from the date of the judgment to file a motion to set aside the judgment [or to file an application for a trial de novo] in the circuit court, as the case may be, and that unless the judgment is set aside [or an application for a trial de novo is filed] within ten days, the judgment will become final and the defendant will be subject to eviction from the premises without further notice.

535.110. Applications for [trials de novo and] appeals shall be allowed and conducted in the manner provided in chapter 512; but no application for [a trial de novo or] **an** appeal shall stay execution unless the defendant give bond, with security sufficient to secure the payment of all damages, costs and rent then due, and with condition to stay waste and to pay all subsequently accruing rent, if any, into court within [ten] **three** days after it becomes due, pending determination of the [trial de novo or] appeal.

535.160. If the defendant, on the date any money judgment is given in any action pursuant to this chapter, either tenders to the landlord, or brings into the court where the suit is pending, all the rent then in arrears, and all the costs, further proceedings in the action shall cease and be stayed. If on any date after the date of any original trial [but before any trial de novo] the defendant shall satisfy such money judgment and pay all costs, any execution for possession of the subject premises shall cease and be stayed; except that the landlord shall not thereby be precluded from making application for appeal from such money judgment. If for any reason no money judgment is entered against the defendant and judgment for the plaintiff is limited only to possession of the subject premises, no stay of execution shall be had, except as provided by the provisions of section 535.110 or the rules of civil procedure or by agreement of the parties.

535.170. After the execution of any judgment for possession pursuant to this chapter, the lessee and the lessee's assignees, and all other persons deriving title under the lease from such lessee, shall be barred from reentry of such premises and from all relief, and except for error in the record or proceedings, the landlord shall from that day hold the demised premises discharged from the lease. Nothing in this section shall preclude an aggrieved party from perfecting an appeal [or securing a trial de novo] as to any judgment rendered, and may as a result of such appeal [or trial de novo] recover any damage incurred, including damages incurred from an unlawful dispossession.

535.190. If a tenant appears before a judge in an action for nonpayment of rent, the court shall inquire, on the record, about the tenant's current residence and current place of employment.

company's commitment to initiate the project. In determining the amount of tax credits to award to a qualified company under this subsection, the department shall consider the following factors:

- (1) The significance of the qualified company's need for program benefits;
- (2) The amount of projected net fiscal benefit to the state of the project and the period in which the state would realize such net fiscal benefit;
- (3) The overall size and quality of the proposed project, including the number of new jobs, new capital investment, proposed wages, growth potential of the qualified company, the potential multiplier effect of the project, and similar factors;
- (4) The financial stability and creditworthiness of the qualified company;
- (5) The level of economic distress in the area;
- (6) An evaluation of the competitiveness of alternative locations for the project facility, as applicable; and
- (7) The percent of local incentives committed;

3. Upon approval of a notice of intent to receive tax credits under subsections 2 and 5 of this section, the department and the qualified company shall enter into a written agreement covering the applicable project period. The agreement shall specify, at a minimum:

- (1) The committed number of new jobs, new payroll, and new capital investment for each year during the project period;
- (2) The date or time period during which the tax credits shall be issued, which may be immediately or over a period not to exceed two years from the date of approval of the notice of intent;
- (3) Clawback provisions, as may be required by the department; and
- (4) Any other provisions the department may require.

4. In lieu of the benefits available under sections 1 and 2 of this section, and in exchange for the consideration provided by the new tax revenues and other economic stimuli that will be generated by the new jobs created by the program, a qualified company may, for a period of five years from the date the new jobs are created, or for a period of six years from the date the new jobs are created if the qualified company is an existing Missouri business, retain an amount equal to the withholding tax as calculated under subdivision (30) of section 620.2005 from the new jobs that would otherwise be withheld and remitted by the qualified company under the provisions of sections 143.191 to 143.265 equal to:

- (1) Six percent of new payroll for a period of five years from the date the required number of new jobs were created if the qualified company creates one hundred or more new jobs and the average wage of the new payroll equals or exceeds one hundred twenty percent of the county average wage of the county in which the project facility is located; or
- (2) Seven percent of new payroll for a period of five years from the date the required number of jobs were created if the qualified company creates one hundred or more new jobs and the average wage of the new payroll equals or exceeds one hundred forty percent of the county average wage of the county in which the project facility is located.

The department shall issue a refundable tax credit for any difference between the amount of benefit allowed under this subsection and the amount of withholding tax retained by the company, in the event the withholding tax is not sufficient to provide the entire amount of benefit due to the qualified company under this subsection.

5. In addition to the benefits available under subsections 4 of this section, the department may award a qualified company that satisfies the provisions of subsection 4 of this section additional tax credits, issued each year for a period of five years from the date the new jobs are created, or for a period of six years from the date the new jobs are created if the qualified company is an existing Missouri business, in an amount equal to or less than three percent of new payroll; provided that in no event may the total amount of benefits awarded to a qualified company under this section exceed nine percent of new payroll in any calendar year. The amount of tax credits awarded to a qualified company under this subsection shall not exceed the projected net fiscal benefit to the state, as determined by the department, and shall not exceed the least amount necessary to obtain the qualified company's commitment to initiate the project. In determining the amount of tax credits to award to a qualified company under this subsection, the department shall consider the factors provided under subsection 2 of this section.

6. No benefits shall be available under this section for any qualified company that has performed significant, project-specific site work at the project facility, purchased machinery or equipment related to the project, or has publicly announced its intention to make new capital investment at the project facility prior to approval of its notice of intent.

620.2015. 1. In exchange for the consideration provided by the tax revenues and other economic stimuli that will be generated by the retention of jobs and the making of new capital investment in this state, a qualified company may be eligible to receive the benefits described in this section if the department determines that there is a significant probability that the qualified company would relocate to another state in the absence of the benefits authorized under this section. In no event shall the total amount of benefits available to all qualified companies under this section exceed six million dollars in any fiscal year.

2. A qualified company meeting the requirements of this section may be authorized to retain an amount not to exceed one hundred percent of the withholding tax from full-time jobs that would otherwise be withheld and remitted by the qualified company under the provisions of sections 143.191 to 143.265, for a period of ten years if the average wage of the retained jobs equals or exceeds ninety percent of the county average wage. In order to receive benefits under this section, a qualified company shall enter into written agreement with the department containing detailed performance requirements and repayment penalties in event of nonperformance. The amount of benefits awarded to a qualified company under this section shall not exceed the projected net fiscal benefit and shall not exceed the least amount necessary to obtain the qualified company's commitment to retain the necessary number of jobs and make the required new capital investment.

3. In order to be eligible to receive benefits under this section, the qualified company shall meet each of the following conditions:

(1) The qualified company shall agree to retain, for a period of ten years from the date of approval of the notice of intent, at least fifty retained jobs; and

(2) The qualified company shall agree to make a new capital investment at the project facility within three years of the approval in an amount equal to one-half the total benefits, available under this section, which are offered to the qualified company by the department.

4. In awarding benefits under this section, the department shall consider the factors set forth in subsection 2 of section 620.2010.

5. Upon approval of a notice of intent to request benefits under this section, the department and the qualified company shall enter into a written agreement covering the applicable project period. The agreement shall specify, at a minimum:

(1) The committed number of retained jobs, payroll, and new capital investment for each year during the project period;

(2) Clawback provisions, as may be required by the department; and

(3) Any other provisions the department may require.

620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (18) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company receiving benefits under this program shall provide an annual report of the number of jobs and such other information as may be required by the department to document the basis for program benefits available no later than 90 days prior to the end of the qualified company's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company has not maintained the employee insurance as required, or if the number of jobs is below the number required, the qualified company shall not receive tax credits or retain the withholding tax for the balance of the project period. Failure to timely file the annual report required under this section shall result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs.

5. Any qualified company approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company approved for benefits under this program shall be subject to the provisions of section 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 13 of this section:

(1) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred and six million dollars in tax credits may be authorized;

(2) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred and eleven million dollars in tax credits may be authorized; and

(3) For any fiscal year beginning on or after July 1, 2015, no more than one hundred and sixteen million dollars in tax credits may be authorized for each fiscal year.

8. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the applicable minimum new job requirements. In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

9. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

10. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department, that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

11. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

12. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

13. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, , the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

14. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

15. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

16. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

17. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under sections 620.2000 to 620.2020 shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of this reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and"; and

House Amendment No. 8

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 83, Page 22, Section 92.387, Line 2, by inserting after all of said section and line the following:

"135.010. As used in sections 135.010 to 135.030 the following words and terms mean:

(1) "Claimant", a person or persons claiming a credit under sections 135.010 to 135.030. If the persons are eligible to file a joint federal income tax return and reside at the same address at any time during the taxable year, then the credit may only be allowed if claimed on a combined Missouri income tax return or a combined claim return reporting their combined incomes and property taxes. A claimant shall not be allowed a property tax credit unless the claimant or spouse has attained the age of sixty-five on or before the last day of the calendar year and the claimant or spouse was a resident of Missouri for the entire year, or the claimant or spouse is a veteran of any branch of the Armed Forces of the United States or this state who became one hundred percent disabled as a result of such service, or the claimant or spouse is disabled as defined in subdivision (2) of this section, and such claimant or spouse provides proof of such disability in such form and manner, and at such times, as the director of revenue may require, or if the claimant has reached the age of sixty on or before the last day of the calendar year and such claimant received surviving spouse Social Security benefits during the calendar year and the claimant provides proof, as required by the director of revenue, that the claimant received surviving spouse Social Security benefits during the calendar year for which the credit will be claimed. A claimant shall not be allowed a property tax credit if the claimant filed a valid claim for a credit under section 137.106 in the year following the year for which the property tax credit is claimed. The residency requirement shall be deemed to have been fulfilled for the purpose of determining the eligibility of a surviving spouse for a property tax credit if a person of the age of sixty-five years or older who would have otherwise met the requirements for a property tax credit dies before the last day of the calendar year. The residency requirement shall also be deemed to have been fulfilled for the purpose of determining the eligibility of a claimant who would have otherwise met the requirements for a property tax credit but who dies before the last day of the calendar year;

(2) "Disabled", the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months. A claimant shall not be required to be gainfully employed prior to such disability to qualify for a property tax credit;

(3) ["Gross rent", amount paid by a claimant to a landlord for the rental, at arm's length, of a homestead during the calendar year, exclusive of charges for health and personal care services and food furnished as part of the rental agreement, whether or not expressly set out in the rental agreement. If the director of revenue determines that the landlord and tenant have not dealt at arm's length, and that the gross rent is excessive, then he shall determine the gross rent based upon a reasonable amount of rent. Gross rent shall be deemed to be paid only if actually paid prior to the date a return is filed. The director of revenue may prescribe regulations requiring a return of information by a landlord receiving rent, certifying for a calendar year the amount of gross rent received from a tenant claiming a property tax credit and shall, by regulation, provide a method for certification by the claimant of the amount of gross rent paid for any calendar year for which a claim is made. The regulations authorized by this subdivision may require a landlord or a tenant or both to provide data relating to health and personal care services and to food. Neither a landlord nor a tenant may be required to provide data relating to utilities, furniture, home furnishings or appliances;

(4)] "Homestead", the dwelling in Missouri owned or rented by the claimant and not to exceed five acres of land surrounding it as is reasonably necessary for use of the dwelling as a home. It may consist of part of a multidwelling or multipurpose building and part of the land upon which it is built. "Owned" includes a vendee in possession under a land contract and one or more tenants by the entireties, joint tenants, or tenants in common and includes a claimant actually in possession if he was the immediate former owner of record, if a lineal descendant is presently the owner of record, and if the claimant actually pays all taxes upon the property. It may include a mobile home;

[(5)] (4) "Income", Missouri adjusted gross income as defined in section 143.121 less two thousand dollars, or in the case of a homestead owned and occupied, for the entire year, by the claimant, less four thousand dollars as an exemption for the claimant's spouse residing at the same address, and increased, where necessary, to reflect the following:

(a) Social Security, railroad retirement, and veterans payments and benefits unless the claimant is a one hundred percent service-connected, disabled veteran or a spouse of a one hundred percent service-connected, disabled veteran. The one hundred percent service-connected disabled veteran shall not be required to list veterans payments and benefits;

- (b) The total amount of all other public and private pensions and annuities;
- (c) Public relief, public assistance, and unemployment benefits received in cash, other than benefits received under this chapter;
- (d) No deduction being allowed for losses not incurred in a trade or business;
- (e) Interest on the obligations of the United States, any state, or any of their subdivisions and instrumentalities;
- [(6)] **(5)** "Property taxes accrued", property taxes paid, exclusive of special assessments, penalties, interest, and charges for service levied on a claimant's homestead in any calendar year. Property taxes shall qualify for the credit only if actually paid prior to the date a return is filed. The director of revenue shall require a tax receipt or other proof of property tax payment. If a homestead is owned only partially by claimant, then "property taxes accrued" is that part of property taxes levied on the homestead which was actually paid by the claimant. For purposes of this subdivision, property taxes are "levied" when the tax roll is delivered to the director of revenue for collection. If a claimant owns a homestead part of the preceding calendar year and rents it or a different homestead for part of the same year, "property taxes accrued" means only taxes levied on the homestead both owned and occupied by the claimant, multiplied by the percentage of twelve months that such property was owned and occupied as the homestead of the claimant during the year. When a claimant owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of taxes allocable to those several properties occupied by the claimant as a homestead for the year. If a homestead is an integral part of a larger unit such as a farm, or multipurpose or multidwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For purposes of this subdivision "unit" refers to the parcel of property covered by a single tax statement of which the homestead is a part[;
- (7) "Rent constituting property taxes accrued", twenty percent of the gross rent paid by a claimant and spouse in the calendar year].

135.025. 1. The property taxes accrued [and rent constituting property taxes accrued] on each return shall be totaled. This total, up to [seven hundred fifty dollars in rent constituting property taxes actually paid or] eleven hundred dollars in actual property tax paid, shall be used in determining the property tax credit. The director of revenue shall prescribe regulations providing for allocations where part of a claimant's homestead is rented to another or used for nondwelling purposes or where a homestead is owned [or rented] or used as a dwelling for part of a year.

2. Notwithstanding any other provision of law, beginning in fiscal year 2014, the state treasurer shall annually deposit from state revenue that otherwise would have been deposited into the general revenue fund an amount equal to fifty-five million one hundred thousand dollars into the Missouri senior services protection fund established in subsection 3 of this section. Moneys in the fund shall be allocated for services for low-income seniors and people with disabilities.

3. There is hereby created in the state treasury the "Missouri Senior Services Protection Fund", which shall consist of money collected under subsection 2 of this section. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, money in the fund shall be used solely for the administration of subsection 2 of this section. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

135.030. 1. As used in this section:

- (1) The term "maximum upper limit" shall, for each calendar year after December 31, 1997, but before calendar year 2008, be the sum of twenty-five thousand dollars. For all calendar years beginning on or after January 1, 2008, the maximum upper limit shall be the sum of twenty-seven thousand five hundred dollars. In the case of a homestead owned and occupied for the entire year by the claimant, the maximum upper limit shall be the sum of thirty thousand dollars;
- (2) The term "minimum base" shall, for each calendar year after December 31, 1997, but before calendar year 2008, be the sum of thirteen thousand dollars. For all calendar years beginning on or after January 1, 2008, the minimum base shall be the sum of fourteen thousand three hundred dollars.

2. If the income on a return is equal to or less than the maximum upper limit for the calendar year for which the return is filed, the property tax credit shall be determined from a table of credits based upon the amount by which the total property tax described in section 135.025 exceeds the percent of income in the following list:

If the income on the return is
Not over the minimum base

The percent is:
0 percent with credit
not to exceed \$1,100 in actual property tax

[or rent equivalent paid up to \$750]

Over the minimum base but
not over the maximum upper
limit

1/16 percent accumulative
per \$300 from 0 percent to 4 percent.

The director of revenue shall prescribe a table based upon the preceding sentences. The property tax shall be in increments of twenty-five dollars and the income in increments of three hundred dollars. The credit shall be the amount rounded to the nearest whole dollar computed on the basis of the property tax and income at the midpoints of each increment. As used in this subsection, the term "accumulative" means an increase by continuous or repeated application of the percent to the income increment at each three hundred dollar level.

3. Notwithstanding subsection 4 of section 32.057, the department of revenue or any duly authorized employee or agent shall determine whether any taxpayer filing a report or return with the department of revenue who has not applied for the credit allowed pursuant to section 135.020 may qualify for the credit, and shall notify any qualified claimant of the claimant's potential eligibility, where the department determines such potential eligibility exists."; and

House Amendment No. 9

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 83, Page 33, Section 140.730, Line 28, by inserting after all of said section the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(2) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by Section 172(b)(1)(G) and Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal

adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone; [and]

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an addition modification was made under subdivision (3) of subsection 2 of this section, the amount by which addition modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2013, one-half of the amount of any capital gains to the extent such capital gains are included in federal adjusted gross income. This subdivision shall not apply to any capital gains that are subtracted under subdivision (2) or (6) of this subsection.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. (1) Beginning January 1, 2009, in addition to the subtractions provided in this section, one hundred percent of the cost incurred by a taxpayer for a home energy audit conducted by an entity certified by the department of natural resources under section 640.153 or the implementation of any energy efficiency recommendations made in such an audit shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for any such activity is included in federal taxable income. The taxpayer shall provide the department of revenue with a summary of any

recommendations made in a qualified home energy audit, the name and certification number of the qualified home energy auditor who conducted the audit, and proof of the amount paid for any activities under this subsection for which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any recommendations made in a qualified home energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an individual taxpayer or taxpayers filing combined returns exceed one thousand dollars per year or cumulatively exceed two thousand dollars per taxpayer or taxpayers filing combined returns.

(3) Any deduction claimed under this subsection shall be claimed for the tax year in which the qualified home energy audit was conducted or in which the implementation of the energy efficiency recommendations occurred. If implementation of the energy efficiency recommendations occurred during more than one year, the deduction may be claimed in more than one year, subject to the limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

9. The provisions of subsection 8 of this section shall expire on December 31, 2013."; and

Further amend said bill, Page 35, Section 143.145, Line 78, by inserting after all of said section the following:

"143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, **or the manner set forth in subdivision (3) of this subsection**:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

[(3)] (c) For the purposes of this [section] **subdivision**, a transaction involving the sale of tangible property is:

[(a)] a. "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

[(b)] b. "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

[(c)] c. Not "wholly in this state" or not "partly within this state and partly without this state" only if both the seller's shipping point and the purchaser's destination point are outside this state[;] .

(d) For purposes of this subdivision:

a. The purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale[;] ; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access

to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total

mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

- (1) The income from all sources shall be determined as provided;
- (2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter."; and

Further amend said bill, Page 43, Section 143.790, Line 255, by inserting after all of said section the following:

"144.010. 1. The following words, terms, and phrases when used in sections 144.010 to 144.525 have the meanings ascribed to them in this section, except when the context indicates a different meaning:

(1) "Admission" includes seats and tables, reserved or otherwise, and other similar accommodations and charges made therefor and amount paid for admission, exclusive of any admission tax imposed by the federal government or by sections 144.010 to 144.525;

(2) "Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either direct or indirect, and the classification of which business is of such character as to be subject to the terms of sections 144.010 to 144.525. The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. The provisions of this subdivision shall not be construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

(3) "Captive wildlife", includes but is not limited to exotic partridges, gray partridge, northern bobwhite quail, ring-necked pheasant, captive waterfowl, captive white-tailed deer, captive elk, and captive furbearers held under permit issued by the Missouri department of conservation for hunting purposes. The provisions of this subdivision shall not apply to sales tax on a harvested animal;

(4) "Gross receipts", except as provided in section 144.012, means the total amount of the sale price of the sales at retail including any services other than charges incident to the extension of credit that are a part of such sales made by the businesses herein referred to, capable of being valued in money, whether received in money or otherwise; except that, the term "gross receipts" shall not include the sale price of property returned by customers when the full sale price thereof is refunded either in cash or by credit. In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

(5) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as defined in section 277.024, llamas, alpaca, buffalo, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, or rabbits raised in confinement for human consumption;

(6) "Motor vehicle leasing company" shall be a company obtaining a permit from the director of revenue to operate as a motor vehicle leasing company. Not all persons renting or leasing trailers or motor vehicles need to obtain such a permit; however, no person failing to obtain such a permit may avail itself of the optional tax provisions of subsection 5 of section 144.070, as hereinafter provided;

(7) "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, municipal or private, and whether organized for profit or not, state, county, political subdivision, state department, commission, board, bureau or agency, except the state transportation department, estate, trust, business trust, receiver or trustee appointed by the state or federal court, syndicate, or any other group or combination acting as a unit, and the plural as well as the singular number;

(8) "Purchaser" means a person who purchases tangible personal property or to whom are rendered services, receipts from which are taxable under sections 144.010 to 144.525;

(9) "Research or experimentation activities" are the development of an experimental or pilot model, plant process, formula, invention or similar property, and the improvement of existing property of such type. Research or experimentation activities do not include activities such as ordinary testing or inspection of materials or products for quality control, efficiency surveys, advertising promotions or research in connection with literary, historical or similar projects;

3. Sections 144.010 to 144.525 may be known and quoted as the "Sales Tax Law".

144.018. 1. Notwithstanding any other provision of law to the contrary, except as provided under subsection 2 or 3 of this section, when a purchase of tangible personal property or service subject to tax is made for the purpose of resale, such purchase shall be either exempt or excluded under this chapter if the subsequent sale is:

- (1) Subject to a tax in this or any other state;
- (2) For resale;
- (3) Excluded from tax under this chapter;

2. For purposes of subdivision (2) of subsection 1 of section 144.020, a place of amusement, entertainment or recreation, including games or athletic events, **dance, theater, orchestra and other performing arts productions, commercial sports, spectator sports, gambling, racetracks, arcades, theme and amusement parks, water parks, circuses, carnivals, festivals, air shows, museums, marinas, motion picture theaters, and other commercial tourist attractions**, shall remit tax on the amount paid for admissions or seating accommodations, or fees paid to, or in such place of amusement, entertainment or recreation. Director of Revenue*, 295 S.W.3d 465, (Mo. 2009) and *ICC Management, Inc. v. Director of Revenue*, 290 S.W.3d 699, (Mo. 2009). The provisions of this section are intended to clarify the exemption or exclusion of purchases for resale from sales and use taxes as originally enacted in this chapter."; and

Further amend said bill, Page 43, Section 144.020, Lines 16-17, by deleting all of said lines and inserting in lieu thereof the following:

[(19)] (20) "Supplier", a person who sells or leases gambling equipment and gambling supplies to any licensee.

2. In addition to the games of skill [referred to in subdivision (14) of] **defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant's or licensee's home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

- (1) Is it in the best interest of gaming to allow the game; and
- (2) Is the gambling game a game of chance or a game of skill?

All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

- (1) The recommended number of licensed excursion gambling boats operating in such city or county;
- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;
- (4) The city or county proposed sharing of revenue with any other municipality;
- (5) Any other information such city or county deems necessary; and
- (6) Any other information the commission may determine is necessary.

The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established [his] **the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817**, a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed, **other than a credit instrument**, must be deposited within twenty-four hours. **Except for any credit instrument**, the commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt

from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;

(4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;

(5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;

(6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;

(7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued pursuant to sections 313.800 to 313.850;

(8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money **or credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one

years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2013, are valid contracts creating debt that is enforceable by legal process. Once the licensee makes the determination that a person is a qualified person, additional credit checks are not required. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents.

313.830. 1. A person is guilty of a class D felony for any of the following:

(2) Solicits or knowingly accepts or receives a promise of anything of value or benefit while the person is connected with an excursion gambling boat including, but not limited to, an officer or employee of a licensee, or holder of an occupational license, pursuant to an understanding or arrangement or with the intent that the promise or thing of value or benefit will influence the actions of the person to affect or attempt to affect the outcome of a gambling game, or to influence official action of a member of the commission;

(3) Uses a device to assist in any of the following:

(b) In keeping track of the cards played;

5. The possession of one or more of the devices described in subdivision (3), (5), (13) or (14) of subsection 4 of this section permits a rebuttable inference that the possessor intended to use the devices for cheating.
6. Except for wagers on gambling games or exchanges for money **or a credit instrument** as provided in section 313.817, or as payment for food or beverages on the excursion gambling boat, a licensee who exchanges tokens, chips, or other forms of credit to be used on gambling games for anything of value commits a class B misdemeanor.
7. If the commission determines that reasonable grounds to believe that a violation of sections 313.800 to 313.850 has occurred or is occurring which is a criminal offense, the commission shall refer such matter to both the state attorney general and the prosecuting attorney or circuit attorney having jurisdiction. The state attorney general and the prosecuting attorney or circuit attorney with such jurisdiction shall have concurrent jurisdiction to commence actions for violations of sections 313.800 to 313.850 where such violations have occurred.

House Amendment No. 13

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 83, Page 22, Section 92.387, Line 2, by inserting after all of said section and line the following:

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the

purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, [or] any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, **or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under section 650.399 for the purpose of emergency communication systems**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(1) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections 4 and 5 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

(b) The base year of state sales tax revenues or the base year of state income tax withheld on behalf of existing employees, reported by existing businesses within the project area prior to approval of the redevelopment project;

(c) The estimate of the incremental increase in the general revenue portion of state sales tax revenue or the estimate for the state income tax withheld by the employer on behalf of new employees expected to fill new jobs created within the redevelopment area after redevelopment;

(d) The official statement of any bond issue pursuant to this subsection after December 23, 1997;

(e) An affidavit that is signed by the developer or developers attesting that the provisions of subdivision (1) of subsection 1 of section 99.810 have been met and specifying that the redevelopment area would not be reasonably anticipated to be developed without the appropriation of the new state revenues;

All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

[12. (1)] 11. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales[, except the sale of motor vehicles, trailers, boats, and outboard motors, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

[14.] 13. The director of revenue and any of [his] **the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering [himself] **the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

[15.] **14.** The director of revenue shall annually report on [his] **the director's** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. [He] **The director** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by [him] **the director** for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

[16.] **15.** Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by [him] **such person** under the local sales tax law or in the event a determination has been made against [him] **such person** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

[17.] **16.** Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

[18.] **17.** If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

18. Upon receipt of the ordinance and map, the tax imposed under the local sales tax law or local use tax law shall be effective in the added territory or abolished in the detached territory on the first day of a calendar quarter after one hundred twenty days' notice to sellers.

19. Any change to any local sales tax or local use tax boundary or rate shall be effective on the first day of a calendar quarter after one hundred twenty days' notice to sellers."; and

Further amend said bill, Page 13, Section 52.250, Line 19, by inserting after all of said section the following:

"66.620. 1. All county sales taxes collected by the director of revenue under sections 66.600 to 66.630 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited in a special trust fund, which is hereby created, to be known as the "County Sales Tax Trust Fund". [The moneys in the county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of the county and all expenditures of funds arising from the county sales tax trust fund shall be by an appropriation act to be enacted by the legislative council of the county, and to the cities, towns and villages located wholly or partly within the county which levied the tax in the manner as set forth in sections 66.600 to 66.630.

2. In any county not adopting an additional sales tax and alternate distribution system as provided in section 67.581, for the purposes of distributing the county sales tax, the county shall be divided into two groups, "Group A" and

"Group B". Group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980, group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax. For the purposes of determining the location of consummation of sales for distribution of funds to cities, towns and villages in group A, the boundaries of any such city, town or village shall be the boundary of that city, town or village as it existed on March 19, 1984. Group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, and shall also include all unincorporated areas of the county which levied the tax; except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax and shall also include all unincorporated areas of the county which levied the tax.

3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by section 66.630, after deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute the remaining funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, a percentage of the distributable revenue equal to the percentage ratio that the population of the unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

4. From and after January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A a portion of the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087 in accordance with the formula described in this subsection. After deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied by the total of all sales tax revenues countywide, and a percentage of the remaining distributable revenue equal to the percentage ratio that the population of unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

5. (1) For purposes of administering the distribution formula of subsection 4 of this section, the revenues arising each year from sales occurring within each group A city, town or village shall be distributed as follows: Until such revenues reach the adjusted county average, as hereinafter defined, there shall be distributed to the city, town or village all of such revenues reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; and once revenues exceed the adjusted county average, total revenues shall be shared in accordance with the redistribution formula as defined in this subsection.

(2) For purposes of this subsection, the "adjusted county average" is the per capita countywide average of all sales tax distributions during the prior calendar year reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; the "redistribution formula" is as follows: During 1994, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. During 1995, each group A city, town

and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From January 1, 1996, until January 1, 2000, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From and after January 1, 2000, the distribution formula covering the period from January 1, 1996, until January 1, 2000, shall continue to apply, except that the percentage computed for sales arising within the municipalities shall be not less than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the adjusted county average by at least twenty-five percent.

(3) For purposes of applying the redistribution formula to a municipality which is partly within the county levying the tax, the distribution shall be calculated alternately for the municipality as a whole, except that the factor for annexed portion of the county shall not be applied to the portion of the municipality which is not within the county levying the tax, and for the portion of the municipality within the county levying the tax. Whichever calculation results in the larger distribution to the municipality shall be used.

(4) Notwithstanding any other provision of this section, the fifty percent of additional sales taxes as described in section 99.845 arising from economic activities within the area of a redevelopment project established after July 12, 1990, pursuant to sections 99.800 to 99.865, while tax increment financing remains in effect shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. Further, any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of incremental sales tax revenues to the special allocation fund of a tax increment financing project while tax increment financing remains in effect shall continue to be in full force and effect and the sales taxes so appropriated shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. In addition, and notwithstanding any other provision of this chapter to the contrary, economic development funds shall be distributed in full to the municipality in which the sales producing them were deemed consummated. Additionally, economic development funds shall be deducted from all calculations of countywide sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the municipality. As used in this subdivision, the term "economic development funds" means the amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations under any agreement authorized by chapter 100, entered into or adopted prior to September 1, 1993, between a municipality and another public body. The cumulative amount of economic development funds allowed under this provision shall not exceed the total amount necessary to amortize the obligations involved.

6. If the qualified voters of any city, town or village vote to change or alter its boundaries by annexing any unincorporated territory included in group B or if the qualified voters of one or more city, town or village in group A and the qualified voters of one or more city, town or village in group B vote to consolidate, the area annexed or the area consolidated which had been a part of group B shall remain a part of group B after annexation or consolidation. After the effective date of the annexation or consolidation, the annexing or consolidated city, town or village shall receive a percentage of the group B distributable revenue equal to the percentage ratio that the population of the annexed or consolidated area bears to the total population of group B and such annexed area shall not be classified as unincorporated area for determination of the percentage allocable to the county. If the qualified voters of any two or more cities, towns or villages in group A each vote to consolidate such cities, towns or villages, then such consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections 66.600 to 66.630, population shall be as determined by the last federal decennial census or the latest census that determines the total population of the county and all political subdivisions therein. For the purpose of calculating the adjustment based on the percentage of unincorporated county population which is annexed after April 1, 1993, the accumulated percentage immediately before each census shall be used as the new percentage base after such census. After any annexation, incorporation or other municipal boundary

change affecting the unincorporated area of the county, the chief elected official of the county shall certify the new population of the unincorporated area of the county and the percentage of the population which has been annexed or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its governing body cease to be a part of group A and become a part of group B. Within ten days after the adoption of the ordinance transferring the city, town or village from one group to the other, the clerk of the transferring city, town or village shall forward to the director of revenue, by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its former group shall cease and as a part of its new group shall begin on the first day of January of the year following notification to the director of revenue, provided such notification is received by the director of revenue on or before the first day of July of the year in which the transferring ordinance is adopted. If such notification is received by the director of revenue after the first day of July of the year in which the transferring ordinance is adopted, then distribution to such city as a part of its former group shall cease and as a part of its new group shall begin the first day of July of the year following such notification to the director of revenue. Once a group A city, town or village becomes a part of group B, such city may not transfer back to group A.

7. If any city, town or village shall hereafter change or alter its boundaries, the city clerk of the municipality shall forward to the director of revenue, by registered mail, a certified copy of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the municipality clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in accordance with the provisions of this section on the effective date of the change of the municipal boundary so that the proper percentage of group B distributable revenue is allocated to the municipality in proportion to any annexed territory. If any area of the unincorporated county elects to incorporate subsequent to the effective date of the county sales tax as set forth in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group B. The city clerk of such newly incorporated municipality shall forward to the director of revenue, by registered mail, a certified copy of the incorporation election returns and a map of the municipality clearly showing the boundaries thereof. The certified copy of the incorporation election returns shall reflect the effective date of the incorporation. Upon receipt of the incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be distributed and allocated in accordance with the provisions of this section on the effective date of the incorporation.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

9. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under sections 66.600 to 66.630.

67.395. 1. All sales taxes collected by the director of revenue under sections 67.391 to 67.395 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087] shall be deposited with the state treasurer in a special trust fund, which is hereby created, to be known as the "County AntiDrug Sales Tax Trust Fund". [The moneys in the county antidrug sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a sales tax under sections 67.391 to 67.395, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax. Such funds shall be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county antidrug sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of

revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall authorize the state treasurer to remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

3. Except as modified in sections 67.391 to 67.395, all provisions of sections 32.085 [and] to 32.087 shall apply to the tax imposed under sections 67.391 to 67.395."; and

Further amend said bill, Page 18, Section 67.469, Line 9, by inserting after all of said section the following:

"67.525. 1. All county sales taxes collected by the director of revenue under sections 67.500 to 67.545 on behalf of any county[, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited with the state treasurer in a county sales tax trust fund, which fund shall be separate and apart from the county sales tax trust fund established by section 66.620. [The moneys in such county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and to the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month by distributing to the county treasurer, or such other officer as may be designated by the county ordinance or order, of each county imposing the tax authorized by sections 67.500 to 67.545, the sum due the county as certified by the director of revenue.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall authorize the state treasurer to remit the balance in the account to the county and close the account of that county. Expenditures of these tax moneys may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel. Expenditures of these tax moneys may be made directly to corporations pursuant to subsection 1 of this

section. No such tax revenue moneys shall be disbursed to or on behalf of any corporation, organization or entity that is not duly registered with the Internal Revenue Service as a 501(C)(3) organization.

4. Any sales tax imposed pursuant to this section shall be imposed at a rate not to exceed two-tenths of one percent on receipts from the sale of certain tangible personal property or taxable services within the county pursuant to sections 67.571 to 67.577.

5. The governing body of any county which imposes a sales tax pursuant to this section may establish a museums and festivals board for the purpose of expending funds collected from any sales tax submitted and approved by the county's voters pursuant to this section. The board shall be comprised of six members who are appointed by the governing body of the county from a list of candidates supplied by the chair of each of the two major political parties of the county. The board shall be comprised of three members from each of the two political parties. Members shall serve for three-year terms, but of the members first appointed, one shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county from which he or she is appointed. 6. In the area of each county in which a sales tax has been imposed in the manner provided by sections 67.571 to 67.577, every retailer within such area shall add the tax imposed by the provisions of sections 67.571 to 67.577 to his sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

7. In counties imposing a tax under the provisions of sections 67.571 to 67.577, in order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body may authorize the use of a bracket system similar to that authorized by the provisions of section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions.

8. Except as modified in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

67.576. 1. The following provisions shall govern the collection of the tax imposed by the provisions of sections 67.571 to 67.577:

(1) All applicable provisions contained in sections 144.010 to 144.510 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by the provisions of sections 67.571 to 67.577;

(2) All exemptions granted to agencies of government, organizations, and persons under the provisions of sections 144.010 to 144.510 are hereby made applicable to the imposition and collection of the tax imposed by sections 67.571 to 67.577.

2. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.510 for the administration and collection of the state sales tax shall satisfy the requirements of sections 67.571 to 67.577, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by sections 67.571 to 67.577.

3. All discounts allowed the retailer pursuant to the provisions of the state sales tax law for the collection of and for payment of taxes pursuant to that act are hereby allowed and made applicable to any taxes collected pursuant to the provisions of sections 67.571 to 67.577.

4. The penalties provided in section 32.057 and sections 144.010 to 144.510 for a violation of those acts are hereby made applicable to violations of the provisions of sections 67.571 to 67.577.

5. [For the purposes of the sales tax imposed by an order pursuant to sections 67.571 to 67.577, all retail sales shall be deemed to be consummated at the place of business of the retailer] **Except as provided in sections 67.571 to 67.577, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under sections 67.571 to 67.577.**

67.578. 1. The governing authority of any county of the third classification without a township form of government and with more than sixteen thousand four hundred but less than sixteen thousand five hundred inhabitants may impose a sales tax in an amount not to exceed one-fifth of one percent on all retail sales made in the county which are subject to taxation pursuant to sections 144.010 to 144.525, to be used solely for the funding of museums. For purposes of this section, the term "museums" means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the board to be a tourism

attraction. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax shall be imposed pursuant to this section unless the governing authority submits to the voters of the county, at a county or state general, primary, or special election, a proposal to authorize the governing authority to impose the tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent for the funding of museums? "Museums" means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the museum board to be a tourism attraction.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the sales tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the tax. If the proposal receives less than the required majority of votes, then the governing authority shall have no power to impose the tax unless and until the governing authority has again submitted another proposal to authorize the governing authority to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon.

3. On or after the effective date of the tax, the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 [and] to 32.087 shall apply. The director may retain an amount not to exceed one percent for deposit in the general revenue fund to offset the costs of collection. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing authority may authorize the use of a bracket system similar to that authorized in section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with the effective date of the tax, every retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to be consummated at the place of business of the retailer.

4. All applicable provisions in sections 144.010 to 144.525 governing the state sales tax, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax, and all exemptions granted to agencies of government, organizations, and persons pursuant to sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax. The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax. All discounts allowed the retailer pursuant to the state sales tax law for the collection of and for payment of taxes are hereby allowed and made applicable to the tax. The penalties for violations provided in section 32.057 and sections 144.010 to 144.525 are hereby made applicable to violations of this section. If any person is delinquent in the payment of the amount required to be paid pursuant to this section, or in the event a determination has been made against the person for taxes and penalty pursuant to this section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525.

5. The governing authority may authorize any museum board already existing in the county, or may establish a museum board, to expend revenue collected pursuant to this section. In the event that no museum board already exists, the board established pursuant to this section shall consist of six members who are appointed by the governing authority from a list of candidates supplied by the chair of each of the two major political parties of the county, with three members from each of the two parties. Members shall serve for three-year terms, but of the members first appointed, [one] **two** shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county. The members shall not receive compensation for service on the board, but shall be reimbursed from the revenues collected pursuant to this section for any reasonable and necessary expenses incurred in service on the board. The board shall determine in what manner the revenues will be expended, and disbursements of these moneys shall be made strictly in accordance with this section. Expenditures may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel.

6. The governing authority may submit the question of repeal of the tax to the voters at any county or state general, primary, or special election. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert name of county) repeal the sales tax of (insert rate of percent) percent for the funding of museums?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES".

If you are opposed to the question, place an "X" in the box opposite "NO". [If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which the repeal was approved.]

67.581. 1. In addition to the sales tax permitted by sections 66.600 to 66.630, any county of the first class having a charter form of government and having a population of nine hundred thousand or more may impose an additional countywide sales tax upon approval by a vote of the qualified voters of the county. The proposal may be submitted to the voters by the governing body of the county and shall be submitted to the voters at the next general election upon petitions signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county in the next preceding gubernatorial election filed with the governing body of the county. The submission shall include the levying of a sales tax at a rate of not to exceed two hundred seventy-five one-thousandths of one percent on the receipts from the sale at retail of all tangible personal property or taxable services within the county which are also taxable under the provisions of sections 66.600 to 66.630, and shall provide for the distribution of the proceeds in the manner provided in either subsection 4 or subsection 5 of this section. If either of the alternative distribution systems as provided in subsection 4 or subsection 5 of this section is approved by the voters, then the alternative system of distribution may not be submitted to the voters for at least three years from the date of such voter approval.

2. The ballot of submission shall contain, but is not limited to, the following language:

Shall the County of levy an additional sales tax at the rate of (insert rate) and distribute the proceeds in the manner provided in (insert proper reference) (subsection 4)(subsection 5) of section 67.581, RSMo?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, the additional sales tax shall be levied and collected and the proceeds from the additional tax shall be distributed as provided in either subsection 4 or subsection 5 of this section. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal, then the governing body of the county shall have no power to impose the additional sales tax authorized by this section unless and until a proposal for the levy of such tax is submitted to and approved by the voters of the county.

3. The provisions of sections 66.600 to 66.630 and sections 32.085 [and] **to** 32.087, except to the extent otherwise provided in this section, shall govern the levy, collection, distribution and other procedures related to an additional sales tax imposed pursuant to this section.

4. In any county adopting an additional sales tax pursuant to the provisions of this section, and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed first to those municipalities that did not receive during the preceding calendar year ninety-five percent of the amount the municipality would have received by multiplying the population of the municipality by the average per capita sales tax receipt for such county in an amount which will bring each municipality receipt of sales tax moneys up to ninety-five percent of the average per capita receipts from the proceeds of the sales tax imposed pursuant to sections 66.600 to 66.630. Any remainder of the money received from the sales tax imposed pursuant to this section shall be distributed to all municipalities on the ratio that the population of each municipality bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the total sales tax revenue derived from the tax imposed pursuant to sections 66.600 to 66.630 by the total population of the county. Population of each municipality, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census. For the purposes of this subsection, any city, town, village or the unincorporated area of the county shall be considered a municipality.

5. In any county adopting an additional sales tax pursuant to the provisions of this section and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed to all cities, towns and villages, and the unincorporated areas of the county in group B and to such cities, towns and villages in group A as necessary so that no city, town, or village in group A receives from the combined proceeds of both the sales tax imposed pursuant to this section and the sales tax imposed pursuant to sections 66.600 to 66.630, less than the per capita amount received by the cities, towns and villages and the unincorporated area of the county in group B receives from the total proceeds from both sales taxes.

6. The governing body of any county which is imposing a sales tax under the provisions of sections 66.600 to 66.630 may on its own motion and shall, upon petitions filed with the governing body of the county signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county at the next preceding gubernatorial election, submit to the qualified voters of the county a proposal to change the method of distribution of sales tax proceeds from the manner provided in subsection 2 of section 66.620 to the method provided in this subsection. The ballot of submission shall be in substantially the following form:

Shall the proceeds from the county sales tax be distributed among the county of and the various cities, towns and villages therein in the manner provided in subdivisions (1) and (2) of subsection 6 of section 67.581, RSMo, in lieu of the present manner of distribution?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters of the county voting thereon are in favor of the proposal, the sales tax imposed by the county under the provisions of sections 66.600 to 66.630 shall be distributed in the manner provided in this subsection and not in the manner provided in subsection 2 of section 66.620. If a majority of the votes cast by the qualified voters of the county voting thereon are opposed to the proposal, then the governing body of the county shall have no power to order the proceeds from the sales tax imposed pursuant to the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the method provided in subsection 2 of section 66.620, unless and until a proposal authorizing such method of distribution is submitted to and approved by the voters of the county. If the voters approve the change in the method of distribution of the sales tax proceeds in the manner provided in this subsection, the county clerk of the county shall notify the director of revenue of the change in the method of distribution within ten days after adoption of the proposal and shall inform the director of the effective date of the change in the method of distribution, which shall be on the first day of the third calendar quarter after the director of revenue receives notice. After the effective date of the change in the manner of distribution, the director of revenue shall distribute the proceeds of the sales tax imposed by such county under the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the manner of distribution provided in subsection 2 of section 66.620. The proceeds of the sales tax imposed under the provisions of sections 66.600 to 66.630 in any county which elects to have the proceeds distributed in the manner provided in this subsection shall be distributed in the following manner:

(1) The proceeds from the sales taxes shall be distributed to the cities, towns and villages in group A and to the cities, towns and villages, and the county in group B as defined in section 66.620 in the manner provided in subsection 2 of section 66.620, until an amount equal to the total amount distributed under section 66.620, for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section has been distributed;

(2) All moneys received in excess of the total amount distributed under section 66.620 for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section shall be distributed to all cities, towns and villages and to the county on the basis that the population of each city, town or village, and in the case of the county the basis that the population of the unincorporated area of the county, bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the remaining amount of the total sales tax revenues by the total population of the county. Population of each city, town or village, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census.

7. No municipality incorporated after the adoption of the tax authorized by this section shall be included as other than part of the unincorporated area of the county nor receive any share of either the proceeds from the tax levied pursuant to the provisions of this section or the tax levied pursuant to the provisions of sections 66.600 to 66.630 unless, at the time of incorporation, such municipality had a population of ten thousand or more.

8. The county sales tax imposed pursuant to this section on the purchase and sale of motor vehicles shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within the county imposing the additional sales tax. [The amounts so collected, less one percent collection cost, shall be deposited in the county sales tax trust fund to be

distributed in accordance with section 66.620. The purchase or sale of motor vehicles shall be deemed to be consummated at the address of the applicant for a certificate of title.]

9. No tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport, either upon, above or below the ground.

10. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the rate and for the time period approved by the voters. If a sales tax extension is not approved, the district may submit another sales tax proposal as authorized in this section, but the district shall not submit such a proposal to the voters sooner than twelve months from the date of the last extension submitted.

[13.] 14. Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding; provided that any new financing, debt, or other obligation or any restructuring or refinancing of an existing debt or obligation incurred more than ten years after voter approval of the sales tax provided in this section or more than ten years after any voter-approved extension thereof shall not cause the extension of the sales tax provided in this section or cause the final maturity of any financing or other obligations outstanding to be extended. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270 or repurchase agreements secured by such securities. If the district abolishes the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

[14.] 15. In the event that the district is dissolved or terminated by any means, the governing bodies of the counties in the district shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing bodies of the counties, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the county treasurer of each county in the district and take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears to the total levy for the district in the previous three years or since the establishment of the district, whichever time period is shorter. Upon payment to the county treasurers, the trustee shall deliver to the clerk of the governing body of any county in the district all books, papers, records, and deeds belonging to the dissolved district.

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax pursuant to this section shall be effective unless the governing authority of the city submits to the qualified voters of the city, at any municipal or state general, primary, or special election, a proposal to authorize the governing authority of the city to impose a tax.

2. The ballot of submission shall be in substantially the following form:

Shall the city of (city's name) impose a citywide sales tax of (insert amount) for the purpose of promoting tourism in the city?

However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. [On and after the effective date of any tax authorized in this section, the city may adopt one of the two following provisions for the collection and administration of the tax:

(1) The city may adopt rules and regulations for the internal collection of such tax by the city officers usually responsible for collection and administration of city taxes; or

(2) The city may enter into an agreement with the director of revenue of the state of Missouri for the purpose of collecting the tax authorized in this section. In the event any city enters into an agreement with the director of revenue of the state of Missouri for the collection of the tax authorized in this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of such tax, and the director of revenue shall collect the additional tax authorized in this section. The tax authorized in this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue, and the director of revenue shall retain an amount not to exceed one percent for cost of collection.

4. If a tax is imposed by a city pursuant to this section, the city may collect a penalty of one percent and interest not to exceed two percent per month on unpaid taxes which shall be considered delinquent thirty days after the last day of each quarter] **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.**

[5.] 4. (1) The governing authority of any city that has adopted any sales tax pursuant to this section shall, upon filing of a petition calling for the repeal of such sales tax signed by at least ten percent of the qualified voters in the city, submit the question of repeal of the sales tax to the qualified voters at any primary or general election. If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. **If the city or county abolishes the tax, the city or county shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

(2) Once the tax is repealed as provided in this section, all funds remaining in any trust fund or account established to receive revenues generated by the tax shall be used solely for the original stated purpose of the tax. Any funds which are not needed for current expenditures may be invested by the governing authority in accordance with applicable laws relating to the investment of other city funds.

(3) The governing authority of a city repealing a tax pursuant to this section shall notify the director of revenue of the action at least forty-five days before the effective date of the repeal and the director of revenue may order retention in any trust fund created in the state treasury associated with the tax, for a period of one year, of two percent of the amount collected after receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of repeal of the tax in the city, the director of revenue shall remit the balance in the trust fund to the city and close the account of that

city. The director of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

(4) In the event that the repeal of a sales tax pursuant to this section dissolves or terminates a taxing district, the governing authority of the city shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing authority of the city, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the city treasurer or the equivalent official and take receipt for all remaining moneys. Upon payment to the city treasurer, the trustee shall deliver to the clerk of the governing authority of the city all books, papers, records, and deeds belonging to the dissolved district.

(2) Be at least twenty-one years of age and a registered voter in the district.

2. The district shall be subdivided into at least five but not more than fifteen subdistricts, which shall be represented by one representative on the district board of directors. All board members shall have terms of four years, including the initial board of directors. All members shall take office upon being appointed and shall remain in office until a successor is appointed by the mayor or chairman of the municipality in which the district is located, or elected by the property owners in those subdistricts without registered voters.

3. For those subdistricts which contain one or more registered voters, the mayor or chairman of the city, town, or village shall, with the consent of the governing body, appoint a registered voter residing in the subdistrict to the board of directors.

4. For those subdistricts which contain no registered voters, the property owners who collectively own one or more parcels of real estate comprising more than half of the land situated in each subdistrict shall meet and shall elect a representative to serve upon the board of directors. The clerk of the city, town, or village in which the petition was filed shall, unless waived in writing by all property owners in the subdistrict, give notice by causing publication to be made once a week for two consecutive weeks in a newspaper of general circulation in the county, the last publication of which shall be at least ten days before the day of the meeting required by this section, to call a meeting of the owners of real property within the subdistrict at a day and hour specified in a public place in the city, town, or village in which the petition was filed for the purpose of electing members of the board of directors.

5. The property owners, when assembled, shall organize by the election of a temporary chairman and secretary of the meeting who shall conduct the election. At the election, each acre of real property within the subdistrict shall represent one share, and each owner, including corporations and other entities, may have one vote in person or for every acre of real property owned by such person within the subdistrict. Each voter which is not an individual shall determine how to cast its vote as provided for in its articles of incorporation, articles of organization, articles of partnership, bylaws, or other document which sets forth an appropriate mechanism for the determination of the entity's vote. If a voter has no such mechanism, then its vote shall be cast as determined by a majority of the persons who run the day-to-day affairs of the voter. The results of the meeting shall be certified by the temporary chairman and secretary to the municipal clerk if the district is established by a municipality described in this section, or to the circuit clerk if the district is established by a circuit court.

6. Successor boards shall be appointed or elected, depending upon the presence or absence of resident registered voters, by the mayor or chairman of a city, town, or village described in this section, or the property owners as set forth above; provided, however, that elections held by the property owners after the initial board is elected shall be certified to the municipal clerk of the city, town, or village where the district is located and the board of directors of the district.

7. Should a vacancy occur on the board of directors, the mayor or chairman of the city, town, or village if there are registered voters within the subdistrict, or a majority of the owners of real property in a subdistrict if there are not

registered voters in the subdistrict, shall have the authority to appoint or elect, as set forth in this section, an interim director to complete any unexpired term of a director caused by resignation or disqualification.

8. The board shall possess and exercise all of the district's legislative and executive powers, including:

(1) The power to fund, promote and provide educational, civic, musical, theatrical, cultural, concerts, lecture series, and related or similar entertainment events or activities, and fund, promote, plan, design, construct, improve, maintain, and operate public improvements, transportation projects, and related facilities within the district;

(2) The power to accept and disburse tax or other revenue collected in the district; and

(3) The power to receive property by gift or otherwise.

9. Within thirty days after the selection of the initial directors, the board shall meet. At its first meeting and annually thereafter the board shall elect a chairman from its members.

10. The board shall appoint an executive director, district secretary, treasurer, and such other officers or employees as it deems necessary.

11. At the first meeting, the board, by resolution, shall define the first and subsequent fiscal years of the district, and shall adopt a corporate seal.

12. A simple majority of the board shall constitute a quorum. If a quorum exists, a majority of those voting shall have the authority to act in the name of the board, and approve any board resolution.

13. In those subdistricts that approve the sales tax, the sales tax shall become effective [on the first day of the first calendar quarter immediately following the action by the district board of directors imposing the tax] **as provided by section 32.087.**

14. Each director shall devote such time to the duties of the office as the faithful discharge thereof may require and be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district. Directors may be compensated, but such compensation shall not exceed one hundred dollars per month.

15. In addition to all other powers granted by sections 67.2500 to 67.2530, the district shall have the following general powers:

(1) To sue and be sued in its own name, and to receive service of process, which shall be served upon the district secretary;

(2) To fix compensation of its employees and contractors;

(3) To enter into contracts, franchises, and agreements with any person or entity, public or private, affecting the affairs of the district, including contracts with any municipality, district, or state, or the United States, and any of their agencies, political subdivisions, or instrumentalities, for the funding, including without limitation, interest rate exchange or swap agreements, planning, development, construction, acquisition, maintenance, or operation of a district facility or to assist in such activity;

(4) To acquire, develop, construct, equip, transfer, donate, lease, exchange, mortgage, and encumber real and personal property in furtherance of district purposes;

(8) To own or lease real or personal property for use in connection with the exercise of powers pursuant to this subsection;

(13) To contract for transfer to a city, town, or village such district facilities and improvements free of cost or encumbrance on such terms set forth by contract;

(14) To exercise such other powers necessary or convenient for the district to accomplish its purposes which are not inconsistent with its express powers.

16. A district may at any time authorize or issue notes, bonds, or other obligations for any of its powers or purposes. Such notes, bonds, or other obligations:

- (1) Shall be in such amounts as deemed necessary by the district, including costs of issuance thereof;
- (2) Shall be payable out of all or any portion of the revenues or other assets of the district;
- (3) May be secured by any property of the district which may be pledged, assigned, mortgaged, or otherwise encumbered for payment;
- (4) Shall be authorized by resolution of the district, and if issued by the district, shall bear such date or dates, and shall mature at such time or times, but not in excess of forty years, as the resolution shall specify;
- (5) Shall be in such denomination, bear interest at such rates, be in such form, be issued as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such manner, be payable in such place or places and subject to redemption as such resolution may provide; and
- (6) May be sold at either public or private sale, at such interest rates, and at such price or prices as the district shall determine.

The provisions of this subsection are applicable to the district notwithstanding the provisions of section 108.170.

67.2530. 1. Any note, bond, or other indebtedness of the district may be refunded at any time by the district by issuing refunding bonds in such amount as the district may deem necessary. Such bonds shall be subject to and shall have the benefit of the foregoing provisions regarding notes, bonds, and other obligations. Without limiting the generality of the foregoing, refunding bonds may include amounts necessary to finance any premium, unpaid interest, and costs of issuance in connection with the refunding bonds. Any such refunding may be effected whether the bonds to be refunded then shall have matured or thereafter shall mature, either by sale of the refunding bonds and the application of the proceeds thereof to the payment of the obligations being refunded or the exchange of the refunding bonds for the obligations being refunded with the consent of the holders of the obligations being refunded.

2. Notes, bonds, or other indebtedness of the district shall be exclusively the responsibility of the district payable solely out of the district funds and property and shall not constitute a debt or liability of the state of Missouri or any agency or political subdivision of the state. Any notes, bonds, or other indebtedness of the district shall state on their face that they are not obligations of the state of Missouri or any agency or political subdivision thereof other than the district.

3. Any district may by resolution impose a district sales tax of up to one-half of one percent on all retail sales made in such district that are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Upon voter approval, and receiving the necessary certifications from the governing body of the municipality in which the district is located, or from the circuit court if the district was formed by the circuit court, the board of directors shall have the power to impose a sales tax at its first meeting, or any meeting thereafter. Voter approval of the question of the imposing sales tax shall be in accordance with section 67.2520. [The sales tax shall become effective in those subdistricts that approve the sales tax on the first day of the first calendar quarter immediately following the passage of a resolution by the board of directors imposing the sales tax.

4. In each district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the district pursuant to this section to the retailer's sale price, and when so added, such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

5. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

6.] 4. All revenue received by a district from the sales tax authorized by this section shall be deposited in a special trust fund and shall be used solely for the purposes of the district. Any funds in such special trust fund which are not needed for the district's current expenditures may be invested by the district board of directors in accordance with applicable laws relating to the investment of other district funds.

[7.] 5. The sales tax may be imposed at a rate of up to one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the subdistricts approving the sales tax.

[8. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525 and the rules and regulations of the director of revenue

issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the district.

9. (1) On and after the effective date of any sales tax imposed pursuant to this section, the district shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The sales tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the district.

(2)] 6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All [such] sales taxes [collected by the district] shall be deposited by the district in a special fund to be expended for the purposes authorized in this section. The district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each district and the general public.

[(3) The district may contract with the municipality that the district is within for the municipality to collect any revenue received by the district and, after deducting the cost of such collection, but not to exceed one percent of the total amount collected, deposit such revenue in a special trust account. Such revenue and interest may be applied by the municipality to expenses, costs, or debt service of the district at the direction of the district as set forth in a contract between the municipality and the district.

10. (1) All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons, and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment, or billing.

A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

(7)] 8. Subsequent to the initial approval by the voters and implementation of a sales tax in the district, the rate of the sales tax may be increased, but not to exceed a rate of one-half of one percent on retail sales as provided in this subsection. The election shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the increase of the sales tax before the voters of the district by resolution, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections, the election judges shall certify the election results to the district board of directors. The ballot of submission shall be in substantially the following form:

Shall (name of district) increase the (insert amount) percent district sales tax now in effect to..... (insert amount) in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of the increase, the increase shall become effective [December thirty-first of the calendar year in which such increase was approved] **as provided by section 32.087.**

[11.] **9.** (1) There shall not be any election as provided for in this section while the district has any financing or other obligations outstanding.

(2) The board, when presented with a petition signed by at least one-third of the registered voters in a district that voted in the last gubernatorial election, or signed by at least two-thirds of property owners of the district, calling for an election to dissolve and repeal the tax shall submit the question to the voters using the same procedure by which the imposing tax was voted. The ballot of submission shall be in substantially the following form:

Shall (name of district) dissolve and repeal the (insert amount) percent district sales tax now in effect in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

Such subsequent elections for the repeal of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the repeal of the sales tax before the voters of the district, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections the election judges shall certify the election results to the district board of directors.

(3) If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of the calendar year in which such repeal was approved or after the repayment of the district's indebtedness, whichever occurs later. **If the district abolishes the tax, the district shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

[12.] **10.** (1) At such time as the board of directors of the district determines that further operation of the district is not in the best interests of the inhabitants of the district, and that the district should dissolve, the board shall submit for a vote in an election held throughout the district the question of whether the district should be abolished. The question shall be submitted in substantially the following form:

Shall the theater, cultural arts, and entertainment district be abolished?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(2) The district board shall not propose the question to abolish the district while there are outstanding claims or causes of action pending against the district, while the district liabilities exceed its assets, while indebtedness of the district is outstanding, or while the district is insolvent, in receivership or under the jurisdiction of the bankruptcy court. Prior to submitting the question to abolish the district to a vote of the entire district, the state auditor shall audit the district to determine the financial status of the district, and whether the district may be abolished pursuant to law. The vote on the abolition of the district shall be conducted by the municipal clerk of the city, town, or village in which the district is located. The procedure shall be the same as in section 67.2520, except that the question shall be determined by the qualified voters of the entire district. No individual subdistrict may be abolished, except at such time as the district is abolished.

(3) While the district still exists, it shall continue to accrue all revenues to which it is entitled at law.

(4) Upon receipt by the board of directors of the district of the certification by the city, town, or village in which the district is located that the majority of those voting within the entire district have voted to abolish the district, and if the state auditor has determined that the district's financial condition is such that it may be abolished pursuant to law, then the board of directors of the district shall:

(a) Sell any remaining district real or personal property it wishes, and then transfer the proceeds and any other real or personal property owned by the district to the city, town, or village in which the district is located, including revenues due and owing the district, for its further use and disposition;

(b) Terminate the employment of any remaining district employees, and otherwise conclude its affairs;

(c) At a public meeting of the district, declare by a resolution of the board of directors passed by a majority vote that the district has been abolished effective that date;

(d) Cause copies of that resolution under seal to be filed with the secretary of state and the city, town, or village in which the district is located. Upon the completion of the final act specified in this subsection, the legal existence of the district shall cease.

(5) The legal existence of the district shall not cease for a period of two years after voter approval of the abolition.

11. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section."; and

Further amend said bill, Page 22, Section 92.387, Line 2, by inserting after all of said section the following:

144.040. 1. (1) All retail sales in Missouri, excluding leases and rentals, of tangible personal property or digital goods shall be sourced to the location where the order is received by the seller.

(2) This subsection shall apply only if:

(a) The location where receipt of the product by the purchaser occurs is determined in accordance with subsection 2 of this section; and

(b) At the time the order is received, the record keeping system of the seller used to calculate the proper amount of sales or use tax to be imposed captures the location where the order is received.

(3) When the sale is sourced under this section to the location where the order is received by the seller, only the sales tax for the location where the order is received by the seller may be levied. No additional sales or use tax based on the location where the product is delivered to the purchaser may be levied on that sale. The purchaser shall not be entitled to any refund if the combined state and local rate or rates at the location where the product is received by the purchaser is lower than the rate where the order is received by the seller.

(4) A purchaser shall have no additional liability to the state for tax, penalty or interest on a sale for which the purchaser remits tax to the seller in the amount invoiced by the seller if such invoice amount is calculated at either the rate applicable to the location where receipt by the purchaser occurs or at the rate applicable to the location where the order is received by the seller. A purchaser may rely on a written representation by the seller as to the location where the order for such sale was received by the seller. When the purchaser does not have a written representation by the seller as to the location where the order for such sale was received by the seller, the purchaser may use a location indicated by a business address for the seller that is available from the business records of the purchaser that are maintained in the ordinary course of the purchaser's business to determine the rate applicable to the location where the order was received.

(5) The location where the order is received by or on behalf of the seller means the physical location of a seller or third party such as an established outlet, office location or automated order receipt system operated by or on behalf of the seller where an order is initially received by or on behalf of the seller and not where the order may be subsequently accepted, completed or fulfilled. An order is received when all of the information from the purchaser necessary to the determination whether the order can be accepted has been received by or on behalf of the seller. The location from which a product is shipped shall not be used in determining the location where the order is received by the seller.

(6) When taxable services are sold with tangible personal property or digital products pursuant to a single contract or in the same transaction, are billed on the same billing statement or statements, and, because of the application of this section, would be sourced to different jurisdictions, this subsection shall apply to determine the source for tax.

2. Except as provided in subsection 7 of this section, when the location where the order is received by the seller and the location where the receipt of the product by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs are in different states, the retail sale, excluding lease or rental, of a product shall be sourced as follows:

(1) When the product is received by the purchaser at a business location of the seller, the sale shall be sourced to such business location;

(2) When the product is not received by the purchaser at a business location of the seller, the sale shall be sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser or donee, known to the seller;

(3) When subdivisions (1) and (2) of this subsection do not apply, the sale shall be sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith;

(4) When subdivisions (1), (2), and (3) of this subsection do not apply, the sale shall be sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith;

(5) When none of the previous rules of subdivisions (1), (2), (3), and (4) of this subsection do not apply, including the circumstances in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or computer software delivered electronically was first available for transmission from the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

3. Notwithstanding subsections 1 and 2 of this section, all sales of motor vehicles, trailers, semitrailers, watercraft and aircraft that do not qualify as transportation equipment shall be sourced to the address of the owner thereof.

4. The lease or rental of tangible personal property, other than property identified in subsection 2 or 3 of this section or transactions regulated under sections 407.660 to 407.665, shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section. Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls;

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section;

(3) This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

5. The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in section 144.010, shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of such address does not constitute bad faith. Such location shall not be altered by intermittent use at different locations;

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section;

(3) This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

6. The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section, notwithstanding the exclusion of lease or rental in subsection 1 of this section.

7. (1) The retail sale of a product shall be sourced in accordance with this section. The provisions of this section shall apply regardless of the characterization of a product as tangible personal property, a digital good, or a service. The provisions of this section shall only apply to determine a seller's obligation to pay or collect and remit sales or use tax with respect to the seller's retail sale of a product. The provisions of this subsection shall not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.

(2) This section shall not apply to sales or use taxes levied on the following:

- (a) Retail sales or transfers of watercraft, modular homes, manufactured homes, or mobile homes; and

The purchaser shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients and shall report and pay any applicable tax due.

(3) If the purchaser provides the seller information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of advertising and promotional direct mail where the seller has sourced the sale according to the delivery information provided by the purchaser.

(4) If the purchaser does not provide the seller with any of the items listed in paragraph (a), (b) or (c) of subdivision (1) of subsection 1 of this section, the sale shall be sourced according to subdivision (5) of subsection 2 of section 144.040. The state to which the advertising and promotional direct mail is delivered may disallow credit for tax paid on sales sourced under this subdivision.

(5) Notwithstanding section 144.040, this subsection shall apply to sales of advertising and promotional direct mail.

2. (1) Except as otherwise provided in this subsection, sales of other direct mail are sourced in accordance with subdivision (3) of subsection 2 of section 144.040.

3.] In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisalment by the director.

[4.] 3. The director of the department of revenue shall endorse upon the official certificate of title issued by the director upon such application an entry showing that such sales tax has been paid or that the motor vehicle, trailer, boat, or outboard motor represented by such certificate is exempt from sales tax and state the ground for such exemption.

[5.] 4. Any person, company, or corporation engaged in the business of renting or leasing motor vehicles, trailers, boats, or outboard motors, which are to be used exclusively for rental or lease purposes, and not for resale, may apply to the director of revenue for authority to operate as a leasing company. Any company approved by the director of revenue may pay the tax due on any motor vehicle, trailer, boat, or outboard motor as required in section 144.020 at the time of registration thereof or in lieu thereof may pay a sales tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A sales tax shall be charged to and paid by a leasing company which does not exercise the option of paying in accordance with section 144.020, on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in this state. Any motor vehicle, trailer, boat, or outboard motor which is leased as the result of a contract executed in this state shall be presumed to be domiciled in this state.

[6.] 5. Any corporation may have one or more of its divisions separately apply to the director of revenue for authorization to operate as a leasing company, provided that the corporation:

- (1) Has filed a written consent with the director authorizing any of its divisions to apply for such authority;
- (2) Is authorized to do business in Missouri;
- (3) Has agreed to treat any sale of a motor vehicle, trailer, boat, or outboard motor from one of its divisions to another of its divisions as a sale at retail;
- (4) Has registered under the fictitious name provisions of sections 417.200 to 417.230 each of its divisions doing business in Missouri as a leasing company; and
- (5) Operates each of its divisions on a basis separate from each of its other divisions. However, when the transfer of a motor vehicle, trailer, boat or outboard motor occurs within a corporation which holds a license to operate as a motor vehicle or boat dealer pursuant to sections 301.550 to 301.573 the provisions in subdivision (3) of this subsection shall not apply.

[7.] 6. If the owner of any motor vehicle, trailer, boat, or outboard motor desires to charge and collect sales tax as provided in this section, the owner shall make application to the director of revenue for a permit to operate as a motor vehicle, trailer, boat, or outboard motor leasing company. The director of revenue shall promulgate rules and regulations determining the qualifications of such a company, and the method of collection and reporting of sales tax charged and collected. Such regulations shall apply only to owners of motor vehicles, trailers, boats, or outboard motors, electing to qualify as motor vehicle, trailer, boat, or outboard motor leasing companies under the provisions of subsection 5 of this section, and no motor vehicle renting or leasing, trailer renting or leasing, or boat or outboard motor renting or leasing company can come under sections 144.010, 144.020, 144.070 and 144.440 unless all motor vehicles, trailers, boats, and outboard motors held for renting and leasing are included.

[8.] 7. Beginning July 1, 2010, any motor vehicle dealer licensed under section 301.560 engaged in the business of selling motor vehicles or trailers may apply to the director of revenue for authority to collect and remit the sales tax required under this section on all motor vehicles sold by the motor vehicle dealer. A motor vehicle dealer receiving authority to collect and remit the tax is subject to all provisions under sections 144.010 to 144.525. Any motor vehicle dealer authorized to collect and remit sales taxes on motor vehicles under this subsection shall be entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax pursuant to section 144.140. Any amount of the tax collected under this subsection that is retained by a motor vehicle dealer pursuant to section 144.140 shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers for their role in collecting and remitting sales taxes on motor vehicles. In the event this subsection or any portion thereof is held to violate article IV, section 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and remit sales taxes on motor vehicles under this section. No motor vehicle dealer shall seek compensation from the state of Missouri or its agencies if a court of competent jurisdiction declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and orders the return of such revenues."; and

Further amend said bill, Page 54, Section 144.071, Line 17, by inserting after all of said section the following:

"144.080. 1. Every person receiving any payment or consideration upon the sale of property or rendering of service, subject to the tax imposed by the provisions of sections 144.010 to 144.525, is exercising the taxable privilege of selling the property or rendering the service at retail and is subject to the tax levied in section 144.020. The person shall be responsible not only for the collection of the amount of the tax imposed on the sale or service to the extent possible under the provisions of section 144.285, but shall, on or before the last day of the month following each calendar quarterly period of three months, file a return with the director of revenue showing the person's gross receipts and the amount of tax levied in section 144.020 for the preceding quarter, and shall remit to the director of revenue, with the return, the taxes levied in section 144.020, except as provided in subsections 2 and 3 of this section. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of sellers, but shall not require any seller to file and pay more frequently than required in this section.

2. [Where the aggregate amount levied and imposed upon a seller by section 144.020 is in excess of two hundred and fifty dollars for either the first or second month of a calendar quarter, the seller shall file a return and pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month.

3.] Where the aggregate amount levied and imposed upon a seller by section 144.020 is less than forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the seller to file a return for a calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

[4.] 3. The seller of any property or person rendering any service, subject to the tax imposed by sections 144.010 to 144.525, shall collect the tax from the purchaser of such property or the recipient of the service to the extent possible under the provisions of section 144.285, but the seller's inability to collect any part or all of the tax does not relieve the seller of the obligation to pay to the state the tax imposed by section 144.020; except that the collection of the tax imposed by sections 144.010 to 144.525 on motor vehicles and trailers shall be made as provided in sections 144.070 and 144.440.

[5.] 4. It shall be unlawful for any person to advertise or hold out or state to the public or to any customer directly or indirectly that the tax or any part thereof imposed by sections 144.010 to 144.525, and required to be collected by the person, will be assumed or absorbed by the person, or that it will not be separately stated and added to the selling price of the property sold or service rendered, or if added, that it or any part thereof will be refunded. Any person violating any of the provisions of this section shall be guilty of a misdemeanor.

144.082. 1. The director shall participate in an online registration system that will allow sellers to register in this state and other member states.

2. By registering, the seller agrees to collect and remit sales and use taxes for all taxable sales into this state as well as the other member states, including member states joining after the seller's registration. Withdrawal or revocation of this state from the agreement shall not relieve a seller of its responsibility to remit taxes previously or subsequently collected on behalf of this state.

3. If the seller has a requirement to register prior to registering under the agreement, such seller shall obtain a retail sales license under section 144.083 and register under section 144.650.

4. Registration with the central registration system and the collection of sales and use taxes in this state shall not be used as a factor in determining whether the seller has nexus with this state for any tax at any time.

144.083. 1. The director of revenue shall require all persons who are responsible for the collection of taxes under the provisions of section 144.080 to procure a retail sales license at no cost to the licensee which shall be prominently displayed at the licensee's place of business, and the license is valid until revoked by the director or surrendered by the person to whom issued when sales are discontinued. The director shall issue the retail sales license within ten working days following the receipt of a properly completed application. Any person applying for a retail sales license or reinstatement of a revoked sales tax license who owes any tax under sections 144.010 to 144.510 or sections 143.191 to 143.261 must pay the amount due plus interest and penalties before the department may issue the applicant a license or reinstate the revoked license. All persons beginning business subsequent to August 13, 1986, and who are required to collect the sales tax shall secure a retail sales license prior to making sales at retail. Such license may, after ten days' notice, be revoked by the director of revenue only in the event the licensee shall be in default for a period of sixty days in the payment of any taxes levied under section 144.020 or sections 143.191 to 143.261. Notwithstanding the provisions of section 32.057 in the event of revocation, the director of revenue may publish the status of the business account including the date of revocation in a manner as determined by the director.

2. The possession of a retail sales license and a statement from the department of revenue that the licensee owes no tax due under sections 144.010 to 144.510 or sections 143.191 to 143.261 shall be a prerequisite to the issuance or

renewal of any city or county occupation license or any state license which is required for conducting any business where goods are sold at retail. The date of issuance on the statement that the licensee owes no tax due shall be no more than ninety days before the date of submission for application or renewal of the local license. The revocation of a retailer's license by the director shall render the occupational license or the state license null and void.

3. No person responsible for the collection of taxes under section 144.080 shall make sales at retail unless such person is the holder of a valid retail sales license. After all appeals have been exhausted, the director of revenue may notify the county or city law enforcement agency representing the area in which the former licensee's business is located that the retail sales license of such person has been revoked, and that any county or city occupation license of such person is also revoked. The county or city may enforce the provisions of this section, and may prohibit further sales at retail by such person.

4. In addition to the provisions of subsection 2 of this section, beginning January 1, 2009, the possession of a statement from the department of revenue stating no tax is due under sections 143.191 to 143.265 or sections 144.010 to 144.510 shall also be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business where goods are sold at retail. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

[5. Notwithstanding any law or rule to the contrary, sales tax shall only apply to the sale price paid by the final purchaser and not to any off-invoice discounts or other pricing discounts or mechanisms negotiated between manufacturers, wholesalers, and retailers.]

144.084. 1. The director shall promulgate rules and regulations for remittance of returns. Such rules shall:

- (1) Allow for electronic payments by all remitters by both ACH credit and ACH debit;**
- (2) Provide an alternative method for making "same day" payments if an electronic funds transfer fails;**
- (3) Provide that if a due date falls on a legal banking holiday in the state, the taxes shall be due on the next succeeding business day; and**
- (4) Require that any data that accompanies a remittance be formatted using uniform tax type and payment type codes approved by the streamlined sales and use tax governing board.**

2. All model 1, model 2, and model 3 sellers shall file returns electronically. Any model 1, model 2, or model 3 seller shall submit its sales and use tax returns in a simplified format approved by the director at such times as may be prescribed by the director.

144.100. 1. Every person making any taxable sales of property or service, except transactions provided for in sections 144.070 and 144.440, individually or by duly authorized officer or agent, shall make and file a written return with the director of revenue in such manner as he may prescribe.

2. The returns shall be on blanks designed and furnished by the director of the department of revenue and shall be filed at the times provided in sections 144.080 and 144.090. The returns shall [show the amount of gross receipts from sales of taxable property and services by the person and the amount of tax due thereon by that person during and for the period covered by the return] **state:**

- (1) The name and address of the retailer;**
- (2) The total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made;**
- (3) The total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made;**
- (4) Deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales;**
- (5) Receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made;**
- (6) Receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made;**
- (7) Gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed; and**
- (8) Such other pertinent information as the director may require.**

3. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by a retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of subsection 2 of this section in case the retailer has included the receipts from such sale in a return made by such retailer and paid taxes on such sale. The retailer shall, at the time of making such return, pay to the director the amount of tax owed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this section for any period not to exceed sixty days under such rules and regulations as the director of revenue may prescribe.

4. The director shall only require a single tax return for each taxing period and such return shall include only the taxing jurisdictions in which the seller makes sales within the state. With each return, the person shall remit to the director of revenue the full amount of the tax due.

[3.] **5.** In case of charge and time sales the gross receipts thereof shall be included as sales in the returns as and when payments are received by the person, without any deduction therefrom whatsoever.

[4.] **6.** If an error or omission is discovered in a return or a change be necessary to show the true facts, the error may be corrected, the omission supplied, or the change made in the return next filed with the director for the filing period immediately following the filing period in which the error was made or the omission occurred, as prescribed by law, except that no refund under this chapter shall be allowed for any amount of tax paid by a seller which is based upon charges incident to credit card discounts. Any other omission or error must be corrected by filing an amended return for the erroneously reported period if the amount of tax is less than that originally reported, or an additional return if the amount of tax is greater than that originally reported. An additional return shall be deemed filed on the date the envelope in which it is mailed is postmarked or the date it is received by the director, whichever is earlier. Any payment of tax, interest, penalty or additions to tax shall be deemed filed on the date the envelope containing the payment is postmarked or the date the payment is received by the director, whichever is earlier. If a refund or credit results from the filing of an amended return, no refund or credit shall be allowed unless an application for refund or credit is properly completed and submitted to the director pursuant to section 144.190.

[5.] **7.** The amount of gross receipts from sales and the amount of tax due returned by the person, as well as all matters contained in the return, is subject to review and revision in the manner herein provided for the correction of the returns.

144.104. 1. A seller shall be allowed a deduction from taxable sales for bad debts attributable to taxable sales of such seller that have become uncollectable. Any deduction taken that is attributed to bad debts shall not include interest.

2. The amount of the bad debt deduction shall be calculated pursuant to 26 U.S.C. Section 166(b), as amended, except that such amount shall be adjusted to exclude financing charges or interest, sales, or use taxes charged on the purchase price, uncollectable amounts on property that remain in the possession of the seller until the full purchase price is paid, and expenses incurred in attempting to collect any debt or repossessed property.

3. Bad debts may be deducted on the return for the period during which the bad debt is written off as uncollectable in the seller's books and records and is eligible to be deducted for federal income tax purposes. For purposes of this subsection, a seller who is not required to file federal income tax returns may deduct a bad debt on a return filed for the period in which the bad debt is written off as uncollectable in the seller's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the seller was required to file a federal income tax return.

4. If a deduction is taken for a bad debt and the debt is subsequently collected in whole or in part, the tax on the amount so collected shall be paid and reported on the return filed for the period in which the collection is made.

5. When the amount of bad debt exceeds the amount of taxable sales for the period during which the bad debt is written off, a refund claim may be filed by the seller within the applicable statute of limitations for refund claim; however, the statute of limitations shall be measured from the due date of the return on which the bad debt could first be claimed.

6. Where filing responsibilities have been assumed by a certified service provider, such service provider may claim, on behalf of the seller, any bad debt allowance provided by this section. The certified service provider shall credit or refund the full amount of any bad debt allowance or refund received to the seller.

7. For the purposes of reporting a payment received on a previously claimed bad debt, any payments made on a debt or account shall first be applied proportionally to the taxable price of the property or service and the sales tax thereon, and secondly to interest, service charges, and any other charges.

8. In situations where the books and records of the seller, or certified service provider on behalf of the seller, claiming the bad debt allowance support an allocation of the bad debts among the member states, such an allocation shall be permitted.

144.105. 1. The state shall review software submitted to the streamlined sales and use tax governing board for certification as a certified automated system (CAS) under Section 501 of the streamlined sales and use tax agreement. Such review shall include a review to determine that the program adequately classifies the state's product-based exemptions. Upon completion of the review, the state shall certify to the governing board its acceptance of the classifications made by the system. The state shall relieve a certified service provider (CSP) or model 2 seller from liability to this state and its local jurisdictions for failure to collect sales or use taxes resulting from the CSP or model 2 seller's reliance on the certification provided by the state.

2. The streamlined sales and use tax governing board and this state shall not be responsible for classification of an item or transaction with the product-based exemptions. The relief from liability provided in this section shall not be available for a CSP or model 2 seller that has incorrectly classified an item or transaction into a product-based exemption certified by this state. This subsection shall apply to the individual listing of items or transactions within a product definition approved by the governing board or the state.

3. If the state determines that an item or transaction is incorrectly classified as to its taxability, it shall notify the CSP or model 2 seller of the incorrect classification. The CSP or model 2 seller shall have ten days to revise the classification after receipt of notice from the state of the determination. Upon expiration of the ten days, such CSP or model 2 seller shall be liable for failure to collect the correct amount of sales or use taxes due and owing to the state.

144.123. 1. The director shall provide and maintain a database that describes boundary changes for all taxing jurisdictions and the effective dates of such changes for sales and use tax purposes.

2. The director shall provide and maintain a database of all sales and use tax rates for all taxing jurisdictions. For the identification of counties and cities, codes corresponding to the rates shall be provided according to Federal Information Processing Standards (FIPS) as developed by the National Institute of Standards and Technology. For the identification of all other jurisdictions, codes corresponding to the rates shall be in a format determined by the director.

3. The director shall provide and maintain a database that assigns each five- and nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the zip code area shall apply if the area includes more than one tax rate in any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a seller or a certified service provider (CSP) is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For purposes of this section, there shall be a rebuttable presumption that a seller or CSP has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the secretary that makes this designation from the street address and the five-digit zip code applicable to a purchase.

4. The director may provide address-based boundary database records for assigning taxing jurisdictions and associated rates which shall be in addition to the requirements of subsection 3 of this section. The database records shall be in the same approved format as the database records required under subsection 3 of this section and shall meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director develops address-based assignment database records under the agreement, sellers that register under the agreement shall be required to use such database. A seller or CSP shall use such database records in place of the five- and nine-digit zip code database records provided for in subsection 3 of this section. If a seller or CSP is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the seller or CSP may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a seller or CSP is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For the purposes of this section, there shall be a rebuttable presumption that a seller or CSP has exercised due diligence if the seller or CSP has attempted to determine the tax rate and jurisdiction by utilizing software approved by the director and makes the assignment from the address and zip code information

applicable to the purchase. If the director has met the requirements of subsection 3 of this section, the director may also elect to certify vendor provided address-based databases for assigning tax rates and jurisdictions. The databases shall be in the same approved format as the database records under this section and meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director certifies a vendor address-based database, a seller or CSP may use such database in place of the database provided for in this subsection.

5. The electronic databases provided for in subsections 1, 2, 3, and 4 of this section shall be in downloadable format as determined by the director. The databases may be directly provided by the director or provided by a vendor as designated by the director. A database provided by a vendor as designated by the director shall be applicable and subject to the provisions of section 144.1031 and this section. The databases shall be provided at no cost to the user of the database. The provisions of subsections 3 and 4 of this section shall not apply when the purchased product is received by the purchaser at the business location of the seller.

6. No seller or CSP shall be liable for reliance upon erroneous data provided by the director on tax rates, boundaries, or taxing jurisdiction assignments.

144.124. 1. The director shall complete a taxability matrix. The state's entries in the matrix shall be provided and maintained by the director in a database that is in a downloadable format.

2. The director shall provide reasonable notice of changes in the taxability of the products or services listed in the taxability matrix.

3. A seller or certified service provider (CSP) shall be relieved from liability to this state or any local taxing jurisdiction for having charged and collected the incorrect amount of state or local sales or use tax resulting from such seller's or CSP's reliance upon erroneous data provided by the director in the taxability matrix.

144.125. 1. (1) Amnesty shall be granted for uncollected or unpaid sales or use tax to a seller who registers to pay or to collect and remit applicable sales or use tax on sales made to purchasers in this state in accordance with the terms of the agreement, provided that the seller was not so registered in this state in the twelve-month period preceding the effective date of this state's participation in the agreement.

(2) Amnesty shall preclude assessment for uncollected or unpaid sales or use tax together with penalty or interest for sales made during the period the seller was not registered in this state, provided registration occurs within twelve months of the effective date of this state's participation in the agreement.

(3) Amnesty shall be provided if this state joins the agreement after the seller has registered.

2. Amnesty shall not be available to a seller with respect to any matter or matters for which the seller received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes. The amnesty shall not be available for sales or use taxes already paid or remitted to this state or to taxes collected by the seller.

3. Amnesty provided under this section shall be fully effective, absent the seller's fraud or intentional misrepresentation of a material fact, as long as the seller continues registration and payment or collection and remittance of applicable sales or use taxes for a period of at least thirty-six months. The statute of limitations applicable to asserting a tax liability during this thirty-six month period shall be tolled.

4. Amnesty provided under this section shall be applicable only to sales or use taxes due from a seller in its capacity as a seller and not to sales or use taxes due from a seller in its capacity as a purchaser.

5. The provisions of this section shall become effective as of the date that the state joins and becomes a member state of the agreement.

144.140. 1. From every remittance to the director of revenue made on or before the date when the same becomes due, the person required to remit the same shall be entitled to deduct and retain an amount equal to two percent thereof.

2. If the director of the department of revenue enters into the streamlined sales and use tax agreement under section 32.070, the director shall provide a monetary allowance from the taxes collected to each of the following:

(1) A certified service provider, in accordance with the agreement and under the terms of the contract signed with the provider, provided that such allowance shall not exceed two percent of the amount collected;

(2) Any vendor registered under the agreement that selects a certified automated system to perform part of its sales or use tax functions;

(3) Any vendor registered under the agreement that uses a proprietary system to calculate taxes due and has entered into a performance agreement with states that are members to the streamlined sales and use tax agreement.

3. The monetary allowance provided for vendors in subdivision (2) or (3) of subsection 2 of this section shall be in an amount equal to two percent of the taxes collected.

4. Any vendor receiving an allowance under subsection 2 of this section shall not be entitled simultaneously to deduct the allowance provided for in subsection 1 of this section.”; and

Further amend said bill, Page 57, Section 144.190, Line 122, by inserting after all of said section the following:

"144.210. 1. The burden of proving that a sale of tangible personal property, services, substances or things was not a sale at retail shall be upon the person who made the sale, except that with respect to sales, services, or transactions provided for in section 144.070. [The seller shall obtain and maintain exemption certificates signed by the purchaser or his agent as evidence for any exempt sales claimed; provided, however, that before any administrative tribunal of this state, a seller may prove that sale is exempt from tax under this chapter in accordance with proof admissible under the applicable rules of evidence; except that when a purchaser has purchased tangible personal property or services sales tax free under a claim of exemption which is found to be improper, the director of revenue may collect the proper amount of tax, interest, additions to tax and penalty from the purchaser directly. Any tax, interest, additions to tax or penalty collected by the director from the purchaser shall be credited against the amount otherwise due from the seller on the purchases or sales where the exemption was claimed.]

2. If the director of revenue is not satisfied with the return and payment of the tax made by any person, he is hereby authorized and empowered to make an additional assessment of tax due from such person, based upon the facts contained in the return or upon any information within his possession or that shall come into his possession.

3. The director of revenue shall give to the person written notice of such additional or revised assessment by certified or registered mail to the person at his or its last known address.

144.212. 1. In addition to all other provisions of law provided for exemptions, when an exemption is claimed by a purchaser:

(1) The seller shall obtain identifying information of the purchaser and the reason for claiming a tax exemption at the time of the purchase;

(2) A purchaser shall not be required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used;

(3) The seller shall use the standard form for claiming an exemption electronically prescribed by the director of the department of revenue and acceptable to the streamlined sales and use tax governing board;

(4) The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred;

(5) The seller shall maintain proper records of exempt transactions and provide such records to the director of the department of revenue or the director's designee upon request;

(6) In the case of drop shipment sales, a third-party vendor, such as a drop shipper, may claim a resale exemption based on an exemption certificate provided by its customer or any other acceptable information available to the third-party vendor evidencing qualification for a resale exemption, regardless of whether the customer is registered to collect and remit sales and use tax in the state where the sale is sourced.

2. Sellers that comply with the requirements of this section shall be relieved from collecting and remitting tax otherwise applicable if it is determined that the purchaser improperly claimed an exemption and such purchaser shall be liable for the nonpayment of tax. Relief from liability provided under this section shall not apply to a seller who fraudulently fails to collect tax; to a seller who solicits purchasers to participate in the unlawful claim of an exemption; to a seller who accepts an exemption certificate when the purchaser claims an entity-based exemption when the subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller and the state in which that location resides provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in such state; or to a seller who accepts an exemption certificate claiming multiple points of use for tangible personal property other than computer software for which an exemption claiming multiple points of use not available in such state.

(1) A seller shall be relieved from collecting and remitting tax otherwise applicable if the seller obtains a fully completed exemption certificate or captures the relevant data elements required under the agreement within ninety days subsequent to the date of sale.

(2) If a seller fails to obtain an exemption certificate or all relevant data elements as provided in this section, the seller may, within one hundred twenty days subsequent to a request for substantiation by the director of the department of revenue or the director's designee, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

3. Nothing in this section shall affect the ability of the director of the department of revenue or the director's designee to require purchasers to update exemption certificate information or to reapply with the state to claim certain exemptions.

4. Notwithstanding the provisions of subsection 2 of this section to the contrary, the director shall relieve a seller of the tax otherwise applicable if the seller obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The director shall not request from the seller renewal of blanket certificates or updates of exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this section, a recurring business relationship exists when a period of no more than twelve months elapses between sales transactions.

144.285. 1. [In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the director of revenue shall establish brackets, showing the amounts of tax to be collected on sales of specified amounts, which shall be applicable to all taxable transactions] **When the seller is computing the amount of tax owed by the purchaser and remitted to the state:**

(1) Tax computation shall be carried to the third decimal place; and

(2) The tax shall be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four.

2. [In all instances where statements covering taxable purchases are rendered to the taxpayer on a monthly or other periodic basis, the amount of tax shall be determined by applying the applicable tax rate to the taxable purchases represented on the statement, rounded to the nearest whole cent, or by application of the brackets established by the director of revenue, at the option of the retail vendor] **Sellers may elect to compute the tax due on a transaction on an item or an invoice basis. The provision of this subsection may be applied to the aggregated state and local taxes.**

3. No vendor or seller shall knowingly charge or receive from a purchaser as a sales tax any sum in excess of the sums provided for in this section.

4. [A vendor may, at his option, determine the amount charged to and received from each purchaser by use of a formula which applies the applicable tax rate to each taxable purchase, rounded to the nearest whole cent. The formula shall be uniformly and consistently applied to all purchases similarly situated.

5.] Amounts which a vendor charges to and receives from the purchaser in accordance with this section shall not be includable in his gross receipts if the amounts are separately charged or stated.

[6.] **5.** If sales tax for one or more local political subdivisions is owed by a taxpayer pursuant to chapter 66, 67, 92, or 94 and that taxpayer remits less than all sales tax due for a filing period specified in section 144.080, the director of revenue shall deposit the tax remitted proportionately to each taxing jurisdiction in accordance with the percentage that each such jurisdiction's share of the tax due for the filing period bears to the total tax due from such taxpayer for such period. The unpaid balance due along with penalties and interest shall be similarly prorated among the state and all local jurisdictions for which tax was due during the filing period for which an underpayment occurs. The provisions of this subsection shall apply to all returns or remittances relating to sales made on or after January 1, 1984."; and

[4. A political subdivision may allow the sales tax holiday under this section to apply to its local sales taxes by enacting an ordinance to that effect. Any such political subdivision shall notify the department of revenue not less than forty-five calendar days prior to the beginning date of the sales tax holiday occurring in that year of any such ordinance or order.

5. This section may not apply to any retailer when less than two percent of the retailer's merchandise offered for sale qualifies for the sales tax holiday. The retailer shall offer a sales tax refund in lieu of the sales tax holiday.]"; and

The return shall be accompanied by a remittance of the amount of the tax required to be collected by the vendor during the period covered by the return. Returns shall be signed by the vendor or the vendor's authorized agent. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of vendors, but shall not require any vendor to file and pay more frequently than required in this section.

2. Where the aggregate amount of tax required to be collected by a vendor is in excess of two hundred and fifty dollars for either the first or second month of a calendar quarter, the vendor shall pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month. The amount so paid shall be allowed as a credit against the liability shown on the vendor's quarterly return required by this section.

3. Where the aggregate amount of tax required to be collected by a vendor is less than forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the vendor to file a return for a calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

4. Annual returns and payments required by the director pursuant to this subsection shall be due on or before April fifteenth of the year for the preceding calendar year and quarterly returns and payments shall be due on or before the last day of the month following each calendar period of three months. Upon the taxpayer's request, the director may allow the filing of such returns and payments on a monthly basis. If a taxpayer elects to file a monthly return and payment, such return and payment shall be due on or before the twentieth day of the succeeding month.

5. Any person purchasing tangible personal property subject to the taxes imposed by sections 144.600 to 144.748 shall not be required to file a use tax return with the director of revenue if such purchases on which such taxes were not paid do not exceed in the aggregate two thousand dollars in any calendar year.

6. Nothing in subsection 5 of this section shall relieve a vendor of liability to collect the tax imposed pursuant to sections 144.600 to 144.748 on the total gross receipts of all sales of tangible personal property used, stored or consumed in this state and to remit all taxes collected to the director of revenue in accordance with the provisions of this section nor shall it relieve a purchaser from paying such taxes to a vendor registered in accordance with the provisions of section 144.650.

Further amend said bill, Page 81, Section 184.865, Line 7, by inserting after all of said section the following:

"221.407. 1. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no order imposing a sales tax pursuant to this section shall be effective unless the commission submits to the voters of the district, on any election date authorized in chapter 115, a proposal to authorize the commission to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the regional jail district of (counties' names) impose a region-wide sales tax of (insert amount) for the purpose of providing jail services and court facilities and equipment for the region?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of the proposal, then the order and any amendment to such order shall be in effect on the first day of the second **calendar** quarter [immediately following the election approving the proposal] **after the director of revenue receives notification of adoption of the local sales tax**. If the proposal receives less than the required majority, the commission shall have no power to impose the sales tax authorized pursuant to this section unless and until the commission shall again have submitted another proposal to authorize the commission to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters of the district voting on such proposal; however, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last submission of a proposal pursuant to this section.

3. All revenue received by a district from the tax authorized pursuant to this section shall be deposited in a special trust fund and shall be used solely for providing jail services and court facilities and equipment for such district for so long as the tax shall remain in effect.

4. Once the tax authorized by this section is abolished or terminated by any means, all funds remaining in the special trust fund shall be used solely for providing jail services and court facilities and equipment for the district. Any funds in such special trust fund which are not needed for current expenditures may be invested by the commission in accordance with applicable laws relating to the investment of other county funds.

5. All sales taxes collected by the director of revenue pursuant to this section on behalf of any district, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "Regional Jail District Sales Tax Trust Fund". The moneys in the regional jail district sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of officers of each member county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district which levied the tax. Such funds shall be deposited with the treasurer of each such district, and all expenditures of funds arising from the regional jail district sales tax trust fund shall be paid pursuant to an appropriation adopted by the commission and shall be approved by the commission. Expenditures may be made from the fund for any function authorized in the order adopted by the commission submitting the regional jail district tax to the voters.

6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such districts. If any district abolishes the tax, the commission shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such district, the director

of revenue shall remit the balance in the account to the district and close the account of that district. The director of revenue shall notify each district in each instance of any amount refunded or any check redeemed from receipts due the district.

7. Except as provided in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

8. The provisions of this section shall expire September 30, 2015.

(a) The board of directors of the transportation development district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of this section; or

(b) The voters approved the question certified by the petition filed pursuant to subsection 5 of section 238.207.

(2) If the transportation district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of paragraph (a) of subdivision (1) of this subsection, the ballot of submission shall contain, but need not be limited to, the following language:

Shall the transportation development district of (transportation development district's name) impose a transportation development district-wide sales tax at the rate of (insert amount) for a period of (insert number) years from the date on which such tax is first imposed for the purpose of (insert transportation development purpose)?

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) [The sales tax authorized by this section shall become effective on the first day of the second calendar quarter after the department of revenue receives notification of the tax.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation development district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

(6) All revenue received by a transportation development district from the tax authorized by this section which has been designated for a certain transportation development purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the qualified voters pursuant to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant to subsection

6 of this section, all funds remaining in the special trust fund shall continue to be used solely for such designated transportation development purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other transportation development district funds.

[(7)] (4) The sales tax may be imposed in increments of one-eighth of one percent, up to a maximum of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the transportation development district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to public utilities. Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. [On and after the effective date of any tax imposed pursuant to this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of Missouri shall be collected together and reported upon such forms and pursuant to such administrative rules and regulations as may be prescribed by the director of revenue.

4. (1) All applicable provisions contained in sections 144.010 to 144.525, governing the state sales tax, sections 32.085 and 32.087 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

5.] All sales taxes received by the transportation development district shall be deposited by the director of revenue in a special fund to be expended for the purposes authorized in this section. The director of revenue shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

[6.] 4. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent

of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with any amendments thereto, shall remain in effect.

[7.] 5. Notwithstanding any provision of sections 99.800 to 99.865 and this section to the contrary, the sales tax imposed by a district whose project is a public mass transportation system shall not be considered economic activity taxes as such term is defined under sections 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of section 99.845, or subsection 4 of section 99.957.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

238.410. 1. Any county transit authority established pursuant to section 238.400 may impose a sales tax of up to one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax imposed under the provisions of this section shall be effective unless the governing body of the county, on behalf of the transit authority, submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the transit authority to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the Transit Authority impose a countywide sales tax of (insert amount) in order to provide revenues for the operation of transportation facilities operated by the transit authority?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the tax shall become effective on the first day of the second calendar quarter following notification to the department of revenue of adoption of the tax. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the transit authority shall have no power to impose the sales tax authorized by this section unless and until another proposal to authorize the transit authority to impose the sales tax authorized by this section has been submitted and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by the transit authority from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely by the transit authority for construction, purchase, lease, maintenance and operation of transportation facilities located within the county for so long as the tax shall remain in effect. Any funds in such special trust fund which are not needed for current expenditures may be invested by the transit authority in accordance with applicable laws relating to the investment of county funds.

4. No transit authority imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment is submitted to and approved by the voters of the county in the same manner as provided in subsection 1 of this section for approval of such tax. Whenever the governing body of any county in which a sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the registered voters of such county voting in the last gubernatorial election, calling for an election to repeal such sales tax, the governing body shall submit to the voters of such county a proposal to repeal the sales tax imposed under the provisions of this section. If a majority of the votes cast on the proposal by the registered voters voting thereon are in favor of the proposal to repeal the sales tax, then such sales tax is repealed. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal the sales tax, then such sales tax shall remain in effect.

5. The sales tax imposed under the provisions of this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate approved pursuant to this section. The amount reported and returned to the director of revenue by the seller shall be computed on the basis of the combined rate of the tax imposed by sections 144.010 to 144.525 and the tax imposed by this section, plus any amounts imposed under other provisions of law.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the applicable provisions of section 144.285 shall apply to all taxable transactions.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by this section. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under chapter 144 are hereby allowed and made applicable to any taxes collected under the provisions of this section. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of those sections are hereby made applicable to violations of this section.

8. [For the purposes of a sales tax imposed pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer, except for tangible personal property sold which is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination and except for the sale of motor vehicles, trailers, boats and outboard motors, which is provided for in subsection 12 of this section. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which he works.

9.] All sales taxes collected by the director of revenue under this section on behalf of any transit authority, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in this section, shall be deposited in the state treasury in a special trust fund, which is hereby created, to be known as the "County Transit Authority Sales Tax Trust Fund". The moneys in the county transit authority sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each transit authority imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the transit authority which levied the tax.

[10.] 9. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any transit authority for erroneous payments and overpayments made, and may authorize the state treasurer to redeem dishonored checks and drafts deposited to the credit of such transit authorities. If any transit authority abolishes the tax, the transit authority shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such transit authority, the director of revenue shall authorize the state treasurer to remit the balance in the account to the transit authority and close the account of that transit authority. The director of revenue shall notify each transit authority of each instance of any amount refunded or any check redeemed from

receipts due the transit authority. The director of revenue shall annually report on his management of the trust fund and administration of the sales taxes authorized by this section. The amounts so collected, less the one percent collection cost, shall be deposited in the county transit authority sales tax trust fund. The purchase or sale of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the address of the applicant. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under this section, the director of revenue shall notify the transit authority to which delinquent taxes are due under this section by United States registered mail or certified mail at least ten days before turning the case over to the attorney general. The transit authority, acting through its attorney, may join in such suit as a party plaintiff to seek a judgment for the delinquent taxes and penalty due such transit authority. In the event any person fails or refuses to pay the amount of any sales tax due under this section, the director of revenue shall promptly notify the transit authority to which the tax would be due so that appropriate action may be taken by the transit authority.

[14.] **13.** Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by this section, the director of revenue shall permit the transit authority to join in any sale of property to pay the delinquent taxes and penalties due the state and to the transit authority under this section. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such transit authority under this section.

[15.] The transit authority created under the provisions of sections 238.400 to 238.412 shall notify any and all affected businesses of the change in tax rate caused by the imposition of the tax authorized by sections 238.400 to 238.412.

16.] **14.** In the event that any transit authority in any county with a charter form of government and with more than two hundred fifty thousand but fewer than three hundred fifty thousand inhabitants submits a proposal in any election to increase the sales tax under this section, and such proposal is approved by the voters, the county shall be reimbursed for the costs of submitting such proposal from the funds derived from the tax levied under this section.

- (a) Restricting variances between the state and local tax bases;

If the amount by which that portion of the credit allowed by this section exceeds the investor's tax liability in any one taxable year, beginning in the calendar year 2013, the remaining portion of the credit may be carried forward five years or until the total amount of the credit is used, whichever occurs first. If the investor is a permitted entity investor, the credit provided by this section shall be claimed by the owners of the permitted entity investor in proportion to their equity investment in the permitted entity investor.

(2) A cash investment in a qualified security shall be deemed to have been made on the date of acquisition of the qualified security, as such date is determined in accordance with the provisions of the Internal Revenue Code of 1986, as amended.

(3) The SBTDC shall not allow tax credits of more than fifty thousand dollars for a single qualified Missouri business per investor who is a natural person or permitted entity investor or a total of two hundred fifty thousand dollars in tax credits for a single year per investor who is a natural person or owner of a permitted entity investor. No tax credits authorized by this section and section 348.274 shall be allowed for any cash investments in qualified securities for any year beginning after December 31, 2023. The total amount of tax credits allowed under this section shall not exceed six million dollars.

(4) The tax credits shall be administered by the regional SBTDCs. At the beginning of each calendar year, the coordinator shall equally designate the tax credits available during that year to each regional SBTDC. At the beginning of each calendar quarter, the coordinator shall allocate to each regional SBTDC one-fourth of the total tax credits designated to such regional SBTDC for the calendar year such that the regional SBTDC can allocate tax credits among the qualified Missouri businesses. The coordinator shall then issue tax credits to qualified investors for cash investments in such qualified Missouri businesses during that calendar quarter.

(5) At the end of each calendar quarter, each regional SBTDC shall report to the coordinator any unallocated tax credits for the preceding quarter. Such report shall meet the requirements set forth in section 348.274. The coordinator shall aggregate all such tax credits and reallocate them equally among the regional SBTDCs as soon as possible during the next consecutive calendar quarter. Each regional SBTDC shall receive such reallocation in addition to the new allocation of designated tax credits for such quarter.

(6) During the fourth calendar quarter, a regional SBTDC in need of additional tax credits for transactions closing in the fourth calendar quarter may request that another regional SBTDC with unallocated tax credits permit such unallocated tax credits to be allocated by the requesting SBTDC. No regional SBTDC shall be required to grant such request. When a granting SBTDC transfers the allocation of the unallocated tax credits to a requesting SBTDC under this subdivision, the granting SBTDC shall provide to the requesting SBTDC a written confirmation authorizing such transfer, the granting SBTDC shall include a copy of such written confirmation in its reports provided under section 348.274, and the requesting SBTDC shall include a copy of such written confirmation in its reports provided under section 348.274.

5. (1) Before an investor may be entitled to receive tax credits under this section and section 348.274, such investor shall have made a cash investment in a qualified security of a qualified Missouri business. The business shall have been approved by a regional SBTDC as a qualified Missouri business before the date on which the cash investment was made. To be designated as a qualified Missouri business, a business shall apply to a regional SBTDC in accordance with the provisions of this section.

(2) The application by a business to a regional SBTDC shall be in the form and substance as required by the coordinator, but shall include at least the following:

(a) The name of the business and certified copies of the organizational documents of the business;

(b) A business plan, including a description of the business and the management, product, market, and financial plan of the business;

(d) A description of the qualified securities to be issued, the consideration to be paid for the qualified securities, and the amount of any tax credits requested;

(e) A statement of the amount, timing, and projected use of the proceeds to be raised from the proposed sale of qualified securities; and

(f) Such other information as the regional SBTDC or the coordinator may reasonably request.

(3) The designation of a business as a qualified Missouri business shall be made by the regional SBTDC, and such designation shall be renewed annually. A business shall be so designated if the regional SBTDC determines, based upon the application submitted by the business and any additional investigation the regional SBTDC shall undertake, that such business meets the criteria established by the coordinator. Such criteria shall include at least the following:

(a) The business shall not have had annual gross revenues of more than five million dollars in the most recent tax year of the business;

(b) Businesses that are not bioscience businesses shall have been in operation for less than five years, and bioscience businesses shall have been in operation for less than ten years;

(c) The ability of investors in the business to receive tax credits for cash investments in qualified securities of the business is beneficial, because funding otherwise available for the business is not available on commercially reasonable terms;

(d) The business shall not have ownership interests including, but not limited to, common or preferred shares of stock that can be traded via a public stock exchange before the date that a qualifying investment is made;

(e) The business shall not be engaged primarily in any one or more of the following enterprises:

a. The business of banking, savings and loan or lending institutions, credit or finance, or financial brokerage or investments;

b. The provision of professional services, such as legal, accounting, or engineering services;

c. Governmental, charitable, religious, or trade organizations;

d. The ownership, development brokerage, sales, or leasing of real estate;

e. Insurance;

f. Construction or construction management or contracting;

g. Business consulting or brokerage;

h. Any business engaged primarily as a passive business, having irregular or noncontiguous operations, or deriving substantially all of the income of the business from passive investments that generate interest, dividends, royalties, or capital gains, or any business arrangements the effect of which is to immunize an investor from risk of loss;

i. Any activity that is in violation of the law;

j. Any business raising money primarily to purchase real estate, land, or fixtures; and

k. Any gambling-related business;

(f) The business has a reasonable chance of success;

(g) The business has the reasonable potential to create measurable employment within the region, this state, or both;

(h) The business has an innovative and proprietary technology, product, or service;

(i) The existing owners of the business and other founders have made or are committed to making a substantial financial and time commitment to the business;

(j) The securities to be issued and purchased are qualified securities;

(k) The business has the reasonable potential to address the needs and opportunities specific to the region, this state, or both;

(l) The business has made binding commitments to the regional SBTDC for adequate reporting of financial data, including a requirement for an annual report, or, if required by the regional SBTDC, an annual audit of the financial and operational records of the business, the right of access to the financial records of the business, and the right of the regional SBTDC to record and publish normal and customary data and information related to the issuance of tax credits that are not otherwise determined to be trade or business secrets; and

(m) The business shall satisfy all other requirements of this section and section 348.274;

(n) This section and all referenced sections herein are subject to the provisions of section 196.1127.

(4) Notwithstanding the requirements of subdivision (3) of this subsection, a business may be considered as a qualified Missouri business under the provisions of this section and section 348.274 if such business falls within a standard industrial classification code established by the coordinator.

(5) A qualified Missouri business shall have the burden of proof to demonstrate to the regional SBTDC the qualifications of the business under this section.

348.274. 1. (1) Each regional SBTDC is authorized to allocate tax credits to qualified Missouri businesses. The coordinator is authorized to issue tax credits to qualified investors in such qualified Missouri businesses. Such tax credits shall be allocated to those qualified Missouri businesses which, as determined by the regional SBTDC, are most likely to provide the greatest economic benefit to the region or the state, or both. The regional SBTDC may allocate, and the coordinator may issue, whole or partial tax credits based on the regional SBTDC's assessment of the qualified Missouri businesses. The regional SBTDC may consider numerous factors in such assessment including, but not limited to, the quality and experience of the management team, the size of the estimated market opportunity, the risk from current or future competition, the ability to defend intellectual property, the quality and utility of the business model, and the quality and reasonableness of financial projections for the business.

(2) Each qualified Missouri business for which a regional SBTDC has allocated tax credits such that the coordinator can issue tax credits to the qualified investors of such qualified Missouri business shall submit to the regional SBTDC a report before such tax credits are issued. The regional SBTDC shall provide copies of this report to the coordinator. Such report shall include the following:

(a) The name, address, and taxpayer identification number of each investor who has made cash investment in the qualified securities of the qualified Missouri business;

(b) Proof of such investment, including copies of the securities' purchase agreements and cancelled checks or wire transfer receipts; and

(c) Any additional information as the regional SBTDC may reasonably require under this section and section 348.273.

2. (1) The state of Missouri shall not be held liable for any damages to any investor that makes an investment in any qualified security of a qualified Missouri business, any business that applies to be designated as a qualified Missouri business and is turned down, or any investor that makes an investment in a business that applies to be designated as a qualified Missouri business and is turned down.

(2) Each qualified Missouri business shall have the obligation to notify the regional SBTDC that allocated the tax credits to the qualified Missouri business and the coordinator in a timely manner of any changes in the qualifications of the business or in the eligibility of investors to claim a tax credit for cash investment in a qualified security.

(3) The coordinator shall provide the information specified in subdivision (3) of subsection 4 of this section to the department of revenue on an annual basis. The coordinator shall conduct an annual review of the activities undertaken under this section and section 348.273 to ensure that tax credits issued under this section and section 348.273 are issued in compliance with the provisions of this section and section 348.273 or rules and regulations promulgated by each regional SBTDC or the coordinator with respect to this section and section 348.273. The reasonable costs of the annual review shall be paid by the coordinator according to a reasonable fee schedule adopted by the coordinator.

(4) If the coordinator determines that a business is not in substantial compliance with the requirements of this section and section 348.273 to maintain its designation, the coordinator, by written notice, may inform the business that such business will lose its designation as a qualified Missouri business one hundred twenty days from the date of mailing of the notice unless such business corrects the deficiencies and is once again in compliance with the requirements for designation.

(5) At the end of the one hundred twenty days period, if the qualified Missouri business is still not in substantial compliance, the coordinator may send a notice of loss of designation to the business, each regional SBTDC, the director of the department of revenue, and to all known investors in the business.

(6) A business may lose its designation as a qualified Missouri business under this section and section 348.273 by moving its operations outside Missouri within ten years after receiving financial assistance under this section and section 348.273.

(7) In the event that a business loses its designation as a qualified Missouri business, such business shall be precluded from being issued any additional tax credits with respect to the business, shall be precluded from being approved as a qualified Missouri business, and shall repay any financial assistance to the regional SBTDC, in an amount to be determined by the regional SBTDC. Each qualified Missouri business that loses its designation

as a qualified Missouri business shall enter into a repayment agreement, with the regional SBTDC specifying the terms of such repayment obligation.

(8) Investors in a qualified Missouri business shall be entitled to keep all of the tax credits properly issued to such investors under this section and section 348.273.

(9) The portions of documents and other materials submitted to any regional SBTDC or the coordinator that contain trade secrets shall be kept confidential and shall be maintained in a secured environment by the regional SBTDC and the coordinator, as applicable. For the purposes of this section and section 348.273, such portions of trade secrets, documents, and other materials means any customer lists; any formula, compound, production data, or compilation of information that will allow certain individuals within a commercial concern using such portions of documents and other material the means to fabricate, produce, or compound an article of trade; or any service having commercial value which gives the user an opportunity to obtain a business advantage over competitors who do not know or use such service.

(10) Each regional SBTDC and the coordinator may prepare and adopt procedures concerning the performance of the duties placed upon each respective entity by this section and section 348.273.

3. Any qualified investor who makes a cash investment in a qualified security of a qualified Missouri business may transfer the tax credits such qualified investor may receive under subsection 4 of section 348.273 to any natural person. Such transferee may claim the tax credit against the transferee's Missouri income tax liability as provided in subdivision (1) of subsection 4 of section 348.273, subject to all restrictions and limitations set forth in this section and section 348.273. Only the full credit for any one investment shall be transferred and this interest shall only be transferred one time. Documentation of any tax credit transfer under this section shall be provided by the qualified investor in the manner required by the coordinator.

4. (1) Each qualified Missouri business for which tax credits have been issued under this section and section 348.273 shall report to the applicable regional SBTDC on an annual basis, on or before February first. The regional SBTDC shall provide copies of the reports to the coordinator. Such reports shall include the following:

(a) The name, address, and taxpayer identification number of each investor who has made a cash investment in the qualified securities of the qualified Missouri business and has received tax credits for this investment during the preceding year;

(b) The amounts of these cash investments by each investor and a description of the qualified securities issued in consideration of such cash investments; and

(c) Any additional information as the regional SBTDC or the coordinator may reasonably require under this section and section 348.273.

(2) Each regional SBTDC shall report quarterly to the coordinator on the allocation of the tax credits in the preceding calendar quarter. Such reports shall include:

(a) The amount of applications the regional SBTDC received;

(b) The number and ratio of successful applications to unsuccessful applications;

(c) The amount of tax credits allocated but not issued in the previous quarter, including the percentage that was allocated to individuals and the percentage that was allocated to investment firms;

(d) The amount of tax credits issued in the previous quarter, including the percentage that was issued to individuals and the percentage that was issued to investment firms;

(e) The amount of unallocated tax credits; and

(f) Such other information as reasonably agreed upon by each regional SBTDC and the coordinator.

(3) Each regional SBTDC and the coordinator, as applicable, shall also report annually to the governor; the director of the department of economic development; the senate committee on commerce, consumer protection, energy and the environment; the house committee on economic development; and any successor committees thereto, and to the coordinator, on or before April first, on the allocation and issuance of the tax credits. Such reports shall include:

(a) The amount of tax credits issued in the previous fiscal year, including what percentage was issued to individuals and what percentage was issued to investment firms;

(b) The types of businesses that benefitted from the tax credits;

(c) The amount of allocated but unissued tax credits and the information about the unissued tax credits set forth in subdivision (2) of this subsection;

(d) Any aggregate job creation or capital investment in the region that resulted from the use of the tax credits for a period of five years beginning from the date on which the tax credits were awarded;

(e) The manner in which the purpose of this section and section 348.273 has been carried out with regard to the region;

(f) The total cash investments made for the purchase of qualified securities of qualified Missouri businesses within the region during the preceding year and cumulatively since the effective date of this section and section 348.273;

(g) An estimate of jobs created and jobs preserved by cash investments made in qualified Missouri businesses within the region;

(h) An estimate of the multiplier effect on the economy of the region of the cash investments made under this section and section 348.273;

(i) Information regarding which businesses derived benefit from the tax credits remained in the region, which businesses ceased business, which businesses were purchased, and which businesses may have moved out of the region or state and why.

(4) Any violation of the reporting requirements of this subsection by a qualified Missouri business may be grounds for the loss of designation of such qualified Missouri business, and any business that loses its designation as a qualified Missouri business shall be subject to the restrictions upon loss of designation set forth in subsection 2 of this section.

5. Sections 348.273 and 348.274 shall expire on December 31, 2023."; and

Further amend said bill, Page 130, Section 577.041, Line 138, by inserting after all of said line the following:

"620.2700. 1. Beginning in fiscal year 2014, for four consecutive fiscal years, the state shall pay the sum of eight million dollars per year to the Missouri department of economic development (DED) for the sole purpose of paying such funds to no more than five Early Stage Business Development Corporations (ESBDCs), which are Missouri not-for-profit corporations designated by DED under this section, in amounts as follows:

(1) Two million dollars for each fiscal year to one ESBDC operating in each of the three largest metropolitan statistical areas (MSAs) in the state if designated by DED as an ESBDC.

(2) One million dollars for each fiscal year to two ESBDCs operating in either rural areas of Missouri or in MSAs other than the three largest MSAs in the state if designated by DED as an ESBDC.

2. An ESBDC is a Missouri not-for-profit corporation designated by DED as a recipient of funds under this section that provides grants to winners of a national or international competition for early stage businesses with substantial operations in Missouri or that begin operating in Missouri and have potential national or international sales, or potential development of new technologies. To be eligible for designation under this section, the Missouri not-for-profit corporation must provide grants to early stage for-profit companies without taking an equity interest in the for-profit companies. The grants shall not be in the form of loans, except in the case of Missouri not-for-profit companies operating in rural areas or in MSAs other than the three largest MSAs in the state. Grants provided by an ESBDC to for-profit early stage companies must not exceed two hundred thousand dollars per company. Notwithstanding anything else herein to the contrary, ESBDCs designated by the DED which operate in rural areas or in MSAs other than the three largest in the state may, in addition to other purposes, provide grants to early stage companies for marketing agricultural products, conducting agricultural research or providing services to improve crop or livestock production.

3. In order to be eligible for designation by DED under this section, a Missouri not-for-profit corporation operating in one of the three largest MSAs must have raised at least two million dollars to be used for grants as set forth in subsection 2 of this section from sources other than the state at any point before applying. Failure to raise this required sum makes a Missouri not-for-profit corporation ineligible for DED designation under this section. Once such sum is raised, there shall be no further requirement to raise additional funds in order to be designated or continue to be designated by DED under this section.

4. In order to be eligible for designation by DED under this section, a Missouri not-for-profit corporation operating in rural areas or in MSAs other than the three largest in the state must have raised at least the sum of one hundred fifty thousand dollars to be used for grants as set forth in subsection 2 of this section in funds at any point before applying. Failure to raise this required sum makes a Missouri not-for-profit corporation ineligible for DED designation under this section. For such a Missouri not-for-profit corporation operating in rural areas or in MSAs outside the three largest in Missouri, once such sum is raised, there shall be no further requirement to raise additional funds in order to be designated or continue to be designated by DED under this section.

5. Each Missouri not-for-profit corporation seeking to be designated by the DED under this section as an ESBDC must apply for such designation by no later than October fifteenth of the fiscal year for which funds are sought or it shall not be designated. The DED shall make a decision regarding whether or not to approve such application for designation within sixty days of the date of application and can extend the time for decision a maximum of an additional thirty days. Designation by DED shall not be unreasonably withheld or delayed.

6. Designation by DED under this section of an ESBDC shall be for a period of two consecutive years of funding.

(1) No more than one Missouri not-for-profit corporation, if any, shall be designated by DED as an ESBDC in an MSA which is one of the three largest in Missouri, and no other ESBDC shall be designated by DED for that MSA for such two-year period.

(2) No more than two Missouri not-for-profit corporations, if any, shall be designated by DED as an ESBDC in rural areas or in MSAs other than the three largest in the state and if two in such areas are designated by DED, no other ESBDC shall be designated by DED from rural areas or from MSAs other than the three largest in the state during that period.

7. If, in any year, no Missouri not-for-profit corporation is designated under this section by the DED as an ESBDC for one of the three largest MSAs in a year, the two million dollars in funds for that year, which otherwise would have gone to an ESBDC in such area, shall be paid by DED to the ESBDCs designated in the remaining two largest MSAs in equal amounts. In the event that, for any year in which there is no designation by DED of an ESBDC in two of the largest MSAs, the two million dollars in funds for that year for each such MSA shall be paid by DED to the ESBDC which has been designated by DED in the remaining MSA, which is one of the three largest in the state. In the event no Missouri not-for-profit corporation is designated for any year in any of the three largest MSAs, the funds, which otherwise would have gone to ESBDCs in such MSAs, shall be paid by DED to the ESBDCs operating in rural areas or in an MSA outside the three largest in the state.

8. In the event only one ESBDC is designated by the DED operating in rural areas or in a MSA other than the three largest MSAs, the one million dollars otherwise payable to a second ESBDC in such areas shall be paid by DED to the designated ESBDC operating in rural areas or in an MSA other than the three largest. In the event no ESBDC is designated by the DED in rural areas or in an MSA other than the three largest, the two million dollars for such ESBDCs in such areas shall be paid by DED to those ESBDCs that have been designated, in one or more of the three largest MSAs, in equal amounts.

9. Missouri not-for-profit corporations meeting the requirements of this section, including those previously designated under this section by the DED, may apply for designation for an additional two-year period following the first two-year period. The same standards for designation and requirements for ESBDCs and timing of applications and DED designations set forth in this section shall apply to the second two-year period.

10. The DED shall evaluate the following criteria in determining whether to designate a Missouri not-for-profit corporation under this section:

- (1) Potential growth of jobs in Missouri;
- (2) Development of Missouri early stage businesses which can lead to national or international sales;
- (3) Level of business support services provided to grant recipients by the community in which the applicant operates; and
- (4) Level of funds raised from sources other than the state.

11. In the event multiple applications are submitted to DED by Missouri not-for-profit corporations for designation under this section for the same area, and, if such Missouri not-for-profit corporations comply with the requirements set forth in this section, then the DED shall designate as the ESBDC for that area the Missouri not-for-profit applicant that has a history of having raised the largest total of funds, other than from the state, as of the date of the application.

12. DED shall be required to pay the sum as required by this section to those ESBDCs as set forth in this section and shall have no discretion to withhold all or any portion of the payments received by DED under this section to such ESBDCs.

13. Funds provided by this section may be used by the ESBDC for administrative expenses, grants, operations, and building a long-term endowment for grants.

14. Funding under this section shall end unless renewed, after the sum of thirty-two million dollars has been paid to DED for payment to ESBDCs under this section. In the event that eight million dollars in funding is paid to DED for payment to ESBDCs under this section in four consecutive years, then no further funding under this section shall be approved without this section being renewed."; and

"620.2450. 1. There is hereby established the "Missouri Jobs for Education Program". The program is established for the purpose of providing credit toward tuition to award Missouri and out-of-state business owners and companies responsible for the creation of new jobs in the state. Credit toward tuition awarded under this section entitles the credit holder to credit towards tuition at any approved public institution of higher education in the state as defined in section 173.1102.

2. Under the Missouri jobs for education program, business owners and companies may apply for credit toward tuition redeemable for study at public institutions of higher education in the state. A qualifying business owner or company shall receive credits, equal to the amount of the withholding taxes withheld, toward tuition for every qualifying job created. In order to qualify for credit toward tuition under this section, the new job shall:

(1) Pay wages that meet or exceed the county average wage;

(2) Be maintained for at least one year before the claimant is eligible to receive the credit toward tuition;

and

(3) Be a full-time position, including at a minimum two thousand hours per year, with one hundred sixty hours per month for ten of the twelve calendar months.

In accordance with sections 30.170 and 30.180 the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely for the administration of this section. Funding for credit toward tuition shall be equal to the amount of the withholding tax withheld and begin on the day the new job is created. The department shall track employer contributions and ensure that the credit toward tuition granted does not exceed the amount that has been deposited by the employer. 6. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset four years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

3. **Subject to the limitations provided in subsection 7 of this section,** any applicant shall be entitled to a tax credit against the taxes imposed under chapters 143, 147, and 148, except for sections 143.191 to 143.265, in an amount equal to fifty percent of the acquisition costs, and one hundred percent of the interest costs incurred for a period of [five] **twelve** years after the acquisition of an eligible parcel. An applicant shall identify the boundaries of the eligible project area in the application. The department shall verify that the applicant has submitted a valid application in the form and format required by the department. The department shall verify that the municipal authority held the requisite hearings and gave the requisite notices for such hearings in accordance with the applicable economic incentive act, and municipal ordinances. On [an annual] **a quarterly** basis, an applicant may file for the tax credit for the acquisition costs, and for the tax credit for the interest costs, subject to the limitations of this section. If an applicant applying for the tax credit meets the criteria required under this section, the department shall issue a certificate in the appropriate amount. If an applicant receives a tax credit for maintenance costs as a part of the applicant's acquisition costs, the department shall post on its internet website the amount and type of maintenance costs and a description of the redevelopment project for which the applicant received a tax credit within thirty days after the department issues the certificate to the applicant.

7. The total aggregate amount of tax credits authorized under this section shall not exceed ninety-five million dollars. If the tax credits that are to be issued under this section exceed, in any year, the twenty million dollar limitation, the department shall either:

(1) Issue tax credits to the applicant in the amount of twenty million dollars, if there is only one applicant entitled to receive tax credits in that year; or

(2) Issue the tax credits on a pro rata basis to all applicants entitled to receive tax credits in that year **as provided in this subdivision. The department shall determine on an ongoing basis during the course of each calendar year the amount of tax credits that have been issued to each applicant for each eligible project area during such year, and the amount of tax credits remaining available for issuance with respect to such calendar year, if any.** Any amount of tax credits, which an applicant is, or applicants are, entitled to receive on an annual basis and are not issued due to the twenty million dollar limitation, shall be carried forward for the benefit of the applicant or applicants to subsequent years. No tax credits provided under this section shall be authorized after August 28, [2013] **2019**. Any tax credits which have been authorized on or before August 28, [2013] **2019**, but not issued, may be issued, subject to the limitations provided under this subsection, until all such authorized tax credits have been issued.

8. Upon issuance of any tax credits pursuant to this section, the department shall report to the municipal authority the applicant's name and address, the parcel numbers of the eligible parcels for which the tax credits were issued, the itemized acquisition costs and interest costs for which tax credits were issued, and the total value of the tax credits issued. The municipal authority and the state shall not consider the amount of the tax credits as an applicant's cost, but shall include [the] **issued** tax credits in any **subsequent** sources and uses and cost benefit analysis reviewed or created for the purpose of awarding other economic incentives. The amount of the tax credits shall not be considered an applicant's cost in the evaluation of the amount of any award of any other economic incentives, but shall be considered in measuring the reasonableness of the rate of return to the applicant with respect to such award of other economic incentives. The municipal authority shall provide the report to any relevant commission, board, or entity responsible for the evaluation and recommendation or approval of other economic incentives to assist in the redevelopment of the eligible project area. Tax credits authorized under this section shall constitute redevelopment tax credits, as such term is defined under section 135.800, and shall be subject to all provisions applicable to redevelopment tax credits provided under sections 135.800 to 135.830.

9. **Following its initial application for tax credits under this section for eligible costs incurred in 2013 or any following year, and during the period it continues to seek tax credits under this section, an applicant shall submit to the department on a quarterly basis at the end of each calendar quarter a report affirming such applicant's continued qualification as an applicant under this section, describing the applicant's progress toward meeting the deadlines for commencement of work and for project completion established under its redevelopment agreement with the applicable municipal authority, and including copies of any written notices from such municipal authority asserting or threatening a termination of such development agreement due to a breach or default in the performance of such applicant's obligations under such redevelopment agreement. The department shall review annually the eligibility of each applicant to receive tax credits under this section. The department shall not issue to an applicant any tax credits provided under this section after the date upon which the governing body of the municipality, or municipalities, or in the case of any city not within a county, the board of aldermen, makes a finding that the applicant has failed to comply with deadlines regarding project commencement or completion or other material provisions of its redevelopment agreement with an applicant, and in furtherance of such finding the governing body validly adopts an ordinance terminating its redevelopment agreement with the applicant, with the result that such applicant no longer satisfies the requirements of paragraph (b) of subdivision (2) of subsection 2 of this section. The governing body shall notify the department of the governing body's findings and shall deliver to the department a certified copy of the ordinance terminating such redevelopment agreement as soon as practicable.**

10. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 36.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void."; and

 - (i) Issuance of certificates, when applicable.

620.803. 1. The department shall establish a "Missouri Works Training Program" to assist qualified companies in the training of employees in new jobs and the retraining or upgrading of skills of full-time employees in retained jobs as provided in sections 620.800 to 620.809. The training program shall be funded through appropriations to the funds established under sections 620.806 and 620.809. The department shall, to the maximum extent practicable, prioritize funding under the training program to assist qualified companies in targeted industries.

2. There is hereby created the "Missouri Works Job Training Joint Legislative Oversight Committee". The committee shall consist of three members of the Missouri senate appointed by the president pro tem of the senate and three members of the house of representatives appointed by the speaker of the house. No more than two of the members of the senate and two of the members of the house of representatives shall be from the same political party. Members of the committee shall report to the governor, the president pro tem of the senate, and the speaker of the house of representatives on all assistance to industries under the provisions of sections 620.800 to 620.809 provided during the preceding fiscal year. The report of the committee shall be delivered no later than October first of each year. The director of the department shall report to the committee such information as the committee may deem necessary for its annual report. Members of the committee shall receive no compensation

in addition to their salary as members of the general assembly but may receive their necessary expenses while attending the meetings of the committee, to be paid out of the joint contingent fund.

3. The department shall publish guidelines and may promulgate rules and regulations governing the training program. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

4. The department shall make program applications and guidelines available online.

5. The department may contract with other entities for the purposes of carrying out the provisions of the training program established in sections 620.800 to 620.809. Any assistance through the training program shall be provided under an agreement.

6. Prior to the authorization of any application submitted through the training program, the department shall verify the applicant's tax payment status and offset any delinquencies as provided in section 135.815.

620.806. 1. The Missouri job development fund, formerly established in the state treasury by section 620.478, shall now be known as the "Missouri Works Job Development Fund" and shall be administered by the department for the training program. The fund shall consist of all moneys which may be appropriated to it by the general assembly and also any gifts, contributions, grants, or bequests received from federal, private or other sources, including, but not limited to, any block grant or other sources of funding relating to job training, school-to-work transition, welfare reform, vocational and technical training, housing, infrastructure, development, and human resource investment programs which may be provided by the federal government or other sources.

2. The department may provide financial assistance through the training program to qualified companies that create new jobs which will result in the need for training, or that make new capital investment relating directly to the retention of jobs in an amount at least five times greater than the amount of any financial assistance. Financial assistance may also be provided to a consortium of qualified companies organized to provide common training to the consortium members' employees. Funds in the Missouri works job development fund shall be appropriated, for financial assistance through the training program, by the general assembly to the department and shall be administered by a local educational agency certified by the department for such purpose. Except for state-sponsored preemployment training, no qualified company shall receive more than fifty percent of its training program costs from the Missouri works job development fund. No funds shall be awarded or reimbursed to any qualified company for the training, retraining, or upgrading of skills of potential employees with the purpose of replacing or supplanting employees engaged in an authorized work stoppage. Upon approval by the department, training project costs, except the purchase of training equipment and training facilities, shall be eligible for reimbursement with funds from the Missouri works job development fund. Notwithstanding any provision of law to the contrary, no qualified company within a service industry shall be eligible for assistance under this subsection unless such qualified company provides services in interstate commerce, which shall mean that the qualified company derives a majority of its annual revenues from out of the state.

3. The department may provide assistance, through appropriations made from the Missouri works job development fund, to business and technology centers. Such assistance shall not include the lending of the state's credit for the payment of any liability of the fund. Such centers may be established by Missouri community colleges, or state-owned postsecondary technical colleges, to provide business and training services for growth industries as determined by current labor market information.

620.809. 1. The Missouri community college job training program fund, formerly established in the state treasury by section 178.896, shall now be known as the "Missouri Works Community College New Jobs Training Fund" and shall be administered by the department for the training program. The department of revenue shall credit to the fund, as received, all new jobs credits. The fund shall also consist of any gifts, contributions, grants, or bequests received from federal, private, or other sources. The general assembly, however, shall not provide for any transfer of general revenue funds into the fund. Moneys in the fund shall be disbursed to the department under regular appropriations by the general assembly. The department shall disburse such appropriated funds in a timely manner into the special funds established by community college districts for training projects, which funds shall be used to pay training project costs. Such disbursements shall be made to the special fund for each training project in the same proportion as the new jobs credit remitted by the qualified company participating in such project bears to the total new jobs credit from withholding remitted by all qualified companies

participating in projects during the period for which the disbursement is made. All moneys remaining in the fund at the end of any fiscal year shall not lapse to the general revenue fund, as provided in section 33.080, but shall remain in the fund.

2. The Missouri community college job retention training program fund, formerly established in the state treasury by section 178.764, shall now be known as the "Missouri Works Community College Job Retention Training Fund" and shall be administered by the department for the Missouri works training program. The department of revenue shall credit to the fund, as received, all retained jobs credits. The fund shall also consist of any gifts, contributions, grants, or bequests received from federal, private, or other sources. The general assembly, however, shall not provide for any transfer of general revenue funds into the fund. Moneys in the fund shall be disbursed to the department under regular appropriations by the general assembly. The department shall disburse such appropriated funds in a timely manner into the special funds established by community college districts for projects, which funds shall be used to pay training program costs, including the principal, premium, and interest on certificates issued by the district to finance or refinance, in whole or in part, a project. Such disbursements by the department shall be made to the special fund for each project in the same proportion as the retained jobs credit from withholding remitted by the qualified company participating in such project bears to the total retained jobs credit from withholding remitted by qualified companies participating in projects during the period for which the disbursement is made. All moneys remaining in the fund at the end of any fiscal year shall not lapse to the general revenue fund, as provided in section 33.080, but shall remain in the fund.

3. The department of revenue shall develop such forms as are necessary to demonstrate accurately each qualified company's new jobs credit paid into the Missouri works community college new jobs training fund or retained jobs credit paid into the Missouri works community college job retention training fund. The new or retained jobs credits shall be accounted as separate from the normal withholding tax paid to the department of revenue by the qualified company. Reimbursements made by all qualified companies to the Missouri works community college new jobs training fund and the Missouri works community college job retention training fund shall be no less than all allocations made by the department to all community college districts for all projects. The qualified company shall remit the amount of the new or retained jobs credit, as applicable, to the department of revenue in the same manner as provided in sections 143.191 to 143.265.

4. A community college district, with the approval of the department in consultation with the office of administration, may enter into an agreement to establish a training project and provide training project services to a qualified company. As soon as possible after initial contact between a community college district and a potential qualified company regarding the possibility of entering into an agreement, the district shall inform the department of the potential training project. The department shall evaluate the proposed training project within the overall job training efforts of the state to ensure that the training project will not duplicate other job training programs. The department shall have fourteen days from receipt of a notice of intent to approve or disapprove a training project. If no response is received by the qualified company within fourteen days, the training project shall be deemed approved. Disapproval of any training project shall be made in writing and state the reasons for such disapproval. If an agreement is entered into, the district and the qualified company shall notify the department of revenue within fifteen calendar days. In addition to any provisions required under subsection 5 of this section for a qualified company applying to receive a retained job credit, an agreement may provide, but shall not be limited to:

(1) Payment of training project costs, which may be paid from one or a combination of the following sources:

(a) Funds appropriated by the general assembly to the Missouri works community college new jobs training program fund or Missouri works community college job retention training program fund, as applicable, and disbursed by the department for the purposes consistent with sections 620.800 to 620.809;

(b) Tuition, student fees, or special charges fixed by the board of trustees to defray training project costs in whole or in part;

(2) Payment of training project costs which shall not be deferred for a period longer than eight years;

(3) Costs of on-the-job training for employees which shall include wages or salaries of participating employees. Payments for on-the-job training shall not exceed the average of fifty percent of the total wages paid by the qualified company to each participant during the period of training. Payment for on-the-job training may continue for up to six months from the date the training begins;

(4) A provision which fixes the minimum amount of new or retained jobs credits, or tuition and fee payments which shall be paid for training project costs; and

(5) Any payment required to be made by a qualified company. This payment shall constitute a lien upon the qualified company's business property until paid, shall have equal priority with ordinary taxes and shall not

be divested by a judicial sale. Property subject to such lien may be sold for sums due and delinquent at a tax sale, with the same forfeitures, penalties, and consequences as for the nonpayment of ordinary taxes. The purchasers at tax sale shall obtain the property subject to the remaining payments.

5. Any qualified company that submits a notice of intent for retained job credits shall enter into an agreement, providing that the qualified company has:

(1) Maintained at least one hundred full-time employees per year at the project facility for the calendar year preceding the year in which the application is made;

(2) Retained, at the project facility, the same number of employees that existed in the taxable year immediately preceding the year in which application is made; and

(3) Made or agrees to make a new capital investment of greater than five times the amount of any award under this training program at the project facility over a period of two consecutive calendar years, as certified by the qualified company and:

(a) Has made substantial investment in new technology requiring the upgrading of employee skills; or

(b) Is located in a border county of the state and represents a potential risk of relocation from the state;

or

(c) Has been determined to represent a substantial risk of relocation from the state by the director of the department of economic development.

6. If an agreement provides that all or part of the training program costs are to be met by receipt of new or retained jobs credit, such new or retained jobs credit from withholding shall be determined and paid as follows:

(1) New or retained jobs credit shall be based upon the wages paid to the employees in the new or retained jobs;

(2) A portion of the total payments made by the qualified companies under sections 143.191 to 143.265 shall be designated as the new or retained jobs credit from withholding. Such portion shall be an amount equal to two and one-half percent of the gross wages paid by the qualified company for each of the first one hundred jobs included in the project and one and one-half percent of the gross wages paid by the qualified company for each of the remaining jobs included in the project. If business or employment conditions cause the amount of the new or retained jobs credit from withholding to be less than the amount projected in the agreement for any time period, then other withholding tax paid by the qualified company under sections 143.191 to 143.265 shall be credited to the applicable fund by the amount of such difference. The qualified company shall remit the amount of the new or retained jobs credit to the department of revenue in the manner prescribed in sections 143.191 to 143.265. When all training program costs have been paid, the new or retained jobs credits shall cease;

(3) The community college district participating in a project shall establish a special fund for and in the name of the training project. All funds appropriated by the general assembly from the funds established under subsections 1 and 2 of this section and disbursed by the department for the training project and other amounts received by the district for training project costs as required by the agreement shall be deposited in the special fund. Amounts held in the special fund shall be used and disbursed by the district only to pay training project costs for such training project. The special fund may be divided into such accounts and subaccounts as shall be provided in the agreement, and amounts held therein may be invested in the same manner as the district's other funds;

(4) Any disbursement for training project costs received from the department under sections 620.800 to 620.809 and deposited into the training project's special fund may be irrevocably pledged by a community college district for the payment of the principal, premium, and interest on the certificate issued by a community college district to finance or refinance, in whole or in part, such training project;

(5) The qualified company shall certify to the department of revenue that the new or retained jobs credit is in accordance with an agreement and shall provide other information the department of revenue may require;

(6) An employee participating in a training project shall receive full credit under section 143.211 for the amount designated as a new or retained jobs credit;

(7) If an agreement provides that all or part of training program costs are to be met by receipt of new or retained jobs credit, the provisions of this subsection shall also apply to any successor to the original qualified company until the principal and interest on the certificates have been paid.

7. To provide funds for the present payment of the training project costs of new or retained jobs training project through the training program, a community college district may borrow money and issue and sell certificates payable from a sufficient portion of the future receipts of payments authorized by the agreement including disbursements from the Missouri works community college new jobs training fund or the Missouri works community college job retention training fund, to the special fund established by the district for each

project. The total amount of outstanding certificates sold by all community college districts shall not exceed the total amount authorized under law as of January 1, 2013, unless an increased amount is authorized in writing by a majority of members of the committee. The certificates shall be marketed through financial institutions authorized to do business in Missouri. The receipts shall be pledged to the payment of principal of and interest on the certificates. Certificates may be sold at public sale or at private sale at par, premium, or discount of not less than ninety-five percent of the par value thereof, at the discretion of the board of trustees, and may bear interest at such rate or rates as the board of trustees shall determine, notwithstanding the provisions of section 108.170 to the contrary. However, the provisions of chapter 176 shall not apply to the issuance of such certificates. Certificates may be issued with respect to a single project or multiple projects and may contain terms or conditions as the board of trustees may provide by resolution authorizing the issuance of the certificates.

8. Certificates issued to refund other certificates may be sold at public sale or at private sale as provided in this section, with the proceeds from the sale to be used for the payment of the certificates being refunded. The refunding certificates may be exchanged in payment and discharge of the certificates being refunded, in installments at different times or an entire issue or series at one time. Refunding certificates may be sold or exchanged at any time on, before, or after the maturity of the outstanding certificates to be refunded. They may be issued for the purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a rate of interest that is higher, lower, or equivalent to that of the certificates being renewed or refunded.

9. Before certificates are issued, the board of trustees shall publish once a notice of its intention to issue the certificates, stating the amount, the purpose, and the project or projects for which the certificates are to be issued. A person with standing may, within fifteen days after the publication of the notice, by action in the circuit court of a county in the district, appeal the decision of the board of trustees to issue the certificates. The action of the board of trustees in determining to issue the certificates shall be final and conclusive unless the circuit court finds that the board of trustees has exceeded its legal authority. An action shall not be brought which questions the legality of the certificates, the power of the board of trustees to issue the certificates, the effectiveness of any proceedings relating to the authorization of the project, or the authorization and issuance of the certificates from and after fifteen days from the publication of the notice of intention to issue.

10. The board of trustees shall make a finding based on information supplied by the qualified company that revenues provided in the agreement are sufficient to secure the faithful performance of obligations in the agreement.

11. Certificates issued under this section shall not be deemed to be an indebtedness of the state, the community college district, or any other political subdivision of the state, and the principal and interest on any certificates shall be payable only from the sources provided in subdivision (1) of subsection 4 of this section which are pledged in the agreement.

12. The provisions of the new program authorized under sections 620.800 to 620.809 shall sunset automatically on July 1, 2019, unless reauthorized by an act of the general assembly.

620.1881. 1. The department of economic development shall respond within thirty days to a company who provides a notice of intent with either an approval or a rejection of the notice of intent. The department shall give preference to qualified companies and projects targeted at an area of the state which has recently been classified as a disaster area by the federal government. Failure to respond on behalf of the department of economic development shall result in the notice of intent being deemed an approval for the purposes of this section. A qualified company who is provided an approval for a project shall be allowed a benefit as provided in this program in the amount and duration provided in this section. A qualified company may receive additional periods for subsequent new jobs at the same facility after the full initial period if the minimum thresholds are met as set forth in sections 620.1875 to 620.1890. There is no limit on the number of periods a qualified company may participate in the program, as long as the minimum thresholds are achieved and the qualified company provides the department with the required reporting and is in proper compliance for this program or other state programs. A qualified company may elect to file a notice of intent to start a new project period concurrent with an existing project period if the minimum thresholds are achieved and the qualified company provides the department with the required reporting and is in proper compliance for this program and other state programs; however, the qualified company may not receive any further benefit under the original approval for jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent may not be included as new jobs for the purpose of benefit calculation in relation to the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (19) of section 620.1878 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, any qualified company that is awarded benefits under this program may not simultaneously receive tax credits or exemptions under sections 135.100 to 135.150, sections 135.200 to 135.286, section 135.535, or sections 135.900 to 135.906 at the same project facility. The benefits available to the company under any other state programs for which the company is eligible and which utilize withholding tax from the new jobs of the company must first be credited to the other state program before the withholding retention level applicable under the Missouri quality jobs act will begin to accrue. These other state programs include, but are not limited to, the [new] **Missouri works** jobs training program under sections [178.892 to 178.896] **620.800 to 620.809**, [the job retention program under sections 178.760 to 178.764,] the real property tax increment allocation redevelopment act, sections 99.800 to 99.865, or the Missouri downtown and rural economic stimulus act under sections 99.915 to 99.980. If any qualified company also participates in the [new] **Missouri works** jobs training program in sections [178.892 to 178.896] **620.800 to 620.809**, the company shall retain no withholding tax, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this subdivision. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in the new job training program shall be increased by an amount equivalent to the withholding tax retained by that company under the new jobs training program. However, if the combined benefits of the quality jobs program and the new jobs training program exceed the projected state benefit of the project, as determined by the department of economic development through a cost-benefit analysis, the increase in the maximum tax credits shall be limited to the amount that would not cause the combined benefits to exceed the projected state benefit. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

3. The types of projects and the amount of benefits to be provided are:

(1) Small and expanding business projects: in exchange for the consideration provided by the new tax revenues and other economic stimuli that will be generated by the new jobs created by the program, a qualified company may retain an amount equal to the withholding tax as calculated under subdivision (33) of section 620.1878 from the new jobs that would otherwise be withheld and remitted by the qualified company under the provisions of sections 143.191 to 143.265 for a period of three years from the date the required number of new jobs were created if the average wage of the new payroll equals or exceeds the county average wage or for a period of five years from the date the required number of new jobs were created if the average wage of the new payroll equals or exceeds one hundred twenty percent of the county average wage;

(2) Technology business projects: in exchange for the consideration provided by the new tax revenues and other economic stimuli that will be generated by the new jobs created by the program, a qualified company may retain an amount equal to a maximum of five percent of new payroll for a period of five years from the date the required number of jobs were created from the withholding tax of the new jobs that would otherwise be withheld and remitted by the qualified company under the provisions of sections 143.191 to 143.265 if the average wage of the new payroll equals or exceeds the county average wage. An additional one-half percent of new payroll may be added to the five percent maximum if the average wage of the new payroll in any year exceeds one hundred twenty percent of the county average wage in the county in which the project facility is located, plus an additional one-half percent of new payroll may be added if the average wage of the new payroll in any year exceeds one hundred forty percent of the average wage in the county in which the project facility is located. The department shall issue a refundable tax credit for any difference between the amount of benefit allowed under this subdivision and the amount of withholding tax retained by the company, in the event the withholding tax is not sufficient to provide the entire amount of benefit due to the qualified company under this subdivision;

(3) High impact projects: in exchange for the consideration provided by the new tax revenues and other economic stimuli that will be generated by the new jobs created by the program, a qualified company may retain an amount from the withholding tax of the new jobs that would otherwise be withheld and remitted by the qualified company under the provisions of sections 143.191 to 143.265, equal to three percent of new payroll for a period of five years from the date the required number of jobs were created if the average wage of the new payroll equals or exceeds the county average wage of the county in which the project facility is located. For high-impact projects in a facility located within two adjacent counties, the new payroll shall equal or exceed the higher county average wage of the adjacent counties. The percentage of payroll allowed under this subdivision shall be three and one-half percent of new payroll if the average wage of the new payroll in any year exceeds one hundred twenty percent of the county average wage in the county in which the project facility is located. The percentage of payroll allowed under this subdivision shall be four percent of new payroll if the average wage of the new payroll in any year exceeds one hundred forty percent of the county average wage in the county in which the project facility is located. An additional one percent of new payroll may be added to these percentages if local incentives equal between ten percent and twenty-four percent of the new

direct local revenue; an additional two percent of new payroll is added to these percentages if the local incentives equal between twenty-five percent and forty-nine percent of the new direct local revenue; or an additional three percent of payroll is added to these percentages if the local incentives equal fifty percent or more of the new direct local revenue. The department shall issue a refundable tax credit for any difference between the amount of benefit allowed under this subdivision and the amount of withholding tax retained by the company, in the event the withholding tax is not sufficient to provide the entire amount of benefit due to the qualified company under this subdivision;

(4) Job retention projects: a qualified company may receive a tax credit for the retention of jobs in this state, provided the qualified company and the project meets all of the following conditions:

(a) For each of the twenty-four months preceding the year in which application for the program is made the qualified company must have maintained at least one thousand full-time employees at the employer's site in the state at which the jobs are based, and the average wage of such employees must meet or exceed the county average wage;

(b) The qualified company retained at the project facility the level of full-time employees that existed in the taxable year immediately preceding the year in which application for the program is made;

(c) The qualified company is considered to have a significant statewide effect on the economy, and has been determined to represent a substantial risk of relocation from the state by the quality jobs advisory task force established in section 620.1887; provided, however, until such time as the initial at-large members of the quality jobs advisory task force are appointed, this determination shall be made by the director of the department of economic development;

(d) The qualified company in the project facility will cause to be invested a minimum of seventy million dollars in new investment prior to the end of two years or will cause to be invested a minimum of thirty million dollars in new investment prior to the end of two years and maintain an annual payroll of at least seventy million dollars during each of the years for which a credit is claimed; and

(e) The local taxing entities shall provide local incentives of at least fifty percent of the new direct local revenues created by the project over a ten-year period. The quality jobs advisory task force may recommend to the department of economic development that appropriate penalties be applied to the company for violating the agreement. The amount of the job retention credit granted may be equal to up to fifty percent of the amount of withholding tax generated by the full-time jobs at the project facility for a period of five years. The calendar year annual maximum amount of tax credit that may be issued to any qualified company for a job retention project or combination of job retention projects shall be seven hundred fifty thousand dollars per year, but the maximum amount may be increased up to one million dollars if such action is proposed by the department and approved by the quality jobs advisory task force established in section 620.1887; provided, however, until such time as the initial at-large members of the quality jobs advisory task force are appointed, this determination shall be made by the director of the department of economic development. In considering such a request, the task force shall rely on economic modeling and other information supplied by the department when requesting the increased limit on behalf of the job retention project. In no event shall the total amount of all tax credits issued for the entire job retention program under this subdivision exceed three million dollars annually. Notwithstanding the above, no tax credits shall be issued for job retention projects approved by the department after August 30, 2013;

(5) Small business job retention and flood survivor relief: a qualified company may receive a tax credit under sections 620.1875 to 620.1890 for the retention of jobs and flood survivor relief in this state for each job retained over a three-year period, provided that:

(a) The qualified company did not receive any state or federal benefits, incentives, or tax relief or abatement in locating its facility in a flood plain;

(b) The qualified company and related companies have fewer than one hundred employees at the time application for the program is made;

(c) The average wage of the qualified company's and related companies' employees must meet or exceed the county average wage;

(d) All of the qualified company's and related companies' facilities are located in this state;

(e) The facilities at the primary business site in this state have been directly damaged by floodwater rising above the level of a five hundred year flood at least two years, but fewer than eight years, prior to the time application is made;

(f) The qualified company made significant efforts to protect the facilities prior to any impending danger from rising floodwaters;

(g) For each year it receives tax credits under sections 620.1875 to 620.1890, the qualified company and related companies retained, at the company's facilities in this state, at least the level of full-time, year-round employees that existed in the taxable year immediately preceding the year in which application for the program is made; and

(h) In the years it receives tax credits under sections 620.1875 to 620.1890, the company cumulatively invests at least two million dollars in capital improvements in facilities and equipment located at such facilities that are not

located within a five hundred year flood plain as designated by the Federal Emergency Management Agency, and amended from time to time. The amount of the small business job retention and flood survivor relief credit granted may be equal to up to one hundred percent of the amount of withholding tax generated by the full-time jobs at the project facility for a period of three years. The calendar year annual maximum amount of tax credit that may be issued to any qualified company for a small business job retention and survivor relief project shall be two hundred fifty thousand dollars per year, but the maximum amount may be increased up to five hundred thousand dollars if such action is proposed by the department and approved by the quality jobs advisory task force established in section 620.1887. In considering such a request, the task force shall rely on economic modeling and other information supplied by the department when requesting an increase in the limit on behalf of the small business job retention and flood survivor relief project. In no event shall the total amount of all tax credits issued for the entire small business job retention and flood survivor relief program under this subdivision exceed five hundred thousand dollars annually. Notwithstanding the provisions of this subdivision to the contrary, no tax credits shall be issued for small business job retention and flood survivor relief projects approved by the department after August 30, 2010.

4. The qualified company shall provide an annual report of the number of jobs and such other information as may be required by the department to document the basis for the benefits of this program. The department may withhold the approval of any benefits until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or new payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the minimum number of new jobs and the average wage exceeds the county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the county average wage and the minimum number of new jobs. In such annual report, if the average wage is below the county average wage, the qualified company has not maintained the employee insurance as required, or if the number of new jobs is below the minimum, the qualified company shall not receive tax credits or retain the withholding tax for the balance of the benefit period. In the case of a qualified company that initially filed a notice of intent and received an approval from the department for high-impact benefits and the minimum number of new jobs in an annual report is below the minimum for high-impact projects, the company shall not receive tax credits for the balance of the benefit period but may continue to retain the withholding taxes if it otherwise meets the requirements of a small and expanding business under this program.

5. The maximum calendar year annual tax credits issued for the entire program shall not exceed eighty million dollars. Notwithstanding any provision of law to the contrary, the maximum annual tax credits authorized under section 135.535 are hereby reduced from ten million dollars to eight million dollars, with the balance of two million dollars transferred to this program. There shall be no limit on the amount of withholding taxes that may be retained by approved companies under this program.

6. The department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and the other factors in the determination of benefits of this program. However, the annual issuance of tax credits is subject to the annual verification of the actual new payroll. The allocation of tax credits for the period assigned to a project shall expire if, within two years from the date of commencement of operations, or approval if applicable, the minimum thresholds have not been achieved. The qualified company may retain authorized amounts from the withholding tax under this section once the minimum new jobs thresholds are met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the minimum new jobs thresholds. In the event the qualified company does not meet the minimum new job threshold, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

7. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

8. Tax credits may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward but shall be claimed within one year of the close of the taxable year for which they were issued, except as provided under subdivision (4) of subsection 3 of this section.

9. Tax credits authorized by this section may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department.

10. Prior to the issuance of tax credits, the department shall verify through the department of revenue, or any other state department, that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance

taxes. Such delinquency shall not affect the authorization of the application for such tax credits, except that at issuance credits shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue or the department of insurance, financial institutions and professional registration, or any other state department, concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

11. Except as provided under subdivision (4) of subsection 3 of this section, the director of revenue shall issue a refund to the qualified company to the extent that the amount of credits allowed in this section exceeds the amount of the qualified company's income tax.

12. An employee of a qualified company will receive full credit for the amount of tax withheld as provided in section 143.211.

13. If any provision of sections 620.1875 to 620.1890 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.1875 to 620.1890 are hereby declared severable.

The total amount of outstanding certificates sold by all community college districts shall not exceed fifteen million dollars, unless an increased amount is authorized in writing by a majority of members of the Missouri job training joint legislative oversight committee. Certificates issued to refund other certificates may be sold at public sale or at private sale as provided in this section with the proceeds from the sale to be used for the payment of the certificates being refunded. The refunding certificates may be exchanged in payment and discharge of the certificates being refunded, in installments at different times or an entire issue or series at one time. Refunding certificates may be sold or exchanged at any time on, before, or after the maturity of the outstanding certificates to be refunded. They may be issued for the purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a higher, lower, or equivalent rate of interest than the certificates being renewed or refunded.

3. Before certificates are issued, the board of trustees shall publish once a notice of its intention to issue the certificates, stating the amount, the purpose, and the project or projects for which the certificates are to be issued. A person may, within fifteen days after the publication of the notice,

by action in the circuit court of a county in the district, appeal the decision of the board of trustees to issue the certificates. The action of the board of trustees in determining to issue the certificates is final and conclusive unless the circuit court finds that the board of trustees has exceeded its legal authority. An action shall not be brought which questions the legality of the certificates, the power of the board of trustees to issue the certificates, the effectiveness of any proceedings relating to the authorization of the project, or the authorization and issuance of the certificates from and after fifteen days from the publication of the notice of intention to issue.

4. The board of trustees shall make a finding based on information supplied by the employer that revenues provided in the agreement are sufficient to secure the faithful performance of obligations in the agreement.

5. Certificates issued under this section shall not be deemed to be an indebtedness of the state or the community college district or of any other political subdivision of the state, and the principal and interest on such certificates shall be payable only from the sources provided in subdivision (1) of section 178.761 which are pledged in the agreement.

6. The department of economic development shall coordinate the retained jobs training program, and may promulgate rules that districts will use in developing projects with industrial retained jobs training proposals which shall include rules providing for the coordination of such proposals with the service delivery areas established in the state to administer federal funds pursuant to the federal Workforce Investment Act. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

7. No community college district may sell certificates as described in this section after July 1, 2014.]

[178.764. 1. There is hereby established within the state treasury a special fund, to be known as the "Missouri Community College Job Retention Training Program Fund", to be administered by the division of workforce development. The department of revenue shall credit to the community college job retention training program fund, as received, all retained jobs credit from withholding remitted by employers pursuant to section 178.762. The fund shall also consist of any gifts, contributions, grants, or bequests received from federal, private, or other sources. The general assembly, however, shall not provide for any transfer of general revenue funds into the community college job retention training program fund. Moneys in the Missouri community college job retention training program fund shall be disbursed to the division of workforce development pursuant to regular appropriations by the general assembly. The division shall disburse such appropriated funds in a timely manner into the special funds established by community college districts for projects, which funds shall be used to pay program costs, including the principal, premium, and interest on certificates issued by the district to finance or refinance, in whole or in part, a project. Such disbursements by the division of workforce development shall be made to the special fund for each project in the same proportion as the retained jobs credit from withholding remitted by the employer participating in such project bears to the total retained jobs credit from withholding remitted by all employers participating in projects during the period for which the disbursement is made. Moneys for retained jobs training programs established under sections 178.760 to 178.764 shall be obtained from appropriations made by the general assembly from the Missouri community college job retention training program fund. All moneys remaining in the Missouri community college job retention training program fund at the end of any fiscal year shall not lapse to the general revenue fund, as provided in section 33.080, but shall remain in the Missouri community college job retention training program fund.

2. The department of revenue shall develop such forms as are necessary to demonstrate accurately each employer's retained jobs credit from withholding paid into the Missouri community college job retention training program fund. The retained jobs credit from withholding shall be accounted as separate from the normal withholding tax paid to the department of revenue by the employer. Reimbursements made by all employers to the Missouri community college job retention training program fund shall be no less than all allocations made by the division of workforce development to all community college districts for all job retention projects. The employer shall remit the amount of the retained job credit to the department of revenue in the same manner as provided in sections 143.191 to 143.265.]

(10) "New job", a job in a new or expanding industry not including jobs of recalled workers, or replacement jobs or other jobs that formerly existed in the industry in the state. [178.893. A community college district, with the approval of the department of economic development in consultation with the office of administration, may enter into an agreement to establish a project and provide program services to an employer. As soon as possible after initial contact between a community college district and a potential employer regarding the possibility of entering into an agreement, the district shall inform the division of job development and training of the department of economic development and the office of administration about the potential project. The division of job development and training shall evaluate the proposed project within the overall job training efforts of the state to ensure that the project will not duplicate other job training programs. The department of economic development shall have fourteen days from receipt of the application to approve or disapprove projects. If no response is received by the community college within fourteen days the projects are approved. Any project that is disapproved must be in writing stating the reasons for the disapproval. If an agreement is entered into, the district and the employer shall notify the department of revenue within fifteen calendar days. An agreement may provide, but is not limited to:

(1) Payment of program costs, including deferred costs, which may be paid from one or a combination of the following sources:

(a) Funds appropriated by the general assembly from the Missouri community college job training program fund and disbursed by the division of job development and training in respect of new jobs credit from withholding to be received or derived from new employment resulting from the project;

(b) Tuition, student fees, or special charges fixed by the board of trustees to defray program costs in whole or in part;

(c) Guarantee of payments to be received under paragraph (a) or (b) of this subdivision;

(2) Payment of program costs shall not be deferred for a period longer than ten years if program costs do not exceed five hundred thousand dollars, or eight years if program costs exceed five hundred thousand dollars from the date of commencement of the project;

(3) Costs of on-the-job training for employees, shall include wages or salaries of participating employees. Payments for on-the-job training shall not exceed the average of fifty percent of the total percent of the total wages paid by the employer to each participant during the period of training.

Payment for on-the-job training may continue for up to six months after the placement of the participant in the new job;

(4) A provision which fixes the minimum amount of new jobs credit from withholding, or tuition and fee payments which shall be paid for program costs;

(5) Any payment required to be made by an employer is a lien upon the employer's business property until paid and has equal precedence with ordinary taxes and shall not be divested by a judicial sale. Property subject to the lien may be sold for sums due and delinquent at a tax sale, with the same forfeitures, penalties, and consequences as for the nonpayment of ordinary taxes. The purchasers at tax sale obtain the property subject to the remaining payments.].

[178.894. If an agreement provides that all or part of program costs are to be met by receipt of new jobs credit from withholding, such new jobs credit from withholding shall be determined and paid as follows:

(1) New jobs credit from withholding shall be based upon the wages paid to the employees in the new jobs;

(2) A portion of the total payments made by the employer pursuant to section 143.221 shall be designated as the new jobs credit from withholding. Such portion shall be an amount equal to two and one-half percent of the gross wages paid by the employer for each of the first one hundred jobs included in the project and one and one-half percent of the gross wages paid by the employer for each of the remaining jobs included in the project. If business or employment conditions cause the amount of the new jobs credit from withholding to be less than the amount projected in the agreement for any time period, then other withholding tax paid by the employer pursuant to section 143.221 shall be credited to the Missouri community college job training fund by the amount of such difference. The

employer shall remit the amount of the new jobs credit to the department of revenue in the manner prescribed in section 178.896. When all program costs, including the principal of, premium, if any, and interest on the certificates have been paid, the employer credits shall cease;

(3) The community college district participating in a project shall establish a special fund for and in the name of the project. All funds appropriated by the general assembly from the Missouri community college job training program fund and disbursed by the division of job development and training for the project and other amounts received by the district in respect of the project and required by the agreement to be used to pay program costs for the project shall be deposited in the special fund. Amounts held in the special fund may be used and disbursed by the district only to pay program costs for the project. The special fund may be divided into such accounts and subaccounts as shall be provided in the agreement, and amounts held therein may be invested in investments which are legal for the investment of the district's other funds;

(4) Any disbursement in respect of a project received from the division of job development and training under the provisions of sections 178.892 to 178.896 and the special fund into which it is paid may be irrevocably pledged by a community college district for the payment of the principal of, premium, if any, and interest on the certificate issued by a community college district to finance or refinance, in whole or in part, the project;

(5) The employer shall certify to the department of revenue that the credit from withholding is in accordance with an agreement and shall provide other information the department may require;

(6) An employee participating in a project will receive full credit for the amount designated as a new jobs credit from withholding and withheld as provided in section 143.221;

(7) If an agreement provides that all or part of program costs are to be met by receipt of new jobs credit from withholding, the provisions of this subsection shall also apply to any successor to the original employer until such time as the principal and interest on the certificates have been paid.]

[178.895. 1. To provide funds for the present payment of the costs of new jobs training programs, a community college district may borrow money and issue and sell certificates payable from a sufficient portion of the future receipts of payments authorized by the agreement including disbursements from the Missouri community college job training program to the special fund established by the district for each project. The total amount of outstanding certificates sold by all community college districts shall not exceed twenty million dollars, unless an increased amount is authorized in writing by a majority of members of the Missouri job training joint legislative oversight committee. The certificates shall be marketed through financial institutions authorized to do business in Missouri. The receipts shall be pledged to the payment of principal of and interest on the certificates. Certificates may be sold at public sale or at private sale at par, premium, or discount of not less than ninety-five percent of the par value thereof, at the discretion of the board of trustees, and may bear interest at such rate or rates as the board of trustees shall determine, notwithstanding the provisions of section 108.170 to the contrary. However, chapter 176 does not apply to the issuance of these certificates. Certificates may be issued with respect to a single project or multiple projects and may contain terms or conditions as the board of trustees may provide by resolution authorizing the issuance of the certificates.

2. Certificates issued to refund other certificates may be sold at public sale or at private sale as provided in this section with the proceeds from the sale to be used for the payment of the certificates being refunded. The refunding certificates may be exchanged in payment and discharge of the certificates being refunded, in installments at different times or an entire issue or series at one time. Refunding certificates may be sold or exchanged at any time on, before, or after the maturity of the outstanding certificates to be refunded. They may be issued for the purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a higher, lower, or equivalent rate of interest than the certificates being renewed or refunded.

3. Before certificates are issued, the board of trustees shall publish once a notice of its intention to issue the certificates, stating the amount, the purpose, and the project or projects for which the certificates are to be issued. A person may, within fifteen days after the publication of the notice, by action in the circuit court of a county in the district, appeal the decision of the board of trustees to issue the certificates. The action of the board of trustees in determining to issue the certificates is final and conclusive unless the circuit court finds that the board of trustees has exceeded its legal authority. An action shall not be brought which questions the legality of the certificates, the power of the board

of trustees to issue the certificates, the effectiveness of any proceedings relating to the authorization of the project, or the authorization and issuance of the certificates from and after fifteen days from the publication of the notice of intention to issue.

4. The board of trustees shall determine if revenues provided in the agreement are sufficient to secure the faithful performance of obligations in the agreement.

5. Certificates issued under this section shall not be deemed to be an indebtedness of the state or the community college district or of any other political subdivision of the state and the principal and interest on such certificates shall be payable only from the sources provided in subdivision (1) of section 178.893 which are pledged in the agreement.

6. The department of economic development shall coordinate the new jobs training program, and may promulgate rules that districts will use in developing projects with new and expanding industrial new jobs training proposals which shall include rules providing for the coordination of such proposals with the service delivery areas established in the state to administer federal funds pursuant to the federal Job Training Partnership Act. No rule or portion of a rule promulgated under the authority of sections 178.892 to 178.896 shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536. The provisions of this section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, including the ability to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void.

7. No community college district may sell certificates as described in this section after July 1, 2018.]

The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. The general assembly, however, shall not provide for any transfer of general revenue funds into the community college job training program fund. Moneys in the Missouri community college job training program fund shall be disbursed to the division of job development and training pursuant to regular appropriations by the general assembly. The division shall disburse such appropriated funds in a timely manner into the special funds established by community college districts for projects, which funds shall be used to pay program costs, including the principal of, premium, if any, and interest on certificates issued by the district to finance or refinance, in whole or in part, a project. Such disbursements by the division of job development and training shall be made to the special fund for each project in the same proportion as the new jobs credit from withholding remitted by the employer participating in such project bears to the total new jobs credit from withholding remitted by all employers participating in projects during the period for which the disbursement is made. Moneys for new jobs training programs established under the provisions of sections 178.892 to 178.896 shall be obtained from appropriations made by the general assembly from the Missouri community college job training program fund. All moneys remaining in the Missouri community college job training program fund at the end of any fiscal year shall not lapse to the general revenue fund, as provided in section 33.080, but shall remain in the Missouri community college job training program fund.

2. The department of revenue shall develop such forms as are necessary to demonstrate accurately each employer's new jobs credit from withholding paid into the Missouri community college job training program fund. The new jobs credit from withholding shall be accounted as separate from the normal withholding tax paid to the department of revenue by the employer. Reimbursements made by all employers to the Missouri community college job training program fund shall be no less than all allocations made by the division of job development and training to all community college districts for all projects. The employer shall remit the amount of the new job credit to the department of revenue in the same manner as provided in sections 143.191 to 143.265.

3. Sections 178.892 to 178.896 shall expire July 1, 2028.]

Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the

state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of Section 127 of Title 23 of the United States Code.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in subsections 9 and 10 of this section.

7. Notwithstanding any provision of this section to the contrary, the department of transportation shall issue a single-use special permit, or upon request of the owner of the truck or equipment, shall issue an annual permit, for the transporting of any concrete pump truck or well-drillers' equipment. The department of transportation shall set fees for the issuance of permits pursuant to this subsection. Notwithstanding the provisions of section 301.133, concrete pump trucks or well-drillers' equipment may be operated on state-maintained roads and highways at any time on any day.

8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than four hundred pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. Notwithstanding subsection 3 of this section or any other provision of law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling livestock may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on U.S. Highway 36 from St. Joseph to U.S. Highway 63, on U.S. Highway 65 from the Iowa state line to U.S. Highway 36, and on U.S. Highway 63 from the Iowa state line to U.S. Highway 36, and on U.S. Highway 63 from U.S. Highway 36 to Missouri Route 17. The provisions of this subsection shall not apply to vehicles operated on the Dwight D. Eisenhower System of Interstate and Defense Highways.

10. Notwithstanding any provision of this section or any other law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling milk from a farm to a processing facility may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

11. Notwithstanding any provision of this section or any other law to the contrary, the department of transportation shall issue emergency utility response permits for the transporting of utility wires or cables, poles, and equipment needed for repair work immediately following a disaster where utility service has been disrupted. Under exigent circumstances, verbal approval of such operation may be made either by the motor carrier compliance supervisor or other designated motor carrier services representative. Utility vehicles and equipment used to assist utility companies granted special permits under this subsection may be operated and transported on state-maintained roads and highways at any time on any day. The department of transportation shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Kelley (127), **House Amendment No. 36** was adopted.

Representative Gatschenberger offered **House Amendment No. 37**.

House Amendment No. 37

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 83, Section 67.2050, Page 22, Line 73, by inserting after all of said Line the following:

"71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term "contiguous and compact" does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term "contiguous and compact" does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and the Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a [verified] **notarized** petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term "common-interest community" shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A "common-interest community" shall be defined as real property with respect to which a person, by virtue of such person's ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. "Ownership of a unit" does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A "cooperative" shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation.

If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly

enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.

5. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

71.014. 1. Notwithstanding the provisions of section 71.015, the governing body of any city, town, or village which is located within a county which borders a county of the first classification with a charter form of government with a population in excess of six hundred fifty thousand, proceeding as otherwise authorized by law or charter, may annex unincorporated areas which are contiguous and compact to the existing corporate limits upon [verified] **notarized** petition requesting such annexation signed by the owners of all fee interests of record in all tracts located within the area to be annexed. **That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.**

2. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, **and** refuse collection[, etc.];

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required. If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012 or 71.014. The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court **not later than four years after the effective date of the annexation** by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area. **Except for a cause of action for deannexation under this subdivision (2) of this subsection, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of the adoption of the annexation ordinance.**"; and

- (5) All property, real and personal, actually and regularly used exclusively for religious worship, for schools and colleges, or for purposes purely charitable and not held for private or corporate profit, except that the exemption herein granted does not include real property not actually used or occupied for the purpose of the organization but held or used as investment even though the income or rentals received therefrom is used wholly for religious, educational or charitable purposes;

(6) Household goods, furniture, wearing apparel and articles of personal use and adornment, as defined by the state tax commission, owned and used by a person in his home or dwelling place;

(7) Motor vehicles leased for a period of at least one year to this state or to any city, county, or political subdivision or to any religious, educational, or charitable organization which has obtained an exemption from the payment of federal income taxes, provided the motor vehicles are used exclusively for religious, educational, or charitable purposes;

(8) Real or personal property leased or otherwise transferred by an interstate compact agency created pursuant to sections 70.370 to 70.430 or sections 238.010 to 238.100 to another for which or whom such property is not exempt when immediately after the lease or transfer, the interstate compact agency enters into a leaseback or other agreement that directly or indirectly gives such interstate compact agency a right to use, control, and possess the property; provided, however, that in the event of a conveyance of such property, the interstate compact agency must retain an option to purchase the property at a future date or, within the limitations period for reversioners, the property must revert back to the interstate compact agency. Property will no longer be exempt under this subdivision in the event of a conveyance as of the date, if any, when:

(a) The right of the interstate compact agency to use, control, and possess the property is terminated;

(b) The interstate compact agency no longer has an option to purchase or otherwise acquire the property; and

(c) There are no provisions for reversion of the property within the limitation period for reversioners;

(10) Solar energy systems not held for resale."; and

Further amend said bill, Page 13, Section 393.760, Line 26 of said page, by inserting after all of said line the following:

"393.1030. 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility's sales:

(1) No less than two percent for calendar years 2011 through 2013;

(2) No less than five percent for calendar years 2014 through 2017;

(3) No less than ten percent for calendar years 2018 through 2020; and

(4) No less than fifteen percent in each calendar year beginning in 2021.

At least two percent of each portfolio requirement shall be derived from solar energy. The portfolio requirements shall apply to all power sold to Missouri consumers whether such power is self-generated or purchased from another source in or outside of this state. A utility may comply with the standard in whole or in part by purchasing RECs. Each kilowatt-hour of eligible energy generated in Missouri shall count as 1.25 kilowatt-hours for purposes of compliance.

2. The commission, in consultation with the department and within one year of November 4, 2008, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with sections 393.1020 to 393.1030 and may not also be used to satisfy any similar nonfederal requirement. An electric utility may not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the renewable energy standard. Such rules shall include:

(1) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely nonrenewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation. **Notwithstanding the foregoing, until June 30, 2020, if the maximum average retail rate increase would be less than or equal to one percent if an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility is ignored for purposes of calculating the increase, then additional solar rebates shall be paid and included in rates in an amount up to the amount that would produce a retail rate increase equal to the difference between a one percent retail rate increase and the retail rate increase calculated when ignoring an electric utility's investment in solar-related projects initiated, owned, or operated by the electric utility. Notwithstanding any provision to the contrary in this section, even if the payment of additional solar rebates will produce a maximum average retail rate increase of greater than one percent when**

an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility are included in the calculation, the additional solar rebate costs shall be included in the prudently incurred costs to be recovered as contemplated by subdivision (4) of this subsection;

(2) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1 **of this section**. An electric utility will be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(3) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets;

(4) Provision for recovery outside the context of a regular rate case of prudently incurred costs and the pass-through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. As provided for in this section, except for those electrical corporations that qualify for an exemption under section 393.1050, each electric utility shall make available to its retail customers a [standard] solar rebate [offer of at least two dollars per installed watt] for new or expanded solar electric systems sited on customers' premises, up to a maximum of twenty-five kilowatts per system, measured in direct current that [become operational after 2009] were confirmed by the electric utility to have become operational in compliance with the provisions of section 386.890. The solar rebates shall be two dollars per watt for systems becoming operational on or before June 30, 2014; one dollar and fifty cents per watt for systems becoming operational between July 1, 2014, and June 30, 2015; one dollar per watt for systems becoming operational between July 1, 2015, and June 30, 2016; fifty cents per watt for systems becoming operational between July 1, 2016, and June 30, 2017; fifty cents per watt for systems becoming operational between July 1, 2017, and June 30, 2019; twenty-five cents per watt for systems becoming operational between July 1, 2019, and June 30, 2020; and zero cents per watt for systems becoming operational after June 30, 2020. An electric utility may, through its tariffs, require applications for rebates to be submitted up to one hundred eighty-two days prior to the June 30 operational date. Nothing in this section shall prevent an electrical corporation from offering rebates after July 1, 2020, through an approved tariff. If the electric utility determines the maximum average retail rate increase provided for in subdivision (1) of subsection 2 of this section will be reached in any calendar year, the electric utility shall be entitled to cease paying rebates to the extent necessary to avoid exceeding the maximum average retail rate increase if the electrical corporation files with the commission to suspend its rebate tariff for the remainder of that calendar year at least sixty days prior to the change taking effect. The filing with the commission to suspend the electrical corporation's rebate tariff shall include the calculation reflecting that the maximum average retail rate increase will be reached and supporting documentation reflecting that the maximum average retail rate increase will be reached. The commission shall rule on the suspension filing within sixty days of the date it is filed. If the commission determines that the maximum average retail rate increase will be reached the commission shall approve the tariff suspension. The electric utility shall continue to process and pay applicable solar rebates until a final commission ruling; however, if the continued payment causes the electric utility to pay rebates that cause it to exceed the maximum average retail rate increase, the expenditures shall be considered prudently incurred costs as contemplated by subdivision (4) of subsection 2 of this section and shall be recoverable as such by the electric utility. As a condition of receiving a rebate, customers shall transfer to the electric utility all right, title, and interest in and to the renewable energy credits associated with the new or expanded solar electric system that qualified the customer for the solar rebate for a period of ten years from the date the electric utility confirmed that the solar electric system was installed and operational.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable to renewable energy resources shall be used to fulfill the portfolio requirements.

5. In carrying out the provisions of this section, the commission and the department shall include methane generated from the anaerobic digestion of farm animal waste and thermal depolymerization or pyrolysis for converting waste material to energy as renewable energy resources for purposes of this section.

6. The commission shall have the authority to promulgate rules for the implementation of this section, but only to the extent such rules are consistent with, and do not delay the implementation of, the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

(b) A vehicle solely operated on rails;

(5) "Qualified alternative fuel vehicle refueling property", property in this state owned by an eligible applicant and used for storing alternative fuels and for dispensing such alternative fuels into fuel tanks of motor vehicles owned by such eligible applicant or private citizens which, if constructed after August 28, 2008, was constructed with at least fifty-one percent of the costs being paid to qualified Missouri contractors for the:

(a) Fabrication of premanufactured equipment or process piping used in the construction of such facility;

(b) Construction of such facility; and

(c) General maintenance of such facility during the time period in which such facility receives any tax credit under this section.

The credit allowed in this [section] **subsection** per eligible applicant shall not exceed the lesser of twenty thousand dollars or twenty percent of the total costs directly associated with the purchase and installation of any alternative fuel storage and dispensing equipment on any qualified alternative fuel vehicle refueling property, which shall not include the following:

(1) Costs associated with the purchase of land upon which to place a qualified alternative fuel vehicle refueling property;

- (2) Costs associated with the purchase of an existing qualified alternative fuel vehicle refueling property; or
- (3) Costs for the construction or purchase of any structure.

3. Tax credits allowed by this section shall be claimed by the eligible applicant at the time such applicant files a return for the tax year in which the storage and dispensing facilities were placed in service at a qualified alternative fuel vehicle refueling property, and shall be applied against the income tax liability imposed by chapter 143, chapter 147, or chapter 148 after all other credits provided by law have been applied. Any amount of credit that an eligible applicant is prohibited by this section from claiming in a taxable year may be carried forward to any of such applicant's two subsequent taxable years. Tax credits allowed under this section may be assigned, transferred, sold, or otherwise conveyed.

5. To the maximum extent possible, the director of revenue shall establish the procedure described in this subsection in such a manner as to ensure that eligible applicants can claim all the tax credits possible up to the cumulative amount of tax credits available for the taxable year. No eligible applicant claiming a tax credit under this section shall be liable for any interest or penalty for filing a tax return after the date fixed for filing such return as a result of the apportionment procedure under this subsection.

7. Any eligible applicant desiring to claim a tax credit under this section shall submit the appropriate application for such credit with the department. JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

SEVENTIETH DAY, THURSDAY, MAY 16, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

I will say of the Lord, He is my refuge and my fortress: my God; in Him will I trust. (Psalm 91:2)

O God of us all, at the beginning of this beautiful Missouri day, we draw near to You, humbly and reverently realizing our need of Your spirit and praying for guidance, strength, and wisdom at Your hands. The end of this session is so very near, so grant us patience. For this moment, may we enter the secret place of the Most High, and, continuing to do so, learn to dwell under the shadow of Your Almighty presence.

You are the source of all our being. You are the fountain of every noble aspiration. You are in everything that lifts and liberates our souls. Therefore we pray that You will lead us from the fantasy we find about us to the reality in our hearts. May our faith in You be real. May our love toward each other be real. May the spirit of good will forever be real within us. Grant us Your spiritual resources for this day, and may we ever be receptive to Your powerful inner voice, especially during tough moments and votes.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Trenton Bernskoetter, Julia Bernskoetter, Jackson Benbow and Owen Benbow .

The Journal of the sixty-ninth day was approved as printed.

"302.291. 1. The director, having good cause to believe that an operator is incompetent or unqualified to retain his or her license, after giving ten days' notice in writing by certified mail directed to such person's present known address, may require the person to submit to an examination as prescribed by the director. Upon conclusion of the examination, the director may allow the person to retain his or her license, may suspend, deny or revoke the person's license, or may issue the person a license subject to restrictions as provided in section 302.301. If an examination indicates a condition that potentially impairs safe driving, the director, in addition to action with respect to the license, may require the person to submit to further periodic examinations. The refusal or neglect of the person to submit to an examination within thirty days after the date of such notice shall be grounds for suspension, denial or revocation of the person's license by the director, an associate circuit or circuit court. Notice of any suspension, denial, revocation or other restriction shall be provided by certified mail. As used in this section, the term "denial" means the act of not licensing a person who is currently suspended, revoked or otherwise not licensed to operate a motor vehicle. Denial may also include the act of withdrawing a previously issued license.

2. The examination provided for in subsection 1 of this section may include, but is not limited to, a written test and tests of driving skills, vision, highway sign recognition and, if appropriate, a physical and/or mental examination as provided in section 302.173.

3. The director shall have good cause to believe that an operator is incompetent or unqualified to retain such person's license on the basis of, but not limited to, a report by:

(1) Any certified peace officer;

(2) Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334; any chiropractic physician licensed pursuant to chapter 331; any registered nurse licensed pursuant to chapter 335; any psychologist, social worker or professional counselor licensed pursuant to chapter 337; any optometrist licensed pursuant to chapter 336; **any emergency medical technician licensed pursuant to chapter 190**; or

(3) Any member of the operator's family within three degrees of consanguinity, or the operator's spouse, who has reached the age of eighteen, except that no person may report the same family member pursuant to this section more than one time during a twelve-month period. The report must state that the person reasonably and in good faith believes the driver cannot safely operate a motor vehicle and must be based upon personal observation or physical evidence which shall be described in the report, or the report shall be based upon an investigation by a law enforcement officer. The report shall be a written declaration in the form prescribed by the department of revenue and shall contain the name, address, telephone number, and signature of the person making the report.

4. Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334, any chiropractor licensed pursuant to chapter 331, any registered nurse licensed pursuant to chapter 335, any psychologist, social worker or professional counselor licensed pursuant to chapter 337, or any optometrist licensed pursuant to chapter 336, **or any emergency medical technician licensed pursuant to chapter 190** may report to the department any patient diagnosed or assessed as having a disorder or condition that may prevent such person from safely operating a motor vehicle. Such report shall state the diagnosis or assessment and whether the condition is permanent or temporary. The existence of a physician-patient relationship shall not prevent the making of a report by such medical professionals.

5. Any person who makes a report in good faith pursuant to this section shall be immune from any civil liability that otherwise might result from making the report. Notwithstanding the provisions of chapter 610 to the contrary, all reports made and all medical records reviewed and maintained by the department of revenue pursuant to this section shall be kept confidential except upon order of a court of competent jurisdiction or in a review of the director's action pursuant to section 302.311.

6. The department of revenue shall keep records and statistics of reports made and actions taken against driver's licenses pursuant to this section.

7. The department of revenue shall, in consultation with the medical advisory board established by section 302.292, develop a standardized form and provide guidelines for the reporting of cases and for the examination of drivers pursuant to this section. The guidelines shall be published and adopted as required for rules and regulations pursuant to chapter 536. The department of revenue shall also adopt rules and regulations as necessary to carry out the other provisions of this section. The director of revenue shall provide health care professionals and law enforcement officers with information about the procedures authorized in this section. The guidelines and regulations implementing this section shall be in compliance with the federal Americans with Disabilities Act of 1990.

8. Any person who knowingly violates a confidentiality provision of this section or who knowingly permits or encourages the unauthorized use of a report or reporting person's name in violation of this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

9. Any person who intentionally files a false report pursuant to this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

10. All appeals of license revocations, suspensions, denials and restrictions shall be made as required pursuant to section 302.311 within thirty days after the receipt of the notice of revocation, suspension, denial or restriction.

11. Any individual whose condition is temporary in nature as reported pursuant to the provisions of subsection 4 of this section shall have the right to petition the director of the department of revenue for total or partial reinstatement of his or her license. Such request shall be made on a form prescribed by the department of revenue and accompanied by a statement from a health care provider with the same or similar license as the health care provider who made the initial report resulting in the limitation or loss of the driver's license. Such petition shall be decided by the director of the department of revenue within thirty days of receipt of the petition. House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 24, Page 27, Section 137.095, Line 20, by inserting after all of said line the following:

"143.115. 1. As used in this section, the following terms mean:

(1) "Deduction", an amount subtracted from the taxpayer's Missouri adjusted gross income to determine Missouri taxable income for the tax year in which such deduction is claimed;

(2) "Made in America", manufactured or produced within the United States of America or, if premanufactured, having a fair market value at least seventy percent of which results from domestic labor and materials;

(3) "Storm shelter", an above-ground safe room or an in-ground shelter in this state in the taxpayer's primary residence or on the taxpayer's real property that protects from injury or death caused by dangerous and extreme windstorms, that is in compliance with the requirements established in the Federal Emergency Management Agency's Publication 320 or its successor publication in effect at the time the storm shelter was completed, and that is made in America;

(4) "Taxpayer", any individual who is a resident of this state and who is subject to the income tax imposed in this chapter.

2. In addition to all deductions listed in this chapter, for all taxable years beginning on or after January 1, 2014, a taxpayer shall be allowed a deduction for the costs incurred in constructing or installing a storm shelter. The deduction amount shall be equal to the lesser of the full amount of the costs incurred in constructing the storm shelter or two thousand five hundred dollars. No taxpayer shall claim a tax deduction more than once under this section, and no deduction shall be issued for more than one storm shelter constructed or installed by such taxpayer for the taxpayer's primary residence.

3. The aggregate amount of tax deductions which may be issued under this section in any one fiscal year shall not exceed two million dollars. If the amount of tax deductions claimed under this section exceeds two million dollars, the director of the department of revenue shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director, the cumulative amount of tax deductions are equally apportioned among all taxpayers allowed a tax deduction under this section. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax deductions possible up to the cumulative amount of tax deductions available for the fiscal year.

4. The department of revenue shall establish the procedure by which the deduction provided in this section may be claimed, and may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

5. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

The board of trustees of a hospital established under this chapter, with the concurrence of the council of the city of the third class, may, by resolution, abolish the property tax authorized by section 96.150 to fund the operations of a hospital in accordance with sections 96.150 to 96.228 and impose a sales tax on all retail sales made within the city which are subject to sales tax under chapter 144 and all sales of metered water services, electricity, electrical current and natural, artificial or propane gas, wood, coal, or home heating oil for domestic use only as provided under section 144.032. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the board of trustees of such a hospital submits to the voters residing within the city of the third class at a state general, primary, or special election a proposal to authorize the board of trustees to impose a tax under this section. If two-thirds of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If less than two-thirds of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by two-thirds of the qualified voters voting on the question. The question shall be submitted in the following form:

Shall the board of trustees of _____ (hospital, nursing home, or convalescent home, etc.) and the city council of _____ (name of city) abolish the property tax established to support such facility and replace the property tax with a city sales tax of _____ (insert rate of percent) for the purpose of equipping, operating, and maintaining such facility?

Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the board of trustees of the city hospital for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such board of trustees. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

The board of trustees of a hospital operated under sections 96.150 to 96.228 that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city of the third class. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

6. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the board of trustees shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city of the third class, the director shall remit the balance in the account to the district and close the account of that city hospital. The director shall notify each board of trustees of each instance of any amount refunded or any check redeemed from receipts due the hospital operated under sections 96.150 to 96.228.

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in

subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year

prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, [or] any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, **or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under section 650.399 for the purpose of emergency communication systems**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in

subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable, **except that if a political subdivision increases its rate of property taxation after the adoption of the redevelopment project said additional taxation revenues shall not be considered to be payment in lieu of taxes subject to capture under this section.** The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other

taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of

underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which

report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter."; and

"144.010. 1. The following words, terms, and phrases when used in sections 144.010 to 144.525 have the meanings ascribed to them in this section, except when the context indicates a different meaning:

(1) "Admission" includes seats and tables, reserved or otherwise, and other similar accommodations and charges made therefor and amount paid for admission, exclusive of any admission tax imposed by the federal government or by sections 144.010 to 144.525;

The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. The provisions of this subdivision shall not be construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

(5) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as defined in section 277.024, llamas, alpaca, buffalo, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, or rabbits raised in confinement for human consumption;

(6) "Motor vehicle leasing company" shall be a company obtaining a permit from the director of revenue to operate as a motor vehicle leasing company. (7) "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, municipal or private, and whether organized for profit or not, state, county, political subdivision, state department, commission, board, bureau or agency, except the state transportation department, estate, trust, business trust, receiver or trustee appointed by the state or federal court, syndicate, or any other group or combination acting as a unit, and the plural as well as the singular number;

(9) "Research or experimentation activities" are the development of an experimental or pilot model, plant process, formula, invention or similar property, and the improvement of existing property of such type. Research or experimentation activities do not include activities such as ordinary testing or inspection of materials or products for

quality control, efficiency surveys, advertising promotions or research in connection with literary, historical or similar projects;

(10) "Sale" or "sales" includes installment and credit sales, and the exchange of properties as well as the sale thereof for money, every closed transaction constituting a sale, and means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property for valuable consideration and the rendering, furnishing or selling for a valuable consideration any of the substances, things and services herein designated and defined as taxable under the terms of sections 144.010 to 144.525;

(11) "Sale at retail" means any transfer made by any person engaged in business as defined herein of the ownership of, or title to, tangible personal property to the purchaser, for use or consumption and not for resale in any form as tangible personal property, for a valuable consideration; except that, for the purposes of sections 144.010 to 144.525 and the tax imposed thereby: (i) purchases of tangible personal property made by duly licensed physicians, dentists, optometrists and veterinarians and used in the practice of their professions shall be deemed to be purchases for use or consumption and not for resale; and (ii) the selling of computer printouts, computer output or microfilm or microfiche and computer-assisted photo compositions to a purchaser to enable the purchaser to obtain for his or her own use the desired information contained in such computer printouts, computer output on microfilm or microfiche and computer-assisted photo compositions shall be considered as the sale of a service and not as the sale of tangible personal property. Where necessary to conform to the context of sections 144.010 to 144.525 and the tax imposed thereby, the term "sale at retail" shall be construed to embrace:

(a) Sales of admission tickets, cash admissions, charges and fees to or in places of amusement, entertainment and recreation, games and athletic events, **which shall only include dance, theater, orchestra and other performing arts productions, commercial sports, spectator sports, gambling, racetracks, arcades, theme and amusement parks, water parks, circuses, carnivals, festivals, air shows, museums, marinas, motion picture theaters, and other commercial tourist attractions;**

(12) "Seller" means a person selling or furnishing tangible personal property or rendering services, on the receipts from which a tax is imposed pursuant to section 144.020;

(13) The noun "tax" means either the tax payable by the purchaser of a commodity or service subject to tax, or the aggregate amount of taxes due from the vendor of such commodities or services during the period for which he or she is required to report his or her collections, as the context may require;

(14) "Telecommunications service", for the purpose of this chapter, the transmission of information by wire, radio, optical cable, coaxial cable, electronic impulses, or other similar means. As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include the following if such services are separately stated on the customer's bill or on records of the seller maintained in the ordinary course of business:

(a) Access to the internet, access to interactive computer services or electronic publishing services, except the amount paid for the telecommunications service used to provide such access;

(b) Answering services and one-way paging services;

For purposes of the taxes imposed under sections 144.010 to 144.525, and any other provisions of law pertaining to sales or use taxes which incorporate the provisions of sections 144.010 to 144.525 by reference, the term "manufactured homes" shall have the same meaning given it in section 700.010.

3. Sections 144.010 to 144.525 may be known and quoted as the "Sales Tax Law".

144.018. 1. Notwithstanding any other provision of law to the contrary, except as provided under subsection 2 or 3 of this section, when a purchase of tangible personal property or service subject to tax is made for the purpose of resale, such purchase shall be either exempt or excluded under this chapter if the subsequent sale is:

- (1) Subject to a tax in this or any other state;
- (2) For resale;
- (3) Excluded from tax under this chapter;
- (4) Subject to tax but exempt under this chapter; or
- (5) Exempt from the sales tax laws of another state, if the subsequent sale is in such other state.

The purchase of tangible personal property by a taxpayer shall not be deemed to be for resale if such property is used or consumed by the taxpayer in providing a service on which tax is not imposed by subsection 1 of section 144.020, except purchases made in fulfillment of any obligation under a defense contract with the United States government.

2. For purposes of subdivision (2) of subsection 1 of section 144.020, a place of amusement, entertainment or recreation, [including] **which shall only include games or athletic events, dance, theater, orchestra and other performing arts productions, commercial sports, spectator sports, gambling, racetracks, arcades, theme and amusement parks, water parks, circuses, carnivals, festivals, air shows, museums, marinas, motion picture theaters, and other commercial tourist attractions**, shall remit tax on the amount paid for admissions or seating accommodations, or fees paid to, or in such place of amusement, entertainment or recreation. Any subsequent sale of such admissions or seating accommodations shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such admissions or seating accommodations is exempt or excluded from payment of sales and use taxes, the provisions of this subsection shall not require the place of amusement, entertainment, or recreation to remit tax on that sale.

3. For purposes of subdivision (6) of subsection 1 of section 144.020, a hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public shall remit tax on the amount of sales or charges for all rooms, meals, and drinks furnished at such hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public. Any subsequent sale of such rooms, meals, or drinks shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such rooms, meals, or drinks is exempt or excluded from payment of sales and use taxes, the provisions of this subsection shall not require the hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public to remit tax on that sale.

4. The provisions of this section are intended to reject and abrogate earlier case law interpretations of the state's sales and use tax law with regard to sales for resale as extended in *Music City Centre Management, LLC v. Director of Revenue*, 295 S.W.3d 465, (Mo. 2009) and *ICC Management, Inc. v. Director of Revenue*, 290 S.W.3d 699, (Mo. 2009). The provisions of this section are intended to clarify the exemption or exclusion of purchases for resale from sales and use taxes as originally enacted in this chapter.

144.020. 1. A tax is hereby levied and imposed upon all sellers for the privilege of engaging in the business of selling tangible personal property or rendering taxable service at retail in this state. The rate of tax shall be as follows:

(1) Upon every retail sale in this state of tangible personal property, including but not limited to motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats and outboard motors, a tax equivalent to four percent of the purchase price paid or charged, or in case such sale involves the exchange of property, a tax equivalent to four percent of the consideration paid or charged, including the fair market value of the property exchanged at the time and place of the exchange, except as otherwise provided in section 144.025;

(2) A tax equivalent to four percent of the amount paid for admission and seating accommodations, or fees paid to, or in any place of amusement, entertainment or recreation, **or games and athletic events, which shall only include dance, theater, orchestra and other performing arts productions, commercial sports, spectator sports, gambling, racetracks, arcades, theme and amusement parks, water parks, circuses, carnivals, festivals, air shows, museums, marinas, motion picture theaters, and other commercial tourist attractions**;

(4) A tax equivalent to four percent on the basic rate paid or charged on all sales of local and long distance telecommunications service to telecommunications subscribers and to others through equipment of telecommunications subscribers for the transmission of messages and conversations and upon the sale, rental or leasing of all equipment or services pertaining or incidental thereto; except that, the payment made by telecommunications subscribers or others, pursuant to section 144.060, and any amounts paid for access to the internet or interactive computer services shall not be considered as amounts paid for telecommunications services;

(5) A tax equivalent to four percent of the basic rate paid or charged for all sales of services for transmission of messages of telegraph companies;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of "sale at retail" or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words "This ticket is subject to a sales tax."; and'; and

2. In addition to the games of skill [referred to in subdivision (14) of] **defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of

placing a notice in a newspaper of general circulation in the applicant's or licensee's home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

- (1) Is it in the best interest of gaming to allow the game; and
- (2) Is the gambling game a game of chance or a game of skill?

All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

- (1) The recommended number of licensed excursion gambling boats operating in such city or county;
- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;
- (4) The city or county proposed sharing of revenue with any other municipality;
- (5) Any other information such city or county deems necessary; and
- (6) Any other information the commission may determine is necessary.

The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

- (1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;
- (2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established [his] **the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817**, a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed, **other than a credit instrument**, must be deposited within twenty-four hours. **Except for any credit instrument**, the commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his

agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

- (1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;
- (2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;
- (3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;
- (4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;
- (5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;
- (6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;
- (7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued pursuant to sections 313.800 to 313.850;
- (8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;
- (9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money **or credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2013, are valid contracts creating debt that is enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for chips, tokens, or electronic tokens that can be wagered on gambling games at the licensee's excursion gambling

boat. For the purposes of this subsection, “qualified person” means a person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit of at least five thousand dollars. Once the licensee makes the determination that a person is a qualified person, additional credit checks are not required. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents.

313.830. 1. A person is guilty of a class D felony for any of the following:

(1) Operating a gambling excursion where wagering is used or to be used without a license issued by the commission;

A person wagering or accepting a wager at any location outside the excursion gambling boat is in violation of section 572.040.

4. A person commits a class D felony and, in addition, shall be barred for life from excursion gambling boats under the jurisdiction of the commission, if the person:

(1) Offers, promises, or gives anything of value or benefit to a person who is connected with an excursion gambling boat operator including, but not limited to, an officer or employee of a licensee or holder of an occupational license pursuant to an agreement or arrangement or with the intent that the promise or thing of value or benefit will influence the actions of the person to whom the offer, promise, or gift was made in order to affect or attempt to affect the outcome of a gambling game, or to influence official action of a member of the commission;

(2) Solicits or knowingly accepts or receives a promise of anything of value or benefit while the person is connected with an excursion gambling boat including, but not limited to, an officer or employee of a licensee, or holder of an occupational license, pursuant to an understanding or arrangement or with the intent that the promise or thing of value or benefit will influence the actions of the person to affect or attempt to affect the outcome of a gambling game, or to influence official action of a member of the commission;

(8) Places a bet after acquiring knowledge, not available to all players, of the outcome of the gambling game which is the subject of the bet or to aid a person in acquiring the knowledge for the purpose of placing a bet contingent on that outcome;

(9) Claims, collects, or takes, or attempts to claim, collect, or take, money or anything of value in or from the gambling games, with intent to defraud, without having made a wager contingent on winning a gambling game, or claims, collects, or takes an amount of money or thing of value of greater value than the amount won;

5. The possession of one or more of the devices described in subdivision (3), (5), (13) or (14) of subsection 4 of this section permits a rebuttable inference that the possessor intended to use the devices for cheating.

6. Except for wagers on gambling games or exchanges for money **or a credit instrument** as provided in section 313.817, or as payment for food or beverages on the excursion gambling boat, a licensee who exchanges tokens, chips, or other forms of credit to be used on gambling games for anything of value commits a class B misdemeanor.

7. If the commission determines that reasonable grounds to believe that a violation of sections 313.800 to 313.850 has occurred or is occurring which is a criminal offense, the commission shall refer such matter to both the state attorney general and the prosecuting attorney or circuit attorney having jurisdiction. The state attorney general and the prosecuting attorney or circuit attorney with such jurisdiction shall have concurrent jurisdiction to commence actions for violations of sections 313.800 to 313.850 where such violations have occurred.

"32.070. 1. This act shall be known and may be cited as the "Streamlined Sales and Use Tax Agreement Act".

2. The director of the department of revenue shall enter into the streamlined sales and use tax agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. In furtherance of the streamlined sales and use tax agreement, the director of the department of revenue may act jointly with other states that are members of the streamlined sales and use tax agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers.

3. In the first year after any federal legislation requiring vendors to collect sales and use tax uniformly on sales in all states has been adopted and in which the amount of state sales and use tax revenue collected under such federal legislation exceeds the amount of such revenues collected in the immediately preceding year by at least two hundred million dollars, the highest rate of the tax imposed on the Missouri taxable income of residents under chapter 143 shall be decreased from six percent to five and one half percent. The director of the

department of revenue shall notify the revisor of statutes when such federal legislation is adopted and becomes effective in all states.

4. The director of the department of revenue may take other action reasonably required to implement the provisions set forth in the streamlined sales and use tax administration act, including, but not limited to, the promulgation of rules and the joint procurement, with other member states, of goods and services in furtherance of the streamlined sales and use tax agreement.

5. For the purposes of representing the state as a member of the agreement and, if necessary, amending the agreement, the state shall be represented by three delegates, one of whom shall be appointed by the governor, one shall be a member of the general assembly appointed by mutual agreement of the president pro tem of the senate and the speaker of the house of representatives, with the director of the department of revenue or the director's designee as the third delegate. The delegates shall recommend to the committees responsible for reviewing tax issues in the senate and the house of representatives each year any amendment of state statutes required to be substantially in compliance with the agreement. Such delegates shall make a written report by the fifteenth day of January each year regarding the status of the agreement.

6. The department of revenue shall promulgate rules necessary to implement the provisions of the streamlined sales and use tax agreement.

32.086. Notwithstanding any other provision of law, for all local sales and use taxes collected by the department and remitted to a political jurisdiction or taxing district, the department shall remit one percent of the amount collected to the general revenue fund to offset the cost of collection, unless a greater amount is specified in the local sales and use tax law. The department shall not commingle the remaining amounts collected with general revenues and shall remit the remaining amounts collected to the political jurisdiction or taxing district less any credits for erroneous payments, overpayments, and dishonored checks.

32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection [18] 17 of this section.

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. [The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5.] The ordinance or order imposing a local sales tax under the local sales tax law shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

[6.] 5. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. [7.] 6. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

[10.] 9. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

[11.] 10. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

[14.] 13. The director of revenue and any of [his] **the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering [himself] **the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

[15.] 14. The director of revenue shall annually report on [his] **the director's** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. [He] **The director** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by [him] **the director** for the taxing entity. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the

event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

[17.] **16.** Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

[18.] **17.** If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

18. If the boundaries of a city in which a sales tax or use tax has been imposed shall thereafter be changed or altered, the city clerk shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance adding or detaching territory from the city within ten days of adoption of the ordinance. The ordinance shall reflect the effective date of the ordinance and shall be accompanied by a map of the city clearly showing the territory added or detached from the city boundaries. Upon receipt of the ordinance and map, the tax imposed under the local sales tax law or local use tax law shall be effective in the added territory or abolished in the detached territory on the first day of a calendar quarter after one hundred twenty days' notice to sellers.

19. Any change to any local sales tax or local use tax boundary or rate shall be effective on the first day of a calendar quarter after one hundred twenty days' notice to sellers."; and

Further amend said bill, Page 3, Section 64.196, Line 5, by inserting after all of said section the following:

"66.620. 1. All county sales taxes collected by the director of revenue under sections 66.600 to 66.630 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited in a special trust fund, which is hereby created, to be known as the "County Sales Tax Trust Fund". [The moneys in the county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of the county and all expenditures of funds arising from the county sales tax trust fund shall be by an appropriation act to be enacted by the legislative council of the county, and to the cities, towns and villages located wholly or partly within the county which levied the tax in the manner as set forth in sections 66.600 to 66.630.

2. In any county not adopting an additional sales tax and alternate distribution system as provided in section 67.581, for the purposes of distributing the county sales tax, the county shall be divided into two groups, "Group A" and "Group B". Group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980, group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax. For the purposes of determining the location of consummation of sales for distribution of funds to cities, towns and villages in group A, the boundaries of any such city, town or village shall be the boundary of that city, town or village as it existed on March 19, 1984. Group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, and shall also include all unincorporated areas of the county which levied the tax; except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax approved by the voters of such city under the

provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax and shall also include all unincorporated areas of the county which levied the tax.

3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by section 66.630, after deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute the remaining funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, a percentage of the distributable revenue equal to the percentage ratio that the population of the unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

4. From and after January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A a portion of the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087 in accordance with the formula described in this subsection. After deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied by the total of all sales tax revenues countywide, and a percentage of the remaining distributable revenue equal to the percentage ratio that the population of unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

5. (1) For purposes of administering the distribution formula of subsection 4 of this section, the revenues arising each year from sales occurring within each group A city, town or village shall be distributed as follows: Until such revenues reach the adjusted county average, as hereinafter defined, there shall be distributed to the city, town or village all of such revenues reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; and once revenues exceed the adjusted county average, total revenues shall be shared in accordance with the redistribution formula as defined in this subsection.

(2) For purposes of this subsection, the "adjusted county average" is the per capita countywide average of all sales tax distributions during the prior calendar year reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; the "redistribution formula" is as follows: During 1994, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. During 1995, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From January 1, 1996, until January 1, 2000, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From and after January 1, 2000, the distribution formula

covering the period from January 1, 1996, until January 1, 2000, shall continue to apply, except that the percentage computed for sales arising within the municipalities shall be not less than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the adjusted county average by at least twenty-five percent.

(3) For purposes of applying the redistribution formula to a municipality which is partly within the county levying the tax, the distribution shall be calculated alternately for the municipality as a whole, except that the factor for annexed portion of the county shall not be applied to the portion of the municipality which is not within the county levying the tax, and for the portion of the municipality within the county levying the tax. Whichever calculation results in the larger distribution to the municipality shall be used.

(4) Notwithstanding any other provision of this section, the fifty percent of additional sales taxes as described in section 99.845 arising from economic activities within the area of a redevelopment project established after July 12, 1990, pursuant to sections 99.800 to 99.865, while tax increment financing remains in effect shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. Further, any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of incremental sales tax revenues to the special allocation fund of a tax increment financing project while tax increment financing remains in effect shall continue to be in full force and effect and the sales taxes so appropriated shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. In addition, and notwithstanding any other provision of this chapter to the contrary, economic development funds shall be distributed in full to the municipality in which the sales producing them were deemed consummated. Additionally, economic development funds shall be deducted from all calculations of countywide sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the municipality. As used in this subdivision, the term "economic development funds" means the amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations under any agreement authorized by chapter 100, entered into or adopted prior to September 1, 1993, between a municipality and another public body. The cumulative amount of economic development funds allowed under this provision shall not exceed the total amount necessary to amortize the obligations involved.

6. If the qualified voters of any city, town or village vote to change or alter its boundaries by annexing any unincorporated territory included in group B or if the qualified voters of one or more city, town or village in group A and the qualified voters of one or more city, town or village in group B vote to consolidate, the area annexed or the area consolidated which had been a part of group B shall remain a part of group B after annexation or consolidation. After the effective date of the annexation or consolidation, the annexing or consolidated city, town or village shall receive a percentage of the group B distributable revenue equal to the percentage ratio that the population of the annexed or consolidated area bears to the total population of group B and such annexed area shall not be classified as unincorporated area for determination of the percentage allocable to the county. If the qualified voters of any two or more cities, towns or villages in group A each vote to consolidate such cities, towns or villages, then such consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections 66.600 to 66.630, population shall be as determined by the last federal decennial census or the latest census that determines the total population of the county and all political subdivisions therein. For the purpose of calculating the adjustment based on the percentage of unincorporated county population which is annexed after April 1, 1993, the accumulated percentage immediately before each census shall be used as the new percentage base after such census. After any annexation, incorporation or other municipal boundary change affecting the unincorporated area of the county, the chief elected official of the county shall certify the new population of the unincorporated area of the county and the percentage of the population which has been annexed or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its governing body cease to be a part of group A and become a part of group B. Within ten days after the adoption of the ordinance transferring the city, town or village from one group to the other, the clerk of the transferring city, town or village shall forward to the director of revenue, by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its former group shall cease and as a part of its new group shall begin on the first day of January of the year following notification to the director of revenue, provided such notification is received by the director of revenue on or before the first day of July of the year in which the transferring ordinance is adopted. If such notification is received by the director of revenue after the first day of July of the year in which the transferring ordinance is adopted, then distribution to such city as a part of its former group shall cease and as a part of its new group shall begin the first day of July of the year following such notification.

to the director of revenue. Once a group A city, town or village becomes a part of group B, such city may not transfer back to group A.

7. If any city, town or village shall hereafter change or alter its boundaries, the city clerk of the municipality shall forward to the director of revenue, by registered mail, a certified copy of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the municipality clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in accordance with the provisions of this section on the effective date of the change of the municipal boundary so that the proper percentage of group B distributable revenue is allocated to the municipality in proportion to any annexed territory. If any area of the unincorporated county elects to incorporate subsequent to the effective date of the county sales tax as set forth in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group B. The city clerk of such newly incorporated municipality shall forward to the director of revenue, by registered mail, a certified copy of the incorporation election returns and a map of the municipality clearly showing the boundaries thereof. The certified copy of the incorporation election returns shall reflect the effective date of the incorporation. Upon receipt of the incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be distributed and allocated in accordance with the provisions of this section on the effective date of the incorporation.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

9. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under sections 66.600 to 66.630."; and

Further amend said bill, Page 4, Section 67.281, Line 17, by inserting after all of said section the following:

"67.395. 1. All sales taxes collected by the director of revenue under sections 67.391 to 67.395 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087] shall be deposited with the state treasurer in a special trust fund, which is hereby created, to be known as the "County AntiDrug Sales Tax Trust Fund". [The moneys in the county antidrug sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a sales tax under sections 67.391 to 67.395, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax. Such funds shall be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county antidrug sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. 67.525. 1. All county sales taxes collected by the director of revenue under sections 67.500 to 67.545 on behalf of any county[, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited with the state treasurer in a county sales tax trust fund, which fund shall be separate and apart from the county sales tax trust fund established by section 66.620. [The moneys in such county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and to the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month by distributing to the county treasurer, or such other officer as may be designated by the county ordinance or order, of each county imposing the tax authorized by sections 67.500 to 67.545, the sum due the county as certified by the director of revenue.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

3. Except as modified in sections 67.500 to 67.545, all provisions of sections 32.085 [and] to 32.087 shall apply to the tax imposed under sections 67.500 to 67.545.

67.571. 1. The governing body of any county of the first classification with a population of more than eighty-two thousand inhabitants and less than ninety thousand inhabitants may, in addition to any tourism sales tax imposed pursuant to sections 67.671 to 67.685, by a majority vote, impose a sales tax for the funding of museums and festivals. For purposes of this section, the term "funding of museums and festivals" shall mean:

- (1) Funding of museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(C)(3) corporation and which are considered by the board to be tourism attractions; and
- (2) Funding of organizations that are registered as 501(C)(3) corporations which promote cultural heritage tourism including festivals and the arts.

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent to be used to fund (museums, cultural heritage, festivals) in certain areas of the county?

☐ YES

☐ NO

3. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, and the tax takes effect pursuant to this section, the museums and festivals board appointed pursuant to subsection 5 of this section shall determine in what manner the tax revenue moneys will be expended, and disbursements of these moneys shall be made strictly in accordance with directions of the board which are consistent with the provisions of sections 67.571 to 67.577. Expenditures of these tax moneys may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel. Expenditures of these tax moneys may be made directly to corporations pursuant to subsection 1 of this section. No such tax revenue moneys shall be disbursed to or on behalf of any corporation, organization or entity that is not duly registered with the Internal Revenue Service as a 501(C)(3) organization.

4. Any sales tax imposed pursuant to this section shall be imposed at a rate not to exceed two-tenths of one percent on receipts from the sale of certain tangible personal property or taxable services within the county pursuant to sections 67.571 to 67.577.

5. The governing body of any county which imposes a sales tax pursuant to this section may establish a museums and festivals board for the purpose of expending funds collected from any sales tax submitted and approved by the county's voters pursuant to this section. The board shall be comprised of six members who are appointed by the governing body of the county from a list of candidates supplied by the chair of each of the two major political parties of the county. The board shall be comprised of three members from each of the two political parties. Members shall serve for three-year terms, but of the members first appointed, one shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. 6. In the area of each county in which a sales tax has been imposed in the manner provided by sections 67.571 to 67.577, every retailer within such area shall add the tax imposed by the provisions of sections 67.571 to 67.577 to his sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

7. In counties imposing a tax under the provisions of sections 67.571 to 67.577, in order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body may authorize the use of a bracket system similar to that authorized by the provisions of section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions.

8. Except as modified in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

67.576. 1. The following provisions shall govern the collection of the tax imposed by the provisions of sections 67.571 to 67.577:

(1) All applicable provisions contained in sections 144.010 to 144.510 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by the provisions of sections 67.571 to 67.577;

(2) All exemptions granted to agencies of government, organizations, and persons under the provisions of sections 144.010 to 144.510 are hereby made applicable to the imposition and collection of the tax imposed by sections 67.571 to 67.577.

2. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.510 for the administration and collection of the state sales tax shall satisfy the requirements of sections 67.571 to 67.577, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by sections 67.571 to 67.577.

3. All discounts allowed the retailer pursuant to the provisions of the state sales tax law for the collection of and for payment of taxes pursuant to that act are hereby allowed and made applicable to any taxes collected pursuant to the provisions of sections 67.571 to 67.577.

4. The penalties provided in section 32.057 and sections 144.010 to 144.510 for a violation of those acts are hereby made applicable to violations of the provisions of sections 67.571 to 67.577.

5. [For the purposes of the sales tax imposed by an order pursuant to sections 67.571 to 67.577, all retail sales shall be deemed to be consummated at the place of business of the retailer] **Except as provided in sections 67.571 to 67.577, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under sections 67.571 to 67.577.**

For purposes of this section, the term "museums" means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the board to be a tourism attraction. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax shall be imposed pursuant to this section unless the governing authority submits to the voters of the county, at a county or state general, primary, or special election, a proposal to authorize the governing authority to impose the tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent for the funding of museums? "Museums" means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the museum board to be a tourism attraction.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the sales tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the tax. If the proposal receives less than the required majority of votes, then the governing authority shall have no power to impose the tax unless and until the governing authority has again submitted another proposal to authorize the governing authority to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon.

3. On or after the effective date of the tax, the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 [and] **to** 32.087 shall apply. The director may retain an amount not to exceed one percent for deposit in the general revenue fund to offset the costs of collection. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing authority may authorize the use of a bracket system similar to that authorized in section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with the effective date of the tax, every retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to be consummated at the place of business of the retailer.

4. All applicable provisions in sections 144.010 to 144.525 governing the state sales tax, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax, and all exemptions granted to agencies of government, organizations, and persons pursuant to sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax. The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax. All discounts allowed the retailer pursuant to the state sales tax law for the collection of and for payment of taxes are hereby allowed and made applicable to the tax. The penalties for violations provided in section 32.057 and sections 144.010 to 144.525 are hereby made applicable to violations of this section. If any person is delinquent in the payment of the amount required to be paid pursuant to this section, or in the event a determination has been made against the person for taxes and penalty pursuant to this section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525.

5. The governing authority may authorize any museum board already existing in the county, or may establish a museum board, to expend revenue collected pursuant to this section. In the event that no museum board already exists, the board established pursuant to this section shall consist of six members who are appointed by the governing authority from a list of candidates supplied by the chair of each of the two major political parties of the county, with three members from each of the two parties. Members shall serve for three-year terms, but of the members first appointed, [one] **two** shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county. The members shall not receive compensation for service on the board, but shall be reimbursed from the revenues collected pursuant to this section for any reasonable and necessary expenses incurred in service on the board. The board shall determine in what manner the revenues will be expended, and disbursements of these moneys shall be made strictly in accordance with this section. Expenditures may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel.

6. The governing authority may submit the question of repeal of the tax to the voters at any county or state general, primary, or special election. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert name of county) repeal the sales tax of (insert rate of percent) percent for the funding of museums?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES".

If you are opposed to the question, place an "X" in the box opposite "NO". [If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which the repeal was approved.]

67.581. 1. In addition to the sales tax permitted by sections 66.600 to 66.630, any county of the first class having a charter form of government and having a population of nine hundred thousand or more may impose an additional countywide sales tax upon approval by a vote of the qualified voters of the county. The proposal may be submitted to the voters by the governing body of the county and shall be submitted to the voters at the next general election upon petitions signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county in the next preceding gubernatorial election filed with the governing body of the county. The submission shall include the levying of a sales tax at a rate of not to exceed two hundred seventy-five one-thousandths of one percent on the receipts from the sale at retail of all tangible personal property or taxable services within the county which are also taxable under the provisions of sections 66.600 to 66.630, and shall provide for the distribution of the proceeds in the manner provided in either subsection 4 or subsection 5 of this section. If either of the alternative distribution systems as provided in subsection 4 or subsection 5 of this section is approved by the voters, then the alternative system of distribution may not be submitted to the voters for at least three years from the date of such voter approval.

2. The ballot of submission shall contain, but is not limited to, the following language:

Shall the County of levy an additional sales tax at the rate of (insert rate) and distribute the proceeds in the manner provided in (insert proper reference) (subsection 4)(subsection 5) of section 67.581, RSMo?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, the additional sales tax shall be levied and collected and the proceeds from the additional tax shall be distributed as provided in either subsection 4 or subsection 5 of this section. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal, then the governing body of the county shall have no power to impose the additional sales tax authorized by this section unless and until a proposal for the levy of such tax is submitted to and approved by the voters of the county.

3. The provisions of sections 66.600 to 66.630 and sections 32.085 [and] to 32.087, except to the extent otherwise provided in this section, shall govern the levy, collection, distribution and other procedures related to an additional sales tax imposed pursuant to this section.

4. In any county adopting an additional sales tax pursuant to the provisions of this section, and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed first to those municipalities that did not receive during the preceding calendar year ninety-five percent of the amount the municipality would have received by multiplying the population of the municipality by the average per capita sales tax receipt for such county in an amount which will bring each municipality receipt of sales tax moneys up to ninety-five percent of the average per capita receipts from the proceeds of the sales tax imposed pursuant to sections 66.600 to 66.630. Any remainder of the money received from the sales tax imposed pursuant to this section shall be distributed to all municipalities on the ratio that the population of each municipality bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the total sales tax revenue derived from the tax imposed pursuant to sections 66.600 to 66.630 by the total population of the county. Population of each municipality, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census. For the purposes of this subsection, any city, town, village or the unincorporated area of the county shall be considered a municipality.

5. In any county adopting an additional sales tax pursuant to the provisions of this section and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed to all cities, towns and villages, and the unincorporated areas of the county in group B and to such cities, towns and villages in group A as necessary so that no city, town, or village in group A receives from the combined proceeds of both the sales tax imposed pursuant to this section and the sales tax imposed pursuant to sections 66.600 to 66.630, less than the per capita amount received by the cities, towns and villages and the unincorporated area of the county in group B receives from the total proceeds from both sales taxes.

6. The governing body of any county which is imposing a sales tax under the provisions of sections 66.600 to 66.630 may on its own motion and shall, upon petitions filed with the governing body of the county signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county at the next preceding gubernatorial election, submit to the qualified voters of the county a proposal to change the method of distribution of sales tax proceeds from the manner provided in subsection 2 of section 66.620 to the method provided in this subsection. The ballot of submission shall be in substantially the following form:

Shall the proceeds from the county sales tax be distributed among the county of and the various cities, towns and villages therein in the manner provided in subdivisions (1) and (2) of subsection 6 of section 67.581, RSMo, in lieu of the present manner of distribution?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters of the county voting thereon are in favor of the proposal, the sales tax imposed by the county under the provisions of sections 66.600 to 66.630 shall be distributed in the manner provided in this subsection and not in the manner provided in subsection 2 of section 66.620. If a majority of the votes cast by the qualified voters of the county voting thereon are opposed to the proposal, then the governing body of the county shall have no power to order the proceeds from the sales tax imposed pursuant to the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the method provided in subsection 2 of section 66.620, unless and until a proposal authorizing such method of distribution is submitted to and approved by the voters of the county. If the voters approve the change in the method of distribution of the sales tax proceeds in the manner provided in this subsection, the county clerk of the county shall notify the director of revenue of the change in the method of distribution within ten days after adoption of the proposal and shall inform the director of the effective date of the change in the method of distribution, which shall be on the first day of the third calendar quarter after the director of revenue receives notice. After the effective date of the change in the manner of distribution, the director of revenue shall distribute the proceeds of the sales tax imposed by such county under the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the manner of distribution provided in subsection 2 of section 66.620. The proceeds of the sales tax imposed under the provisions of sections 66.600 to 66.630 in any county which elects to have the proceeds distributed in the manner provided in this subsection shall be distributed in the following manner:

(1) The proceeds from the sales taxes shall be distributed to the cities, towns and villages in group A and to the cities, towns and villages, and the county in group B as defined in section 66.620 in the manner provided in subsection 2 of section 66.620, until an amount equal to the total amount distributed under section 66.620, for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section has been distributed;

(2) All moneys received in excess of the total amount distributed under section 66.620 for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section shall be distributed to all cities, towns and villages and to the county on the basis that the population of each city, town or village, and in the case of the county the basis that the population of the unincorporated area of the county, bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the remaining amount of the total sales tax revenues by the total population of the county. Population of each city, town or village, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census.

7. No municipality incorporated after the adoption of the tax authorized by this section shall be included as other than part of the unincorporated area of the county nor receive any share of either the proceeds from the tax levied pursuant to the provisions of this section or the tax levied pursuant to the provisions of sections 66.600 to 66.630 unless, at the time of incorporation, such municipality had a population of ten thousand or more.

8. The county sales tax imposed pursuant to this section on the purchase and sale of motor vehicles shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within the county imposing the additional sales tax. [The amounts so collected, less one percent collection cost, shall be deposited in the county sales tax trust fund to be distributed in accordance with section 66.620. The purchase or sale of motor vehicles shall be deemed to be consummated at the address of the applicant for a certificate of title.]

9. No tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport, either upon, above or below the ground.

10. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

6. [In order to allow retailers to collect and report the sales and use tax authorized by this section as well as all other sales and use taxes required by law in the simplest and most efficient manner possible, a district may establish appropriate brackets to be used in the district imposing a tax pursuant to this section in lieu of the brackets provided in section 144.285.

A district may repeal by resolution any sales and use tax imposed pursuant to this section before the expiration date of such sales and use tax unless the repeal of such sales and use tax will impair the district's ability to repay any liabilities the district has incurred, moneys the district has borrowed or obligation the district has issued to finance any improvements or services rendered for the district.

[10.] 9. Notwithstanding the provisions of chapter 115, an election for a district sales and use tax under this section shall be conducted in accordance with the provisions of this section.

10. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

Such bonds, notes, or other obligations shall be in such denomination, bear interest at such rate or rates, be in such form, either coupon or registered, be issued as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such manner, be payable in such place or places, and be subject to redemption as such resolution may provide, notwithstanding section 108.170. (11) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted by this section.

10. There is hereby created the "Exhibition Center and Recreational Facility District Sales Tax Trust Fund", which shall consist of all sales tax revenue collected pursuant to this section. The director of revenue shall be custodian of the trust fund, and moneys in the trust fund shall be used solely for the purposes authorized in this section. [Moneys in the trust fund shall be considered nonstate funds pursuant to section 15, article IV, Constitution of Missouri.] The director of revenue shall invest moneys in the trust fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the trust fund. All sales taxes collected by the director of revenue pursuant to this section on behalf of the district, less one percent for the cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in the trust fund. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which was collected in the district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of the officers of each district and the general public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district. The director of revenue may authorize refunds from the amounts in the trust fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of the district.

11. The sales tax authorized by this section is in addition to all other sales taxes allowed by law. **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.**

12. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087 apply to the sales tax imposed pursuant to this section.

[12.] 13. Any sales tax imposed pursuant to this section shall not extend past the initial term approved by the voters unless an extension of the sales tax is submitted to and approved by the qualified voters in each county in the manner provided in this section. Each extension of the sales tax shall be for a period not to exceed twenty years. The ballot of submission for the extension shall be in substantially the following form:

Shall the (name of district) extend the sales tax of one-fourth of one percent for a period of (insert number of years) years to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the rate and for the time period approved by the voters. If a sales tax extension is not approved, the district may submit another sales tax proposal as authorized in this section, but the district shall not submit such a proposal to the voters sooner than twelve months from the date of the last extension submitted.

[13.] 14. Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax.

The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding; provided that any new financing, debt, or other obligation or any restructuring or refinancing of an existing debt or obligation incurred more than ten years after voter approval of the sales tax provided in this section or more than ten years after any voter-approved extension thereof shall not cause the extension of the sales tax provided in this section or cause the final maturity of any financing or other obligations outstanding to be extended. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270 or repurchase agreements secured by such securities. If the district abolishes the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

[14.] 15. In the event that the district is dissolved or terminated by any means, the governing bodies of the counties in the district shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing bodies of the counties, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the county treasurer of each county in the district and take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears to the total levy for the district in the previous three years or since the establishment of the district, whichever time period is shorter. Upon payment to the county treasurers, the trustee shall deliver to the clerk of the governing body of any county in the district all books, papers, records, and deeds belonging to the dissolved district.

If a proposal receives less than the required majority, then the governing authority of the city shall have no power to impose the sales tax unless and until the governing authority of the city has submitted another proposal to authorize the imposition of the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

(1) The city may adopt rules and regulations for the internal collection of such tax by the city officers usually responsible for collection and administration of city taxes; or

(2) The city may enter into an agreement with the director of revenue of the state of Missouri for the purpose of collecting the tax authorized in this section. 4. If a tax is imposed by a city pursuant to this section, the city may collect a penalty of one percent and interest not to exceed two percent per month on unpaid taxes which shall be considered delinquent thirty days after the last day of each quarter] **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The ballot of submission shall be in substantially the following form:

Shall (insert name of city) repeal the sales tax of (insert rate of percent) percent for tourism purposes now in effect in (insert name of city)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. **If the city or county abolishes the tax, the city or county shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

(2) Once the tax is repealed as provided in this section, all funds remaining in any trust fund or account established to receive revenues generated by the tax shall be used solely for the original stated purpose of the tax. Any funds which are not needed for current expenditures may be invested by the governing authority in accordance with applicable laws relating to the investment of other city funds.

(3) The governing authority of a city repealing a tax pursuant to this section shall notify the director of revenue of the action at least forty-five days before the effective date of the repeal and the director of revenue may order retention in any trust fund created in the state treasury associated with the tax, for a period of one year, of two percent of the amount collected after receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of repeal of the tax in the city, the director of revenue shall remit the balance in the trust fund to the city and close the account of that city. The director of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

(4) In the event that the repeal of a sales tax pursuant to this section dissolves or terminates a taxing district, the governing authority of the city shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing authority of the city, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the city treasurer or the equivalent official and take receipt for all remaining moneys. [6.] 5. Except as modified in this section, all provisions of sections 32.085 [and] **to** 32.087 shall apply to the tax imposed pursuant to this section.

67.2525. 1. Each member of the board of directors shall have the following qualifications:

(1) As to those subdistricts in which there are registered voters, a resident registered voter in the subdistrict that he or she represents, or be a property owner or, as to those subdistricts in which there are not registered voters who are residents, a property owner or representative of a property owner in the subdistrict he or she represents;

(2) Be at least twenty-one years of age and a registered voter in the district.

2. The district shall be subdivided into at least five but not more than fifteen subdistricts, which shall be represented by one representative on the district board of directors. All board members shall have terms of four years, including the initial board of directors. All members shall take office upon being appointed and shall remain in office until a successor is appointed by the mayor or chairman of the municipality in which the district is located, or elected by the property owners in those subdistricts without registered voters.

3. For those subdistricts which contain one or more registered voters, the mayor or chairman of the city, town, or village shall, with the consent of the governing body, appoint a registered voter residing in the subdistrict to the board of directors.

4. For those subdistricts which contain no registered voters, the property owners who collectively own one or more parcels of real estate comprising more than half of the land situated in each subdistrict shall meet and shall elect a representative to serve upon the board of directors. The clerk of the city, town, or village in which the petition was filed shall, unless waived in writing by all property owners in the subdistrict, give notice by causing publication to be made once a week for two consecutive weeks in a newspaper of general circulation in the county, the last publication of which shall be at least ten days before the day of the meeting required by this section, to call a meeting of the owners of real property within the subdistrict at a day and hour specified in a public place in the city, town, or village in which the petition was filed for the purpose of electing members of the board of directors.

5. The property owners, when assembled, shall organize by the election of a temporary chairman and secretary of the meeting who shall conduct the election. An election shall be conducted for each subdistrict, with the eligible property owners voting in that subdistrict. At the election, each acre of real property within the subdistrict shall represent one share, and each owner, including corporations and other entities, may have one vote in person or for every acre of real property owned by such person within the subdistrict. Each voter which is not an individual shall determine how to cast its vote as provided for in its articles of incorporation, articles of organization, articles of partnership, bylaws, or other document which sets forth an appropriate mechanism for the determination of the entity's vote. If a voter has no such mechanism, then its vote shall be cast as determined by a majority of the persons who run the day-to-day affairs of the voter. The results of the meeting shall be certified by the temporary chairman and secretary to the municipal clerk if the district is established by a municipality described in this section, or to the circuit clerk if the district is established by a circuit court.

6. Successor boards shall be appointed or elected, depending upon the presence or absence of resident registered voters, by the mayor or chairman of a city, town, or village described in this section, or the property owners as set forth above; provided, however, that elections held by the property owners after the initial board is elected shall be certified to the municipal clerk of the city, town, or village where the district is located and the board of directors of the district.

7. Should a vacancy occur on the board of directors, the mayor or chairman of the city, town, or village if there are registered voters within the subdistrict, or a majority of the owners of real property in a subdistrict if there are not registered voters in the subdistrict, shall have the authority to appoint or elect, as set forth in this section, an interim director to complete any unexpired term of a director caused by resignation or disqualification.

8. The board shall possess and exercise all of the district's legislative and executive powers, including:

(1) The power to fund, promote and provide educational, civic, musical, theatrical, cultural, concerts, lecture series, and related or similar entertainment events or activities, and fund, promote, plan, design, construct, improve, maintain, and operate public improvements, transportation projects, and related facilities within the district;

(2) The power to accept and disburse tax or other revenue collected in the district; and

(3) The power to receive property by gift or otherwise.

9. Within thirty days after the selection of the initial directors, the board shall meet. At its first meeting and annually thereafter the board shall elect a chairman from its members.

10. The board shall appoint an executive director, district secretary, treasurer, and such other officers or employees as it deems necessary.

11. At the first meeting, the board, by resolution, shall define the first and subsequent fiscal years of the district, and shall adopt a corporate seal.

12. A simple majority of the board shall constitute a quorum. If a quorum exists, a majority of those voting shall have the authority to act in the name of the board, and approve any board resolution.

13. At the first meeting, the board, by resolution, shall receive the certification of the election regarding the sales tax, and may impose the sales tax in all subdistricts approving the imposing sales tax. In those subdistricts that approve the sales tax, the sales tax shall become effective [on the first day of the first calendar quarter immediately following the action by the district board of directors imposing the tax] **as provided by section 32.087.**

14. Each director shall devote such time to the duties of the office as the faithful discharge thereof may require and be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district. Directors may be compensated, but such compensation shall not exceed one hundred dollars per month.

15. In addition to all other powers granted by sections 67.2500 to 67.2530, the district shall have the following general powers:

(1) To sue and be sued in its own name, and to receive service of process, which shall be served upon the district secretary;

(2) To fix compensation of its employees and contractors;

(3) To enter into contracts, franchises, and agreements with any person or entity, public or private, affecting the affairs of the district, including contracts with any municipality, district, or state, or the United States, and any of their agencies, political subdivisions, or instrumentalities, for the funding, including without limitation, interest rate exchange or swap agreements, planning, development, construction, acquisition, maintenance, or operation of a district facility or to assist in such activity;

(4) To acquire, develop, construct, equip, transfer, donate, lease, exchange, mortgage, and encumber real and personal property in furtherance of district purposes;

(5) To collect and disburse funds for its activities;

(6) To collect taxes and other revenues;

(7) To borrow money and incur indebtedness and evidence the same by certificates, notes, bonds, debentures, or refunding of any such obligations for the purpose of paying all or any part of the cost of land, construction, development, or equipping of any facilities or operations of the district;

(8) To own or lease real or personal property for use in connection with the exercise of powers pursuant to this subsection;

(9) To provide for the election or appointment of officers, including a chairman, treasurer, and secretary. Officers shall not be required to be residents of the district, and one officer may hold more than one office;

(10) To hire and retain agents, employees, engineers, and attorneys;

(11) To enter into entertainment contracts binding the district and artists, agencies, or performers, management contracts, contracts relating to the booking of entertainment and the sale of tickets, and all other contracts which relate to the purposes of the district;

(12) To contract with a local government, a corporation, partnership, or individual regarding funding, promotion, planning, designing, constructing, improving, maintaining, or operating a project or to assist in such activity;

(13) To contract for transfer to a city, town, or village such district facilities and improvements free of cost or encumbrance on such terms set forth by contract;

(14) To exercise such other powers necessary or convenient for the district to accomplish its purposes which are not inconsistent with its express powers.

16. A district may at any time authorize or issue notes, bonds, or other obligations for any of its powers or purposes. Such notes, bonds, or other obligations:

(1) Shall be in such amounts as deemed necessary by the district, including costs of issuance thereof;

(2) Shall be payable out of all or any portion of the revenues or other assets of the district;

(3) May be secured by any property of the district which may be pledged, assigned, mortgaged, or otherwise encumbered for payment;

(4) Shall be authorized by resolution of the district, and if issued by the district, shall bear such date or dates, and shall mature at such time or times, but not in excess of forty years, as the resolution shall specify;

(5) Shall be in such denomination, bear interest at such rates, be in such form, be issued as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such manner, be payable in such place or places and subject to redemption as such resolution may provide; and

(6) May be sold at either public or private sale, at such interest rates, and at such price or prices as the district shall determine.

The provisions of this subsection are applicable to the district notwithstanding the provisions of section 108.170.

67.2530. 1. Any note, bond, or other indebtedness of the district may be refunded at any time by the district by issuing refunding bonds in such amount as the district may deem necessary. Such bonds shall be subject to and shall have the benefit of the foregoing provisions regarding notes, bonds, and other obligations. Without limiting the generality of the foregoing, refunding bonds may include amounts necessary to finance any premium, unpaid interest, and costs of issuance in connection with the refunding bonds. Any such refunding may be effected whether the bonds to be refunded then shall have matured or thereafter shall mature, either by sale of the refunding bonds and the

application of the proceeds thereof to the payment of the obligations being refunded or the exchange of the refunding bonds for the obligations being refunded with the consent of the holders of the obligations being refunded.

2. Notes, bonds, or other indebtedness of the district shall be exclusively the responsibility of the district payable solely out of the district funds and property and shall not constitute a debt or liability of the state of Missouri or any agency or political subdivision of the state. Any notes, bonds, or other indebtedness of the district shall state on their face that they are not obligations of the state of Missouri or any agency or political subdivision thereof other than the district.

3. Any district may by resolution impose a district sales tax of up to one-half of one percent on all retail sales made in such district that are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Upon voter approval, and receiving the necessary certifications from the governing body of the municipality in which the district is located, or from the circuit court if the district was formed by the circuit court, the board of directors shall have the power to impose a sales tax at its first meeting, or any meeting thereafter. Voter approval of the question of the imposing sales tax shall be in accordance with section 67.2520. [The sales tax shall become effective in those subdistricts that approve the sales tax on the first day of the first calendar quarter immediately following the passage of a resolution by the board of directors imposing the sales tax.

4. In each district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the district pursuant to this section to the retailer's sale price, and when so added, such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

5. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

6.] 4. All revenue received by a district from the sales tax authorized by this section shall be deposited in a special trust fund and shall be used solely for the purposes of the district. Any funds in such special trust fund which are not needed for the district's current expenditures may be invested by the district board of directors in accordance with applicable laws relating to the investment of other district funds.

[7.] 5. The sales tax may be imposed at a rate of up to one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the subdistricts approving the sales tax.

[8. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the district.

9. (1) On and after the effective date of any sales tax imposed pursuant to this section, the district shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The sales tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the district.

(2)] 6. **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.**

7. All [such] sales taxes [collected by the district] shall be deposited by the district in a special fund to be expended for the purposes authorized in this section. The district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each district and the general public.

[(3) The district may contract with the municipality that the district is within for the municipality to collect any revenue received by the district and, after deducting the cost of such collection, but not to exceed one percent of the total amount collected, deposit such revenue in a special trust account. Such revenue and interest may be applied by the municipality to expenses, costs, or debt service of the district at the direction of the district as set forth in a contract between the municipality and the district.

10. (1) All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons, and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment, or billing.

A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

(7) **8.** Subsequent to the initial approval by the voters and implementation of a sales tax in the district, the rate of the sales tax may be increased, but not to exceed a rate of one-half of one percent on retail sales as provided in this subsection. The election shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the increase of the sales tax before the voters of the district by resolution, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections, the election judges shall certify the election results to the district board of directors. The ballot of submission shall be in substantially the following form:

Shall (name of district) increase the (insert amount) percent district sales tax now in effect to..... (insert amount) in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of the increase, the increase shall become effective [December thirty-first of the calendar year in which such increase was approved] **as provided by section 32.087.**

[11.] **9.** (1) There shall not be any election as provided for in this section while the district has any financing or other obligations outstanding.

(2) The board, when presented with a petition signed by at least one-third of the registered voters in a district that voted in the last gubernatorial election, or signed by at least two-thirds of property owners of the district, calling for an election to dissolve and repeal the tax shall submit the question to the voters using the same procedure by which the imposing tax was voted. The ballot of submission shall be in substantially the following form:

Shall (name of district) dissolve and repeal the (insert amount) percent district sales tax now in effect in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

Such subsequent elections for the repeal of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the repeal of the sales tax before the voters of the district, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections the election judges shall certify the election results to the district board of directors.

(3) If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of the calendar year in which such repeal was approved or after the repayment of the district's indebtedness, whichever occurs later. **If the district abolishes the tax, the district shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

[12.] **10.** (1) At such time as the board of directors of the district determines that further operation of the district is not in the best interests of the inhabitants of the district, and that the district should dissolve, the board shall submit for a vote in an election held throughout the district the question of whether the district should be abolished. The question shall be submitted in substantially the following form:

Shall the theater, cultural arts, and entertainment district be abolished?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(2) The district board shall not propose the question to abolish the district while there are outstanding claims or causes of action pending against the district, while the district liabilities exceed its assets, while indebtedness of the district is outstanding, or while the district is insolvent, in receivership or under the jurisdiction of the bankruptcy court.

Prior to submitting the question to abolish the district to a vote of the entire district, the state auditor shall audit the district to determine the financial status of the district, and whether the district may be abolished pursuant to law. The vote on the abolition of the district shall be conducted by the municipal clerk of the city, town, or village in which the district is located. The procedure shall be the same as in section 67.2520, except that the question shall be determined by the qualified voters of the entire district. No individual subdistrict may be abolished, except at such time as the district is abolished.

(3) While the district still exists, it shall continue to accrue all revenues to which it is entitled at law.

(4) Upon receipt by the board of directors of the district of the certification by the city, town, or village in which the district is located that the majority of those voting within the entire district have voted to abolish the district, and if the state auditor has determined that the district's financial condition is such that it may be abolished pursuant to law, then the board of directors of the district shall:

(a) Sell any remaining district real or personal property it wishes, and then transfer the proceeds and any other real or personal property owned by the district to the city, town, or village in which the district is located, including revenues due and owing the district, for its further use and disposition;

(b) Terminate the employment of any remaining district employees, and otherwise conclude its affairs;

(c) At a public meeting of the district, declare by a resolution of the board of directors passed by a majority vote that the district has been abolished effective that date;

(d) Cause copies of that resolution under seal to be filed with the secretary of state and the city, town, or village in which the district is located. Upon the completion of the final act specified in this subsection, the legal existence of the district shall cease.

(5) The legal existence of the district shall not cease for a period of two years after voter approval of the abolition.

11. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section."; and

Further amend said bill, Page 26, Section 92.387, Line 2, by inserting after all of said section the following:

"94.578. 1. In addition to the sales tax authorized in section 94.577, the governing body of any home rule city with more than one hundred fifty-one thousand five hundred but less than one hundred fifty-one thousand six hundred inhabitants is hereby authorized to impose, by order or ordinance, a sales tax on all retail sales made within the city which are subject to sales tax under chapter 144. The tax authorized in this section may be imposed at a rate of one-eighth, one-fourth, three-eighths, or one-half of one percent, but shall not exceed one-half of one percent, shall not be imposed for longer than three years, and shall be imposed solely for the purpose of funding the construction, operation,

and maintenance of capital improvements in the city's center city. The governing body may issue bonds for the funding of such capital improvements, which will be retired by the revenues received from the sales tax authorized by this section. The order or ordinance shall not become effective unless the governing body of the city submits to the voters residing within the city at a state or municipal general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. The ballot submission for the tax authorized in this section shall be in substantially the following form:

Shall (insert the name of the city) impose a sales tax at a rate of (insert rate of percent) percent for [a] capital improvements purposes in the city's center city for a period of (insert number of years, not to exceed three) years?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question. In no case shall a tax be resubmitted to the qualified voters of the city sooner than twelve months from the date of the proposal under this section.

3. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in [section] **sections 32.085 to 32.087**. All revenue generated by the tax shall be deposited in a special trust fund and shall be used solely for the designated purposes. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director of revenue shall remit the balance in the account to the city and close the account of that city. The director of revenue shall notify each city of each instance of any amount refunded.

5. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

Shall (insert the name of the city) repeal the sales tax imposed at a rate of (insert rate of percent) percent for capital improvements purposes in the city's center city?

☐ YES

☐ NO

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters, and the repeal is approved by a majority of the qualified voters voting on the question. **If the city or county abolishes the tax, the city or county shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

6.
