337.150. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(3) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(4) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(5) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(4) Protect public health and safety.

13. The revision may be challenged only on grounds that the revision results in a material change to a rule.

(2) A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

2. (1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default or any other action to be taken by the commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits

conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(4) A compact state which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the U.S. District Court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact which arise among compact states and between compact and noncompact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

337.160. 1. The compact shall come into effect on the date on which the compact is enacted into law in the seventh compact state. The provisions which become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state which joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule which has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. (1) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(2) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(3) Withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a noncompact state which does not conflict with the provisions of this compact.

5. This compact may be amended by the compact states. No amendment to this compact shall become effective and binding upon any compact state until it is enacted into the law of all compact states.

337.165. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any state member thereto, the compact shall remain in full force and effect as to the remaining compact states."; and

3. The home state maintains authority over the license of any psychologist practicing into a receiving state under the authority to practice interjurisdictional telepsychology.

4. A psychologist practicing into a receiving state under the authority to practice interjurisdictional telepsychology will be subject to the receiving state's scope of practice. A receiving state may, in accordance with that state's due process law, limit or revoke a psychologist's authority to practice interjurisdictional telepsychology in the receiving state and may take any other necessary actions under the receiving state's applicable law to protect the health and safety of the receiving state's citizens. If a receiving state takes action, the state shall promptly notify the home state and the commission.

5. If a psychologist's license in any home state, another compact state, or any authority to practice interjurisdictional telepsychology in any receiving state, is restricted, suspended or otherwise limited, the E.Passport shall be revoked and therefore the psychologist shall not be eligible to practice telepsychology in a compact state under the authority to practice interjurisdictional telepsychology.

337.120. 1. Compact states shall also recognize the right of a psychologist, licensed in a compact state in conformance with section 337.110, to practice temporarily in distant states in which the psychologist is not licensed, as provided in the compact.

2. To exercise the temporary authorization to practice under the terms and provisions of this compact, a psychologist licensed to practice in a compact state shall:

3. A psychologist practicing into a distant state under the temporary authorization to practice shall practice within the scope of practice authorized by the distant state.

4. A psychologist practicing into a distant state under the temporary authorization to practice will be subject to the distant state's authority and law. A distant state may, in accordance with that state's due process law, limit or revoke a psychologist's temporary authorization to practice in the distant state and may take any other necessary actions under the distant state's applicable law to protect the health and safety of the distant state's citizens. If a distant state takes action, the state shall promptly notify the home state and the commission.

5. If a psychologist's license in any home state, another compact state, or any temporary authorization to practice in any distant state, is restricted, suspended or otherwise limited, the IPC shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state under the temporary authorization to practice.

337.125. A psychologist may practice in a receiving state under the authority to practice interjurisdictional telepsychology only in the performance of the scope of practice for psychology as assigned

by an appropriate state psychology regulatory authority, as defined in the rules of the commission, and under the following circumstances:

(1) The psychologist initiates a client/patient contact in a home state via telecommunications technologies with a client/patient in a receiving state;

(2) Other conditions regarding telepsychology as determined by rules promulgated by the commission.

337.130. 1. A home state shall have the power to impose adverse action against a psychologist's license issued by the home state. A distant state shall have the power to take adverse action on a psychologist's temporary authorization to practice within that distant state.

2. A receiving state may take adverse action on a psychologist's authority to practice interjurisdictional telepsychology within that receiving state. A home state may take adverse action against a psychologist based on an adverse action taken by a distant state regarding temporary in-person, face-to-face practice.

3. (1) If a home state takes adverse action against a psychologist's license, that psychologist's authority to practice interjurisdictional telepsychology is terminated and the E.Passport is revoked. Furthermore, that psychologist's temporary authorization to practice is terminated and the IPC is revoked.

(2) All home state disciplinary orders which impose adverse action shall be reported to the commission in accordance with the rules promulgated by the commission. A compact state shall report adverse actions in accordance with the rules of the commission.

(3) In the event discipline is reported on a psychologist, the psychologist will not be eligible for telepsychology or temporary in-person, face-to-face practice in accordance with the rules of the commission.

(4) Other actions may be imposed as determined by the rules promulgated by the commission.

4. A home state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law shall control in determining any adverse action against a psychologist's license.

5. A distant state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under temporary authorization practice which occurred in that distant state as it would if such conduct had occurred by a licensee within the home state. In such cases, distant state's law shall control in determining any adverse action against a psychologist's temporary authorization to practice.

6. Nothing in this compact shall override a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation shall remain non-public if required by the compact state's law. Compact states shall require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology or provide temporary psychological services under the temporary authorization to practice in any other compact state during the term of the alternative program.

7. No other judicial or administrative remedies shall be available to a psychologist in the event a compact state imposes an adverse action pursuant to subsection 3 of this section.

337.135. 1. In addition to any other powers granted under state law, a compact state's psychology regulatory authority shall have the authority under this compact to:

(1) Issue subpoenas, for both hearings and investigations, which require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a compact state's psychology regulatory authority for the attendance and testimony of witnesses, or the production of evidence from another compact state shall be enforced in the latter state by any court of competent jurisdiction, according to that court's practice and procedure in considering subpoenas issued in its own proceedings. The issuing state psychology regulatory authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses or evidence are located; and

(2) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice.

2. During the course of any investigation, a psychologist may not change his or her home state licensure. A home state psychology regulatory authority is authorized to complete any pending investigations of a psychologist and to take any actions appropriate under its law. The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of said investigation, the psychologist may change his or her home state licensure. The commission shall promptly notify the new home state of any such

decisions as provided in the rules of the commission. All information provided to the commission or distributed by compact states pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or disciplinary matters. The commission may create additional rules for mandated or discretionary sharing of information by compact states.

337.140. 1. The commission shall provide for the development and maintenance of a coordinated licensure information system "coordinated database" and reporting system containing licensure and disciplinary action information on all psychologist individuals to whom this compact is applicable in all compact states as defined by the rules of the commission.

2. Notwithstanding any other provision of state law to the contrary, a compact state shall submit a uniform data set to the coordinated database on all licensees as required by the rules of the commission, including:

(1) Identifying information;

(2) Licensure data;

(3) Significant investigatory information;

(4) Adverse actions against a psychologist's license;

(5) An indicator that a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice is revoked;

(6) Nonconfidential information related to alternative program participation information;

(7) Any denial of application for licensure, and the reasons for such denial; and

(8) Other information which may facilitate the administration of this compact, as determined by the rules of the commission.

3. The coordinated database administrator shall promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

4. Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

5. Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information shall be removed from the coordinated database.

337.145. 1. The compact states hereby create and establish a joint public agency known as the psychology interjurisdictional compact commission.

(1) The commission is a body politic and an instrumentality of the compact states.

(2) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

2. The commission shall consist of one voting representative appointed by each compact state who shall serve as that state's commissioner. The state psychology regulatory authority shall appoint its delegate. This delegate shall be empowered to act on behalf of the compact state. This delegate shall be limited to:

(2) Each commissioner shall be entitled to one vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the commission. A commissioner shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for commissioners' participation in meetings by telephone or other means of communication.

(3) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(4) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in section 337.150.

(5) The commission may convene in a closed, nonpublic meeting if the commission shall discuss:

(a) Noncompliance of a compact state with its obligations under the compact;

(b) The employment, compensation, discipline or other personnel matters, practices or procedures related to specific employees or other matters related to the commission's internal personnel practices and procedures;

(c) Current, threatened, or reasonably anticipated litigation against the commission;

(d) Negotiation of contracts for the purchase or sale of goods, services or real estate;

(e) Accusation against any person of a crime or formally censuring any person;

(f) Disclosure of trade secrets or commercial or financial information which is privileged or confidential;

(g) Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(h) Disclosure of investigatory records compiled for law enforcement purposes;

(i) Disclosure of information related to any investigatory reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility for investigation or determination of compliance issues pursuant to the compact;

(j) Matters specifically exempted from disclosure by federal and state statute.

(6) If a meeting, or portion of a meeting, is closed pursuant to subdivision (5) of subsection 3 of this section, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision. The commission shall keep minutes which fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, of any person participating in the meeting, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the commission or order of a court of competent jurisdiction.

4. The commission shall, by a majority vote of the commissioners, prescribe bylaws or rules to govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the powers of the compact, including but not limited to:

(1) Establishing the fiscal year of the commission;

(2) Providing reasonable standards and procedures:

(a) For the establishment and meetings of other committees; and

(b) Governing any general or specific delegation of any authority or function of the commission;

(3) Providing reasonable procedures for calling and conducting meetings of the commission, ensuring reasonable advance notice of all meetings and providing an opportunity for attendance of such meetings by interested parties, with enumerated exceptions designed to protect the public's interest, the privacy of individuals of such proceedings, and proprietary information, including trade secrets. The commission may meet in closed session only after a majority of the commissioners vote to close a meeting to the public in whole or in part. As soon as practicable, the commission shall make public a copy of the vote to close the meeting revealing the vote of each commissioner with no proxy votes allowed;

(4) Establishing the titles, duties and authority and reasonable procedures for the election of the officers of the commission;

(5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar law of any compact state, the bylaws shall exclusively govern the personnel policies and programs of the commission;

(6) Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees;

(7) Providing a mechanism for concluding the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of the compact after the payment or reserving of all of its debts and obligations.

5. (1) The commission shall publish its bylaws in a convenient form and file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the compact states;

(2) The commission shall maintain its financial records in accordance with the bylaws; and

(3) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

6. The commission shall have the following powers:

(1) The authority to promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rule shall have the force and effect of law and shall be binding in all compact states;

(2) To bring and prosecute legal proceedings or actions in the name of the commission, provided that the standing of any state psychology regulatory authority or other regulatory body responsible for psychology licensure to sue or be sued under applicable law shall not be affected;

(3) To purchase and maintain insurance and bonds;

(4) To borrow, accept or contract for services of personnel, including, but not limited to, employees of a compact state;

(5) To hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the compact, and to establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

(2) The executive board shall be comprised of six members:

(b) One ex officio, nonvoting member from the recognized membership organization composed of state and provincial psychology regulatory authorities.

(3) The ex officio member shall have served as staff or member on a state psychology regulatory authority and will be selected by its respective organization.

(4) The commission may remove any member of the executive board as provided in bylaws.

(5) The executive board shall meet at least annually.

(6) The executive board shall have the following duties and responsibilities:

(a) Recommend to the entire commission changes to the rules or bylaws, changes to this compact legislation, fees paid by compact states such as annual dues, and any other applicable fees;

(3) The commission may levy on and collect an annual assessment from each compact state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission which shall promulgate a rule binding upon all compact states.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the compact states, except by and with the authority of the compact state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

9. (1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

337.150. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission; and

(2) On the website of each compact states' psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.

5. The notice of proposed rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;

(3) A request for comments on the proposed rule from any interested person;

(4) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least twenty-five persons who submit comments independently of each other;

(2) A governmental subdivision or agency; or

(3) A duly appointed person in an association that has at least twenty-five members.

8. (1) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing.

(2) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(3) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(4) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(5) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of commission or compact state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

13. (1) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule.

(2) A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

2. (1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default or any other action to be taken by the commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(4) A compact state which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the U.S. District Court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact which arise among compact states and between compact and noncompact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

337.160. 1. The compact shall come into effect on the date on which the compact is enacted into law in the seventh compact state. The provisions which become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. 2. **For all tax years beginning on or before December 31, 2018,** a corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. (c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

b. "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state;

(e) For the purposes of this subdivision, a transaction involving the sale other than the sale of tangible property is "in this state" if the taxpayer's market for the sales is in this state. The taxpayer's market for sales is in this state:

a. In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this state;

For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are residenced in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders residenced in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders residenced in this state shall be subject to Missouri income tax as provided in this chapter.

10. The provisions of this section do not impact any other apportionment election available to a taxpayer under Missouri statutes.

143.456. 1. As used in this section, unless the context otherwise requires:

(1) "Apportionable income" means:

(a) All income that is apportionable under the Constitution of the United States and is not allocated under the laws of this state, including:

a. Income arising from transactions and activity in the regular course of the taxpayer's trade or business; and

b. Income arising from tangible and intangible property if the acquisition, management, employment, development or disposition of the property is or was related to the operation of the taxpayer's trade or business; and

(b) Any income that would be allocable to this state under the Constitution of the United States, but that is apportioned rather than allocated under the laws of this state;

(2) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed;

(3) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company;

(4) "Non-apportionable income" means all income other than apportionable income;

(5) "Public utility" means any business entity:

(a) Which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale, delivery, or furnishing of electricity, water or steam; and

(b) Whose rates of charges for goods or services have been established or approved by a federal, state or local government or governmental agency;

(6) "Receipts" means all gross receipts of the taxpayer that are not allocated under paragraphs of this section and that are received from transactions and activity in the regular course of the taxpayer's trade or business; except that receipts of a taxpayer from hedging transactions and from the maturity, redemption, sale, exchange, loan or other disposition of cash or securities, shall be excluded.

2. For all tax years beginning on or after January 1, 2019, any corporation having income from business activity which is taxable both within and without this state shall allocate and apportion its net income as provided in this section.

3. For purposes of allocation and apportionment of income under this section, a corporation is taxable in another state if:

(1) In that state it is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or

(2) That state has jurisdiction to subject the corporation to a net income tax regardless of whether, in fact, the state does or does not do so.

4. Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonapportionable income, shall be allocated as provided in subsections 5 through 8 of this section.

5. (1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocable to this state:

(a) If and to the extent the property is utilized in this state, or

(b) In their entirety if the corporation's commercial domicile is in this state and the corporation is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the corporation, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

6. (1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(a) The property had a situs in this state at the time of the sale, or

(b) The corporation's commercial domicile is in this state and the corporation is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the corporation's commercial domicile is in this state.

7. Interest and dividends are allocable to this state if the corporation's commercial domicile is in this state.

8. (1) Patent and copyright royalties are allocable to this state if and to the extent that:

(a) The patent or copyright is utilized by the payer in this state, or

(b) The patent or copyright is utilized by the payer in a state in which the corporation is not taxable and the corporation's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the corporation's commercial domicile is located.

9. All apportionable income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the total receipts of the taxpayer in this state during the tax period and the denominator of which is the total receipts of the taxpayer everywhere during the tax period.

10. Receipts from the sale of tangible personal property are in this state if:

(1) The property is delivered or shipped to a purchaser, other than the United States Government, within this state regardless of the f.o.b. point or other conditions of the sale; or

(2) The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and:

(a) The purchaser is the United States Government or

(b) The corporation is not taxable in the state of the purchaser.

11. (1) Receipts, other than receipts described in subsection 10 of this section, are in this state if the corporation's market for the sales is in this state. The corporation's market for sales is in this state in the case of:

(a) Sale, rental, lease or license of real property, if and to the extent the property is located in this state;

(b) Rental, lease or license of tangible personal property, if and to the extent the property is located in this state;

(c) Sale of a service, if and to the extent the service is delivered to a location in this state; and

(d) Intangible property, that is:

a. Rented, leased, or licensed, if and to the extent the property is used in this state, provided that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good or service is purchased by a consumer who is in this state; and

b. Sold, if and to the extent the property is used in this state, provided that:

(i) A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes all or part of this state;

(ii) Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease or licensing of such intangible property under subparagraph a. of paragraph (d) of subdivision (1) of this subsection; and

(iii) All other receipts from a sale of intangible property shall be excluded from the numerator and denominator of the receipts factor.

(2) If the state or states of assignment under subdivision (1) of this subsection cannot be determined, the state or states of assignment shall be reasonably approximated.

(3) If the corporation is not taxable in a state to which a receipt is assigned under subdivision (1) or (2) of this subsection, or if the state of assignment cannot be determined under subdivision (1) of this subsection or reasonably approximated under subdivision (2) of this subsection, such receipt shall be excluded from the numerator and denominator of the receipts factor.

(4) The director may prescribe regulations as necessary or appropriate to carry out the purposes of this section.

12. (1) If the allocation and apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(a) Separate accounting;

(b) The inclusion of one or more additional factors which will fairly represent the corporation's business activity in this state; or

(c) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(2) (a) If the allocation and apportionment provisions of this section do not fairly represent the extent of business activity in this state of corporations engaged in a particular industry or in a particular transaction or activity, the tax administrator may, in addition to the authority provided in subdivision (1) of this subsection, establish appropriate rules or regulations for determining alternative allocation and apportionment methods for such taxpayers.

(b) A regulation adopted pursuant to this section shall be applied uniformly, except that with respect to any corporation to whom such regulation applies, the corporation may petition for, or the director may require, adjustment pursuant to subdivision (1) of subsection 12 of this section.

(3) The party petitioning for, or the director requiring, the use of any method to effectuate an equitable allocation and apportionment of the corporation's income pursuant to subdivision (1) of this subsection must prove:

(a) That the allocation and apportionment provisions of this section do not fairly represent the extent of the corporation's business activity in this state; and

(b) That the alternative to such provisions is reasonable.

The same burden of proof shall apply whether the corporation is petitioning for, or the director is requiring, the use of any reasonable method to effectuate an equitable allocation and apportionment of the corporation's income. Notwithstanding the previous sentence, if the director can show that in any two of the prior five tax years, the corporation had used an allocation or apportionment method at variance with its allocation or apportionment method or methods used for such other tax years, then the director shall not bear the burden of proof in imposing a different method pursuant to subdivision (1) of this subsection.

(4) If the director requires any method to effectuate an equitable allocation and apportionment of the corporation's income, the director cannot impose any civil or criminal penalty with reference to the tax due that is attributable to the taxpayer's reasonable reliance solely on the allocation and apportionment provisions of this section.

(5) A corporation that has received written permission from the director to use a reasonable method to effectuate an equitable allocation and apportionment of the corporation's income shall not have that permission revoked with respect to transactions and activities that have already occurred unless there has been a material change in, or a material misrepresentation of, the facts provided by the corporation upon which the director reasonably relied.

13. For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(1) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(2) "Affiliate", the meaning as set forth in 15 U.S.C. section 80a-2(a)(3)(C), as may be amended from time to time;

(3) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares.

In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into under 15 U.S.C. section 80a-15(b), as may be amended from time to time;

(4) "Investment company", any person registered under the federal investment company act of 1940, as amended from time to time, or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to section 80a-3(c)(1) of the act;

(5) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under section 203 of the investment advisors act of 1940, as may be amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(6) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

(a) Pursuant to a contract with the investment company entered into under 15 U.S.C. section 80a-15(a), as may be amended from time to time;

(b) For a person that has entered into such contract with the investment company; or

(c) For a person that is affiliated with a person that has entered into such contract with an investment company;

(7) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(8) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

14. Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are residenced in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(1) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders residenced in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(2) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to subdivision (1) of this subsection. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(3) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

15. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state. Such report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. This subsection shall not apply to a railroad.

16. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

17. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting the same to or from another net income or loss shown by the return.

18. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

19. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

20. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect on Missouri taxable income of the deduction for net operating loss allowed by section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the

Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the deduction.

21. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders residenced in this state shall be subject to Missouri income tax as provided in this chapter.

143.461. 1. A corporation shall elect to determine income applicable to this state by multiplying the total income from all sources by the fraction determined in the manner in section 143.451; first, by filing written notice with the director of revenue on or before the due date of the return (including extensions of time) of the taxpayer's election, or, second, by failing to keep its books and records in such manner as to show the income applicable to this state, including gross income and deductions applicable thereto.

2. If the corporation shall keep its books and records so as to show by any other method of allocation between this state and other states involved of income from transactions partially within and partially without this state, including gross income and deductions applicable thereto, and such method shows the income applicable to this state, including gross income and deductions applicable thereto, then it may, on or before sixty days before the end of any taxable year, petition the director of revenue, in writing, to be permitted in its return required to be filed to apportion to this state according to the method shown by such books or records. If the director of revenue finds that such method does show the income applicable to this state including gross income and the deductions applicable thereto, he shall notify the corporation, at least thirty days prior to the last day on which such corporation's return for that taxable year is to be filed, that it may use that method as long as such method shows the income applicable to this state, including gross income and deductions applicable thereto.

3. The corporation shall cease using such method whenever the director of revenue finds and notifies such corporation on or before ninety days before the end of the taxable year, that such method does not so show. Upon and after such revocation the corporation shall be permitted to petition to use another method of allocation that will show such income including gross income and deductions applicable thereto as though no petition had ever been filed.

4. Failure, after a method has been revoked by the director of revenue, to submit a method which the director of revenue finds will show such income applicable to this state including gross income and deductions applicable thereto, on or before sixty days before the end of any taxable year, or failure to make a return on the basis, which has been approved by the director of revenue on petition of the corporation and which stands unrevoked, shall constitute an election to accept the determination of income applicable to this state by multiplying the total income from all sources by the fraction determined in the manner set forth in section 143.451.

5. If the allocation and apportionment provisions of section 143.456 or this section do not fairly represent the extent of the taxpayer's business activity in this state , the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;

(2) the inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(3) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income."; and

On motion of Representative Shaul (113), **House Amendment No. 3** was adopted.

Representative Kelley (127) offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 2540, Page 127, Section 135.313, Line 26, by inserting after all of said section and line the following:

"**135.760. 1. This section shall be known and may be cited as the "Missouri Earned Income Tax Credit Act".**

2. For purposes of this section, the following terms mean:

(1) "Department", the department of revenue;

(2) "Eligible taxpayer", a resident individual with a filing status of single, head of household, widowed, or married filing combined who is subject to the tax imposed under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, and who is allowed a federal earned income tax credit under Section 32 of the Internal Revenue Code of 1986, as amended;

(3) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.

3. For all tax years beginning on or after January 1, 2019, an eligible taxpayer shall be allowed a tax credit in an amount equal to twenty percent of the amount such taxpayer would receive under the federal earned income tax credit. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after

reduction for all other credits allowed thereon. If the amount of the credit exceeds the tax liability, the difference shall not be refunded to the taxpayer and shall not be carried forward to any subsequent tax year.

4. Notwithstanding the provision of subsection 4 of section 32.057 to the contrary, the department shall determine whether any taxpayer filing a report or return with the department who did not apply for the credit authorized under this section may qualify for the credit and, if so determines a taxpayer may qualify for the credit, shall notify such taxpayer of his or her potential eligibility. In making a determination of eligibility under this section, the department shall use any appropriate and available data including, but not limited to, data available from the Internal Revenue Service, the U.S. Department of Treasury, and state income tax returns from previous tax years.

5. The department shall prepare an annual report containing statistical information regarding the tax credits issued under this section for the previous tax year, including the total amount of revenue expended on the earned income tax credit, the number of credits claimed, and the average value of the credits issued to taxpayers whose earned income falls within various income ranges determined by the department.

6. The department shall contract with one or more nonprofit group to provide notice of the earned income tax credit to eligible taxpayers. The department shall require evidence of the effectiveness of the nonprofit group, the connection with the community in which the group operates, and the ability to contact taxpayers that are unlikely to claim the federal earned income tax credit including, but not limited to, non-English speakers, the elderly, tenants, and very low-income taxpayers who do not file tax returns annually. The department shall give preference to nonprofit groups with members in low- and moderate-income areas, to nonprofit groups with at least fifty-one percent of its board of directors having low to moderate incomes and residing in target communities, and to nonprofit groups that have a record of effective door-to-door outreach for similar community projects.

7. The director of the department shall promulgate rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 5

AMEND House Committee Substitute for House Bill No. 2540, Page 134, Section 143.225, Line 47, by inserting after all of said section and line the following:

"143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, or the manner set forth in subdivision (3) of this subsection:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

b. "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

c. Not "wholly in this state" or not "partly within this state and partly without this state" only if both the seller's shipping point and the purchaser's destination point are outside this state.

(d) For purposes of this subdivision:

a. The purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state;

(e) For the purposes of this subdivision, a transaction involving the sale other than the sale of tangible property is "in this state" if the taxpayer's market for the sales is in this state. The taxpayer's market for sales is in this state:

a. In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this state;

b. In the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this state;

c. In the case of sale of a service, if and to the extent the ultimate beneficiary of the service is located in this state and shall not be in this state if the ultimate beneficiary of the service rendered by the taxpayer or the taxpayer's designee is located outside this state; and

d. In the case of intangible property:

(i) That is rented, leased, or licensed, if and to the extent the property is used in this state by the rentee, lessee, or licensee, provided that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good or service is purchased by a consumer who is in this state. Franchise fees or royalties received for the rent, lease, license, or use of a trade name, trademark, service mark, or franchise system or provides a right to conduct business activity in a specific geographic area are "used in this state" to the extent the franchise location is in this state; and

(ii) That is sold, if and to the extent the property is used in this state, provided that:

i. A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes all or part of this state;

ii. Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of such intangible property under item (i) of this subparagraph; and

iii. All other receipts from a sales of intangible property shall be excluded from the numerator and denominator of the sales factor;

(f) If the state or states of assignment under paragraph (e) of this subdivision cannot be determined, the state or states of assignment shall be reasonably approximated;

(g) If the state of assignment cannot be determined under paragraph (e) of this subdivision or reasonably approximated under paragraph (f) of this subdivision, such sales shall be excluded from the denominator of the sales factor;

(h) The director may prescribe such rules and regulations as necessary or appropriate to carry out the purposes of this section.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment

company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are residenced in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders residenced in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

(6) Notwithstanding the Multistate Tax Compact, sections 32.200 to 32.240; this section; and section 143.461 to the contrary, sales and business transactions shall not include any intercompany transactions between corporations of an affiliated group that file a consolidated income tax return in this state. For purposes of this subdivision, "affiliated group" has the same meaning as that term is defined under 26. U.S.C. Section 1504(a) and "intercompany transaction" has the same meaning as that term is defined under 26 C.F.R. Section 1.1502-13.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this

state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by **the** fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders residenced in this state shall be subject to Missouri income tax as provided in this chapter.

10. The provisions of this section do not impact any other apportionment election available to a taxpayer under Missouri statutes **unless explicitly stated in this section**."; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTIETH DAY, THURSDAY, APRIL 5, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Say to them that are of a fearful heart, be strong, fear not; behold your God will come and save you. (Isaiah 35:4)

Almighty and Everlasting God, who has made this earth a magnificent place in which we can live, reveal to us Your will and renew Your love in us that by responding to You we may learn to live together in peace and love.

Help us to feel Your presence within us this day seeking to guide us as we determine our decisions and striving to assist us in leading our people along the roads to righteousness and love, and our State along the ways of justice and peace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-ninth day was approved as printed.

CORRECTION TO THE HOUSE JOURNAL

AFFIDAVIT

I, State Representative Justin Hill, District 108, hereby state and affirm that my vote was incorrectly recorded as "absent with leave" on the motion by which HB 2012 was read the third time and passed on Page 1504 of the Journal of the House for the Forty-sixth day, Thursday, March 29, 2018. Pursuant to House Rule 94, I ask that the Journal be corrected to note that I was in the chamber while the board was open, and I did, in fact, vote “Yes.”

IN WITNESS WHEREOF, I have hereunto subscribed my hand to this affidavit on this 5th day of April, 2018.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTY-FIRST DAY, MONDAY, APRIL 9, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Representative Rick Brattin.

Our good and gracious Heavenly Father, we come before You today humbly seeking after Your guidance and Your unchanging truth to call all in the chamber to live out a life of faith, holiness, and righteousness in accordance with Your holy word, not giving lip service to faith but living out our faith in action.

As John, the apostle of love, wrote in 1 John 2:3-4: *Now by this we know that we know Him, if we keep His commandments. He who says, "I know Him," and does not keep His commandments, is a liar, and the truth is not in him.*

We are indeed a state and a people in whom "God we trust," a people in full submission to Your authority and to Your moral absolutes. Help each person here to be bold and courageous and to do what is right according to God regardless the cost!

In Your son Jesus Christ's name we pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jordyn Cassaday and Camden Cassaday.

The Journal of the fiftieth day was approved as printed by the following vote:

On motion of Representative Kelly (141), the title of **HB 2286** was agreed to.

Representative Baringer offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 2286, Page 9, Section 301.010, Line 297, by inserting immediately after said section and line the following:

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days, or no more than ninety days if the dealer is selling the motor vehicle under the provisions of section 301.213. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. The director of the department of revenue shall have authority to produce or allow others to produce a weather resistant, nontearing temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days, or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 301.213, from the date of purchase. The temporary permit authorized under this section may be purchased by the purchaser of a motor vehicle or trailer from the central office of the department of revenue or from an authorized agent of the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has registered and is awaiting receipt of registration plates. The director of the department of revenue or a producer authorized by the director of the department of revenue may make temporary permits available to registered dealers in this state, authorized agents of the department of revenue or the department of revenue. The price paid by a motor vehicle dealer, an authorized agent of the department of revenue or the department of revenue for a temporary permit shall not exceed five dollars for each permit. The director of the department of revenue shall direct motor vehicle dealers and authorized agents to obtain temporary permits from an authorized producer. Amounts received by the director of the department of revenue for temporary permits shall constitute state revenue; however, amounts received by an authorized producer other than the director of the department of revenue shall not constitute state revenue and any amounts received by motor vehicle dealers or authorized agents for temporary permits purchased from a producer other than the director of the department of revenue shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of title to be collected by the director of the department of revenue under section 301.190. No motor vehicle dealer, authorized agent or the department of revenue shall charge more than five dollars for each permit issued. The permit shall be valid for a period of thirty days, or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 301.213, from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and are not impaired in any way.

5. The permit shall be issued on a form prescribed by the director of the department of revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer purchased to enable the applicant to temporarily operate the motor vehicle while proper title and registration plates are being obtained, or while awaiting receipt of registration plates, and shall be displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable**, [**~~and~~**]** shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer**, and shall be returned to the department or to the department's agent upon the issuance of such proper registration plates. Any temporary permit returned to the department or to the department's agent shall be immediately destroyed. The provisions of this subsection shall not apply to temporary permits issued for commercial motor vehicles licensed in excess of twenty-four thousand pounds gross weight**. The director of the department of revenue shall determine the size, material, design, numbering configuration, construction, and color of the permit. The director of the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer while proper title and registration are being obtained.

6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's

date of issuance and expiration date. Upon the issuance of a temporary permit by either the central office of the department of revenue, a motor vehicle dealer or an authorized agent of the department of revenue, the director of the department of revenue shall make the information associated with the issued temporary permit immediately available to the law enforcement community of the state of Missouri.

7. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of motor vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

8. The provisions of subsections 4, 5, and 6 of this section shall expire July 1, 2019.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

10. Notwithstanding the provisions of section 301.217, the director may issue a temporary permit to an individual who possesses a salvage motor vehicle which requires an inspection under subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has been issued shall be limited to the most direct route from the residence, maintenance, or storage facility of the individual in possession of such motor vehicle to the nearest authorized inspection facility and return to the originating location. Notwithstanding any other requirements for the issuance of a temporary permit under this section, an individual obtaining a temporary permit for the purpose of operating a motor vehicle to and from an examination facility as prescribed in this subsection shall also purchase the required motor vehicle examination form which is required to be completed for an examination under subsection 9 of section 301.190 and provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required in section 307.350.

11. The director of the department of revenue may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

12. The repeal and reenactment of this section shall become effective on the date the department of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits described in subsection 4 of such section, or on July 1, 2013, whichever occurs first. If the director of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits prior to July 1, 2013, the director of the department of revenue shall notify the revisor of statutes of such fact."; and

Five percent of such moneys shall be payable to the city treasury of the city from which such funds were collected. The remaining ninety-five percent of such moneys shall be payable to the director of revenue. The funds received by the director of revenue pursuant to this subsection shall be distributed as follows:

(1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;

(2) Beginning on September 1, 2004, and on the first of each month the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.

7. These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency.

8. In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C **[**~~or~~**] ,** D**, or E** felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252 relating to fish and game, chapter 302 relating to drivers' and commercial drivers' license, chapter 303 relating to motor vehicle financial responsibility, chapter 304 relating to traffic regulations, chapter 306 relating to watercraft regulation and licensing, and chapter 307 relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain separate records of collection for alcohol-related offenses.

11. The state courts administrator shall include in the annual report **form** required by section **[**~~476.350~~**] 476.412** the circuit court caseloads and the number of crime victims' compensation judgments entered.

12. All awards made to injured victims under sections 595.010 to 595.105 and all appropriations for administration of sections 595.010 to 595.105, except sections 595.050 and 595.055, shall be made from the crime victims' compensation fund. Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080 requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

15. Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor.

16. The department may receive gifts and contributions for the benefit of crime victims. Such gifts and contributions shall be credited to the crime victims' compensation fund as used solely for compensating victims under the provisions of sections 595.010 to 595.075."; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTY-SECOND DAY, TUESDAY, APRIL 10, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Restore unto me the joy of Thy salvation: and uphold me with Thy free spirit. (Psalm 51:12)

Almighty God, to whom all hearts are open, all desires are known, and from whom no secrets are hidden, make Your power known to us throughout the hours of this day. Fill our minds with wisdom, our hearts with love, and our spirits with the desire to walk humbly in the way of Your commandments.

We are glad that we are citizen-legislators living in this blessed state of Missouri. Let no violence, prejudice or discord dim our vision of people living together harmoniously and working for peace plus justice.

Bless our Speaker, our Members of this House of Representatives, and all who work under the dome of this Capitol. Bless every individual citizen that the sacred rights of freedom may be ours forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Alaina McAlister.

The Journal of the fifty-first day was approved as printed by the following vote:

□ YES □ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

The governing bodies of the eligible city and eligible county may place the ballot question before qualified voters through ordinance, resolution, or other appropriate means, and such governing bodies may place additional language on the ballot to describe the use or allocation of the revenues generated by the tax. The ballot question may also be placed before the voters through petition to the election authorities of such eligible city and eligible county by providing, no later than ninety days prior to the proposed election date, a petition signed by the registered voters of such eligible city and eligible county, of not less than one percent of the number of votes cast in each jurisdiction at the most recent general election for governor. Any such resubmission of such proposal shall comply with the provisions of this section. If any action at law or equity, or other legal proceeding, shall be brought against any commissioner for any act or omission arising out of the performance of duties as a commissioner, the commissioner shall be indemnified in whole and held harmless by the commission for any judgment or decree entered against the commissioner and shall be defended at the expense of the commission in any such proceeding.

5. The governing bodies of a member of the district that adopts the sales tax authorized under this section shall submit the question of whether to continue the tax to the voters ten years from the date of the implementation of the tax and every ten years thereafter on a date available for elections for the city. The ballot language shall be in substantially the following form:

Further amend said page and section, Line 9, by inserting after all of said line the following:

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset 12 years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Taylor assumed the Chair.

On motion of Representative Haefner, **House Amendment No. 1** was adopted.

Representative Swan offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 2140, Page 1, Section A, Line 2, by inserting after all of said line the following:

"34.010. 1. The term "department" as used in this chapter shall be deemed to mean department, office, board, commission, bureau, institution, or any other agency of the state, except the legislative and judicial departments **and public institutions of higher education**.

2. The term "lowest and best" in determining the lowest and best award, cost, and other factors are to be considered in the evaluation process. Factors may include, but are not limited to, value, performance, and quality of a product.

3. The term "Missouri product" refers to goods or commodities which are manufactured, mined, produced, or grown by companies in Missouri, or services provided by such companies.

4. The term "negotiation" as used in this chapter means the process of selecting a contractor by the competitive methods described in this chapter, whereby the commissioner of administration can establish any and all terms and conditions of a procurement contract by discussion with one or more prospective contractors.

5. The term "purchase" as used in this chapter shall include the rental or leasing of any equipment, articles or things.

6. The term "supplies" used in this chapter shall be deemed to mean supplies, materials, equipment, contractual services and any and all articles or things, except for utility services regulated under chapter 393 or as in this chapter otherwise provided.

7. The term "value" includes but is not limited to price, performance, and quality. In assessing value, the state purchaser may consider the economic impact to the state of Missouri for Missouri products versus the economic impact of products generated from out of state. This economic impact may include the revenues returned to the state through tax revenue obligations."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Swan, **House Amendment No. 2** was adopted.

Representative Lavender offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 2140, Page 1, Section A, Line 2, by inserting the following after all of said line:

"34.040. 1. All purchases in excess of **[**~~three~~**] ten** thousand dollars shall be based on competitive bids, except as otherwise provided in this chapter.

2. On any purchase where the estimated expenditure shall be **[**~~twenty-five~~**] one hundred** thousand dollars or over, except as provided in subsection 6 of this section, the commissioner of administration shall:

(1) Advertise for bids in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before bids for such purchases are to be opened. Other methods of advertisement, which may include minority business purchase councils, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post a notice of the proposed purchase in his or her office; and

(3) Solicit bids by mail or other reasonable method generally available to the public from prospective suppliers. All bids for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening bids.

3. The contract shall be let to the lowest and best bidder. The commissioner of administration shall have the right to reject any or all bids and advertise for new bids, or purchase the required supplies on the open market if they can be so purchased at a better price. When bids received pursuant to this section are unreasonable or unacceptable as to terms and conditions, noncompetitive, or the low bid exceeds available funds and it is determined in writing by the commissioner of administration that time or other circumstances will not permit the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this section, provided that each responsible bidder who submitted such bid under the original solicitation is notified of the determination and is given a reasonable opportunity to modify their bid and submit a best and final bid to the state. In cases where the bids received are noncompetitive or the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

4. The director of the department of revenue shall follow bidding procedures as contained in this chapter and may promulgate rules necessary to establish such procedures. No points shall be awarded on a request for proposal for a contract license office to a bidder for a return-to-the-state provision offer.

5. All bids shall be based on standard specifications wherever such specifications have been approved by the commissioner of administration. The commissioner of administration shall make rules governing the delivery, inspection, storage and distribution of all supplies so purchased and governing the manner in which all claims for supplies delivered shall be submitted, examined, approved and paid. The commissioner shall determine the amount of bond or deposit and the character thereof which shall accompany bids or contracts.

6. The department of natural resources may, without the approval of the commissioner of administration required pursuant to this section, enter into contracts of up to five hundred thousand dollars to abate illegal waste tire sites pursuant to section 260.276 when the director of the department determines that urgent action is needed to protect public health, safety, natural resources or the environment. The department shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

7. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise.

8. The commissioner of administration shall be authorized to hold a reverse auction to procure merchandise, supplies, raw materials, or finished goods if price is the primary factor in evaluating bids. The office of administration shall promulgate rules regarding the handling of the reverse auction process. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

34.042. 1. When the commissioner of administration determines that the use of competitive bidding is either not practicable or not advantageous to the state, supplies may be procured by competitive proposals. The commissioner shall state the reasons for such determination, and a report containing those reasons shall be maintained with the vouchers or files pertaining to such purchases. All purchases in excess of **[**~~five~~**] ten** thousand dollars to be made under this section shall be based on competitive proposals.

2. On any purchase where the estimated expenditure shall be **[**~~twenty-five~~**] one hundred** thousand dollars or over, the commissioner of administration shall:

(1) Advertise for proposals in at least two daily newspapers of general circulation in such places as are most likely to reach prospective offerors and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before proposals for such purchases are to be opened. Other methods of advertisement, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post notice of the proposed purchase; and

(3) Solicit proposals by mail or other reasonable method generally available to the public from prospective offerors.

All proposals for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening proposals. Proposals shall be opened in a manner to avoid disclosure of contents to competing offerors during the process of negotiation.

3. The contract shall be let to the lowest and best offeror as determined by the evaluation criteria established in the request for proposal and any subsequent negotiations conducted pursuant to this subsection. In determining the lowest and best offeror, as provided in the request for proposals and under rules promulgated by the commissioner of administration, negotiations may be conducted with responsible offerors who submit proposals selected by the commissioner of administration on the basis of reasonable criteria for the purpose of clarifying and assuring full understanding of and responsiveness to the solicitation requirements. Those offerors shall be accorded fair and equal treatment with respect to any opportunity for negotiation and subsequent revision of proposals**; however, a request for a proposal may set forth the manner for determining which offerors are eligible for negotiation including, but not limited to, the use of shortlisting**. Revisions may be permitted after submission and before award for the purpose of obtaining best and final offers. In conducting negotiations there shall be no disclosure of any information derived from proposals submitted by competing offerors. The commissioner of administration shall have the right to reject any or all proposals and advertise for new proposals or purchase the required supplies on the open market if they can be so purchased at a better price.

4. The commissioner shall make available, upon request, to any members of the general assembly, information pertaining to competitive proposals, including the names of bidders and the amount of each bidder's offering for each contract.

34.044. 1. The commissioner of administration may waive the requirement of competitive bids or proposals for supplies when the commissioner has determined in writing that there is only a single feasible source for the supplies. Immediately upon discovering that other feasible sources exist, the commissioner shall rescind the waiver and proceed to procure the supplies through the competitive processes as described in this chapter. A single feasible source exists when:

(1) Supplies are proprietary and only available from the manufacturer or a single distributor; or

(2) Based on past procurement experience, it is determined that only one distributor services the region in which the supplies are needed; or

(3) Supplies are available at a discount from a single distributor for a limited period of time.

2. On any single feasible source purchase where the estimated expenditure shall be **[**~~five~~**] ten** thousand dollars or over, the commissioner of administration shall post notice of the proposed purchase. Where the estimated expenditure is **[**~~twenty-five~~**] one hundred** thousand dollars or over, the commissioner of administration shall also advertise the commissioner's intent to make such purchase in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders or offerors and may provide such information through an electronic medium available to the general public at least five days before the contract is to be let. Other methods of

advertisement, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased. The requirement for advertising may be waived, if not feasible, due to the supplies being available at a discount for only a limited period of time.

34.047. Notwithstanding any provision in section 34.040, section 34.100, or any other law to the contrary, departments shall have the authority to purchase products and services related to information technology when the estimated expenditure of such purchase shall not exceed **[**~~seventy-five~~**] one hundred fifty** thousand dollars, the length of any contract or agreement does not exceed twelve months, the department complies with the informal methods of procurement established in section 34.040, and 1 CSR 40-1.050(1) for expenditures of less than **[**~~twenty-five~~**] one hundred** thousand dollars, and the department posts notice of such proposed purchase on the online bidding/vendor registration system maintained by the office of administration. For the purposes of this section, "information technology" shall mean any computer or electronic information equipment or interconnected system that is used in the acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of information, including audio, graphic, and text."; and

Further amend said bill, page, and section, Line 9, by inserting the following after all of said line:

"34.353. 1. Each contract for the purchase or lease of manufactured goods or commodities by any public agency, and each contract made by a public agency for construction, alteration, repair, or maintenance of any public works shall contain a provision that any manufactured goods or commodities used or supplied in the performance of that contract or any subcontract thereto shall be manufactured or produced in the United States.

2. This section shall not apply where the purchase, lease, or contract involves an expenditure of less than **[**~~twenty-five~~**] one hundred** thousand dollars. This section shall not apply when only one line of a particular good or product is manufactured or produced in the United States.

3. This section shall not apply where the executive head of the public agency certifies in writing that:

(1) The specified products are not manufactured or produced in the United States in sufficient quantities to meet the agency's requirements or cannot be manufactured or produced in the United States within the necessary time in sufficient quantities to meet the agency's requirements;

(2) Obtaining the specified products manufactured or produced in the United States would increase the cost of the contract by more than ten percent;

(3) The specified products are to be purchased or leased by a state-supported four-year institute of higher education and such certification as required by subdivision (1) or (2) of this subsection has been made within the last three years;

(4) The specified products are to be purchased or leased by a publicly supported institution and such certification as required by subdivision (1) or (2) of this subsection has been made within the last three years; or

(5) The political subdivision has adopted a formal written policy to encourage the purchase of products manufactured or produced in the United States.

4. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contacted by the public agency or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

5. Certificates required by this section shall be maintained by the public agency for a period of three years." and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Lavender, **House Amendment No. 3** was adopted.

On motion of Representative Haefner, **HCS HB 2140, as amended**, was adopted.

VACANCIES: 002

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let the peace of God rule in your hearts and be ye thankful. (Colossians 3:15)

O Great God, we rejoice in the dawning of another day and pray that we may be so conscious of Your presence and so receptive to the guidance of Your spirit that we may walk more respectably and peacefully in Your ways. We know You are with us and we want to acknowledge that we are with You.

Deepen our faith, increase our love, and strengthen our hands that we may be faithful to You, devoted to our State, and true to the best within us. We do not ask You to remove hard decisions but to give us power to meet them courageously, to manage them confidently, and to master them creatively. We do not pray for tasks equal to our strength but for strength equal to our tasks; not for responsibilities we can carry easily but for an inner peace to carry our responsibilities however heavy and serious.

Give to us such greatness of character, such gentleness of spirit, and such goodness of heart that we may do our duties with due respect for the dignity and rights of others. May we be just and kind in all our ways and honest and straightforward through all our days.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Lucas Bailey.

April 11, 2018

/s/ Chairman Jay Barnes
/s/ Vice-chairman Don Phillips
/s/ Ranking Member Gina Mitten
/s/ Rep. Jeanie Lauer

/s/ Rep. Kevin Austin
/s/ Rep. Shawn Rhoads
/s/ Rep. Tommie Pierson Jr.

SENSITIVE CONTENT WARNING

This report contains content of a sensitive and sexual nature. The House Special Investigative Committee on Oversight has kept descriptions of an adult nature and coarse language in order to provide an unfiltered record of witness testimony. In some cases, the identities of witnesses and sensitive information have been redacted from the record to protect privacy.

HISTORY OF THE COMMITTEE

The House Special Investigative Committee on Oversight (the Committee) was formed by Speaker Todd Richardson on February 27, 2018, and consists of seven members: Chairman Jay Barnes, Vice-chairman Don Phillips, Ranking Member Gina Mitten, Rep. Jeanie Lauer, Rep. Kevin Austin, Rep. Shawn Rhoads, and Rep. Tommie Pierson Jr.

House Resolution 5565, adopted by a unanimous vote of the House of Representatives on March 1, 2018, established procedures for the Committee. In particular, HR 5565 empowered and required the Committee to "investigate allegations against Governor Eric R. Greitens" and "report back to the House of Representatives within forty days of such committee being appointed[.]" It further permitted the Committee to close all or a portion of hearings to hear testimony or review evidence, and to redact testimony transcripts and other evidence to protect witness identities or privacy.

Subpoenas were issued to compel the appearance of witnesses and the production of documents. Every witness before the Committee testified under oath.

- On February 22, 2018, Speaker Todd Richardson indicated he would form a committee to investigate allegations against Governor Greitens (Greitens). In response, counsel for Greitens stated that they would "welcome reviewing this issue with the independent, bipartisan committee of the Missouri House of Representatives." Counsel promised to "work with the committee," after faulting the Circuit Attorney for the City of St. Louis for refusing to meet with Greitens.[1]

- On February 27, 2018, the Committee was formed by Speaker Todd Richardson.

- On February 28, 2018, Chairman Barnes made contact with attorneys Ed Dowd, Counsel for Greitens; Scott Simpson, counsel for Witness 1; and Al Watkins, counsel for Witness 3. Requests were made for production of documents.

- Counsel for Witnesses 1 and 3 timely responded to the Committee's request for documents. Counsel for Greitens declined to provide any documents, stating that they were under a non-disclosure order from the Circuit Court of the City of St. Louis in an existing criminal case not to disclose documents from that case. However, the Committee notes that only one of the requests for documents to Greitens involved documents from the current pending case.

- On March 7, 2018, pursuant to subpoena, the Committee took testimony from Witness 1.

- On March 9, 2018, pursuant to subpoena, the Committee took testimony from Witness 2, who identified herself as a close friend of Witness 1, and Witness 3, the ex-husband of Witness 1.

- On March 12, 2018, pursuant to subpoena, the Committee took testimony from Witness 4, a close friend of Witness 1.

[1] See Ex. 23, Correspondence with Greitens' Counsel.

- On March 22, 2018, Chairman Barnes sent requests for sworn answers to interrogatories to counsel for Greitens, and requested that counsel be prepared at a meeting the next morning to provide available dates and times at which Greitens could testify before the Committee.

- On March 23, 2018, Chairman Barnes, Vice-chairman Phillips, and staff attorneys Alex Curchin and Alixandra Hallen met informally with Ed Dowd, counsel for Greitens and Ross Garber, counsel for the Office of the Governor of Missouri. Chairman Barnes informed counsel that, although Greitens did not have a constitutional right to testify before the Committee at this point, the Committee was treating the process as if he did. Chairman Barnes requested that counsel inform the Committee by Monday, March 26, 2018 whether Greitens intended to exercise or waive his right to testify before the Committee at this point in time.

- On March 26, 2018, counsel for Greitens informed the Committee that Greitens would decline to testify before the Committee at this point in time. The Committee notes that Greitens has the constitutional right to so decline, and that the Committee has treated this process as if he also has the right to testify at this point in time.

- On April 3, 2018, the Committee met to discuss the process for redactions of the record and drafting of this report.

- On April 5, 2018, the Committee met to vote on redactions of the record and discuss a draft of this report.

LIMITATIONS OF THE COMMITTEE

The Committee operated under significant time and resource constraints pursuant to the resolution. The Committee also notes that Greitens has declined to participate in this fact-finding process at this time. Greitens declined to provide the requested testimony, documents, and sworn answers to interrogatories. Greitens enjoys a fifth amendment constitutional right not to testify in his criminal trial – and before this Committee. Yet, it is also true that he enjoys a constitutional right to testify in his criminal trial if he so chooses. Further, this Committee treated the process to date as if Greitens also had a right to testify before it.

Greitens has effectively waived the right to testify before this Committee at this point in time. Thus, to the extent this report does not include Greitens' perspective, that is the result of his choice not to participate. While disappointing to the Committee, his failure to participate is not held by the Committee as an indication of the truthfulness of the allegations. Finally, the Committee also notes that Greitens will be afforded further opportunities to present evidence should additional proceedings of the Committee be deemed necessary.

Finally, this Committee was not tasked with recommending specific actions for the House of Representatives or Senate to take following this report. Instead, the Committee's purpose, per HR 5565, is to determine, to the best extent possible, the underlying evidence to allegations made against Greitens. Accordingly, while individual members of the Committee may have recommendations and beliefs about appropriate actions given these facts, those beliefs are the Committee members' as individual representatives, not of the committee as a whole. The Committee also notes that the seriousness of this process is such that it would be inappropriate for it to make recommendations after a series of closed hearings and before other elected officials and the public have been made aware of the facts included in this report.

FINDINGS OF THE COMMITTEE

A. Conduct in Relation to Witness 1

Based on the testimony and evidence received by the Committee to date, the Committee finds reason to believe the following:

1. The Committee finds Witness 1 to be an overall credible witness.

2. Witness 2, a confidant of Witness 1, testified she has known Witness 1 for ten years.[2]

3. Witness 3 authenticated a surreptitious recording of a conversation with Witness 1 that took place on March 25, 2015, approximately four days after Witness 1's sexual encounter with Greitens.

4. Witness 4, a confidant of Witness 1, testified that she has known Witness 1 for thirty years, dating back to elementary school.[3]

5. Greitens declined the opportunity to testify and failed to respond to the Committee's request for production of documents and sworn answers to written interrogatories.[4] The Committee notes that Greitens has the constitutional right to so decline, and that the Committee has treated this process as if he also has the right to testify at this point in time.

6. Witness 1, a hair stylist, met Greitens in 2013, when he became her client.[5] Witness 1 testified:

> He became a regular client of mine. And – I don't know. I saw him pretty regularly, unless he was traveling. Seemed pretty typical…we got to know each other pretty well, and I thought he was great. I thought he was this perfect guy. I probably knew too much about what he had maybe done in the past, as far as – I knew – I knew that he was an author, I knew he was a motivational speaker, I knew he was a Navy SEAL. I knew he had volunteered at the Mother Theresa House…I don't want to say that he was speaking highly of himself, but he found a way to tell me these things, and so I just thought he was wonderful.[6]

7. From the fall of 2014 to March 2015, Greitens did not make any appointments with Witness 1. Then, on or about March 7, 2015, Greitens returned for a haircut:[7]

> [W]hen I saw Eric was coming in that time, I was super nervous because he was one of – you know, really, my only client that I had somewhat of a crush on and thought he was this great guy, and so I just felt kind of nervous having him come in, and because I thought that maybe he didn't come in to see me after that time because he felt bad flirting with me, because he was having a baby soon.[8]

8. Witness 1 testified that, during the March 7 appointment, Greitens moved his hand up her leg and "all the way up to [her] crotch" without her consent.[9]

9. On or about March 7, Greitens attempted to call Witness 1 on her cell phone, but she did not answer.[10] Witness 1 explained her feelings:

> I was at least curious. Did he have the same feelings for me? Was he going through something similar with his wife? Why did he feel like he could do that? Because he didn't know I was separated. So, anyway – so I was at least curious. I didn't want to talk to him, but I did want him to call me.[11]

10. On or about March 14, Witness 1 called Greitens while she was out with friends in the Central West End area of St. Louis. Witness 1 testified:

> [W]e were trying to have a conversation in code of sorts, like, I'm really – my friend is really curious – she's in a situation. She was really curious what happened and why…you know, it was kind of in code. The way he was talking, I could tell he was most likely at his house because he wasn't really talking.
>
> And – so he said, Actually – hey can you meet me outside of Starbucks in an alley – oh, because he asked me where I was, and I said – I was in the Central West End with some of my friends…[12]

11. They met for a few minutes in an alleyway behind Starbucks. There was no sexual contact during this meeting. Witness 1 testified:

> [H]e asked where I was, and I said I was at a restaurant in the Central West End – a Mexican restaurant there. And he said, Well, can you meet me in a few minutes in the alleyway behind Starbucks, because I think I have a solution to your friend's problem. So I said, Okay. And I went over to kind of where he was talking about behind the Starbucks, and I was, like, shaking, because I was nervous to even be talking to him like this. And he kind of hugged me and just said, Listen, calm down, it's not – it'll be okay. I have an idea of, you know, of a time when we can talk about this openly. Next weekend, my wife is going out of town, you can come over to my house, we can discuss these things, because … I have to get back to my house in a minute.[13]

12. On Friday, March 20, Witness 1 called Greitens from her salon and told him, "I don't feel comfortable coming to your house, can you please meet me at Starbucks or Coffee Cartel?" Greitens responded that he could not be seen in public with her because he was running for office and people would be watching him, especially in the Central West End. Instead, he insisted they meet at his house where she could "come in through the back door, nobody will see you, we can talk, you can get back to work, it'll be fine."[14]

13. Witness 1 arrived at the backdoor to Greitens' home at approximately 7 a.m. on Saturday, March 21.[15]

14. Witness 1 had to be at work by approximately 7:45 a.m. that morning.[16]

15. Upon entering the home, Greitens made a "shush motion" to Witness 1, took her purse and keys, removed all items from her purse and searched it, patted her down from head-to-toe, and then went back outside to check if anyone had seen her enter the home.[17]

16. Witness 1 testified that she was nervous, and Greitens attempted to calm her down. Greitens asked if she could come back later after she finished working. Witness 1 informed him that she would be finished at 4:00 p.m., but that she had to pick her children up at that time so she could not return that afternoon. Witness 1 then testified to the following:

> [H]e said, Well, okay, I have this idea. And I thought about you so much, and I have this idea, and it's to make you feel good. I feel like you haven't been treated good in so long. And I said, Well, I want to talk to you. I want to know what is going on in your relationship. You don't even know

> what's going on in mine. And he said, I know…but we don't have a whole lot of time. Have you exercised today?
>
> It was like he was on a mission, sort of, like this kind of high energy – it was kind of high energy. And I said, No I haven't exercised. And he said, Will you let me take you through an exercise – like, through a workout? I just have this idea. It's going to make you feel so good and – for whatever reason, I trusted him, thought this is okay, this is – somehow we're going to get to this – I don't know – I'm going to leave here feeling more clarified that, obviously, he has feeling for me.[18]

17. Witness 1 explained that Greitens had prepared clothes for her to change into:

> So he said, I have these clothes I want you to put on. He had clothes sitting on his countertop. I want you to go change into these – take off all of your stuff – take off everything you're wearing and put on these clothes. And I just kind of looked at him like, Oh, God, what do you have? And he said, Just trust me. … I just want to make you feel good.
>
> So I went – he has, like, a little bathroom off his kitchen, and I went in there, changed into these clothes. The shirt was his – like, a man's white T-shirt that he had cut a slit at the top, and the pants were men's pajama pants.[19]

18. When Witness 1 emerged from the bathroom wearing the clothes Greitens had set out for her, Witness 1 testified that Greitens told her he would show her "how to do a proper pull-up." Witness 1 testified that she believed "this is going to be some sort of sexy workout."[20] She explained, "I thought this was going to be some sort of, like, sexy workout. I knew he – he had asked if I worked out that morning. I knew he – he said he had this idea that – something that would be – make me feel really good and I did work out, because he wanted to take me through a workout. And at this point I thought – we hadn't worked out together ever, so I thought, Oh, maybe it'll be some sort of – I don't know – sexy workout."[21]

19. Witness 1 testified that she "was shocked" and "confused" at that point in time:

> I still really thought he was perfect. He definitely knew – I know I had made it clear I had not cheated on my husband before and that, you know, I didn't want to do anything physical with him. So I think I was just confused, kind of shocked. And I was curious enough – he likes me this much that he has something planned for our workout? I don't know. I – I guess more than anything, confused."[22]

20. At that point, Witness 1 testified that she would not have been "okay with a normal sexual encounter with him if he said, Hey I just want to have sex in the basement."[23]

21. When asked if she thought she was being led into a "a situation," Witness 1 testified:

> I did. But at this point, not a bad situation...More that he had a plan and – like I said, I think I really thought maybe he will, you know, have some sort of sexy workout planned, which is why – because he said, Change your clothes into these, and I said, What do you mean? And he said, I just want to take you through a workout, come on. Just trust me. I want to make you feel good. And I

> just feel like you haven't been treated good in so long. So at this point, it was more curiosity / confusion.[24]

22. Upon entering the basement, Witness 1 testified that Greitens taped her hands to pull-up rings with "this gauzed tape stuff" and then put a blindfold on her. Witness 1 testified that these items were laying on a "workout bench right there, and that's where he had that stuff."[25]

23. Witness 1 testified to Greitens' demeanor at the time, stating, "[H]e kind of had this controlling sort of – again, it almost as if he had a – like we were on a movie set. So he's got this whole thing down of what he was going to say or whatever, but he was super – he was in a controlled state, which at this point was intriguing to me."[26]

24. Witness 1 testified that Greitens then spit water into her mouth:

> And then he said, First, before we start a workout, you have to be hydrated and puts water in his mouth and tries to spit it in my mouth, at which point I realized he's trying to kiss me, but I don't even want to kiss him. …
>
> So I just spit it out. He does it and he's like, You're not going to be a bad girl, are you? Tries to do it again, to which I just let it dribble out, because I didn't even want to kiss him.[27]

25. Witness 1 testified that she had not spoken to that point, and that Greitens then, "[S]tarts kissing down my neck and he starts kissing kind of like down to my chest. And he takes the shirt and rips it open."[28]

26. Witness 1 testified that she did not consent to Greitens' tearing of the shirt, exposing her.[29]

27. Witness 1 testified that Greitens then commented on a scar on Witness 1's stomach, before "kissing down [her] stomach" and "pull[ing] down [her] pants."[30]

28. Witness 1 testified she did not consent to Greitens pulling her pants down to her ankles.[31]

29. After Greitens pulled down her pants, Witness 1 testified, "[T]hen I hear him kind of, like, step back – take a step back and I hear – I can hear like a, like a cell phone – like a picture, and I can see a flash through the blindfold."[32]

30. Witness 1 testified that she felt like her "privacy was invaded."[33]

[31] Tr. W1 at 72:12-14, responding in the negative to question posed by Rep. Mitten.
[32] Tr. W1 at 23:19-23; 62:3-24, testifying that Greitens admitted to her that he took the picture and that she "could hear it and [she] could see the flash;" Tr. W1 at 78:13-25, testifying again to hearing a click, seeing a flash, and that Greitens "acknowledge[d] it after he took it and sa[id], I'm going to put this picture everywhere. And then whenever [she] came back, telling [her] that he had erased it;" Ex. 1 at 17:24 to 18:2, stating four days later, "[H]e stepped back, and I saw a flash through the blindfold, and he said, 'You're never going to mention my name, otherwise there will be pictures of [you] everywhere."
[33] Tr. W1 at 65:17-24, responding in the affirmative to question posed by Rep. Phillips. The Committee notes that this question was related to a general feeling of invasion of privacy and not necessarily to the elements required for a conviction under §565.252, RSMo.

31. Witness 1 testified that she never saw an actual picture.[34] Nor did she recall "the first time she saw his phone."[35]

32. On April 9, 2018, the Committee was made aware of a motion filed in the criminal case by Greitens' counsel that asserted Witness 1 testified as follows:

> Q: Did you ever see him in possession of a camera or phone?
> A: Not to my knowledge. I didn't see him with it.
>
> Q: And as you sit here now, you cannot state under oath that you ever saw him in possession of a camera – with a camera or a phone?
> A: Correct.
>
> Q: And you can't say you saw it on his person, you can't say you saw him put it down in the kitchen, take it from the kitchen, or put it down anywhere in the basement. Those are all correct statements, are they not?
> A: Yes, I cannot say.

The motion notes that, when asked by the Assistant Circuit Attorney, "did you see what you believed to be a phone?" Witness 1 answered, "… I haven't talked about it because I don't know if it's because I'm remembering it through a dream or I – I'm not sure, but yes, I feel like I saw it after that happened, but I haven't spoken about it because of that."[36]

33. When asked whether she had reason to believe a photograph of her was transmitted in a way that allowed access via a computer, Witness 1 stated she knew "he had an iPhone … And if he had iCloud, yes."[37]

34. The committee does not possess any physical or electronic evidence of a photograph or its transmission.[38]

35. Witness 1 testified that Greitens then said, "You're not going to mention my name. Don't even mention my name to anybody at all, because if you do, I'm going to take these pictures, and I'm going to put them everywhere I can. They are going to be everywhere, and then everyone will know what a little whore you are."[39]

36. Witness 1 explained her reaction:

> I just stood there, because I was like What the fuck? He doesn't have feelings for me, he just wants to fuck me. So anyways, I was completely silent. I didn't say anything, especially – so I didn't even – my husband traveled for a living, and I didn't even let him get pictures of me. So I

[36] The Committee notes that it includes these quotes in the absence of a full transcript from the deposition. It does so in reliance upon Greitens' counsels' obligation of candor as officers of the court. The Committee also notes that, on March 23, 2018, Chairman Barnes informed Greitens' counsel that the Committee would support a motion by either party to the criminal case to make an exception to the current non-disclosure order in that case. "However, in the event any such evidence is provided, we would insist on having the complete set of evidence. In other words, we will not accept cherry-picked evidence from either the Circuit Attorney's office or your client." Greitens' counsel's motion may be found in Exhibit 23. Counsel for Witness 1 responded with a statement and an email asserting that said motion "mischaracterizes" her deposition testimony. Counsel for Witness 1's statement and email is labeled Exhibit 24.
[37] Tr. W1 at 103:18-25.
[38] The Committee's requests for documents and sworn answers to interrogatories directed to Greitens sought photographs and information identifying all computing devices and electronic communications accounts under Greitens' custody or control during the relevant period. Greitens declined to respond.
[39] Tr. W1 at 23:24 to 24:5.

> just stood there quietly, and then he came up close to me and he said, Are you going to say anything? Are you going to mention my name? Of course, in my head, I was screaming, Fuck, all I want to do is tell people right now. I'm dying. This is the most embarrassing thing that's ever happened to me. So I just didn't answer at all, and then he spanked me and said, Are you going to mention my name? And I said – I just gritted through my teeth and I said, No. And he's like Good – now that's a good girl and was, like, back in his – whatever – you know, the thing that he had in his mind, the thing that he was going to do with me.[40]

37. Witness 1 testified that Greitens began kissing down her stomach again, and "as soon as he got, like, low on me, I just started freaking out and I started ripping down my hands. I was like, Get me out of here. I'm not ready for this. I don't want this. I don't want this."[41]

38. Witness 1 described her emotions at that point:

> I was definitely fearful. I was so embarrassed and ashamed, because I really felt like a whore because I had let him get me in this position before we've even kissed. I felt really used. I felt like what the – who are you? I think it was the thing that just kept playing through my mind is, who are you? What is this? What is this? Oh, my God, where am I? Get me out of here – because I just kept saying, Get me out of here. I'm not ready for this. It was also, too, that feeling of, I came here not wanting to do anything – nothing.[42]

39. Witness 1 testified that after she stated, "I don't want this," Greitens "stood up and started helping me take down this tape. He was like…calm down, it's okay. It's okay."[43]

40. Witness 1 testified that she responded by stating, "No I'm leaving, I'm leaving." However, as soon as she "start[ed] walking out – or going to go up the stairs, … he grabs me and like – like, in a bear hug, and was like, Shh, shh, it's okay, calm down, calm down, and like, lays me down on this ground in the basement. … Not, like, hard, like – I mean, I was like a puddle of – no. I just, like, was crying."[44]

41. Witness 1 then testified:

> So he was laying there and I was laying next to him just crying – like uncontrollably crying. And he was like, Shh, shh, it's okay, it's okay. That's all he was really saying at this point. And he was trying to, like fondle my body. …
>
> I'm bawling my eyes out. Yeah, so I'm still crying. And then he's like – I can tell he's still, like, in it – he's still in this – in this thing that he's got in his mind of whatever he's doing, and he's still like messing with me.
>
> He starts undoing his pants, and he takes his penis out and puts it, like, near where my face is. And I'm like – so this guy literally just wants me for this, and this is all he wants, and then he'll let me – because at this point, too, I also know I have to be at work, and he's not going to let me leave, because he's obviously still horny. So I gave him oral sex at this point.[45]

42. Witness 1 further testified that Greitens pulled his pants down and "pulled his penis out…max, six inches or something" from her face while she was still crying and felt that she had no other choice if she were going to get out of the basement.[46]

43. As to whether she consented to oral sex at that point, Witness 1 testified, "It's a hard question because I did it – it felt like consent, but, no, I didn't want to do it."[47] She further explained, "Coerced, maybe. I felt as though that would allow me to leave. That's what he wanted – I felt that's what he wanted…."[48] Witness 1 then agreed with the statement that she "didn't feel necessarily able to leave without performing oral sex."[49] She further testified, "Looking back, yes" she believed that saying no when she was bound and blind-folded extended to not consenting to further contact, but, "In the moment, I was so emotional" and that one of the emotions was "definitely" fear for her "physical self."[50]

44. Later, Witness 1 presented conflicting testimony as to whether she was physically afraid at that particular moment. When directly asked, "Did you feel afraid to leave?," she answered, "No. Not at this point. I feel like he hadn't gotten what he wanted," but also affirming she was crying, under duress, felt as if she had no other choice if she was going to get out of the basement at that moment, and that it was only after feeling she had no other choice that she performed oral sex.[51]

45. Witness 1 testified that after performing oral sex, "He did exactly what I thought he would do. He was just like, Okay. I literally got up – he didn't stop me from leaving. I walked upstairs, went into the bathroom, got dressed, and left and went to work."[52]

46. Witness 1 forgot her keys and had to return to Greitens' house to retrieve them after work.[53]

47. Witness 1 testified that Greitens was waiting for her when she returned at the end of her workday at 4:00 p.m. She testified that she then confronted Greitens about the picture:

> [H]e was already in the kitchen and opened the door and said, You forgot your keys. I said, Yeah. And I was obviously pissed. And he said, You're angry. And I said, I'm really angry. I'm so angry. That is not at all what I wanted to do, Eric. And he said, I know, I know, I just – I kept thinking about you. And I said, No, you took a freaking picture of me. My husband doesn't even have a picture of me. You took a picture of me. And he said, I know…but you have to understand, I'm running for office, and people will get me, and I have to have some sort of thing to protect myself. And I thought about you, though, and I felt bad, so I erased it. To which – you know, I didn't believe him, but at least, he, like, acknowledged that it was messed up and had a reason why[.][54]

48. Witness 1 further testified that after she and Greitens talked for a while:

> [H]e was back to kind of being that guy that I knew from the salon. It was extremely charismatic, very – kept looking at me straight in my eyes and engaged – like, I felt like he cared about me. He kept trying to hug me and touch me and kind of fondle me, meaning, like maybe hugging me and

> trying to put his hand up my shirt. And at this point, it – I was really kind of mixed, because I hated him from earlier, but I also loved the man that I knew before[.][55]

49. Witness 1 further testified that she had never been photographed in a state of partial or complete nudity either before or after March 21, 2015.[56]

50. Witness 2 testified that she spoke with Witness 1 within days of the encounter between Witness 1 and Greitens on March 21, 2015. Witness 2's testimony about the contents of her conversation with Witness 1 is consistent with key portions of Witness 1's testimony before the Committee. Witness 2 testified that, in an emotional phone call,[57] Witness 1 told her:

a. "Greitens had suggested that she come over to his house, that she had said that she really didn't feel comfortable going there, that she would rather do something like talk at a coffee shop. He said that he could not do that because he could not be seen in public with her. And so – that he wanted her to come over to his house. And it was within walking distance of…where she worked, and that she did – she did end up going over there."[58]

b. "She had went into his house, that he was trying to make her feel comfortable because she was nervous. He had given her some sort of loungewear – some sort of lounge pant to put on and some sort of T-shirt – not what she wore over there, but clothes that he had had, and that he invited her down to his basement to teach her how to do a proper pull-up – she's really into fitness."[59]

c. "She went downstairs. He had bound her hands to some sort of pull-up equipment with some sort of tape that he had, put a blindfold over her eyes. He had ripped her shirt and pulled down her pants some, because – she has a...a scar[.]...He had made some comment about that."[60]

d. "She had seen a flash through the blindfold and that he had taken a picture."[61]

e. "[S]he did not consent" to the taking of the picture. "She said she was embarrassed and shocked that he had said that she had better not mention his name because he would then distribute the pictures."[62]

f. "[S]he was embarrassed and upset. She was married, so she was worried about the stuff being out. She has a family that she's close to, that she had gotten upset, and that Greitens was trying to comfort her, telling her that it was going to be okay, and that she did end up performing oral sex on him. … I think it was on a floor – a basement floor. She was upset, and he was consoling her. That's the only thing I can remember from that, besides the actual fact."[63]

g. "[S]he had went back upstairs. She got back to the salon. She had forgotten her keys there, so she had to go back to his house. She was upset, she was angry, she was embarrassed, and that he said, Just don't worry about it; I have deleted the picture."[64]

51. Witness 4 testified that she spoke with Witness 1 soon after the encounter between Witness 1 and Greitens on March 21, 2015. Witness 4's testimony about the contents of her conversation with Witness 1 are

consistent with key portions of Witness 1's testimony before the Committee. Witness 4 testified that Witness 1 told her:

a. "She said that she went to his home and that when she entered his home he had checked her for bugs as far as being bugged, wired I guess, and made her disrobe into one of his dress shirts. And he checked her purse and her belongings for any devices, recording devices."[65]

b. "[A]fter he had blindfolded her that she had saw a flash type and recognized that he had taken a photograph of her, and he said that if you mention my name that I'll put this out there or put this on the Internet, something to that effect. And she got very upset and wanted to get down, wanted him to get her down."[66]

c. "[W]hen he said that to her about the photograph or that incident that he sounded different and that she was afraid at that point."[67]

d. "[H]e helped her down, and was trying to comfort her. She was very upset. Freaking out was how she described it. And said that – he said that 'I deleted it. I deleted it."[68]

e. "I don't know when this incident occurred. I'm not sure if it was from the original encounter or not, I don't know, but there's pieces of things that we've talked about and she had described an encounter where she was really upset and that she had given him oral sex and she said that she just did it so that she could leave."[69]

52. On March 24 or 25, 2015, Witness 1 testified that she decided that she had to tell Witness 3 about the encounter. The resulting conversation was recorded by Witness 3 without her knowledge or consent, and portions of it have been broadcast on television.[70] Witness 3 promised their conversation would not "leave the car."[71] Witness 1's statements in the conversation are consistent with key portions of her testimony before the Committee. In that conversation, Witness 1 told Witness 3:

a. "I met Eric a year ago and I instantly had a big crush on him. No, I never flirted with him. Never confided in him except for I talked about…and he helped me with that and just talked about life and whatever. He is very motivating. That's his personality. He's very persuasive. He never flirted with me other than complimenting me a couple of times on, 'Oh, I really like your hair like that,' or whatever."[72]

b. "[H]e quit coming in, and then I didn't see him at all for five months. Like I wasn't lying about that. And then he came in, it was a Friday, and I was so nervous to even have him come in because I knew that I had those feelings, those unexplained feelings of I shouldn't have a crush on anybody; I'm married; this is so stupid. So then I had really bad anxiety."[73]

c. "He came in. Knowing that I felt better whenever he came in and I felt more calm and that made me feel better, but while I was shampooing his hair and telling him about my class – at first I thought it was just me, but then I realized it wasn't. He was – I was in the middle of talking and he was doing 'this' to my leg. And at first I ignored it because I didn't know if that was just me, and then I realized he was doing that and I said, 'Eric, you need" – well, I said, 'You need to stop.' And he looked at me

and he said, 'What?' And then I said, 'You know what you're doing. I know what you're doing. You need to stop.' And he didn't say anything. And then he came back and sat down in the chair and I said – because there was silence. And I said, 'Is that why you didn't come in here for five months?' And he said, 'Yes.' Or, no, he said, 'Maybe.' Because I guess he was attracted to me."[74]

d. That she met Greitens on the weekend of March 14, but "nothing happened on the 14th," but that she had met him outside and he told her that he wanted to see her the next weekend.[75]

e. "[O]n Friday, I called him from work and said, 'I'm going home. … I cannot come over. … I would like to discuss or to try to get all of these thoughts away from me. Will you just meet me for coffee or something so that way we can just talk'. And he said, 'No, I can't – I can't be seen with you. This is wrong.' And I said, 'I know.' So he said, 'Just please come to my house.'"[76]

f. "So on Saturday morning before my first client, I did go to his house. … For the first time. Ever. Like I said, nothing period, had ever happened or taken place until this snowball. This fucking tornado just happened. I know I brought it on. I showed up and I said, 'I'm only here to talk.' And he said, 'I know.' I said, 'I just want to tell you I feel like you're always hope because I don't know your relationship.' He doesn't talk about his relationship, at all. He didn't talk about himself at all, so I don't even know. But I said, 'I just had a feeling that you wouldn't be attracted to me if you didn't have a wife with a baby. I'm just trying to process why I'm feeling this way, and I hate it. I really hate it.' And then he – basically had been fantasizing about me, tried to live out that fantasy. He just coaxed me, kept talking to me gently and touching me, whatever he could do to still have that fantasy play out. And I did it."[77]

g. "I was so confused with emotion. I can't even believe it because it's not really in my character. I don't even fucking know. I'm so confused. He said, 'I'll make you feel better. I'll make you feel good. Come downstairs. I want to show you how to do a proper pullup.' And I knew that he was being sexual, and I still let him. And he used some sort of tape, I don't know what it was, and taped my hands to these rings and then put a blindfold on me."[78]

h. "And said, 'If you're going to do proper pullups, you need to know how to drink,' and I guess put water in his mouth and tried to pour it in mine and it scared me. And I spit because I didn't want to kiss him. I mean, I'm so …. I thought …. I thought."[79]

i. "He just kept touching me over my clothes and just kept touching me. And then undid my clothes. I just didn't say anything at all. I didn't – I was just completely numb. I didn't even know. I was just numb. I just stood there and didn't fucking know. I was so – he was sort of messing with me with his hands."[80]

j. "[A]nd he stepped back, and I saw a flash through the blindfold, and he said, 'You're never going to mention my name, otherwise there will be pictures of [you] everywhere.' … He said, 'You're not going to mention my name, are you?' I didn't say anything. I didn't realize what – I don't know what the fuck I'm doing. And then he asked me again. And I just said, 'No.'"[81]

k. "And then he tried kissing my stomach and tried to kiss me down there but didn't quite get there because I flipped out and I said, 'You need to stop. I don't want this. I don't want this. I don't want this.' And he instantly stood up and freaked out and took off the blindfold and undid my hands and said, 'I'm really sorry. Oh, my God…I'm so sorry. I thought – I want to be – I want to make you feel better."[82]

l. "I left my fucking keys at his place and so I had to go back and get the fucking keys after work. … And I showed up, said, 'I'm so sorry for what happened earlier. I'm just obsessed over you; it's wrong and in real life, but I need to not do that. I know. I love my wife, and I'm really sorry. And we should not ever talk again, and I hope that you get everything figured out. … I said, 'Well, I'm leaving.' He said, 'Just stay for a little while longer, please.' And I said, 'No, I really have to go.' 'Please just stay.' And then he held me for a long time and then made me feel better, just kept kind of touching me. … I just – it was like, I don't know 45 minutes of me being there, me leaving, and then him going, 'You know, are you sure you really want to go? I'm just never going to see you after this and.' … And that was it." Witness 1 stated that she never touched him, but, "He kept touching me," that he turned her on, "and then didn't, did both," she felt "every emotion."[83]

m. When Witness 3 said, "You've been half-raped and blackmailed," Witness 1 responded simply, "Yes."[84]

n. When Witness 3 asked why she was "not going to tell anybody," Witness 1 responded, "When I came back, I said to him, 'I'm very, very pissed off at you. I'm grossed out. I'm so pissed off.' He said, 'I know.' 'You took a picture.' He said, '…, it's just because I fantasized about you, I fantasized about all these things, and you could ruin my life. And – but I erased it.'"[85]

53. Greitens came in for an appointment with Witness 1 approximately a week and a half or two weeks after her conversation with Witness 3. Witness 1 testified that Greitens first question was, "You didn't tell anybody, did you?" Witness 1 told Greitens that she had not, and Greitens told her that he could not quit thinking about her and wanted to see her again.[86]

54. The next time Witness 1 met Greitens was for another appointment at the salon, for which Greitens arrived 30 minutes early so that he was the first appointment of the day. Witness 1 testified, "When he showed up, I consensually kissed him – so that would have been like the first time that I was – that was totally my decision. He came in – at that time we stayed clothed and everything, but essentially made out. And then he – my client – my coworkers showed up, I did his hair and he left."[87]

55. The next encounter between Witness 1 and Greitens occurred in May 2015. Witness 1 was reading a book outside her salon when Greitens drove by, stopped his car, and invited Witness 1 to his house that evening. Witness 1 agreed to meet him for "a little bit" and went to Greitens' house sometime around 6:30 p.m. She entered through the backdoor again, and the two of them had consensual oral sex.[88]

56. The next encounter occurred on a Saturday in June 2015. Witness 1 testified:

> I went out with a few of my girlfriends after work and then went over to his house afterwards. So this – my guess would have been 10:00 p.m., kind of later. And at first was consensual, you know – he has a spare bedroom upstairs and took me up there, and we were, like making out at this point. My guess is at least seminude at this point. And he looks at me and asked me … have you

> been intimate with anybody? And I said, What do you mean? And he said, Well, since you and I started – because he knew that I had been separated from my husband. And I said, Well, I slept with my husband – because I know at some point I had. And he slapped me across my face, just like hard to where I was like, What? Eric, what in the heck? You're married. Why would – what do you mean? And he just said, No. Like, that was – you're mine. This is – what do you mean you slept with your husband? You are not supposed to be sleeping with him, you know? And I said, I think you're screwed up from being in the Navy[.][89]

57. Witness 1 testified that she did not believe the slap was intended to physically hurt her. Instead, she said, "I felt like he was trying to claim me."[90] The slap did not leave a mark but "was just jarring. It wasn't sweet and gentle; it was forceful."[91]

58. Witness 1 testified that immediately afterwards, "[W]e laid there and talked about him being in the Navy and what happened there. Because I know we talked about – there was a bomb that went off – I don't know. That was pretty much our conversation after that, because it was just bizarre."[92]

59. Witness 2 testified that she spoke with Witness 1 after the slapping incident, and that Witness 1 had told her:

> [H]e was communicating with her through a TracPhone, and that she had went there. His wife was out of town, that she had – he had asked if she had any sort of sexual relationship with anybody since they had been together last. She stated that she had had sex with her husband – her husband at the time, and that that had made him angry, and that he had slapped her in the face and called her a whore.[93]

60. Witness 1 testified that she spoke with Greitens a few times over the next week via a burner phone that he had purchased, and then "saw him one more time, which was in the morning before work." Greitens asked if she wanted to come over to workout. Witness 1 testified:

> [W]e did exercise and went through, like, a workout, and then at the end of it, then it turned sexual in nature. And at first it was fine, and then we were in a position that would have been as if we were having sex, like doggy style, but we didn't ever have intercourse throughout all of the times that I saw him. So he was essentially, like fingering me and – but in that position, and out of nowhere, just, like, kind of smacked me and grabbed me and shoved me down on the ground.
>
> And I instantly just started bawling and was just like, What is wrong with you? What is wrong with you? And I just laid there crying while he was just like…you're fine, you're fine. You know, not really – I think he was just – I don't know. Maybe that's normal, but, to me, it's not. So, after that, I got ready and left and went to work.[94]

61. Witness 1 testified that this incident "might have actually left a mark":

> [I]t actually hurt, and I know that I actually was really scared and sad when that happened. The only reason why I say it might have actually left a mark is because I can remember afterwards looking in a mirror – so it was only maybe a week and a half, two weeks, tops, later that my husband and I were back together of sorts – at least considering it. I remember looking in the

62. Witness 1 testified that Greitens was waiting for her when she left work that afternoon. He told Witness 1 "there's an issue" and she needed to follow him in her car. Eventually, they pulled into a parking lot by a Kmart and Greitens asked her to get in his car. He then told her, "Somebody has emailed my wife today. I think it's this Democratic operative that lives in my neighborhood." Witness 1 suspected it was actually Witness 3, and her belief was confirmed by later testimony and documents from Witness 3.[96] Witness 1 testified that Greitens informed her that he planned to fly out to see his wife, convince her that Witness 1 was "running in the neighborhood," "came up to the door to get a book for [her] daughter," and that Greitens gave her a tour of the house and she "went out the back way." Witness 1 then told Greitens that they should not see each other again in any setting. She testified, "I said, No, do not come into the salon. This is not fair to me, this is not fair to your wife, just leave me alone."[97]

63. In October 2015, Greitens came into the salon again and the receptionist told him Witness 1 had just had a cancelled appointment that Greitens could fill. Witness 1 then told Greitens again that she did not want to see him anymore. Greitens informed Witness 1 that his wife "doesn't think anything." After telling Witness 3 of the encounter that evening, Witness 1 then sent Greitens an email stating, "Please think of everyone involved and just leave me alone. Don't come in at all."[98] Greitens never returned and Witness 1 never saw him again.[99]

64. When asked why she would continue to have contact with Greitens after the first encounter, Witness 1 testified:

> I've asked myself that so many times. I think it comes down to a few things. One, I felt really disgusted with myself that I allowed that first time to happen. Really embarrassed that he thought of me as a whore. And so after my – I told my husband and he was clear that he did not want anything to do with me, that he wanted to move into an apartment, and when Eric came back in and he was normal and so kind to me, that felt so much better and it allowed me to just ignore any of those bad feelings about myself, in particular. Because if I thought he was this horrible person, I really felt shameful of myself.
>
> And so, I think I just wanted to feel better about it. I didn't want to think that he thought of me as just a whore. I wanted to think that he actually really liked me and wanted to have a relationship with me of sorts.[100]

65. Witness 1 testified that she thought it was her intent at the time to have a relationship with Greitens:

> I think at the time – I think – I don't even know. I think just to feel better than whatever I felt the day before. Because then I would have – we had chunks of time where we didn't see each other where I did feel more like myself, I started to feel better. And then when I would see him, it was almost like this excitement would build up, and then I would feel, you know, a ton of emotions again, and then I would feel awful and disgusting and I hated myself and it was horrible. And then I would start to feel better, and then he would come in again – you know, it was just such an up and down. Because I didn't want to be involved with somebody who was married. I didn't want to

be having any feelings for him, in particular because I was so embarrassed about the first encounter. He basically made it clear that he felt that I was a thing to him.[101]

66. Witness 4 testified that she had a similar impression of Witness 1's motivation to continue to have contact with Greitens. She testified that Witness 1 "was very embarrassed by what had happened. She had been called a whore by her husband and felt as though she was a whore to Eric and was trying to find some thing that she felt that he cared about her for her to feel okay with herself. She was very critical of herself."[102]

67. Greitens declined to testify, stating through counsel that he would be willing to testify at the conclusion of the criminal trial. Greitens also declined to provide documents, or answer interrogatories under oath:[103]

a. On February 28, 2018, Chairman Barnes sent a request for production of documents to counsel for Greitens that included four requests, including one request for all documents produced in the criminal case against Greitens. Subsequent to the request, an order was entered prohibiting disclosure of information in that case. Accordingly, Greitens' counsel was prohibited from releasing the documents called for in one of the requests. However, the Committee's request was broader than the documents that had been disclosed in the criminal case, and Greitens' counsel did not provide those documents.

b. From February 28 to March 23, 2018, Chairman Barnes engaged in several conversations with Greitens' counsel in which he repeatedly informed Greitens' counsel that Greitens had the opportunity to testify before the Committee.

c. On March 22, 2018, Chairman Barnes sent requests for sworn answers to interrogatories to counsel for Greitens, each of which sought disclosure of the various computing devices and electronic communications accounts under Greitens' control. Greitens failed to respond.

d. On March 23, 2018, Chairman Barnes sent correspondence to Greitens' counsel requesting that they inform the Committee whether Greitens would exercise or waive his opportunity to testify by Monday, March 26.

e. On Monday, March 26, Greitens' counsel informed the Committee that he would be waiving his right to testify.

68. Though he waived his opportunity to testify before the committee, Greitens has been asked several times in public settings whether he took a picture during the encounter at on March 21, 2015.

69. On or about January 20, 2018, Greitens was interviewed by the Associated Press.[104]

a. When asked, "Did you tie or bind the hands or blindfold your former hairdresser?" Greitens answered:

[T]his was a consensual relationship. There was no blackmail. There was no violence. There was no threat of violence. There was no threat of blackmail. There was no threat of using a photograph for blackmail. All of those things are false. The mistake that I made was that I was engaged in a consensual relationship with a woman who is not my wife. And that is a mistake for which I am

[103] The Committee notes again that Greitens has the constitutional right to so decline, and that the Committee has treated this process as if he also has the right to testify at this point in time.

very sorry, sorry to Sheena. I'm sorry to our boys. I'm sorry to our family, to our friends and to everyone who has been affected by that. Beyond that this is—it's a private matter and everyone involved has asked for privacy and I respect that and I'd ask you to as well.[105]

b. When asked the follow-up, "Did you actually take a photo of her?," Greitens responded:

As I said, this was a consensual relationship, David. And there was no blackmail. There was no threat of using a photograph for blackmail. And there was no violence. The mistake that I made, as I said, was that I was engaged in a consensual relationship with a woman who wasn't my wife. And beyond that, everyone---Sheena, everyone has asked for privacy and again, we would ask you to respect that.[106]

70. On January 22, 2018, Greitens held a press conference to discuss the state budget.

a. When asked, "[T]here's one point we want to clarify. Did you take a picture of the woman in question?," Greitens responded:

…I'm happy to address this for everyone here once. And to make sure that we can move on, and talk about the budget and other important priorities that are, before us. As I said before, I made a personal mistake years ago before I was elected. A personal mistake for which I take full responsibility. And it's something that Sheena and I dealt with years ago. We dealt with it by the book. We dealt with it openly. And it was hard, but with loving family and a lot of prayer and tremendous support, we've made it.

And I am grateful, grateful to Sheena, for her forgiveness and grateful to God, for His forgiveness. I'm also grateful for people around the state of Missouri who, at this time, come to us, with tremendous love and compassion and prayer, who have helped us through a very difficult time. And we also appreciate those who understand that this is a private issue that Sheena and I dealt with years ago that's now been dragged into the public. We look forward--I look forward to working with legislators in this building, people around the State of Missouri in getting their priorities passed and making a difference for them.

A lot of what's been put out is not true. There was no blackmail. There was no violence. There was no photograph for blackmail. There was no threat of using a photograph for blackmail. There was no threat of violence. The mistake that I made was that I was engaged in a consensual relationship and a mistake for which I am deeply sorry. For Sheena and I, that is where the story begins and ends. Everyone involved has asked for privacy. I'm going to respect that privacy and I would ask you to respect that privacy.[107]

b. When asked the follow-up, "[T]he woman's now ex-husband asked her if she was quote "half-raped and blackmailed" and she said yes. How do you account for the difference in those two accounts?" Greitens responded, "Ma'am, ma'am, ma'am, I have addressed everything in the answer that I just gave you and in the interviews that we did over the weekend. We are now—there's been a lot of people in the State of Missouri who are counting on us."[108]

c. When asked another follow-up, "The question is: why did she say she was blackmailed and you say she wasn't?" Greitens responded, "I answered your question, and we answered them in interviews throughout the weekend. Does anyone have a question on the budget?"[109]

d. When asked, "Governor, yes or no, did you ever take her picture?" Greitens responded, "Sir, again, I just answered. We answered them over the course of the weekend, and we are moving forward."[110]

e. When pressed, "With all due respect, Governor, you haven't answered the photo questions." Greitens responded, "Sir—sir, I've answered your question. We answered them with multiple outlets this weekend, and we're moving forward."[111]

71. On February 8, 2018 at a luncheon for the Missouri Press Association, Greitens was asked again, "[D]id you take a photograph of the woman?" Greitens responded, "Actually …we have answered all of those questions." When pressed, "So what is the answer to that one?" Greitens responded, "We've answered them in multiple interviews with multiple people. …we're ready to move forward, which we have, which we are, and we have."[112]

72. In review of the evidence as a whole, this Committee does not view Witness 1's non-reporting of these events to law enforcement or others as bearing on her credibility.

73. Witness 1 did not initiate sharing these details with the public, law enforcement, this Committee, or anyone other than close friends. To the contrary, she testified that she would rather not have to endure recounting the events of 2015:

> I'm angry that I'm in the middle of this. I am – of course, I'm upset with myself for any of my involvement with him. In particular, because he was married, but, also, because he didn't share the same type of feelings. And also because I was still technically married.
>
> But I'm also dealing with things for the first time these past two months that I never did before. I just pushed them aside because it was too scary. I didn't want to think about it. I didn't want to talk about it. I just wanted it to go away, and then maybe it never happened like that. And knowing that I'm in the situation and knowing that at this point, the only parts that Eric has denied are the parts that were hurtful. The other parts weren't traumatic to me at all. You know, it was – it was consensual, and those parts were not traumatic. The parts that he denies are the parts that I'm finally dealing with and going – I feel sad for that person I was. That was so vulnerable. I was so vulnerable. I just feel really taken advantage of, I think – and also by my ex-husband, hugely.[113]

74. Witness 1 testified that she could not read the transcript of the conversation her husband had surreptitiously taped, "I started to read part of it, and I got to the part where he took the picture, and I just couldn't read it, so I have not read any of the rest of it."[114]

75. Witness 2 described Witness 1 as suffering from anxiety and stress after the news reports in January. "[S]he never wanted this to come out. She would have never brought this out. She's got minor children; she has her own business and – a lot of stress."[115]

76. Witness 3 repeatedly threatened her with release of information about Witness 1 and Greitens. Witness 1 testified that Witness 3 told her, "Just wait, because your good reputation…your outstanding reputation is going to be ruined and so is Eric Greitens'. You guys are going to go down because I have proof of it."[116] Witness 1 further testified that Witness 3 repeatedly said, "I'm going to ruin this guy, I'm going to ruin this guy."[117]

77. Witness 3 released the recording to media outlets in December 2017.[118]

78. Witness 3 testified that an unidentified third-party had paid at least $15,000 "to cover lawyer fees and all of the things that were about to happen to me financially because of the fallout" relating to these events.[119]

79. The first time Witness 1 heard from a news organization occurred in December 2017 when a reporter named Lauren Trager "booked a fake appointment under a fake name, and … came in and announced that she wasn't there for a haircut, that she was just working on a story about the governor."[120] Witness 1 testified that she cried and asked Trager not to run a story, saying, "No, you do not understand how traumatic this whole thing is. I cannot go there. I have kids. My ex-husband is so, so vindictive, he wants to hurt me so bad. Please do not run this story… please do not do this to me. I have children. I'm in school full-time. I work full-time – my life is so busy."[121]

80. The next time Witness 1 heard from Trager was the day before the story aired. Trager told her that she was in possession of a recording.[122] Trager was soon informed by Witness 1's counsel at the time that Witness 1 "does not want any part of this. Please do not do this."[123] Trager called Witness 1's lawyer three minutes before the story aired, stating that Greitens had admitted to the affair and that they would air the story.[124]

81. Witness 1 testified that she learned the story was going to air moments before it went live, explained to the Committee the circumstances of the airing of the report, and how she was forced to inform her children about it.[125]

82. Witness 1 testified to concerns she presently has:

> How will this affect my kids? Because it has already. What's going to come of all of this, you know? What will people think of me that don't know me? I've had huge support with family and friends and clients – and that's the other thing too. Beforehand, I thought what will happen to all of my clients? I have a huge client base, and I love my clients, and a big part of why we love each other is because I am – I'm a very open book, normally. This is the one thing I just kept in a pit in my stomach and I never talk about this. And so far, that's actually been a pretty good – my clients have been pretty good to me, for sure.

My lawyer has a trust account that someone put something in after speaking to the Post-Dispatch, to cover lawyer fees and all of the things that were about to happen to me financially because of the fallout, but I had spent $15,000 or so dollars of my own prior to all of this[.] … And while I was talking to the Post, someone contacted my lawyer and said he was going to help with legal fees."

> So now I think my fear is if this comes – becomes public – I'm in school full-time. So far I don't think the students on campus know, but then how does that affect my schooling? … Does that push me back?
>
> Luckily, I'm not as fearful physically anymore, because I feel like anybody would be crazy to hurt me because they would know who it is, so – that's one huge positive thing that's happened.[126]

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTY-SIXTH DAY, TUESDAY, APRIL 17, 2018

The House met pursuant to adjournment.

Representative Chipman in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

We are laborers together with God. (I Corinthians 3:9)

Eternal God, from whom we come, with whom we live, and in whose fellowship is our true life, we bring our hearts and minds to You in this moment of prayer. From the confusion and unrest of these past few days, we enter the sanctuary of Your presence seeking peace, strength and wisdom as we face the serious duties of this week.

Empower all within this hallowed and historic chamber who labor for the good of our State and who endeavor to lead our people in just ways. Give them the strength to always do their best, to stand for the truth, siding with justice, and strengthening the honor of our State on this tax day.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-third day was approved as printed by the following vote:

If we hope for what we do not see, we wait for it with patience. (Romans 8:25)

O God, creator and preserver of the world, we commend to Your loving care and wide guidance the men and women who lead our state in these times of distraction and doubt. Support and strengthen them to make decisions that will lead our people in the ways of justice, by the roads of righteousness, and along the paths of peace.

We pray for all who serve under the glorious banner of our great state. Bless all that work in this great capitol and bring them peace and insight.

And the House says, "Amen!"

The term "trust protector" includes, but is not limited to, persons or entities identified in the trust instrument as trust advisors, trust directors, distribution advisors, or investment advisors;**

(31) "Trustee"**,** includes an original, additional, and successor trustee, and a"; and

Further amend said bill and page, Section 456.4-414, Line 10, by inserting after all of said section and line the following:

"456.4-420. 1. If a trust instrument containing a no-contest clause is or has become irrevocable, an interested person may file a petition to the court for an interlocutory determination whether a particular motion, petition, or other claim for relief by the interested person would trigger application of the no-contest clause or would otherwise trigger a forfeiture that is enforceable under applicable law and public policy.

2. The petition described in subsection 1 of this section shall be verified under oath. The petition may be filed by an interested person either as a separate judicial proceeding, or brought with other claims for relief in a single judicial proceeding, all in the manner prescribed generally for such proceedings under this chapter. If a

petition is joined with other claims for relief, the court shall enter its order or judgment on the petition before proceeding any further with any other claim for relief joined therein. In ruling on such a petition, the court shall consider the text of the clause, the context to the terms of the trust instrument as a whole, and in the context of the verified factual allegations in the petition. No evidence beyond the pleadings and the trust instrument shall be taken except as required to resolve an ambiguity in the no-contest clause.

3. An order or judgment determining a petition described in subsection 1 of this section shall have the effect set forth in subsections 4 and 5 of this section, and shall be subject to appeal as with other final judgments. If the order disposes of fewer than all claims for relief in a judicial proceeding, that order is subject to interlocutory appeal in accordance with the applicable rules for taking such an appeal. If an interlocutory appeal is taken, the court may stay the pending judicial proceeding until final disposition of said appeal on such terms and conditions as the court deems reasonable and proper under the circumstances. A final ruling on the applicability of a no-contest clause shall not preclude any later filing and adjudication of other claims related to the trust.

4. An order or judgment, in whole or in part, on a petition described in subsection 1 of this section shall result in the no-contest clause being enforceable to the extent of the court's ruling, and shall govern application of the no-contest clause to the extent that the interested person then proceeds forward with the claims described therein. In the event such an interlocutory order or judgment is vacated, reversed, or otherwise modified on appeal, no interested person shall be prejudiced by any reliance, through action, inaction, or otherwise, on the order or judgment prior to final disposition of the appeal.

5. An order or judgment shall have effect only as to the specific trust terms and factual basis recited in the petition. If claims are later filed that are materially different than those upon which the order or judgment is based, then to the extent such new claims are raised, the party in whose favor the order or judgment was entered shall have no protection from enforcement of the no-contest clause otherwise afforded by the order and judgment entered under this section.

6. For purposes of this section, a "no-contest clause" shall mean a provision in a trust instrument purporting to rescind a donative transfer to, or a fiduciary appointment of, any person, or that otherwise effects a forfeiture of some or all of an interested person's beneficial interest in a trust estate as a result of some action taken by the beneficiary. This definition shall not be construed in any way as determining whether a no-contest clause is enforceable under applicable law and public policy in a particular factual situation. As used in this section, the term "no-contest clause" shall also mean an "in terrorem clause".

7. A no-contest clause is not enforceable against an interested person in, but not limited to, the following circumstances:

(1) Filing a motion, petition, or other claim for relief objecting to the jurisdiction or venue of the court over a proceeding concerning a trust, or over any person joined, or attempted to be joined, in such a proceeding;

(2) Filing a motion, petition, or other claim for relief concerning an accounting, report, or notice that has or should have been made by a trustee, provided the interested person otherwise has standing to do so under applicable law, including, but not limited to, section 456.6-603;

(3) Filing a motion, petition, or other claim for relief under chapter 475 concerning the appointment of a guardian or conservator for the settlor;

(4) Filing a motion, petition, or other claim for relief under chapter 404 concerning the settlor;

(5) Disclosure to any person of information concerning a trust instrument or that is relevant to a proceeding before the court concerning the trust instrument or property of the trust estate, unless such disclosure is otherwise prohibited by law;

(6) Filing a motion, pleading, or other claim for relief seeking approval of a nonjudicial settlement agreement concerning a trust instrument, as set forth in section 456.1-111;

(7) **Filing a motion, pleading, or other claim for relief concerning a breach of trust by a trustee including, but not limited to, a claim under section 456.10-1001. For purposes of this subdivision, "breach of trust" means a trustee's violation of the terms of a trust instrument, a violation of the trustee's general fiduciary obligations, or a trustee's violation of a duty that equity imposes on a trustee;**

(8) Filing a motion, pleading, or other claim for relief concerning removal of a trustee including, but not limited to, a claim for removal under section 456.7-706; and

(9) To the extent a petition under subsection 1 of this section is limited to the procedure and purpose described therein.

8. In any proceeding brought under this section, the court may award costs, expenses, and attorneys' fees to any party, as provided in section 456.10-1004."; and

Further amend said bill, Pages 5-8, Section 456.8-808, Lines 1-116, by deleting all of said lines and inserting in lieu thereof the following:

"456.8-808. 1. While a trust is revocable, the trustee may follow a direction of the settlor that is contrary to the terms of the trust.

2. A trust instrument may provide for **[**~~the appointment of a trust protector. For purposes of this section, a "trust protector", whether referred to in the trust instrument by that name or by some other name, is a person, other than the settlor, a trustee, or a beneficiary, who is expressly granted in the trust instrument one or more powers over the trust~~**] one or more persons, not then serving as a trustee and not the settlor or a beneficiary, to be given any powers over the trust as expressly granted in the trust instrument. Any such person may be identified and appointed as a trust protector or similar term. Whenever a trust instrument names, appoints, authorizes, or otherwise designates a trust protector, the trust shall be deemed a directed trust**.

3. A trust protector appointed in the trust instrument shall have only the powers granted to the trust protector by the express terms of the trust instrument, and a trust protector is only authorized to act within the scope of the authority expressly granted in the trust instrument. Without limiting the authority of the settlor to grant powers to a trust protector, the express powers that may be granted include, but are not limited to, the following:

(1) Remove and appoint a trustee **or a trust protector** or name a successor trustee or trust protector;

(2) Modify or amend the trust instrument to:

(a) Achieve favorable tax status or respond to changes in the Internal Revenue Code or state law, or the rulings and regulations under such code or law;

(b) Reflect legal changes that affect trust administration;

(c) Correct errors or ambiguities that might otherwise require court construction; or

(d) Correct a drafting error that defeats a grantor's intent;

(3) Increase, decrease, modify, or restrict the interests of the beneficiary or beneficiaries of the trust;

(4) Terminate the trust in favor of the beneficiary or beneficiaries of the trust;

(5) Change the applicable law governing the trust and the trust situs; or

(6) Such other powers as are expressly granted to the trust protector in the trust instrument.

4. Notwithstanding any provision in the trust instrument to the contrary, a trust protector shall have no power to modify a trust to:

(1) Remove a requirement from a trust created to meet the requirements of 42 U.S.C. Section 1396p(d)(4) to pay back a governmental entity for benefits provided to the permissible beneficiary of the trust at the death of that beneficiary; or

(2) Reduce or eliminate an income interest of the income beneficiary of any of the following types of trusts:

(a) A trust for which a marital deduction has been taken for federal tax purposes under Section 2056 or 2523 of the Internal Revenue Code or for state tax purposes under any comparable provision of applicable state law, during the life of the settlor's spouse;

(b) A charitable remainder trust under Section 664 of the Internal Revenue Code, during the life of the noncharitable beneficiary;

(c) A grantor retained annuity trust under Section 2702 of the Internal Revenue Code, during any period in which the settlor is a beneficiary; or

(d) A trust for which an election as a qualified Sub-Chapter S Trust under Section 1361(d) of the Internal Revenue Code is currently in place.

5. Except to the extent otherwise provided in a trust instrument specifically referring to this subsection, the trust protector shall not exercise a power in a way that would result in a taxable gift for federal gift tax purposes or cause the inclusion of any assets of the trust in the trust protector's gross estate for federal estate tax purposes.

6. Except to the extent otherwise provided in the trust instrument and in subsection 7 of this section, and notwithstanding any provision of sections 456.1-101 to 456.11-1106 to the contrary:

(1) A trust protector shall act in a fiduciary capacity in carrying out the powers granted to the trust protector in the trust instrument, and shall have such duties to the beneficiaries, the settlor, or the trust as set forth in the trust instrument**, provided that the trust instrument may provide that the trust protector shall act in a nonfiduciary capacity**. A trust protector is not a trustee, and is not liable or accountable as a trustee when performing or declining to perform the express powers given to the trust protector in the trust instrument. A trust protector is not liable for the acts or omissions of any fiduciary or beneficiary under the trust instrument;

(2) A trust protector is exonerated from any and all liability for the trust protector's acts or omissions, or arising from any exercise or nonexercise of the powers expressly conferred on the trust protector in the trust

instrument, unless it is established by a preponderance of the evidence that the acts or omissions of the trust protector were done or omitted in breach of the trust protector's duty, in bad faith or with reckless indifference;

(3) A trust protector is authorized to exercise the express powers granted in the trust instrument at any time and from time to time after the trust protector acquires knowledge of their appointment as trust protector and of the powers granted**. The trust protector may take any action, judicial or otherwise, necessary to carry out the duties given to the trust protector in the trust instrument**;

(4) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reasonable compensation, and reimbursement of the reasonable costs and expenses incurred, in determining whether to carry out, and in carrying out, the express powers given to the trust protector in the trust instrument;

(5) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reimbursement of the reasonable costs and expenses, including attorney's fees, of defending any claim made against the trust protector arising from the acts or omissions of the trust protector acting in that capacity unless it is established by clear and convincing evidence that the trust protector was acting in bad faith or with reckless indifference; and

(6) The express powers granted in the trust instrument shall not be exercised by the trust protector for the trust protector's own personal benefit.

7. If a trust protector is granted a power in the trust instrument to direct, consent to, or disapprove a trustee's actual or proposed investment decision, distribution decision, or other decision of the trustee required to be performed under applicable trust law in carrying out the duties of the trustee in administering the trust, then only with respect to such power, excluding the powers identified in subsection 3 of this section, the trust protector shall have the same duties and liabilities as if serving as a trustee under the trust instrument **unless the trust instrument expressly provides otherwise. In carrying out any written directions given to the trustee by the trust protector concerning actual or proposed investment decisions, the trustee shall not be subject to the provisions of sections 469.900 to 469.913. For purposes of this subsection, "investment decisions" means, with respect to any investment, decisions to retain, purchase, sell, exchange, tender, or otherwise engage in transactions affecting the ownership of investments or rights therein and, with respect to nonpublicly traded investments, the valuation thereof**.

8. **Any trustee of a directed trust shall not be accountable under the law or equity for any act or omission of a trust protector and shall stand absolved from liability for executing the decisions or instructions from a trust protector or for monitoring the actions or inactions of a trust protector. A trustee shall take reasonable steps to facilitate the activity of a trust protector in a directed trust.** A trustee shall carry out the written directions given to the trustee by a trust protector acting within the scope of the powers expressly granted to the trust protector in the trust instrument. Except **[**~~in cases of bad faith or reckless indifference on the part of the trustee, or~~**]** as otherwise provided in the trust instrument, the trustee shall not be liable for any loss resulting directly or indirectly from any act taken or omitted as a result of the written direction of the trust protector or the failure of the trust protector to provide consent. Except as otherwise provided in the trust instrument, the trustee shall have no duty to monitor the conduct of the trust protector, provide advice to or consult with the trust protector, or communicate with or warn or apprise any beneficiary concerning instances in which the trustee would or might have exercised the trustee's own discretion in a manner different from the manner directed by the trust protector. **Except as otherwise provided in the trust instrument, any actions taken by the trustee at the trust protector's direction shall be deemed to be administrative actions taken by the trustee solely to allow the trustee to carry out the instructions of the trust protector and shall not be deemed to constitute an act by the trustee to monitor the trust protector or otherwise participate in actions within the scope of the trust protector's authority.**

9. Except to the extent otherwise expressly provided in the trust instrument, the trust protector shall be entitled to receive information regarding the administration of the trust as follows:

(1) Upon the request of the trust protector, unless unreasonable under the circumstances, the trustee shall promptly provide to the trust protector any and all information related to the trust that may relate to the exercise or nonexercise of a power expressly granted to the trust protector in the trust instrument. The trustee has no obligation to provide any information to the trust protector except to the extent a trust protector requests information under this section;

(2) The request of the trust protector for information under this section shall be with respect to a single trust that is sufficiently identified to enable the trustee to locate the records of the trust; and

(3) If the trustee is bound by any confidentiality restrictions with respect to an asset of a trust, a trust protector who requests information under this section about such asset shall agree to be bound by the confidentiality restrictions that bind the trustee before receiving such information from the trustee.

10. A trust protector may resign by giving thirty days' written notice to the trustee and any successor trust protector. A successor trust protector, if any, shall have all the powers expressly granted in the trust instrument to the resigning trust protector unless such powers are expressly modified for the successor trust protector.

11. A trust protector of a trust having its principal place of administration in this state submits personally to the jurisdiction of the courts of this state during any period that the principal place of administration of the trust is located in this state and the trust protector is serving in such capacity. **The trust instrument may also provide that a trust protector is subject to the personal jurisdiction of the courts of this state as a condition of appointment.**"; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, THURSDAY, APRIL 19, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. (Psalm 100:3)

Almighty God, we bow in reverence and humility before You, praying for ourselves, for our state, and for unity among us.

Grant to us worthy intelligence and willingness to use these gifts for the welfare of all our people and the well-being of the state. Teach our people the futility of violence, the foolishness of prejudice and bitterness. Under the guidance of Your spirit, lead us into the ways of understanding and cooperation, peace and humility.

Cleanse and purify our hearts, and prepare us for the coming of the better day of Your kingdom, when we shall all live together in truth and beauty.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTY-NINTH DAY, MONDAY, APRIL 23, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Representative Steven Lynch.

Our Father which art in heaven, Hallowed be thy name.
Thy kingdom come, Thy will be done in earth, as it is in heaven.
Give us this day our daily bread.
And forgive us our debts, as we forgive our debtors.
And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, forever.

(Matthew 6:9-13)

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SIXTIETH DAY, TUESDAY, APRIL 24, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

My flesh and my heart faileth: but God is the strength of my heart and my portion forever. (Psalm 73:26)

O Just God, who has created us with minds to think, hearts to love, and hands to work, help us to use our minds to think Your thoughts, our hearts to love in Your spirit, and our hands to do Your work according to Your divine will. Make us so conscious of Your presence that amid current and serious trials and troubles now we may put first things first, grow in outreach in our concern for others, and become stronger within ourselves.

Bless the leaders of this House of Representatives who give goodness to life and purpose to human destiny, who seek faithfully to protect our state from injustice, who make no peace with oppression but are always seeking the way to justice and peace among all people. Guide us and sustain us in all our ways this day and every day.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Robert Alan Butner and Lily Johnson.

The county assessor of each county or city not within a county shall provide information to each taxing district within its boundaries regarding the difference in assessed valuation of such property as the result of such change in classification.

3. All reclassification of property as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units shall apply to assessments made after December 31, 1994.

4. Where real property is used or held for use for more than one purpose and such uses result in different classifications, the county assessor shall allocate to each classification the percentage of the true value in money of the property devoted to each use; except that, where agricultural and horticultural property, as defined in this section, also contains a dwelling unit or units, the farm dwelling, appurtenant residential-related structures and up to five acres immediately surrounding such farm dwelling shall be residential property, as defined in this section. **This subsection shall not apply to any reliever airport.**

(1) Immediate prior use, if any, of such property;

(2) Location of such property;

3. Continuance of valuation and assessment for general property taxation under the provisions of sections 137.017 to 137.021 shall depend upon continuance of the land being used as agricultural and horticultural property, as defined in section 137.016, and compliance with the other requirements of sections 137.017 to 137.021 and not upon continuance in the same owner of title to the land.

4. For general property assessment purposes, the true value in money of vacant and unused land which is classified as agricultural and horticultural property under subsection 3 of section 137.016 shall be its fair market value. **This subsection shall not apply to any reliever airport.**

5. For general property assessment purposes, the true value in money of a reliever airport shall be that value which such land has for agricultural or horticultural use."; and

HCS SS SB 608, relating to civil liability due to criminal conduct, was taken up by Representative Rhoads.

On motion of Representative Rhoads, the title of **HCS SS SB 608** was agreed to.

Representative Fitzwater offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 608, Page 4, Section 537.787, Line 27, by inserting immediately after all of said section and line the following:

"563.011. As used in this chapter the following terms shall mean:

(1) **"Armed nuclear security guard", a security guard who works at a nuclear power plant, who is employed as part of the security plan approved by the United States Nuclear Regulatory Commission, and who meets the requirements mandated by the United States Nuclear Regulatory Commission for carrying a firearm;**

(2) "Deadly force", physical force which the actor uses with the purpose of causing or which he or she knows to create a substantial risk of causing death or serious physical injury;

[~~(2)~~**] (3)** "Dwelling", any building, inhabitable structure, or conveyance of any kind, whether the building, inhabitable structure, or conveyance is temporary or permanent, mobile or immobile, which has a roof over it, including a tent, and is designed to be occupied by people lodging therein at night;

[~~(3)~~**] (4)** "Forcible felony", any felony involving the use or threat of physical force or violence against any individual, including but not limited to murder, robbery, burglary, arson, kidnapping, assault, and any forcible sexual offense;

[~~(4)~~**] (5)** "Premises", includes any building, inhabitable structure and any real property;

[~~(5)~~**] (6)** "Private person", any person other than a law enforcement officer;

[~~(6)~~**] (7)** "Private property", any real property in this state that is privately owned or leased;

[~~(7)~~**] (8)** "Remain after unlawfully entering", to remain in or upon premises after unlawfully entering as defined in this section;

[~~(8)~~**] (9)** "Residence", a dwelling in which a person resides either temporarily or permanently or is visiting as an invited guest;

[~~(9)~~**] (10) "Structure or fenced yard", any structure, fenced yard, wall, building, other similar barrier, or any combination of the foregoing that is part of a nuclear power plant and that is posted with signage indicating it is a felony to trespass;**

(11) "Unlawfully enter", a person unlawfully enters in or upon premises or private property when he or she enters such premises or private property and is not licensed or privileged to do so. A person who, regardless of his or her purpose, enters in or upon private property or premises that are at the time open to the public does so with license unless he or she defies a lawful order not to enter, personally communicated to him or her by the owner of such premises or by another authorized person. A license to enter in a building that is only partly open to the public is not a license to enter in that part of the building that is not open to the public.

563.041. 1. A person may, subject to the limitations of subsection 2, use physical force upon another person when and to the extent that he or she reasonably believes it necessary to prevent what he or she reasonably believes to be the commission or attempted commission by such person of stealing, property damage or tampering in any degree.

2. A person may use deadly force under circumstances described in subsection 1 only when such use of deadly force is authorized under other sections of this chapter.

3. The justification afforded by this section extends to the use of physical restraint as protective force provided that the actor takes all reasonable measures to terminate the restraint as soon as it is reasonable to do so.

4. **An armed nuclear security guard may use the following levels of physical force against another person at a nuclear power plant or within a structure or fenced yard of a nuclear power plant if the armed nuclear security guard reasonably believes that such force is necessary:**

(1) An armed nuclear security guard may use physical force, as he or she reasonably believes is immediately necessary, up to and including deadly physical force to:

(a) Prevent an action that would constitute murder in the first or second degree under section 565.020 or 565.021;

(b) Prevent an action that would constitute voluntary manslaughter under section 565.023;

(c) Prevent an action that would constitute assault in the first or second degree under section 565.050 or 565.052; or

(d) Defend himself, herself, or a third person from the use or imminent use of deadly physical force;

(2) An armed nuclear security guard may use physical force, as he or she reasonably believes is immediately necessary, up to but not including deadly physical force to prevent an action that would constitute:

(a) Assault in the third or fourth degree under section 565.054 or 565.056;

(b) Kidnapping in the first, second, or third degree under section 565.110, 565.120, or 565.130;

(c) Burglary in the first or second degree under section 569.160 or 569.170;

(d) Arson in the first, second, or third degree under section 569.040, 569.050, or 569.053;

(e) Property damage in the first degree under section 569.100;

(f) Robbery in the first or second degree under section 570.023 or 570.025;

(g) Armed criminal action under section 571.015; or

(h) Trespass in the first degree under section 569.140;

(3) An armed nuclear security guard is justified in threatening to use physical force or deadly physical force if and to the extent a reasonable armed nuclear security guard believes it necessary to protect himself, herself, or others against another person's potential use of physical force or deadly physical force.

5. Notwithstanding any provisions of section 563.016 to the contrary, an armed nuclear security guard, employer of an armed nuclear security guard, or owner of a nuclear power plant shall not be subject to civil liability for conduct of an armed nuclear security guard that is permitted by this section.

6. The defendant shall have the burden of injecting the issue of justification under this section.

569.010. As used in this chapter the following terms mean:

(1) "Cave or cavern", any naturally occurring subterranean cavity enterable by a person including, without limitation, a pit, pothole, natural well, grotto, and tunnel, whether or not the opening has a natural entrance;

(2) "Enter unlawfully or remain unlawfully", a person enters or remains in or upon premises when he or she is not licensed or privileged to do so. A person who, regardless of his or her purpose, enters or remains in or upon premises which are at the time open to the public does so with license and privilege unless he or she defies a lawful order not to enter or remain, personally communicated to him or her by the owner of such premises or by other authorized person. A license or privilege to enter or remain in a building which is only partly open to the public is not a license or privilege to enter or remain in that part of the building which is not open to the public;

(3) **"Nuclear power plant", a power generating facility that produces electricity by means of a nuclear reactor owned by a utility or a consortium utility. "Nuclear power plant" shall include the real property on which the plant is located;**

(4) "To tamper", to interfere with something improperly, to meddle with it, displace it, make unwarranted alterations in its existing condition, or to deprive, temporarily, the owner or possessor of that thing;

[~~(4)~~**] (5)** "Utility", an enterprise which provides gas, electric, steam, water, sewage disposal, or communication, video, internet, or voice over internet protocol services, and any common carrier. It may be either publicly or privately owned or operated.

569.140. 1. A person commits the offense of trespass in the first degree if he or she knowingly enters unlawfully or knowingly remains unlawfully in a building or inhabitable structure or upon real property.

2. A person does not commit the offense of trespass in the first degree by entering or remaining upon real property unless the real property is fenced or otherwise enclosed in a manner designed to exclude intruders or as to which notice against trespass is given by:

(1) Actual communication to the actor; or

(2) Posting in a manner reasonably likely to come to the attention of intruders.

3. The offense of trespass in the first degree is a class B misdemeanor, unless the victim is intentionally targeted as a law enforcement officer, as defined in section 556.061, or the victim is targeted because he or she is a relative within the second degree of consanguinity or affinity to a law enforcement officer, in which case it is a class A misdemeanor. **If the building or real property is part of a nuclear power plant, the offense of trespass in the first degree is a class E felony.**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Fitzwater moved that **House Amendment No. 1** be adopted.

Which motion was defeated.

Representative Schroer offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 608, Page 1, Section A, Line 3, by inserting immediately after said section and line the following:

"307.178. 1. As used in this section, the term "passenger car" means every motor vehicle designed for carrying **[**~~ten~~**] fifteen** persons or less and used for the transportation of persons; except that, the term "passenger car" shall not include motorcycles, motorized bicycles, motor tricycles, and trucks with a licensed gross weight of twelve thousand pounds or more.

2. Each driver, except persons employed by the United States Postal Service while performing duties for that federal agency which require the operator to service postal boxes from their vehicles, or which require frequent entry into and exit from their vehicles, and front seat passenger of a passenger car manufactured after January 1, 1968, operated on a street or highway in this state, and persons less than eighteen years of age operating or riding in a truck, as defined in section 301.010, on a street or highway of this state shall wear a properly adjusted and fastened safety belt that meets federal National Highway, Transportation and Safety Act requirements. No person shall be stopped, inspected, or detained solely to determine compliance with this subsection. The provisions of this section and section 307.179 shall not be applicable to persons who have a medical reason for failing to have a seat belt fastened about their body, nor shall the provisions of this section be applicable to persons while operating or riding a motor vehicle being used in agricultural work-related activities. Noncompliance with this subsection shall not constitute probable cause for violation of any other provision of law. The provisions of this subsection shall not apply to the transporting of children under sixteen years of age, as provided in section 307.179.

3. Each driver of a motor vehicle transporting a child less than sixteen years of age shall secure the child in a properly adjusted and fastened restraint under section 307.179.

4. In any action to recover damages arising out of the ownership, common maintenance or operation of a motor vehicle, failure to wear a safety belt in violation of this section shall not be considered evidence of comparative negligence. Failure to wear a safety belt in violation of this section may be admitted to mitigate damages, but only under the following circumstances:

(1) Parties seeking to introduce evidence of the failure to wear a safety belt in violation of this section must first introduce expert evidence proving that a failure to wear a safety belt contributed to the injuries claimed by plaintiff;

(2) If the evidence supports such a finding, the trier of fact may find that the plaintiff's failure to wear a safety belt in violation of this section contributed to the plaintiff's claimed injuries, and may reduce the amount of the plaintiff's recovery by an amount not to exceed one percent of the damages awarded after any reductions for comparative negligence.

5. **Notwithstanding any other provision of law to the contrary, subsection 4 of this section shall not apply to any action arising out of the design, construction, manufacture, distribution, or sale of a passenger car. In such actions arising out of the design, construction, manufacture, distribution, or sale of a passenger car, a plaintiff's failure to wear a properly adjusted and fastened safety belt shall be admissible for any purpose, including as evidence of comparative negligence or fault, causation, absence of a defect or hazard, and failure to mitigate damages.**

6. Except as otherwise provided for in section 307.179, each person who violates the provisions of subsection 2 of this section is guilty of an infraction for which a fine not to exceed ten dollars may be imposed. All other provisions of law and court rules to the contrary notwithstanding, no court costs shall be imposed on any person due to a violation of this section. In no case shall points be assessed against any person, pursuant to section 302.302, for a violation of this section.

[~~6.~~**] 7.** The state highways and transportation commission shall initiate and develop a program of public information to develop understanding of, and ensure compliance with, the provisions of this section. The

commission shall evaluate the effectiveness of this section and shall include a report of its findings in the annual evaluation report on its highway safety plan that it submits to NHTSA and FHWA pursuant to 23 U.S.C. 402.

[~~7.~~**] 8.** If there are more persons than there are seat belts in the enclosed area of a motor vehicle, then the passengers who are unable to wear seat belts shall sit in the area behind the front seat of the motor vehicle unless the motor vehicle is designed only for a front-seated area. The passenger or passengers occupying a seat location referred to in this subsection is not in violation of this section. This subsection shall not apply to passengers who are accompanying a driver of a motor vehicle who is licensed under section 302.178."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Merideth (80) raised a point of order that **House Amendment No. 2** goes beyond the scope of the bill.

Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to an assistant physician the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the assistant physician and is consistent with that assistant physician's skill, training, and competence and the skill and training of the collaborating physician.

2. The written collaborative practice arrangement shall contain at least the following provisions:

(1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the assistant physician;

(2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the assistant physician to prescribe;

(4) All specialty or board certifications of the collaborating physician and all certifications of the assistant physician;

(5) The manner of collaboration between the collaborating physician and the assistant physician, including how the collaborating physician and the assistant physician shall:

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity; except, the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by P.L. 95-210, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. Such exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics if the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics if the main location of the hospital sponsor is greater than fifty miles from the clinic. The collaborating physician shall maintain documentation related to such requirement and present it to the state board of registration for the healing arts when requested; and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(6) A description of the assistant physician's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the assistant physician to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;

(7) A list of all other written practice agreements of the collaborating physician and the assistant physician;

(8) The duration of the written practice agreement between the collaborating physician and the assistant physician;

(9) A description of the time and manner of the collaborating physician's review of the assistant physician's delivery of health care services. The description shall include provisions that the assistant physician shall submit a minimum of ten percent of the charts documenting the assistant physician's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and

(10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the assistant physician prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

3. The state board of registration for the healing arts under section 334.125 shall promulgate rules regulating the use of collaborative practice arrangements for assistant physicians. Such rules shall specify:

(1) Geographic areas to be covered;

(2) The methods of treatment that may be covered by collaborative practice arrangements;

(3) In conjunction with deans of medical schools and primary care residency program directors in the state, the development and implementation of educational methods and programs undertaken during the collaborative practice service which shall facilitate the advancement of the assistant physician's medical knowledge and capabilities, and which may lead to credit toward a future residency program for programs that deem such documented educational achievements acceptable; and

(4) The requirements for review of services provided under collaborative practice arrangements, including delegating authority to prescribe controlled substances.

Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. The state board of registration for the healing arts shall promulgate rules applicable to assistant physicians that shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

4. The state board of registration for the healing arts shall not deny, revoke, suspend, or otherwise take disciplinary action against a collaborating physician for health care services delegated to an assistant physician provided the provisions of this section and the rules promulgated thereunder are satisfied.

5. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, and also report to the board the name of each assistant physician with whom the physician has entered into such arrangement. The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

6. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent assistant physicians. Such limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

7. The collaborating physician shall determine and document the completion of at least a one-month period of time during which the assistant physician shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. Such limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

8. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

9. No contract or other agreement shall require a physician to act as a collaborating physician for an assistant physician against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular assistant physician. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. An assistant physician shall have the right to refuse to collaborate, without penalty, with a particular physician.

11. All collaborating physicians and assistant physicians in collaborative practice arrangements shall wear identification badges while acting within the scope of their collaborative practice arrangement. The identification badges shall prominently display the licensure status of such collaborating physicians and assistant physicians.

12. (1) An assistant physician with a certificate of controlled substance prescriptive authority as provided in this section may prescribe any controlled substance listed in Schedule III, IV, or V of section 195.017, and may have restricted authority in Schedule II, when delegated the authority to prescribe controlled substances in a collaborative practice arrangement. Prescriptions for Schedule II medications prescribed by an assistant physician who has a certificate of controlled substance prescriptive authority are restricted to only those medications containing hydrocodone. Such authority shall be filed with the state board of registration for the healing arts. The collaborating physician shall maintain the right to limit a specific scheduled drug or scheduled drug category that the assistant physician is permitted to prescribe. Any limitations shall be listed in the collaborative practice arrangement. Assistant physicians shall not prescribe controlled substances for themselves or members of their families. Assistant physicians who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include the Drug Enforcement Administration registration number on prescriptions for controlled substances.

(2) The collaborating physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the assistant physician during which the assistant physician shall practice with the collaborating physician on-site prior to prescribing controlled substances when the collaborating physician is not on-site. Such limitation shall not apply to assistant physicians of population-based public health services as defined in 20 CSR 2150-5.100 as of April 30, 2009 **or assistant physicians providing opioid addiction treatment**.

(3) An assistant physician shall receive a certificate of controlled substance prescriptive authority from the state board of registration for the healing arts upon verification of licensure under section 334.036."; and

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Be strong in the Lord and in the power of his might. (Ephesians 6:10)

O Heavenly Creator, we thank You for our homes and pray that You will bless all who live within our family circles. We are grateful for Your mercies which we receive daily, for food, clothing, and shelter, for the warmth of our affections and for the ties that bind us together.

Help us to live each day and to love one another that we may never be afraid or ashamed but always may our hearts be happy, our thoughts good, our words gentle, our deeds genuine, and our hands ready to help.

Daily renew our strength, renew our love and restore our faith that we may face stress bravely because we face it together. Deepen our love for one another and for You that love may reign in our hearts, in our homes and in our Capitol.

Finally, we ask blessings on all Administrative Professionals on their special day today!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Danielle Hamann, Lisa Askren, and Michael Eiserman.

House Amendment No. 2

AMEND House Committee Bill No. 23, Page 2, Section 49.060, Line 16, by inserting immediately after all of said section and line the following:

"56.363. 1. The county commission of any county may on its own motion and shall upon the petition of ten percent of the total number of people who voted in the previous general election in the county submit to the voters at a general or special election the proposition of making the county prosecutor a full-time position. The commission shall cause notice of the election to be published in a newspaper published within the county, or if no newspaper is published within the county, in a newspaper published in an adjoining county, for three weeks consecutively, the last insertion of which shall be at least ten days and not more than thirty days before the day of the election, and by posting printed notices thereof at three of the most public places in each township in the county. The proposition shall be put before the voters substantially in the following form:

Shall the office of prosecuting attorney be made a full-time position in _____ County?

□ YES □ NO

If a majority of the voters voting on the proposition vote in favor of making the county prosecutor a full-time position, it shall become effective upon the date that the prosecutor who is elected at the next election subsequent to the passage of such proposal is sworn into office. **The position shall then qualify for the retirement benefits available to a full-time prosecutor of a county of the first classification. Any county that elects to make the position of prosecuting attorney full-time shall pay into the Missouri prosecuting attorneys and circuit attorneys' retirement fund at the same contribution amount as paid by counties of the first classification.**

2. The provisions of subsection 1 of this section notwithstanding, in any county where the proposition of making the county prosecutor a full-time position was submitted to the voters at a general election in 1998 and where a majority of the voters voting on the proposition voted in favor of making the county prosecutor a full-time position, the proposition shall become effective on May 1, 1999. Any prosecuting attorney whose position becomes full time on May 1, 1999, under the provisions of this subsection shall have the additional duty of providing not less than three hours of continuing education to peace officers in the county served by the prosecuting attorney in each year of the term beginning January 1, 1999.

3. In counties that, prior to August 28, 2001, have elected pursuant to this section to make the position of prosecuting attorney a full-time position, the county commission may at any time elect to have that position also qualify for the retirement benefit available for a full-time prosecutor of a county of the first classification. Such election shall be made by a majority vote of the county commission and once made shall be irrevocable, unless the voters of the county elect to change the position of prosecuting attorney back to a part-time position under subsection 4 of this section. When such an election is made, the results shall be transmitted to the Missouri prosecuting attorneys and circuit attorneys' retirement system fund, and the election shall be effective on the first day of January following such election. Such election shall also obligate the county to pay into the Missouri prosecuting attorneys and circuit attorneys' system retirement fund the same retirement contributions for full-time prosecutors as are paid by counties of the first classification.

4. In any**:**

(1) County of the third classification without a township form of government and with more than twelve thousand but fewer than fourteen thousand inhabitants and with a city of the fourth classification with more than one thousand seven hundred but fewer than one thousand nine hundred inhabitants as the county seat that has elected to make the county prosecutor a full-time position under this section after August 28, 2014**;**

(2) County of the third classification without a township form of government and with more than eighteen thousand but fewer than twenty thousand inhabitants and with a city of the fourth classification with more than three thousand but fewer than three thousand seven hundred inhabitants as the county seat;

(3) County of the third classification without a township form of government and with more than eighteen thousand but fewer than twenty thousand inhabitants and with a city of the third classification with more than six thousand but fewer than seven thousand inhabitants as the county seat; or

(4) County of the third classification without a township form of government and with more than nine thousand but fewer than ten thousand inhabitants and with a city of the fourth classification with more than seven hundred but fewer than eight hundred inhabitants as the county seat

the county commission may on its own motion and shall upon the petition of ten percent of the total number of people who voted in the previous general election in the county submit to the voters at a general or special election the proposition of changing the full-time prosecutor position to a part-time position. The commission shall cause

notice of the election to be published in a newspaper published within the county, or if no newspaper is published within the county, in a newspaper published in an adjoining county, for three weeks consecutively, the last insertion of which shall be at least ten days and not more than thirty days before the day of the election, and by posting printed notices thereof at three of the most public places in each township in the county. The proposition shall be put before the voters substantially in the following form:

Shall the office of prosecuting attorney be made a part-time position in _____ County?

□ YES □ NO

If a majority of the voters vote in favor of making the county prosecutor a part-time position, it shall become effective upon the date that the prosecutor who is elected at the next election subsequent to the passage of such proposal is sworn into office.

5. In any county that has elected to make the full-time position of county prosecutor a part-time position under subsection 4 of this section, the county's retirement contribution to the retirement system and the retirement benefit earned by the member shall prospectively be that of a part-time prosecutor as established in this chapter. Any retirement contribution made and retirement benefit earned prior to the effective date of the voter-approved proposition under subsection 4 of this section shall be maintained by the retirement system and used to calculate the retirement benefit for such prior full-time position service. Under no circumstances shall a member in a part-time prosecutor position earn full-time position retirement benefit service accruals for time periods after the effective date of the proposition changing the county prosecutor back to a part-time position."; and

3. Any officer or employee of any school district who violates any of the regulations or fails to include obligation to comply with such regulations in any contract executed by him on behalf of a school district shall be guilty of misconduct and subject to removal from office or employment. Any person operating a school bus under contract with a school district who fails to comply with any such regulations shall be guilty of breach of contract and such contract shall be cancelled after notice and hearing by the responsible officers of such school district.

railroad right-of-way, regardless of whether any other city, town, or village has annexed such roadway or railroad right-of-way or otherwise has an easement in such roadway or railroad right-of-way. The term contiguous and compact does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and the Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a notarized petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term "common-interest community" shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A "common-interest community" shall be defined as real property with respect to which a person, by virtue of such person's ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. "Ownership of a unit" does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A "cooperative" shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation. If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.

5. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that**:**

(a) The land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation**; or**

(b) The land to be annexed would be contiguous and compact to the existing city, town, or village limits but for an intervening roadway or railroad right-of-way, and the shared border of the land to be annexed and existing city, town, or village composes at least fifteen percent of the total perimeter of the land to be annexed. For purposes of calculating the length of such border under this paragraph, the border between the land to be annexed and the existing city, town, or village shall be deemed to be:

a. If an intervening roadway, the centerline; or

b. If a railroad right-of-way, the midpoint between the outermost rails if there are rails or the best estimate of the middle of the right-of-way if there are no rails.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, and refuse collection;

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required.

If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012 or 71.014.

The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court not later than four years after the effective date of the annexation by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area.

4. Except for a cause of action for deannexation under subdivision (2) of subsection 3 of this section, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of the adoption of the annexation ordinance."; and

Representative Stacy moved that **House Amendment No. 10** be adopted.

Which motion was defeated.

Representative Matthiesen offered **House Amendment No. 11**.

House Amendment No. 11

AMEND House Committee Bill No. 23, Page 36, Section 108.120, Line 14, by inserting after all of said line the following:

"137.010. The following words, terms and phrases when used in laws governing taxation and revenue in the state of Missouri shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning:

(1) "Grain and other agricultural crops in an unmanufactured condition" shall mean grains and feeds including, but not limited to, soybeans, cow peas, wheat, corn, oats, barley, kafir, rye, flax, grain sorghums, cotton, and such other products as are usually stored in grain and other elevators and on farms; but excluding such grains and other agricultural crops after being processed into products of such processing, when packaged or sacked. The term "processing" shall not include hulling, cleaning, drying, grating, or polishing;

(2) "Hydroelectric power generating equipment", very-low-head turbine generators with a nameplate generating capacity of at least four hundred kilowatts but not more than six hundred kilowatts and machinery and equipment used directly in the production, generation, conversion, storage, or conveyance of hydroelectric power to land-based devices and appurtenances used in the transmission of electrical energy;

(3) "Intangible personal property", for the purpose of taxation, shall include all property other than real property and tangible personal property, as defined by this section;

(4) "Real property" includes land itself, whether laid out in town lots or otherwise, and all growing crops, buildings, structures, improvements and fixtures of whatever kind thereon, hydroelectric power generating equipment, the installed poles used in the transmission or reception of electrical energy, audio signals, video signals or similar purposes, provided the owner of such installed poles is also an owner of a fee simple interest, possessor of an easement, holder of a license or franchise, or is the beneficiary of a right-of-way dedicated for public utility purposes for the underlying land; attached wires, transformers, amplifiers, substations, and other such devices and

appurtenances used in the transmission or reception of electrical energy, audio signals, video signals or similar purposes when owned by the owner of the installed poles, otherwise such items are considered personal property; and stationary property used for transportation or storage of liquid and gaseous products, including, but not limited to, petroleum products, natural gas, propane or LP gas equipment, water, and sewage;

(5) **"Reliever airport", any land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the National Plan of Integrated Airports System that may receive federal airport improvement project funds through the Federal Aviation Administration;**

(6) "Tangible personal property" includes every tangible thing being the subject of ownership or part ownership whether animate or inanimate, other than money, and not forming part or parcel of real property as herein defined, but does not include household goods, furniture, wearing apparel and articles of personal use and adornment, as defined by the state tax commission, owned and used by a person in his home or dwelling place.

137.016. 1. As used in Section 4(b) of Article X of the Missouri Constitution, the following terms mean:

(1) "Residential property", all real property improved by a structure which is used or intended to be used for residential living by human occupants, vacant land in connection with an airport, land used as a golf course, manufactured home parks, bed and breakfast inns in which the owner resides and uses as a primary residence with six or fewer rooms for rent, and time-share units as defined in section 407.600, except to the extent such units are actually rented and subject to sales tax under subdivision (6) of subsection 1 of section 144.020, but residential property shall not include other similar facilities used primarily for transient housing. For the purposes of this section, "transient housing" means all rooms available for rent or lease for which the receipts from the rent or lease of such rooms are subject to state sales tax pursuant to subdivision (6) of subsection 1 of section 144.020;

(2) "Agricultural and horticultural property", all real property used for agricultural purposes and devoted primarily to the raising and harvesting of crops; to the feeding, breeding and management of livestock which shall include breeding, showing, and boarding of horses; to dairying, or to any other combination thereof; and buildings and structures customarily associated with farming, agricultural, and horticultural uses. Agricultural and horticultural property shall also include land devoted to and qualifying for payments or other compensation under a soil conservation or agricultural assistance program under an agreement with an agency of the federal government. Agricultural and horticultural property shall further include **[**~~land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the National Plan of Integrated Airports System, to receive federal airport improvement project funds through the Federal Aviation Administration~~**] any reliever airport**. Real property classified as forest croplands shall not be agricultural or horticultural property so long as it is classified as forest croplands and shall be taxed in accordance with the laws enacted to implement Section 7 of Article X of the Missouri Constitution. Agricultural and horticultural property shall also include any sawmill or planing mill defined in the U.S. Department of Labor's Standard Industrial Classification (SIC) Manual under Industry Group 242 with the SIC number 2421;

(3) "Utility, industrial, commercial, railroad and other real property", all real property used directly or indirectly for any commercial, mining, industrial, manufacturing, trade, professional, business, or similar purpose, including all property centrally assessed by the state tax commission but shall not include floating docks, portions of which are separately owned and the remainder of which is designated for common ownership and in which no one person or business entity owns more than five individual units. All other real property not included in the property listed in subclasses (1) and (2) of Section 4(b) of Article X of the Missouri Constitution, as such property is defined in this section, shall be deemed to be included in the term "utility, industrial, commercial, railroad and other real property".

2. Pursuant to Article X of the state constitution, any taxing district may adjust its operating levy to recoup any loss of property tax revenue, except revenues from the surtax imposed pursuant to Article X, Subsection 2 of Section 6 of the constitution, as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units if such adjustment of the levy does not exceed the highest tax rate in effect subsequent to the 1980 tax year. For purposes of this section, loss in revenue shall include the difference between the revenue that would have been collected on such property under its classification prior to enactment of this section and the amount to be collected under its classification under this section. The county assessor of each county or city not within a county shall provide information to each taxing district within its boundaries regarding the difference in assessed valuation of such property as the result of such change in classification.

3. All reclassification of property as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units shall apply to assessments made after December 31, 1994.

4. Where real property is used or held for use for more than one purpose and such uses result in different classifications, the county assessor shall allocate to each classification the percentage of the true value in money of the property devoted to each use; except that, where agricultural and horticultural property, as defined in this section, also contains a dwelling unit or units, the farm dwelling, appurtenant residential-related structures and up to five acres immediately surrounding such farm dwelling shall be residential property, as defined in this section. **This subsection shall not apply to any reliever airport.**

5. All real property which is vacant, unused, or held for future use; which is used for a private club, a not-for-profit or other nonexempt lodge, club, business, trade, service organization, or similar entity; or for which a determination as to its classification cannot be made under the definitions set out in subsection 1 of this section, shall be classified according to its immediate most suitable economic use, which use shall be determined after consideration of:

(1) Immediate prior use, if any, of such property;

(2) Location of such property;

(3) Zoning classification of such property; except that, such zoning classification shall not be considered conclusive if, upon consideration of all factors, it is determined that such zoning classification does not reflect the immediate most suitable economic use of the property;

(4) Other legal restrictions on the use of such property;

(5) Availability of water, electricity, gas, sewers, street lighting, and other public services for such property;

(6) Size of such property;

(7) Access of such property to public thoroughfares; and

(8) Any other factors relevant to a determination of the immediate most suitable economic use of such property.

6. All lands classified as forest croplands shall not, for taxation purposes, be classified as subclass (1), subclass (2), or subclass (3) real property, as such classes are prescribed in Section 4(b) of Article X of the Missouri Constitution and defined in this section, but shall be taxed in accordance with the laws enacted to implement Section 7 of Article X of the Missouri Constitution.

137.017. 1. For general property assessment purposes, the true value in money of land which is in use as agricultural and horticultural property, as defined in section 137.016, shall be that value which such land has for agricultural or horticultural use. The true value of buildings or other structures customarily associated with farming, agricultural, and horticultural uses, excluding residential dwellings and related land, shall be added to the use value of the agricultural and horticultural land to determine the value of the agricultural and horticultural property under sections 137.017 to 137.021.

2. After it has been established that the land is actually agricultural and horticultural property, as defined in section 137.016, and is being valued and assessed accordingly, the land shall remain in this category as long as the owner of the land complies with the provisions of sections 137.017 to 137.021.

3. Continuance of valuation and assessment for general property taxation under the provisions of sections 137.017 to 137.021 shall depend upon continuance of the land being used as agricultural and horticultural property, as defined in section 137.016, and compliance with the other requirements of sections 137.017 to 137.021 and not upon continuance in the same owner of title to the land.

4. For general property assessment purposes, the true value in money of vacant and unused land which is classified as agricultural and horticultural property under subsection 3 of section 137.016 shall be its fair market value. **This subsection shall not apply to any reliever airport.**

5. For general property assessment purposes, the true value in money of a reliever airport shall be that value which such land has for agricultural or horticultural use."; and

Representative Kolkmeyer assumed the Chair.

Representative Hill offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Bill No. 594, Page 1, Section A, Line 2, by inserting after all of said line the following:

"191.671. 1. No other section of this act shall apply to any insurer, health services corporation, or health maintenance organization licensed by the department of insurance, financial institutions and professional registration which conducts HIV testing only for the purposes of assessing a person's fitness for insurance coverage offered by such insurer, health services corporation, or health maintenance corporation, except that nothing in this section shall

be construed to exempt any insurer, health services corporation or health maintenance organization in their capacity as employers from the provisions of section 191.665 relating to employment practices.

2. Upon renewal of any individual or group insurance policy, subscriber contractor health maintenance organization contract covering medical expenses, no insurer, health services corporation or health maintenance organization shall deny or alter coverage to any previously covered individual who has been diagnosed as having HIV infection or any HIV-related condition during the previous policy or contract period only because of such diagnosis, nor shall any such insurer, health services corporation or health maintenance organization exclude coverage for treatment of such infection or condition with respect to any such individual. **The provisions of this subsection shall not apply to short-term major medical policies having a duration of less than one year.**

3. The director of the department of insurance, financial institutions and professional registration shall establish by regulation standards for the use of HIV testing by insurers, health services corporations and health maintenance organizations.

4. A laboratory certified by the U.S. Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, permitting testing of specimens obtained in interstate commerce, and which subjects itself to ongoing proficiency testing by the College of American Pathologists, the American Association of Bio Analysts, or an equivalent program approved by the Centers for Disease Control shall be authorized to perform or conduct HIV testing for an insurer, health services corporation or health maintenance organization pursuant to this section.

5. The result or results of HIV testing of an applicant for insurance coverage shall not be disclosed by an insurer, health services corporation or health maintenance organization, except as specifically authorized by such applicant in writing. Such result or results shall, however, be disclosed to a physician designated by the subject of the test. If there is no physician designated, the insurer, health services corporation, or health maintenance organization shall disclose the identity of individuals residing in Missouri having a confirmed positive HIV test result to the department of health and senior services. Provided, further, that no such insurer, health services corporation or health maintenance organization shall be liable for violating any duty or right of confidentiality established by law for disclosing such identity of individuals having a confirmed positive HIV test result to the department of health and senior services. Such disclosure shall be in a manner that ensures confidentiality. Disclosure of test results in violation of this section shall constitute a violation of sections 375.930 to 375.948 regulating trade practices in the business of insurance. Nothing in this subsection shall be construed to foreclose any remedies existing on June 1, 1988.

376.008. 1. All short-term major medical policies delivered or issued for delivery in this state shall include on any application for coverage and on the fact page of all policies a conspicuous and clearly captioned paragraph stating:

This policy may not cover preexisting conditions, including conditions you may currently have and are unaware of but are not diagnosed until the policy's term. This policy may not cover certain essential health benefits, including prescription drugs, preventative care, and emergency services. Before you realize benefits under this policy, you may be responsible for a deductible and/or coinsurance. Be sure to discuss these items with your insurance broker before purchasing a short-term medical policy.

2. No short-term major medical policy shall be delivered or issued for delivery in this state until the prospective insured has confirmed receipt of a benefit summary statement. As used in this section, "benefit summary statement" shall mean a no more than two-page plain language explanation of the following:

(1) Coverage limits, if any, expressed in dollars for:

(a) Each occurrence;

(b) Each covered benefit including, but not limited to, any benefit that is or was a covered benefit for any duration or dollar amount during the contract period and anything included under subdivision (2) of this subsection; and

(c) Each contract period;

(2) Copayments and deductibles for each covered benefit including, but not limited to:

(a) Inpatient hospital care;

(b) Outpatient hospital care;

(c) Nonhospital inpatient care;

(d) Nonhospital outpatient care;

(e) Prescription drugs; and

(f) Emergency services; and

(3) Any copayment or deductible for an illness or affliction which differs from the copayment or deductible required to be described under subdivision (2) of this subsection.

376.385. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements, to the extent not preempted by federal law, and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1998, shall offer coverage for all physician-prescribed medically appropriate and necessary equipment, supplies and self-management training used in the management and treatment of diabetes. Coverage shall include persons with gestational, type I or type II diabetes.

2. Health care services required by this section shall not be subject to any greater deductible or co-payment than any other health care service provided by the policy, contract or plan.

3. No entity enumerated in subsection 1 of this section may reduce or eliminate coverage due to the requirements of this section.

4. Nothing in this section shall apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, **short-term major medical policies having a duration of less than one year,** or other limited benefit health insurance policies.

376.429. 1. All health benefit plans, as defined in section 376.1350, that are delivered, issued for delivery, continued or renewed on or after August 28, 2006, and providing coverage to any resident of this state shall provide coverage for routine patient care costs as defined in subsection 7 of this section incurred as the result of phase II, III, or IV of a clinical trial that is approved by an entity listed in subsection 4 of this section and is undertaken for the purposes of the prevention, early detection, or treatment of cancer. Health benefit plans may limit coverage for the routine patient care costs of patients in phase II of a clinical trial to those treating facilities within the health benefit plans' provider network; except that, this provision shall not be construed as relieving a health benefit plan of the sufficiency of network requirements under state statute.

2. In the case of treatment under a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, noninvestigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the noninvestigational alternatives.

3. Coverage required by this section shall include coverage for routine patient care costs incurred for drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, including coverage for reasonable and medically necessary services needed to administer the drug or use the device under evaluation in the clinical trial.

4. Subsections 1 and 2 of this section requiring coverage for routine patient care costs shall apply to phase III or IV of clinical trials that are approved or funded by one of the following entities:

(1) One of the National Institutes of Health (NIH);

(2) An NIH cooperative group or center as defined in subsection 7 of this section;

(3) The FDA in the form of an investigational new drug application;

(4) The federal Departments of Veterans' Affairs or Defense;

(5) An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects (45 CFR 46); or

(6) A qualified research entity that meets the criteria for NIH Center support grant eligibility.

5. Subsections 1 and 2 of this section requiring coverage for routine patient care costs shall apply to phase II of clinical trials if:

(1) Phase II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and

(2) The person covered under this section is enrolled in the clinical trial. This section shall not apply to persons who are only following the protocol of phase II of a clinical trial, but not actually enrolled.

6. An entity seeking coverage for treatment, prevention, or early detection in a clinical trial approved by an institutional review board under subdivision (5) of subsection 4 of this section shall maintain and post electronically a list of the clinical trials meeting the requirements of subsections 2 and 3 of this section. This list shall include: the phase for which the clinical trial is approved; the entity approving the trial; the particular disease; and the number of participants in the trial. If the electronic posting is not practical, the entity seeking coverage shall periodically provide payers and providers in the state with a written list of trials providing the information required in this section.

7. As used in this section, the following terms shall mean:

(1) "Cooperative group", a formal network of facilities that collaborate on research projects and have an established NIH-approved Peer Review Program operating within the group, including the NCI Clinical Cooperative Group and the NCI Community Clinical Oncology Program;

(2) "Multiple project assurance contract", a contract between an institution and the federal Department of Health and Human Services (DHHS) that defines the relationship of the institution to the DHHS and sets out the responsibilities of the institution and the procedures that will be used by the institution to protect human subjects;

(3) "Routine patient care costs" shall include coverage for reasonable and medically necessary services needed to administer the drug or device under evaluation in the clinical trial. Routine patient care costs include all items and services that are otherwise generally available to a qualified individual that are provided in the clinical trial except:

(a) The investigational item or service itself;

(b) Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and

(c) Items and services customarily provided by the research sponsors free of charge for any enrollee in the trial.

8. For the purpose of this section, providers participating in clinical trials shall obtain a patient's informed consent for participation on the clinical trial in a manner that is consistent with current legal and ethical standards. Such documents shall be made available to the health insurer upon request.

9. The provisions of this section shall not apply to a policy, plan or contract paid under Title XVIII or Title XIX of the Social Security Act.

10. Nothing in this section shall apply to any accident-only policy, specified disease policy, hospital indemnity policy, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**] having a duration of less than one year**, or other limited benefit health insurance policies.

11. The provisions of this section regarding phase II of a clinical trial shall not apply automatically to an individually underwritten health benefit plan, but shall be an option to any such plan.

376.446. 1. Health carriers shall permit individuals to learn the amount of cost-sharing, including deductibles, copayments, and coinsurance, under the individual's health benefit plan or coverage that the individual would be responsible for paying with respect to the furnishing of a specific item or service by a participating provider in a timely manner upon the request of the individual. At a minimum, such information shall be made available to such individual through an internet website and such other means for individuals without access to the internet. As used in this section, the terms "health carrier" and "health benefit plans" shall have the same meanings assigned to them in section 376.1350.

2. Health carriers shall permit individuals to learn the amount of cost-sharing, including deductibles, copayments, and coinsurance, under an individual's short-term major medical policy, having a duration of less than one year, that the individual would be responsible for paying with respect to the furnishing of a specific item or service by a participating provider in a timely manner upon the request of the individual. At a minimum, such information shall be made available to such individual through an internet website and such other means for individuals without access to the internet.

[~~2.~~**]** 3. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, hospitalization-surgical care policy**[**~~, short-term major medical policy of six months or less duration~~**]**, or any other supplemental policy.

[~~3.~~**] 4.** The provisions of subsections 1 and 2 shall become effective on January 1, 2014.

376.452. 1. Except as provided in this section, if a health insurance issuer offers health insurance coverage in the large group market in connection with a group health plan, the health insurance issuer shall renew or continue the coverage in force at the option of the plan sponsor. **The provisions of this subsection shall not apply to short-term major medical policies having a duration of less than one year.**

2. A health insurance issuer may nonrenew or discontinue health insurance coverage offered in connection with a group health plan in the large group market if:

(1) The plan sponsor has failed to pay premiums or contributions in accordance with the terms of the health insurance coverage or if the health insurance issuer has not received timely premium payments;

(2) The plan sponsor has performed an act or practice that constitutes fraud or has made an intentional misrepresentation of material fact under the terms of the coverage;

(3) The plan sponsor has failed to comply with the health insurance issuer's minimum participation requirements;

(4) The plan sponsor has failed to comply with the health insurance issuer's employer contribution requirements;

(5) The health insurance issuer is ceasing to offer coverage in the large group market in accordance with subsection 3 of this section;

(6) In the case of a health insurance issuer that offers health insurance coverage in the large group market through a network plan, there is no longer any enrollee under the group health plan who lives, resides, or works in the service area of the health insurance issuer or in the area for which the issuer is authorized to do business;

(7) In the case of health insurance coverage that is made available in the large group market only through one or more bona fide associations, the membership of an employer in the bona fide association ceases, but only if coverage is terminated under this subdivision uniformly without regard to any health status-related factor of any covered individual.

(3) The issuer is ceasing to offer coverage in the individual market in accordance with subsection 4 of this section;

5. At the time of coverage renewal, a health insurance issuer may modify the health insurance coverage for a policy form offered to individuals in the individual market so long as such modification is consistent with applicable law and effective on a uniform basis among all individuals with that policy form. For purposes of this subsection, renewal shall be deemed to occur not more often than annually on the anniversary of the effective date of the individual's health insurance coverage or as specified in the policy or contract.

6. In applying this section in the case of health insurance coverage that is made available by a health insurance issuer in the individual market to individuals only through one or more associations, a reference to an individual is deemed to include a reference to such an association of which the individual is a member.

All Missouri individual contracts issued on or after January 1, 2005, shall be subject to this section. Coverage required by this section shall be included in the policy or contract and payment provided as for other coverage in the same policy or contract notwithstanding any construction or relationship of interdependent contracts or plans affecting coverage and payment of reimbursement prerequisites under the policy or contract.

2. Insurers, corporations or groups providing coverage may approve for payment or reimbursement vendors and programs providing services or treatment required by this section. Any vendor or person offering services or treatment subject to the provisions of this section and seeking approval for payment or reimbursement shall submit to the department of mental health a detailed description of the services or treatment program to be offered. The department of mental health shall make copies of such descriptions available to insurers, corporations or groups providing coverage under the provisions of this section. 376.781. 1. All group health insurance policies providing coverage on an expense-incurred basis, all group service or indemnity contracts issued by a not-for-profit health service corporation, all self-insured group health benefit plans of any type or description, and all such health plans or policies that are individually underwritten or provide for such coverage for specific individuals and the members of their families as nongroup policies, which provide for hospital treatment, shall offer coverage for the necessary care and treatment of loss or impairment of speech or hearing subject to the same durational limits, dollar limits, deductibles and coinsurance factors as other covered services in such policies or contracts. 2. The offer of benefits under subsection 1 of this section shall be in writing and may be rejected by the individual or group policyholder.

2. In addition to the coverages set forth in subsection 1 of this section, every insurance company, health services corporation and health maintenance organization doing business in this state shall offer in all health insurance policies, benefits or coverages for recognized mental illness, excluding chemical dependency, meeting the following minimum standards:

(1) Coverage for outpatient treatment, including treatment through partial- or full-day program services, for mental health services for a recognized mental illness rendered by a licensed professional to the same extent as any other illness;

3. The offer required by sections 376.810 to 376.814 may be accepted or rejected by the group or individual policyholder or contract holder and, if accepted, shall fully and completely satisfy and substitute for the coverage under section 376.779. Nothing in sections 376.810 to 376.814 shall prohibit an insurance company, health services corporation or health maintenance organization from including all or part of the coverages set forth in sections 376.810 to 376.814 as standard coverage in their policies or contracts issued in this state.

4. Every insurance company, health services corporation and health maintenance organization doing business in this state shall offer in all health insurance policies mental health benefits or coverage as part of the policy or as a supplement to the policy. (3) Coverage and benefits in this subsection shall be subject to the same coinsurance, co-payment and deductible factors as apply to regular office visits under coverages and benefits for physical illness.

5. If the group or individual policyholder or contract holder rejects the offer required by this section, then the coverage shall be governed by the mental health and chemical dependency insurance act as provided in sections 376.825 to 376.836.

6. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, hospitalization-surgical care policy, short-term major medical policy **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

(1) "Eating disorder", pica, rumination disorder, avoidant/restrictive food intake disorder, anorexia nervosa, bulimia nervosa, binge eating disorder, other specified feeding or eating disorder, and any other eating disorder contained in the most recent version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association where diagnosed by a licensed physician, psychiatrist, psychologist, clinical social worker, licensed marital and family therapist, or professional counselor duly licensed in the state where he or she practices and acting within their applicable scope of practice in the state where he or she practices;

(2) "Health benefit plan", shall have the same meaning as such term is defined in section 376.1350; however, for purposes of this section "health benefit plan" does not include a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy;

(3) "Health carrier", shall have the same meaning as such term is defined in section 376.1350;

(4) "Medical care", health care services needed to diagnose, prevent, treat, cure, or relieve physical manifestations of an eating disorder, and shall include inpatient hospitalization, partial hospitalization, residential care, intensive outpatient treatment, follow-up outpatient care, and counseling;

(5) "Pharmacy care", medications prescribed by a licensed physician for an eating disorder and includes any health-related services deemed medically necessary to determine the need or effectiveness of the medications, but only to the extent that such medications are included in the insured's health benefit plan;

(6) "Psychiatric care" and "psychological care", direct or consultative services provided during inpatient hospitalization, partial hospitalization, residential care, intensive outpatient treatment, follow-up outpatient care, and counseling provided by a psychiatrist or psychologist licensed in the state of practice;

(8) "Treatment of eating disorders", therapy provided by a licensed treating physician, psychiatrist, psychologist, professional counselor, clinical social worker, or licensed marital and family therapist pursuant to the powers granted under such licensed physician's, psychiatrist's, psychologist's, professional counselor's, clinical social worker's, or licensed marital and family therapist's license in the state where he or she practices for an individual diagnosed with an eating disorder.

2. In accordance with the provisions of section 376.1550, all health benefit plans that are delivered, issued for delivery, continued or renewed on or after January 1, 2017, if written inside the state of Missouri, or written outside the state of Missouri but covering Missouri residents, shall provide coverage for the diagnosis and treatment of eating disorders as required in section 376.1550.

3. Coverage provided under this section is limited to medically necessary treatment that is provided by a licensed treating physician, psychiatrist, psychologist, professional counselor, clinical social worker, or licensed

marital and family therapist pursuant to the powers granted under such licensed physician's, psychiatrist's, psychologist's, professional counselor's, clinical social worker's, or licensed marital and family therapist's license and acting within their applicable scope of coverage, in accordance with a treatment plan.

4. The treatment plan, upon request by the health benefit plan or health carrier, shall include all elements necessary for the health benefit plan or health carrier to pay claims. Such elements include, but are not limited to, a diagnosis, proposed treatment by type, frequency and duration of treatment, and goals.

5. Coverage of the treatment of eating disorders may be subject to other general exclusions and limitations of the contract or benefit plan not in conflict with the provisions of this section, such as coordination of benefits, and utilization review of health care services, which includes reviews of medical necessity and care management. Medical necessity determinations and care management for the treatment of eating disorders shall consider the overall medical and mental health needs of the individual with an eating disorder, shall not be based solely on weight, and shall take into consideration the most recent Practice Guideline for the Treatment of Patients with Eating Disorders adopted by the American Psychiatric Association in addition to current standards based upon the medical literature generally recognized as authoritative in the medical community.

376.1192. 1. As used in this section, "health benefit plan" and "health carrier" shall have the same meaning as such terms are defined in section 376.1350.

2. (1) Orally administered anticancer medication that is used to kill or slow the growth of cancerous cells charged at the same co-payment, deductible, or coinsurance amount as intravenously administered or injected cancer medication that is provided, regardless of formulation or benefit category determination by the health carrier administering the health benefit plan;

(2) Diagnosis and treatment of eating disorders that include anorexia nervosa, bulimia, binge eating, eating disorders nonspecified, and any other severe eating disorders contained in the most recent version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association. (a) Residential treatment for eating disorders, if such treatment is medically necessary in accordance with the Practice Guidelines for the Treatment of Patients with Eating Disorders, as most recently published by the American Psychiatric Association; and

(b) Access to medical treatment that provides coverage for integrated care and treatment as recommended by medical and mental health care professionals, including but not limited to psychological services, nutrition counseling, physical therapy, dietician services, medical monitoring, and psychiatric monitoring.

3. By December 31, 2013, the director of the oversight division of the joint committee on legislative research shall submit a report of the actuarial findings prescribed by this section to the speaker of the house of representatives, the president pro tempore of the senate, and the chairpersons of the house of representatives committee on health insurance and the senate small business, insurance and industry committee, or the committees having jurisdiction over health insurance issues if the preceding committees no longer exist.

4. For the purposes of this section, the actuarial analysis of health benefit plan coverage shall assume that such coverage:

(1) Shall not be subject to any greater deductible or co-payment than other health care services provided by the health benefit plan; and

(2) Shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy.

5. The cost for each actuarial analysis shall not exceed thirty thousand dollars and the oversight division of the joint committee on legislative research may utilize any actuary contracted to perform services for the Missouri consolidated health care plan to perform the analysis required under this section.

6. The provisions of this section shall expire on December 31, 2013.

376.1199. 1. Each health carrier or health benefit plan that offers or issues health benefit plans providing obstetrical/gynecological benefits and pharmaceutical coverage, which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall:

(1) Notwithstanding the provisions of subsection 4 of section 354.618, provide enrollees with direct access to the services of a participating obstetrician, participating gynecologist or participating obstetrician/gynecologist of her choice within the provider network for covered services. The services covered by this subdivision shall be limited to those services defined by the published recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/gynecologist, including but not limited to diagnosis, treatment and referral for such services. A health carrier shall not impose additional co-payments, coinsurance or deductibles upon any enrollee who seeks or receives health care services pursuant to this subdivision, unless similar additional co-payments, coinsurance or deductibles are imposed for other types of health care services received within the provider network. Nothing in this subsection shall be construed to require a health carrier to perform, induce, pay for, reimburse, guarantee, arrange, provide any resources for or refer a patient for an abortion, as defined in section 188.015, other than a spontaneous abortion or to prevent the death of the female upon whom the abortion is performed, or to supersede or conflict with section 376.805; and

(2) Notify enrollees annually of cancer screenings covered by the enrollees' health benefit plan and the current American Cancer Society guidelines for all cancer screenings or notify enrollees at intervals consistent with current American Cancer Society guidelines of cancer screenings which are covered by the enrollees' health benefit plans. The notice shall be delivered by mail unless the enrollee and health carrier have agreed on another method of notification; and

(3) Include coverage for services related to diagnosis, treatment and appropriate management of osteoporosis when such services are provided by a person licensed to practice medicine and surgery in this state, for individuals with a condition or medical history for which bone mass measurement is medically indicated for such individual. In determining whether testing or treatment is medically appropriate, due consideration shall be given to peer-reviewed medical literature. A policy, provision, contract, plan or agreement may apply to such services the same deductibles, coinsurance and other limitations as apply to other covered services; and

(4) If the health benefit plan also provides coverage for pharmaceutical benefits, provide coverage for contraceptives either at no charge or at the same level of deductible, coinsurance or co-payment as any other covered drug. No such deductible, coinsurance or co-payment shall be greater than any drug on the health benefit plan's formulary. As used in this section, "contraceptive" shall include all prescription drugs and devices approved by the federal Food and Drug Administration for use as a contraceptive, but shall exclude all drugs and devices that are intended to induce an abortion, as defined in section 188.015, which shall be subject to section 376.805. Nothing in this subdivision shall be construed to exclude coverage for prescription contraceptive drugs or devices ordered by a health care provider with prescriptive authority for reasons other than contraceptive or abortion purposes.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**]** **having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

4. Notwithstanding the provisions of subdivision (4) of subsection 1 of this section to the contrary:

(1) Any health carrier shall offer and issue to any person or entity purchasing a health benefit plan, a health benefit plan that excludes coverage for contraceptives if the use or provision of such contraceptives is contrary to the moral, ethical or religious beliefs or tenets of such person or entity;

(2) Upon request of an enrollee who is a member of a group health benefit plan and who states that the use or provision of contraceptives is contrary to his or her moral, ethical or religious beliefs, any health carrier shall issue to or on behalf of such enrollee a policy form that excludes coverage for contraceptives. Any administrative costs to a group health benefit plan associated with such exclusion of coverage not offset by the decreased costs of providing coverage shall be borne by the group policyholder or group plan holder;

(3) Any health carrier which is owned, operated or controlled in substantial part by an entity that is operated pursuant to moral, ethical or religious tenets that are contrary to the use or provision of contraceptives shall be exempt from the provisions of subdivision (4) of subsection 1 of this section. For purposes of this subsection, if new premiums are charged for a contract, plan or policy, it shall be determined to be a new contract, plan or policy.

5. Except for a health carrier that is exempted from providing coverage for contraceptives pursuant to this section, a health carrier shall allow enrollees in a health benefit plan that excludes coverage for contraceptives pursuant to subsection 4 of this section to purchase a health benefit plan that includes coverage for contraceptives.

6. Any health benefit plan issued pursuant to subsection 1 of this section shall provide clear and conspicuous written notice on the enrollment form or any accompanying materials to the enrollment form and the group health benefit plan application and contract:

(1) Whether coverage for contraceptives is or is not included;

(2) That an enrollee who is a member of a group health benefit plan with coverage for contraceptives has the right to exclude coverage for contraceptives if such coverage is contrary to his or her moral, ethical or religious beliefs;

(3) That an enrollee who is a member of a group health benefit plan without coverage for contraceptives has the right to purchase coverage for contraceptives;

(4) Whether an optional rider for elective abortions has been purchased by the group contract holder pursuant to section 376.805; and

(5) That an enrollee who is a member of a group health plan with coverage for elective abortions has the right to exclude and not pay for coverage for elective abortions if such coverage is contrary to his or her moral, ethical, or religious beliefs.

For purposes of this subsection, if new premiums are charged for a contract, plan, or policy, it shall be determined to be a new contract, plan, or policy.

7. Health carriers shall not disclose to the person or entity who purchased the health benefit plan the names of enrollees who exclude coverage for contraceptives in the health benefit plan or who purchase a health benefit plan that includes coverage for contraceptives. Health carriers and the person or entity who purchased the health benefit plan shall not discriminate against an enrollee because the enrollee excluded coverage for contraceptives in the health benefit plan or purchased a health benefit plan that includes coverage for contraceptives.

8. The departments of health and senior services and insurance, financial institutions and professional registration may promulgate rules necessary to implement the provisions of this section. No rule or portion of a rule promulgated pursuant to this section shall become effective unless it has been promulgated pursuant to chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

376.1200. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1996, shall offer coverage for the treatment of breast cancer by dose-intensive chemotherapy/autologous bone marrow transplants or stem cell transplants when performed pursuant to nationally accepted peer review protocols utilized by breast cancer treatment centers experienced in dose-intensive chemotherapy/autologous bone marrow transplants or stem cell transplants. The offer of benefits under this section shall be in writing and must be accepted in writing by the individual or group policyholder or contract holder.

2. Such health care service shall not be subject to any greater deductible or co-payment than any other health care service provided by the policy, contract or plan, except that the policy, contract or plan may contain a provision imposing a lifetime benefit maximum of not less than one hundred thousand dollars, for dose-intensive chemotherapy/autologous bone marrow transplants or stem cell transplants for breast cancer treatment.

3. Benefits may be administered for such health care service through a managed care program of exclusive and/or preferred contractual arrangements with one or more providers rendering such health care service. These contractual arrangements may provide that the provider shall hold the patient harmless for the cost of rendering such health care service if it is subsequently found by the entity authorized to resolve disputes that:

(1) Such care did not qualify under the protocols established for the providing of care for such health care service;

(2) Such care was not medically appropriate; or

(3) The provider otherwise failed to comply with the utilization management or other managed care provision agreed to in any contract between the entity and the provider.

4. The provisions of this section shall not apply to short-term travel, accident-only, limited or specified disease policies, or to short-term nonrenewable policies **[**~~of not more than seven months duration~~**] having a duration of less than one year**.

5. Nothing in this section shall prohibit an entity from including all or part of such health care services as standard coverage in its policies, contracts or plans.

376.1209. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law, and all managed health care delivery entities of any type or description, that provide coverage for the surgical procedure known as a mastectomy, and which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1998, shall provide coverage for prosthetic devices or reconstructive surgery necessary to restore symmetry as recommended by the oncologist or primary care physician for the patient incident to the mastectomy. Coverage for prosthetic devices and reconstructive surgery shall be subject to the same deductible and coinsurance conditions applied to the mastectomy and all other terms and conditions applicable to other benefits with the exception that no time limit shall be imposed on an individual for the receipt of prosthetic devices or reconstructive surgery and if such individual changes his or her insurer, then the new policy subject to the federal Women's Health and Cancer Rights Act (Sections 901-903 of P.L. 105-277), as amended, shall provide coverage consistent with the federal Women's Health and Cancer Rights Act (Sections 901-903 of P.L. 105-277), as amended, and any regulations promulgated pursuant to such act.

2. As used in this section, the term "mastectomy" means the removal of all or part of the breast for medically necessary reasons, as determined by a physician licensed pursuant to chapter 334.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy**, short-term major medical policy having a duration of less than one year,** or long-term care policy.

376.1210. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law, and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1997, and providing for maternity benefits, shall provide coverage for a minimum of forty-eight hours of inpatient care following a vaginal delivery and a minimum of ninety-six hours of inpatient care following a cesarean section for a mother and her newly born child in a hospital as defined in section 197.020 or any other health care facility licensed to provide obstetrical care under the provisions of chapter 197.

2. Notwithstanding the provisions of subsection 1 of this section, any entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law, and all managed health care delivery entities of any type or description that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1997, and providing for maternity benefits, may authorize a shorter length of hospital stay for services related to maternity and newborn care if:

(1) A shorter hospital stay meets with the approval of the attending physician after consulting with the mother. The physician's approval to discharge shall be made in accordance with the most current version of the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, or similar guidelines prepared by another nationally recognized medical organization; and

(2) The entity providing the individual or group health insurance policy provides coverage for post-discharge care to the mother and her newborn.

3. Post-discharge care shall consist of a minimum of two visits at least one of which shall be in the home, in accordance with accepted maternal and neonatal physical assessments, by a registered professional nurse with experience in maternal and child health nursing or a physician. The location and schedule of the post-discharge visits shall be determined by the attending physician. Services provided by the registered professional nurse or physician shall include, but not be limited to, physical assessment of the newborn and mother, parent education, assistance and training in breast or bottle feeding, education and services for complete childhood immunizations, the performance of any necessary and appropriate clinical tests and submission of a metabolic specimen satisfactory to the state laboratory. Such services shall be in accordance with the medical criteria outlined in the most current version of the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, or similar guidelines prepared by another nationally recognized medical organization. Any abnormality, in the condition of the mother or the child, observed by the nurse shall be reported to the attending physician as medically appropriate.

4. For the purposes of this section, "attending physician" shall include the attending obstetrician, pediatrician, or other physician attending the mother or newly born child.

5. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description shall provide notice to policyholders, insured persons and participants regarding the coverage required by this section. Such notice shall be in writing and prominently positioned in the policy, certificate of coverage or summary plan description.

6. Such health care service shall not be subject to any greater deductible or co-payment than other similar health care services provided by the policy, contract or plan.

7. No insurer may provide financial disincentives to, or deselect, terminate the services of, require additional documentation from, require additional utilization review, or reduce payments to, or otherwise penalize the attending physician in retaliation solely for ordering care consistent with the provisions of this section.

8. **The provisions of this section shall not apply to short-term major medical policies having a duration of less than one year.**

9. The department of insurance, financial institutions and professional registration shall adopt rules and regulations to implement and enforce the provisions of this section. No rule or portion of a rule promulgated pursuant to this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

376.1215. 1. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization and all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description shall provide coverage for immunizations of a child from birth to five years of age as provided by department of health and senior services regulations.

2. Such coverage shall not be subject to any deductible or co-payment limits.

3. The contract issued by a health maintenance organization may provide that the benefits required pursuant to this section shall be covered benefits only if the services are rendered by a provider who is designated by and affiliated with the health maintenance organization, except that the health maintenance organization shall, as a condition of participation, comply with the immunization requirements of state or federally funded health programs.

4. This section shall not apply to supplemental insurance policies, including life care contracts, accident-only policies, specified disease policies, hospital policies providing a fixed daily benefit only, Medicare supplement policies, long-term care policies, coverage issued as a supplement to liability insurance, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year,** and other supplemental policies as determined by the department of insurance, financial institutions and professional registration.

5. The department of health and senior services shall promulgate rules and regulations to determine which immunizations shall be covered by policies, plans or contracts described in this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

6. No health care provider shall charge more than one hundred percent of the reasonable and customary charges for providing any immunization.

376.1218. 1. Any health carrier or health benefit plan that offers or issues health benefit plans, other than Medicaid health benefit plans, which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2006, shall provide coverage for early intervention services described in this section that are delivered by early intervention specialists who are health care professionals licensed by the state of Missouri and acting within the scope of their professions for children from birth to age three identified by the Part C early intervention system as eligible for services under Part C of the Individuals with Disabilities Education Act, 20 U.S.C. Section 1431, et seq. Such coverage shall be limited to three thousand dollars for each covered child per policy per calendar year, with a maximum of nine thousand dollars per child.

2. As used in this section, "health carrier" and "health benefit plan" shall have the same meaning as such terms are defined in section 376.1350.

3. In the event that any health benefit plan is found not to be required to provide coverage under subsection 1 of this section because of preemption by a federal law, including but not limited to the act commonly known as

ERISA contained in Title 29 of the United States Code, or in the event that subsection 1 of this section is found to be unconstitutional, then the lead agency shall be responsible for payment and provision of any benefit provided under this section.

4. For purposes of this section, "early intervention services" means medically necessary speech and language therapy, occupational therapy, physical therapy, and assistive technology devices for children from birth to age three who are identified by the Part C early intervention system as eligible for services under Part C of the Individuals with Disabilities Education Act, 20 U.S.C. Section 1431, et seq. Early intervention services shall include services under an active individualized family service plan that enhance functional ability without effecting a cure. An individualized family service plan is a written plan for providing early intervention services to an eligible child and the child's family that is adopted in accordance with 20 U.S.C. Section 1436. The Part C early intervention system, on behalf of its contracted regional Part C early intervention system centers and providers, shall be considered the rendering provider of services for purposes of this section.

5. No payment made for specified early intervention services shall be applied by the health carrier or health benefit plan against any maximum lifetime aggregate specified in the policy or health benefit plan if the carrier opts to satisfy its obligations under this section under subdivision (2) of subsection 7 of this section. A health benefit plan shall be billed at the applicable Medicaid rate at the time the covered benefit is delivered, and the health benefit plan shall pay the Part C early intervention system at such rate for benefits covered by this section. Services under the Part C early intervention system shall be delivered as prescribed by the individualized family service plan and an electronic claim filed in accordance with the carrier's or plan's standard format. Beginning January 1, 2007, such claims' payments shall be made in accordance with the provisions of sections 376.383 and 376.384.

6. The health care service required by this section shall not be subject to any greater deductible, co-payment, or coinsurance than other similar health care services provided by the health benefit plan.

7. (1) Subject to the provisions of this section, payments made during a calendar year by a health carrier or group of carriers affiliated by or under common ownership or control to the Part C early intervention system for services provided to children covered by the Part C early intervention system shall not exceed one-half of one percent of the direct written premium for health benefit plans as reported to the department of insurance, financial institutions and professional registration on the health carrier's most recently filed annual financial statement.

(2) In lieu of reimbursing claims under this section, a carrier or group of carriers affiliated by or under common ownership or control may, on behalf of all of the carrier's or carriers' health benefit plan or plans providing coverage under this section, directly pay the Part C early intervention system by January thirty-first of the calendar year an amount equal to one-half of one percent of the direct written premium for health benefit plans as reported to the department of insurance, financial institutions and professional registration on the health carrier's most recently filed annual financial statement, or five hundred thousand dollars, whichever is less, and such payment shall constitute full and complete satisfaction of the health benefit plan's obligation for the calendar year. Nothing in this subsection shall require a health carrier or health benefit plan providing coverage under this section to amend or modify any provision of an existing policy or plan relating to the payment or reimbursement of claims by the health carrier or health benefit plan.

8. This section shall not apply to a supplemental insurance policy, including a life care contract, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, hospitalization-surgical care policy, policy that is individually underwritten or provides such coverage for specific individuals and members of their families, long-term care policy, or short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**.

9. Except for health carriers or health benefit plans making payments under subdivision (2) of subsection 7 of this section, the department of insurance, financial institutions and professional registration shall collect data related to the number of children receiving private insurance coverage under this section and the total amount of moneys paid on behalf of such children by private health carriers or health benefit plans. The department shall report to the general assembly regarding the department's findings no later than January 30, 2007, and annually thereafter.

10. Notwithstanding the provisions of section 23.253 to the contrary, the provisions of this section shall not sunset.

376.1219. 1. Each policy issued by an entity offering individual and group health insurance which provides coverage on an expense-incurred basis, individual and group health service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group health arrangements to the extent not preempted by federal law, and all health care plans provided by managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after September 1, 1997, shall provide coverage for formula and

low protein modified food products recommended by a physician for the treatment of a patient with phenylketonuria or any inherited disease of amino and organic acids who is covered under the policy, contract, or plan and who is less than six years of age.

2. For purposes of this section, "low protein modified food products" means foods that are specifically formulated to have less than one gram of protein per serving and are intended to be used under the direction of a physician for the dietary treatment of any inherited metabolic disease. Low protein modified food products do not include foods that are naturally low in protein.

3. The coverage required by this section may be subject to the same deductible for similar health care services provided by the policy, contract, or plan as well as a reasonable coinsurance or co-payment on the part of the insured, which shall not be greater than fifty percent of the cost of the formula and food products, and may be subject to an annual benefit maximum of not less than five thousand dollars per covered child. Nothing in this section shall prohibit a carrier from using individual case management or from contracting with vendors of the formula and food products.

4. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, **short-term major medical policy having a duration of less than one year,** or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1220. 1. Each policy issued by an entity offering individual and group health insurance which provides coverage on an expense-incurred basis, individual or group health service, or indemnity contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group health arrangements to the extent not preempted by federal law, and all health care plans provided by managed health care delivery entities of any type or description that are delivered, issued for delivery, continued or renewed in this state shall provide coverage for newborn hearing screening, necessary rescreening, audiological assessment and follow-up, and initial amplification.

2. The health care service required by this section shall not be subject to any greater deductible or co-payment than other similar health care services provided by the policy, contract or plan.

3. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

4. Coverage for newborn hearing screening and any necessary rescreening and audiological assessment shall be provided to newborns eligible for medical assistance pursuant to section 208.151, and the children's health program pursuant to sections 208.631 to 208.660, with payment for the newborn hearing screening required in section 191.925, and any necessary rescreening, audiological assessment and follow-up, and amplification as described in section 191.928.

376.1224. 1. For purposes of this section, the following terms shall mean:

(1) "Applied behavior analysis", the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct observation, measurement, and functional analysis of the relationships between environment and behavior;

(2) "Autism service provider":

(a) Any person, entity, or group that provides diagnostic or treatment services for autism spectrum disorders who is licensed or certified by the state of Missouri; or

(b) Any person who is licensed under chapter 337 as a board-certified behavior analyst by the behavior analyst certification board or licensed under chapter 337 as an assistant board-certified behavior analyst;

(3) "Autism spectrum disorders", a neurobiological disorder, an illness of the nervous system, which includes Autistic Disorder, Asperger's Disorder, Pervasive Developmental Disorder Not Otherwise Specified, Rett's Disorder, and Childhood Disintegrative Disorder, as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association;

(4) "Diagnosis of autism spectrum disorders", medically necessary assessments, evaluations, or tests in order to diagnose whether an individual has an autism spectrum disorder;

(5) "Habilitative or rehabilitative care", professional, counseling, and guidance services and treatment programs, including applied behavior analysis, that are necessary to develop the functioning of an individual;

(6) "Health benefit plan", shall have the same meaning ascribed to it as in section 376.1350;

(7) "Health carrier", shall have the same meaning ascribed to it as in section 376.1350;

(8) "Line therapist", an individual who provides supervision of an individual diagnosed with an autism diagnosis and other neurodevelopmental disorders pursuant to the prescribed treatment plan, and implements specific behavioral interventions as outlined in the behavior plan under the direct supervision of a licensed behavior analyst;

(9) "Pharmacy care", medications used to address symptoms of an autism spectrum disorder prescribed by a licensed physician, and any health-related services deemed medically necessary to determine the need or effectiveness of the medications only to the extent that such medications are included in the insured's health benefit plan;

(10) "Psychiatric care", direct or consultative services provided by a psychiatrist licensed in the state in which the psychiatrist practices;

(11) "Psychological care", direct or consultative services provided by a psychologist licensed in the state in which the psychologist practices;

(12) "Therapeutic care", services provided by licensed speech therapists, occupational therapists, or physical therapists;

(13) "Treatment for autism spectrum disorders", care prescribed or ordered for an individual diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist, including equipment medically necessary for such care, pursuant to the powers granted under such licensed physician's or licensed psychologist's license, including, but not limited to:

(a) Psychiatric care;

(b) Psychological care;

(c) Habilitative or rehabilitative care, including applied behavior analysis therapy;

(d) Therapeutic care;

(e) Pharmacy care.

2. All group health benefit plans that are delivered, issued for delivery, continued, or renewed on or after January 1, 2011, if written inside the state of Missouri, or written outside the state of Missouri but insuring Missouri residents, shall provide coverage for the diagnosis and treatment of autism spectrum disorders to the extent that such diagnosis and treatment is not already covered by the health benefit plan.

3. With regards to a health benefit plan, a health carrier shall not deny or refuse to issue coverage on, refuse to contract with, or refuse to renew or refuse to reissue or otherwise terminate or restrict coverage on an individual or their dependent because the individual is diagnosed with autism spectrum disorder.

4. (1) Coverage provided under this section is limited to medically necessary treatment that is ordered by the insured's treating licensed physician or licensed psychologist, pursuant to the powers granted under such licensed physician's or licensed psychologist's license, in accordance with a treatment plan.

(2) The treatment plan, upon request by the health benefit plan or health carrier, shall include all elements necessary for the health benefit plan or health carrier to pay claims. Such elements include, but are not limited to, a diagnosis, proposed treatment by type, frequency and duration of treatment, and goals.

(3) Except for inpatient services, if an individual is receiving treatment for an autism spectrum disorder, a health carrier shall have the right to review the treatment plan not more than once every six months unless the health carrier and the individual's treating physician or psychologist agree that a more frequent review is necessary. Any such agreement regarding the right to review a treatment plan more frequently shall only apply to a particular individual being treated for an autism spectrum disorder and shall not apply to all individuals being treated for autism spectrum disorders by a physician or psychologist. The cost of obtaining any review or treatment plan shall be borne by the health benefit plan or health carrier, as applicable.

5. Coverage provided under this section for applied behavior analysis shall be subject to a maximum benefit of forty thousand dollars per calendar year for individuals through eighteen years of age. Such maximum benefit limit may be exceeded, upon prior approval by the health benefit plan, if the provision of applied behavior analysis services beyond the maximum limit is medically necessary for such individual. Payments made by a health carrier on behalf of a covered individual for any care, treatment, intervention, service or item, the provision of which was for the treatment of a health condition unrelated to the covered individual's autism spectrum disorder, shall not be applied toward any maximum benefit established under this subsection. Any coverage required under this section, other than the coverage for applied behavior analysis, shall not be subject to the age and dollar limitations described in this subsection.

6. The maximum benefit limitation for applied behavior analysis described in subsection 5 of this section shall be adjusted by the health carrier at least triennially for inflation to reflect the aggregate increase in the general price level as measured by the Consumer Price Index for All Urban Consumers for the United States, or its successor index, as defined and officially published by the United States Department of Labor, or its successor agency. Beginning January 1, 2012, and annually thereafter, the current value of the maximum benefit limitation for applied behavior analysis coverage adjusted for inflation in accordance with this subsection shall be calculated by the director of the department of insurance, financial institutions and professional registration. The director shall furnish the calculated value to the secretary of state, who shall publish such value in the Missouri Register as soon after each January first as practicable, but it shall otherwise be exempt from the provisions of section 536.021.

7. Subject to the provisions set forth in subdivision (3) of subsection 4 of this section, coverage provided under this section shall not be subject to any limits on the number of visits an individual may make to an autism service provider, except that the maximum total benefit for applied behavior analysis set forth in subsection 5 of this section shall apply to this subsection.

8. This section shall not be construed as limiting benefits which are otherwise available to an individual under a health benefit plan. The health care coverage required by this section shall not be subject to any greater deductible, coinsurance, or co-payment than other physical health care services provided by a health benefit plan. Coverage of services may be subject to other general exclusions and limitations of the contract or benefit plan, not in conflict with the provisions of this section, such as coordination of benefits, exclusions for services provided by family or household members, and utilization review of health care services, including review of medical necessity and care management; however, coverage for treatment under this section shall not be denied on the basis that it is educational or habilitative in nature.

9. To the extent any payments or reimbursements are being made for applied behavior analysis, such payments or reimbursements shall be made to either:

(1) The autism service provider, as defined in this section; or

(2) The entity or group for whom such supervising person, who is certified as a board-certified behavior analyst by the Behavior Analyst Certification Board, works or is associated.

Such payments or reimbursements under this subsection to an autism service provider or a board-certified behavior analyst shall include payments or reimbursements for services provided by a line therapist under the supervision of such provider or behavior analyst if such services provided by the line therapist are included in the treatment plan and are deemed medically necessary.

10. Notwithstanding any other provision of law to the contrary, health carriers shall not be held liable for the actions of line therapists in the performance of their duties.

11. The provisions of this section shall apply to any health care plans issued to employees and their dependents under the Missouri consolidated health care plan established pursuant to chapter 103 that are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2011. The terms "employees" and "health care plans" shall have the same meaning ascribed to them in section 103.003.

12. The provisions of this section shall also apply to the following types of plans that are established, extended, modified, or renewed on or after January 1, 2011:

(1) All self-insured governmental plans, as that term is defined in 29 U.S.C. Section 1002(32);

(2) All self-insured group arrangements, to the extent not preempted by federal law;

(3) All plans provided through a multiple employer welfare arrangement, or plans provided through another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, or any waiver or exception to that act provided under federal law or regulation; and

(4) All self-insured school district health plans.

13. The provisions of this section shall not automatically apply to an individually underwritten health benefit plan, but shall be offered as an option to any such plan.

14. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**]** **having a duration of less than one year**, or any other supplemental policy.

15. Any health carrier or other entity subject to the provisions of this section shall not be required to provide reimbursement for the applied behavior analysis delivered to a person insured by such health carrier or other entity to the extent such health carrier or other entity is billed for such services by any Part C early intervention

program or any school district for applied behavior analysis rendered to the person covered by such health carrier or other entity. This section shall not be construed as affecting any obligation to provide services to an individual under an individualized family service plan, an individualized education plan, or an individualized service plan. This section shall not be construed as affecting any obligation to provide reimbursement pursuant to section 376.1218.

16. The provisions of sections 376.383, 376.384, and 376.1350 to 376.1399 shall apply to this section.

17. The director of the department of insurance, financial institutions and professional registration shall grant a small employer with a group health plan, as that term is defined in section 379.930, a waiver from the provisions of this section if the small employer demonstrates to the director by actual claims experience over any consecutive twelve-month period that compliance with this section has increased the cost of the health insurance policy by an amount of two and a half percent or greater over the period of a calendar year in premium costs to the small employer.

18. The provisions of this section shall not apply to the Mo HealthNet program as described in chapter 208.

19. (1) By February 1, 2012, and every February first thereafter, the department of insurance, financial institutions and professional registration shall submit a report to the general assembly regarding the implementation of the coverage required under this section. The report shall include, but shall not be limited to, the following:

(a) The total number of insureds diagnosed with autism spectrum disorder;

(b) The total cost of all claims paid out in the immediately preceding calendar year for coverage required by this section;

(c) The cost of such coverage per insured per month; and

(d) The average cost per insured for coverage of applied behavior analysis;

(2) All health carriers and health benefit plans subject to the provisions of this section shall provide the department with the data requested by the department for inclusion in the annual report.

376.1225. 1. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed on or after August 28, 1998, shall provide coverage for administration of general anesthesia and hospital charges for dental care provided to the following covered persons:

(1) A child under the age of five;

(2) A person who is severely disabled; or

(3) A person who has a medical or behavioral condition which requires hospitalization or general anesthesia when dental care is provided.

2. Each plan as described in this section must provide coverage for administration of general anesthesia and hospital or office charges for treatment rendered by a dentist, regardless of whether the services are provided in a participating hospital or surgical center or office.

3. Nothing in this section shall prevent a health carrier from requiring prior authorization for hospitalization for dental care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions.

4. Nothing in this section shall apply to accident-only, dental-only plans or other specified disease, hospital indemnity, Medicare supplement or long-term care policies, or short-term major medical policies **[**~~of six months or less in duration~~**] having a duration of less than one year**.

376.1230. 1. Every policy issued by a health carrier, as defined in section 376.1350, shall provide coverage for chiropractic care delivered by a licensed chiropractor acting within the scope of his or her practice as defined in chapter 331. The coverage shall include initial diagnosis and clinically appropriate and medically necessary services and supplies required to treat the diagnosed disorder, subject to the terms and conditions of the policy. The coverage may be limited to chiropractors within the health carrier's network, and nothing in this section shall be construed to require a health carrier to contract with a chiropractor not in the carrier's network nor shall a carrier be required to reimburse for services rendered by a nonnetwork chiropractor unless prior approval has been obtained from the carrier by the enrollee. An enrollee may access chiropractic care within the network for a total of twenty-six chiropractic physician office visits per policy period, but may be required to provide the health carrier with notice prior to any additional visit as a condition of coverage. A health carrier may require prior authorization or notification before any follow-up diagnostic tests are ordered by a chiropractor or for any office visits for treatment in excess of twenty-six in any policy period. The certificate of coverage for any health benefit plan issued by a health carrier shall clearly state the availability of chiropractic coverage under the policy and any limitations, conditions, and exclusions.

2. A health benefit plan shall provide coverage for treatment of a chiropractic care condition and shall not establish any rate, term, or condition that places a greater financial burden on an insured for access to treatment for a chiropractic care condition than for access to treatment for another physical health condition.

3. The provisions of this section shall not apply to any health plan or contract that is individually underwritten.

4. The provisions of this section shall not apply to benefits provided under the Medicaid program.

5. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other similar supplemental policy.

376.1232. 1. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2010, shall offer coverage for prosthetic devices and services, including original and replacement devices, as prescribed by a physician acting within the scope of his or her practice.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.

3. The amount of the benefit for prosthetic devices and services under this section shall be no less than the annual and lifetime benefit maximums applicable to the basic health care services required to be provided under the health benefit plan. If the health benefit plan does not include any annual or lifetime maximums applicable to basic health care services, the amount of the benefit for prosthetic devices and services shall not be subject to an annual or lifetime maximum benefit level. Any co-payment, coinsurance, deductible, and maximum out-of-pocket amount applied to the benefit for prosthetic devices and services shall be no more than the most common amounts applied to the basic health care services required to be provided under the health benefit plan.

4. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1235. 1. No health carrier or health benefit plan, as defined in section 376.1350, shall impose a co-payment or coinsurance percentage charged to the insured for services rendered for each date of service by a physical therapist licensed under chapter 334 or an occupational therapist licensed under chapter 324, for services that require a prescription, that is greater than the co-payment or coinsurance percentage charged to the insured for the services of a primary care physician licensed under chapter 334 for an office visit.

2. A health carrier or health benefit plan shall clearly state the availability of physical therapy and occupational therapy coverage under its plan and all related limitations, conditions, and exclusions.

3. Beginning September 1, 2016, the oversight division of the joint committee on legislative research shall perform an actuarial analysis of the cost impact to health carriers, insureds with a health benefit plan, and other private and public payers if the provisions of this section regarding occupational therapy coverage were enacted. By December 31, 2016, the director of the oversight division of the joint committee on legislative research shall submit a report of the actuarial findings prescribed by this section to the speaker, the president pro tem, and the chairpersons of both the house of representatives and senate standing committees having jurisdiction over health insurance matters. If the fiscal note cost estimation is less than the cost of an actuarial analysis, the actuarial analysis requirement shall be waived.

4. This section shall not apply to short-term major medical policies having a duration of less than one year.

376.1237. 1. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2014, and that provides coverage for prescription eye drops shall provide coverage for the refilling of an eye drop prescription prior to the last day of the prescribed dosage period without regard to a coverage restriction for early refill of prescription renewals as long as the prescribing health care provider authorizes such early refill, and the health carrier or the health benefit plan is notified.

2. For the purposes of this section, health carrier and health benefit plan shall have the same meaning as defined in section 376.1350.

3. The coverage required by this section shall not be subject to any greater deductible or co-payment than other similar health care services provided by the health benefit plan.

4. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

5. The provisions of this section shall terminate on January 1, 2020.

376.1250. 1. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed on or after August 28, 1999, and providing coverage to any resident of this state shall provide benefits or coverage for:

(1) A pelvic examination and pap smear for any nonsymptomatic woman covered under such policy or contract, in accordance with the current American Cancer Society guidelines;

(2) A prostate examination and laboratory tests for cancer for any nonsymptomatic man covered under such policy or contract, in accordance with the current American Cancer Society guidelines; and

(3) A colorectal cancer examination and laboratory tests for cancer for any nonsymptomatic person covered under such policy or contract, in accordance with the current American Cancer Society guidelines.

2. Coverage and benefits related to the examinations and tests as required by this section shall be at least as favorable and subject to the same dollar limits, deductible, and co-payments as other covered benefits or services.

3. Nothing in this act shall apply to accident-only, hospital indemnity, Medicare supplement, long-term care, or other limited benefit health insurance policies.

4. The provisions of this section shall not apply to short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**.

5. The attending physician shall advise the patient of the advantages, disadvantages, and risks, including cancer, associated with breast implantation prior to such operation.

6. Nothing in this section shall alter, impair or otherwise affect claims, rights or remedies available pursuant to law.

376.1253. 1. Each physician attending any patient with a newly diagnosed cancer shall inform the patient that the patient has the right to a referral for a second opinion by an appropriate board-certified specialist prior to any treatment. If no specialist in that specific cancer diagnosis area is in the provider network, a referral shall be made to a nonnetwork specialist in accordance with this section.

2. Each health carrier or health benefit plan, as defined in section 376.1350, that offers or issues health benefit plans which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2003, shall provide coverage for a second opinion rendered by a specialist in that specific cancer diagnosis area when a patient with a newly diagnosed cancer is referred to such specialist by his or her attending physician. Such coverage shall be subject to the same deductible and coinsurance conditions applied to other specialist referrals and all other terms and conditions applicable to other benefits, including the prior authorization and/or referral authorization requirements as specified in the applicable health insurance policy.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1257. 1. As used in this section the following terms shall mean:

(1) "Anticancer medications", medications used to kill or slow the growth of cancerous cells;

(2) "Covered person", a policyholder, subscriber, enrollee, or other individual enrolled in or insured by a health benefit plan for health insurance coverage;

(3) "Health benefit plan", shall have the same meaning as defined in section 376.1350.

2. Any health benefit plan that provides coverage and benefits for cancer treatment shall provide coverage of prescribed orally administered anticancer medications on a basis no less favorable than intravenously administered or injected anticancer medications.

3. Coverage of orally administered anticancer medication shall not be subject to any prior authorization, dollar limit, co-payment, deductible, or other out-of-pocket expense that does not apply to intravenously administered or injected anticancer medication, regardless of formulation or benefit category determination by the company administering the health benefit plan.

4. The health benefit plan shall not reclassify or increase any type of cost-sharing to the covered person for anticancer medications in order to achieve compliance with this section. Any change in health insurance coverage, which otherwise increases an out-of-pocket expense to anticancer medications, shall be applied to the majority of comparable medical or pharmaceutical benefits covered by the health benefit plan.

5. Notwithstanding the provisions of subsections 2, 3, and 4 of this section, a health benefit plan that limits the total amounts paid by a covered person through all cost-sharing requirements to no more than seventy-five dollars per thirty-day supply for any orally administered anticancer medication shall be considered in compliance with this section. On January 1, 2016, and on January first of each year thereafter, a health benefit plan may adjust such seventy-five dollar limit. The adjustment shall not exceed the Consumer Price Index for All Urban Consumers Midwest Region for that year. For purposes of this subsection "cost-sharing requirements" shall include co-payments, coinsurance, deductibles, and any other amounts paid by the covered person for that prescription.

6. For a health benefit plan that meets the definition of "high deductible health plan" as defined by 26 U.S.C. 223(c)(2), the provisions of subsection 5 of this section shall only apply after a covered person's deductible has been satisfied for the year.

7. **The provisions of this section shall not apply to short-term major medical policies having a duration of less than one year.**

8. The provisions of this section shall become effective January 1, 2015.

376.1275. 1. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2003, shall include coverage for their members for the cost for human leukocyte antigen testing, also referred to as histocompatibility locus antigen testing, for A, B, and DR antigens for utilization in bone marrow transplantation. The testing must be performed in a facility which is accredited by the American Association of Blood Banks or its successors, and is licensed under the Clinical Laboratory Improvement Act, 42 U.S.C. Section 263a, as amended, and is accredited by the American Association of Blood Banks or its successors, the College of American Pathologists, the American Society for Histocompatibility and Immunogenetics (ASHI) or any other national accrediting body with requirements that are substantially equivalent to or more stringent than those of the College of American Pathologists. At the time of testing, the person being tested must complete and sign an informed consent form which also authorizes the results of the test to be used for participation in the National Marrow Donor Program. The health benefit plan may limit each enrollee to one such testing per lifetime to be reimbursed at a cost of no greater than seventy-five dollars by the health carrier or health benefit plan.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.

3. The health care service required by this section shall not be subject to any greater deductible or co-payment than other similar health care services provided by the health benefit plan.

4. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1290. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements, to the extent not preempted by federal law, and all managed health care delivery entities of any type or description that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall offer coverage for testing pregnant women for lead poisoning and for all testing for lead poisoning authorized by sections 701.340 to 701.349 or by rule of the department of health and senior services promulgated pursuant to sections 701.340 to 701.349.

2. Health care services required by this section shall not be subject to any greater deductible or co-payment than any other health care service provided by the policy, contract or plan.

3. No entity enumerated in subsection 1 of this section shall reduce or eliminate coverage as a result of the requirements of this section.

4. Nothing in this section shall apply to **short-term major medical policies having a duration of one year or less, or to** accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care or other limited benefit health insurance policies.

376.1400. 1. Every health insurance carrier offering policies of insurance in this state shall use standardized information for the explanation of benefits given to the health care provider whenever a claim is paid or denied. As used in this section, the term "health insurance carrier" shall have the meaning given to "health carrier" in section 376.1350. Nothing in this section shall apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, short-term major medical policies **[**~~of six months or less duration~~**]** **having a duration of less than one year**, other limited benefit health insurance policies.

2. The standardized information shall contain the following:

(1) The name of the insured;

(2) The insured's identification number;

(3) The date of service;

(4) Amount of charge;

(5) Explanation for any denial;

(6) The amount paid;

(7) The patient's full name;

(8) The name and address of the insurer; and

(9) The phone number to contact for questions on explanation of benefits.

3. All health insurance carriers shall use the standard explanation of benefits information after January 1, 2002.

376.1550. 1. Notwithstanding any other provision of law to the contrary, each health carrier that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2005, shall provide coverage for a mental health condition, as defined in this section, and shall comply with the following provisions:

(1) A health benefit plan shall provide coverage for treatment of a mental health condition and shall not establish any rate, term, or condition that places a greater financial burden on an insured for access to treatment for a mental health condition than for access to treatment for a physical health condition. Any deductible or out-of-pocket limits required by a health carrier or health benefit plan shall be comprehensive for coverage of all health conditions, whether mental or physical;

(2) The coverages set forth is this subsection:

(a) May be administered pursuant to a managed care program established by the health carrier; and

(b) May deliver covered services through a system of contractual arrangements with one or more providers, hospitals, nonresidential or residential treatment programs, or other mental health service delivery entities certified by the department of mental health, or accredited by a nationally recognized organization, or licensed by the state of Missouri;

(3) A health benefit plan that does not otherwise provide for management of care under the plan or that does not provide for the same degree of management of care for all health conditions may provide coverage for treatment of mental health conditions through a managed care organization; provided that the managed care organization is in compliance with rules adopted by the department of insurance, financial institutions and professional registration that assure that the system for delivery of treatment for mental health conditions does not diminish or negate the purpose of this section. The rules adopted by the director shall assure that:

(a) Timely and appropriate access to care is available;

(b) The quantity, location, and specialty distribution of health care providers is adequate; and

(c) Administrative or clinical protocols do not serve to reduce access to medically necessary treatment for any insured;

(4) Coverage for treatment for chemical dependency shall comply with sections 376.779, 376.810 to 376.814, and 376.825 to 376.836 and for the purposes of this subdivision the term "health insurance policy" as used in sections 376.779, 376.810 to 376.814, and 376.825 to 376.836, the term "health insurance policy" shall include group coverage.

2. As used in this section, the following terms mean:

(1) "Chemical dependency", the psychological or physiological dependence upon and abuse of drugs, including alcohol, characterized by drug tolerance or withdrawal and impairment of social or occupational role functioning or both;

(2) "Health benefit plan", the same meaning as such term is defined in section 376.1350;

(3) "Health carrier", the same meaning as such term is defined in section 376.1350;

(4) "Mental health condition", any condition or disorder defined by categories listed in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders except for chemical dependency;

(5) "Managed care organization", any financing mechanism or system that manages care delivery for its members or subscribers, including health maintenance organizations and any other similar health care delivery system or organization;

(6) "Rate, term, or condition", any lifetime or annual payment limits, deductibles, co-payments, coinsurance, and other cost-sharing requirements, out-of-pocket limits, visit limits, and any other financial component of a health benefit plan that affects the insured.

3. This section shall not apply to a health plan or policy that is individually underwritten or provides such coverage for specific individuals and members of their families pursuant to section 376.779, sections 376.810 to 376.814, and sections 376.825 to 376.836, a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, hospitalization-surgical care policy, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

4. Notwithstanding any other provision of law to the contrary, all health insurance policies that cover state employees, including the Missouri consolidated health care plan, shall include coverage for mental illness. Multiyear group policies need not comply until the expiration of their current multiyear term unless the policyholder elects to comply before that time.

5. The provisions of this section shall not be violated if the insurer decides to apply different limits or exclude entirely from coverage the following:

(1) Marital, family, educational, or training services unless medically necessary and clinically appropriate;

(2) Services rendered or billed by a school or halfway house;

(3) Care that is custodial in nature;

(4) Services and supplies that are not immediately nor clinically appropriate; or

(5) Treatments that are considered experimental.

6. The director shall grant a policyholder a waiver from the provisions of this section if the policyholder demonstrates to the director by actual experience over any consecutive twenty-four-month period that compliance with this section has increased the cost of the health insurance policy by an amount that results in a two percent increase in premium costs to the policyholder. The director shall promulgate rules establishing a procedure and appropriate standards for making such a demonstration. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

376.1900. 1. As used in this section, the following terms shall mean:

(1) "Electronic visit", or "e-visit", an online electronic medical evaluation and management service completed using a secured web-based or similar electronic-based communications network for a single patient encounter. An electronic visit shall be initiated by a patient or by the guardian of a patient with the health care provider, be completed using a federal Health Insurance Portability and Accountability Act (HIPAA)-compliant online connection, and include a permanent record of the electronic visit;

(2) "Health benefit plan" shall have the same meaning ascribed to it in section 376.1350;

(3) "Health care provider" shall have the same meaning ascribed to it in section 376.1350;

(4) "Health care service", a service for the diagnosis, prevention, treatment, cure or relief of a physical or mental health condition, illness, injury or disease;

(5) "Health carrier" shall have the same meaning ascribed to it in section 376.1350;

(6) "Telehealth" shall have the same meaning ascribed to it in section 208.670.

2. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2014, shall not deny coverage for a health care service on the basis that the health care service is provided through telehealth if the same service would be covered if provided through face-to-face diagnosis, consultation, or treatment.

3. A health carrier may not exclude an otherwise covered health care service from coverage solely because the service is provided through telehealth rather than face-to-face consultation or contact between a health care provider and a patient.

4. A health carrier shall not be required to reimburse a telehealth provider or a consulting provider for site origination fees or costs for the provision of telehealth services; however, subject to correct coding, a health carrier shall reimburse a health care provider for the diagnosis, consultation, or treatment of an insured or enrollee when the health care service is delivered through telehealth on the same basis that the health carrier covers the service when it is delivered in person.

5. A health care service provided through telehealth shall not be subject to any greater deductible, co-payment, or coinsurance amount than would be applicable if the same health care service was provided through face-to-face diagnosis, consultation, or treatment.

6. A health carrier shall not impose upon any person receiving benefits under this section any co-payment, coinsurance, or deductible amount, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services that is not equally imposed upon all terms and services covered under the policy, contract, or health benefit plan.

7. Nothing in this section shall preclude a health carrier from undertaking utilization review to determine the appropriateness of telehealth as a means of delivering a health care service, provided that the determinations shall be made in the same manner as those regarding the same service when it is delivered in person.

8. A health carrier or health benefit plan may limit coverage for health care services that are provided through telehealth to health care providers that are in a network approved by the plan or the health carrier.

9. Nothing in this section shall be construed to require a health care provider to be physically present with a patient where the patient is located unless the health care provider who is providing health care services by means of telehealth determines that the presence of a health care provider is necessary.

10. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration. All stay orders shall toll this time period.

5. Before restoring to good standing a license issued under this chapter which has been in a revoked, suspended, or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing medical education courses and pass such examinations as the board may direct.

6. In any investigation, hearing or other proceeding to determine a physical therapist's, physical therapist assistant's or applicant's fitness to practice, any record relating to any patient of the physical therapist, physical therapist assistant, or applicant shall be discoverable by the board and admissible into evidence, regardless of any statutory or common law privilege which such physical therapist, physical therapist assistant, applicant, record custodian, or patient might otherwise invoke. A law enforcement agency shall have the authority to run a criminal history record check of a licensee or employee of a licensee during an investigation of unlawful activity related to marijuana and marijuana products.

4. (1) The division shall create a statewide licensure class system for wholesale marijuana-cultivation facilities. In the event the division or local licensing authority considers the applicant's criminal history record, the division or local licensing authority shall also consider any information provided by the applicant regarding such criminal history record including, but not limited to, evidence of rehabilitation, character references, and educational achievements, especially those items pertaining to the time between the applicant's last criminal conviction and the consideration of the application for a state license.

A licensee who files a late renewal application and pays the requisite fees may continue to operate until the division takes final action to approve or deny the licensee's late renewal application unless the division summarily suspends the license.

(2) The division may administratively continue the license and accept a late application for renewal of a license at its discretion.

(b) If a retail marijuana store licensee or employee has reasonable cause to believe that a person is under twenty-one years of age and is exhibiting fraudulent proof of age in an attempt to obtain any marijuana or marijuana-infused product, the licensee or employee is authorized to confiscate such fraudulent proof of age, if possible, and shall, within seventy-two hours after the confiscation, remit the proof of age to a state or local law enforcement agency. 7. (1) Each license issued under sections 195.2200 to 195.2281 is separate and distinct. It is unlawful for a person to exercise any of the privileges granted under a license other than the license that the person holds or for a licensee to allow any other person to exercise the privileges granted under the licensee's license. A separate license shall be required for each specific business or business entity and each geographical location.

(2) At all times, a licensee shall possess and maintain possession of the premises for which the license is issued by ownership, lease, rental, or other arrangement for possession of the premises.

8. The licenses issued under sections 195.2200 to 195.2281 shall specify the date of issuance, the period of licensure, the name of the licensee, and the premises licensed. The licensee shall conspicuously place the license on the licensed premises at all times.

9. In computing any time prescribed by sections 195.2200 to 195.2281, the day of the act, event, or default from which the designated time begins to run shall not be included. Saturdays, Sundays, and legal holidays shall be counted as any other day.

10. Each licensee shall manage the licensed premises himself or herself or employ a separate and distinct manager on the licensed premises and shall report the name of the manager to the division and local licensing authority. The licensee shall report any change in manager to the division and local licensing authority within seven days after the change.

195.2251. 1. A tax shall be levied upon the sale of marijuana or transfer of marijuana by a wholesale marijuana-cultivation facility to a wholesale marijuana-product manufacturing facility or to a retail marijuana store at a rate of twenty percent. The department of revenue shall direct the division to establish procedures for the collection of all taxes levied. The tax shall be evidenced by stamps, which shall be furnished by and purchased from the department of revenue, and the department shall enforce any such tax in a manner similar to taxes levied on cigarettes under chapter 149.

2. All such tax revenue shall be deposited to the credit of the general revenue; however, no more than ten percent shall be used to fund higher education, ten percent to fund elementary and secondary education, and five percent to fund programs assisting children with mental health issues, and no such tax revenue shall be used to fund any pension or public retirement plan.

3. Nothing in this section shall prohibit a locality from imposing its own sales tax or a sales tax upon consumers.

195.2254. 1. The division shall deny a state license if the premises on which the applicant proposes to conduct its business does not meet the requirements set forth under sections 195.2200 to 195.2281. The division may refuse or deny a license renewal, reinstatement, or initial license issuance for good cause. For purposes of this subsection, "good cause" means:

(1) The licensee or applicant has violated, does not meet, or has failed to comply with any of the terms, conditions, or provisions of sections 195.2200 to 195.2281; any rules promulgated; or any supplemental local law, rule, or regulation;

(2) The licensee or applicant has failed to comply with any special terms or conditions that were placed on its license under an order of the division or local licensing authority; or

(3) The licensed premises has been operated in a manner that adversely affects the public health or the safety of the immediate neighborhood in which the establishment is located.

2. If the division denies a state license under subsection 1 of this section, the applicant shall be entitled to a hearing. The division shall provide written notice of the grounds for denial of the state license to the applicant and to the locality no later than fifteen days prior to the hearing.

195.2257. 1. In addition to any other sanctions prescribed by sections 195.2200 to 195.2281 or any rules promulgated, the division has the power, on its own motion or upon complaint and after investigation and opportunity for a public hearing at which the licensee shall be afforded an opportunity to be heard, to fine a licensee or to suspend or revoke a license issued by the division for a violation by the licensee or by any of the agents or employees of the licensee of the provisions of sections 195.2200 to 195.2281, any of the rules promulgated, or any of the terms, conditions, or provisions of the license issued by the division. The division has the power to administer oaths and issue subpoenas to require the presence of persons and the production of papers, books, and records necessary to the determination of a hearing that the division is authorized to conduct.

2. The division shall provide notice of suspension, revocation, fine, or other sanction, as well as the required notice of the hearing under subsection 1 of this section, by mailing the same in writing to the licensee at the address contained in the license and, if different, at the last address furnished to the division or locality by the licensee. Except in the case of a summary suspension, a suspension shall not be for a period longer than six months. If a license is suspended or revoked, a part of the fees paid therefor shall not be returned to the licensee. Any license may be summarily suspended by the division without notice pending any prosecution, investigation, or public hearing. Nothing in this section shall prevent the summary suspension of a license.

195.2260. 1. Every licensee licensed under sections 195.2200 to 195.2281 shall be deemed, by virtue of applying for, holding, or renewing such person's license, to have expressly consented to the procedures set forth in this section.

2. The division or locality shall not be required to cultivate or care for any marijuana or marijuana product belonging to or seized from a licensee. The division or locality shall not be authorized to sell marijuana, retail or otherwise.

3. If the division issues a final agency order imposing a disciplinary action against a licensee under section 195.2254, then, in addition to any other remedies, the division's or locality's final agency order may specify that some or all of the licensee's marijuana or marijuana product is not marijuana or a marijuana product and is an illegal controlled substance. The order may further specify that the licensee shall lose any interest in any of the marijuana or marijuana product even if the marijuana or marijuana product previously qualified as marijuana or a marijuana product. The final agency order may direct the destruction of any such marijuana and marijuana products, except as provided under subsections 4 and 5 of this section. The authorized destruction may include the incidental destruction of any containers, equipment, supplies, and other property associated with the marijuana or marijuana product.

4. Following the issuance of a final agency order by the division against a licensee and ordering destruction authorized by subsection 3 of this section, a licensee shall have fifteen days within which to file a petition for stay of agency action with the circuit court. The action shall be filed in the circuit court of Cole County. The licensee shall serve the petition in accordance with the Missouri rules of civil procedure. The circuit court shall promptly rule upon the petition and determine whether the licensee has a substantial likelihood of success on judicial review so as to warrant delay of the destruction authorized by subsection 3 of this section or whether other circumstances warrant delay of such destruction including, but not limited to, the need for preservation of evidence. If destruction is so delayed under judicial order, the court shall issue an order setting forth terms and conditions under which the licensee may maintain the marijuana and

marijuana product pending judicial review and prohibiting the licensee from using or distributing the marijuana or marijuana product pending the review. The division shall not carry out the destruction authorized by subsection 3 of this section until fifteen days have passed without the filing of a petition for stay of agency action or until the court has issued an order denying stay of agency action under this subsection.

5. A prosecuting attorney shall notify the division if it begins investigating a marijuana establishment. If the division has received notification from a prosecuting attorney that an investigation is being conducted, the division shall not destroy any marijuana or marijuana products from the marijuana establishment until the destruction is approved by the prosecuting attorney.

195.2263. 1. Each licensee shall keep a complete set of all records necessary to show fully the business transactions of the licensee, all of which shall be open at all times during business hours for the inspection and examination by the division or its duly authorized representatives. The division may require any licensee to furnish such information as it considers necessary for the proper administration of sections 195.2200 to 195.2281 and may require an audit to be made of the books of account and records on such occasions as it may consider necessary by an auditor to be selected by the division, who shall likewise have access to all books and records of the licensee, and the expense thereof shall be paid by the licensee.

2. The licensed premises, including any places of storage where marijuana or marijuana products are stored, cultivated, sold, dispensed, or tested shall be subject to inspection by the division or locality and its investigators, during all business hours and other times of apparent activity, for the purpose of inspection or investigation. Access shall be required during business hours for examination of any inventory or books and records required to be kept by the licensees. If any part of the licensed premises consists of a locked area, upon demand to the licensee, such area shall be made available for inspection without delay, and, upon request by authorized representatives of the division or locality, the licensee shall open the area for inspection.

3. Each licensee shall retain all books and records necessary to show fully the business transactions of the licensee for a period of the current tax year and the three immediately preceding tax years.

195.2266. If the division does not issue a license to an applicant within ninety days of receipt of the application filed in accordance with sections 195.2200 to 195.2281 and does not notify the applicant of the specific reason for the denial in writing and within such time period or if the division has adopted rules and regulations and has accepted applications but has not issued any licenses by January 1, 2021, the applicant may resubmit its application directly to the locality, and the locality may issue an annual license to the applicant. A locality issuing a license to an applicant shall do so within ninety days of receipt of the resubmitted application unless the locality finds and notifies the applicant that the applicant is not in compliance with any ordinance or regulation, and the locality shall notify the division if an annual license has been issued to the applicant. If an application is submitted to a locality under this section, the division shall forward to the locality the application fee paid by the applicant to the division upon request by the locality. A license issued by a locality in accordance with this section shall have the same force and effect as a license issued by the division. A subsequent or renewed license may be issued under this section on an annual basis only upon resubmission to the locality of a new application submitted to the division.

195.2269. If the division does not adopt rules and regulations required by sections 195.2200 to 195.2281, an applicant may submit an application directly to a locality after October 1, 2020, and the locality may issue an annual license to the applicant. A locality issuing a license to an applicant shall do so within ninety days of receipt of the application unless it finds and notifies the applicant that the applicant is not in compliance with any ordinance or regulation and shall notify the division if an annual license has been issued to the applicant. A license issued by a locality in accordance with this subsection shall have the same force and effect as a license issued by the division in accordance with sections 195.2200 to 195.2281. A subsequent or renewed license may be issued under this section on an annual basis if the division has not adopted regulations required by sections 195.2200 to 195.2281 at least ninety days prior to the date upon which such subsequent or renewed license would be effective or if the division has adopted regulations but has not, at least ninety days after the adoption of such regulations, issued licenses under sections 195.2200 to 195.2281.

195.2275. Nothing in sections 195.2200 to 195.2281 shall allow driving under the influence of marijuana or driving while impaired by marijuana or to supersede statutory laws related to driving under

the influence of marijuana or driving while impaired by marijuana, nor shall sections 195.2200 to 195.2281 prevent the state from enacting and imposing penalties for driving under the influence of or while impaired by marijuana.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SIXTY-SECOND DAY, THURSDAY, APRIL 26, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Finally, brethren, be of one mind, live in peace: and the God of love and peace shall be with you.
(II Corinthians 13:11)

O Loving God, who is the light of all who put their trust in You and the life of those who walk in Your ways, we draw near to You in the quiet of this moment of prayer seeking strength and wisdom for the tasks of this day.

We bring to You our responsibilities to ourselves, to one another, and to our state, and that we would see them in the light of Your will for us. Empowered by Your spirit, we would carry them with honor to You, to the people, and to ourselves.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Macie Evers.

The Journal of the sixty-first day was approved as printed.

SPECIAL RECOGNITION

Representative Bernskoetter introduced a delegation of members of the Parliamentary Service Commission of the National Parliament of Kenya.

Thank You for the opportunity to serve our people in this place. Give us guidance and wisdom for the decisions ahead of us, faith to walk forward and not look to the past, and strength to complete the task You have called us to well. Help us to seek justice, love mercy, and walk humbly with You, as Your word reminds us is what You expect.

Thank You for Your blessings and mercy on each of our lives. In Jesus' name, I pray.

And the House says, "Amen!"

(9) All persons who were participants receiving old age assistance benefits, aid to the permanently and totally disabled, or aid to the blind benefits on December 31, 1973, and who continue to meet the eligibility requirements, except income, for these assistance categories, but who are no longer receiving such benefits because of the implementation of Title XVI of the federal Social Security Act, as amended;

(10) Pregnant women who meet the requirements for aid to families with dependent children, except for the existence of a dependent child in the home;

(11) Pregnant women who meet the requirements for aid to families with dependent children, except for the existence of a dependent child who is deprived of parental support as provided for in subdivision (2) of subsection 1 of section 208.040;

(12) Pregnant women or infants under one year of age, or both, whose family income does not exceed an income eligibility standard equal to one hundred eighty-five percent of the federal poverty level as established and amended by the federal Department of Health and Human Services, or its successor agency;

(13) Children who have attained one year of age but have not attained six years of age who are eligible for medical assistance under 6401 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989). (14) Children who have attained six years of age but have not attained nineteen years of age. For children who have attained six years of age but have not attained nineteen years of age, the family support division shall use an income assessment methodology which provides for eligibility when family income is equal to or less than equal to one hundred percent of the federal poverty level established by the Department of Health and Human Services, or its successor agency. As necessary to provide MO HealthNet coverage under this subdivision, the department of social services may revise the state MO HealthNet plan to extend coverage under 42 U.S.C. 1396a (a)(10)(A)(i)(III) to children who have attained six years of age but have not attained nineteen years of age as permitted by paragraph (2) of subsection (n) of 42 U.S.C. 1396d using a more liberal income assessment methodology as authorized by paragraph (2) of subsection (r) of 42 U.S.C. 1396a;

Upon notification of such child's birth, the family support division shall assign a MO HealthNet eligibility identification number to the child so that claims may be submitted and paid under such child's identification number;

(18) Pregnant women and children eligible for MO HealthNet benefits pursuant to subdivision (12), (13) or (14) of this subsection shall not as a condition of eligibility for MO HealthNet benefits be required to apply for aid to families with dependent children. The family support division shall utilize an application for eligibility for such persons which eliminates information requirements other than those necessary to apply for MO HealthNet benefits. The division shall provide such application forms to applicants whose preliminary income information indicates that they are ineligible for aid to families with dependent children. Applicants for MO HealthNet benefits under subdivision (12), (13) or (14) of this subsection shall be informed of the aid to families with dependent children program and that they are entitled to apply for such benefits. Any forms utilized by the family support division for assessing eligibility under this chapter shall be as simple as practicable;

(19) Subject to appropriations necessary to recruit and train such staff, the family support division shall provide one or more full-time, permanent eligibility specialists to process applications for MO HealthNet benefits at the site of a health care provider, if the health care provider requests the placement of such eligibility specialists and reimburses the division for the expenses including but not limited to salaries, benefits, travel, training, telephone, supplies, and equipment of such eligibility specialists. The division may provide a health care provider with a part-time or temporary eligibility specialist at the site of a health care provider if the health care provider requests the placement of such an eligibility specialist and reimburses the division for the expenses, including but not limited to the salary, benefits, travel, training, telephone, supplies, and equipment, of such an eligibility specialist. The division may seek to employ such eligibility specialists who are otherwise qualified for such positions and who are current or former welfare participants. The division may consider training such current or former welfare participants as eligibility specialists for this program;

(20) Pregnant women who are eligible for, have applied for and have received MO HealthNet benefits under subdivision (2), (10), (11) or (12) of this subsection shall continue to be considered eligible for all pregnancy-related and postpartum MO HealthNet benefits provided under section 208.152 until the end of the sixty-day period beginning on the last day of their pregnancy**. Subject to appropriations, pregnant women receiving substance abuse treatment within sixty days of giving birth shall be eligible for MO HealthNet benefits for no more than twelve additional months as long as the woman remains adherent with treatment. The department of mental health and the department of social services shall seek any necessary waiver from the Centers for Medicare and Medicaid Services and shall develop rules relating to treatment plan adherence. No later than fifteen months after receiving any necessary waiver, the department of mental health and the department of social services shall report to the house of representatives budget committee and the senate appropriations committee on the compliance with federal cost neutrality requirements**;

(21) Case management services for pregnant women and young children at risk shall be a covered service. To the greatest extent possible, and in compliance with federal law and regulations, the department of health and senior services shall provide case management services to pregnant women by contract or agreement with the department of social services through local health departments organized under the provisions of chapter 192 or chapter 205 or a city health department operated under a city charter or a combined city-county health department or other department of health and senior services designees. To the greatest extent possible the department of social services and the department of health and senior services shall mutually coordinate all services for pregnant women

and children with the crippled children's program, the prevention of intellectual disability and developmental disability program and the prenatal care program administered by the department of health and senior services. The department of social services shall by regulation establish the methodology for reimbursement for case management services provided by the department of health and senior services. For purposes of this section, the term "case management" shall mean those activities of local public health personnel to identify prospective MO HealthNet-eligible high-risk mothers and enroll them in the state's MO HealthNet program, refer them to local physicians or local health departments who provide prenatal care under physician protocol and who participate in the MO HealthNet program for prenatal care and to ensure that said high-risk mothers receive support from all private and public programs for which they are eligible and shall not include involvement in any MO HealthNet prepaid, case-managed programs;

(22) By January 1, 1988, the department of social services and the department of health and senior services shall study all significant aspects of presumptive eligibility for pregnant women and submit a joint report on the subject, including projected costs and the time needed for implementation, to the general assembly. The department of social services, at the direction of the general assembly, may implement presumptive eligibility by regulation promulgated pursuant to chapter 207;

(23) All participants who would be eligible for aid to families with dependent children benefits except for the requirements of paragraph (d) of subdivision (1) of section 208.150;

(24) (a) All persons who would be determined to be eligible for old age assistance benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005; except that, on or after July 1, 2005, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized by annual appropriation;

(b) All persons who would be determined to be eligible for aid to the blind benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005, except that less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), shall be used to raise the income limit to one hundred percent of the federal poverty level;

(c) All persons who would be determined to be eligible for permanent and total disability benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. 1396a(f); or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005; except that, on or after July 1, 2005, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized by annual appropriations. Eligibility standards for permanent and total disability benefits shall not be limited by age;

(f) The designated director of the program shall be a psychologist and a member of the core faculty;

(g) The program shall have an identifiable body of students who are matriculated in that program for a degree;

(h) The program shall include supervised practicum, internship, or field training appropriate to the practice of psychology;

(i) The curriculum shall encompass a minimum of three academic years of full-time graduate study for doctoral degrees and a minimum of one academic year of full-time graduate study for master's degree;

(j) The program includes an acceptable residency as defined by the rules of the commission;

(3) Possess a current, full and unrestricted license to practice psychology in a home state which is a compact state;

(4) No history of adverse action that violate the rules of the commission;

(5) No criminal record history that violates the rules of the commission;

(6) Possess a current, active IPC;

(7) Provide attestations in regard to areas of intended practice and work experience and provide a release of information to allow for primary source verification in a manner specified by the commission; and

(8) Meet other criteria as defined by the rules of the commission.

3. A psychologist practicing into a distant state under the temporary authorization to practice shall practice within the scope of practice authorized by the distant state.

4. A psychologist practicing into a distant state under the temporary authorization to practice will be subject to the distant state's authority and law. A distant state may, in accordance with that state's due process law, limit or revoke a psychologist's temporary authorization to practice in the distant state and may take any other necessary actions under the distant state's applicable law to protect the health and safety of the distant state's citizens. If a distant state takes action, the state shall promptly notify the home state and the commission.

5. If a psychologist's license in any home state, another compact state, or any temporary authorization to practice in any distant state, is restricted, suspended or otherwise limited, the IPC shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state under the temporary authorization to practice.

337.125. A psychologist may practice in a receiving state under the authority to practice interjurisdictional telepsychology only in the performance of the scope of practice for psychology as assigned by an appropriate state psychology regulatory authority, as defined in the rules of the commission, and under the following circumstances:

(1) The psychologist initiates a client/patient contact in a home state via telecommunications technologies with a client/patient in a receiving state;

(2) Other conditions regarding telepsychology as determined by rules promulgated by the commission.

337.130. 1. A home state shall have the power to impose adverse action against a psychologist's license issued by the home state. A distant state shall have the power to take adverse action on a psychologist's temporary authorization to practice within that distant state.

2. A receiving state may take adverse action on a psychologist's authority to practice interjurisdictional telepsychology within that receiving state. A home state may take adverse action against a psychologist based on an adverse action taken by a distant state regarding temporary in-person, face-to-face practice.

3. (1) If a home state takes adverse action against a psychologist's license, that psychologist's authority to practice interjurisdictional telepsychology is terminated and the E.Passport is revoked. Furthermore, that psychologist's temporary authorization to practice is terminated and the IPC is revoked.

(2) All home state disciplinary orders which impose adverse action shall be reported to the commission in accordance with the rules promulgated by the commission. A compact state shall report adverse actions in accordance with the rules of the commission.

(3) In the event discipline is reported on a psychologist, the psychologist will not be eligible for telepsychology or temporary in-person, face-to-face practice in accordance with the rules of the commission.

(4) Other actions may be imposed as determined by the rules promulgated by the commission.

4. A home state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law shall control in determining any adverse action against a psychologist's license.

5. A distant state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under temporary authorization practice which occurred in that distant state as it would if such conduct had occurred by a licensee within the home state. In such cases, distant state's law shall control in determining any adverse action against a psychologist's temporary authorization to practice.

6. Nothing in this compact shall override a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation shall remain non-public if required by the compact state's law. Compact states shall require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology or provide temporary psychological services under the temporary authorization to practice in any other compact state during the term of the alternative program.

7. No other judicial or administrative remedies shall be available to a psychologist in the event a compact state imposes an adverse action pursuant to subsection 3 of this section.

337.135. 1. In addition to any other powers granted under state law, a compact state's psychology regulatory authority shall have the authority under this compact to:

(1) Issue subpoenas, for both hearings and investigations, which require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a compact state's psychology regulatory authority for the attendance and testimony of witnesses, or the production of evidence from another compact state shall be enforced in the latter state by any court of competent jurisdiction, according to that court's practice and procedure in considering subpoenas issued in its own proceedings. The issuing state psychology regulatory authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses or evidence are located; and

(2) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice.

2. During the course of any investigation, a psychologist may not change his or her home state licensure. A home state psychology regulatory authority is authorized to complete any pending investigations of a psychologist and to take any actions appropriate under its law. The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of said investigation, the psychologist may change his or her home state licensure. The commission shall promptly notify the new home state of any such decisions as provided in the rules of the commission. All information provided to the commission or distributed by compact states pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or disciplinary matters. The commission may create additional rules for mandated or discretionary sharing of information by compact states.

337.140. 1. The commission shall provide for the development and maintenance of a coordinated licensure information system "coordinated database" and reporting system containing licensure and disciplinary action information on all psychologist individuals to whom this compact is applicable in all compact states as defined by the rules of the commission.

2. Notwithstanding any other provision of state law to the contrary, a compact state shall submit a uniform data set to the coordinated database on all licensees as required by the rules of the commission, including:

(1) Identifying information;

(2) Licensure data;

(3) Significant investigatory information;

(4) Adverse actions against a psychologist's license;

(5) An indicator that a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice is revoked;

(6) Nonconfidential information related to alternative program participation information;

(7) Any denial of application for licensure, and the reasons for such denial; and

(8) Other information which may facilitate the administration of this compact, as determined by the rules of the commission.

3. The coordinated database administrator shall promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

4. Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

5. Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information shall be removed from the coordinated database.

337.145. 1. The compact states hereby create and establish a joint public agency known as the psychology interjurisdictional compact commission.

(1) The commission is a body politic and an instrumentality of the compact states.

(2) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

2. The commission shall consist of one voting representative appointed by each compact state who shall serve as that state's commissioner. The state psychology regulatory authority shall appoint its delegate. This delegate shall be empowered to act on behalf of the compact state. This delegate shall be limited to:

(1) Executive director, executive secretary or similar executive;

(2) Current member of the state psychology regulatory authority of a compact state; or

(3) Designee empowered with the appropriate delegate authority to act on behalf of the compact state.

3. (1) Any commissioner may be removed or suspended from office as provided by the law of the state from which the commissioner is appointed. Any vacancy occurring in the commission shall be filled in accordance with the laws of the compact state in which the vacancy exists.

(2) Each commissioner shall be entitled to one vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the commission. A commissioner shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for commissioners' participation in meetings by telephone or other means of communication.

(3) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(4) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in section 337.150.

(5) The commission may convene in a closed, nonpublic meeting if the commission shall discuss:

(a) Noncompliance of a compact state with its obligations under the compact;

(c) Current, threatened, or reasonably anticipated litigation against the commission;

(d) Negotiation of contracts for the purchase or sale of goods, services or real estate;

(e) Accusation against any person of a crime or formally censuring any person;

(f) Disclosure of trade secrets or commercial or financial information which is privileged or confidential;

(g) Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(h) Disclosure of investigatory records compiled for law enforcement purposes;

(i) Disclosure of information related to any investigatory reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility for investigation or determination of compliance issues pursuant to the compact;

(j) Matters specifically exempted from disclosure by federal and state statute.

(6) If a meeting, or portion of a meeting, is closed pursuant to subdivision (5) of subsection 3 of this section, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision. The commission shall keep minutes which fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, of

any person participating in the meeting, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the commission or order of a court of competent jurisdiction.

4. The commission shall, by a majority vote of the commissioners, prescribe bylaws or rules to govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the powers of the compact, including but not limited to:

(a) For the establishment and meetings of other committees; and

(b) Governing any general or specific delegation of any authority or function of the commission;

(3) Providing reasonable procedures for calling and conducting meetings of the commission, ensuring reasonable advance notice of all meetings and providing an opportunity for attendance of such meetings by interested parties, with enumerated exceptions designed to protect the public's interest, the privacy of individuals of such proceedings, and proprietary information, including trade secrets. The commission may meet in closed session only after a majority of the commissioners vote to close a meeting to the public in whole or in part. As soon as practicable, the commission shall make public a copy of the vote to close the meeting revealing the vote of each commissioner with no proxy votes allowed;

(4) Establishing the titles, duties and authority and reasonable procedures for the election of the officers of the commission;

(5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar law of any compact state, the bylaws shall exclusively govern the personnel policies and programs of the commission;

(6) Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees;

(7) Providing a mechanism for concluding the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of the compact after the payment or reserving of all of its debts and obligations.

5. (1) The commission shall publish its bylaws in a convenient form and file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the compact states;

(2) The commission shall maintain its financial records in accordance with the bylaws; and

(3) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

6. The commission shall have the following powers:

(1) The authority to promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rule shall have the force and effect of law and shall be binding in all compact states;

(2) To bring and prosecute legal proceedings or actions in the name of the commission, provided that the standing of any state psychology regulatory authority or other regulatory body responsible for psychology licensure to sue or be sued under applicable law shall not be affected;

(3) To purchase and maintain insurance and bonds;

(4) To borrow, accept or contract for services of personnel, including, but not limited to, employees of a compact state;

(5) To hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the compact, and to establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

(6) To accept any and all appropriate donations and grants of money, equipment, supplies, materials and services, and to receive, utilize and dispose of the same; provided that at all times the commission shall strive to avoid any appearance of impropriety or conflict of interest;

(7) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve or use, any property, real, personal or mixed; provided that at all times the commission shall strive to avoid any appearance of impropriety;

(8) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve or use, any property, real, personal or mixed; provided that at all times the commission shall strive to avoid any appearance of impropriety;

(9) To establish a budget and make expenditures;

(10) To borrow money;

(11) To appoint committees, including advisory committees comprised of members, state regulators, state legislators or their representatives, and consumer representatives, and such other interested persons as may be designated in this compact and the bylaws;

(12) To provide and receive information from, and to cooperate with, law enforcement agencies;

(13) To adopt and use an official seal; and

(14) To perform such other functions as may be necessary or appropriate to achieve the purposes of this compact consistent with the state regulation of psychology licensure, temporary in-person, face-to-face practice and telepsychology practice.

7. (1) The elected officers shall serve as the executive board, which shall have the power to act on behalf of the commission according to the terms of this compact.

(2) The executive board shall be comprised of six members:

(a) Five voting members who are elected from the current membership of the commission by the commission;

(b) One ex officio, nonvoting member from the recognized membership organization composed of state and provincial psychology regulatory authorities.

(3) The ex officio member shall have served as staff or member on a state psychology regulatory authority and will be selected by its respective organization.

(4) The commission may remove any member of the executive board as provided in bylaws.

(5) The executive board shall meet at least annually.

(6) The executive board shall have the following duties and responsibilities:

(a) Recommend to the entire commission changes to the rules or bylaws, changes to this compact legislation, fees paid by compact states such as annual dues, and any other applicable fees;

(b) Ensure compact administration services are appropriately provided, contractual or otherwise;

(c) Prepare and recommend the budget;

(d) Maintain financial records on behalf of the commission;

(e) Monitor compact compliance of member states and provide compliance reports to the commission;

(g) Other duties as provided in rules or bylaws.

8. (1) The commission shall pay, or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

(2) The commission may accept any and all appropriate revenue sources, donations and grants of money, equipment, supplies, materials and services.

(3) The commission may levy on and collect an annual assessment from each compact state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission which shall promulgate a rule binding upon all compact states.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the compact states, except by and with the authority of the compact state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

9. (1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or

responsibilities; provided that nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

337.150. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission; and

(2) On the website of each compact states' psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.

5. The notice of proposed rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;

(3) A request for comments on the proposed rule from any interested person;

(4) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least twenty-five persons who submit comments independently of each other;

(2) A governmental subdivision or agency; or

(3) A duly appointed person in an association that has at least twenty-five members.

8. (1) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing.

(2) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(3) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(4) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(5) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of commission or compact state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

13. (1) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule.

(2) A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

2. (1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default or any other action to be taken by the commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(4) A compact state which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the U.S. District Court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact which arise among compact states and between compact and noncompact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

337.160. 1. The compact shall come into effect on the date on which the compact is enacted into law in the seventh compact state. The provisions which become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state which joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule which has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. (1) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(2) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(3) Withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a noncompact state which does not conflict with the provisions of this compact.

5. This compact may be amended by the compact states. No amendment to this compact shall become effective and binding upon any compact state until it is enacted into the law of all compact states.

337.165. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any state member thereto, the compact shall remain in full force and effect as to the remaining compact states."; and

Further amend said bill, Page 9, Section 630.945, Line 7, by inserting immediately after all of said section and line the following:

"137.225. 1. In all counties, except the city of St. Louis, the assessor shall be provided with two books, one to be called the "real estate book", and the other to be called the "personal assessment book".

2. The real estate book shall contain all lands subject to assessment. It shall be in tabular form, with suitable captions and separate columns. The first column shall contain the name of the owner, if known; if not, the name of the party who paid the last tax; if no tax has ever been paid, then the name of the original patentee, grantee or purchaser from the federal government, the state or county, as the case may be, opposite thereto; the second column shall contain the residence of the owner **or, upon written consent of the owner filed with the assessor, an alternate address for the purpose of mailing ad valorem property tax statements to someone other than an**

owner, family trust, or mortgage holder receiving escrow payments; the third column shall contain an accurate description of the land by the smallest legal subdivisions, or by smaller parts, lots or parcels, when sections and the subdivisions thereof are subdivided into parts, lots or parcels; the fourth column shall contain the actual cash valuation. When any person shall be the owner or original purchaser of a section, quarter section or half quarter section, block, half block or quarter block, the same shall be assessed as one tract. The assessor shall arrange, collect and list all lands owned by one person in the county, under his name and on the same page, if there be room to contain it, and if not on the next and following leaf, with proper indications of such continuance, whether they be lots and blocks in a city, or sections or parts of sections in the country, the lowest numbered range, township and section, block, lot or survey always being placed first in such list, and so on in numerical order until said list for each property owner is completed. The assessor shall consolidate all lands owned by one person in a square or block into one tract, lot or call, and for any violation of this section, in unnecessarily dividing the same into more tracts than one or more lots than one, the county commission shall deduct from his account for making the county assessment, ten cents for each lot or tract not so consolidated. At the close of each owner's list, the assessor shall place all the lands that appear to belong to the owner, which cannot be properly described by numerical order, as contemplated in this section, which shall be otherwise properly described, indicating the quantity and location thereof.

3. The personal assessment book shall contain a list of the names of all persons liable to assessment, alphabetically arranged with proper priority of vowels. The assessor shall set opposite their names the tangible personal property respectively owned by them. It shall be in tabular form, with suitable captions and proper columns; the first column shall contain the names of the persons assessed; the second column shall contain the residence, if in the city, the ward, addition and block, or, if outside an incorporated city or town, the township in the county; the third column shall contain the occupation of the party assessed; the fourth column shall contain each kind of property assessed; the fifth column shall contain the assessed value thereof; the sixth column shall contain the amount chargeable to each person, and there may be such other columns as are useful and convenient in practice.

4. Nothing in this section shall be construed to prohibit separate real estate and personal assessment books in all incorporated cities where they are necessary."; and

Further amend the title and enacting clause accordingly.

/s/ Rep. Kevin Austin
/s/ Rep. Shawn Rhoads

SENSITIVE CONTENT WARNING

This report contains content of a sensitive and sexual nature. The House Special Investigative Committee on Oversight has kept descriptions of an adult nature and coarse language in order to provide an unfiltered record of witness testimony. In some cases, the identities of witnesses and sensitive information have been redacted from the record to protect privacy.

ADDITIONAL FINDINGS OF THE COMMITTEE

1. On Thursday, April 12, 2018, Greitens posted a public statement to Facebook in which he claimed that video of an interview taken by the Circuit Attorney's office "undermined the narrative" and "directly contradicted allegations in the House report." Specifically, Greitens claimed Witness 1 "never once mentions any coercion" in the videotaped interview.[1] However, Witness 1 described the same facts regarding the morning of March 21, 2015 in her interview with the Circuit Attorney's office as she did with this Committee. For example, compare:

Circuit Attorney Testimony	Committee Testimony
And I was like, "I'm leaving and went to go upstairs, and he took me in his arms and was like, no, no … you can't leave like this. You can't leave. Come here. And lays me down on the ground where I'm laying on his, like, basement floor in the fetal position.[2]	I was like, "No, I'm leaving, I'm leaving." And I start walking out – or going to go up the stairs, and he grabs me and like – like in a bear hug and was like, "Shh, shh, it's okay, calm down, calm down, and like lays me down on this ground in the basement.[3]
I'm crying, like, hysterically at this point. And he was like, shush, it's okay. It's okay, It's okay.[4]	I was laying next to him just crying, like uncontrollably crying. And he was like, Shh, shh, it's okay, it's okay.[5]
[H**]**e proceeds to undo his pants and take his **[**penis**]** out of his underwear or whatever. And like, put it near my face.[6]	He starts undoing his pants, and he takes his penis out and put it, like near where my face is.[7]
I gave him a blow job at this point.[8]	So I gave him oral sex at this point.[9]
I just felt like, I'm going to do this and he'll be satisfied that he had his little whore, and I'm going to leave and I'll never see him again, was what was going through my mind at this point…"[10]	I'm like – so this guy literally just wants me for this, and this is all he wants, and then he'll let me – because at this point, too, I also know I have to be back at work, and he's not going to let me leave, because he's obviously still horny.[11]

"And at this point, just really coaxing me like a wounded little animal on the ground**[.]**"[12]	"Coerced, maybe. I felt as though that would allow me to leave."[14] And "It's a hard question **[**on consent**]** because I did it – it felt like consent, but no, I didn't want to do it."[15]
[T**]**hen he says, I'm going to put a blindfold on you. He puts the blindfold on me. And at this point there's, like, really no talking. I really was standing there, like, I have no clue what the hell is going on. I'm probably just as much turned on as I am fearful as I am curious. You know, I don't even know. We hadn't kissed or anything.[13]	**[**H**]**e said, Follow me downstairs, I'm going to show you how to do a proper pull-up. So I did what he said. And at this point, I was intrigued, definitely, because I thought for sure he really has feelings for me.[16] I honestly was, like, in shock, because I was – I was intrigued, but I'm also – how – I'm not even talking to him. I'm not – we're not doing anything I want to do right now, but I'm intrigued enough and I'm letting him and I trust him – I don't know. No, I'm not talking at all at this point.[17]

2. Witness 1 testified to additional feelings in her Circuit Attorney interview, stating that, while performing oral sex on the morning of March 21, 2015 that she was thinking "the whole time – at this point, I hate him in my mind. I think he's disgusting. I hate him. I can't believe I'm down here."[18] She further stated, "I just felt super degraded, really disgusting."[19]

3. In his Thursday, April 12 statement, Greitens further noted that Witness 1 told the Circuit Attorney that she did not tell her friends about the slap until after a false report about the location of such an incident had been made in the media.[20] However, the testimony to the Committee corroborates that Witness 1 did not tell her friends about the slap until later.

a. Witness 1 did not claim to the Committee that she had told either of the friends who testified to the Committee about the slap contemporaneous to the event. She was never asked that question, but instead to identify people with whom she had spoken about her relationship with Eric Greitens in general.[21]

b. Neither of Witness 1's friends who testified before the Committee claimed that she told them about the slap in 2015. Witness 2 testified she learned of the slap "maybe a month or so ago when we had met up for dinner**[.]**"[22] Likewise, Witness 4 stated she learned of it "recently" after she "specifically called" Witness 1 to ask about it, and that, Witness 1 told her "that was true and that she was embarrassed."[23]

4. Witness 1's testimony on the slapping incident did not change. Compare:

Circuit Attorney Testimony	Committee Testimony
[H**]**e said, I want to see you … she's gone Friday to Friday. On Saturday night … I went over to his house … And then we went upstairs into his … spare bedroom and were making out. And then he asked me if I had slept with anyone … And I said, yes, I have, with my husband. Because at some point I had ... And he slapped me across the face. And not like playful like. … And then as far as I remember, we talked about that. Because I asked him if he was maybe screwed up from being in the war? Like what – that was so bizarre to me that he would think that that was okay.[24]	**[**H**]**is wife would be out-of-town for a week. … And so on that Saturday, I went over to his house. …. **[**H**]**e has a spare bedroom upstairs and took me up there, and we were, like, making out at this point. … And he looks at me and asked me … have you been intimate with anybody? … And I said, Well, I slept with my husband … and he slapped me across the face, just like hard to where I was like, What, Eric, what in the heck? … And he just said, No, Like, that was – you're mine. … And I said, I think you're screwed up from being in the Navy. … That was just so bizarre to me.[25]

5. The Committee does not find anything in the Circuit Attorney interview that causes it to change its statement regarding Witness 1's credibility.

6. Greitens' claims about the content of the Circuit Attorney interview mischaracterize the actual testimony received and reviewed by this Committee.

7. On Wednesday, April 11, 2018, Eric Greitens stated this Committee's work was "based on the testimony of someone who said, under oath, that they may have been remembering this through a dream."[26] The Committee finds that Greitens' statement mischaracterizes the purported testimony cited by his counsel in the pending criminal case in the City of St. Louis. In a recent motion, Greitens' counsel cited Witness 1's answer to the specific question of whether she saw what she believed to be a phone on the morning of March 21, 2015. According to the motion of Greitens' counsel, Witness 1 answered, "… I haven't talked about it because I don't know if it's because I'm remembering it through a dream or I – I'm not sure, but yes, I feel like I saw it after that happened, but I haven't spoken about it because of that."[27]

8. Witness 1's answer to a specific question whether she saw a phone does not bear on her testimony about other events. To the contrary, her reluctance to state under oath that she specifically remembers seeing the phone adds to her credibility. Further, this is consistent with Witness 1's testimony to the Committee. When asked by the Committee if she remembered the first time she saw Greitens' phone she said "I don't know. That's a good question. I'm not sure."[28]

9. Greitens further stated, "Soon after this story broke, for example, the people who are attacking me now falsely claim that I slapped a woman while my wife was giving birth. It was absolutely untrue and slanderous and incredibly hurtful. It has also been 100 percent disproven, because it was impossible."[29] However, Witness 1 never claimed to the Committee or to anyone else of which we are aware that he slapped her at such time. Instead, she testified that Greitens slapped her in an upstairs bedroom while his wife was out-of-town.[30]

[25] Tr. W1 at 39:14 to 40:21.
[26] See Tr. Greitens Statement on Committee Report #1 at 2:22-25.
[27] See Committee Report #1 at ¶32, citing Exhibits 23 and 24. The Committee included purported quotes of Witness 1 from her deposition in the criminal case on the theory, explained in note 36, that counsel had an obligation not to mislead the court. The Committee further notes the ellipsis placed in front of the quote from Greitens' lawyers' brief makes it impossible for the Committee to determine her full answer to the question in the absence of the full transcript. Further, Greitens' claims about a recent video disclosed by the Circuit Attorney are demonstrably false. As a result, the Committee will no longer provide such deference to cherry-picked evidence.

[29] See Ex. 25.
[30] Tr. W1 at 39:13 to 40:21; see also Tr. CA at 26:16 to 27:16.

10. On or about Wednesday, April 11, 2018, Greitens sponsored advertisements on Facebook promoting his response to the House report, repeating his assertions that the Committee's work is a "political witch-hunt" and Witness 1's alleged "dream" statement.[31]

11. On the afternoon of April 16, after learning that the Committee was in possession of the video interview of Witness 1, counsel for Greitens requested leave from the Circuit Court of the City of St. Louis to provide information to the Committee relating to said video interview. In an order that afternoon, the Court granted such leave "limited to the contents of the videotape interview of **[**W**]**itness **[**1**]**".

12. On April 17, at 12:07am, counsel for Greitens emailed the Committee a letter containing purported excerpts of testimony from the nearly ten-hour deposition of Witness 1 taken in the Circuit Court case. The Committee subsequently subpoenaed Greitens' counsel, the Circuit Attorney's office, and counsel for Witness 1 seeking the deposition video and transcript. The Circuit Attorney's office and counsel for Witness 1 informed the Committee that they supported the subpoena and desired to disclose said documents to the Committee. Defense counsel sought more time to respond.

13. On April 24, the Committee filed a Request that the Circuit Court in St. Louis City instruct the Circuit Attorney and defense counsel to comply with the Committee's duly-issued subpoena. The Request indicated that "the Circuit Attorney and counsel for Witness 1 **[**we**]**re prepared to honor the subpoena." Subsequent to the filing of the request, defense counsel refused to join the Circuit Attorney and counsel for Witness 1 and instead requested more time as well as a briefing schedule on the Request.

14. This Committee's charge is to determine the truth. Having claimed that the deposition testimony is helpful to Greitens, it is incumbent upon his counsel to comply with the Committee's duly-issued subpoena and to expeditiously provide it with the entire deposition transcript.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SIXTY-FOURTH DAY, TUESDAY, MAY 1, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let integrity and uprightness preserve me; for I wait on Thee. (Psalm 25:21)

O Loving God, who is a strong tower of defense to all who keep faith and trust with You, we Your children come before You in gratitude for Your steadfast love and Your enduring truth. In You alone is our hope and in You alone is the strength of our state.

In our restlessness, may we know the peace of Your presence; in our fears, the faithfulness of your spirit; and in our uncertainties, the certainty of Your love. May our little efforts for good be supported by the greatness of Your power and the goodness of Your grace in the people's house.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Leo Moffatt, Parker Howell, Brynn Hubbard, Sophia Ardekani, Bella Campbell, and Kelsey Lightle.

The Journal of the sixty-third day was approved as printed by the following vote:

House Amendment No. 1

AMEND Senate Bill No. 683, Page 6, Section 304.180, Line 172, by inserting immediately after all of said section and line the following:

"**304.822. 1. As used in this section, the following terms mean:**

(1) "Electronic message", a self-contained piece of digital communication that is designed or intended to be transmitted via an electronic wireless communication device, which includes, but is not limited to, electronic mail, a text message, an instant message, or a command or request to access an internet site;

(2) "Electronic wireless communication device", includes, but is not limited to, a cell phone, personal digital assistant, electronic device with mobile data access, laptop computer, pager, broadband personal communication device, electronic game, or portable computing device. An "electronic wireless communication device" shall not include:

(a) A global navigation satellite system receiver used for positioning, emergency notification, or navigation purposes; and

(b) Two-way or citizen band radio services;

(3) "Hands-free electronic wireless communication device", a wireless communication device that has an internal feature or function, or that is equipped with an attachment or addition, regardless of whether permanently part of such mobile electronic device, by which a user engages with the device without the use of either hand; provided, however, this definition shall not preclude the use of either hand merely to activate, deactivate, or initiate a function of the device;

(4) "Highway", any public thoroughfare for vehicles, including state roads, county roads, public streets, avenues, boulevards, parkways, or alleys in any municipality;

(5) "Operating", physically driving or operating a motor vehicle on a highway, including operation while temporarily stationary because of traffic, a traffic light or stop sign, or otherwise. A person is not "operating" a motor vehicle for purposes of this section when the vehicle has pulled over to the side of, or off, a highway and has stopped in a location where it can safely remain stationary.

2. Except as otherwise provided in this section, no person shall operate a noncommercial motor vehicle, as such term is defined in section 302.700, upon the highways of this state while using any hand-held electronic wireless communication device. Prohibited uses shall include, but not be limited to: reading, composing, viewing, or posting any electronic message; initiating, receiving, or conducting a conversation; or manually typing data into any electronic wireless communication device.

3. Except as otherwise provided in this section, no person shall operate a commercial motor vehicle, as that term is defined in section 302.700, while using a hand-held mobile telephone.

4. Except as otherwise provided in this section, no person shall operate a commercial motor vehicle, as that term is defined in section 302.700, while using an electronic wireless communication device to send, read, or write a text message or electronic message.

5. The provisions of subsections 2 to 4 of this section shall not apply to a person operating:

(1) An authorized emergency vehicle as defined in section 304.022;

(2) A motor vehicle that is responding to another motor vehicle's request for roadside assistance upon the highways of this state when such response is conducted in the course and scope of a commercial activity; or

(3) A motor vehicle while using a hand-held electronic wireless communication device to:

(a) Contact emergency services; or

(b) Relay information between a transit or for-hire motor vehicle operator and that operator's dispatcher when the device is affixed to the motor vehicle.

6. Nothing contained in subsection 2 of this section shall be construed or interpreted to prohibit a person operating a noncommercial motor vehicle, as such term is defined in section 302.700, on the highways of this state from using a hands-free electronic wireless communication device when the operator is not holding the hands-free electronic wireless communication device in the operator's hand or hands, except the operator shall not have his or her attention diverted from the lawful operation of the noncommercial motor vehicle. The provisions of subsection 2 shall not prohibit the use of either hand merely to activate, deactivate, or initiate a function of a hands-free electronic wireless communication device while operating a noncommercial motor vehicle.

7. A violation of this section shall be deemed an infraction punishable by a fifty-dollar fine. A violation of this section while operating a motor vehicle in a work zone, as defined in section 304.580; when highway workers, as defined in section 304.580, are present; or in areas designated as a school zone that are visibly marked by traffic control devices shall be deemed an infraction punishable by a one hundred-dollar fine. A violation of subsection 2 of this section shall not be deemed a moving violation for purposes of point assessment under section 302.302; however, a violation of subsection 3 or 4 of this section shall be deemed a serious traffic violation, as defined in 302.700, for purposes of commercial driver's license disqualification under section 302.755.

8. The provisions of this section shall not preclude the adoption of any law, ordinance, order, rule, or regulation not in conflict with this section, or at least as strict as this section by any county, municipality, or other political subdivision.

9. Notwithstanding any provision in this section to the contrary, no person less than eighteen years of age, or with an instruction permit or intermediate license regardless of age, shall use an electronic wireless communication device, regardless of whether such device is hands-free, while operating a motor vehicle on the highways of this state, except to contact emergency services.

[~~304.820. 1. Except as otherwise provided in this section, no person twenty-one years of age or younger operating a moving motor vehicle upon the highways of this state shall, by means of a hand-held electronic wireless communications device, send, read, or write a text message or electronic message.~~

~~2. Except as otherwise provided in this section, no person shall operate a commercial motor vehicle while using a hand-held mobile telephone.~~

~~3. Except as otherwise provided in this section, no person shall operate a commercial motor vehicle while using a wireless communications device to send, read, or write a text message or electronic message.~~

~~4. The provisions of subsection 1 through subsection 3 of this section shall not apply to a person operating:~~

~~(1) An authorized emergency vehicle; or~~

~~(2) A moving motor vehicle while using a hand-held electronic wireless communications device to:~~

~~(a) Report illegal activity;~~

~~(b) Summon medical or other emergency help;~~

~~(c) Prevent injury to a person or property; or~~

~~(d) Relay information between a transit or for-hire operator and that operator's dispatcher, in which the device is permanently affixed to the vehicle.~~

~~6. As used in this section, "electronic message" means a self-contained piece of digital communication that is designed or intended to be transmitted between hand-held electronic wireless communication devices. "Electronic message" includes, but is not limited to, electronic mail, a text message, an instant message, or a command or request to access an internet site.~~
~~7. As used in this section, "hand-held electronic wireless communications device" includes any hand-held cellular phone, palm pilot, blackberry, or other mobile electronic device used to communicate verbally or by text or electronic messaging, but shall not apply to any device that is permanently embedded into the architecture and design of the motor vehicle.~~
~~8. As used in this section, "making or taking part in a telephone call" means listening to or engaging in verbal communication through a hand-held electronic wireless communication device.~~
~~9. As used in this section, "send, read, or write a text message or electronic message" means using a hand-held electronic wireless telecommunications device to manually communicate with any person by using an electronic message. Sending, reading, or writing a text message or electronic message does not include reading, selecting, or entering a phone number or name into a hand-held electronic wireless communications device for the purpose of making a telephone call.~~
~~10. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302.~~
~~11. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.~~
~~12. The provisions of this section shall not apply to:~~
~~(1) The operator of a vehicle that is lawfully parked or stopped;~~
~~(2) Any of the following while in the performance of their official duties: a law enforcement officer; a member of a fire department; or the operator of a public or private ambulance;~~

190.325. 1. In any county of the first classification without a charter form of government with a population of at least one hundred fifty thousand inhabitants but less than two hundred **fifty** thousand inhabitants, the county commission may use all or a part of the moneys derived from the emergency telephone tax authorized pursuant to section 190.305 for central dispatching of fire protection, emergency ambulance service or any other emergency services, which may include the purchase and maintenance of communications and emergency equipment. From every remittance to the governing body made on or before the date when the same becomes due, the service supplier required to remit the same shall be entitled to deduct and retain, as a collection fee, an amount equal to two percent thereof.

3. Nothing in this section shall be construed to require any municipality or other political subdivision to join the central dispatching system established pursuant to this section. The governing body of any municipality or other political subdivision may contract with the board established pursuant to section 190.327 for such services or portion of such services, or for the purchase and maintenance of communication and emergency equipment.

190.327. 1. Immediately upon the decision by the commission to utilize a portion of the emergency telephone tax for central dispatching and an affirmative vote of the telephone tax, the commission shall appoint the initial members of a board which shall administer the funds and oversee the provision of central dispatching for emergency services in the county and in municipalities and other political subdivisions which have contracted for such service. Beginning with the general election in 1992, all board members shall be elected according to this section and other applicable laws of this state. At the time of the appointment of the initial members of the board, the commission shall relinquish to the board and no longer exercise the duties prescribed in this chapter with regard to the provision of emergency telephone service and in chapter 321, with regard to the provision of central dispatching service, and such duties shall be exercised by the board.

2. Elections for board members may be held on general municipal election day, as defined in subsection 3 of section 115.121, after approval by a simple majority of the county commission.

(8) To fix, charge and collect the taxes and fees authorized by law for the purpose of implementing and operating the services described in this section;

(9) To pay all expenses connected with the first election and all subsequent elections; and

(10) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this subsection. Such specific powers shall not be considered as a limitation upon any power necessary or appropriate to carry out the purposes and intent of sections 190.300 to 190.329.

4. (1) Notwithstanding the provisions of subsections 1 and 2 of this section to the contrary, the county commission may elect to appoint the members of the board to administer the funds and oversee the provision of central dispatching for emergency services in the counties, municipalities, and other political subdivisions which have contracted for such service upon the request of the municipalities and other political subdivisions. Upon appointment of the initial members of the board, the commission shall relinquish all powers and duties to the board and no longer exercise the duties prescribed in this chapter with regard to the provision of central dispatching service and such duties shall be exercised by the board.

190.328. 1. Beginning in 1997, within the area from which voters and the commission have approved the provision of central dispatching for emergency services by a public agency for an area containing third or fourth class cities in counties of the third classification with a population of at least thirty-two thousand but no greater than forty thousand that border a county of the first classification but do not border the Mississippi River, the initial board shall consist of two members from each township within such area and one at-large member who shall serve as the initial chairperson of such board.

Within the area from which voters and the commission have approved the provision of central dispatching for emergency services by a public agency for an area containing third or fourth class cities in counties of the third classification with a population of at least thirty-two thousand but no greater than forty thousand that border a county of the first classification, voters shall elect a board to administer funds and oversee the provision of central dispatching for emergency services. Such board shall consist of two members elected from each of the townships within such area and one member elected at large who shall serve as the chairperson of the board.

3. Of those initially elected to the board as provided in this section, four from the townships shall be elected to a term of two years, and four from the townships and the at-large member shall be elected to a term of four years. Upon the expiration of these initial terms, all members shall thereafter be elected to terms of four years**; provided that, if a board established in this section consolidates with a board established under section 190.327 or 190.335, under the provisions of section 190.470, the term of office for the existing board members shall end on the thirtieth day following the appointment of the initial board of directors for the consolidated district**.

190.329. 1. Except in areas from which voters and the commission have approved the provision of central dispatching for emergency services by a public agency for an area containing third or fourth class cities located in counties of the third classification with a population of at least thirty-two thousand but no greater than forty

thousand that border a county of the first classification but do not border the Mississippi River, the initial board shall consist of seven members appointed without regard for political party who shall be selected from and shall represent the fire protection districts, ambulance districts, sheriff's department, municipalities, any other emergency services and the general public. This initial board shall serve until its successor board is duly elected and installed in office. The commission shall ensure geographic representation of the county by appointing no more than four members from any one commission district of the county.

2. Beginning in 1992, three members shall be elected from each commission district and one member shall be elected at large, with such at-large member to be a voting member and chairman of the board. Of those first elected, four members from commission districts shall be elected for terms of two years and two members from commission districts and the member at large shall be elected for terms of four years. In 1994, and thereafter, all terms of office shall be for four years, except as **otherwise provided in this subsection or as** provided in subsection 3 of this section. Any vacancy on the board shall be filled in the same manner as the initial appointment was made. Four members shall constitute a quorum. **If a board established in section 190.327 consolidates with a board established under section 190.327, 190.328, or 190.335, under the provisions of section 190.470, the term of office for the existing board members shall end on the thirtieth day following the appointment of the initial board of directors for the consolidated district.**

3. Upon approval by the county commission for the election of board members to be held on general municipal election day, pursuant to subsection 2 of section 190.327, the terms of those board members then holding office shall be reduced by seven months. After a board member's term has been reduced, all following terms for that position shall be for four years**, except as otherwise provided under subsection 2 of this section**.

190.334. The state auditor shall have the authority to conduct performance and fiscal audits of any board, dispatch center, joint emergency communications entity, or trust fund established under section 190.327, 190.328, 190.329, 190.335, 190.420, 190.455, 190.460, **190.465, 190.470,** or 650.325.

190.335. 1. In lieu of the tax levy authorized under section 190.305 for emergency telephone services, the county commission of any county may impose a county sales tax for the provision of central dispatching of fire protection, including law enforcement agencies, emergency ambulance service or any other emergency services, including emergency telephone services, which shall be collectively referred to herein as "emergency services", and which may also include the purchase and maintenance of communications and emergency equipment, including the operational costs associated therein, in accordance with the provisions of this section.

2. Such county commission may, by a majority vote of its members, submit to the voters of the county, at a public election, a proposal to authorize the county commission to impose a tax under the provisions of this section. If the residents of the county present a petition signed by a number of residents equal to ten percent of those in the county who voted in the most recent gubernatorial election, then the commission shall submit such a proposal to the voters of the county.

3. The ballot of submission shall be in substantially the following form:

Shall the county of ..... (insert name of county) impose a county sales tax of ..... (insert rate of percent) percent for the purpose of providing central dispatching of fire protection, emergency ambulance service, including emergency telephone services, and other emergency services?

□ YES □ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance shall be in effect as provided herein. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the county commission shall have no power to impose the tax authorized by this section unless and until the county commission shall again have submitted another proposal to authorize the county commission to impose the tax under the provisions of this section, and such proposal is approved by a majority of the qualified voters voting thereon.

4. The sales tax may be imposed at a rate not to exceed one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. The sales tax shall not be collected prior to thirty-six months before operation of the central dispatching of emergency services.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

6. Any tax imposed pursuant to section 190.305 shall terminate at the end of the tax year in which the tax imposed pursuant to this section for emergency services is certified by the board to be fully operational. Any revenues collected from the tax authorized under section 190.305 shall be credited for the purposes for which they were intended.

7. At least once each calendar year, the board shall establish a tax rate, not to exceed the amount authorized, that together with any surplus revenues carried forward will produce sufficient revenues to fund the expenditures authorized by this act. Amounts collected in excess of that necessary within a given year shall be carried forward to subsequent years. The board shall make its determination of such tax rate each year no later than September first and shall fix the new rate which shall be collected as provided in this act. Immediately upon making its determination and fixing the rate, the board shall publish in its minutes the new rate, and it shall notify every retailer by mail of the new rate.

8. Immediately upon the affirmative vote of voters of such a county on the ballot proposal to establish a county sales tax pursuant to the provisions of this section, the county commission shall appoint the initial members of a board to administer the funds and oversee the provision of emergency services in the county. Beginning with the general election in 1994, all board members shall be elected according to this section and other applicable laws of this state. At the time of the appointment of the initial members of the board, the commission shall relinquish and no longer exercise the duties prescribed in this chapter with regard to the provision of emergency services and such duties shall be exercised by the board.

9. The initial board shall consist of seven members appointed without regard to political affiliation, who shall be selected from, and who shall represent, the fire protection districts, ambulance districts, sheriff's department, municipalities, any other emergency services and the general public. This initial board shall serve until its successor board is duly elected and installed in office. The commission shall ensure geographic representation of the county by appointing no more than four members from each district of the county commission.

10. Beginning in 1994, three members shall be elected from each district of the county commission and one member shall be elected at large, such member to be the chairman of the board. Of those first elected, four members from districts of the county commission shall be elected for terms of two years and two members from districts of the county commission and the member at large shall be elected for terms of four years. In 1996, and thereafter, all terms of office shall be four years**; provided that, if a board established under this section consolidates with a board established under this section, section 190.327, or section 190.328, under the provisions of section 190.470, the term of office for the existing board members shall end on the thirtieth day following the appointment of the initial board of directors for the consolidated district**. Notwithstanding any other provision of law, if there is no candidate for an open position on the board, then no election shall be held for that position and it shall be considered vacant, to be filled pursuant to the provisions of section 190.339, and, if there is only one candidate for each open position, no election shall be held and the candidate or candidates shall assume office at the same time and in the same manner as if elected.

11. Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the first classification with more than two hundred forty thousand three hundred but fewer than two hundred forty thousand four hundred inhabitants or in any county of the third classification with a township form of government and with more than twenty-eight thousand but fewer than thirty-one thousand inhabitants, any emergency telephone service 911 board appointed by the county under section 190.309 which is in existence on the date the voters approve a sales tax under this section shall continue to exist and shall have the powers set forth under section 190.339. Such boards which existed prior to August 25, 2010, shall not be considered a body corporate and a political subdivision of the state for any purpose, unless and until an order is entered upon an unanimous vote of the commissioners of the county in which such board is established reclassifying such board as a corporate body and political subdivision of the state. The order shall approve the transfer of the assets and liabilities related to the operation of the emergency **telephone** service 911 system to the new entity created by the reclassification of the board.

12. (1) Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the second classification with more than fifty-four thousand two hundred but fewer than fifty-four thousand three hundred inhabitants or any county of the first classification with more than fifty thousand but fewer than seventy thousand inhabitants that has approved a sales tax under this section, the county commission shall appoint the members of the board to administer the funds and oversee the provision of emergency services in the county.

The director of revenue shall keep accurate records of the amount of moneys in the trust fund which were collected in each county, city not within a county, or home rule city with more than fifteen thousand but fewer than seventeen thousand inhabitants and partially located in any county of the third classification without a township form of government and with more than thirty-seven thousand but fewer than forty-one thousand inhabitants under sections 190.400 to 190.460, and the records shall be open to the inspection of officers of a participating county or city and the public.

190.455. 1. Except as provided under subsections 9 and 10 of this section, in lieu of the tax levy authorized under section 190.305 or 190.325, or the sales tax imposed under section 190.292 or 190.335, the governing body of any county, city not within a county, or home rule city with more than fifteen thousand but fewer than seventeen thousand inhabitants and partially located in any county of the third classification without a township form of government and with more than thirty-seven thousand but fewer than forty-one thousand inhabitants may impose, by order or ordinance, a monthly fee on subscribers of any communications service that has been enabled to contact 911. The monthly fee authorized in this section shall not exceed one dollar and fifty cents and shall be assessed to the subscriber of the communications service, regardless of technology, based upon the number of active telephone numbers, or their functional equivalents or successors, assigned by the provider and capable of simultaneously contacting the public safety answering point; provided that, for multiline telephone systems and for facilities provisioned with capacity greater than a voice-capable grade channel or its equivalent, regardless of technology, the charge shall be assessed on the number of voice-capable grade channels as provisioned by the provider that allow simultaneous contact with the public safety answering point. Only one fee may be assessed per active telephone number, or its functional equivalent or successor, used to provide a communications service. No fee imposed under this section shall be imposed on more than one hundred voice-grade channels or their equivalent per person per location. Notwithstanding any provision of this section to the contrary, the monthly fee shall not be assessed on the provision of broadband internet access service. The fee shall be imposed solely for the purpose of funding 911 service in such county or city. The monthly fee authorized in this section shall be limited to one fee per device. The fee authorized in this section shall be in addition to all other taxes and fees imposed by law and may be stated separately from all other charges and taxes. The fee shall be the liability of the subscriber, not the provider, except that the provider shall be liable to remit all fees that the provider collects under this section.

2. No such order or ordinance adopted under this section shall become effective unless the governing body of the county or city submits to the voters residing within the county or city at a state general, primary, or special election a proposal to authorize the governing body to impose a fee under this section. The question submitted shall be in substantially the following form:

"Shall ..... (insert name of county or city) impose a monthly fee of ..... (insert amount) on a subscriber of any communications service that has been enabled to contact 911 for the purpose of funding 911 service in the ..... (county or city)?"

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, the fee shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the fee. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, the fee shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. Except as modified in this section, all provisions of sections 32.085 and 32.087 and subsection 7 of section 144.190 shall apply to the fee imposed under this section.

4. All revenue collected under this section by the director of the department of revenue on behalf of the county or city, except for two percent to be withheld by the provider for the cost of administering the collection and remittance of the fee, and one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in the Missouri 911 service trust fund created under section 190.420. The director of the department of revenue shall remit such funds to the county or city on a monthly basis. The governing body of any such county or city shall control such funds remitted to the county or city unless the county or city has established an elected board for the purpose of administering such funds. In the event that any county or city has established a board under any other provision of state law for the purpose of administering funds for 911 service, such existing board may continue to perform such functions after the county or city has adopted the monthly fee under this section.

5. Nothing in this section imposes any obligation upon a provider of a communications service to take any legal action to enforce the collection of the tax imposed in this section. The tax shall be collected in compliance, as applicable, with the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 to 124, as amended.

6. Notwithstanding any other provision of law to the contrary, proprietary information submitted under this section shall only be subject to subpoena or lawful court order. Information collected under this section shall only be released or published in aggregate amounts that do not identify or allow identification of numbers of subscribers or revenues attributable to an individual communications service provider.

7. Notwithstanding any other provision of law to the contrary, in no event shall any communications service provider, its officers, employees, assigns, agents, vendors, or anyone acting on behalf of such persons, be liable for any form of civil damages or criminal liability that directly or indirectly results from, or is caused by:

(1) An act or omission in the development, design, installation, operation, maintenance, performance, or provision of service to a public safety answering point or to subscribers that use such service, whether providing such service is required by law or is voluntary; or

(2) The release of subscriber information to any governmental entity under this section unless such act, release of subscriber information, or omission constitutes gross negligence, recklessness, or intentional misconduct.

Nothing in this section is intended to void or otherwise override any contractual obligation pertaining to equipment or services sold to a public safety answering point by a communications service provider. No cause of action shall lie in any court of law against any provider of communications service, commercial mobile service, or other communications-related service, or its officers, employees, assignees, agents, vendors, or anyone acting on behalf of such persons, for providing call location information concerning the user of any such service in an emergency situation to a law enforcement official or agency in order to respond to a call for emergency service by a subscriber, customer, or user of such service or for providing caller location information or doing a ping locate in an emergency situation that involves danger of death or serious physical injury to any person where disclosure of communications relating to the emergency is required without delay, whether such provision of information is required by law or voluntary.

8. The fee imposed under this section shall not be imposed on customers who pay for service prospectively, including customers of prepaid wireless telecommunications service.

9. No county or city shall submit a proposal to the voters under this section for a fee of more than one dollar until the county or city receives approval for the fee amount from the Missouri 911 service board established under section 650.325. Once a fee of more than one dollar has been approved by the Missouri 911 service board and the voters, the county or city shall not subsequently increase the fee until the increased fee

amount has been approved by the Missouri 911 service board and the voters under this section. Any county or city seeking to impose or increase a fee of more than one dollar shall submit to the Missouri 911 service board information to justify the fee amount. The information to be provided shall include, but not be limited to, the following:

(1) Estimated costs of services to be provided;

(2) Estimated revenue from all sources intended to financially support the proposed 911 service;

(3) Prior revenue amounts and sources of financial support for the previously funded 911 or emergency dispatch service;

(4) Efforts to secure revenue to support the proposed 911 service other than the proposed fee under this section;

(5) Current level of 911 service provided and the proposed level of 911 service to be provided;

(6) Any previous efforts regarding the consolidation of 911 services and any currently proposed efforts regarding the consolidation of 911 services; and

(7) Expected level of training of personnel and expected number of telecommunications per shift.

10. The fee imposed under this section shall not be imposed in conjunction with any tax imposed under section 190.292, 190.305, 190.325, or 190.335. No county or city shall simultaneously impose more than one tax authorized in this section or section 190.292, 190.305, 190.325, or 190.335. No fee imposed under this section shall be imposed on more than one hundred exchange access facilities or their equivalent per person per location.

11. No county shall submit a proposal to the voters of the county under this section or section 190.335 until either:

(1) All providers of emergency telephone service as defined in section 190.300 and public safety answering point operations within the county are consolidated into one public agency as defined in section 190.300 that provides emergency telephone service for the county;

(2) The county develops a plan for consolidation of emergency telephone service, as defined in section 190.300, and public safety answering point operations within the county are consolidated into one public agency, as defined in section 190.300, that provides emergency telephone service for the county; or

(3) The county develops a plan for consolidation of emergency telephone service, as defined in section 190.300, and public safety answering point operations within the county that includes either consolidation or entering into a shared services agreement for such services, which shall be implemented on approval of the fee by the voters.

12. Any plan developed under subdivision (2) or (3) of subsection 11 of this section shall be filed with the Missouri 911 service board under subsection 4 of section 650.330. Any plan that is filed under this subsection shall provide for the establishment of a joint emergency communications board as described in section 70.260. The director of the department of revenue shall not remit any funds as provided under this section until the department receives notification from the Missouri 911 service board that the county has filed a plan that is ready for implementation. If, after one year following the enactment of the fee described in subsection 1 of this section, the county has not complied with the plan that the county submitted under subdivision (2) or (3) of subsection 11 of this section, but the county has substantially complied with the plan, the Missouri 911 service board may grant the county an extension of up to six months to comply with its plan. Not more than one extension may be granted to a county. The authority to impose the fee granted to the county in subsection 1 of this section shall be null and void if after one year following the enactment of the fee described in subsection 1 of this section the county has not complied with the plan and has not been granted an extension by the Missouri 911 service board, or if the six-month extension expires and the county has not complied with the plan.

13. Each county that does not have a public agency, as defined in section 190.300, that provides emergency telephone service as defined in section 190.300 for the county shall either:

(1) Enter into a shared services agreement for providing emergency telephone services with a public agency that provides emergency telephone service, if such an agreement is feasible; or

(2) Form with one or more counties an emergency telephone services district in conjunction with any county with a public agency that provides emergency telephone service within the county. If such a district is formed under this subdivision, the governing body of such district shall be the county commissioners of each county within the district, and each county within such district shall submit to the voters of the county a proposal to impose the fee under this section.

14. A county operating joint or shared emergency telephone service, as defined in section 190.300, may submit to the voters of the county a proposal to impose the fee to support joint operations and further consolidation under this section.

15. All 911 fees shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 to 124, as amended.

16. Nothing in subsections 11, 12, 13, and 14 of this section shall apply to a county with a charter form of government where all public safety answering points within the county utilize a common 911 communication service as implemented by the appropriate local and county agencies prior to August 28, 2018.

17. Any home rule city with more than four hundred thousand inhabitants and located in more than one county shall establish an agreement with the counties in which it is located regarding the allocation of anticipated revenue created upon passage of a ballot action submitted to the voters as provided for in 190.292,190.305, 190.325, 190.335 & 190.455 as well as revenue provided based upon 190.460 and the divided cost related to regional 911 services. The allocation and actual expenses of the regional 911 service shall be determined based upon the percentage of residents of each county who also reside in the home rule city compared with those who reside in the county but who do not reside in the home rule city. The agreement between the counties and the home rule city may either be between the individual counties and the home rule city or jointly between all entities. The agreement to divide cost and revenue as required in this section shall not take effect until passage of a ballot proposition as defined in 190.292, 190.305, 190.325, 190.335 or 190.455. The population shall be determined based upon the most recent decennial census. This subsection shall not apply to a county of the first classification without a charter form of government with a population of at least ninety-eight thousand but fewer than one hundred five thousand inhabitants.

190.460. 1. As used in this section, the following terms mean:

(1) "Board", the Missouri 911 service board established under section 650.325;

(2) "Consumer", a person who purchases prepaid wireless telecommunications service in a retail transaction;

(3) "Department", the department of revenue;

(4) "Prepaid wireless service provider", a provider that provides prepaid wireless service to an end user;

(5) "Prepaid wireless telecommunications service", a wireless telecommunications service that allows a caller to dial 911 to access the 911 system and which service shall be paid for in advance and is sold in predetermined units or dollars of which the number declines with use in a known amount;

(6) "Retail transaction", the purchase of prepaid wireless telecommunications service from a seller for any purpose other than resale. The purchase of more than one item that provides prepaid wireless telecommunication service, when such items are sold separately, constitutes more than one retail transaction;

(7) "Seller", a person who sells prepaid wireless telecommunications service to another person;

(8) "Wireless telecommunications service", commercial mobile radio service as defined by 47 CFR 20.3, as amended.

2. (1) Beginning January 1, 2019, there is hereby imposed a prepaid wireless emergency telephone service charge on each retail transaction. The amount of such charge shall be equal to three percent of each retail transaction. However, if a minimal amount of prepaid wireless telecommunications service is sold with a prepaid wireless device for a single nonitemized price, the seller may elect not to apply such service charge to such transaction. For purposes of this subdivision, an amount of service denominated as ten or fewer minutes, or five dollars or less, is minimal.

(2) The prepaid wireless emergency telephone service charge shall be collected by the seller from the consumer with respect to each retail transaction occurring in this state. The amount of the prepaid wireless emergency telephone service charge shall be either separately stated on an invoice, receipt, or other similar document that is provided to the consumer by the seller or otherwise disclosed to the consumer.

(3) For purposes of this subsection, a retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state, and any other retail transaction shall be treated as occurring in this state if the retail transaction is treated as occurring in this state under state law.

(4) The prepaid wireless emergency telephone service charge is the liability of the consumer and not of the seller or of any provider; except that, the seller shall be liable to remit all charges that the seller is deemed to collect if the amount of the charge has not been separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller.

(5) The amount of the prepaid wireless emergency telephone service charge that is collected by a seller from a consumer, if such amount is separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller, shall not be included in the base for measuring any tax, fee, surcharge, or other charge that is imposed by this state, any political subdivision of this state, or any intergovernmental agency.

3. (1) Prepaid wireless emergency telephone service charges collected by sellers shall be remitted to the department at the times and in the manner provided by state law with respect to sales and use taxes. The department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply under state law.

(2) Beginning on January 1, 2019, and ending on January 31, 2019, when a consumer purchases prepaid wireless telecommunications service in a retail transaction from a seller under this section, the seller shall be allowed to retain one hundred percent of the prepaid wireless emergency telephone service charges that are collected by the seller from the consumer. Beginning on February 1, 2019, a seller shall be permitted to deduct and retain three percent of prepaid wireless emergency telephone service charges that are collected by the seller from consumers.

(3) The department shall establish procedures by which a seller of prepaid wireless telecommunications service may document that a sale is not a retail transaction, which procedures shall substantially coincide with the procedures for documenting sale for resale transactions for sales and use purposes under state law.

(4) The department shall deposit all remitted prepaid wireless emergency telephone service charges into the general revenue fund for the department's use until eight hundred thousand one hundred fifty dollars is collected to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges. From then onward, the department shall deposit all remitted prepaid wireless emergency telephone service charges into the Missouri 911 service trust fund created under section 190.420 within thirty days of receipt for use by the board. After the initial eight hundred thousand one hundred fifty dollars is collected, the department may deduct an amount not to exceed one percent of collected charges to be retained by the department to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges.

(5) The board shall set a rate between twenty-five and seventy-five percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties without a charter form of government, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to such counties in direct proportion to the amount of charges collected in each county. The board shall set a rate between sixty-five and seventy-five percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties with a charter form of government and any city not within a county, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to each such county or city not within a county in direct proportion to the amount of charges collected in each such county or city not within a county. The initial percentage rate set by the board for counties with and without a charter form of government and any city not within a county may be adjusted after three years, and thereafter the rate may be adjusted every two years; however, at no point shall the board set rates that fall below twenty-five percent for counties without a charter form of government and sixty-five percent for counties with a charter form of government and any city not within a county.

(6) Any amounts received by a county or city under subdivision (5) of this subsection shall be used only for purposes authorized in sections 190.305 and 190.335.

4. (1) A seller that is not a provider shall be entitled to the immunity and liability protections under section 190.455, notwithstanding any requirement in state law regarding compliance with Federal Communications Commission Order 05-116.

(2) A provider shall be entitled to the immunity and liability protections under section 190.455.

(3) In addition to the protection from liability provided in subdivisions (1) and (2) of this subsection, each provider and seller and its officers, employees, assigns, agents, vendors, or anyone acting on behalf of such persons shall be entitled to the further protection from liability, if any, that is provided to providers and sellers of wireless telecommunications service that is not prepaid wireless telecommunications service under section 190.455.

5. The prepaid wireless emergency telephone service charge imposed by this section shall be in addition to any other tax, fee, surcharge, or other charge imposed by this state, any political subdivision of this state, or any intergovernmental agency for 911 funding purposes.

190.465. 1. In order to provide the best possible 911 technology and service to all areas of the state in the most efficient and economical manner possible, it is the public policy of this state to encourage the consolidation of emergency communications operations.

2. Any county, city, or 911 or emergency services board established under chapter 190 or section 321.243 may contract and cooperate with any other county, city, or 911 or emergency services board established under chapter 190 or section 321.243 as provided in sections 70.210 to 70.320. Any contracting counties or boards may seek assistance and advice from the Missouri 911 service board established in section 650.325 regarding the terms of the joint contract and the administration and operation of the contracting counties, cities, and boards.

3. If two or more counties, cities, 911 districts, or existing emergency communications entities desire to consolidate their emergency communications operations, a joint emergency communications entity may be established by the parties through an agreement identifying the conditions and provisions of the consolidation and the operation of the joint entity. This agreement may include the establishment of a joint governing body that may be comprised of the boards of the entities forming the agreement currently authorized by statute or an elected or appointed joint board authorized under section 70.260; provided that, the representation on the joint board of each of the entities forming the agreement shall be equal. If the entities entering into an agreement under this subsection decide that any 911 service center responsible for the answering of 911 calls and the dispatch of assistance shall be physically located in a county other than a county with the lowest average county wage from the set of counties where the entities entering into an agreement under this subsection are located in whole or part, such entities shall provide a written reason for this decision to the Missouri 911 service board and such document shall be considered a public record under chapter 610. The county average wage comparison shall be conducted using the information from the Missouri department of economic development, which calculates such county average wages under section 135.950.

4. After August 28, 2018, no public safety answering point operation may be established as a result of its separation from an existing public safety answering point operation without a study by, and the approval of, the Missouri 911 service board.

5. No provision of this section shall be construed to prohibit or discourage in any manner the formation of multiagency or multijurisdictional public safety answering point operations.

190.470. 1. As an alternative to the procedure provided in section 190.465, two or more 911 central dispatch centers that are organized under sections 190.327 to 190.329 or section 190.335 and funded by public taxes may consolidate into one 911 central dispatch center by following the procedures set forth in this section.

2. If the consolidation of existing 911 central dispatch centers is desired, a number of voters residing in the existing 911 central dispatch centers' service areas equal to ten percent of the votes cast for governor in those service areas in the preceding gubernatorial election may file with the county clerk in which the territory or greater part of the proposed consolidated 911 central dispatch center service area will be situated a petition requesting consolidation of two or more 911 central dispatch centers.

3. The petition shall be in the following form:

"We, the undersigned voters residing in the service areas for the following 911 central dispatch centers, do hereby petition that the following existing 911 central dispatch centers be consolidated into one 911 central dispatch center."

4. An alternative procedure of consolidation may be followed if each of the boards of directors of the existing 911 central dispatch centers passes a resolution in the following form:

"The board of directors of the ..... 911 central dispatch center resolves that the ..... and ..... 911 central dispatch centers be consolidated into one 911 central dispatch center."

5. Upon the filing of a petition or resolution with the county clerk from each of the service areas of the 911 central dispatch centers to be consolidated, the clerk shall present the petition or resolution to the commissioners of the county commission having jurisdiction, who shall order the submission of the question to voters within the affected 911 central dispatch center service areas. The filing of a petition shall be no later than twelve months after any original voter's signature contained therein.

6. The notice of election shall contain the names of the existing 911 central dispatch centers to be included in the consolidated 911 central dispatch center.

7. The question shall be submitted in substantially the following form:

"Shall the existing ..... 911 central dispatch centers be consolidated into one 911 central dispatch center?"

8. If the question of consolidation of the 911 central dispatch centers receives a majority of the votes cast in each service area, the county commissions having joint jurisdiction shall each enter an order declaring the proposition passed.

9. Within thirty days after the 911 central dispatch center has been declared consolidated, the respective county commissions having jurisdiction shall jointly meet to appoint a new seven-person board consisting of the agencies and professions listed in subsection 9 of section 190.335, and shall ensure geographic representation by appointing no more than four members from any one county having jurisdiction within the consolidated area for the newly consolidated 911 central dispatch center.

10. Within thirty days after the appointment of the initial board of directors of the newly consolidated 911 central dispatch center, the board of directors shall meet at a time and place designated by the county commissions. At the first meeting, the newly appointed board of directors shall choose a name for the consolidated 911 central dispatch center and shall notify the clerks of the county commission of each county within which the newly consolidated 911 central dispatch center's service area now subsumes.

11. Starting with the April election in the year after the appointment of the initial board of directors, one member shall be subject to running at large as chair for a four-year term. Four members shall be selected by lot to run for two-year terms, and two members shall be selected by lot to run for four-year terms. Thereafter, all terms shall be four-year terms.

12. On the thirtieth day following the appointment of the initial board of directors, the existing 911 central dispatch centers shall cease to exist and the consolidated 911 central dispatch center shall assume all of the powers and duties exercised by the 911 central dispatch centers. All assets and obligations of the existing 911 central dispatch centers shall become the assets and obligations of the newly consolidated 911 central dispatch center.

13. In any county that has a single board established under chapter 190 or under section 321.243, if a consolidation under this section only affects existing 911 central dispatch centers located wholly within such county, the existing board shall vote as to whether the existing board shall continue to exist. Upon a majority vote for approval of the existing board continuing to exist, subsections 9 to 12 of this section shall not apply, and the existing board shall continue to exist and have the powers set forth under the applicable section or sections within chapter 190 or under section 321.243. Upon a majority vote in disapproval of the existing board continuing to exist, all applicable subsections of this section shall apply to the consolidation. A tied vote shall be considered a disapproval of the existing board continuing to exist.

190.475. The director of the department of revenue shall maintain a centralized database, which shall be made available to the Missouri 911 service board established under section 650.325, specifying the current monthly fee or tax imposed by each county or city under section 190.292, 190.305, 190.325, 190.335, or 190.455. The database shall be updated no less than sixty days prior to the effective date of the establishment or modification of any monthly fee or tax listed in the database."; and

Further amend said bill, Page 49, Section 650.277, Line 22, by inserting after all of said section and line the following:
