7. House Amendment No. 12

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 870, Page 1, Section A, Line 3, by inserting after all of said line the following:

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area which, by reason of the predominance of **[**~~defective or inadequate street layout,~~**]** insanitary or unsafe conditions, **[**~~deterioration of site improvements, improper subdivision or obsolete platting, or~~**]** the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, **[**~~morals,~~**]** or welfare in its present condition and use;

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) **[**~~"Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of~~

~~thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997;~~

~~(4)~~**]** "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

[~~(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:~~

~~(a) Discourage commerce, industry or manufacturing from moving their operations to another state; or~~

~~(b) Result in increased employment in the municipality; or~~

~~(c) Result in preservation or enhancement of the tax base of the municipality;~~

No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is a blighted area**[**~~, a conservation area, or an economic development area,~~**]** and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.825. 1. **(1)** Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project.

(2) At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under **[**~~subsection 3 of~~**]** section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission.

(3) Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance.

(4) After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area.

(5) Within ten days of the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, the commission created under section 99.820

shall notify each board or body that oversees a taxing district that is partially or wholly located within the redevelopment area of the approval of the ordinance.

(6) Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

(7) Notwithstanding any other provision of law to the contrary, in addition to a public hearing, the governing body of a city, town, or village shall, for a thirty-day period, establish a forum for the public to comment on the proposed district. The forum may be digital, physical, or both. Comments shall be recorded and delivered to the governing body before the governing body votes on the proposed district.

(8) A city, town, or village shall post the following information on its official internet website accessible by the public and, during the thirty-day comment period, on conspicuous signs located throughout the redevelopment area:

(a) The boundaries of the proposed district by street location, or other readily identifiable means if no street location exists, and a map illustrating the proposed boundaries;

(b) The date, time, and place of the public hearing;

(c) A statement that a copy of the petition is available for review at the office of the municipal clerk during regular business hours; and

(d) A statement that all interested persons shall be given an opportunity to be heard at the public hearing.

If a city, town, or village does not have an official internet website, it shall make the above information reasonably available in its most prominent building of governance.

2. If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under **[**~~subsection 3 of~~**]** section 99.820, the economic activity taxes and payments in lieu of taxes generated by such plan, project, designation, or amendment shall be restricted to paying only those redevelopment project costs contained in subparagraphs b. and c. of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.

[~~3. Tax incremental financing projects within an economic development area shall apply to and fund only the following infrastructure projects: highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks and any other similar public improvements, but in no case shall it include buildings.~~**]**

99.843. Notwithstanding the provisions of sections 99.800 to 99.865 to the contrary, no new tax increment financing project shall be authorized in any greenfield area, as such term is defined in section 99.805**[**~~, that is located within a city not within a county or any county subject to the authority of the East-West Gateway Council of Governments. Municipalities not subject to the authority of the East-West Gateway Council of Governments may authorize tax increment finance projects in greenfield areas~~**]**.

99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's levy rate for ad valorem tax on real property, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered payments in lieu of taxes subject to deposit into a special allocation fund without the consent of such taxing district. Revenues will be considered directly attributable to the newly voter-approved incremental increase to the extent that they are generated from the difference between the taxing district's actual levy rate currently imposed and the maximum voter-approved levy rate at the time that the redevelopment project was adopted. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850.

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to Article VI, Section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes.

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to Article VI, Section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of Section 6 of Article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998**;**

(4) The board or body that oversees a taxing district, as that term is defined under section 99.805, may elect to have fifty percent of the property or sales taxes levied by such district excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the tax levied by the taxing district, and fifty percent of the revenue from such tax shall be allocated to the district and shall not be allocated to redevelopment costs and obligations; and

(5) A school board of a school district may elect to have fifty percent of the portion of property tax revenue allocated to the school district by a county or municipality excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the percentage of property tax revenue equal to the average percentage of property

tax revenue allocated to the school district over the preceding five years, and such percentage of revenue attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the redevelopment project area shall be allocated to the school district and shall not be allocated to redevelopment costs and obligations.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, taxes imposed on sales pursuant to subsection 2 of section 67.1712 for the purpose of operating and maintaining a metropolitan park and recreation district, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under and pursuant to section 67.700 or 650.399 for the purpose of emergency communication systems, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's sales tax or use tax, other than the renewal of an expiring sales or use tax, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered economic activity taxes subject to deposit into a special allocation fund without the consent of such taxing district.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to the following:

(3) Blighted areas consisting solely of the site of a former insurance company national service center containing a minimum of one hundred acres located in any county with a charter form of government and with more than nine hundred fifty thousand inhabitants.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsection 4 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by

(2) The methodologies used in the application for determining the base year and determining the estimate of the incremental increase in the general revenue portion of the state sales tax revenues or the state income tax withheld by employers on behalf of new employees who fill new jobs created in the redevelopment area shall be approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the annual amount of the new state revenues approved for disbursements from the Missouri supplemental tax increment financing fund exceed thirty-two million dollars; provided, however, that such thirty-two million dollar cap shall not apply to redevelopment plans or projects initially listed by name in the applicable appropriations bill after August 28, 2015, which involve either:

(a) A former automobile manufacturing plant; or

(b) The retention of a federal employer employing over two thousand geospatial intelligence jobs.

At no time shall the annual amount of the new state revenues for disbursements from the Missouri supplemental tax increment financing fund for redevelopment plans and projects eligible under the provisions of paragraph (a) of this subdivision exceed four million dollars in the aggregate. At no time shall the annual amount of the new state revenues for disbursements from the Missouri supplemental tax increment financing fund for redevelopment plans and projects eligible under the provisions of paragraph (b) of this subdivision exceed twelve million dollars in the aggregate. To the extent a redevelopment plan or project independently meets the eligibility criteria set forth in both paragraphs (a) and (b) of this subdivision, then at no such time shall the annual amount of new state revenues for disbursements from the Missouri supplemental tax increment financing fund for such eligible redevelopment plan or project exceed twelve million dollars in the aggregate;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

11. In addition to the areas authorized in subsection 9 of this section, the funding authorized pursuant to subsection 4 of this section shall also be available in a federally approved levee district, where construction of a levee begins after December 23, 1997, and which is contained within a county of the first classification without a charter form of government with a population between fifty thousand and one hundred thousand inhabitants which contains all or part of a city with a population in excess of four hundred thousand or more inhabitants.

12. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsection 4 of this section if and only if the conditions of subsection 10 of this section are met. The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. Moneys in the Missouri supplemental tax increment financing fund shall be disbursed per project pursuant to state appropriations.

13. Redevelopment project costs may include, at the prerogative of the state, the portion of salaries and expenses of the department of economic development and the department of revenue reasonably allocable to each redevelopment project approved for disbursements from the Missouri supplemental tax increment financing fund for the ongoing administrative functions associated with such redevelopment project. Such amounts shall be recovered from new state revenues deposited into the Missouri supplemental tax increment financing fund created under this section.

14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues.

15. Notwithstanding any other provision of the law to the contrary, the adoption of any tax increment financing authorized under sections 99.800 to 99.865 shall not supersede, alter, or reduce in any way a property tax levied under section 205.971."; and

House Amendment No. 14

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 870, Page 1, Section A, Line 8, by inserting after all of said line the following:

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's levy rate for ad valorem tax on real property, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered payments in lieu of taxes subject to deposit into a special allocation fund without the consent of such taxing district. Revenues will be considered directly attributable to the newly voter-approved incremental increase to the extent that they are generated from the difference between the taxing district's actual levy rate currently imposed and the maximum voter-approved levy rate at the time that the redevelopment project was adopted. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850.

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to Article VI, Section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes.

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to Article VI, Section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of Section 6 of Article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998**;**

(4) The board or body that oversees a taxing district, as that term is defined under section 99.805, may elect to have fifty percent of the property or sales taxes levied by such district excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the tax levied by the taxing district, and fifty percent of the revenue from such tax shall be allocated to the district and shall not be allocated to redevelopment costs and obligations; and

(5) A school board of a school district may elect to have fifty percent of the portion of property tax revenue allocated to the school district by a county or municipality excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the percentage of property tax revenue equal to the average percentage of property

tax revenue allocated to the school district over the preceding five years, and such percentage of revenue attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the redevelopment project area shall be allocated to the school district and shall not be allocated to redevelopment costs and obligations.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, taxes imposed on sales pursuant to subsection 2 of section 67.1712 for the purpose of operating and maintaining a metropolitan park and recreation district, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under and pursuant to section 67.700 or 650.399 for the purpose of emergency communication systems, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's sales tax or use tax, other than the renewal of an expiring sales or use tax, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered economic activity taxes subject to deposit into a special allocation fund without the consent of such taxing district.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to the following:

(1) Blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(a) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(b) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand;

(2) Blighted areas consisting solely of the site of a former automobile manufacturing plant located in any county with a charter form of government and with more than nine hundred fifty thousand inhabitants. For the purposes of this section, "former automobile manufacturing plant" means a redevelopment area containing a minimum of one hundred acres, and such redevelopment area was previously used primarily for the manufacture of automobiles but ceased such manufacturing after the 2007 calendar year; or

(3) Blighted areas consisting solely of the site of a former insurance company national service center containing a minimum of one hundred acres located in any county with a charter form of government and with more than nine hundred fifty thousand inhabitants.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsection 4 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by

(f) The cost-benefit analysis required by section 99.810 includes a study of the fiscal impact on the state of Missouri;

Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the annual amount of the new state revenues approved for disbursements from the Missouri supplemental tax increment financing fund exceed thirty-two million dollars; provided, however, that such thirty-two million dollar cap shall not apply to redevelopment plans or projects initially listed by name in the applicable appropriations bill after August 28, 2015, which involve either:

At no time shall the annual amount of the new state revenues for disbursements from the Missouri supplemental tax increment financing fund for redevelopment plans and projects eligible under the provisions of paragraph (b) of this subdivision exceed twelve million dollars in the aggregate. To the extent a redevelopment plan or project independently meets the eligibility criteria set forth in both paragraphs (a) and (b) of this subdivision, then at no such time shall the annual amount of new state revenues for disbursements from the Missouri supplemental tax increment financing fund for such eligible redevelopment plan or project exceed twelve million dollars in the aggregate;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

11. In addition to the areas authorized in subsection 9 of this section, the funding authorized pursuant to subsection 4 of this section shall also be available in a federally approved levee district, where construction of a levee begins after December 23, 1997, and which is contained within a county of the first classification without a charter form of government with a population between fifty thousand and one hundred thousand inhabitants which contains all or part of a city with a population in excess of four hundred thousand or more inhabitants.

12. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsection 4 of this section if and only if the conditions of subsection 10 of this section are met. The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. 14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues.

15. Notwithstanding any other provision of the law to the contrary, the adoption of any tax increment financing authorized under sections 99.800 to 99.865 shall not supersede, alter, or reduce in any way a property tax levied under section 205.971."; and

"256.462. 1. The board shall meet within forty-five days after appointment of its initial members. The board shall hold at least four regular meetings each year. Special meetings shall be held at such times as the rules of the board may provide and in accordance with notice requirements thereof.

2. The board shall elect annually from its own membership a chair, vice chair, and secretary-treasurer, none of whom shall hold that office for more than two consecutive one-year terms, and the director of the division of professional registration shall be the executive secretary to assist the board in carrying out its duties and responsibilities.

3. The board shall promulgate rules pursuant to chapter 536 and section 256.640, necessary for the administration and enforcement of sections 256.450 to 256.483.

4. The board shall prepare, administer, and grade or supervise the preparation, administering, and grading of oral and written examinations as required to administer and enforce sections 256.450 to 256.483. The board may adopt or recognize, in part or in whole, examinations prepared, administered, or graded by other organizations, on a regional or national basis, which the board determines are appropriate to measure the qualifications of an applicant for registration as a geologist in Missouri, provided that the individual's examination records are available to the board.

5. The board shall issue certificates of registration and shall renew and reissue certificates as provided in sections 256.450 to 256.483. The board may upon reissuing and renewal require the applicant to provide evidence of continued competence in the practice of geology.

6. The board shall promulgate, by rule, and issue a code of professional conduct for registered geologists. The board may suspend, revoke or refuse issuance or renewal of registration for any registered geologist who is found in violation of the code of professional conduct.

7. The board may refuse issuance or renewal of or suspend or revoke any certificate, and impose sanctions including restrictions on the practice of any individual geologist registered in Missouri for violations of sections 256.450 to 256.483 or the rules promulgated thereunder.

8. The board shall seek cease and desist orders and injunctions against any person violating sections 256.450 to 256.483 or the rules promulgated thereunder.

9. The board shall recognize and authorize the official use of the designation "registered geologist" for geologists registered under the provisions of sections 256.450 to 256.483.

10. **[**~~The board may enter into agreements with licensor organizations of other states having official registration responsibilities for the purposes of developing uniform standards for registration of geologists including education, examinations, and other procedures for the purposes of developing and entering into registration reciprocity agreements. All such agreements shall be in accordance with the provisions of sections 256.450 to 256.483.~~

~~11.~~**]** The board may recognize and establish, by rule, specialty fields of geologic practice and establish qualifications, conduct examinations, and issue certificates of registration in such specialties to qualified applicants.

256.468. 1. An applicant for certification as a registered geologist shall complete and sign a personal data form, prescribed and furnished by the board, and shall provide the appropriate application fee. The personal data of an individual shall be considered confidential information.

2. The applicant shall have graduated from a course of study satisfactory to the board and which includes at least thirty semester or forty-five quarter hours of credit in geology.

3. The applicant shall provide to the board a detailed summary of actual geologic work, documenting that the applicant meets the minimum requirements for registration as a geologist, including a demonstration that the applicant has at least three years of postbaccalaureate experience in the practice of geology.

4. Except as provided in this section, no applicant shall be certified unless he or she shall have passed an examination covering the fundamentals, principles and practices of geology prescribed or accepted by the board.

5. Any person, upon application to the board and demonstration that the person meets the requirements of subsections 1 and 2 of this section and has passed that portion of the professional examination covering the fundamentals of geology, shall be awarded the geologist-registrant in-training certificate. The geologist then may use the title "geologist-registrant in-training" subject to the limitations of sections 256.450 to 256.483.

6. The board shall deny registration to an applicant who fails to satisfy the requirements of this section. The board shall not issue a certificate of registration pending the disposition in this or another state of any complaint alleging a violation of this chapter or the laws, rules, regulations and code of professional conduct applicable to registered geologists and regulated geologic work of which violation the board has notice. An applicant who is denied

registration shall be notified in writing within thirty days of the board's decision and the notice shall state the reason for denial of registration. Any person aggrieved by a final decision of the board on an application for registration may appeal that decision to the administrative hearing commission in the manner provided in section 621.120.

7. The board shall issue an appropriate certificate evidencing the issuance of the certificate of registration upon payment of the applicable registration fee to any applicant who has satisfactorily met all the requirements of this section for registration as a geologist. Such certificate shall show the full name of the registrant, shall have a serial number, and shall be dated and signed by an appropriate officer of the board under the seal of the board.

8. The certificate seal shall be prima facie evidence that the person named therein is entitled to all rights and privileges of a registered geologist under sections 256.450 to 256.483 and to practice geology as an individual, firm or corporation while such certificate remains unrevoked or unexpired.

9. The board may issue a certificate of registration to any individual who has made application and provided proof of certification of registration from another **[**~~state nongovernmental or governmental organization, or~~**]** country, approved by the board, provided that the registration or licensing requirements are substantially similar to the requirements of this section and the necessary fees have been paid. The board may require, by examination or other procedures, demonstration of competency pertaining to geologic conditions in Missouri.

10. The board shall reissue the certificate of registration of any registrant who, before the expiration date of the certificate and within a period of time and procedures established by the board, submits the required renewal application and fee.

House Amendment No. 2

AMEND Senate Committee Substitute for Senate Bill No. 892, Page 9, Section 56.840, Line 38, by inserting after all of said line the following:

"169.291. 1. The general administration and the responsibility for the proper operation of the retirement system are hereby vested in a board of trustees of twelve persons who shall be resident taxpayers of the school district, as follows:

(1) Four trustees to be appointed for terms of four years by the board of education; provided, however, that the terms of office of the first four trustees so appointed shall begin immediately upon their appointment and shall expire one, two, three and four years from the date the retirement system becomes operative, respectively;

(2) Four trustees to be elected for terms of four years by and from the members of the retirement system; provided, however, that the terms of office of the first four trustees so elected shall begin immediately upon their election and shall expire one, two, three and four years from the date the retirement system becomes operative, respectively;

(3) The ninth trustee shall be the superintendent of schools of the school district;

(4) The tenth trustee shall be one retirant of the retirement system elected for a term of four years beginning the first day of January immediately following August 13, 1986, by the retirants of the retirement system;

(5) The eleventh trustee shall be appointed for a term of four years beginning the first day of January immediately following August 13, 1990, by the board of trustees described in subdivision (3) of section 182.701;

(6) The twelfth trustee shall be a retirant of the retirement system elected for a term of four years beginning the first day of January immediately following August 28, 1992, by the retirants of the retirement system.

2. If a vacancy occurs in the office of a trustee, the vacancy shall be filled for the unexpired term in the same manner as the office was previously filled, except that the board of trustees may appoint a qualified person to fill the vacancy in the office of an elected member until the next regular election at which time a member shall be elected for the unexpired term. No vacancy or vacancies on the board of trustees shall impair the power of the remaining trustees to administer the retirement system pending the filling of such vacancy or vacancies.

3. In the event of a lapse of the school district's corporate organization as described in subsections 1 and 4 of section 162.081, the general administration and responsibility for the proper operation of the retirement system shall continue to be vested in a twelve-person board of trustees, all of whom shall be resident taxpayers of a city, other than a city not within a county, of four hundred thousand or more. In such event, if vacancies occur in the offices of the four trustees appointed, prior to the lapse, by the board of education, or in the offices of the four trustees elected, prior to the lapse, by the members of the retirement system, or in the office of trustee held, prior to the lapse, by the superintendent of schools in the school district, as provided in subdivisions (1), (2) and (3) of subsection 1 of this section, the board of trustees shall appoint a qualified person to fill each vacancy and subsequent vacancies in the office of trustee for terms of up to four years, as determined by the board of trustees.

4. Each trustee shall, before assuming the duties of a trustee, take the oath of office before the court of the judicial circuit or one of the courts of the judicial circuit in which the school district is located that so far as it devolves upon the trustee, such trustee shall diligently and honestly administer the affairs of the board of trustees and that the trustee will not knowingly violate or willingly permit to be violated any of the provisions of the law applicable to the retirement system. Such oath shall be subscribed to by the trustee making it and filed in the office of the clerk of the circuit court.

5. Each trustee shall be entitled to one vote in the board of trustees. Seven trustees shall constitute a quorum at any meeting of the board of trustees. At any meeting of the board of trustees where a quorum is present, the vote of at least seven of the trustees in support of a motion, resolution or other matter is necessary to be the decision of the board; provided, however, that in the event of a lapse in the school district's corporate organization as described in subsections 1 and 4 of section 162.081, a majority of the trustees then in office shall constitute a quorum at any meeting of the board of trustees, and the vote of a majority of the trustees then in office in support of a motion, resolution or other matter shall be necessary to be the decision of the board.

6. The board of trustees shall have exclusive original jurisdiction in all matters relating to or affecting the funds herein provided for, including, in addition to all other matters, all claims for benefits or refunds, and its action, decision or determination in any matter shall be reviewable in accordance with chapter 536 or chapter 621. Subject to the limitations of sections 169.270 to 169.400, the board of trustees shall, from time to time, establish rules and regulations for the administration of funds of the retirement system, for the transaction of its business, and for the limitation of the time within which claims may be filed.

7. The trustees shall serve without compensation. The board of trustees shall elect from its membership a chairman and a vice chairman. The board of trustees shall appoint an executive director who shall serve as the administrative officer of the retirement system and as secretary to the board of trustees. It shall employ one or more persons, firms or corporations experienced in the investment of moneys to serve as investment counsel to the board of trustees. The compensation of all persons engaged by the board of trustees and all other expenses of the board necessary for the operation of the retirement system shall be paid at such rates and in such amounts as the board of trustees shall approve, and shall be paid from the investment income.

8. The board of trustees shall keep in convenient form such data as shall be necessary for actuarial valuations of the various funds of the retirement system and for checking the experience of the system.

9. The board of trustees shall keep a record of all its proceedings which shall be open to public inspection. It shall prepare annually and furnish to the board of education and to each member of the retirement system who so requests a report showing the fiscal transactions of the retirement system for the preceding fiscal year, the amount of accumulated cash and securities of the system, and the last balance sheet showing the financial condition of the system by means of an actuarial valuation of the assets and liabilities of the retirement system.

10. The board of trustees shall have, in its own name, power to sue and to be sued, to enter into contracts, to own property, real and personal, and to convey the same; but the members of such board of trustees shall not be personally liable for obligations or liabilities of the board of trustees or of the retirement system.

11. The board of trustees shall arrange for necessary legal advice for the operation of the retirement system.

12. The board of trustees shall designate a medical board to be composed of three or more physicians who shall not be eligible for membership in the system and who shall pass upon all medical examinations required under the provisions of sections 169.270 to 169.400, shall investigate all essential statements and certificates made by or on behalf of a member in connection with an application for disability retirement and shall report in writing to the board of trustees its conclusions and recommendations upon all matters referred to it.

13. The board of trustees shall designate an actuary who shall be the technical advisor of the board of trustees on matters regarding the operation of the retirement system and shall perform such other duties as are required in connection therewith. Such person shall be qualified as an actuary by membership as a Fellow of the Society of Actuaries or by similar objective standards.

14. At least once in each five-year period the actuary shall make an investigation into the actuarial experience of the members, retirants and beneficiaries of the retirement system and, taking into account the results of such investigation, the board of trustees shall adopt for the retirement system such actuarial assumptions as the board of trustees deems necessary for the financial soundness of the retirement system.

15. On the basis of such actuarial assumptions as the board of trustees adopts, the actuary shall make annual valuations of the assets and liabilities of the funds of the retirement system.

16. The rate of contribution payable by the employers shall equal one and ninety-nine one-hundredths percent, effective July 1, 1993; three and ninety-nine one-hundredths percent, effective July 1, 1995; five and ninety-nine one-hundredths percent, effective July 1, 1996; seven and one-half percent effective January 1, 1999, and for subsequent calendar years through 2013. For calendar year 2014 and each subsequent year, the rate of contribution payable by the employers for each year shall be determined **[**~~by the actuary for the retirement system in the manner~~**] as** provided in **[**~~subsection~~**] subsections** 4 **and 6** of section 169.350 and shall be certified by the board of trustees to the employers at least six months prior to the date such rate is to be effective.

17. In the event of a lapse of a school district's corporate organization as described in subsections 1 and 4 of section 162.081, no retirement system, nor any of the assets of any retirement system, shall be transferred to or merged with another retirement system without prior approval of such transfer or merge by the board of trustees of the retirement system.

169.324. 1. The annual service retirement allowance payable pursuant to section 169.320 shall be the retirant's number of years of creditable service multiplied by a percentage of the retirant's average final compensation, determined as follows:

(1) A retirant whose last employment as a regular employee ended prior to June 30, 1999, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by one and three-fourths percent of the person's average final compensation, subject to a maximum of sixty percent of the person's average final compensation;

(2) A retirant whose number of years of creditable service is greater than thirty-four and one-quarter on August 28, 1993, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service as of August 28, 1993, multiplied by one and three-fourths percent of the person's average final compensation but shall not receive a greater annual service retirement allowance based on additional years of creditable service after August 28, 1993;

(3) A retirant who was an active member of the retirement system at any time on or after June 30, 1999, and who either retires before January 1, 2014, or is a member of the retirement system on December 31, 2013, and remains a member continuously to retirement shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by two percent of the person's average final compensation, subject to a maximum of sixty percent of the person's final compensation;

(4) A retirant who becomes a member of the retirement system on or after January 1, 2014, including any retirant who was a member of the retirement system before January 1, 2014, but ceased to be a member for any reason other than retirement, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by one and three-fourths percent of the person's average final compensation, subject to a maximum of sixty percent of the person's average final compensation;

(5) Notwithstanding the provisions of subdivisions (1) to (4) of this subsection, effective January 1, 1996, any retirant who retired on, before or after January 1, 1996, with at least twenty years of creditable service shall receive at least three hundred dollars each month as a retirement allowance, or the actuarial equivalent thereof if the retirant elected any of the options available under section 169.326. Any retirant who retired with at least ten years of creditable service shall receive at least one hundred fifty dollars each month as a retirement allowance, plus fifteen dollars for each additional full year of creditable service greater than ten years but less than twenty years (or the actuarial equivalent thereof if the retirant elected any of the options available under section 169.326). Any beneficiary of a deceased retirant who retired with at least ten years of creditable service and elected one of the options available under section 169.326 shall also be entitled to the actuarial equivalent of the minimum benefit provided by this subsection, determined from the option chosen.

2. Except as otherwise provided in sections 169.331 and 169.585, payment of a retirant's retirement allowance will be suspended for any month for which such person receives remuneration from the person's employer or from any other employer in the retirement system established by section 169.280 for the performance of services except any such person other than a person receiving a disability retirement allowance under section 169.322 may serve as a nonregular substitute, part-time or temporary employee for not more than six hundred hours in any school year without becoming a member and without having the person's retirement allowance discontinued, provided that through such substitute, part-time, or temporary employment, the person may earn no more than fifty percent of the annual salary or wages the person was last paid by the employer before the person retired and commenced receiving a retirement allowance, adjusted for inflation. If a person exceeds such hours limit or such compensation limit, payment of the person's retirement allowance shall be suspended for the month in which such limit was exceeded and each subsequent month in the school year for which the person receives remuneration from any employer in the retirement system. In addition to the conditions set forth above, the restrictions of this subsection shall also apply to any person retired and currently receiving a retirement allowance under sections 169.270 to 169.400, other than for disability, who is employed by a third party or is performing work as an independent contractor if the services performed by such person are provided to or for the benefit of any employer in the retirement system established under section 169.280. The retirement system may require the employer receiving such services, the third-party employer, the independent contractor, and the retirant subject to this subsection to provide documentation showing compliance with this subsection. If such documentation is not provided, the retirement system may deem the retirant to have exceeded the limitations provided for in this subsection. If a retirant is reemployed by any employer in any capacity, whether pursuant to this section, or section 169.331 or 169.585, or as a regular employee, the amount of such person's retirement allowance attributable to service prior to the person's first retirement date shall not be changed by the reemployment. If the person again becomes an active member and earns additional creditable service, upon the person's second retirement the person's retirement allowance shall be the sum of:

(1) The retirement allowance the person was receiving at the time the person's retirement allowance was suspended, pursuant to the payment option elected as of the first retirement date, plus the amount of any increase in such retirement allowance the person would have received pursuant to subsection 3 of this section had payments not been suspended during the person's reemployment; and

(2) An additional retirement allowance computed using the benefit formula in effect on the person's second retirement date, the person's creditable service following reemployment, and the person's average final annual compensation as of the second retirement date.

The sum calculated pursuant to this subsection shall not exceed the greater of sixty percent of the person's average final compensation as of the second retirement date or the amount determined pursuant to subdivision (1) of this subsection. Compensation earned prior to the person's first retirement date shall be considered in determining the person's average final compensation as of the second retirement date if such compensation would otherwise be included in determining the person's average final compensation.

3. The board of trustees shall determine annually whether the investment return on funds of the system can provide for an increase in benefits for retirants eligible for such increase. A retirant shall and will be eligible for an

increase awarded pursuant to this section as of the second January following the date the retirant commenced receiving retirement benefits. Any such increase shall also apply to any monthly joint and survivor retirement allowance payable to such retirant's beneficiaries, regardless of age. The board shall make such determination as follows:

(1) After determination by the actuary of the investment return for the preceding year as of December thirty-first (the "valuation year"), the actuary shall recommend to the board of trustees what portion of the investment return is available to provide such benefits increase, if any, and shall recommend the amount of such benefits increase, if any, to be implemented as of the first day of the thirteenth month following the end of the valuation year, and first payable on or about the first day of the fourteenth month following the end of the valuation year. The actuary shall make such recommendations so as not to affect the financial soundness of the retirement system, recognizing the following safeguards:

(a) The retirement system's funded ratio as of January first of the year preceding the year of a proposed increase shall be at least one hundred percent **[**~~after~~**] before** adjusting for the effect of the proposed increase. The funded ratio is the ratio of assets to the pension benefit obligation;

(b) The actuarially required contribution rate, **[**~~after~~**] before** adjusting for the effect of the proposed increase, may not exceed the then applicable employer and member contribution rate as determined under **[**~~subsection~~**] subsections** 4**, 5, and 6** of section 169.350;

(c) The actuary shall certify to the board of trustees that the proposed increase will not impair the actuarial soundness of the retirement system;

(d) A benefit increase, under this section, once awarded, cannot be reduced in succeeding years;

(2) The board of trustees shall review the actuary's recommendation and report and shall, in their discretion, determine if any increase is prudent and, if so, shall determine the amount of increase to be awarded.

4. This section does not guarantee an annual increase to any retirant.

5. If an inactive member becomes an active member after June 30, 2001, and after a break in service, unless the person earns at least four additional years of creditable service without another break in service, upon retirement the person's retirement allowance shall be calculated separately for each separate period of service ending in a break in service. The retirement allowance shall be the sum of the separate retirement allowances computed for each such period of service using the benefit formula in effect, the person's average final compensation as of the last day of such period of service and the creditable service the person earned during such period of service; provided, however, if the person earns at least four additional years of creditable service without another break in service, all of the person's creditable service prior to and including such service shall be aggregated and, upon retirement, the retirement allowance shall be computed using the benefit formula in effect and the person's average final compensation as of the last day of such period of four or more years and all of the creditable service the person earned prior to and during such period.

6. Notwithstanding anything contained in this section to the contrary, the amount of the annual service retirement allowance payable to any retirant pursuant to the provisions of sections 169.270 to 169.400, including any adjustments made pursuant to subsection 3 of this section, shall at all times comply with the provisions and limitations of Section 415 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, the terms of which are specifically incorporated herein by reference.

7. All retirement systems established by the laws of the state of Missouri shall develop a procurement action plan for utilization of minority and women money managers, brokers and investment counselors. Such retirement systems shall report their progress annually to the joint committee on public employee retirement and the governor's minority advocacy commission.

169.350. 1. All of the assets of the retirement system (other than tangible real or personal property owned by the retirement system for use in carrying out its duties, such as office supplies and furniture) shall be credited, according to the purpose for which they are held, in either the employees' contribution fund or the general reserve fund.

(1) The employees' contribution fund shall be the fund in which shall be accumulated the contributions of the members. The employer shall, except as provided in subdivision (5) of this subsection, cause to be deducted from the compensation of each member on each and every payroll, for each and every payroll period, the pro rata portion of five and nine-tenths percent of his annualized compensation. Effective January 1, 1999, through December 31, 2013, the employer shall deduct an additional one and six-tenths percent of the member's annualized compensation. For 2014 and for each subsequent year, the employer shall deduct from each member's annualized compensation the rate of contribution determined for such year **[**~~by the actuary for the retirement system in the manner~~**] as** provided in **[**~~subsection~~**] subsections** 4**, 5, and 6** of this section.

(2) The employer shall pay all such deductions and any amount it may elect to pay pursuant to subdivision (5) of this subsection to the retirement system at once. The retirement system shall credit such deductions and such amounts to the individual account of each member from whose compensation the deduction was made or with respect to whose compensation the amount was paid pursuant to subdivision (5) of this subsection. In determining the deduction for a member in any payroll period, the board of trustees may consider the rate of compensation payable to such member on the first day of the payroll period as continuing throughout such period.

(3) The deductions provided for herein are declared to be a part of the compensation of the member and the making of such deductions shall constitute payments by the member out of the person's compensation and such deductions shall be made notwithstanding that the amount actually paid to the member after such deductions is less than the minimum compensation provided by law for any member. Every member shall be deemed to consent to the deductions made and provided for herein, and shall receipt for the person's full compensation, and the making of the deduction and the payment of compensation less the deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered during the period covered by the payment except as to benefits provided by sections 169.270 to 169.400.

(4) The accumulated contributions with interest of a member withdrawn by the person or paid to the person's estate or designated beneficiary in the event of the person's death before retirement shall be paid from the employees' contribution fund. Upon retirement of a member the member's accumulated contributions with interest shall be transferred from the employees' contribution fund to the general reserve fund.

(5) The employer may elect to pay on behalf of all members all or part of the amount that the members would otherwise be required to contribute to the employees' contribution fund pursuant to subdivision (1) of this subsection. Such amounts paid by the employer shall be in lieu of members' contributions and shall be treated for all purposes of sections 169.270 to 169.400 as contributions made by members. Notwithstanding any other provision of this chapter to the contrary, no member shall be entitled to receive such amounts directly. The election shall be made by a duly adopted resolution of the employer's board and shall remain in effect for at least one year from the effective date thereof. The election may be thereafter terminated only by an affirmative act of the employer's board notwithstanding any limitation in the term thereof in the adopting resolution. Any such termination resolution shall be adopted at least sixty days prior to the effective date thereof, and the effective date thereof shall coincide with a fiscal year-end of the employer. In the absence of such a termination resolution, the election shall remain in effect from fiscal year to fiscal year.

2. The general reserve fund shall be the fund in which shall be accumulated all reserves for the payment of all benefit expenses and other demands whatsoever upon the retirement system except those items heretofore allocated to the employees' contribution fund.

(1) All contributions by the employer, except those the employer elects to make on behalf of the members pursuant to subdivision (5) of subsection 1 of this section, shall be credited to the general reserve fund.

(2) Should a retirant be restored to active service and again become a member of the retirement system, the excess, if any, of the person's accumulated contributions over benefits received by the retirant shall be transferred from the general reserve fund to the employees' contribution fund and credited to the person's account.

3. Gifts, devises, bequests and legacies may be accepted by the board of trustees and deposited in the general reserve fund to be held, invested and used at its discretion for the benefit of the retirement system except where specific direction for the use of a gift is made by a donor.

4. Beginning in 2013, the actuary for the retirement system shall annually calculate the rate of employer contributions and member contributions for 2014 and for each subsequent calendar year **through 2018**, expressed as a level percentage of the annualized compensation of the members, subject to the following:

(1) The rate of contribution for any calendar year shall be determined based on an actuarial valuation of the retirement system as of the first day of the prior calendar year. Such actuarial valuation shall be performed using the actuarial cost method and actuarial assumptions adopted by the board of trustees and in accordance with accepted actuarial standards of practice in effect at the time the valuation is performed, as promulgated by the actuarial standards board or its successor;

(2) The target combined employer and member contribution rate shall be the amount actuarially required to cover the normal cost and amortize any unfunded accrued actuarial liability over a period that shall not exceed thirty years from the date of the valuation;

(3) The target combined rate as so determined shall be allocated equally between the employer contribution rate and the member contribution rate, provided, however, that the level rate of contributions to be paid

by the employers and the level rate of contributions to be deducted from the compensation of members for any calendar year shall each be limited as follows:

(a) The contribution rate shall not be less than seven and one-half percent;

(b) The contribution rate shall not exceed nine percent; and

(c) Changes in the contribution rate from year to year shall be in increments of one-half percent such that the contribution rate for any year shall not be greater than or less than the rate in effect for the prior year by more than one-half percent;

(4) The board of trustees shall certify to the employers the contribution rate for the following calendar year no later than six months prior to the date such rate is to be effective.

5. The member contribution rate for 2019 and subsequent periods shall be nine percent of compensation unless a lower member contribution rate applies for any period beginning on or after July 1, 2021, in accordance with the provisions of subdivision (4) of subsection 6 of this section.

6. The employer contribution rate for calendar year 2019 shall be ten and one-half percent. The employer contribution rate for the eighteen-month period beginning January 1, 2020, through June 30, 2021, shall be twelve percent. For the twelve-month period beginning July 1, 2021, and for each subsequent twelve-month period beginning July first each year, the employer contribution rate shall be determined as follows:

(1) The actuary shall determine the total actuarially required contribution based on an actuarial valuation of the retirement system as of the first day of the preceding calendar year. Such actuarial valuation shall be performed using the actuarial cost method and actuarial assumptions adopted by the board of trustees and in accordance with actuarial standards of practice applicable as of the valuation date. The total actuarially required contribution rate, including both employer and member contributions, shall be an amount determined in accordance with the board's current funding policy, expressed as a level percentage of the annualized compensation of the members;

(2) If the retirement system's funded ratio as of the first day of the preceding calendar year is below one hundred percent, the employer contribution rate shall be the greater of twelve percent or the difference between the total actuarially required contribution rate and the nine percent member contribution rate, subject to the limits on annual adjustments stated in subdivision (6) of this subsection;

(3) If the retirement system's funded ratio as of the first day of the preceding calendar year equals or exceeds one hundred percent and the total actuarially required contribution rate exceeds eighteen percent, the employer contribution rate shall be the difference between the total actuarially required contribution rate and the nine percent member contribution rate, subject to the limits on annual adjustments stated in subdivision (6) of this subsection;

(4) If the retirement system's funded ratio as of the first day of the preceding calendar year equals or exceeds one hundred percent and the total actuarially required contribution rate does not exceed eighteen percent, the total actuarially required contribution rate shall be allocated equally between the employer contribution rate and the member contribution rate. If the total actuarially required contribution rate falls below eighteen percent after being above eighteen percent for the preceding twelve-month period, the member contribution rate and the employer contribution rate shall be adjusted to one-half of the total actuarially required contribution rate for such period, regardless of the magnitude of the decrease from the rate in effect for the prior period, in order to equalize the employer and member contribution rates. Otherwise, adjustments in the contribution rates shall be limited by the annual adjustment limits stated in subdivision (6) of this subsection;

(5) If the retirement system's funded ratio as of the first day of the preceding calendar year again falls below one hundred percent, or if the total actuarially required contribution rate rises above eighteen percent, the provisions of subdivision (2) or (3) of this subsection shall apply, as applicable, subject to the limits on annual adjustments stated in subdivision (6) of this subsection;

(6) Except as stated in subdivision (4) of this subsection, in transitioning to the contribution rates prescribed in this subsection for periods beginning on or after July 1, 2021, the employer contribution rate and the member contribution rate, respectively, shall not increase by more than one percent or decrease by more than one-half percent for any period from the corresponding rate in effect immediately before such increase or decrease; and

(7) The board of trustees shall certify to the employers the contribution rate to be effective for July 1, 2021, and for each following July first, no later than six months prior to the date such rate is to be effective.

169.360. **1.** Before the first of July of each year, the board of trustees shall certify to each employer the amounts which will become due and payable from each during the school year next following to the general reserve fund. The amount so certified shall be appropriated by each employer's board by a resolution explicitly directing the

appropriate officials to pay the same, not later than July twenty-fifth of each year and transferred to the retirement system on or before December thirty-first of the same year.

2. Effective January 1, 2019, each employer shall transfer its employer contributions to the retirement system promptly following the end of each payroll period at the time the employer transfers member contributions."; and

"169.560. **1.** Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in any capacity **[**~~in a district~~**] for an employer** included in the retirement system created by those sections on either a part-time or temporary-substitute basis not to exceed a total of five hundred fifty hours in any one school year, and through such employment may earn up to fifty percent of the annual compensation payable under the **[**~~district's~~**] employer's** salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the **[**~~school district~~**] employer** does not utilize a salary schedule, or if the position in question is not subject to the **[**~~district's~~**] employer's** salary schedule, a retiree employed in accordance with the provisions of this **[**~~section~~**] subsection** may earn up to fifty percent of the annual compensation paid to the person or persons who last held such position or positions. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed fifty percent of the annual compensation payable for the position **[**~~in the school district~~**] by the employer** that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the fifty-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system or to the public education employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment. If such a person is employed in any capacity by such **[**~~a district~~**] an employer** in excess of the limitations set forth in this **[**~~section~~**] subsection**, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed. In addition, such person shall contribute to the retirement system if the person satisfies the retirement system's membership eligibility requirements. In addition to the conditions set forth above, this **[**~~section~~**] subsection** shall apply to any person retired and currently receiving a retirement allowance under sections 169.010 to 169.141, other than for disability, who is employed by a third party or is performing work as an independent contractor, if such person is performing work **[**~~in a district~~**] for an employer** included in the retirement system as a temporary or long-term substitute teacher or in any other position that would normally require that person to be duly certificated under the laws governing the certification of teachers in Missouri if such person was employed by the district. The retirement system may require the **[**~~district~~**] employer**, the third-party employer, the independent contractor, and the retiree subject to this **[**~~section~~**] subsection** to provide documentation showing compliance with this **[**~~section~~**] subsection**. If such documentation is not provided, the retirement system may deem the retiree to have exceeded the limitations provided in this **[**~~section~~**] subsection**.

2. Notwithstanding any other provision of this section, any person retired and currently receiving a retirement allowance in accordance with sections 169.010 to 169.141, other than for disability, may be employed by an employer included in the retirement system created by those sections in a position that does not normally require a person employed in that position to be duly certificated under the laws governing the certification of teachers in Missouri, and through such employment may earn up to sixty percent of the minimum teacher's salary as set forth in section 163.172, without a discontinuance of the person's retirement allowance. Such person shall not contribute to the retirement system or to the public education employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of

employment, and such person shall not earn membership service for such employment. The employer's contribution rate shall be paid by the hiring employer into the public education employee retirement system established by sections 169.600 to 169.715. If such a person is employed in any capacity by an employer in excess of the limitations set forth in this subsection, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed. In addition, such person shall become a member of and contribute to any retirement system described in this subsection if the person satisfies the retirement system's membership eligibility requirements."; and

301.147. 1. Notwithstanding the provisions of section 301.020 to the contrary, beginning July 1, 2000, the director of revenue may provide owners of motor vehicles, other than commercial motor vehicles licensed in excess of fifty-four thousand pounds gross weight, the option of biennially registering motor vehicles. Any vehicle manufactured as an even-numbered model year vehicle shall be renewed each even-numbered calendar year and any such vehicle manufactured as an odd-numbered model year vehicle shall be renewed each odd-numbered calendar year, subject to the following requirements:

(1) The fee collected at the time of biennial registration shall include the annual registration fee plus a pro rata amount for the additional twelve months of the biennial registration;

(2) Presentation of all documentation otherwise required by law for vehicle registration including, but not limited to, a personal property tax receipt or certified statement for the preceding year that no such taxes were due as set forth in section 301.025, proof of **[**~~a motor vehicle safety inspection and~~**]** any applicable emission inspection conducted within sixty days prior to the date of application and proof of insurance as required by section 303.026.

2. The director of revenue may prescribe rules and regulations for the effective administration of this section. The director is authorized to adopt those rules that are reasonable and necessary to accomplish the limited duties specifically delegated within this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated pursuant to the authority delegated in this section shall become effective only if it has been promulgated pursuant to the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2000, shall be invalid and void.

3. The director of revenue shall have the authority to stagger the registration period of motor vehicles other than commercial motor vehicles licensed in excess of twelve thousand pounds gross weight. Once the owner of a motor vehicle chooses the option of biennial registration, such registration must be maintained for the full twenty-four month period.

301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate therefor, shall be issued by the director of revenue unless the applicant therefor shall make application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall present satisfactory evidence that such certificate has been previously issued to the applicant for such motor vehicle or trailer. Application shall be made within thirty days after the applicant acquires the motor vehicle or trailer, unless the motor vehicle was acquired under section 301.213 in which case the applicant shall make application within thirty days after receiving title from the dealer, upon a blank form furnished by the director of revenue and shall contain the applicant's identification number, a full description of the motor vehicle or trailer, the vehicle identification number, and the mileage registered on the odometer at the time of transfer of ownership, as required by section 407.536, together with a statement of the applicant's source of title and of any liens or encumbrances on the motor vehicle or trailer, provided that for good cause shown the director of revenue may extend the period of time for making such application. When an owner wants to add or delete a name or names on an application for certificate of ownership of a motor vehicle or trailer that would cause it to be inconsistent with the name or names listed on the notice of lien, the owner shall provide the director with documentation evidencing the lienholder's authorization to add or delete a name or names on an application for certificate of ownership.

2. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true and shall, to the extent possible without substantially delaying processing of the application, review any odometer information pertaining to such motor vehicle that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the director shall thereupon issue an appropriate certificate over his signature and sealed with the seal of his office, procured and used for such purpose. The certificate shall contain on its face a complete description, vehicle identification number, and other evidence of identification of the motor vehicle or trailer, as the director of revenue may deem necessary, together with the odometer information required to be put on the face of the certificate pursuant to section 407.536, a statement of any liens or encumbrances which the application may show to be thereon, and, if ownership of the vehicle has been transferred, the name of the state issuing the transferor's title and whether the transferor's odometer mileage statement executed pursuant to section 407.536 indicated that the true mileage is materially different from the number of miles shown on the odometer, or is unknown.

3. The director of revenue shall appropriately designate on the current and all subsequent issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle", "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section 301.010. Effective July 1, 1990, on all original and all subsequent issues of the certificate for motor vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print on the face thereof the following designation: "Annual odometer updates may be available from the department of revenue.". On any duplicate certificate, the director of revenue shall reprint on the face thereof the most recent of either:

(1) The mileage information included on the face of the immediately prior certificate and the date of purchase or issuance of the immediately prior certificate; or

(2) Any other mileage information provided to the director of revenue, and the date the director obtained or recorded that information.

4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may contract with a

nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is not made within thirty days after the vehicle is acquired by the applicant, or where the motor vehicle was acquired under section 301.213 and the applicant fails to make application within thirty days after receiving title from the dealer, a delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for a good cause shown. If the director of revenue learns that any person has failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer, or where the motor vehicle was acquired under section 301.213 and the applicant fails to make application within thirty days after receiving title from the dealer, or has sold a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty fee provided in this section, together with all fees, charges and payments which the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor vehicle or trailer so long as the same is owned or held by the original holder of the certificate and shall not have to be renewed annually.

6. Any applicant for a certificate of ownership requesting the department of revenue to process an application for a certificate of ownership in an expeditious manner requiring special handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

7. It is unlawful for any person to operate in this state a motor vehicle or trailer required to be registered under the provisions of the law unless a certificate of ownership has been applied for as provided in this section.

8. Before an original Missouri certificate of ownership is issued, an inspection of the vehicle and a verification of vehicle identification numbers shall be made by the Missouri state highway patrol on vehicles for which there is a current title issued by another state if a Missouri salvage certificate of title has been issued for the same vehicle but no prior inspection and verification has been made in this state, except that if such vehicle has been inspected in another state by a law enforcement officer in a manner comparable to the inspection process in this state and the vehicle identification numbers have been so verified, the applicant shall not be liable for the twenty-five dollar inspection fee if such applicant submits proof of inspection and vehicle identification number verification to the director of revenue at the time of the application. The applicant, who has such a title for a vehicle on which no prior inspection and verification have been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable to the director of revenue at the time of the request for the application, which shall be deposited in the state treasury to the credit of the state highways and transportation department fund.

9. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director of revenue shall be accompanied by a vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The vehicle examination shall include a verification of vehicle identification numbers and a determination of the classification of the vehicle. The owner of a vehicle which requires a vehicle examination certificate shall present the vehicle for examination and obtain a completed vehicle examination certificate prior to submitting an application for a certificate of ownership to the director of revenue. Notwithstanding any provision of the law to the contrary, an owner presenting a motor vehicle which has been issued a salvage title and which is ten years of age or older to a vehicle examination described in this subsection in order to obtain a certificate of ownership with the designation prior salvage motor vehicle shall not be required to repair or restore the vehicle to its original appearance in order to pass or complete the vehicle examination. The fee for the vehicle examination application shall be twenty-five dollars and shall be collected by the director of revenue at the time of the request for the application and shall be deposited in the state treasury to the credit of the state highways and transportation department fund. If the vehicle is also to be registered in Missouri, **[**~~the safety inspection required in chapter 307 and~~**]** the emissions inspection required under chapter 643 shall be completed and the fees required by section 307.365 and section 643.315 shall be charged to the owner.

10. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri **[**~~or as required by section 301.020~~**]**, it shall be accompanied by a current inspection form certified by a duly authorized official inspection station as described in chapter 307. The completed form shall certify that the manufacturer's identification number for the vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the reading shown on the odometer at the time of inspection. The inspection station shall collect the same fee as authorized in section 307.365 for making the

inspection, and the fee shall be deposited in the same manner as provided in section 307.365. If the vehicle is also to be registered in Missouri, **[**~~the safety inspection required in chapter 307 and~~**]** the emissions inspection required under chapter 643 shall be completed and only the fees required by section 307.365 and section 643.315 shall be charged to the owner. This section shall not apply to vehicles being transferred on a manufacturer's statement of origin.

11. Motor vehicles brought into this state in a wrecked or damaged condition or after being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures shall, in lieu of the inspection required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle.

12. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due diligence with regard to a certificate of ownership, the legal transfer of a certificate of ownership without any designation that is subsequently discovered to have or should have had a designation shall be a transfer free and clear of any liabilities of the transferor associated with the missing designation.

13. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the words "Non-USA-Std Motor Vehicle".

14. The director of revenue and the superintendent of the Missouri state highway patrol shall make and enforce rules for the administration of the inspections required by this section.

15. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, manufactured forty or more years prior to the current model year, and which has a value of three thousand dollars or less shall be accompanied by:

(1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

(2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source of all major component parts used to rebuild the vehicle;

(3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5 of this section. Such fee shall be deposited in the state treasury to the credit of the state highways and transportation department fund; and

(4) An inspection certificate, other than a motor vehicle examination certificate required under subsection 9 of this section, completed and issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The inspection performed by the highway patrol or other authorized local law enforcement agency shall include a check for stolen vehicles.

The department of revenue shall issue the owner a certificate of ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of a reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle examination certificate issued by the Missouri state highway patrol.

301.191. 1. When an application is made for an original Missouri certificate of ownership for a previously untitled trailer **[**~~sixteen feet or more in length~~**]** which is stated to be homemade, the applicant shall present a certificate of inspection as provided in this section. No certificate of ownership shall be issued for such a homemade trailer if no certificate of inspection is presented.

2. As used in this section, "homemade" means made by a person who is not a manufacturer using readily distinguishable manufacturers' identifying numbers or a statement of origin.

3. Every person constructing a homemade trailer **[**~~sixteen feet or more in length~~**]** shall obtain an inspection from the sheriff of his or her county of residence or from the Missouri state highway patrol prior to applying for a certificate of ownership. If the person constructing the trailer sells or transfers the trailer prior to applying for a

certificate of ownership, the sheriff's or the Missouri state highway patrol's certificate of inspection shall be transferred with the trailer.

4. A fee of **[**~~ten~~**] twenty-five** dollars shall be paid for the inspection. If the inspection is completed by the sheriff, the proceeds from the inspections shall be deposited by the sheriff within thirty days into the county law enforcement fund if one exists; otherwise into the county general revenue fund. If the inspection is completed by the Missouri state highway patrol, the applicant shall pay the **[**~~ten~~**] twenty-five** dollar inspection fee to the director of revenue at the time of application for a certificate of ownership for the homemade trailer. The fee shall be deposited in the state treasury to the credit of the state highway fund.

5. The sheriff or Missouri state highway patrol shall inspect the trailer and certify it if the trailer appears to be homemade. The sheriff or Missouri state highway patrol may request the owner to provide any documents or other evidence showing that the trailer was homemade. When a trailer is certified by the sheriff, the sheriff may stamp a permanent identifying number in the tongue of the frame. The certificate of inspection shall be on a form designed and provided by the director of revenue.

6. Upon presentation of the certificate of inspection and all applicable documents and fees including the identification plate fee provided in section 301.380, the director of revenue shall issue a readily distinguishable manufacturers' identifying number plate. The identification number plate shall be affixed to the tongue of the trailer's frame.

7. The sheriff or Missouri state highway patrol may seize any trailer which has been stolen or has identifying numbers obliterated or removed. The sheriff or Missouri state highway patrol may hold the trailer as evidence while an investigation is conducted. The trailer shall be returned if no related criminal charges are filed within thirty days or when the charges are later dropped or dismissed or when the owner is acquitted."; and

2. In order to properly calculate the sales tax due, in the case of a trailer which is alleged to have been made by someone who is not a manufacturer using readily distinguishable manufacturers' identifying numbers or a certificate of origin, the person seeking the special number authorized by the provisions of this section shall secure a **[**~~written statement from a motor vehicle inspection station~~**] vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue,** that the trailer has been examined and that it is not one made by a regular manufacturer. **The person seeking the special number authorized by the provisions of this section shall pay a fee of twenty-five dollars for such examination certificate, payable to the director of revenue, which shall be deposited into the state treasury to the credit of the state highways and transportation department fund.** The superintendent of the state highway patrol shall provide such forms for **[**~~inspection stations, and the person, firm, or corporation seeking the examination shall pay a regular inspection fee for the examination. (4) Any automobile mechanic who has had at least one year of practical experience as an automotive mechanic or any person who has successfully completed a course of vocational instruction in automotive mechanics from a generally recognized educational institution, either public or private, and who has demonstrated the knowledge and ability to conduct an inspection in compliance with the regulations established by the superintendent of the Missouri state highway patrol may be issued a permit to conduct inspections at any official inspection station. No person without a valid permit shall conduct any part of an inspection**[**~~, except a person without a valid permit may assist in the inspection of a vehicle by operating the vehicle's lighting equipment and signaling devices. The superintendent of the Missouri state highway patrol may require a mechanic to be reexamined at any time to determine the mechanic's knowledge and ability to conduct an inspection. If the mechanic fails the reexamination or refuses to be reexamined, the permit issued to the mechanic shall be suspended until the mechanic passes the examination but under no circumstances can the mechanic again be tested until a period of thirty days has elapsed~~**]**. No fee shall be charged for the permit and the permit shall remain valid for a period of three years from the date of issue or until suspended or revoked by the superintendent of the Missouri state highway patrol.

Such private stations shall inspect only vehicles registered or to be registered, titled or to be titled or maintained in the name of the person or organization described on the application for permit. No fee shall be charged for a permit issued to a governmental entity.~~**]**

4. (1) The superintendent of the Missouri state highway patrol shall supervise and cause inspections to be made of the official inspection stations and inspecting personnel and if the superintendent finds that the provisions of sections **[**~~307.350~~**] 307.360** to 307.390 or the regulations issued pursuant to sections **[**~~307.350~~**] 307.360** to 307.390 are not being complied with, or that the business of an official inspection station**[**~~, in connection with corrections, adjustments, repairs or inspection of vehicles~~**]** is being improperly conducted, the superintendent shall suspend or revoke the permit of the station for a period of not less than thirty days or more than one year and require

the immediate surrender and return of the permit, together with all official forms and certificates of inspection and approval. If the superintendent finds that an inspector has violated any of the provisions of sections **[**~~307.350~~**] 307.360** to 307.390 or the regulations issued pursuant to sections **[**~~307.350~~**] 307.360** to 307.390, the superintendent shall suspend or revoke the inspector's permit for a period of not less than thirty days nor more than one year. (2) The suspension or revocation of a station permit or of an inspector's permit shall be in writing to the operator, inspector, or the person in charge of the station. Before suspending or revoking either of the permits, the superintendent shall serve notice in writing by certified mail or by personal service to the permittee at the permittee's address of record giving the permittee the opportunity to appear in the office of the superintendent on a stated date, not less than ten nor more than thirty days after the mailing or service of the notice, for a hearing to show cause why the permittee's permit should not be suspended or revoked. An inspection station owner or an inspector may appear in person or by counsel in the office of the superintendent to show cause why the proposed suspension or revocation is in error, or to present any other facts or testimony that would bear on the final decision of the superintendent. If the permittee or the permittee's agent does not appear on the stated day after receipt of notice, it shall be presumed that the permittee admits the allegations of fact contained in the hearing notification letter. The decision of the superintendent may in such case be based upon the written reports submitted by the superintendent's officers. The order of the superintendent, specifying his findings of fact and conclusions of law, shall be considered final immediately after receipt of notice thereof by the permittee.

(3) Any person whose permit is suspended or revoked or whose application for a permit is denied may within ten days appeal the action as provided in chapter 536.

307.365. 1. No permit for an official inspection station shall be assigned or transferred or used at any location other than therein designated and every permit shall be posted in a conspicuous place at the location designated. The superintendent of the Missouri state highway patrol shall design and furnish each official inspection station, at no cost, one official sign made of metal or other durable material to be displayed in a conspicuous location to designate the station as an official inspection station. Additional signs may be obtained by an official inspection station for a fee equal to the cost to the state. Each inspection station shall also be supplied with one or more posters which must be displayed in a conspicuous location at the place of inspection and which informs the public that required repairs or corrections need not be made at the inspection station.

2. No person operating an official inspection station pursuant to the provisions of sections **[**~~307.350~~**] 307.360** to 307.390 may issue a certificate of inspection and approval for any vehicle except upon an official form furnished by the superintendent of the Missouri state highway patrol for that purpose **[**~~and only after inspecting the vehicle and determining that its brakes, lighting equipment, signaling devices, steering mechanisms, horns, mirrors, windshield wipers, tires, wheels, exhaust system, glazing, air pollution control devices, fuel system and any other safety equipment as required by the state are in proper condition and adjustment to be operated upon the public highways of this state with safety to the driver or operator, other occupants therein, as well as other persons and property upon the highways, as provided by sections 307.350 to 307.390 and the regulations prescribed by the superintendent of the Missouri state highway patrol. Brakes may be inspected for safety by means of visual inspection or computerized brake testing~~**]**. No person operating an official inspection station shall furnish, loan, give or sell a certificate of inspection and approval to any other person except those entitled to receive it under provisions of sections **[**~~307.350~~**] 307.360** to 307.390. **[**~~No person shall have in such person's possession any certificate of inspection and approval and/or inspection sticker with knowledge that the certificate and/or inspection sticker has been illegally purchased, stolen or counterfeited.~~**]**

3. The superintendent of the Missouri state highway patrol may require officially designated stations to furnish reports upon forms furnished by the superintendent for that purpose as the superintendent considers reasonably necessary for the proper and efficient administration of sections **[**~~307.350~~**] 307.360** to 307.390.

4. **[**~~If, upon inspection, defects or unsafe conditions are found, the owner may correct them or shall have them corrected at any place the owner chooses within twenty days after the defect or unsafe condition is found, and shall have the right to remove the vehicle to such place for correction, but before the vehicle is operated thereafter upon the public highways of this state, a certificate of inspection and approval must be obtained. The inspecting personnel of the official inspection station must inform the owner that the corrections need not be made at the inspection station.~~

Such fee shall be conspicuously posted on the premises of each such official inspection station. **[**~~No owner shall be charged an additional inspection fee upon having corrected defects or unsafe conditions found in an inspection completed within the previous twenty consecutive days, excluding Saturdays, Sundays and holidays, if such follow-up inspection is made by the station making the initial inspection. Every inspection for which a fee is charged shall be a complete inspection, and upon completion of the inspection, if any defects are found the owner of the vehicle shall be furnished a list of the defects and a receipt for the fee paid for the inspection. If the owner of a vehicle decides to have any necessary repairs or corrections made at the official inspection station, the owner shall be furnished a written estimate of the cost of such repairs before such repairs or corrections are made by the official inspection station. The written estimate shall have plainly written upon it that the owner understands that the corrections need not be made by the official inspection station and shall have a signature line for the owner. The owner must sign below the statement on the signature line before any repairs are made.~~

~~6. Certificates of inspection and approval, sticker, seal or other device shall be purchased by the official inspection stations from the superintendent of the Missouri state highway patrol. The superintendent of the Missouri state highway patrol shall collect a fee of one dollar and fifty cents for each certificate of inspection, sticker, seal or other device issued to the official inspection stations, except that no charge shall be made for certificates of inspection, sticker, seal or other device issued to official inspection stations operated by governmental entities. All fees collected shall be deposited in the state treasury with one dollar of each fee collected credited to the state highway fund and, for the purpose of administering and enforcing the state motor vehicle laws and traffic regulations, fifty cents credited to the "Highway Patrol Inspection Fund" which is hereby created. The moneys collected and deposited in the highway patrol inspection fund shall be expended subject to appropriations by the general assembly for the administration and enforcement of sections 307.350 to 307.390 by the Missouri state highway patrol. The unexpended balance in the fund at the end of each biennium exceeding the amount of the appropriations from the fund for the first two fiscal years shall be transferred to the state road fund, and the provisions of section 33.080, relating to the transfer of funds to the general revenue fund at the end of the biennium, shall not apply to the fund.~~

307.375. 1. The owner of every bus used to transport children to or from school in addition to any other inspection required by law shall submit the vehicle to an official **school bus** inspection station, and obtain a certificate of inspection, sticker, seal or other device annually, but the inspection of the vehicle shall not be made more than sixty days prior to operating the vehicle during the school year. The inspection shall**[**~~, in addition to the inspection of the mechanism and equipment required for all motor vehicles under the provisions of sections 307.350 to 307.390,~~**]** include **a determination that the brakes, lighting equipment, signaling devices, steering**

mechanisms, horns, mirrors, windshield wipers, tires, wheels, exhaust system, glazing, air pollution control devices, and fuel system of the bus are in proper condition and, in addition, include an inspection to ascertain that the following items are correctly fitted, adjusted, and in good working condition:

(1) All mirrors, including crossview, inside, and outside;

(2) The front and rear warning flashers;

(3) The stop signal arm;

(4) The crossing control arm on public school buses required to have them pursuant to section 304.050;

2. In addition to the inspection required by subsection 1 of this section, the Missouri state highway patrol shall conduct an inspection after February first of each school year of all vehicles required to be marked as school buses under section 304.050. This inspection shall be conducted by the Missouri highway patrol in cooperation with the department of elementary and secondary education and shall include, as a minimum, items in subsection 1 of this section and the following:

(1) The driver seat belts;

(2) The heating and defrosting systems;

(3) The reflectors;

(4) The bus steps;

(5) The aisles;

(6) The frame.

3. If, upon inspection, conditions which violate the standards in subsection 2 of this section are found, the owner or operator shall have them corrected in ten days and notify the superintendent of the Missouri state highway patrol or those persons authorized by the superintendent. If the defects or unsafe conditions found constitute an immediate danger, the bus shall not be used until corrections are made and the superintendent of the Missouri state highway patrol or those persons authorized by the superintendent are notified.

4. The Missouri highway patrol may inspect any school bus at any time and if such inspection reveals a deficiency affecting the safe operation of the bus, the provisions of subsection 3 of this section shall be applicable.

5. **[**~~Notwithstanding the provisions of section 307.390 to the contrary,~~**]** A violation of this section shall be a class C misdemeanor.

6. The superintendent of the Missouri state highway patrol shall prescribe the standards and equipment necessary for an official school bus inspection station and the qualifications for persons who conduct the inspections. The Missouri state highway patrol shall establish standards and procedures to be followed when conducting the inspections required under this section and shall prescribe rules and regulations for the operation of the school bus inspection stations.

307.385. The superintendent of the Missouri state highway patrol may notify the director of revenue and the director of revenue shall suspend the registration of any vehicle which the superintendent of the Missouri state highway patrol determines, after a written notice, is not equipped as required by law or for which a certificate required by sections **[**~~307.350~~**] 307.360** to 307.390 has not been obtained.

307.390. 1. Any person who violates any provision of sections **[**~~307.350~~**] 307.360** to 307.390 is guilty of a misdemeanor and upon conviction shall be punished as provided by law.

2. The superintendent of the Missouri state highway patrol may assign qualified persons who are not highway patrol officers to investigate and enforce motor vehicle safety inspection laws and regulations pursuant to

sections **[**~~307.350~~**]** **307.360** to 307.390 and sections 643.300 to 643.355. A person assigned by the superintendent pursuant to the authority granted by this subsection shall be designated a motor vehicle inspector and shall have limited powers to issue a uniform complaint and summons for a violation of the motor vehicle inspection laws and regulations. A motor vehicle inspector shall not have authority to exercise the power granted in this subsection until such inspector successfully completes training provided by, and to the satisfaction of, the superintendent.

643.303. 1. Beginning September 1, 2007, emissions inspections required by sections 643.300 to 643.355 shall be conducted through a decentralized emissions program that meets the requirements of this section. Prior to September 1, 2007, the air conservation commission shall develop a decentralized emissions inspection program that allows official inspection stations to conduct on-board diagnostic emission inspections of 1996 model year and newer motor vehicles equipped with on-board diagnostic systems meeting the federal Environmental Protection Agency On-Board Diagnostics II (OBDII) standards. The decentralized emissions inspection program shall, at a minimum, provide for the following:

(1) The periodic inspection of certain motor vehicles as required under section 643.315;

(2) The certification and operation of official emissions inspection stations and the licensing of emission inspectors;

(3) The testing of motor vehicles through on-board diagnostic testing technologies;

(4) The training, certification, and supervision of emission inspectors and other personnel; and

(5) Procedures for certifying test results and for reporting and maintaining relevant data records.

2. In addition to any other criteria established by the commission under section 643.320 or by rule, the decentralized emissions inspection program shall allow any official inspection station located in an area described in subsection 1 of section 643.305 otherwise qualified by the Missouri state highway patrol to conduct motor vehicle **[**~~safety~~**]** inspections under section 307.360 to conduct on-board diagnostic emission inspections. Any motor vehicle **[**~~safety~~**]** inspection station that desires to conduct emissions inspections shall submit an application for a certificate of authorization to the commission as provided for under section 643.320. Other individuals, corporations, or entities **[**~~that do not conduct motor vehicle safety inspections~~**]** may conduct emission inspections provided they meet the qualifications set forth in sections 643.300 to 643.355 and **[**~~the~~**]** rules promulgated by the commission. Applications shall be made upon a form designated by the commission and shall contain such information as may be required by the commission. A certificate of authorization issued under section 643.320 to conduct emission inspections shall be issued only after the commission has made a determination that the applicant's proposed inspection station will be properly equipped, has the necessary licensed emission inspectors to conduct inspections, and meets all other requirements of sections 643.300 to 643.355 or rules promulgated to carry out the provisions of those sections.

3. The decentralized emissions inspection program shall allow any official **emissions** inspection station that is certified to conduct an on-board diagnostic emission inspection under sections 643.300 to 643.355 to repair motor vehicles in order to bring such vehicles into compliance with sections 643.300 to 643.355, if such station and personnel meet the qualifications to conduct emission repairs as set forth in sections 643.300 to 643.355. An official emission inspection station may elect to be an emissions test-only station or may elect to conduct both emission inspections and repairs.

4. The commission is authorized to begin certification of official **emissions** inspection stations prior to September 1, 2007, in order to implement the decentralized emissions inspection program. Prior to January 1, 2007, the department of natural resources shall issue a report to the general assembly and the governor regarding the progress of implementing the decentralized emissions inspection program. The report shall include, but not be limited to, a summary describing how many inspection stations or individuals the department expects to participate in the program and how many inspection stations or individuals will be qualified by September 1, 2007, to conduct such emissions inspections.

5. The commission may, as a part of implementing the decentralized emissions inspection program, use remote sensing devices to collect information regarding the vehicle fleet emissions characteristics and registration compliance within the area described in subsection 1 of section 643.305. The decentralized emissions inspection program established by the commission may also include a clean screen program that utilizes remote sensing devices. Owners of eligible vehicles who comply with clean screen/remote sensing procedures shall be deemed to have complied with the mandatory inspection requirements for the next inspection cycle. As used in this subsection, the term "clean screen program" shall mean a procedure or system that utilizes remote sensing technologies to determine whether a motor vehicle has acceptable emission levels and then allows the motor vehicle owner to bypass the emissions inspection test required under section 643.315.

6. The decentralized emissions inspection program may include a gas cap pressure test and a visual inspection component**[**~~, and such tests may be included as part of the motor vehicle safety inspection test under section 307.350~~**]**.

7. As used in sections 643.300 to 643.355, "decentralized emissions inspection program" means an emissions inspection program under which a certified emissions inspector conducts emissions inspection testing at an official inspection station.

8. The decentralized emission inspection program shall satisfy the requirements established by regulation of the United States Environmental Protection Agency.

9. The decentralized emissions inspection program established by the commission and sections 643.300 to 643.355 shall not be construed to be a new program as described in section 23.253, and the decentralized emissions inspection program shall not be subject to the sunset mandate prescribed by sections 23.250 to 23.298.

10. No later than July 1, 2007, the department of natural resources and the Missouri highway patrol shall enter into an interagency agreement covering all aspects of the administration and enforcement of sections 643.300 to 643.355.

11. No later than July 1, 2007, the air conservation commission shall promulgate rules for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid and void.

12. Prior to September 1, 2007, the department of natural resources shall actively promote participation in the decentralized emissions inspection program among qualified motor vehicle dealers, service stations, and other individuals. After the implementation of the decentralized emission inspection program, the department shall monitor participation in such program. In determining whether there are a sufficient number of individuals conducting motor vehicle emission inspections under the decentralized program, the department shall attempt to ensure, through promotional efforts, that no more than twenty percent of all persons residing in the affected nonattainment area reside farther than five miles from the nearest inspection station.

643.315. 1. Except as provided in sections 643.300 to 643.355, all motor vehicles which are domiciled, registered or primarily operated in an area for which the commission has established a motor vehicle emissions inspection program pursuant to sections 643.300 to 643.355 shall be inspected and approved prior to sale or transfer; provided that, if such vehicle is inspected and approved prior to sale or transfer, such vehicle shall not be subject to another emissions inspection for ninety days after the date of sale or transfer of such vehicle. In addition, any such vehicle manufactured as an even-numbered model year vehicle shall be inspected and approved under the emissions inspection program established pursuant to sections 643.300 to 643.355 in each even-numbered calendar year and any such vehicle manufactured as an odd-numbered model year vehicle shall be inspected and approved under the emissions inspection program established pursuant to sections 643.300 to 643.355 in each odd-numbered calendar year. All motor vehicles subject to the inspection requirements of sections 643.300 to 643.355 shall display a valid emissions inspection sticker, and when applicable, a valid emissions inspection certificate shall be presented at the time of registration or registration renewal of such motor vehicle. The department of revenue shall require evidence of **[**~~the safety and~~**]** emission inspection and approval required by this section in issuing the motor vehicle annual registration in conformity with the procedure required by **[**~~sections 307.350 to 307.390 and~~**]** sections 643.300 to 643.355. The director of revenue may verify that a successful **[**~~safety and~~**]** emissions inspection was completed via electronic means.

2. The inspection requirement of subsection 1 of this section shall apply to all motor vehicles except:

(1) Motor vehicles with a manufacturer's gross vehicle weight rating in excess of eight thousand five hundred pounds;

(2) Motorcycles and motortricycles if such vehicles are exempted from the motor vehicle emissions inspection under federal regulation and approved by the commission by rule;

(3) Model year vehicles manufactured prior to 1996;

(4) Vehicles which are powered exclusively by electric or hydrogen power or by fuels other than gasoline which are exempted from the motor vehicle emissions inspection under federal regulation and approved by the commission by rule;

(5) Motor vehicles registered in an area subject to the inspection requirements of sections 643.300 to 643.355 which are domiciled and operated exclusively in an area of the state not subject to the inspection requirements of sections 643.300 to 643.355, but only if the owner of such vehicle presents to the department an affidavit that the vehicle will be operated exclusively in an area of the state not subject to the inspection

requirements of sections 643.300 to 643.355 for the next twenty-four months, and the owner applies for and receives a waiver which shall be presented at the time of registration or registration renewal;

(6) New and unused motor vehicles, of model years of the current calendar year and of any calendar year within two years of such calendar year, which have an odometer reading of less than six thousand miles at the time of original sale by a motor vehicle manufacturer or licensed motor vehicle dealer to the first user;

(7) Historic motor vehicles registered pursuant to section 301.131;

(8) School buses;

(9) Heavy-duty diesel-powered vehicles with a gross vehicle weight rating in excess of eight thousand five hundred pounds;

(10) New motor vehicles that have not been previously titled and registered, for the four-year period following their model year of manufacture**[**~~, provided the odometer reading for such motor vehicles are under forty thousand miles at their first required biennial safety inspection conducted under sections 307.350 to 307.390; otherwise such motor vehicles shall be subject to the emissions inspection requirements of subsection 1 of this section during the same period that the biennial safety inspection is conducted~~**]**;

(11) Motor vehicles that are driven fewer than twelve thousand miles between biennial **[**~~safety inspections~~**] registration periods**; and

(12) Qualified plug-in electric drive vehicles. For the purposes of this section, "qualified plug-in electric drive vehicle" shall mean a plug-in electric drive vehicle that is made by a manufacturer, has not been modified from original manufacturer specifications, and can operate solely on electric power and is capable of recharging its battery from an on-board generation source and an off-board electricity source.

3. The commission may, by rule, allow inspection reciprocity with other states having equivalent or more stringent testing and waiver requirements than those established pursuant to sections 643.300 to 643.355.

4. (1) At the time of sale, a licensed motor vehicle dealer, as defined in section 301.550, may choose to sell a motor vehicle subject to the inspection requirements of sections 643.300 to 643.355 either:

(a) With prior inspection and approval as provided in subdivision (2) of this subsection; or

(b) Without prior inspection and approval as provided in subdivision (3) of this subsection.

The department shall have the authority to promulgate rules for the management, closure, and post-closure of coal combustion residual (CCR) units in accordance with Sections 1008(a)(3) and 4004(a) of the Resource Conservation and Recovery Act (RCRA) and to approve site-specific groundwater criteria. At the discretion of the department, the Missouri risk-based corrective action (MRBCA) rules, 10 CSR 25-18.010, and accompanying guidance may be used to establish site-specific targets for soil and groundwater impacted by coal combustion residual (CCR) constituents. As used in this section, a "CCR unit" means a surface impoundment, utility waste landfill, or a CCR landfill. To the extent there is a conflict between this section and section 644.026 or 644.143, this section shall prevail.**

2. Prior to federal approval of a state CCR program pursuant to 4004(a) of the RCRA, nothing in this section shall prohibit the department from issuing guidance or entering into enforceable agreements with CCR unit owners or operators to establish risk-based target levels, using all or part of the MRBCA rules and

guidance, for closure and corrective action at CCR units. Nothing in this section shall prohibit the department, owners, or operators of CCR units not otherwise covered by 40 CFR 257 from utilizing the MRBCA rules and guidance.

3. No later than December 31, 2018, the department shall propose for promulgation a state CCR program, including procedures regarding payment, submission of fees, reimbursement of excess fee collection, inspection, and record keeping.

4. The department shall not apply standards to any existing landfill or new landfills constructed contiguous to existing power station facilities located on municipally owned land that was purchased by the municipality prior to December 31, 2018, that are in conflict with 40 CFR 257, unless sound and reasonably proven scientific data confirm an imminent threat to human health and the environment.

5. Effective January 1, 2019, and in order to implement the state CCR program, the department shall have the authority to assess one-time enrollment and annual fees on each owner, operator, or permittee of a CCR unit subject to 40 CFR 257, only as follows:

(1) For units that have not closed, an enrollment fee in the amount of sixty-two thousand dollars per CCR unit, except no fee shall apply to CCR units permitted as a utility waste landfill;

(2) For CCR units that have completed closure in place under 40 CFR 257 prior to December 31, 2018, an enrollment fee of forty-eight thousand dollars per CCR unit;

(3) An annual fee of fifteen thousand dollars per CCR unit, except an annual fee shall not be assessed on CCR units that have closed prior to December 31, 2018. The obligation to pay an annual fee under this section shall terminate at the end of the CCR unit's post-closure period, so long as the CCR unit is not under a requirement to complete a corrective action, or sooner, if authorized by the department.

6. All fees received under this section shall be deposited into the "Coal Combustion Residuals Subaccount" of the solid waste management fund created under section 260.330. Fees collected under this section are dedicated, upon appropriation, to the department for conducting activities required by this section and rules adopted under this section. Fees established by this section shall not yield revenue greater than the cost of administering this section and the rules adopted under this section, but shall be adequate to ensure sustained operation of the state CCR program. The department shall prepare an annual report detailing costs incurred in connection with the management and closure of CCR units. The provisions of section 33.080 to the contrary notwithstanding, moneys and interest earned on moneys in the subaccount shall not revert to the general revenue fund at the end of each biennium.

7. Interest shall be imposed on the moneys due to the department at the rate of ten percent per annum from the prescribed due date until payment is actually made. These interest amounts shall be deposited to the credit of the subaccount created under this section.

8. All fees under this section shall be paid by check or money order made payable to the department and, unless otherwise required by this section, shall be due on January first of each calendar year and be accompanied by a form provided by the department.

9. The department may pursue penalties under section 260.240 for failure to timely submit the fees imposed in this section.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 2

AMEND Senate Committee Substitute for Senate Bill No. 990, Page 2, Section 162.441, Line 41, by inserting immediately after all of said section and line the following:

"162.1100. 1. There is hereby established within each city not within a county a school district to be known as the "Transitional School District of (name of city)", which shall be a body corporate and politic and a subdivision of the state. The transitional school district shall be coterminous with the boundaries of the city in which the district is located. Except as otherwise provided in this section and section 162.621, the transitional school district shall be subject to all laws pertaining to "seven-director districts", as defined in section 160.011. The transitional school district shall have the responsibility for educational programs and policies determined by a final judgment of a federal school desegregation case to be needed in providing for a transition of the educational system of the city from control and jurisdiction of a federal court school desegregation order, decree or agreement and such other programs and policies as designated by the governing body of the school district.

2. (1) The governing board of the transitional school district shall consist of three residents of the district: one shall be appointed by the governing body of the district, one shall be appointed by the mayor of the city not within a county and one shall be appointed by the president of the board of aldermen of the city not within a county. The members of the governing board shall serve without compensation for a term of three years, or until their successors have been appointed, or until the transitional district is dissolved or terminated. Any tax approved for the transitional district shall be assigned to the governing body of the school district in a city not within a county after dissolution or termination of the transitional district.

(2) In the event that the state board of education shall declare the school district of a city not within a county to be unaccredited, the member of the governing board of the transitional district appointed by the governing body of the district as provided in subdivision (1) of this subsection shall, within ninety days, be replaced by a chief executive officer nominated by the state board of education and appointed by the governor with the advice and consent of the senate. The chief executive officer need not be a resident of the district but shall be a person of recognized administrative ability, shall be paid in whole or in part with funds from the district, and shall have all other powers and duties of any other general superintendent of schools, including appointment of staff. The chief executive officer shall serve for a term of three years or until his **or her** successor is appointed or until the transitional district is dissolved or terminated. His **or her** salary shall be set by the state board of education.

3. In the event that the school district loses its accreditation, upon the appointment of a chief executive officer, any powers granted to any existing school board in a city not within a county on or before August 28, 1998, shall be vested with the special administrative board of the transitional school district containing such school district so long as the transitional school district exists, except as otherwise provided in section 162.621.

4. The special administrative board's powers and duties shall include:

(1) Creating an academic accountability plan, taking corrective action in underperforming schools, and seeking relief from state-mandated programs;

(2) Exploration of alternative forms of governance for the district;

(3) Authority to contract with nonprofit corporations to provide for the operation of schools;

(4) Oversight of facility planning, construction, improvement, repair, maintenance and rehabilitation;

(5) Authority to establish school site councils to facilitate site-based school management and to improve the responsiveness of the schools to the needs of the local geographic attendance region of the school;

(6) Authority to submit a proposal to district voters pursuant to section 162.666 regarding establishment of neighborhood schools.

5. (1) The provisions of a final judgment as to the state of Missouri and its officials in a school desegregation case which subjects a district in which a transitional district is located in this state to a federal court's jurisdiction may authorize or require the governing body of a transitional school district established under this section to establish the transitional district's operating levy for school purposes, as defined pursuant to section 163.011, at a level not to exceed eighty-five cents per one hundred dollars assessed valuation in the district or a sales tax equivalent amount as determined by the department of elementary and secondary education which may be substituted for all or part of such property tax.

(2) Any other statute to the contrary notwithstanding, no tax authorized pursuant to this subsection shall:

(a) Be subject to any certificate of tax abatement issued after August 28, 1998, pursuant to sections 99.700 to 99.715; and

(b) Effective January 1, 2002, be subject to any new or existing tax increment financing adopted by a city not within a county pursuant to sections 99.800 to 99.865 except that any redevelopment plan and redevelopment project concerning a convention headquarters hotel adopted by ordinance by a city not within a county prior to August 28, 2003, shall be subject to such tax increment financing.

(3) The transitional school district shall not be subject to the provisions of section 162.081, sections 163.021 and 163.023 with respect to any requirements to maintain a minimum value of operating levy or any consequences provided by law for failure to levy at least such minimum rate. No operating levy or increase in the operating levy or sales tax established pursuant to this section shall be collected for a transitional school district unless prior approval is obtained from a simple majority of the district's voters. The board of the transitional district shall place the matter before the voters prior to March 15, 1999.

6. (1) The special administrative board established in this section shall develop, implement, monitor and evaluate a comprehensive school improvement plan, and such plan shall be subject to review and approval of the state board of education. The plan shall ensure that all students meet or exceed grade-level standards established by the state board of education pursuant to section 160.514;

(2) The special administrative board shall establish student performance standards consistent with the standards established by the state board of education pursuant to section 160.514 for preschool through grade twelve in all skill and subject areas, subject to review and approval of the state board of education for the purpose of determining whether the standards are consistent with standards established by the state board of education pursuant to section 160.514;

(3) All students in the district who do not achieve grade-level standards shall be required to attend summer school; except that the provisions of this subsection shall not apply to students receiving special education services pursuant to sections 162.670 to 162.999;

(4) No student shall be promoted to a higher grade level unless that student has a reading ability at or above one grade level below the student's grade level; except that the provisions of this subsection shall not apply to students receiving special education services pursuant to sections 162.670 to 162.999;

(5) The special administrative board established in this section shall develop, implement and annually update a professional development plan for teachers and other support staff, subject to review and approval of the state board of education.

7. The school improvement plan established pursuant to this section shall ensure open enrollment and program access to all students in the district, and, consistent with the Missouri and United States Constitutions, shall give first priority to residents of the city for admission to magnet schools. The school board shall take all practicable and constitutionally permissible steps to ensure that all magnet schools operate at full capacity. Students who change residence within the district shall be allowed to continue to attend the school in which they were initially enrolled for the remainder of their education at grade levels served by that school, and transportation shall be provided by the district to allow such students to continue to attend such school of initial enrollment.

8. To the extent practicable, the special administrative board shall ensure that per pupil expenditures and pupil-teacher ratios shall be the same for all schools serving students at a given grade level.

9. The special administrative board shall ensure that early childhood education is available throughout the district.

10. The special administrative board shall ensure that vocational education instruction is provided within the district.

11. The special administrative board shall establish an accountability officer whose duty shall be to ensure that academically deficient schools within the district are raised to acceptable condition within two years.

12. The transitional school district in any city not within a county shall be dissolved on July 1, 2008, unless the state board determines, prior to that date, that it is necessary for the transitional district to continue to accomplish the purposes for which it was created. The state board of education may cause the termination of the transitional school district at any time upon a determination that the transitional district has accomplished the purposes for which it was established and is no longer needed. **If the transitional school district is classified as fully accredited, the state board of education shall terminate it and return governance to the elected board of the school district containing the territory of the dissolved transitional school district within thirty days. If the transitional school district is fully accredited before August 28, 2018, the state board of education shall terminate it at its first meeting to occur on or after August 28, 2018.** The state board of education may cause the reestablishment of the transitional school district at any time upon a determination that it is necessary for the transitional district to be reestablished to accomplish the purposes established in this section. The state board of education shall provide notice to the governor and general assembly of the termination or reestablishment of the transitional school district and the termination or reestablishment shall become effective thirty days following such determination. Upon dissolution of a transitional school district pursuant to this section, nothing in this section shall be construed to reduce or eliminate any power or duty of any school district or districts containing the territory of the dissolved transitional school district unless such transitional school district is reestablished by the state board of education pursuant to this section."; and

"319.129. 1. There is hereby created a special trust fund to be known as the "Petroleum Storage Tank Insurance Fund" within the state treasury which shall be the successor to the underground storage tank insurance fund.

Moneys in such special trust fund shall not be deemed to be state funds. Notwithstanding the provisions of section 33.080 to the contrary, moneys in the fund shall not be transferred to general revenue at the end of each biennium.

2. The owner or operator of any underground storage tank, including the state of Missouri and its political subdivisions and public transportation systems, in service on August 28, 1989, shall submit to the department a fee of one hundred dollars per tank on or before December 31, 1989. Such amount shall be a one-time payment, and shall be in addition to the payment required by section 319.133. The owner or operator of any aboveground storage tank regulated by this chapter, including the state of Missouri and its political subdivisions and public transportation systems, who seeks to participate in the petroleum storage tank insurance fund, shall transmit one hundred dollars per tank to the board with his or her initial application. The members appointed by the governor shall serve four-year terms except that the governor shall designate two of the original appointees to be appointed for one year, two to be appointed for two years, two to be appointed for three years and two to be appointed for four years. Any vacancies occurring on the board shall be filled in the same manner as provided in this section.

5. The board shall meet in Jefferson City, Missouri, within thirty days following August 28, 1996. Thereafter, the board shall meet upon the written call of the chairman of the board or by the agreement of any six members of the board. 13. The board shall determine and prescribe all rules and regulations as they relate to fiduciary management of the fund, pursuant to the purposes of sections 319.100 to 319.137. In no case shall the board have oversight regarding environmental cleanup standards for petroleum storage tanks.

14. No trustee or staff member of the fund shall receive any gain or profit from any moneys or transactions of the fund. This shall not preclude any eligible trustee from making a claim or receiving benefits from the petroleum storage tank insurance fund as provided by sections 319.100 to 319.137.

15. The board may reinsure all or a portion of the fund's liability. Any insurer who sells environmental liability insurance in this state may, at the option of the board, reinsure some portion of the fund's liability.

16. The petroleum storage tank insurance fund shall expire on December 31, **[**~~2020~~**] 2025**, unless extended by action of the general assembly. After December 31, **[**~~2020~~**] 2025**, the board of trustees may continue to function for the sole purpose of completing payment of claims made prior to December 31, **[**~~2020~~**] 2025**.

17. The board shall annually commission an independent financial audit of the petroleum storage tank insurance fund. The board shall biennially commission an actuarial analysis of the petroleum storage tank insurance fund. The results of the financial audit and the actuarial analysis shall be made available to the public. The board may contract with third parties to carry out the requirements of this subsection.

319.140. 1. There is established a task force of the general assembly to be known as the "Task Force on the Petroleum Storage Tank Insurance Fund". Such task force shall be composed of eight members. Three members shall be from the house of representatives with two appointed by the speaker of the house of representatives and one appointed by the minority floor leader of the house of representatives. Three members shall be from the senate with two appointed by the president pro tempore of the senate and one appointed by the minority floor leader of the senate. Two members shall be industry stakeholders with one appointed by the speaker of the house of representatives and one appointed by the president pro tempore of the senate. No more than two members from either the house of representatives or the senate shall be from the same political party. A majority of the task force shall constitute a quorum.

2. The task force shall conduct research and compile a report for delivery to the general assembly by December 31, 2018, on the following:

(1) The efficacy of the petroleum storage tank insurance fund and program;

(2) The sustainability of the petroleum storage tank insurance fund and program;

(3) The administration of the petroleum storage tank insurance fund and program;

(4) The availability of private insurance for above and below ground petroleum storage tanks, and the necessity of insurance subsidies created through the petroleum storage tank insurance program;

(5) Compliance with federal programs, regulations, and advisory reports; and

(6) The comparability of the petroleum storage tank insurance program to other states' programs and states without such programs.

3. The task force shall meet within thirty days after its creation and organize by selecting a chairperson and vice chairperson, one of whom shall be a member of the senate and the other a member of the house of representatives. Thereafter, the task force may meet as often as necessary in order to accomplish the tasks assigned to it.

4. The task force shall be staffed by legislative staff as necessary to assist the task force in the performance of its duties.

5. The members of the task force shall serve without compensation but shall be entitled to reimbursement for actual and necessary expenses incurred in the performance of their official duties.

6. This section shall expire on December 31, 2018."; and

On motion of Representative Redmon, **House Amendment No. 1** was adopted.

Representative Korman offered **House Amendment No. 2**.

(3) Manage used lead-acid batteries in a manner consistent with the requirements of the state hazardous waste law;

(4) Collect at the time of sale a fee of fifty cents for each lead-acid battery sold. Such fee shall be added to the total cost to the purchaser at retail after all applicable sales taxes on the battery have been computed. The fee imposed, less six percent of fees collected, which shall be retained by the seller as collection costs, shall be paid to the department of revenue in the form and manner required by the department and shall include the total number of batteries sold during the preceding month. The department of revenue shall promulgate rules and regulations necessary to administer the fee collection and enforcement. The terms "sold at retail" and "retail sales" do not include the sale of batteries to a person solely for the purpose of resale, if the subsequent retail sale in this state is to the ultimate consumer and is subject to the fee. However, this fee shall not be paid on batteries sold for use in agricultural operations upon written certification by the purchaser; and

(5) The department of revenue shall administer, collect, and enforce the fee authorized pursuant to this section pursuant to the same procedures used in the administration, collection, and enforcement of the general state sales and use tax imposed pursuant to chapter 144 except as provided in this section. The proceeds of the battery fee, less four percent of the proceeds, which shall be retained by the department of revenue as collection costs, shall be transferred by the department of revenue into the hazardous waste fund, created pursuant to section 260.391. The fee created in subdivision (4) and this subdivision shall be effective October 1, 2005. The provisions of subdivision (4) and this subdivision shall terminate December 31, **[**~~2018~~**]** **2023**."; and

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 659, Page 2, Section 253.147, Line 21, by inserting after all of said section and line the following:

"260.391. 1. There is hereby created in the state treasury a fund to be known as the "Hazardous Waste Fund". All funds received from hazardous waste permit and license fees, generator fees or taxes, penalties, or interest assessed on those fees or taxes, taxes collected by contract hazardous waste landfill operators, general revenue, federal funds, gifts, bequests, donations, or any other moneys so designated shall be paid to the director of revenue and deposited in the state treasury to the credit of the hazardous waste fund. The hazardous waste fund, subject to appropriation by the general assembly, shall be used by the department as provided by appropriations and consistent with rules and regulations established by the hazardous waste management commission for the purpose of carrying out the provisions of sections 260.350 to 260.430 and sections 319.100 to 319.127, and 319.137, and

319.139 for the management of hazardous waste, responses to hazardous substance releases as provided in sections 260.500 to 260.550, corrective actions at regulated facilities and illegal hazardous waste sites, prevention of leaks from underground storage tanks and response to petroleum releases from underground and aboveground storage tanks and other related activities required to carry out provisions of sections 260.350 to 260.575 and sections 319.100 to 319.127, and for payments to other state agencies for such services consistent with sections 260.350 to 260.575 and sections 319.100 to 319.139 upon proper warrant issued by the commissioner of administration, and for any other expenditures which are not covered pursuant to the federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, including but not limited to the following purposes:

(1) Administrative services as appropriate and necessary for the identification, assessment and cleanup of abandoned or uncontrolled sites pursuant to sections 260.435 to 260.550;

(2) Payments to other state agencies for such services consistent with sections 260.435 to 260.550, upon proper warrant issued by the commissioner of administration, including, but not limited to, the department of health and senior services for the purpose of conducting health studies of persons exposed to waste from an uncontrolled or abandoned hazardous waste site or exposed to the release of any hazardous substance as defined in section 260.500;

(3) Acquisition of property as provided in section 260.420;

(4) The study of the development of a hazardous waste facility in Missouri as authorized in section 260.037;

(5) Financing the nonfederal share of the cost of cleanup and site remediation activities as well as postclosure operation and maintenance costs, pursuant to the federal Comprehensive Environmental Response, Compensation and Liability Act of 1980; **[**~~and~~**]**

(6) Reimbursement of owners or operators who accept waste pursuant to departmental orders pursuant to subdivision (2) of subsection 1 of section 260.420**; and**

(7) Transfer of funds, upon appropriation, into the radioactive waste investigation fund in section 260.558.

2. The unexpended balance in the hazardous waste fund at the end of each fiscal year shall not be transferred to the general revenue fund of the state treasurer, except as directed by the general assembly by appropriation, and shall be invested to generate income to the fund. The provisions of section 33.080 relating to the transfer of funds to the general revenue fund of the state by the state treasurer shall not apply to the hazardous waste fund.

3. There is hereby created within the hazardous waste fund a subaccount known as the "Hazardous Waste Facility Inspection Subaccount". All funds received from hazardous waste facility inspection fees shall be paid to the director of revenue and deposited in the state treasury to the credit of the hazardous waste facility inspection subaccount. Moneys from such subaccount shall be used by the department for conducting inspections at facilities that are permitted or are required to be permitted as hazardous waste facilities by the department.

4. The fund balance remaining in the hazardous waste remedial fund shall be transferred to the hazardous waste fund created in this section.

5. No moneys shall be available from the fund for abandoned site cleanup unless the director has made all reasonable efforts to secure voluntary agreement to pay the costs of necessary remedial actions from owners or operators of abandoned or uncontrolled hazardous waste sites or other responsible persons.

6. The director shall make all reasonable efforts to recover the full amount of any funds expended from the fund for cleanup through litigation or cooperative agreements with responsible persons. All moneys recovered or reimbursed pursuant to this section through voluntary agreements or court orders shall be deposited to the hazardous waste fund created herein.

7. In addition to revenue from all licenses, taxes, fees, penalties, and interest, specified in subsection 1 of this section, the department shall request an annual appropriation of general revenue equal to any state match obligation to the U.S. Environmental Protection Agency for cleanup performed pursuant to the authority of the Comprehensive Environmental Response, Compensation and Liability Act of 1980.

260.558. 1. There is hereby created in the state treasury the "Radioactive Waste Investigation Fund". The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely by the department of natural resources to investigate concerns of exposure to radioactive waste. Upon written request by a local governing body expressing concerns of radioactive waste contamination in a specified area within its jurisdiction, the department of natural resources shall use moneys in the radioactive waste investigation fund to develop and conduct an investigation, using sound scientific methods, for the specified area of concern. The request by a local governing body shall include a specified area of concern and any supporting documentation related to the concern. The department shall prioritize requests in the order in which they are received, except that the department may give priority to requests that are in close proximity to federally designated sites where

radioactive contaminants are known or reasonably expected to exist. The investigation shall be performed by applicable federal or state agencies or by a qualified contractor selected by the department through a competitive bidding process. In conducting an investigation under this section, the department shall work with the applicable government agency or approved contractor, as well as local officials, to develop a sampling and analysis plan to determine if radioactive contaminants in the area of concern exceed federal standards for remedial action due to contamination. Within a residential area, this plan may include dust samples collected inside residential homes only after obtaining permission from the homeowners. The samples shall be analyzed for the isotopes necessary to correlate the samples with the suspected contamination, as described in the sampling and analysis plan. Within forty-five days of receiving the final sampling results, the department shall report the results to the attorney general and the local governing body that requested the investigation and make the finalized report and testing results publicly available on the department's website.

2. The transfer to the fund shall not exceed one hundred fifty thousand dollars per fiscal year. Investigation costs expended from this fund shall not exceed one hundred fifty thousand dollars per fiscal year. Any moneys remaining in the fund at the end of the biennium shall revert to the credit of the hazardous waste fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Matthiesen, **House Amendment No. 3** was adopted.

Representative Fitzwater offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 659, Page 2, Section 253.147, Line 21, by inserting after all of said section and line the following:

"260.242. **[**~~All fly ash produced by coal combustion generating facilities shall be exempt from all solid waste permitting requirements of this chapter, if such ash is constructively reused or disposed of by a grout technique in any active or inactive noncoal, non-open-pit mining operation located in a city having a population of at least three hundred fifty thousand located in more than one county and is also located in a county of the first class without a charter form of government with a population of greater than one hundred fifty thousand and less than one hundred sixty thousand, provided said ash is not considered hazardous waste under the Missouri hazardous waste law.~~**] 1. The department shall have the authority to promulgate rules for the management, closure, and post-closure of coal combustion residual (CCR) units in accordance with Sections 1008(a)(3) and 4004(a) of the Resource Conservation and Recovery Act (RCRA) and to approve site-specific groundwater criteria. At the discretion of the department, the Missouri risk-based corrective action (MRBCA) rules, 10 CSR 25-18.010, and accompanying guidance may be used to establish site-specific targets for soil and groundwater impacted by coal combustion residual (CCR) constituents. As used in this section, a "CCR unit" means a surface impoundment, utility waste landfill, or a CCR landfill. To the extent there is a conflict between this section and section 644.026 or 644.143, this section shall prevail.**

2. Prior to federal approval of a state CCR program pursuant to 4004(a) of the RCRA, nothing in this section shall prohibit the department from issuing guidance or entering into enforceable agreements with CCR unit owners or operators to establish risk-based target levels, using all or part of the MRBCA rules and guidance, for closure and corrective action at CCR units. Nothing in this section shall prohibit the department, owners, or operators of CCR units not otherwise covered by 40 CFR 257 from utilizing the MRBCA rules and guidance.

3. No later than December 31, 2018, the department shall propose for promulgation a state CCR program, including procedures regarding payment, submission of fees, reimbursement of excess fee collection, inspection, and record keeping.

4. The department shall not apply standards to any existing landfill or new landfills constructed contiguous to existing power station facilities located on municipally owned land that was purchased by the municipality prior to December 31, 2018, that are in conflict with 40 CFR 257, unless sound and reasonably proven scientific data confirm an imminent threat to human health and the environment.

5. Effective January 1, 2019, and in order to implement the state CCR program, the department shall have the authority to assess one-time enrollment and annual fees on each owner, operator, or permittee of a CCR unit subject to 40 CFR 257, only as follows:

(1) For units that have not closed, an enrollment fee in the amount of sixty-two thousand dollars per CCR unit, except no fee shall apply to CCR units permitted as a utility waste landfill;

(2) For CCR units that have completed closure in place under 40 CFR 257 prior to December 31, 2018, an enrollment fee of forty-eight thousand dollars per CCR unit;

(3) An annual fee of fifteen thousand dollars per CCR unit, except an annual fee shall not be assessed on CCR units that have closed prior to December 31, 2018. The obligation to pay an annual fee under this section shall terminate at the end of the CCR unit's post-closure period, so long as the CCR unit is not under a requirement to complete a corrective action, or sooner, if authorized by the department.

6. All fees received under this section shall be deposited into the "Coal Combustion Residuals Subaccount" of the solid waste management fund created under section 260.330. Fees collected under this section are dedicated, upon appropriation, to the department for conducting activities required by this section and rules adopted under this section. Fees established by this section shall not yield revenue greater than the cost of administering this section and the rules adopted under this section, but shall be adequate to ensure sustained operation of the state CCR program. The department shall prepare an annual report detailing costs incurred in connection with the management and closure of CCR units. The provisions of section 33.080 to the contrary notwithstanding, moneys and interest earned on moneys in the subaccount shall not revert to the general revenue fund at the end of each biennium.

7. Interest shall be imposed on the moneys due to the department at the rate of ten percent per annum from the prescribed due date until payment is actually made. These interest amounts shall be deposited to the credit of the subaccount created under this section.

8. All fees under this section shall be paid by check or money order made payable to the department and, unless otherwise required by this section, shall be due on January first of each calendar year and be accompanied by a form provided by the department.

9. The department may pursue penalties under section 260.240 for failure to timely submit the fees imposed in this section.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

The director may promulgate rules and regulations on the labeling, standards for, and identity of motor fuels and heating oils.

2. The director may inspect gasoline, gasoline-alcohol blends or other motor fuels to insure that these fuels conform to advertised grade and octane. In no event shall the penalty for a first violation of this section exceed a written reprimand.

3. The director may waive specific requirements in this section and in regulations promulgated according to this section, or may establish temporary alternative requirements for fuels as determined to be necessary in the event of an extreme and unusual fuel supply circumstance as a result of a petroleum pipeline or petroleum refinery equipment failure, emergency, or a natural disaster as determined by the director for a specified period of time. If any action is taken by the director under this section, the director shall:

(1) Advise the U.S. Environmental Protection Agency of such action;

(2) Review the action after thirty days; and

(3) Notify industry stakeholders of such action.

4. COMMITTEE REPORTS

Special Investigative Committee on Oversight, Chairman Barnes (60) reporting:

Mr. Speaker: Your Special Investigative Committee on Oversight has continued its investigation concerning certain allegations against Governor Eric R. Greitens and begs leave to submit Report No. 2.

Exhibits and transcripts of the proceedings are on file with the Chief Clerk and copies are available on the House of Representatives website.

REPORT NO. 2 OF THE MISSOURI HOUSE
SPECIAL INVESTIGATIVE COMMITTEE ON OVERSIGHT

April 24, 2018

/s/ Chairman Jay Barnes
/s/ Vice-chairman Don Phillips
/s/ Ranking Member Gina Mitten
/s/ Rep. Jeanie Lauer
/s/ Rep. Kevin Austin
/s/ Rep. Shawn Rhoads
/s/ Rep. Tommie Pierson Jr.

A. History of the Committee

The Committee was formed by Speaker Todd Richardson on February 27, 2018 and charged with investigating "allegations against Governor Eric R. Greitens" and reporting "back to the House of Representatives." On April 5, 2018, the Committee voted to release reports relating to the Committee's findings regarding allegations against

Greitens. On April 11, 2018, the Committee issued its first report regarding the allegations surrounding the relationship between Greitens and Witness 1. Today, the Committee issues this report on Greitens' use of a charitable donor list for fundraising during his campaign for governor, and events surrounding the use of that list.[1] Additional reports may follow.

Every witness to the Committee testified under oath, and subpoenas were issued to compel the appearance of witnesses and the production of documents.

- On March 14, 2018, pursuant to subpoena, the Committee took testimony from Michael Hafner, a former campaign worker for Greitens.

- On March 16, 2018, a subcommittee including Chairman Barnes, Ranking Member Mitten, and Rep. Austin (as well as staff attorney Alex Curchin) spoke with Dave Whitman, a former employee of Greitens. Whitman is currently serving a sentence at the United States Medical Center for Federal Prisoners in Springfield, Missouri after having pleaded guilty to federal crimes relating to theft from Greitens. Whitman refused to speak on the record and indicated that he no longer had possession, access, or control of any documents relating to his employment with The Greitens Group and its relationship with The Mission Continues.

- On March 19, 2018, Chairman Barnes and Attorney Curchin met informally with Matt Jacober, counsel for The Mission Continues, to discuss document requests and activities of The Mission Continues in relation to Greitens and The Greitens Group. The Committee eventually received more than 100,000 documents from The Mission Continues in response to its requests.

- On March 27, 2018, pursuant to subpoena, the Committee took testimony from Krystal Proctor (formerly Taylor), former executive assistant to Greitens when he worked for The Greitens Group and The Mission Continues. Proctor also worked in an operations role for the Greitens campaign for governor.

- On March 28, 2018, counsel for Danny Laub, a former campaign worker for Greitens, informed Chairman Barnes via email that Laub refused to appear before the Committee. However, Laub testified under oath via deposition taken by the Attorney General's Office in Washington D.C. on April 18, 2018.

- On March 29, 2018, the Committee took testimony from Spencer Kympton, President of The Mission Continues.

- On April 2, 2018, pursuant to subpoena, the Committee took testimony from Lyndsey Reichardt (formerly Hodges), a former employee of The Mission Continues.

- On April 3, 2018, the Committee met to discuss process for redactions of testimony and this report.

- On April 4, 2018, the Committee took testimony from Jack Neyens, the former Chief Financial Officer of The Mission Continues.

- On April 15, 2018, the Committee sought and received an Order from the Circuit Court of Cole County permitting the Attorney General's Office (AGO) to share information about its investigation of The Mission Continues with the Committee.

- On April 18, 2018, Chairman Barnes and Attorneys Curchin and Alixandra Hallen met with counsel from the Attorney General's Office to exchange information. The Committee received the testimony and related exhibits from the AGO's depositions of Michael Hafner, Krystal Proctor, and Danny Laub.

[1] The Committee notes that its work is not complete with this report, and that, in addition to other actions, subsequent reports may be issued.

B. Committee Findings for Report #2

Based on the testimony and evidence received by the Committee to date, the Committee finds reason to believe the following:

1. The Mission Continues (TMC) is a 501(c)(3) not-for-profit organization started by Eric Greitens that helps veterans returning home from service "build new skills and networks that help them successfully reintegrate to life after the military while making long-term, sustainable transformations in communications and inspiring future generations to come."[2]

2. Greitens founded TMC in 2007 under the name The Center for Citizen Leadership. TMC grew slowly between 2007 to 2010, ending 2010 with $1.56 million in revenue. In 2011, TMC grew substantially, grossing total revenue of $7.01 million.[3]

3. In 2009, Greitens formed The Greitens Group (TGG) for his personal for-profit business engagements, which included book writing, public speaking, and corporate training.[4]

4. Krystal Proctor (formerly Taylor) began working for Greitens on January 1, 2011, with salary and expenses split between TGG and TMC. [5] Throughout her time working for Greitens, Proctor worked at his direction.[6]

5. Dave Whitman worked as the managing director for TGG until 2014, when he was charged with federal crimes relating to theft and fraud against TGG. In 2016, Whitman pleaded guilty and is currently serving his sentence in Springfield, Missouri.

6. Jack Neyens acted as the Chief Financial Officer of TMC for several years while Greitens was there.[7]

7. Proctor explained how TGG and TMC worked together: TGG would book a for-profit event for Greitens, and TMC would then work around those events to "maximize" Greitens' time.[8] The Committee lacks non-profit expertise to determine whether the practice of booking TMC events around Greitens' private business schedule is common or best practice. Neyens' testimony suggests it is not common.[9] However, Neyens' also testified that it made "sense" as a way of "maximizing expenses" and "maximizing his time."[10]

8. The Committee found no evidence that TMC inappropriately paid Greitens' travel expenses for events that were not exclusively TMC events.[11] Likewise, the Committee found no evidence that TMC purchased Greitens' books.[12]

9. In 2011, as its operating budget grew significantly, TMC began hiring professional staff with experience in non-profit management, including Spencer Kympton, who was hired as the organization's Chief Partnerships Officer.[13]

10. As CEO of TMC, Greitens reported to the Board of Directors.[14]

11. In late 2012, TMC's Board initiated procedures to protect TMC's 501(c)(3) status.

a. TMC entered into a Memorandum of Understanding (MOU) with TGG to formalize cost-sharing between the organizations.[15]

b. TMC required Greitens to sign a non-disclosure agreement (NDA) as a TMC employee.[16]

12. In the TMC NDA dated November 27, 2012, Greitens agreed to hold in strict confidence "the identities of any donors or investors, and any personal information of donors or investors, and any contact information for donors or investors," as well as any "lists, databases … trade or business secrets, … and similar or dissimilar information relating to the operations or activities of TMC."[17]

13. The NDA specifically stated that Greitens "shall not at any time during **[**his**]** employment with TMC or at any time after termination or expiration of **[**his**]** employment with TMC disclose any Confidential Information to any third party, in whole or in part."[18] Greitens further agreed that "all intellectual property that is developed by **[**himself**]** during the time **[**he**]** is employed by TMC, and that is within the scope of **[**his**]** employment with TMC, is the property of TMC, including but limited to … trade secrets."[19] He also agreed to not use TMC's intellectual property, including trade secrets "in any context outside of **[**his**]** employment" unless he first "received the prior written consent (by email or letter) of TMC**[.]**"[20]

14. Krystal Proctor signed the same TMC NDA on November 21, 2012.[21]

15. Also in late 2012, Greitens received and signed TMC's "Team Member Handbook," which set expectations for employees and volunteers.[22] The Handbook begins with a signed letter from Greitens and speaks to the importance of confidentiality in at least three places:

a. "Under no circumstances should outside requests for donor material be fulfilled unless prior written permission is received from your Team Leader."

b. "Team Members may not use our Systems "to solicit Team Members or others unless on behalf of The Mission Continues;" and

c. "Protecting our organization's information is the responsibility of every Team Member**[.]** … Do not discuss the organization's confidential business or proprietary business matters, or share confidential, personal Team Member information with anyone who does not work for us such as friends, family members, members of the media, or other business entities."

16. In November 2012, Proctor recognized the importance of protecting TMC donor privacy.

At that time, she extracted TMC data for the limited purpose of compiling a holiday card list for Greitens, and sent TMC data to others within TGG with the following request:[23]

> I've also attached a spreadsheet here from the TMC salesforce system, which includes some of the top donors. I've deleted the amount of the donations to maintain privacy, but please DO keep this private. Do NOT print this spreadsheet or distribute. Please add the names and addresses that you see highlighted in yellow to the holiday card master spreadsheet. You can likely just copy and paste from the spreadsheet as most addresses are included. We should have ALL addresses for these folks so I can always check TMC salesforce here as well.

Emphasis added.

17. Former TMC CFO Neyens testified that Greitens "grew the organization from zero**[,]**"[24] and explained why and how he believed Greitens was able to grow TMC. "**[P]**eople, donors, corporations, individuals, foundations migrate. They were attracted to him. They migrated to him as he spoke around the country**[.]**"[25] Further, Neyens agreed with the statement that Greitens "was a very strategic person" who "liked to have things planned out," testifying, "He planned things out. … He didn't go into – you know, I guess it's kind of like going into battle. You just don't randomly run in there. He had a plan of building his business – building his organization."[26]

18. Although Greitens was critical to TMC's success, he did not work alone. Kympton testified that TMC fundraising responsibilities were shared between Greitens and the development team, including Lyndsey Reichardt.[27]

19. Reichardt testified that as development director, her job included "anything related to fundraising" for TMC.[28] This included an annual gala, corporate fundraising proposals, individual donors, appeal letters and "identifying donors that would be good for Eric or other leadership team members to meet with."[29] She explained that when someone made a small donation to TMC, she "would help set up meetings with people" who had "potential to give larger gifts or to contribute more to The Mission Continues." The charity had a system to ensure every donor was thanked on a quarterly basis for his or her gifts. Reichardt was responsible for identifying small donors who might be good prospects to become larger donors.[30] The thank you calls "involved all the staff."[31]

20. Reichardt explained that she also had frequent contact with individual TMC donors, testifying, "Sometimes I would go have coffee or lunch with them, tell them about the organization's plans and how we were growing, and assess their interest in being more involved with the organization."[32] Through this process she was responsible for "gaining donors who donated in excess of a thousand dollars."[33] However, "**[**a**]**s the organization grew, the leadership members above **[**her**]** would take those meetings." Those leadership members were not limited to Greitens, but also included Spencer Kympton, Lori Stevens, and Meredith Knopp. Reichardt testified that no one single leadership member took the bulk of those donor meetings.[34]

21. Similarly, Reichardt testified that TMC's annual banquet was a "team effort" where sponsors were identified by a leadership committee, and "those committee members would typically do the solicitations themselves."[35]

22. An email suggests Greitens began considering a run for statewide office at least as early as October 16, 2013, at which time a political consultant named Steve Michael emailed to tell him he was "finishing up on some of those to-do lists" and sent "Schweich's donor list" as an attachment to give Greitens "a bit of an idea on his potential strengths."[36] At the time, Schweich was identified as planning a run for governor.[37]

23. Greitens took a sabbatical from TMC from late 2013 to spring 2014.[38]

24. Proctor testified that Greitens had decided he was running for office in early 2014.[39]

25. Danny Laub began advising Greitens on political activity in early 2014. Laub testified he prepared a memo for Greitens in February 2014 regarding gubernatorial campaign strategy.[40]

26. On February 27, 2014, Monu Joseph emailed Proctor and Greitens the schedule for Greitens' trip to Orange County, California on March 12, 2014.[41] Proctor testified the purpose of the trip and "the nature of those meetings was to start thinking about getting support and money from these people for when he would run for office."[42]

27. On March 5, 2014, Greitens emailed a spreadsheet to Proctor and Whitman with lists of "categories for consideration" for a run for public office.[43] The document discussed fundraising, issue education, campaign organization, potential endorsements, and strategy.[44]

28. Michael Hafner also began advising Greitens on political activity in early 2014.[45] Emails reveal a meeting with potential supporters and donors as early as March 18, 2014.[46]

29. On March 21, 2014, Proctor prepared a memo for Greitens, Whitman, and Mason Fink setting forth information about announced and likely candidates for governor in 2016.[47] She testified that Greitens was "focused on the governor's position" at this date and had, in fact, settled on Missouri governor's race for his political future.[48]

30. On March 24, at Greitens' direction, Proctor set up a system to organize campaign contacts including donors, volunteers, staff, advisors, endorsements, interest groups, and other supporters.[49]

31. On or about April 1, 2014, Proctor stopped using her TMC email linked to her TGG email on a regular basis. Instead, she created an auto-response to inform persons who emailed her that they could contact her at her TGG email address, an account for which the Committee does not have access to emails dated after April 1, 2014.[50]

32. On April 24, 2014, Greitens informed TMC that he would transition from CEO to Board Member of TMC in the summer of 2014.[51] In response, TMC asked Greitens to assure donors that the transition to new leadership would go smoothly and the organization was on strong footing with a good plan for the future. Reichardt explained:

> Anytime there is a big leadership change within an organization it's standard fundraising practice to take your top donors and let them know about that change…. **[**T**]**he development team's plan for the transition was essentially to identify our top donors and let them know that Eric was going to be leaving the organization in a few months, and that the organization is in good hands with Spencer Kympton, the new president.[52]

33. On May 8, 2014, TMC employee Lori Stevens emailed Greitens, Proctor, Kympton, and Reichardt with "transition call" instructions for Greitens and five attachments, including a list of TMC donors named "All donors 1K total and up – as of 5-7-14.xlsx."[53]

Hi Eric,

Sorry I missed you on April 24th. Lori and I discussed this list. I also added a couple of people whom I think need a call to a document attached here. Additionally, I went through the $1,000+ list and flagged others you might want to consider calling. I've included their names at the end of the document, and if you want to call them, let me know. I am happy to pull phone numbers and ensure you have appropriate background on everyone. Thanks, Eric.

NOTE: If you have not called [redacted] at the end of the month. [redacted] and that note is included in the document attached to this email.

Hi,

Eric - do you want to send a daily update to Spence and me? Or just shoot us notes as you complete calls?

Any takers on the June 10th gathering or meetings yet?

Thanks!

[55] Ex. 17.

36. Proctor explained how she understood the circumstances of these transition emails:

> Eric was stepping down as CEO of The Mission Continues…and I recall that he asked the development team at The Mission Continues, which would have been Lori Stevens and Lyndsey Reichardt at the time, who were both on this email. He asked the development team to send him a list of donors of The Mission Continues, and then also a list of calls that he would be making to The Mission Continues sort of top donors to let them know that he would be transitioning and stepping down as CEO.[56]
>
> My understanding was that he had – you know, Eric had built The Mission Continues, and these were his contacts, his friends, his family, his family members, colleagues, and you know, at some point in the future, he might need to reference this list and, you know, get in touch with these people.[57]

37. Proctor was not aware of any communications specifying a purpose for TMC sending the donor list to Greitens other than the transition.[58] However, she also testified:

> The purpose, I believe, was that Eric would be making a number of phone calls to The Mission Continues donors to let them know he would be transitioning and stepping down as CEO, and then I also believe the purpose was to have a list of contacts, because, like I said, these were his contacts, his friends and family members and colleagues, people he had brought into The Mission Continues who were supporters of his, and I believe that he – you know, for convenience's sake, he wanted their contact information in one place and one list.[59]

38. Proctor recalled Reichardt "being sort of concerned and voicing those concerns around, you know, sending a list of The Mission Continues Donors to Eric**[.]**"[60] She further testified Reichardt "sort of feeling like, you know, putting together this list and, you know, sending it to Eric felt, you know, inappropriate in some way."[61] Reichardt denied ever speaking of such concerns.[62]

39. Proctor could not recall anyone from TMC stating that the list could be used for political purposes or for any purpose other than transition calls.[63]

40. Kympton did not recall any alternative purpose for providing the TMC donor list:

> **[**T**]**he original email that was sent sometime earlier – I mean, beginning on May 8th of 2014, was part of an overall plan that our development team constructed to guide the external communication of our CEO's transition. So that sat a week or two after Eric had communicated internally that his plan was to transition from the CEO role over that summer – so several months later.
>
> So this was our first step in our development team's first step at guiding a proactive communications plan with our partners to not only communicate the transition itself but also talk about how The Mission Continues would be a going concern, how their partnership in support of The Mission Continues would continue to be valued by the organization and just – it was all part of a natural transition plan that we had created.[64]

41. When asked whether there was any purpose other than the transition calls for "providing Mr. Greitens the full list of The Mission Continues donors who had given over a thousand dollars," Reichardt answered, "Not to my knowledge."[65] Reichardt gave the same answer to questions of whether there was any express or implied consent for "Mr. Greitens to use this list of donors over $1,000 for political purposes."[66]

42. Kympton testified that the TMC NDA applied to the TMC donor list. When asked if there was an exception to the NDA for political activity, Kympton responded, "There are no exceptions." He further explained that he could not "see a case where there would be an exception made" and "**[**i**]**t would not have been an authorized use of any information from The Mission Continues' point of view." He also characterized it as "a misuse, as far as The Mission Continues is concerned."[67]

43. Kympton testified that he was not aware of any implicit or explicit authorization to use the TMC list for political purposes.[68] He further stated, "I have not seen any evidence that there was any authorization to Mr. Greitens, either in the context of his role as CEO or after, to suggest any authorization to use it for political purposes."[69]

44. Reichardt agreed that there were individuals and corporations who donated more than a thousand dollars to TMC for whom Greitens was not primarily responsible.[70]

45. On May 24, 2014, Greitens met with Laub and others for ten hours to discuss a "future race for governor."[71] In preparation, Laub created a memo for Greitens that established the first objective of "establish a personal relationship with five candidates outside of Missouri who can be called-upon for personal favors during Eric's campaign for Governor."[72]

46. In an email sent May 26, 2014, Fink suggested that Greitens open a campaign committee that spring.[73] However, Laub responded that "this is silly." In his deposition, he explained, "Eric's key to victory was timing and this would have disrupted that."[74] Laub explained, "The later the better," on when it was the right time for Greitens to enter the race.[75]

47. On May 28, 2014, just 17 days after Greitens received the TMC donor list, he asked Danny Laub to sign an NDA that, like the TMC NDA, protected "donor lists" from disclosure to third-parties.[76] The Greitens' campaign NDA specified that "EG is exploring plans regarding a potential career endeavor involving public service**[.]**"[77]

49. On October 15, 2014, Proctor sent an email to Laub and Tyler Holman regarding a meeting on Monday, October 20, 2014. Proctor indicated she would bring "**[a]**ll of the donor lists that we've collected so far" to the meeting.[79] The TMC donor list was one of those lists. Proctor testified that Greitens had talked to her multiple times about "the importance of the TMC donor list to support future political fundraising efforts."[80]

50. On December 1, 2014, Laub was hired by Greitens. Laub testified that, at this time, there was "definitely a future gubernatorial campaign" and Laub's role included "political planning," meaning "everything from…surveying the landscape, figuring out who Eric should meet with, figuring out how to achieve at this point … how to achieve success."[81] At the time, however, Laub was paid by Eric Greitens, LLC.[82] Also on December 1, 2014, Proctor emailed Laub a document from Greitens titled "Candidate's Intent."[83] It provided detailed campaign plans, including fundraising plans to achieve $8 million in commitments; messaging plans that sought answers to the questions "Why I'm Running" and "Why I'm a Republican."[84]

51. On December 5, 2014, Greitens convened a meeting to discuss the campaign.[85] Laub testified that he first learned of the TMC list at this meeting.[86] Several people attended this meeting, including Jennae Neustadt, Mark Bobak, Chris Bobak, and Fink.[87] The attendees reviewed the TMC donor list at this meeting.[88]

52. Hafner began working for pay in January 2015. Although Hafner's work was strictly political, his initial pay was from either The Greitens Group or Eric Greitens personally.[89]

53. Greitens for Missouri did not report Laub's or Hafner's pay as in-kind contributions from The Greitens Group to the campaign.

54. On January 6, 2015 at 1:57 p.m., the following invitation was sent to Hafner, Proctor, and Laub for a campaign "Finance Meeting" for 10 a.m. the next morning.[90]

[91] The list labeled "EG fnce prospects 061714.xlsx" was provided by Mason Fink, an unpaid informal advisor, but, to the best of the Committee's knowledge, never reported as an in-kind contribution. The "Schweich list.xlsx" was provided by Steve Michael, an employee of Victory Enterprises, an eventual vendor for the campaign.

56. The attachment labeled "All donors 1K total and up – as of 5-7-14.xlsx" was TMC's donor list – as sent to Proctor and Greitens by TMC for the purpose of "transition calls" when Greitens left TMC in May 2014.[92]

57. Hafner and Proctor testified that Proctor sent the TMC list at Greitens' direction.[93]

58. Proctor testified "there was no confusion" when she shared the list with Hafner and Laub at Greitens' direction that they were going to use it to support "the political campaign" and, in particular, "political fundraising."[94] Laub also testified that the TMC list was used to create a campaign fundraising list[95] and that, at the direction of Greitens, Hafner used the TMC list to create a campaign fundraising list.[96]

59. Proctor testified she never received authorization to share the list from anyone other than Greitens, and that Greitens directed her to share the list after he left TMC.[97]

60. The TMC list contained the names, phone numbers, email addresses, donations, and other details of every individual, company, or non-profit that had donated $1,000 or more to TMC. The list contained the information for more than 500 individuals and hundreds of businesses and foundations that had given to TMC.[98]

61. Proctor testified that Greitens viewed the TMC list as his own list of friends, family, and supporters that he had built up with his own labor and endeavors from the beginning of the organization.[99]

62. Greitens, did, in fact, put substantial labor into cultivation of donors for the list. However, Greitens earned a salary as CEO of TMC for most of that time, and other people also put labor into cultivation of the list.[100]

63. TMC's President Spencer Kympton explained that the list contained more than just Greitens' friends, family, and supporters. When asked, "A previous witness testified that Mr. Greitens thought – essentially thought of this list as his own, that the list was comprised of his friends, his contacts that he had built up. … Do you believe that to be true?," Kympton responded:

> I would not characterize this list that way. This list is a list of 500 – more than 500 donors, supporters, partners of The Mission Continues who had given collectively or over time $1,000 or above to The Mission Continues. Within this list might be, you know, friends or family of Eric Greitens that have transitioned into being supporters of The Mission Continues, but as context, I have friends and family who are on this list; other staff members from The Mission Continues have family on this list. There are individuals on this list who came into The Mission Continues relationship via events that we ran, and they might have been invited by host committee members to those events. There are individuals on this list who came into a relationship with The Mission Continues by the company that was supporting The Mission Continues. So I think that there certainly are individuals on this list who might have been a friend or family member of The Mission Continues, but I would very much characterize this list as a list of supporters and partners of The Mission Continues that came from a variety of different pathways to that relationship.[101]

[100] See Reichardt testimony set forth above; Tr. Reichardt at 11:4 to 19:1
[101] Tr. Kympton at 34:10 to 35:24, further testifying that "Yes. Of course" he keeps a separate contact list for his friends and family than the TMC list.

64. Reichardt testified that she did not view the list as Greitens' personal list, [102] and that there were donors on the list for whom Greitens was not responsible.[103]

65. Hafner testified that the Greitens campaign used the TMC list for fundraising purposes, stating there were two fundraising meetings in January, and "at least in one of those meetings we went through the list." Greitens gave Hafner "notes on specific donors. And of course, donors were selected based on their ability to give which is denoted in the list of their lifetime giving history to The Mission Continues."[104]

66. Kympton and TMC expressly stated that it did not authorize this disclosure or use:

a. "The Mission Continues did not provide nor authorize any use of our donors' information to the Greitens campaign or any persons or groups for political or campaign purposes;"[105]

b. "Any use of The Mission Continues resources for any political or other unauthorized purpose would violate our policies and the trust we expect from each member of our staff."[106]

67. Hafner, an experienced campaign professional, testified that it was the first time he had ever used a charity's donor list in the course of a political campaign.[107]

68. Hafner testified that on January 19, 2015, Greitens instructed him to meet with Reichardt about the list because Greitens did not know a number of persons on it:

> So after going through The Mission Continues donor list, at some point during the process, Mr. Greitens didn't recall a number of names from the list and I was directed – he directed me to set up a meeting with Lindsey Reichardt who it was indicated that she was either a current employee or a former employee of The Mission Continues. And Eric indicated that she would have more extensive information on many of the donors from the list and that I needed to reach out to her to go over the list with her. I never met with Lindsey. I don't recall ever reaching out to her, but it's possible I could have. But to my knowledge, I don't think she ever came into the office, and I certainly never met with her personally to go over the list.[108]

69. Both Hafner and Reichardt testified that they never had a meeting.[109]

70. On January 28, 2015 Hafner emailed Proctor, Laub, and Chris Bobak seeking help obtaining information for an initial fundraising list. Hafner noted that he "need**[**ed**]** the contact information that Eric already has for these people (and I assume that is all in SalesForce?)." Proctor responded that Hafner should check TGG's account at salesforce.com, but pointed out, "Some of these will not be in salesforce. If not, I would suggest checking The Mission Continues list."[110] Proctor then attached the TMC list to her response.[111]

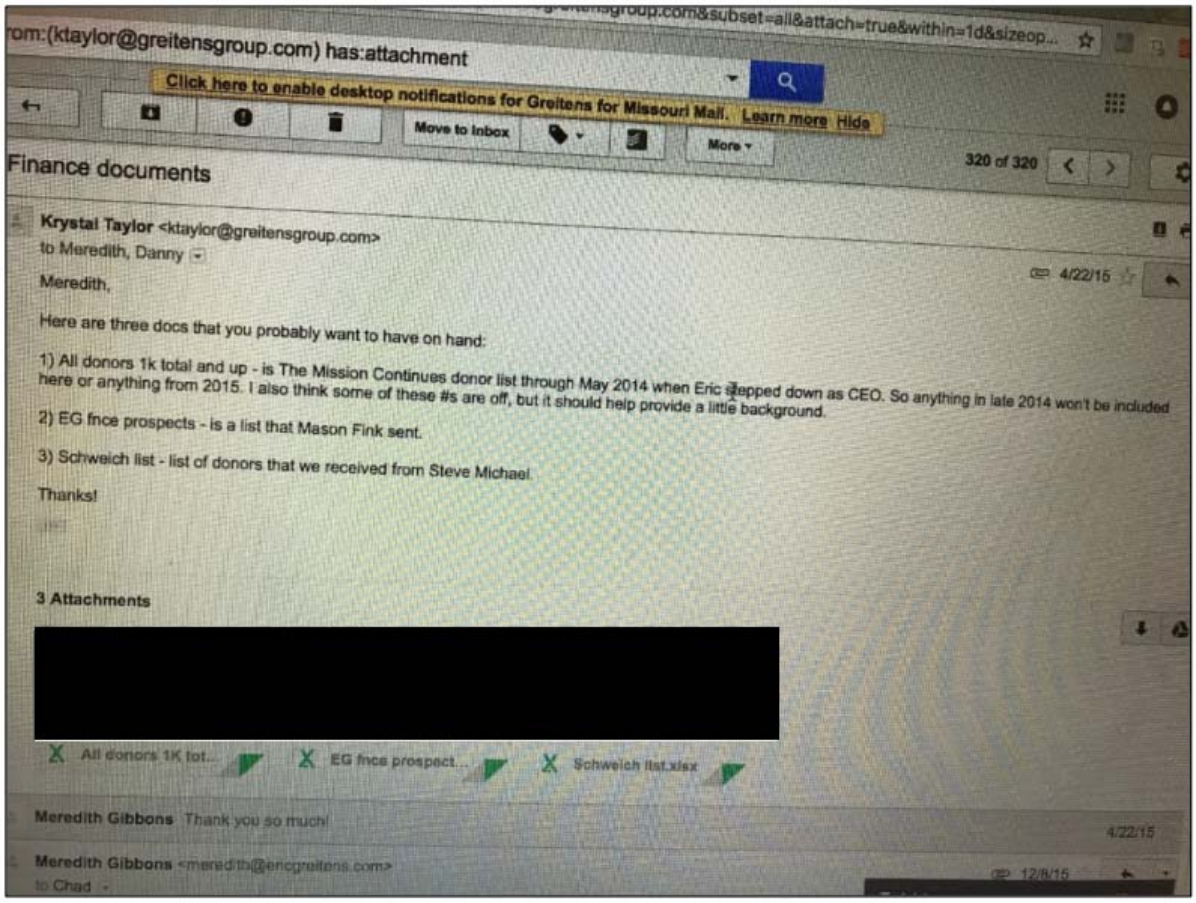
---

[102] Tr. Reichardt at 23:11 to 24:6, rejecting Proctor's contention that list was sent for "Mr. Greitens own use because these were his contacts, his friends, his family, his family members, and his colleagues, and it would be good to have a reference list for him to get in touch with them in the future."
[103] Tr. Reichardt at 14:23, responding in the affirmative to question posed by Rep. Barnes.
[104] Tr. Hafner at 16:3 to 17:6.
[105] Tr. Kympton at 36:18 to 37:1.
[106] Tr. Kympton at 37:3-8.
[107] Tr. Hafner at 55:11-21.
[108] Tr. Hafner at 19:9 to 20:2.
[109] Tr. Hafner at 19:23; Tr. Reichardt at 28:25 to 29:1.
[110] Ex. 5.
[111] Tr. AGO Proctor at 107:3-13.

71. Hafner and Laub testified that Hafner used the TMC list to create donor call lists in 2015.[112] Hafner sent call lists to Greitens that were derived in part from the TMC list on at least February 5, 17, and March 20.[113] At the time Hafner sent the donor call lists, there was no campaign in existence to which donations could be made. However, Laub testified Greitens "was indeed making calls" during this time period, agreeing that Greitens was "getting commitments but not actually getting checks."[114]

72. On February 25, 2015, the campaign filed a Statement of Committee Organization creating the entity Greitens for Missouri.[115]

73. On April 22, 2015, after Hafner was no longer working for the Greitens campaign, Proctor emailed the TMC list to Meredith Gibbons, the new finance director for Greitens for Missouri.[116] As set forth below, Proctor's email notes the attachment "is The Mission Continues donor list through May 2014 when Eric stepped down as CEO. So anything in late 2014 won't be included here or anything from 2015."



74. Proctor testified that she shared the list with Meredith Gibbons at Greitens' direction so that it "would be used for political fundraising."[117] She further testified that she was instructed by Greitens to use the lists for these purposes.[118]

[118] Tr. AGO Proctor at 123:18-24.

75. Reichardt testified that she met with Gibbons for lunch and Gibbons "provided **[**her**]** with a list of people that Eric was considering asking for money for the campaign."[119] Reichardt testified that she could not recall the size of the list Gibbons brought to the meeting, but that, for the persons listed "she asked if any of them would be good prospects."[120] While Reichardt could not recall the size of the list or whether it was the same as the list disclosed in the transition email, she did recall that Gibbons asked about a particular large donor to The Mission Continues.[121]

76. Proctor testified that she was aware of the meeting between Reichardt and Gibbons regarding the TMC list.[122] Proctor's "understanding was that Eric asked Lindsey to meet with Meredith" and that the meeting "occurred in probably mid to late 2015."[123]

77. In August 2015, Greitens stepped down from the board of TMC. Kympton explained,

> "**[**A**]**t that time, Eric notified both me and, as I recollect, our board chair that he was preparing to announce his candidacy for governor, and those conversations suggested that it was probably in the best interest of The Mission Continues, at that time to, and for Eric to step away from the board to avoid any types of conflict of interest that might arise as having a candidate for political office involved formally on our board." Kympton identified "the use of Mission Continues resources for political purposes" as an example of such a conflict but stated that the board was not aware of the use of the TMC list at that time.[124]

78. Kympton first became aware of Greitens' political use of TMC resources in August 2016, but did not yet have knowledge of the Greitens' campaign's use of the TMC donor list.[125] At that time, Kympton exchanged correspondence with Austin Chambers, campaign manager for the Greitens campaign for governor, regarding concerns about a "Greitens advertisement and fundraising campaign" that Kympton feared "jeopardize**[**d**]** **[**TMC's**]** status as a 501c3." In particular, among other things, Kympton was concerned with a link that "explicitly align**[**ed**]** **[**TMC's**]** trademarked name with a political campaign effort: https://donate.ericgreitens/com/mission-continues" and with a website video titled "Eric Greitens: The Mission Continues" which was on a fundraising page.[126] Chambers responded:

Subject: Greitens Campaign Response

Spencer,

I apologize for the delayed response. I wanted to handle this with the upmost sensitivity and attention to make sure that The Mission Continues wasn't damaged or harmed from a legal stand point by the campaign, so I asked our attorney, Mike Adams, to take a look at the situation. Our goal from the beginning has always been to protect The Mission Continues, and keep it separate from the campaign. As you know, Eric cares deeply about protecting the brand and image of TMC.

The review and response from Mike Adams on behalf of Greitens for Missouri is attached.

So that you are aware, the video name on the internet has been changed, and the background image of the fundraising splash page is in the process of being swapped out today. The ad will remain on air, and there will be additional advertisements that mentions the great work of The Mission Continues.

If you have any additional questions or points, please let me know.

Thanks,

AC

79. Greitens' attorney Mike Adams responded, "Obviously, the Campaign wishes The Mission Continues nothing but the greatest success in its worthy cause and would do nothing to jeopardize its tax-exempt status." Adams then quotes and discusses IRS guidance that an organization would jeopardize its 501(c)(3) status by "**[**a**]**llowing a candidate to use an organization's assets … if other candidates are not given an equivalent opportunity." Adams and the Greitens campaign agreed to cease using a photo it took at TMC offices but failed to notify TMC that the campaign was using the TMC donor list for political fundraising.

80. News reports from the fall of 2016 indicate that cross-referencing the names on the TMC list with Greitens campaign donors reveals that the campaign raised nearly $2 million from persons or organizations on the TMC list.[127]

81. In approximately November 2016, an ethics complaint was filed against Greitens and Greitens for Missouri for failure to report the TMC list as an in-kind donation.

82. In a subsequent filing with the Missouri Ethics Commission, Greitens and his campaign admitted that the campaign used the TMC list for fundraising purposes.[128]

83. Documents and testimony from Hafner and Proctor establish that Greitens himself utilized prospective donor call lists that included information taken from the TMC list.[129]

84. In April 2017, Greitens signed a Joint Stipulation of Facts, Waiver of Hearing Before the Missouri Ethics Commission and Consent Order with Joint Proposed Findings of Fact and Conclusions of Law in *Missouri Ethics Commission v. Greitens for Missouri and Eric Greitens* in MEC Case No. 16-0107-1.[130]

---

[127] See http://www.ky3.com/content/news/greitens-campaign-donations-396579511.html. The committee notes that it may begin the process of cross-referencing donors to reach a precise amount, but, due to the time constraints, has not done so yet.

[129] Tr. Hafner at 33:11 to 37:11; Exs. 7, 8, 9; Tr. Proctor at 35:3-5.
[130] Ex. 11.

85. Greitens admitted that the campaign used the list to contact donors.[131]

86. Greitens asserted that the TMC list was an in-kind contribution received from Danny Laub on March 1, 2015 and had a value of $600.[132]

87. On April 28, Greitens signed an amended campaign finance report for April 15, 2015, which also asserted that Laub donated the TMC list on March 1, 2015 with a value of $600.[133]

88. Greitens electronically signed below the statement, "I certify that this report, comprised of this cover page and all attached forms, is complete, true, and accurate."[134]

89. In fact, however, the list was not an in-kind contribution from Danny Laub:

a. Laub was never an employee of TMC, and thus, was not able to authorize disclosure or use of the list; and

b. The list was sent to Laub and Hafner by Proctor at Greitens' direction.[135]

90. Laub testified that Austin Chambers called him on April 24, 2017.[136] After exchanging pleasantries, Laub described their conversation:

> And then Austin says to me, "I don't know if you know this, but there's a bullshit ethics complaint filed against us by the Democrat party about this Mission Continues donor list." And he said, "I need someone who was on the campaign at the time, because I wasn't, to put their name down so we can get this bullshit complaint dismissed. We will pay" – assuming him and the campaign – "will pay the fine, but we need to put someone's name down who was on the campaign at the time, and I was not." And he said, "Can we put your name down?"[137]

91. Laub testified that he told Chambers the Greitens campaign could "put **[**his**]** name down," which he "assumed … meant that **[**he**]** was the manager of the campaign at the time or in charge of the campaign at the time."[138] Laub learned a week later that "putting his name down" as the donor of the TMC list "was not what I thought I told Austin on the phone he could use my name for."[139] Instead, Laub testified that he had been "affirmatively misled" by Chambers.[140]

92. Laub testified that if Chambers had not misled him that he "would never have agreed for it to be perceived or otherwise that I in-kinded a list that I did not in-kind."[141] Laub testified he would have never authorized Chambers to use his name as someone who donated the list "because that's untrue."[142] Further, Laub testified that the TMC list was not donated to the campaign on March 1, 2015.[143] Instead, he testified that nothing happened with the TMC list on that date.

93. Laub agreed that Greitens' amended campaign finance report regarding the TMC list as an in-kind contribution was "false in every particular."[144] Laub further testified that everything of substance in the settlement agreement between Greitens and the MEC was untrue.[145]

a. Laub did not contribute the list to the campaign. Instead, it was contributed by Greitens himself through his directions to Proctor.[146]

b. The list was not donated to the campaign on March 1. Instead, its first use that Laub could remember was in December 2014, and the email records show its disclosure and use on January 6 and January 7.[147]

94. Laub stated that the "whole document made **[**him**]** sick … because it was misrepresented **[**and**]** because **[**he**]** was in a round of news stories falsely portraying what happened."[148]

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SIXTY-SIXTH DAY, THURSDAY, MAY 3, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is good, a great help in the day of trouble; And He knows those who trust in Him. (Nahum 1:7)

O Gracious God, on this National Day of Prayer, give us strength to do our work constructively this day and all days. Let us not turn from its difficulties, nor avoid its challenges, nor try to escape its duties or obligations.

Help us to keep our minds clear, our hearts clean, and live so faithfully that no failure can dishearten us, no frustration can discourage us, and no political fear can take away from us the joy of honor and integrity.

By Your grace, alive within us, may we remove all bitterness, reduce all misunderstanding, and learn to live together, making every effort to keep the unity of the spirit through the bond of peace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Elizabeth Lee Noel.

The Journal of the sixty-fifth day was approved as printed by the following vote:

House Amendment No. 2

AMEND Senate Bill No. 768, Page 2, Section 138.445, Line 26, by inserting immediately after all of said section and line the following:

"144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law (sections 281.220 to 281.310) which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Motor vehicles registered in excess of fifty-four thousand pounds, and the trailers pulled by such motor vehicles, that are actually used in the normal course of business to haul property on the public highways of the state, and that are capable of hauling loads commensurate with the motor vehicle's registered weight; and the materials, replacement parts, and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of such vehicles. For purposes of this subdivision, motor vehicle and public highway shall have the meaning as ascribed in section 390.020;

(5) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. **For the purposes of this subdivision, subdivision (6) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications service. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications service", as enacted in this subdivision and subdivision (6) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (6) of this subsection in *Southwestern Bell Tel. Co. v. Director of Revenue,* 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue,* 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in *IBM Corporation v. Director of Revenue,* 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and *Southwestern Bell Tel. Co. v. Director of Revenue,* 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue,* 182 S.W.3d 226 (Mo. banc 2005).** Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(6) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption;

(7) Tangible personal property which is used exclusively in the manufacturing, processing, modification or assembling of products sold to the United States government or to any agency of the United States government;

(8) Animals or poultry used for breeding or feeding purposes, or captive wildlife;

(9) Newsprint, ink, computers, photosensitive paper and film, toner, printing plates and other machinery, equipment, replacement parts and supplies used in producing newspapers published for dissemination of news to the general public;

(10) The rentals of films, records or any type of sound or picture transcriptions for public commercial display;

(11) Pumping machinery and equipment used to propel products delivered by pipelines engaged as common carriers;

(12) Railroad rolling stock for use in transporting persons or property in interstate commerce and motor vehicles licensed for a gross weight of twenty-four thousand pounds or more or trailers used by common carriers, as defined in section 390.020, in the transportation of persons or property;

(13) Electrical energy used in the actual primary manufacture, processing, compounding, mining or producing of a product, or electrical energy used in the actual secondary processing or fabricating of the product, or a material recovery processing plant as defined in subdivision (5) of this subsection, in facilities owned or leased by the taxpayer, if the total cost of electrical energy so used exceeds ten percent of the total cost of production, either primary or secondary, exclusive of the cost of electrical energy so used or if the raw materials used in such processing contain at least twenty-five percent recovered materials as defined in section 260.200. There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

(14) Anodes which are used or consumed in manufacturing, processing, compounding, mining, producing or fabricating and which have a useful life of less than one year;

(15) Machinery, equipment, appliances and devices purchased or leased and used solely for the purpose of preventing, abating or monitoring air pollution, and materials and supplies solely required for the installation, construction or reconstruction of such machinery, equipment, appliances and devices;

(16) Machinery, equipment, appliances and devices purchased or leased and used solely for the purpose of preventing, abating or monitoring water pollution, and materials and supplies solely required for the installation, construction or reconstruction of such machinery, equipment, appliances and devices;

(17) Tangible personal property purchased by a rural water district;

(18) All amounts paid or charged for admission or participation or other fees paid by or other charges to individuals in or for any place of amusement, entertainment or recreation, games or athletic events, including museums, fairs, zoos and planetariums, owned or operated by a municipality or other political subdivision where all the proceeds derived therefrom benefit the municipality or other political subdivision and do not inure to any private person, firm, or corporation, provided, however, that a municipality or other political subdivision may enter into revenue-sharing agreements with private persons, firms, or corporations providing goods or services, including management services, in or for the place of amusement, entertainment or recreation, games or athletic events, and provided further that nothing in this subdivision shall exempt from tax any amounts retained by any private person, firm, or corporation under such revenue-sharing agreement;

Such maximum benefit limit may be exceeded, upon prior approval by the health benefit plan, if the provision of applied behavior analysis services beyond the maximum limit is medically necessary for such individual. Payments made by a health carrier on behalf of a covered individual for any care, treatment, intervention, service or item, the provision of which was for the treatment of a health condition unrelated to the covered individual's autism spectrum disorder, shall not be applied toward any maximum benefit established under this subsection. Any coverage required under this section, other than the coverage for applied behavior analysis, shall not be subject to the age and dollar limitations described in this subsection.

6. Coverage provided under this section for therapeutic care shall be subject to a maximum benefit of forty thousand dollars per calendar year for individuals through eighteen years of age. Any coverage required under this section, other than the coverage for applied behavioral analysis or therapeutic care, shall not be subject to the age and dollar limitations described in this subsection.

Beginning January 1, 2012, and annually thereafter, the current value of the maximum benefit limitation for applied behavior analysis coverage adjusted for inflation in accordance with this subsection shall be calculated by the director of the department of

insurance, financial institutions and professional registration. The director shall furnish the calculated value to the secretary of state, who shall publish such value in the Missouri Register as soon after each January first as practicable, but it shall otherwise be exempt from the provisions of section 536.021.

[~~10.~~**] 11.** Notwithstanding any other provision of law to the contrary, health carriers shall not be held liable for the actions of line therapists in the performance of their duties.

[~~11.~~**] 12.** The provisions of this section shall apply to any health care plans issued to employees and their dependents under the Missouri consolidated health care plan established pursuant to chapter 103 that are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2011. [~~13.~~**] 14.** The provisions of this section shall not automatically apply to an individually underwritten health benefit plan, but shall be offered as an option to any such plan.

[~~14.~~**] 15.** The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy of six months or less duration, or any other supplemental policy.

[~~15.~~**] 16.** Any health carrier or other entity subject to the provisions of this section shall not be required to provide reimbursement for the applied behavior analysis **or therapy** delivered to a person insured by such health carrier or other entity to the extent such health carrier or other entity is billed for such services by any Part C early intervention program or any school district for applied behavior analysis rendered to the person covered by such health carrier or other entity. This section shall not be construed as affecting any obligation to provide services to an individual under an individualized family service plan, an individualized education plan, or an individualized service plan. This section shall not be construed as affecting any obligation to provide reimbursement pursuant to section 376.1218.

[~~16.~~**] 17.** The provisions of sections 376.383, 376.384, and 376.1350 to 376.1399 shall apply to this section.

[~~17.~~**] 18.** The director of the department of insurance, financial institutions and professional registration shall grant a small employer with a group health plan, as that term is defined in section 379.930, a waiver from the provisions of this section if the small employer demonstrates to the director by actual claims experience over any consecutive twelve-month period that compliance with this section has increased the cost of the health insurance policy by an amount of two and a half percent or greater over the period of a calendar year in premium costs to the small employer.

[~~18.~~**] 19.** The provisions of this section shall not apply to the Mo HealthNet program as described in chapter 208.

(1) (a) Search and retrieval, in an amount not more than twenty-four dollars and eighty-five cents plus copying in the amount of fifty-seven cents per page for the cost of supplies and labor plus, if the health care provider has contracted for off-site records storage and management, any additional labor costs of outside storage retrieval, not to exceed twenty-three dollars and twenty-six cents, as adjusted annually pursuant to subsection 5 of this section; or

(b) The records shall be furnished electronically upon payment of the search, retrieval, and copying fees set under this section at the time of the request or one hundred eight dollars and eighty-eight cents total, whichever is less, if such person:

a. Requests health records to be delivered electronically in a format of the health care provider's choice;

b. The health care provider stores such records completely in an electronic health record; and

c. The health care provider is capable of providing the requested records and affidavit, if requested, in an electronic format;

[~~5.~~] 6. Effective February first of each year, the fees listed in subsection 2 of this section shall be increased or decreased annually based on the annual percentage change in the unadjusted, U.S. city average, annual average inflation rate of the medical care component of the Consumer Price Index for All Urban Consumers (CPI-U). The current reference base of the index, as published by the Bureau of Labor Statistics of the United States Department of Labor, shall be used as the reference base. 2. As used in this section, the following terms shall mean:

(1) "Admission", a patient's admission into a hospital as an in-patient;

(2) "After-care", assistance that is provided by a caregiver to a patient after the patient's discharge from a hospital that is related to the condition of the patient at the time of discharge, including assisting with activities of daily living, as defined in section 198.006; instrumental activities of daily living, as defined in section 198.006; or carrying out medical or nursing tasks as permitted by law;

Prior to discharge, a patient may elect to change his or her caregiver in the event that the original designated caregiver becomes unavailable, unwilling, or unable to care for the patient. The hospital or ambulatory surgical center shall document the attempt to contact the caregiver.

7. 8. A hospital or ambulatory surgical center is not required nor obligated to determine the ability of a caregiver to understand or perform any of the after-care tasks outlined in this section.

9. Nothing in this section shall authorize or require compensation of a caregiver by a state agency or a health carrier, as defined in section 376.1350.

10. Nothing in this section shall require a hospital or ambulatory surgical center to take actions that are inconsistent with or duplicative of the standards of the federal Medicare program under Title XVIII of the

Social Security Act and its conditions of participation in the Code of Federal Regulations or the standards of a national accrediting organization with deeming authority under Section 1865(a)(1) of the Social Security Act.

11. Nothing in this section shall create a private right of action against a hospital, ambulatory surgical center, a hospital or ambulatory surgical center employee, or an individual with whom a hospital or ambulatory surgical center has a contractual relationship.

12. A hospital, ambulatory surgical center, hospital or ambulatory surgical center employee, or an individual with whom a hospital or ambulatory surgical center has a contractual relationship shall not be liable in any way for an act or omission of the caregiver.

13. No act or omission under this section by a hospital, ambulatory surgical center, hospital or ambulatory surgical center employee, or an individual with whom a hospital or ambulatory surgical center has a contractual relationship shall give rise to a citation, sanction, or any other adverse action by any licensing authority to whom such individual or entity is subject.

15. The department of health and senior services shall provide ambulatory surgical centers and hospitals a standard form that may be used to satisfy the requirements of this section. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. A physician shall have the right to refuse to act as a supervising physician, without penalty, for a particular physician assistant. No contract or other agreement shall limit the supervising physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any physician assistant, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by the hospital's medical staff.

12. Physician assistants shall file with the board a copy of their supervising physician form.

13. No physician shall be designated to serve as supervising physician **or collaborating physician** for more than **[**~~three~~**] six** full-time equivalent licensed physician assistants**, full-time equivalent advanced practice registered nurses, or full-time equivalent assistant physicians, or any combination thereof**. "191.671. 1. No other section of this act shall apply to any insurer, health services corporation, or health maintenance organization licensed by the department of insurance, financial institutions and professional registration which conducts HIV testing only for the purposes of assessing a person's fitness for insurance coverage offered by such insurer, health services corporation, or health maintenance corporation, except that nothing in this section shall be construed to exempt any insurer, health services corporation or health maintenance organization in their capacity as employers from the provisions of section 191.665 relating to employment practices.

2. Upon renewal of any individual or group insurance policy, subscriber contractor health maintenance organization contract covering medical expenses, no insurer, health services corporation or health maintenance organization shall deny or alter coverage to any previously covered individual who has been diagnosed as having HIV infection or any HIV-related condition during the previous policy or contract period only because of such

diagnosis, nor shall any such insurer, health services corporation or health maintenance organization exclude coverage for treatment of such infection or condition with respect to any such individual. **The provisions of this subsection shall not apply to short-term major medical policies having a duration of less than one year.**

3. The director of the department of insurance, financial institutions and professional registration shall establish by regulation standards for the use of HIV testing by insurers, health services corporations and health maintenance organizations.

Disclosure of test results in violation of this section shall constitute a violation of sections 375.930 to 375.948 regulating trade practices in the business of insurance. Nothing in this subsection shall be construed to foreclose any remedies existing on June 1, 1988."; and

Further amend said bill, Page 1, Section 338.202, Line 16, by inserting after all of said section and line the following:

"**376.008. 1. All short-term major medical policies delivered or issued for delivery in this state shall include on any application for coverage and on the fact page of all policies a conspicuous and clearly captioned paragraph stating:**

This policy may not cover preexisting conditions, including conditions you may currently have and are unaware of but are not diagnosed until the policy's term. This policy may not cover certain essential health benefits, including prescription drugs, preventative care, and emergency services. Before you realize benefits under this policy, you may be responsible for a deductible and/or coinsurance. Be sure to discuss these items with your insurance broker before purchasing a short-term medical policy.

2. No short-term major medical policy shall be delivered or issued for delivery in this state until the prospective insured has confirmed receipt of a benefit summary statement. As used in this section, "benefit summary statement" shall mean a no more than two-page plain language explanation of the following:

(1) Coverage limits, if any, expressed in dollars for:

(a) Each occurrence;

(b) Each covered benefit including, but not limited to, any benefit that is or was a covered benefit for any duration or dollar amount during the contract period and anything included under subdivision (2) of this subsection; and

(c) Each contract period;

(2) Copayments and deductibles for each covered benefit including, but not limited to:

(a) Inpatient hospital care;

(b) Outpatient hospital care;

(c) Nonhospital inpatient care;

(d) Nonhospital outpatient care;

(e) Prescription drugs; and

(f) Emergency services; and

(3) Any copayment or deductible for an illness or affliction which differs from the copayment or deductible required to be described under subdivision (2) of this subsection.

376.385. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements, to the extent not preempted by federal law, and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1998, shall offer coverage for all physician-prescribed medically appropriate and necessary equipment, supplies and self-management training used in the management and treatment of diabetes. Coverage shall include persons with gestational, type I or type II diabetes.

2. Health care services required by this section shall not be subject to any greater deductible or co-payment than any other health care service provided by the policy, contract or plan.

3. No entity enumerated in subsection 1 of this section may reduce or eliminate coverage due to the requirements of this section.

4. Nothing in this section shall apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, **short-term major medical policies having a duration of less than one year,** or other limited benefit health insurance policies.

376.429. 1. All health benefit plans, as defined in section 376.1350, that are delivered, issued for delivery, continued or renewed on or after August 28, 2006, and providing coverage to any resident of this state shall provide coverage for routine patient care costs as defined in subsection 7 of this section incurred as the result of phase II, III, or IV of a clinical trial that is approved by an entity listed in subsection 4 of this section and is undertaken for the purposes of the prevention, early detection, or treatment of cancer. Health benefit plans may limit coverage for the routine patient care costs of patients in phase II of a clinical trial to those treating facilities within the health benefit plans' provider network; except that, this provision shall not be construed as relieving a health benefit plan of the sufficiency of network requirements under state statute.

2. In the case of treatment under a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, noninvestigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the noninvestigational alternatives.

3. Coverage required by this section shall include coverage for routine patient care costs incurred for drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, including coverage for reasonable and medically necessary services needed to administer the drug or use the device under evaluation in the clinical trial.

4. Subsections 1 and 2 of this section requiring coverage for routine patient care costs shall apply to phase III or IV of clinical trials that are approved or funded by one of the following entities:

(1) One of the National Institutes of Health (NIH);

(2) An NIH cooperative group or center as defined in subsection 7 of this section;

(3) The FDA in the form of an investigational new drug application;

(4) The federal Departments of Veterans' Affairs or Defense;

(5) An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects (45 CFR 46); or

(6) A qualified research entity that meets the criteria for NIH Center support grant eligibility.

5. Subsections 1 and 2 of this section requiring coverage for routine patient care costs shall apply to phase II of clinical trials if:

(1) Phase II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and

(2) The person covered under this section is enrolled in the clinical trial. This section shall not apply to persons who are only following the protocol of phase II of a clinical trial, but not actually enrolled.

6. An entity seeking coverage for treatment, prevention, or early detection in a clinical trial approved by an institutional review board under subdivision (5) of subsection 4 of this section shall maintain and post electronically a list of the clinical trials meeting the requirements of subsections 2 and 3 of this section. This list shall include: the phase for which the clinical trial is approved; the entity approving the trial; the particular disease; and the number of participants in the trial. If the electronic posting is not practical, the entity seeking coverage shall periodically provide payers and providers in the state with a written list of trials providing the information required in this section.

7. As used in this section, the following terms shall mean:

(1) "Cooperative group", a formal network of facilities that collaborate on research projects and have an established NIH-approved Peer Review Program operating within the group, including the NCI Clinical Cooperative Group and the NCI Community Clinical Oncology Program;

(2) "Multiple project assurance contract", a contract between an institution and the federal Department of Health and Human Services (DHHS) that defines the relationship of the institution to the DHHS and sets out the responsibilities of the institution and the procedures that will be used by the institution to protect human subjects;

(3) "Routine patient care costs" shall include coverage for reasonable and medically necessary services needed to administer the drug or device under evaluation in the clinical trial. Routine patient care costs include all items and services that are otherwise generally available to a qualified individual that are provided in the clinical trial except:

(a) The investigational item or service itself;

(b) Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and

(c) Items and services customarily provided by the research sponsors free of charge for any enrollee in the trial.

8. For the purpose of this section, providers participating in clinical trials shall obtain a patient's informed consent for participation on the clinical trial in a manner that is consistent with current legal and ethical standards. Such documents shall be made available to the health insurer upon request.

9. The provisions of this section shall not apply to a policy, plan or contract paid under Title XVIII or Title XIX of the Social Security Act.

10. Nothing in this section shall apply to any accident-only policy, specified disease policy, hospital indemnity policy, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**] having a duration of less than one year**, or other limited benefit health insurance policies.

11. The provisions of this section regarding phase II of a clinical trial shall not apply automatically to an individually underwritten health benefit plan, but shall be an option to any such plan.

376.446. 1. Health carriers shall permit individuals to learn the amount of cost-sharing, including deductibles, copayments, and coinsurance, under the individual's health benefit plan or coverage that the individual would be responsible for paying with respect to the furnishing of a specific item or service by a participating provider in a timely manner upon the request of the individual. At a minimum, such information shall be made available to such individual through an internet website and such other means for individuals without access to the internet. As used in this section, the terms "health carrier" and "health benefit plans" shall have the same meanings assigned to them in section 376.1350.

2. Health carriers shall permit individuals to learn the amount of cost-sharing, including deductibles, copayments, and coinsurance, under an individual's short-term major medical policy, having a duration of less than one year, that the individual would be responsible for paying with respect to the furnishing of a specific item or service by a participating provider in a timely manner upon the request of the individual. At a minimum, such information shall be made available to such individual through an internet website and such other means for individuals without access to the internet.

[~~2.~~**] 3.** This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, hospitalization-surgical care policy**[**~~, short-term major medical policy of six months or less duration~~**]**, or any other supplemental policy.

[~~3.~~**] 4.** The provisions of subsections 1 and 2 shall become effective on January 1, 2014.

376.452. 1. Except as provided in this section, if a health insurance issuer offers health insurance coverage in the large group market in connection with a group health plan, the health insurance issuer shall renew or continue the coverage in force at the option of the plan sponsor. **The provisions of this subsection shall not apply to short-term major medical policies having a duration of less than one year.**

2. A health insurance issuer may nonrenew or discontinue health insurance coverage offered in connection with a group health plan in the large group market if:

(5) The health insurance issuer is ceasing to offer coverage in the large group market in accordance with subsection 3 of this section;

(6) In the case of a health insurance issuer that offers health insurance coverage in the large group market through a network plan, there is no longer any enrollee under the group health plan who lives, resides, or works in the service area of the health insurance issuer or in the area for which the issuer is authorized to do business;

(7) In the case of health insurance coverage that is made available in the large group market only through one or more bona fide associations, the membership of an employer in the bona fide association ceases, but only if coverage is terminated under this subdivision uniformly without regard to any health status-related factor of any covered individual.

3. A health insurance issuer shall not discontinue offering a particular type of group health insurance coverage offered in the large group market unless:

(1) The issuer provides notice to each plan sponsor, participant and beneficiary provided coverage of this type in the large group market of the discontinuation at least ninety days prior to the date of the discontinuation of the coverage;

(2) The issuer offers to each plan sponsor being provided coverage of this type in the large group market the option to purchase any other health insurance coverage currently being offered by the health insurance issuer to a group health plan in the large group market; and

(3) The issuer acts uniformly without regard to the claims experience of those plan sponsors or any health status-related factor of any participant or beneficiary covered or new participant or beneficiary who may become eligible for such coverage.

4. (1) A health insurance issuer shall not discontinue offering all health insurance coverage in the large group market unless:

(a) The issuer provides notice of discontinuation to the director and to each plan sponsor, participant and beneficiary covered at least one hundred eighty days prior to the date of the discontinuation of coverage; and

(4) In the case of a health insurance issuer that offers health insurance coverage in the market through a network plan, the individual no longer resides, lives, or works in the service area or in an area for which the issuer is authorized to do business but only if such coverage is terminated under this subdivision uniformly without regard to any health status-related factor of covered individuals;

(5) In the case of health insurance coverage that is made available in the individual market only through one or more bona fide associations, the membership of the individual in the association on the basis of which the coverage is provided ceases, but only if such coverage is terminated under this subdivision uniformly without regard to any health status-related factor of covered individuals.

3. In any case in which an issuer decides to discontinue offering a particular type of health insurance coverage offered in the individual market, coverage of such type may be discontinued by the issuer only if:

(1) The issuer provides notice to each covered individual provided coverage of this type in such market of such discontinuation at least ninety days prior to the date of the discontinuation of such coverage;

(2) The issuer offers to each individual in the individual market provided coverage of this type, the option to purchase any other individual health insurance coverage currently being offered by the issuer for individuals in such market; and

(3) In exercising the option to discontinue coverage of this type and in offering the option of coverage under subdivision (2) of this subsection, the issuer acts uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for such coverage.

4. (1) In any case in which a health insurance issuer elects to discontinue offering all health insurance coverage in the individual market in the state, health insurance coverage may be discontinued by the issuer only if:

(a) The issuer provides notice to the director and to each individual of such discontinuation at least one hundred eighty days prior to the date of the expiration of such coverage; and

5. At the time of coverage renewal, a health insurance issuer may modify the health insurance coverage for a policy form offered to individuals in the individual market so long as such modification is consistent with applicable law and effective on a uniform basis among all individuals with that policy form. For purposes of this subsection, renewal shall be deemed to occur not more often than annually on the anniversary of the effective date of the individual's health insurance coverage or as specified in the policy or contract.

6. In applying this section in the case of health insurance coverage that is made available by a health insurance issuer in the individual market to individuals only through one or more associations, a reference to an individual is deemed to include a reference to such an association of which the individual is a member.

7. An insurer shall provide a certification of creditable coverage as required by Public Law 104-191 and regulations pursuant thereto.

376.779. 1. All health plans or policies that are individually underwritten or provide for such coverage for specific individuals and the members of their families, which provide for hospital treatment, shall provide coverage, while confined in a hospital or in a residential or nonresidential facility certified by the department of mental health, for treatment of alcoholism on the same basis as coverage for any other illness, except that coverage may be limited to thirty days in any policy or contract benefit period. All Missouri individual contracts issued on or after January 1, 2005, shall be subject to this section. Coverage required by this section shall be included in the policy or contract and payment provided as for other coverage in the same policy or contract notwithstanding any construction or relationship of interdependent contracts or plans affecting coverage and payment of reimbursement prerequisites under the policy or contract.

2. Insurers, corporations or groups providing coverage may approve for payment or reimbursement vendors and programs providing services or treatment required by this section. Any vendor or person offering services or treatment subject to the provisions of this section and seeking approval for payment or reimbursement shall submit to the department of mental health a detailed description of the services or treatment program to be offered. The department of mental health shall make copies of such descriptions available to insurers, corporations or groups providing coverage under the provisions of this section. Each insurer, corporation or group providing coverage shall notify the vendor or person offering service or treatment as to its acceptance or rejection for payment or reimbursement; provided, however, payment or reimbursement shall be made for any service or treatment program certified by the department of mental health. Any notice of rejection shall contain a detailed statement of the reasons for rejection and the steps and procedures necessary for acceptance. Amended descriptions of services or treatment programs to be offered may be filed with the department of mental health. Any vendor or person rejected for approval of payment or reimbursement may modify their description and treatment program and submit

copies of the amended description to the department of mental health and to the insurer, corporation or group which rejected the original description.

3. The department of mental health may issue rules necessary to carry out the provisions of this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

4. All substance abuse treatment programs in Missouri receiving funding from the Missouri department of mental health must be certified by the department.

376.781. 1. All group health insurance policies providing coverage on an expense-incurred basis, all group service or indemnity contracts issued by a not-for-profit health service corporation, all self-insured group health benefit plans of any type or description, and all such health plans or policies that are individually underwritten or provide for such coverage for specific individuals and the members of their families as nongroup policies, which provide for hospital treatment, shall offer coverage for the necessary care and treatment of loss or impairment of speech or hearing subject to the same durational limits, dollar limits, deductibles and coinsurance factors as other covered services in such policies or contracts. Notwithstanding any construction or relationship of interdependent contracts or plans affecting coverage and payment of reimbursement prerequisites under the policy or contract, coverage required by this section shall be included in the policy or contract and payment provided as for other coverage in the same policy or contract.

2. The offer of benefits under subsection 1 of this section shall be in writing and may be rejected by the individual or group policyholder.

3. 4. The phrase "loss or impairment of speech or hearing" shall include those communicative disorders generally treated by a speech pathologist, audiologist or speech/language pathologist licensed by the state board of healing arts or certified by the American Speech-Language and Hearing Association (ASHA), or both, and which fall within the scope of his or her license or certification.

5. Any provision in a health insurance policy contrary to or in conflict with the provisions of this section shall, to the extent of the conflict, be void, but such invalidity shall not offset the validity of the other provisions of such policy.

6. The department of insurance, financial institutions and professional registration may issue rules necessary to carry out the provisions of this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

7. This section shall not apply to short-term major medical policies having a duration of less than one year.

376.782. 1. As used in this section, the term "low-dose mammography screening" means the X-ray examination of the breast using equipment specifically designed and dedicated for mammography, including the X-ray tube, filter, compression device, films, and cassettes, with an average radiation exposure delivery of less than one rad mid-breast, with two views for each breast, and any fee charged by a radiologist or other physician for reading, interpreting or diagnosing based on such X-ray.

2. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed on or after August 28, 1991, and providing coverage to any resident of this state shall provide benefits or coverage for low-dose mammography screening for any nonsymptomatic woman covered under such policy or contract which meets the minimum requirements of this section. 4. The provisions of this section shall not apply to short-term major medical policies having a duration of less than one year.

376.811. 1. Every insurance company and health services corporation doing business in this state shall offer in all health insurance policies benefits or coverage for chemical dependency meeting the following minimum standards:

(4) The coverages set forth in this subsection may be subject to a separate lifetime frequency cap of not less than ten episodes of treatment, except that such separate lifetime frequency cap shall not apply to medical detoxification in a life-threatening situation as determined by the treating physician and subsequently documented within forty-eight hours of treatment to the reasonable satisfaction of the insurance company or health services corporation; and

(c) May deliver covered services through a system of contractual arrangements with one or more providers, hospitals, nonresidential or residential treatment programs, or other mental health service delivery entities certified by the department of mental health, or accredited by a nationally recognized organization, or licensed by the state of Missouri.

2. In addition to the coverages set forth in subsection 1 of this section, every insurance company, health services corporation and health maintenance organization doing business in this state shall offer in all health insurance policies, benefits or coverages for recognized mental illness, excluding chemical dependency, meeting the following minimum standards:

(1) Coverage for outpatient treatment, including treatment through partial- or full-day program services, for mental health services for a recognized mental illness rendered by a licensed professional to the same extent as any other illness;

(5) The coverages set forth in this subsection may be administered pursuant to a managed care program established by the insurance company, health services corporation or health maintenance organization, and covered services may be delivered through a system of contractual arrangements with one or more providers, community mental health centers, hospitals, nonresidential or residential treatment programs, or other mental health service delivery entities certified by the department of mental health, or accredited by a nationally recognized organization, or licensed by the state of Missouri.

3. The offer required by sections 376.810 to 376.814 may be accepted or rejected by the group or individual policyholder or contract holder and, if accepted, shall fully and completely satisfy and substitute for the coverage under section 376.779. Nothing in sections 376.810 to 376.814 shall prohibit an insurance company, health services corporation or health maintenance organization from including all or part of the coverages set forth in sections 376.810 to 376.814 as standard coverage in their policies or contracts issued in this state.

4. Every insurance company, health services corporation and health maintenance organization doing business in this state shall offer in all health insurance policies mental health benefits or coverage as part of the policy or as a supplement to the policy. Such mental health benefits or coverage shall include at least two sessions per year to a licensed psychiatrist, licensed psychologist, licensed professional counselor, licensed clinical social worker, or, subject to contractual provisions, a licensed marital and family therapist, acting within the scope of such license and under the following minimum standards:

(1) Coverage and benefits in this subsection shall be for the purpose of diagnosis or assessment, but not dependent upon findings; and

(2) Coverage and benefits in this subsection shall not be subject to any conditions of preapproval, and shall be deemed reimbursable as long as the provisions of this subsection are satisfied; and

(3) Coverage and benefits in this subsection shall be subject to the same coinsurance, co-payment and deductible factors as apply to regular office visits under coverages and benefits for physical illness.

5. If the group or individual policyholder or contract holder rejects the offer required by this section, then the coverage shall be governed by the mental health and chemical dependency insurance act as provided in sections 376.825 to 376.836.

6. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, hospitalization-surgical care policy, short-term major medical policy **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.845. 1. For the purposes of this section the following terms shall mean:

(1) "Eating disorder", pica, rumination disorder, avoidant/restrictive food intake disorder, anorexia nervosa, bulimia nervosa, binge eating disorder, other specified feeding or eating disorder, and any other eating disorder contained in the most recent version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association where diagnosed by a licensed physician, psychiatrist, psychologist, clinical social worker, licensed marital and family therapist, or professional counselor duly licensed in the state where he or she practices and acting within their applicable scope of practice in the state where he or she practices;

(2) "Health benefit plan", shall have the same meaning as such term is defined in section 376.1350; however, for purposes of this section "health benefit plan" does not include a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy;

(3) "Health carrier", shall have the same meaning as such term is defined in section 376.1350;

(4) "Medical care", health care services needed to diagnose, prevent, treat, cure, or relieve physical manifestations of an eating disorder, and shall include inpatient hospitalization, partial hospitalization, residential care, intensive outpatient treatment, follow-up outpatient care, and counseling;

(5) "Pharmacy care", medications prescribed by a licensed physician for an eating disorder and includes any health-related services deemed medically necessary to determine the need or effectiveness of the medications, but only to the extent that such medications are included in the insured's health benefit plan;

(6) "Psychiatric care" and "psychological care", direct or consultative services provided during inpatient hospitalization, partial hospitalization, residential care, intensive outpatient treatment, follow-up outpatient care, and counseling provided by a psychiatrist or psychologist licensed in the state of practice;

(7) "Therapy", medical care and behavioral interventions provided by a duly licensed physician, psychiatrist, psychologist, professional counselor, licensed clinical social worker, or family marriage therapist where said person is licensed or registered in the states where he or she practices;

(8) "Treatment of eating disorders", therapy provided by a licensed treating physician, psychiatrist, psychologist, professional counselor, clinical social worker, or licensed marital and family therapist pursuant to the powers granted under such licensed physician's, psychiatrist's, psychologist's, professional counselor's, clinical social worker's, or licensed marital and family therapist's license in the state where he or she practices for an individual diagnosed with an eating disorder.

2. In accordance with the provisions of section 376.1550, all health benefit plans that are delivered, issued for delivery, continued or renewed on or after January 1, 2017, if written inside the state of Missouri, or written outside the state of Missouri but covering Missouri residents, shall provide coverage for the diagnosis and treatment of eating disorders as required in section 376.1550.

3. Coverage provided under this section is limited to medically necessary treatment that is provided by a licensed treating physician, psychiatrist, psychologist, professional counselor, clinical social worker, or licensed

marital and family therapist pursuant to the powers granted under such licensed physician's, psychiatrist's, psychologist's, professional counselor's, clinical social worker's, or licensed marital and family therapist's license and acting within their applicable scope of coverage, in accordance with a treatment plan.

4. The treatment plan, upon request by the health benefit plan or health carrier, shall include all elements necessary for the health benefit plan or health carrier to pay claims. Such elements include, but are not limited to, a diagnosis, proposed treatment by type, frequency and duration of treatment, and goals.

5. Coverage of the treatment of eating disorders may be subject to other general exclusions and limitations of the contract or benefit plan not in conflict with the provisions of this section, such as coordination of benefits, and utilization review of health care services, which includes reviews of medical necessity and care management. Medical necessity determinations and care management for the treatment of eating disorders shall consider the overall medical and mental health needs of the individual with an eating disorder, shall not be based solely on weight, and shall take into consideration the most recent Practice Guideline for the Treatment of Patients with Eating Disorders adopted by the American Psychiatric Association in addition to current standards based upon the medical literature generally recognized as authoritative in the medical community.

376.1192. 1. As used in this section, "health benefit plan" and "health carrier" shall have the same meaning as such terms are defined in section 376.1350.

2. Beginning September 1, 2013, the oversight division of the joint committee on legislative research shall perform an actuarial analysis of the cost impact to health carriers, insureds with a health benefit plan, and other private and public payers if state mandates were enacted to provide health benefit plan coverage for the following:

(1) Orally administered anticancer medication that is used to kill or slow the growth of cancerous cells charged at the same co-payment, deductible, or coinsurance amount as intravenously administered or injected cancer medication that is provided, regardless of formulation or benefit category determination by the health carrier administering the health benefit plan;

(2) Diagnosis and treatment of eating disorders that include anorexia nervosa, bulimia, binge eating, eating disorders nonspecified, and any other severe eating disorders contained in the most recent version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association. The actuarial analysis shall assume the following are included in health benefit plan coverage:

(a) Residential treatment for eating disorders, if such treatment is medically necessary in accordance with the Practice Guidelines for the Treatment of Patients with Eating Disorders, as most recently published by the American Psychiatric Association; and

(b) Access to medical treatment that provides coverage for integrated care and treatment as recommended by medical and mental health care professionals, including but not limited to psychological services, nutrition counseling, physical therapy, dietician services, medical monitoring, and psychiatric monitoring.

3. By December 31, 2013, the director of the oversight division of the joint committee on legislative research shall submit a report of the actuarial findings prescribed by this section to the speaker of the house of representatives, the president pro tempore of the senate, and the chairpersons of the house of representatives committee on health insurance and the senate small business, insurance and industry committee, or the committees having jurisdiction over health insurance issues if the preceding committees no longer exist.

4. For the purposes of this section, the actuarial analysis of health benefit plan coverage shall assume that such coverage:

(1) Shall not be subject to any greater deductible or co-payment than other health care services provided by the health benefit plan; and

(2) Shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy.

5. The cost for each actuarial analysis shall not exceed thirty thousand dollars and the oversight division of the joint committee on legislative research may utilize any actuary contracted to perform services for the Missouri consolidated health care plan to perform the analysis required under this section.

6. The provisions of this section shall expire on December 31, 2013.

376.1199. 1. Each health carrier or health benefit plan that offers or issues health benefit plans providing obstetrical/gynecological benefits and pharmaceutical coverage, which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall:

(1) Notwithstanding the provisions of subsection 4 of section 354.618, provide enrollees with direct access to the services of a participating obstetrician, participating gynecologist or participating obstetrician/gynecologist of her choice within the provider network for covered services. The services covered by this subdivision shall be limited to those services defined by the published recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/gynecologist, including but not limited to diagnosis, treatment and referral for such services. A health carrier shall not impose additional co-payments, coinsurance or deductibles upon any enrollee who seeks or receives health care services pursuant to this subdivision, unless similar additional co-payments, coinsurance or deductibles are imposed for other types of health care services received within the provider network. Nothing in this subsection shall be construed to require a health carrier to perform, induce, pay for, reimburse, guarantee, arrange, provide any resources for or refer a patient for an abortion, as defined in section 188.015, other than a spontaneous abortion or to prevent the death of the female upon whom the abortion is performed, or to supersede or conflict with section 376.805; and

(2) Notify enrollees annually of cancer screenings covered by the enrollees' health benefit plan and the current American Cancer Society guidelines for all cancer screenings or notify enrollees at intervals consistent with current American Cancer Society guidelines of cancer screenings which are covered by the enrollees' health benefit plans. The notice shall be delivered by mail unless the enrollee and health carrier have agreed on another method of notification; and

(3) Include coverage for services related to diagnosis, treatment and appropriate management of osteoporosis when such services are provided by a person licensed to practice medicine and surgery in this state, for individuals with a condition or medical history for which bone mass measurement is medically indicated for such individual. In determining whether testing or treatment is medically appropriate, due consideration shall be given to peer-reviewed medical literature. A policy, provision, contract, plan or agreement may apply to such services the same deductibles, coinsurance and other limitations as apply to other covered services; and

(4) If the health benefit plan also provides coverage for pharmaceutical benefits, provide coverage for contraceptives either at no charge or at the same level of deductible, coinsurance or co-payment as any other covered drug.

No such deductible, coinsurance or co-payment shall be greater than any drug on the health benefit plan's formulary. As used in this section, "contraceptive" shall include all prescription drugs and devices approved by the federal Food and Drug Administration for use as a contraceptive, but shall exclude all drugs and devices that are intended to induce an abortion, as defined in section 188.015, which shall be subject to section 376.805. Nothing in this subdivision shall be construed to exclude coverage for prescription contraceptive drugs or devices ordered by a health care provider with prescriptive authority for reasons other than contraceptive or abortion purposes.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**]** **having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

4. Notwithstanding the provisions of subdivision (4) of subsection 1 of this section to the contrary:

(1) Any health carrier shall offer and issue to any person or entity purchasing a health benefit plan, a health benefit plan that excludes coverage for contraceptives if the use or provision of such contraceptives is contrary to the moral, ethical or religious beliefs or tenets of such person or entity;

(2) Upon request of an enrollee who is a member of a group health benefit plan and who states that the use or provision of contraceptives is contrary to his or her moral, ethical or religious beliefs, any health carrier shall issue to or on behalf of such enrollee a policy form that excludes coverage for contraceptives. Any administrative costs to a group health benefit plan associated with such exclusion of coverage not offset by the decreased costs of providing coverage shall be borne by the group policyholder or group plan holder;

(3) Any health carrier which is owned, operated or controlled in substantial part by an entity that is operated pursuant to moral, ethical or religious tenets that are contrary to the use or provision of contraceptives shall be exempt from the provisions of subdivision (4) of subsection 1 of this section. For purposes of this subsection, if new premiums are charged for a contract, plan or policy, it shall be determined to be a new contract, plan or policy.

5. Except for a health carrier that is exempted from providing coverage for contraceptives pursuant to this section, a health carrier shall allow enrollees in a health benefit plan that excludes coverage for contraceptives pursuant to subsection 4 of this section to purchase a health benefit plan that includes coverage for contraceptives.

6. Any health benefit plan issued pursuant to subsection 1 of this section shall provide clear and conspicuous written notice on the enrollment form or any accompanying materials to the enrollment form and the group health benefit plan application and contract:

(1) Whether coverage for contraceptives is or is not included;

(2) That an enrollee who is a member of a group health benefit plan with coverage for contraceptives has the right to exclude coverage for contraceptives if such coverage is contrary to his or her moral, ethical or religious beliefs;

(3) That an enrollee who is a member of a group health benefit plan without coverage for contraceptives has the right to purchase coverage for contraceptives;

(4) Whether an optional rider for elective abortions has been purchased by the group contract holder pursuant to section 376.805; and

(5) That an enrollee who is a member of a group health plan with coverage for elective abortions has the right to exclude and not pay for coverage for elective abortions if such coverage is contrary to his or her moral, ethical, or religious beliefs.

For purposes of this subsection, if new premiums are charged for a contract, plan, or policy, it shall be determined to be a new contract, plan, or policy.

7. Health carriers shall not disclose to the person or entity who purchased the health benefit plan the names of enrollees who exclude coverage for contraceptives in the health benefit plan or who purchase a health benefit plan that includes coverage for contraceptives. Health carriers and the person or entity who purchased the health benefit plan shall not discriminate against an enrollee because the enrollee excluded coverage for contraceptives in the health benefit plan or purchased a health benefit plan that includes coverage for contraceptives.

8. The departments of health and senior services and insurance, financial institutions and professional registration may promulgate rules necessary to implement the provisions of this section. No rule or portion of a rule promulgated pursuant to this section shall become effective unless it has been promulgated pursuant to chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

376.1200. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1996, shall offer coverage for the treatment of breast cancer by dose-intensive chemotherapy/autologous bone marrow transplants or stem cell transplants when performed pursuant to nationally accepted peer review protocols utilized by breast cancer treatment centers experienced in dose-intensive chemotherapy/autologous bone marrow transplants or stem cell transplants. The offer of benefits under this section shall be in writing and must be accepted in writing by the individual or group policyholder or contract holder.

2. Such health care service shall not be subject to any greater deductible or co-payment than any other health care service provided by the policy, contract or plan, except that the policy, contract or plan may contain a provision imposing a lifetime benefit maximum of not less than one hundred thousand dollars, for dose-intensive chemotherapy/autologous bone marrow transplants or stem cell transplants for breast cancer treatment.

3. Benefits may be administered for such health care service through a managed care program of exclusive and/or preferred contractual arrangements with one or more providers rendering such health care service. These contractual arrangements may provide that the provider shall hold the patient harmless for the cost of rendering such health care service if it is subsequently found by the entity authorized to resolve disputes that:

(1) Such care did not qualify under the protocols established for the providing of care for such health care service;

(2) Such care was not medically appropriate; or

(3) The provider otherwise failed to comply with the utilization management or other managed care provision agreed to in any contract between the entity and the provider.

4. The provisions of this section shall not apply to short-term travel, accident-only, limited or specified disease policies, or to short-term nonrenewable policies **[**~~of not more than seven months duration~~**] having a duration of less than one year**.

5. Nothing in this section shall prohibit an entity from including all or part of such health care services as standard coverage in its policies, contracts or plans.

376.1209. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law, and all managed health care delivery entities of any type or description, that provide coverage for the surgical procedure known as a mastectomy, and which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1998, shall provide coverage for prosthetic devices or reconstructive surgery necessary to restore symmetry as recommended by the oncologist or primary care physician for the patient incident to the mastectomy. Coverage for prosthetic devices and reconstructive surgery shall be subject to the same deductible and coinsurance conditions applied to the mastectomy and all other terms and conditions applicable to other benefits with the exception that no time limit shall be imposed on an individual for the receipt of prosthetic devices or reconstructive surgery and if such individual changes his or her insurer, then the new policy subject to the federal Women's Health and Cancer Rights Act (Sections 901-903 of P.L. 105-277), as amended, shall provide coverage consistent with the federal Women's Health and Cancer Rights Act (Sections 901-903 of P.L. 105-277), as amended, and any regulations promulgated pursuant to such act.

2. As used in this section, the term "mastectomy" means the removal of all or part of the breast for medically necessary reasons, as determined by a physician licensed pursuant to chapter 334.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy**, short-term major medical policy having a duration of less than one year,** or long-term care policy.

376.1210. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law, and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1997, and providing for maternity benefits, shall provide coverage for a minimum of forty-eight hours of inpatient care following a vaginal delivery and a minimum of ninety-six hours of inpatient care following a cesarean section for a mother and her newly born child in a hospital as defined in section 197.020 or any other health care facility licensed to provide obstetrical care under the provisions of chapter 197.

2. Notwithstanding the provisions of subsection 1 of this section, any entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law, and all managed health care delivery entities of any type or description that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 1997, and providing for maternity benefits, may authorize a shorter length of hospital stay for services related to maternity and newborn care if:

(1) A shorter hospital stay meets with the approval of the attending physician after consulting with the mother. The physician's approval to discharge shall be made in accordance with the most current version of the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, or similar guidelines prepared by another nationally recognized medical organization; and

(2) The entity providing the individual or group health insurance policy provides coverage for post-discharge care to the mother and her newborn.

3. Post-discharge care shall consist of a minimum of two visits at least one of which shall be in the home, in accordance with accepted maternal and neonatal physical assessments, by a registered professional nurse with experience in maternal and child health nursing or a physician. The location and schedule of the post-discharge visits shall be determined by the attending physician. Services provided by the registered professional nurse or physician shall include, but not be limited to, physical assessment of the newborn and mother, parent education, assistance and training in breast or bottle feeding, education and services for complete childhood immunizations, the performance of any necessary and appropriate clinical tests and submission of a metabolic specimen satisfactory to the state laboratory. Such services shall be in accordance with the medical criteria outlined in the most current

version of the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, or similar guidelines prepared by another nationally recognized medical organization. Any abnormality, in the condition of the mother or the child, observed by the nurse shall be reported to the attending physician as medically appropriate.

4. For the purposes of this section, "attending physician" shall include the attending obstetrician, pediatrician, or other physician attending the mother or newly born child.

5. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description shall provide notice to policyholders, insured persons and participants regarding the coverage required by this section. Such notice shall be in writing and prominently positioned in the policy, certificate of coverage or summary plan description.

6. Such health care service shall not be subject to any greater deductible or co-payment than other similar health care services provided by the policy, contract or plan.

7. No insurer may provide financial disincentives to, or deselect, terminate the services of, require additional documentation from, require additional utilization review, or reduce payments to, or otherwise penalize the attending physician in retaliation solely for ordering care consistent with the provisions of this section.

8. **The provisions of this section shall not apply to short-term major medical policies having a duration of less than one year.**

9. The department of insurance, financial institutions and professional registration shall adopt rules and regulations to implement and enforce the provisions of this section. No rule or portion of a rule promulgated pursuant to this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

376.1215. 1. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization and all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description shall provide coverage for immunizations of a child from birth to five years of age as provided by department of health and senior services regulations.

2. Such coverage shall not be subject to any deductible or co-payment limits.

3. The contract issued by a health maintenance organization may provide that the benefits required pursuant to this section shall be covered benefits only if the services are rendered by a provider who is designated by and affiliated with the health maintenance organization, except that the health maintenance organization shall, as a condition of participation, comply with the immunization requirements of state or federally funded health programs.

4. This section shall not apply to supplemental insurance policies, including life care contracts, accident-only policies, specified disease policies, hospital policies providing a fixed daily benefit only, Medicare supplement policies, long-term care policies, coverage issued as a supplement to liability insurance, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year,** and other supplemental policies as determined by the department of insurance, financial institutions and professional registration.

5. The department of health and senior services shall promulgate rules and regulations to determine which immunizations shall be covered by policies, plans or contracts described in this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

6. No health care provider shall charge more than one hundred percent of the reasonable and customary charges for providing any immunization.

376.1218. 1. Any health carrier or health benefit plan that offers or issues health benefit plans, other than Medicaid health benefit plans, which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2006, shall provide coverage for early intervention services described in this section that are delivered by early intervention specialists who are health care professionals licensed by the state of Missouri and acting within the scope of their professions for children from birth to age three identified by the Part C early intervention system as eligible for services under Part C of the Individuals with Disabilities Education Act, 20 U.S.C. Section 1431, et seq. Such coverage shall be limited to three thousand dollars for each covered child per policy per calendar year, with a maximum of nine thousand dollars per child.

2. As used in this section, "health carrier" and "health benefit plan" shall have the same meaning as such terms are defined in section 376.1350.

3. In the event that any health benefit plan is found not to be required to provide coverage under subsection 1 of this section because of preemption by a federal law, including but not limited to the act commonly known as ERISA contained in Title 29 of the United States Code, or in the event that subsection 1 of this section is found to be unconstitutional, then the lead agency shall be responsible for payment and provision of any benefit provided under this section.

4. For purposes of this section, "early intervention services" means medically necessary speech and language therapy, occupational therapy, physical therapy, and assistive technology devices for children from birth to age three who are identified by the Part C early intervention system as eligible for services under Part C of the Individuals with Disabilities Education Act, 20 U.S.C. Section 1431, et seq. Early intervention services shall include services under an active individualized family service plan that enhance functional ability without effecting a cure. An individualized family service plan is a written plan for providing early intervention services to an eligible child and the child's family that is adopted in accordance with 20 U.S.C. The Part C early intervention system, on behalf of its contracted regional Part C early intervention system centers and providers, shall be considered the rendering provider of services for purposes of this section.

5. No payment made for specified early intervention services shall be applied by the health carrier or health benefit plan against any maximum lifetime aggregate specified in the policy or health benefit plan if the carrier opts to satisfy its obligations under this section under subdivision (2) of subsection 7 of this section. A health benefit plan shall be billed at the applicable Medicaid rate at the time the covered benefit is delivered, and the health benefit plan shall pay the Part C early intervention system at such rate for benefits covered by this section. Services under the Part C early intervention system shall be delivered as prescribed by the individualized family service plan and an electronic claim filed in accordance with the carrier's or plan's standard format. Beginning January 1, 2007, such claims' payments shall be made in accordance with the provisions of sections 376.383 and 376.384.

6. The health care service required by this section shall not be subject to any greater deductible, co-payment, or coinsurance than other similar health care services provided by the health benefit plan.

7. (1) Subject to the provisions of this section, payments made during a calendar year by a health carrier or group of carriers affiliated by or under common ownership or control to the Part C early intervention system for services provided to children covered by the Part C early intervention system shall not exceed one-half of one percent of the direct written premium for health benefit plans as reported to the department of insurance, financial institutions and professional registration on the health carrier's most recently filed annual financial statement.

(2) In lieu of reimbursing claims under this section, a carrier or group of carriers affiliated by or under common ownership or control may, on behalf of all of the carrier's or carriers' health benefit plan or plans providing coverage under this section, directly pay the Part C early intervention system by January thirty-first of the calendar year an amount equal to one-half of one percent of the direct written premium for health benefit plans as reported to the department of insurance, financial institutions and professional registration on the health carrier's most recently filed annual financial statement, or five hundred thousand dollars, whichever is less, and such payment shall constitute full and complete satisfaction of the health benefit plan's obligation for the calendar year. Nothing in this subsection shall require a health carrier or health benefit plan providing coverage under this section to amend or modify any provision of an existing policy or plan relating to the payment or reimbursement of claims by the health carrier or health benefit plan.

8. This section shall not apply to a supplemental insurance policy, including a life care contract, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, hospitalization-surgical care policy, policy that is individually underwritten or provides such coverage for specific individuals and members of their families, long-term care policy, or short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**.

9. Except for health carriers or health benefit plans making payments under subdivision (2) of subsection 7 of this section, the department of insurance, financial institutions and professional registration shall collect data related to the number of children receiving private insurance coverage under this section and the total amount of moneys paid on behalf of such children by private health carriers or health benefit plans. The department shall report to the general assembly regarding the department's findings no later than January 30, 2007, and annually thereafter.

10. Notwithstanding the provisions of section 23.253 to the contrary, the provisions of this section shall not sunset.

376.1219. 1. Each policy issued by an entity offering individual and group health insurance which provides coverage on an expense-incurred basis, individual and group health service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance

organization, all self-insured group health arrangements to the extent not preempted by federal law, and all health care plans provided by managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed in this state on or after September 1, 1997, shall provide coverage for formula and low protein modified food products recommended by a physician for the treatment of a patient with phenylketonuria or any inherited disease of amino and organic acids who is covered under the policy, contract, or plan and who is less than six years of age.

2. For purposes of this section, "low protein modified food products" means foods that are specifically formulated to have less than one gram of protein per serving and are intended to be used under the direction of a physician for the dietary treatment of any inherited metabolic disease. Low protein modified food products do not include foods that are naturally low in protein.

3. The coverage required by this section may be subject to the same deductible for similar health care services provided by the policy, contract, or plan as well as a reasonable coinsurance or co-payment on the part of the insured, which shall not be greater than fifty percent of the cost of the formula and food products, and may be subject to an annual benefit maximum of not less than five thousand dollars per covered child. Nothing in this section shall prohibit a carrier from using individual case management or from contracting with vendors of the formula and food products.

4. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, **short-term major medical policy having a duration of less than one year,** or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1220. 1. Each policy issued by an entity offering individual and group health insurance which provides coverage on an expense-incurred basis, individual or group health service, or indemnity contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group health arrangements to the extent not preempted by federal law, and all health care plans provided by managed health care delivery entities of any type or description that are delivered, issued for delivery, continued or renewed in this state shall provide coverage for newborn hearing screening, necessary rescreening, audiological assessment and follow-up, and initial amplification.

2. The health care service required by this section shall not be subject to any greater deductible or co-payment than other similar health care services provided by the policy, contract or plan.

3. This section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

4. Coverage for newborn hearing screening and any necessary rescreening and audiological assessment shall be provided to newborns eligible for medical assistance pursuant to section 208.151, and the children's health program pursuant to sections 208.631 to 208.660, with payment for the newborn hearing screening required in section 191.925, and any necessary rescreening, audiological assessment and follow-up, and amplification as described in section 191.928.

376.1224. 1. For purposes of this section, the following terms shall mean:

(1) "Applied behavior analysis", the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct observation, measurement, and functional analysis of the relationships between environment and behavior;

(2) "Autism service provider":

(a) Any person, entity, or group that provides diagnostic or treatment services for autism spectrum disorders who is licensed or certified by the state of Missouri; or

(b) Any person who is licensed under chapter 337 as a board-certified behavior analyst by the behavior analyst certification board or licensed under chapter 337 as an assistant board-certified behavior analyst;

(3) "Autism spectrum disorders", a neurobiological disorder, an illness of the nervous system, which includes Autistic Disorder, Asperger's Disorder, Pervasive Developmental Disorder Not Otherwise Specified, Rett's Disorder, and Childhood Disintegrative Disorder, as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association;

(4) "Diagnosis of autism spectrum disorders", medically necessary assessments, evaluations, or tests in order to diagnose whether an individual has an autism spectrum disorder;

(5) "Habilitative or rehabilitative care", professional, counseling, and guidance services and treatment programs, including applied behavior analysis, that are necessary to develop the functioning of an individual;

(6) "Health benefit plan", shall have the same meaning ascribed to it as in section 376.1350;

(7) "Health carrier", shall have the same meaning ascribed to it as in section 376.1350;

(8) "Line therapist", an individual who provides supervision of an individual diagnosed with an autism diagnosis and other neurodevelopmental disorders pursuant to the prescribed treatment plan, and implements specific behavioral interventions as outlined in the behavior plan under the direct supervision of a licensed behavior analyst;

(9) "Pharmacy care", medications used to address symptoms of an autism spectrum disorder prescribed by a licensed physician, and any health-related services deemed medically necessary to determine the need or effectiveness of the medications only to the extent that such medications are included in the insured's health benefit plan;

(13) "Treatment for autism spectrum disorders", care prescribed or ordered for an individual diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist, including equipment medically necessary for such care, pursuant to the powers granted under such licensed physician's or licensed psychologist's license, including, but not limited to:

(a) Psychiatric care;

(b) Psychological care;

(c) Habilitative or rehabilitative care, including applied behavior analysis therapy;

(d) Therapeutic care;

(e) Pharmacy care.

2. All group health benefit plans that are delivered, issued for delivery, continued, or renewed on or after January 1, 2011, if written inside the state of Missouri, or written outside the state of Missouri but insuring Missouri residents, shall provide coverage for the diagnosis and treatment of autism spectrum disorders to the extent that such diagnosis and treatment is not already covered by the health benefit plan.

3. With regards to a health benefit plan, a health carrier shall not deny or refuse to issue coverage on, refuse to contract with, or refuse to renew or refuse to reissue or otherwise terminate or restrict coverage on an individual or their dependent because the individual is diagnosed with autism spectrum disorder.

4. (1) Coverage provided under this section is limited to medically necessary treatment that is ordered by the insured's treating licensed physician or licensed psychologist, pursuant to the powers granted under such licensed physician's or licensed psychologist's license, in accordance with a treatment plan.

(2) The treatment plan, upon request by the health benefit plan or health carrier, shall include all elements necessary for the health benefit plan or health carrier to pay claims. Such elements include, but are not limited to, a diagnosis, proposed treatment by type, frequency and duration of treatment, and goals.

(3) Except for inpatient services, if an individual is receiving treatment for an autism spectrum disorder, a health carrier shall have the right to review the treatment plan not more than once every six months unless the health carrier and the individual's treating physician or psychologist agree that a more frequent review is necessary. Any such agreement regarding the right to review a treatment plan more frequently shall only apply to a particular individual being treated for an autism spectrum disorder and shall not apply to all individuals being treated for autism spectrum disorders by a physician or psychologist. The cost of obtaining any review or treatment plan shall be borne by the health benefit plan or health carrier, as applicable.

5. Coverage provided under this section for applied behavior analysis shall be subject to a maximum benefit of forty thousand dollars per calendar year for individuals through eighteen years of age. Such maximum benefit limit may be exceeded, upon prior approval by the health benefit plan, if the provision of applied behavior analysis services beyond the maximum limit is medically necessary for such individual. Payments made by a health carrier on behalf of a covered individual for any care, treatment, intervention, service or item, the provision of which was for the treatment of a health condition unrelated to the covered individual's autism spectrum disorder, shall not

be applied toward any maximum benefit established under this subsection. Any coverage required under this section, other than the coverage for applied behavior analysis, shall not be subject to the age and dollar limitations described in this subsection.

6. The maximum benefit limitation for applied behavior analysis described in subsection 5 of this section shall be adjusted by the health carrier at least triennially for inflation to reflect the aggregate increase in the general price level as measured by the Consumer Price Index for All Urban Consumers for the United States, or its successor index, as defined and officially published by the United States Department of Labor, or its successor agency. Beginning January 1, 2012, and annually thereafter, the current value of the maximum benefit limitation for applied behavior analysis coverage adjusted for inflation in accordance with this subsection shall be calculated by the director of the department of insurance, financial institutions and professional registration. The director shall furnish the calculated value to the secretary of state, who shall publish such value in the Missouri Register as soon after each January first as practicable, but it shall otherwise be exempt from the provisions of section 536.021.

7. Subject to the provisions set forth in subdivision (3) of subsection 4 of this section, coverage provided under this section shall not be subject to any limits on the number of visits an individual may make to an autism service provider, except that the maximum total benefit for applied behavior analysis set forth in subsection 5 of this section shall apply to this subsection.

8. This section shall not be construed as limiting benefits which are otherwise available to an individual under a health benefit plan. The health care coverage required by this section shall not be subject to any greater deductible, coinsurance, or co-payment than other physical health care services provided by a health benefit plan. Coverage of services may be subject to other general exclusions and limitations of the contract or benefit plan, not in conflict with the provisions of this section, such as coordination of benefits, exclusions for services provided by family or household members, and utilization review of health care services, including review of medical necessity and care management; however, coverage for treatment under this section shall not be denied on the basis that it is educational or habilitative in nature.

9. To the extent any payments or reimbursements are being made for applied behavior analysis, such payments or reimbursements shall be made to either:

(1) The autism service provider, as defined in this section; or

(2) The entity or group for whom such supervising person, who is certified as a board-certified behavior analyst by the Behavior Analyst Certification Board, works or is associated.

Such payments or reimbursements under this subsection to an autism service provider or a board-certified behavior analyst shall include payments or reimbursements for services provided by a line therapist under the supervision of such provider or behavior analyst if such services provided by the line therapist are included in the treatment plan and are deemed medically necessary.

10. Notwithstanding any other provision of law to the contrary, health carriers shall not be held liable for the actions of line therapists in the performance of their duties.

11. The provisions of this section shall apply to any health care plans issued to employees and their dependents under the Missouri consolidated health care plan established pursuant to chapter 103 that are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2011. The terms "employees" and "health care plans" shall have the same meaning ascribed to them in section 103.003.

12. The provisions of this section shall also apply to the following types of plans that are established, extended, modified, or renewed on or after January 1, 2011:

(1) All self-insured governmental plans, as that term is defined in 29 U.S.C. Section 1002(32);

(2) All self-insured group arrangements, to the extent not preempted by federal law;

(3) All plans provided through a multiple employer welfare arrangement, or plans provided through another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, or any waiver or exception to that act provided under federal law or regulation; and

(4) All self-insured school district health plans.

13. The provisions of this section shall not automatically apply to an individually underwritten health benefit plan, but shall be offered as an option to any such plan.

14. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months or less duration~~**]** **having a duration of less than one year**, or any other supplemental policy.

15. Any health carrier or other entity subject to the provisions of this section shall not be required to provide reimbursement for the applied behavior analysis delivered to a person insured by such health carrier or other entity to the extent such health carrier or other entity is billed for such services by any Part C early intervention program or any school district for applied behavior analysis rendered to the person covered by such health carrier or other entity. This section shall not be construed as affecting any obligation to provide services to an individual under an individualized family service plan, an individualized education plan, or an individualized service plan. This section shall not be construed as affecting any obligation to provide reimbursement pursuant to section 376.1218.

16. The provisions of sections 376.383, 376.384, and 376.1350 to 376.1399 shall apply to this section.

17. The director of the department of insurance, financial institutions and professional registration shall grant a small employer with a group health plan, as that term is defined in section 379.930, a waiver from the provisions of this section if the small employer demonstrates to the director by actual claims experience over any consecutive twelve-month period that compliance with this section has increased the cost of the health insurance policy by an amount of two and a half percent or greater over the period of a calendar year in premium costs to the small employer.

18. The provisions of this section shall not apply to the Mo HealthNet program as described in chapter 208.

19. (1) By February 1, 2012, and every February first thereafter, the department of insurance, financial institutions and professional registration shall submit a report to the general assembly regarding the implementation of the coverage required under this section. The report shall include, but shall not be limited to, the following:

(a) The total number of insureds diagnosed with autism spectrum disorder;

(b) The total cost of all claims paid out in the immediately preceding calendar year for coverage required by this section;

(c) The cost of such coverage per insured per month; and

(d) The average cost per insured for coverage of applied behavior analysis;

(2) All health carriers and health benefit plans subject to the provisions of this section shall provide the department with the data requested by the department for inclusion in the annual report.

376.1225. 1. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed on or after August 28, 1998, shall provide coverage for administration of general anesthesia and hospital charges for dental care provided to the following covered persons:

(1) A child under the age of five;

(2) A person who is severely disabled; or

(3) A person who has a medical or behavioral condition which requires hospitalization or general anesthesia when dental care is provided.

2. Each plan as described in this section must provide coverage for administration of general anesthesia and hospital or office charges for treatment rendered by a dentist, regardless of whether the services are provided in a participating hospital or surgical center or office.

3. Nothing in this section shall prevent a health carrier from requiring prior authorization for hospitalization for dental care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions.

4. Nothing in this section shall apply to accident-only, dental-only plans or other specified disease, hospital indemnity, Medicare supplement or long-term care policies, or short-term major medical policies **[**~~of six months or less in duration~~**] having a duration of less than one year**.

376.1230. 1. Every policy issued by a health carrier, as defined in section 376.1350, shall provide coverage for chiropractic care delivered by a licensed chiropractor acting within the scope of his or her practice as defined in chapter 331. The coverage shall include initial diagnosis and clinically appropriate and medically necessary services and supplies required to treat the diagnosed disorder, subject to the terms and conditions of the policy. The coverage may be limited to chiropractors within the health carrier's network, and nothing in this section shall be construed to require a health carrier to contract with a chiropractor not in the carrier's network nor shall a carrier be required to reimburse for services rendered by a nonnetwork chiropractor unless prior approval has been obtained from the carrier by the enrollee. An enrollee may access chiropractic care within the network for a total of twenty-six chiropractic physician office visits per policy period, but may be required to provide the health carrier with notice prior to any additional visit as a condition of coverage. A health carrier may require prior authorization or notification before any follow-up diagnostic tests are ordered by a chiropractor or for any office visits for

treatment in excess of twenty-six in any policy period. The certificate of coverage for any health benefit plan issued by a health carrier shall clearly state the availability of chiropractic coverage under the policy and any limitations, conditions, and exclusions.

2. A health benefit plan shall provide coverage for treatment of a chiropractic care condition and shall not establish any rate, term, or condition that places a greater financial burden on an insured for access to treatment for a chiropractic care condition than for access to treatment for another physical health condition.

3. The provisions of this section shall not apply to any health plan or contract that is individually underwritten.

4. The provisions of this section shall not apply to benefits provided under the Medicaid program.

5. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other similar supplemental policy.

376.1232. 1. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2010, shall offer coverage for prosthetic devices and services, including original and replacement devices, as prescribed by a physician acting within the scope of his or her practice.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.

3. The amount of the benefit for prosthetic devices and services under this section shall be no less than the annual and lifetime benefit maximums applicable to the basic health care services required to be provided under the health benefit plan. If the health benefit plan does not include any annual or lifetime maximums applicable to basic health care services, the amount of the benefit for prosthetic devices and services shall not be subject to an annual or lifetime maximum benefit level. Any co-payment, coinsurance, deductible, and maximum out-of-pocket amount applied to the benefit for prosthetic devices and services shall be no more than the most common amounts applied to the basic health care services required to be provided under the health benefit plan.

4. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1235. 1. No health carrier or health benefit plan, as defined in section 376.1350, shall impose a co-payment or coinsurance percentage charged to the insured for services rendered for each date of service by a physical therapist licensed under chapter 334 or an occupational therapist licensed under chapter 324, for services that require a prescription, that is greater than the co-payment or coinsurance percentage charged to the insured for the services of a primary care physician licensed under chapter 334 for an office visit.

2. A health carrier or health benefit plan shall clearly state the availability of physical therapy and occupational therapy coverage under its plan and all related limitations, conditions, and exclusions.

3. Beginning September 1, 2016, the oversight division of the joint committee on legislative research shall perform an actuarial analysis of the cost impact to health carriers, insureds with a health benefit plan, and other private and public payers if the provisions of this section regarding occupational therapy coverage were enacted. By December 31, 2016, the director of the oversight division of the joint committee on legislative research shall submit a report of the actuarial findings prescribed by this section to the speaker, the president pro tem, and the chairpersons of both the house of representatives and senate standing committees having jurisdiction over health insurance matters. If the fiscal note cost estimation is less than the cost of an actuarial analysis, the actuarial analysis requirement shall be waived.

4. This section shall not apply to short-term major medical policies having a duration of less than one year."; and

Further amend said bill, Page 2, Section 376.1237, Lines 12-17, by deleting said lines and inserting in lieu thereof the following:

"4. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only,

Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration."; and

Further amend said bill, page, and section, Line 18, by inserting after all of said section and line the following:

"376.1250. 1. All individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed on or after August 28, 1999, and providing coverage to any resident of this state shall provide benefits or coverage for:

(1) A pelvic examination and pap smear for any nonsymptomatic woman covered under such policy or contract, in accordance with the current American Cancer Society guidelines;

(2) A prostate examination and laboratory tests for cancer for any nonsymptomatic man covered under such policy or contract, in accordance with the current American Cancer Society guidelines; and

(3) A colorectal cancer examination and laboratory tests for cancer for any nonsymptomatic person covered under such policy or contract, in accordance with the current American Cancer Society guidelines.

2. Coverage and benefits related to the examinations and tests as required by this section shall be at least as favorable and subject to the same dollar limits, deductible, and co-payments as other covered benefits or services.

3. Nothing in this act shall apply to accident-only, hospital indemnity, Medicare supplement, long-term care, or other limited benefit health insurance policies.

4. The provisions of this section shall not apply to short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**.

5. The attending physician shall advise the patient of the advantages, disadvantages, and risks, including cancer, associated with breast implantation prior to such operation.

6. Nothing in this section shall alter, impair or otherwise affect claims, rights or remedies available pursuant to law.

376.1253. 1. Each physician attending any patient with a newly diagnosed cancer shall inform the patient that the patient has the right to a referral for a second opinion by an appropriate board-certified specialist prior to any treatment. If no specialist in that specific cancer diagnosis area is in the provider network, a referral shall be made to a nonnetwork specialist in accordance with this section.

2. Each health carrier or health benefit plan, as defined in section 376.1350, that offers or issues health benefit plans which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2003, shall provide coverage for a second opinion rendered by a specialist in that specific cancer diagnosis area when a patient with a newly diagnosed cancer is referred to such specialist by his or her attending physician. Such coverage shall be subject to the same deductible and coinsurance conditions applied to other specialist referrals and all other terms and conditions applicable to other benefits, including the prior authorization and/or referral authorization requirements as specified in the applicable health insurance policy.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1257. 1. As used in this section the following terms shall mean:

(1) "Anticancer medications", medications used to kill or slow the growth of cancerous cells;

(2) "Covered person", a policyholder, subscriber, enrollee, or other individual enrolled in or insured by a health benefit plan for health insurance coverage;

(3) "Health benefit plan", shall have the same meaning as defined in section 376.1350.

2. Any health benefit plan that provides coverage and benefits for cancer treatment shall provide coverage of prescribed orally administered anticancer medications on a basis no less favorable than intravenously administered or injected anticancer medications.

3. Coverage of orally administered anticancer medication shall not be subject to any prior authorization, dollar limit, co-payment, deductible, or other out-of-pocket expense that does not apply to intravenously administered or injected anticancer medication, regardless of formulation or benefit category determination by the company administering the health benefit plan.

4. The health benefit plan shall not reclassify or increase any type of cost-sharing to the covered person for anticancer medications in order to achieve compliance with this section. Any change in health insurance coverage, which otherwise increases an out-of-pocket expense to anticancer medications, shall be applied to the majority of comparable medical or pharmaceutical benefits covered by the health benefit plan.

5. Notwithstanding the provisions of subsections 2, 3, and 4 of this section, a health benefit plan that limits the total amounts paid by a covered person through all cost-sharing requirements to no more than seventy-five dollars per thirty-day supply for any orally administered anticancer medication shall be considered in compliance with this section. On January 1, 2016, and on January first of each year thereafter, a health benefit plan may adjust such seventy-five dollar limit. The adjustment shall not exceed the Consumer Price Index for All Urban Consumers Midwest Region for that year. For purposes of this subsection "cost-sharing requirements" shall include co-payments, coinsurance, deductibles, and any other amounts paid by the covered person for that prescription.

6. For a health benefit plan that meets the definition of "high deductible health plan" as defined by 26 U.S.C. 223(c)(2), the provisions of subsection 5 of this section shall only apply after a covered person's deductible has been satisfied for the year.

7. **The provisions of this section shall not apply to short-term major medical policies having a duration of less than one year.**

8. The provisions of this section shall become effective January 1, 2015.

376.1275. 1. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2003, shall include coverage for their members for the cost for human leukocyte antigen testing, also referred to as histocompatibility locus antigen testing, for A, B, and DR antigens for utilization in bone marrow transplantation. The testing must be performed in a facility which is accredited by the American Association of Blood Banks or its successors, and is licensed under the Clinical Laboratory Improvement Act, 42 U.S.C. Section 263a, as amended, and is accredited by the American Association of Blood Banks or its successors, the College of American Pathologists, the American Society for Histocompatibility and Immunogenetics (ASHI) or any other national accrediting body with requirements that are substantially equivalent to or more stringent than those of the College of American Pathologists. At the time of testing, the person being tested must complete and sign an informed consent form which also authorizes the results of the test to be used for participation in the National Marrow Donor Program. The health benefit plan may limit each enrollee to one such testing per lifetime to be reimbursed at a cost of no greater than seventy-five dollars by the health carrier or health benefit plan.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.

3. The health care service required by this section shall not be subject to any greater deductible or co-payment than other similar health care services provided by the health benefit plan.

4. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

376.1290. 1. Each entity offering individual and group health insurance policies providing coverage on an expense-incurred basis, individual and group service or indemnity type contracts issued by a health services corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements, to the extent not preempted by federal law, and all managed health care delivery entities of any type or description that are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall offer coverage for testing pregnant women for lead poisoning and for all testing for lead poisoning authorized by sections 701.340 to 701.349 or by rule of the department of health and senior services promulgated pursuant to sections 701.340 to 701.349.

2. Health care services required by this section shall not be subject to any greater deductible or co-payment than any other health care service provided by the policy, contract or plan.

3. No entity enumerated in subsection 1 of this section shall reduce or eliminate coverage as a result of the requirements of this section.

4. Nothing in this section shall apply to **short-term major medical policies having a duration of one year or less, or to** accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care or other limited benefit health insurance policies.

376.1400. 1. Every health insurance carrier offering policies of insurance in this state shall use standardized information for the explanation of benefits given to the health care provider whenever a claim is paid or denied. As used in this section, the term "health insurance carrier" shall have the meaning given to "health carrier" in section 376.1350. Nothing in this section shall apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, short-term major medical policies **[**~~of six months or less duration~~**]** **having a duration of less than one year**, other limited benefit health insurance policies.

2. The standardized information shall contain the following:

(1) The name of the insured;

(2) The insured's identification number;

(3) The date of service;

(4) Amount of charge;

(5) Explanation for any denial;

(6) The amount paid;

(7) The patient's full name;

(8) The name and address of the insurer; and

(9) The phone number to contact for questions on explanation of benefits.

3. All health insurance carriers shall use the standard explanation of benefits information after January 1, 2002.

376.1550. 1. Notwithstanding any other provision of law to the contrary, each health carrier that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2005, shall provide coverage for a mental health condition, as defined in this section, and shall comply with the following provisions:

(1) A health benefit plan shall provide coverage for treatment of a mental health condition and shall not establish any rate, term, or condition that places a greater financial burden on an insured for access to treatment for a mental health condition than for access to treatment for a physical health condition. Any deductible or out-of-pocket limits required by a health carrier or health benefit plan shall be comprehensive for coverage of all health conditions, whether mental or physical;

(2) The coverages set forth is this subsection:

(a) May be administered pursuant to a managed care program established by the health carrier; and

(b) May deliver covered services through a system of contractual arrangements with one or more providers, hospitals, nonresidential or residential treatment programs, or other mental health service delivery entities certified by the department of mental health, or accredited by a nationally recognized organization, or licensed by the state of Missouri;

(3) A health benefit plan that does not otherwise provide for management of care under the plan or that does not provide for the same degree of management of care for all health conditions may provide coverage for treatment of mental health conditions through a managed care organization; provided that the managed care organization is in compliance with rules adopted by the department of insurance, financial institutions and professional registration that assure that the system for delivery of treatment for mental health conditions does not diminish or negate the purpose of this section. The rules adopted by the director shall assure that:

(a) Timely and appropriate access to care is available;

(b) The quantity, location, and specialty distribution of health care providers is adequate; and

(c) Administrative or clinical protocols do not serve to reduce access to medically necessary treatment for any insured;

(4) Coverage for treatment for chemical dependency shall comply with sections 376.779, 376.810 to 376.814, and 376.825 to 376.836 and for the purposes of this subdivision the term "health insurance policy" as used in sections 376.779, 376.810 to 376.814, and 376.825 to 376.836, the term "health insurance policy" shall include group coverage.

2. As used in this section, the following terms mean:

(1) "Chemical dependency", the psychological or physiological dependence upon and abuse of drugs, including alcohol, characterized by drug tolerance or withdrawal and impairment of social or occupational role functioning or both;

(2) "Health benefit plan", the same meaning as such term is defined in section 376.1350;

(3) "Health carrier", the same meaning as such term is defined in section 376.1350;

(4) "Mental health condition", any condition or disorder defined by categories listed in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders except for chemical dependency;

(5) "Managed care organization", any financing mechanism or system that manages care delivery for its members or subscribers, including health maintenance organizations and any other similar health care delivery system or organization;

(6) "Rate, term, or condition", any lifetime or annual payment limits, deductibles, co-payments, coinsurance, and other cost-sharing requirements, out-of-pocket limits, visit limits, and any other financial component of a health benefit plan that affects the insured.

3. This section shall not apply to a health plan or policy that is individually underwritten or provides such coverage for specific individuals and members of their families pursuant to section 376.779, sections 376.810 to 376.814, and sections 376.825 to 376.836, a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, hospitalization-surgical care policy, short-term major medical policies **[**~~of six months or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.

4. Notwithstanding any other provision of law to the contrary, all health insurance policies that cover state employees, including the Missouri consolidated health care plan, shall include coverage for mental illness. Multiyear group policies need not comply until the expiration of their current multiyear term unless the policyholder elects to comply before that time.

5. The provisions of this section shall not be violated if the insurer decides to apply different limits or exclude entirely from coverage the following:

(1) Marital, family, educational, or training services unless medically necessary and clinically appropriate;

(2) Services rendered or billed by a school or halfway house;

(3) Care that is custodial in nature;

(4) Services and supplies that are not immediately nor clinically appropriate; or

(5) Treatments that are considered experimental.

6. The director shall grant a policyholder a waiver from the provisions of this section if the policyholder demonstrates to the director by actual experience over any consecutive twenty-four-month period that compliance with this section has increased the cost of the health insurance policy by an amount that results in a two percent increase in premium costs to the policyholder. The director shall promulgate rules establishing a procedure and appropriate standards for making such a demonstration. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

376.1900. 1. As used in this section, the following terms shall mean:

(1) "Electronic visit", or "e-visit", an online electronic medical evaluation and management service completed using a secured web-based or similar electronic-based communications network for a single patient encounter. An electronic visit shall be initiated by a patient or by the guardian of a patient with the health care provider, be completed using a federal Health Insurance Portability and Accountability Act (HIPAA)-compliant online connection, and include a permanent record of the electronic visit;

(2) "Health benefit plan" shall have the same meaning ascribed to it in section 376.1350;

(3) "Health care provider" shall have the same meaning ascribed to it in section 376.1350;

(4) "Health care service", a service for the diagnosis, prevention, treatment, cure or relief of a physical or mental health condition, illness, injury or disease;

(5) "Health carrier" shall have the same meaning ascribed to it in section 376.1350;

(6) "Telehealth" shall have the same meaning ascribed to it in section 208.670.

2. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2014, shall not deny coverage for a health care service on the basis that the health care service is provided through telehealth if the same service would be covered if provided through face-to-face diagnosis, consultation, or treatment.

3. A health carrier may not exclude an otherwise covered health care service from coverage solely because the service is provided through telehealth rather than face-to-face consultation or contact between a health care provider and a patient.

4. A health carrier shall not be required to reimburse a telehealth provider or a consulting provider for site origination fees or costs for the provision of telehealth services; however, subject to correct coding, a health carrier shall reimburse a health care provider for the diagnosis, consultation, or treatment of an insured or enrollee when the health care service is delivered through telehealth on the same basis that the health carrier covers the service when it is delivered in person.

5. A health care service provided through telehealth shall not be subject to any greater deductible, co-payment, or coinsurance amount than would be applicable if the same health care service was provided through face-to-face diagnosis, consultation, or treatment.

6. A health carrier shall not impose upon any person receiving benefits under this section any co-payment, coinsurance, or deductible amount, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services that is not equally imposed upon all terms and services covered under the policy, contract, or health benefit plan.

7. Nothing in this section shall preclude a health carrier from undertaking utilization review to determine the appropriateness of telehealth as a means of delivering a health care service, provided that the determinations shall be made in the same manner as those regarding the same service when it is delivered in person.

8. A health carrier or health benefit plan may limit coverage for health care services that are provided through telehealth to health care providers that are in a network approved by the plan or the health carrier.

9. Nothing in this section shall be construed to require a health care provider to be physically present with a patient where the patient is located unless the health care provider who is providing health care services by means of telehealth determines that the presence of a health care provider is necessary.

10. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies **[**~~of six months' or less duration~~**] having a duration of less than one year**, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration. "208.909. 1. Consumers receiving personal care assistance services shall be responsible for:

(1) Supervising their personal care attendant;

(2) Verifying wages to be paid to the personal care attendant;

(3) Preparing and submitting time sheets, signed by both the consumer and personal care attendant, to the vendor on a biweekly basis;

(4) Promptly notifying the department within ten days of any changes in circumstances affecting the personal care assistance services plan or in the consumer's place of residence;

(5) Reporting any problems resulting from the quality of services rendered by the personal care attendant to the vendor. If the consumer is unable to resolve any problems resulting from the quality of service rendered by the personal care attendant with the vendor, the consumer shall report the situation to the department; **[**~~and~~**]**

(6) Providing the vendor with all necessary information to complete required paperwork for establishing the employer identification number**; and**

(7) Allowing the vendor to comply with its quality assurance and supervision process, which shall include, but not be limited to, bi-annual face-to-face home visits and monthly case management activities.

2. Participating vendors shall be responsible for:

(1) Collecting time sheets or reviewing reports of delivered services and certifying the accuracy thereof;

(2) The Medicaid reimbursement process, including the filing of claims and reporting data to the department as required by rule;

(3) Transmitting the individual payment directly to the personal care attendant on behalf of the consumer;

(4) Monitoring the performance of the personal care assistance services plan. **Such monitoring shall occur during the bi-annual face-to-face home visits under section 208.918. The vendor shall document whether the attendant was present and if services are being provided to the consumer as set forth in the plan of care.**

3. No state or federal financial assistance shall be authorized or expended to pay for services provided to a consumer under sections 208.900 to 208.927, if the primary benefit of the services is to the household unit, or is a household task that the members of the consumer's household may reasonably be expected to share or do for one another when they live in the same household, unless such service is above and beyond typical activities household members may reasonably provide for another household member without a disability.

4. No state or federal financial assistance shall be authorized or expended to pay for personal care assistance services provided by a personal care attendant who is listed on any of the background check lists in the family care safety registry under sections 210.900 to **[**~~210.937~~**] 210.936**, unless a good cause waiver is first obtained from the department in accordance with section 192.2495.

5. (1) All vendors shall, by July 1, 2015, have, maintain, and use a telephone tracking system for the purpose of reporting and verifying the delivery of consumer-directed services as authorized by the department of health and senior services or its designee. **[**~~Use of such a system prior to July 1, 2015, shall be voluntary.~~**]** The telephone tracking system shall be used to process payroll for employees and for submitting claims for reimbursement to the MO HealthNet division. At a minimum, the telephone tracking system shall:

(a) Record the exact date services are delivered;

(b) Record the exact time the services begin and exact time the services end;

(c) Verify the telephone number from which the services are registered;

(d) Verify that the number from which the call is placed is a telephone number unique to the client;

(e) Require a personal identification number unique to each personal care attendant;

(f) Be capable of producing reports of services delivered, tasks performed, client identity, beginning and ending times of service and date of service in summary fashion that constitute adequate documentation of service; and

(g) Be capable of producing reimbursement requests for consumer approval that assures accuracy and compliance with program expectations for both the consumer and vendor.

(2) **[**~~The department of health and senior services, in collaboration with other appropriate agencies, including centers for independent living, shall establish telephone tracking system pilot projects, implemented in two regions of the state, with one in an urban area and one in a rural area. Each pilot project shall meet the requirements of this section and section 208.918. The department of health and senior services shall, by December 31, 2013, submit a report to the governor and general assembly detailing the outcomes of these pilot projects. The report shall take into consideration the impact of a telephone tracking system on the quality of the services delivered to the consumer and the principles of self-directed care.~~

~~(3)~~**]** As new technology becomes available, the department may allow use of a more advanced tracking system, provided that such system is at least as capable of meeting the requirements of this subsection.

[~~(4)~~**] (3)** The department of health and senior services shall promulgate by rule the minimum necessary criteria of the telephone tracking system. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2010, shall be invalid and void.

[~~6. In the event that a consensus between centers for independent living and representatives from the executive branch cannot be reached, the telephony report issued to the general assembly and governor shall include a minority report which shall detail those elements of substantial dissent from the main report.

7. No interested party, including a center for independent living, shall be required to contract with any particular vendor or provider of telephony services nor bear the full cost of the pilot program.~~**]**

208.918. 1. In order to qualify for an agreement with the department, the vendor shall have a philosophy that promotes the consumer's ability to live independently in the most integrated setting or the maximum community inclusion of persons with physical disabilities, and shall demonstrate the ability to provide, directly or through contract, the following services:

(1) Orientation of consumers concerning the responsibilities of being an employer**[**~~,~~**] and** supervision of personal care attendants including the preparation and verification of time sheets**. Such orientation shall include notifying consumers that falsification of personal care attendant time sheets shall be considered fraud and shall be reported to the department**;

(2) Training for consumers about the recruitment and training of personal care attendants;

(3) Maintenance of a list of persons eligible to be a personal care attendant;

(4) Processing of inquiries and problems received from consumers and personal care attendants;

(5) Ensuring the personal care attendants are registered with the family care safety registry as provided in sections 210.900 to **[**~~210.937~~**] 210.936**; and

(6) The capacity to provide fiscal conduit services through a telephone tracking system by the date required under section 208.909.

2. In order to maintain its agreement with the department, a vendor shall comply with the provisions of subsection 1 of this section and shall:

(1) Demonstrate sound fiscal management as evidenced on accurate quarterly financial reports **[**~~and annual audit~~**]** submitted to the department; **[**~~and~~**]**

(2) **Attest that all adequate documentation for all information is provided on reports, and billing records have sufficient required documentation to support the amounts claimed;**

(3) Demonstrate a positive impact on consumer outcomes regarding the provision of personal care assistance services as evidenced on accurate quarterly and annual service reports submitted to the department;

[~~(3)~~**] (4)** Implement a quality assurance and supervision process that ensures program compliance and accuracy of records**:**

(a) The department of health and senior services shall promulgate by rule a consumer-directed services division provider certification manager course; and

(b) The vendor shall perform with the consumer at least bi-annual face-to-face home visits to provide ongoing monitoring of the provision of services in the plan of care and assess the quality of care being delivered. The bi-annual face-to-face home visits do not preclude the vendor's responsibility from its ongoing diligence of case management oversight; **[**~~and~~

~~(4)~~**] (5)** Comply with all provisions of sections 208.900 to 208.927, and the regulations promulgated thereunder**; and**

(6) Maintain a proper business location, the criteria for which shall be defined by the department of health and senior services by rule.

3. No state or federal funds shall be authorized or expended if the owner, primary operator, certified manager, or any direct employee of the consumer-directed services vendor is also the personal care attendant.

208.924. A consumer's personal care assistance services may be discontinued under circumstances such as the following:

(1) The department learns of circumstances that require closure of a consumer's case, including one or more of the following: death, admission into a long-term care facility, no longer needing service, or inability of the consumer to consumer-direct personal care assistance service;

(2) The consumer has falsified records**; provided false information of his or her condition, functional capacity, or level of care needs;** or committed fraud;

(3) The consumer is noncompliant with the plan of care. Noncompliance requires persistent actions by the consumer which negate the services provided in the plan of care;

(4) The consumer or member of the consumer's household threatens or abuses the personal care attendant or vendor to the point where their welfare is in jeopardy and corrective action has failed;

(5) The maintenance needs of a consumer are unable to continue to be met because the plan of care hours exceed availability; and

(6) The personal care attendant is not providing services as set forth in the personal care assistance services plan and attempts to remedy the situation have been unsuccessful."; and

to
House Amendment No. 12

AMEND House Amendment No. 12 to House Committee Substitute for Senate Committee Substitute for Senate Bill No. 718, Page 1, Line 4, by inserting immediately before the number "208.909" the following:

"**191.250. 1. This section shall be known and may be cited as "Simon's Law".**

2. As used in this section the following terms shall mean:

(1) "End-of-life medical decision order for a child under juvenile or family court jurisdiction", a decision issued by a juvenile or family court pertaining to life-sustaining treatment, including do-not-resuscitate orders, provided on behalf of and in the best interests of a child under juvenile or family court jurisdiction under section 211.031;

(2) "Reasonable medical judgment", a medical judgment that would be made by a reasonably prudent physician who is knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.

3. For a child who is not under juvenile or family court jurisdiction under section 211.031, no health care facility, nursing home, physician, nurse, or medical staff shall institute a do-not-resuscitate order or similar physician's order, either orally or in writing, without the written or oral consent of at least one parent or legal guardian of the patient or resident under eighteen years of age who is not emancipated. If consent to implement a do-not-resuscitate order or similar physician's order is granted orally, two witnesses other than the parent, legal guardian, or physician shall be present and willing to attest to the consent given by the legal guardian of the patient or at least one parent of the patient. The provision of such consent shall be immediately recorded in the patient's medical record, specifying who provided the information, to whom the information was provided, which parent or legal guardian gave the consent, who the witnesses were, and the date and time the consent was obtained.

4. The requirements of subsection 3 of this section shall not apply if a reasonably diligent effort of at least forty-eight hours without success has been made to contact and inform each known parent or legal guardian of the intent to implement a do-not-resuscitate order or similar physician's order.

5. Consent previously given under subsection 3 of this section may be revoked orally or in writing by the parent or legal guardian of the patient or resident who granted the original permission. Such revocation of prior consent shall take precedence over any prior consent to implement a do-not-resuscitate order or similar physician's order and shall be immediately recorded in the patient's or resident's medical records, specifying who provided the information, to whom the information was provided, which parent or legal guardian revoked consent, who the witnesses were, and the date and time the revocation was obtained.

6. For a child under juvenile court jurisdiction under section 211.031, a juvenile or family court may issue an end-of-life medical decision order, a physician's order, or any other medical decision order, or may appoint a guardian for the child for that purpose. The children's division shall not be appointed as guardian for a child to make end-of-life medical decisions, including do-not-resuscitate orders. In the event a child under the jurisdiction of a juvenile or family court under section 211.031 is returned to the custody of the legal guardian or parent, the legal guardian or parent may revoke the consent for the end-of-life medical decisions, or similar physician's orders ordered by the court, including do-not-resuscitate orders for the child. Revocation may be orally or in writing and shall be immediately recorded in the patient's medical records, specifying who provided the information, to whom the information was provided, which parent or legal guardian revoked consent, who the witnesses were, and the date and time the revocation was obtained.

7. For the purposes of this section, a relative caregiver under the provisions of section 431.058 shall have the same authority given to a parent or legal guardian of a nonemancipated patient or resident under eighteen years of age, provided that such a patient or resident is not under juvenile or family court jurisdiction under section 211.031.

8. Nothing in this section shall be construed to require any health care facility, nursing home, physician, nurse, or medical staff to provide or continue any treatment, including resuscitative efforts, food, medication, oxygen, intravenous fluids, or nutrition that would be:

(1) Medically inappropriate because, in reasonable medical judgement, providing such treatment would create a greater risk of causing or hastening the death of the patient; or

(2) Medically inappropriate because, in reasonable medical judgement, providing such treatment would be potentially harmful or cause unnecessary pain, suffering, or injury to the patient.

9. Nothing in this section shall require health care providers to continue cardiopulmonary resuscitation or manual ventilation beyond a time in which, in their reasonable medical judgment, there is no further benefit to the patient or likely recovery of the patient."; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SIXTY-EIGHTH DAY, MONDAY, MAY 7, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Representative Charlie Davis.

Gracious God and creator of all that is good, I thank You for loving us, even though we don't deserve it. I thank You for caring for us, even though we don't deserve it. I thank You for allowing us to take part in heaven, again, even though we don't deserve it. It's not because of who we are but because of what You've done; it's not because of what we've done but because of who You are that gives us hope. I pray, O God, Your blessing to be poured out upon this nation and the great state. Give our leaders wisdom and strength to make decisions that make us a stronger, more caring people. May You give us endurance for these last two weeks of this legislative session, that we will leave this place knowing we have done our best to do what is right for our people, for Your people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Brandon Fisher, Lillian Rose Parker, and Jacob Coleman Parker.

The Journal of the sixty-sixth day was approved as printed by the following vote:

Such statement shall be made on an annual basis**, unless a statement is issued by a department of transportation certified medical examiner, in which case such examiner may issue a statement for up to a two-year duration, subject to rules promulgated by the department of transportation**. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

No person shall operate any school bus owned by or under contract with a public school or the state board of education unless such driver has qualified for a school bus endorsement under this section and complied with the pertinent rules and regulations of the department of revenue and any final rule issued by the secretary of the United States Department of Transportation or has a valid school bus endorsement on a valid commercial driver's license issued by another state. A school bus endorsement shall be issued to any applicant who meets the following qualifications:

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

4. Such persons include, but are not limited to, administrators, teachers, aides, paraprofessionals, assistants, secretaries, custodians, cooks, and nurses. The school district shall also ensure that a criminal background check is conducted for school bus drivers. The district may allow such drivers to operate buses pending the result of the criminal background check. For bus drivers, the school district shall be responsible for conducting the criminal background check on drivers employed by the school district. For drivers employed by a pupil transportation company**, a municipality, or any other entity** under contract with the school district, the criminal background check shall be conducted pursuant to section 43.540 and conform to the requirements established in the National Child Protection Act of 1993, as amended by the Volunteers for Children Act. Personnel who have successfully undergone a criminal background check and a check of the family care safety registry as part of the professional license application process under section 168.021 and who have received clearance on the checks within one prior year of employment shall be considered to have completed the background check requirement. A criminal background check under this section shall include a search of any information publicly available in an electronic format through a public index or single case display.

2. In order to facilitate the criminal history background check, the applicant shall submit a set of fingerprints collected pursuant to standards determined by the Missouri highway patrol. The fingerprints shall be used by the highway patrol to search the criminal history repository and shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files.

3. The applicant shall pay the fee for the state criminal history record information pursuant to section 43.530 and sections 210.900 to 210.936 and pay the appropriate fee determined by the Federal Bureau of Investigation for the federal criminal history record when he or she applies for a position authorized to have contact with pupils pursuant to this section. The department shall distribute the fees collected for the state and federal criminal histories to the Missouri highway patrol.

4. The department of elementary and secondary education shall facilitate an annual check of employed persons holding current active certificates under section 168.021 against criminal history records in the central repository under section 43.530, the sexual offender registry under sections 589.400 to **[**~~589.475~~**]** **589.426**, and child abuse central registry under sections 210.109 to 210.183. The department of elementary and secondary education

shall facilitate procedures for school districts to submit personnel information annually for persons employed by the school districts who do not hold a current valid certificate who are required by subsection 1 of this section to undergo a criminal background check, sexual offender registry check, and child abuse central registry check. The Missouri state highway patrol shall provide ongoing electronic updates to criminal history background checks of those persons previously submitted, both those who have an active certificate and those who do not have an active certificate, by the department of elementary and secondary education. This shall fulfill the annual check against the criminal history records in the central repository under section 43.530.

5. The school district may adopt a policy to provide for reimbursement of expenses incurred by an employee for state and federal criminal history information pursuant to section 43.530.

6. If, as a result of the criminal history background check mandated by this section, it is determined that the holder of a certificate issued pursuant to section 168.021 has pled guilty or nolo contendere to, or been found guilty of a crime or offense listed in section 168.071, or a similar crime or offense committed in another state, the United States, or any other country, regardless of imposition of sentence, such information shall be reported to the department of elementary and secondary education.

7. Any school official making a report to the department of elementary and secondary education in conformity with this section shall not be subject to civil liability for such action.

8. For any teacher who is employed by a school district on a substitute or part-time basis within one year of such teacher's retirement from a Missouri school, the state of Missouri shall not require such teacher to be subject to any additional background checks prior to having contact with pupils. Nothing in this subsection shall be construed as prohibiting or otherwise restricting a school district from requiring additional background checks for such teachers employed by the school district.

9. A criminal background check and fingerprint collection conducted under subsections 1 and 2 of this section shall be valid for at least a period of one year and transferrable from one school district to another district. A school district may, in its discretion, conduct a new criminal background check and fingerprint collection under subsections 1 and 2 for a newly hired employee at the district's expense. A teacher's change in type of certification shall have no effect on the transferability or validity of such records.

10. Nothing in this section shall be construed to alter the standards for suspension, denial, or revocation of a certificate issued pursuant to this chapter.

11. The state board of education may promulgate rules for criminal history background checks made pursuant to this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2005, shall be invalid and void."; and

Further amend said bill, Page 4, Section 304.060, Line 25, by inserting after all of said line the following:

"**3. Notwithstanding the provisions of subsection 1 of this section, any school board in the state of Missouri may contract with any municipality for the purpose of transporting school children attending a grade or grades not lower than the ninth nor higher than the twelfth grade. Such contract shall require the presence of an adult supervisor who is approved by the school board on any municipal vehicle while such vehicle is transporting children under this subsection. Any time school children are being transported by a municipal vehicle under this subsection, such vehicle shall include a section of seating designated solely for use by school children. Municipalities entering into any such contract shall comply with the requirements of this section and sections 162.064, 162.065, 168.133, and 307.375.**"; and

Further amend said bill and section, by renumbering subsequent subsections accordingly; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

"610.140. 1. Notwithstanding any other provision of law and subject to the provisions of this section, any person may apply to any court in which such person was charged or found guilty of any offenses, violations, or infractions for an order to expunge records of such arrest, plea, trial, or conviction. Subject to the limitations of subsection 12 of this section, a person may apply to have one or more offenses, violations, or infractions expunged if such offense, violation, or infraction occurred within the state of Missouri and was prosecuted under the jurisdiction of a Missouri municipal, associate circuit, or circuit court, so long as such person lists all the offenses, violations, and infractions he or she is seeking to have expunged in the petition and so long as all such offenses, violations, and infractions are not excluded under subsection 2 of this section. If the offenses, violations, or infractions were charged as counts in the same indictment or information or were committed as part of the same course of criminal conduct, the person may include all the related offenses, violations, and infractions in the petition, regardless of the limits of subsection 12 of this section, and the petition shall only count as a petition for expungement of the highest level violation or offense contained in the petition for the purpose of determining future eligibility for expungement.

(7) Any offense eligible for expungement under section 577.054 or 610.130;

(8) Any intoxication-related traffic or boating offense as defined in section 577.001, or any offense of operating an aircraft with an excessive blood alcohol content or while in an intoxicated condition;

(9) Any ordinance violation that is the substantial equivalent of any offense that is not eligible for expungement under this section; and

(10) Any violations of any state law or county or municipal ordinance regulating the operation of motor vehicles when committed by an individual who has been issued a commercial driver's license or is required to possess a commercial driver's license issued by this state or any other state.

3. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, municipal prosecuting attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses, violations, and infractions listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.

4. The petition shall include the following information:

(1) The petitioner's:

(a) Full name;

(b) Sex;

(c) Race;

(d) Driver's license number, if applicable; and

(e) Current address;

(2) Each offense, violation, or infraction for which the petitioner is requesting expungement;

(3) The approximate date the petitioner was charged for each offense, violation, or infraction; and

(4) The name of the county where the petitioner was charged for each offense, violation, or infraction and if any of the offenses, violations, or infractions occurred in a municipality, the name of the municipality for each offense, violation, or infraction; and

(5) The case number and name of the court for each offense.

5. The clerk of the court shall give notice of the filing of the petition to the office of the prosecuting attorney, circuit attorney, or municipal prosecuting attorney that prosecuted the offenses, violations, or infractions listed in the petition. If the prosecuting attorney, circuit attorney, or municipal prosecuting attorney objects to the petition for expungement, he or she shall do so in writing within thirty days after receipt of service. Unless otherwise agreed upon by the parties, the court shall hold a hearing within sixty days after any written objection is filed, giving reasonable notice of the hearing to the petitioner. If no objection has been filed within thirty days after receipt of service, the court may set a hearing on the matter and shall give reasonable notice of the hearing to each entity named in the petition. At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:

(1) **At the time the petition is filed,** it has been at least seven years if the offense is a felony, or at least three years if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;

(2) The person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 304 and 307, during the time period specified for the underlying offense, violation, or infraction in subdivision (1) of this subsection;

(3) The person has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;

(4) The person does not have charges pending;

(5) The petitioner's habits and conduct demonstrate that the petitioner is not a threat to the public safety of the state; and

(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall close any record in its possession relating to any offense, violation, or infraction listed in the petition, in the manner established by section 610.120. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any offense, infraction, or violation ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313 or permit issued under chapter 571;

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;

(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection.

Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency, prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief.".

14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

COMMUNICATIONS

May 3, 2018

Mr. Adam Crumbliss
Chief Clerk
Missouri House of Representatives
Missouri State Capitol, Room 317A
Jefferson City, MO 65101

Dear Mr. Crumbliss:

It has come to my attention that in the Journal of the House for Wednesday, May 2, 2018, on page 2314, Representative Clem Smith is listed as voting “no” on the third reading of HCS SS SCS SBs 894 & 921.

Since Representative Clem Smith was absent with leave from the House, and participated in no other votes on May 2 before or after the vote on HCS SS SCS SBs 894 & 921, I believe Representative Smith’s vote on this bill was registered in error. JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SIXTY-NINTH DAY, TUESDAY, MAY 8, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

I therefore beg you to live a life worthy of the calling to which you have been called. (Ephesians 4:1)

Eternal God, who in Your word has revealed to us the way, the truth, and the life, lead us, we pray, to walk in Your way, help us to believe Your truth, and give us courage to live Your life. Strengthen our hearts that in the midst of doubts within and disturbances without we may hold fast to those things we believe to be right and good for all people.

Grant Your blessings to all who work under the dome of this capitol and to all who serve our State. May all of us be made strong to do what ought to be done and what must be done if law and order is to prevail, if justice is to be done, and if people are to live together in peace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Max Politte.

The Journal of the sixty-eighth day was approved as printed by the following vote:

Such career and technical organizations shall include, but not be limited to, the nationally recognized organizations of DECA, FBLA, FFA, FCCLA, HOSA, SkillsUSA, and TSA.

The department may ensure accountability and transparency by requiring the career and technical student organizations to provide sworn affidavits annually by personnel in the organization who are responsible for such funds as to the proper receipt and disbursement of such funds."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Black, **House Amendment No. 1** was adopted.

Representative Rhoads offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 743, Page 1, Section A, Line 2, by inserting immediately after said line the following:

"**160.430. 1. For purposes of this section and sections 160.432 and 160.435, "school of innovation" means a program approved by the school board of a school district with a curriculum, delivery method, or instructional model different from the traditional school model. A program qualifies as a school of innovation even if it does not have a building or facility that is separate from other district grade-level school buildings.**

2. Students may attend a school of innovation and still be considered enrolled in a traditional school building for the purposes of cocurricular activities, extracurricular activities, and general courses available to both students in the school of innovation and students in the traditional public school setting.

3. The board of education of a school district may, by a majority vote of the entire board, establish a school of innovation. Before the vote, the board members shall prepare and distribute to all members a written description of the educational mission of the school of innovation, the research that supports that mission, the educational goals for the school of innovation, and the process the district intends to use to determine if the school of innovation is meeting those goals.

4. The school day, school hours, and school term of a school of innovation may be different from other schools in the district. Schools of innovation shall be required to meet the minimum school day or school term requirements in sections 160.011, 160.041, 171.031, and 171.033.

5. For purposes of calculation and distribution of state school funding, attendance of a student enrolled in a school of innovation shall equal, upon completion of the school year, one hundred five percent of the hours of attendance possible for the same or similar program delivered in the traditional school setting offered in the district. State funding shall be calculated in two increments, fifty percent completion and one hundred percent completion, based on the student's completion of the program, with distribution of state funding to a school district at each increment equal to fifty-two and one-half percent of hours of attendance possible for the same or similar program delivered in the traditional program in the district.

6. For the first three years a school of innovation exists, the graduation rates, attendance rates, and scores on the statewide assessments established under section 160.518 of the students enrolled in the school of innovation shall not be considered when determining a district's accreditation status, unless the district chooses for those scores and rates to be considered.

7. The board of a school district that has established a school of innovation shall annually review the overall academic performance of the school of innovation and the progress the school of innovation has made toward achieving the educational goals set when the school was established. The board may, by a majority vote of the entire board, alter, amend, extend, or change the goals or educational mission of the school of innovation. The board may at any time vote to revoke the school's status as a school of innovation.

8. A superintendent of a school district with a school of innovation, or his or her designee, may assign specific teachers and district employees to a school of innovation, regardless of existing policies, practices, or collective bargaining agreements.

9. (1) The board of a school district that has established a school of innovation may, at its discretion, pay a teacher assigned to and teaching in the school of innovation more than what the teacher would otherwise receive on the teacher salary schedule in order to compensate for the additional training, alternative lesson plans, extended hours, and additional duties associated with the position.

(2) Teachers assigned to a school of innovation may earn tenure in the district, but the teachers have no right or entitlement to continue to work in a school of innovation.

(3) Teaching contracts for teachers assigned to a school of innovation shall not include a set number of days, months, or working hours. A teacher assigned to a school of innovation shall receive a school calendar outlining general attendance expectations.

(4) If a district reassigns a teacher from a school of innovation and then pays the teacher on the teacher salary schedule for the district, the reassignment shall not be considered a demotion under sections 168.102 to 168.130, even if the teacher's compensation is reduced.

10. Notwithstanding any provision of chapter 169 or any other provision of law, a teacher receiving retirement benefits under chapter 169 may, without losing his or her retirement benefits, teach on a full-time or part-time basis in a school of innovation if the teacher is certificated and has teaching experience in a subject that is essential to the mission of the school of innovation and the district can demonstrate that it has been unsuccessful in employing a teacher with the same certification and relevant experience in the subject area. A retired teacher who is employed to work at a school of innovation under this subsection shall not be eligible to earn tenure.

11. A school district that establishes a school of innovation may allow students who are not residents of the district to attend the school of innovation upon payment of tuition by the student, parents, or the student's resident school district or charter school. The school district that establishes the school of innovation shall not be responsible for the transportation of nonresident students. A school district may enter into an agreement with the district that has established the school of innovation to share staff, facilities, or other resources in lieu of or in addition to tuition.

12. (1) The board of a school district that has established or that seeks to establish a school of innovation may apply to the state board of education for a waiver of a state statute or regulation that impedes the establishment of a school of innovation or that is otherwise a barrier to the innovative educational mission.

(2) The state board of education shall hold a public hearing to determine if a waiver should be granted. The state board of education may, by a majority vote of the entire state board, waive a state statute or regulation for the limited purpose of operating the school of innovation. Such waiver shall last three years and may be extended by the state board of education for three-year terms upon evidence that the waiver has resulted in the desired educational innovation and opportunity.

13. The department of elementary and secondary education shall review all existing laws, regulations, and processes and take action to remove any identified barriers to school districts using innovative education models. The department of elementary and secondary education shall report to the governor before December 1, 2018, any state or federal statutes or regulations that could impede the establishment of schools of innovation.

14. Subject to appropriation, the governor, or a task force appointed by the governor, shall annually award ten competitive grants to school districts for the establishment, implementation, or expansion of schools of innovation.

160.432. A school district may enter into an agreement with one or more other school districts to provide students access to courses or schools, including schools of innovation. School districts may enter into agreements to share staff, facilities, or other resources in lieu of or in addition to tuition paid by a district for its students to access the courses or schools, including schools of innovation. The school district sponsoring the course or school, including the school of innovation, shall retain financial and legal responsibility unless determined otherwise in the agreement.

160.435. 1. A school district may enter into an agreement with one or more other school districts to cooperatively provide schools to educate resident students of all participating districts. Such schools shall be known as "cooperative schools". Cooperative school services may be provided in the facilities of any of the cooperating districts or in facilities leased by the cooperating districts or through a third-party vendor. The agreement shall describe the nature of the services to be provided. Services may include full-day instruction, individual courses, a specialized program of studies, or the establishment of a shared school of innovation.

2. Districts participating in a cooperative school shall equally share financial and legal responsibility for the school, courses, and employees assigned to such schools and courses, unless otherwise determined in the agreement. Participating districts shall contribute funds, facilities, staff, or other resources to operate the cooperative school as determined in the agreement.

3. A cooperative school shall be governed by a committee, with one appointed representative from each participating school district. The committee shall have the legal authority to create and oversee a budget, enter into contracts, employ staff, and pay bills associated with the cooperative school. The financial resources devoted to the cooperative school by the participating districts shall be kept in a separate account, shall be solely devoted to the cooperative school, and shall carry over from year to year to the benefit of the cooperative school.

4. If an agreement under this section expires and no new agreement is reached, a cooperative school may be dissolved by a unanimous vote of the representatives on the committee governing the cooperative school or by a vote of the boards of education of all the participating school districts. If dissolved, all resources, debt, or legal liability incurred shall be divided in accordance with the agreement.

5. Eligible students from participating districts shall have an equal opportunity to attend the cooperative school, as determined by the agreement. Any student enrolled in a participating district shall be reported by the sending participating district for state aid purposes. The cooperative school shall share information and student records with the school districts in which students are enrolled.

6. The committee governing the cooperative school shall employ teachers and other staff necessary to operate the cooperative school. The teaching or administrative contracts shall be with the committee governing the cooperative school rather than with the participating school districts. Teachers teaching at a cooperative school may earn tenure in the cooperative school in accordance with sections 168.102 to 168.130 but shall not earn tenure with any participating district based on employment in the cooperative school.

7. Teachers who were employed by a participating school district immediately before their employment with the cooperative school shall not lose years toward tenure in the participating district or lose tenure previously earned in the participating school district. However, the teacher shall not continue to earn years toward tenure in the participating district during his or her employment with the cooperative school.

8. If the committee governing the cooperative school determines that the school needs to reduce or rearrange staff due to a decrease in student enrollment, reorganization of the program, or financial conditions, teaching staff shall be placed on leaves of absence from the cooperative school in accordance with section 168.124. If a teacher is placed on leave of absence from the cooperative school but has previously earned tenure in a participating district immediately before his or her employment in the cooperative school, the participating district may reemploy the tenured teacher, and the teacher shall be considered tenured upon reemployment. If a teacher is placed on leave of absence from the cooperative school but was a probationary teacher in a participating district immediately before his or her employment with the cooperative school, and the participating district reemploys the teacher, the teacher shall not have lost years toward tenure previously earned with the participating district.

160.545. 1. There is hereby established **[**~~within the department of elementary and secondary education~~**]** the "A+ Schools Program" to be administered by the commissioner of education. The program shall consist of grant awards made to public secondary schools that demonstrate a commitment to ensure that:

(1) All students be graduated from school;

(2) All students complete a selection of high school studies that is challenging and for which there are identified learning expectations; and

(3) All students proceed from high school graduation to a college or postsecondary vocational or technical school or high-wage job with work place skill development opportunities.

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

(1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and

(2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies which will qualify a student for graduation from the school; and

(3) **[**~~Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and~~

~~(4)~~**]** Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and

[~~(5)~~**]** **(4)** Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. The plan shall specify a mechanism to receive information on an annual basis from those who developed the plan in addition to senior citizens, community leaders, and teachers to update the plan in order to best meet the goals of the program as provided in subsection 1 of this section. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

3. Any nonpublic school in this state may apply to the state board of education for certification that it meets the requirements of this section subject to the same criteria as public high schools. Every nonpublic school that applies and has met the requirements of this section shall have its students eligible for reimbursement of postsecondary

education under subsection 8 of this section on an equal basis to students who graduate from public schools that meet the requirements of this section. Any nonpublic school that applies shall not be eligible for any grants under this section. Students of certified nonpublic schools shall be eligible for reimbursement of postsecondary education under subsection 8 of this section so long as they meet the other requirements of such subsection. For purposes of subdivision **[**~~(5)~~**] (4)** of subsection 2 of this section, the nonpublic school shall be included in the partnership plan developed by the public school district in which the nonpublic school is located. For purposes of subdivision (1) of subsection 2 of this section, the nonpublic school shall establish measurable performance standards for the goals of the program for every school and grade level over which the nonpublic school maintains control.

4. A school district may participate in the program irrespective of its accreditation classification by the state board of education, provided it meets all other requirements.

5. By rule and regulation, the state board of education may determine a local school district variable fund match requirement in order for a school or schools in the district to receive a grant under the program. However, no school in any district shall receive a grant under the program unless the district designates a salaried employee to serve as the program coordinator, with the district assuming a minimum of one-half the cost of the salary and other benefits provided to the coordinator. Further, no school in any district shall receive a grant under the program unless the district makes available facilities and services for adult literacy training as specified by rule of the state board of education.

6. For any school that meets the requirements for the approval of the grants authorized by this section and specified in subsection 2 of this section for three successive school years, by August first following the third such school year, the commissioner of education shall present a plan to the superintendent of the school district in which such school is located for the waiver of rules and regulations to promote flexibility in the operations of the school and to enhance and encourage efficiency in the delivery of instructional services in the school. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257 in the school. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school related to the authority of the state board of education to classify school districts pursuant to subdivision (9) of section 161.092 and such other rules and regulations as determined by the commissioner of education, except such waivers shall be confined to the school and not other schools in the school district unless such other schools meet the requirements of this subsection. However, any waiver provided to any school as outlined in this subsection shall be void on June thirtieth of any school year in which the school fails to meet the requirements for the approval of the grants authorized by this section as specified in subsection 2 of this section.

7. For any school year, grants authorized by subsections 1, 2, and 5 of this section shall be funded with the amount appropriated for this program, less those funds necessary to reimburse eligible students pursuant to subsection 8 of this section.

8. The department of higher education shall, by rule, establish a procedure for the reimbursement of the cost of tuition, books and fees to any public community college or vocational or technical school or within the limits established in subsection **[**~~10~~**] 11** of this section for any two-year private vocational or technical school for any student:

(1) Who has attended a high school in the state for at least **[**~~three~~**] two** years **[**~~immediately prior to graduation~~**]** that meets the requirements of subsection 2 of this section; except that, students who are active duty military dependents, and students who are **[**~~dependants~~**] dependents** of retired military who relocate to Missouri within one year of the date of the parent's retirement from active duty, who**[**~~, in the school year immediately preceding graduation,~~**]** meet all other requirements of this subsection and are attending a school that meets the requirements of subsection 2 of this section shall be exempt from the **[**~~three-year~~**] two-year** attendance requirement of this subdivision; and

(2) Who has made a good faith effort to first secure all available federal sources of funding that could be applied to the reimbursement described in this subsection; and

(3) Who has earned a minimal grade average while in high school **or through the semester immediately before taking the course for which he or she seeks reimbursement** as determined by rule of the department of higher education, and other requirements for the reimbursement authorized by this subsection as determined by rule and regulation of the department; and

(4) Who is a citizen or permanent resident of the United States.

9. **A student who meets the requirements established in subsection 8 of this section immediately before taking the course for which he or she seeks reimbursement shall receive reimbursement of the cost of tuition, books, and fees for any dual credit or dual enrollment course offered in a high school in association with a public community college or vocational or technical school, subject to the requirements of subsection 11 of this section. Eligible students who qualify for reimbursement under this subsection shall also receive reimbursement for the costs associated with an advanced placement course or test.**

10. The commissioner of education shall develop a procedure for evaluating the effectiveness of the program described in this section. Such evaluation shall be conducted annually with the results of the evaluation provided to the governor, speaker of the house, and president pro tempore of the senate.

[~~10.~~**]** **11.** For a two-year private vocational or technical school to obtain reimbursements under subsection 8 of this section, the following requirements shall be satisfied:

(1) Such two-year private vocational or technical school shall be a member of the North Central Association and be accredited by the Higher Learning Commission as of July 1, 2008, and maintain such accreditation;

(2) Such two-year private vocational or technical school shall be designated as a 501(c)(3) nonprofit organization under the Internal Revenue Code of 1986, as amended;

(3) No two-year private vocational or technical school shall receive tuition reimbursements in excess of the tuition rate charged by a public community college for course work offered by the private vocational or technical school within the service area of such college; and

(4) The reimbursements provided to any two-year private vocational or technical school shall not violate the provisions of Article IX, Section 8, or Article I, Section 7, of the Missouri Constitution or the first amendment of the United States Constitution."; and

Further amend said bill and page, Section 162.401, Line 9, by inserting immediately after said line the following:

"162.1250. 1. School districts shall receive state school funding under sections 163.031, 163.043, and 163.087 for resident students who are enrolled in the school district and who are taking a virtual course or full-time virtual program offered by the school district. The school district may offer instruction in a virtual setting using technology, intranet, and internet methods of communications that could take place outside of the regular school district facility. The school district may develop a virtual program for any grade level, kindergarten through twelfth grade, with the courses available in accordance with district policy to any resident student of the district who is enrolled in the school district. Nothing in this section shall preclude a private, parochial, or home school student residing within a school district offering virtual courses or virtual programs from enrolling in the school district in accordance with the combined enrollment provisions of section 167.031 for the purposes of participating in the virtual courses or virtual programs.

2. Charter schools shall receive state school funding under section 160.415 for students enrolled in the charter school who are completing a virtual course or full-time virtual program offered by the charter school. Charter schools may offer instruction in a virtual setting using technology, intranet, and internet methods of communications. The charter school may develop a virtual program for any grade level, kindergarten through twelfth grade, with the courses available in accordance with school policy and the charter school's charter to any student enrolled in the charter school.

3. For purposes of calculation and distribution of state school funding, attendance of a student enrolled in a district or charter school virtual class shall equal, upon course completion, **[**~~ninety-four~~**]** **ninety-five** percent of the hours of attendance possible for such class delivered in the nonvirtual program in the student's resident district or charter school. Course completion shall be calculated in two increments, fifty percent completion and one hundred percent completion, based on the student's completion of defined assignments and assessments, with distribution of state funding to a school district or charter school at each increment equal to forty-seven **and one-half** percent of hours of attendance possible for such course delivered in the nonvirtual program in a student's school district of residence or charter school.

4. When courses are purchased from an outside vendor, the district or charter school shall ensure that they are aligned with the **[**~~show-me curriculum~~**]** **state learning** standards and comply with state requirements for teacher certification. The state board of education reserves the right to request information and materials sufficient to evaluate the online course. Online classes should be considered like any other class offered by the school district or charter school.

5. Any school district or charter school that offers instruction in a virtual setting, develops a virtual course or courses, or develops a virtual program of instruction shall ensure that the following standards are satisfied:

(1) The virtual course or virtual program utilizes appropriate content-specific tools and software;

(2) Orientation training is available for teachers, instructors, and students as needed;

(3) Privacy policies are stated and made available to teachers, instructors, and students;

(4) Academic integrity and internet etiquette expectations regarding lesson activities, discussions, electronic communications, and plagiarism are stated to teachers, instructors, and students prior to the beginning of the virtual course or virtual program;

(5) Computer system requirements, including hardware, web browser, and software, are specified to participants;

(6) The virtual course or virtual program architecture, software, and hardware permit the online teacher or instructor to add content, activities, and assessments to extend learning opportunities;

(7) The virtual course or virtual program makes resources available by alternative means, including but not limited to, video and podcasts;

(8) Resources and notes are available for teachers and instructors in addition to assessment and assignment answers and explanations;

(9) Technical support and course management are available to the virtual course or virtual program teacher and school coordinator;

(10) The virtual course or virtual program includes assignments, projects, and assessments that are aligned with students' different visual, auditory, and hands-on learning styles;

(11) The virtual course or virtual program demonstrates the ability to effectively use and incorporate subject-specific and developmentally appropriate software in an online learning module; and

(12) The virtual course or virtual program arranges media and content to help transfer knowledge most effectively in the online environment.

6. Any special school district shall count any student's completion of a virtual course or program in the same manner as the district counts completion of any other course or program for credit.

7. A school district or charter school may contract with multiple providers of virtual courses or virtual programs, provided they meet the criteria for virtual courses or virtual programs under this section.

162.1251. 1. Any individual, organization, company, or charter school that offers a virtual course in Missouri, other than a school district, may request certification of the course by the department of elementary and secondary education. The department shall certify only courses that meet the following requirements as well as other factors determined relevant by the department to verify quality:

(1) The course is aligned with the state learning standards;

(2) The course is taught by a teacher who is certificated to teach in the state of Missouri;

(3) The course and its delivery method meet federal accessibility requirements to accommodate those who are disabled;

(4) The course complies with state and federal privacy requirements for student records;

(5) The course meets the same requirements imposed on virtual courses under section 162.1250;

(6) The course provider does not discriminate on the basis of race, color, religion, sex, national origin, ancestry, disability, English language learner status, or income level; and

(7) If the department requires that school districts administer a statewide assessment or end-of-course assessment in relation to the course, the course provider pays for and administers the assessment to students enrolled in the course.

2. The department of elementary and secondary education may charge a fee to all virtual course providers to pay for the costs of certification and recertification of virtual courses. The department may at any time request information and materials or interview staff or students to evaluate or reevaluate the virtual course or to verify continuing compliance with the requirements established by the department. The department shall investigate any complaint made against a virtual course provider. The department may revoke certification of a course or refuse to recertify a course if the course does not meet the requirements of this section or other relevant laws, the course provider does not comply with requests for information, or the department has articulable concerns regarding the quality of the course or the instruction provided in the course.

3. Each virtual course provider offering a course certified under this section shall annually report to the department of elementary and secondary education and post on the provider's website a report card detailing the number of students who have enrolled in the course and the number of students who have completed the course with a passing grade. If there is a statewide assessment or end-of-course assessment related to the course, the report card shall include the aggregate assessment scores of the students who took the assessment.

4. A virtual course provider offering a course certified under this section shall immediately transfer records upon the request of the parent, the student, or the school district or charter school that has paid for part or all of the virtual course for which the records are requested, regardless of whether additional tuition

or fees are owed for the course. School districts and charter schools are required to accept transferred credit from any virtual course certified by the department of elementary and secondary education upon receipt of adequate records verifying completion of the course by the student.

5. The department of elementary and secondary education may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

162.1252. 1. (1) If a school district or charter school does not offer a particular course a student wishes to take or a course substantially similar to the course a student wishes to take in the school the student attends and the school the student attends gives instruction in a grade or grades not lower than the sixth nor higher than the twelfth grade, the student or his or her parent may submit a written request to the superintendent or his or her designee or the principal of the charter school for the district or charter school to provide the course to the student virtually or otherwise. The written request shall explain why the district or charter school should provide the course to the student. The superintendent or his or her designee or the principal of the charter school shall notify the student or parent of his or her decision with respect to the request within forty-five days of receipt.

(2) If the superintendent or his or her designee or the principal of the charter school declines to offer the course virtually or otherwise, the parent or student may submit a written request to the school board or the governing board of the charter school to provide the course to the student. The school board or the governing board of the charter school shall act on the request within forty-five days of receipt. If the request is denied or not acted upon, and there is a certified virtual course offered in accordance with section 162.1251, the district or charter school shall pay the tuition for the student to take the course if the student meets the requirements of subsection 2 of this section; except that, the district or charter school is required to pay for only one virtual course each semester for a student.

2. To qualify for payment of a virtual course by the district or charter school, the student shall be currently enrolled in the school district or charter school and shall have been enrolled in and regularly attending the school district or charter school for at least one school year. If the student is receiving special educational services, as defined in section 162.675, the student's individualized education program team shall approve the course as appropriate for the student. The district or charter school is not required to pay the tuition for a student to take a virtual course if the student has dropped out of or failed to complete a virtual course within the past three years.

3. No school district or charter school shall pay, for any one course for a student, more than fourteen percent of the state adequacy target, as defined in section 163.011. The virtual course provider shall bill the school district or charter school on a monthly basis. If a student discontinues enrollment in the district or charter school, drops out of the course, or fails to adequately participate in the course, the district or charter school may stop making monthly payments to the virtual course provider.

4. If a school district or charter school pays for a virtual course as required in this section, the district or charter school may collect state aid for the course. For purposes of calculation and distribution of state school funding, attendance of a student enrolled in a virtual course shall equal, upon course completion, ninety-five percent of the hours of attendance possible for a similar course delivered in the nonvirtual program in the student's resident district or charter school. Course completion shall be calculated in two increments, fifty percent completion and one hundred percent completion, based on the student's completion of defined assignments and assessments, with distribution of state funding to a school district or charter school at each increment equal to forty-seven and one-half percent of hours of attendance possible for such course delivered in the nonvirtual program in the student's school district of residence or charter school.

5. The virtual course provider shall provide the school district or charter school all student records and progress reports regarding the performance and attendance of the district or charter school students taking the course.

6. Nothing in this section shall require any school district, any charter school, or the state to provide computers, equipment, or internet access to any student.

7. For purposes of this section, "charter school" shall mean a charter school that has declared itself a local educational agency."; and

Further amend said bill, Page 2, Section 163.018, Line 39, by inserting immediately after said line the following:

"167.231. 1. Within all school districts except metropolitan districts the board of education shall provide transportation to and from school for all pupils living more than three and one-half miles from school and may provide transportation for all pupils. State aid for transportation shall be paid as provided in section 163.161 only on the basis of the cost of pupil transportation for those pupils living one mile or more from school, including transportation provided to and from publicly operated university laboratory schools. The board of education may provide transportation for pupils living less than one mile from school at the expense of the district and may prescribe reasonable rules and regulations as to eligibility of pupils for transportation, and, notwithstanding any other provision of law, no such district shall be subject to an administrative penalty when the district demonstrates pursuant to rule established by the state board of education that such students are required to cross a state highway or county arterial in the absence of sidewalks, traffic signals, or a crossing guard and that no existing bus stop location has been changed to permit a district to evade such penalty. If no increase in the tax levy of the school district is required to provide transportation for pupils living less than one mile from the school, the board may transport said pupils. If an increase in the tax levy of the school district is required to provide transportation for pupils living less than one mile from school, the board shall submit the question at a public election. If a two-thirds majority of the voters voting on the question at the election are in favor of providing the transportation, the board shall arrange and provide therefor.

2. The proposal and the ballots may be in substantially the following form:

Shall the board of education of the school district provide transportation at the expense of the district for pupils living less than one mile from school and be authorized to levy an additional tax of cents on the one hundred dollars assessed valuation to provide funds to pay for such transportation service?

☐ YES ☐ NO

(If you are in favor of the proposition (or question), place an X in the box opposite "YES". If you are opposed to the proposition (or question), place an X in the box opposite "NO".)

3. The board of education of any school district may provide transportation to and from school for any public school pupil not otherwise eligible for transportation under the provisions of state law, and may prescribe reasonable rules and regulations as to eligibility for transportation, if the parents or guardian of the pupil agree in writing to pay the actual cost of transporting the pupil. The minimum charge would be the actual cost of transporting the pupil for ninety school days, which actual cost is to be determined by the average per-pupil cost of transporting children in the school district during the preceding school year. The full actual cost shall be paid by the parent or guardian of the pupil and shall not be paid out of any state school aid funds or out of any other revenues of the school district. The cost of transportation may be paid in installments, and the board of education shall establish the cost of the transportation and the time or times and method of payment.

4. A school district or charter school may arrange to have students transported using alternative methods such as existing public transportation or vehicles other than a school bus, as long as the district or charter school pays the cost of the transportation or provides for the transportation without cost to the student.

168.011. 1. No person shall be employed to teach in any position in a public school until he **or she** has received a valid certificate of license entitling him **or her** to teach in that position.

2. Teaching in the state of Missouri, performing other related education duties, school administration, and teacher education are hereby declared to be professions with all the appropriate rights, responsibilities and privileges accorded to other recognized professions.

3. A district may collect state aid for a student attending a course virtually, through videoconferencing or electronically, even if the supervising employee in the classroom is not a certificated employee as long as the person teaching the course has a valid certificate of license entitling him or her to teach in that position or is employed by a postsecondary institution and is teaching a dual credit, dual enrollment, or advanced placement course.

168.021. 1. Certificates of license to teach in the public schools of the state shall be granted as follows:

(1) By the state board, under rules and regulations prescribed by it:

(a) Upon the basis of college credit;

(b) Upon the basis of examination;

(2) By the state board, under rules and regulations prescribed by the state board with advice from the advisory council established by section 168.015 to any individual who presents to the state board a valid doctoral degree from an accredited institution of higher education accredited by a regional accrediting association such as North Central Association. Such certificate shall be limited to the major area of postgraduate study of the holder, shall be issued only after successful completion of the examination required for graduation pursuant to rules adopted by the state board of education, and shall be restricted to those certificates established pursuant to subdivision (1) of subsection 3 of this section;

(3) By the state board, which shall issue the professional certificate classification in both the general and specialized areas most closely aligned with the current areas of certification approved by the state board, commensurate with the years of teaching experience of the applicant, and based upon the following criteria:

(a) Recommendation of a state-approved baccalaureate-level teacher preparation program;

(b) Successful attainment of the Missouri qualifying score on the exit assessment for teachers or administrators designated by the state board of education. Applicants who have not successfully achieved a qualifying score on the designated examinations will be issued a two-year nonrenewable provisional certificate; and

Such certificate shall be limited to the major area of study of the holder and shall be restricted to those certificates established under subdivision (1) of subsection 3 of this section. Holders of certificates granted under this subdivision shall be exempt from the teacher tenure act under sections 168.102 to 168.130 and each school district shall have the decision-making authority on whether to hire the holders of such certificates; **[**~~or~~**]**

(5) By the state board, under rules and regulations prescribed by it, on the basis of certification by the American Board for Certification of Teacher Excellence (ABCTE) and verification of ability to work with children as demonstrated by sixty contact hours in any one of the following areas as validated by the school principal: sixty contact hours in the classroom, of which at least forty-five must be teaching; sixty contact hours as a substitute teacher, with at least thirty consecutive hours in the same classroom; sixty contact hours of teaching in a private school; or sixty contact hours of teaching as a paraprofessional, for an initial four-year ABCTE certificate of license to teach, except that such certificate shall not be granted for the areas of early childhood education, or special education. For certification in the area of elementary education, ninety contact hours in the classroom shall be required, of which at least thirty shall be in an elementary classroom. Upon the completion of the requirements listed in paragraphs (a), (b), (c), and (d) of this subdivision, an applicant shall be eligible to apply for a career continuous professional certificate under subdivision (2) of subsection 3 of this section:

(a) Completion of thirty contact hours of professional development within four years, which may include hours spent in class in an appropriate college curriculum;

(b) Validated completion of two years of the mentoring program of the American Board for Certification of Teacher Excellence or a district mentoring program approved by the state board of education;

(6) By the state board, under rules and regulations prescribed by it, on the basis of specialized knowledge and experience in a discrete subject area for which the certificate is issued.

2. All valid teaching certificates issued pursuant to law or state board policies and regulations prior to September 1, 1988, shall be exempt from the professional development requirements of this section and shall continue in effect until they expire, are revoked or suspended, as provided by law. When such certificates are required to be renewed, the state board or its designee shall grant to each holder of such a certificate the certificate most nearly equivalent to the one so held. Anyone who holds, as of August 28, 2003, a valid PC-I, PC-II, or continuous professional certificate shall, upon expiration of his or her current certificate, be issued the appropriate level of certificate based upon the classification system established pursuant to subsection 3 of this section.

3. Certificates of license to teach in the public schools of the state shall be based upon minimum requirements prescribed by the state board of education which shall include completion of a background check as prescribed in section 168.133. The state board shall provide for the following levels of professional certification: an initial professional certificate and a career continuous professional certificate.

(1) The initial professional certificate shall be issued upon completion of requirements established by the state board of education and shall be valid based upon verification of actual teaching within a specified time period established by the state board of education. The state board shall require holders of the four-year initial professional certificate to:

(a) Participate in a mentoring program approved and provided by the district for a minimum of two years;

(b) Complete thirty contact hours of professional development, which may include hours spent in class in an appropriate college curriculum, or for holders of a certificate under subdivision (4) of subsection 1 of this section, an amount of professional development in proportion to the certificate holder's hours in the classroom, if the certificate holder is employed less than full time; and

(c) Participate in a beginning teacher assistance program.

(2) (a) The career continuous professional certificate shall be issued upon verification of completion of four years of teaching under the initial professional certificate and upon verification of the completion of the requirements articulated in paragraphs (a), (b), and (c) of subdivision (1) of this subsection or paragraphs (a), (b), (c), and (d) of subdivision (5) of subsection 1 of this section.

(b) The career continuous professional certificate shall be continuous based upon verification of actual employment in an educational position as provided for in state board guidelines and completion of fifteen contact hours of professional development per year which may include hours spent in class in an appropriate college curriculum. Should the possessor of a valid career continuous professional certificate fail, in any given year, to meet the fifteen-hour professional development requirement, the possessor may, within two years, make up the missing hours. In order to make up for missing hours, the possessor shall first complete the fifteen-hour requirement for the current year and then may count hours in excess of the current year requirement as make-up hours. Should the possessor fail to make up the missing hours within two years, the certificate shall become inactive. In order to reactivate the certificate, the possessor shall complete twenty-four contact hours of professional development which may include hours spent in the classroom in an appropriate college curriculum within the six months prior to or after reactivating his or her certificate. The requirements of this paragraph shall be monitored and verified by the local school district which employs the holder of the career continuous professional certificate.

(c) A holder of a career continuous professional certificate shall be exempt from the professional development contact hour requirements of paragraph (b) of this subdivision if such teacher has a local professional development plan in place within such teacher's school district and meets two of the three following criteria:

a. Has ten years of teaching experience as defined by the state board of education;

b. Possesses a master's degree; or

c. Obtains a rigorous national certification as approved by the state board of education.

4. Policies and procedures shall be established by which a teacher who was not retained due to a reduction in force may retain the current level of certification. There shall also be established policies and procedures allowing a teacher who has not been employed in an educational position for three years or more to reactivate his or her last level of certification by completing twenty-four contact hours of professional development which may include hours spent in the classroom in an appropriate college curriculum within the six months prior to or after reactivating his or her certificate.

5. The state board shall, upon completion of a background check as prescribed in section 168.133, issue a professional certificate classification in the areas most closely aligned with an applicant's current areas of certification, commensurate with the years of teaching experience of the applicant, to any person who is hired to teach in a public school in this state and who possesses a valid teaching certificate from another state or certification under subdivision (4) of subsection 1 of this section, provided that the certificate holder shall annually complete the state board's requirements for such level of certification, and shall establish policies by which residents of states other than the state of Missouri may be assessed a fee for a certificate **of** license to teach in the public schools of Missouri. Such fee shall be in an amount sufficient to recover any or all costs associated with the issuing of a certificate of license to teach. The board shall promulgate rules to authorize the issuance of a provisional certificate of license, which shall allow the holder to assume classroom duties pending the completion of a criminal background check under section 168.133, for any applicant who:

(1) Is the spouse of a member of the Armed Forces stationed in Missouri;

(2) Relocated from another state within one year of the date of application;

(3) Underwent a criminal background check in order to be issued a teaching certificate of license from another state; and

(4) Otherwise qualifies under this section.

6. The state board may assess to holders of an initial professional certificate a fee, to be deposited into the excellence in education revolving fund established pursuant to section 160.268, for the issuance of the career

continuous professional certificate. However, such fee shall not exceed the combined costs of issuance and any criminal background check required as a condition of issuance. Applicants for the initial ABCTE certificate shall be responsible for any fees associated with the program leading to the issuance of the certificate, but nothing in this section shall prohibit a district from developing a policy that permits fee reimbursement.

7. Any member of the public school retirement system of Missouri who entered covered employment with ten or more years of educational experience in another state or states and held a certificate issued by another state and subsequently worked in a school district covered by the public school retirement system of Missouri for ten or more years who later became certificated in Missouri shall have that certificate dated back to his or her original date of employment in a Missouri public school.

170.039. 1. (1) School districts and charter schools sponsored by local boards of education may award an enrolled student credit for a high school course if the student is able to demonstrate proficiency in the knowledge, skills, and competencies in the subject area to the satisfaction of the district or charter school sponsored by a local board of education, regardless of whether the student has enrolled in the course with the district or charter school sponsored by a local board of education or completed the course.

(2) Districts and charter schools sponsored by local boards of education that offer proficiency-based credit as described in this section shall notify parents and students in the student handbook or, if a district or charter school sponsored by a local board of education does not provide a student handbook, through other means determined by the district or charter school sponsored by a local board of education.

(3) A student who chooses to demonstrate competency to earn credit as described in this section shall take any statewide assessments associated with any course for which the student earns proficiency-based credit.

2. A student who earns proficiency-based credits shall not be required to graduate earlier than his or her age-related cohorts even if the student earns more credits than necessary to graduate. However, if a student graduates from high school earlier than his or her age-related cohorts due to proficiency-based credits earned by the student, the district may continue to collect state aid for the student until the student's age-related cohorts graduate. The state aid earned in this manner shall be used to provide services to students who are at risk of not graduating on time or at all or to increase the number of students attending a career center from the number of students who attended in the 2017-18 school year.

3. If a student graduates early due to proficiency-based credits earned by the student, the district's collection of state aid for the student as described in subsection 2 of this section shall be determined by counting each course for which the student earned proficiency-based credit as equaling ninety-five percent of the hours of attendance possible for such course even though the student never actually attended the course. The district shall count only those courses necessary for the district to claim full-time status for the student until the student's age-related cohorts graduate."; and

House Amendment No. 15

AMEND House Committee Substitute for Senate Bill No. 743, Page 1, Section A, Line 2, by inserting immediately after all of said section and line the following:

"160.410. 1. A charter school shall enroll:

(1) All pupils resident in the district in which it operates;

(2) Nonresident pupils eligible to attend a district's school under an urban voluntary transfer program;

(3) Nonresident pupils who transfer from an unaccredited district under section 167.131, provided that the charter school is an approved charter school, as defined in section 167.131, and subject to all other provisions of section 167.131;

(4) In the case of a charter school whose mission includes student drop-out prevention or recovery, any nonresident pupil from the same or an adjacent county who resides in a residential care facility, a transitional living group home, or an independent living program whose last school of enrollment is in the school district where the charter school is established, who submits a timely application; and

(5) In the case of a workplace charter school, any student eligible to attend under subdivision (1) or (2) of this subsection whose parent is employed in the business district, who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level or building. The configuration of a business district shall be set forth in the charter and shall not be construed to create an undue advantage for a single employer or small number of employers.

2. If capacity is insufficient to enroll all pupils who submit a timely application, the charter school shall have an admissions process that assures all applicants of an equal chance of gaining admission and does not discriminate based on parents' ability to pay fees or tuition except that:

(1) A charter school may establish a geographical area around the school whose residents will receive a preference for enrolling in the school, provided that such preferences do not result in the establishment of racially or socioeconomically isolated schools and provided such preferences conform to policies and guidelines established by the state board of education;

(2) A charter school may also give a preference for admission of children whose siblings attend the school or whose parents are employed at the school or in the case of a workplace charter school, a child whose parent is employed in the business district or at the business site of such school; and

(3) Charter **[**~~alternative and special purpose~~**]** schools may also give a preference for admission to high-risk students, as defined in subdivision (5) of subsection 2 of section 160.405, when the school targets these students through its proposed mission, curriculum, teaching methods, and services.

3. Charter schools may limit admission based on gender only when the school is a single-gender school. Students of a charter school who have been enrolled for a full academic year shall be counted in the performance of the charter school on the statewide assessments in that calendar year, unless otherwise exempted as English language learners. For purposes of this subsection, “full academic year” means the last Wednesday in September through the administration of the Missouri assessment program test without transferring out of the school and re-enrolling.

4. A charter school shall make available for public inspection, and provide upon request, to the parent, guardian, or other custodian of any school-age pupil resident in the district in which the school is located the following information:

(1) The school's charter;

(2) The school's most recent annual report card published according to section 160.522;

(3) The results of background checks on the charter school's board members; and

The charter school may charge reasonable fees, not to exceed the rate specified in section 610.026 for furnishing copies of documents under this subsection.

5. When a student attending a charter school who is a resident of the school district in which the charter school is located moves out of the boundaries of such school district, the student may complete the current semester and shall be considered a resident student. The student's parent or legal guardian shall be responsible for the student's transportation to and from the charter school.

6. If a change in school district boundary lines occurs under section 162.223, 162.431, 162.441, or 162.451, or by action of the state board of education under section 162.081, including attachment of a school district's territory to another district or dissolution, such that a student attending a charter school prior to such change no longer resides in a school district in which the charter school is located, then the student may complete the current academic year at the charter school. The student shall be considered a resident student. The student's parent or legal guardian shall be responsible for the student's transportation to and from the charter school.

7. The provisions of sections 167.018 and 167.019 concerning foster children's educational rights are applicable to charter schools."; and

"Page 1, Section 162.401, Line 9, by inserting after all of said section and line the following:

"162.1100. 1. There is hereby established within each city not within a county a school district to be known as the "Transitional School District of (name of city)", which shall be a body corporate and politic and a subdivision of the state. The transitional school district shall be coterminous with the boundaries of the city in which the district is located. Except as otherwise provided in this section and section 162.621, the transitional school district shall be subject to all laws pertaining to "seven-director districts", as defined in section 160.011. The transitional school district shall have the responsibility for educational programs and policies determined by a final judgment of a federal school desegregation case to be needed in providing for a transition of the educational system of the city from control and jurisdiction of a federal court school desegregation order, decree or agreement and such other programs and policies as designated by the governing body of the school district.

2. (1) The governing board of the transitional school district shall consist of three residents of the district: one shall be appointed by the governing body of the district, one shall be appointed by the mayor of the city not within a county and one shall be appointed by the president of the board of aldermen of the city not within a county. The members of the governing board shall serve without compensation for a term of three years, or until their successors have been appointed, or until the transitional district is dissolved or terminated. Any tax approved for the transitional district shall be assigned to the governing body of the school district in a city not within a county after dissolution or termination of the transitional district.

(2) In the event that the state board of education shall declare the school district of a city not within a county to be unaccredited, the member of the governing board of the transitional district appointed by the governing body of the district as provided in subdivision (1) of this subsection shall, within ninety days, be replaced by a chief executive officer nominated by the state board of education and appointed by the governor with the advice and consent of the senate. The chief executive officer need not be a resident of the district but shall be a person of recognized administrative ability, shall be paid in whole or in part with funds from the district, and shall have all other powers and duties of any other general superintendent of schools, including appointment of staff. The chief executive officer shall serve for a term of three years or until his **or her** successor is appointed or until the transitional district is dissolved or terminated. His **or her** salary shall be set by the state board of education.

3. In the event that the school district loses its accreditation, upon the appointment of a chief executive officer, any powers granted to any existing school board in a city not within a county on or before August 28, 1998, shall be vested with the special administrative board of the transitional school district containing such school district so long as the transitional school district exists, except as otherwise provided in section 162.621.

4. The special administrative board's powers and duties shall include:

(1) Creating an academic accountability plan, taking corrective action in underperforming schools, and seeking relief from state-mandated programs;

(2) Exploration of alternative forms of governance for the district;

(3) Authority to contract with nonprofit corporations to provide for the operation of schools;

(4) Oversight of facility planning, construction, improvement, repair, maintenance and rehabilitation;

(5) Authority to establish school site councils to facilitate site-based school management and to improve the responsiveness of the schools to the needs of the local geographic attendance region of the school;

(6) Authority to submit a proposal to district voters pursuant to section 162.666 regarding establishment of neighborhood schools.

5. (1) The provisions of a final judgment as to the state of Missouri and its officials in a school desegregation case which subjects a district in which a transitional district is located in this state to a federal court's jurisdiction may authorize or require the governing body of a transitional school district established under this section to establish the transitional district's operating levy for school purposes, as defined pursuant to section 163.011, at a level not to exceed eighty-five cents per one hundred dollars assessed valuation in the district or a sales tax equivalent amount as determined by the department of elementary and secondary education which may be substituted for all or part of such property tax.

(2) Any other statute to the contrary notwithstanding, no tax authorized pursuant to this subsection shall:

(a) Be subject to any certificate of tax abatement issued after August 28, 1998, pursuant to sections 99.700 to 99.715; and

(b) Effective January 1, 2002, be subject to any new or existing tax increment financing adopted by a city not within a county pursuant to sections 99.800 to 99.865 except that any redevelopment plan and redevelopment project concerning a convention headquarters hotel adopted by ordinance by a city not within a county prior to August 28, 2003, shall be subject to such tax increment financing.

(3) The transitional school district shall not be subject to the provisions of section 162.081, sections 163.021 and 163.023 with respect to any requirements to maintain a minimum value of operating levy or any consequences provided by law for failure to levy at least such minimum rate. No operating levy or increase in the operating levy or sales tax established pursuant to this section shall be collected for a transitional school district unless prior approval is obtained from a simple majority of the district's voters. The board of the transitional district shall place the matter before the voters prior to March 15, 1999.

6. (1) The special administrative board established in this section shall develop, implement, monitor and evaluate a comprehensive school improvement plan, and such plan shall be subject to review and approval of the state board of education. (2) The special administrative board shall establish student performance standards consistent with the standards established by the state board of education pursuant to section 160.514 for preschool through grade twelve in all skill and subject areas, subject to review and approval of the state board of education for the purpose of determining whether the standards are consistent with standards established by the state board of education pursuant to section 160.514;

(3) All students in the district who do not achieve grade-level standards shall be required to attend summer school; except that the provisions of this subsection shall not apply to students receiving special education services pursuant to sections 162.670 to 162.999;

(4) No student shall be promoted to a higher grade level unless that student has a reading ability at or above one grade level below the student's grade level; except that the provisions of this subsection shall not apply to students receiving special education services pursuant to sections 162.670 to 162.999;

(5) The special administrative board established in this section shall develop, implement and annually update a professional development plan for teachers and other support staff, subject to review and approval of the state board of education.

7. The school improvement plan established pursuant to this section shall ensure open enrollment and program access to all students in the district, and, consistent with the Missouri and United States Constitutions, shall give first priority to residents of the city for admission to magnet schools. The school board shall take all practicable and constitutionally permissible steps to ensure that all magnet schools operate at full capacity. Students who change residence within the district shall be allowed to continue to attend the school in which they were initially enrolled for the remainder of their education at grade levels served by that school, and transportation shall be provided by the district to allow such students to continue to attend such school of initial enrollment.

8. To the extent practicable, the special administrative board shall ensure that per pupil expenditures and pupil-teacher ratios shall be the same for all schools serving students at a given grade level.

9. The special administrative board shall ensure that early childhood education is available throughout the district.

10. The special administrative board shall ensure that vocational education instruction is provided within the district.

11. The special administrative board shall establish an accountability officer whose duty shall be to ensure that academically deficient schools within the district are raised to acceptable condition within two years.

12. The transitional school district in any city not within a county shall be dissolved on July 1, 2008, unless the state board determines, prior to that date, that it is necessary for the transitional district to continue to accomplish the purposes for which it was created. The state board of education may cause the termination of the transitional school district at any time upon a determination that the transitional district has accomplished the purposes for which it was established and is no longer needed. **If the transitional school district is classified as fully accredited, the state board of education shall terminate it and return governance to the elected board of the school district containing the territory of the dissolved transitional school district within thirty days. If the transitional school district is fully accredited before August 28, 2018, the state board of education shall terminate it at its first meeting to occur on or after August 28, 2018.** The state board of education may cause the reestablishment of

the transitional school district at any time upon a determination that it is necessary for the transitional district to be reestablished to accomplish the purposes established in this section. The state board of education shall provide notice to the governor and general assembly of the termination or reestablishment of the transitional school district and the termination or reestablishment shall become effective thirty days following such determination. Upon dissolution of a transitional school district pursuant to this section, nothing in this section shall be construed to reduce or eliminate any power or duty of any school district or districts containing the territory of the dissolved transitional school district unless such transitional school district is reestablished by the state board of education pursuant to this section."; and

(4) Computes average daily attendance as defined in subdivision (2) of section 163.011 as modified by section 171.031. Whenever there has existed within the district an infectious disease, contagion, epidemic, plague or similar condition whereby the school attendance is substantially reduced for an extended period in any school year, the apportionment of school funds and all other distribution of school moneys shall be made on the basis of the school year next preceding the year in which such condition existed.

2. For the 2006-07 school year and thereafter, no school district shall receive more state aid, as calculated under subsections 1 and 2 of section 163.031, for its education program, exclusive of categorical add-ons, than it received per weighted average daily attendance for the school year 2005-06 from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts, unless it has an operating levy for school purposes, as determined pursuant to section 163.011, of not less than two dollars and seventy-five cents after all adjustments and reductions. Any district which is required, pursuant to Article X, Section 22 of the Missouri Constitution, to reduce its operating levy below the minimum tax rate otherwise required under this subsection shall not be construed to be in violation of this subsection for making such tax rate reduction. Pursuant to Section 10(c) of Article X of the state constitution, a school district may levy the operating levy for school purposes required by this subsection less all adjustments required pursuant to Article X, Section 22 of the Missouri Constitution if such rate does not exceed the highest tax rate in effect subsequent to the 1980 tax year. Nothing in this section shall be construed to mean that a school district is guaranteed to receive an amount not less than the amount the school district received per eligible pupil for the school year 1990-91. 3. No school district shall receive more state aid, as calculated in section 163.031, for its education program, exclusive of categorical add-ons, than it received per eligible pupil for the school year 1993-94, if the state board of education determines that the district was not in compliance in the preceding school year with the requirements of section 163.172, until such time as the board determines that the district is again in compliance with the requirements of section 163.172.

4. No school district shall receive state aid, pursuant to section 163.031, if such district was not in compliance, during the preceding school year, with the requirement, established pursuant to section 160.530 to allocate revenue to the professional development committee of the district.

5. No school district shall receive more state aid, as calculated in subsections 1 and 2 of section 163.031, for its education program, exclusive of categorical add-ons, than it received per weighted average daily attendance for the school year 2005-06 from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts, if the district did not comply in the preceding school year with the requirements of subsection 5 of section 163.031.

6. Any school district that levies an operating levy for school purposes that is less than the performance levy, as such term is defined in section 163.011, shall provide written notice to the department of elementary and secondary education asserting that the district is providing an adequate education to the students of such district. If a school district asserts that it is not providing an adequate education to its students, such inadequacy shall be deemed to be a result of insufficient local effort. The provisions of this subsection shall not apply to any special district established under sections 162.815 to 162.940.

163.073. 1. When an education program, as approved under section 219.056, is provided for pupils by the division of youth services in one of the facilities operated by the division for children who have been assigned there by the courts, the division of youth services shall be entitled to state aid for pupils being educated by the division of youth services in an amount to be determined as follows: the total amount apportioned to the division of youth services shall be an amount equal to the average per weighted average daily attendance amount apportioned for the preceding school year under section 163.031, multiplied by the number of full-time equivalent students served by facilities operated by the division of youth services. The number of full-time equivalent students shall be determined by dividing by one hundred seventy-four days the number of student-days of education service provided by the division of youth services to elementary and secondary students who have been assigned to the division by the courts and who have been determined as inappropriate for attendance in a local public school. A student day shall mean one day of education services provided for one student. **In school year 2019-20 and subsequent years, the number of full-time equivalent students shall be the quotient of the number of student-hours of education service provided by the division of youth services to elementary and secondary students who have been assigned to the division by the courts, and who have been determined as inappropriate for attendance in a local public school, divided by one thousand forty-four hours. A student hour shall mean one hour of education services provided for one student.** In addition, other provisions of law notwithstanding, the division of youth services shall be entitled to funds under section 163.087. The number of full-time equivalent students as defined in this section shall be considered as "September membership" and as "average daily attendance" for the apportioning of funds under section 163.087.

2. The educational program approved under section 219.056 as provided for pupils by the division of youth services shall qualify for funding for those services provided to handicapped or severely handicapped children. The department of elementary and secondary education shall cooperate with the division of youth services in arriving at an equitable funding for the services provided to handicapped children in the facilities operated by the division of youth services.

3. Each local school district or special school district constituting the domicile of a child placed in programs or facilities operated by the division of youth services or residing in another district pursuant to assignment by the division of youth services shall pay toward the per pupil cost of educational services provided by the serving district or agency an amount equal to the average sum produced per child by the local tax effort of that district. A special school district shall pay the average sum produced per child by the local tax efforts of the component districts. This amount paid by the local school district or the special school district shall be on the basis of full-time equivalence as determined in section 163.011, not to exceed the actual per pupil local tax effort.

171.031. 1. Each school board shall prepare annually a calendar for the school term, specifying the opening date**, days of planned attendance,** and providing a minimum term of at least one hundred seventy-four days for schools with a five-day school week or one hundred forty-two days for schools with a four-day school week, and one thousand forty-four hours of actual pupil attendance. **In school year 2019-20 and subsequent years, one thousand forty-four hours of actual pupil attendance shall be required for the school term with no minimum number of school days.** In addition, such calendar shall include six make-up days for possible loss of attendance due to inclement weather as defined in subsection 1 of section 171.033. **In school year 2019-20 and subsequent years, such calendar shall include thirty-six make-up hours for possible loss of attendance due to inclement weather, as defined in subsection 1 of section 171.033, with no minimum number of make-up days.**

2. Each local school district may set its opening date each year, which date shall be no earlier than ten calendar days prior to the first Monday in September. No public school district shall select an earlier start date unless the district follows the procedure set forth in subsection 3 of this section.

3. A district may set an opening date that is more than ten calendar days prior to the first Monday in September only if the local school board first gives public notice of a public meeting to discuss the proposal of opening school on a date more than ten days prior to the first Monday in September, and the local school board holds said meeting and, at the same public meeting, a majority of the board votes to allow an earlier opening date. If all of the previous conditions are met, the district may set its opening date more than ten calendar days prior to the first Monday in September. The condition provided in this subsection must be satisfied by the local school board each year that the board proposes an opening date more than ten days before the first Monday in September.

4. If any local district violates the provisions of this section, the department of elementary and secondary education shall withhold an amount equal to one quarter of the state funding the district generated under section 163.031 for each date the district was in violation of this section.

5. The provisions of subsections 2 to 4 of this section shall not apply to school districts in which school is in session for twelve months of each calendar year.

6. The state board of education may grant an exemption from this section to a school district that demonstrates highly unusual and extenuating circumstances justifying exemption from the provisions of subsections 2 to 4 of this section. Any exemption granted by the state board of education shall be valid for one academic year only.

[~~7. No school day for schools with a five-day school week shall be longer than seven hours except for vocational schools which may adopt an eight-hour day in a metropolitan school district and a school district in a first class county adjacent to a city not within a county, and any school that adopts a four-day school week in accordance with section 171.029.~~**]**

171.033. 1. "Inclement weather", for purposes of this section, shall be defined as ice, snow, extreme cold, flooding, or a tornado, but such term shall not include excessive heat.

2. **(1)** A district shall be required to make up the first six days of school lost or cancelled due to inclement weather and half the number of days lost or cancelled in excess of six days if the makeup of the days is necessary to ensure that the district's students will attend a minimum of one hundred forty-two days and a minimum of one thousand forty-four hours for the school year except as otherwise provided in this section. Schools with a four-day school week may schedule such make-up days on Fridays.

(2) Notwithstanding subdivision (1) of this subsection, in school year 2019-20 and subsequent years, a district shall be required to make up the first thirty-six hours of school lost or cancelled due to inclement weather and half the number of hours lost or cancelled in excess of thirty-six if the makeup of the hours is necessary to ensure that the district's students attend a minimum of one thousand forty-four hours for the school year, except as otherwise provided under subsections 3 and 4 of this section.

3. **(1)** In the 2009-10 school year and subsequent years, a school district may be exempt from the requirement to make up days of school lost or cancelled due to inclement weather in the school district when the school district has made up the six days required under subsection 2 of this section and half the number of additional lost or cancelled days up to eight days, resulting in no more than ten total make-up days required by this section.

(2) In school year 2019-20 and subsequent years, a school district may be exempt from the requirement to make up school lost or cancelled due to inclement weather in the school district when the school district has made up the thirty-six hours required under subsection 2 of this section and half the number of additional lost or cancelled hours up to forty-eight, resulting in no more than sixty total make-up hours required by this section.

4. The commissioner of education may provide, for any school district **[**~~in which schools are in session for twelve months of each calendar year~~**]** that cannot meet the minimum school calendar requirement of at least one hundred seventy-four days for schools with a five-day school week or one hundred forty-two days for schools with a four-day school week and one thousand forty-four hours of actual pupil attendance **or, in school year 2019-20 and**

subsequent years, one thousand forty-four hours of actual pupil attendance, upon request, a waiver to be excused from such requirement. This waiver shall be requested from the commissioner of education and may be granted if the school was closed due to circumstances beyond school district control, including inclement weather**[**~~, flooding~~**]** or fire.

[~~171.029. 1. The school board of any school district in the state, upon adoption of a resolution by the vote of a majority of all its members to authorize such action, may establish a four-day school week or other calendar consisting of less than one hundred seventy-four days in lieu of a five-day school week. Upon adoption of a four-day school week or other calendar consisting of less than one hundred seventy-four days, the school shall file a calendar with the department of elementary and secondary education in accordance with section 171.031. Such calendar shall include, but not be limited to, a minimum term of one hundred forty-two days and one thousand forty-four hours of actual pupil attendance.~~

~~2. If a school district that attends less than one hundred seventy-four days meets at least two fewer performance standards on two successive annual performance reports than it met on its last annual performance report received prior to implementing a calendar year of less than one hundred seventy-four days, it shall be required to revert to a one hundred seventy-four-day school year in the school year following the report of the drop in the number of performance standards met. When the number of performance standards met reaches the earlier number, the district may return to the four-day week or other calendar consisting of less than one hundred seventy-four days in the next school year.~~**]**

committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her

suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

(1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;

(3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. Section 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of

the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall report the allegation to the children's division as set forth in section 210.115. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio."; and

(3) Any county of the third classification without a township form of government and with more than two thousand three hundred but fewer than two thousand four hundred inhabitants

shall control all brush growing on such owner's property that is designated as the county right-of-way or county maintenance easement part of such owner's property and which is adjacent to any county road. Such brush shall be cut, burned**,** or otherwise destroyed as often as necessary in order to keep such lands accessible for purposes of maintenance and safety of the county road **and to prevent brush from interfering with any vehicle that may travel the road**.

2. The county commission, either upon its own motion or upon receipt of a written notice requesting the action from any residents of the county in which the county road bordering the lands in question is located or upon written request of any person regularly using the county road, may control such brush so as to allow easy access to the land described in subsection 1 of this section, and for that purpose the county commission, or its agents, servants, or employees shall have authority to enter on such lands without being liable to an action of trespass therefor, and shall keep an accurate account of the expenses incurred in eradicating the brush, and shall verify such statement under seal of the county commission, and transmit the same to the officer whose duty it is or may be to extend state and county taxes on tax books or bills against real estate. Such officer shall extend the aggregate expenses so charged against each tract of land as a special tax, which shall then become **[**~~a lien on such lands,~~**] due on such landowner's real and personal property tax assessment** and be collected as state and county taxes are collected by law and paid to the county commission and credited to the county control fund.

3. In the event that the property owner cannot be located by **[**~~certified~~**]** mail, notice shall be placed in a newspaper of general circulation in the county in which the land is located at least thirty days before the county commission removes the brush pursuant to subsection 2 of this section. Such property owner shall be granted an automatic thirty-day extension due to hardship by notifying the county commission that such owner cannot comply with the requirements of this section, due to hardship, within the first thirty-day period. The property owner may be granted a second extension by a majority vote of the county commission. There shall be no further extensions. For the purposes of this subsection, "hardship" may be financial, physical or any other condition that the county commission deems to be a valid reason to allow an extension of time to comply with the requirements of this section.

4. County commissions shall not withhold rock, which is provided from funds from the county aid road trust fund, for maintaining county roads due to the abutting property owner's refusal to remove brush located on land designated as the county right-of-way or county maintenance easement part of such owner's land. County commissions shall use such rock on the county roads, even though the brush is not removed, or county commissions may resort to the procedures in this section to remove the brush.

5. The county right-of-way or county maintenance easement shall extend fifteen feet from the center of the county road or the distance set forth in the original conveyance, whichever is greater. For purposes of this subsection, the "center of the county road" shall be the point equidistant from both edges of the drivable ground of the road in its current condition.

House Amendment No. 8

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 918, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"34.040. 1. All purchases in excess of **[**~~three~~**] ten** thousand dollars shall be based on competitive bids, except as otherwise provided in this chapter.

2. On any purchase where the estimated expenditure shall be **[**~~twenty-five~~**] one hundred** thousand dollars or over, except as provided in subsection 6 of this section, the commissioner of administration shall:

(1) Advertise for bids in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before bids for such purchases are to be opened. Other methods of advertisement, which may include minority business purchase councils, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post a notice of the proposed purchase in his or her office; and

(3) Solicit bids by mail or other reasonable method generally available to the public from prospective suppliers. All bids for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening bids.

3. The contract shall be let to the lowest and best bidder. The commissioner of administration shall have the right to reject any or all bids and advertise for new bids, or purchase the required supplies on the open market if they can be so purchased at a better price. When bids received pursuant to this section are unreasonable or unacceptable as to terms and conditions, noncompetitive, or the low bid exceeds available funds and it is determined in writing by the commissioner of administration that time or other circumstances will not permit the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this section, provided that each responsible bidder who submitted such bid under the original solicitation is notified of the determination and is given a reasonable opportunity to modify their bid and submit a best and final bid to the state. In cases where the bids received are noncompetitive or the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

4. The director of the department of revenue shall follow bidding procedures as contained in this chapter and may promulgate rules necessary to establish such procedures. No points shall be awarded on a request for proposal for a contract license office to a bidder for a return-to-the-state provision offer.

5. All bids shall be based on standard specifications wherever such specifications have been approved by the commissioner of administration. The commissioner of administration shall make rules governing the delivery, inspection, storage and distribution of all supplies so purchased and governing the manner in which all claims for supplies delivered shall be submitted, examined, approved and paid. The commissioner shall determine the amount of bond or deposit and the character thereof which shall accompany bids or contracts.

6. The department of natural resources may, without the approval of the commissioner of administration required pursuant to this section, enter into contracts of up to five hundred thousand dollars to abate illegal waste tire sites pursuant to section 260.276 when the director of the department determines that urgent action is needed to protect public health, safety, natural resources or the environment. The department shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

7. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise.

8. The commissioner of administration shall be authorized to hold a reverse auction to procure merchandise, supplies, raw materials, or finished goods if price is the primary factor in evaluating bids. The office of administration shall promulgate rules regarding the handling of the reverse auction process. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

34.042. 1. When the commissioner of administration determines that the use of competitive bidding is either not practicable or not advantageous to the state, supplies may be procured by competitive proposals. The commissioner shall state the reasons for such determination, and a report containing those reasons shall be maintained with the vouchers or files pertaining to such purchases. All purchases in excess of **[**~~five~~**] ten** thousand dollars to be made under this section shall be based on competitive proposals.

2. On any purchase where the estimated expenditure shall be **[**~~twenty-five~~**] one hundred** thousand dollars or over, the commissioner of administration shall:

(1) Advertise for proposals in at least two daily newspapers of general circulation in such places as are most likely to reach prospective offerors and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before proposals for such purchases are to be opened. Other methods of advertisement, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post notice of the proposed purchase; and

(3) Solicit proposals by mail or other reasonable method generally available to the public from prospective offerors.

All proposals for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening proposals. Proposals shall be opened in a manner to avoid disclosure of contents to competing offerors during the process of negotiation.

3. The contract shall be let to the lowest and best offeror as determined by the evaluation criteria established in the request for proposal and any subsequent negotiations conducted pursuant to this subsection. In determining the lowest and best offeror, as provided in the request for proposals and under rules promulgated by the commissioner of administration, negotiations may be conducted with responsible offerors who submit proposals selected by the commissioner of administration on the basis of reasonable criteria for the purpose of clarifying and assuring full understanding of and responsiveness to the solicitation requirements. Those offerors shall be accorded fair and equal treatment with respect to any opportunity for negotiation and subsequent revision of proposals**; however, a request for a proposal may set forth the manner for determining which offerors are eligible for negotiation including, but not limited to, the use of shortlisting**. Revisions may be permitted after submission and before award for the purpose of obtaining best and final offers. In conducting negotiations there shall be no disclosure of any information derived from proposals submitted by competing offerors. The commissioner of administration shall have the right to reject any or all proposals and advertise for new proposals or purchase the required supplies on the open market if they can be so purchased at a better price.

4. The commissioner shall make available, upon request, to any members of the general assembly, information pertaining to competitive proposals, including the names of bidders and the amount of each bidder's offering for each contract.

34.044. 1. The commissioner of administration may waive the requirement of competitive bids or proposals for supplies when the commissioner has determined in writing that there is only a single feasible source for the supplies. Immediately upon discovering that other feasible sources exist, the commissioner shall rescind the waiver and proceed to procure the supplies through the competitive processes as described in this chapter. A single feasible source exists when:

(1) Supplies are proprietary and only available from the manufacturer or a single distributor; or

(2) Based on past procurement experience, it is determined that only one distributor services the region in which the supplies are needed; or

(3) Supplies are available at a discount from a single distributor for a limited period of time.

2. On any single feasible source purchase where the estimated expenditure shall be **[**~~five~~**] ten** thousand dollars or over, the commissioner of administration shall post notice of the proposed purchase. Where the estimated expenditure is **[**~~twenty-five~~**] one hundred** thousand dollars or over, the commissioner of administration shall also advertise the commissioner's intent to make such purchase in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders or offerors and may provide such information through an electronic medium available to the general public at least five days before the contract is to be let. Other methods of advertisement, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased. The requirement for advertising may be waived, if not feasible, due to the supplies being available at a discount for only a limited period of time.

34.047. Notwithstanding any provision in section 34.040, section 34.100, or any other law to the contrary, departments shall have the authority to purchase products and services related to information technology when the estimated expenditure of such purchase shall not exceed **[**~~seventy-five~~**] one hundred fifty** thousand dollars, the length of any contract or agreement does not exceed twelve months, the department complies with the informal methods of procurement established in section 34.040, and 1 CSR 40-1.050(1) for expenditures of less than **[**~~twenty-five~~**] one hundred** thousand dollars, and the department posts notice of such proposed purchase on the online bidding/vendor registration system maintained by the office of administration. For the purposes of this section,

"information technology" shall mean any computer or electronic information equipment or interconnected system that is used in the acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of information, including audio, graphic, and text.

34.353. 1. Each contract for the purchase or lease of manufactured goods or commodities by any public agency, and each contract made by a public agency for construction, alteration, repair, or maintenance of any public works shall contain a provision that any manufactured goods or commodities used or supplied in the performance of that contract or any subcontract thereto shall be manufactured or produced in the United States.

2. This section shall not apply where the purchase, lease, or contract involves an expenditure of less than **[**~~twenty-five~~**] one hundred** thousand dollars. This section shall not apply when only one line of a particular good or product is manufactured or produced in the United States.

3. This section shall not apply where the executive head of the public agency certifies in writing that:

(1) The specified products are not manufactured or produced in the United States in sufficient quantities to meet the agency's requirements or cannot be manufactured or produced in the United States within the necessary time in sufficient quantities to meet the agency's requirements;

(2) Obtaining the specified products manufactured or produced in the United States would increase the cost of the contract by more than ten percent;

(3) The specified products are to be purchased or leased by a state-supported four-year institute of higher education and such certification as required by subdivision (1) or (2) of this subsection has been made within the last three years;

(4) The specified products are to be purchased or leased by a publicly supported institution and such certification as required by subdivision (1) or (2) of this subsection has been made within the last three years; or

(5) The political subdivision has adopted a formal written policy to encourage the purchase of products manufactured or produced in the United States.

4. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contacted by the public agency or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

5. Certificates required by this section shall be maintained by the public agency for a period of three years."; and

The political subdivision, governing body, or department responsible for reviewing and approving building plans of single family residential buildings in accordance with a residential building code observed by the political subdivision, including, but not limited to, the international residential code and its successors, replacements, updates, supplements, or building codes governing the construction of a residential structure for the issuance of a building permit, shall approve or deny such building plans within eight business days following submission of such plans. Any denied plans shall be accompanied by a documented list of specific code violations which shall be addressed in order to obtain a building permit. If denied plans are resubmitted and properly address such written reasons for denial, the revised building plans shall be reconsidered and approved within seven business days of resubmission without any new or additional recommendations made on such plans, unless the resubmission contains a defect not contained in the original submission. In the event any resubmitted plans are not approved or denied within seven business days, such plans shall be deemed approved as resubmitted and a permit for the work described in the building plans shall be issued within three business days.

3. The recipient of a building permit may retain an engineer or architect licensed in the state of Missouri to conduct structural inspections of the concrete, footing, and foundation work being undertaken pursuant to a building permit in lieu of the political subdivision, governing body, or department of such political subdivision conducting building permit inspections. Such licensed engineer or architect shall have a business license in the political subdivision in which the inspection is held if required to do so by said political subdivision. The political subdivision may create an approval process for licensed engineers and architects to be authorized to certify the building inspections. An engineer or architect may be removed from the approved third-party inspection list if the engineer or architect fails to maintain his or her professional certification or fails to follow required procedures outlined in the political subdivision's policy. To avoid a conflict of interest, inspections may not be performed for a contractor if the inspector or certifying person is employed by, or affiliated with, the contractor through a partnership, corporation, or other business entity. The licensed engineer or architect shall submit reports to the political subdivision of the work being undertaken under the building permit on the uniform inspection forms in use by the political subdivision. Structural inspections shall include concrete footings and foundation walls. Should the recipient of a building permit choose to use a licensed engineer or architect to conduct the structural inspections on the dwelling, this shall not prohibit the political subdivision from conducting framing, mechanical, plumbing, electrical, or other required inspections before the drywall cover up."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

4. When an investigation by a juvenile officer pursuant to this section reveals that the only basis for action involves an alleged violation of section 167.031 involving a child who alleges to be home schooled, the juvenile officer shall contact a parent or parents of such child to verify that the child is being home schooled and not in

violation of section 167.031 before making a report of such a violation. Any report of a violation of section 167.031 made by a juvenile officer regarding a child who is being home schooled shall be made to the prosecuting attorney of the county where the child legally resides.

5. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care or for the removal of custody of a child from the parent without a specific showing that there is a causal relation between the disability or disease and harm to the child.

211.032. 1. Except as otherwise provided in a circuit participating in a pilot project established by the Missouri supreme court, when a child **[**~~or person seventeen years of age~~**]**, alleged to be in need of care and treatment pursuant to subdivision (1) of subsection 1 of section 211.031, is taken into custody, the juvenile or family court shall notify the parties of the right to have a protective custody hearing. Such notification shall be in writing.

2. Upon request from any party, the court shall hold a protective custody hearing. Such hearing shall be held within three days of the request for a hearing, excluding Saturdays, Sundays and legal holidays. For circuits participating in a pilot project established by the Missouri supreme court, the parties shall be notified at the status conference of their right to request a protective custody hearing.

3. No later than February 1, 2005, the Missouri supreme court shall require a mandatory court proceeding to be held within three days, excluding Saturdays, Sundays, and legal holidays, in all cases under subdivision (1) of subsection 1 of section 211.031. The Missouri supreme court shall promulgate rules for the implementation of such mandatory court proceedings and may consider recommendations from any pilot projects established by the Missouri supreme court regarding such proceedings. Nothing in this subsection shall prevent the Missouri supreme court from expanding pilot projects prior to the implementation of this subsection.

4. The court shall hold an adjudication hearing no later than sixty days after the child has been taken into custody. The court shall notify the parties in writing of the specific date, time, and place of such hearing. If at such hearing the court determines that sufficient cause exists for the child to remain in the custody of the state, the court shall conduct a dispositional hearing no later than ninety days after the child has been taken into custody and shall conduct review hearings regarding the reunification efforts made by the division every ninety to one hundred twenty days for the first year the child is in the custody of the division. After the first year, review hearings shall be held as necessary, but in no event less than once every six months for as long as the child is in the custody of the division.

5. At all hearings held pursuant to this section the court may receive testimony and other evidence relevant to the necessity of detaining the child out of the custody of the parents, guardian or custodian.

6. By January 1, 2005, the supreme court shall develop rules regarding the effect of untimely hearings.

7. If the placement of any child in the custody of the children's division will result in the child attending a school other than the school the child was attending when taken into custody:

(1) The child's records from such school shall automatically be forwarded to the school that the child is transferring to upon notification within two business days by the division; or

(2) Upon request of the foster family, the guardian ad litem, or the volunteer advocate and whenever possible, the child shall be permitted to continue to attend the same school that the child was enrolled in and attending at the time the child was taken into custody by the division. The division, in consultation with the department of elementary and secondary education, shall establish the necessary procedures to implement the provisions of this subsection.

211.033. 1. No person under the age of **[**~~seventeen~~**]** **eighteen** years, except those transferred to the court of general jurisdiction under the provisions of section 211.071 shall be detained in a jail or other adult detention facility as that term is defined in section 211.151. A traffic court judge may request the juvenile court to order the commitment of a person under the age of **[**~~seventeen~~**]** **eighteen** to a juvenile detention facility.

2. Nothing in this section shall be construed as creating any civil or criminal liability for any law enforcement officer, juvenile officer, school personnel, or court personnel for any action taken or failure to take any action involving a minor child who remains under the jurisdiction of the juvenile court under this section if such action or failure to take action is based on a good faith belief by such officer or personnel that the minor child is not under the jurisdiction of the juvenile court.

[~~3. The amendments to subsection 2 of this section, as provided for in this act, shall not take effect until such time as the provisions of section 211.021 shall take effect in accordance with subsection 2 of section 211.021.~~**]**

211.041. When jurisdiction over the person of a child has been acquired by the juvenile court under the provisions of this chapter in proceedings coming within the applicable provisions of section 211.031, the jurisdiction of the child may be retained for the purpose of this chapter until he or she has attained the age of twenty-one years, except in cases where he or she is committed to and received by the division of youth services, unless jurisdiction has been returned to the committing court by provisions of chapter 219 through requests of the court to the division of youth services and except in any case where he or she has not paid an assessment imposed in accordance with

section 211.181 or in cases where the judgment for restitution entered in accordance with section 211.185 has not been satisfied. Every child over whose person the juvenile court retains jurisdiction shall be prosecuted under the general law for any violation of a state law or of a municipal ordinance which he or she commits after he or she becomes **[**~~seventeen~~**] eighteen** years of age. The juvenile court shall have no jurisdiction with respect to any such violation and, so long as it retains jurisdiction of the child, shall not exercise its jurisdiction in such a manner as to conflict with any other court's jurisdiction as to any such violation.

211.061. 1. When a child is taken into custody with or without warrant for an offense, the child, together with any information concerning the child and the personal property found in the child's possession, shall be taken immediately and directly before the juvenile court or delivered to the juvenile officer or person acting for **[**~~him~~**] the child**.

2. If any person is taken before a circuit or associate circuit judge not assigned to juvenile court or a municipal judge, and it is then, or at any time thereafter, ascertained that he or she was under the age of **[**~~seventeen~~**] eighteen** years at the time he or she is alleged to have committed the offense, or that he or she is subject to the jurisdiction of the juvenile court as provided by this chapter, it is the duty of the judge forthwith to transfer the case or refer the matter to the juvenile court, and direct the delivery of such person, together with information concerning him or her and the personal property found in his or her possession, to the juvenile officer or person acting as such.

3. When the juvenile court is informed that a child is in detention it shall examine the reasons therefor and shall immediately:

(1) Order the child released; or

(2) Order the child continued in detention until a detention hearing is held. An order to continue the child in detention shall only be entered upon the filing of a petition or motion to modify and a determination by the court that probable cause exists to believe that the child has committed acts specified in the petition or motion that bring the child within the jurisdiction of the court under subdivision (2) or (3) of subsection 1 of section 211.031.

4. A juvenile shall not remain in detention for a period greater than twenty-four hours unless the court orders a detention hearing. If such hearing is not held within three days, excluding Saturdays, Sundays and legal holidays, the juvenile shall be released from detention unless the court for good cause orders the hearing continued. The detention hearing shall be held within the judicial circuit at a date, time and place convenient to the court. Notice of the date, time and place of a detention hearing, and of the right to counsel, shall be given to the juvenile and his or her custodian in person, by telephone, or by such other expeditious method as is available.

211.071. 1. If a petition alleges that a child between the ages of twelve and **[**~~seventeen~~**] eighteen** has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030 as it existed prior to August 28, 2013, rape in the first degree under section 566.030, forcible sodomy under section 566.060 as it existed prior to August 28, 2013, sodomy in the first degree under section 566.060, first degree robbery under section 569.020 **as it existed prior to January 1, 2017, or first degree robbery under section 570.023**, **[**~~or~~**]** distribution of drugs under section 195.211 **as it existed prior to January 1, 2017, or the manufacturing of a controlled substance under section 579.055**, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between **[**~~seventeen~~**] eighteen** and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject

to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his **or her** home and environmental situation, emotional condition and pattern of living;

(7) The age of the child;

(8) The program and facilities available to the juvenile court in considering disposition;

(9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and

(10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

(1) Findings showing that the court had jurisdiction of the cause and of the parties;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his **or her** counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the prosecution of the child results in a conviction, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

211.073. 1. The court shall, in a case when the offender is under **[**~~seventeen~~**]** **eighteen** years **[**~~and six months~~**]** of age and has been transferred to a court of general jurisdiction pursuant to section 211.071, and whose prosecution results in a conviction or a plea of guilty, consider dual jurisdiction of both the criminal and juvenile codes, as set forth in this section. The court is authorized to impose a juvenile disposition under this chapter and simultaneously impose an adult criminal sentence, the execution of which shall be suspended pursuant to the provisions of this section. Successful completion of the juvenile disposition ordered shall be a condition of the suspended adult criminal sentence. The court may order an offender into the custody of the division of youth services pursuant to this section:

(1) Upon agreement of the division of youth services; and

(2) If the division of youth services determines that there is space available in a facility designed to serve offenders sentenced under this section. If the division of youth services agrees to accept a youth and the court does not impose a juvenile disposition, the court shall make findings on the record as to why the division of youth services was not appropriate for the offender prior to imposing the adult criminal sentence.

2. If there is probable cause to believe that the offender has violated a condition of the suspended sentence or committed a new offense, the court shall conduct a hearing on the violation charged, unless the offender waives such hearing. If the violation is established and found the court may continue or revoke the juvenile disposition, impose the adult criminal sentence, or enter such other order as it may see fit.

3. When an offender has received a suspended sentence pursuant to this section and the division determines the child is beyond the scope of its treatment programs, the division of youth services may petition the court for a transfer of custody of the offender. The court shall hold a hearing and shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections; or

(2) Direct that the offender be placed on probation.

4. When an offender who has received a suspended sentence reaches the age of **[**~~seventeen~~**]** **eighteen**, the court shall hold a hearing. The court shall:

211.081. 1. Whenever any person informs the juvenile officer in writing that a child appears to be within the purview of applicable provisions of section 211.031 **[**~~or that a person seventeen years of age appears to be within the purview of the provisions of subdivision (1) of subsection 1 of section 211.031~~**]**, the juvenile officer shall make or cause to be made a preliminary inquiry to determine the facts and to determine whether or not the interests of the public or of the child **[**~~or person seventeen years of age~~**]** require that further action be taken. On the basis of this inquiry, the juvenile officer may make such informal adjustment as is practicable without a petition or file a petition. Any other provision of this chapter to the contrary notwithstanding, the juvenile court shall not make any order for disposition of a child **[**~~or person seventeen years of age~~**]** which would place or commit the child **[**~~or person seventeen years of age~~**]** to any location outside the state of Missouri without first receiving the approval of the children's division.

2. Placement in any institutional setting shall represent the least restrictive appropriate placement for the child **[**~~or person seventeen years of age~~**]** and shall be recommended based upon a psychological or psychiatric evaluation or both. Prior to entering any order for disposition of a child **[**~~or person seventeen years of age~~**]** which would order residential treatment or other services inside the state of Missouri, the juvenile court shall enter findings which include the recommendation of the psychological or psychiatric evaluation or both; and certification from the division director or designee as to whether a provider or funds or both are available, including a projection of their future availability. If the children's division indicates that funding is not available, the division shall recommend and make available for placement by the court an alternative placement for the child **[**~~or person seventeen years of age~~**]**. The division shall have the burden of demonstrating that they have exercised due diligence in utilizing all available services to carry out the recommendation of the evaluation team and serve the best interest of the child **[**~~or person seventeen years of age~~**]**. The judge shall not order placement or an alternative placement with a specific provider but may reasonably designate the scope and type of the services which shall be provided by the department to the child **[**~~or person seventeen years of age~~**]**.

3. Obligations of the state incurred under the provisions of section 211.181 shall not exceed, in any fiscal year, the amount appropriated for this purpose.

211.091. 1. The petition shall be entitled "In the interest of ....., a child under **[**~~seventeen~~**]** **eighteen** years of age" **[**~~or "In the interest of ....., a child seventeen years of age" or "In the interest of ....., a person seventeen years of age" as appropriate to the subsection of section 211.031 that provides the basis for the filing of the petition~~**]**.

2. The petition shall set forth plainly:

(1) The facts which bring the child **[**~~or person seventeen years of age~~**]** within the jurisdiction of the court;

(2) The full name, birth date, and residence of the child **[**~~or person seventeen years of age~~**]**;

(3) The names and residence of his or her parents, if living;

(4) The name and residence of his or her legal guardian if there be one, of the person having custody of the child **[**~~or person seventeen years of age~~**]** or of the nearest known relative if no parent or guardian can be found; and

(5) Any other pertinent data or information.

3. If any facts required in subsection 2 of this section are not known by the petitioner, the petition shall so state.

4. Prior to the voluntary dismissal of a petition filed under this section, the juvenile officer shall assess the impact of such dismissal on the best interests of the child, and shall take all actions practicable to minimize any negative impact."; and

Further amend said bill, Page 2, Section 211.093, Line 46, by inserting after said section and line the following:

"211.101. 1. After a petition has been filed, unless the parties appear voluntarily, the juvenile court shall issue a summons in the name of the state of Missouri requiring the person who has custody of the child **[**~~or person seventeen years of age~~**]** to appear personally and, unless the court orders otherwise, to bring the child **[**~~or person seventeen years of age~~**]** before the court, at the time and place stated.

2. If the person so summoned is other than a parent or guardian of the child **[**~~or person seventeen years of age~~**]**, then the parent or guardian or both shall also be notified of the pendency of the case and of the time and place appointed.

3. If it appears that the child **[**~~or person seventeen years of age~~**]** is in such condition or surroundings that his or her welfare requires that his or her custody be immediately assumed by the court, the judge may order, by endorsement upon the summons, the officer serving it to take the child **[**~~or person seventeen years of age~~**]** into custody at once.

4. Subpoena may be issued requiring the appearance of any other person whose presence, in the opinion of the judge, is necessary.

211.161. 1. The court may cause any child **[**~~or person seventeen years of age~~**]** within its jurisdiction to be examined by a physician, psychiatrist or psychologist appointed by the court in order that the condition of the child **[**~~or person seventeen years of age~~**]** may be given consideration in the disposition of his **or her** case. The expenses of the examination when approved by the court shall be paid by the county, except that the county shall not be liable for the costs of examinations conducted by the department of mental health either directly or through contract.

2. The services of a state, county or municipally maintained hospital, institution, or psychiatric or health clinic may be used for the purpose of this examination and treatment.

3. A county may establish medical, psychiatric and other facilities, upon request of the juvenile court, to provide proper services for the court in the diagnosis and treatment of children **[**~~or persons seventeen years of age~~**]** coming before it and these facilities shall be under the administration and control of the juvenile court. The juvenile court may appoint and fix the compensation of such professional and other personnel as it deems necessary to provide the court proper diagnostic, clinical and treatment services for children **[**~~or persons seventeen years of age~~**]** under its jurisdiction.

211.181. 1. When a child **[**~~or person seventeen years of age~~**]** is found by the court to come within the applicable provisions of subdivision (1) of subsection 1 of section 211.031, the court shall so decree and make a finding of fact upon which it exercises its jurisdiction over the child **[**~~or person seventeen years of age~~**]**, and the court may, by order duly entered, proceed as follows:

(1) Place the child **[**~~or person seventeen years of age~~**]** under supervision in his **or her** own home or in the custody of a relative or other suitable person after the court or a public agency or institution designated by the court conducts an investigation of the home, relative or person and finds such home, relative or person to be suitable and upon such conditions as the court may require;

(2) Commit the child **[**~~or person seventeen years of age~~**]** to the custody of:

(4) Cause the child **[**~~or person seventeen years of age~~**]** to be examined and treated by a physician, psychiatrist or psychologist and when the health or condition of the child **[**~~or person seventeen years of age~~**]** requires it, cause the child **[**~~or person seventeen years of age~~**]** to be placed in a public or private hospital, clinic or institution for treatment and care; except that, nothing contained herein authorizes any form of compulsory medical, surgical, or psychiatric treatment of a child **[**~~or person seventeen years of age~~**]** whose parents or guardian in good faith are providing other remedial treatment recognized or permitted under the laws of this state;

(5) The court may order, pursuant to subsection 2 of section 211.081, that the child receive the necessary services in the least restrictive appropriate environment including home and community-based services, treatment and support, based on a coordinated, individualized treatment plan. The individualized treatment plan shall be approved by the court and developed by the applicable state agencies responsible for providing or paying for any and all appropriate and necessary services, subject to appropriation, and shall include which agencies are going to pay for and provide such services. Such plan must be submitted to the court within thirty days and the child's family shall actively participate in designing the service plan for the child **[**~~or person seventeen years of age~~**]**;

(6) The department of social services, in conjunction with the department of mental health, shall apply to the United States Department of Health and Human Services for such federal waivers as required to provide services for such children, including the acquisition of community-based services waivers.

2. When a child is found by the court to come within the provisions of subdivision (2) of subsection 1 of section 211.031, the court shall so decree and upon making a finding of fact upon which it exercises its jurisdiction over the child, the court may, by order duly entered, proceed as follows:

(1) Place the child under supervision in his **or her** own home or in custody of a relative or other suitable person after the court or a public agency or institution designated by the court conducts an investigation of the home, relative or person and finds such home, relative or person to be suitable and upon such conditions as the court may require;

(2) Commit the child to the custody of:

Execution of any order entered by the court pursuant to this subsection, including a commitment to any state agency, may be suspended and the child placed on probation subject to such conditions as the court deems reasonable. After a hearing, probation may be revoked and the suspended order executed.

3. When a child is found by the court to come within the provisions of subdivision (3) of subsection 1 of section 211.031, the court shall so decree and make a finding of fact upon which it exercises its jurisdiction over the child, and the court may, by order duly entered, proceed as follows:

(1) Place the child under supervision in his or her own home or in custody of a relative or other suitable person after the court or a public agency or institution designated by the court conducts an investigation of the home, relative or person and finds such home, relative or person to be suitable and upon such conditions as the court may require; provided that, no child who has been adjudicated a delinquent by a juvenile court for committing or attempting to commit a sex-related offense which if committed by an adult would be considered a felony offense pursuant to chapter 566, RSMo, including but not limited to rape, forcible sodomy, child molestation, and sexual abuse, and in which the victim was a child, shall be placed in any residence within one thousand feet of the residence of the abused child of that offense until the abused child reaches the age of eighteen, and provided further that the provisions of this subdivision regarding placement within one thousand feet of the abused child shall not apply when the abusing child and the abused child are siblings or children living in the same home;

(2) Commit the child to the custody of:

(b) Any other institution or agency which is authorized or licensed by law to care for children or to place them in family homes;

(c) An association, school or institution willing to receive it in another state if the approval of the agency in that state which administers the laws relating to importation of children into the state has been secured; or

(4) Place the child in a family home;

(5) Cause the child to be examined and treated by a physician, psychiatrist or psychologist and when the health or condition of the child requires it, cause the child to be placed in a public or private hospital, clinic or institution for treatment and care; except that, nothing contained herein authorizes any form of compulsory medical, surgical, or psychiatric treatment of a child whose parents or guardian in good faith are providing other remedial treatment recognized or permitted under the laws of this state;

(6) Suspend or revoke a state or local license or authority of a child to operate a motor vehicle;

(7) Order the child to make restitution or reparation for the damage or loss caused by his **or her** offense. In determining the amount or extent of the damage, the court may order the juvenile officer to prepare a report and may receive other evidence necessary for such determination. The child and his **or her** attorney shall have access to any reports which may be prepared, and shall have the right to present evidence at any hearing held to ascertain the amount of damages. 4. Beginning January 1, 1996, the court may set forth in the order of commitment the minimum period during which the child shall remain in the custody of the division of youth services. No court order shall require a child to remain in the custody of the division of youth services for a period which exceeds the child's eighteenth birth date except upon petition filed by the division of youth services pursuant to subsection 1 of section 219.021,

RSMo. In any order of commitment of a child to the custody of the division of youth services, the division shall determine the appropriate program or placement pursuant to subsection 3 of section 219.021, RSMo. Beginning January 1, 1996, the department shall not discharge a child from the custody of the division of youth services before the child completes the length of stay determined by the court in the commitment order unless the committing court orders otherwise. The director of the division of youth services may at any time petition the court for a review of a child's length of stay commitment order, and the court may, upon a showing of good cause, order the early discharge of the child from the custody of the division of youth services. The division may discharge the child from the division of youth services without a further court order after the child completes the length of stay determined by the court or may retain the child for any period after the completion of the length of stay in accordance with the law.

5. When an assessment has been imposed under the provisions of subsection 2 or 3 of this section, the assessment shall be paid to the clerk of the court in the circuit where the assessment is imposed by court order, to be deposited in a fund established for the sole purpose of payment of judgments entered against children in accordance with section 211.185.

211.321. 1. Records of juvenile court proceedings as well as all information obtained and social records prepared in the discharge of official duty for the court shall not be open to inspection or their contents disclosed, except by order of the court to persons having a legitimate interest therein, unless a petition or motion to modify is sustained which charges the child with an offense which, if committed by an adult, would be a class A felony under the criminal code of Missouri, or capital murder, first degree murder, or second degree murder or except as provided in subsection 2 of this section. In addition, whenever a report is required under section 557.026, there shall also be included a complete list of certain violations of the juvenile code for which the defendant had been adjudicated a delinquent while a juvenile. This list shall be made available to the probation officer and shall be included in the presentence report. The violations to be included in the report are limited to the following: rape, sodomy, murder, kidnapping, robbery, arson, burglary or any acts involving the rendering or threat of serious bodily harm. The supreme court may promulgate rules to be followed by the juvenile courts in separating the records.

2. In all proceedings under subdivision (2) of subsection 1 of section 211.031, the records of the juvenile court as well as all information obtained and social records prepared in the discharge of official duty for the court shall be kept confidential and shall be open to inspection only by order of the judge of the juvenile court or as otherwise provided by statute. In all proceedings under subdivision (3) of subsection 1 of section 211.031 the records of the juvenile court as well as all information obtained and social records prepared in the discharge of official duty for the court shall be kept confidential and may be open to inspection without court order only as follows:

(1) The juvenile officer is authorized at any time:

(a) To provide information to or discuss matters concerning the child, the violation of law or the case with the victim, witnesses, officials at the child's school, law enforcement officials, prosecuting attorneys, any person or agency having or proposed to have legal or actual care, custody or control of the child, or any person or agency providing or proposed to provide treatment of the child. Information received pursuant to this paragraph shall not be released to the general public, but shall be released only to the persons or agencies listed in this paragraph;

(b) To make public information concerning the offense, the substance of the petition, the status of proceedings in the juvenile court and any other information which does not specifically identify the child or the child's family;

(2) After a child has been adjudicated delinquent pursuant to subdivision (3) of subsection 1 of section 211.031, for an offense which would be a felony if committed by an adult, the records of the dispositional hearing and proceedings related thereto shall be open to the public to the same extent that records of criminal proceedings are open to the public. However, the social summaries, investigations or updates in the nature of presentence investigations, and status reports submitted to the court by any treating agency or individual after the dispositional order is entered shall be kept confidential and shall be opened to inspection only by order of the judge of the juvenile court;

(3) As otherwise provided by statute;

(4) In all other instances, only by order of the judge of the juvenile court.

3. Peace officers' records, if any are kept, of children shall be kept separate from the records of persons **[**~~seventeen~~**]** **eighteen** years of age or over and shall not be open to inspection or their contents disclosed, except by order of the court. This subsection does not apply to children who are transferred to courts of general jurisdiction as provided by section 211.071 or to juveniles convicted under the provisions of sections 578.421 to 578.437. This subsection does not apply to the inspection or disclosure of the contents of the records of peace officers for the purpose of pursuing a civil forfeiture action pursuant to the provisions of section 195.140.

4. Nothing in this section shall be construed to prevent the release of information and data to persons or organizations authorized by law to compile statistics relating to juveniles. The court shall adopt procedures to protect the confidentiality of children's names and identities.

5. The court may, either on its own motion or upon application by the child or his **or her** representative, or upon application by the juvenile officer, enter an order to destroy all social histories, records, and information, other than the official court file, and may enter an order to seal the official court file, as well as all peace officers' records, at any time after the child has reached his **[**~~seventeenth~~**] or her eighteenth** birthday if the court finds that it is in the best interest of the child that such action or any part thereof be taken, unless the jurisdiction of the court is continued beyond the child's **[**~~seventeenth~~**] eighteenth** birthday, in which event such action or any part thereof may be taken by the court at any time after the closing of the child's case.

6. Nothing in this section shall be construed to prevent the release of general information regarding the informal adjustment or formal adjudication of the disposition of a child's case to a victim or a member of the immediate family of a victim of any offense committed by the child. Such general information shall not be specific as to location and duration of treatment or detention or as to any terms of supervision.

7. Records of juvenile court proceedings as well as all information obtained and social records prepared in the discharge of official duty for the court shall be disclosed to the child fatality review panel reviewing the child's death pursuant to section 210.192 unless the juvenile court on its own motion, or upon application by the juvenile officer, enters an order to seal the records of the victim child.

211.421. 1. After any child has come under the care or control of the juvenile court as provided in this chapter, any person who thereafter encourages, aids, or causes the child to commit any act or engage in any conduct which would be injurious to the child's morals or health or who knowingly or negligently disobeys, violates or interferes with a lawful order of the court with relation to the child, is guilty of contempt of court, and shall be proceeded against as now provided by law and punished by imprisonment in the county jail for a term not exceeding six months or by a fine not exceeding five hundred dollars or by both such fine and imprisonment.

2. If it appears at a juvenile court hearing that any person **[**~~seventeen~~**] eighteen** years of age or over has violated section 568.045 or 568.050, RSMo, by endangering the welfare of a child, the judge of the juvenile court shall refer the information to the prosecuting or circuit attorney, as the case may be, for appropriate proceedings.

211.425. 1. Any person who has been adjudicated a delinquent by a juvenile court for committing or attempting to commit a sex-related offense which if committed by an adult would be considered a felony offense pursuant to chapter 566 including, but not limited to, rape, forcible sodomy, child molestation and sexual abuse, shall be considered a juvenile sex offender and shall be required to register as a juvenile sex offender by complying with the registration requirements provided for in this section, unless such juvenile adjudicated as a delinquent is fourteen years of age or older at the time of the offense and the offense adjudicated would be considered a felony under chapter 566 if committed by an adult, which is equal to or more severe than aggravated sexual abuse under 18 U.S.C. Section 2241, including any attempt or conspiracy to commit such offense, in which case, the juvenile shall be required to register as an adult sexual offender under sections 589.400 to 589.425. This requirement shall also apply to any person who is or has been adjudicated a juvenile delinquent in any other state or federal jurisdiction for committing, attempting to commit, or conspiring to commit offenses which would be proscribed herein.

(2) The fingerprints and a photograph of the juvenile.

3. Juvenile offices shall maintain the registration forms of those juvenile offenders in their jurisdictions who register as required by this section. Information contained on the registration forms shall be kept confidential and may be released by juvenile offices to only those persons and agencies who are authorized to receive information from juvenile court records as provided by law, including, but not limited to, those specified in section 211.321. State agencies having custody of juveniles who fall within the registration requirements of this section

shall notify the appropriate juvenile offices when such juvenile offenders are being transferred to a location falling within the jurisdiction of such juvenile offices.

4. Any juvenile who is required to register pursuant to this section but fails to do so or who provides false information on the registration form is subject to disposition pursuant to this chapter. Any person **[**~~seventeen~~**] eighteen** years of age or over who commits such violation is guilty of a class A misdemeanor as provided for in section 211.431.

5. Any juvenile to whom the registration requirement of this section applies shall be informed by the official in charge of the juvenile's custody, upon the juvenile's discharge or release from such custody, of the requirement to register pursuant to this section. Such official shall obtain the address where such juvenile expects to register upon being discharged or released and shall report the juvenile's name and address to the juvenile office where the juvenile **[**~~will~~**] shall** be required to register. This requirement to register upon discharge or release from custody does not apply in situations where the juvenile is temporarily released under guard or direct supervision from a detention facility or similar custodial facility.

The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be distributed to the judicial circuits of the state based upon the increased workload created by sections 211.021 to 211.425 solely for the administration of the juvenile justice system. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. House Amendment No. 1

AMEND House Amendment No. 1 to House Committee Substitute for Senate Bill No. 800, Page 13, Line 15, by inserting after all of said line the following:

"211.211. 1. A child is entitled to be represented by counsel in all proceedings under subdivision (2) or (3) of subsection 1 of section 211.031 and by a guardian ad litem in all proceedings under subdivision (1) of subsection 1 of section 211.031.

2. The court shall appoint counsel for a child prior to the filing of a petition if a request is made therefor to the court and the court finds that the child is the subject of a juvenile court proceeding and that the child making the request is indigent.

3. **(1)** When a petition has been filed under subdivision (2) or (3) of subsection 1 of section 211.031, the court shall appoint counsel for the child except if private counsel has entered his or her appearance on behalf of the child or if counsel has been waived in accordance with law**; except that, counsel shall not be waived for any proceeding specified under subsection 10 of this section**.

(2) If a child waives his or her right to counsel, such waiver shall be made in open court and be recorded and in writing. In determining whether a child has knowingly, intelligently, and voluntarily waived his or her right to counsel, the court shall look to the totality of the circumstances including, but not limited to, the child's age, intelligence, background, and experience generally and in the court system specifically; the child's emotional stability; and the complexity of the proceedings. No parent, guardian, custodian, or other person shall waive the child's right to counsel.

4. When a petition has been filed and the child's custodian appears before the court without counsel, the court shall appoint counsel for the custodian if it finds:

(1) That the custodian is indigent; and

(2) That the custodian desires the appointment of counsel; and

(3) That a full and fair hearing requires appointment of counsel for the custodian.

5. Counsel shall be allowed a reasonable time in which to prepare to represent his client.

6. Counsel shall serve for all stages of the proceedings, including appeal, unless relieved by the court for good cause shown. If no appeal is taken, services of counsel are terminated following the entry of an order of disposition.

7. The child and his custodian may be represented by the same counsel except where a conflict of interest exists. Where it appears to the court that a conflict exists, it shall order that the child and his custodian be represented by separate counsel, and it shall appoint counsel if required by subsection 3 or 4 of this section.

8. When a petition has been filed, a child may waive his **or her** right to counsel only with the approval of the court **and if such waiver is not prohibited under subsection 10 of this section**. **If a juvenile waives his or her right to counsel for any proceeding except proceedings under subsection 10 of this section, the waiver shall only apply to that proceeding. In any subsequent proceeding, the child shall be informed of his or her right to counsel.**

9. Waiver of counsel by a child may be withdrawn at any stage of the proceeding, in which event the court shall appoint counsel for the child if required by subsection 3 of this section.

10. A child's right to be represented by counsel shall not be waived in any of the following proceedings:

(1) At a detention hearing under Missouri supreme court rule 127.08;

(2) At a certification hearing under section 211.071 or a dismissal hearing under Missouri supreme court rule 129.04;

(3) At an adjudication hearing under Missouri supreme court rule 128.02 for any misdemeanor or felony offense, including the acceptance of an admission;

(4) At a dispositional hearing under Missouri supreme court rule 128.03; or

(5) A hearing on a motion to modify or revoke supervision under subdivision (2) or (3) of subsection 1 of section 211.031.

11. Under no circumstances shall a child's right to a Miranda warning under section 211.059 be waived."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Schroer, **House Amendment No. 1** was adopted.

Representative Dogan offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 800, Page 9, Section 211.447, Line 218, by inserting immediately after said line the following:

"565.030. 1. Where murder in the first degree is charged but not submitted or where the state waives the death penalty, the submission to the trier and all subsequent proceedings in the case shall proceed as in all other criminal cases.

2. Where murder in the first degree is submitted to the trier without a waiver of the death penalty, the trial shall proceed in two stages before the same trier. At the first stage the trier shall decide only whether the defendant is guilty or not guilty of any submitted offense. The issue of punishment shall not be submitted to the trier at the first stage. If an offense is charged other than murder in the first degree in a count together with a count of murder in the first degree, the trial judge shall assess punishment on any such offense according to law, after the defendant is found guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558.

3. If murder in the first degree is submitted and the death penalty was not waived but the trier finds the defendant guilty of a lesser homicide, a second stage of the trial shall proceed as in all other criminal cases. The attorneys may then argue as in other criminal cases the issue of punishment, after which the trier shall assess and declare the punishment as in all other criminal cases.

4. If the trier at the first stage of a trial where the death penalty was not waived finds the defendant guilty of murder in the first degree, a second stage of the trial shall proceed at which the only issue shall be the punishment to be assessed and declared. Evidence in aggravation and mitigation of punishment, including but not limited to evidence supporting any of the aggravating or mitigating circumstances listed in subsection 2 or 3 of section 565.032, may be presented subject to the rules of evidence at criminal trials. Such evidence may include, within the discretion of the court, evidence concerning the murder victim and the impact of the offense upon the family of the victim and others. Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed. If the trier is a jury it shall be instructed on the law. The attorneys may then argue the issue of punishment to the jury, and the state shall have the right to open and close the argument. The trier shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor:

(1) If the trier finds by a preponderance of the evidence that the defendant is intellectually disabled; or

(2) If the trier does not find beyond a reasonable doubt at least one of the statutory aggravating circumstances set out in subsection 2 of section 565.032; or

(3) If the trier concludes that there is evidence in mitigation of punishment, including but not limited to evidence supporting the statutory mitigating circumstances listed in subsection 3 of section 565.032, which is sufficient to outweigh the evidence in aggravation of punishment found by the trier; or

(4) If the trier decides under all of the circumstances not to assess and declare the punishment at death. If the trier is a jury it shall be so instructed.

If the trier assesses and declares the punishment at death it shall, in its findings or verdict, set out in writing the aggravating circumstance or circumstances listed in subsection 2 of section 565.032 which it found beyond a reasonable doubt. If the trier is a jury**,** it shall be instructed before the case is submitted that if it is unable to decide or agree upon the punishment**,** the court shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor **[**~~or death~~**]**. The court shall follow the same procedure as set out in this section whenever it is required to determine punishment for murder in the first degree.

5. Upon written agreement of the parties and with leave of the court, the issue of the defendant's intellectual disability may be taken up by the court and decided prior to trial without prejudicing the defendant's right to have the issue submitted to the trier of fact as provided in subsection 4 of this section.

6. As used in this section, the terms "intellectual disability" or "intellectually disabled" refer to a condition involving substantial limitations in general functioning characterized by significantly subaverage intellectual functioning with continual extensive related deficits and limitations in two or more adaptive behaviors such as communication, self-care, home living, social skills, community use, self-direction, health and safety, functional academics, leisure and work, which conditions are manifested and documented before eighteen years of age.

7. The provisions of this section shall only govern offenses committed on or after August 28, 2001."; and

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The just shall live by faith. (Romans 1:17)

Most Merciful God, we begin this day conscious of our own strengths and needs yet very aware of Your great power to sustain us in our endeavors. Keep us faithful in the performance of our duties, loyal to every high and lofty principle, responsive to the needs of our citizens, and, above all, receptive to the leading of Your living spirit.

We pray for our state and our leaders, that we may be delivered from malice, bitterness, and revenge. Strengthen within us all a true sense of justice, a proper regard for the rights of others, and a genuine spirit of goodness. Together may we walk with You, and with one another, as we go forward, with liberty, humility and justice for all.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Speaker Richardson assumed the Chair.

The Journal of the sixty-ninth day was approved as printed by the following vote:

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1350, Page 61, Section 610.120, Line 16, by inserting after all of said line the following:

"650.055. 1. Every individual who:

(1) Is found guilty of a felony or any offense under chapter 566; or

(2) Is seventeen years of age or older and arrested for **[**burglary in the first degree under section 569.160, or burglary in the second degree under section 569.170, or**]** a felony offense **[**under chapter 565, 566, 567, 568, or 573**]**; or

(3) Has been determined to be a sexually violent predator pursuant to sections 632.480 to 632.513; or

(4) Is an individual required to register as a sexual offender under sections 589.400 to 589.425;

shall have a fingerprint and blood or scientifically accepted biological sample collected for purposes of DNA profiling analysis.

2. Any individual subject to DNA collection and profiling analysis under this section shall provide a DNA sample:

(1) Upon booking at a county jail or detention facility; or

(2) Upon entering or before release from the department of corrections reception and diagnostic centers; or

(3) Upon entering or before release from a county jail or detention facility, state correctional facility, or any other detention facility or institution, whether operated by a private, local, or state agency, or any mental health facility if committed as a sexually violent predator pursuant to sections 632.480 to 632.513; or

(4) When the state accepts a person from another state under any interstate compact, or under any other reciprocal agreement with any county, state, or federal agency, or any other provision of law, whether or not the person is confined or released, the acceptance is conditional on the person providing a DNA sample if the person was found guilty of a felony offense in any other jurisdiction; or

(5) If such individual is under the jurisdiction of the department of corrections. Such jurisdiction includes persons currently incarcerated, persons on probation, as defined in section 217.650, and on parole, as also defined in section 217.650; or

(6) At the time of registering as a sex offender under sections 589.400 to 589.425.

3. The Missouri state highway patrol and department of corrections shall be responsible for ensuring adherence to the law. Any person required to provide a DNA sample pursuant to this section shall be required to provide such sample, without the right of refusal, at a collection site designated by the Missouri state highway patrol and the department of corrections. Authorized personnel collecting or assisting in the collection of samples shall not be liable in any civil or criminal action when the act is performed in a reasonable manner. Such force may be used as necessary to the effectual carrying out and application of such processes and operations. The enforcement of these provisions by the authorities in charge of state correctional institutions and others having custody or jurisdiction over individuals included in subsection 1 of this section which shall not be set aside or reversed is hereby made mandatory. The board of probation or parole shall recommend that an individual on probation or parole who refuses to provide a DNA sample have his or her probation or parole revoked. In the event that a person's DNA sample is not adequate for any reason, the person shall provide another sample for analysis.

4. The procedure and rules for the collection, analysis, storage, expungement, use of DNA database records and privacy concerns shall not conflict with procedures and rules applicable to the Missouri DNA profiling system and the Federal Bureau of Investigation's DNA databank system.

5. Unauthorized use or dissemination of individually identifiable DNA information in a database for purposes other than criminal justice or law enforcement is a class A misdemeanor.

6. Implementation of sections 650.050 to 650.100 shall be subject to future appropriations to keep Missouri's DNA system compatible with the Federal Bureau of Investigation's DNA databank system.

7. All DNA records and biological materials retained in the DNA profiling system are considered closed records pursuant to chapter 610. All records containing any information held or maintained by any person or by any agency, department, or political subdivision of the state concerning an individual's DNA profile shall be strictly confidential and shall not be disclosed, except to:

(1) Peace officers, as defined in section 590.010, and other employees of law enforcement agencies who need to obtain such records to perform their public duties;

(2) The attorney general or any assistant attorneys general acting on his or her behalf, as defined in chapter 27;

(3) Prosecuting attorneys or circuit attorneys as defined in chapter 56, and their employees who need to obtain such records to perform their public duties;

(4) The individual whose DNA sample has been collected, or his or her attorney; or

(5) Associate circuit judges, circuit judges, judges of the courts of appeals, supreme court judges, and their employees who need to obtain such records to perform their public duties.

8. Any person who obtains records pursuant to the provisions of this section shall use such records only for investigative and prosecutorial purposes, including but not limited to use at any criminal trial, hearing, or proceeding; or for law enforcement identification purposes, including identification of human remains. Such records shall be considered strictly confidential and shall only be released as authorized by this section.

9. (1) An individual may request expungement of his or her DNA sample and DNA profile through the court issuing the reversal or dismissal, or through the court granting an expungement of all official records under section 568.040. A certified copy of the court order establishing that such conviction has been reversed, guilty plea has been set aside, or expungement has been granted under section 568.040 shall be sent to the Missouri state highway patrol crime laboratory. Upon receipt of the court order, the laboratory will determine that the requesting individual has no other qualifying offense as a result of any separate plea or conviction and no other qualifying arrest prior to expungement.

(2) A person whose DNA record or DNA profile has been included in the state DNA database in accordance with this section and sections 650.050, 650.052, and 650.100 may request expungement on **one or more of** the **following** grounds **[**that the conviction has been reversed, the guilty plea on which the authority for including that person's DNA record or DNA profile was based has been set aside, or an expungement of all official records has been granted by the court under section 568.040**]:**

(a) The conviction on which the authority for including that person's DNA record or DNA profile was based on has been reversed;

(b) The guilty plea on which the authority for including that person's DNA record or DNA profile was based on has been set aside;

(c) The prosecutor has declined prosecution on all alleged offenses which, upon conviction, would authorize the inclusion of that person's DNA record or DNA profile;

(d) The prosecutor has withdrawn all qualifying charges which, upon conviction, would authorize the inclusion of that person's DNA record or DNA profile;

(e) The case or cases containing all charges which, upon conviction, would authorize the inclusion of that person's DNA record or DNA profile, are dismissed;

(f) The court finds at a preliminary hearing that there is no probable cause to try that person for any charge which, upon conviction, would authorize the inclusion of that person's DNA record or DNA profile;

(g) That person is found not guilty of all charges which, upon conviction, would authorize the inclusion of that person's DNA record or DNA profile.

(3) Upon receipt of a written request for expungement, a certified copy of the final court order reversing the conviction, setting aside the plea, or granting an expungement of all official records under section 568.040, and any other information necessary to ascertain the validity of the request, the Missouri state highway patrol crime laboratory shall expunge all DNA records and identifiable information in the state DNA database pertaining to the person and destroy the DNA sample of the person, unless the Missouri state highway patrol determines that the person is otherwise obligated to submit a DNA sample. Within thirty days after the receipt of the court order, the Missouri state highway patrol shall notify the individual that it has expunged his or her DNA sample and DNA profile, or the basis for its determination that the person is otherwise obligated to submit a DNA sample.

(4) The Missouri state highway patrol is not required to destroy any item of physical evidence obtained from a DNA sample if evidence relating to another person would thereby be destroyed.

(5) Any identification, warrant, arrest, or evidentiary use of a DNA match derived from the database shall not be excluded or suppressed from evidence, nor shall any conviction be invalidated or reversed or plea set aside due to the failure to expunge or a delay in expunging DNA records.

[10. When a DNA sample is taken from an individual pursuant to subdivision (2) of subsection 1 of this section and the prosecutor declines prosecution and notifies the arresting agency of that decision, the arresting agency shall notify the Missouri state highway patrol crime laboratory within ninety days of receiving such notification. Within thirty days of being notified by the arresting agency that the prosecutor has declined prosecution, the Missouri state highway patrol crime laboratory shall determine whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken and retained. If the individual has no other qualifying offenses or arrests, the crime laboratory shall expunge all DNA records in the database taken at the arrest for which the prosecution was declined pertaining to the person and destroy the DNA sample of such person.

11. When a DNA sample is taken of an arrestee for any offense listed under subsection 1 of this section and charges are filed:

(1) If the charges are later withdrawn, the prosecutor shall notify the state highway patrol crime laboratory that such charges have been withdrawn;

(2) If the case is dismissed, the court shall notify the state highway patrol crime laboratory of such dismissal;

(3) If the court finds at the preliminary hearing that there is no probable cause that the defendant committed the offense, the court shall notify the state highway patrol crime laboratory of such finding;

(4) If the defendant is found not guilty, the court shall notify the state highway patrol crime laboratory of such verdict.

If the state highway patrol crime laboratory receives notice under this subsection, such crime laboratory shall determine, within thirty days, whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken. If the individual has no other qualifying arrests or offenses, the crime laboratory shall expunge all DNA records in the database pertaining to such person and destroy the person's DNA sample.**]"**; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1355, Pages 62-63, Section 260.558, by striking said section and inserting in lieu thereof the following:

"**260.558. 1. There is hereby created in the state treasury the "Radioactive Waste Investigation Fund". The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely by the department of natural resources to investigate concerns of exposure to radioactive waste. Upon written request by a local governing body expressing concerns of radioactive waste contamination in a specified area within its jurisdiction, the department of natural resources shall use moneys in the radioactive waste investigation fund to develop and conduct an investigation, using sound scientific methods, for the specified area of concern. The request by a local governing body shall include a specified area of concern and any supporting documentation related to the concern. The department shall prioritize requests in the order in which they are received, except that the department may give priority to requests that are in close proximity to federally designated sites where radioactive contaminants are known or reasonably expected to exist. The investigation shall be performed by applicable federal or state agencies or by a qualified contractor selected by the department through a competitive bidding process. In conducting an investigation under this section, the department shall work with the applicable government agency or approved contractor, as well as local officials, to develop a sampling and analysis plan to determine if radioactive contaminants in the area of concern exceed federal standards for remedial action due to contamination. Within a residential area, this plan may include dust samples collected inside residential homes only after obtaining permission from the homeowners. The samples shall be analyzed for the isotopes necessary to correlate the samples with the suspected contamination, as described in the sampling and analysis plan. Within forty-five days of receiving the final sampling results, the department shall report the results to the attorney general and the local governing body that requested the investigation and make the finalized report and testing results publicly available on the department's website.**

2. The transfer to the fund shall not exceed one hundred fifty thousand dollars per fiscal year. Investigation costs expended from this fund shall not exceed one hundred fifty thousand dollars per fiscal year. Any moneys remaining in the fund at the end of the biennium shall revert to the credit of the hazardous waste fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.".

The department may share the results of such a criminal background check with any emergency services licensing agency in any member state, as that term is defined under section 190.900, of the recognition of EMS personnel licensure interstate compact. The department shall not issue a license until the department receives the results of an applicant's criminal background check from the Missouri state highway patrol and the Federal Bureau of Investigation, but, notwithstanding this subsection, the department may issue a temporary license as provided under section 190.143. Any fees due for a criminal background check shall be paid by the applicant.

(8) The commission shall publish its bylaws and file a copy thereof, and a copy of any amendment thereto, with the appropriate agency or officer in each of the member states, if any;

(9) The commission shall maintain its financial records in accordance with the bylaws; and

(10) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

4. The commission shall have the following powers:

(1) To promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rules shall have the force and effect of law and shall be binding on all member states;

(2) To bring and prosecute legal proceedings or actions in the name of the commission; provided that, the standing of any state EMS authority or other regulatory body responsible for EMS personnel licensure to sue or be sued under applicable law shall not be affected;

(3) To purchase and maintain insurance and bonds;

(2) The commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.

(3) The commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff, which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission, which shall promulgate a rule binding upon all member states.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the member states, except by and with the authority of the member state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

6. (1) The members, officers, executive director, employees, and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim, damage to or loss of property, personal injury, or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that, nothing in this subdivision shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional, willful, or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee, or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that, nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional, willful, or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that, the actual or alleged act, error, or omission did not result from the intentional, willful, or wanton misconduct of the person.

190.927. 1. The commission shall provide for the development and maintenance of a coordinated database and reporting system containing licensure, adverse action, and significant investigatory information on all licensed individuals in member states.

2. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the coordinated database on all individuals to whom this compact is applicable as required by the rules of the commission, including:

(1) Identifying information;

(2) Licensure data;

(3) Significant investigatory information;

(4) Adverse actions against an individual's license;

(5) An indicator that an individual's privilege to practice is restricted, suspended, or revoked;

(6) Nonconfidential information related to alternative program participation;

(7) Any denial of application for licensure and the reasons for such denial; and

(8) Other information that may facilitate the administration of this compact, as determined by the rules of the commission.

3. The coordinated database administrator shall promptly notify all member states of any adverse action taken against, or significant investigative information on, any individual in a member state.

4. Member states contributing information to the coordinated database may designate information that shall not be shared with the public without the express permission of the contributing state.

5. Any information submitted to the coordinated database that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the coordinated database.

190.930. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the member states rejects a rule by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any member state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule or rules shall be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission; and

(2) On the website of each member state's EMS authority or the publication in which each state would otherwise publish proposed rules.

5. The notice of proposed rulemaking shall include:

(1) The proposed time, date, and location of the meeting at which the rule shall be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;

(3) A request for comments on the proposed rule from any interested person; and

(4) The manner in which interested parties may submit notice to the commission of their intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments that shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least twenty-five persons;

(2) A governmental subdivision or agency; or

(3) An association having at least twenty-five members.

8. If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing; provided that, the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of commission or member state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

13. The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

190.933. 1. The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceedings in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

3. The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

4. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(1) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, or any other action to be taken by the commission; and

(2) Provide remedial training and specific technical assistance regarding the default.

5. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

6. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

7. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

8. The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact unless agreed upon in writing between the commission and the defaulting state.

9. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

10. Upon a request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

11. The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

12. The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

13. By majority vote, the commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

14. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

190.936. 1. The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. Any member state may withdraw from this compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any EMS personnel licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

5. This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

190.939. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any member state thereto, the compact shall remain in full force and effect as to the remaining member states. Nothing in this compact supersedes state law or rules related to licensure of EMS agencies.

2. The board of trustees shall fix and determine by proper rules and regulations how much service in any year is equivalent to one year of service, but in no case shall more than one year of service be creditable for all service in one calendar year, nor shall the board of trustees allow credit as service for any period of more than one month's duration during which the member was absent without pay.

3. Subject to the above restrictions and to such other rules and regulations as the board of trustees may adopt, the board of trustees shall verify the service claims as soon as practicable after the filing of the statement of service.

6. The retirement system, with the approval of the board of trustees, may enter into cooperative agreements to transfer creditable service between the retirement system and any other retirement plan established by the state of Missouri or any political subdivision or instrumentality of the state when a member who has been employed in a position covered by one plan is employed in a position covered by another plan. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, municipal prosecuting attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses, violations, and infractions listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.

4. The petition shall include the following information:

(1) The petitioner's:

(a) Full name;

(b) Sex;

(c) Race;

(d) Driver's license number, if applicable; and

(e) Current address;

(2) Each offense, violation, or infraction for which the petitioner is requesting expungement;

(3) The approximate date the petitioner was charged for each offense, violation, or infraction; and

5. The clerk of the court shall give notice of the filing of the petition to the office of the prosecuting attorney, circuit attorney, or municipal prosecuting attorney that prosecuted the offenses, violations, or infractions listed in the petition. If the prosecuting attorney, circuit attorney, or municipal prosecuting attorney objects to the petition for expungement, he or she shall do so in writing within thirty days after receipt of service. Unless otherwise agreed upon by the parties, the court shall hold a hearing within sixty days after any written objection is filed, giving reasonable notice of the hearing to the petitioner. If no objection has been filed within thirty days after receipt of service, the court may set a hearing on the matter and shall give reasonable notice of the hearing to each entity named in the petition. At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:

(1) It has been at least seven years if the offense is a felony, or at least three years if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;

(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall close any record in its possession relating to any offense, violation, or infraction listed in the petition, in the manner established by section 610.120. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313 or permit issued under chapter 571;

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;

(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency,

prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief.".

14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law."; and

Telehealth or telemedicine shall also include the use of asynchronous store-and-forward technology.

2. Any licensed health care provider shall be authorized to provide telehealth services if such services are within the scope of practice for which the health care provider is licensed and are provided with the same standard of care as services provided in person. **This section shall not be construed to prohibit a health carrier, as defined in section 376.1350, from reimbursing non-clinical staff for services otherwise allowed by law.**

3. In order to treat patients in this state through the use of telemedicine or telehealth, health care providers shall be fully licensed to practice in this state and shall be subject to regulation by their respective professional boards.

4. Nothing in subsection 3 of this section shall apply to:

(1) Informal consultation performed by a health care provider licensed in another state, outside of the context of a contractual relationship, and on an irregular or infrequent basis without the expectation or exchange of direct or indirect compensation;

"354.603. 1. A health carrier shall maintain a network that is sufficient in number and types of providers to assure that all services to enrollees shall be accessible without unreasonable delay. In the case of emergency services, enrollees shall have access twenty-four hours per day, seven days per week. The health carrier's medical director shall be responsible for the sufficiency and supervision of the health carrier's network. Sufficiency shall be determined by the director in accordance with the requirements of this section and by reference to any reasonable criteria, including but not limited to provider-enrollee ratios by specialty, primary care provider-enrollee ratios, geographic accessibility, reasonable distance accessibility criteria for pharmacy and other services, waiting times for appointments with participating providers, hours of operation, and the volume of technological and specialty services available to serve the needs of enrollees requiring technologically advanced or specialty care.

(1) In any case where the health carrier has an insufficient number or type of participating providers to provide a covered benefit, the health carrier shall ensure that the enrollee obtains the covered benefit at no greater cost than if the benefit was obtained from a participating provider, or shall make other arrangements acceptable to the director.

(2) The health carrier shall establish and maintain adequate arrangements to ensure reasonable proximity of participating providers, including local pharmacists, to the business or personal residence of enrollees. In determining whether a health carrier has complied with this provision, the director shall give due consideration to the relative availability of health care providers in the service area under, especially rural areas, consideration.

(3) A health carrier shall monitor, on an ongoing basis, the ability, clinical capacity, and legal authority of its providers to furnish all contracted benefits to enrollees. The provisions of this subdivision shall not be construed to require any health care provider to submit copies of such health care provider's income tax returns to a health carrier. A health carrier may require a health care provider to obtain audited financial statements if such health care provider received ten percent or more of the total medical expenditures made by the health carrier.

(4) A health carrier shall make its entire network available to all enrollees unless a contract holder has agreed in writing to a different or reduced network.

2. A health carrier shall file with the director, in a manner and form defined by rule of the department of insurance, financial institutions and professional registration, an access plan meeting the requirements of sections 354.600 to 354.636 for each of the managed care plans that the health carrier offers in this state. The health carrier may request the director to deem sections of the access plan as proprietary or competitive information that shall not be made public. For the purposes of this section, information is proprietary or competitive if revealing the information will cause the health carrier's competitors to obtain valuable business information. The health carrier shall provide such plans, absent any information deemed by the director to be proprietary, to any interested party upon request. The health carrier shall prepare an access plan prior to offering a new managed care plan, and shall update an existing access plan whenever it makes any change as defined by the director to an existing managed care plan. The director shall approve or disapprove the access plan, or any subsequent alterations to the access plan, within sixty days of filing. The access plan shall describe or contain at a minimum the following:

(1) The health carrier's network;

(2) The health carrier's procedures for making referrals within and outside its network;

(3) The health carrier's process for monitoring and assuring on an ongoing basis the sufficiency of the network to meet the health care needs of enrollees of the managed care plan;

(4) The health carrier's methods for assessing the health care needs of enrollees and their satisfaction with services;

(5) The health carrier's method of informing enrollees of the plan's services and features, including but not limited to the plan's grievance procedures, its process for choosing and changing providers, and its procedures for providing and approving emergency and specialty care;

(6) The health carrier's system for ensuring the coordination and continuity of care for enrollees referred to specialty physicians, for enrollees using ancillary services, including social services and other community resources, and for ensuring appropriate discharge planning;

(7) The health carrier's process for enabling enrollees to change primary care professionals;

(8) The health carrier's proposed plan for providing continuity of care in the event of contract termination between the health carrier and any of its participating providers, in the event of a reduction in service area or in the event of the health carrier's insolvency or other inability to continue operations. The description shall explain how enrollees shall be notified of the contract termination, reduction in service area or the health carrier's insolvency or other modification or cessation of operations, and transferred to other health care professionals in a timely manner; and

(9) Any other information required by the director to determine compliance with the provisions of sections 354.600 to 354.636.

3. In reviewing an access plan filed pursuant to subsection 2 of this section, the director shall deem a managed care plan's network to be adequate if it meets one or more of the following criteria:

(1) The managed care plan is a Medicare + Choice coordinated care plan offered by the health carrier pursuant to a contract with the federal Centers for Medicare and Medicaid Services;

(2) The managed care plan is being offered by a health carrier that has been accredited by the National Committee for Quality Assurance at a level of "accredited" or better, and such accreditation is in effect at the time the access plan is filed;

(3) The managed care plan's network has been accredited by the Joint Commission on the Accreditation of Health Organizations for Network Adequacy, and such accreditation is in effect at the time the access plan is filed. If the accreditation applies to only a portion of the managed care plan's network, only the accredited portion will be deemed adequate; **[**~~or~~**]**

(4) The managed care plan is being offered by a health carrier that has been accredited by the Utilization Review Accreditation Commission at a level of "accredited" or better, and such accreditation is in effect at the time the access plan is filed**; or**

All claims shall be paid within thirty days of the receipt by the insurer of all documents reasonably needed to determine the claim.

3. Nothing in this section shall preclude an insurer from voluntarily issuing an instrument of payment in the single name of the provider.

4. **Except as provided in subsection 5 of this section,** this section shall not require any insurer, health services corporation, health maintenance corporation or preferred provider organization which directly contracts with certain members of a class of providers for the delivery of health care services to issue payment as provided pursuant to this section to those members of the class which do not have a contract with the insurer.

5. When a patient's health benefit plan does not include or require payment to out-of-network providers for all or most covered services, which would otherwise be covered if the patient received such services from a provider in the carrier's network, including but not limited to health maintenance organization plans, as such term is defined in section 354.400, or a health benefit plan offered by a carrier consistent with subdivision (19) of section 376.426, payment for all services shall be made directly to the providers when the health carrier has authorized such services to be received from a provider outside the carrier's network.

(1) Within forty-five processing days, as defined in 376.383, of receiving the health care professional's claim, the health carrier shall offer to pay the health care professional a reasonable reimbursement for unanticipated out-of-network care based on the health care professional's services. If the health care professional participates in one or more of the carrier's commercial networks, the offer of reimbursement for unanticipated out-of-network care shall be the amount from the network which has the highest reimbursement.

(2) If the health care professional declines the health carrier's initial offer of reimbursement, the health carrier and health care professional shall have sixty days to negotiate in good faith to attempt to determine the reimbursement for the unanticipated out-of-network care.

(3) If the health carrier and health care professional do not agree to a reimbursement amount by the end of the sixty day negotiation period, the dispute shall be resolved through an arbitration process as specified in subsection 4 of this section.

(4) To initiate arbitration proceedings, either the health carrier or health care professional must provide written notification to the director and the other party within 120 days of the end of the negotiation period, indicating their intent to arbitrate the matter and notifying the director of the billed amount and the date and amount of the final offer by each party. (5) No health care professional shall send a bill to the patient for any difference between the reimbursement rate as determined under this subsection and the health care professional's billed charge.

(1) Cost-sharing requirements shall be based on the reimbursement amount as determined under subsection 2 of this section.

(2) The patient's health carrier shall inform the health care professional of its enrollee's cost-sharing requirements within forty-five processing days of receiving a claim from the health care professional for services provided.

(3) The in-network deductible and out-of-pocket maximum cost-sharing requirements shall apply to the claim for the unanticipated out-of-network care.

4. The director shall ensure access to an external arbitration process when a health care professional and health carrier cannot agree to a reimbursement under subdivision (2) of subsection 2 of this section. In order to ensure access, when notified of a parties' intent to arbitrate, the director shall randomly select an arbitrator for each case from the department's approved list of arbitrators or entities that provide binding arbitration. The director shall specify the criteria for an approved arbitrator or entity by rule. The costs of arbitration shall be shared equally between and will be directly billed to the health care professional and health carrier. These costs will include, but are not limited to, reasonable time necessary for the arbitrator to review materials in preparation for the arbitration, travel expenses and reasonable time following the arbitration for drafting of the final decision.

5. At the conclusion of such arbitration process, the arbitrator shall issue a final decision, which shall be binding on all parties. The arbitrator shall provide a copy of the final decision to the director. The initial request for arbitration, all correspondence and documents received by the Department and the final arbitration decision shall be considered a closed record under section 374.071. The decision of the arbitrator shall not be considered an agency decision nor shall it be considered a contested case within the meaning of 536.010.

6. The arbitrator shall determine a dollar amount due under subsection 2 of this section between one hundred twenty percent of the Medicare allowed amount and the seventieth percentile of the usual and customary rate for the unanticipated out-of-network care, as determined by benchmarks from independent nonprofit organizations that are not affiliated with insurance carriers or provider organizations.

7. When determining a reasonable reimbursement rate, the arbitrator shall consider the following factors if the health care professional believes the payment offered for the unanticipated out-of-network care does not properly recognize:

(1) The health care professional's training, education, or experience;

(2) The nature of the service provided;

(3) The health care professional's usual charge for comparable services provided;

(4) The circumstances and complexity of the particular case, including the time and place the services were provided; and

(5) The average contracted rate for comparable services provided in the same geographic area.

8. The enrollee shall not be required to participate in the arbitration process. The health care professional and health carrier shall execute a nondisclosure agreement prior to engaging in an arbitration under this section.

9. This section shall take effect on January 1, 2019.

10. The department of insurance, financial institutions and professional registration may promulgate rules and fees as necessary to implement the provisions of this section, including but not limited to, procedural requirements for arbitration. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section

and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SEVENTY-FIRST DAY, THURSDAY, MAY 10, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty. (Psalm 91:1)

Great God of Grace and Goodness, we thank You for this quiet moment of prayer. When facing the serious duties that confront us and seeking to carry the responsibilities committed to our care, we can look from the visible to the invisible, from the temporal to the eternal, and in so doing gain courage for these minutes, wisdom for these hours, and strength for these final days. In Your presence may we receive the resources which make us suitable for our tasks, give us steadfast devotion for what is right, and keep us dedicated to the purpose for which this state was established.

Among the confusion and chaos of these times may we know that Your truth is eternal, and may we here determine that we will walk with You and work for You in building a state where righteousness, justice and peace shall prevail forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the seventieth day was approved as printed by the following vote:

2. Within the limits of the amounts appropriated therefor, the coordinating board for higher education shall award annually up to twenty-five grants to survivors of qualifying military members to attend institutions of postsecondary education in this state, which shall continue to be awarded annually to eligible recipients as long as the recipient achieves and maintains a cumulative grade point average of at least two and one-half on a four-point scale, or its equivalent. If the waiting list of eligible survivors exceeds fifty, the coordinating board may petition the

general assembly to expand the quota. If the quota is not expanded, then the eligibility of survivors on the waiting list shall be extended.

3. A survivor may receive a grant under this section only so long as the survivor is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. In no event shall a survivor receive a grant beyond the completion of the first baccalaureate degree, regardless of age.

4. The coordinating board for higher education shall:

(1) Promulgate all necessary rules and regulations for the implementation of this section; and

(2) Provide the forms and determine the procedures necessary for a survivor to apply for and receive a grant under this section.

5. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

6. In order to be eligible to receive a grant under this section, a survivor shall be certified as eligible by the Missouri veterans' commission.

7. A survivor who is enrolled or has been accepted for enrollment as an undergraduate postsecondary student at an approved institution of postsecondary education, and who is selected to receive a grant under this section, shall receive the following:

(1) An amount not to exceed the actual tuition charged at the approved institution of postsecondary education where the survivor is enrolled or accepted for enrollment;

(2) An allowance of up to two thousand dollars per semester for room and board; and

(3) The actual cost of books, up to a maximum of five hundred dollars per semester.

8. A survivor who is a recipient of a grant may transfer from one approved public institution of postsecondary education to another without losing his or her entitlement under this section. The board shall make necessary adjustments in the amount of the grant. If a grant recipient at any time withdraws from the institution of postsecondary education so that under the rules and regulations of that institution he or she is entitled to a refund of any tuition, fees, room and board, books, or other charges, the institution shall pay the portion of the refund to which he or she is entitled attributable to the grant for that semester or similar grading period to the board.

9. If a survivor is granted financial assistance under any other student aid program, public or private, the full amount of such aid shall be reported to the board by the institution and the eligible survivor.

10. Nothing in this section shall be construed as a promise or guarantee that a person will be admitted to an institution of postsecondary education or to a particular institution of postsecondary education, will be allowed to continue to attend an institution of postsecondary education after having been admitted, or will be graduated from an institution of postsecondary education.

11. The benefits conferred by this section shall be available to any academically eligible student of a qualifying military member. Surviving children who are eligible shall be permitted to apply for full benefits conferred by this section until they reach twenty-five years of age.

12. Pursuant to section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall be reauthorized as of June 13, 2016, and shall expire on August 28, 2020, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall sunset automatically twelve years after June 13, 2016; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

173.616. 1. The following schools, training programs, and courses of instruction shall be exempt from the provisions of sections 173.600 to 173.618:

(2) A not-for-profit school owned, controlled and operated by a bona fide eleemosynary organization which provides instruction with no financial charge to its students and at which no part of the instructional cost is defrayed by or through programs of governmental student financial aid, including grants and loans, provided directly to or for individual students;

(3) A school which offers instruction only in subject areas which are primarily for avocational or recreational purposes as distinct from courses to teach employable, marketable knowledge or skills, which does not advertise occupational objectives and which does not grant degrees;

(4) A course of instruction, study or training program sponsored by an employer for the training and preparation of its own employees;

(5) A course of study or instruction conducted by a trade, business or professional organization with a closed membership where participation in the course is limited to bona fide members of the trade, business or professional organization, or a course of instruction for persons in preparation for an examination given by a state board or commission where the state board or commission approves that course and school;

(6) A school or person whose clientele are primarily students aged sixteen or under;

(7) A yoga teacher training course, program, or school.

3. A school which is otherwise licensed and approved under and pursuant to any other licensing law of this state shall be exempt from sections 173.600 to 173.618, but a state certificate of incorporation shall not constitute licensing for the purpose of sections 173.600 to 173.618.

Any school, training program or course of instruction exempted herein may elect by majority action of its governing body or by action of its director to apply for approval of the school, training program or course of instruction under the provisions of sections 173.600 to 173.618. Upon application to and approval by the coordinating board, such school training program or course of instruction may become exempt from the provisions of sections 173.600 to 173.618 at any subsequent time, except the board shall not approve an application for exemption if the approved school is then in any status of noncompliance with certification standards and a reversion to exempt status shall not relieve the school of any liability for indemnification or any penalty for noncompliance with certification standards during the period of the school's approved status."; and

Further amend said bill, Page 13, Section 173.1107, Line 8, by inserting immediately after all of said section and line the following:

2. To be eligible for student resident status under this section, any such individual shall demonstrate presence and declare residency within the state of Missouri. For purposes of attending a community college, an individual shall demonstrate presence and declare residency within the taxing district of the community college he or she attends.

3. The coordinating board for higher education shall promulgate rules to implement this section.

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or
