JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-SECOND DAY, WEDNESDAY, MARCH 27, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Let Your work appear unto Your servants and Your glory unto their children. (Psalm 90:16)

Eternal God, who has been our dwelling place in all generations, our fathers and mothers prayed, and trusting in You were sustained all their lives. Give to us the realization, as we pray, that You are with us and so empower us that we may be upheld all our days.

Strengthen us to resist temptations, deliver us from constant bad moods, help us to assist others – to feed the hungry, to clothe the naked, to set free the captive, to give liberty to those who are oppressed, and to promote peace in our state, justice among all, and good will in all hearts.

So may Missouri be blessed and become a blessing to all residing here.

And the House says, “Amen.”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Dawson Fennewald, Reagan O'Farrell, Ayren Rapp, Blake Hallsten, and Cora Hallsten.

The Journal of the forty-first day was approved as printed by the following vote:

House Amendment No. 3

AMEND House Committee Substitute for House Bill Nos. 26 & 922, Page 14, Section 115.287, Line 44, by inserting after all of said section and line the following:

"115.306. 1. No person shall qualify as a candidate for elective public office in the state of Missouri who has been found guilty of or pled guilty to a felony or misdemeanor under the federal laws of the United States of America or to a felony under the laws of this state or an offense committed in another state that would be considered a felony in this state.

2. (1) Any person who files as a candidate for election to a public office shall be disqualified from participation in the election for which the candidate has filed if such person is delinquent in the payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state.

(2) Each potential candidate for election to a public office shall file an affidavit with the department of revenue and include a copy of the affidavit with the declaration of candidacy required under section 115.349. Such affidavit shall be in substantially the following form:

I hereby declare under penalties of perjury that I am not currently aware of any delinquency in the filing or payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or that I am a past or present corporate officer of any fee office that owes any taxes to the state, other than those taxes which may be in dispute. I declare under penalties of perjury that I am not aware of any information that would prohibit me from fulfilling any bonding requirements for the office for which I am filing.

..... Candidate's Signature

..... Printed Name of Candidate

(3) Upon receipt of a complaint alleging a delinquency of the candidate in the filing or payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state, the department of revenue shall investigate such potential candidate to verify the claim contained in the complaint. If the department of revenue finds a positive affirmation to be false, the department shall contact the secretary of state, or the election official who accepted such candidate's declaration of candidacy, and the potential candidate. The department shall notify the candidate of the outstanding tax owed and give the candidate thirty days to remit any such outstanding taxes owed which are not the subject of dispute between the department and the candidate. If the candidate fails to remit such amounts in full within thirty days, the candidate shall be disqualified from participating in the current election and barred from refileing for an entire election cycle even if the individual pays all of the outstanding taxes that were the subject of the complaint.

3. In addition to the requirements of subsections 1 and 2 of this section, for a candidate to be eligible to participate in a primary election, the requisite election authority for any local, state, or federal office, including the office of President of the United States, shall require proof that a candidate is not delinquent in the payment of taxes as follows:

(a) Any candidate for federal office, including the office of President of the United States, shall be required to provide proof of payment of federal taxes for a period of two years prior to the primary election for such office; and

"37.1094. 1. Each municipality shall provide electronically transmitted information to the office of administration, in a format the office requires, for inclusion in the Missouri municipal government expenditure database regarding each of the municipality's expenditures biannually. Information regarding the first half of the calendar year shall be submitted before July thirty-first of such year. Information regarding the second half of the calendar year shall be submitted before January thirtieth of the year immediately following such year. No submission shall be required for any expenditures incurred before January 1, 2022. The office of administration shall provide each municipality with a template in the format described in section 37.1092 for the purpose of uploading the data. The office of administration shall have the authority to grant the municipality access for the purpose of uploading the data.

2. Any municipality that fails to timely submit the required expenditure information to the office of administration shall be subject to a fine of one hundred dollars per day.

3. The office of administration shall report any violation of this section to the department of revenue. Upon notification from the office of administration that a municipality failed to timely submit expenditure information as required under this section, the department of revenue shall notify the municipality, by certified mail, that the expenditure information has not been received. Such notice shall clearly state:

(1) The name of the municipality;

(2) That the municipality shall be subject to a fine of one hundred dollars per day if the municipality does not submit the expenditure information to the office of administration before the thirtieth day following the postmarked date stamped on the certified mail envelope;

(3) That the fine will be enforced and collected as provided under subsection 4 or 5 of section 37.1094; and

(4) That the fine will begin accruing on the thirtieth day following the postmarked date stamped on the certified mail envelope and will continue to accrue until the office of administration receives the information.

In the event the expenditure information is received within thirty days of the postmarked date of the notice, no fine shall accrue or be imposed. The office of administration shall report receipt of the expenditure information to the department of revenue within ten business days. Failure of the municipality to submit the required expenditure information within thirty days of the postmarked date of the notice shall cause the fine to be collected as provided under subsection 4 or 5 of this section.

4. If a municipality collects a sales and use tax, the department of revenue may collect the fine authorized under the provisions of subsection 2 of this section by offsetting any sales or use tax distributions owed to the municipality. The fine shall not exceed ten percent of the total annual sales and use taxes collected by the municipality in the preceding calendar year. The director of revenue shall retain two percent for the cost of such collection. The remaining revenues collected from such violations shall be distributed annually to the schools of the county in the same manner that proceeds for all penalties, forfeitures, and fines collected for any breach of the penal laws of the state are distributed.

5. If a municipality does not collect a sales and use tax, the department of revenue shall send a copy of the letter of notification of noncompliance to the county that has taxing authority for the municipality. The county may collect the fine authorized under the provisions of subsection 2 of this section by withholding taxes collected on behalf of the municipality. The fine shall not exceed ten percent of the total taxes collected by the county on behalf of the municipality in the preceding calendar year. The county may retain two percent of the withheld taxes. The remaining revenues collected from such violations shall be distributed annually to the schools of the county in the same manner that proceeds for all penalties, forfeitures, and fines collected for any breach of the penal laws of the state are distributed.

6. If a municipality fails to satisfy the reporting requirements of sections 37.1090 to 37.1098 within one year of receiving notification under subsection 3 of this section, the municipality shall be subject to dissolution."; and

This section shall apply to all revenue collections made by him or her, whether for state, county, city, town, district or school taxes, general or special, except that this section shall not apply to any collections related to taxes paid under protest or as part of a disputed assessment **or to any collections related to the fine authorized under section 37.1094.**

2. In case of refusal, notice may be served upon the collector or collector-treasurer in default and his or her sureties, informing them that a motion will be made to the circuit court of the county for a judgment against the collector and his or her sureties, for all sums of money due from him or her to the state or county, as the case may be, at time of making the motion, together with the penalty aforesaid.

3. The circuit courts of this state may hear and determine all such motions and proceedings.

4. The judgments rendered by the court under the provisions of this section shall have the same force and effect and be enforced in the same manner that other judgments in the circuit courts of this state are enforced.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-THIRD DAY, THURSDAY, MARCH 28, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Let your light so shine before men, that they may see your good works, and glorify your Father who is in heaven.
(Matthew 5:16)

O God, You are great and gentle; one who forgives our sins and sustains us with undying hope. For these unspeakable mercies, we thank You. Set us free from all evil desire; cleanse our hearts from all inordinate affections, and may our love for the pure and good grow with each succeeding day. O blend Your heart with ours and grant us the sympathy that takes its impressions from the duties that pass our way.

Raise us to the height of a fine aspiration and lift us to the summit of a compelling faith. Teach us the courage of patience, the strength of endurance, and the real power and value of self-restraint. Bless and guard our state, and may the spirit of truth be granted to all our fellow citizens and in all our institutions.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-second day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-FOURTH DAY, MONDAY, APRIL 1, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Mike Moon.

Excerpt from George Washington's Prayer Journal:

"Almighty God, and most merciful father, who didst command the children of Israel to offer a daily sacrifice to thee, that thereby they might glorify and praise thee for thy protection both night and day, receive, O Lord, my morning sacrifice which I now offer up to thee; I yield thee humble and hearty thanks that thou has preserved me from the danger of the night past, and brought me to the light of the day, and the comforts thereof, a day which is consecrated to thine own service and for thine own honor.

Let my heart, therefore, Gracious God, be so affected with the glory and majesty of it, that I may not do mine own works, but wait on thee, and discharge those weighty duties thou requirest of me, and since thou art a God of pure eyes, and wilt be sanctified in all who draw near unto thee, who doest not regard the sacrifice of fools, nor hear sinners who tread in thy courts, pardon, I beseech thee, my sins, remove them from thy presence, as far as the east is from the west, and accept of me for the merits of thy son Jesus Christ, that when I come into thy temple, and compass thine altar, my prayers may come before thee as incense; and as thou wouldst hear me calling upon thee in my prayers, so give me grace to hear thee calling on me in thy word, that it may be wisdom, righteousness, reconciliation and peace to the saving of the soul in the day of the Lord Jesus.

Grant that I may hear it with reverence, receive it with meekness, mingle it with faith, and that it may accomplish in me, Gracious God, the good work for which thou has sent it. Bless my family, kindred, friends and country, be our God & guide this day and for ever for his sake, who lay down in the Grave and arose again for us, Jesus Christ our Lord, Amen."

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-third day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-FIFTH DAY, TUESDAY, APRIL 2, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

In solemn truth I can see that God is no respecter of persons, but that in every nation the man who reverences Him and does what is right is acceptable to Him. And Jesus went about doing good. (Acts 10:34)

O Spirit Divine – the eternal source of all things good and pure, the way, the truth, the life – instill our hearts in gratitude and mold our wills with Yours. Your all-embracing love, Your all-preserving power, bless and guide us this day by Your holy presence. Amid the burdens and the cares, amid the labors and the calm, it shall hold us and make easy the yoke of human work on this long day.

Bless us in that service that makes us desire and gives us a thirst for that law that makes us dead to fear or favor. May we see the crown of that which was once our cross; the good of that which was once our thorn; the victory of that which was once our trial. Throughout our state wherever the lamp of truth is shining, wherever the virtue of justice is lifting a warning finger, wherever charity and tolerance are needed, we ask Your richest blessings upon them.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was led by Charley Prichard.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Charley Prichard, Maria Childress, and Charlie Hill.

The Journal of the forty-fourth day was approved as corrected by the following vote:

- (1) At least one hundred thousand dollars in gross revenue from sales in this state; or**
- (2) At least two hundred or more separate transactions in this state.**

2. A taxpayer complying with this section and section 144.901, voluntarily or otherwise, may only seek a recovery of taxes, penalties, or interest by following the recovery procedures under section 136.035. However, no claim shall be granted on the basis that the taxpayer lacked a physical presence in the state and complied with this section voluntarily while complying with the injunction of section 144.901. Nothing in this section limits the ability of any taxpayer to obtain a refund for any other reason, including overpayment or erroneous payment.

3. No seller who remits sales tax, voluntarily or otherwise, under this section shall be liable to a purchaser who claims that the sales tax was over-collected because a provision of this section is later deemed unlawful.

144.901. 1. The circuit court shall act on this declaratory judgment action as expeditiously as possible. The court shall presume that the matter shall be fully resolved through a motion to dismiss or a motion for summary judgment. Attorney's fees shall not be awarded in any action brought under section 144.900.

The filing of the declaratory judgment action by the state shall operate as an injunction during the pendency of the action, prohibiting any state entity from enforcing the obligation in section 144.900 against any taxpayer who does not affirmatively consent or otherwise remit the sales tax on a voluntary basis. The injunction shall not apply if there is a previous judgment against a taxpayer that establishes the validity of the taxpayer's obligation under section 144.900.

3. Any appeal from the decision with respect to the cause of action under section 144.900 shall be made only to the state supreme court. The appeal shall be heard as expeditiously as possible.

House Amendment No. 6

AMEND House Bill No. 575, Page 3, Section 173.2551, Line 61, by inserting after all of said section and line the following:

"571.107. 1. A concealed carry permit issued pursuant to sections 571.101 to 571.121, a valid concealed carry endorsement issued prior to August 28, 2013, or a concealed carry endorsement or permit issued by another state or political subdivision of another state shall authorize the person in whose name the permit or endorsement is issued to carry concealed firearms on or about his or her person or vehicle throughout the state. No concealed carry permit issued pursuant to sections 571.101 to 571.121, valid concealed carry endorsement issued prior to August 28, 2013, or a concealed carry endorsement or permit issued by another state or political subdivision of another state shall authorize any person to carry concealed firearms into:

(1) Any police, sheriff, or highway patrol office or station without the consent of the chief law enforcement officer in charge of that office or station. Possession of a firearm in a vehicle on the premises of the office or station shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(2) Within twenty-five feet of any polling place on any election day. Possession of a firearm in a vehicle on the premises of the polling place shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(3) The facility of any adult or juvenile detention or correctional institution, prison or jail. Possession of a firearm in a vehicle on the premises of any adult, juvenile detention, or correctional institution, prison or jail shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(4) Any courthouse solely occupied by the circuit, appellate or supreme court, or any courtrooms, administrative offices, libraries or other rooms of any such court whether or not such court solely occupies the building in question. This subdivision shall also include, but not be limited to, any juvenile, family, drug, or other court offices, any room or office wherein any of the courts or offices listed in this subdivision are temporarily conducting any business within the jurisdiction of such courts or offices, and such other locations in such manner as may be specified by supreme court rule pursuant to subdivision (6) of this subsection. Nothing in this subdivision shall preclude those persons listed in subdivision (1) of subsection 2 of section 571.030 while within their jurisdiction and on duty, those persons listed in subdivisions (2), (4), and (10) of subsection 2 of section 571.030, or such other persons who serve in a law enforcement capacity for a court as may be specified by supreme court rule pursuant to subdivision (6) of this subsection from carrying a concealed firearm within any of the areas described in this subdivision. Possession of a firearm in a vehicle on the premises of any of the areas listed in this subdivision shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(5) Any meeting of the governing body of a unit of local government; or any meeting of the general assembly or a committee of the general assembly, except that nothing in this subdivision shall preclude a member of the body holding a valid concealed carry permit or endorsement from carrying a concealed firearm at a meeting of the body which he or she is a member. (6) The general assembly, supreme court, county or municipality may by rule, administrative regulation, or ordinance prohibit or limit the carrying of concealed firearms by permit or endorsement holders in that portion of a building owned, leased or controlled by that unit of government. Any portion of a building in which the carrying of concealed firearms is prohibited or limited shall be clearly identified by signs posted at the entrance to the restricted area. The statute, rule or ordinance shall exempt any building used for public housing by private persons, highways or rest areas, firing ranges, and private dwellings owned, leased, or controlled by that unit of government from any

restriction on the carrying or possession of a firearm. The statute, rule or ordinance shall not specify any criminal penalty for its violation but may specify that persons violating the statute, rule or ordinance may be denied entrance to the building, ordered to leave the building and if employees of the unit of government, be subjected to disciplinary measures for violation of the provisions of the statute, rule or ordinance. If the building or the premises are open to the public, the employer of the business enterprise shall post signs on or about the premises if carrying a concealed firearm is prohibited. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises. 2. Carrying of a concealed firearm in a location specified in subdivisions (1) to (17) of subsection 1 of this section by any individual who holds a concealed carry permit issued pursuant to sections 571.101 to 571.121, or a concealed carry endorsement issued prior to August 28, 2013, shall not be a criminal act but may subject the person to denial to the premises or removal from the premises. If such person refuses to leave the premises and a peace officer is summoned, such person may be issued a citation for an amount not to exceed one hundred dollars for the first offense. If a second citation for a similar violation occurs within a six-month period, such person shall be fined an amount not to exceed two hundred dollars and his or her permit, and, if applicable, endorsement to carry concealed firearms shall be suspended for a period of one year. If a third citation for a similar violation is issued within one year of the first citation, such person shall be fined an amount not to exceed five hundred dollars and shall have his or her concealed carry permit, and, if applicable, endorsement revoked and such person shall not be eligible for a concealed carry permit for a period of three years. Upon conviction of charges arising from a citation issued pursuant to this subsection, the court shall notify the sheriff of the county which issued the concealed carry permit, or, if the person is a holder of a concealed carry endorsement issued prior to August 28, 2013, the court shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement and the department of revenue. The sheriff shall suspend or revoke the concealed carry permit or, if applicable, the certificate of qualification for a concealed carry endorsement. If the person holds an endorsement, the department of revenue shall issue a notice of such suspension or revocation of the concealed carry endorsement and take action to remove the concealed carry endorsement from the individual's driving record. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302 which does not contain such endorsement. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing.

571.109. 1. Notwithstanding any provision of law to the contrary, public institutions of higher education shall be allowed to construct policies regarding concealed carry permits or endorsements issued under sections 571.101 to 571.121, valid lifetime or extended concealed carry permits issued under sections 571.205 to 571.230, valid concealed carry endorsements issued prior to August 28, 2013, or concealed carry endorsements or permits issued by another state or political subdivision of another state, but such policies shall not generally prohibit or have the effect of generally prohibiting the carrying, chambering, or active operation or storage of a concealed firearm on the campus of such institution.

2. No institution of higher education shall impose any contractual requirement or condition of employment upon any employee, faculty member, or student that generally prohibits or has the effect of generally prohibiting the lawful possession or carry of firearms by such persons, nor shall such institution impose any taxes, fees, or other monetary charges as a condition for the lawful possession or carry of firearms under the provisions of this chapter."; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-SIXTH DAY, WEDNESDAY, APRIL 3, 2019

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord God is a sun and shield; the Lord will give grace and glory: no good thing will He withhold from them that walk uprightly. (Psalm 84:11)

Heavenly Father, You are divine, we believe. Now we ask You to gladden our hearts and to cheer our lives. You have continued to bestow upon us Your sacred gifts. We thank You. Our state, O God, with all its splendid traditions, with all its marvelous progress, we do remember.

By the inspiration of high idealism and political aspiration, may the People's House continue on and on to disappoint our foes and to surprise our friends. May every member be guarded against any enemy that may be stalking to break or disturb our unity. May the Spirit of peace, good will, and unity keep our state strong and calm, for the blessing of all who dwell within our borders.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-fifth day was approved as printed by the following vote:

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 229, Page 2, Section 452.375, Line 20, by inserting after the word "custody." the following:

"If a parent does not exercise his or her periods of custody or visitation as decreed, without prior written consent and for a period exceeding sixty consecutive days, the aggrieved parent may file a family support motion. A family support motion creates a rebuttable presumption that an award of child support shall be reconsidered by the court."; and

Further amend said bill and section, Page 6, Line 164, by inserting immediately after said section and line the following:

"452.400. 1. (1) A parent not granted custody of the child is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger the child's physical health or impair his or her emotional development. The court shall enter an order specifically detailing the visitation rights of the parent without physical custody rights to the child and any other children for whom such parent has custodial or visitation rights. In determining the granting of visitation rights, the court shall consider evidence of domestic violence. If the court finds that domestic violence has occurred, the court may find that granting visitation to the abusive party is in the best interests of the child.

(2) (a) The court shall not grant visitation to the parent not granted custody if such parent or any person residing with such parent has been found guilty of or pled guilty to any of the following offenses when a child was the victim:

a. A felony violation of section 566.030, 566.032, 566.031, 566.060, 566.062, 566.064, 566.067, 566.068, 566.061, 566.083, 566.101, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

b. A violation of section 568.020;

c. A violation of subdivision (2) of subsection 1 of section 568.060;

d. A violation of section 568.065;

e. A violation of section 573.200;

f. A violation of section 573.205; or

g. A violation of section 568.175.

(b) For all other violations of offenses in chapters 566 and 568 not specifically listed in paragraph (a) of this subdivision or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in granting visitation to a parent not granted custody if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

(3) The court shall consider the parent's history of inflicting, or tendency to inflict, physical harm, bodily injury, assault, or the fear of physical harm, bodily injury, or assault on other persons and shall grant visitation in a manner that best protects the child and the parent or other family or household member who is the victim of domestic violence, and any other children for whom the parent has custodial or visitation rights from any further harm.

(4) The court, if requested by a party, shall make specific findings of fact to show that the visitation arrangements made by the court best protect the child or the parent or other family or household member who is the victim of domestic violence, or any other child for whom the parent has custodial or visitation rights from any further harm.

2. (1) The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child, but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger the child's physical health or impair his or her emotional development.

(2) (a) In any proceeding modifying visitation rights, the court shall not grant unsupervised visitation to a parent if the parent or any person residing with such parent has been found guilty of or pled guilty to any of the following offenses when a child was the victim:

a. A felony violation of section 566.030, 566.032, 566.031, 566.060, 566.062, 566.064, 566.067, 566.068, 566.061, 566.083, 566.101, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

b. A violation of section 568.020;

c. A violation of subdivision (2) of subsection 1 of section 568.060;

d. A violation of section 568.065;

e. A violation of section 573.200;

f. A violation of section 573.205; or

g. A violation of section 568.175.

(b) For all other violations of offenses in chapters 566 and 568 not specifically listed in paragraph (a) of this subdivision or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the division may exercise its discretion regarding the placement of a child taken into the custody of the state in which a parent or any person residing in the home has been found guilty of, or pled guilty to, any such offense.

(3) When a court restricts a parent's visitation rights or when a court orders supervised visitation because of allegations of abuse or domestic violence, a showing of proof of treatment and rehabilitation shall be made to the court before unsupervised visitation may be ordered.

"Supervised visitation", as used in this section, is visitation which takes place in the presence of a responsible adult appointed by the court for the protection of the child.

3. The court shall mandate compliance with its order by all parties to the action, including parents, children and third parties. In the event of noncompliance, the aggrieved person may file a verified motion for contempt. If custody, visitation or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion with the court stating the specific facts which constitute a violation of the judgment of dissolution, legal separation or judgment of paternity. The state courts administrator shall develop a simple form for pro se motions to the aggrieved person, which shall be provided to the person by the circuit clerk. Clerks, under the supervision of a circuit clerk, shall explain to aggrieved parties the procedures for filing the form. Notice of the fact that clerks will provide such assistance shall be conspicuously posted in the clerk's offices. The location of the office where the family access motion may be filed shall be conspicuously posted in the court building. The performance of duties described in this section shall not constitute the practice of law as defined in section 484.010. Such form for pro se motions shall not require the assistance of legal counsel to prepare and file. The cost of filing the motion shall be the standard court costs otherwise due for instituting a civil action in the circuit court.

4. Within five court days after the filing of the family access motion pursuant to subsection 3 of this section, the clerk of the court shall issue a summons pursuant to applicable state law, and applicable local or supreme court rules. A copy of the motion shall be personally served upon the respondent by personal process server as provided by law or by any sheriff. Such service shall be served at the earliest time and shall take priority over service in other civil actions, except those of an emergency nature or those filed pursuant to chapter 455. The motion shall contain the following statement in boldface type:

"PURSUANT TO SECTION 452.400, RSMO, YOU ARE REQUIRED TO RESPOND TO THE CIRCUIT CLERK WITHIN TEN DAYS OF THE DATE OF SERVICE. FAILURE TO RESPOND TO THE CIRCUIT CLERK MAY RESULT IN THE FOLLOWING:

- (1) AN ORDER ~~[FOR]~~ **MODIFYING CUSTODY OR AWARDING** A COMPENSATORY PERIOD OF CUSTODY, VISITATION, OR THIRD-PARTY CUSTODY AT A TIME CONVENIENT FOR THE AGGRIEVED PARTY NOT LESS THAN THE PERIOD OF TIME DENIED;

- (6) A JUDGMENT IN AN AMOUNT NOT LESS THAN THE REASONABLE EXPENSES, INCLUDING ATTORNEY'S FEES AND COURT COSTS ACTUALLY INCURRED BY THE AGGRIEVED PARTY AS A RESULT OF THE DENIAL OF CUSTODY, VISITATION OR THIRD-PARTY CUSTODY;
- (7) A JUDGMENT IN AN AMOUNT NOT LESS THAN THE REASONABLE EXPENSES, INCLUDING LOST WAGES, COSTS FOR CHILD CARE, ATTORNEY FEES, AND COURT COSTS, ACTUALLY INCURRED BY THE AGGRIEVED PARTY AS A RESULT OF THE VIOLATOR'S FAILURE TO EXERCISE PERIODS OF CUSTODY OR VISITATION AS DECREED, WITHOUT PRIOR WRITTEN CONSENT AND FOR A PERIOD EXCEEDING SIXTY CONSECUTIVE DAYS; AND
- (8) AN ORDER MODIFYING CHILD SUPPORT."

5. If an alternative dispute resolution program is available pursuant to section 452.372, the clerk shall also provide information to all parties on the availability of any such services, and within fourteen days of the date of service, the court may schedule alternative dispute resolution.

6. Upon a finding by the court pursuant to a motion for a family access order or a motion for contempt that its order for custody, visitation or third-party custody has not been complied with, without good cause, the court shall order a remedy, which may include, but not be limited to:

- (1) A compensatory period of visitation, custody or third-party custody at a time convenient for the aggrieved party not less than the period of time denied;
- (2) Participation by the violator in counseling to educate the violator about the importance of providing the child with a continuing and meaningful relationship with both parents;
- (3) Assessment of a fine of up to five hundred dollars against the violator payable to the aggrieved party;
- (4) Requiring the violator to post bond or security to ensure future compliance with the court's access orders; and
- (5) Ordering the violator to pay the cost of counseling to reestablish the parent-child relationship between the aggrieved party and the child.

7. The court shall consider, in a proceeding to enforce or modify a permanent custody or visitation order or judgment, a party's violation, without good cause, of a provision of the parenting plan, for the purpose of determining that party's ability and willingness to allow the child frequent and meaningful contact with ~~the other party~~ **both parents**.

8. ~~[The reasonable expenses incurred as a result of denial or interference with custody or visitation, including attorney's fees and costs of a proceeding to enforce visitation rights, custody or third-party custody, shall be assessed, if requested and for good cause, against the parent or party who unreasonably denies or interferes with visitation, custody or third-party custody. In addition, the court may utilize any and all powers relating to contempt conferred on it by law or rule of the Missouri supreme court.]~~ **The reasonable expenses, including lost wages, costs of child care, attorney's fees, and costs of a proceeding to enforce visitation rights, custody, third party custody or to modify child support under a family support motion or order, shall be assessed, if requested and for good cause, against a parent or party who:**

- (1) **Unreasonably denies or interferes with visitation, custody or third-party custody; or**
- (2) **Fails to exercise his or her periods of custody or visitation as decreed, without prior written consent and for a period exceeding sixty consecutive days.**

In addition, the court may utilize any and all powers relating to contempt conferred on it by law or rule of the Missouri supreme court.

9. Final disposition of a motion for a family access order filed pursuant to this section shall take place not more than sixty days after the service of such motion, unless waived by the parties or determined to be in the best interest of the child. Final disposition shall not include appellate review.

The pregnancy furlough shall be terminated within one week after a satisfactory six-week postpartum examination for a vaginal birth or eight-week postpartum examination for a cesarean birth."; and

Further amend said bill and page, Section 221.065, Line 7, by inserting after said section and line the following:

"221.520. 1. As used in this section, the following terms shall mean:

(1) "Extraordinary circumstance", a substantial flight risk or some other extraordinary medical or security circumstance that dictates restraints be used to ensure the safety and security of a pregnant offender in her third trimester or a postpartum offender within forty-eight hours postdelivery, the staff of the county or city jail or medical facility, other offenders, or the public;

(2) "Labor", the period of time before a birth during which contractions are present;

(3) "Postpartum", the period of recovery immediately following childbirth, which is six weeks for a vaginal birth or eight weeks for a cesarean birth, or longer if so determined by a physician or nurse;

(4) "Restraints", any physical restraint or other device used to control the movement of a person's body or limbs.

2. A county or city jail shall not use restraints on a pregnant offender in her third trimester, whether during transportation to and from visits to health care providers and court proceedings or medical appointments and examinations, or during labor, delivery, or forty-eight hours postdelivery.

3. Pregnant offenders shall be transported in vehicles equipped with seatbelts.

4. Any time restraints are used on a pregnant offender in her third trimester or on a postpartum offender within forty-eight hours postdelivery, the restraints shall be the least restrictive available and the most reasonable under the circumstances. In no case shall leg, ankle, or waist restraints or any mechanical restraints be used on any such offender, and, if wrist restraints are used, such restraints shall be placed in the front of such offender's body to protect the offender and the unborn child in the case of a forward fall.

5. If a doctor, nurse, or other health care provider treating the pregnant offender in her third trimester or the postpartum offender within forty-eight hours postdelivery requests that restraints not be used, the sheriff or jailer accompanying such offender shall immediately remove all restraints.

6. In the event a sheriff or jailer determines that extraordinary circumstances exist and restraints are necessary, the sheriff or jailer shall fully document in writing within forty-eight hours of the incident the reasons he or she determined such extraordinary circumstances existed, the type of restraints used, and the reasons those restraints were considered the least restrictive available and the most reasonable under the circumstances. Such documents shall be kept on file by the county or city jail for at least five years from the date the restraints were used.

7. The county or city jail shall:

(1) Ensure that employees of the jail are provided with training, which may include online training, on the provisions of this section; and

(2) Inform female offenders, in writing and orally, of any policies and practices developed in accordance with this section upon admission to the jail, and post the policies and practices in locations in the jail where such notices are commonly posted and will be seen by female offenders.

221.523. 1. By September 1, 2019, all county and city jails shall develop specific procedures for the intake and care of offenders who are pregnant, which shall include procedures regarding:

(1) Maternal health evaluations;

(2) Dietary supplements;

(3) Substance abuse treatment;

(4) Treatment for the human immunodeficiency virus and ways to avoid human immunodeficiency virus transmission;

(5) Hepatitis C;

(6) Sleeping arrangements for such offenders, including requiring such offenders to sleep on the bottom bunk bed;

(7) Access to mental health professionals;

(8) Sanitary materials;

(9) Postpartum recovery, including that no such offender shall be placed in isolation during such recovery; and

(10) A requirement that a female medical professional be present during any examination of such offender.

2. As used in this section "postpartum recovery" means, as determined by a physician, the period immediately following delivery, including the entire period an offender who was pregnant is in the hospital or infirmary after delivery.

221.525. 1. Female offenders in the last trimester of pregnancy or through an at-risk pregnancy may be considered for a pregnancy furlough if a physician verifies that the level of medical care that will be rendered to the offender outside the jail is sufficient for the health care needs of the offender and her unborn child.

2. A plan of community supervision shall be developed by a probation or parole officer and approved by the sheriff or jailer of the offender's jail, and arrangements shall be made for monitoring the offender's activities while on furlough. The plan of community supervision shall include supervision contact by the division of probation and parole while the offender is on furlough status. The jail placing the offender on furlough status shall contact the division of probation and parole in the district where the offender will be residing during the furlough period and develop community control supervision contact standards. The developed plan shall be attached to the furlough request.

3. The jail placing the offender on furlough status shall be responsible for the monitoring of the offender's progress while on the furlough. Monitoring shall include any changes in the offender's medical condition or any violations of the rules concerning the furlough. Any changes or violations detected shall be reported immediately to the sheriff or jailer of the jail placing the inmate on furlough.

4. The sheriff or jailer of the jail is authorized to terminate a pregnancy furlough at any time during the furlough period for noncompliance with the conditions of the furlough. The pregnancy furlough shall be terminated within one week after a satisfactory six-week postpartum examination for a vaginal birth or eight-week postpartum examination for a cesarean birth."; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-SEVENTH DAY, THURSDAY, APRIL 4, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Enter into His gates with thanksgiving and into His courts with praise: be thankful unto Him and bless His name. For the Lord is good; His mercy is everlasting; and His truth endures to all generations. (Psalm 100:4 - 5)

Gracious God, out of the depths of our needs, out of the depths of our hopes, out of the depths of our failures we say: O give thanks unto the Lord, for He is good and His mercy endures forever. Favored as we are by the constancy of Divine care, impress us that these members deserve Your mercy, especially those who do their best to conform to Your laws.

May our conduct in this historic chamber this day proceed from right convictions and from belief in the truth. To us who do what we should; God will not deny His grace. Bring our minds humbly to the thought that You are above all and over all so that our vision and duty may be inspired and remembered.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-sixth day was approved as printed by the following vote:

MISSOURI HOUSE OF REPRESENTATIVES **100TH GENERAL ASSEMBLY**

IN THE MATTER OF REPRESENTATIVE ROCKY MILLER **HOUSE ETHICS COMPLAINT NO. 19-002**

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 100th General Assembly, pursuant to Rule 5 of House Committee Substitute for House Resolution 137, reports as follows:

1. On September 20, 2018, a Missouri House of Representatives staff employee (Complainant) contacted the House Division of Administration to file a complaint of sexual harassment. Specifically, the employee alleged that Representative Rocky Miller (Respondent) created a false rumor that the employee was having an affair with a

second representative. Pursuant to the House policy prohibiting sexual harassment, the House engaged outside counsel to investigate the complaint.

2. Complainant, Respondent, and several witnesses were interviewed as part of the investigation. Outside counsel submitted a report to the House on October 4, 2018, with the following findings:

- a. There was sufficient evidence to substantiate that Respondent created a false rumor about Complainant and a second representative;
- b. There was no evidence of a romantic or sexual relationship between Complainant and the second representative;
- c. The credibility of the Complainant and other witnesses was generally credible, while the credibility of the Respondent was questionable; and
- d. The allegation that Complainant was subjected to a hostile work environment because a rumor about Complainant was created does not rise to the level which would be considered "severe or pervasive" under the law, which is required for sexual harassment under the Missouri Human Rights Act and Title VII of the Civil Rights Act of 1964, but may implicate a violation of House Policy Section B-5.

3. The Committee on Ethics, as it was composed in 2018, met twice in November 2018 to discuss this matter.

4. At the request of the Committee, Respondent attended additional sexual harassment training, and wrote a personal letter of apology to Complainant which was received by Complainant on November 13, 2018.

5. On January 22, 2019, the Committee received a report from a third representative indicating that Respondent may have again implied there was a romantic relationship between the Complainant and the second representative in January 2019 after Respondent had received additional sexual harassment training and after Respondent had written a personal letter of apology to Complainant.

6. In February 2019, the Committee held four hearings to further discuss the complaint, the prior proceedings from 2018, the follow-up investigation in 2019, and hear personal testimony from the Complainant and Respondent.

7. The Committee finds that on January 8, 2019, an interaction between the third representative and the Respondent, as outlined in paragraph 5, did occur, and the rumor of a romantic relationship between the Complainant and the second representative was brought up by the third representative. Due to a lack of witnesses and evidence, the Committee cannot conclude with certainty what was discussed and in what context.

8. The Committee accepts the findings that Respondent created a rumor that Complainant and the second representative were having an affair, and that the rumor was false. The Committee finds, based upon the evidence received by the Committee, that:

- a. Respondent's actions constitute conduct unbecoming of a state legislator that is entrusted with authority over the legislative process;
- b. Respondent's conduct may have compromised the ability of the House to provide a respectful, professional work environment; and
- c. The false rumor was personally hurtful and professionally damaging to both Complainant and the second representative.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint, including hearing the statements to the committee from Complainant and Respondent, concludes that no further action is warranted at this time other than the issuance of this report.

This report was adopted by the Committee by a vote of 10 to 0:

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, MONDAY, APRIL 8, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Alan Green.

Most Loving God,

We are humbled to be able to see another day. Today we are reminded You never put more on us than we can bear, and You always make a way for us. Can each one of us sit still just for a moment, unmoving, simply reflecting, for just a few minutes? We are bogged down with distractions nowadays, emails, text messages, social media, kids, policy, bills, and life, constantly trying to follow whatever new trend can twist our attention for a moment. But, there is great strength in allowing yourself to sit still.

I dreamt I peered into a mirror, and I saw a train, God was where I should have been, He gently reassured me, “You won’t return again.”

“Keep looking in the mirror and I will make it clearer, about the many times and places and the dreams that you have lived.”

I watched with great amazement, I saw all that I’ve been through, the mirror was revealing, the countless “me’s for my review.

Each reflection seemed familiar, as though we were meeting once again. It was as if I was rediscovering, all my long lost loving family, and friends.

At birth, we boarded the train of life and met our parents, and we believed that they would always travel by our side. However, at some station, our parents would step down from the train, leaving us on life’s journey alone.

As time goes by, some significant people will board the train: siblings, other children, friends, and even the love of our life.

Many will step down, and leave a permanent vacuum. Others will go so unnoticed that we won’t realize that they vacated their seats! This train ride has been a mixture of job, sorrow, fantasy, expectations, hellos, goodbyes, and farewells.

A successful journey consists of having a good relationship with all passengers, requiring that we give a good relationship with all passengers, requiring that we give the best of ourselves. The mystery that prevails is that we do not know at which station we ourselves will step down. Thus, we must try to travel along the track of life in the best possible way, loving, forgiving, giving, and sharing.

When the time comes for us to step down and leave our seat empty—we should leave behind beautiful memories for those who continue to travel on the train of life.

Let's remember to thank our Creator for giving us life to participate in this journey.

I close by thanking you for taking a moment to ride my train.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Rylan Toeberman and Carleigh Toeberman.

The Journal of the forty-seventh day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-NINTH DAY, TUESDAY, APRIL 9, 2019

The House met pursuant to adjournment.

Representative Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God who made the world and all things therein, seeing that He is Lord of heaven and earth, dwelled not in temples made with hands; neither is worshipped with men's hands, as though He needed anything, seeing He gives to all life, and breath and all things. (Acts 17:24-25)

Your presence, O Loving God, is meant to enrich and beautify all life on earth. We praise You, that the light of Your providence shines on us in its sure embrace. Your power is all about us. We breathe Your air, we are warmed by Your sun, we are awed by Your glory, and we are kept by Your daily care. We recall memories which we cannot define and satisfactions which we cannot analyze, yet we bless You.

Clothed with the insignia of a great responsibility, heaven forbid that we should be untrue to our best selves. If greed and injustice exist, may it be said that they exist in defiance of our cherished principles. By fortitude, by patience, by a conscientious devotion to our state's welfare, help us to discharge the supreme claims which are upon us on this long day. Make our understanding a safe and secure fortress of truth. May we give ourselves up to Your wise and gentle guidance in the people's house.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-eighth day was approved as printed by the following vote:

The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. 9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

(b) Provide coverage during absence, incapacity, infirmity, or emergency by the supervising physician;

(5) The duration of the supervision agreement between the supervising physician and paramedic practitioner; and

Such description shall include provisions that the supervising physician, or a designated supervising physician listed in the supervision agreement, review a minimum of ten percent of the charts of the paramedic practitioner's delivery of health care services every fourteen days.

9. When a paramedic practitioner supervision agreement is utilized to provide health care services for conditions other than acute self-limited or well-defined problems, the supervising physician or other physician designated in the supervision agreement shall see the patient for evaluation and approve or formulate the plan of treatment for new or significantly changed conditions as soon as practicable, but in no case more than two weeks after the patient has been seen by the paramedic practitioner.

No contract or other agreement shall limit the supervising physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any physician assistant, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by the hospital's medical staff.

12. Physician assistants shall file with the board a copy of their supervising physician form.

13. No physician shall be designated to serve as supervising physician or collaborating physician for more than ~~six~~ **nine** full-time equivalent licensed physician assistants, full-time equivalent advanced practice registered nurses, **full-time equivalent paramedic practitioners**, or full-time equivalent assistant physicians, or any combination thereof. (2) Within forty-five processing days, as defined in section 376.383, of receiving the health care professional's claim, the health carrier shall offer to pay the health care professional a reasonable reimbursement for unanticipated out-of-network care based on the health care professional's services. If the health care professional participates in one or more of the carrier's commercial networks, the offer of reimbursement for unanticipated out-of-network care shall be the amount from the network which has the highest reimbursement.

(3) If the health care professional declines the health carrier's initial offer of reimbursement, the health carrier and health care professional shall have sixty days from the date of the initial offer of reimbursement to negotiate in good faith to attempt to determine the reimbursement for the unanticipated out-of-network care.

(4) If the health carrier and health care professional do not agree to a reimbursement amount by the end of the sixty-day negotiation period, the dispute shall be resolved through an arbitration process as specified in subsection 4 of this section.

(5) To initiate arbitration proceedings, either the health carrier or health care professional must provide written notification to the director and the other party within one hundred twenty days of the end of the negotiation period, indicating their intent to arbitrate the matter and notifying the director of the billed amount and the date and amount of the final offer by each party. A claim for unanticipated out-of-network care may be resolved between the parties at any point prior to the commencement of the arbitration proceedings. Claims may be combined for purposes of arbitration, but only to the extent the claims represent similar circumstances and services provided by the same health care professional, and the parties attempted to resolve the dispute in accordance with subdivisions (3) to (5) of this subsection.

(6) No health care professional who sends a claim to a health carrier under subsection 2 of this section shall send a bill to the patient for any difference between the reimbursement rate as determined under this subsection and the health care professional's billed charge.

3. (1) When unanticipated out-of-network care is provided, the health care professional who sends a claim to a health carrier under subsection 2 of this section may bill a patient for no more than the cost-sharing requirements described under this section.

(2) Cost-sharing requirements shall be based on the reimbursement amount as determined under subsection 2 of this section.

(3) The patient's health carrier shall inform the health care professional of its enrollee's cost-sharing requirements within forty-five processing days of receiving a claim from the health care professional for services provided.

(4) The in-network deductible and out-of-pocket maximum cost-sharing requirements shall apply to the claim for the unanticipated out-of-network care.

4. The director shall ensure access to an external arbitration process when a health care professional and health carrier cannot agree to a reimbursement under subdivision (3) of subsection 2 of this section. In order to ensure access, when notified of a parties' intent to arbitrate, the director shall randomly select an arbitrator for each case from the department's approved list of arbitrators or entities that provide binding arbitration. The director shall specify the criteria for an approved arbitrator or entity by rule. The costs of arbitration shall be shared equally between and will be directly billed to the health care professional and health carrier. These costs will include, but are not limited to, reasonable time necessary for the arbitrator to review materials in preparation for the arbitration, travel expenses and reasonable time following the arbitration for drafting of the final decision.

5. At the conclusion of such arbitration process, the arbitrator shall issue a final decision, which shall be binding on all parties. The arbitrator shall provide a copy of the final decision to the director. The initial request for arbitration, all correspondence and documents received by the department and the final arbitration decision shall be considered a closed record under section 374.071. However, the director may release aggregated summary data regarding the arbitration process. The decision of the arbitrator shall not be considered an agency decision nor shall it be considered a contested case within the meaning of section 536.010.

6. The arbitrator shall determine a dollar amount due under subsection 2 of this section between one hundred twenty percent of the Medicare-allowed amount and the seventieth percentile of the usual and customary rate for the unanticipated out-of-network care, as determined by benchmarks from independent nonprofit organizations that are not affiliated with insurance carriers or provider organizations.

7. When determining a reasonable reimbursement rate, the arbitrator shall consider the following factors if the health care professional believes the payment offered for the unanticipated out-of-network care does not properly recognize:

- (1) The health care professional's training, education, or experience;
- (2) The nature of the service provided;
- (3) The health care professional's usual charge for comparable services provided;
- (4) The circumstances and complexity of the particular case, including the time and place the services were provided; and
- (5) The average contracted rate for comparable services provided in the same geographic area.

8. The enrollee shall not be required to participate in the arbitration process. The health care professional and health carrier shall execute a nondisclosure agreement prior to engaging in an arbitration under this section.

9. ~~[This section shall take effect on January 1, 2019.~~

~~10.]~~ The department of insurance, financial institutions and professional registration may promulgate rules and fees as necessary to implement the provisions of this section, including but not limited to procedural requirements for arbitration. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

4. The state board of registration for the healing arts shall not deny, revoke, suspend, or otherwise take disciplinary action against a collaborating physician for health care services delegated to an assistant physician provided the provisions of this section and the rules promulgated thereunder are satisfied.

5. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, and also report to the board the name of each assistant physician with whom the physician has entered into such arrangement. The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

6. A collaborating physician ~~[or supervising physician]~~ shall not enter into a collaborative practice arrangement ~~[or supervision agreement]~~ with more than six full-time equivalent assistant physicians, full-time equivalent physician assistants, or full-time equivalent advance practice registered nurses, or any combination thereof. Such limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of section 334.104.

9. No contract or other agreement shall require a physician to act as a collaborating physician for an assistant physician against the physician's will. A physician shall have the right to refuse to act as a collaborating

physician, without penalty, for a particular assistant physician. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. Any limitations shall be listed in the collaborative practice arrangement. Assistant physicians shall not prescribe controlled substances for themselves or members of their families. Schedule III controlled substances and Schedule II - hydrocodone prescriptions shall be limited to a five-day supply without refill, except that buprenorphine may be prescribed for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the collaborating physician. Assistant physicians who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include the Drug Enforcement Administration registration number on prescriptions for controlled substances.

(2) The collaborating physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the assistant physician during which the assistant physician shall practice with the collaborating physician on-site prior to prescribing controlled substances when the collaborating physician is not on-site. Such limitation shall not apply to assistant physicians of population-based public health services as defined in 20 CSR 2150-5.100 as of April 30, 2009, or assistant physicians providing opioid addiction treatment.

(3) An assistant physician shall receive a certificate of controlled substance prescriptive authority from the state board of registration for the healing arts upon verification of licensure under section 334.036.

13. Nothing in this section or section 334.036 shall be construed to limit the authority of hospitals or hospital medical staff to make employment or medical staff credentialing or privileging decisions.

334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice registered nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, and Schedule II - hydrocodone; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services. An advanced practice registered nurse may prescribe buprenorphine for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the collaborating physician.

3. The written collaborative practice arrangement shall contain at least the following provisions:
 - (1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;
 - (2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;

 - (4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;
 - (5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:
 - (a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;
 - (b) Maintain geographic proximity, except the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by P.L. 95-210, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic. The collaborating physician is required to maintain documentation related to this requirement and to present it to the state board of registration for the healing arts when requested; and
 - (c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;
 - (6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;
 - (7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;
 - (8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse;
 - (9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's delivery of health care services. The description shall include provisions that the advanced practice registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and
 - (10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics.

The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician ~~[or supervising physician]~~ shall not enter into a collaborative practice arrangement ~~[or supervision agreement]~~ with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of this section.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

The brewer may also enter into lease agreements with wholesalers, who may enter into sublease agreements with retail licensees in which the value contained in the sublease is equal to the unit cost to the brewer plus two percent of the total lease value as of the execution of the lease. If the lease agreement is with a wholesaler, the portable refrigeration units shall become the property of the wholesaler at the end of the lease period, which is to be defined between the brewer and the wholesaler. A wholesaler may not directly or indirectly fund the cost or maintenance of the portable refrigeration units. Brewers shall be responsible for maintaining adequate records of retailer payments to be able to verify fulfillment of lease agreements. House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 674, Page 5, Section 67.1360, Line 136, by inserting after all of said section and line the following:

"94.842. 1. The governing body of any home rule city with more than one hundred fifty-five thousand but fewer than two hundred thousand inhabitants may impose a tax on the charges for all sleeping rooms paid by the transient guests of hotels or motels situated in the city, which shall not be more than seven and one-half percent per occupied room per night, except that such tax shall not become effective unless the governing body of the city submits to the voters of the city at a state general, primary or special election, a proposal to authorize the governing body of the city to impose a tax under the provisions of this section. The tax authorized by this section shall be in addition to the charge for the sleeping room and shall be in addition to any and all taxes imposed by law, and the proceeds of such tax shall be used solely for capital investments that can be demonstrated to increase the number of overnight visitors. Such tax shall be stated separately from all other charges and taxes.

2. The question shall be submitted in substantially the following form:

Shall the (city) levy a tax of percent on each sleeping room occupied and rented by transient guests of hotels and motels located in the city, where the proceeds of which shall be expended for capital investments to increase tourism?

YES **NO**

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the calendar quarter following the calendar quarter in which the election was held. Representative Sommer offered **House Amendment No. 4.**

House Amendment No. 4

AMEND House Bill No. 606, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"160.3000. 1. School districts may install and operate automated school bus safety cameras on school buses to be used for the detection of violations of section 304.050 if the use of the cameras is approved by a vote of the school district board of directors. School districts are not required to take school buses out of service if the buses are not equipped with automated school bus safety cameras or functional automated safety cameras. Further, school districts shall be held harmless from and not liable for any criminal or civil liability arising under the provisions of this section.

2. Automated school bus safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture shall not reveal the face of the driver or of passengers in the vehicle.

3. A notice of infraction shall be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection 8 of this section. The law enforcement officer issuing the notice of infraction shall include a certificate or facsimile of the notice, based upon inspection of photographs, microphotographs, or electronic images produced by an automated school bus safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this section. The photographs, microphotographs, or electronic images evidencing the violation shall be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated school bus safety camera may respond to the notice by mail.

4. In a traffic case involving an infraction detected through the use of an automated school bus safety camera under this section, proof that the particular vehicle described in the notice of traffic infraction was in violation of any provision of section 304.050, together with proof that the person named in the notice of traffic infraction was at the time of the violation the registered owner of the vehicle constitutes in evidence a prima facie presumption that the registered owner of the vehicle was the person in control of the vehicle at the point where, and for the time during which, the violation occurred. This presumption may be overcome only if the registered owner states, under oath, in a written statement to the court or in testimony before the court that the vehicle involved was at the time, stolen or in the care, custody, or control of some person other than the registered owner, or in the case of a rental car business, the business satisfies the conditions of subsection 8 of this section. If appropriate under the circumstances, a renter identified under subsection 8 of this section is responsible for an infraction.

5. Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

6. If a school district installs and operates an automated school bus safety camera under this section, the compensation paid to the manufacturer or vendor of the equipment used shall be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based

upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment. Further, any repair, replacement, or administrative work costs related to installing or repairing automated school bus safety cameras shall be solely paid for by the manufacturer or vendor of the cameras. Before entering into a contract with the manufacturer or vendor of the equipment used under this section, the school district shall follow a competitive bid process.

7. Any revenue collected from infractions detected through the use of automated school bus safety cameras, less the administration and operating costs of the cameras, shall be remitted to the local school district where the violation occurred and shall not be distributed through the school funding mechanisms of section 163.031. Funds received shall be used by the local school district for:

- (1) School safety zone projects;
- (2) Pedestrian safety projects; and
- (3) Defraying the cost of installing and operating the cameras.

The administration and operating costs of the cameras includes infraction enforcement and processing costs that are incurred by local law enforcement or local courts.

8. If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction is issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(1) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred;

(2) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subdivision shall be accompanied by a copy of a filed police report regarding the vehicle theft; or

(3) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

9. Timely mailing of a statement under subsection 8 of this section to the issuing law enforcement agency relieves a rental car business of any liability under this section for the notice of infraction.

10. For purposes of this section, "automated school bus safety camera" means a device that is affixed to a school bus that is synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a vehicle at the time the vehicle is detected for an infraction identified in section 304.050.

11. The department of transportation may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void."; and

Agricultural storm water discharges and return flows from irrigated agriculture shall not be considered unlawful under subdivisions (1) and (2) of subsection 1 of section 644.051 unless such discharges or return flows **are reasonably certain to cause pollution of any water of the state or** have entered waters of the state and have rendered such waters harmful, detrimental, or injurious to public health, safety, or welfare, or to industrial or agricultural uses, or to wild animals, birds, ~~[or]~~ fish, **amphibians, or other aquatic life**. JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTIETH DAY, WEDNESDAY, APRIL 10, 2019

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God is not far from each one of us, for in Him we live and move and have our being. (Acts 17:28)

Creator God who is in heaven, our days are in Your hands. Give us the blessings of a sweet humility and meekness. Come to us and sweep aside the mists of error; correct our weakness and strengthen in all of us the wholesome sense of personal worth and the joy of life.

Help us to glory in the wonderful commands of the Master, by whose coming the world is to be loved, by whose presence the world is to be awed, by whose rapture the world is to be thrilled, and at whose mercy the world is to bow. May the knowledge of truth gently wedge its way into all our lives, and may our feet press God's highway now and forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Micah Benjamin Walter, Jacelyn Wright, John Sutherland, and Joseph Wesley Walter.

The Journal of the forty-ninth day was approved as printed by the following vote:

- (2) "Department", the department of health and senior services;**
- (3) "Electronic monitoring device", a surveillance instrument with a fixed position video camera or an audio recording device, or a combination thereof, that is installed in a resident's room under the provisions of sections 198.610 to 198.630 and broadcasts or records activity or sounds occurring in the room;**

198.612. 1. A resident may be permitted to conduct authorized electronic monitoring of the resident's room through the use of electronic monitoring devices placed in the room under the provisions of sections 198.610 to 198.630 if the facility in which the resident resides permits electronic monitoring devices in its policies and procedures and if the electronic monitoring devices comply with the facility's requirements therein.

2. Nothing in sections 198.610 to 198.630 shall be construed to allow the use of an electronic monitoring device to take still photographs or for the nonconsensual interception of private communications.

3. Except as otherwise provided in this section, a resident, a resident's representative, or the parent of a resident under eighteen years of age and the facility shall consent in writing on a notification and consent form prescribed by the department in order for authorized electronic monitoring to be conducted in the resident's room. If the resident has not affirmatively objected to the authorized electronic monitoring and the resident's physician determines that the resident lacks the ability to understand and appreciate the nature and consequences of electronic monitoring, the following individuals may consent on behalf of the resident in order of priority:

- (1) An attorney-in-fact under a durable power of attorney for health care;**
- (2) The resident's representative;**
- (3) The resident's spouse;**

- (6) The resident's adult brother or sister who has the written consent of all other adult siblings of the resident to act as the sole decision maker regarding authorized electronic monitoring.**

4. Prior to another person, other than a resident's representative, consenting on behalf of a resident eighteen years of age or older in accordance with the provisions of sections 198.610 to 198.630, the resident shall be asked by that person, in the presence of a facility employee, if he or she wants authorized electronic monitoring to be conducted. - (3) With whom the recording may be shared according to section 198.622; and
- (4) The resident's ability to decline all recording.

For the purposes of this subsection, a resident affirmatively objects if he or she orally, visually, or through the use of auxiliary aids or services declines authorized electronic monitoring. The resident's response shall be documented on the notification and consent form.

5. A resident or roommate may consent to authorized electronic monitoring with any conditions of the resident's choosing including, but not limited to, the list of standard conditions provided in subdivision (7) of subsection 2 of section 198.614. A resident or roommate may request that the electronic monitoring device be turned off or the visual recording component of the electronic monitoring device be blocked at any time.

Except as otherwise provided in this subsection, a roommate, a roommate's legal representative, or the parent of a roommate under eighteen years of age shall consent in writing to the authorized electronic monitoring in the resident's room. - (2) The roommate's legal representative;
- (3) The roommate's spouse;
- (4) The roommate's parent;
- (5) The roommate's adult child who has the written consent of all other adult children of the roommate to act as the sole decision maker regarding authorized electronic monitoring; or
- (6) The roommate's adult brother or sister who has the written consent of all other adult siblings of the roommate to act as the sole decision maker regarding authorized electronic monitoring.

7. Consent by a roommate under subsection 6 of this section authorizes the resident's use of any recording obtained under sections 198.610 to 198.630 as provided under section 198.622.

8. Any resident previously conducting authorized electronic monitoring shall obtain consent from any new roommate before the resident may resume authorized electronic monitoring. If a new roommate does not consent to authorized electronic monitoring and the resident conducting the authorized electronic monitoring does not remove or disable the electronic monitoring device, the facility may turn off the device.

9. Consent may be withdrawn by the resident or roommate at any time, and the withdrawal of consent shall be documented in the resident's clinical record. If a roommate withdraws consent and the resident conducting the authorized electronic monitoring does not remove or disable the electronic monitoring device, the facility may turn off the electronic monitoring device.

 - (b) Prohibiting broadcasting of audio or video; or
 - (c) Turning off the electronic monitoring device or blocking the visual recording component of the electronic monitoring device for the duration of an exam or procedure by a health care professional; while dressing or bathing is performed; or for the duration of a visit with a spiritual advisor, ombudsman, attorney, financial planner, intimate partner, or other visitor; and
 - (8) Any other condition or restriction elected by the facility, resident, or roommate on the use of an electronic monitoring device.
3. A copy of the completed notification and consent form shall be placed in the resident's and any roommate's clinical record and a copy shall be provided to the resident and his or her roommate, if applicable.
4. The department shall prescribe the notification and consent form required in this section no later than sixty days after the effective date of sections 198.610 to 198.630. A person or entity that violates this section in the commission of or to conceal a misdemeanor offense is guilty of a class A misdemeanor. A person or entity that violates this section in the commission of or to conceal a felony offense is guilty of a class D felony.
4. It is not a violation of this section if a person or facility turns off the electronic monitoring device or blocks the visual recording component of the electronic monitoring device at the direction of the resident or the person who consented on behalf of the resident in accordance with section 198.612.

198.622. 1. No facility shall access any video or audio recording created through authorized electronic monitoring without the written consent of the resident or the person who consented on behalf of the resident and the facility, in accordance with section 198.612.

3. The resident or person who consented on behalf of the resident in accordance with section 198.612 shall provide a copy of any video or audio recording to parties involved in a criminal or administrative proceeding, upon a party's request, if the video or audio recording was made during the time period that the conduct at issue in the proceeding allegedly occurred.

Nothing in sections 198.610 to 198.630 shall permit or authorize a resident to use any device that in any way violates any other state or federal law or regulation.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-FIRST DAY, THURSDAY, APRIL 11, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

I am the vine, you are the branches. He that remains in me, and I in him, will bear much fruit, because without me you can do nothing. (John 15:5)

O Triune God, You alone can make our lives worthy and loving. Bless us with that wonderful melody, namely the whisper of Your voice in our hearts. Give us a bright morning, morning courage, the morning vision, and then the blessing of the calm evening and a safe trip home.

Build up our hopes, our lives, and even our humility. All these are the wings that carry us up amid the push and the pull of human interests. Forgive our selfishness, and help us to withstand the conflicts of life's old problems of envy and pride for the sake of our citizens and our dignity.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fiftieth day was approved as printed.

FIFTY-SECOND DAY, MONDAY, APRIL 15, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Tim Bommel, House Photographer.

Dear Heavenly Father, I thank You for bringing the members of this body back together this week and I would just pray for wisdom and guidance for them as they work to serve the people of the state of Missouri. I pray, God, that You would bless them through the friendships that they build with the members of this General Assembly. I pray You would bless their time this week, and I lift all of this up in Your precious Son's name.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-first day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-THIRD DAY, TUESDAY, APRIL 16, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

God is love; and he that dwells in love dwells in God, and God in him. (1 John 4:16)

Not unto us, O Lord, but to You give glory for Your mercy. Come to us, that we may bless Your name and fulfill Your law. Strengthen us to do Your will. This day may we put some touches of sunlight into the lives of others. Guide us in the way of right living.

May we not live by bread alone but by the inspiration of the noble pursuits of life. We thank You for our privileges; may we use them for the honor and glory of Your name and for the good of our fellow brothers and sisters. Refresh us, ennoble us, and purify us, that we may measure up to the highest ideals of humanity.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Taylor Lim.

AMEND House Committee Substitute for House Bill No. 1151, Page 1, Section A, Line 3,
by inserting after all of the said section and line the following:

"217.690. 1. All releases or paroles shall issue upon order of the board, duly adopted.

2. Before ordering the parole of any offender, the board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the board. The board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for each of the consecutive sentences, except:

(1) The minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence; **and**

(2) Notwithstanding any other provision of law and at the discretion of the board, the minimum terms for parole eligibility of consecutive sentences may be calculated as the minimum terms for parole eligibility of concurrent sentences. Before making a calculation under this subdivision, either upon its own motion or upon petition by the offender, the board shall conduct a hearing, give notice of such hearing to the prosecutor or circuit attorney that had jurisdiction of the offender's crimes, and determine whether the sum of the minimum terms is an unreasonably excessive total term. The board shall consider the crime or crimes of the offender, the sentences received by other offenders similarly situated, the offender's institutional record, any rehabilitation efforts by the offender, and whether the offender would successfully reintegrate into his or her community.

6. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

7. A victim who has requested an opportunity to be heard shall receive notice that the board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

8. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a board member at the board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

9. The board shall notify any person of the results of a parole eligibility hearing if the person indicates to the board a desire to be notified.

10. The board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

11. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. Board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

12. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

13. Beginning January 1, 2001, the board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

14. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

217.698. Notwithstanding any other provision of law, any person convicted of a crime that was committed prior to such person attaining the age of twenty-one and sentenced on or after January 1, 1976, shall be eligible for parole after:

- (1) Serving one-third of his or her sentence that is calculated to be thirty years or less; or**
- (2) Serving a minimum of fifteen years for any sentence of imprisonment that is calculated to be more than thirty years, including a sentence of life without parole.";** and

Further amend said bill, Page 2, Section 217.735, Line 34, by inserting after all of said section and line the following:

"217.870. With the goal to reduce the recidivism rate of offenders incarcerated in the state of Missouri, the department of corrections, prior to the release of any working inmate:

- (1) May, subject to appropriation, participate in the Federal Bonding Program of the United States Department of Labor;**
- (2) Shall review the types of jobs available for inmates while incarcerated to determine which jobs would be eligible for certification and ensure that any inmate who has completed the necessary requirements for certification in a particular field does receive certification; and**
- (3) Shall issue a worker certificate to any inmate who has worked in one or more jobs while incarcerated that are the types of jobs that are not eligible for certification. The certificate shall indicate the number of hours the inmate has worked or hours of training the inmate has received in each job that the inmate held. The certificate shall also specify the duties required for each job and list the skills acquired or demonstrated on the job.";** and

2. Subject to appropriations, the department may provide financial assistance for consumer-directed personal care assistance services through eligible vendors, as provided in sections 208.900 through 208.927, to each person who was participating as a non-MO HealthNet eligible client pursuant to sections 178.661 through 178.673 on June 30, 2005, and who:

- (5) Does not have access to affordable employer-sponsored health care insurance or other affordable health care coverage for personal care assistance services as defined in section 208.900. For purposes of this section, "access to affordable employer-sponsored health care insurance or other affordable health care coverage" refers to health insurance requiring a monthly premium less than or equal to one hundred thirty-three percent of the monthly average premium required in the state's current Missouri consolidated health care plan.

Payments made by the department under the provisions of this section shall be made only after all other available sources of payment have been exhausted.

3. (1) In order to be eligible for financial assistance for consumer-directed personal care assistance services under this section, a person shall demonstrate financial need, which shall be based on the adjusted gross income and the assets of the person seeking financial assistance and such person's spouse.

(2) In order to demonstrate financial need, a person seeking financial assistance under this section and such person's spouse must have an adjusted gross income, less disability-related medical expenses, as approved by the department, that is equal to or less than three hundred percent of the federal poverty level. The adjusted gross income shall be based on the most recent income tax return.

(3) No person seeking financial assistance for personal care services under this section and such person's spouse shall have assets **less than twenty thousand dollars or** in excess of two hundred [fifty] thousand dollars.

4. The department shall require applicants and the applicant's spouse, and consumers and the consumer's spouse, to provide documentation for income, assets, and disability-related medical expenses for the purpose of determining financial need and eligibility for the program. In addition to the most recent income tax return, such documentation may include, but shall not be limited to:

- (1) Current wage stubs for the applicant or consumer and the applicant's or consumer's spouse;
- (2) A current W-2 form for the applicant or consumer and the applicant's or consumer's spouse;

5. A personal care assistance services plan shall be developed by the department pursuant to section 208.906 for each person who is determined to be eligible and in financial need under the provisions of this section. The plan developed by the department shall include the maximum amount of financial assistance allowed by the department, subject to appropriation, for such services.

6. Each consumer who participates in the program is responsible for a monthly premium equal to the average premium required for the Missouri consolidated health care plan; provided that the total premium described in this section shall not exceed five percent of the consumer's and the consumer's spouse's adjusted gross income for the year involved.

7. (1) Nonpayment of the premium required in subsection 6 shall result in the denial or termination of assistance, unless the person demonstrates good cause for such nonpayment.

(2) No person denied services for nonpayment of a premium shall receive services unless such person shows good cause for nonpayment and makes payments for past-due premiums as well as current premiums.

(3) Any person who is denied services for nonpayment of a premium and who does not make any payments for past-due premiums for sixty consecutive days shall have their enrollment in the program terminated.

(4) No person whose enrollment in the program is terminated for nonpayment of a premium when such nonpayment exceeds sixty consecutive days shall be reenrolled unless such person pays any past-due premiums as well as current premiums prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument.

8. (1) Consumers determined eligible for personal care assistance services under the provisions of this section shall be reevaluated annually to verify their continued eligibility and financial need. The amount of financial assistance for consumer-directed personal care assistance services received by the consumer shall be adjusted or eliminated based on the outcome of the reevaluation. Any adjustments made shall be recorded in the consumer's personal care assistance services plan.

(2) In performing the annual reevaluation of financial need, the department shall annually send a reverification eligibility form letter to the consumer requiring the consumer to respond within ten days of receiving the letter and to provide income and disability-related medical expense verification documentation. If the department does not receive the consumer's response and documentation within the ten-day period, the department shall send a letter notifying the consumer that he or she has ten days to file an appeal or the case will be closed.

(3) The department shall require the consumer and the consumer's spouse to provide documentation for income and disability-related medical expense verification for purposes of the eligibility review. Such documentation may include but shall not be limited to the documentation listed in subsection 4 of this section.

9. (1) Applicants for personal care assistance services and consumers receiving such services pursuant to this section are entitled to a hearing with the department of social services if eligibility for personal care assistance services is denied, if the type or amount of services is set at a level less than the consumer believes is necessary, if disputes arise after preparation of the personal care assistance plan concerning the provision of such services, or if services are discontinued as provided in section 208.924. Services provided under the provisions of this section shall continue during the appeal process.

(2) A request for such hearing shall be made to the department of social services in writing in the form prescribed by the department of social services within ninety days after the mailing or delivery of the written decision of the department of health and senior services. The procedures for such requests and for the hearings shall be as set forth in section 208.080.

10. Unless otherwise provided in this section, all other provisions of sections 208.900 through 208.927 shall apply to individuals who are eligible for financial assistance for personal care assistance services under this section.

11. The department may promulgate rules and regulations, including emergency rules, to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Any provisions of the existing rules regarding the personal care assistance program promulgated by the department of elementary and secondary education in title 5, code of state regulations, division 90, chapter 7, which are inconsistent with the provisions of this section are void and of no force and effect.

12. The provisions of this section shall expire on June 30, [~~2019~~] **2025**."; and

- (3) (a) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subdivision (2) of this subsection and that an injunction prohibiting the conduct would not be sufficient to prevent the paid tax return preparer's interference with the proper administration of the laws of this state, the court may enjoin the paid tax return preparer from acting as a paid tax return preparer in Missouri.
- (b) Being enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction under this section shall establish a prima facie case for an injunction to be issued under this section. 4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2014, shall be invalid and void."; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-FOURTH DAY, WEDNESDAY, APRIL 17, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not weary; and they shall walk and not faint. (Isaiah 40:31)

We come to You with an honest and humble heart, blessed God; You will surely listen to us this morning. Encourage us to draw close to You with our needs, with our limitations, and with our appeals for wisdom and insight. Make us able to understand the depth of the truth, and may we have determination to dedicate ourselves to it always.

May the love of truth secure ineffable peace for us and our citizens. We do not seek the honor and love of praise, the desire and hope of gain, nor the false and fake happiness but only the stability and the betterment of this state. May Your plans and purposes be uppermost in all our deliberations and thoughts under this dome forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Charlie Smith.

The Journal of the fifty-third day was approved as printed by the following vote:

A surcharge of [~~one dollar~~] **three dollars** shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any county ordinance or any violation of a criminal or traffic law of the state, including an infraction; except that no such surcharge shall be collected in any proceeding in any court when the proceeding or the defendant has been dismissed by the court or when costs are to be paid by the state, county or municipality.

2. One-half of all moneys collected under the provisions of subsection 1 of this section shall be payable to the state of Missouri and remitted to the director of revenue who shall deposit the amount collected pursuant to this section to the credit of the "Missouri Office of Prosecution Services Fund" which is hereby created in the state treasury. The moneys credited to the Missouri office of prosecution services fund from each county shall be used only for the purposes set forth in sections 56.750, 56.755, and 56.760. The state treasurer shall be the custodian of the fund, and shall make disbursements, as allowed by lawful appropriations. All earnings resulting from the investment of money in the fund shall be credited to the Missouri office of prosecution services fund. The Missouri office of prosecution services may collect a registration fee to pay for expenses included in sponsoring training conferences. The revenues and expenditures of the Missouri office of prosecution services shall be subject to an annual audit to be performed by the Missouri state auditor. The Missouri office of prosecution services shall also be subject to any other audit authorized and directed by the state auditor.

3. One-half of all moneys collected under the provisions of subsection 1 of this section shall be payable to the county treasurer of each county from which such funds were generated. The county treasurer shall deposit all of such funds into the county treasury in a separate fund to be used solely for the purpose of additional training for circuit and prosecuting attorneys and their staffs. If the funds collected and deposited by the county are not totally expended annually for the purposes set forth in this subsection, then the unexpended moneys shall remain in said fund and the balance shall be kept in said fund to accumulate from year to year, or at the request of the circuit or prosecuting attorney, with the approval of the county commission or the appropriate governing body of the county or the City of St. Louis, and may be used to pay for expert witness fees, travel expenses incurred by victim/witnesses in case preparation and trial, for expenses incurred for changes of venue, for expenses incurred for special prosecutors, and for other lawful expenses incurred by the circuit or prosecuting attorney in operation of that office.

4. There is hereby established in the state treasury the "Missouri Office of Prosecution Services Revolving Fund". Any moneys received by or on behalf of the Missouri office of prosecution services from registration fees, federal and state grants or any other source established in section 56.760 in connection with the purposes set forth in sections 56.750, 56.755, and 56.760 shall be deposited into the fund.

5. The moneys in the Missouri office of prosecution services revolving fund shall be kept separate and apart from all other moneys in the state treasury. The state treasurer shall administer the fund and shall disburse moneys from the fund to the Missouri office of prosecution services pursuant to appropriations for the purposes set forth in sections 56.750, 56.755 and 56.760.

6. Any unexpended balances remaining in the Missouri office of prosecution services fund and the Missouri office of prosecution services revolving fund at each biennium shall be exempt from the provisions of section 33.080 relating to the transfer of unexpended balances to general revenue."; and

Further amend said bill, Page 8, Section 543.270, Line 10, by inserting after said section and line the following:

"557.014. 1. As used in this section, the following terms shall mean:

- (2) "Accused", an individual accused of a criminal offense but not yet charged with a criminal offense;**
- (3) "Defendant", any person charged with a criminal offense;**
- (4) "Deferred prosecution", the suspension of a criminal case for a specified period upon the request of both the prosecuting attorney and the accused or the defendant;**
- (5) "Diversionary screening", the discretionary power of the prosecuting attorney to suspend all formal prosecutorial proceedings against a person who has become involved in the criminal justice system as an accused or defendant;**
- (6) "Prosecuting attorney", includes the prosecuting attorney or circuit attorney for each county of the state and the city of St. Louis;**
- (7) "Prosecution diversion", the imposition of conditions of behavior and conduct by the prosecuting attorney upon an accused or defendant for a specified period of time as an alternative to proceeding to adjudication on a complaint, information, or indictment.**

2. Each prosecuting attorney in the state of Missouri shall have the authority to, upon agreement with an accused or a defendant, divert a criminal case to a prosecution diversion program for a period of six months to two years, thus allowing for any statute of limitations to be tolled for that time alone. The period of diversion may be extended by the prosecuting attorney as a disciplinary measure or to allow sufficient time for completion of any portion of the prosecution diversion including restitution; provided, however, that no extension of such diversion shall be for a period of more than two years.

3. The prosecuting attorney may divert cases, under this program, out of the criminal justice system where the prosecuting attorney determines that the advantages of utilizing prosecution diversion outweigh the advantages of immediate court activity.

4. Prior to or upon the issuance of an accusatory instrument, with consent of the accused or defendant, other than for an offense enumerated in this section, the prosecuting attorney may forego continued prosecution upon the parties' agreement to a prosecution diversion plan. The prosecution diversion plan shall be for a specified period and be in writing. The prosecuting attorney has the sole authority to develop diversionary program requirements, but minimum requirements are as follows:

(1) The alleged offense is nonviolent, nonsexual, and does not involve a child victim or possession of an unlawful weapon;

(2) The accused or defendant shall submit to all program requirements;

(3) Any newly discovered criminal behavior while in a prosecution diversion program will immediately forfeit his or her right to continued participation in such program at the sole discretion of the prosecuting attorney;

(4) The alleged offense does not also constitute a violation of a current condition of probation or parole;

(5) The alleged offense is not a traffic offense in which the accused or defendant was a holder of a commercial driver's license or was operating a commercial motor vehicle at the time of the offense; and

(6) Any other criteria established by the prosecuting attorney.

5. During any period of prosecution diversion, the prosecuting attorney may impose conditions upon the behavior and conduct of the accused or defendant that assures the safety and well-being of the community as well as that of the accused or defendant. The conditions imposed by the prosecuting attorney shall include, but are not limited to, requiring the accused or defendant to remain free of any criminal behavior during the entire period of prosecution diversion.

6. The responsibility and authority to screen or divert specific cases, or to refuse to screen or divert specific cases, shall rest within the sole judgment and discretion of the prosecuting attorney as part of his or her official duties as prosecuting attorney. The decision of the prosecuting attorney regarding diversion shall not be subject to appeal nor be raised as a defense in any prosecution of a criminal case involving the accused or defendant.

7. Any person participating in the program:

(1) Shall have the right to insist on criminal prosecution for the offense for which he or she is accused at any time; and

(2) May have counsel of the person's choosing present during all phases of the prosecution diversion proceedings, but counsel is not required and no right to appointment of counsel is hereby created.

8. In conducting the program, the prosecuting attorney may require at any point the reinitiation of criminal proceedings if, in his or her judgment, such is warranted.

9. Any county, city, person, organization, or agency, or employee or agent thereof, involved with the supervision of activities, programs, or community service that are a part of a prosecution diversion program shall be immune from any suit by the person performing the work under the deferred prosecution agreement, or any person deriving a cause of action from such person, except for an intentional tort or gross negligence. Persons performing work or community service under a deferred prosecution agreement as described shall not be deemed to be engaged in employment within the meaning of the provisions of chapter 288. A person performing work or community service under a deferred prosecution agreement shall not be deemed an employee within the meaning of the provisions of chapter 287.

10. Any person supervising an accused or a defendant under the program shall report to the prosecuting attorney any violation of the terms of the prosecution diversion program.

11. After completion of the program and any conditions imposed upon the accused or defendant, to the satisfaction of the prosecuting attorney, the individual shall be entitled to a dismissal or alternative disposition of charges against him or her. Such disposition may, in the discretion of the prosecuting attorney, be without prejudice to the state of Missouri for the reinstatement of criminal proceedings, within the statute of limitations, upon any subsequent criminal activity on the part of the accused. Any other provision of law notwithstanding, such individual shall be required to pay any associated costs prior to dismissal of pending charges."; and

Further amend said bill, Page 13, Section 577.010, Line 90, by inserting after said section and line the following:

The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, if sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

~~[11-]~~ 12. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a person to make payment.

~~[12-]~~ 13. A person who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the person either willfully refused to make the payment or that the person willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

~~[13-]~~ 14. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state."; and

MESSAGES FROM THE GOVERNOR

April 17, 2019

TO THE CHIEF CLERK OF THE HOUSE OF REPRESENTATIVES
100th GENERAL ASSEMBLY
FIRST REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 14** entitled:

AN ACT

To appropriate money for supplemental purposes for the expenses, grants, and distributions of the several departments and offices of state government and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the fiscal period ending June 30, 2019.

On April 17, 2019, I approved **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 14**.

Respectfully Submitted,

/s/Michael L. Parson
Governor

Having been returned from the Governor with his approval, **CCS SCS HCS HB 14** was delivered to the Secretary of State by the Chief Clerk of the House.

The following proclamation was received from His Excellency, Governor Michael L. Parson.

PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the One Hundredth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the third quarter of fiscal year 2019, the rate of expenditure for each of the appropriation lines in the fiscal year 2019 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2019 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 17th day of April 2019.

/s/ Michael L. Parson
Governor

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-FIFTH DAY, THURSDAY, APRIL 18, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

This is life eternal, to know You the only true God, and Jesus Christ, whom you have sent. (John 17:3)

O Spirit of Holiness, Your love has brought to the gates of our lives the power of God, who is the ruler of our utmost needs and utmost hopes. Advance us and direct our ways, our goals, and our votes. Come and give our work satisfaction, our friendships blessing, and to the whole day its joys. Grant certainties to our souls, and may they not be filled with wicked doubts. You are the invisible bridge that unites us, no matter our party or gender, in our dreams and aspirations in the people's house. May we have the courage and the humility to walk together on that bridge.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-fourth day was approved as corrected.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-SIXTH DAY, TUESDAY, APRIL 23, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

I am the vine, you are the branches. He that abides in me, and I in him, the same bring forth much fruit; for without me you can do nothing. (John 15:5)

All our times and seasons are in Your hands, O Creator God, and sincere gratitude fills our hearts and minds today! Give us the light of Your truth; invigorate our understanding, that we may have perfect discernment for the solutions of all problems and cares. We have an honest political duty today, which none of us can ignore and no individual can evade.

May we stand forth with the historic members of the past who achieved righteousness, tamed wickedness, and contributed to the ethics of their day. In the book of life's complex experiences, may we be seriously inspired by the lessons of courage, of faith, of confidence in our institutions, and devotion to the principles which made Missouri a great and beloved state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Audrey Deien.

The Journal of the fifty-fifth day was approved as printed by the following vote:

"488.426. 1. The judges of the circuit court, en banc, in any circuit in this state may require any party filing a civil case in the circuit court, at the time of filing the suit, to deposit with the clerk of the court a surcharge in addition to all other deposits required by law or court rule. Sections 488.426 to 488.432 shall not apply to proceedings when costs are waived or are to be paid by the county or state or any city.

2. The surcharge in effect on August 28, 2001, shall remain in effect until changed by the circuit court. The circuit court in any circuit, except the circuit court in Jackson County or the circuit court in any circuit that reimburses the state for the salaries of family court commissioners under and pursuant to section 487.020, may change the fee to any amount not to exceed fifteen dollars. The circuit court in Jackson County, **the circuit court in the city of St. Louis**, or the circuit court in any circuit that reimburses the state for the salaries of family court commissioners under and pursuant to section 487.020 may change the fee to any amount not to exceed twenty dollars. A change in the fee shall become effective and remain in effect until further changed.

3. Sections 488.426 to 488.432 shall not apply to proceedings when costs are waived or are paid by the county or state or any city.

4. In addition to any fee authorized by subsection 1 of this section, any county of the first classification with more than one hundred one thousand but fewer than one hundred fifteen thousand inhabitants may impose an additional fee of ten dollars excluding cases concerning adoption and those in small claims court. The provisions of this subsection shall expire on December 31, 2019.

~~543.270. [1. When any person shall be unable to pay any fine and costs assessed against him, the associate circuit judge shall have power, at the request of the defendant, to commute such fine and costs to imprisonment in the county jail, which shall be credited at the rate of ten dollars of such fine and costs for each day's imprisonment.~~
2.] When a fine is assessed by ~~an~~ **a municipal judge, associate circuit judge, or circuit judge**, it shall be within his **or her** discretion to provide for the payment of the fine on an installment basis under such terms and conditions as he **or she** may deem appropriate. **In no event shall the recovery of costs incurred by a municipality or county for the detention, imprisonment, or holding of any person be the subject of any condition of probation, nor shall the failure to pay such costs be the sole basis for the issuance of a warrant.**

558.006. ~~[1.]~~ When an offender sentenced to pay a fine defaults in the payment of the fine or in any installment, ~~[the court upon motion of the prosecuting attorney or upon its own motion may require him or her to show cause why he or she should not be imprisoned for nonpayment. The court may issue a warrant of arrest or a summons for his or her appearance.~~

~~2. Following an order to show cause under subsection 1 of this section, unless the offender shows that his or her default was not attributable to an intentional refusal to obey the sentence of the court, or not attributable to a failure on his or her part to make a good faith effort to obtain the necessary funds for payment, the court may order the defendant imprisoned for a term not to exceed one hundred eighty days if the fine was imposed for conviction of a felony or thirty days if the fine was imposed for conviction of a misdemeanor or infraction. The court may provide in its order that payment or satisfaction of the fine at any time will entitle the offender to his or her release from such imprisonment or, after entering the order, may at any time reduce the sentence for good cause shown, including payment or satisfaction of the fine.~~

~~3. If it appears that the default in the payment of a fine is excusable under the standards set forth in subsection 2 of this section, the court may enter an order allowing the offender additional time for payment, reducing the amount of the fine or of each installment, or revoking the fine or the unpaid portion in whole or in part.~~

~~4. When a fine is imposed on a corporation it is the duty of the person or persons authorized to make disbursement of the assets of the corporation and their superiors to pay the fine from the assets of the corporation. The failure of such persons to do so shall render them subject to imprisonment under subsections 1 and 2 of this section.~~

~~5. Upon default in the payment of a] the fine or [any] installment [thereof, the fine may] shall be collected by any means authorized for the [enforcement] collection of money judgments, or may be waived at the discretion of the sentencing judge.";~~ and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, WEDNESDAY, APRIL 24, 2019

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Speaker Haahr assumed the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Blessed are the dead who die in the Lord from henceforth: Yes, says the Spirit, that they may rest from their labors; and their works do follow them. (Revelation 14:13)

Almighty God, whose greatest throne is in the hearts of Your loving children wherever they are found, we thank You that no place or time can separate us from Your powerful love. May we meditate upon Your graces with grateful feelings, exalted hopes, and great thoughts. Allow us not to be tricked by illusions, but help us to search and discover the precious crown of the truth which hovers above us.

O God of mercy! You are the blessing which heals the world, and by Your might we shall find paradise. Bless us with an irresistible yearning that sends us beyond the narrow boundaries of self and broadens our vision. Teach us that the person who overcomes himself overcomes the world.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Molly Cernich, Lukas Pitman, Madeleine Fellows, and Isla Rose Dirnberger.

The Journal of the fifty-sixth day was approved as printed by the following vote:

On the day mentioned in the notice, the county collector shall commence the sale of such lands, and shall continue the same from day to day until each parcel assessed or belonging to each person assessed shall be sold as will pay the taxes, interest and charges thereon, or chargeable to such person in said county.

2. The person **or land bank agency** offering at said sale to pay the required sum for a tract shall be considered the purchaser of such land; provided, no sale shall be made to any person or designated agent who is currently delinquent on any tax payments on any property, other than a delinquency on the property being offered for sale, and who does not sign an affidavit stating such at the time of sale. Failure to sign such affidavit as well as signing a false affidavit may invalidate such sale. No bid shall be received from any person not a resident of the state of Missouri or a foreign corporation or entity all deemed nonresidents. A nonresident shall file with said collector an agreement in writing consenting to the jurisdiction of the circuit court of the county in which such sale shall be made, and also filing with such collector an appointment of some citizen of said county as agent of said nonresident, and consenting that service of process on such agent shall give such court jurisdiction to try and determine any suit growing out of or connected with such sale for taxes. After the delinquent auction sale, any certificate of purchase shall be issued to the agent. After meeting the requirements of section 140.405, the property shall be conveyed to the agent on behalf of the nonresident, and the agent shall thereafter convey the property to the nonresident.

3. All such written consents to jurisdiction and selective appointments shall be preserved by the county collector and shall be binding upon any person or corporation claiming under the person consenting to jurisdiction and making the appointment herein referred to; provided further, that in the event of the death, disability or refusal to act of the person appointed as agent of said nonresident the county clerk shall become the appointee as agent of said nonresident.

4. **No person shall be eligible to offer to purchase lands under this section unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the official charged by law with conducting the sale that the person is not the owner of any parcel of real property that has two or more violations of the municipality's building or housing codes. A prospective bidder may make such a demonstration by presenting statements from the appropriate collection and code-enforcement officials of the municipality. This subsection shall not apply to any taxing authority or land bank agency, and entities shall be eligible to bid at any sale conducted under this section without making such a demonstration.**

140.981. 1. Any home rule city with more than seventy-one thousand but fewer than seventy-nine thousand inhabitants may establish a land bank agency for the management, sale, transfer, and other disposition of interests in real estate owned by such land bank agency. Any such land bank agency shall be established to foster the public purpose of returning land, including land that is in a nonrevenue-generating, nontax-producing status, to use in private ownership. A city may establish a land bank agency by ordinance, resolution, or rule, as applicable.

2. A land bank agency shall not own any interest in real estate located wholly or partially outside the city that established the land bank.

3. The beneficiaries of the land bank agency shall be the taxing authorities that held or owned tax bills against the respective parcels of real estate acquired by such land bank agency pursuant to a sale conducted under section 140.190, 140.240, or 140.250, and their respective interests in each parcel of real estate shall be to the extent and in proportion to the priorities determined by the court on the basis that the principal amount of their respective tax bills bore to the total principal amount of all of the tax bills described in the judgment.

4. A land bank agency created under the land bank act shall be a public body corporate and politic and shall have permanent and perpetual duration until terminated and dissolved in accordance with the provisions of section 140.1012.

140.982. The governing body of the city establishing a land bank agency, or the chief administrative officer of the city establishing a land bank agency, shall have the power to organize and reorganize the executive, administrative, clerical, and other departments of the land bank agency and to fix the duties, powers, and compensation of all employees, agents, and consultants of the land bank agency. A land bank agency may employ a secretary, an executive director, its own counsel and legal staff, technical experts, and other agents and employees, permanent or temporary, as it may require and may determine the qualifications and fix the compensation and benefits of such persons. A land bank agency may also enter into contracts and agreements with political subdivisions for staffing services to be provided to the land bank agency by political subdivisions or agencies or departments thereof, or for a land bank agency to provide such staffing services to political subdivisions or agencies or departments thereof.

140.983. A land bank agency established under the land bank act shall have all powers necessary or appropriate to carry out and effectuate the purposes and provisions of the land bank act, including the following powers in addition to those herein otherwise granted:

- (1) To adopt, amend, and repeal bylaws for the regulation of its affairs and the conduct of its business;
- (2) To sue and be sued, in its own name, and plead and be impleaded in all civil actions including, but not limited to, actions to clear title to property of the land bank agency;
- (3) To adopt a seal and to alter the same at pleasure;
- (4) To borrow from private lenders, political subdivisions, the state, and the federal government as may be necessary for the operation and work of the land bank agency;
- (5) To issue notes and other obligations according to the provisions of this chapter;

- (7) To enter into contracts and other instruments necessary, incidental, or convenient to the performance of its duties and the exercise of its powers including, but not limited to, agreements with other land bank agencies and with political subdivisions for the joint exercise of powers under this chapter;
- (8) To enter into contracts and other instruments necessary, incidental, or convenient to:
 - (a) The performance of functions by the land bank agency on behalf of political subdivisions, or agencies or departments thereof; or
 - (b) The performance by political subdivisions, or agencies or departments thereof, of functions on behalf of the land bank agency;
- (9) To make and execute contracts and other instruments necessary or convenient to the exercise of the powers of the land bank agency. Any contract or instrument if signed both by the executive director of the land bank agency and by the secretary, assistant secretary, treasurer, or assistant treasurer of the land bank agency, or by an authorized facsimile signature of any such positions, shall be held to have been properly executed for and on its behalf;
- (10) To procure insurance against losses in connection with the property, assets, or activities of the land bank agency;
- (11) To invest the moneys of the land bank agency, including amounts deposited in reserve or sinking funds, at the discretion of the land bank agency in instruments, obligations, securities, or property determined proper by the land bank agency and to name and use depositories for its moneys;
- (12) To enter into contracts for the management of, the collection of rent from, or the sale of the property of the land bank agency;

(13) To design, develop, construct, demolish, reconstruct, rehabilitate, renovate, relocate, equip, furnish, and otherwise improve real property or rights or interests in real property held by the land bank agency;

(14) To fix, charge, and collect rents, fees, and charges for the use of the property of the land bank agency and for services provided by the land bank agency;

(15) To acquire property, whether by purchase, exchange, gift, lease, or otherwise, except not property not wholly located in the city that established the land bank agency; to grant or acquire licenses and easements; and to sell, lease, grant an option with respect to, or otherwise dispose of, any property of the land bank agency;

(17) Subject to the other provisions of this chapter and all other applicable laws, to do all other things necessary or convenient to achieve the objectives and purposes of the land bank agency or other laws that relate to the purposes and responsibility of the land bank agency.

140.984. 1. The income of a land bank agency shall be exempt from all taxation by the state and by any of its political subdivisions. Upon acquiring title to any real estate, a land bank agency shall immediately notify the county assessor and the county collector of such ownership, and such real estate shall be exempt from all taxation during the land bank agency's ownership thereof, in the same manner and to the same extent as any other publicly owned real estate. Upon the sale or other disposition of any real estate held by it, the land bank agency shall immediately notify the county assessor and the county collector of such change of ownership. However, that such tax exemption for improved and occupied real property held by the land bank agency as a lessor pursuant to a ground lease shall terminate upon the first occupancy, and the land bank agency shall immediately notify the county assessor and the county collector of such occupancy.

2. A land bank agency may acquire real property or interests in property by gift, devise, transfer, exchange, foreclosure, lease, purchase, or otherwise on terms and conditions and in a manner the land bank agency considers proper.

3. A land bank agency may acquire property by purchase contracts, lease purchase agreements, installment sales contracts, and land contracts and may accept transfers from political subdivisions upon such terms and conditions as agreed to by the land bank agency and the political subdivision. A land bank agency may bid on any parcel of real estate offered for sale, offered at a foreclosure sale under sections 140.220 to 140.250, or offered at a sale conducted under section 140.190, 140.240, or 140.250. Notwithstanding any other law to the contrary, any political subdivision may transfer to the land bank agency real property and interests in real property of the political subdivision on such terms and conditions and according to such procedures as determined by the political subdivision.

4. A land bank agency shall maintain all of its real property in accordance with the laws and ordinances of the jurisdictions in which the real property is located.

5. Upon issuance of a deed of a delinquent land tax auction under subsection 4 of section 140.250, subsection 5 of section 140.405, or other sale conducted under section 140.190, 140.240, or 140.250 of a parcel of real estate to a land bank agency, the land bank agency shall pay the amount of the land bank agency's bid that exceeds the amount of all tax bills included in the judgment, interest, penalties, attorney's fees, taxes, and costs then due thereon. If the real estate is acquired in a delinquent land tax auction, such excess shall be applied and distributed in accordance with section 140.230. Upon issuance of a deed, the county collector shall mark the tax bills included in the judgment as "cancelled by sale to the land bank" and shall take credit for the full amount of such tax bills, including principal amount, interest, penalties, attorney's fees, and costs, on his or her books and in his or her statements with any other taxing authorities.

6. A land bank shall not own real property unless the property is wholly located within the boundaries of the city that established the land bank agency.

140.985. 1. A land bank agency shall hold in its own name all real property acquired by such land bank agency irrespective of the identity of the transferor of such property.

2. A land bank agency shall maintain and make available for public review and inspection an inventory and history of all real property the land bank agency holds or formerly held. This inventory and history shall be available on the land bank agency's website and include at a minimum:

(1) Whether a parcel is available for sale;

(2) The address of the parcel if an address has been assigned;

- (3) The parcel number if no address has been assigned;
- (4) The year that a parcel entered the land bank agency's inventory;
- (5) Whether a parcel has sold; and
- (6) If a parcel has sold, the name of the person or entity to which it was sold.

3. The land bank agency shall determine and set forth in policies and procedures the general terms and conditions for consideration to be received by the land bank agency for the transfer of real property and interests in real property. Consideration may take the form of monetary payments and secured financial obligations, covenants, and conditions related to the present and future use of the property; contractual commitments of the transferee; and such other forms of consideration as the land bank agency determines to be in the best interest of its purpose.

4. A land bank agency may convey, exchange, sell, transfer, lease, grant, release and demise, pledge, and hypothecate any and all interests in, upon, or to property of the land bank agency. A land bank agency may gift any interest in, upon, or to property to the city that established the land bank agency.

5. A city may, in its resolution or ordinance creating a land bank agency, establish a hierarchical ranking of priorities for the use of real property conveyed by such land bank agency, subject to subsection 7 of this section, including, but not limited to:

- (1) Use for purely public spaces and places;
- (2) Use for affordable housing;
- (3) Use for retail, commercial, and industrial activities;
- (4) Use as wildlife conservation areas; and
- (5) Such other uses and in such hierarchical order as determined by such city.

If a city, in its resolution or ordinance creating a land bank agency, establishes priorities for the use of real property conveyed by the land bank agency, such priorities shall be consistent with and no more restrictive than municipal planning and zoning ordinances.

6. The land bank agency may delegate to officers and employees the authority to enter into and execute agreements, instruments of conveyance, and all other related documents pertaining to the conveyance of property by the land bank agency.

7. A land bank agency shall only accept written offers equal to or greater than the full amount of all tax bills, interest, penalties, attorney's fees, and costs on real property to purchase the real property held by the land bank agency.

8. When any parcel of real estate acquired by a land bank agency is sold or otherwise disposed of by such land bank agency, the proceeds therefrom shall be applied and distributed in the following order:

- (1) To the payment of the expenses of the sale;
- (2) To fulfill the requirements of the resolution, indenture, or other financing documents adopted or entered into in connection with bonds, notes, or other obligations of the land bank agency, to the extent that such requirements may apply with respect to such parcel of real estate;
- (3) To the balance to be retained by the land bank agency to pay the salaries and other expenses of such land bank agency and of its employees as provided for in its annual budget; and
- (4) Any funds in excess of those necessary to meet the expenses of the annual budget of the land bank agency in any fiscal year and a reasonable sum to carry over into the next fiscal year to assure that sufficient funds will be available to meet initial expenses for that next fiscal year, exclusive of net profit from the sale of ancillary parcels, shall be paid to the respective taxing authorities that, at the time of the distribution, are taxing the real property from which the proceeds are being distributed. The distributions shall be in proportion to the amounts of the taxes levied on the properties by the taxing authorities. Distribution shall be made on January first and July first of each year, and at such other times as the land bank agency may determine.

9. When any ancillary parcel is sold or otherwise disposed of by such land bank agency, the proceeds therefrom shall be applied and distributed in the following order:

- (1) To the payment of all land taxes and related charges then due on such parcel;
- (2) To the payment of the expenses of sale;
- (3) To fulfill the requirements of the resolution, indenture, or other financing documents adopted or entered into in connection with bonds, notes, or other obligations of the land bank agency, to the extent that such requirements may apply with respect to such parcel of real estate;

(4) To the balance to be retained by the land bank agency to pay the salaries and other expenses of such land bank agency and of its employees as provided for in its annual budget; and

(5) Any funds in excess of those necessary to meet the expenses of the annual budget of the land bank agency in any fiscal year and a reasonable sum to carry over into the next fiscal year to assure that sufficient funds will be available to meet initial expenses for that next fiscal year, shall be paid in accordance with subdivision (4) of subsection 8 of this section.

10. If a land bank agency owns more than five parcels of real property in a single city block and no written offer to purchase any of those properties has been submitted to the agency in the past twelve months, the land bank shall reduce its requested price for those properties and advertise the discount publicly.

140.986. 1. No later than two years from the date it acquired the property, a land bank agency shall either sell, put to a productive use, or show significant progress towards selling or putting to a productive use a parcel of real property. A productive use may be renting the property; demolishing all structures of the property; restoring property of historic value; or using the property for a community garden, park, or other open public space.

2. The governing body of the city may grant the land bank agency a one-year extension if the body believes unforeseen circumstances have delayed the sale or productive use of a parcel of property.

3. If a land bank agency owns a parcel of real property that does not have a productive use after two years, or does not receive an extension under subsection 2 of this section, the property shall be offered for public sale using the procedures under sections 140.170 to 140.190.

140.987. A land bank agency shall ensure that any contract for the sale of residential property owned by the land bank agency shall have a clause that the buyer shall own the property for three years following the buyer's purchase of the property from the land bank. The clause shall state that a violation of those terms makes the buyer civilly liable to the land bank agency for an amount equal to twice the sale price of the property.

140.988. 1. A land bank agency may receive funding through grants, gifts, and loans from political subdivisions, the state, the federal government, and other public and private sources.

2. Except as otherwise provided in subsections 8 and 9 of section 140.985, a land bank agency may receive and retain payments for services rendered, for rents and leasehold payments received, for consideration for disposition of real and personal property, for proceeds of insurance coverage for losses incurred, for income from investments, and for any other asset and activity lawfully permitted to a land bank agency under the land bank act.

3. If a land bank agency sells or otherwise disposes of a parcel of real estate held by it, any land taxes assessed against such parcel for the three tax years following such sale or disposition by such land bank agency that are collected by the county collector in a calendar year and not refunded, less the fees provided under section 52.260 and subsection 4 of this section and less the amounts to be deducted under section 137.720, shall be distributed by the county collector to such land bank agency no later than March first of the following calendar year, provided that land taxes impounded under section 139.031 or otherwise paid under protest shall not be subject to distribution under this subsection. Any amount required to be distributed to a land bank agency under this subsection shall be subject to offset for amounts previously distributed to such land bank agency that were assessed, collected, or distributed in error.

4. In addition to any other provisions of law related to collection fees, the county collector shall collect on behalf of the county a fee of four percent of reserve period taxes collected and such fees collected shall be deposited in the county general fund.

140.991. 1. There shall be an annual audit of the affairs, accounts, expenses, and financial transactions of a land bank agency by a certified public accountant before April thirtieth of each year, which accountant shall be employed by the land bank agency on or before March first of each year. Certified copies of the audit shall be furnished to the city that established the land bank agency, and the city shall post the audit on its public website. Copies of the audit shall also be available for public inspection at the office of the land bank agency.

2. The land bank agency may be performance audited at any time by the state auditor or by the auditor of the city that established the land bank agency. The cost of such audit shall be paid by the land bank agency, and copies shall be made available to the public and posted on the land bank agency's website within thirty days of the completion of the audit.

140.997. Except as otherwise provided under state law, the land bank agency meetings shall cause minutes and a record to be kept of all its proceedings. The land bank agency shall be subject to the provisions of chapter 109, chapter 610, and any other applicable provisions of law governing public records

and public meetings.

140.1000. 1. No employee of a land bank agency shall receive any compensation, emolument, or other profit directly or indirectly from the rental, management, acquisition, sale, demolition, repair, rehabilitation, use, operation, ownership, or disposition of any lands held by such land bank agency other than the salaries, expenses, and emoluments provided for in the land bank act.

2. No employee of a land bank agency shall own, directly or indirectly, any legal or equitable interest in or to any lands held by such land bank agency other than the salaries, expenses, and emoluments provided for in sections 140.980 to 140.1015.

3. A violation of this section is a felony. Any person found guilty of violating this section shall be sentenced to a term of imprisonment of no less than two years nor more than five years.

4. The land bank agency may adopt supplemental rules and regulations addressing potential conflicts of interest and ethical guidelines for land bank agency employees, provided that such rules and regulations are not inconsistent with this chapter or any other applicable law.

140.1003. Except as otherwise expressly set forth in sections 140.980 to 140.1015, in the exercise of its powers and duties under the land bank act and its powers relating to property held by the land bank agency, the land bank agency shall have complete control of the property as fully and completely as if it were a private property owner.

140.1006. 1. If any ancillary parcel is acquired by a land bank agency and is encumbered by a lien or claim for real property taxes owed to a taxing authority, such taxing authority may elect to contribute to the land bank agency all or any portion of such taxes that are distributed to and received by such taxing authority.

2. To the extent that a land bank agency receives payments or credits of any kind attributable to liens or claims for real property taxes owed to a taxing authority, the land bank agency shall remit the full amount of the payments to the county collector for distribution to the appropriate taxing authority.

140.1009. 1. A land bank agency shall be authorized to file an action to quiet title under section 527.150 as to any real property in which the land bank agency has an interest. For purposes of any and all such actions, the land bank agency shall be deemed to be the holder of sufficient legal and equitable interests, and possessory rights, so as to qualify the land bank agency as an adequate petitioner in such action.

2. Prior to the filing of an action to quiet title, the land bank agency shall conduct an examination of title to determine the identity of any and all persons and entities possessing a claim or interest in or to the real property. Service of the petition to quiet title shall be provided to all such interested parties by the following methods:

3. As part of the petition to quiet title, the land bank agency shall file an affidavit identifying all parties potentially having an interest in the real property and the form of notice provided.

4. The court shall schedule a hearing on the petition within ninety days following filing of the petition, and, as to all matters upon which an answer was not filed by an interested party, the court shall issue its final judgment within one hundred twenty days of the filing of the petition.

5. A land bank agency shall be authorized to join in a single petition to quiet title one or more parcels of real property.

140.1012. 1. A land bank agency may be dissolved as a public body corporate and politic no sooner than sixty calendar days after an ordinance or resolution for such dissolution is passed by the city that established the land bank agency.

2. No less than sixty calendar days' advance written notice of consideration of such an ordinance or resolution of dissolution shall be given to the land bank agency, shall be published in a local newspaper of general circulation within such city, and shall be sent certified mail to each trustee of any outstanding bonds of the land bank agency.

3. No land bank agency shall be dissolved while there remains any outstanding bonds, notes, or other

obligations of the land bank agency unless such bonds, notes, or other obligations are paid or defeased pursuant to the resolution, indenture, or other financing document under which such bonds, notes, or other obligations were issued prior to or simultaneously with such dissolution.

4. Upon dissolution of a land bank agency pursuant to this section, all real property, personal property, and other assets of the land bank agency shall be transferred by appropriate written instrument to and shall become the assets of the city that established the land bank agency. Such city shall act expeditiously to return such real property to the tax rolls and shall market and sell such real property using an open, public method that ensures the best possible prices are realized while ensuring such real property is returned to a suitable, productive use for the betterment of the neighborhood in which such real property is located. Any such real property that was acquired by the dissolved land bank agency pursuant to a sale conducted under section 140.190, 140.240, or 140.250 shall be held by the city in trust for the tax bill owners and taxing authorities having an interest in any tax liens which were foreclosed, as their interests may appear in the judgment of foreclosure, and, upon the sale or other disposition of any such property by such city, the proceeds therefrom shall be applied and distributed in the following order:

"171.200. 1. This section and section 173.1551 shall be known and may be cited as the "Cronkite New Voices Act".

2. For purposes of this section, the following terms mean:

(1) "School-sponsored media", any material that is prepared, substantially written, published, or broadcast by a student journalist at a public high school, distributed or generally made available to members of the student body, and prepared under the direction of a student-media advisor. The term "school-sponsored media" does not include any media intended for distribution or transmission solely in the classroom in which the media is produced;

(2) "Student journalist", a public high school student who gathers, compiles, writes, edits, photographs, records, produces, or prepares content for dissemination in school-sponsored media;

(3) "Student-media advisor", an individual employed, appointed, or designated by a school district to supervise or provide instruction relating to school-sponsored media.

3. Subject to the provisions of this section, the freedom of the press in school-sponsored media shall be protected. A student journalist has the right to exercise freedom of speech and of the press in school-sponsored media. Material in school-sponsored media shall not be suppressed solely because it involves political or controversial subject matter.

4. School districts and student-media advisors may regulate the number, length, frequency, and format of school-sponsored media. Review of material prepared for school-sponsored media and encouragement of the expression of such material in a manner that is consistent with professional standards of English and journalism shall not be deemed to be or construed as an abridgement of the right to freedom of expression in school-sponsored media or a restraint on publication of the material therein.

5. A school district shall not authorize any prior restraint of any school-sponsored media except if the administration or student-media advisor reasonably determines or anticipates that the media:

(1) Is libelous or slanderous;

(2) Constitutes an invasion of privacy;

(3) Violates federal or state law;

(4) Is a threat of violence;

(5) Advertises a product or service that is illegal or is not permitted to be sold to minors by law;

(6) Violates the rights of others;

(7) Is likely to incite students to commit an unlawful act or to violate school district policy or procedure; or

(8) Is likely to materially and substantially disrupt or interfere with the orderly operation of the school.

6. Subject to the limitations imposed by this section, student journalists are responsible for determining the news, opinion, and advertising content of school-sponsored media. Student-media advisors are responsible for teaching and encouraging free and responsible expression of material and professional standards of English and journalism. No student-media advisor shall be disciplined, terminated from employment, transferred, or relieved of duties imposed under this subsection for refusal to abridge or infringe upon the right to freedom of expression conferred by this section.

7. No publication or other expression of matter by students in the exercise of rights under this section shall be deemed to be an expression of a school district's policy. No school district, member of the board of education, student-media advisor, or employee of a school district shall be held liable in any civil or criminal action for any publication or other expression of matter by student journalists in the exercise of rights under this section except to the extent that such persons or entities actively participated in the conduct that is the subject of the civil or criminal action or knew of the conduct and failed to take timely action to prevent or withdraw publication or expression that is the subject of the civil or criminal action. A student journalist who has attained the age of majority may be held liable in any civil or criminal action for material

expressed in student publications to the extent of such student journalist's responsibility for and involvement in the preparation and publication of such matter.

8. Each school district shall adopt a written policy regarding the freedom of the press and expression by students in accordance with this section. The policy shall include reasonable provisions for the time, place, and manner of student expression. The policy may also include limitations regarding language that may be defined as vulgar, obscene, offensively lewd, profane, harassing, threatening, or intimidating."; and

2. Subject to the provisions of this section, the freedom of the press in school-sponsored media shall be protected. A student journalist has the right to exercise freedom of speech and of the press in school-sponsored media. Material in school-sponsored media shall not be suppressed solely because it involves political or controversial subject matter.

3. Subject to subsection 4 of this section, a student journalist is responsible for determining the news, opinion, feature, and advertising content of school-sponsored media. This subsection shall not be construed to prevent a student-media advisor from teaching professional standards of English and journalism to student journalists.

4. This section does not authorize or protect expression by a student that:

(2) Constitutes an invasion of privacy;

(3) Violates federal or state law;

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, THURSDAY, APRIL 25, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

For their sake I consecrate myself, that they also may be consecrated in truth. (John 17:19)

Eternal God, who has guided us in ages past and who is our hope for years to come, in You do we put our trust for today. We recall once again those who have given their life for our country. For the ministry of memory, for the heritage of sacrificial deeds and for the hallowed thoughts which go through our minds as we think of those who gave themselves for freedom, we pause in gratitude before You.

Inspired by their devotion and challenged by their dedication, may we now give ourselves afresh to the cause for which they gave the last full measure of devotion that a government of the people, by the people, and for the people may not perish from the earth.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Eden Pfeifer.

The Journal of the fifty-seventh day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-NINTH DAY, MONDAY, APRIL 29, 2019

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Representative Dan Stacy.

Dear Lord, Almighty God of creation:

Help us today to speak to each other in ways that honor You. Help us to treat each other with the respect and dignity that being created in Your image deserves. Help us to serve the citizens of Missouri with selfless devotion.

Help us to guard against the self-seeking corruptive influence of unbridled power. Help us seek Your wisdom and guidance in knowing when aspects of our human nature lead us toward harmful paths. And forgive us when we fail You at any of these requests.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Jordan Rivera.

The Journal of the fifty-eighth day was approved as printed by the following vote:

HOUSE OF REPRESENTATIVES
100TH GENERAL ASSEMBLY
FIRST REGULAR SESSION
STATE OF MISSOURI

IN THE MATTER OF REPRESENTATIVE DARON MCGEE
HOUSE ETHICS COMPLAINT NO. 19-001

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics of the Missouri House of Representatives pursuant to Rule 5 of House Committee Substitute for House Resolution 137, reports as follows:

1. On January 7, 2019, a mandated reporter contacted the Missouri House of Representatives Division of Administration to report allegations that a member, Representative DaRon McGee (Respondent), attempted to engage in an amorous relationship with a House employee (Employee) whom he supervised. Pursuant to the House

policies prohibiting sexual harassment and prohibiting a member from engaging in an amorous relationship with an employee, the House engaged outside counsel to investigate the report.

2. The Employee, the Respondent, and other witnesses were interviewed as part of counsel's investigation. Outside counsel submitted a report to the Chief Clerk on January 21, 2019. Pursuant to rules and House policy, the report was considered a complaint and was forwarded to the Committee on Ethics.

3. On February 2, 2019, after reviewing the report from outside counsel, the Committee voted (9-1) to proceed to a preliminary hearing.

4. The Committee requested the Speaker issue a subpoena for electronic communications between the Respondent and the Employee. In response to the subpoena, the Committee received a series of text messages between the Respondent and the Employee sent and received in 2017-2018. Several of the text messages instigated by the Respondent were flirtatious in nature, and gave the appearance of the Respondent attempting to establish an amorous relationship with the Employee.

5. The Committee met several times in March and April, 2019, to review the evidence and take sworn testimony from the Employee, the Respondent, and other witnesses. Both the Employee and the Respondent, and their respective counsel, were provided a copy of the investigative report and were given the opportunity to make a statement to the committee. Respondent's testimony before the Committee was rescheduled at the request of Respondent. Respondent finally appeared to testify before the Committee pursuant to a subpoena issued by the Speaker.

6. The Committee finds, based upon the evidence received by the Committee, that:

- a) The Respondent made repeated communications to the Employee over the course of at least ten months that were attempts to engage in an amorous relationship;
- b) There is no evidence that the Respondent and the Employee actually engaged in an amorous relationship;
- c) The attempts were not welcomed by the Employee; and
- d) Respondent thereafter took actions which resulted in the termination of the employment of the Employee.

7. The Committee finds that Respondent's actions involving the Employee were unbecoming of a representative, and that the actions constitute ethical misconduct of sufficient severity to warrant censure.

8. The Committee on April 24, 2019, voted (8-0) to resolve this matter by recommending that the House of Representatives censure Respondent for his actions involving the Employee, with the following additional sanctions:

- a) That Representative McGee conduct himself in a manner that respects the commitment of the House to provide a work environment free of sexual discrimination to all members and employees;
- b) The Speaker reassign any House employee who is currently directly supervised by Representative McGee to the direct supervision of the Chief Clerk, who should monitor the representative's contact with other House employees as appropriate;
- c) The Speaker and Minority Floor Leader remove Representative McGee from any committee assignments that he presently holds;
- d) The Speaker and Minority Floor Leader withhold from Representative McGee any of the privileges of office that the Speaker or Minority Floor Leader deem appropriate;
- e) That Representative McGee pay restitution to the House of Representatives in the amount of \$7,408.05, representing the costs of the investigation of this matter;
- f) That Representative McGee resign from the position of Assistant Minority Floor Leader; and
- g) That Representative McGee resign, or, upon failure to do so, be subject to potential expulsion at this or a future session of the One Hundredth General Assembly if he fails to comply with these recommended sanctions or if a complaint of similar conduct is filed with the Committee on Ethics.

9. At the Committee hearing on April 24, 2019, Respondent was given until noon on Monday, April 29, 2019, to accept or reject the recommended sanction of censure under paragraph C of Rule 8. Respondent failed to meet this deadline.

10. The Committee finds that Respondent has repeatedly delayed and obstructed these proceedings and impeded the resolution of this matter. Respondent's actions demonstrate disrespect to the House of Representatives and a failure to acknowledge the severity of his actions towards the Employee.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint, including hearing the evidence and testimony presented at the preliminary hearing, and in light of the Respondent's repeated attempts to delay the proceedings and obstruct the authority of this Committee, concludes that the actions of the Respondent constitute a moral and legal wrong and hereby issues this report, containing an enumerated list of recommended sanctions, as a final resolution of this matter.

The Committee on Ethics adopted this report by a vote of 10 to 0:

Ayes: Eggleston, Kendrick, Anderson, Andrews, Ellebracht, Fitzwater, Lynch, Brown (27), McCreery, Sauls

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTIETH DAY, TUESDAY, APRIL 30, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God is love; and he that dwells in love dwells in God, and God in him. (1 John 4:16)

Not unto us, O Lord, but to Your name give glory for Your mercy. Come to us now, that we may bless Your name and fulfill Your laws. Strengthen us to do Your will. This day may we put some sunlight into the lives of others. Guide us in the way of right service.

May we not live by bread alone but by the inspiration of the noble pursuits of life. We thank You for our privileges; may we use them for the honor and glory of Your name and for the good of our fellow brothers and sisters. Refresh us, ennoble us, and purify us, that we may measure up to the highest ideals of humanity and then live them!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Cameron Higgins.

THIRD READING OF SENATE BILLS - INFORMAL

HCS SB 133, relating to agriculture, was taken up by Representative Shaul (113).

On motion of Representative Shaul (113), the title of **HCS SB 133** was agreed to.

Representative Dogan offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 133, Page 10, Section 261.140, Line 6, by inserting after all of said section and line the following:

"261.305. As used in sections 261.305 to 261.317, the following terms mean:

(1) "Department", the department of agriculture;

(2) "Farming", using or cultivating land for the production of agricultural crops, livestock or livestock products, forest products, poultry or poultry products, milk or dairy products, or fruit or other horticultural products;

(3) "Medical marijuana", all parts of the plant of the genus *Cannabis*, whether growing; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or its resin, including marijuana concentrate for medical use as defined in Article XIV of the Missouri Constitution. "Medical marijuana" shall not include industrial hemp, nor shall it include fiber produced from the stalks, oil, or cake made from the seeds of the plant; sterilized seed of the plant that is incapable of germination; or the weight of any other ingredient combined with marijuana to prepare topical or oral administrations, food, drink, or other product.

261.308. Notwithstanding any other provision of law, if authorized by the county under section 261.311 and a license is obtained under section 261.317, it shall not be unlawful and shall not be an offense under Missouri law or be a basis for forfeiture of assets under Missouri law for a person to grow, cultivate, or harvest medical marijuana on land used for farming.

261.311. Any county in this state may, after voter approval under this section, allow for the growing, cultivating, or harvesting of medical marijuana, as provided for under sections 261.305 to 261.317. The question shall be submitted to the qualified voters of the county at a general, primary, or special election upon the motion of the governing body of the county or upon the petition of eight percent of the qualified voters of the county determined on the basis of the number of votes cast for governor in such county at the last gubernatorial election held prior to the filing of the petition. The elected officials of the county shall give legal notice as provided in chapter 115. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of allowing the growing, cultivating, or harvesting of medical marijuana, then such acts shall not be unlawful, as authorized in sections 261.305 to 261.317. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the growing, cultivating, or harvesting of medical marijuana or if the county fails to submit the issue to the qualified voters, such acts shall be unlawful and constitute an offense within that county.

261.314. 1. Before July 1, 2021, the department shall adopt rules and regulations necessary for implementation of sections 261.305 to 261.317. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

2. Such rules and regulations shall include:

- (1) Procedures for the issuance, renewal, suspension, and revocation of a license to grow, cultivate, or harvest medical marijuana, with such procedures subject to all requirements of chapter 536;
- (2) A schedule of application, licensing, and renewal fees, provided that the application fees shall not exceed five thousand dollars, adjusted annually for inflation, unless the department determines a greater fee is necessary to carry out its responsibilities under sections 261.305 to 311.317;
- (3) Qualifications for licensure that are directly and demonstrably related to the growing, cultivating, or harvesting of medical marijuana;
- (4) Security requirements for farms growing, cultivating, or harvesting medical marijuana;
- (5) Health and safety regulations and standards for the cultivation of medical marijuana as developed by the department of health and senior services; and
- (6) Civil penalties for the failure to comply with regulations established under this section.

261.317. Each application for an annual license to grow, cultivate, or harvest medical marijuana shall be submitted to the department. The department shall:

- (1) **Begin accepting and processing applications on October 1, 2021;**
 - (2) **Immediately forward a copy of each application and half of the license application fee to the county in which the applicant desires to grow, cultivate, or harvest medical marijuana;**
 - (3) **Issue an annual license to the applicant between forty-five and ninety days after receipt of an application unless the department finds the applicant is not in compliance with rules and regulations enacted under section 261.314; provided that, if a county has enacted a numerical limit on the number of farms able to grow, cultivate, or harvest medical marijuana and a greater number of applicants seek licenses, the department shall solicit and consider input from the county as to the county's preference or preferences for licensure; and**
 - (4) **Upon denial of an application, notify the applicant in writing of the specific reason for denial.";**
- and

Further amend said bill, Page 22, Section 281.265, Line 14, by inserting after all of said section and line the following:

"579.055. 1. A person commits the offense of manufacture of a controlled substance if, except as authorized in this chapter or chapter 195, he or she:

- (1) Knowingly manufactures, produces, or grows a controlled substance;
- (2) Attempts to manufacture, produce, or grow a controlled substance; or
- (3) Knowingly possesses a controlled substance with the intent to manufacture, produce, or grow any amount of controlled substance.

2. The offense of manufacturing or attempting to manufacture any amount of controlled substance, **except medical marijuana as provided under sections 261.305 to 261.317**, is a class B felony when committed within two thousand feet of the real property comprising a public or private elementary, vocational, or secondary school, community college, college, or university. It is a class A felony if a person has suffered serious physical injury or has died as a result of a fire or explosion started in an attempt by the defendant to produce methamphetamine.

3. The offense of manufacturing or attempting to manufacture any amount of a controlled substance, **except medical marijuana as provided under sections 261.305 to 261.317 or thirty-five grams or less of [marijuana or] synthetic cannabinoid**, is a class C felony.

4. The offense of manufacturing thirty-five grams or less of ~~[marijuana or]~~ synthetic cannabinoid is a class E felony."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 1 was withdrawn.

Representative Moon requested a division of the question on **HCS SB 133**.

Representative Dogan raised a point of order that the division of the question was in violation of Rule 79.

The Chair ruled the point of order not well taken.

The Chair ruled that the division of the question was not clearly divided into separate and distinct propositions.

Representative Vescovo moved the previous question.

8. Firms which fall out of compliance with the provisions of this section due to changes in firm ownership or personnel after receiving or renewing a permit shall take corrective action to bring the firm back into compliance as quickly as possible. The board may grant a reasonable period of time for a firm to take such corrective action. Failure to bring the firm back into compliance within a reasonable period as defined by the board may result in the suspension or revocation of the firm permit.

9. The board shall require by rule, as a condition to the renewal of permits, that firms undergo, no more frequently than once every three years, peer reviews conducted in a manner as the board shall specify. The review shall include a verification that individuals in the firm who are responsible for supervising attest and compilation services or sign or authorize someone to sign the accountant's report on the financial statements on behalf of the firm meet the competency requirements set out in the professional standards for such services, provided that any such rule:

(1) Shall include reasonable provision for compliance by a firm showing that it has within the preceding three years undergone a peer review that is a satisfactory equivalent to peer review generally required under this subsection;

(2) May require, with respect to peer reviews, that peer reviews be subject to oversight by an oversight body established or sanctioned by board rule, which shall periodically report to the board on the effectiveness of the review program under its charge and provide to the board a listing of firms that have participated in a peer review program that is satisfactory to the board; and

(3) **The date of acceptance and the period covered by the firm's most recently accepted peer review;**

and

(4) **If applicable, whether the firm's enrollment in the program has been dropped or terminated.**

11. The documents shall be furnished to the board only in a redacted manner that does not specifically identify any firm or licensee being peer reviewed or any of their clients.

12. The peer review processes shall be operated and the documents generated thereby be maintained in a manner designed to preserve their confidentiality. No third party, other than the oversight body, the board, subject to the provisions of subsection 11 of this section, or the organization performing peer review shall have access to documents furnished or generated in the course of the review. All documents shall be privileged and closed records for all purposes and all meetings at which the documents are discussed shall be considered closed meetings under subdivision (1) of section 610.021. The proceedings, records and workpapers of the board and any peer review subjected to the board process shall be privileged and shall not be subject to discovery, subpoena or other means of legal process or introduction into evidence at any civil action, arbitration, administrative proceeding or board proceeding. No member of the board or person who is involved in the peer review process shall be permitted or required to testify in any civil action, arbitration, administrative proceeding or board proceeding as to any matters produced, presented, disclosed or discussed during or in connection with the peer review process or as to any findings, recommendations, evaluations, opinions or other actions of such committees or any of its members; provided, however, that information, documents or records that are publicly available shall not be subject to discovery or use in any civil action, arbitration, administrative proceeding or board proceeding merely because they were presented or considered in connection with the peer review process."; and

"84.344. 1. Notwithstanding any provisions of this chapter to the contrary, any city not within a county may establish a municipal police force on or after July 1, 2013, according to the procedures and requirements of this section. The purpose of these procedures and requirements is to provide for an orderly and appropriate transition in the governance of the police force and provide for an equitable employment transition for commissioned and civilian personnel.

2. Upon the establishment of a municipal police force by a city under sections 84.343 to 84.346, the board of police commissioners shall convey, assign, and otherwise transfer to the city title and ownership of all indebtedness and assets, including, but not limited to, all funds and real and personal property held in the name of or controlled by the board of police commissioners created under sections 84.010 to 84.340. The board of police commissioners shall execute all documents reasonably required to accomplish such transfer of ownership and obligations.

3. If the city establishes a municipal police force and completes the transfer described in subsection 2 of this section, the city shall provide the necessary funds for the maintenance of the municipal police force.

4. Before a city not within a county may establish a municipal police force under this section, the city shall adopt an ordinance accepting responsibility, ownership, and liability as successor-in-interest for contractual obligations, indebtedness, and other lawful obligations of the board of police commissioners subject to the provisions of subsection 2 of section 84.345.

5. A city not within a county that establishes a municipal police force shall initially employ, without a reduction in rank, salary, or benefits, all commissioned and civilian personnel of the board of police commissioners created under sections 84.010 to 84.340 that were employed by the board immediately prior to the date the municipal police force was established. Such commissioned personnel who previously were employed by the board may only be involuntarily terminated by the city not within a county for cause. The city shall also recognize all accrued years of service that such commissioned and civilian personnel had with the board of police commissioners. Such personnel shall be entitled to the same holidays, vacation, and sick leave they were entitled to as employees of the board of police commissioners.

6. Commissioned and civilian personnel [~~who were previously~~] employed by [~~the board~~] **a city not within a county** shall [~~continue to~~] be subject, throughout their employment for the city not within a county, to a residency rule no more restrictive than a requirement of retaining a primary residence in a city not within a county for a total of [~~seven~~] **five** years and of then allowing them to maintain a primary residence outside the city not within a county so long as the residence is located within a one-hour response time.

7. The commissioned and civilian personnel who retire from service with the board of police commissioners before the establishment of a municipal police force under subsection 1 of this section shall continue to be entitled to the same pension benefits provided under chapter 86 and the same benefits set forth in subsection 5 of this section.

8. If the city not within a county elects to establish a municipal police force under this section, the city shall establish a separate division for the operation of its municipal police force. The civil service commission of the city may adopt rules and regulations appropriate for the unique operation of a police department. Such rules and regulations shall reserve exclusive authority over the disciplinary process and procedures affecting commissioned officers to the civil service commission; however, until such time as the city adopts such rules and regulations, the commissioned personnel shall continue to be governed by the board of police commissioner's rules and regulations in effect immediately prior to the establishment of the municipal police force, with the police chief acting in place of the board of police commissioners for purposes of applying the rules and regulations. Unless otherwise provided for, existing civil service commission rules and regulations governing the appeal of disciplinary decisions to the civil service commission shall apply to all commissioned and civilian personnel. The civil service commission's rules and regulations shall provide that records prepared for disciplinary purposes shall be confidential, closed records available solely to the civil service commission and those who possess authority to conduct investigations regarding disciplinary matters pursuant to the civil service commission's rules and regulations. A hearing officer shall be appointed by the civil service commission to hear any such appeals that involve discipline resulting in a suspension of greater than fifteen days, demotion, or termination, but the civil service commission shall make the final findings of fact, conclusions of law, and decision which shall be subject to any right of appeal under chapter 536.

9. A city not within a county that establishes and maintains a municipal police force under this section:

(4) May pay an additional shift differential compensation to commissioned and civilian personnel for evening and night tours of duty in an amount not to exceed ten percent of the officer's base hourly rate.
