In addition to such charge, the sheriff shall be entitled to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

The provisions of this subsection shall not apply to garnishment proceeds.

3. The sheriff upon the receipt of the charge herein provided for shall pay into the treasury of the county any and all charges received pursuant to the provisions of this section. The funds collected pursuant to this section, not to exceed fifty thousand dollars in any calendar year, shall be held in a fund established by the county treasurer, which may be expended at the discretion of the sheriff for the furtherance of the sheriff 's set duties. Any such funds in excess of fifty thousand dollars in any calendar year shall be placed to the credit of the general revenue fund of the county. Moneys in the fund shall be used only for the procurement of services and equipment to support the operation of the sheriff 's office. Moneys in the fund established pursuant to this subsection shall not lapse to the county general revenue fund at the end of any county budget or fiscal year.

"commissioners, who shall be appointed to the committee by the mayor of such city.

135.580. 1. This section shall be known and may be cited as the "Community Police Tax Credit".

2. As used in this section, the following terms mean:

(1) "Community policing zone", an area that is designated as such by a city, town, or village and where law enforcement takes a proactive approach to address public safety concerns;

(2) "Eligible taxpayer", an individual who is employed as a law enforcement officer;

(3) "High-crime area", an area, as determined by the department of public safety, that has a crime rate in the top twenty-five percent of all areas listed in the report required under subsection 4 of this section;

(4) "Present address", the address stated on an eligible taxpayer's income tax return;

(5) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.

3. For all tax years beginning on or after January 1, 2020, an eligible taxpayer who lives in both a high-crime area and a community policing zone shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to three thousand dollars.

4. The department of public safety shall issue a report to the department of revenue that determines the crime rate of areas in this state. The report shall rank areas from the highest to lowest crime rate. Crime rates shall be calculated by adding the total property and violent crimes reported in an area and dividing such sum by the population of the area. The department of public safety shall have discretion in determining the geographic boundaries of the areas, but in so determining shall consider the availability of crime data and the difficulty of correlating street addresses to the area. Areas shall not be as large as counties.

5. For eligible taxpayers who apply for the tax credit, the department of revenue shall verify whether the taxpayer's present address is located in a high-crime area and, if so, apply the tax credit to the taxpayer's tax return.

6. Tax credits issued under the provisions of this section shall be refundable but shall not be sold, transferred, or assigned.

7. The department of revenue and department of public safety may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and"; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-FIRST DAY, WEDNESDAY, MAY 1, 2019

The House met pursuant to adjournment.

Representative Simmons in the Chair.

Prayer by Representative Kenneth Wilson.

Heavenly Father, it is all together proper and wise that we begin our work day in reverent prayer. We first are grateful for Your protection over our families while we are away, and we give You thanks for our friends who we count as family gathered in the side galleries. We pray for those whom we name in our hearts who are hurting and sick that Your presence in their lives will bring comfort and peace.

We pray for our nation, for our great state and our leaders. May they continue to seek after Your wisdom and strength, and may they lead us in the ways that make for peace. May it be... that all of us might be instruments of Your peace and love. May we answer words of anger with patience and let us respond to disagreements with compromise. Above all, let us speak the language of faith, especially when we travel roads of uncertainty and fear. We offer our praise and our prayers to the One whose footsteps we strive to follow.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Speaker Haahr assumed the Chair.

The Journal of the sixtieth day was approved as printed by the following vote:

"302.171. 1. The director shall verify that an applicant for a driver's license is a Missouri resident or national of the United States or a noncitizen with a lawful immigration status, and a Missouri resident before accepting the application. The director shall not issue a driver's license for a period that exceeds the duration of an applicant's lawful immigration status in the United States. The director may establish procedures to verify the Missouri residency or United States naturalization or lawful immigration status and Missouri residency of the applicant and establish the duration of any driver's license issued under this section. An application for a license shall be made upon an approved form furnished by the director. Every application shall state the full name, Social Security number, age, height, weight, color of eyes, sex, residence, mailing address of the applicant, and the classification for which the applicant has been licensed, and, if so, when and by what state, and whether or not such license has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation or disqualification and whether the applicant is making a one dollar donation to promote an organ donation program as prescribed in subsection 2 of this section. A driver's license, nondriver's license, or instruction permit issued under this chapter shall contain the applicant's legal name as it appears on a birth certificate or as legally changed through marriage or court order. No name change by common usage based on common law shall be permitted. The application shall also contain such information as the director may require to enable the director to determine the applicant's qualification for driving a motor vehicle; and shall state whether or not the applicant has been convicted in this or any other state for violating the laws of this or any other state or any ordinance of any municipality, relating to driving without a license, careless driving, or driving while intoxicated, or failing to stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's

consent. The application shall contain a certification by the applicant as to the truth of the facts stated therein. Every person who applies for a license to operate a motor vehicle who is less than twenty-one years of age shall be provided with educational materials relating to the hazards of driving while intoxicated, including information on penalties imposed by law for violation of the intoxication-related offenses of the state. Beginning January 1, 2001, if the applicant is less than eighteen years of age, the applicant must comply with all requirements for the issuance of an intermediate driver's license pursuant to section 302.178. For persons mobilized and deployed with the United States Armed Forces, an application under this subsection shall be considered satisfactory by the department of revenue if it is signed by a person who holds general power of attorney executed by the person deployed, provided the applicant meets all other requirements set by the director.

2. An applicant for a license may make a donation of one dollar to promote an organ donor program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the organ donor program fund established in sections 194.297 to 194.304. Moneys in the organ donor program fund shall be used solely for the purposes established in sections 194.297 to 194.304 except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall make available an informational booklet or other informational sources on the importance of organ and tissue donations to applicants for licensure as designed by the organ donation advisory committee established in sections 194.297 to 194.304. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection and whether the applicant is interested in inclusion in the organ donor registry and shall also specifically inform the licensee of the ability to consent to organ donation by ~~completing the form on the reverse of the license that the applicant will receive in the manner~~ **placing a donor symbol sticker authorized and issued by the department of health and senior services on the back of his or her driver's license or identification card** as prescribed by subdivision (1) of subsection 1 of section 194.225. A symbol ~~shall~~ **may** be placed on the front of the ~~document~~ **license or identification card** indicating the applicant's desire to be listed in the registry **at the applicant's request at the time of his or her application for a driver's license or identification card, or the applicant may instead request an organ donor sticker from the department of health and senior services by application on the department of health and senior services's website. Upon receipt of an organ donor sticker sent by the department of health and senior services, the applicant shall place the sticker on the back of his or her driver's license or identification card to indicate that he or she has made an anatomical gift.** The director shall notify the department of health and senior services of information obtained from applicants who indicate to the director that they are interested in registry participation, and the department of health and senior services shall enter the complete name, address, date of birth, race, gender and a unique personal identifier in the registry established in subsection 1 of section 194.304.

3. An applicant for a license may make a donation of one dollar to promote a blindness education, screening and treatment program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the blindness education, screening and treatment program fund established in section 209.015. Moneys in the blindness education, screening and treatment program fund shall be used solely for the purposes established in section 209.015; except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection.

4. Beginning July 1, 2005, the director shall deny the driving privilege of any person who commits fraud or deception during the examination process or who makes application for an instruction permit, driver's license, or nondriver's license which contains or is substantiated with false or fraudulent information or documentation, or who knowingly conceals a material fact or otherwise commits a fraud in any such application. The period of denial shall be one year from the effective date of the denial notice sent by the director. The denial shall become effective ten days after the date the denial notice is mailed to the person. The notice shall be mailed to the person at the last known address shown on the person's driving record. The notice shall be deemed received three days after mailing unless returned by the postal authorities. No such individual shall reapply for a driver's examination, instruction permit, driver's license, or nondriver's license until the period of denial is completed. No individual who is denied the driving privilege under this section shall be eligible for a limited driving privilege issued under section 302.309.

5. All appeals of denials under this section shall be made as required by section 302.311.

6. The period of limitation for criminal prosecution under this section shall be extended under subdivision (1) of subsection 3 of section 556.036.

7. The director may promulgate rules and regulations necessary to administer and enforce this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

8. Notwithstanding any provision of this chapter that requires an applicant to provide proof of Missouri residency for renewal of a noncommercial driver's license, noncommercial instruction permit, or nondriver's license, an applicant who is sixty-five years and older and who was previously issued a Missouri noncommercial driver's license, noncommercial instruction permit, or Missouri nondriver's license is exempt from showing proof of Missouri residency.

9. Notwithstanding any provision of this chapter, for the renewal of a noncommercial driver's license, noncommercial instruction permit, or nondriver's license, a photocopy of an applicant's United States birth certificate along with another form of identification approved by the department of revenue, including, but not limited to, United States military identification or United States military discharge papers, shall constitute sufficient proof of Missouri citizenship.

10. Notwithstanding any other provision of this chapter, if an applicant does not meet the requirements of subsection 8 of this section and does not have the required documents to prove Missouri residency, United States naturalization, or lawful immigration status, the department may issue a one-year driver's license renewal. This one-time renewal shall only be issued to an applicant who previously has held a Missouri noncommercial driver's license, noncommercial instruction permit, or nondriver's license for a period of fifteen years or more and who does not have the required documents to prove Missouri residency, United States naturalization, or lawful immigration status. After the expiration of the one-year period, no further renewal shall be provided without the applicant producing proof of Missouri residency, United States naturalization, or lawful immigration status."; and

House Amendment No. 3

AMEND Senate Bill No. 368, Page 1, Section A, Line 2, by inserting after said section and line the following:

"144.070. 1. At the time the owner of any new or used motor vehicle, trailer, boat, or outboard motor which was acquired in a transaction subject to sales tax under the Missouri sales tax law makes application to the director of revenue for an official certificate of title and the registration of the motor vehicle, trailer, boat, or outboard motor as otherwise provided by law, the owner shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price exclusive of any charge incident to the extension of credit paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that no sales tax was incurred in its acquisition, and if sales tax was incurred in its acquisition, the applicant shall pay or cause to be paid to the director of revenue the sales tax provided by the Missouri sales tax law in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a certificate of title for any new or used motor vehicle, trailer, boat, or outboard motor subject to sales tax as provided in the Missouri sales tax law until the tax levied for the sale of the same under sections 144.010 to 144.510 has been paid as provided in this section or is registered under the provisions of subsection 5 of this section.

2. As used in subsection 1 of this section, the term "purchase price" shall mean the total amount of the contract price agreed upon between the seller and the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, regardless of the medium of payment therefor.

3. In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisal by the director.

4. The director of the department of revenue shall endorse upon the official certificate of title issued by the director upon such application an entry showing that such sales tax has been paid or that the motor vehicle, trailer, boat, or outboard motor represented by such certificate is exempt from sales tax and state the ground for such exemption.

5. Any person, company, or corporation engaged in the business of renting or leasing motor vehicles, trailers, boats, or outboard motors, which are to be used exclusively for rental or lease purposes, and not for resale, may apply to the director of revenue for authority to operate as a leasing **or rental company and pay an annual fee of two hundred fifty dollars for such authority.** Any company approved by the director of revenue may pay the tax due on any motor vehicle, trailer, boat, or outboard motor as required in section 144.020 at the time of registration thereof or in lieu thereof may pay a sales tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A sales tax shall be charged to and paid by a leasing company which does not exercise the option of paying in accordance with section 144.020, on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in this state. Any motor vehicle, trailer, boat, or outboard motor which is leased as the result of a contract executed in this state shall be presumed to be domiciled in this state.

6. **Every applicant to be a lease or rental company shall furnish with the application a corporate surety bond or irrevocable letter of credit, as defined in section 400.5-102, issued by any state or federal financial institution in the penal sum of one hundred thousand dollars, on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the lease or rental company complying with the provisions of any statutes applicable to lease or rental companies, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the lease or rental license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except that, the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. The proceeds of the bond or irrevocable letter of credit shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party.**

7. Any corporation may have one or more of its divisions separately apply to the director of revenue for authorization to operate as a leasing company, provided that the corporation:

- (1) Has filed a written consent with the director authorizing any of its divisions to apply for such authority;
- (2) Is authorized to do business in Missouri;
- (3) Has agreed to treat any sale of a motor vehicle, trailer, boat, or outboard motor from one of its divisions to another of its divisions as a sale at retail;
- (4) Has registered under the fictitious name provisions of sections 417.200 to 417.230 each of its divisions doing business in Missouri as a leasing company; and
- (5) Operates each of its divisions on a basis separate from each of its other divisions. However, when the transfer of a motor vehicle, trailer, boat or outboard motor occurs within a corporation which holds a license to operate as a motor vehicle or boat dealer pursuant to sections 301.550 to 301.573 the provisions in subdivision (3) of this subsection shall not apply.

[7-] 8. If the owner of any motor vehicle, trailer, boat, or outboard motor desires to charge and collect sales tax as provided in this section, the owner shall make application to the director of revenue for a permit to operate as a motor vehicle, trailer, boat, or outboard motor leasing company. The director of revenue shall promulgate rules and regulations determining the qualifications of such a company, and the method of collection and reporting of sales tax charged and collected. Such regulations shall apply only to owners of motor vehicles, trailers, boats, or outboard motors, electing to qualify as motor vehicle, trailer, boat, or outboard motor leasing companies under the provisions of subsection 5 of this section, and no motor vehicle renting or leasing, trailer renting or leasing, or boat or outboard motor renting or leasing company can come under sections 144.010, 144.020, 144.070 and 144.440 unless all motor vehicles, trailers, boats, and outboard motors held for renting and leasing are included.

9. **Any person, company, or corporation engaged in the business of renting or leasing three thousand five hundred or more motor vehicles which are to be used exclusively for rental or leasing purposes and not for resale, and that has applied to the director of revenue for authority to operate as a leasing company may also operate as a registered fleet owner as prescribed in section 301.032.**

[8-] 10. Beginning July 1, 2010, any motor vehicle dealer licensed under section 301.560 engaged in the business of selling motor vehicles or trailers may apply to the director of revenue for authority to collect and remit the sales tax required under this section on all motor vehicles sold by the motor vehicle dealer. A motor vehicle dealer receiving authority to collect and remit the tax is subject to all provisions under sections 144.010 to 144.525. Any motor vehicle dealer authorized to collect and remit sales taxes on motor vehicles under this subsection shall be

entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax pursuant to section 144.140. Any amount of the tax collected under this subsection that is retained by a motor vehicle dealer pursuant to section 144.140 shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers for their role in collecting and remitting sales taxes on motor vehicles. In the event this subsection or any portion thereof is held to violate Article IV, Section 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and remit sales taxes on motor vehicles under this section. No motor vehicle dealer shall seek compensation from the state of Missouri or its agencies if a court of competent jurisdiction declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and orders the return of such revenues.

301.032. 1. Notwithstanding the provisions of sections 301.030 and 301.035 to the contrary, the director of revenue shall establish a system of registration of all fleet vehicles owned or purchased by a fleet owner registered pursuant to this section. The director of revenue shall prescribe the forms for such fleet registration and the forms and procedures for the registration updates prescribed in this section. Any owner of ten or more motor vehicles which must be registered in accordance with this chapter may register as a fleet owner. All registered fleet owners may, at their option, register all motor vehicles included in the fleet on a calendar year or biennial basis pursuant to this section in lieu of the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue an identification number to each registered owner of fleet vehicles.

2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered during April of the corresponding year or on a prorated basis as provided in subsection 3 of this section. Fees of all vehicles in the fleet to be registered on a calendar year basis or on a biennial basis shall be payable not later than the last day of April of the corresponding year, with two years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, an application for registration of a fleet vehicle must be accompanied by a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application. The fees for vehicles added to the fleet which must be licensed at the time of registration shall be payable at the time of registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee and when licensed on or after January first the fee shall be one-fourth the annual fee. When biennial registration is sought for vehicles added to a fleet, an additional year's annual fee will be added to the partial year's prorated fee.

3. At any time during the calendar year in which an owner of a fleet purchases or otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant to this subsection.

4. Except as specifically provided in this subsection, all fleet vehicles registered pursuant to this section shall be issued a special license plate which shall have the words "Fleet Vehicle" in place of the words "Show-Me State" in the manner prescribed by the advisory committee established in section 301.129. Alternatively, for a one-time additional five dollar per-vehicle fee beyond the regular registration fee, a fleet owner of at least fifty fleet vehicles may apply for fleet license plates bearing a company name or logo, the size and design thereof subject to approval by the director. All fleet license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued. ~~[The director of revenue shall promulgate rules and regulations establishing the procedure for application and issuance of fleet vehicle license plates.]~~

5. Notwithstanding the provisions of sections 307.350 to 307.390 to the contrary, a fleet vehicle registered in Missouri is exempt from the requirements of sections 307.350 to 307.390 if at the time of the annual fleet registration, such fleet vehicle is situated outside the state of Missouri.

6. Notwithstanding any other provisions of law to the contrary, any person, company, or corporation engaged in the business of renting or leasing three thousand five hundred or more motor vehicles which are to be used exclusively for rental or leasing purposes and not for resale, that has applied to the director of revenue for authority to operate as a lease or rental company as prescribed in section 144.070 may operate as a registered fleet owner as prescribed in the provisions of this subsection to subsection 10 of this section.

(1) The director of revenue may issue license plates after presentment of an application, as designed by the director, and payment of an annual fee of three hundred sixty dollars for the first ten plates and thirty-

six dollars for each additional plate. The payment and issuance of such plates shall be in lieu of registering each motor vehicle with the director as otherwise provided by law.

(2) Such motor vehicles within the fleet shall not be exempted from the safety inspection and emissions inspection provisions as prescribed in chapters 307 and 643, but notwithstanding the provisions of section 307.355, such inspections shall not be required to be presented to the director of revenue.

7. A recipient of a lease or rental company license issued by the director of revenue as prescribed in section 144.070 operating as a registered fleet owner under this section shall register such fleet with the director of revenue on an annual or biennial basis in lieu of the individual motor vehicle registration periods as prescribed in sections 301.030, 301.035, and 301.147. If an applicant elects a biennial fleet registration, the annual fleet license plate fees prescribed in subdivision (1) of subsection 6 of this section shall be doubled. An agent fee as prescribed in subdivision (1) of subsection 1 of section 136.055 shall apply to the issuance of fleet registrations issued under subsections 6 to 10 of this section, and if a biennial fleet registration is elected, the agent fee shall be collected in an amount equal to the fee for two years.

8. Prior to the issuance of fleet license plates under subsections 6 to 10 of this section, the applicant shall provide proof of insurance as required under section 303.024 or 303.026.

9. The authority of a recipient of a lease or rental company license issued by the director of revenue as prescribed in section 144.070 to operate as a fleet owner as provided in this section shall expire on January 1 of the licensure period.

10. A lease or rental company operating fleet license plates issued under subsections 6 to 10 of this section shall make available, upon request, to the director of revenue and all Missouri law enforcement agencies any corresponding vehicle and registration information that may be requested as prescribed by rule.

11. The director shall make all necessary rules and regulations for the administration of this section and shall design all necessary forms required by this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void."; and

A third or subsequent violation of this subsection shall be a class D felony.

9. Any person harmed or damaged by any violation of this section may bring a civil action for damages, including noneconomic and punitive damages, as well as injunctive relief, in the circuit court where that person resided at the time of the violation or in the circuit court of Cole County to recover such damages from the department of revenue and any persons participating in such violation. Sovereign immunity shall not be available as a defense for the department of revenue in such an action. In the event the plaintiff prevails on any count of his or her claim, the plaintiff shall be entitled to recover reasonable attorney fees from the defendants.

10. The department of revenue may promulgate rules necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2017, shall be invalid and void.

11. Biometric data, digital images, source documents, and licensee signatures, or any copies of the same, required to be collected or retained to comply with the requirements of the federal REAL ID Act of 2005 shall be

digitally retained for no longer than the minimum duration required to maintain compliance, and immediately thereafter shall be securely destroyed so as to make them irretrievable.

12. No agency, department, or official of this state or of any political subdivision thereof shall use, collect, obtain, share, or retain radio frequency identification data from a REAL ID compliant driver's license or identification card issued by a state, nor use the same to uniquely identify any individual.

13. Notwithstanding any provision of law to the contrary, the department of revenue shall not amend procedures for applying for a driver's license or identification card, nor promulgate any rule or regulation, for purposes of complying with modifications made to the federal REAL ID Act of 2005 after August 28, 2017, imposing additional requirements on applications, document retention, or issuance of compliant licenses or cards, including any rules or regulations promulgated under the authority granted under the federal REAL ID Act of 2005, as amended, or any requirements adopted by the American Association of Motor Vehicle Administrators for furtherance thereof.

14. If the federal REAL ID Act of 2005 is modified or repealed such that driver's licenses and identification cards issued by this state that are not compliant with the federal REAL ID Act of 2005 are once again sufficient for federal identification purposes, the department shall not issue a driver's license or identification card that complies with the federal REAL ID Act of 2005 and shall securely destroy, within thirty days, any source documents retained by the department for the purpose of compliance with such Act.

15. The provisions of this section shall expire five years after August 28, 2017.

302.720. 1. Except when operating under an instruction permit as described in this section, no person may drive a commercial motor vehicle unless the person has been issued a commercial driver's license with applicable endorsements valid for the type of vehicle being operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit shall allow the holder of a valid license to operate a commercial motor vehicle when accompanied by the holder of a commercial driver's license valid for the vehicle being operated and who occupies a seat beside the individual, or reasonably near the individual in the case of buses, for the purpose of giving instruction in driving the commercial motor vehicle. No person may be issued a commercial driver's instruction permit until he or she has passed written tests which comply with the minimum federal standards. A commercial driver's instruction permit shall be **nonrenewable and** valid for the vehicle being operated for a period of not more than ~~[six months]~~ **one year**, and shall not be issued until the permit holder has met all other requirements of sections 302.700 to 302.780, except for the driving test. ~~[A permit holder, unless otherwise disqualified, may be granted one six-month renewal within a one-year period.]~~ The fee for such permit or renewal shall be ~~[five]~~ **ten** dollars. ~~[In the alternative, a commercial driver's instruction permit shall be issued for a thirty-day period to allow the holder of a valid driver's license to operate a commercial motor vehicle if the applicant has completed all other requirements except the driving test. The permit may be renewed for one additional thirty-day period and the fee for the permit and for renewal shall be five dollars.]~~ **The fee for a duplicate commercial driver's instruction permit shall be five dollars.**

2. No person may be issued a commercial driver's license until he has passed written and driving tests for the operation of a commercial motor vehicle which complies with the minimum federal standards established by the Secretary and has satisfied all other requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any other requirements imposed by state law. **Beginning January 1, 2020, all applicants for a commercial driver's license shall complete any entry-level driver training program established and required under 49 CFR 380.609.** All applicants for a commercial driver's license shall have maintained the appropriate class of commercial driver's instruction permit issued by this state or any other state for a minimum of fourteen calendar days prior to the date of taking the skills test. Applicants for a hazardous materials endorsement must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Nothing contained in this subsection shall be construed as prohibiting the director from establishing alternate testing formats for those who are functionally illiterate; provided, however, that any such alternate test must comply with the minimum requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570) as established by the Secretary.

(1) The written and driving tests shall be held at such times and in such places as the superintendent may designate. A twenty-five dollar examination fee shall be paid by the applicant upon completion of any written or driving test, except the examination fee shall be waived for applicants seventy years of age or older renewing a license with a school bus endorsement. The director shall delegate the power to conduct the examinations required under sections 302.700 to 302.780 to any member of the highway patrol or any person employed by the highway patrol qualified to give driving examinations. The written test shall only be administered in the English language. No translators shall be allowed for applicants taking the test.

(2) The director shall adopt and promulgate rules and regulations governing the certification of third-party testers by the department of revenue. Such rules and regulations shall substantially comply with the requirements of 49 CFR 383, Section 383.75. A certification to conduct third-party testing shall be valid for one year, and the department shall charge a fee of one hundred dollars to issue or renew the certification of any third-party tester.

(3) Beginning August 28, 2006, the director shall only issue or renew third-party tester certification to community colleges established under chapter 178 or to private companies who own, lease, or maintain their own fleet and administer in-house testing to their employees, or to school districts and their agents that administer in-house testing to the school district's or agent's employees. Any third-party tester who violates any of the rules and regulations adopted and promulgated pursuant to this section shall be subject to having his certification revoked by the department. The department shall provide written notice and an opportunity for the third-party tester to be heard in substantially the same manner as provided in chapter 536. If any applicant submits evidence that he has successfully completed a test administered by a third-party tester, the actual driving test for a commercial driver's license may then be waived.

(4) Every applicant for renewal of a commercial driver's license shall provide such certifications and information as required by the Secretary and if such person transports a hazardous material must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Such person shall be required to take the written test for such endorsement. A twenty-five dollar examination fee shall be paid upon completion of such tests.

(5) The director shall have the authority to waive the driving skills test **and written tests** for any qualified **current or former military service member** applicant for a commercial driver's **instruction permit or a commercial driver's** license who is currently licensed at the time of application for a commercial driver's **instruction permit or** license. The director shall impose conditions and limitations **and require certification and evidence** to restrict the applicants from whom the department may accept **the** alternative requirements for the skills ~~[test]~~ **and written tests** described in federal ~~[regulation]~~ **regulations 49 CFR 383.71 and 49 CFR 383.77.** ~~[An applicant must certify that, during the two-year period immediately preceding application for a commercial driver's license, all of the following apply:~~

- ~~_____ (b) The applicant has not had any license suspended, revoked, or cancelled;~~
- ~~_____ (c) The applicant has not had any convictions for any type of motor vehicle for the disqualifying offenses contained in this chapter or federal rule 49 CFR 383.51(b);~~
- ~~_____ (d) The applicant has not had more than one conviction for any type of motor vehicle for serious traffic violations;~~
- ~~_____ (e) The applicant has not had any conviction for a violation of state or local law relating to motor vehicle traffic control, but not including any parking violation, arising in connection with any traffic accident, and has no record of an accident in which he or she was at fault;~~
- ~~_____ (f) The applicant has been regularly employed within the last ninety days in a military position requiring operation of a commercial motor vehicle and has operated the vehicle for at least sixty days during the two years immediately preceding application for a commercial driver's license. The vehicle must be representative of the commercial motor vehicle the driver applicant operates or expects to operate;~~
- ~~_____ (g) The applicant, if on active duty, must provide a notarized affidavit signed by a commanding officer as proof of driving experience as indicated in paragraph (f) of this subdivision;~~
- ~~_____ (h) The applicant, if honorably discharged from military service, must provide a form DD214 or other proof of military occupational specialty;~~
- ~~_____ (i) The applicant must meet all federal and state qualifications to operate a commercial vehicle[;], and~~
- ~~_____ (j) the applicant will be required to complete all applicable knowledge tests, **except when an applicant provides proof of approved military training for waiving the knowledge and skills tests as specified in subdivision (5) of subsection 2 of this section.**~~

3. A commercial driver's license or commercial driver's instruction permit may not be issued to a person while the person is disqualified from driving a commercial motor vehicle, when a disqualification is pending in any state or while the person's driver's license is suspended, revoked, or cancelled in any state; nor may a commercial driver's license be issued unless the person first surrenders in a manner prescribed by the director any commercial driver's license issued by another state, which license shall be returned to the issuing state for cancellation.

4. Beginning July 1, 2005, the director shall not issue an instruction permit under this section unless the director verifies that the applicant is lawfully present in the United States before accepting the application. The

director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant under this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

5. Notwithstanding the provisions of this section or any other law to the contrary, beginning August 28, 2008, the director of the department of revenue shall certify as a third-party tester any municipality that owns, leases, or maintains its own fleet that requires certain employees as a condition of employment to hold a valid commercial driver's license; and that administered in-house testing to such employees prior to August 28, 2006.

302.768. 1. Any applicant for a commercial driver's license or commercial driver's instruction permit shall comply with the Federal Motor Carrier Safety Administration application requirements of 49 CFR Part 383.71 by certifying to one of the following applicable statements relating to federal and state driver qualification rules:

(1) Nonexcepted interstate: certifies the applicant is a driver operating or expecting to operate in interstate or foreign commerce, or is otherwise subject to and meets requirements of 49 CFR Part 391 and is required to obtain a medical examiner's certificate as defined in 49 CFR Part 391.45;

(2) Excepted interstate: certifies the applicant is a driver operating or expecting to operate entirely in interstate commerce that is not subject to Part 391 and is subject to Missouri driver qualifications and not required to obtain a medical examiner's certificate;

(3) Nonexcepted intrastate: certifies the applicant is a driver operating only in intrastate commerce and is subject to Missouri driver qualifications;

(4) Excepted intrastate: certifies the applicant operates or expects to operate only in intrastate commerce, and engaging only in operations excepted from all parts of the Missouri driver qualification requirements.

2. Any applicant who cannot meet certification requirements under one of the categories defined in subsection 1 of this section shall be denied issuance of a commercial driver's license or commercial driver's instruction permit.

3. An applicant certifying to operation in nonexcepted interstate or nonexcepted intrastate commerce shall provide the state with an original or copy of a current medical examiner's certificate or a medical examiner's certificate accompanied by a medical variance or waiver, **until such time as the medical examiner's certificate information is received electronically through the Federal Motor Carrier Safety Administration approved verification system.** The state shall retain the ~~[original or copy of the]~~ documentation of physical qualification for a minimum of three years beyond the date the certificate was issued.

4. Applicants certifying to operation in nonexcepted interstate commerce or nonexcepted intrastate commerce shall provide ~~[an]~~ updated medical certificate or variance ~~[documents]~~ **information** to maintain a certified status during the term of the commercial driver's license or commercial driver's instruction permit in order to retain commercial privileges.

5. The director shall post the medical examiner's certificate of information, medical variance if applicable, the applicant's self-certification and certification status to the Missouri driver record within ten calendar days and such information will become part of the CDLIS driver record.

6. Applicants certifying to operation in nonexcepted interstate commerce or nonexcepted intrastate commerce who fail to provide or maintain a current medical examiner's certificate, or if the state has received notice of a medical variance or waiver expiring or being rescinded, the state shall, within ten calendar days, update the driver's medical certification status to "not certified". The state shall notify the driver of the change in certification status and require the driver to annually comply with requirements for a commercial driver's license downgrade within sixty days of the expiration of the applicant certification.

7. The department of revenue may, by rule, establish the cost and criteria for submission of updated medical certification status information as required under this section.

8. Any person who falsifies any information in an application for or update of medical certification status information for a commercial driver's license shall not be licensed to operate a commercial motor vehicle, or the person's commercial driver's license shall be cancelled for a period of one year after the director discovers such falsification.

9. The director may promulgate rules and regulations necessary to administer and enforce this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

2. Other authorized health care practitioners may furnish to a disabled or temporarily disabled person a physician's statement for only those physical health care conditions for which such health care practitioner is legally authorized to diagnose and treat.
3. A physician's statement shall:
- (1) Be on a form prescribed by the director of revenue;
 - (2) Set forth the specific diagnosis and medical condition which renders the person physically disabled or temporarily disabled as defined in this section;
 - (3) Include the physician's or other authorized health care practitioner's license number; and

shall be noted on the statement. Otherwise, the physician or other authorized health care practitioner shall note on the statement the anticipated length of the disability which period may not exceed one hundred eighty days. If the physician or health care practitioner fails to record an expiration date on the physician's statement, the director shall issue a temporary windshield placard for a period of thirty days.

5. A physician or other authorized health care practitioner who issues or signs a physician's statement so that disabled plates or a disabled windshield placard may be obtained shall maintain in such disabled person's medical chart documentation that such a certificate has been issued, the date the statement was signed, the diagnosis or condition which existed that qualified the person as disabled pursuant to this section and shall contain sufficient documentation so as to objectively confirm that such condition exists.

6. The medical or other records of the physician or other authorized health care practitioner who issued a physician's statement shall be open to inspection and review by such practitioner's licensing board, in order to verify compliance with this section. Information contained within such records shall be confidential unless required for prosecution, disciplinary purposes, or otherwise required to be disclosed by law.

7. Owners of motor vehicles who are residents of the state of Missouri, and who are physically disabled, owners of motor vehicles operated at least fifty percent of the time by a physically disabled person, or owners of motor vehicles used to primarily transport physically disabled members of the owner's household may obtain disabled person license plates. Such owners, upon application, accompanied by the documents and fees provided for in this section, a current physician's statement which has been issued within ninety days preceding the date the application is made and proof of compliance with the state motor vehicle laws relating to registration and licensing of motor vehicles, shall be issued motor vehicle license plates for vehicles, other than commercial vehicles with a gross weight in excess of twenty-four thousand pounds, upon which shall be inscribed the international wheelchair accessibility symbol and the word "DISABLED" in addition to a combination of letters and numbers. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. If at any time an individual who obtained disabled license plates issued under this subsection no longer occupies a residence with a physically disabled person, or no longer owns a vehicle that is operated at least fifty percent of the time by a physically disabled person, such individual shall surrender the disabled license plates to the department within thirty days of becoming ineligible for their use.

8. The director shall further issue, upon request, to such applicant one, and for good cause shown, as the director may define by rule and regulations, not more than two, removable disabled windshield hanging placards for use when the disabled person is occupying a vehicle or when a vehicle not bearing the permanent handicap plate is being used to pick up, deliver, or collect the physically disabled person issued the disabled motor vehicle license plate or disabled windshield hanging placard.

9. No additional fee shall be paid to the director for the issuance of the special license plates provided in this section, except for special personalized license plates and other license plates described in this subsection. Priority for any specific set of special license plates shall be given to the applicant who received the number in the immediately preceding license period subject to the applicant's compliance with the provisions of this section and any applicable rules or regulations issued by the director. If determined feasible by the advisory committee established in section 301.129, any special license plate issued pursuant to this section may be adapted to also include the international wheelchair accessibility symbol and the word "DISABLED" as prescribed in this section and such plate may be issued to any applicant who meets the requirements of this section and the other appropriate provision of this chapter, subject to the requirements and fees of the appropriate provision of this chapter.

10. Any physically disabled person, or the parent or guardian of any such person, or any not-for-profit group, organization, or other entity which transports more than one physically disabled person, may apply to the director of revenue for a removable windshield placard. The placard may be used in motor vehicles which do not bear the permanent handicap symbol on the license plate. Such placards must be hung from the front, middle rearview mirror of a parked motor vehicle and may not be hung from the mirror during operation. These placards may only be used during the period of time when the vehicle is being used by a disabled person, or when the vehicle is being used to pick up, deliver, or collect a disabled person, and shall be surrendered to the department, within thirty days, if a group, organization, or entity that obtained the removable windshield placard due to the transportation of more than one physically disabled person no longer transports more than one disabled person. When there is no rearview mirror, the placard shall be displayed on the dashboard on the driver's side.

11. The removable windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The removable windshield placard shall be renewed every four years. The director may stagger the expiration dates to equalize workload. Only one removable placard may be issued to an applicant who has been issued disabled person license

plates. Upon request, one additional windshield placard may be issued to an applicant who has not been issued disabled person license plates.

12. A temporary windshield placard shall be issued to any physically disabled person, or the parent or guardian of any such person who otherwise qualifies except that the physical disability, in the opinion of the physician, is not expected to exceed a period of one hundred eighty days. The temporary windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The fee for the temporary windshield placard shall be two dollars. Upon request, and for good cause shown, one additional temporary windshield placard may be issued to an applicant. Temporary windshield placards shall be issued upon presentation of the physician's statement provided by this section and shall be displayed in the same manner as removable windshield placards. A person or entity shall be qualified to possess and display a temporary removable windshield placard for six months and the placard may be renewed once for an additional six months if a physician's statement pursuant to this section is supplied to the director of revenue at the time of renewal.

13. Application for license plates or windshield placards issued pursuant to this section shall be made to the director of revenue and shall be accompanied by a statement signed by a licensed physician or other authorized health care practitioner which certifies that the applicant, user, or member of the applicant's household is a physically disabled person as defined by this section.

14. The placard shall be renewable only by the person or entity to which the placard was originally issued. Any placard issued pursuant to this section shall only be used when the physically disabled occupant for whom the disabled plate or placard was issued is in the motor vehicle at the time of parking or when a physically disabled person is being delivered or collected. A disabled license plate and/or a removable windshield hanging placard are not transferable and may not be used by any other person whether disabled or not.

15. At the time the disabled plates or windshield hanging placards are issued, the director shall issue a registration certificate which shall include the applicant's name, address, and other identifying information as prescribed by the director, or if issued to an agency, such agency's name and address. This certificate shall further contain the disabled license plate number or, for windshield hanging placards, the registration or identifying number stamped on the placard. The validated registration receipt given to the applicant shall serve as the registration certificate.

16. The director shall, upon issuing any disabled registration certificate for license plates and/or windshield hanging placards, provide information which explains that such plates or windshield hanging placards are nontransferable, and the restrictions explaining who and when a person or vehicle which bears or has the disabled plates or windshield hanging placards may be used or be parked in a disabled reserved parking space, and the penalties prescribed for violations of the provisions of this act.

17. Every new applicant for a disabled license plate or placard shall be required to present a new physician's statement dated no more than ninety days prior to such application. Renewal applicants will be required to submit a physician's statement dated no more than ninety days prior to such application upon their first renewal occurring on or after August 1, 2005. Upon completing subsequent renewal applications, a physician's statement dated no more than ninety days prior to such application shall be required every eighth year. Such physician's statement shall state the expiration date for the temporary windshield placard. If the physician fails to record an expiration date on the physician's statement, the director shall issue the temporary windshield placard for a period of thirty days. The director may stagger the requirement of a physician's statement on all renewals for the initial implementation of an eight-year period.

18. The director of revenue upon receiving a physician's statement pursuant to this subsection shall check with the state board of registration for the healing arts created in section 334.120, or the Missouri state board of nursing established in section 335.021, with respect to physician's statements signed by advanced practice registered nurses, or the Missouri state board of chiropractic examiners established in section 331.090, with respect to physician's statements signed by licensed chiropractors, or with the board of optometry established in section 336.130, with respect to physician's statements signed by licensed optometrists, or the state board of podiatric medicine created in section 330.100, with respect to physician's statements signed by physicians of the foot or podiatrists to determine whether the physician is duly licensed and registered pursuant to law. If such applicant obtaining a disabled license plate or placard presents proof of disability in the form of a statement from the United States Veterans' Administration verifying that the person is permanently disabled, the applicant shall be exempt from the eight-year certification requirement of this subsection for renewal of the plate or placard. Initial applications shall be accompanied by the physician's statement required by this section. Notwithstanding the

provisions of paragraph (f) of subdivision (4) of subsection 1 of this section, any person seventy-five years of age or older who provided the physician's statement with the original application shall not be required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards.

19. The boards shall cooperate with the director and shall supply information requested pursuant to this subsection. The director shall, in cooperation with the boards which shall assist the director, establish a list of all Missouri physicians and other authorized health care practitioners and of any other information necessary to administer this section.

20. Where the owner's application is based on the fact that the vehicle is used at least fifty percent of the time by a physically disabled person, the applicant shall submit a statement stating this fact, in addition to the physician's statement. The statement shall be signed by both the owner of the vehicle and the physically disabled person. The applicant shall be required to submit this statement with each application for license plates. No person shall willingly or knowingly submit a false statement and any such false statement shall be considered perjury and may be punishable pursuant to section 301.420.

21. The director of revenue shall retain all physicians' statements and all other documents received in connection with a person's application for disabled license plates and/or disabled windshield placards.

22. The director of revenue shall enter into reciprocity agreements with other states or the federal government for the purpose of recognizing disabled person license plates or windshield placards issued to physically disabled persons.

23. When a person to whom disabled person license plates or a removable or temporary windshield placard or both have been issued dies, the personal representative of the decedent or such other person who may come into or otherwise take possession of the disabled license plates or disabled windshield placard shall return the same to the director of revenue under penalty of law. Failure to return such plates or placards shall constitute a class B misdemeanor.

24. The director of revenue may order any person issued disabled person license plates or windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to such other investigation as will determine whether such person qualifies for the special plates or placards.

25. If such person refuses to submit or is found to no longer qualify for special plates or placards provided for in this section, the director of revenue shall collect the special plates or placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

26. In the event a removable or temporary windshield placard is lost, stolen, or mutilated, the lawful holder thereof shall, within five days, file with the director of revenue an application and an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement windshield placard shall be four dollars.

27. Fraudulent application, renewal, issuance, procurement or use of disabled person license plates or windshield placards shall be a class A misdemeanor. It is a class B misdemeanor for a physician, chiropractor, podiatrist or optometrist to certify that an individual or family member is qualified for a license plate or windshield placard based on a disability, the diagnosis of which is outside their scope of practice or if there is no basis for the diagnosis.

28. (1) Notwithstanding provisions of this section or any other law to the contrary, the department shall, no later than January 1, 2020, implement an online system for the renewal of disabled license plates and placards issued under this section. Upon implementation of such online system, the department shall charge a one dollar fee per transaction. The website allowing for the submission of renewal information shall allow the confidential, electronic transmission of any form or document necessary to obtain such license plates or placards.

(2) The department of revenue may promulgate all necessary rules and regulations for the administration of this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void."; and

Representative Ruth offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Committee Substitute for Senate Bill No. 89, Page 1, In the Title, Line 3, by deleting the words, "commercial driver's licenses" and inserting in lieu thereof the word, "transportation"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Ruth, **House Amendment No. 1** was adopted.

Representative Ruth offered **House Amendment No. 2**.

House Amendment No. 2

AMEND Senate Committee Substitute for Senate Bill No. 89, Page 1, Section A, Line 3, by inserting after all of said line the following:

"144.070. 1. At the time the owner of any new or used motor vehicle, trailer, boat, or outboard motor which was acquired in a transaction subject to sales tax under the Missouri sales tax law makes application to the director of revenue for an official certificate of title and the registration of the motor vehicle, trailer, boat, or outboard motor as otherwise provided by law, the owner shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price exclusive of any charge incident to the extension of credit paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that no sales tax was incurred in its acquisition, and if sales tax was incurred in its acquisition, the applicant shall pay or cause to be paid to the director of revenue the sales tax provided by the Missouri sales tax law in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a certificate of title for any new or used motor vehicle, trailer, boat, or outboard motor subject to sales tax as provided in the Missouri sales tax law until the tax levied for the sale of the same under sections 144.010 to 144.510 has been paid as provided in this section or is registered under the provisions of subsection 5 of this section.

2. As used in subsection 1 of this section, the term "purchase price" shall mean the total amount of the contract price agreed upon between the seller and the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, regardless of the medium of payment therefor.

3. In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisal by the director.

4. The director of the department of revenue shall endorse upon the official certificate of title issued by the director upon such application an entry showing that such sales tax has been paid or that the motor vehicle, trailer, boat, or outboard motor represented by such certificate is exempt from sales tax and state the ground for such exemption.

5. Any person, company, or corporation engaged in the business of renting or leasing motor vehicles, trailers, boats, or outboard motors, which are to be used exclusively for rental or lease purposes, and not for resale, may apply to the director of revenue for authority to operate as a leasing **or rental company and pay an annual fee of two hundred fifty dollars for such authority**. Any company approved by the director of revenue may pay the tax due on any motor vehicle, trailer, boat, or outboard motor as required in section 144.020 at the time of registration thereof or in lieu thereof may pay a sales tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A sales tax shall be charged to and paid by a leasing company which does not exercise the option of paying in accordance with section 144.020, on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in this state. Any motor vehicle, trailer, boat, or outboard motor which is leased as the result of a contract executed in this state shall be presumed to be domiciled in this state.

6. **Every applicant to be a lease or rental company shall furnish with the application a corporate surety bond or irrevocable letter of credit, as defined in section 400.5-102, issued by any state or federal financial institution in the penal sum of one hundred thousand dollars, on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the lease or rental company complying with the provisions of any statutes applicable to lease or rental companies, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the lease or rental license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except that, the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. The proceeds of the bond or irrevocable letter of credit shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party.**

7. Any corporation may have one or more of its divisions separately apply to the director of revenue for authorization to operate as a leasing company, provided that the corporation:

- (1) Has filed a written consent with the director authorizing any of its divisions to apply for such authority;
- (2) Is authorized to do business in Missouri;
- (3) Has agreed to treat any sale of a motor vehicle, trailer, boat, or outboard motor from one of its divisions to another of its divisions as a sale at retail;
- (4) Has registered under the fictitious name provisions of sections 417.200 to 417.230 each of its divisions doing business in Missouri as a leasing company; and
- (5) Operates each of its divisions on a basis separate from each of its other divisions. However, when the transfer of a motor vehicle, trailer, boat or outboard motor occurs within a corporation which holds a license to operate as a motor vehicle or boat dealer pursuant to sections 301.550 to 301.573 the provisions in subdivision (3) of this subsection shall not apply.

[7-] 8. If the owner of any motor vehicle, trailer, boat, or outboard motor desires to charge and collect sales tax as provided in this section, the owner shall make application to the director of revenue for a permit to operate as a motor vehicle, trailer, boat, or outboard motor leasing company. The director of revenue shall promulgate rules and regulations determining the qualifications of such a company, and the method of collection and reporting of sales tax charged and collected. Such regulations shall apply only to owners of motor vehicles, trailers, boats, or outboard motors, electing to qualify as motor vehicle, trailer, boat, or outboard motor leasing companies under the provisions of subsection 5 of this section, and no motor vehicle renting or leasing, trailer renting or leasing, or boat or outboard motor renting or leasing company can come under sections 144.010, 144.020, 144.070 and 144.440 unless all motor vehicles, trailers, boats, and outboard motors held for renting and leasing are included.

9. Any person, company, or corporation engaged in the business of renting or leasing three thousand five hundred or more motor vehicles which are to be used exclusively for rental or leasing purposes and not for resale, and that has applied to the director of revenue for authority to operate as a leasing company may also operate as a registered fleet owner as prescribed in section 301.032.

[8-] 10. Beginning July 1, 2010, any motor vehicle dealer licensed under section 301.560 engaged in the business of selling motor vehicles or trailers may apply to the director of revenue for authority to collect and remit the sales tax required under this section on all motor vehicles sold by the motor vehicle dealer. A motor vehicle dealer receiving authority to collect and remit the tax is subject to all provisions under sections 144.010 to 144.525. Any motor vehicle dealer authorized to collect and remit sales taxes on motor vehicles under this subsection shall be entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax pursuant to section 144.140. Any amount of the tax collected under this subsection that is retained by a motor vehicle dealer pursuant to section 144.140 shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers for their role in collecting and remitting sales taxes on motor vehicles. In the event this subsection or any portion thereof is held to violate Article IV, Section 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and remit sales taxes on motor vehicles under this section. No motor vehicle dealer shall seek compensation from the state of Missouri or its agencies if a court of competent jurisdiction declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and orders the return of such revenues.

301.032. 1. Notwithstanding the provisions of sections 301.030 and 301.035 to the contrary, the director of revenue shall establish a system of registration of all fleet vehicles owned or purchased by a fleet owner registered pursuant to this section. The director of revenue shall prescribe the forms for such fleet registration and the forms and procedures for the registration updates prescribed in this section. Any owner of ten or more motor vehicles which must be registered in accordance with this chapter may register as a fleet owner. All registered fleet owners may, at their option, register all motor vehicles included in the fleet on a calendar year or biennial basis pursuant to this section in lieu of the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue an identification number to each registered owner of fleet vehicles.

2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered during April of the corresponding year or on a prorated basis as provided in subsection 3 of this section. Fees of all vehicles in the fleet to be registered on a calendar year basis or on a biennial basis shall be payable not later than the last day of April of the corresponding year, with two years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, an application for registration of a fleet vehicle must be accompanied by a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application. The fees for vehicles added to the fleet which must be licensed at the time of registration shall be payable at the time of

registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee and when licensed on or after January first the fee shall be one-fourth the annual fee. When biennial registration is sought for vehicles added to a fleet, an additional year's annual fee will be added to the partial year's prorated fee.

3. At any time during the calendar year in which an owner of a fleet purchases or otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant to this subsection.

4. Except as specifically provided in this subsection, all fleet vehicles registered pursuant to this section shall be issued a special license plate which shall have the words "Fleet Vehicle" in place of the words "Show-Me State" in the manner prescribed by the advisory committee established in section 301.129. Alternatively, for a one-time additional five dollar per-vehicle fee beyond the regular registration fee, a fleet owner of at least fifty fleet vehicles may apply for fleet license plates bearing a company name or logo, the size and design thereof subject to approval by the director. All fleet license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued. ~~[The director of revenue shall promulgate rules and regulations establishing the procedure for application and issuance of fleet vehicle license plates.]~~

5. Notwithstanding the provisions of sections 307.350 to 307.390 to the contrary, a fleet vehicle registered in Missouri is exempt from the requirements of sections 307.350 to 307.390 if at the time of the annual fleet registration, such fleet vehicle is situated outside the state of Missouri.

6. **Notwithstanding any other provisions of law to the contrary, any person, company, or corporation engaged in the business of renting or leasing three thousand five hundred or more motor vehicles which are to be used exclusively for rental or leasing purposes and not for resale, that has applied to the director of revenue for authority to operate as a lease or rental company as prescribed in section 144.070 may operate as a registered fleet owner as prescribed in the provisions of this subsection to subsection 10 of this section.**

(1) The director of revenue may issue license plates after presentment of an application, as designed by the director, and payment of an annual fee of three hundred sixty dollars for the first ten plates and thirty-six dollars for each additional plate. The payment and issuance of such plates shall be in lieu of registering each motor vehicle with the director as otherwise provided by law.

(2) Such motor vehicles within the fleet shall not be exempted from the safety inspection and emissions inspection provisions as prescribed in chapters 307 and 643, but notwithstanding the provisions of section 307.355, such inspections shall not be required to be presented to the director of revenue.

7. A recipient of a lease or rental company license issued by the director of revenue as prescribed in section 144.070 operating as a registered fleet owner under this section shall register such fleet with the director of revenue on an annual or biennial basis in lieu of the individual motor vehicle registration periods as prescribed in sections 301.030, 301.035, and 301.147. If an applicant elects a biennial fleet registration, the annual fleet license plate fees prescribed in subdivision (1) of subsection 6 of this section shall be doubled. An agent fee as prescribed in subdivision (1) of subsection 1 of section 136.055 shall apply to the issuance of fleet registrations issued under subsections 6 to 10 of this section, and if a biennial fleet registration is elected, the agent fee shall be collected in an amount equal to the fee for two years.

8. Prior to the issuance of fleet license plates under subsections 6 to 10 of this section, the applicant shall provide proof of insurance as required under section 303.024 or 303.026.

9. The authority of a recipient of a lease or rental company license issued by the director of revenue as prescribed in section 144.070 to operate as a fleet owner as provided in this section shall expire on January 1 of the licensure period.

10. A lease or rental company operating fleet license plates issued under subsections 6 to 10 of this section shall make available, upon request, to the director of revenue and all Missouri law enforcement agencies any corresponding vehicle and registration information that may be requested as prescribed by rule.

11. The director shall make all necessary rules and regulations for the administration of this section and shall design all necessary forms required by this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective

only if it complies with and is subject to all the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Ruth, **House Amendment No. 2** was adopted.

Representative Eggleston offered **House Amendment No. 3**.

any other penalty authorized by law, the person shall be subject to a fine of not more than one thousand dollars and shall have four points assessed to his or her driver's license under section 302.302.

3. A person shall be deemed to commit the offense of "aggravated endangerment of a highway worker" upon conviction or a plea of guilty for any offense under subsection 1 of this section when such offense occurs in a construction zone or work zone as defined in section 304.580 and results in the injury or death of a highway worker. Upon conviction or a plea of guilty for committing the offense of aggravated endangerment of a highway worker, in addition to any other penalty authorized by law, the person shall be subject to a fine of not more than five thousand dollars if the offense resulted in injury to a highway worker and ten thousand dollars if the offense resulted in death to a highway worker. In addition, such person shall have twelve points assessed to their driver's license under section 302.302 and shall be subject to the provisions of section 302.304 regarding the revocation of the person's license and driving privileges.

4. Except for the offense established under subdivision (6) of subsection 1 of this section, no person shall be deemed to commit the offense of endangerment of a highway worker except when the act or omission constituting the offense occurred when one or more highway workers were in the construction zone or work zone.

5. No person shall be cited or convicted for endangerment of a highway worker or aggravated endangerment of a highway worker, for any act or omission otherwise constituting an offense under subsection 1 of this section, if such act or omission resulted in whole or in part from mechanical failure of the person's vehicle or from the negligence of another person or a highway worker.

6. (1) Notwithstanding any provision of this section or any other law to the contrary, the director of the department of revenue or his or her agent shall order the revocation of a driver's license upon its determination that an individual holding such license was involved in a physical accident where his or her negligent acts or omissions contributed to his or her vehicle striking a highway worker within a designated construction zone or work zone where department of transportation guidelines involving notice and signage were properly implemented. The department shall make its determination of these facts on the basis of the report of a law enforcement officer investigating the incident and this determination shall be final unless a hearing is requested and held as provided under subdivision (2) of this subsection. Upon its determination that the facts support a license revocation, the department shall issue a notice of revocation which shall be mailed to the person at the last known address shown on the department's records. The notice is deemed received three days after mailing unless returned by postal authorities. The notice of revocation shall clearly specify the reason and statutory grounds for the revocation, the effective date of the revocation which shall be at least fifteen days from the date the department issued its order, the right of the person to request a hearing, and the date by which the request for a hearing must be made.

(2) An individual who received notice of revocation from the department under this section may seek reinstatement by either:

(a) Taking and passing the written and driving portions of the driver's license examination, in which case the individual's driver's license shall be immediately reinstated; or

(b) Petitioning for a hearing before a circuit division or associate division of the court in the county in which the work zone accident occurred. The individual may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state, and the director shall maintain possession of the person's license to operate a motor vehicle until the termination of any suspension under this subsection. The clerk of the court shall notify the prosecuting attorney of the county, and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing, the court shall determine only:

a. Whether the person was involved in a physical accident where his or her vehicle struck a highway worker within a designated construction or work zone;

b. Whether the department of transportation guidelines involving notice and signage were properly implemented in such work zone; and

c. Whether the investigating officer had probable cause to believe the person's negligent acts or omissions contributed to his or her vehicle striking a highway worker.

If the court determines subparagraph a., b., or c. of this subdivision not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

(3) The department of revenue administrative adjudication to reinstate a driver's license that was revoked under this subsection, and any evidence provided to the department related to such adjudication, shall not be produced by subpoena or any other means and made available as evidence in any other administrative action, civil case, or criminal prosecution. The court's determinations issued under this section, and the evidence provided to the court relating to such determinations, shall not be produced by subpoena or any other means and made available in any other administrative action, civil case, or criminal prosecution. Nothing in this subdivision shall be construed to prevent the department from providing information to the system authorized under 49 U.S.C. Section 31309, or any successor federal law, pertaining to the licensing, identification, and disqualification of operators of commercial motor vehicles.

304.894. 1. A person commits the offense of endangerment of an emergency responder for any of the following offenses when the offense occurs within an active emergency zone:

- (3) Failure to stop for an active emergency zone flagman or emergency responder, or failure to obey traffic control devices erected, or personnel posted, in the active emergency zone for purposes of controlling the flow of motor vehicles through the zone;
- (4) Driving through or around an active emergency zone via any lane not clearly designated for motorists to control the flow of traffic through or around the active emergency zone;
- (5) Physically assaulting, attempting to assault, or threatening to assault an emergency responder with a motor vehicle or other instrument; or
- (6) Intentionally striking, moving, or altering barrels, barriers, signs, or other devices erected to control the flow of traffic to protect emergency responders and motorists unless the action was necessary to avoid an obstacle, an emergency, or to protect the health and safety of an occupant of the motor vehicle or of another person.

2. Upon a finding of guilt or a plea of guilty for committing the offense of endangerment of an emergency responder under subsection 1 of this section, if no injury or death to an emergency responder resulted from the offense, the court shall assess a fine of not more than one thousand dollars, and four points shall be assessed to the operator's license pursuant to section 302.302 upon conviction.

3. A person commits the offense of aggravated endangerment of an emergency responder upon a finding of guilt or a plea of guilty for any offense under subsection 1 of this section when such offense results in the injury or death of an emergency responder. Upon a finding of guilt or a plea of guilty for committing the offense of aggravated endangerment of an emergency responder, in addition to any other penalty authorized by law, the court shall assess a fine of not more than five thousand dollars if the offense resulted in injury to an emergency responder, and ten thousand dollars if the offense resulted in the death of an emergency responder. In addition, twelve points shall be assessed to the operator's license pursuant to section 302.302 upon conviction.

4. Except for the offense established under subdivision (6) of subsection 1 of this section, no person shall be deemed to have committed the offense of endangerment of an emergency responder except when the act or omission constituting the offense occurred when one or more emergency responders were responding to an active emergency.

5. No person shall be cited for, or found guilty of, endangerment of an emergency responder or aggravated endangerment of an emergency responder, for any act or omission otherwise constituting an offense under subsection 1 of this section, if such act or omission resulted in whole or in part from mechanical failure of the person's vehicle, or from the negligence of another person or emergency responder.

6. (1) Notwithstanding any provision of this section or any other law to the contrary, the director of the department of revenue or his or her agent shall order the revocation of a driver's license upon its determination that an individual holding such license was involved in a physical accident where his or her negligent acts or omissions substantially contributed to his or her vehicle striking an emergency responder within an active emergency zone where the appropriate visual markings for active emergency zones were properly implemented. The department shall make its determination of these facts on the basis of the report of a law enforcement officer investigating the incident and this determination shall be final unless a hearing is requested and held as provided under subdivision (2) of this subsection. Upon its determination that the facts support a license revocation, the department shall issue a notice of revocation which shall be mailed to the person at the last known address shown on the department's records. The notice is deemed received three days after mailing unless returned by postal authorities. The notice of revocation shall clearly specify the reason and statutory grounds for the revocation, the effective date of the revocation which shall be at least fifteen days from the date the department issued its order, the right of the person to request a hearing, and the date by which the request for a hearing must be made.

(2) An individual who received notice of revocation from the department under this section may seek reinstatement by either:

(a) Taking and passing the written and driving portions of the driver's license examination, in which case the individual's driver's license shall be immediately reinstated; or

(b) Petitioning for a hearing before a circuit division or associate division of the court in the county in which the emergency zone accident occurred. The individual may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state, and the director shall maintain possession of the person's license to operate a motor vehicle until the termination of any suspension under this subsection. The clerk of the court shall notify the prosecuting attorney of the county, and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing, the court shall determine only:

a. Whether the person was involved in a physical accident where his or her vehicle struck an emergency responder within an active emergency zone;

b. Whether the guidelines involving notice and signage were properly implemented in such emergency zone; and

c. Whether the investigating officer had probable cause to believe the person's negligent acts or omissions substantially contributed to his or her vehicle striking an emergency responder.

If the court determines subparagraph a., b., or c. of this subdivision not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

(3) The department of revenue administrative adjudication to reinstate a driver's license that was revoked under this subsection, and any evidence provided to the department related to such adjudication, shall not be produced by subpoena or any other means and made available as evidence in any other administrative action, civil case, or criminal prosecution. The court's determinations issued under this section, and the evidence provided to the court relating to such determinations, shall not be produced by subpoena or any other means and made available in any other administrative action, civil case, or criminal prosecution. Nothing in this subdivision shall be construed to prevent the department from providing information to the system authorized under 49 U.S.C. JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-SECOND DAY, THURSDAY, MAY 2, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Blessed is the one that walks not in the counsel of the ungodly, nor stands in the way of sinners, nor sits in the seat of the scornful. But his delight is in the law of the Lord; and in his law does he meditate day and night. (Psalm 1:1, 2)

Write Your law upon our open hearts, O God, and Your words upon our minds, as we lift our souls to You. We believe in You, O Loving God, and we pray that Your Spirit may so dwell in us that Your peace and Your power may be ours this day. Guide us in the decisions we make, give us support in our efforts to be true to You, and grant us courage to do what we firmly believe to be right. Just as we are now, strong and free, to be the best that we can be for truth and righteousness and You, Lord of our lives, we come and pray in a special way on this National Day of Prayer with its theme of "Love One Another."

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Isaac Patterson and Ean Wilson.

The Journal of the sixty-first day was approved as printed by the following vote:

SCS SB 83, relating to child relocation, was taken up by Representative Ross.

Representative Ross moved that the title be agreed to.

Representative Evans offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Committee Substitute for Senate Bill No. 83, Page 1, In the Title, Line 3, by deleting the phrase "child relocation" and inserting in lieu thereof the phrase "court proceedings"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Evans, **House Amendment No. 1** was adopted.

Representative Evans offered **House Amendment No. 2**.

House Amendment No. 2

AMEND Senate Committee Substitute for Senate Bill No. 83, Page 5, Section 452.377, Line 127, by inserting after all of said section and line the following:

"528.700. 1. The provisions of sections 528.700 to 528.750 shall be known and may be cited as the "Save the Family Farm Act".

2. For purposes of sections 528.700 to 528.750, the following terms and phrases shall mean:

(1) "Ascendant", an individual who precedes another individual in lineage, in the direct line of ascent from the other individual;

(2) "Collateral", an individual who is related to another individual under the law of intestate succession of this state but who is not the other individual's ascendant or descendant;

(3) "Descendant", an individual who follows another individual in lineage, in the direct line of descent from the other individual;

(4) "Determination of value", a court order determining the fair market value of heirs' property under section 528.720 or 528.740 or adopting the valuation of the property agreed to by all cotenants;

(5) "Heirs' property", real property held in tenancy in common that satisfies all of the following requirements as of the filing of a partition action:

(a) There is no agreement in a record binding all the cotenants that governs the partition of the property;

(b) One or more of the cotenants acquired title from a relative, whether living or deceased; and

(c) Any of the following applies:

a. Twenty percent or more of the interests are held by cotenants who are relatives;

b. Twenty percent or more of the interests are held by an individual who acquired title from a relative, whether living or deceased; or

c. Twenty percent or more of the cotenants are relatives;

(6) "Partition by sale", a court-ordered sale of the entire heirs' property, whether by auction, sealed bids, or open-market sale conducted under section 528.740;

(7) "Partition in kind", the division of heirs' property into physically distinct and separately titled parcels;

(8) "Record", information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form;

(9) "Relative", an ascendant, descendant, or collateral or an individual otherwise related to another individual by blood, marriage, adoption, or law of this state other than the provisions of sections 528.700 to 528.750.

528.705. 1. Sections 528.700 to 528.750 shall apply to partition actions filed on or after August 28, 2019.

2. In an action to partition real property under this chapter, the court shall determine whether the property is heirs' property. If the court determines that the property is heirs' property, the property shall be partitioned under sections 528.700 to 528.750 unless all of the cotenants otherwise agree in a record.

3. Sections 528.700 to 528.750 shall supplement sections 528.010 to 528.640 and Missouri supreme court rule 96.

528.710. 1. Sections 528.700 to 528.750 shall not limit or affect the method by which service of a complaint in a partition action may be made.

2. If the plaintiff in a partition action seeks an order of notice by publication and the court determines that the property may be heirs' property, the plaintiff, no later than ten days after the court's determination, shall post and maintain, while the action is pending, a conspicuous sign on the property that is the subject of the action. The sign shall state that the action has commenced and identify the name and address of the court and the common designation by which the property is known. The court may require the plaintiff to publish on the sign the name of the plaintiff and the known defendants.

528.715. If the court appoints commissioners under supreme court rule 96, each commissioner, in addition to the requirements and disqualifications applicable to commissioners in supreme court rule 96, shall be disinterested and impartial and not a party to or a participant in the action.

528.720. 1. Except as otherwise provided in subsections 2 and 3 of this section, if the court determines that the property that is the subject of a partition action is heirs' property, the court shall determine the fair market value of the property by ordering a certified appraisal under subsection 4 of this section.

2. If all cotenants have agreed to the value of the property or to another method of valuation, the court shall adopt that value or the value produced by the agreed method of valuation.

3. If the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court, after an evidentiary hearing, shall determine the fair market value of the property and send notice to the parties of the value.

4. If the court orders a certified appraisal, the court shall appoint a disinterested real estate appraiser licensed in this state to determine the fair market value of the property assuming sole ownership of the fee simple estate. On completion of the appraisal, the appraiser shall file a sworn or verified appraisal with the court.

5. If an appraisal is conducted under subsection 4 of this section, no later than ten days after the appraisal is filed, the court shall send notice to each party with a known address, stating:

- (1) The appraised fair market value of the property;
- (2) That the appraisal is available at the clerk's office; and
- (3) That a party may file with the court an objection to the appraisal no later than thirty days after the notice is sent stating the grounds for the objection.

6. If an appraisal is filed with the court under subsection 4 of this section, the court shall conduct a hearing to determine the fair market value of the property no sooner than thirty days after a copy of the notice of the appraisal is sent to each party under subsection 5 of this section regardless of whether an objection to the appraisal is filed under subdivision (3) of subsection 5 of this section. In addition to the court-ordered appraisal, the court may consider any other evidence of value offered by a party.

7. After a hearing under subsection 6 of this section but before considering the merits of the partition action, the court shall determine the fair market value of the property and send notice to the parties of the value.

528.725. 1. If any cotenant has requested partition by sale after the determination of value under section 528.720, the court shall send notice to the parties that any cotenant, except a cotenant that requested partition by sale, may buy all the interests of the cotenants that requested partition by sale.

2. No later than forty-five days after the notice is sent under subsection 1 of this section, any cotenant, except a cotenant that requested partition by sale, may give notice to the court that it elects to buy all the interests of the cotenants that requested partition by sale.

3. The purchase price for each of the interests of a cotenant that requested partition by sale is the value of the entire parcel determined under section 528.720 multiplied by the cotenant's fractional ownership of the entire parcel.

4. After expiration of the period in subsection 2 of this section, the following rules shall apply:

- (1) If only one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall notify all the parties of that fact;
- (2) If more than one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall allocate the right to buy those interests among the electing cotenants based on each electing cotenant's existing fractional ownership of the entire parcel divided by the total existing fractional ownership of all cotenants electing to buy and send notice to all the parties of that fact and of the price to be paid by each electing cotenant;

(3) If no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall send notice to all the parties of that fact and resolve the partition action under subsection 1 or 2 of section 528.730.

5. If the court sends notice to the parties under subdivision (1) or (2) of subsection 4 of this section, the court shall set a date, no sooner than sixty days after the date the notice was sent, by which electing cotenants shall pay their apportioned price into the court. After this date, the following rules shall apply:

- (1) If all electing cotenants timely pay their apportioned price into court, the court shall issue an order reallocating all the interests of the cotenants and disburse the amounts held by the court to the persons entitled to them;
- (2) If no electing cotenant timely pays its apportioned price, the court shall resolve the partition action under subsection 1 or 2 of section 528.730 as if the interests of the cotenants that requested partition by sale were not purchased; or
- (3) If one or more but not all of the electing cotenants fail to pay their apportioned price on time, the court, on motion, shall give notice to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest.

6. No later than twenty days after the court gives notice under subdivision (3) of subsection 5 of this section, any cotenant that paid may elect to purchase all of the remaining interest by paying the entire price into the court. After the twenty-day period, the following rules shall apply:

(1) If only one cotenant pays the entire price for the remaining interest, the court shall issue an order reallocating the remaining interest to that cotenant. The court shall promptly issue an order reallocating the interests of all of the cotenants and disburse the amounts held by the court to the persons entitled to such amounts;

(2) If no cotenant pays the entire price for the remaining interest, the court shall resolve the partition action under subsection 1 or 2 of section 528.730 as if the interests of the cotenants that requested partition by sale were not purchased; or

(3) If more than one cotenant pays the entire price for the remaining interest, the court shall reapportion the remaining interest among those paying cotenants based on each paying cotenant's original fractional ownership of the entire parcel divided by the total original fractional ownership of all cotenants that paid the entire price for the remaining interest. The court shall promptly issue an order reallocating all of the cotenants' interests, disburse the amounts held by the court to the persons entitled to such amounts, and promptly refund any excess payment held by the court.

7. No later than forty-five days after the court sends notice to the parties under subsection 1 of this section, any cotenant entitled to buy an interest under this section may request the court to authorize the sale as part of the pending action of the interests of cotenants named as defendants and served with the complaint but that did not appear in the action.

8. If the court receives a timely request under subsection 7 of this section, the court, after hearing, may deny the request or authorize the requested additional sale on such terms as the court determines are fair and reasonable, subject to the following limitations:

(1) A sale authorized under this subsection may occur only after the purchase prices for all interests subject to sale under subsections 1 to 6 of this section have been paid into court and those interests have been reallocated among the cotenants as provided in subsections 1 to 6 of this section; and

(2) The purchase price for the interest of a nonappearing cotenant is based on the court's determination of value under section 528.720.

528.730. 1. If all the interests of all cotenants that requested partition by sale are not purchased by other cotenants under section 528.725, or, if after conclusion of the buyout under section 528.725, a cotenant that has requested partition in kind remains, the court shall order partition in kind unless the court, after consideration of the factors listed in section 528.735, finds that partition in kind will result in great prejudice to the cotenants as a group. In considering whether to order partition in kind, the court shall approve a request by two or more parties to have their individual interests aggregated.

2. If the court does not order partition in kind under subsection 1 of this section, the court shall order partition by sale under section 528.740 or, if no cotenant requested partition by sale, the court shall dismiss the action.

3. If the court orders partition in kind under subsection 1 of this section, the court may require that one or more cotenants pay one or more other cotenants amounts so that the payments, taken together with the value of the in-kind distributions to the cotenants, will make the partition in kind just and proportionate in value to the fractional interests held.

4. If the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out under section 528.725, a part of the property representing the combined interests of these cotenants as determined by the court, and that part of the property shall remain undivided.

528.735. 1. In determining, under subsection 1 of section 528.730, whether partition in kind would result in great prejudice to the cotenants as a group, the court shall consider the following:

(1) Whether the heirs' property practicably can be divided among the cotenants;

(2) Whether partition in kind would apportion the property in such a way that the aggregate fair market value of the parcels resulting from the division would be materially less than the value of the property if it were sold as a whole, taking into account the condition under which a court-ordered sale likely would occur;

(3) Evidence of the collective duration of ownership or possession of the property by a cotenant and one or more predecessors in title or predecessors in possession to the cotenant who are or were relatives of the cotenant or each other;

(4) A cotenant's sentimental attachment to the property, including any attachment arising because the property has ancestral or other unique or special value to the cotenant;

(5) The lawful use being made of the property by a cotenant and the degree to which the cotenant would be harmed if the cotenant could not continue the same use of the property;

(6) The degree to which the cotenants have contributed their pro rata share of the property taxes, insurance, and other expenses associated with maintaining ownership of the property or have contributed to the physical improvement, maintenance, or upkeep of the property; and

(7) Any other relevant factor.

2. The court shall not consider any one factor in subsection 1 of this section to be dispositive without weighing the totality of all relevant factors and circumstances.

528.740. 1. If the court orders a sale of heirs' property, the sale shall be an open-market sale unless the court finds that a sale by sealed bids or an auction would be more economically advantageous and in the best interest of the cotenants as a group.

2. If the court orders an open-market sale and the parties, no later than ten days after the entry of the order, agree on a real estate broker licensed in this state to offer the property for sale, the court shall appoint the broker and establish a reasonable commission. If the parties do not agree on a broker, the court shall appoint a disinterested real estate broker licensed in this state to offer the property for sale and shall establish a reasonable commission. The broker shall offer the property for sale in a commercially reasonable manner at a price no lower than the determination of value and on the terms and conditions established by the court. If the court finds that an auction company is more advantageous to the cotenants as a group, it has the discretion to appoint an auction company to conduct the sale required under this subsection.

3. If the broker appointed under subsection 2 of this section obtains within a reasonable time an offer to purchase the property for at least the determination of value:

(1) The broker shall comply with the reporting requirements in section 528.745; and

(2) The sale may be completed in accordance with state law other than sections 528.700 to 528.750.

4. If the broker appointed under subsection 2 of this section does not obtain within a reasonable time an offer to purchase the property for at least the determination of value, the court, after hearing, may:

(1) Approve the highest outstanding offer, if any;

(2) Redetermine the value of the property and order that the property continue to be offered for an additional time; or

(3) Order that the property be sold by sealed bids or at an auction.

5. If the court orders a sale by sealed bids or an auction, the court shall set terms and conditions of the sale. If the court orders a sale, the sale shall be conducted under supreme court rule 96.

6. If a purchaser is entitled to a share of the proceeds of the sale, the purchaser is entitled to a credit against the price in an amount equal to the purchaser's share of the proceeds.

528.745. 1. Unless required to do so within a shorter time by supreme court rule 96, a broker appointed under subsection 2 of section 528.740 to offer heirs' property for open-market sale shall file a report with the court no later than seven days after receiving an offer to purchase the property for at least the value determined under section 528.720 or 528.740.

2. The report required under subsection 1 of this section shall contain the following information:

(1) A description of the property to be sold to each buyer;

(2) The name of each buyer;

(3) The proposed purchase price;

(4) The terms and conditions of the proposed sale, including the terms of any owner financing;

(5) The amounts to be paid to lienholders;

(6) A statement of contractual or other arrangements or conditions of the broker's commission; and

(7) Other material facts relevant to the sale.

528.750. In applying and construing sections 528.700 to 528.750, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact such substantially similar provisions."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 1
to
House Amendment No. 2

AMEND House Amendment No. 2 to Senate Committee Substitute for Senate Bill No. 83, Page 1, Line 4, by inserting before the number "528.700." the following:

"452.402. 1. The court may grant reasonable visitation rights to the grandparents of the child and issue any necessary orders to enforce the decree. The court may grant grandparent visitation when:

(1) The parents of the child have filed for a dissolution of their marriage. A grandparent shall have the right to intervene in any dissolution action solely on the issue of visitation rights. Grandparents shall also have the right to file a motion to modify the original decree of dissolution to seek visitation rights when visitation has been denied to them; or

(2) One parent of the child is deceased and the surviving parent denies reasonable visitation to a parent of the deceased parent of the child; or

(3) The child has resided in the grandparent's home for at least six months within the twenty-four month period immediately preceding the filing of the petition; ~~and~~ or

(4) A grandparent is unreasonably denied visitation with the child for a period exceeding ~~ninety~~ thirty days. However, if the natural parents are legally married to each other and are living together with the child, a grandparent may not file for visitation pursuant to this subdivision.

2. The court shall determine if the visitation by the grandparent would be in the child's best interest or if it would endanger the child's physical health or impair the child's emotional development. Visitation may only be ordered when the court finds such visitation to be in the best interests of the child. However, when the parents of the child are legally married to each other and are living together with the child, it shall be a rebuttable presumption that such parents know what is in the best interest of the child. The court may order reasonable conditions or restrictions on grandparent visitation.

3. If the court finds it to be in the best interests of the child, the court may appoint a guardian ad litem for the child. The guardian ad litem shall be an attorney licensed to practice law in Missouri. The guardian ad litem may, for the purpose of determining the question of grandparent visitation rights, participate in the proceedings as if such guardian ad litem were a party. The court shall enter judgment allowing a reasonable fee to the guardian ad litem.

4. A home study, as described by section 452.390, may be ordered by the court to assist in determining the best interests of the child.

5. The court may, in its discretion, consult with the child regarding the child's wishes in determining the best interest of the child.

6. The right of a grandparent to maintain visitation rights pursuant to this section may terminate upon the adoption of the child.

7. The court may award reasonable attorneys fees and expenses to the prevailing party."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-THIRD DAY, MONDAY, MAY 6, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Kent Haden.

Our Father, thank You for bringing us all safely back to the legislature today.

Lord, as we start the final two weeks of session, give us physical strength to put in the hours before us, mental strength to make good decisions, and moral strength to stand by our convictions.

Lord, help us to have the wisdom of Solomon, the patience of Job, and the perseverance of Paul. Let us be just in our dealings and realize our job here is not one of power or glory but of service. Let us strive to show grace to one another as we deal with contentious issues, just as Christ showed us grace by His death on the cross.

Guide us, direct us, protect us, and help us legislate fairly.

In Christ's name, Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-second day was approved as printed by the following vote:

House Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for Senate Bill No. 230, Page 6, Section 475.115, Line 18, by inserting after all of said section and line the following:

"508.010. 1. As used in this section, "principal place of residence" shall mean the county which is the main place where an individual resides in the state of Missouri. ~~[There shall be a rebuttable presumption that the county of voter registration at the time of injury is the principal place of residence.]~~ There shall be only one principal place of residence.

(1) For an individual person, there shall be a rebuttable presumption that the county of voter registration at the time of injury is the principal place of residence.

(2) Notwithstanding subdivision (1) of this subsection, for an individual whose conduct at issue was alleged in at least one count to be in the course and scope of his or her employment with a corporation, the individual's principal place of residence for venue purposes shall be deemed to be the applicable corporation's principal place of residence.

(3) For a corporation that, either directly or through its subsidiaries, wholly owns or operates a railroad, the place where the corporation has its registered agent is its principal place of residence for the purposes of venue, provided that the registered agent is in a city not within a county, a charter county, or a first class county.

2. In all actions in which there is no count alleging a tort, venue shall be determined as follows:

(1) When the defendant is a resident of the state, either in the county within which the defendant resides, or in the county within which the plaintiff resides, and the defendant may be found;

(2) When there are several defendants, and they reside in different counties, the suit may be brought in any such county;

(3) When there are several defendants, some residents and others nonresidents of the state, suit may be brought in any county in this state in which any defendant resides;

(4) When all the defendants are nonresidents of the state, suit may be brought in any county in this state, **provided there is personal jurisdiction over each defendant, independent of each other defendant.**

3. The term "tort" shall include claims based upon improper health care, under the provisions of chapter 538.

4. Notwithstanding any other provision of law, in all actions in which there is any count alleging a tort and in which the plaintiff was first injured in the state of Missouri, venue shall be in the county where the plaintiff was first injured by the ~~[wrongful]~~ acts or ~~[negligent]~~ conduct alleged in the action.

5. Notwithstanding any other provision of law, in all actions in which there is any count alleging a tort and in which the plaintiff was first injured outside the state of Missouri, venue **as to that individual plaintiff** shall be determined as follows:

(1) If the defendant is a corporation, then venue shall be in any county where a defendant corporation's registered agent is located or, if the plaintiff 's principal place of residence was in the state of Missouri on the date the plaintiff was first injured, then venue may be in the county of the plaintiff 's principal place of residence on the date the plaintiff was first injured;

(2) If the defendant is an individual, then venue shall be in ~~[any]~~ **the county [of] where the [individual defendant's] defendant has his or her principal place of residence in the state of Missouri, which for venue purposes shall be deemed to be that of his or her employer corporation if any count alleges conduct in the course and scope of his or her employment with that corporation,** or, if the plaintiff 's principal place of residence was in the state of Missouri on the date the plaintiff was first injured, then venue **as to that individual plaintiff** may be in the county containing the plaintiff 's principal place of residence on the date the plaintiff was first injured;

(3) Notwithstanding subdivisions (1) and (2) of this subsection, if the plaintiff was first injured in a foreign country in connection with any railroad operations therein and any defendant is a:

(a) Corporation that, either directly or through its subsidiaries, wholly owns or operates the foreign railroad; or

(b) Wholly owned subsidiary of a corporation that, either directly or through its subsidiaries, wholly owns or operates the foreign railroad;

then venue shall exclusively be in the county where any such defendant corporation's registered agent is located, regardless of venue as to any other defendant or, if the plaintiff 's principal place of residence was in the state of Missouri on the date the plaintiff was first injured, then venue may be in the county of the plaintiff 's principal place of residence on the date the plaintiff was first injured.

6. Any action, in which any county shall be a plaintiff, may be commenced and prosecuted to final judgment in the county in which the defendant or defendants reside, or in the county suing and where the defendants, or one of them, may be found.

7. In all actions, process shall be issued by the court in which the action is filed and process may be served in any county within the state.

8. In any action for defamation or for invasion of privacy, the plaintiff shall be considered first injured in the county in which the defamation or invasion was first published.

9. In all actions, venue shall be determined as of the date the plaintiff was first injured.

10. All motions to dismiss or to transfer based upon a claim of improper venue shall be deemed granted if not denied within ninety days of filing of the motion unless such time period is waived in writing by all parties.

11. In a wrongful death action, the plaintiff shall be considered first injured where the decedent was first injured by the wrongful acts or negligent conduct alleged in the action. In any spouse's claim for loss of consortium, the plaintiff claiming consortium shall be considered first injured where the other spouse was first injured by the wrongful acts or negligent conduct alleged in the action.

12. The provisions of this section shall apply irrespective of whether the defendant is a for-profit or a not-for-profit entity.

13. In any civil action, if all parties agree in writing to a change of venue, the court shall transfer venue to the county within the state unanimously chosen by the parties. If any parties are added to the cause of action after the date of said transfer who do not consent to said transfer then the cause of action shall be transferred to such county in which venue is appropriate under this section, based upon the amended pleadings.

14. A plaintiff is considered first injured where the trauma or exposure occurred rather than where symptoms are first manifested.

15. If the county where the plaintiff's claim is filed is not a proper venue, that plaintiff shall be transferred to a county where proper venue can be established. If no such county exists in the state of Missouri, the claim shall be dismissed without prejudice.

16. Denial of a motion to transfer venue pursuant to sections 507.040, 507.050, or 508.010, if denied in error, requires reversal, and no finding of prejudice under Missouri supreme court rule 84.13(b) is required for reversal.

17. For the purposes of this section, a domestic insurance company shall be deemed to reside in, and be a resident of, the county where its registered office is maintained. A foreign insurance company shall be deemed to reside in, and be a resident of, the county where its registered office is maintained. If a foreign insurance company does not maintain a registered office in any county in Missouri, the foreign insurance company shall be deemed to reside in, and be a resident of, Cole County."; and

House Amendment No. 3*

AMEND House Amendment No. 3 to Senate Substitute for Senate Committee Substitute for Senate Bill No. 230, Page 2, Line 34, by inserting after said line the following:

"Further amend said bill, Page 6, Section 475.115, Line 18, by inserting after said section and line the following:

"544.455. 1. Any person charged with a bailable offense, at his or her appearance before ~~[an associate circuit judge or]~~ a judge, may be ordered released pending trial, appeal, or other stage of the proceedings against him on his personal recognizance, unless the ~~[associate circuit judge or]~~ judge determines, in the exercise of his discretion, that such a release will not reasonably assure the appearance of the person as required. When such a determination is made, the ~~[associate circuit judge or]~~ judge may either in lieu of or in addition to the above methods of release, impose any or any combination of the following conditions of release which will reasonably assure the appearance of the person for trial:

(1) Place the person in the custody of a designated person or organization agreeing to supervise him;
 (2) Place restriction on the travel, association, or place of abode of the person during the period of release;
 (3) Require the execution of a bail bond with sufficient solvent sureties, or the deposit of cash in lieu thereof **by a defendant or a third party; however, the court shall accept in lieu of a cash only bond a guaranty from any surety who is in compliance with general laws regulating such profession. Cash only bonds involving child support enforcement, insufficient funds, and enforcing posttrial collections of court costs, fines, and restitution shall be excluded from the provisions of this subdivision;**

(4) Require the person to report regularly to some officer of the court, ~~[or]~~ peace officer, ~~[in such manner as the associate circuit judge or judge directs]~~ **or a private pretrial court services company;**

(5) Require the execution of a bond in a given sum and the deposit in the registry of the court of ten percent, or such lesser percent as the judge directs, of the sum in cash or negotiable bonds of the United States or of the state of Missouri or any political subdivision thereof. **The court shall accept, in lieu of a percentage bond under this subdivision, a guaranty from any surety properly licensed under the laws of Missouri in an amount equal to the percentage the court required from the defendant or third party and confirm sufficient assets of a private individual acting as the guaranty of the full amount of bond if a percentage of the full amount of the bond in lieu thereof was accepted by the court. Upon judgment of a bail bond forfeiture, moneys shall be disbursed in the same manner as a judgment that is paid by a professional surety;**

(6) Place the person on house arrest with electronic monitoring; except that all costs associated with the electronic monitoring shall be charged to the person on house arrest. If the judge finds the person unable to afford the costs associated with electronic monitoring, the judge may order that the person be placed on house arrest with electronic monitoring if the county commission agrees to pay from the general revenue of the county the costs of such monitoring. If the person on house arrest is unable to afford the costs associated with electronic monitoring and the county commission does not agree to pay the costs of such electronic monitoring, the judge shall not order that the person be placed on house arrest with electronic monitoring;

(7) Impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody after specified hours.

2. In determining which conditions of release will reasonably assure appearance, the associate circuit judge or judge shall, on the basis of available information, take into account the nature and circumstances of the offense charged, the weight of the evidence against the accused, the accused's family ties, employment, financial resources, character and mental condition, the length of his residence in the community, his record of convictions, and his record of appearance at court proceedings or flight to avoid prosecution or failure to appear at court proceedings.

3. ~~[An associate circuit judge or]~~ A judge authorizing the release of a person under this section shall issue an appropriate order containing a statement of the conditions imposed, if any, shall inform such person of the penalties applicable to violations of the conditions of his release and shall advise him that a warrant for his arrest will be issued immediately upon any such violation.

4. A person for whom conditions of release are imposed and who after twenty-four hours from the time of the release hearing continues to be detained as a result of his inability to meet the conditions of release, shall, upon application, be entitled to have the condition reviewed by the associate circuit judge or judge who imposed them. The motion shall be determined promptly.

5. ~~[An associate circuit judge or]~~ A judge ordering the release of a person on any condition specified in this section may at any time amend his order to impose additional or different conditions of release; except that, if the imposition of such additional or different conditions results in the detention of the person as a result of his inability to meet such conditions or in the release of the person on a condition requiring him to return to custody after specified hours, the provisions of subsection 4 of this section shall apply.

6. Information stated in, or offered in connection with, any order entered pursuant to this section need not conform to the rules pertaining to the admissibility of evidence in a court of law.

7. Nothing contained in this section shall be construed to prevent the disposition of any case or class of cases by forfeiture of collateral security where such disposition is authorized by the court.

8. Persons charged with violations of municipal ordinances may be released by a municipal judge or other judge who hears and determines municipal ordinance violation cases of the municipality involved under the same conditions and in the same manner as provided in this section for release by an associate circuit judge.

9. A circuit court may adopt a local rule authorizing the pretrial release on electronic monitoring pursuant to subdivision (6) of subsection 1 of this section in lieu of incarceration of individuals charged with offenses specifically identified therein.

10. A person serving as a municipal, associate circuit, or circuit judge, or a family member of such person within the first degree of affinity or consanguinity, shall be prohibited from owning a private pretrial court services company unless two years have elapsed since the date the person has served as an associate circuit or a circuit judge."; and"; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-FOURTH DAY, TUESDAY, MAY 7, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Beloved, let us love one another; for love is of God; and he who loves is born of God, and knows God. (1 John 4:7)

Almighty God, ruler of the universe and redeemer of all peoples, we praise You for the life You have given us, for the beauty of the world in which we live, for the truth by which we live, and for the love which binds us together. Open our eyes that we may see the beauty about us, open our ears that we may hear the appeal of truth, and open our hearts that we may receive the gift of Your love.

Remove from within us all bitterness, all resentment, and all hostility and fill us anew with the spirit of joy and peace and love. In spite of political differences may we be of one mind, possessed by one spirit, and motivated by one power: to serve our state with all our hearts, to keep our faith in You, and to work for the good of our fellow citizens during these last days of session.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-third day was approved as printed by the following vote:

THIRD READING OF HOUSE CONCURRENT RESOLUTIONS

HCS HCR 43, relating to the Green New Deal, was taken up by Representative Shawan.

Representative Lavender offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Concurrent Resolution No. 43, Page 2, Line 61, by deleting all of said line and inserting in lieu thereof the following:

"industries; and

WHEREAS, as documented through the use of sound scientific methods and evidence-based practices, the climate in the state of Missouri is changing at an alarming rate; and

WHEREAS, the average annual temperature in the United States has increased more than two degrees Fahrenheit in the last century, and Missouri is above the national average; and

WHEREAS, rising global temperatures have resulted in an atmosphere that holds more water vapor and creates a higher potential for heavy rainfall; and

WHEREAS, average annual precipitation in most of the Midwest has increased by five to ten percent over the last half century as a result of rising global temperatures, causing flooding to become more frequent; and

WHEREAS, the state of Missouri will see an increase in the number of extremely hot days in the coming decades, which will cause public health issues in urban areas and damage or destroy crops such as corn and rice in rural areas. Already, in 2018, Governor Michael L. Parson issued an executive order declaring a drought alert for certain Missouri counties after the U.S. Drought Monitor indicated that all or portions of forty-seven Missouri counties were in severe or extreme drought and data demonstrated that nearly seventy percent of Missouri was experiencing some level of drought; and

WHEREAS, farmers in the state of Missouri have witnessed firsthand the impacts of climate change, such as hay shortages, and have used controlled grazing and other methods to work to combat the consequences of climate change; and

WHEREAS, climate change in the state of Missouri is severe, as demonstrated by recent significant drought and flooding events and record high and low temperatures; and

WHEREAS, Missouri has remained highly dependent on coal for its electrical energy sources, while the price of solar energy decreases and renewable energy is becoming the most affordable option; and

WHEREAS, the state of Missouri should reduce greenhouse gas emissions by fifty percent and work toward fifty percent renewable energy by the year 2030; and

WHEREAS, the state of Missouri should consider incentives for technological innovations of products and processes that will move the state toward a healthier climate; and

WHEREAS, because climate change has negative effects on the environment, economic development, job creation, and quality of life, the state of Missouri should seek input on the issue from numerous stakeholders in Missouri including, but not limited to, state and local officials, residents of Missouri, the state climatologist, and organizations representing the interests of agriculture, economic development, conservation, natural resources, and health and senior services; and

WHEREAS, the general assembly of the state of Missouri has a continuing obligation to provide future generations with a safe and healthy climate:"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Schroer requested a parliamentary ruling.

Representative McDaniel raised an additional point of order that **House Amendment No. 1** is not germane.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-FIFTH DAY, WEDNESDAY, MAY 8, 2019

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Create in us clean hearts, O Lord, and renew a right spirit within us. (Psalm 51:10)

O loving God, before whom all falsehood fades, all pretense fails, all bitterness falls, who is the way, the truth, and the life, bless us this day with Your Spirit and help us to walk in Your ways, to believe Your truth, and to live Your life.

Please forgive our arrogant ways, the mistakes we make, and the sins we commit, the harsh criticism we direct toward those who disagree with us, and our slowness to see the good in others and the wrong in ourselves.

Now create in us clean hearts, O Lord, and renew a right spirit within us, that Your will may be done in us, in our beloved state, and in all who serve in the People's House on this Harry Truman Day.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Reece Rone, Phoebe Rone, and Ella Rone.

The Journal of the sixty-fourth day was approved as printed by the following vote:

On motion of Representative Taylor, the title of **HCS SCS SB 147** was agreed to.

Representative Basye offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 147, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"300.155. Whenever traffic is controlled by traffic control signals exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination, only the colors green, red and yellow shall be used, except for special pedestrian signals carrying a word legend, and said lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

(1) Green indication

(a) Vehicular traffic facing a circular green signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited;

(b) Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by such arrow, or such other movement as is permitted by other indications shown at the same time. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection;

(c) Unless otherwise directed by a pedestrian control signal as provided in section 300.160, pedestrians facing any green signal, except when the sole green signal is a turn arrow, may proceed across the roadway within any marked or unmarked crosswalk.

(2) Steady yellow indication

(a) Vehicular traffic facing a steady yellow signal is thereby warned that the related green movement is being terminated or that a red indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection;

(b) Pedestrians facing a steady yellow signal, unless otherwise directed by a pedestrian control signal as provided in section 300.160, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown and no pedestrian shall then start to cross the roadway.

(3) Steady red indication

(a) Vehicular traffic facing a steady red signal alone shall stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until a green indication is shown except as provided in paragraph (b) of this subdivision;

(b) The driver of a vehicle which is stopped as close as practicable at the entrance to the crosswalk on the near side of the intersection or, if none, then at the entrance to the intersection in obedience to a red signal, may cautiously enter the intersection to make a right turn but shall yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection, except that the state highways and transportation commission with reference to an intersection involving a state highway, and local authorities with reference to an intersection involving other highways under their jurisdiction, may prohibit any such right turn against a red signal at any intersection where safety conditions so require, said prohibition shall be effective when a sign is erected at such intersection giving notice thereof;

(c) The driver of a vehicle which is in the left-most lane on a one-way street and stopped as close as practicable at the entrance to the crosswalk on the near side of the intersection or, if none, then at the entrance to the intersection in obedience to a red signal, may cautiously enter the intersection to make a left turn onto a one-way street but shall yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection, except that the state highways and transportation commission with reference to an intersection involving a state highway, and local authorities with reference to an intersection involving other highways under their jurisdiction, may prohibit any such left turn against a red signal at any intersection where safety conditions so require and such prohibition shall be effective when a sign is erected at such intersection giving notice thereof;

(d) Unless otherwise directed by a pedestrian control signal as provided in section 300.160, pedestrians facing a steady red signal alone shall not enter the roadway.

(4) In the event an official traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made at the signal."; and

Further amend said bill, Page 12, Section 302.026, Line 10, by inserting after all of said section and line the following:

"304.281. 1. Whenever traffic is controlled by traffic control signals exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination, only the colors green, red and yellow shall be used, except for special pedestrian signals carrying a word legend, and said lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

(b) Pedestrians facing a steady yellow signal, unless otherwise directed by a pedestrian control signal as provided in section 304.291, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown and no pedestrian shall then start to cross the roadway.

(3) Steady red indication

(a) Vehicular traffic facing a steady red signal alone shall stop before entering the crosswalk on the near side of the intersection at a clearly marked stop line but, if none, then before entering the intersection and shall remain standing until an indication to proceed is shown except as provided in paragraph (b);

(b) The driver of a vehicle which is stopped as close as practicable at the entrance to the crosswalk on the near side of the intersection or, if none, then at the entrance to the intersection in obedience to a red signal, may cautiously enter the intersection to make a right turn but shall yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection, except that the state highways and transportation commission with reference to an intersection involving a state highway, and local authorities with reference to an intersection involving other highways under their jurisdiction, may prohibit any such right turn against a red signal at any intersection where safety conditions so require, said prohibition shall be effective when a sign is erected at such intersection giving notice thereof;

Notwithstanding the provisions of sections 301.030 and 301.035 to the contrary, the director of revenue shall establish a system of registration of all fleet vehicles owned or purchased by a fleet owner registered pursuant to this section. The director of revenue shall prescribe the forms for such fleet registration and the forms and procedures for the registration updates prescribed in this section. Any owner of ten or more motor vehicles which must be registered in accordance with this chapter may register as a fleet owner. All registered fleet owners may, at their option, register all motor vehicles included in the fleet on a calendar year or biennial basis pursuant to this section in lieu of the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue an identification number to each registered owner of fleet vehicles.

2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered during April of the corresponding year or on a prorated basis as provided in subsection 3 of this section. Fees of all vehicles in the fleet to be registered on a calendar year basis or on a biennial basis shall be payable not later than the last day of April of the corresponding year, with two years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, an application for registration of a fleet vehicle must be accompanied by a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application. The fees for vehicles added to the fleet which must be licensed at the time of registration shall be payable at the time of registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee and when licensed on or after January first the fee shall be one-fourth the annual fee. When biennial registration is sought for vehicles added to a fleet, an additional year's annual fee will be added to the partial year's prorated fee.

3. At any time during the calendar year in which an owner of a fleet purchases or otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant to this subsection.

4. Except as specifically provided in this subsection, all fleet vehicles registered pursuant to this section shall be issued a special license plate which shall have the words "Fleet Vehicle" in place of the words "Show-Me State" in the manner prescribed by the advisory committee established in section 301.129. Alternatively, for a one-time additional five dollar per-vehicle fee beyond the regular registration fee, a fleet owner of at least fifty fleet vehicles may apply for fleet license plates bearing a company name or logo, the size and design thereof subject to approval by the director. All fleet license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued. ~~[The director of revenue shall promulgate rules and regulations establishing the procedure for application and issuance of fleet vehicle license plates.]~~

5. Notwithstanding the provisions of sections 307.350 to 307.390 to the contrary, a fleet vehicle registered in Missouri is exempt from the requirements of sections 307.350 to 307.390 if at the time of the annual fleet registration, such fleet vehicle is situated outside the state of Missouri.

(1) The director of revenue may issue license plates after presentment of an application, as designed by the director, and payment of an annual fee of three hundred sixty dollars for the first ten plates and thirty-six dollars for each additional plate. The payment and issuance of such plates shall be in lieu of registering each motor vehicle with the director as otherwise provided by law.

(2) Such motor vehicles within the fleet shall not be exempted from the safety inspection and emissions inspection provisions as prescribed in chapters 307 and 643, but notwithstanding the provisions of section 307.355, such inspections shall not be required to be presented to the director of revenue.

7. A recipient of a lease or rental company license issued by the director of revenue as prescribed in section 144.070 operating as a registered fleet owner under this section shall register such fleet with the director of revenue on an annual or biennial basis in lieu of the individual motor vehicle registration periods as prescribed in sections 301.030, 301.035, and 301.147. If an applicant elects a biennial fleet registration, the annual fleet license plate fees prescribed in subdivision (1) of subsection 6 of this section shall be doubled. 10. The department of revenue may promulgate rules necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2017, shall be invalid and void.

11. Biometric data, digital images, source documents, and licensee signatures, or any copies of the same, required to be collected or retained to comply with the requirements of the federal REAL ID Act of 2005 shall be digitally retained for no longer than the minimum duration required to maintain compliance, and immediately thereafter shall be securely destroyed so as to make them irretrievable.

12. Notwithstanding any provision of law to the contrary, the department of revenue shall not amend procedures for applying for a driver's license or identification card, nor promulgate any rule or regulation, for purposes of complying with modifications made to the federal REAL ID Act of 2005 after August 28, 2017, imposing additional requirements on applications, document retention, or issuance of compliant licenses or cards, including any rules or regulations promulgated under the authority granted under the federal REAL ID Act of 2005, as amended, or any requirements adopted by the American Association of Motor Vehicle Administrators for furtherance thereof.

14. If the federal REAL ID Act of 2005 is modified or repealed such that driver's licenses and identification cards issued by this state that are not compliant with the federal REAL ID Act of 2005 are once again sufficient for federal identification purposes, the department shall not issue a driver's license or identification card that complies with the federal REAL ID Act of 2005 and shall securely destroy, within thirty days, any source documents retained by the department for the purpose of compliance with such Act.

15. The provisions of this section shall expire five years after August 28, 2017.

Law 99-570) as established by the Secretary.

The written test shall only be administered in the English language. No translators shall be allowed for applicants taking the test.

(2) The director shall adopt and promulgate rules and regulations governing the certification of third-party testers by the department of revenue. Such rules and regulations shall substantially comply with the requirements of 49 CFR 383, Section 383.75. Any third-party tester who violates any of the rules and regulations adopted and promulgated pursuant to this section shall be subject to having his certification revoked by the department. The department shall provide written notice and an opportunity for the third-party tester to be heard in substantially the same manner as provided in chapter 536. If any applicant submits evidence that he has successfully completed a test administered by a third-party tester, the actual driving test for a commercial driver's license may then be waived.

4. Beginning July 1, 2005, the director shall not issue an instruction permit under this section unless the director verifies that the applicant is lawfully present in the United States before accepting the application. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant under this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

5. Notwithstanding the provisions of this section or any other law to the contrary, beginning August 28, 2008, the director of the department of revenue shall certify as a third-party tester any municipality that owns, leases, or maintains its own fleet that requires certain employees as a condition of employment to hold a valid commercial driver's license; and that administered in-house testing to such employees prior to August 28, 2006.

302.768. 1. Any applicant for a commercial driver's license or commercial driver's instruction permit shall comply with the Federal Motor Carrier Safety Administration application requirements of 49 CFR Part 383.71 by certifying to one of the following applicable statements relating to federal and state driver qualification rules:

- (1) Nonexcepted interstate: certifies the applicant is a driver operating or expecting to operate in interstate or foreign commerce, or is otherwise subject to and meets requirements of 49 CFR Part 391 and is required to obtain a medical examiner's certificate as defined in 49 CFR Part 391.45;
- (2) Excepted interstate: certifies the applicant is a driver operating or expecting to operate entirely in interstate commerce that is not subject to Part 391 and is subject to Missouri driver qualifications and not required to obtain a medical examiner's certificate;
- (3) Nonexcepted intrastate: certifies the applicant is a driver operating only in intrastate commerce and is subject to Missouri driver qualifications;
- (4) Excepted intrastate: certifies the applicant operates or expects to operate only in intrastate commerce, and engaging only in operations excepted from all parts of the Missouri driver qualification requirements.

2. Any applicant who cannot meet certification requirements under one of the categories defined in subsection 1 of this section shall be denied issuance of a commercial driver's license or commercial driver's instruction permit.

3. An applicant certifying to operation in nonexcepted interstate or nonexcepted intrastate commerce shall provide the state with an original or copy of a current medical examiner's certificate or a medical examiner's certificate accompanied by a medical variance or waiver, **until such time as the medical examiner's certificate information is received electronically through the Federal Motor Carrier Safety Administration approved verification system.** The state shall retain the ~~[original or copy of the]~~ documentation of physical qualification for a minimum of three years beyond the date the certificate was issued.

4. Applicants certifying to operation in nonexcepted interstate commerce or nonexcepted intrastate commerce shall provide ~~[an]~~ updated medical certificate or variance ~~[documents]~~ **information** to maintain a certified status during the term of the commercial driver's license or commercial driver's instruction permit in order to retain commercial privileges.

5. The director shall post the medical examiner's certificate of information, medical variance if applicable, the applicant's self-certification and certification status to the Missouri driver record within ten calendar days and such information will become part of the CDLIS driver record.

6. Applicants certifying to operation in nonexcepted interstate commerce or nonexcepted intrastate commerce who fail to provide or maintain a current medical examiner's certificate, or if the state has received notice of a medical variance or waiver expiring or being rescinded, the state shall, within ten calendar days, update the driver's medical certification status to "not certified". The state shall notify the driver of the change in certification status and require the driver to annually comply with requirements for a commercial driver's license downgrade within sixty days of the expiration of the applicant certification.

7. The department of revenue may, by rule, establish the cost and criteria for submission of updated medical certification status information as required under this section.

8. Any person who falsifies any information in an application for or update of medical certification status information for a commercial driver's license shall not be licensed to operate a commercial motor vehicle, or the person's commercial driver's license shall be cancelled for a period of one year after the director discovers such falsification.

9. The director may promulgate rules and regulations necessary to administer and enforce this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

Representative Dinkins offered House Amendment No. 1 to House Amendment No. 12.

*House Amendment No. 1
to
House Amendment No. 12*

AMEND House Amendment No. 12 to House Committee Substitute for Senate Committee Substitute for Senate Bill No. 147, Page 1, Line 4, by inserting before the number "307.375" the following:

"302.720. 1. Except when operating under an instruction permit as described in this section, no person may drive a commercial motor vehicle unless the person has been issued a commercial driver's license with applicable endorsements valid for the type of vehicle being operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit shall allow the holder of a valid license to operate a commercial motor vehicle when accompanied by the holder of a commercial driver's license valid for the vehicle being operated and who occupies a seat beside the individual, or reasonably near the individual in the case of buses, for the purpose of giving instruction in driving the commercial motor vehicle. No person may be issued a commercial driver's instruction permit until he or she has passed written tests which comply with the minimum federal standards.

A commercial driver's instruction permit shall be valid for the vehicle being operated for a period of not more than six months, and shall not be issued until the permit holder has met all other requirements of sections 302.700 to 302.780, except for the driving test. A permit holder, unless otherwise disqualified, may be granted one six-month renewal within a one-year period. The fee for such permit or renewal shall be five dollars. In the alternative, a commercial driver's instruction permit shall be issued for a thirty-day period to allow the holder of a valid driver's license to operate a commercial motor vehicle if the applicant has completed all other requirements except the driving test. The permit may be renewed for one additional thirty-day period and the fee for the permit and for renewal shall be five dollars.

2. No person may be issued a commercial driver's license until he has passed written and driving tests for the operation of a commercial motor vehicle which complies with the minimum federal standards established by the Secretary and has satisfied all other requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any other requirements imposed by state law. All applicants for a commercial driver's license shall have maintained the appropriate class of commercial driver's instruction permit issued by this state or any other state for a minimum of fourteen calendar days prior to the date of taking the skills test. Applicants for a hazardous materials endorsement must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Nothing contained in this subsection shall be construed as prohibiting the director from establishing alternate testing formats for those who are functionally illiterate; provided, however, that any such alternate test must comply with the minimum requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570) as established by the Secretary.

(1) The written and driving tests shall be held at such times and in such places as the superintendent may designate. A twenty-five dollar examination fee shall be paid by the applicant upon completion of any written or driving test, except the examination fee shall be waived for applicants seventy years of age or older renewing a license with a school bus endorsement. The director shall delegate the power to conduct the examinations required under sections 302.700 to 302.780 to any member of the highway patrol or any person employed by the highway patrol qualified to give driving examinations. The written test shall only be administered in the English language. No translators shall be allowed for applicants taking the test.

(2) The director shall adopt and promulgate rules and regulations governing the certification of third-party testers by the department of revenue. **The director shall not require a minimum number of skills tests greater than ten for any school district operating as a third-party tester.** Such rules and regulations shall substantially comply with the requirements of 49 CFR 383, Section 383.75. A certification to conduct third-party testing shall be valid for one year, and the department shall charge a fee of one hundred dollars to issue or renew the certification of any third-party tester.

(3) Beginning August 28, 2006, the director shall only issue or renew third-party tester certification to community colleges established under chapter 178 or to private companies who own, lease, or maintain their own fleet and administer in-house testing to their employees, or to school districts and their agents that administer in-house testing to the school district's or agent's employees. Any third-party tester who violates any of the rules and regulations adopted and promulgated pursuant to this section shall be subject to having his certification revoked by the department. The department shall provide written notice and an opportunity for the third-party tester to be heard in substantially the same manner as provided in chapter 536. If any applicant submits evidence that he has successfully completed a test administered by a third-party tester, the actual driving test for a commercial driver's license may then be waived.

(4) Every applicant for renewal of a commercial driver's license shall provide such certifications and information as required by the Secretary and if such person transports a hazardous material must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Such person shall be required to take the written test for such endorsement. A twenty-five dollar examination fee shall be paid upon completion of such tests.

(5) The director shall have the authority to waive the driving skills test for any qualified military applicant for a commercial driver's license who is currently licensed at the time of application for a commercial driver's license. The director shall impose conditions and limitations to restrict the applicants from whom the department may accept alternative requirements for the skills test described in federal regulation 49 CFR 383.77. An applicant must certify that, during the two-year period immediately preceding application for a commercial driver's license, all of the following apply:

- (a) The applicant has not had more than one license;
- (b) The applicant has not had any license suspended, revoked, or cancelled;

(c) The applicant has not had any convictions for any type of motor vehicle for the disqualifying offenses contained in this chapter or federal rule 49 CFR 383.51(b);

(d) The applicant has not had more than one conviction for any type of motor vehicle for serious traffic violations;

(e) The applicant has not had any conviction for a violation of state or local law relating to motor vehicle traffic control, but not including any parking violation, arising in connection with any traffic accident, and has no record of an accident in which he or she was at fault;

(f) The applicant has been regularly employed within the last ninety days in a military position requiring operation of a commercial motor vehicle and has operated the vehicle for at least sixty days during the two years immediately preceding application for a commercial driver's license. The vehicle must be representative of the commercial motor vehicle the driver applicant operates or expects to operate;

(g) The applicant, if on active duty, must provide a notarized affidavit signed by a commanding officer as proof of driving experience as indicated in paragraph (f) of this subdivision;

(h) The applicant, if honorably discharged from military service, must provide a form-DD214 or other proof of military occupational specialty;

(i) The applicant must meet all federal and state qualifications to operate a commercial vehicle; and

(j) The applicant will be required to complete all applicable knowledge tests.

3. A commercial driver's license or commercial driver's instruction permit may not be issued to a person while the person is disqualified from driving a commercial motor vehicle, when a disqualification is pending in any state or while the person's driver's license is suspended, revoked, or cancelled in any state; nor may a commercial driver's license be issued unless the person first surrenders in a manner prescribed by the director any commercial driver's license issued by another state, which license shall be returned to the issuing state for cancellation.

4. Beginning July 1, 2005, the director shall not issue an instruction permit under this section unless the director verifies that the applicant is lawfully present in the United States before accepting the application. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant under this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

5. Notwithstanding the provisions of this section or any other law to the contrary, beginning August 28, 2008, the director of the department of revenue shall certify as a third-party tester any municipality that owns, leases, or maintains its own fleet that requires certain employees as a condition of employment to hold a valid commercial driver's license; and that administered in-house testing to such employees prior to August 28, 2006."; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-SIXTH DAY, THURSDAY, MAY 9, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

In returning and rest shall you be saved; in quietness and in confidence shall be your strength. (Isaiah 30:15)

O God, our Creator, the light of the minds that know You, the life of the hearts that love You, and the strength of the souls that live with You, in quietness and confidence we lift our hearts to You in prayer.

Deliver us from negative thoughts, overanxious moods, and tense spirits, and may we find rest, peace, and joy in You.

Forgive our shortcomings, our failure to give You right-of-way in our lives, our insistence upon our way rather than Your way. May we never think of ourselves as sufficient for our responsibilities, but may we find our sufficiency in You alone. Strengthen our hands and our hearts this day and use us for Your glory and for the good of our “Show-Me” state.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Elijah Durham, Simeon Durham, and Murphy Fishel.

The Journal of the sixty-fifth day was approved as printed by the following vote:

Representative Sommer moved that the title of **SS SB 306** be agreed to.

Representative Basye offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Substitute for Senate Bill No. 306, Page 1, In the Title, Line 3, by deleting the phrase "dependents of members of the military" and inserting in lieu thereof the phrase "members of the military families"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Basye, **House Amendment No. 1** was adopted.

Representative Basye offered **House Amendment No. 2**.

House Amendment No. 2

AMEND Senate Substitute for Senate Bill No. 306, Page 4, Section 167.020, Line 101, by inserting after all of said section and line the following:

"173.900. 1. This act shall be known and may be cited as the "Missouri Returning Heroes' Education Act".

2. For the purpose of this section, the term "combat veteran" shall mean a person who served in armed combat ~~[in the military after September 11, 2001]~~ , **which shall be shown through military service documentation that reflects service in a combat theater, receipt of combat service medals, or receipt of imminent danger or hostile fire pay or tax benefits**, and to whom the following criteria shall apply:

(1) The veteran ~~[was a Missouri resident when first entering the military]~~ **is eligible to register to vote in Missouri, or is eligible to vote, as determined by the Missouri secretary of state, or is a current Missouri resident;** and

(2) The veteran was discharged from military service under honorable conditions.

3. All public institutions of higher education that receive any state funds appropriated by the general assembly shall limit the amount of tuition such institutions charge to combat veterans to fifty dollars per credit hour, as long as the veteran achieves and maintains a cumulative grade point average of at least two and one-half on a four-point scale, or its equivalent. The tuition limitation shall only be applicable if the combat veteran is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. The period during which a combat veteran is eligible for a tuition limitation under this section shall expire at the end of the ten-year period beginning on the date of such veteran's last discharge from service.

4. All public institutions of higher education that receive any state funds appropriated by the general assembly shall limit the amount of tuition such institutions charge to combat veterans to no more than thirty percent of the cost of tuition and fees. The tuition limitation shall only be applicable if the combat veteran is enrolled in a program leading to a graduate degree, including master and doctorate degrees. For the purposes of this section, "graduate degree" shall not be construed to include professional degrees. Professional degrees may include but are not limited to law, medicine, or veterinary degrees. The period during which a combat veteran is eligible for a tuition limitation under this section shall expire at the end of the twenty-year period beginning on the date of such veteran's last discharge from service.

~~[4-]~~ 5. The coordinating board for higher education shall ensure that all applicable institutions of higher education in this state comply with the provisions of this section and may promulgate rules for the efficient implementation of this section.

~~[5-]~~ 6. If a combat veteran is eligible to receive financial assistance under any other federal or state student aid program, public or private, the full amount of such aid shall be reported to the board by the institution and the

veteran. The tuition limitation under this section ~~[shall]~~ **may, at the combat veteran's discretion**, be provided before all other federal and state aid for which the veteran is eligible has been applied. **The public institution of higher education shall provide each combat veteran with written notice of this option and maintain a copy signed by the veteran in their official file.**

[6-] 7. Each institution may report to the board the amount of tuition waived in the previous fiscal year under the provisions of this act. This information may be included in each institution's request for appropriations to the board for the following year. The board may include this information in its appropriations recommendations to the governor and the general assembly. The general assembly may reimburse institutions for the cost of the waiver for the previous year as part of the operating budget. Nothing in this subsection shall be construed to deny a combat veteran a tuition limitation if the general assembly does not appropriate money for reimbursement to an institution.

[7-] 8. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void. "; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Basye, **House Amendment No. 2** was adopted.

Representative Lynch offered **House Amendment No. 3**.

- (4) "Grant", the veteran's survivors grant as established in this section;

2. Within the limits of the amounts appropriated therefor, the coordinating board for higher education shall award annually up to twenty-five grants to survivors of qualifying military members to attend institutions of postsecondary education in this state, which shall continue to be awarded annually to eligible recipients as long as the recipient achieves and maintains a cumulative grade point average of at least two and one-half on a four-point scale, or its equivalent. If the waiting list of eligible survivors exceeds fifty, the coordinating board may petition the general assembly to expand the quota. If the quota is not expanded, then the eligibility of survivors on the waiting list shall be extended.

3. A survivor may receive a grant under this section only so long as the survivor is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. In no event shall a survivor receive a grant beyond the completion of the first baccalaureate degree, regardless of age.

4. The coordinating board for higher education shall:

(1) Promulgate all necessary rules and regulations for the implementation of this section; and

(2) Provide the forms and determine the procedures necessary for a survivor to apply for and receive a grant under this section.

(2) An allowance of up to two thousand dollars per semester for room and board; and

(3) The actual cost of books, up to a maximum of five hundred dollars per semester.

8. A survivor who is a recipient of a grant may transfer from one approved public institution of postsecondary education to another without losing his or her entitlement under this section. The board shall make necessary adjustments in the amount of the grant. If a grant recipient at any time withdraws from the institution of postsecondary education so that under the rules and regulations of that institution he or she is entitled to a refund of any tuition, fees, room and board, books, or other charges, the institution shall pay the portion of the refund to which he or she is entitled attributable to the grant for that semester or similar grading period to the board.

9. If a survivor is granted financial assistance under any other student aid program, public or private, the full amount of such aid shall be reported to the board by the institution and the eligible survivor.

10. Nothing in this section shall be construed as a promise or guarantee that a person will be admitted to an institution of postsecondary education or to a particular institution of postsecondary education, will be allowed to continue to attend an institution of postsecondary education after having been admitted, or will be graduated from an institution of postsecondary education.

“302.574. 1. If a person who was operating a vehicle refuses upon the request of the officer to submit to any chemical test under section 577.041, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person notice of his or her right to file a petition for review to contest the license revocation.

2. Such officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

(1) That the officer has:

(a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

(2) That the person refused to submit to a chemical test;

(3) Whether the officer secured the license to operate a motor vehicle of the person;

(4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit, and the notice of the right to file a petition for review. The notices and permit may be combined in one document; and

(6) Any license, which the officer has taken into possession, to operate a motor vehicle.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit division or associate division of the court in the county in which the arrest or stop occurred. **Pursuant to local court rule promulgated pursuant to section 15 of article V of the Missouri Constitution, the case may also be assigned to a traffic judge pursuant to section 479.500.** The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation under this section. Upon the person's request, the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing, the court shall determine only:

(1) Whether the person was arrested or stopped;

(2) Whether the officer had:

(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked under the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion under the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a similar offense in the future, except that the court may modify but ~~may~~ **shall** waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.001, or of a person determined to have operated a motor vehicle with a blood alcohol content of fifteen-hundredths of one percent or more by weight. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted under this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof, to be determined by the division of ~~alcohol and drug abuse~~ **behavioral health** of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010. The administrator of the program shall remit to the division of ~~alcohol and drug abuse~~ **behavioral health** of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due to the division of ~~alcohol and drug abuse~~ **behavioral health** under this section, and shall accrue at a rate not to exceed the annual rates established under the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health under this section shall be deposited in the mental health earnings fund, which is created in section 630.053.

9. Any administrator who fails to remit to the division of ~~alcohol and drug abuse~~ **behavioral health** of the department of mental health the supplemental fees and interest for all persons enrolled in the program under this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due to the division under this section. If the supplemental fees, interest, and penalties are not remitted to the division of ~~alcohol and drug abuse~~ **behavioral health** of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action for the collection of said fees and accrued interest. The court shall assess attorneys' fees and court costs against any delinquent program.

10. Any person who has had a license to operate a motor vehicle revoked under this section and who has a prior alcohol-related enforcement contact, as defined in section 302.525, shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of license reinstatement. Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device within the last three

months of the six-month period of required installation of the ignition interlock device, then the period for which the person ~~must~~ **shall** maintain the ignition interlock device following the date of reinstatement shall be extended until the person has completed three consecutive months with no violations as described in this section. If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked until proof as required by this section is filed with the director, and the person shall be guilty of a class A misdemeanor.

11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked.

12. A person commits the offense of failure to maintain proof with the Missouri department of revenue if, when required to do so, he or she fails to file proof with the director of revenue that any vehicle operated by the person is equipped with a functioning, certified ignition interlock device or fails to file proof of financial responsibility with the department of revenue in accordance with chapter 303. The offense of failure to maintain proof with the Missouri department of revenue is a class A misdemeanor.”; and

Further amend said bill, Page 4, Section 386.515, Line 1, by inserting after all of said line the following:

“479.500. 1. In the twenty-first judicial circuit, a majority of the circuit judges, en banc, may establish a traffic court, which shall be a division of the circuit court, and may authorize the appointment of not more than three municipal judges who shall be known as traffic judges. The traffic judges shall be appointed by a traffic court judicial commission consisting of the presiding judge of the circuit, who shall be the chair, one circuit judge elected by the circuit judges, one associate circuit judge elected by the associate circuit judges of the circuit, and two members appointed by the county executive of St. Louis County, each of whom shall represent one of the two political parties casting the highest number of votes at the next preceding gubernatorial election. The procedures and operations of the traffic court judicial commission shall be established by circuit court rule.

2. Traffic judges may be authorized to act as commissioners to hear in the first instance nonfelony violations of state law involving motor vehicles, and such other offenses as may be provided by circuit court rule. Traffic judges may also be authorized to hear in the first instance violations of county and municipal ordinances involving motor vehicles, and other county ordinance violations, as provided by circuit court rule.

3. In the event that a county municipal court is established pursuant to section 66.010 which takes jurisdiction of county ordinance violations the circuit court may then authorize the appointment of no more than two traffic judges authorized to hear municipal ordinance violations other than county ordinance violations, and to act as commissioner to hear in the first instance nonfelony violations of state law involving motor vehicles, and such other offenses as may be provided by rule. These traffic court judges also may be authorized to act as commissioners to hear in the first instance petitions to review decisions of the department of revenue or the director of revenue filed pursuant to sections 302.309 and 302.311 and, prior to January 1, 2002, pursuant to sections 302.535 and 302.750.

4. After January 1, 2002, traffic judges, in addition to the authority provided in subsection 3 of this section, may be authorized by local court rule adopted pursuant to Article V, Section 15 of the Missouri Constitution to conduct proceedings pursuant to sections 302.535, **302.574**, 302.750, subject to procedures that preserve a meaningful hearing before a judge of the circuit court, as follows:

(1) Conduct the initial call docket and accept uncontested dispositions of petitions to review;

(2) The petitioner shall have the right to the de novo hearing before a judge of the circuit court, except that, at the option of the petitioner, traffic judges may hear in the first instance such petitions for review.

5. In establishing a traffic court, the circuit may be divided into such sectors as may be established by a majority of the circuit and associate circuit judges, en banc. The traffic court in each sector shall hear those cases arising within the territorial limits of the sector unless a case arising within another sector is transferred as provided by operating procedures.

6. Traffic judges shall be licensed to practice law in this state and shall serve at the pleasure of a majority of the circuit and associate circuit judges, en banc, and shall be residents of St. Louis County, and shall receive from the state as annual compensation an amount equal to one-third of the annual compensation of an associate circuit judge. Each judge shall devote approximately one-third of his working time to the performance of his duties as a

traffic judge. Traffic judges shall not accept or handle cases in their practice of law which are inconsistent with their duties as a traffic judge and shall not be a judge or prosecutor for any other court. Traffic judges shall not be considered state employees and shall not be members of the state employees' or judicial retirement system or be eligible to receive any other employment benefit accorded state employees or judges.

7. A majority of the judges, en banc, shall establish operating procedures for the traffic court which shall provide for regular sessions in the evenings after 6:00 p.m. and for Saturday or other sessions as efficient operation and convenience to the public may require. Proceedings in the traffic court, except when a judge is acting as a commissioner pursuant to this section, shall be conducted as provided in supreme court rule 37. The hearing shall be before a traffic judge without jury, and the judge shall assume an affirmative duty to determine the merits of the evidence presented and the defenses of the defendant and may question parties and witnesses. In the event a jury trial is requested, the cause shall be certified to the circuit court for trial by jury as otherwise provided by law. Clerks and computer personnel shall be assigned as needed for the efficient operation of the court.

8. In establishing operating procedure, provisions shall be made for appropriate circumstances whereby defendants may enter not guilty pleas and obtain trial dates by telephone or written communication without personal appearance, or to plead guilty and deliver by mail or electronic transfer or other approved method the specified amount of the fine and costs as otherwise provided by law, within a specified period of time.

9. Operating procedures shall be provided for electronic recording of proceedings, except that if adequate recording equipment is not provided at county expense, then, in that event, a person aggrieved by a judgment of a traffic judge or commissioner shall have the right of a trial de novo. The procedures for perfecting the right of a trial de novo shall be the same as that provided under sections 512.180 to 512.320, except that the provisions of subsection 2 of section 512.180 shall not apply to such cases.

10. The circuit court shall only have the authority to appoint two commissioners with the jurisdiction provided in subsection 3 of this section.

11. All costs to establish and operate a county municipal court under section 66.010 and this section shall be borne by such county.”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 6

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 192, Page 4, Section 386.515, Line 1, by inserting after all of said line the following:

“479.020. 1. Any city, town or village, including those operating under a constitutional or special charter, may, and cities with a population of four hundred thousand or more shall, provide by ordinance or charter for the selection, tenure and compensation of a municipal judge or judges consistent with the provisions of this chapter who shall have original jurisdiction to hear and determine all violations against the ordinances of the municipality. The method of selection of municipal judges shall be provided by charter or ordinance. Each municipal judge shall be selected for a term of not less than two years as provided by charter or ordinance.

2. Except where prohibited by charter or ordinance, the municipal judge may be a part-time judge and may serve as municipal judge in more than one municipality.

3. No person shall serve as a municipal judge of any municipality with a population of seven thousand five hundred or more or of any municipality in a county of the first class with a charter form of government unless the person is licensed to practice law in this state unless, prior to January 2, 1979, such person has served as municipal judge of that same municipality for at least two years.

4. Notwithstanding any other statute, a municipal judge need not be a resident of the municipality or of the circuit in which the municipal judge serves except where ordinance or charter provides otherwise. Municipal judges shall be residents of Missouri.

5. Judges selected under the provisions of this section shall be municipal judges of the circuit court and shall be divisions of the circuit court of the circuit in which the municipality, or major geographical portion thereof, is located. The judges of these municipal divisions shall be subject to the rules of the circuit court which are not inconsistent with the rules of the supreme court. The presiding judge of the circuit shall have general administrative authority over the judges and court personnel of the municipal divisions within the circuit.

6. No municipal judge shall hold any other office in the municipality which the municipal judge serves as judge. The compensation of any municipal judge and other court personnel shall not be dependent in any way upon the number of cases tried, the number of guilty verdicts reached or the amount of fines imposed or collected.

7. Municipal judges shall be at least twenty-one years of age. No person shall serve as municipal judge after that person has reached that person's seventy-fifth birthday.

8. Within six months after selection for the position, each municipal judge who is not licensed to practice law in this state shall satisfactorily complete the course of instruction for municipal judges prescribed by the supreme court. The state courts administrator shall certify to the supreme court the names of those judges who satisfactorily complete the prescribed course. If a municipal judge fails to complete satisfactorily the prescribed course within six months after the municipal judge's selection as municipal judge, the municipal judge's office shall be deemed vacant and such person shall not thereafter be permitted to serve as a municipal judge, nor shall any compensation thereafter be paid to such person for serving as municipal judge.

9. No municipal judge shall serve as a municipal judge in more than five municipalities at one time. **A court that serves more than one municipality shall be treated as a single municipality for the purposes of this subsection.**

479.353. **1.** Notwithstanding any provisions to the contrary, the following conditions shall apply to minor traffic violations and municipal ordinance violations:

(1) The court shall not assess a fine, if combined with the amount of court costs, totaling in excess of:

(a) Two hundred twenty-five dollars for minor traffic violations; and

(b) For municipal ordinance violations committed within a twelve-month period beginning with the first violation: two hundred dollars for the first municipal ordinance violation, two hundred seventy-five dollars for the second municipal ordinance violation, three hundred fifty dollars for the third municipal ordinance violation, and four hundred fifty dollars for the fourth and any subsequent municipal ordinance violations;

(2) The court shall not sentence a person to confinement, except the court may sentence a person to confinement for any violation involving alcohol or controlled substances, violations endangering the health or welfare of others, or eluding or giving false information to a law enforcement officer;

(3) A person shall not be placed in confinement for failure to pay a fine unless such nonpayment violates terms of probation or unless the due process procedures mandated by Missouri supreme court rule 37.65 or its successor rule are strictly followed by the court;

(4) Court costs that apply shall be assessed against the defendant unless the court finds that the defendant is indigent based on standards set forth in determining such by the presiding judge of the circuit. Such standards shall reflect model rules and requirements to be developed by the supreme court; and

(5) No court costs shall be assessed if the defendant is found to be indigent under subdivision (4) of this section or if the case is dismissed.

2. If an individual has been held in custody on a notice to show cause or an arrest warrant for an underlying minor traffic violation, the court, on its own motion or on the motion of any interested party, may review the original fine and sentence and waive or reduce such fine or sentence if the court finds it reasonable given the circumstances of the case.

479.354. **For any notice to appear, citation, or summons on a minor traffic violation, the date and time the defendant is to appear in court shall be given when such notice to appear, citation, or summons is first provided to the defendant. If said notice is not properly given, the court shall reissue the notice, citation, or summons to the defendant and shall specifically set forth the date and time for the defendant to appear.”;**
and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 7

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 192, Page 1, Section A, Line 4, by inserting after all of said line the following:

“57.280. 1. Sheriffs shall receive a charge for service of any summons, writ or other order of court, in connection with any civil case, and making on the same either a return indicating service, a non est return or a nulla bona return, the sum of twenty dollars for each item to be served, except that a sheriff shall receive a charge for

service of any subpoena, and making a return on the same, the sum of ten dollars; however, no such charge shall be collected in any proceeding when court costs are to be paid by the state, county or municipality. In addition to such charge, the sheriff shall be entitled to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his agent or attorney. The party at whose application any writ, execution, subpoena or other process has issued from the court shall pay the sheriff's costs for the removal, transportation, storage, safekeeping and support of any property to be seized pursuant to legal process before such seizure. The sheriff shall be allowed for each mile, going and returning from the courthouse of the county in which he resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. The sheriff upon the receipt of the charge herein provided for shall pay into the treasury of the county any and all charges received pursuant to the provisions of this section. The funds collected pursuant to this section, not to exceed fifty thousand dollars in any calendar year, shall be held in a fund established by the county treasurer, which may be expended at the discretion of the sheriff for the furtherance of the sheriff's set duties. Any such funds in excess of fifty thousand dollars in any calendar year shall be placed to the credit of the general revenue fund of the county. Moneys in the fund shall be used only for the procurement of services and equipment to support the operation of the sheriff's office. Moneys in the fund established pursuant to this subsection shall not lapse to the county general revenue fund at the end of any county budget or fiscal year.

4. Notwithstanding the provisions of subsection 3 of this section to the contrary, the sheriff, **or any other person specially appointed to serve in a county that receives funds under section 57.278**, shall receive ten dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section, in addition to the charge for such service that each sheriff receives under subsection 1 of this section. The money received by the sheriff, **or any other person specially appointed to serve in a county that receives funds under section 57.278**, under this subsection shall be paid into the county treasury and the county treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 87, Page 1, Section A, Line 2, by inserting after all of the said section and line the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(2) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by Section 172(b)(1)(G) and Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia.

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. 163, as amended, if the limitation under 26 U.S.C. 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection; ~~and~~

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;
- (b) Livestock Indemnity Program;
- (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- (d) Emergency Conservation Program;
- (e) Noninsured Crop Disaster Assistance Program;
- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan; and
- (i) Livestock Gross Margin insurance plan; **and**

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. 163, as amended, if the limitation under 26 U.S.C. 163(j), as amended, did not exist.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. (1) Beginning January 1, 2014, in addition to the subtractions provided in this section, one hundred percent of the cost incurred by a taxpayer for a home energy audit conducted by an entity certified by the department of natural resources under section 640.153 or the implementation of any energy efficiency recommendations made in such an audit shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for any such activity is included in federal taxable income. The taxpayer shall provide the department of revenue with a summary of any recommendations made in a qualified home energy audit, the name and certification number of the qualified home energy auditor who conducted the audit, and proof of the amount paid for any activities under this subsection for which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any recommendations made in a qualified home energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an individual taxpayer or taxpayers filing combined returns exceed one thousand dollars per year for individual taxpayers or cumulatively exceed two thousand dollars per year for taxpayers filing combined returns.

(3) Any deduction claimed under this subsection shall be claimed for the tax year in which the qualified home energy audit was conducted or in which the implementation of the energy efficiency recommendations occurred. If implementation of the energy efficiency recommendations occurred during more than one year, the deduction may be claimed in more than one year, subject to the limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

9. The provisions of subsection 8 of this section shall expire on December 31, 2020."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Christofanelli, **House Amendment No. 2** was adopted.

Representative Coleman (32) offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 87, Page 1, Section A, Line 2, by inserting after all of said line the following:

"143.980. 1. This section shall be known as the "Taxpayer Protection Act".

2. For purposes of this section, the following terms shall mean:

(1) "Department", the Missouri department of revenue;

(2) "Paid tax return preparer", a person who prepares for compensation, or who employs one or more person to prepare for compensation, any income tax return or claim for refund required to be filed under this chapter. The preparation of a substantial portion of a return or claim for refund shall be treated as the preparation of such return or claim for refund. A paid tax return preparer shall not include any certified public accountant who holds an active license issued by any state and the employees of such certified public accountant or certified public accounting firm or an enrolled agent entitled to practice before the federal Internal Revenue Service under 31 C.F.R. Section 10.4;

(3) "Willful or reckless conduct", the same meaning as provided under 26 U.S.C. Section 6694(b)(2).

3. For all tax years beginning on or after January 1, 2020, any income return or claim for refund prepared by a paid tax return preparer shall be signed by the paid tax return preparer and shall bear the paid tax return preparer's Internal Revenue Service preparer tax identification number. Any person who is

the paid tax return preparer with respect to any tax return or claim for refund and who fails to sign the return or claim for refund, or who fails to provide his or her preparer tax identification number, shall pay a penalty of fifty dollars for each such failure, unless it can be shown that the failure was due to reasonable cause and not willful or reckless conduct. The aggregate penalty that may be imposed by the department on any paid tax return preparer with respect to returns or claims for refund filed during any calendar year shall not exceed twenty-five thousand dollars per paid tax return preparer.

4. (1) In a court of competent jurisdiction, the director of the department may commence suit to enjoin any paid tax return preparer from further engaging in any conduct described under subdivision 2 of this subsection or from further action as a paid tax return preparer.

(2) In any action under subdivision 1 of this subsection, if the court finds that injunctive relief is appropriate to prevent the recurrence of this conduct, the court may enjoin the paid tax return preparer from further engaging in any conduct specified in this subdivision. The court may enjoin conduct when a paid tax return preparer has done any of the following:

- (a) Prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to an unreasonable position. For purposes of this subdivision, the term "unreasonable position" shall have the same meaning as provided under 26 U.S.C. Section 6694(a)(2);
- (b) Prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to the paid tax return preparer's willful or reckless conduct;
- (c) Where required, failed to sign an income tax return or claim for refund;
- (d) Where required, failed to furnish his or her preparer tax identification number;
- (e) Where required, failed to retain a copy of the income tax return;
- (f) Where required by due diligence requirements imposed under department rules and regulations, failed to be diligent in determining eligibility for tax benefits;
- (g) Negotiated a check issued to a taxpayer by the department without the permission of the taxpayer;
- (h) Engaged in any conduct subject to any criminal penalty provided under chapters 135 to 155;
- (i) Misrepresented the paid tax return preparer's eligibility to practice to the department or otherwise misrepresented the paid tax return preparer's experience or education;
- (j) Guaranteed the payment of any income tax refund or the allowance of any income tax credit; or
- (k) Engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the tax laws of this state.

(3) (a) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described under subdivision 2 of this subsection and that an injunction prohibiting the conduct would not be sufficient to prevent the person's interference with the proper administration of the tax laws of this state, the court may enjoin the person from acting as a paid tax return preparer in this state.

(b) The fact that the person has been enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction shall establish a prima facie case for an injunction to be issued under this section. For purposes of this paragraph, the term "state" shall mean a state of the United States, the District of Columbia, Puerto Rico, United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 87, Page 1, Section 143.1029, Line 32, by inserting after all of said section and line the following:

"144.528. 1. As used in this section, the following terms mean:

(1) "Building supplies", materials that will be permanently fixed to a building and that are directly used in the actual construction of the building. "Building supplies" may include, but are not limited to, lumber, concrete, roofing materials, flooring materials, plumbing supplies, doors, and windows;

(2) "Eligible county", a county of the third classification without a township form of government and with more than eighteen thousand but fewer than twenty thousand inhabitants and with a city of the fourth classification with more than eight thousand but fewer than nine thousand inhabitants as the county seat.

2. Beginning on January 1, 2020, and continuing for a period of five years, subject to the provisions of subsection 3 of this section, purchases of building supplies for the construction of unattached single-family residences within an eligible county are hereby specifically exempted from all state and local sales and use tax including, but not limited to, sales and use tax authorized or imposed under section 32.085 and chapter 144. The application shall require the taxpayer planning to purchase building supplies for the construction of an unattached single-family residence in an eligible county to provide all relevant information about such planned construction and to provide copies of any building permits that may be required to complete such planned construction. The department of revenue shall issue a sales and use tax exemption letter upon approval of a taxpayer's application. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void."; and

House Amendment No. 6

AMEND House Committee Substitute for Senate Bill No. 87, Page 4, Section 143.1029, Line 32, by inserting after all of said section and line the following:

"144.190. 1. If a tax has been incorrectly computed by reason of a clerical error or mistake on the part of the director of revenue, such fact shall be set forth in the records of the director of revenue, and the amount of the overpayment shall be credited on any taxes then due from the person legally obligated to remit the tax ~~[pursuant to sections 144.010 to 144.525]~~ **under chapter 144**, and the balance shall be refunded to the person legally obligated to remit the tax, such person's administrators or executors, as provided for in section 144.200.

2. If any tax, penalty or interest has been paid more than once, or has been erroneously or illegally collected, or has been erroneously or illegally computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax ~~[pursuant to sections 144.010 to 144.525]~~ **under chapter 144**, and the balance, with interest as determined by section 32.065, shall be refunded to the person legally obligated to remit the tax, but no such credit or refund shall be allowed unless duplicate copies of a claim for refund are filed within ~~[three]~~ **ten** years from date of overpayment.

3. Every claim for refund must be in writing and signed by the applicant, and must state the specific grounds upon which the claim is founded. Any refund or any portion thereof which is erroneously made, and any credit or any portion thereof which is erroneously allowed, may be recovered in any action brought by the director of revenue against the person legally obligated to remit the tax. In the event that a tax has been illegally imposed against a person legally obligated to remit the tax, the director of revenue shall authorize the cancellation of the tax upon the director's record.

4. Notwithstanding the provisions of section 32.057, a purchaser that originally paid sales or use tax to a vendor or seller may submit a refund claim directly to the director of revenue for such sales or use taxes paid to such vendor or seller and remitted to the director, provided no sum shall be refunded more than once, any such claim shall be subject to any offset, defense, or other claim the director otherwise would have against either the purchaser or vendor or seller, and such claim for refund is accompanied by either:

(1) A notarized assignment of rights statement by the vendor or seller to the purchaser allowing the purchaser to seek the refund on behalf of the vendor or seller. An assignment of rights statement shall contain the Missouri sales or use tax registration number of the vendor or seller, a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller, and a notarized statement signed by the vendor or seller affirming that the vendor or seller has not received a refund or credit, will not apply for a refund or credit of the tax collected on any transactions covered by the assignment, and authorizes the director to amend the seller's return to reflect the refund; or

(2) In the event the vendor or seller fails or refuses to provide an assignment of rights statement within sixty days from the date of such purchaser's written request to the vendor or seller, or the purchaser is not able to locate the vendor or seller or the vendor or seller is no longer in business, the purchaser may provide the director a notarized statement confirming the efforts that have been made to obtain an assignment of rights from the vendor or seller. Such statement shall contain a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller.

The director shall not require such vendor, seller, or purchaser to submit amended returns for refund claims submitted under the provisions of this subsection. Notwithstanding the provisions of section 32.057, if the seller is registered with the director for collection and remittance of sales tax, the director shall notify the seller at the seller's last known address of the claim for refund. If the seller objects to the refund within thirty days of the date of the notice, the director shall not pay the refund. If the seller agrees that the refund is warranted or fails to respond within thirty days, the director may issue the refund and amend the seller's return to reflect the refund. For purposes of section 32.069, the refund claim shall not be considered to have been filed until the seller agrees that the refund is warranted or thirty days after the date the director notified the seller and the seller failed to respond.

5. Notwithstanding the provisions of section 32.057, when a vendor files a refund claim on behalf of a purchaser and such refund claim is denied by the director, notice of such denial and the reason for the denial shall be sent by the director to the vendor and each purchaser whose name and address is submitted with the refund claim form filed by the vendor. A purchaser shall be entitled to appeal the denial of the refund claim within sixty days of the date such notice of denial is mailed by the director as provided in section 144.261. The provisions of this subsection shall apply to all refund claims filed after August 28, 2012. The provisions of this subsection allowing a purchaser to appeal the director's decision to deny a refund claim shall also apply to any refund claim denied by the director on or after January 1, 2007, if an appeal of the denial of the refund claim is filed by the purchaser no later than September 28, 2012, and if such claim is based solely on the issue of the exemption of the electronic transmission or delivery of computer software.

6. Notwithstanding the provisions of this section, the director of revenue shall authorize direct-pay agreements to purchasers which have annual purchases in excess of seven hundred fifty thousand dollars pursuant to rules and regulations adopted by the director of revenue. For the purposes of such direct-pay agreements, the taxes authorized ~~[pursuant to]~~ **under** chapters 66, 67, 70, 92, 94, 162, 190, 238, 321, and 644 shall be remitted based upon the location of the place of business of the purchaser.

7. Special rules applicable to error corrections requested by customers of mobile telecommunications service are as follows:

(1) For purposes of this subsection, the terms "customer", "home service provider", "place of primary use", "electronic database", and "enhanced zip code" shall have the same meanings as defined in the Mobile Telecommunications Sourcing Act incorporated by reference in section 144.013;

(2) Notwithstanding the provisions of this section, if a customer of mobile telecommunications services believes that the amount of tax, the assignment of place of primary use or the taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider, in writing, within three years from the date of the billing statement. The customer shall include in such written notification the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer and any other information the home service provider reasonably requires to process the request;

(3) Within sixty days of receiving the customer's notice, the home service provider shall review its records and the electronic database or enhanced zip code to determine the customer's correct taxing jurisdiction. If the home service provider determines that the review shows that the amount of tax, assignment of place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and, at its election, either refund or credit the amount of tax erroneously collected to the customer for a period of up to three years from the last day of the home service provider's sixty-day review period. If the home service provider determines that the review shows that the amount of tax, the assignment of place of primary use or the taxing jurisdiction is correct, the home service provider shall provide a written explanation of its determination to the customer.

8. For all refund claims submitted to the department of revenue on or after September 1, 2003, notwithstanding any provision of this section to the contrary, if a person legally obligated to remit the tax levied ~~[pursuant to sections 144.010 to 144.525]~~ **under chapter 144** has received a refund of such taxes for a specific issue and submits a subsequent claim for refund of such taxes on the same issue for a tax period beginning on or after the date the original refund check issued to such person, no refund shall be allowed. This subsection shall not apply and a refund shall be allowed if the refund claim is filed by a purchaser under the provisions of subsection 4 of this section, the refund claim is for use tax remitted by the purchaser, or an additional refund claim is filed by a person legally obligated to remit the tax due to any of the following:

- (1) Receipt of additional information or an exemption certificate from the purchaser of the item at issue;
- (2) A decision of a court of competent jurisdiction or the administrative hearing commission; or
- (3) Changes in regulations or policy by the department of revenue.

9. Notwithstanding any provision of law to the contrary, the director of revenue shall respond to a request for a binding letter ruling filed in accordance with section 536.021 within sixty days of receipt of such request. If the director of revenue fails to respond to such letter ruling request within sixty days of receipt by the director, the director of revenue shall be barred from pursuing collection of any assessment of sales or use tax with respect to the issue which is the subject of the letter ruling request. For purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a specific taxpayer or his or her agent.

10. If any tax was paid more than once, was incorrectly collected, or was incorrectly computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax ~~[pursuant to sections 144.010 to 144.510]~~ **under chapter 144** against any deficiency or tax due discovered through an audit of the person by the department of revenue through adjustment during the same tax filing period for which the audit applied.";

Any such taxpayer desiring to pay any current taxes under protest or while paying taxes based upon a disputed assessment shall, at the time of paying such taxes, make full payment of the current tax bill before the delinquency date and file with the collector a written statement setting forth the grounds on which the protest is based. The statement shall include the true value in money claimed by the taxpayer if disputed. An appeal before the state tax commission shall not be dismissed on the grounds that a taxpayer failed to file a written statement when paying taxes based upon a disputed assessment.

2. Upon receiving payment of current taxes under protest ~~[pursuant to]~~ **under** subsection 1 of this section or upon receiving from the state tax commission or the circuit court notice of an appeal from the state tax commission or the circuit court ~~[pursuant to]~~ **under** section 138.430, along with full payment of the current tax bill before the delinquency date, the collector shall disburse to the proper official all portions of taxes not protested or not disputed by the taxpayer and shall impound in a separate fund all portions of such taxes which are protested or in dispute. Every taxpayer protesting the payment of current taxes under subsection 1 of this section shall, within ninety days after filing his protest, commence an action against the collector by filing a petition for the recovery of the amount protested in the circuit court of the county in which the collector maintains his office. If any taxpayer so protesting his taxes under subsection 1 of this section shall fail to commence an action in the circuit court for the recovery of the taxes protested within the time prescribed in this subsection, such protest shall become null and void and of no effect, and the collector shall then disburse to the proper official the taxes impounded, and any interest earned thereon, as provided above in this subsection.

3. No action against the collector shall be commenced by any taxpayer who has, effective for the current tax year, filed with the state tax commission or the circuit court a timely and proper appeal of the assessment of the taxpayer's property. The portion of taxes in dispute from an appeal of an assessment shall be impounded in a separate fund and the commission in its decision and order issued ~~pursuant to~~ **under** chapter 138 or the circuit court in its judgment may order all or any part of such taxes refunded to the taxpayer, or may authorize the collector to release and disburse all or any part of such taxes.

Either party to the proceedings may appeal the determination of the circuit court.

5. All the county collectors of taxes, and the collector of taxes in any city not within a county, shall, upon written application of a taxpayer, refund or credit against the taxpayer's tax liability in the following taxable year and subsequent consecutive taxable years until the taxpayer has received credit in full for any real or personal property tax mistakenly or erroneously levied against the taxpayer and collected in whole or in part by the collector. Such application shall be filed within three years after the tax is mistakenly or erroneously paid. The governing body, or other appropriate body or official of the county or city not within a county, shall make available to the collector funds necessary to make refunds under this subsection by issuing warrants upon the fund to which the mistaken or erroneous payment has been credited, or otherwise.

6. No taxpayer shall receive any interest on any money paid in by the taxpayer erroneously.

7. All protested taxes impounded under protest under subsection 1 of this section and all disputed taxes impounded under notice as required by section 138.430 shall be invested by the collector in the same manner as assets specified in section 30.260 for investment of state moneys. A taxpayer who is entitled to a refund of protested or disputed taxes shall also receive the interest earned on the investment thereof. If the collector is ordered to release and disburse all or part of the taxes paid under protest or dispute to the proper official, such taxes shall be disbursed along with the proportional amount of interest earned on the investment of the taxes due the particular taxing authority.

8. Any taxing authority may request to be notified by the county collector of current taxes paid under protest. Such request shall be in writing and submitted on or before February first next following the delinquent date of current taxes paid under protest or disputed, and the county collector shall provide such information on or before March first of the same year to the requesting taxing authority of the taxes paid under protest and disputed taxes which would be received by such taxing authority if the funds were not the subject of a protest or dispute. Any taxing authority may apply to the circuit court of the county or city not within a county in which a collector has impounded protested or disputed taxes under this section and, upon a satisfactory showing that such taxing authority would receive such impounded tax funds if they were not the subject of a protest or dispute and that such taxing authority has the financial ability and legal capacity to repay such impounded tax funds in the event a decision ordering a refund to the taxpayer is subsequently made, the circuit court shall order, *pendente lite*, the disbursement of all or any part of such impounded tax funds to such taxing authority. The circuit court issuing an order under this subsection shall retain jurisdiction of such matter for further proceedings, if any, to compel restitution of such tax funds to the taxpayer. In the event that any protested or disputed tax funds refunded to a taxpayer were disbursed to a taxing authority under this subsection instead of being held and invested by the collector under subsection 7 of this section, ~~[such taxing authority shall pay the taxpayer entitled to the refund of such protested or disputed taxes the same amount of interest, as determined by the circuit court having jurisdiction in the matter, such protested or disputed taxes would have earned if they had been held and invested by the collector]~~ **the taxpayer shall be entitled to interest on all refunded tax funds at the annual rate calculated by the state treasurer and applied by the director of revenue under section 32.068. This measure of interest shall only apply to protested or disputed tax funds actually distributed to a taxing authority pursuant to this subsection. In the event of a refund of protested or disputed tax funds which remain impounded by the collector, the taxpayer shall instead be entitled to the interest actually earned on those refunded impounded tax funds under subsection 7 of this section. Any sovereign or official immunity otherwise applicable to the taxing authorities is hereby waived for all purposes related to this subsection, and the taxpayer is expressly authorized to seek an order enforcing this provision from the circuit court that originally ordered the distribution of the protested or disputed funds, or directly from the state tax commission, if the tax appeal that resulted in the refund was heard and determined by the state tax commission.**

9. No appeal filed from the circuit court's or state tax commission's determination pertaining to the amount of refund shall stay any order of refund, but the decision filed by any court of last review modifying that determination shall be binding on the parties, and the decision rendered shall be complied with by the party affected by any modification within ninety days of the date of such decision. No taxpayer shall receive any interest on any additional award of refund, and the collector shall not receive any interest on any ordered return of refund in whole or in part."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SCS HCS HB 220** entitled:

An act to repeal sections 153.030 and 153.034, RSMo, and to enact in lieu thereof three new sections relating to taxation of the property of electric companies.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 220, Page 1, Section Title, Line 4, by striking all of said line and inserting in lieu thereof the following:

“the taxation of companies regulated by the public service commission.”; and

Further amend said bill and page, Section A, Line 3, by inserting immediately after said line the following:

“144.020. 1. A tax is hereby levied and imposed for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be titled under the laws of the state of Missouri and, except as provided in subdivision (9) of this subsection, upon all sellers for the privilege of engaging in the business of selling tangible personal property or rendering taxable service at retail in this state. The rate of tax shall be as follows:

(1) Upon every retail sale in this state of tangible personal property, excluding motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats and outboard motors required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of this subsection, a tax equivalent to four percent of the purchase price paid or charged, or in case such sale involves the exchange of property, a tax equivalent to four percent of the consideration paid or charged, including the fair market value of the property exchanged at the time and place of the exchange, except as otherwise provided in section 144.025;

(2) A tax equivalent to four percent of the amount paid for admission and seating accommodations, or fees paid to, or in any place of amusement, entertainment or recreation, games and athletic events, except amounts paid for any instructional class;

(3) A tax equivalent to four percent of the basic rate paid or charged on all sales of electricity or electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers;

(4) **(a)** A tax equivalent to four percent on the basic rate paid or charged on all sales of local and long distance telecommunications service to telecommunications subscribers and to others through equipment of telecommunications subscribers for the transmission of messages and conversations and upon the sale, rental or leasing of all equipment or services pertaining or incidental thereto; except that, the payment made by telecommunications subscribers or others, pursuant to section 144.060, and any amounts paid for access to the internet or interactive computer services shall not be considered as amounts paid for telecommunications services;

(b) If local and long distance telecommunications services subject to tax under this subdivision are aggregated with and not separately stated from charges for telecommunications service or other services not subject to tax under this subdivision, including, but not limited to, interstate or international telecommunications services, then the charges for nontaxable services may be subject to taxation unless the telecommunications provider can identify by reasonable and verifiable standards such portion of the charges not subject to such tax from its books and records that are kept in the regular course of business, including, but not limited to, financial statement, general ledgers, invoice and billing systems and reports, and reports for regulatory tariffs and other regulatory matters;

(c) A telecommunications provider shall notify the director of revenue of its intention to utilize the standards described in paragraph (b) of this subdivision to determine the charges that are subject to sales tax under this subdivision. Such notification shall be in writing and shall meet standardized criteria established by the department regarding the form and format of such notice;

(d) The director of revenue may promulgate and enforce reasonable rules and regulations for the administration and enforcement of the provisions of this subdivision. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void;

(5) A tax equivalent to four percent of the basic rate paid or charged for all sales of services for transmission of messages of telegraph companies;

(6) A tax equivalent to four percent on the amount of sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp or other place in which rooms, meals or drinks are regularly served to the public. The tax imposed under this subdivision shall not apply to any automatic mandatory gratuity for a large group imposed by a restaurant when such gratuity is reported as employee tip income and the restaurant withholds income tax under section 143.191 on such gratuity;

(7) A tax equivalent to four percent of the amount paid or charged for intrastate tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane and such buses and trucks as are licensed by the division of motor carrier and railroad safety of the department of economic development of Missouri, engaged in the transportation of persons for hire;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of sale at retail or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof;

(9) A tax equivalent to four percent of the purchase price, as defined in section 144.070, of new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. This tax is imposed on the person titling such property, and shall be paid according to the procedures in section 144.440.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words "This ticket is subject to a sales tax."; and

"173.2553. 1. There is hereby established a "Fast Track Workforce Incentive Grant", and any moneys appropriated by the general assembly for this program shall be used to provide grants for Missouri citizens to attend an approved Missouri postsecondary institution of their choice in accordance with the provisions of this section.

2. The definitions of terms set forth in section 173.1102 shall be applicable to such terms as used in this section. In addition, the following terms shall mean:

- (1) "Board", the coordinating board for higher education;
 - (2) "Eligible student", an individual who:
 - (a) Has completed and submitted a FAFSA for the academic year for which the grant is requested;
 - (b) Is a citizen or permanent resident of the United States;
 - (c) Is a Missouri resident as determined by reference to standards promulgated by the coordinating board;
 - (d) Is enrolled, or plans to enroll, at least half-time as a student in an eligible undergraduate program of study offered by an approved public, private, or virtual institution, as defined in section 173.1102;
 - (e) Has an adjusted gross income, as reported on the FAFSA, that does not exceed eighty thousand dollars for married filing joint taxpayers or forty thousand for all other taxpayers; and
 - (f) Is twenty-five years of age or older at the time of enrollment or has not been enrolled in an educational program for the prior two academic years;
 - (3) "Eligible program of study", a program of instruction:
 - (a) Resulting in the award of a certificate, undergraduate degree, or other industry-recognized credential; and
 - (b) That has been designated by the coordinating board as preparing students to enter an area of occupational shortage as determined by the board;
 - (4) "FAFSA", the Free Application for Federal Student Aid, as maintained by the United States Department of Education;
 - (5) "Fast track grant", an amount of moneys paid by the state of Missouri to a student under the provisions of this section;
 - (6) "Graduation", completion of a program of study as indicated by the award of a certificate, undergraduate degree, or other industry-recognized credential;
 - (7) "Qualifying employment", full-time employment of a Missouri resident at a workplace located within the state of Missouri, or self-employment while a Missouri resident, with at least fifty percent of an individual's annual income coming from self-employment, either of which result in required returns of income in accordance with section 143.481;
 - (8) "Recipient", an eligible student or renewal student who receives a fast track grant under the provisions of this section;
 - (9) "Renewal student", an eligible student who remains in compliance with the provisions of this section, has received a grant as an initial recipient, maintains a cumulative grade-point average of at least two and one-half on a four-point scale or the equivalent, makes satisfactory academic degree progress as defined by the institution, with the exception of grade-point average, and has not received a bachelor's degree.
3. Standards of eligibility for renewed assistance shall be the same as for an initial award of financial assistance; except that, for renewal, an applicant shall demonstrate a grade-point average of two and one-half on a four-point scale, or the equivalent on another scale.
4. Eligibility for a grant expires upon the earliest of:
- (1) Receipt of the grant for four semesters or the equivalent;
 - (2) Receipt of a bachelor's degree; or
 - (3) Reaching two hundred percent of the time typically required to complete the program of study.
5. The coordinating board shall initially designate eligible programs of study by January 1, 2020, in connection with local education institutions, regional business organizations, and other stakeholders. The coordinating board shall annually review the list of eligible programs of study and make changes to the program list as it determines appropriate.
6. The coordinating board shall be the administrative agency for the implementation of the program established by this section. The coordinating board shall promulgate reasonable rules and regulations for the exercise of its functions and the effectuation of the purposes of this section. The coordinating board shall prescribe the form and the time and method of filing applications and supervise the processing thereof. The coordinating board shall determine the criteria for eligibility of applicants and shall evaluate each applicant's eligibility. The coordinating board shall select qualified recipients to receive grants, make such awards of financial assistance to qualified recipients, and determine the manner and method of payment to the recipients.
7. The coordinating board shall determine eligibility for renewed assistance on the basis of annual applications. As a condition to consideration for initial or renewed assistance, the coordinating board may require the applicant and the applicant's spouse to execute forms of consent authorizing the director of

revenue to compare financial information submitted by the applicant with the Missouri individual income tax returns of the applicant, and the applicant's spouse, for the taxable year immediately preceding the year for which application is made, and to report any discrepancies to the coordinating board.

8. Grants shall be awarded in an amount equal to the actual tuition and general fees charged of an eligible student, after all federal nonloan aid, state student aid, and any other governmental student financial aid are applied. If a grant amount is reduced to zero due to the receipt of other aid, the eligible student shall receive an award of up to five hundred dollars or the remaining cost of attendance as calculated by the institution after all nonloan student aid has been applied, whichever is less, per academic term.

9. If appropriated funds are insufficient to fund the program as described, students applying for renewed assistance shall be given priority until all funds are expended.

10. A recipient of financial assistance may transfer from one approved public, private, or virtual institution to another without losing eligibility for assistance under this section, but the coordinating board shall make any necessary adjustments in the amount of the award. If a recipient of financial assistance at any time is entitled to a refund of any tuition or fees under the rules and regulations of the institution in which he or she is enrolled, the institution shall pay the portion of the refund that may be attributed to the grant to the coordinating board. The coordinating board shall use these refunds to make additional awards under the provisions of this section.

11. Subject to the requirements of subsections 2, 3, and 4 of this section, a student is eligible for a fast track grant under this section if the student meets all of the following criteria:

(1) The student has successfully completed counseling explaining the benefits and obligations of the program under this section, including the terms and conditions of the promissory note under subdivision (2) of this subsection and the consequences of noncompliance specified in section 173.2554; and

(2) The student executes a promissory note acknowledging that the fast track grant moneys awarded under this section will be converted to a loan, and agreeing to repay that loan if he or she fails to satisfy the following conditions:

(a) Maintenance of at least half-time enrollment in an eligible program, with an interruption of qualifying enrollment of no more than twelve consecutive months from the last day of the most recent payment period during which the student received a fast track award;

(b) Graduation from an approved institution; or

(c) Residency within the state of Missouri within twelve months after the date of the student's graduation and for a period of not less than three years and qualifying employment within twelve months of the student's graduation and for a period of not less than three years. Residency and qualifying employment obligations may be deferred if the recipient's studies continue after graduation.

12. Persons who receive fast track grants under this section shall be required to submit proof of residency and qualifying employment to the coordinating board for higher education within thirty days of completing each twelve months of qualifying employment until the three year employment obligation is fulfilled.

13. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall sunset automatically three years after the effective date of this section, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall sunset automatically six years after the effective date of the reauthorization; and

(3) This section shall terminate on December thirty-first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

173.2554. 1. Except as provided in subsection 2 of this section, if a student who received a fast track grant under section 173.2553 fails to comply with the terms of the promissory note under subdivision (2) of subsection 11 of section 173.2553, including failure to satisfy the conditions in paragraphs (a), (b), and (c) of such subdivision, the fast track grant shall be converted to a loan. This loan shall accrue interest at the federal direct loan interest rate for Direct Subsidized Undergraduate Loans in effect at the time the student enters the eligible program. Interest shall be calculated from the date the recipient enters repayment. For a recipient who fulfills some, but not all, of his or her three-year residency and employment obligations, the amount of the fast track grant that is converted to a loan shall be reduced by one-third for each period of twelve months of residency and employment as verified by the proof of residency and qualifying employment required in subsection 12 of section 173.2553.

2. The coordinating board shall provide for a waiver under the fast track grant if the grant is not converted to a loan under subsection 1 of this section for a recipient who fails to comply with terms of the agreement under paragraphs (a), (b), and (c) of subdivision (2) of subsection 11 of section 173.2553 due to his or her total and permanent disability or death, the total and permanent disability or death of his or her spouse or child, or if such recipient or recipient's spouse is providing service to any branch of the Armed Forces of the United States and is transferred out of state and is no longer able to maintain Missouri residency as a result of such service. The waiver shall specify standards for the board's determination of total and permanent disability or death standards for the board's determination of total and permanent disability or death, or military transfer status, and a process for seeking a waiver under this subsection.

3. The coordinating board shall deposit in the fast track workforce incentive grant fund all repayments of principal and interest on the loans under subsection 1 of this section.

4. The coordinating board shall establish a procedure and guidelines for granting deferments or forbearances of fast track grants that have converted to loans and are in repayment status for recipients who:

(1) Are enrolled at least half-time at an institution of higher education;

(2) Experience economic hardship;

(3) Have a medical condition limiting their ability to continue repayment including, but not limited to, illness, disability, or pregnancy; or

(4) Are providing service to any branch of the Armed Forces of the United States.

5. The coordinating board shall establish a procedure and guidelines for granting loan discharge for fast track grants that have been converted to loans and are in repayment for recipients who are unable to fulfill the repayment obligation due to their total and permanent disability or death or the total and permanent disability or death of their spouse or child.

6. (1) There is hereby created in the state treasury the "Fast Track Workforce Incentive Grant Fund". The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely by the coordinating board for the purposes of this section and section 173.2553.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

7. The coordinating board shall have the authority to promulgate rules to implement the provisions of this section and section 173.2553. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void."; and

Representative Coleman (32) offered House Amendment No. 2.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 68, Page 1, Section A, Line 4, by inserting after said section and line the following:

"135.100. As used in sections 135.100 to 135.150 the following terms shall mean:

- (1) "Commencement of commercial operations" shall be deemed to occur during the first ~~taxable~~ tax year for which the new business facility is first available for use by the taxpayer, or first capable of being used by the taxpayer, in the revenue-producing enterprise in which the taxpayer intends to use the new business facility;
- (2) "Existing business facility", any facility in this state which was employed by the taxpayer claiming the credit in the operation of a revenue-producing enterprise immediately prior to an expansion, acquisition, addition, or replacement;
- (3) "Facility", any building used as a revenue-producing enterprise located within the state, including the land on which the facility is located and all machinery, equipment and other real and depreciable tangible personal property acquired for use at and located at or within such facility and used in connection with the operation of such facility;
- (4) "NAICS", the North American Industrial Classification System as such classifications are defined in the 2007 edition of the North American Industrial Classification System;
- (5) "New business facility", a facility which satisfies the following requirements:
 - (a) Such facility is employed by the taxpayer in the operation of a revenue-producing enterprise. Such facility shall not be considered a new business facility in the hands of the taxpayer if the taxpayer's only activity with respect to such facility is to lease it to another person or persons. If the taxpayer employs only a portion of such facility in the operation of a revenue-producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue-producing enterprise, the portion employed by the taxpayer in the operation of a revenue-producing enterprise shall be considered a new business facility, if the requirements of paragraphs (b), (c), (d) and (e) of this subdivision are satisfied;
 - (b) Such facility is acquired by, or leased to, the taxpayer after December 31, 1983. A facility shall be deemed to have been acquired by, or leased to, the taxpayer after December 31, 1983, if the transfer of title to the taxpayer, the transfer of possession pursuant to a binding contract to transfer title to the taxpayer, or the commencement of the term of the lease to the taxpayer occurs after December 31, 1983, or, if the facility is constructed, erected or installed by or on behalf of the taxpayer, such construction, erection or installation is commenced after December 31, 1983;
 - (c) If such facility was acquired by the taxpayer from another person or persons and such facility was employed immediately prior to the transfer of title to such facility to the taxpayer, or to the commencement of the term of the lease of such facility to the taxpayer, by any other person or persons in the operation of a revenue-producing enterprise, the operation of the same or a substantially similar revenue-producing enterprise is not continued by the taxpayer at such facility;
 - (d) Such facility is not a replacement business facility, as defined in subdivision (11) of this section; and

(e) The new business facility investment exceeds one hundred thousand dollars during the tax period in which the credits are claimed;

(6) "New business facility employee", a person employed by the taxpayer in the operation of a new business facility during the ~~taxable~~ tax year for which the credit allowed by section 135.110 is claimed, except that truck drivers and rail and barge vehicle operators shall not constitute new business facility employees. A person shall be deemed to be so employed if such person performs duties in connection with the operation of the new business facility on:

(a) A regular, full-time basis; or

(b) A part-time basis, provided such person is customarily performing such duties an average of at least twenty hours per week; or

(c) A seasonal basis, provided such person performs such duties for at least eighty percent of the season customary for the position in which such person is employed;

(7) "New business facility income", the Missouri taxable income, as defined in chapter 143, derived by the taxpayer from the operation of the new business facility. For the purpose of apportionment as prescribed in this subdivision, the term "Missouri taxable income" means, in the case of insurance companies, direct premiums as defined in chapter 148. If a taxpayer has income derived from the operation of a new business facility as well as from other activities conducted within this state, the Missouri taxable income derived by the taxpayer from the operation of the new business facility shall be determined by multiplying the taxpayer's Missouri taxable income, computed in accordance with chapter 143, or in the case of an insurance company, computed in accordance with chapter 148, by a fraction, the numerator of which is the property factor, as defined in paragraph (a) of this subdivision, plus the payroll factor, as defined in paragraph (b) of this subdivision, and the denominator of which is two:

(a) The property factor is a fraction, the numerator of which is the new business facility investment certified for the tax period, and the denominator of which is the average value of all the taxpayer's real and depreciable tangible personal property owned or rented and used in this state during the tax period. The average value of all such property shall be determined as provided in chapter 32;

(b) The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the taxpayer for compensation to persons qualifying as new business facility employees, as determined by subsection 4 of section 135.110, at the new business facility, and the denominator of which is the total amount paid in this state during the tax period by the taxpayer for compensation. The compensation paid in this state shall be determined as provided in chapter 32. For the purpose of this subdivision, "other activities conducted within this state" shall include activities previously conducted at the expanded, acquired or replaced facility at any time during the tax period immediately prior to the tax period in which commencement of commercial operations occurred;

(8) "New business facility investment", the value of ~~real and depreciable tangible personal~~ property, acquired by the taxpayer as part of the new business facility, which is used by the taxpayer in the operation of the new business facility, during the ~~taxable~~ tax year for which the credit allowed by section 135.110 is claimed, except that trucks, truck-trailers, truck semitrailers, rail vehicles, barge vehicles, aircraft, and other rolling stock for hire, track, switches, barges, bridges, tunnels, and rail yards and spurs shall not constitute new business facility investments. **For the purposes of sections 135.100 to 135.150, property may be acquired by the taxpayer by purchase, lease, or license, including the right to use software and hardware via on-demand network access to a shared pool of configurable computing resources as long as the rights are used at the new business facility.** The total value of such property during such ~~taxable~~ tax year shall be:

(a) Its original cost if owned by the taxpayer; or

(b) Eight times the net annual rental **or license**, if leased **or licensed** by the taxpayer. The net annual rental **or license** rate shall be the annual rental **or license** rate paid by the taxpayer less any annual rental **or license** rate received by the taxpayer from subrentals **or sublicenses**. The new business facility investment shall be determined by dividing by twelve the sum of the total value of such property on the last business day of each calendar month of the ~~taxable~~ tax year. If the new business facility is in operation for less than an entire ~~taxable~~ tax year, the new business facility investment shall be determined by dividing the sum of the total value of such property on the last business day of each full calendar month during the portion of such ~~taxable~~ tax year during which the new business facility was in operation by the number of full calendar months during such period;

(9) "Office", a regional, national, or international headquarters, a telemarketing operation, a computer operation, an insurance company, a passenger transportation ticket/reservation system, or a credit card billing and processing center. For the purposes of this subdivision, "headquarters" means the administrative management of at

least four integrated facilities operated by the taxpayer or related taxpayer. An office, as defined in this subdivision, when established must create and maintain positions for a minimum number of twenty-five new business facility employees as defined in subdivision (6) of this section;

(10) "Related taxpayer" shall mean:

(a) A corporation, partnership, trust, or association controlled by the taxpayer;

(b) An individual, corporation, partnership, trust, or association in control of the taxpayer; or

(c) A corporation, partnership, trust, or association controlled by an individual, corporation, partnership, trust, or association in control of the taxpayer. For the purposes of sections 135.100 to 135.150, "control of a corporation" shall mean ownership, directly or indirectly, of stock possessing at least fifty percent of the total combined voting power of all classes of stock entitled to vote; "control of a partnership or association" shall mean ownership of at least fifty percent of the capital or profits interest in such partnership or association; and "control of a trust" shall mean ownership, directly or indirectly, of at least fifty percent of the beneficial interest in the principal or income of such trust; ownership shall be determined as provided in Section 318 of the U.S. Internal Revenue Code;

(11) "Replacement business facility", a facility otherwise described in subdivision (3) of this section, hereafter referred to in this subdivision as "new facility", which replaces another facility, hereafter referred to in this subdivision as "old facility", located within the state, which the taxpayer or a related taxpayer previously operated but discontinued operating on or before the close of the first [taxable] tax year in which the credit allowed by this section is claimed. A new facility shall be deemed to replace an old facility if the following conditions are met:

(a) The old facility was operated by the taxpayer or a related taxpayer during the taxpayer's or related taxpayer's [taxable] tax period immediately preceding the [taxable] tax year in which commencement of commercial operations occurs at the new facility; and

(b) The old facility was employed by the taxpayer or a related taxpayer in the operation of a revenue-producing enterprise and the taxpayer continues the operation of the same or substantially similar revenue-producing enterprise at the new facility.

Notwithstanding the preceding provisions of this subdivision, a facility shall not be considered a replacement business facility if the taxpayer's new business facility investment, as computed in subsection 5 of section 135.110, in the new facility during the tax period in which the credits allowed in sections 135.110, 135.225, and 135.235 and the exemption allowed in section 135.220 are claimed exceed one million dollars or, if less, two hundred percent of the investment in the old facility by the taxpayer or related taxpayer, and if the total number of employees at the new facility exceeds the total number of employees at the old facility by at least two except that the total number of employees at the new facility exceeds the total number of employees at the old facility by at least twenty-five if an office as defined in subdivision (9) of this section is established by a revenue-producing enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to (l) of subdivision (12) of this section;

(12) "Revenue-producing enterprise" means:

- (a) Manufacturing activities classified as NAICS 31-33;
- (b) Agricultural activities classified as NAICS 11;
- (c) Rail transportation terminal activities classified as NAICS 482;

- (m) Recycling activities classified as NAICS 42393;
- (n) Office activities as defined in subdivision (9) of this section, notwithstanding NAICS classification;
- (o) Mining activities classified as NAICS 21;

(q) The administrative management of any of the foregoing activities; or

(r) Any combination of any of the foregoing activities;

(13) "Same or substantially similar revenue-producing enterprise", a revenue-producing enterprise in which the nature of the products produced or sold, or activities conducted, are similar in character and use or are produced, sold, performed, or conducted in the same or similar manner as in another revenue-producing enterprise;

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-EIGHTH DAY, MONDAY, MAY 13, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Kenneth Wilson.

Heavenly Father, as we gather together to begin this final week of our session together, we humbly reach out to You in prayer. Your servant David, the mighty King David, once prayed, "Search me, O God, and know my heart; try me and know my anxious thoughts; and see if there be any hurtful way in me, and lead me in the everlasting way." We all know the demands of this week, the meetings, the schedules, the confusion, and the debates and arguments. May we have the same courage and faith as David to be honest with ourselves and to be honest with You, the one who knows our hearts, to be kind and compassionate to one another, to be patient and forgiving of one another, and to be humble in our positions as we serve the people of this great state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Parker Zeller.

The Journal of the sixty-sixth day was approved as printed by the following vote:

 - (d) Continues to satisfy the requirements of paragraphs (a) to (c) of this subdivision for the project period;
2. The department may award tax credits against the company's state tax liability to a qualified manufacturing company that makes a manufacturing capital investment of at least five hundred million dollars. The department shall issue the credits no later than three years after the execution of an agreement that satisfies the requirements of subsection 9 of this section. However, the tax credits shall be issued no earlier than January 1, 2023, and may be issued each year for a period of five years. A qualified manufacturing company may qualify for an additional five-year period under this subsection if it makes an additional manufacturing capital investment of at least two hundred fifty million dollars within five years of the certificate of approval.

3. The maximum amount of tax credits that any one qualified manufacturing company may receive under this subsection shall not exceed five million dollars per calendar year. The aggregate amount of tax credits awarded to all qualified manufacturing companies under this subsection shall not exceed ten million dollars per calendar year.

4. The company shall immediately cease receiving any benefit awarded under this section for the remainder of the project period and shall forfeit all rights to retain or receive any benefit awarded under this section for the remainder of such period if, at the project facility at any time during the project period, the qualified manufacturing company:

- (1) Discontinues the manufacturing of the new product and does not replace it with a subsequent or additional new product or with a modification or expansion of an existing product;
- (2) Discontinues the modification or expansion of an existing product and does not replace it with a new product or a modification or expansion of another existing product; or

Notwithstanding any other provision of law to the contrary, any qualified manufacturing company that is awarded benefits under this section shall not simultaneously receive tax credits or exemption under chapter 100, 135, or 620 for the jobs created or retained or capital improvement that qualified for benefits under this section. Subsection 5 of section 285.530 shall not apply to qualified manufacturing companies which are awarded credits under this section.

6. In determining the amount of tax credits to award to a qualified manufacturing company this section, the department shall consider the following factors:

- (1) The extent of the qualified company's need for program benefits;
- (2) The projected net fiscal benefit to the state if the benefit is awarded and the period in which the net fiscal benefit would occur;
- (3) The overall size and quality of the proposed project, including the number of new jobs, new capital investment, manufacturing capital investment, proposed wages, growth potential of the qualified company, potential multiplier effect of the project, and other similar factors;
- (4) The financial stability and creditworthiness of the qualified company;
- (5) The level of economic distress in the area;
- (6) An evaluation of the competitiveness of alternative locations for the project facility, as applicable; and
- (7) The percent of local incentives committed.

7. A company may request an opinion from the department on whether it would qualify for a benefit under this section by submitting a written request to the department. The department shall respond to a written request within five business days of such request. The department's response shall contain either a proposal of benefits for the qualified manufacturing company, or a written response refusing to provide such a proposal and stating the reasons for such refusal.

8. A company that intends to seek benefits under the program shall submit to the department a notice of intent. The department may approve the notice of intent by issuing a certificate of approval or reject the notice of intent and inform the company of its action within thirty days. However, that the department may withhold approval or provide a contingent approval if it does not have sufficient documentation to determine eligibility. Failure to respond shall result in the notice of intent being deemed approved.

9. Upon issuing a certificate of approval, the department and the qualified manufacturing company shall enter into a written agreement that covers the applicable project period that memorializes the notice of intent, the requirements of this section, and the consequences for failing to satisfy such requirements. The agreement shall specify, at a minimum:

- (1) The manufacturing capital investment and committed percentage of retained jobs for each year during the project period;
- (2) The date or time period during which the tax credits shall be issued, consistent with subsection 2 of this section;
- (3) Clawback provisions, as may be required by the department;
- (4) Financial guarantee provisions as may be required by the department, provided that financial guarantee provisions shall be required by the department for tax credits awarded under this section;

(5) If the amount of capital investment made by the qualified manufacturing company is not made within the two-year period provided for such investment, the qualified manufacturing company shall immediately forfeit all rights to retain or receive any benefit awarded under this section; and

(6) Any other provisions the department may require.

10. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

11. Prior to March first each year, the department shall provide a report to the general assembly including the names of participating qualified manufacturing companies the annual amount of benefits provided, the estimated net state fiscal impact including direct and indirect new state taxes derived, and the number of new jobs created or jobs retained.

12. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under this section shall be authorized as of August 28, 2019, and shall expire on December 31, 2031; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

(4) The provisions of this subsection shall not be construed to limit or in any way impair the department's ability to redeem tax credits authorized on or before the date the program authorized under this section expires or a taxpayer's ability to redeem such tax credits."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Coleman (32) offered **House Amendment No. 3**.

House Amendment No. 3

AMEND Senate Committee Substitute for Senate Bill No. 184, Page 1, Section A, Line 3, by inserting after said section and line the following:

"135.100. As used in sections 135.100 to 135.150 the following terms shall mean:

- (1) "Commencement of commercial operations" shall be deemed to occur during the first ~~taxable~~ tax year for which the new business facility is first available for use by the taxpayer, or first capable of being used by the taxpayer, in the revenue-producing enterprise in which the taxpayer intends to use the new business facility;
- (2) "Existing business facility", any facility in this state which was employed by the taxpayer claiming the credit in the operation of a revenue-producing enterprise immediately prior to an expansion, acquisition, addition, or replacement;
- (3) "Facility", any building used as a revenue-producing enterprise located within the state, including the land on which the facility is located and all machinery, equipment and other real and depreciable tangible personal property acquired for use at and located at or within such facility and used in connection with the operation of such facility;
- (4) "NAICS", the North American Industrial Classification System as such classifications are defined in the 2007 edition of the North American Industrial Classification System;
- (5) "New business facility", a facility which satisfies the following requirements:
 - (a) Such facility is employed by the taxpayer in the operation of a revenue-producing enterprise. Such facility shall not be considered a new business facility in the hands of the taxpayer if the taxpayer's only activity with respect to such facility is to lease it to another person or persons. If the taxpayer employs only a portion of such facility in the operation of a revenue-producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue-producing enterprise, the portion employed by the taxpayer in the operation of a revenue-producing enterprise shall be considered a new business facility, if the requirements of paragraphs (b), (c), (d) and (e) of this subdivision are satisfied;

(b) Such facility is acquired by, or leased to, the taxpayer after December 31, 1983. A facility shall be deemed to have been acquired by, or leased to, the taxpayer after December 31, 1983, if the transfer of title to the taxpayer, the transfer of possession pursuant to a binding contract to transfer title to the taxpayer, or the commencement of the term of the lease to the taxpayer occurs after December 31, 1983, or, if the facility is constructed, erected or installed by or on behalf of the taxpayer, such construction, erection or installation is commenced after December 31, 1983;

(c) If such facility was acquired by the taxpayer from another person or persons and such facility was employed immediately prior to the transfer of title to such facility to the taxpayer, or to the commencement of the term of the lease of such facility to the taxpayer, by any other person or persons in the operation of a revenue-producing enterprise, the operation of the same or a substantially similar revenue-producing enterprise is not continued by the taxpayer at such facility;

(d) Such facility is not a replacement business facility, as defined in subdivision (11) of this section; and

(e) The new business facility investment exceeds one hundred thousand dollars during the tax period in which the credits are claimed;

(6) "New business facility employee", a person employed by the taxpayer in the operation of a new business facility during the ~~taxable~~ tax year for which the credit allowed by section 135.110 is claimed, except that truck drivers and rail and barge vehicle operators shall not constitute new business facility employees. A person shall be deemed to be so employed if such person performs duties in connection with the operation of the new business facility on:

(a) A regular, full-time basis; or

(b) A part-time basis, provided such person is customarily performing such duties an average of at least twenty hours per week; or

(c) A seasonal basis, provided such person performs such duties for at least eighty percent of the season customary for the position in which such person is employed;

(7) "New business facility income", the Missouri taxable income, as defined in chapter 143, derived by the taxpayer from the operation of the new business facility. For the purpose of apportionment as prescribed in this subdivision, the term "Missouri taxable income" means, in the case of insurance companies, direct premiums as defined in chapter 148. If a taxpayer has income derived from the operation of a new business facility as well as from other activities conducted within this state, the Missouri taxable income derived by the taxpayer from the operation of the new business facility shall be determined by multiplying the taxpayer's Missouri taxable income, computed in accordance with chapter 143, or in the case of an insurance company, computed in accordance with chapter 148, by a fraction, the numerator of which is the property factor, as defined in paragraph (a) of this subdivision, plus the payroll factor, as defined in paragraph (b) of this subdivision, and the denominator of which is two:

(a) The property factor is a fraction, the numerator of which is the new business facility investment certified for the tax period, and the denominator of which is the average value of all the taxpayer's real and depreciable tangible personal property owned or rented and used in this state during the tax period. The average value of all such property shall be determined as provided in chapter 32;

(b) The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the taxpayer for compensation to persons qualifying as new business facility employees, as determined by subsection 4 of section 135.110, at the new business facility, and the denominator of which is the total amount paid in this state during the tax period by the taxpayer for compensation. The compensation paid in this state shall be determined as provided in chapter 32. For the purpose of this subdivision, "other activities conducted within this state" shall include activities previously conducted at the expanded, acquired or replaced facility at any time during the tax period immediately prior to the tax period in which commencement of commercial operations occurred;

(8) "New business facility investment", the value of ~~real and depreciable tangible personal~~ property, acquired by the taxpayer as part of the new business facility, which is used by the taxpayer in the operation of the new business facility, during the ~~taxable~~ tax year for which the credit allowed by section 135.110 is claimed, except that trucks, truck-trailers, truck semitrailers, rail vehicles, barge vehicles, aircraft, and other rolling stock for hire, track, switches, barges, bridges, tunnels, and rail yards and spurs shall not constitute new business facility investments. **For the purposes of sections 135.100 to 135.150, property may be acquired by the taxpayer by purchase, lease, or license, including the right to use software and hardware via on-demand network access to a shared pool of configurable computing resources as long as the rights are used at the new business facility.** The total value of such property during such ~~taxable~~ tax year shall be:

(a) Its original cost if owned by the taxpayer; or

(b) Eight times the net annual rental rate **or license**, if leased **or licensed** by the taxpayer. The net annual rental **or license** rate shall be the annual rental **or license** rate paid by the taxpayer less any annual rental **or license** rate received by the taxpayer from subrentals **or sublicenses**. The new business facility investment shall be determined by dividing by twelve the sum of the total value of such property on the last business day of each calendar month of the **[taxable] tax** year. If the new business facility is in operation for less than an entire **[taxable] tax** year, the new business facility investment shall be determined by dividing the sum of the total value of such property on the last business day of each full calendar month during the portion of such **[taxable] tax** year during which the new business facility was in operation by the number of full calendar months during such period;

(9) "Office", a regional, national, or international headquarters, a telemarketing operation, a computer operation, an insurance company, a passenger transportation ticket/reservation system, or a credit card billing and processing center. For the purposes of this subdivision, "headquarters" means the administrative management of at least four integrated facilities operated by the taxpayer or related taxpayer. An office, as defined in this subdivision, when established must create and maintain positions for a minimum number of twenty-five new business facility employees as defined in subdivision (6) of this section;

(10) "Related taxpayer" shall mean:

(a) A corporation, partnership, trust, or association controlled by the taxpayer;

(b) An individual, corporation, partnership, trust, or association in control of the taxpayer; or

(c) A corporation, partnership, trust, or association controlled by an individual, corporation, partnership, trust, or association in control of the taxpayer. For the purposes of sections 135.100 to 135.150, "control of a corporation" shall mean ownership, directly or indirectly, of stock possessing at least fifty percent of the total combined voting power of all classes of stock entitled to vote; "control of a partnership or association" shall mean ownership of at least fifty percent of the capital or profits interest in such partnership or association; and "control of a trust" shall mean ownership, directly or indirectly, of at least fifty percent of the beneficial interest in the principal or income of such trust; ownership shall be determined as provided in Section 318 of the U.S. Internal Revenue Code;

(11) "Replacement business facility", a facility otherwise described in subdivision (3) of this section, hereafter referred to in this subdivision as "new facility", which replaces another facility, hereafter referred to in this subdivision as "old facility", located within the state, which the taxpayer or a related taxpayer previously operated but discontinued operating on or before the close of the first **[taxable] tax** year in which the credit allowed by this section is claimed. A new facility shall be deemed to replace an old facility if the following conditions are met:

(a) The old facility was operated by the taxpayer or a related taxpayer during the taxpayer's or related taxpayer's **[taxable] tax** period immediately preceding the **[taxable] tax** year in which commencement of commercial operations occurs at the new facility; and

(b) The old facility was employed by the taxpayer or a related taxpayer in the operation of a revenue-producing enterprise and the taxpayer continues the operation of the same or substantially similar revenue-producing enterprise at the new facility.

Notwithstanding the preceding provisions of this subdivision, a facility shall not be considered a replacement business facility if the taxpayer's new business facility investment, as computed in subsection 5 of section 135.110, in the new facility during the tax period in which the credits allowed in sections 135.110, 135.225, and 135.235 and the exemption allowed in section 135.220 are claimed exceed one million dollars or, if less, two hundred percent of the investment in the old facility by the taxpayer or related taxpayer, and if the total number of employees at the new facility exceeds the total number of employees at the old facility by at least two except that the total number of employees at the new facility exceeds the total number of employees at the old facility by at least twenty-five if an office as defined in subdivision (9) of this section is established by a revenue-producing enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to (l) of subdivision (12) of this section;

(12) "Revenue-producing enterprise" means:

(a) Manufacturing activities classified as NAICS 31-33;

(b) Agricultural activities classified as NAICS 11;

(c) Rail transportation terminal activities classified as NAICS 482;

(d) Motor freight transportation terminal activities classified as NAICS 484 and NAICS 4884;

620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. **The department shall certify or reject the qualifying company's plan outlined in their notice of intent as satisfying good faith efforts made to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census.** Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable

minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (19) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company receiving benefits under this program shall provide an annual report of the number of jobs, **along with minority jobs created or retained**, and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company has not maintained the employee insurance as required, **if the department after a review determines the qualifying company fails to satisfy other aspects of their notice of intent, including failure to make good faith efforts to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census**, or if the number of jobs is below the number required, the qualified company shall not receive tax credits or retain the withholding tax for the balance of the project period. Failure to timely file the annual report required under this section shall result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs; **provided that, tax credits awarded under subsection 6 of section 620.2010 may be issued following the qualified company's acceptance of the department's proposal and pursuant to the requirements set forth in the written agreement between the department and the qualified company under subsection 3 of section 620.2010.**

5. Any qualified company approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. **(1)** The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection ~~[13]~~ **14** of this section:

~~[(1)]~~ (a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

~~[(2)]~~ (b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized; ~~and~~

~~[(3)]~~ (c) For ~~any~~ the fiscal year beginning on or after July 1, 2015, **but ending on or before June 30, 2020**, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year; **and**

(d) **For all fiscal years beginning on or after July 1, 2020, no more than one hundred six million dollars in tax credits may be authorized for each fiscal year. The provisions of this paragraph shall not apply to tax credits issued to qualified companies under a notice of intent filed prior to July 1, 2020.**

(2) **For all fiscal years beginning on or after July 1, 2020, in addition to the amount of tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an additional ten million dollars in tax credits may be authorized for each fiscal year, provided that such tax credits shall only be authorized for the purpose of the completion of infrastructure projects directly connected with the creation or retention of jobs under the provisions of sections 620.2000 to 620.2020.**

8. **For all fiscal years beginning on or after July 1, 2020, the maximum total amount of withholding tax that may be authorized for retention under the provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year. The provisions of this subsection shall not apply to withholding tax authorized for retention by qualified companies with a project facility base employment of less than fifty.**

9. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program; **provided that, the department may reserve up to twenty-one and one-half percent of the maximum annual amount of tax credits that may be authorized under subsection 7 of this section for award under subsection 6 of section 620.2010.** However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the applicable minimum new job requirements **or, for benefits awarded under subsection 6 of section 620.2010, until the qualified company has satisfied the requirements set forth in the written agreement between the department and the qualified company under subsection 3 of section 620.2010.** In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

~~[9-]~~ 10. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

~~[10-]~~ 11. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the

taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

~~[11-]~~ **12.** The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

~~[12-]~~ **13.** An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

~~[13-]~~ **14.** Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

~~[14-]~~ **15.** If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

~~[15-]~~ **16.** By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

~~[16-]~~ **17.** The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

~~[17-]~~ **18.** Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of this reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs."; and

Further amend said amendment, Page 6, Lines 38-49; Page 7, Lines 1-49; Page 8, Lines 1-49; and Page 9, Lines 1-14, by deleting all of said lines and inserting in lieu thereof the following:

"7. The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 13 of this section:

- (1) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;
- (2) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized; and
- (3) For any fiscal year beginning on or after July 1, 2015, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year.

8. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the applicable minimum new job requirements. In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

9. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a

qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

10. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

11. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

12. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

13. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

14. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

15. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

16. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

17. Under section 23.253 of the Missouri sunset act:"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Dogan, **House Amendment No. 1 to House Amendment No. 4** was adopted.

On motion of Representative Roberts (77), **House Amendment No. 4, as amended**, was adopted.

Representative Hill offered **House Amendment No. 5.**

House Amendment No. 5

AMEND Senate Committee Substitute for Senate Bill No. 184, Page 2, Section 620.800, Line 35, by inserting after the words "employees at" the following:

"the project facility and at"; and

Further amend said bill, Page 17, Section 620.809, Line 253, by inserting after said section and line the following:

"620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (18) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level

applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company receiving benefits under this program shall provide an annual report of the number of jobs and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, **the qualified company shall provide monthly, wage, insurance, and number of jobs data for the project period year covered in such report, and** if the average wage is below the applicable percentage of the county average wage, the qualified company has not maintained the employee insurance as required, or if the number of jobs is below the number required **in any given month during the project period year covered in such report**, the qualified company shall not receive tax credits or retain the withholding tax for the balance of the project period. Failure to timely file the annual report required under this section shall result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs.

5. Any qualified company approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 13 of this section:

(1) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

(2) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized; and

(3) For any fiscal year beginning on or after July 1, 2015, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year.

8. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the applicable minimum new job requirements. In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

9. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

10. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

11. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

12. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

13. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

14. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

15. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. (2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

16. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

17. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of this reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-NINTH DAY, TUESDAY, MAY 14, 2019

The House met pursuant to adjournment.

Representative Basye in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

My presence shall go with you, and I will give you rest. (Exodus 33:14)

O God in heaven and on earth, who has given us life and the promise of life eternal, on every hand we see evidence of Your spirit and of Your goodness to us. For the beauty of the earth, for the glory of the skies, for the love which from our birth over and around us lies, Lord of all, to You we raise this our prayer of grateful praise.

We thank You for Your presence in our hearts making us strong, giving us confidence, and helping us to live in good will with our fellow citizens. We thank You for our great state. May we now and always play our full part in keeping the flag of freedom forever flying over our state.

We thank You for these men and women in this House for their devotion to our state and their dedication to You. May Your presence go with us all the day long.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Angela Patterson.

The Journal of the sixty-eighth day was approved as printed by the following vote:

Political subdivisions cannot require any member of the work force of a licensed statewide mechanical contractor to obtain an individual occupational license.

324.953. 1. The division shall adopt, implement, rescind, amend, and administer such rules as may be necessary to carry out the provisions of sections 324.950 to 324.983. The division may promulgate necessary rules authorized or as required to explain or clarify sections 324.950 to 324.983 including, but not limited to, rules relating to professional conduct, continuing competency requirements for the renewal of licenses, approval of continuing competency programs, fees, and the establishment of ethical standards of business practice for persons holding a license under sections 324.950 to 324.983. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

2. For the purpose of sections 324.950 to 324.983, the division shall:

- (1) Establish all applicable fees, set at an amount which shall not substantially exceed the cost of administering sections 324.950 to 324.983; and
- (2) Deposit all fees collected under sections 324.950 to 324.983 by transmitting such funds to the department of revenue for deposit to the state treasury to the credit of the Missouri mechanical contractor licensing fund.

324.956. There is hereby created the "Office of Mechanical Contractors" to be housed within the division of professional registration. The division shall:

- (1) Employ, within the limits of the funds appropriated, persons as are necessary to carry out the provisions of sections 324.950 to 324.983, including both administrative and professional staff and legal counsel, with the discretion to hire experts in mechanical contracting to advise the division on technical matters related to mechanical contracting;
- (2) Exercise all budgeting, purchasing, reporting, and related management functions;
- (3) Conduct investigations to determine compliance with sections 324.950 to 324.983; and
- (4) File suit in its own name on behalf of the office to enforce the provisions of sections 324.950 to 324.983.

324.959. 1. The applicant for a statewide mechanical license shall satisfy the following requirements:

- (1) Be at least twenty-one years of age;
- (2) Provide proof of liability insurance in the amount of five hundred thousand dollars and post bond with each political subdivision in which he or she will perform work as required by that political subdivision;
- (3) Pass one of the following standardized and nationally offered mechanical assessment tests:
 - (a) International Code Council;
 - (b) Prometric; or

(c) North American Technician Excellence (NATE) certification; or a similar test that is administered by an independent professional testing agency not affiliated with any political subdivision or the state of Missouri and is approved by the division. The applicant shall pay for all costs associated with the examinations;

(4) Complete the application form provided by the division and pay any applicable application fees; and

(5) Have completed seven thousand five hundred hours of verifiable field experience in the mechanical industry or a bachelor's or further advanced degree in mechanical or civil engineering from an accredited college or university with a minimum of three years verifiable experience directing and supervising at least one field employee.

2. Any applicant for licensure who holds a local license as defined in section 324.950, or other license authorizing him or her to engage in mechanical contracting, who has seven thousand five hundred hours of verifiable field experience in the mechanical industry, and who is otherwise eligible for licensure shall be issued a statewide mechanical license, therefore becoming a statewide mechanical license holder. The provisions of this subsection shall apply only to licenses issued by a political subdivision with the legal authority to issue such licenses.

3. If a corporation, firm, institution, organization, company, or representative thereof desires to engage in mechanical contracting licensed under sections 324.950 to 324.985, it shall have in its employ at least one license holder who possesses a statewide license in accordance with sections 324.950 to 324.983. A statewide licensed mechanical license holder shall represent only one corporation, firm, institution, organization, or company at one time.

4. The division may issue a mechanical contractor license to any person who holds a current and active license to engage in the practice of a mechanical contractor or as a master pipefitter or master plumber issued by any other state, the District of Columbia, or territories of the United States that require standards for licensure, registration, or certification considered to be equivalent or more stringent than the requirements for licensure under sections 324.950 to 324.983.

324.962. 1. Political subdivisions shall not be prohibited from establishing their own local mechanical contractor's license but shall recognize a statewide license in lieu of a local license for the purposes of performing contracting work or obtaining permits to perform work within such political subdivision. No political subdivision shall require the employees of a statewide licensed mechanical contractor or its subcontractors or manufacturers' representatives to obtain journeyman licenses, apprentice licenses, or occupation licenses that require passing any examination or any special requirements to assess proficiency or mastery of the mechanical trade. The workforce of a statewide licensee shall be deemed eligible to perform mechanical contracting work and to obtain permits to perform such work from any political subdivision within the state of Missouri.

2. If a political subdivision does not recognize a statewide license in lieu of a local license for the purposes of performing contracting work or obtaining permits to perform work within the political subdivision, a statewide mechanical contractor licensee may file a complaint with the division. The division shall perform an investigation into the complaint, and if the division finds that the political subdivision failed to recognize a statewide license in accordance with this section, the division shall notify the political subdivision that the political subdivision has violated the provisions of this section and has thirty days to comply with this section. If after thirty days the political subdivision still does not recognize a statewide license, the division shall notify the director of the department of revenue, who shall withhold any moneys the noncompliant political subdivision would otherwise be entitled to from local sales tax, as defined in section 32.085, until the director has received notice from the division that the political subdivision is in compliance with this section. Upon the political subdivision coming into compliance with the provisions of this section, the division shall notify the director of the department of revenue, who shall disburse all funds held under this subsection. Moneys held by the director of the department of revenue under this subsection shall not be deemed to be state funds and shall not be commingled with any funds of the state.

3. The provisions of this section shall not prohibit any political subdivision in this state from:

- (1) Enforcing any code or law contained in this section;
- (2) Requiring a business license to perform mechanical contracting work;
- (3) Issuing mechanical contracting permits;
- (4) Enforcing codes of the political subdivision; and

(5) Inspecting the work of a statewide mechanical contractor.

4. Political subdivisions that do not have the authority to issue or require mechanical contractor licenses prior to August 28, 2019, shall not be granted such authority under the provisions of this section.

324.965. There is hereby created in the state treasury the "Missouri Mechanical Contractor Licensing Fund", which shall consist of moneys collected under sections 324.950 to 324.983. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180. Upon appropriation, moneys in the fund shall be used solely for the administration of sections 324.950 to 324.983. The provisions of section 33.080 to the contrary notwithstanding, moneys in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds three times the amount of the appropriation from the fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the fund for the preceding fiscal year. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

324.968. 1. Licenses shall expire on a renewal date established by the division. The term of licensure shall be twenty-four months. The division shall mail a renewal notice to the last known address of each person licensed under sections 324.950 to 324.983 prior to the renewal date. Failure to provide the division with the information required for renewal or to pay the required fee after such notice shall result in the license being declared inactive. The licensee shall not practice until he or she applies for reinstatement and pays the required fees. The license shall be restored if the application for reinstatement is received within two years of the renewal date.

2. The board shall, within the scope and purview of the provisions of this chapter, prescribe the duties of its officers and employees and adopt, publish and enforce the rules and regulations of professional conduct which shall establish and maintain appropriate standards of competence and integrity in the professions of architecture, professional engineering, professional land surveying and professional landscape architecture, and adopt, publish and enforce procedural rules and regulations as may be considered by the board to be necessary or proper for the conduct of the board's business and the management of its affairs, and for the effective administration and interpretation of the provisions of this chapter. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this chapter shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. 2. Any such action shall be commenced either in the county in which such conduct occurred or in the county in which the defendant resides.

3. Any action brought ~~[pursuant to]~~ **under** this section shall be in addition to and not in lieu of any remedy provided by this chapter and may be brought concurrently with other actions to enforce this chapter.

4. If the board files a complaint with the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, either singularly or in combination with other provisions of this chapter, impose a civil penalty as provided for in section 327.077 against the person named in the complaint.

If the penalty is not timely paid, the board shall notify the attorney general. The attorney general may commence an action to recover the amount of the penalty, including reasonable attorney fees and costs and a surcharge of fifteen percent of the penalty plus ten percent per annum on any amounts owed. In such action, the validity and appropriateness of the final order imposing the civil penalty shall not be subject to review.

5. An action to enforce an order under this section may be joined with an action for an injunction.

6. Any offer of settlement to resolve a civil penalty under this section shall be in writing, state that an action for imposition of a civil penalty may be initiated by the attorney general representing the board under this section, and identify any dollar amount as an offer of settlement, which shall be negotiated in good faith through conference, conciliation, and persuasion.

Thereafter, the board shall be governed by and shall proceed in accordance with the provisions of chapter 621.

4. If the charges contained in the affidavit filed with the board would constitute a cause or causes for which ~~[pursuant to]~~ **under** the provisions of this chapter an accused's license ~~[or certificate of authority]~~ should not be renewed or a cause or causes for which ~~[pursuant to]~~ **under** the provisions of this chapter a ~~[certificate]~~ **license** should not be issued, the board shall cause an investigation to be made of the charge or charges and unless the investigation discloses the falsity of the facts upon which the charge or charges contained in the affidavit are based, the board shall refuse to permit an applicant to be examined upon the applicant's qualifications for licensure or shall refuse to issue or renew a license ~~[or certificate of authority]~~, as the case may require.

(3) (a) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subdivision (2) of this subsection and that an injunction prohibiting the conduct would not be sufficient to prevent the paid tax return preparer's interference with the proper administration of the laws of this state, the court may enjoin the paid tax return preparer from acting as a paid tax return preparer in Missouri.

(b) Being enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction under this section shall establish a prima facie case for an injunction to be issued under this section. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by section 382.170 that control does not exist in fact. The director may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect;

(4) "Enterprise risk", any activity, circumstance, event, or series of events involving one or more affiliates of an insurer that, if not remedied promptly, is likely to have a material adverse effect upon the financial condition or liquidity of the insurer or its insurance holding company system as a whole including, but not limited to, anything that would cause the insurer's risk-based capital to fall into company action level as set forth in section 375.1255 or would cause the insurer to be in hazardous financial condition as set forth in section 375.539;

(5) **"Group-wide supervisor", the regulatory official authorized to engage in conducting and coordinating group-wide supervisory activities who is determined or acknowledged by the director, under section 382.227, to have sufficient significant contacts with the internationally active insurance group;**

(6) "Insurance holding company system", two or more affiliated persons, one or more of which is an insurer;

~~(6)~~ (7) "Insurer", an insurance company as defined in section 375.012, including a reciprocal or interinsurance exchange, and which is qualified and licensed by the department of insurance, financial institutions and professional registration of Missouri to transact the business of insurance in this state; but it shall not include any company organized and doing business under chapter 377, 378, or 380, agencies, authorities, or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state;

~~(7)~~ (8) **"Internationally active insurance group", an insurance holding company system that includes an insurer registered under sections 382.100 to 382.180, and meets the following criteria:**

(a) **Premiums written in at least three countries;**

(b) **The percentage of gross premiums written outside the United States is at least ten percent of the insurance holding company system's total gross written premiums; and**

(c) Based on a three-year rolling average, the total assets of the insurance holding company system are at least fifty billion dollars, or the total gross written premiums of the insurance holding company system are at least ten billion dollars;

(9) "Person", an individual, corporation, limited liability company, partnership, association, joint stock company, trust, unincorporated organization, or any similar entity, or any combination of the foregoing acting in concert, but shall not include any joint venture partnership exclusively engaged in owning, managing, leasing, or developing real or tangible personal property;

~~[(8)]~~ (10) A "securityholder" of a specified person is one who owns any security of that person, including common stock, preferred stock, debt obligations, and any other security convertible into or evidencing the right to acquire any of the foregoing;

~~[(10)]~~ (12) The term "voting security" includes any security convertible into or evidencing a right to acquire a voting security.

382.227. 1. The director is authorized to act as the group-wide supervisor for any internationally active insurance group in accordance with the provisions of this section. However, the director may otherwise acknowledge another regulatory official as the group-wide supervisor if the internationally active insurance group:

(1) Does not have substantial insurance operations in the United States;

(2) Has substantial insurance operations in the United States but not in this state; or

(3) Has substantial insurance operations in the United States and in this state but the director has determined, pursuant to the factors set forth in subsections 3 and 9 of this section, that another regulatory official is the appropriate group-wide supervisor.

2. An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the director make a determination or acknowledgment as to a group-wide supervisor pursuant to this section.

3. In cooperation with other state, federal, and international regulatory agencies, the director shall identify a single group-wide supervisor for an internationally active insurance group. The director may determine that the director is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this state. However, the director may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. The director shall consider the following factors when making a determination or acknowledgment under this subsection:

(1) The domicile of the insurers within the internationally active insurance group that hold the largest share of the internationally active insurance group's written premiums, assets, or liabilities;

(2) The domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group;

(3) The location of the executive offices or largest operational offices of the internationally active insurance group;

(4) Whether another regulatory official is acting as or is seeking to act as the group-wide supervisor under a regulatory system that the director determines to be:

(a) Substantially similar to the system of regulation provided under the laws of this state; or

(b) Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials; and

(5) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the director with reasonably reciprocal recognition and cooperation.

4. A director identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor. The acknowledgment of the group-wide supervisor shall be made after consideration of the factors listed in subdivisions (1) to (5) of subsection 3 of this section, and shall be made in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

5. Notwithstanding any other provision of the law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the director shall acknowledge that regulatory official as the group-wide supervisor, subject to subsection 6 of this section. In the event of a

material change in the internationally active insurance group that results in either the internationally active insurance group's insurers domiciled in this state holding the largest share of the internationally active insurance group's premiums, assets, or liabilities, or this state being the domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group, the director shall make a determination or acknowledgment as to the appropriate group-wide supervisor for such an internationally active insurance group under subsections 3 and 4 of this section.

6. In the event of a dispute as to the proper regulatory official to act as group-wide supervisor, a determination by the director not to acknowledge the current group-wide supervisor shall be made only after notice and a public hearing, and such determination shall be accompanied by specific findings of fact and conclusions of law including, but not limited to, application of the factors listed in subdivisions (1) to (5) of subsection 3 of this section.

7. Under section 382.220, the director is authorized to collect from any insurer registered under sections 382.100 to 382.180 all information necessary to determine whether the director may act as the group-wide supervisor of an internationally active insurance group or if the director may acknowledge another regulatory official to act as the group-wide supervisor. Prior to issuing a determination that an internationally active insurance group is subject to group-wide supervision by the director, the director shall notify the insurer registered under sections 382.100 to 382.180 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have not less than thirty days to provide the director with additional information pertinent to the pending determination. The director shall publish on the department's website the identity of internationally active insurance groups that the director has determined are subject to group-wide supervision by the director.

8. If the director is the group-wide supervisor for an internationally active insurance group, the director is authorized to engage in any of the following group-wide supervisory activities:

- (1) Assess the enterprise risks within the internationally active insurance group to ensure that:
 - (a) The material financial condition and liquidity risks to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management; and
 - (b) Reasonable and effective mitigation measures are in place;
- (2) Request, from any member of an internationally active insurance group subject to the director's supervision, information necessary and appropriate to assess enterprise risk including, but not limited to, information about the members of the internationally active insurance group regarding:
 - (a) Governance, risk assessment, and management;
 - (b) Capital adequacy; and
 - (c) Material intercompany transactions;
- (3) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of such internationally active insurance group that are engaged in the business of insurance;
- (4) Communicate with other state, federal, and international regulatory agencies for members within the internationally active insurance group and share relevant information subject to the confidentiality provisions of section 382.230, through supervisory colleges as set forth in section 382.226 or otherwise;
- (5) Enter into agreements with or obtain documentation from any insurer registered under sections 382.100 to 382.180, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the director's role as group-wide supervisor, including provisions for resolving disputes with other regulatory officials. Such agreements or documentation shall not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this state is doing business in this state or is otherwise subject to jurisdiction in this state; and
- (6) Other group-wide supervision activities, consistent with the authorities and purposes enumerated in this subsection, as considered necessary by the director.

9. If the director acknowledges that another regulatory official from a jurisdiction that is not accredited by the National Association of Insurance Commissioners is the group-wide supervisor, the director is authorized to reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor, provided that:

(1) The director's cooperation is in compliance with the laws of this state; and
(2) The regulatory official acknowledged as the group-wide supervisor also recognizes and cooperates with the director's activities as a group-wide supervisor for other internationally active insurance groups where applicable. Where such recognition and cooperation are not reasonably reciprocal, the director is authorized to refuse recognition and cooperation.

10. The director is authorized to enter into agreements with, or obtain documentation from, any insurer registered under sections 382.100 to 382.180, any affiliate of the insurer, and other state, federal, and international regulatory agencies, regarding members of the internationally active insurance group, which provides the basis for or otherwise clarifies a regulatory official's role as group-wide supervisor.

11. The director may promulgate regulations necessary for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

12. An insurer registered under sections 382.100 to 382.180 and subject to this section shall be liable for and shall pay the reasonable expenses of the director's participation in the administration of this section, including the engagements of attorneys, actuaries, and any other professionals and all reasonable travel expenses.

382.230. 1. All information, documents and copies thereof in the possession or control of the director that are obtained by or disclosed to the director or any other person in the course of an examination or investigation made under section 382.220 and all information reported **or provided to the director** under subdivisions (13) and (14) of subsection 1 of section 382.050 ~~and~~, sections 382.100 to 382.210, **and section 382.227** shall be given confidential treatment and privileges; shall not be subject to the provisions of chapter 610; shall not be subject to subpoena; shall not be made public by the director, the National Association of Insurance Commissioners, or any other person, except to the chief insurance regulatory official of other states; and shall not be subject to discovery or admissible as evidence in any private civil action. However, the director is authorized to use the documents, materials, or other information in furtherance of any regulatory or legal action brought as a part of the director's official duties. The director shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer to which it pertains unless the director, after giving the insurer and its affiliates who would be affected thereby, notice and opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be served by the publication thereof, in which event the director may publish all or any part thereof in such manner as he or she may deem appropriate.

2. Neither the director nor any person who receives documents, materials, or other information while acting under the authority of the director or with whom such documents, materials, or other information is shared under sections 382.010 to 382.300 shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or other information subject to subsection 1 of this section.

3. In order to assist in the performance of the director's duties, the director:

(1) May share documents, materials, or other information including the confidential and privileged documents, materials, or other information subject to subsection 1 of this section with other state, federal, and international financial regulatory agencies, with the National Association of Insurance Commissioners and its affiliates and subsidiaries, and with state, federal, and international law enforcement authorities including members of any supervisory college described in section 382.225; provided that the recipient agrees in writing to maintain the confidentiality and privileged status of such documents, materials, or other information, and has verified in writing the legal authority to maintain confidentiality;

(2) Notwithstanding the provisions of subsection 1 of this section and subdivision (1) of this subsection, may share confidential and privileged documents, materials, or other information reported under section 382.175 only with the directors of states having statutes or regulations substantially similar to subsection 1 of this section and who have agreed in writing not to disclose such information;

(3) May receive documents, materials, or other information including otherwise confidential and privileged documents, materials, or information from the National Association of Insurance Commissioners and its affiliates and subsidiaries and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any documents, materials, or other information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or other information; and

(4) Shall enter into a written agreement with the National Association of Insurance Commissioners governing sharing and use of information provided under sections 382.010 to 382.300 consistent with this subsection that shall:

(a) Specify procedures and protocols regarding the confidentiality and security of information shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300 including procedures and protocols for sharing by the National Association of Insurance Commissioners with other state, federal, and international regulators;

(b) Specify that ownership of information shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300 remains with the director and that the National Association of Insurance Commissioners' use of such information is subject to the direction of the director;

(c) Require prompt notice to be given to an insurer whose confidential information in the possession of the National Association of Insurance Commissioners under sections 382.010 to 382.300 is subject to a request or subpoena to the National Association of Insurance Commissioners for disclosure or production; and

(d) Require the National Association of Insurance Commissioners and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the National Association of Insurance Commissioners and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300.

4. The sharing of information by the director under sections 382.010 to 382.300 shall not constitute a delegation of regulatory or rulemaking authority, and the director is solely responsible for the administration, execution, and enforcement of the provisions of sections 382.010 to 382.300.

5. No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or other information shall occur as a result of disclosure of such documents, materials, or other information to the director under this section or as a result of sharing as authorized in sections 382.010 to 382.300.

6. Documents, materials, or other information in the possession or control of the National Association of Insurance Commissioners under sections 382.010 to 382.300 shall be confidential by law and privileged, shall not be subject to disclosure under chapter 610, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action."; and

If the prescription is for an animal, it shall state the species of the animal for which the drug is prescribed. The person filling the prescription shall either write the date of filling and his or her own signature on the prescription or retain the date of filling and the identity of the dispenser as electronic prescription information. The prescription or electronic prescription information shall be retained on file by the proprietor of the pharmacy in which it is filled for a period of two years, so as to be readily accessible for inspection by any public officer or employee engaged in the enforcement of this law. No prescription for a drug in Schedule I or II shall be filled more than six months after the date prescribed; no prescription for a drug in Schedule I or II shall be refilled; no prescription for a drug in Schedule III or IV shall be filled or refilled more than six months after the date of the original prescription or be refilled more than five times unless renewed by the practitioner.

2. A pharmacist, in good faith, may sell and dispense controlled substances to any person upon a prescription of a practitioner located in another state, provided that the:

(1) Prescription was issued according to and in compliance with the applicable laws of that state and the United States; and

(2) Quantity limitations in subsection 4 of section 195.080 apply to prescriptions dispensed to patients located in this state.

3. The legal owner of any stock of controlled substances in a pharmacy, upon discontinuance of dealing in such drugs, may sell the stock to a manufacturer, wholesaler, or pharmacist, but only on an official written order.

4. A pharmacist, in good faith, may sell and dispense any Schedule II drug or drugs to any person in emergency situations as defined by rule of the department of health and senior services upon an oral prescription by an authorized practitioner.

2. Unless otherwise provided in sections 334.037, 334.104, and 334.747, a practitioner, other than a veterinarian, shall not issue an initial prescription for more than a seven-day supply of any opioid controlled substance upon the initial consultation and treatment of a patient for acute pain. Upon any subsequent consultation for the same pain, the practitioner may issue any appropriate renewal, refill, or new prescription in compliance with the general provisions of this chapter and chapter 579. Prior to issuing an initial prescription for an opioid controlled substance, a practitioner shall consult with the patient regarding the quantity of the opioid and the patient's option to fill the prescription in a lesser quantity and shall inform the patient of the risks associated with the opioid prescribed. If, in the professional medical judgment of the practitioner, more than a seven-day supply is required to treat the patient's acute pain, the practitioner may issue a prescription for the quantity needed to treat the patient; provided, that the practitioner shall document in the patient's medical record the condition triggering the necessity for more than a seven-day supply and that a nonopioid alternative was not appropriate to address the patient's condition. The provisions of this subsection shall not apply to prescriptions for opioid controlled substances for a patient who is currently undergoing treatment for cancer **or sickle cell disease**, is receiving hospice care from a hospice certified under chapter 197 or palliative care, is a resident of a long-term care facility licensed under chapter 198, or is receiving treatment for substance abuse or opioid dependence.

The administrative hearing commission shall, if requested by the licensee or registrant named in the complaint, set a date to hold a full hearing under the provisions of chapter 621 regarding the activities alleged in the initial complaint filed by the board.

6. If the administrative hearing commission dismisses the action filed by the board pursuant to subsection 4 of this section, such dismissal shall not bar the board from initiating a subsequent action on the same grounds.

(3) In connection with the design and construction of covered multifamily dwellings for first occupancy after March 13, 1991, a failure to design and construct those dwellings in such a manner that:

(a) The public use and common use portions of such dwellings are readily accessible to and usable by persons with a disability;

(b) All the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by persons with a disability in wheelchairs; and

(c) All premises within such dwellings contain the following features of adaptive design:

a. An accessible route into and through the dwelling;

b. Light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

c. Reinforcements in bathroom walls to allow later installation of grab bars; and

d. Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

3. As used in subdivision (3) of subsection 2 of this section, the term "covered multifamily dwelling" means:

(1) Buildings consisting of four or more units if such buildings have one or more elevators; and

(2) Ground floor units in other buildings consisting of four or more units.

4. Compliance with the appropriate requirements of the American National Standard for Buildings and Facilities providing accessibility and usability for people with physical disabilities, commonly cited as "ANSI A117.1", suffices to satisfy the requirements of paragraph (a) of subdivision (3) of subsection 2 of this section.

5. Where a unit of general local government has incorporated into its laws the requirements set forth in subdivision (3) of subsection 2 of this section, compliance with such laws shall be deemed to satisfy the requirements of that subdivision. Such compliance shall be subject to the following provisions:

(1) A unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of subdivision (3) of subsection 2 of this section are met;

(2) The commission shall encourage, but may not require, the units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with subdivision (3) of subsection 2 of this section, and shall provide technical assistance to units of local government and other persons to implement the requirements of subdivision (3) of subsection 2 of this section;

(3) Nothing in this chapter shall be construed to require the commission to review or approve the plans, designs or construction of all covered dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of subdivision (3) of subsection 2 of this section.

6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords persons with disabilities greater access than is required by this chapter.

7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any reasonable local or state restriction regarding the maximum number of occupants permitted to occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050 regarding familial status apply with respect to housing for older persons.

9. As used in this section and sections 213.045 and 213.050, “housing for older persons” means housing:

(1) Provided under any state or federal program that the commission determines is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) Intended for, and solely occupied by, persons sixty-two years of age or older; or

(3) Intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing qualifies as housing for older persons under this subsection, the commission shall develop regulations which require at least the following factors:

(a) The existence of significant facilities and services specifically designed to meet the physical or social needs of older persons, or if the provision of such facilities and services is not practicable, that such housing is necessary to provide important housing opportunities for older persons; and

(b) That at least eighty percent of the units are occupied by at least one person fifty-five years of age or older per unit; and

(c) The publication of, and adherence to, policies and procedures which demonstrate an intent by the owner or manager to provide housing for persons fifty-five years of age or older.

10. Housing shall not fail to meet the requirements for housing for older persons by reason of:

(1) Persons residing in such housing as of August 28, 1992, who do not meet the age requirements of subdivision (2) or (3) of subsection 9 of this section, provided that new occupants of such housing meet the age requirements of subdivision (2) or (3) of subsection 9 of this section; or

(2) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a person because such person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance, as defined by section 195.010.

12. Nothing in this chapter shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private club not in fact open to the public, which as an incident to its primary purpose or purposes provides lodging which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members.

13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in subdivision (3) of subsection 1 of this section, shall apply to:

(1) The sale or rental of any single family house by a private individual owner, provided the following conditions are met:

(a) The private individual owner does not own or have any interest in more than three single family houses at any one time; and

(b) The house is sold or rented without the use of a real estate broker, agent or salesperson or the facilities of any person in the business of selling or renting dwellings and without publication, posting or mailing of any advertisement. If the owner selling the house does not reside in it at the time of the sale or was not the most recent resident of the house prior to such sale, the exemption in this section applies to only one such sale in any twenty-four-month period; or

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence.

213.045. It shall be unlawful for any bank, building and loan association, insurance company or other corporation, association, firm or enterprise whose business consists in whole or in part in the making of commercial real estate loans, to deny a loan or other financial assistance because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability or familial status to a person applying therefor for the purpose of purchasing, construction, improving, repairing, or maintaining a dwelling, or to discriminate against ~~him~~ **such person** in fixing of the amount, interest rate, duration or other terms or conditions of such loan or other financial assistance, because of the race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability, or familial status of such person or of any person associated with ~~him~~ **such person** in connection with such loan or other financial assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in relation to which such loan or other financial assistance is to be made or given.

213.050. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service organization, or facility relating to the business of selling or renting dwellings, because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability, or familial status.

213.055. 1. It shall be an unlawful employment practice:

(1) For an employer, because of the race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability of any individual:

(a) To fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to ~~his~~ **such individual's** compensation, terms, conditions, or privileges of employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability;

(b) To limit, segregate, or classify ~~his~~ employees or ~~his~~ employment applicants in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect ~~his~~ **such individual's** status as an employee, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability;

(2) For a labor organization to exclude or to expel from its membership any individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability of any individual; or to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect ~~his~~ **such individual's** status as an employee or as an applicant for employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability; or for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of ~~his~~ **such individual's** race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability in admission to, or employment in, any program established to provide apprenticeship or other training;

(3) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability unless based upon a bona fide occupational qualification or for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his or her race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age as it relates to employment, or disability, or to classify or refer for employment any individual because of his or her race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability.

2. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or quality of production or to employees who work in different locations, provided that such differences or such systems are not the result of an intention or a design to discriminate, and are not used to discriminate, because of race, color, religion, sex, **sexual orientation, gender identity**, national origin, ancestry, age or disability, nor shall it be an unlawful employment practice for an employer to give and to act upon the results of any professionally developed ability test, provided that such test, its administration, or action upon the results thereof, is not designed, intended or used to discriminate because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability.

3. Nothing contained in this chapter shall be interpreted to require any employer, employment agency, labor organization, or joint labor-management committee subject to this chapter to grant preferential treatment to any individual or to any group because of the race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability of such individual or group on account of an imbalance which may exist with respect to the total number or percentage of persons of any race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability employed by any employer, referred or classified for employment by any employment agency or labor organization, admitted to membership or classified by any labor organization, or admitted to or employed in any apprenticeship or other training program, in comparison with the total number or percentage of persons of such race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability in any community, state, section, or other area, or in the available workforce in any community, state, section, or other area.

4. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for the state or any political subdivision of the state to comply with the provisions of 29 U.S.C. Section 623 relating to employment as firefighters or law enforcement officers.

213.065. 1. All persons within the jurisdiction of the state of Missouri are free and equal and shall be entitled to the full and equal use and enjoyment within this state of any place of public accommodation, as hereinafter defined, without discrimination or segregation because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, or disability.

2. It is an unlawful discriminatory practice for any person, directly or indirectly, to refuse, withhold from or deny any other person, or to attempt to refuse, withhold from or deny any other person, any of the accommodations, advantages, facilities, services, or privileges made available in any place of public accommodation, as defined in section 213.010 and this section, or to segregate or discriminate against any such person in the use thereof because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, or disability.

3. The provisions of this section shall not apply to a private club, a place of accommodation owned by or operated on behalf of a religious corporation, association or society, or other establishment which is not in fact open to the public, unless the facilities of such establishments are made available to the customers or patrons of a place of public accommodation as defined in section 213.010 and this section.

213.070. 1. It shall be an unlawful discriminatory practice for an employer, employment agency, labor organization, or place of public accommodation:

(1) To aid, abet, incite, compel, or coerce the commission of acts prohibited under this chapter or to attempt to do so;

(2) To retaliate or discriminate in any manner against any other person because such person has opposed any practice prohibited by this chapter or because such person has filed a complaint, testified, assisted, or participated in any manner in any investigation, proceeding or hearing conducted pursuant to this chapter;

(3) For the state or any political subdivision of this state to discriminate on the basis of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age, as it relates to employment, disability, or familial status as it relates to housing; or

(4) To discriminate in any manner against any other person because of such person's association with any person protected by this chapter.

2. This chapter, in addition to chapter 285 and chapter 287, shall provide the exclusive remedy for any and all claims for injury or damages arising out of an employment relationship.

213.101. 1. The provisions of this chapter shall be construed to accomplish the purposes thereof and any law inconsistent with any provision of this chapter shall not apply. Nothing contained in this chapter shall be

deemed to repeal any of the provisions of any law of this state relating to discrimination because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age, disability, or familial status.

2. The general assembly hereby expressly abrogates the case of *McBryde v. Ritenour School District*, 207 S.W.3d 162 (Mo.App. E.D. 2006), and its progeny as it relates to the necessity and appropriateness of the issuance of a business judgment instruction. In all civil actions brought under this chapter, a jury shall be given an instruction expressing the business judgment rule.

3. If an employer in a case brought under this chapter files a motion pursuant to rule 74.04 of the Missouri rules of civil procedure, the court shall consider the burden-shifting analysis of *McDonnell Douglas Corp. v. Green*, 411 U.S. 792 (1973), and its progeny to be highly persuasive for analysis in cases not involving direct evidence of discrimination.

4. The general assembly hereby expressly abrogates by this statute the cases of *Daugherty v. City of Maryland Heights*, 231 S.W.3d 814 (Mo. 2007) and its progeny as they relate to the contributing factor standard and abandonment of the burden-shifting framework established in *McDonnell Douglas Corp. v. Green*, 411 U.S. 792 (1973).

5. The general assembly hereby expressly abrogates by this statute the holding in *Hurst v. Kansas City Mo. School District*, 437 S.W.3d 327 (Mo.App. W.D. 2014), that Missouri Approved Instruction 19.01 may be applied to actions brought pursuant to this chapter, and the holding in *Thomas v. McKeever's Enterprises, Inc.*, 388 S.W.3d 206 (Mo.App. W.D. 2012), that juries shall not be instructed that plaintiffs bear the burden of establishing "but for" causation in actions brought pursuant to this chapter.

6. The general assembly hereby abrogates all Missouri-approved jury instructions specifically addressing civil actions brought under this chapter which were in effect prior to August 28, ~~[2017]~~ **2019**."; and

Re: Possible Personal Interest in Legislation

Dear Madam Clerk:

Pursuant to Section 105.461, RSMo, I am hereby filing a written report of a possible personal interest in legislation on which the House of Representatives may vote during the legislative session.

I am a member of the Missouri Local Government Employees Retirement and Missouri State Employee Retirement Systems. Also, I have contributed to organizations and received the Missouri Pregnancy Resource Center Tax Credit and may do so in the future. I have disclosed these interests in the appropriate ethics or related reporting. Another interest which does not appear to require such reporting but which may be subject of the House Budget committee is the Long Term Care Insurance deduction.

In compliance with Section 105.461, please publish this letter in the Journal of the House.

Thank you for your attention on this matter.

Very Sincerely,

/s/ John F. Black

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SEVENTIETH DAY, WEDNESDAY, MAY 15, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Let the words of my mouth, and the meditation of my heart, be acceptable in Your sight, O Lord, my strength and my Redeemer. (Psalm 19:14)

Our God, who is in heaven, we come to You conscious of our shortcomings and our sins yet confident that You are with us and that, with You, sins are forgiven, discouragement gives way to encouragement, fear changes to faith, and a new glory enters human life.

Give us the courage of our convictions – the confidence to say "yes" to what is right, the courage to say "no" to what is wrong, and the wisdom and the insight to know the difference. May this spirit enter the hearts of all our people, so shall we be children of Yours, serving You faithfully all our days. Let the words of our mouths and the meditations of our hearts be acceptable in Your sight, O Lord, our strength and our Redeemer, in the people's house.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-ninth day was approved as printed by the following vote:

Senate Amendment No. 2

"208.930. 1. As used in this section, the term "department" shall mean the department of health and senior services.

2. Subject to appropriations, the department may provide financial assistance for consumer-directed personal care assistance services through eligible vendors, as provided in sections 208.900 through 208.927, to each person who was participating as a non-MO HealthNet eligible client pursuant to sections 178.661 through 178.673 on June 30, 2005, and who:

- (1) Makes application to the department;
- (2) Demonstrates financial need and eligibility under subsection 3 of this section;
- (3) Meets all the criteria set forth in sections 208.900 through 208.927, except for subdivision (5) of subsection 1 of section 208.903;
- (4) Has been found by the department of social services not to be eligible to participate under guidelines established by the MO HealthNet plan; and
- (5) Does not have access to affordable employer-sponsored health care insurance or other affordable health care coverage for personal care assistance services as defined in section 208.900. For purposes of this section, "access to affordable employer-sponsored health care insurance or other affordable health care coverage" refers to health insurance requiring a monthly premium less than or equal to one hundred thirty-three percent of the monthly average premium required in the state's current Missouri consolidated health care plan.

Payments made by the department under the provisions of this section shall be made only after all other available sources of payment have been exhausted.

3. (1) In order to be eligible for financial assistance for consumer-directed personal care assistance services under this section, a person shall demonstrate financial need, which shall be based on the adjusted gross income and the assets of the person seeking financial assistance and such person's spouse.

(2) In order to demonstrate financial need, a person seeking financial assistance under this section and such person's spouse must have an adjusted gross income, less disability-related medical expenses, as approved by the department, that is equal to or less than three hundred percent of the federal poverty level. The adjusted gross income shall be based on the most recent income tax return.

(3) No person seeking financial assistance for personal care services under this section and such person's spouse shall have assets in excess of two hundred fifty thousand dollars.

4. The department shall require applicants and the applicant's spouse, and consumers and the consumer's spouse, to provide documentation for income, assets, and disability-related medical expenses for the purpose of determining financial need and eligibility for the program. In addition to the most recent income tax return, such documentation may include, but shall not be limited to:

- (1) Current wage stubs for the applicant or consumer and the applicant's or consumer's spouse;
- (2) A current W-2 form for the applicant or consumer and the applicant's or consumer's spouse;

- (3) Statements from the applicant's or consumer's and the applicant's or consumer's spouse's employers;
- (4) Wage matches with the division of employment security;
- (5) Bank statements; and
- (6) Evidence of disability-related medical expenses and proof of payment.

5. A personal care assistance services plan shall be developed by the department pursuant to section 208.906 for each person who is determined to be eligible and in financial need under the provisions of this section. The plan developed by the department shall include the maximum amount of financial assistance allowed by the department, subject to appropriation, for such services.

6. Each consumer who participates in the program is responsible for a monthly premium equal to the average premium required for the Missouri consolidated health care plan; provided that the total premium described in this section shall not exceed five percent of the consumer's and the consumer's spouse's adjusted gross income for the year involved.

7. (1) Nonpayment of the premium required in subsection 6 shall result in the denial or termination of assistance, unless the person demonstrates good cause for such nonpayment.

(2) No person denied services for nonpayment of a premium shall receive services unless such person shows good cause for nonpayment and makes payments for past-due premiums as well as current premiums.

(3) Any person who is denied services for nonpayment of a premium and who does not make any payments for past-due premiums for sixty consecutive days shall have their enrollment in the program terminated.

(4) No person whose enrollment in the program is terminated for nonpayment of a premium when such nonpayment exceeds sixty consecutive days shall be reenrolled unless such person pays any past-due premiums as well as current premiums prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument.

8. (1) Consumers determined eligible for personal care assistance services under the provisions of this section shall be reevaluated annually to verify their continued eligibility and financial need. The amount of financial assistance for consumer-directed personal care assistance services received by the consumer shall be adjusted or eliminated based on the outcome of the reevaluation. Any adjustments made shall be recorded in the consumer's personal care assistance services plan.

(2) In performing the annual reevaluation of financial need, the department shall annually send a reverification eligibility form letter to the consumer requiring the consumer to respond within ten days of receiving the letter and to provide income and disability-related medical expense verification documentation. If the department does not receive the consumer's response and documentation within the ten-day period, the department shall send a letter notifying the consumer that he or she has ten days to file an appeal or the case will be closed.

(3) The department shall require the consumer and the consumer's spouse to provide documentation for income and disability-related medical expense verification for purposes of the eligibility review. Such documentation may include but shall not be limited to the documentation listed in subsection 4 of this section.

9. (1) Applicants for personal care assistance services and consumers receiving such services pursuant to this section are entitled to a hearing with the department of social services if eligibility for personal care assistance services is denied, if the type or amount of services is set at a level less than the consumer believes is necessary, if disputes arise after preparation of the personal care assistance plan concerning the provision of such services, or if services are discontinued as provided in section 208.924. Services provided under the provisions of this section shall continue during the appeal process.

(2) A request for such hearing shall be made to the department of social services in writing in the form prescribed by the department of social services within ninety days after the mailing or delivery of the written decision of the department of health and senior services. The procedures for such requests and for the hearings shall be as set forth in section 208.080.

10. Unless otherwise provided in this section, all other provisions of sections 208.900 through 208.927 shall apply to individuals who are eligible for financial assistance for personal care assistance services under this section.

11. The department may promulgate rules and regulations, including emergency rules, to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Any provisions of the existing rules regarding the personal care assistance program promulgated by the department of elementary and secondary education in title 5, code of state regulations, division 90, chapter 7, which are inconsistent with the provisions of this section are void and of no force and effect.

~~[12. The provisions of this section shall expire on June 30, 2019.]~~"; and

2. (1) Health care professionals ~~may~~ **shall** send any claim for charges incurred for unanticipated out-of-network care to the patient's health carrier within one hundred eighty days of the delivery of the unanticipated out-of-network care on a U.S. Centers of Medicare and Medicaid Services Form 1500, or its successor form, or electronically using the 837 HIPAA format, or its successor.

(2) Within forty-five processing days, as defined in section 376.383, of receiving the health care professional's claim, the health carrier shall offer to pay the health care professional a reasonable reimbursement for unanticipated out-of-network care based on the health care professional's services. If the health care professional participates in one or more of the carrier's commercial networks, the offer of reimbursement for unanticipated out-of-network care shall be the amount from the network which has the highest reimbursement.

(3) If the health care professional declines the health carrier's initial offer of reimbursement, the health carrier and health care professional shall have sixty days from the date of the initial offer of reimbursement to negotiate in good faith to attempt to determine the reimbursement for the unanticipated out-of-network care.

(6) No health care professional who sends a claim to a health carrier under subsection 2 of this section shall send a bill to the patient for any difference between the reimbursement rate as determined under this subsection and the health care professional's billed charge.

3. (1) When unanticipated out-of-network care is provided, the health care professional who sends a claim to a health carrier under subsection 2 of this section may bill a patient for no more than the cost-sharing requirements described under this section.

The arbitrator shall provide a copy of the final decision to the director. The initial request for arbitration, all correspondence and documents received by the department and the final arbitration decision shall be considered a closed record under section 374.071. 6. The arbitrator shall determine a dollar amount due under subsection 2 of this section between one hundred twenty percent of the Medicare-allowed amount and the seventieth percentile of the usual and customary rate for the unanticipated out-of-network care, as determined by benchmarks from independent nonprofit organizations that are not affiliated with insurance carriers or provider organizations.

7. When determining a reasonable reimbursement rate, the arbitrator shall consider the following factors if the health care professional believes the payment offered for the unanticipated out-of-network care does not properly recognize:

- (1) The health care professional's training, education, or experience;
- (2) The nature of the service provided;
- (3) The health care professional's usual charge for comparable services provided;
- (4) The circumstances and complexity of the particular case, including the time and place the services were provided; and

8. The enrollee shall not be required to participate in the arbitration process. The health care professional and health carrier shall execute a nondisclosure agreement prior to engaging in an arbitration under this section.

3. The department shall promulgate rules specifying the standards and procedures for the collection, analysis, risk adjustment, and reporting of the incidence of health care-associated infections and the types of infections and procedures to be monitored pursuant to subsection 13 of this section. In promulgating such rules, the department shall:

(1) Use methodologies and systems for data collection established by the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor; and

The advisory panel recommendations shall address which hospitals shall be required as a condition of licensure to use the National Healthcare Safety Network for data collection; the use of the National Healthcare Safety Network for risk adjustment and analysis of hospital submitted data; and the use of the Centers for Medicare and Medicaid Services' Hospital Compare website, or its successor, for public reporting of the incidence of health care-associated infection metrics. The advisory panel shall consider the following factors in developing its recommendation:

(2) Whether the data provided to the public is subject to the same or greater accuracy of risk adjustment;

(3) Whether the public is provided with the same or greater specificity of reporting of infections by type of facility infections and procedures;

(4) Whether the data is subject to the same or greater level of confidentiality of the identity of an individual patient;

5. After considering the recommendations of the infection control advisory panel, and provided that the requirements of subsection 13 of this section can be met, the department shall implement guidelines from the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor. Such hospitals shall permit the National Healthcare Safety Network, or its successor, to disclose facility-specific infection data to the department as required under this section, and as necessary to provide the public reports required by the department. It shall be a condition of licensure for any ambulatory surgical center or abortion facility which does not voluntarily participate in the National Healthcare Safety Network, or its successor, to submit facility-specific data to the department as required under this section, and as necessary to provide the public reports required by the department.

6. The department shall not require the resubmission of data which has been submitted to the department of health and senior services or the department of social services under any other provision of law. The department of health and senior services shall accept data submitted by associations or related organizations on behalf of health care providers by entering into binding agreements negotiated with such associations or related organizations to obtain data required pursuant to section 192.665 and this section. A health care provider shall submit the required information to the department of health and senior services:

(1) If the provider does not submit the required data through such associations or related organizations;

(2) If no binding agreement has been reached within ninety days of August 28, 1992, between the department of health and senior services and such associations or related organizations; or

(3) If a binding agreement has expired for more than ninety days.

7. Information obtained by the department under the provisions of section 192.665 and this section shall not be public information. Reports and studies prepared by the department based upon such information shall be public information and may identify individual health care providers. The department of health and senior services may authorize the use of the data by other research organizations pursuant to the provisions of section 192.067. The department shall not use or release any information provided under section 192.665 and this section which would enable any person to determine any health care provider's negotiated discounts with specific preferred provider organizations or other managed care organizations. The department shall not release data in a form which could be used to identify a patient. Any violation of this subsection is a class A misdemeanor.

8. The department shall undertake a reasonable number of studies and publish information, including at least an annual consumer guide, in collaboration with health care providers, business coalitions and consumers based upon the information obtained pursuant to the provisions of section 192.665 and this section. The department shall allow all health care providers and associations and related organizations who have submitted data which will be used in any publication to review and comment on the publication prior to its publication or release for general use. The publication shall be made available to the public for a reasonable charge.

9. Any health care provider which continually and substantially, as these terms are defined by rule, fails to comply with the provisions of this section shall not be allowed to participate in any program administered by the state or to receive any moneys from the state.

10. A hospital, as defined in section 197.020, aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.071. An ambulatory surgical center or abortion facility as defined in section 197.200 aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.221.

11. The department of health may promulgate rules providing for collection of data and publication of the incidence of health care-associated infections for other types of health facilities determined to be sources of infections; except that, physicians' offices shall be exempt from reporting and disclosure of such infections.

12. By January 1, 2017, the advisory panel shall recommend and the department shall adopt in regulation with an effective date of no later than January 1, 2018, the requirements for the reporting of the following types of infections as specified in this subsection:

(1) Infections associated with a minimum of four surgical procedures for hospitals and a minimum of two surgical procedures for ambulatory surgical centers that meet the following criteria:

(a) Are usually associated with an elective surgical procedure. An "elective surgical procedure" is a planned, nonemergency surgical procedure that may be either medically required such as a hip replacement or optional such as breast augmentation;

(b) Demonstrate a high priority aspect such as affecting a large number of patients, having a substantial impact for a smaller population, or being associated with substantial cost, morbidity, or mortality; or

(c) Are infections for which reports are collected by the National Healthcare Safety Network or its successor;

(2) Central line-related bloodstream infections;

(3) Health care-associated infections specified for reporting by hospitals, ambulatory surgical centers, and other health care facilities by the rules of the Centers for Medicare and Medicaid Services to the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor; and

(4) Other categories of infections that may be established by rule by the department.

The department, in consultation with the advisory panel, shall be authorized to collect and report data on subsets of each type of infection described in this subsection.

13. In consultation with the infection control advisory panel established pursuant to section 197.165, the department shall develop and disseminate to the public reports based on data compiled for a period of twelve months. Such reports shall be updated quarterly and shall show for each hospital, ambulatory surgical center, abortion facility, and other facility metrics on risk-adjusted health care-associated infections under this section.

14. The types of infections under subsection 12 of this section to be publicly reported shall be determined by the department by rule and shall be consistent with the infections tracked by the National Healthcare Safety Network, or its successor.

15. Reports published pursuant to subsection 13 of this section shall be published and readily accessible on the department's internet website. The reports shall be distributed at least annually to the governor and members of the general assembly. The department shall make such reports available to the public for a period of at least two years.

16. The Hospital Industry Data Institute shall publish a report of Missouri hospitals', ambulatory surgical centers', and abortion facilities' compliance with standardized quality of care measures established by the federal Centers for Medicare and Medicaid Services for prevention of infections related to surgical procedures. If the Hospital Industry Data Institute fails to do so by July 31, 2008, and annually thereafter, the department shall be authorized to collect information from the Centers for Medicare and Medicaid Services or from hospitals, ambulatory surgical centers, and abortion facilities and publish such information in accordance with this section.

17. The data collected or published pursuant to this section shall be available to the department for purposes of licensing hospitals, ambulatory surgical centers, and abortion facilities pursuant to chapter 197.

18. The department shall promulgate rules to implement the provisions of section 192.131 and sections 197.150 to 197.160. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

19. No later than August 28, 2017, each hospital, excluding mental health facilities as defined in section 632.005, and each ambulatory surgical center and abortion facility as defined in section 197.200, shall in consultation with its medical staff establish an antimicrobial stewardship program for evaluating the judicious use of antimicrobials, especially antibiotics that are the last line of defense against resistant infections. The hospital's stewardship program and the results of the program shall be monitored and evaluated by hospital quality improvement departments and shall be available upon inspection to the department. At a minimum, the antimicrobial stewardship program shall be designed to evaluate that hospitalized patients receive, in accordance with accepted medical standards of practice, the appropriate antimicrobial, at the appropriate dose, at the appropriate time, and for the appropriate duration.

20. Hospitals described in subsection 19 of this section shall meet the National Healthcare Safety Network requirements for reporting antimicrobial usage or resistance by using the Centers for Disease Control and Prevention's Antimicrobial Use and Resistance (AUR) Module when ~~[regulations concerning Stage 3 of the Medicare and Medicaid Electronic Health Records Incentive Programs promulgated by the Centers for Medicare and Medicaid Services that enable the electronic interface for such reporting are effective]~~ **conditions of participation promulgated by the Centers for Medicare and Medicaid Services requiring the electronic reporting of antibiotic use or antibiotic resistance by hospitals become effective.** When such antimicrobial usage or resistance reporting takes effect, hospitals shall authorize the National Healthcare Safety Network, or its successor, to disclose to the department facility-specific information reported to the AUR Module. Facility-specific data on antibiotic usage and resistance collected under this subsection shall not be disclosed to the public, but the department may release case-specific information to other facilities, physicians, and the public if the department determines on a case-by-case basis that the release of such information is necessary to protect persons in a public health emergency. **Nothing in this section shall prohibit a hospital from voluntarily reporting antibiotic use or antibiotic resistance data through the National Healthcare Safety Network, or its successor, prior to the effective date of the conditions of participation requiring the reporting.**

21. The department shall make a report to the general assembly beginning January 1, 2018, and on every January first thereafter on the incidence, type, and distribution of antimicrobial-resistant infections identified in the state and within regions of the state.

If, in the professional medical judgment of the practitioner, more than a seven-day supply is required to treat the patient's acute pain, the practitioner may issue a prescription for the quantity needed to treat the patient; provided, that the practitioner shall document in the patient's medical record the condition triggering the necessity for more than a seven-day supply and that a nonopioid alternative was not appropriate to address the patient's condition. The supply limitations provided in this subsection may be increased up to three months if the physician describes on the prescription form or indicates via telephone, fax, or electronic communication to the pharmacy to be entered on or attached to the prescription form the medical reason for requiring the larger supply. The supply limitations provided in this subsection shall not apply if:

- (10) Issued by a practitioner under circumstances where, notwithstanding the practitioner's present ability to make an electronic prescription as required by this subsection, such practitioner reasonably determines that it would be impractical for the patient to obtain substances prescribed by electronic prescription in a timely manner, and such delay would adversely impact the patient's medical condition; or
- (11) Issued where the patient specifically requests a written prescription.

2. A pharmacist who receives a written, oral, or faxed prescription is not required to verify that the prescription properly falls under one of the exceptions from the requirement to electronically prescribe. Upon receiving such notice, the department, when assigning an inspector or surveyor to inspect or survey a hospital, for any purpose, shall take steps to verify the information and, if the department has reason to believe that such information is correct, the department shall not assign the inspector or surveyor to the hospital or any hospital within its organization so as to avoid an appearance of prejudice or favor to the hospital or bias on the part of the inspector or surveyor.

The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

6. A collaborating physician ~~[or supervising physician]~~ shall not enter into a collaborative practice arrangement ~~[or supervision agreement]~~ with more than six full-time equivalent assistant physicians, full-time equivalent physician assistants, or full-time equivalent advance practice registered nurses, or any combination thereof. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the

physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician [~~or supervising physician~~] shall not enter into a collaborative practice arrangement [~~or supervision agreement~~] with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. 9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. Telehealth providers shall be required to obtain patient consent before telehealth services are initiated and ensure confidentiality of medical information.

2. As used in this section, "telehealth" shall have the same meaning as such term is defined in section 191.1145.

3. (1) The boards shall jointly promulgate rules governing the practice of telehealth under this section. Such rules shall address, but not be limited to, appropriate standards for the use of telehealth.

(2) Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

Each application shall be accompanied by the fees required by the division.

2. The division shall mail a renewal notice to the last known address of each licensee prior to the licensure renewal date. Failure to provide the division with the information required for licensure, or to pay the licensure fee after such notice shall result in the expiration of the license. The license shall be restored if, within two years of the licensure date, the applicant provides written application and the payment of the licensure fee and a delinquency fee.

3. A new certificate to replace any certificate lost, destroyed or mutilated may be issued subject to the rules of the division upon payment of a fee.

4. The committee shall set the amount of the fees authorized. The fees shall be set at a level to produce revenue which shall not substantially exceed the cost and expense of administering the provisions of sections 337.700 to 337.739. All fees provided for in sections 337.700 to 337.739 shall be collected by the director who shall deposit the same with the state treasurer to a fund to be known as the "Marital and Family Therapists' Fund".

5. The provisions of section 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds two times the amount of the appropriations from the marital and family therapists' fund for the preceding fiscal year or, if the division requires by rule renewal less frequently than yearly then three times the appropriation from the fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the marital and family therapists' fund for the preceding fiscal year.

7. The state board of registration for the healing arts, under section 334.125, and the state board of pharmacy, under section 338.140, shall jointly promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010,

that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

8. The state board of pharmacy may grant a certificate of medication therapeutic plan authority to a licensed pharmacist who submits proof of successful completion of a board-approved course of academic clinical study beyond a bachelor of science in pharmacy, including but not limited to clinical assessment skills, from a nationally accredited college or university, or a certification of equivalence issued by a nationally recognized professional organization and approved by the board of pharmacy.

9. Any pharmacist who has received a certificate of medication therapeutic plan authority may engage in the designing, initiating, implementing, and monitoring of a medication therapeutic plan as defined by a prescription order from a physician that is specific to each patient for care by a pharmacist.

10. Nothing in this section shall be construed to allow a pharmacist to make a therapeutic substitution of a pharmaceutical prescribed by a physician unless authorized by the written protocol or the physician's prescription order.

11. "Veterinarian", "doctor of veterinary medicine", "practitioner of veterinary medicine", "DVM", "VMD", "BVSe", "BVMS", "BSe (Vet Science)", "VMB", "MRCVS", or an equivalent title means a person who has received a doctor's degree in veterinary medicine from an accredited school of veterinary medicine or holds an Educational Commission for Foreign Veterinary Graduates (EDFVG) certificate issued by the American Veterinary Medical Association (AVMA).

12. In addition to other requirements established by the joint promulgation of rules by the board of pharmacy and the state board of registration for the healing arts:

(1) A pharmacist shall administer vaccines by protocol in accordance with treatment guidelines established by the Centers for Disease Control and Prevention (CDC);

13. A pharmacist shall inform the patient that the administration of the vaccine will be entered into the ShowMeVax system, as administered by the department of health and senior services. The patient shall attest to the inclusion of such information in the system by signing a form provided by the pharmacist. If the patient indicates that he or she does not want such information entered into the ShowMeVax system, the pharmacist shall provide a written report within fourteen days of administration of a vaccine to the patient's primary health care provider, if provided by the patient, containing:

- (1) The identity of the patient;
- (2) The identity of the vaccine or vaccines administered;
- (3) The route of administration;
- (4) The anatomic site of the administration;
- (5) The dose administered; and
- (6) The date of administration.

338.015. 1. The provisions of sections 338.010 to 338.015 shall not be construed to inhibit the patient's freedom of choice to obtain prescription services from any licensed pharmacist. However, nothing in sections 338.010 to 338.315 abrogates the patient's ability to waive freedom of choice under any contract with regard to payment or coverage of prescription expense.

2. All pharmacists may provide pharmaceutical consultation and advice to persons concerning the safe and therapeutic use of their prescription drugs.

3. All patients shall have the right to receive a written prescription from their prescriber to take to the facility of their choice **or to have an electronic prescription transmitted to the facility of their choice.**

338.055. 1. The board may refuse to issue any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section or if the designated pharmacist-in-charge, manager-in-charge, or any officer, owner, manager, or controlling shareholder of the applicant has committed any act or practice in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by this chapter;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions or duties of any profession licensed or regulated under this chapter, for any offense an essential element of which is fraud, dishonesty or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(3) Use of fraud, deception, misrepresentation or bribery in securing any certificate of registration or authority, permit or license issued pursuant to this chapter or in obtaining permission to take any examination given or required pursuant to this chapter;

(4) Obtaining or attempting to obtain any fee, charge, tuition or other compensation by fraud, deception or misrepresentation;

(5) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties of any profession licensed or regulated by this chapter;

(6) Violation of, or assisting or enabling any person to violate, any provision of this chapter, or of any lawful rule or regulation adopted pursuant to this chapter;

(7) Impersonation of any person holding a certificate of registration or authority, permit or license or allowing any person to use his or her certificate of registration or authority, permit, license, or diploma from any school;

(8) Denial of licensure to an applicant or disciplinary action against an applicant or the holder of a license or other right to practice any profession regulated by this chapter granted by another state, territory, federal agency, or country whether or not voluntarily agreed to by the licensee or applicant, including, but not limited to, surrender of the license upon grounds for which denial or discipline is authorized in this state;

(9) A person is finally adjudged incapacitated by a court of competent jurisdiction;

(10) Assisting or enabling any person to practice or offer to practice any profession licensed or regulated by this chapter who is not registered and currently eligible to practice under this chapter;

(11) Issuance of a certificate of registration or authority, permit or license based upon a material mistake of fact;

(12) Failure to display a valid certificate or license if so required by this chapter or any rule promulgated hereunder;

(13) Violation of any professional trust or confidence;

(14) Use of any advertisement or solicitation which is false, misleading or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed;

(15) Violation of the drug laws or rules and regulations of this state, any other state or the federal government;

(16) The intentional act of substituting or otherwise changing the content, formula or brand of any drug prescribed by written, **electronic**, or oral prescription without prior written or oral approval from the prescriber for the respective change in each prescription; provided, however, that nothing contained herein shall prohibit a pharmacist from substituting or changing the brand of any drug as provided under section 338.056, and any such substituting or changing of the brand of any drug as provided for in section 338.056 shall not be deemed unprofessional or dishonorable conduct unless a violation of section 338.056 occurs;

(17) Personal use or consumption of any controlled substance unless it is prescribed, dispensed, or administered by a health care provider who is authorized by law to do so.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the board may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke the license, certificate, or permit. The board may impose additional discipline on a licensee, registrant, or permittee found to have violated any disciplinary terms previously imposed under this section or by agreement. The additional discipline may include,

singly or in combination, censure, placing the licensee, registrant, or permittee named in the complaint on additional probation on such terms and conditions as the board deems appropriate, which additional probation shall not exceed five years, or suspension for a period not to exceed three years, or revocation of the license, certificate, or permit.

4. If the board concludes that a licensee or registrant has committed an act or is engaging in a course of conduct which would be grounds for disciplinary action which constitutes a clear and present danger to the public health and safety, the board may file a complaint before the administrative hearing commission requesting an expedited hearing and specifying the activities which give rise to the danger and the nature of the proposed restriction or suspension of the licensee's or registrant's license. Within fifteen days after service of the complaint on the licensee or registrant, the administrative hearing commission shall conduct a preliminary hearing to determine whether the alleged activities of the licensee or registrant appear to constitute a clear and present danger to the public health and safety which justify that the licensee's or registrant's license or registration be immediately restricted or suspended. The burden of proving that the actions of a licensee or registrant constitute a clear and present danger to the public health and safety shall be upon the state board of pharmacy. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend the licensee's or registrant's license, such temporary authority of the board shall become final authority if there is no request by the licensee or registrant for a full hearing within thirty days of the preliminary hearing. The administrative hearing commission shall, if requested by the licensee or registrant named in the complaint, set a date to hold a full hearing under the provisions of chapter 621 regarding the activities alleged in the initial complaint filed by the board.

6. If the administrative hearing commission dismisses the action filed by the board pursuant to subsection 4 of this section, such dismissal shall not bar the board from initiating a subsequent action on the same grounds.

338.056. 1. Except as provided in subsection 2 of this section, the pharmacist filling prescription orders for drug products prescribed by trade or brand name may select another drug product with the same active chemical ingredients of the same strength, quantity and dosage form, and of the same generic drug or interchangeable biological product type, as determined by the United States Adopted Names and accepted by the Federal Food and Drug Administration. Selection pursuant to this section is within the discretion of the pharmacist, except as provided in subsection 2 of this section. The pharmacist who selects the drug or interchangeable biological product to be dispensed pursuant to this section shall assume the same responsibility for selecting the dispensed drug or biological product as would be incurred in filling a prescription for a drug or interchangeable biological product prescribed by generic or interchangeable biologic name. The pharmacist shall not select a drug or interchangeable biological product pursuant to this section unless the product selected costs the patient less than the prescribed product.

2. A pharmacist who receives a prescription for a brand name drug or biological product may select a less expensive generically equivalent or interchangeable biological product unless:

- (1) The patient requests a brand name drug or biological product; or
- (2) The prescribing practitioner indicates that substitution is prohibited or displays "brand medically necessary", "dispense as written", "do not substitute", "DAW", or words of similar import on the prescription.

3. No prescription shall be valid without the signature of the prescriber, **except an electronic prescription.**

4. If an oral prescription is involved, the practitioner or the practitioner's agent, communicating the instructions to the pharmacist, shall instruct the pharmacist as to whether or not a therapeutically equivalent generic drug or interchangeable biological product may be substituted. The pharmacist shall note the instructions on the file copy of the prescription.

5. Notwithstanding the provisions of subsection 2 of this section to the contrary, a pharmacist may fill a prescription for a brand name drug by substituting a generically equivalent drug or interchangeable biological product when substitution is allowed in accordance with the laws of the state where the prescribing practitioner is located.

6. Violations of this section are infractions.

338.140. 1. The board of pharmacy shall have a common seal, and shall have power to adopt such rules and bylaws not inconsistent with law as may be necessary for the regulation of its proceedings and for the discharge of the duties imposed pursuant to sections 338.010 to 338.198, and shall have power to employ an attorney to conduct prosecutions or to assist in the conduct of prosecutions pursuant to sections 338.010 to 338.198.

5. A majority of the board shall constitute a quorum for the transaction of business.

6. Notwithstanding any other provisions of law to the contrary, the board may issue letters of reprimand, censure or warning to any holder of a license or registration required pursuant to this chapter for any violations that could result in disciplinary action as defined in section 338.055. **Alternatively, at the discretion of the board, the board may enter into a voluntary compliance agreement with a licensee, permit holder, or registrant to ensure or promote compliance with this chapter and the rules of the board, in lieu of board discipline. The agreement shall be a public record. The time limitation identified in section 324.043 for commencing a disciplinary proceeding shall be tolled while an agreement authorized by this section is in effect.**

3. To be approved, pilot or research projects shall be within the scope of the practice of pharmacy as defined by chapter 338, be under the supervision of a Missouri licensed pharmacist, and comply with applicable compliance and reporting as established by the board by rule, including any staff training or education requirements. Board approval shall be limited to a period of up to eighteen months, provided the board grant an additional six month extension if deemed necessary or appropriate to gather or complete research data or if deemed in the best interests of the patient. The board may rescind approval of a pilot project at any time if deemed necessary or appropriate in the interest of patient safety.

4. The provisions of this subsection shall expire on August 28, 2023. The board shall provide a final report on approved projects and related data or findings to the general assembly on or before December 31, 2022. 2. The board of pharmacy and the board of healing arts shall jointly promulgate rules governing a pharmacist's authority to prescribe and dispense nicotine replacement therapy products. Neither board shall separately promulgate rules governing a pharmacist's authority to prescribe and dispense nicotine replacement therapy products under this subsection.

3. Nothing in this section shall be construed to require third party payment for services described in this section.

4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

630.875. 1. This section shall be known and may be cited as the "Improved Access to Treatment for Opioid Addictions Act" or "IATOA Act".

2. As used in this section, the following terms mean:

(2) "IATOA program", the improved access to treatment for opioid addictions program created under subsection 3 of this section.

3. Subject to appropriations, the department shall create and oversee an "Improved Access to Treatment for Opioid Addictions Program", which is hereby created and whose purpose is to disseminate information and best practices regarding opioid addiction and to facilitate collaborations to better treat and prevent opioid addiction in this state. The IATOA program shall facilitate partnerships between assistant physicians, physician assistants, and advanced practice registered nurses practicing in federally qualified health centers, rural health clinics, and other health care facilities and physicians practicing at remote facilities located in this state. The IATOA program shall provide resources that grant patients and their treating assistant physicians, physician assistants, advanced practice registered nurses, or physicians access to knowledge and expertise through means such as telemedicine and Extension for Community Healthcare Outcomes (ECHO) programs established under section 191.1140.

4. Assistant physicians, physician assistants, and advanced practice registered nurses who participate in the IATOA program shall complete the necessary requirements to prescribe buprenorphine within at least thirty days of joining the IATOA program.

5. For the purposes of the IATOA program, a remote collaborating ~~[or supervising]~~ physician working with an on-site assistant physician, physician assistant, or advanced practice registered nurse shall be considered to be on-site. An assistant physician, physician assistant, or advanced practice registered nurse collaborating with a remote physician shall comply with all laws and requirements applicable to assistant physicians, physician assistants, or advanced practice registered nurses with on-site supervision before providing treatment to a patient.

6. An assistant physician, physician assistant, or advanced practice registered nurse collaborating with a physician who is waiver-certified for the use of buprenorphine may participate in the IATOA program in any area of the state and provide all services and functions of an assistant physician, physician assistant, or advanced practice registered nurse.

7. The department may develop curriculum and benchmark examinations on the subject of opioid addiction and treatment. The department may collaborate with specialists, institutions of higher education, and medical schools for such development. Completion of such a curriculum and passing of such an examination by an assistant physician, physician assistant, advanced practice registered nurse, or physician shall result in a certificate awarded by the department or sponsoring institution, if any.

8. An assistant physician, physician assistant, or advanced practice registered nurse participating in the IATOA program may also:

- (1) Engage in community education;
- (2) Engage in professional education outreach programs with local treatment providers;

9. When an overdose survivor arrives in the emergency department, the assistant physician, physician assistant, or advanced practice registered nurse serving as a recovery coach or, if the assistant physician, physician assistant, or advanced practice registered nurse is unavailable, another properly trained recovery coach shall, when reasonably practicable, meet with the overdose survivor and provide treatment options and support available to the overdose survivor. The department shall assist recovery coaches in providing treatment options and support to overdose survivors.

10. The provisions of this section shall supersede any contradictory statutes, rules, or regulations. The department shall implement the improved access to treatment for opioid addictions program as soon as reasonably possible using guidance within this section. Further refinement to the improved access to treatment for opioid addictions program may be done through the rules process.

11. The department shall promulgate rules to implement the provisions of the improved access to treatment for opioid addictions act as soon as reasonably possible. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

Representative Black (137) offered **House Amendment No. 4.**

House Amendment No. 4

AMEND Senate Committee Substitute for Senate Bill No. 330, Page 3, Section 301.3067, Line 37, by inserting after all of said section and line the following:

"537.340. 1. If any person shall cut down, injure or destroy or carry away any tree placed or growing for use, shade or ornament, or any timber, rails or wood standing, being or growing on the land of any other person, including any governmental entity, or shall dig up, quarry or carry away any stones, ore or mineral, gravel, clay or mold, or any ice or other substance or material being a part of the realty, or any roots, fruits or plants, or cut down or carry away grass, grain, corn, flax or hemp in which such person has no interest or right, standing, lying or being on land not such person's own, or shall knowingly break the glass or any part of it in any building not such person's own, the person so offending shall pay to the party injured treble the value of the things so injured, broken, destroyed or carried away, with costs. Any person filing a claim for damages pursuant to this section need not prove negligence or intent.

2. Notwithstanding the provisions of subsection 1 of this section, the following rules shall apply to the trimming, removing, and controlling of trees and other vegetation by any electric supplier:

(1) Every electric supplier that operates electric transmission or distribution lines shall have the authority to maintain the same by trimming, removing, and controlling trees and other vegetation posing a hazard to the continued safe and reliable operation thereof;

(2) An electric supplier may exercise its authority under subdivision (1) of this subsection if the trees and other vegetation are within the legal description of any recorded easement or, in the absence of a recorded easement, the following:

(a) Within ten feet, plus one-half the length of any attached cross arm, of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located within the limits of any city; or

(b) Within thirty feet of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located outside the limits of any city; or

(c) Within fifty feet of either side of the centerline of electricity lines potentially energized between 34.5 and one hundred kilovolts measured line to line; or

(d) Within the greater of the following for any electricity lines potentially energized at one hundred kilovolts or more measured line to line:

a. Seventy-five feet to either side of the centerline; or

b. Any required clearance distance adopted by either the Federal Energy Regulatory Commission or an Electric Reliability Organization authorized by the Energy Policy Act of 2005, 16 U.S.C. Section 824o. Such exercise shall be considered reasonable and necessary for the proper and reliable operation of electric service and shall create a rebuttable presumption, in claims for property damage, that the electric supplier acted with reasonable care, operated within its rights regarding the operation and maintenance of its electricity lines, and has not committed a trespass;

(3) An electric supplier may trim, remove, and control trees and other vegetation outside the provisions in subdivision (2) of this subsection if such actions are necessary to maintain the continued safe and reliable operation of its electric lines;

(4) An electric supplier may secure from the owner or occupier of land greater authority to trim, remove, and control trees and other vegetation than the provisions set forth in subdivision (2) of this subsection and may exercise any and all rights regarding the trimming, removing, and controlling of trees and other vegetation granted in any easement held by the electric supplier;

(5) An electric supplier may trim or remove any tree of sufficient height outside the provisions of subdivision (2) of this subsection when such tree, if it were to fall, would threaten the integrity and safety of any electric transmission or distribution line and would pose a hazard to the continued safe and reliable operation thereof;

(6) Prior to the removal of any tree under the provisions of subdivision (5) of this subsection, an electric supplier shall notify the owner or occupier of land, if available, at least fourteen days prior to such removal unless either the electric supplier deems the removal to be immediately necessary to continue the safe and reliable

operation of its electricity lines, or the electric supplier is trimming or removing trees and other vegetation following a major weather event or other emergency situation;

(7) If any tree which is partially trimmed by an electric supplier dies within three months as a result of said trimming, the owner or occupier of land upon which the tree was trimmed may request in writing that the electric supplier remove said tree at the electric supplier's expense. The electric supplier shall respond to such request within ninety days;

(8) Nothing in this subsection shall be interpreted as requiring any electric supplier to fully exercise the authorities granted in this subsection.

3. For purposes of this section, the term "electric supplier" means any rural electric cooperative that is subject to the provisions of chapter 394~~[-and]~~; any electrical corporation which is required by its bylaws to operate on the not-for-profit cooperative business plan, with its consumers who receive service as the stockholders of such corporation, and which holds a certificate of public convenience and necessity to serve a majority of its customer-owners in counties of the third classification as of August 28, 2003; **any municipally owned or operated electric power system that is subject to the provisions of chapter 91; and any municipally owned utility whose service area is set by state statute, service agreement, or other authority to include areas which are not incorporated into city limits.**"; and

House Amendment No. 5

AMEND Senate Committee Substitute for Senate Bill No. 330, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"249.422. 1. If approved by a majority of the voters voting on the proposal, any city, town, village or county on behalf of the unincorporated area, located either within the boundaries of a sewer district established pursuant to Article VI, Section 30(a) of the Missouri Constitution or within any county of the first classification having a charter form of government with a population of more than two hundred ten thousand inhabitants but less than three hundred thousand inhabitants, may by city, town, village or county ordinance levy and impose annually for the repair of lateral sewer service lines on or connecting residential property having six or less dwelling units a fee not to exceed fifty dollars per year. Any city, town, village, or county that establishes or increases the fee used to repair any portion of the lateral sewer service line shall include all defective portions of the lateral sewer service line from the residential structure to its connection with the public sewer system line. Notwithstanding any provision of chapter 448, the fee imposed pursuant to this chapter shall be imposed upon condominiums that have six or less condominium units per building and each condominium unit shall be responsible for its proportionate share of any fee charged pursuant to this chapter~~—and~~. In addition, any condominium unit shall, if determined to be responsible for and served by its own individual lateral sewer line **and notified of the determination in writing each time a notification of change of assessment is sent to the property owner under section 137.180**, be treated as an individual residence regardless of the number of units in the development. It shall be the responsibility of the condominium owner or condominium association who are of the opinion that they are not properly classified as provided in this section to notify the county **or municipal** office administering the program. Where an existing sewer lateral program was in effect prior to August 28, 2003, condominium and apartment units not previously enrolled may be ineligible for enrollment if it is determined that the sewer lateral serving the unit is defective.

2. The question shall be submitted in substantially the following form:

Shall a maximum charge not to exceed fifty dollars be assessed annually on residential property for each lateral sewer service line serving six or less dwelling units on that property and condominiums that have six or less condominium units per building and any condominium responsible for its own individual lateral sewer line to provide funds to pay the cost of certain repairs of those lateral sewer service lines which may be billed quarterly or annually?

YES NO

3. If a majority of the voters voting thereon approve the proposal provided for in subsection 2 of this section, the governing body of the city, town, village or county may enact an ordinance for the collection and administration of such fee in order to protect the public health, welfare, peace and safety. The funds collected pursuant to such ordinance shall be deposited in a special account to be used solely for the purpose of paying for all

or a portion of the costs reasonably associated with and necessary to administer and carry out the defective lateral sewer service line repairs. All interest generated on deposited funds shall be accrued to the special account established for the repair of lateral sewer service lines.

4. Fee payments that are authorized by this section shall be exempt from the requirements of section 139.031, and class action challenges are authorized, including challenges under Article X, Sections 22 and 23 of the Constitution of Missouri, as well as other measures approved by law."; and
