Journal of the Senate

SECOND REGULAR SESSION

ELEVENTH DAY - WEDNESDAY, JANUARY 24, 2024

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Stephen George offered the following prayer:

"There is a way that appears to be right, but in the end, it leads to death." (Proverbs 14:12 NIV)

Heavenly Father, we ask that You would give us wisdom to make decisions which would reflect Your character and help our state thrive. Help us to remember to seek Your guidance and not lean on our own understanding. Help each of us to remember that we are not perfect, and that all of us fall short of Your glory. We ask that you would give us humility as we work together to accomplish the work set out before us. We ask this in Your Holy Name, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

Whereas, the members of the Missouri Senate believe it is altogether fitting and proper to recognize the birth of a child as one of life's most rewarding and miraculous occasions; and

Whereas, it is with great pride and sincere admiration that this legislative body pauses to acknowledge the arrival of a very special addition to the citizenry of the great State of Missouri: Murphy Douglas Beck; and

Whereas, Murphy Douglas Beck was welcomed into this world on Saturday, January 20, 2024, by his proud and loving parents, Corey and Katie Beck of St. Louis, Missouri; and

Whereas, tipping the scales at six pounds, twelve ounces and measuring nineteen inches in length, Murphy Douglas Beck debuted as the picture of infant health; and

Whereas, Murphy Douglas Beck is the firstborn child of Corey and Katie Beck and the fourth grandchild of Doug and Marilyn Beck; and

Whereas, Murphy Douglas Beck will receive a lifetime of love, support, and encouragement from all the devoted members of his family who have welcomed him into their hearts as a precious gift from God:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate join in extending a warm and hearty welcome to and express our most heartfelt congratulations and best wishes to his proud parents at the beginning of their new life together; and

SENATE CONCURRENT RESOLUTION NO. 27

Relating to SCN2A awareness day.

Whereas, mutations of the SCN2A gene are the leading single cause of neurodevelopmental disorders such as autism, childhood seizures, and intellectual disabilities; and

Whereas, SCN2A disorders are also associated with a spectrum of syndromes ranging from severe, life-threatening conditions to developmental delays, including sleep disturbances, gastrointestinal dysfunction, movement disorders, pain, and dysautonomia; and

Whereas, research predicts that approximately one in nine thousand people will be diagnosed with SCN2A-related disorders; and

Whereas, while SCN2A-related disorders can be easily identified by DNA testing, SCN2A-related disorders frequently go undetected due to a lack of awareness, even within the medical community; and

Whereas, the field of study of SCN2A-related disorders is growing, but additional studies are needed to develop therapies and treatments:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate February 24 of each year as "SCN2A Awareness Day" in Missouri; and

Be It Further Resolved that the General Assembly encourages all residents of this state to participate in activities and wear purple, blue, or green on this day to bring awareness of these conditions and the need for treatment; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

VACANCIES: 1

The Joint Committee appointed to wait upon his Excellency, Governor Michael L. Parson, escorted the Governor to the dais where he delivered the State of the State Address to the Joint Assembly:

2024 State of the State Address – PUTTING PEOPLE FIRST

Governor Mike Parson

Thank you Lieutenant Governor Kehoe, Mr. Speaker, statewide officials, members of the General Assembly, esteemed guests...

AND it is my honor to welcome...for the first time in our state's history... Judges of the first ever female-majority Supreme Court of Missouri.

It is an honor to be joined by the First Lady as I'm welcomed to the dais for the final time as the 57th Governor of the Great State of Missouri.

During our time as Governor, we've accomplished more than any of us probably thought was ever possible. BUT I wouldn't be standing here today without my support system...my family. AND that's where I want to start.

First and foremost, the First Lady... Teresa has been by my side every step of the way. AND after 38 years of marriage, I wouldn't be the Husband, Father, Gramps, or Governor I am today without her.

Thank you for serving in a role you never asked for but doing it each and every day with grace and a passionate commitment to best serve the people of Missouri.

Ladies and gentleman, your distinguished First Lady of the great state of Missouri...

Would my family please stand to be recognized?

Like the legislators in this room and Missourians across the state...my faith, family, and the next generations are the driving force behind the change we have made in Missouri.

AND last year when I stood before you, I highlighted many of our historic achievements we've accomplished together...

As we laid out bold and historic proposals, I declared that this Governor...this Dad...and this Gramps...is not done yet...

We are not done yet...and while that's still true, I'm here to tell you...We're getting close.

After serving six sessions in the House, six sessions in the Senate, two sessions as Lt. Governor, and now my sixth and final session as your 57th Governor...I am expected to say this is a bittersweet moment.

BUT while the view from this dais facing all of you is a fine sight to see...it's no comparison to the view of the Polk County fields behind the windshield of my John Deere tractor.

But look...I promise to think of all of you...on occasion.

BUT in all seriousness, I'll be leaving here with my head held high...

Because like many of you who came here for the right reasons...We never wavered from those wise words on our Capitol and inscribed in our state seal...

“Let the good of the people be the supreme law.”

In every decision we make, we must look to the effects on the next generations and the ability for them to achieve their American Dream. In every decision, we must PUT PEOPLE FIRST.

Easy said, but hard to do...it's a simple idea that has been our guiding principle since the very beginning.

AND that's our final commitment to you. Until our final day...we'll continue to put people first.

When I became Governor, Missourians were tired of the turmoil, political infighting, and self-involved personalities. They were tired of quitters...

AND when I first stepped into the Governor's Office, amidst the thousands of camera clicks, hundreds of shouting questions, and countless state, local, and national media...we CLOSED the chapter on scandal and began a new direction...because there was NO TURNIN' BACK.

We declared a fresh start and the return of stability. We committed to ensuring the next generations have their opportunity at the American Dream. We promised the return of integrity to state government...

AND above all we promised to return a people first mentality. AND today, I firmly believe we have DONE just that.

Every year, we have approved conservative and balanced budgets. We have maintained our AAA credit rating and we've ALWAYS left funds on the bottom line.

Actually, with the budget we outline today...we will leave office with over \$1.5 billion dollars on the bottom line, which has never been done before in our state's history.

We're also pleased to report that we have paid down Missouri's debt by over \$600 million dollars, leaving the state with 53 percent less debt than when we started.

That is quite the contrast compared to what we are seeing happen in Washington D.C., in Missouri, we don't leave future generations to pick up the tab. We pay our bills, and we put people first...

Working with all of you, balanced and conservative budgets have always been the norm never the exception.

AND we've always been more interested in giving back Missourians' hard-earned dollars rather than spending them.

In turn, that creates jobs, business growth, and increased revenues to the state.

In fact, state revenues have increased 40 percent since 2018. With significant growth coming from sales revenue...not income taxes, not corporate taxes, and not fuel taxes...but from revenue created by Missourians spending their own money. Not government programs.

AND ONE HUGE FACTOR was the three separate tax CUTS we approved... including the largest in our state's history.

We have decreased Missourians' tax burdens by over 20 percent. Unleashing an economic powerhouse in the State of Missouri.

When I became Governor, we were ranked 42nd for GDP growth and last among our Midwest neighbors. Today, we are ranked 23rd in the nation and Top 5 in the Midwest for GDP growth.

That's a real reckoning here in Jefferson City. That's not all talk and hot air, that's a true reckoning of growth and opportunity that Missourians have come to expect from this administration and state government.

That's our leadership creating a real formula for success, and that's something all of us should celebrate in this chamber.

Overall, Missouri now has the 13th lowest tax burden of any state in the nation.

AND under our Administration, our unemployment rate fell to 2.1 percent, the lowest rate ever recorded in our state's history. Actually, it has been so low that our problem is not creating jobs but filling jobs.

Since becoming Governor, we've added more than 110,000 jobs to our economy and closed out the year ranked 15th nationally for job creation.

Today, as I stand before you for the final time as Missouri's 57th Governor... I declare that the State of our State is stronger than it has ever been.

We've done it all by putting people first...AND that started with state government.

Nothing we do in this room is possible without the dedicated public servants across the state to implement these ideas. BUT when I became Governor, state government was quickly becoming underappreciated, understaffed, and underpaid.

That's why we approved three historic pay increases to recruit and retain quality talent across state government - raising team member pay by over 20 percent since 2018.

AND let me just say: investments in our state employees have been worth EVERY penny.

AND that's why this year we are proposing an additional 3.2 percent cost of living increase for all state employees.

AND representing our more than 47,000 state team members here today is my Cabinet.

Through every crisis, I turned to my Cabinet and their teams not the federal government...AND I always maintained that the answers to our problems are in this state and among our people...

If we just allow ourselves to put egos and self-importance to the side and listen.

AND while they may have already been recognized, I want to ask my Cabinet to stand with me for one last time...

I always say that being a good leader is not about being the best but making those around you better. AND today I thank you and your teams for proving that to be true.

Please join me in giving them another round of applause.

Putting people first is something we implemented across state government because we set the example from the Governor's Office.

From the start, we got straight to work. We completed the largest de-regulation effort in state history, eliminating nearly one out of every five state regulations.

AND during COVID-19, we waived over 600 more regulations. By working with the General Assembly, we made many of these changes permanent in statute and improved the regulatory environment in Missouri.

Because to be honest, many of these rules and laws should have never existed in the first place.

When I became Governor, we also inherited nearly 4,000 pending clemency applications. While I'm a law and order Governor, 4,000 people in limbo waiting for an answer is not how we do good business.

Whether approved or denied, we set out to provide answers. Today, I'm proud to announce that the clemency backlog we inherited has been totally cleared for the first time in decades.

BUT as a former sheriff, this reform did not mean we were letting people out of prisons or forgiving violent criminals, we pardoned people who deserved it...people who had truly turned their lives around...

People like Kenny Batson who joins us here today. In his youth, Kenny was drinking, getting into fights, and found himself on the wrong side of the law. BUT today, Kenny has turned his life completely around.

Kenny is a proud husband and father of three kids. He earned both a bachelor's and master's degree and has been a pastor for more than 20 years, including serving as a hospice chaplain.

Kenny and others like him might have made some mistakes when they were young...but he earned a second chance.

Please join me in recognizing Kenny Batson.

Another way our office has been able to capitalize on historic opportunity is appointing over 155 Missouri judges and three Supreme Court Judges... Meaning more than 40 percent of the judiciary has been appointed by our administration.

That is more appointments than any Governor in our state's history.

By focusing on core conservative values, we've truly reshaped the judiciary for generations to come. AND guaranteed a judiciary that upholds the law, NOT the politics of the moment.

Additionally, in putting the people of Missouri first, our office put politics aside and appointed five strong statewide office holders, which has never happened before in our state's history.

Lt. Governor Kehoe, Attorney General Bailey, Auditor Fitzpatrick, Treasurer Malek, and though he's not here today, Senator Schmitt...thank you for stepping up and answering the call to serve Missourians. I trust you will never quit on our people and the great State of Missouri.

Today, I want to highlight another one of our quality appointments in the City of St. Louis Circuit Attorney Gabe Gore.

We didn't pick Mr. Gore because of his politics...matter of fact we never even asked...it was because he clearly cared for the people of St. Louis. He valued strong communities, fighting crime, returning law and order...and putting people first.

The level of professionalism between the Circuit Attorney's Office, Metro police, the courts, the Attorney General's Office, and our office is greater than I have ever experienced.

Please join me in recognizing St. Louis Circuit Attorney Gabe Gore.

When the history books tell the story of Missouri's 57th Governor, I hope it's our workforce development and infrastructure accomplishments that stand out.

AND this year, as we propose our final priorities as Governor...there is NO TURNIN' BACK.

We know that guaranteeing Missouri's strong foundation starts with a quality education for our children.

This year, we will once again fully fund the K-12 Foundation Formula with an additional \$120 million dollars over last year's levels.

AND we are also fully funding school transportation across the state of Missouri.

In total, our administration has increased funding for K-12 education by \$700 million dollars since 2018. AND I'll note, that's all state funding...not the federal government.

AND at the same time, our administration and this General Assembly took the first step towards school choice for more Missouri families through our education savings account program.

Whether it be public, private, charter, or Christian... we don't care where Missourians are getting a quality education just as long as they get one.

This year, to do our part on teacher pay, we are including funding to increase teacher baseline pay to \$40,000 dollars per year. This represents a \$15,000 dollar increase for teacher pay during our administration.

We are also recommending \$6 million dollars for Career Ladder.

Together, these programs have benefited tens of thousands of teachers in every corner of our state.

We've also made historic investments in Missouri higher education.

We've increased higher education core funding by 24 percent...and invested \$1.2 billion dollars in state-of-the-art capital improvements and upgrades on our college campuses.

In this year's budget, we included another 3 percent core increase for our four-year institutions and community colleges.

AND \$54 million dollars for MoExcels workforce training programs on our college campuses.

When I graduated high school, I went straight into the workforce and joined the United States Army...and for me there was no turnin' back.

My path is similar to many Missourians, as nearly 60 percent of our workforce don't have college degrees. AND that's okay because we all know it doesn't take a college education to be successful.

Since 2018, we have helped establish, upgrade, and transform 57 career and technical education institutions across our state. More of our young people are earning a quality skill, certificate, or credential that will help secure them a good-paying job without a college degree.

We are also upskilling our current workforce and helping them secure the skills they need to succeed. Since its upgrade in 2019, Missouri One Start has helped train more than 173,000 workers.

Additionally, since its creation, our Fast Track program has benefited over 1,700 students, with more than 55 percent going into healthcare AND more than two-thirds being women.

We have also made tremendous progress by prioritizing apprenticeships in this state. AND joining us today are some of the individuals who have benefited from our historic support.

In the upper gallery, we have...

- Isaac Lough from Four Rivers Career Center...
- Kayla Putnam an apprentice and Army Reservist from Springfield,
- AND Ricky Schmoll, who is a trucking apprentice from Pleasant Hill.

I firmly believe that with hard work, determination, and a skill of some kind anyone can achieve the American Dream. AND these individuals are proving it.

Please join me in recognizing these hard-working folks and others like them across our state.

This group represents just a sample of the more than 57,000 new apprenticeship we have added since becoming Governor. Under our administration, yearly apprenticeship activity in Missouri has grown by 100 percent.

That's why this year we are including another \$3 million dollar investment to support even more youth apprenticeship opportunities. As you can see, these targeted investments truly make a difference in the lives of Missourians.

AND thanks to our past efforts, I'm proud to report that Missouri is ranked 2nd in the United States for apprenticeships. AND that's something we should all be proud of.

Like any challenge in this state, we rise to it...not hide from it. This year, we are also investing another \$10 million dollars for advanced semiconductor research, development, and skills training...as well as nearly \$7 million dollars to support critical mineral development in Missouri.

Missouri ranks 4th in the nation for new manufacturing...when it comes to semiconductors and critical minerals...we can lead...AND we will lead to ensure we never have to rely on nations like China again.

Another focus in the workforce development arena that the First Lady and I are especially proud of is JAG Missouri.

JAG includes students who may be struggling academically, who may have found themselves in some trouble, or are high-risk.

When we first began the JAG initiative back in our Lt. Governor days, JAG was supporting just six programs and serving 225 students.

Today, JAG Missouri supports 112 programs and serves more than 4,000 Missouri students with a high school graduation rate of 98 percent.

AND that's thanks in large part to the First Lady for taking this program under her wing.

In the upper gallery, we have current and former JAG students joining us today. Thanks to JAG, these students are well on their way...whether that's college, the military, or straight into the workforce.

AND with your help, we can support this life-changing program with an investment of \$3.8 million dollars.

BUT if you choose not to stand behind these students in the upper gallery and the thousands like them across the state...it won't be me you have to answer to...but the First Lady herself.

Please join me in giving the JAG students and specialists here with us today a round of applause for their exceptional work.

When it comes to preparing Missourians for the workforce, we know we are on solid ground. The biggest thing we can do is simply continue.

But today our state is in critical need of quality early learning programs.

Business leaders estimate that lack of early learning programs is costing our state over \$1 billion dollars annually. AND over 85 percent of Missourians believe early childhood learning supports a child's success, parents' success, and business success.

BUT today, we have the capacity to serve just 39 percent of Missouri children in licensed facilities. It's time for change.

This year, alongside Senator Arthur and Representative Shields, we are again proposing three new child care tax credit programs.

These programs will help improve access and affordability for families seeking child care across the state of Missouri.

Additionally, we are continuing funding for the expansion of pre-kindergarten programs.

These are commonsense measures that are good for business, great for families, and best for all Missouri children.

Joining us today is Katherine Godier and her child Theo who utilize Missouri's child care subsidy. Yet, Katherine still finds it difficult to afford quality child care.

Katherine is a full-time nursing student that uses Mineral Area College's early learning program...without help, she's not sure she could afford or find care for Theo.

Katherine only wants the best possible education for Theo. Something I think we can all agree should be the minimum for every child in Missouri.

That's why this year we are proposing a \$52 million dollar investment in Missouri's child care subsidy program to make sure infants, toddlers, and children like Theo can receive the quality care they need and deserve.

Please join me in welcoming Katherine, Theo, and Program Director Jennifer Sikes from Mineral Area College.

Another issue affecting Missouri children is the fentanyl crisis.

Drugs pouring into our country through the southern border is devastating Missouri families. Last year, dozens of Missouri children were lost due to fentanyl exposure.

This year, alongside Senator Thompson-Rehder and Representative Parker, we are proposing legislation that guarantees stricter punishments for exposing children and minors to fentanyl.

The fentanyl crisis is here and is tearing families and communities apart. Children dying from fentanyl is 100 percent preventable.

AND while President Biden and the federal government fail to do their job by securing our southern border...Missouri WILL ACT.

We are also protecting Missouri children and our most vulnerable by supporting Attorney General Andrew Bailey's plan to find, prosecute, and punish human traffickers in the State of Missouri.

Together, these initiatives are not only pro-children and pro-family BUT pro-life as well.

AND speaking of pro-life, I want to take this opportunity to highlight our historic success in Missouri's FIGHT FOR LIFE.

When I came to Jefferson City, nearly 8,000 elective abortions were performed annually in Missouri. As I stand before you today...I'm proud to report that number is ZERO.

Now, on to another priority of this administration - roads, bridges, and Missouri's infrastructure. While road and bridge repair might not be the most exciting topic...it is one that impacts all Missourians the most.

Infrastructure was one of the first major initiatives we took on.

AND five and half years ago, working with all of you, we set out to repair or replace 250 of Missouri poorest bridges.

For the first time in our state's history, we leveraged general revenue and bonding authority to fund our Focus on Bridges program.

The way in which we created this program allowed us to pull down additional funds to not only repair 250 overlooked and crumbling Missouri bridges...

BUT it freed up additional resources for major projects like the Buck O'Neil bridge, I-270 North, and the new Rocheport bridge.

Many doubted it could ever happen, but as I stand before you today, I say mission accomplished.

Focus On Bridges...COMPLETE. I-270 North...FINISHED...AND by this time next year, we fully expect Rocheport and Buck O' Neil to be completed... as... promised

We truly believe that our Focus on Bridges program will be THE model moving forward...because although focus was in the name, it doesn't mean everything else stopped.

In total, under our administration, we have repaired or replaced over 1,000 bridges across our state.

We've repaired nearly 17,000 miles of Missouri roadway in five short years. That's about 50 percent of Missouri's entire highway system that has been repaired or replaced.

AND I'll remind you, we have the 7th largest system in the nation.

As for rural Missouri, with an unprecedented funding of \$200 million dollars, nearly 2,000 miles of lettered roads have... been... completed.

When I became Governor, our Statewide Transportation Improvement Program for infrastructure projects across the entire state stood at \$2.5 billion dollars. Today, our STIP is funded at nearly \$14 billion dollars.

AND joining us today in the upper gallery are the men and women who are making it all happen.

Each of these eight men and women represent over 130 years of experience and the more than 4,600 MoDOT employees across our state.

Under our administration, we've kept this group busy. So please join me in recognizing their contributions to our state.

The expansion of I-70 has been talked about in this building for decades...decades of hot air...decades of passing the buck...under our administration, this General Assembly, and the leadership of Senator Hough...decades of inaction turned to ACTION.

This summer, construction on I-70 is set to begin in Columbia. AND from there...well let's just say there is No Turnin' Back.

BUT it's the strategic way in how we chose to fund I-70 that I bring up the project today.

With the smart use of our resources and efficient and effective work ...we are projecting an I-70 completion not only on time but with SAVINGS too.

AND two days ago, we received great news from Congressman Graves that we will be receiving over \$90 million dollars in additional funds to put towards projects on I-70.

With these additional funds and those savings, today, we are announcing our recommendation to establish the I-44 Improvement Fund.

This fund will build on the nearly \$150 million dollars already included in the current STIP.

That's right, we aren't just laying the foundation to expand and improve one interstate across our state... but TWO interstates.

Now, that all sounds good... but, I have more...

Today, we are also ranked 2nd in the United State for capital and bridge projects...9th for improving rural roads, and 11th for the cost-effectiveness and condition of our roadways.

Another important piece of infrastructure is broadband. Working with you, our administration has invested over \$400 million dollars toward broadband expansion ...making tens of thousands of homes, businesses, and farm connections across the state.

Thanks to these efforts, and now, another \$1.7 billion dollars coming to our state through federal funds that former Senator Blunt helped to secure...we believe that in the next five years, the digital divide in Missouri will be closed ONCE AND FOR ALL.

In less than six years, we've accomplished more than most Governors are able to in eight years. AND I'll remind you, we did it all while challenged with some of the most unprecedented events in our state's history.

Whether it was the duck boat crisis, floods, drought, tornadoes, civil unrest, train derailments...Or in 2020, when a global pandemic came knocking at our doors - a crisis that came with no roadmap or playbook...We never backed down or passed the buck.

Have there been critics? Sure... but critics are a dime a dozen.

AND one thing I've learned in life...you'll never be criticized by someone doing more than you...It will always be the person doing less who makes the most noise...

Through all the criticism, we never stopped working for the people of Missouri.

AND for all my like-minded colleagues who stood with me...fought alongside me...and who came here to be a good public servant and PUT PEOPLE FIRST...

I want you to listen closely to what I say next, because these are your wins too.

TOGETHER...We've reshaped our Supreme Court and judiciary as a whole.

We've protected second amendment rights, focused on law and order, and safeguarded Missouri's landmark castle doctrine.

We fought the fight for life – and reduced the number of abortions in our state from 8,000 annually to zero.

We've streamlined state agencies, supported our team members, and reduced the size of state government.

We've built over 1,000 bridges, repaired 50 percent of our entire highway system, and crafted lasting partnerships.

We've cut through nearly 20 percent of regulations on the books and made state government more efficient and effective while unleashing economic development.

We've maintained our AAA credit rating and achieved the lowest unemployment ever recorded in our state's history.

We've paid our bills and left the State of Missouri with 50 percent less debt than when we started.

We've left \$1.5 billion dollars on the bottom line.

We've created over 110,000 jobs and brought \$15 billion dollars in new business investment.

We've cut taxes three times and reduced income tax burdens by over 20 percent with the largest income tax cut in our state's history.

No one and I mean no one has gone to bat for the people of Missouri like this administration and you. AND today...WE...HAVE...WON...

As I begin to wrap up here, I want to recognize another group of special people who helped us make it all happen...

These individuals are truly the best of the best. I couldn't have asked for better people to serve with in the Office of Governor and the six million Missourians across our great state.

They're often overlooked and overworked, but their impact on this state is beyond measure. We've taken on challenges that no one could ever imagine. But they never complained, they never gave up, and, above all, they believed.

They believe in the mission, they believe in our people, and they believe in the extraordinary capabilities of Missourians to achieve an even better tomorrow.

I'm filled with pride that we have public servants of such caliber serving our great state. As the sun begins to set on my public service career, I know their talents will continue benefiting Missourians today, tomorrow, and in the years to come.

To the most loyal and hard-working people I have ever had the honor of working alongside...from the bottom of my heart and on behalf of this entire state...I say THANK YOU!

Would members of my staff, both past and present, please stand to be recognized.

As a final message to this body, I'm reminded of an old saying: "A society grows great when old men and women plant trees... the shade of which they know they will never sit in."

To summarize...it's all about putting people first.

Ladies and gentleman...that's been the focus of this administration. We've planted the seeds today for a better Missouri tomorrow. The First Lady and I may never be able to fully realize the work we've done here alongside all of you.

But that was never the purpose in the first place. The point is that all of our kids and grandkids across this state...THEY WILL.

With Faith, family, and freedom at the forefront...honoring the Constitution and leading with the ideas of the Declaration of Independence...putting people first...that's what leadership has been to us.

In Missouri, our economy is strong, our democracy is strong, our people are strong...and we can keep it that way...If we continue to PUT PEOPLE FIRST.

Missourians took a chance on me and placed their confidence in me and my team to put the people of this state first...you gave me the largest victory margin of any Republican Governor in modern history...and I will forever be grateful.

When I got the call to become Governor, my big brother told me... "LITTLE BROTHER... come back home the same way you're leaving here today...with your head held high."

Well, I'll be keeping that promise... The First Lady and I will be returning to the farm with our heads held high...

AND if we're honored enough to be considered by Missourians as a "pretty good Governor" "decent guy" or "someone who never forgot where he came from"... then it will all be worth it.

Words cannot express the sincere appreciation I have for this state and our people...

So... for one final time before this chamber today... I simply say to the more than 6 million Missourians who I have had the absolute privilege of serving...

It has truly been the honor of my life to be your 57th Governor of the great State of Missouri.

God bless you...God bless the great state of Missouri...and God bless the United States of America.

On motion of Senator O'Laughlin, the Joint Session was dissolved and the Senators returned to the chamber where they were called to order by Senator Bean.

SENATE RESOLUTION NO. 631

NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the 4th District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred and Second General Assembly, Second Regular Session, that Senate Rules 29 and 44 be amended to read as follows:

"Rule 29. 1. Senate offices and seats in the senate chamber shall be assigned [by the committee on administration to the majority and minority caucuses. Each caucus shall make office and senate seat assignments] on the basis of seniority as defined in this rule, [unless otherwise determined within a caucus,] except that Rooms 326 and 327 shall be known as the president pro tem's office and shall be occupied by the senate's president pro tem. Upon retirement from service as pro tem, that senator shall vacate the pro tem's office and shall have first choice of available vacant offices [of his caucus,] regardless of his seniority status. Except for the outgoing president pro tem, who is required to vacate the designated pro tem's office, no senator shall be required to relinquish any office or seat once assigned to him.

2. Seniority shall be determined [by each caucus] on the basis of length of service. Length of service means:

- (a) Continuous senate service;
- (b) In the case of equal continuous senate service, prior non-continuous senate service;
- (c) In the case of equal continuous and prior non-continuous senate service, prior house service.

3. When two or more members [of the same party] have the same length of service, their respective seniority shall be determined by [their party caucus] the committee on administration.

Rule 44. Beginning on July first of each year, members and members-elect may deposit bills and joint resolutions for the next regular session with the secretary of the senate at any time. The secretary shall hold the bills and joint resolutions so deposited in the order filed. After the close of business on December first, the secretary shall assign numbers to bills and joint resolutions deposited in that office by seniority of the member first signing the measure, with a limit of three bills or joint resolutions per rotation of the seniority list from the total number of measures deposited. All measures deposited through December first shall stand as pre-filed without further action by the member or member-elect. At the close of business on each day thereafter until the opening day of the session, bills and joint resolutions received during the day shall be assigned numbers in the order in which the bill or joint resolution is filed with the secretary.

Once filed, bills and joint resolutions shall not be changed except to correct patent typographical, clerical or drafting errors that do not involve changes of substance, nor shall substitutions be made therefor. Any bill may be withdrawn but the number shall not be reassigned once a number has been given.

Seniority for the purposes of this rule shall be determined as follows:

- (1) Continuous senate service;
- (2) [In the case of equal continuous senate service, majority party members shall have seniority over minority party members;
- (3) In the case of equal continuous senate service by members of the same party,] Prior non-continuous senate service;
- (4) In the case of equal continuous and prior non-continuous senate service by [members of the same party,] prior house service;
- (5) In the case of equal continuous and equal prior non-continuous senate service and equal prior house service [by members of the same party,] seniority shall be determined by the [caucus of that party] the committee on administration."

Senator Roberts and Senator Mosely offered Senate Resolution No. 632, regarding the death of Erick Luvell Jones, St. Louis, which was adopted.

CONCURRENT RESOLUTIONS

Senator Coleman offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 28

Whereas, security and law enforcement agencies have repeatedly identified the entire border between the United States and Mexico as a major national security concern; and

Whereas, the unauthorized immigration through the border of the United States and Mexico has reached a record high with approximately 2.4 million illegal border crossing apprehensions in the 2023 fiscal year; and

Whereas, other states, including Arkansas, Tennessee, Iowa, and South Dakota, have sent National Guard members to protect the borders of the United States, prevent illegal entry, and deter illicit activity or other threats; and

Whereas, resources of the state of Missouri, including the Missouri National Guard, are or may be needed to help secure the border of the United States in the state of Texas; and

Whereas, the Missouri National Guard members can provide operational, surveillance, engineering, administrative, and mechanical support to border national and state security and law enforcement agencies; and

Whereas, the State of Missouri should assist in the efforts to secure the borders of the United States in the state of Texas:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Governor of the state of Missouri to order the Adjutant General of the State of Missouri, or his designee, to call upon and order into active service such portions of the organized militia, including the Missouri National Guard, to aid the officials of Texas in the protection of the borders of the United States and to take such action and employ such equipment as may be necessary in support of security and law enforcement authorities in the defense of the border of United States; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor of the state of Missouri.

Senator Carter offered the following concurrent resolution, which was read:

SENATE CONCURRENT RESOLUTION NO. 29

Whereas, the Governor of the state of Texas, Greg Abbott, has expressed deep concern regarding the federal government's failure to enforce immigration laws and protect the states, leading to record levels of illegal immigration; and

Whereas, the President of the United States, Joe Biden, has been accused of violating his constitutional duty to enforce federal laws protecting states, particularly immigration laws, as outlined in the letters delivered to the Governor of the state of Texas, Greg Abbott; and

Whereas, the actions of the President of the United States, Joe Biden, include instructing agencies to ignore federal statutes, suing the state of Texas for securing the border, and wasting taxpayer dollars to open the state of Texas's border security infrastructure, contributing to the influx of illegal immigrants; and

Whereas, the lawless border policies under the administration of the President of the United States, Joe Biden, have resulted in over six million illegal immigrants crossing the southern border in just three years, causing unprecedented harm to the people across the United States; and

Whereas, the Governor of the state of Texas, Greg Abbott, has invoked Article I, Section 10, Clause 3 of the Constitution of the United States declaring an invasion and utilizing the state of Texas's constitutional authority to defend and protect itself:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Governor of the state of Missouri to order the Adjutant General of the State of Missouri, or his designee, to call upon and order into active service such portions of the organized militia, including the Missouri National Guard, to aid the officials of the state of Texas in the protection of the borders of the United States and to take such action and employ such equipment as may be necessary in support of security and law enforcement authorities in the defense of the border of United States; and

Be It Further Resolved that the Missouri General Assembly supports the concerns raised by the Governor of the state of Texas, Greg Abbott, regarding the federal government's failure to enforce immigration laws and protect the states; and

Be It Further Resolved that the Missouri General Assembly condemns the President of the United States, Joe Biden, alleged violations of his constitutional duty to faithfully execute immigration laws enacted by the United States Congress; and

Be It Further Resolved that the Missouri General Assembly recognizes the constitutional authority of the states, including the state of Texas, to defend and protect themselves in the face of a failure by the federal government to fulfill its duties under Article IV, Section 4 of the Constitution of the United States; and

Be It Further Resolved that the Missouri General Assembly expresses solidarity with the state of Texas in utilizing its constitutional authority to secure the Texas border, including the deployment of the Texas National Guard, the Texas Department of Public Safety, and other Texas personnel; and

Be It Further Resolved that the Missouri General Assembly calls upon the federal government to fulfill its duty under Article IV, Section 4 of the Constitution of the United States to protect each state against invasion, including taking necessary actions to address the challenges posed by illegal immigration; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor of the state of Missouri, the Governor of the state of Texas, Greg Abbott, and to the President of the United States, Joe Biden.

Senator Fitzwater offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 30

Whereas, a century ago, in October 1924, Ireland formally opened diplomatic relations with the United States of America when Timothy Smiddy presented his credentials to President Calvin Coolidge. Following the Irish people's long and painful struggle for independence, the U.S. was one of the first nations to recognize the fledgling Irish state earlier that year, and when Smiddy emerged from the White House, he had become Ireland's first Ambassador to any country in the world. It was very appropriate that Ireland's first representative overseas should be dispatched to Washington, D.C. for, while 1924 marked the beginning of formal diplomatic relations, the deep Irish-American connection dated back centuries; and

Whereas, today, nearly one-tenth of Americans identify as being of Irish ancestry. Irish immigrants helped build the America we know today, not only the physical infrastructure from the skyscrapers of Manhattan to the transcontinental railroad, but also the political construct that is America; and

Whereas, Irish people have made an enormous contribution to public debate and politics in America, from their local communities right up to the White House. More than twenty American Presidents claimed some Irish ancestry. But the influence of Irish America extends well beyond the Oval Office and the Capitol building, to every state within the Union, most evident in the significant number of state legislators within the American Irish State Legislators Caucus; and

Whereas, since Timothy Smiddy's momentous audience in the Oval Office 100 years ago, a further eighteen Irish Ambassadors have presented credentials to U.S. Presidents. Over this time, Ireland's relations with the United States have evolved significantly. From an impoverished and internationally isolated state, scarred by years of conflict, Ireland has transformed over the past century. Ireland today is at peace, economically prosperous, and culturally vibrant; and

Whereas, this transformation is due to the support of friends in the United States, from the crucial role America played in brokering peace in Northern Ireland, culminating with the 1998 Good Friday Agreement, to the huge American economic investment in Ireland. There are almost one thousand U.S. companies in Ireland, employing over two hundred thousand people directly. Our economic relationship is truly two-way; some one hundred thousand people are employed in the U.S. by over 650 Irish-owned companies, across all fifty states. Indeed, Ireland is now the ninth largest source of foreign direct investment in the U.S.; and

Whereas, the U.S.-Irish relationship is a shining example of how ancestral ties, historical connections, cultural affinities, and shared values can create a foundation for enduring partnership and mutual prosperity. Irish American state legislators across the United States are playing a vitally important role in fostering this partnership and ensuring that it continues and flourishes for another century to come:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby recognize and celebrate the special relationship between the United States and Ireland; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the American Irish State Legislators Caucus.

SECOND REGULAR SESSION

THIRTEENTH DAY - MONDAY, JANUARY 29, 2024

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Stephen George offered the following prayer:

“Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others.” (Philippians 2:3-4 NIV)

Heavenly Father, we gather here today with hearts full of gratitude for the privilege to serve our state and its people. Grant us the strength to set aside personal agendas and ambitions, and to focus on the collective well-being of the people we represent. We ask that You would instill in us a spirit of unity, understanding and cooperation, and that the decisions we make will reflect a genuine concern for the welfare of Missourians. We ask this in Your Holy Name, Amen.

"The one who gets wisdom loves life; the one who cherishes understanding will soon prosper." (Proverbs 19:8 NIV)

Heavenly Father, as we start this week's work, we ask for wisdom to navigate the complexities of governance and decision-making. May our collective efforts be rooted in a sincere love for justice and the well-being of those whom we serve. In the pursuit of understanding, may we also cultivate compassion for one another, recognizing the shared responsibility we bear. As we deliberate on matters of significance, may Your wisdom guide our minds and Your love inspire our actions. We also ask that you would give comfort to the family of Dean Dohrman. May they feel Your presence giving them strength as they grieve this week. We ask all of this in Your Holy Name, Amen.

Address to the Joint session of the House and Senate of Missouri

Israeli Consul General Maor Elbaz-Starinsky

February 6th 2024

Honorable members of the House and Senate of the state of Missouri, Governor Parson, Lt. Governor Kehoe, President of the Senate, Speaker of the House, members of the Jewish community, friends of Israel, esteemed guests.

Shalom.

I stand before you today as the Consul General of Israel to the Great State of Missouri, representing the State of Israel and its people.

I am grateful and humbled to have been given the opportunity to address this joint session today to commemorate the strong enduring bond between Israel and Missouri and to explore opportunities for further collaboration and growth.

It feels as if the entire population of both states has converged in this festivity to celebrate Israel's 75th anniversary that we mark this past year, to reaffirm our commitment to our shared values and, these days, also to mourn together for those souls lost in the October 7th massacre and ensuing war.

In marking Israel's 75th anniversary, we reflect on the remarkable journey of our homeland—the struggles, achievements, successes, and failures. The joys and agonies unfold before us.

Let's embark on a brief journey through history because, indeed, after having endured 2,000 years of exile, pogroms, persecutions, the devastating Holocaust, and ongoing conflicts, this nation has quite a story to tell.

On May 14, 1948, at 6 pm, Israel emerged as a free, sovereign, Jewish, and democratic state. A mere 11 minutes later, President Truman, a Missourian, from Independence Missouri mind you, etched his name in history by recognizing our young state's independence. I had the privilege of visiting Truman's Little White House in Key West, Florida, with President Truman's grandson Clifton, and exploring the presidential library in, well... Independence, Missouri. These visits were not just remarkable; they were moving. Marking the 75th anniversary of my homeland here, with you all, holds special significance.

The newborn state swiftly became a homeland for Jews worldwide, embracing citizens regardless of religion, race, or gender—a source of pride for its achievements, the values it upholds, and the ideals on which it stands for.

Modern Israel is the realization of a 3,500-year-old Jewish heritage. One woven with shared history, tradition, rituals, and values, all forming a cornerstone of global history and civilization.

The inception of the Israeli story marked just the beginning of the young state's journey. In a matter of months, amidst the struggle for survival, the state absorbed millions of refugees and immigrants from the remnants of Auschwitz, the deserts of Morocco, and 150 other nations. My own parents, among those millions, emigrated from Morocco in the '50s and '60s. The Israeli narrative unfolds as a testament to diversity—a mosaic of Jews of varied colors, ethnicities, cultures, and languages converging, reviving the Hebrew language, and shaping a multicultural society that understands diversity as a wellspring of strength and power.

We've harnessed our heritage to create the beloved Modern State of Israel, where the past converges with the future, where you can walk the same path of Jesus and try to walk on the same water, where people embrace their spirituality, and innovations like drip irrigation, self-made satellites, and the Iron Dome stand as a testament to our resilience.

Israel is often deemed a miracle, resonating with the biblical tales of wonders celebrated by Jews throughout the year.

While acknowledging the holiness and divine status of the land and state, I would assert that miracles here are not happenstance but the result of vision, courage, leadership, and unwavering hard work by countless individuals.

Israeli experts, entrepreneurs, and companies lead in almost every conceivable sector and their innovations define Israel and have significantly enhanced lives worldwide.

The historic motto of Israel, the "land of milk and honey," faced a stark reality when my parents arrived in the Holy Land—no milk nor honey were to be found, only harsh conditions. Despite security concerns, our agriculture and water sectors flourished and we transformed it into a true Land of Milk, Honey and cyber.

Evolving into the acclaimed "Startup Nation," our pride swells as a small nation of less than 10 million inhabitants, standing as a global cradle of innovation. Side by side with recognized agriculture and water technologies, Israel's prowess extends to mind-blowing innovations in diverse sectors like Cyber Security, FinTech, Smart Transportation, HLS and Defense, Space and Aviation, ClimateTech, Renewable Energy, healthcare, and beyond.

Encouragingly, Missouri, a leading state in numerous sectors, collaborates deeply with Israel.

Water, a testament to Israeli innovation, highlights our journey. Half of Israel is a desert, historically plagued by droughts. Rising to the challenge, Israel pioneered drip irrigation, excelled in wastewater management, primarily utilizes desalinated water, and even extracted water from thin air. Currently, we produce 20% more water than needed, even exporting it—a miraculous transformation from a water-stressed country.

Our academic achievements, scientific publications, and the 9 Nobel Prizes, reflecting a prize for every one million citizens, stand as a testament to this remarkable journey—one that we gladly share with the world.

In its brief 75-year existence, Israel has consistently extended a helping hand to developing nations across Asia, Africa, and Latin America, even during its own developmental phase. Guided by the Jewish Tikkun Olam virtue, which is our commitment to repairing the world, we wholeheartedly share our hard-earned knowledge and expertise to contribute to a better global community.

Over the past year, Israel actively engaged in challenging situations, providing assistance to Ukraine during times of conflict, offering support to Turkey in the aftermath of an earthquake, and contributing to diverse relief efforts across Africa. This unwavering dedication reflects our readiness to assist wherever in the world there is a need.

All this has not come easy.

Securing our nation has been a persistent challenge for Israel, marked by ongoing conflicts, including a recent intense and gruesome war with HAMAS terrorists who murdered, raped, mutilated, maimed, and tortured more than 1,200 Israelis, and who kidnapped hundreds of others, including – babies, toddlers, elderly and Holocaust survivors.

Despite the difficult circumstances, Israel is committed to defending its citizens while actively pursuing peace. The bitter reality of warfare is exemplified by the sacrifice, courage, and immense bravery displayed by the Israel Defense Forces. Our soldiers are fighting for the entire free world because, and have no mistake: these terrorists will come after each and every one of us here, of us, because this is a war between evil and good, darkness and light, and if someone can't tell which is which, they are part of the problem.

We were agonized to learn that 3 American troops were killed in Jordan last week. By similar evil, perpetrated by Iran. We carry your troops in our thoughts and prayers; please carry ours in yours.

In tandem with these security challenges, Israel has worked towards peace agreements with neighboring countries. From the historic accords with Egypt and Jordan to the recent Abraham Accords involving the UAE, Bahrain, Morocco, and Sudan, Israel seeks to transform its role in the region. These agreements signal a new era of People-to-People relations, fostering cooperation across various domains.

Let me give you a small example of this potentially promising cooperation:

In October 2022, the Davenport center in St. Louis became the symbolic venue for a historic event – the first-ever tri-lateral symposium on food security, featuring collaboration between Israel, the UAE, and BIO-STL, a St. Louis-based life science and food tech accelerator.

The significance of choosing this location, near the iconic Gateway Arch, lies in its representation of a journey into the unknown, mirroring the shared pursuit of good, prosperity, and peace through science.

This symposium underscores this commitment, offering a glimpse into the shared pursuit of peace and progress and marked a step forward in global cooperation and understanding. Thus emphasizing the commitment to addressing challenges such as food security. Looking ahead, Israel remains resolute in its dedication to advancing peace initiatives and the advancement of regional stability while safeguarding its citizens and borders. The journey initiated in St. Louis is part of an ongoing commitment to fostering collaboration and progress in the pursuit of a better, more secure future.

In reflecting on our journey, I want to underscore the significant progress achieved in our partnership with Missouri.

Missouri and Israel are bound by moral ties, democratic values, and a friendship that transcends time, fostering enduring interests. The leadership of both states has consistently demonstrated unwavering commitment to bolster joint business ventures and collaborative research efforts.

This collaboration extends from political visits, statements, resolutions and proclamations coming from this house, to advancing Holocaust remembrance, enacting anti-BDS legislation and fighting antisemitism. These shared initiatives exemplify the robustness of our common values.

A notable illustration occurred during the November 2022 visit of a business delegation led by Governor Parson to Israel. Having the privilege to participate, I witnessed not only the deep appreciation the delegation held for this historic land but also the vast business opportunities, particularly in projects related to agriculture and security.

Our aim is to fortify both political and economic ties, and it's noteworthy that Missouri boasts a vibrant Jewish community, further strengthening the cultural bonds that bind us. This collaboration stands as a testament to the enduring partnership between the state of Missouri and Israel.

I want to commend you all for your firm stand against antisemitism. Last week we marked International Holocaust Remembrance Day.

These days, the words "Never Again" take on a new, modern, yet old, meaning, and the fight against antisemitism is growing more complex. Attacks and persecution of Jews are visible on U.S. campuses, social media platforms, and international organizations.

Jewish blood is too often considered less red and less thick, and Jewish women's bodies are devalued. This sickening reality demands our collective attention and action. To curb antisemitism, we must focus on education, legislation, and enforcement.

While rejecting all forms of hate, it's crucial to understand that antisemitism is unique and should be treated as such. Jews today face disproportionately more hate crimes, making antisemitism a distinct category.

Anti-Israel sentiment often stems from antisemitism, as shown by the recent HAMAS terror attack. This is not merely a political or territorial dispute but a matter of the Jewish people's right to sovereignty, independence, and self-determination.

"Never again" should be a call to action for everyone, ensuring it applies to all communities facing discrimination. Let us stand united against hatred and prejudice to prevent such darkness from engulfing our people.

As Israel commemorates its 75th anniversary and gazes ahead to the next 75 years, we maintain confidence that, by uniting with like-minded nations globally and individuals like you, we can collectively overcome shared challenges and make a positive impact on shaping a better future.

Expressing deep gratitude for your political support, proclamations, visits, dedication, commitment, and business endeavors, I want to emphasize the profound role each of you play as ambassadors. You are the pillars fostering the relationship between our states, champions of the Jewish cause, and storytellers of the Israeli journey.

The unwavering support of the United States has been pivotal in Israel's journey, of course with being the first to recognize our nation but mostly with the strategic and military collaboration, that helped us establish a secure home for the Jewish people.

Our two states share a rich history, common interests, and a passion for innovation. From agriculture to aviation, Israel and Missouri have exchanged knowledge, expertise, and ideas that have benefited both our communities and the entire world. We celebrate the partnerships between our universities, entrepreneurs, and businesses that have led to groundbreaking discoveries and economic growth. As we face global challenges, Israel and Missouri stand together in promoting peace, security, and democratic values.

We recognize the importance of standing against anti-Semitism, hate, and discrimination in all forms. We also acknowledge the critical role of education and cultural exchange programs in fostering greater understanding and friendship between our nations.

As we look ahead, my optimism grows for the future accomplishments that our nations will jointly achieve. I extend sincere thanks once again to the esteemed legislators, Governor Parson, and the people of Missouri. May the enduring friendship between Israel and the great state of Missouri, along with the entire United States, continue to flourish for another 75 years.

May God bless Israel, bless the United States, and bless each one of you.

And most importantly - may god bless Andy Reid, Patrick Mahomes and Travis Kelce - go chiefs.

Thank you.

On motion of Senator O'Laughlin, the Joint Session was dissolved and the Senators returned to the chamber where they were called to order by Senator Rowden.

Whereas, this increase in illegal entry into the United States has coincided with the rampant increase in crime and drug trafficking in this state; and

Whereas, action is necessary by the Governor to protect the interests of the state and the health and safety of all Missourians from the dangers implicit in the illegal entry of aliens into this country and state:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Governor of Missouri, Michael L. The Joint Committee appointed to wait upon the Chief Justice of the Supreme Court, Mary R. Russell, escorted the Chief Justice to the dais where she delivered the State of the Judiciary Address to the Joint Assembly:

2024 STATE OF THE JUDICIARY**Missouri Chief Justice Mary R. Russell*****Introduction – expressing gratitude***

Lieutenant Governor Kehoe, Speaker Plocher, President Pro Tem Rowden, Auditor Fitzpatrick, members of the General Assembly, my colleagues in the judiciary, and guests: I am grateful to be here this morning to present to you this 50th state of the judiciary.

I last spoke to this body a decade ago, but I'm no stranger to the legislature. I worked for my local legislators in both chambers during college and law school, and over the years, I have made many legislative friends. Having those friendships – past, present and future – fills me with gratitude.

My late husband represented northwest Missouri here in the House – he sat right there! Although Jim is only with us in spirit now, other members of my family are here this morning – please welcome them as they stand!

We have three of our adorable grandchildren here – Avery, age 11; Evan, age 7; and Isabelle, who just turned 4. Claire, who is almost 2, is missing today – she couldn't get paroled from daycare. The grandkids even brought their parents, Heather and Allen, and Laura and Tom.

I am thrilled to have you all here today, and I love you and appreciate all your support for my public service habit!

My family consciously practices gratitude. We try to teach our youngest to have an "attitude of gratitude." At Sunday dinners at my house, we go around the table and we say what we are grateful for. Rules are simple: don't repeat anything, and don't eat until everyone has spoken.

Whether at home or at work, we all have many reasons to express gratitude.

Gratitude for those in the judiciary

To start, I have deep gratitude for my second family, within the judiciary. For more than two decades, I have worked with many fabulous judges – including my “housemates” across the street.

It’s worth noting again what the governor mentioned two weeks ago: For the first time in the history of our great state, we have a majority of female judges on our Court! Missouri’s high court is now one of only 15 in the nation with a female majority.

This is something I simply never imagined happening. I truly hope this historic achievement inspires Missouri’s children – no matter their background – to believe that they, too, can become a state Supreme Court judge if they want.

Our newest colleagues, elevated last fall from the court of appeals, are Judge Kelly Broniec, of Montgomery City, and Judge Ginger Gooch, of Springfield – who, by the way, is the first Supreme Court judge from southwest Missouri in more than two decades!

We are *all* grateful for Governor Parson’s appointments under the Missouri Plan and for his recognition that, sometimes, the best man for the job is actually a woman!

Although I currently serve as the “face” of the judiciary, the hard work is performed in *your* local courthouses, by nearly 3,600 clerks, bailiffs, court reporters, jury supervisors, juvenile office staff and others, plus more than 400 judges and commissioners. All of us should have immense gratitude for these frontline heroes and their daily work behind the scenes for your constituents.

Thanks to *them*, we are problem solvers as we decide hundreds of thousands of legal disputes each year. Because of *their* hard work, I am proud to say the state of Missouri’s judiciary is strong.

During my two-year term as chief justice, I am personally visiting all 46 judicial circuits to witness the important work our trial courts do; I have been to 14 so far! My goal on this “gratitude tour” is to meet local court staff, shake their hands and express how much we appreciate them. I also listen carefully to their ideas about how we could help them better serve their local communities.

I have been inviting you to tour your local courthouses with me. I am grateful so many of you have joined me to meet your local frontline heroes and learn more about their work. I look forward to seeing more of you on one of my next 32 visits.

Gratitude for legislative support

I also enjoy opportunities like this, when we come together from separate branches of government and work as constitutional partners to improve the administration of justice for all Missourians.

Judicial privacy act

Judges and prosecutors across Missouri – and their families – are grateful for your action last session to pass the judicial privacy act and protect us from violence and threats of violence as we do our jobs.

Expungement assistance

You are aware of the challenges presented by the passage of Amendment 3. Your constituents, working in circuit clerk offices statewide, are grateful for the financial assistance you have provided to help them do the highly detailed expungement work the constitution now requires.

We are making significant strides. As of this week, our courts have reviewed more than 245,000 cases, of which they have expunged nearly 109,000. Plus, they’ve done all this while still processing all your constituents’ other cases. A number of circuit clerks who were meeting in Jefferson City today are with us now. Please join me in giving all these dedicated court staff – and all those working in your local courthouses – an incredibly well-deserved round of applause!

Court technology

We also want to express our gratitude for your ongoing support of our statewide court automation system. We believe Missouri was the first state to have such a system. It now includes all of our municipal courts too – a major milestone that we’ve just completed!

Technology allows us to continue delivering the customer service your constituents expect and deserve. Our most popular service, Case.net, provides web-based access to more than 27 million public case records ... and counting. And now, people can see public case documents filed on or after July 1 remotely, from the convenience of a smart phone or home computer. Since remote public access started, the average number of hits on Case.net has reached nearly 5.2 million per day, with an average of nearly 7,000 people a month signing up to track cases through Case.net.

Gratitude for legislative support

We are also grateful for your consideration this session of bills to increase juror compensation – a need I have heard expressed consistently in my local courthouse visits.

The right to a jury of your peers has always been a part of our nation’s fundamental values. But many of our courts struggle to have enough jurors. To comply with jury service, our citizens must take time off work and make other arrangements to care for their families. In turn, they

may receive only the statutory minimum of just \$6 per day and 7 cents per mile for traveling from their homes to the courthouse and back. These amounts have not been updated since at least 1989. Judges are embarrassed to tell jurors these rates, and one clerk described the amounts as an insult to those who show up for jury service.

We are grateful for your consideration of how best to compensate your local citizens for performing this important constitutional duty.

Treatment court programs

We are also grateful for your ongoing support of treatment courts. After three decades, we have thousands of successful treatment court graduates who are testaments to how well these programs work. If you haven't already, please attend a local treatment court graduation. But bring a tissue, as every ceremony abounds with inspiring stories of lives restored and families healed. Here is one example:

Loretta Huff came from a broken home. Just as Johnny Lee once sang, she went lookin' for love in all the wrong places. She ended up incarcerated five times for a variety of convictions. She was in a dark place, believing there was no room in society for someone with her criminal history. But then she was accepted into Boone County's treatment court. She credits this with saving her life. Upon graduation, she began helping others. She now works as a counselor and helps lead a support group for treatment court alumni in Callaway County. She has gratitude for her treatment court experience and is proud of her new pattern of making good choices. Loretta is here – let's give her our gratitude for her success and for paying it forward!

We are grateful you are considering adding mental health courts to the list of approved treatment courts, expanding our ability to serve even more people.

Impact of mental health issues on our courts

Speaking of mental health, these issues – either alone or in tandem with substance abuse – increasingly impact our courts on a daily basis in all types of cases. These problems compound in our communities, taking a toll on our law enforcement officers, our jails, our hospitals and our nursing homes as everyone struggles for solutions.

Our jails have become the largest mental health facilities in our counties. But that is not how jails are designed, nor how their staff are trained. Jails should be used in the short term to detain people accused of crimes or found guilty of minor crimes. Concrete cell blocks are not conducive for treating mental health or addiction issues.

Individuals with mental health issues pose a danger to themselves and others in jail. One judge in outstate Missouri recently told me, despite the court ordering a much-needed mental health competency evaluation, the inmate had to wait eight months – creating difficult, if not impossible, conditions for deputies trying to keep control in the jail.

Unfortunately, I hear similar stories all over our state. The longer inmates with mental health problems remain detained – without treatment or without being *tried* for a crime, let alone *convicted* – the worse they get.

So, what do we do about it? We work together. Growing up on a farm, I learned that silos are great for holding grain. But government *cannot* operate in silos. We *cannot* afford to say “not our problem” and kick the proverbial can down the road. Because these are not cans – they are our loved ones, our neighbors, all the people who make up our local communities.

Instead, we must work together – across all branches of government, at the state and local levels, and with the nonprofit and private sectors. Only by sharing our best ideas and pooling our limited resources can we make a positive difference.

All areas of the state are in dire need of mental health services for defendants. Together, we *can* build networks to help keep those in need of mental health services out of our courts and jails so they can live safely and successfully in *all* our local communities. Simply put: *justice cannot be by geography*.

Pretrial services programs

We owe our gratitude to court and community leaders paving the way with new programs to help defendants with mental health issues. To address mental health and other needs at the earliest opportunity, pretrial services programs are proving efficient and effective. Like treatment courts, these programs are community-driven, with judges, prosecutors, public defenders, law enforcement officers and mental health professionals all collaborating to get offenders the help they need.

Consider Montgomery County – one of only five pilot sites in the nation, selected to improve pretrial diversion for defendants with mental health needs. I had a chance to visit with its pretrial services staff a few months ago. Although in its early stages, the program shows great promise. It has also been received well by victims, who are pleased to learn there are local options for those who *don't* need incarceration, but *do* need help with mental health issues.

Other defendants who qualify for pretrial release need different types of structure and support. Resources for these defendants can also include basic assistance such as locating a place to live, getting a GED, finding a job, applying for a driver's license and even transportation.

This support helped one Montgomery County man turn his life around since last summer. At the time of his arrest, with a barely livable home, he had no regular mental health assistance, abused alcohol and was surrounded by criminal activity. Then he was released into the prosecutor's mental health diversion program. Now, six months later, he is sober, receives regular mental health treatment, has severed his relationships with criminal associates, and lives in a structurally safe home. He credits pretrial services with kick-starting him onto a pathway to success.

We know the success of these programs can be far-reaching. Consider Sheila Santillan, one of Jasper County's earliest pretrial services program successes. She spent her teens bouncing around foster homes. As a young adult, she became entangled with drugs, got clean, but then had trouble finding stable housing. She took care of her father as he battled cancer, but after he died, she slipped again and was arrested for felony drug possession. Thanks to the pretrial services she received, Sheila was able to keep her job at a local restaurant, checking in with her pretrial release officer twice a week. Ultimately, she pleaded guilty, received a suspended execution of sentence and performed community service.

In the six years since, she has not returned to our criminal justice system and is happy to have moved on with her life. Sheila, I know you are watching online; please hear our applause showing how proud we are of your accomplishments!

It is our courts – through your local judges and court staff – who are keeping people like Sheila out of needless incarceration, instead making sure they receive life-changing treatment. We owe our heartfelt gratitude to these court heroes for protecting our communities and helping defendants like Sheila and so many others live up to their potential.

Members of our Jasper and Montgomery county pretrial services teams are here today; please join me in showing them our gratitude for the investment they are making in the lives of our fellow Missourians!

But unfortunately, not every county has a pretrial services team. Regardless of geography, defendants everywhere deserve the same opportunities. We are grateful for your consideration of our request to establish a statewide pretrial services program.

Juvenile detention

There is one final area in which we really need your partnership. Unfortunately, many juveniles suffer from mental health issues, too. During my visits to your districts, I have heard a lot about the need for increased mental health and security services in our juvenile detention facilities.

These facilities are housing more, and older, youth. There is a lack of available beds for juvenile offenders who need to be detained, especially outstate. Older, more streetwise youth are now being housed with younger juveniles, who I fear may *not* be learning good things from their older peers.

In addition, more youth are being certified to stand trial as adults. This is due to the seriousness of their alleged offenses. And more of these youth are remaining in secure juvenile facilities until their cases in adult courts are final. Having more high-risk, high-need youth staying longer in detention impacts the overall safety, security and rehabilitative focus of our entire juvenile justice system.

I admire the dedication and fortitude of all your local juvenile office staff, detention personnel and judges who serve these youth and families under increasingly difficult circumstances.

We are grateful for your consideration of our budget request to help us better serve youth in detention.

Conclusion

In conclusion, we have many challenging issues facing us, but I am grateful for the opportunity to work with you in tackling them. I am confident, working together as constitutional partners, we can succeed.

Every session brings a unique blend of stress, challenges and opportunities. I know how hard it is to leave your loved ones behind, week in and week out, to come here, plowing through thousands of bills, as you set out to do the people's business.

And I know you, like me, are grateful for our families who support us in our public service. The public may identify us by "fancy titles," like representative or senator or judge. But the titles that our loved ones give us are far more dear. My heart just melts when my grandkids call me "Mimi."

Ultimately, you and I all owe a debt of gratitude to the people of our great state of Missouri for entrusting us to be their public servants. I imagine our younger selves never dreamed of such incredible opportunities or such tremendous responsibilities.

I am grateful for our time together this morning. Please take care of yourselves this session. It is stressful, and easy to dwell on conflicts and negativity. So I encourage you – just as I encourage my family at Sunday dinners – to focus on gratitude.

God bless you, and God bless this great state of Missouri, the home of our Kansas City Chiefs!!!

CONCURRENT RESOLUTIONS

Senator Rowden offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 32

Whereas, the Office of Broadband Development was established in 2018 as a partnership between the Department of Economic Development and the Department of Agriculture to build and strengthen partnerships between public and private stakeholders and align efforts statewide to improve broadband access; and

Whereas, the Office of Broadband Development is focused on addressing broadband availability and noninfrastructure barriers to full participation in the digital economy in Missouri by working with providers, communities, and stakeholders to expand and accelerate broadband deployment across the state; and

Whereas, in 2021, as part of the bipartisan Infrastructure Investment and Jobs Act's historic investment in broadband infrastructure and digital equity, Congress appropriated more than fourteen billion dollars for the Affordable Connectivity Program; and

Whereas, Congress assigned the Federal Communications Commission to administer the Affordable Connectivity Program (ACP), the successor program to the Emergency Broadband Benefit, which helped almost nine million households afford internet access during the pandemic; and

Whereas, under the ACP, eligible households can receive a discount of up to thirty dollars per month toward internet services and up to seventy-five dollars per month for households on qualifying tribal lands; and

Whereas, eligible households may also receive a one-time discount of up to one hundred dollars to purchase a laptop, desktop computer, or tablet from participating providers; and

Whereas, currently there are more than four hundred thousand eligible households within the state of Missouri that may qualify for the ACP; and

Whereas, based on current take rates, the more than fourteen billion dollars in funding appropriated for the ACP could be exhausted in the spring of 2024; and

Whereas, the ACP has been a critical tool in helping bridge the "digital divide" that exists between those who have access to modern information and communications technology and those who do not:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge each member of the Missouri congressional delegation to support continued funding of the ACP so that low-income Missourians can continue to receive the support they need to participate in the digital marketplace; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for Speaker of the House of Representatives Mike Johnson, Senate Majority Leader Chuck Schumer, and the members of the Missouri congressional delegation.

Relating to John Donaldson Day.

Whereas, John Donaldson was an American baseball pitcher who played in a number of barnstorming teams across the Midwest and along the east coast and later in the Negro Leagues in a career that spanned parts of three decades; and

Whereas, Donaldson is a native Missourian who was born in Glasgow, Missouri, on February 20, 1892, and raised there until attending George Smith College in Sedalia, Missouri; and

Whereas, after one year at George Smith College, Donaldson embarked on his professional career in 1912 with the Tennessee Rats, a barnstorming combination of baseball and entertainment; and

Whereas, after one year, he was signed by J.L. Wilkinson for his All Nations team from 1913 to 1917. He averaged almost twenty strikeouts per game and once pitched three consecutive no hitters in 1913; and

Whereas, in 1916, Donaldson also pitched the All Nations team to series victories over the two top black teams, Rube Foster's Chicago American Giants and C.I. Taylor's Indianapolis ABCs. At the time, he was considered the best pitcher in black baseball; and

Whereas, in 1917, he was inducted into military service and served a tour of duty in France with the 365th Infantry during World War I; and

Whereas, upon his return from military service, Donaldson continued to play with two top black eastern teams, the New York Lincoln Giants and the Brooklyn Royal Giants; and

Whereas, in 1920, upon the organization of the Negro National League, Donaldson played with the Kansas City Monarchs during the inaugural season and continued to play for the team intermittently over the next fifteen years; and

Whereas, at the tail end of his career, he formed the John Donaldson All-Stars in 1931 which toured around the country; and

Whereas, after his days as a baseball player ended, he worked as a shipping clerk for the U.S. Post Office and later, upon the color ban being lifted, was the first full-time black talent scout in the Major Leagues when he worked for the Chicago White Sox; and

Whereas, John Donaldson should be recognized for his excellence on the baseball diamond, his service to this country, and being a trailblazer in this state and across the country:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate every February 20th as "John Donaldson Day" in Missouri and encourage the citizens of this state to participate in appropriate activities and events to commemorate the life and accomplishments of John Donaldson, one of the best pitchers to play in the Negro Leagues and a member of the inaugural Kansas City Monarchs team; and

Heavenly Father, we seek Your guidance and wisdom today as we deliberate on matters that impact the welfare and prosperity of our state and its people. May Your Spirit inspire us to approach our responsibilities with open hearts, ensuring that the decisions we make reflect your love and compassion. Grant us the strength to serve our constituents with humility, and help us to be instruments of Your peace, justice, and unity as we navigate the challenges and opportunities before us. We thank You, Lord, for the privilege to serve and the resources You provide for us to carry out our duties. May Your grace continue to abound in our lives so that we will abound in every good work. We ask this in your Holy Name, Amen.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 745, Page 17, Section 288.060, Line 160, by inserting after all of said line the following:

“288.552. 1. Notwithstanding any provision of law to the contrary, the department of labor and industrial relations, and any division thereof, shall waive the repayment of any unemployment

benefits that were incorrectly but nonfraudulently distributed to claimants from the state unemployment compensation trust fund after March 27, 2020, but before December 31, 2020, to the extent that federal law grants the state of Missouri the authority to waive the repayment of such incorrectly but nonfraudulently distributed benefits.

2. A waiver of repayment granted to a claimant under subsection 1 of this section shall meet the following criteria:

(1) The waiver relates to an incorrectly but nonfraudulently distributed payment of unemployment benefits in which there was no fault on the part of the claimant;

(2) The repayment of such benefits by the claimant would be contrary to equity and good conscience; and

(3) The decision to grant the waiver to a claimant is made on an individualized basis.

3. Any claimant denied a waiver pursuant to this section shall be granted an opportunity for a fair hearing before the appeals tribunal pursuant to section 288.190. The filing of an appeal shall stay the collection of the overpayment or overpayments for which the waiver was denied until such time that a decision is issued that has become final. The decision of the appeals tribunal shall be reviewable by the labor and industrial relations commission pursuant to section 288.200.

4. (1) Any claimant who is denied a waiver pursuant to this section shall be sent a notice by the department, not later than ninety calendar days after the effective date of this section, by both electronic mail and by mail postage prepaid with a preaddressed return card notifying them of the right to appeal such decision. If the department does not receive a response within sixty calendar days from the claimant, the department shall send another notice by certified mail with a preaddressed return card. If the claimant does not respond to the second notice within thirty days, the department may proceed with collecting the overpaid benefits.

(2) Each notice required by subdivision (1) of this subsection shall include instructions on how to file an appeal and shall also include the following in bold at the top:

“ATTENTION: YOU HAVE BEEN OVERPAID UNEMPLOYMENT BENEFITS.

- **BY LAW, YOU ARE REQUIRED TO REPAY ALL OVERPAID UNEMPLOYMENT BENEFITS.**
- **YOU MAY APPEAL THIS REQUIREMENT.**
- **IF YOU RETURN THIS CARD TO THE DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS WITHIN 60 DAYS INDICATING THAT YOU WILL APPEAL, COLLECTION WILL NOT COMMENCE UNTIL AFTER THE APPEAL HAS COMPLETED.”**

(3) If a claimant responds to a notice described in this subsection indicating that he or she plans to appeal, the department and any division thereof shall cease all efforts to recover the overpaid benefits. Notwithstanding any provision of law to the contrary, under no circumstance shall the department or any division thereof attempt to recover the overpaid benefits while the case is pending appeal, provided that the claimant shall file an appeal not later than sixty calendar days after notifying the department of his or her intent to appeal.

5. (1) In the event that the department or any division thereof has over-recovered unemployment compensation benefits the department shall notify the claimant by certified mail within fifteen days of discovery of such over-recovery and:

(a) If the over-recovered sums are less than ten thousand dollars, such sums shall be repaid to the claimant from whom the sums were recovered not later than thirty days after the claimant has been notified; and

(b) If the over-recovered sums are ten thousand dollars or more, such sums shall be repaid to the claimant from whom the sums were recovered within a reasonable time, as determined through agreement between the department and the claimant, with interest, as determined by section 32.068.

(2) If the department fails to notify the claimant of an over-recovery as required by subdivision (1) of this subsection, interest shall accrue, as determined by section 32.068, on any repayment of funds from the date that the over-recovery was discovered.

(3) For purposes of this subsection, “over-recovered unemployment compensation benefits” means any overpaid unemployment compensation benefits that have been recovered by the department of labor and industrial relations or any division thereof but the amount recovered exceeded what was required to be recovered under this chapter or under federal law.

Section B. Because immediate action is necessary to protect the financial welfare of the residents of this state, the enactment of section 288.552 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 288.552 of this act shall be in full force and effect upon its passage and approval.”; and

Further amend the title and enacting clause accordingly.

Section 1395x, as amended), as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. The description shall include provisions that the advanced practice registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days;

(10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150- 5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his or her medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, or physician assistant collaborative practice arrangement and also report to the board the name of each licensed professional with whom the physician has entered into such arrangement. The board shall make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals

as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150- 5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of this section.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services, as defined by 20 CSR 2150- 5.100 as of April 30, 2008, or to collaborative practice arrangements between a primary care physician and a primary care advanced practice registered nurse or a behavioral health physician and a behavioral health advanced practice registered nurse, where the collaborating physician is new to a patient population to which the advanced practice registered nurse is familiar.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other term of employment shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other term of employment shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

13. (1) The provisions of this section shall not apply to an advanced practice registered nurse who has been in a collaborative practice arrangement for a cumulative two thousand documented hours with a collaborating physician and whose license is in good standing. Any such advanced practice registered nurse shall not be required to enter into or remain in an arrangement in order to practice in this state. Any other provisions of law requiring a collaborative practice arrangement or delegation shall not be required for an advanced practice registered nurse described in this subsection.

(2) The provisions of this subsection shall not apply to certified registered nurse anesthetists.

(3) Notwithstanding any provision of this section to the contrary, an advanced practice registered nurse applying for licensure by endorsement may demonstrate to the state board of nursing completion of a cumulative two thousand documented hours of practice. Such advanced

practice registered nurses shall not be required to enter into a collaborative practice arrangement in order to practice in this state.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for Senate Bill No. 811, Page 25, Section 211.221, Line 11, by inserting after all of said line the following:

“452.375. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) "Custody" means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;

(2) "Joint legal custody" means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned, or decreed, the parents shall confer with one another in the exercise of decision-making rights, responsibilities, and authority;

(3) "Joint physical custody" means an order awarding each of the parents significant, but not necessarily equal, periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

(4) "Third-party custody" means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. There shall be a rebuttable presumption that an award of equal or approximately equal parenting time to each parent is

in the best interests of the child. Such presumption is rebuttable only by a preponderance of the evidence in accordance with all relevant factors, including, but not limited to, the factors contained in subdivisions (1) to [(8)] **(9)** of this subsection. The presumption may be rebutted if the court finds that the parents have reached an agreement on all issues related to custody, or if the court finds that a pattern of domestic violence has occurred as set out in subdivision [(6)] **(7)** of this subsection. When the parties have not reached an agreement on all issues related to custody, the court shall consider all relevant factors and enter written findings of fact and conclusions of law, including, but not limited to, the following:

(1) The wishes of the child's parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child's best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent **and the willingness and ability of parents to cooperate in the rearing of their child, to maximize sharing information and minimize exposure of the child to parental conflict, and to utilize methods for resolving disputes regarding any major decision concerning the life of the child;**

(5) The child's adjustment to the child's home, school, and community **and the child's physical, emotional, educational, and other needs.** The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children;

(6) The mental and physical health of all individuals involved, including **the mental health or substance abuse history experienced by either parent;**

(7) Any history of abuse of any individuals involved, **including domestic and child abuse. In determining whether the presumption is rebutted by a pattern of domestic violence, the court shall consider the nature and context of the domestic violence and the implications of the domestic violence for parenting and for the child's safety, well-being, and developmental needs.** If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm, **whether physical, verbal, emotional, or psychological;**

[(7) The intention of either parent to relocate the principal residence of the child; and]

(8) [The unobstructed input of a child, free of coercion and manipulation, as to the child's custodial arrangement] **The distance between the residences of the parents seeking custody, including consideration of any relocation which has occurred or an intent to relocate; and**

(9) The reasonable input of the child as to the child's custodian, if the court deems the child to be of sufficient ability, age, and maturity to express an independent, reliable preference and that such input is in the best interests of the child and will not be emotionally damaging, with due consideration of the influence that a parent may have on the child's input.

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.031, 566.032, 566.060, 566.061, 566.062, 566.064, 566.067, 566.068, 566.083, 566.100, 566.101, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

(b) A violation of section 568.020;

(c) A violation of subdivision (2) of subsection 1 of section 568.060;

(d) A violation of section 568.065;

(e) A violation of section 573.200;

(f) A violation of section 573.205; or

(g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, the general assembly encourages the court to enter a temporary parenting plan as early as practicable in a proceeding under this chapter, consistent with the provisions of subsection 2 of this section, and, in so doing, the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall consider each of the following as follows:

(1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(3) Joint legal custody with one party granted sole physical custody;

(4) Sole custody to either parent; or

(5) Third-party custody or visitation:

(a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded to a person related by consanguinity or affinity to the child. If no person related to the child by consanguinity or affinity is willing to accept custody, then the court may award custody to any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;

(b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to [(8)] (9) of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child. The court shall not presume that a parent, solely because of his or her sex, is more qualified than the other parent to act as a joint or sole legal or physical custodian for the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 8 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. After August 28, 2016, every court order establishing or modifying custody or visitation shall include the following language: "In the event of noncompliance with this order, the aggrieved party may file a verified motion for contempt. If custody, visitation, or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion

with the court stating the specific facts that constitute a violation of the custody provisions of the judgment of dissolution, legal separation, or judgment of paternity. The circuit clerk will provide the aggrieved party with an explanation of the procedures for filing a family access motion and a simple form for use in filing the family access motion. A family access motion does not require the assistance of legal counsel to prepare and file."

11. No court shall adopt any local rule, form, or practice requiring a standardized or default parenting plan for interim, temporary, or permanent orders or judgments. Notwithstanding any other provision of law to the contrary, a court may enter an interim order in a proceeding under this chapter, provided that the interim order shall not contain any provisions about child custody or a parenting schedule or plan without first providing the parties with notice and a hearing, unless the parties otherwise agree.

12. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, both parents shall have access to records and information pertaining to a minor child including, but not limited to, medical, dental, and school records. If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or any child has been the victim of domestic violence, as defined in section 455.010, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody or the child. A court shall order that the reports and records made available under this subsection not include the address of the parent with custody if the parent with custody is a participant in the address confidentiality program under section 589.663. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, any judgment of dissolution or other applicable court order shall specifically allow both parents access to such records and reports.

13. Except as otherwise precluded by state or federal law, if any individual, professional, public or private institution or organization denies access or fails to provide or disclose any and all records and information, including, but not limited to, past and present dental, medical and school records pertaining to a minor child, to either parent upon the written request of such parent, the court shall, upon its finding that the individual, professional, public or private institution or organization denied such request without good cause, order that party to comply immediately with such request and to pay to the prevailing party all costs incurred, including, but not limited to, attorney's fees and court costs associated with obtaining the requested information.

14. An award of joint custody does not preclude an award of child support pursuant to section 452.340 and applicable supreme court rules. The court shall consider the factors contained in section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child.

15. If the court finds that domestic violence or abuse as defined in section 455.010 has occurred, the court shall make specific findings of fact to show that the custody or visitation arrangement ordered by the court best protects the child and the parent or other family or household member who is the victim of domestic violence, as defined in section 455.010, and any other children for whom such parent has custodial or visitation rights from any further harm."; and

Further amend the title and enacting clause accordingly.

The Senate met pursuant to adjournment.

Almighty God, as we prepare to go home to our families this weekend, we lift up to You those from our State’s Highway Patrol and National Guard who are preparing to go to Texas. We ask that they would be able to sense Your presence and know that You are with them. We also ask that you would give them strength and courage, and protect them. We ask this in Your Holy Name, Amen.

SENATE SUBSTITUTE FOR SENATE BILL NO. 862

An Act to repeal section 210.560, RSMo, and to enact in lieu thereof one new section relating to money held by the children's division for the benefit of a child.

Senator Thompson Rehder moved that **SS** for **SB 862** be adopted.

Senator Brattin offered **SA 1**:

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 862, Page 1, In the Title, Lines 3-4, by striking “money held by the children's division for the benefit of a child” and inserting in lieu thereof the following: “child protection”; and

Further amend said bill, page 5, Section 210.560, line 149, by inserting after all of said line the following:

“452.375. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) “Custody” means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;

(2) “Joint legal custody” means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned, or decreed, the parents shall confer with one another in the exercise of decision-making rights, responsibilities, and authority;

(3) “Joint physical custody” means an order awarding each of the parents [significant, but not necessarily equal,] **substantially equal** periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

(4) “Third-party custody” means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. There shall be a rebuttable presumption that an award of equal or [approximately] **substantially** equal parenting time to each parent is in the best interests of the child. Such presumption is rebuttable only by a preponderance of the evidence in accordance with all relevant factors, including, but not limited to, the factors contained in subdivisions (1) to [(8)] **(9)** of this subsection. The presumption may be rebutted if the court finds that the parents have reached an agreement on all issues related to custody, or if the court finds that a pattern of domestic violence has occurred as set out in subdivision [(6)] **(7)** of this subsection. When the parties have not reached an agreement on all issues related to custody, the court shall consider all relevant factors and enter written findings of fact and conclusions of law, including, but not limited to, the following:

(1) The wishes of the child's parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child's best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent **and the willingness and ability of parents to cooperate in the rearing of their child, to maximize sharing information and minimize exposure of the child to parental conflict, and to utilize methods for resolving disputes regarding any major decision concerning the life of the child;**

(5) The child's adjustment to the child's home, school, and community **and the child's physical, emotional, educational, and other needs.** The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children;

(6) The mental and physical health of all individuals involved, including **the mental health or substance abuse history experienced by either parent;**

(7) Any history of abuse of any individuals involved, **including domestic and child abuse. In determining whether the presumption is rebutted by a pattern of domestic violence, the court shall consider the nature and context of the domestic violence and the implications of the domestic violence for parenting and for the child's safety, well-being, and developmental needs.** If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm, **whether physical, verbal, emotional, or psychological;**

[(7) The intention of either parent to relocate the principal residence of the child; and]

(8) [The unobstructed input of a child, free of coercion and manipulation, as to the child's custodial arrangement] **The distance between the residences of the parents seeking custody, including consideration of any relocation which has occurred or an intent to relocate; and**

(9) The reasonable input of the child as to the child's custodian, if the court deems the child to be of sufficient ability, age, and maturity to express an independent, reliable preference and that such input is in the best interests of the child and will not be emotionally damaging, with due consideration of the influence that a parent may have on the child's input.

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.031, 566.032, 566.060, 566.061, 566.062, 566.064, 566.067, 566.068, 566.083, 566.100, 566.101, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

(b) A violation of section 568.020;

(c) A violation of subdivision (2) of subsection 1 of section 568.060;

(d) A violation of section 568.065;

(e) A violation of section 573.200;

(f) A violation of section 573.205; or

(g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, the general assembly encourages the court to enter a temporary parenting plan as early as practicable in a proceeding under this chapter, consistent with the provisions of subsection 2 of this section, and, in so doing, the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall consider each of the following as follows:

(1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(3) Joint legal custody with one party granted sole physical custody;

(4) Sole custody to either parent; or

(5) Third-party custody or visitation:

(a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded to a person related by consanguinity or affinity to the child. If no person related to the child by consanguinity or affinity is willing to accept custody, then the court may award custody to any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;

(b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to [(8)] (9) of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child. The court shall not presume that a parent, solely because of his or her sex, is more qualified than the other parent to act as a joint or sole legal or physical custodian for the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 8 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. After August 28, 2016, every court order establishing or modifying custody or visitation shall include the following language: “In the event of noncompliance with this order, the aggrieved party may file a verified motion for contempt. If custody, visitation, or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion with the court stating the specific facts that constitute a violation of the custody provisions of the judgment of dissolution, legal separation, or judgment of paternity. The circuit clerk will provide the aggrieved party with an explanation of the procedures for filing a family access motion and a simple form for use in filing the family access motion. A family access motion does not require the assistance of legal counsel to prepare and file.”.

11. No court shall adopt any local rule, form, or practice requiring a standardized or default parenting plan for interim, temporary, or permanent orders or judgments. Notwithstanding any other provision of law to the contrary, a court may enter an interim order in a proceeding under this chapter, provided that the interim order shall not contain any provisions about child custody or a parenting schedule or plan without first providing the parties with notice and a hearing, unless the parties otherwise agree.

12. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, both parents shall have access to records and information pertaining to a minor child including, but not limited to, medical, dental, and school records. If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or any child has been the victim of domestic violence, as defined in section 455.010, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody or the child. A court shall order that the reports and records made available under this subsection not include the address of the parent with custody if the parent with custody is a participant in the address confidentiality program under section 589.663. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, any judgment of dissolution or other applicable court order shall specifically allow both parents access to such records and reports.

13. Except as otherwise precluded by state or federal law, if any individual, professional, public or private institution or organization denies access or fails to provide or disclose any and all records and information, including, but not limited to, past and present dental, medical and school records pertaining to a minor child, to either parent upon the written request of such parent, the court shall, upon its finding that the individual, professional, public or private institution or organization denied such request without good cause, order that party to comply immediately with such request and to pay to the prevailing party all costs incurred, including, but not limited to, attorney's fees and court costs associated with obtaining the requested information.

14. An award of joint custody does not preclude an award of child support pursuant to section 452.340 and applicable supreme court rules. The court shall consider the factors contained in section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child.

15. If the court finds that domestic violence or abuse as defined in section 455.010 has occurred, the court shall make specific findings of fact to show that the custody or visitation arrangement ordered by the court best protects the child and the parent or other family or household member who is the victim of

domestic violence, as defined in section 455.010, and any other children for whom such parent has custodial or visitation rights from any further harm.”; and

Further amend the title and enacting clause accordingly.

2. For purposes of this section, the following terms mean:

(1) “Biological sex”, the biological indication of male or female in the context of reproductive potential or capacity, such as sex chromosomes, naturally occurring sex hormones, gonads, and nonambiguous internal and external genitalia present at birth, without regard to an individual's psychological, chosen, or subjective experience of gender;

(2) “Cross-sex hormones”, testosterone, estrogen, or other androgens given to an individual in amounts that are greater or more potent than would normally occur naturally in a healthy individual of the same age and sex;

(3) “Gender”, the psychological, behavioral, social, and cultural aspects of being male or female;

(4) “Gender transition”, the process in which an individual transitions from identifying with and living as a gender that corresponds to his or her biological sex to identifying with and living as a gender different from his or her biological sex, and may involve social, legal, or physical changes;

(5) “Gender transition surgery”, a surgical procedure performed for the purpose of assisting an individual with a gender transition, including, but not limited to:

(a) Surgical procedures that sterilize, including, but not limited to, castration, vasectomy, hysterectomy, oophorectomy, orchiectomy, or penectomy;

(b) Surgical procedures that artificially construct tissue with the appearance of genitalia that differs from the individual's biological sex, including, but not limited to, metoidioplasty, phalloplasty, or vaginoplasty; or

(c) Augmentation mammoplasty or subcutaneous mastectomy;

(6) “Health care provider”, an individual who is licensed, certified, or otherwise authorized by the laws of this state to administer health care in the ordinary course of the practice of his or her profession;

(7) “Puberty-blocking drugs”, gonadotropin-releasing hormone analogues or other synthetic drugs used to stop luteinizing hormone secretion and follicle stimulating hormone secretion, synthetic antiandrogen drugs to block the androgen receptor, or any other drug used to delay or suppress pubertal development in children for the purpose of assisting an individual with a gender transition.

3. A health care provider shall not knowingly perform a gender transition surgery on any individual under eighteen years of age.

4. (1) A health care provider shall not knowingly prescribe or administer cross-sex hormones or puberty-blocking drugs for the purpose of a gender transition for any individual under eighteen years of age.

(2) The provisions of this subsection shall not apply to the prescription or administration of cross-sex hormones or puberty-blocking drugs for any individual under eighteen years of age who was prescribed or administered such hormones or drugs prior to August 28, 2023, for the purpose of assisting the individual with a gender transition.

[(3) The provisions of this subsection shall expire on August 28, 2027.]

5. The performance of a gender transition surgery or the prescription or administration of cross-sex hormones or puberty-blocking drugs to an individual under eighteen years of age in violation of this section shall be considered unprofessional conduct and any health care provider doing so shall have his or her license to practice revoked by the appropriate licensing entity or disciplinary review board with competent jurisdiction in this state.

6. (1) The prescription or administration of cross-sex hormones or puberty-blocking drugs to an individual under eighteen years of age for the purpose of a gender transition shall be considered grounds for a cause of action against the health care provider. The provisions of chapter 538 shall not apply to any action brought under this subsection.

(2) An action brought pursuant to this subsection shall be brought within fifteen years of the individual injured attaining the age of twenty-one or of the date the treatment of the injury at issue in the action by the defendant has ceased, whichever is later.

(3) An individual bringing an action under this subsection shall be entitled to a rebuttable presumption that the individual was harmed if the individual is infertile following the prescription or administration of cross-sex hormones or puberty-blocking drugs and that the harm was a direct result of the hormones or drugs prescribed or administered by the health care provider. Such presumption may be rebutted only by clear and convincing evidence.

(4) In any action brought pursuant to this subsection, a plaintiff may recover economic and noneconomic damages and punitive damages, without limitation to the amount and no less than five hundred thousand dollars in the aggregate. The judgment against a defendant in an action brought pursuant to this subsection shall be in an amount of three times the amount of any economic and noneconomic damages or punitive damages assessed. Any award of damages in an action brought pursuant to this subsection to a prevailing plaintiff shall include attorney's fees and court costs.

(5) An action brought pursuant to this subsection may be brought in any circuit court of this state.

(6) No health care provider shall require a waiver of the right to bring an action pursuant to this subsection as a condition of services. The right to bring an action by or through an individual under the age of eighteen shall not be waived by a parent or legal guardian.

(7) A plaintiff to an action brought under this subsection may enter into a voluntary agreement of settlement or compromise of the action, but no agreement shall be valid until approved by the court. No agreement allowed by the court shall include a provision regarding the nondisclosure or confidentiality of the terms of such agreement unless such provision was specifically requested and agreed to by the plaintiff.

(8) If requested by the plaintiff, any pleadings, attachments, or exhibits filed with the court in any action brought pursuant to this subsection, as well as any judgments issued by the court in such actions, shall not include the personal identifying information of the plaintiff. Such information shall be provided in a confidential information filing sheet contemporaneously filed with the court or entered by the court, which shall not be subject to public inspection or availability.

7. The provisions of this section shall not apply to any speech protected by the First Amendment of the United States Constitution.

8. The provisions of this section shall not apply to the following:

(2) Services provided when a physician has otherwise diagnosed an individual with a disorder of sex development and determined through genetic or biochemical testing that the individual does not have normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action;

(3) The treatment of any infection, injury, disease, or disorder that has been caused by or exacerbated by the performance of gender transition surgery or the prescription or administration of cross-sex hormones or puberty-blocking drugs regardless of whether the surgery was performed or the hormones or drugs were prescribed or administered in accordance with state and federal law; or

(4) Any procedure undertaken because the individual suffers from a physical disorder, physical injury, or physical illness that would, as certified by a physician, place the individual in imminent danger of death or impairment of a major bodily function unless surgery is performed.”; and

210.252. 1. All buildings and premises used by a child-care facility to care for more than six children except those exempted from the licensing provisions of the department of elementary and secondary education pursuant to subdivisions (1) to [(15)] **(16)** of subsection 1 of section 210.211, shall be inspected annually for fire and safety by the state fire marshal, the marshal's designee or officials of a local fire district and for health and sanitation by the department of elementary and secondary education or the department's designee, including officials of the department of health and senior services, or officials of the local health department. Evidence of compliance with the inspections required by this section shall be kept on file and available to parents of children enrolling in the child-care facility.

2. Local inspection of child-care facilities may be accomplished if the standards employed by local personnel are substantially equivalent to state standards and local personnel are available for enforcement of such standards.

3. Any child-care facility may request a variance from a rule or regulation promulgated pursuant to this section. The request for a variance shall be made in writing to the department of elementary and secondary education and shall include the reasons the facility is requesting the variance. The department shall approve any variance request that does not endanger the health or safety of the children served by the facility. The burden of proof at any appeal of a disapproval of a variance application shall be with the department of elementary and secondary education. Local inspectors may grant a variance, subject to approval by the department of elementary and secondary education.

4. The department of elementary and secondary education shall administer the provisions of sections 210.252 to 210.256, with the cooperation of the state fire marshal, the department of health and senior services, local fire departments and local health agencies.

5. The department of elementary and secondary education shall promulgate rules and regulations to implement and administer the provisions of sections 210.252 to 210.256. Such rules and regulations shall provide for the protection of children in all child-care facilities whether or not such facility is subject to the licensing provisions of sections 210.201 to 210.245.

6. The department of health and senior services, after consultation with the department of elementary and secondary education, may promulgate rules and regulations to implement and administer the provisions of this section related to sanitation requirements. Such rules and regulations shall provide for the protection of children in all child-care facilities whether or not such facility is subject to the licensing provisions of sections 210.201 to 210.245.

7. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 210.252 to 210.256 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

210.275. Any program licensed by the department of elementary and secondary education pursuant to this chapter providing child care to **only** school-age children [that is located and operated on elementary or secondary school property] shall comply with the child-care licensure provisions in this chapter; except that, for safety, health and fire purposes, all buildings and premises for any such programs shall be deemed to be in compliance with the child-care licensure provisions in this chapter.”; and

Further amend the title and enacting clause accordingly.

Senator Black moved that the above amendment be adopted, which motion prevailed.

SENATE AMENDMENT NO. 5

Amend Senate Substitute for Senate Bill No. 862, Page 5, Section 210.560, Line 149, by inserting after all of said line the following:

“210.841. 1. The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes.

2. If the judgment or order of the court varies with the child's birth certificate, the court shall order that an amended birth registration be made pursuant to section 210.849.

3. The judgment or order shall contain the Social Security number of each party and may contain any other provision directed against the appropriate party to the proceeding concerning:

- (1) The duty of support;
- (2) The custody and guardianship of the child;
- (3) Visitation privileges with the child;
- (4) The furnishing of bond or other security for the payment of the judgment; or

(5) Any matter in the best interest of the child. The judgment or order may direct the father to pay the reasonable expenses of the mother's pregnancy and confinement.

4. Support judgments or orders ordinarily shall be for periodic payments. In the best interests of the child, a lump sum payment or the purchase of an annuity may be ordered in lieu of periodic payments of support. The court may limit the father's liability for past support of the child to the proportion of the expenses already incurred that the court deems just.

5. There shall be a rebuttable presumption that the amount of support that would result from the application of supreme court rule 88.01 is the correct amount of child support to be awarded. A written finding or specific finding on the record that the application of supreme court rule 88.01 would be unjust or inappropriate in a particular case, after considering all relevant factors including the factors in subsection 6 of this section, shall be sufficient to rebut the presumption in the case.

6. In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, the court shall consider all relevant facts, including:

- (1) The needs of the child;
- (2) The standard of living and circumstances of the parents;
- (3) The relative financial means of the parents;
- (4) The earning ability of the parents;
- (5) The need and capacity of the child for education, including higher education;
- (6) The age of the child;
- (7) The financial resources and earning capacity of the child;
- (8) The responsibility of the parents for the support of other children;
- (9) The value of the services contributed by the custodial parent; and

(10) The standard of living and circumstances of the family prior to the dissolution of marriage of parents or during the period of cohabitation of the parents.

7. Any award for periodic child support may be retroactive to the date of service of the original petition upon the obligor.

8. The court shall apply the provisions of subsection 3 of section 452.375 when determining whether a party shall have custody, guardianship, or unsupervised visitation of a child under this section.”; and

Further amend the title and enacting clause accordingly.

Senator Beck moved that the above amendment be adopted, which motion prevailed.

Senator Brattin offered **SA 7**:

SENATE AMENDMENT NO. 7

Amend Senate Substitute for Senate Bill No. 862, Page 1, Section A, Line 3, by inserting after all of said line the following:

“210.145. 1. The division shall develop protocols which give priority to:

(1) Ensuring the well-being and safety of the child in instances where child abuse or neglect has been alleged;

(2) Promoting the preservation and reunification of children and families consistent with state and federal law;

(3) Providing due process for those accused of child abuse or neglect; and

(4) Maintaining an information system operating at all times, capable of receiving and maintaining reports. This information system shall have the ability to receive reports over a single, statewide toll-free number. Such information system shall maintain the results of all investigations, family assessments and services, and other relevant information.

2. (1) The division shall utilize structured decision-making protocols, including a standard risk assessment that shall be completed within seventy-two hours of the report of abuse or neglect, for classification purposes of all child abuse and neglect reports. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child. All child abuse and neglect reports shall be initiated within twenty-four hours and shall be classified based upon the reported risk and injury to the child. The division shall promulgate rules regarding the structured decision-making protocols to be utilized for all child abuse and neglect reports.

(2) The director of the division and the office of state courts administrator shall develop a joint safety assessment tool before December 31, 2020, and such tool shall be implemented before January 1, 2022. The safety assessment tool shall replace the standard risk assessment required under subdivision (1) of this subsection and shall also be completed within seventy-two hours of the report of abuse or neglect.

3. Upon receipt of a report, the division shall determine if the report merits investigation, including reports which if true would constitute a suspected violation of any of the following: section 565.020, 565.021, 565.023, 565.024, or 565.050 if the victim is a child less than eighteen years of age, section 566.030 or 566.060 if the victim is a child less than eighteen years of age, or other crimes under chapter 566 if the victim is a child less than eighteen years of age and the perpetrator is twenty-one years of age or older, section 567.050 if the victim is a child less than eighteen years of age, section 568.020, 568.030, 568.045, 568.050, 568.060, 573.200, or 573.205, section 573.025, 573.035, 573.037, or 573.040, or an attempt to commit any such crimes. The division shall immediately communicate all reports that merit investigation to its appropriate local office and any relevant information as may be contained in the information system. The local division staff shall determine, through the use of protocols developed by the division, whether an investigation or the family assessment and services approach should be used to respond to the allegation. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child.

4. The division may accept a report for investigation or family assessment if either the child or alleged perpetrator resides in Missouri, may be found in Missouri, or if the incident occurred in Missouri.

5. If the division receives a report in which neither the child nor the alleged perpetrator resides in Missouri or may be found in Missouri and the incident did not occur in Missouri, the division shall document the report and communicate it to the appropriate agency or agencies in the state where the child is believed to be located, along with any relevant information or records as may be contained in the division's information system.

6. When the child abuse and neglect hotline receives three or more calls, within a seventy-two hour period, from one or more individuals concerning the same child, the division shall conduct a review to determine whether the calls meet the criteria and statutory definition for a child abuse and neglect report to be accepted. In conducting the review, the division shall contact the hotline caller or callers in order to collect information to determine whether the calls meet the criteria for harassment.

7. The local office shall contact the appropriate law enforcement agency immediately upon receipt of a report which division personnel determine merits an investigation and provide such agency with a detailed description of the report received. In such cases the local division office shall request the assistance of the local law enforcement agency in all aspects of the investigation of the complaint. The appropriate law enforcement agency shall either assist the division in the investigation or provide the division, within twenty-four hours, an explanation in writing detailing the reasons why it is unable to assist.

8. The local office of the division shall cause an investigation or family assessment and services approach to be initiated in accordance with the protocols established in subsection 2 of this section, except in cases where the sole basis for the report is educational neglect. If the report indicates that educational neglect is the only complaint and there is no suspicion of other neglect or abuse, the investigation shall be initiated within seventy-two hours of receipt of the report. If the report indicates the child is in danger of

serious physical harm or threat to life, an investigation shall include direct observation of the subject child within twenty-four hours of the receipt of the report. Local law enforcement shall take all necessary steps to facilitate such direct observation. Callers to the child abuse and neglect hotline shall be instructed by the division's hotline to call 911 in instances where the child may be in immediate danger. If the parents of the child are not the alleged perpetrators, a parent of the child must be notified prior to the child being interviewed by the division. No person responding to or investigating a child abuse and neglect report shall call prior to a home visit or leave any documentation of any attempted visit, such as business cards, pamphlets, or other similar identifying information if he or she has a reasonable basis to believe the following factors are present:

- (1) (a) No person is present in the home at the time of the home visit; and
- (b) The alleged perpetrator resides in the home or the physical safety of the child may be compromised if the alleged perpetrator becomes aware of the attempted visit;
- (2) The alleged perpetrator will be alerted regarding the attempted visit; or
- (3) The family has a history of domestic violence or fleeing the community.

If the alleged perpetrator is present during a visit by the person responding to or investigating the report, such person shall **verbally identify himself or herself and his or her role in the investigation and shall** provide written material to the alleged perpetrator informing him or her of his or her rights regarding such visit, including but not limited to the right to contact an attorney. The alleged perpetrator shall be given a reasonable amount of time to read such written material or have such material read to him or her by the case worker before the visit commences, but in no event shall such time exceed five minutes; except that, such requirement to provide written material and reasonable time to read such material shall not apply in cases where the child faces an immediate threat or danger, or the person responding to or investigating the report is or feels threatened or in danger of physical harm. If the abuse is alleged to have occurred in a school or child care facility the division shall not meet with the child in any school building or child-care facility building where abuse of such child is alleged to have occurred. When the child is reported absent from the residence, the location and the well-being of the child shall be verified. For purposes of this subsection, "child care facility" shall have the same meaning as such term is defined in section 210.201.

9. In all cases in which a case worker is investigating an instance of alleged child abuse or neglect and visiting the home or location where the abused child is located or where any child who may have been witness to another child's abuse is located, the case worker shall first verbally identify himself or herself and his or her role in the investigation and shall inform the child's parent or guardian that neither the child nor parent or guardian is required to speak with the case worker, allow the case worker to enter the home, or otherwise provide the case worker with access to the child, without a warrant or court order and that the parent or guardian has the right to contact an attorney.

10. The director of the division shall name at least one chief investigator for each local division office, who shall direct the division response on any case involving a second or subsequent incident regarding the same subject child or perpetrator. The duties of a chief investigator shall include verification of direct observation of the subject child by the division and shall ensure information regarding the status of an investigation is provided to the public school district liaison. The public school district liaison shall

develop protocol in conjunction with the chief investigator to ensure information regarding an investigation is shared with appropriate school personnel. The superintendent of each school district shall designate a specific person or persons to act as the public school district liaison. Should the subject child attend a nonpublic school the chief investigator shall notify the school principal of the investigation. Upon notification of an investigation, all information received by the public school district liaison or the school shall be subject to the provisions of the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. Section 1232g, and federal rule 34 C.F.R. Part 99.

[10.] **11.** The investigation shall include but not be limited to the nature, extent, and cause of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect; the names and conditions of other children in the home, if any; the home environment and the relationship of the subject child to the parents or other persons responsible for the child's care; any indication of incidents of physical violence against any other household or family member; and other pertinent data.

[11.] **12.** When a report has been made by a person required to report under section 210.115, the division shall contact the person who made such report within forty-eight hours of the receipt of the report in order to ensure that full information has been received and to obtain any additional information or medical records, or both, that may be pertinent.

[12.] **13.** Upon completion of the investigation, if the division suspects that the report was made maliciously or for the purpose of harassment, the division shall refer the report and any evidence of malice or harassment to the local prosecuting or circuit attorney.

[13.] **14.** Multidisciplinary teams shall be used whenever conducting the investigation as determined by the division in conjunction with local law enforcement. Multidisciplinary teams shall be used in providing protective or preventive social services, including the services of law enforcement, a liaison of the local public school, the juvenile officer, the juvenile court, and other agencies, both public and private.

[14.] **15.** For all family support team meetings involving an alleged victim of child abuse or neglect, the parents, legal counsel for the parents, foster parents, the legal guardian or custodian of the child, the guardian ad litem for the child, and the volunteer advocate for the child shall be provided notice and be permitted to attend all such meetings. Family members, other than alleged perpetrators, or other community informal or formal service providers that provide significant support to the child and other individuals may also be invited at the discretion of the parents of the child. In addition, the parents, the legal counsel for the parents, the legal guardian or custodian and the foster parents may request that other individuals, other than alleged perpetrators, be permitted to attend such team meetings. Once a person is provided notice of or attends such team meetings, the division or the convenor of the meeting shall provide such persons with notice of all such subsequent meetings involving the child. Families may determine whether individuals invited at their discretion shall continue to be invited.

[15.] **16.** If the appropriate local division personnel determine after an investigation has begun that completing an investigation is not appropriate, the division shall conduct a family assessment and services approach. The division shall provide written notification to local law enforcement prior to terminating any investigative process. The reason for the termination of the investigative process shall be documented in the record of the division and the written notification submitted to local law enforcement. Such notification shall not preclude nor prevent any investigation by law enforcement.

[16.] **17.** If the appropriate local division personnel determines to use a family assessment and services approach, the division shall:

(1) Assess any service needs of the family. The assessment of risk and service needs shall be based on information gathered from the family and other sources;

(2) Provide services which are voluntary and time-limited unless it is determined by the division based on the assessment of risk that there will be a high risk of abuse or neglect if the family refuses to accept the services. The division shall identify services for families where it is determined that the child is at high risk of future abuse or neglect. The division shall thoroughly document in the record its attempt to provide voluntary services and the reasons these services are important to reduce the risk of future abuse or neglect to the child. If the family continues to refuse voluntary services or the child needs to be protected, the division may commence an investigation;

(3) Commence an immediate investigation if at any time during the family assessment and services approach the division determines that an investigation, as delineated in sections 210.109 to 210.183, is required. The division staff who have conducted the assessment may remain involved in the provision of services to the child and family;

(4) Document at the time the case is closed, the outcome of the family assessment and services approach, any service provided and the removal of risk to the child, if it existed.

[17.] **18.** (1) Within forty-five days of an oral report of abuse or neglect, the local office shall update the information in the information system. The information system shall contain, at a minimum, the determination made by the division as a result of the investigation, identifying information on the subjects of the report, those responsible for the care of the subject child and other relevant dispositional information. The division shall complete all investigations within forty-five days, unless good cause for the failure to complete the investigation is specifically documented in the information system. Good cause for failure to complete an investigation shall include, but not be limited to:

(a) The necessity to obtain relevant reports of medical providers, medical examiners, psychological testing, law enforcement agencies, forensic testing, and analysis of relevant evidence by third parties which has not been completed and provided to the division;

(b) The attorney general or the prosecuting or circuit attorney of the city or county in which a criminal investigation is pending certifies in writing to the division that there is a pending criminal investigation of the incident under investigation by the division and the issuing of a decision by the division will adversely impact the progress of the investigation; or

(c) The child victim, the subject of the investigation or another witness with information relevant to the investigation is unable or temporarily unwilling to provide complete information within the specified time frames due to illness, injury, unavailability, mental capacity, age, developmental disability, or other cause.

The division shall document any such reasons for failure to complete the investigation.

(2) If a child fatality or near-fatality is involved in a report of abuse or neglect, the investigation shall remain open until the division's investigation surrounding such death or near-fatal injury is completed.

(3) If the investigation is not completed within forty-five days, the information system shall be updated at regular intervals and upon the completion of the investigation, which shall be completed no later than ninety days after receipt of a report of abuse or neglect, or one hundred twenty days after receipt of a report of abuse or neglect involving sexual abuse, or until the division's investigation is complete in cases involving a child fatality or near-fatality. The information in the information system shall be updated to reflect any subsequent findings, including any changes to the findings based on an administrative or judicial hearing on the matter.

[18.] **19.** A person required to report under section 210.115 to the division and any person making a report of child abuse or neglect made to the division which is not made anonymously shall be informed by the division of his or her right to obtain information concerning the disposition of his or her report. Such person shall receive, from the local office, if requested, information on the general disposition of his or her report. Such person may receive, if requested, findings and information concerning the case. Such release of information shall be at the discretion of the director based upon a review of the reporter's ability to assist in protecting the child or the potential harm to the child or other children within the family. The local office shall respond to the request within forty-five days. The findings shall be made available to the reporter within five days of the outcome of the investigation. If the report is determined to be unsubstantiated, the reporter may request that the report be referred by the division to the office of child advocate for children's protection and services established in sections 37.700 to 37.730. Upon request by a reporter under this subsection, the division shall refer an unsubstantiated report of child abuse or neglect to the office of child advocate for children's protection and services.

[19.] **20.** The division shall provide to any individual who is not satisfied with the results of an investigation information about the office of child advocate and the services it may provide under sections 37.700 to 37.730.

[20.] **21.** In any judicial proceeding involving the custody of a child the fact that a report may have been made pursuant to sections 210.109 to 210.183 shall not be admissible. However:

(1) Nothing in this subsection shall prohibit the introduction of evidence from independent sources to support the allegations that may have caused a report to have been made; and

(2) The court may on its own motion, or shall if requested by a party to the proceeding, make an inquiry not on the record with the children's division to determine if such a report has been made.

If a report has been made, the court may stay the custody proceeding until the children's division completes its investigation.

[21.] **22.** Nothing in this chapter shall be construed to prohibit the children's division from coinvestigating a report of child abuse or neglect or sharing records and information with child welfare, law enforcement, or judicial officers of another state, territory, or nation if the children's division determines it is appropriate to do so under the standard set forth in subsection 4 of section 210.150 and if such receiving agency is exercising its authority under the law.

[22.] **23.** In any judicial proceeding involving the custody of a child where the court determines that the child is in need of services under paragraph (d) of subdivision (1) of subsection 1 of section 211.031 and has taken jurisdiction, the child's parent, guardian or custodian shall not be entered into the registry.

[23.] **24.** The children's division is hereby granted the authority to promulgate rules and regulations pursuant to the provisions of section 207.021 and chapter 536 to carry out the provisions of sections 210.109 to 210.183.

[24.] **25.** Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.”; and

Journal of the Senate

SECOND REGULAR SESSION

THIRTIETH DAY - TUESDAY, MARCH 5, 2024

The Senate met pursuant to adjournment.

Senator Coleman in the Chair.

The Reverend Stephen George offered the following prayer:

"For lack of guidance a nation falls, but victory is won through many advisers." (Proverbs 11:14 NIV)

Heavenly Father, as we remember the Proverb that says, "there is a way that seems right to a person, but in the end it leads to death," we ask that You would give us the humility to work together and consider the thoughts and opinions of those who differ from us. As we do, we ask that You would give us wisdom to discern what is wise counsel and what is not, so that we may make decisions which will be honoring to You and help our state prosper. We ask this In Your Holy Name, Amen.

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for Senate Bill No. 750, Page 1, In the Title, Line 12, by striking “the collection of delinquent taxes” and inserting in lieu thereof the following: “taxation”; and

Further amend said bill, page 2, Section A, line 22, by inserting after all of said line the following:

“137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. **Beginning January 1, 2025, all personal property shall be annually assessed at a percent of its true value in money as of January first of each calendar year as follows:**

(1) A political subdivision shall annually reduce the percentage of true value in money at which personal property is assessed pursuant to this subsection such that the amount by which the revenue generated by taxes levied on such personal property is substantially equal to one hundred percent of the growth in revenue generated by real property assessment growth. Annual reductions shall be made pursuant to this subdivision until December 31, 2073. Thereafter, the percentage of true value in money at which personal property is assessed shall be equal to the percentage in effect on December 31, 2073;

(2) The provisions of subdivision (1) of this subsection shall not be construed to relieve a political subdivision from adjustments to property tax levies as required by section 137.073;

(3) For the purposes of subdivision (1) of this subsection, “real property assessment growth” shall mean the growth in revenue from increases in the total assessed valuation of all real property in a political subdivision over the revenue generated from the assessed valuation of such real property from the previous calendar year. Real property assessment growth shall not include any revenue in excess of the percent increase in the consumer price index, as described in subsection 2 of section 137.073;

(4) Notwithstanding the provisions of subdivisions (1) to (3) of this subsection to the contrary, for the purposes of the tax levied pursuant to Article III, Section 38(b) of the Missouri Constitution,

all personal property shall be assessed at thirty-three and one-third percent of its true value in money as of January first of each calendar year;

(5) Subject to appropriations, a political subdivision that receives total real and personal property tax revenues below the allowable amount for such political subdivision in such calendar year due to the provisions of subdivisions (1) to (4) of this subsection shall receive reimbursement from the state in an amount equal to the amount that such revenues are below the total allowable amount of property tax revenues for such political subdivision in such calendar year.

2. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection [5] 6 of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer,

computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word “comparable” means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

[2.] 3. Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

[3.] 4. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than two hundred hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

[4.] 5. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

[5.] 6. (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

- (b) For real property in subclass (2), twelve percent; and
- (c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

[6.] 7. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

[7.] 8. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

[8.] 9. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

[9.] 10. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

[10.] **11.** Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

[11.] **12.** If a physical inspection is required, pursuant to subsection [10] **11** of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

[12.] **13.** A physical inspection, as required by subsection [10] **11** of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection [11] **12** of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

[13.] **14.** A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

[14.] **15.** Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

[15.] **16.** The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection [14] **15** of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

[16.] **17.** Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444."; and

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 818, Page 1, In the Title, Lines 4-5, by striking all of said lines and inserting in lieu thereof the following: “public health, with an emergency clause for certain sections.”; and

Further amend said bill and page, section A, line 3, by inserting after all of said line the following:

“67.308. No [county, city, town or village] **public or private entity** in this state receiving public funds **or any other public accommodation** shall require documentation of an individual having received a vaccination against COVID-19 in order for the individual to access transportation systems [or], **facilities, services, or any other public accommodations. As used in this section, public accommodation shall have the same meaning as “places of public accommodation” in section 213.010.**

167.181. 1. The department of health and senior services, after consultation with the department of elementary and secondary education, shall promulgate rules and regulations governing the immunization against poliomyelitis, rubella, rubeola, mumps, tetanus, pertussis, diphtheria, and hepatitis B, to be required of children attending public, private, parochial or parish schools. Such rules and regulations may modify the immunizations that are required of children in this subsection. The immunizations required and the manner and frequency of their administration shall conform to recognized standards of medical practice. The department of health and senior services shall supervise and secure the enforcement of the required immunization program.

2. It is unlawful for any student to attend school unless he has been immunized as required under the rules and regulations of the department of health and senior services, and can provide satisfactory evidence of such immunization; except that if he produces satisfactory evidence of having begun the process of immunization, he may continue to attend school as long as the immunization process is being accomplished in the prescribed manner. It is unlawful for any parent or guardian to refuse or neglect to have his child immunized as required by this section, unless the child is properly exempted.

3. This section shall not apply to any child if one parent or guardian objects in writing to his school administrator against the immunization of the child, because of religious beliefs or medical contraindications. In cases where any such objection is for reasons of medical contraindications, a statement from a duly licensed physician must also be provided to the school administrator.

4. Each school superintendent, whether of a public, private, parochial or parish school, shall cause to be prepared a record showing the immunization status of every child enrolled in or attending a school under his jurisdiction. The name of any parent or guardian who neglects or refuses to permit a nonexempted child to be immunized against diseases as required by the rules and regulations promulgated pursuant to the provisions of this section shall be reported by the school superintendent to the department of health and senior services.

5. The immunization required may be done by any duly licensed physician or by someone under his direction. If the parent or guardian is unable to pay, the child shall be immunized at public expense by a physician or nurse at or from the county, district, city public health center or a school nurse or by a nurse or physician in the private office or clinic of the child's personal physician with the costs of immunization paid through the state Medicaid program, private insurance or in a manner to be determined by the department of health and senior services subject to state and federal appropriations, and after consultation with the school superintendent and the advisory committee established in section 192.630. When a child receives his or her immunization, the treating physician may also administer the appropriate fluoride treatment to the child's teeth.

6. Funds for the administration of this section and for the purchase of vaccines for children of families unable to afford them shall be appropriated to the department of health and senior services from general revenue or from federal funds if available.

7. No student shall be required, as a condition of school attendance or participation in school-sponsored extracurricular activities, to be immunized against COVID-19. No school shall require students to undergo COVID-19 diagnostic testing as an alternative to receiving a COVID-19 vaccination. This subsection shall expire on December 31, 2029.

8. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

174.336. No public institution of higher education in this state shall require any student, whether residing on campus or not, to have received a COVID-19 vaccine in order to access educational and other services, including, but not limited to, in-class attendance, school-sponsored extracurricular activities, and access to school buildings and facilities. No public institution of higher education in this state shall require any student to undergo COVID-19 diagnostic testing as an alternative to receiving a COVID-19 vaccination. This section shall expire on December 31, 2029.”; and

Further amend said bill, page 2, section 192.020, line 31, by inserting after all of said line the following:

“210.003. 1. No child shall be permitted to enroll in or attend any public, private or parochial day care center, preschool or nursery school caring for ten or more children unless such child has been adequately immunized against vaccine-preventable childhood illnesses specified by the department of health and senior services in accordance with recommendations of the Centers for Disease Control and Prevention Advisory Committee on Immunization Practices (ACIP), **but until December 31, 2029, not including COVID-19**. The parent or guardian of such child shall provide satisfactory evidence of the required immunizations.

2. A child who has not completed all immunizations appropriate for his or her age may enroll, if:

(1) Satisfactory evidence is produced that such child has begun the process of immunization. The child may continue to attend as long as the immunization process is being accomplished according to the ACIP/Missouri department of health and senior services recommended schedule;

(2) The parent or guardian has signed and placed on file with the day care administrator a statement of exemption which may be either of the following:

(a) A medical exemption, by which a child shall be exempted from the requirements of this section upon certification by a licensed physician that such immunization would seriously endanger the child's health or life; or

(b) A parent or guardian exemption, by which a child shall be exempted from the requirements of this section if one parent or guardian files a written objection to immunization with the day care administrator; or

(3) The child is homeless or in the custody of the children's division and cannot provide satisfactory evidence of the required immunizations. Satisfactory evidence shall be presented within thirty days of enrollment and shall confirm either that the child has completed all immunizations appropriate for his or her age or has begun the process of immunization. If the child has begun the process of immunization, he or she may continue to attend as long as the process is being accomplished according to the schedule recommended by the department of health and senior services.

Exemptions shall be accepted by the day care administrator when the necessary information as determined by the department of health and senior services is filed with the day care administrator by the parent or guardian. Exemption forms shall be provided by the department of health and senior services.

3. In the event of an outbreak or suspected outbreak of a vaccine-preventable disease within a particular facility, the administrator of the facility shall follow the control measures instituted by the local health authority or the department of health and senior services or both the local health authority and the department of health and senior services, as established in Rule 19 CSR 20-20.040, “Measures for the Control of Communicable, Environmental and Occupational Diseases”.

4. The administrator of each public, private or parochial day care center, preschool or nursery school shall cause to be prepared a record of immunization of every child enrolled in or attending a facility under his or her jurisdiction. An annual summary report shall be made by January fifteenth showing the immunization status of each child enrolled, using forms provided for this purpose by the department of health and senior services. The immunization records shall be available for review by department of health and senior services personnel upon request.

5. For purposes of this section, “satisfactory evidence of immunization” means a statement, certificate or record from a physician or other recognized health facility or personnel, stating that the required immunizations have been given to the child and verifying the type of vaccine and the month, day and year of administration.

6. Nothing in this section shall preclude any political subdivision from adopting more stringent rules regarding the immunization of preschool children.

7. All public, private, and parochial day care centers, preschools, and nursery schools shall notify the parent or guardian of each child at the time of initial enrollment in or attendance at the facility that the parent or guardian may request notice of whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed. Beginning December 1, 2015, all public, private, and parochial day care centers, preschools, and nursery schools shall notify the parent or guardian of each child currently enrolled in or attending the facility that the parent or guardian may request notice of whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed. Any public, private, or parochial day care center, preschool, or nursery school shall notify the parent or guardian of a child enrolled in or attending the facility, upon request, of whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed.

(b) To limit, segregate, or classify his employees or his employment applicants in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color, religion, national origin, sex, ancestry, age or disability;

(2) For a labor organization to exclude or to expel from its membership any individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer because of race, color, religion, national origin, sex, ancestry, age or disability of any individual; or to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect his status as an employee or as an applicant for employment, because of such individual's race, color, religion, national origin, sex, ancestry, age or disability; or for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of his race, color, religion, national origin, sex, ancestry, age or disability in admission to, or employment in, any program established to provide apprenticeship or other training;

(3) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion, national origin, sex, ancestry, age or disability unless based upon a bona fide occupational qualification or for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his or her race, color, religion, national origin, sex, ancestry, age as it relates to employment, or disability, or to classify or refer for employment any individual because of his or her race, color, religion, national origin, sex, ancestry, age or disability;

(4) (a) For an employer to require an employee to receive COVID-19 vaccination as a condition of employment without permitting the employee to be exempted from such vaccination requirements because of the employee's religious, moral, ethical, or philosophical beliefs, medical condition, including pregnancy or future pregnancies, or previous exposure to and recovery from COVID-19.

(b) The employer may require the employee seeking the exemption to provide such request in writing. No employer shall require the employee to explain, prove, defend, or otherwise substantiate his or her religious, moral, ethical, or philosophical beliefs or medical conditions relating to requesting the vaccination exemption.

(d) No employer shall require an employee who has requested or received a vaccination exemption to undergo COVID-19 diagnostic testing in place of a vaccination.

(e) In the case of a public employer, any record of vaccinations, exemptions, testing, or other related employee information containing identifying information of the employee shall be considered a closed record under chapter 610.

(f) The provisions of this subdivision shall expire December 31, 2029.

2. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or quality of production or to employees who work in different locations, provided that such differences or such systems are not the result of an intention or a design to discriminate, and are not used to discriminate, because of race, color, religion, sex, national origin, ancestry, age or disability, nor shall it be an unlawful employment practice for an employer to give and to act upon the results of any professionally developed ability test, provided that such test, its administration, or action upon the results thereof, is not designed, intended or used to discriminate because of race, color, religion, national origin, sex, ancestry, age or disability.

3. Nothing contained in this chapter shall be interpreted to require any employer, employment agency, labor organization, or joint labor-management committee subject to this chapter to grant preferential treatment to any individual or to any group because of the race, color, religion, national origin, sex, ancestry, age or disability of such individual or group on account of an imbalance which may exist with

respect to the total number or percentage of persons of any race, color, religion, national origin, sex, ancestry, age or disability employed by any employer, referred or classified for employment by any employment agency or labor organization, admitted to membership or classified by any labor organization, or admitted to or employed in any apprenticeship or other training program, in comparison with the total number or percentage of persons of such race, color, religion, national origin, sex, ancestry, age or disability in any community, state, section, or other area, or in the available workforce in any community, state, section, or other area.

4. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for the state or any political subdivision of the state to comply with the provisions of 29 U.S.C. Section 623 relating to employment as firefighters or law enforcement officers.

Section B. A person or entity shall be qualified to possess and display a temporary removable windshield placard for six months and the placard may be renewed once for an additional six months if a physician's statement pursuant to this section is supplied to the director of revenue at the time of renewal.

13. [Application for license plates or windshield placards issued pursuant to this section shall be made to the director of revenue and shall be accompanied by a statement signed by a licensed physician or other authorized health care practitioner which certifies that the applicant, user, or member of the applicant's household is a physically disabled person as defined by this section.]

[14. The] **A windshield** placard shall be renewable only by the person or entity to which the placard was originally issued. Any placard issued pursuant to this section shall only be used when the physically disabled occupant for whom the disabled plate or placard was issued is in the motor vehicle at the time of parking or when a physically disabled person is being delivered or collected. A disabled license plate and/or a removable windshield hanging placard are not transferable and may not be used by any other person whether disabled or not.

[15.] **14.** At the time the disabled plates or windshield hanging placards are issued, the director shall issue a registration certificate which shall include the applicant's name, address, and other identifying information as prescribed by the director, or if issued to an agency, such agency's name and address. This certificate shall further contain the disabled license plate number or, for windshield hanging placards, the registration or identifying number stamped on the placard. The validated registration receipt given to the applicant shall serve as the registration certificate.

[16.] **15.** The director shall, upon issuing any disabled registration certificate for license plates and/or windshield hanging placards, provide information which explains that such plates or windshield hanging placards are nontransferable, and the restrictions explaining who and when a person or vehicle which bears

[Renewal applicants will be required to submit a physician's statement dated no more than ninety days prior to such application upon their first renewal occurring on or after August 1, 2005. Upon completing subsequent renewal applications, a physician's statement dated no more than ninety days prior to such application shall be required every eighth year. Such physician's statement shall state the expiration date for the temporary windshield placard. If the physician fails to record an expiration date on the physician's statement, the director shall issue the temporary windshield placard for a period of thirty days. The director may stagger the requirement of a physician's statement on all renewals for the initial implementation of an eight-year period.]**

(2) Notwithstanding any provision of law to the contrary, if the applicant has presented proof of disability in the form of a statement from the United States Veterans' Administration verifying that the person is permanently disabled, the applicant shall not be required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards. Initial applications shall be accompanied by the physician's statement required by this section.

(3) Notwithstanding the provisions of paragraph (f) of subdivision (4) of subsection 1 of this section, any person seventy-five years of age or older who provided a physician's statement with the original application shall not be required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards.

(4) Notwithstanding any provision of law to the contrary, if the applicant has presented a physician's statement noting that the physical disability of the applicant, user, or member of the applicant's household is permanent, the applicant shall only be required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards every tenth year.

[18.] **17. The director of revenue upon receiving a physician's statement pursuant to this subsection shall check with the state board of registration for the healing arts created in section 334.120, or the Missouri state board of nursing established in section 335.021, with respect to physician's statements signed by advanced practice registered nurses, or the Missouri state board of chiropractic examiners established in section 331.090, with respect to physician's statements signed by licensed chiropractors, or with the board of optometry established in section 336.130, with respect to physician's statements signed by licensed optometrists, or the state board of podiatric medicine created in section 330.100, with respect to physician's statements signed by physicians of the foot or podiatrists to determine whether the physician is duly licensed and registered pursuant to law. [If such applicant obtaining a disabled license plate or placard presents proof of disability in the form of a statement from the United States Veterans' Administration verifying that the person is permanently disabled, the applicant shall be exempt from the eight-year certification requirement of this subsection for renewal of the plate or placard. Initial applications shall be accompanied by the physician's statement required by this section. Notwithstanding the provisions of paragraph (f) of subdivision (4) of subsection 1 of this section, any person seventy-five years of age or older who provided the physician's statement with the original application shall not be**

required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards.]

[19.] **18.** The boards shall cooperate with the director and shall supply information requested pursuant to this subsection. The director shall, in cooperation with the boards which shall assist the director, establish a list of all Missouri physicians and other authorized health care practitioners and of any other information necessary to administer this section.

[20.] **19.** Where the owner's application is based on the fact that the vehicle is used at least fifty percent of the time by a physically disabled person, the applicant shall submit a statement stating this fact, in addition to the physician's statement. The statement shall be signed by both the owner of the vehicle and the physically disabled person. The applicant shall be required to submit this statement with each application for license plates. No person shall willingly or knowingly submit a false statement and any such false statement shall be considered perjury and may be punishable pursuant to section 301.420.

[21.] **20.** The director of revenue shall retain all physicians' statements and all other documents received in connection with a person's application for disabled license plates and/or disabled windshield placards.

[22.] **21.** The director of revenue shall enter into reciprocity agreements with other states or the federal government for the purpose of recognizing disabled person license plates or windshield placards issued to physically disabled persons.

[23.] **22.** When a person to whom disabled person license plates or a removable or temporary windshield placard or both have been issued dies, the personal representative of the decedent or such other person who may come into or otherwise take possession of the disabled license plates or disabled windshield placard shall return the same to the director of revenue under penalty of law. Failure to return such plates or placards shall constitute a class B misdemeanor.

[24.] **23.** The director of revenue may order any person issued disabled person license plates or windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to such other investigation as will determine whether such person qualifies for the special plates or placards.

[25.] **24.** If such person refuses to submit or is found to no longer qualify for special plates or placards provided for in this section, the director of revenue shall collect the special plates or placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

[26.] **25.** In the event a removable or temporary windshield placard is lost, stolen, or mutilated, the lawful holder thereof shall, within five days, file with the director of revenue an application and an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement windshield placard shall be four dollars.

[27.] **26.** Fraudulent application, renewal, issuance, procurement or use of disabled person license plates or windshield placards shall be a class A misdemeanor. It is a class B misdemeanor for a physician, chiropractor, podiatrist or optometrist to certify that an individual or family member is qualified for a license plate or windshield placard based on a disability, the diagnosis of which is outside their scope of practice or if there is no basis for the diagnosis.”; and

Journal of the Senate

SECOND REGULAR SESSION

THIRTY-SECOND DAY - THURSDAY, MARCH 7, 2024

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Stephen George offered the following prayer:

"Therefore, do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." (Matthew 6:34 NIV)

Heavenly Father, as we conclude this week's senate proceedings, help us release the burdens of the day and the uncertainties of the future, trusting in Your providence. Grant us the serenity to let go of worries about the future and instead focus on the blessings of the present. And, as we rest in Your grace over the weekend—trusting in Your unfailing love, we ask that You would renew our spirits. We also ask for Your hand of protection to be on all of those in our National Guard who are preparing to head to Texas. Protect them and keep them safe. We ask this in Your Holy Name, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

Whereas, the Weldon Spring Site was historically used to process uranium and left damage to the environment and health of the local residents; and

Whereas, the community surrounding the Weldon Spring Site has been affected by nuclear contamination in the name of national security; and

Whereas, the Radiation Exposure Compensation Act (RECA) represents a critical means of providing compensation to the affected populations and acknowledgment of the damage from the nuclear exposure; and

Whereas, the expiration of RECA would deny justice to the individuals currently affected by the nuclear exposure and would fail future generations that may feel the effects of the nuclear exposure; and

Whereas, the reauthorization of RECA is not only a financial matter but a moral imperative to right the past wrongs; and

Whereas, it is the duty of Missouri's elected officials to ensure justice for those within the state's borders who have suffered from the government-induced nuclear radiation exposure:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, second Regular Session, the House of Representatives concurring therein, hereby urge the United States Congress to swiftly reauthorize and update the RECA; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the United States Senate, to the Speaker of the United States House of Representatives, and to the members of the Missouri congressional delegation.

SENATE AMENDMENT NO. 2

Amend Senate Substitute No. 2 for Senate Committee Substitute for Senate Bill No. 727, Page 120, Section 169.560, Line 107, by inserting after all of said line the following:

“170.015. 1. Any course materials and instruction relating to human sexuality and sexually transmitted diseases shall be medically and factually accurate and shall:

(1) Present abstinence from sexual activity as the preferred choice of behavior in relation to all sexual activity for unmarried pupils because it is the only method that is one hundred percent effective in preventing pregnancy, sexually transmitted diseases and the emotional trauma associated with adolescent sexual activity, and advise students that teenage sexual activity places them at a higher risk of dropping out of school because of the consequences of sexually transmitted diseases and unplanned pregnancy;

(2) Stress that sexually transmitted diseases are serious, possible, health hazards of sexual activity. Pupils shall be provided with the latest medical information regarding exposure to human immunodeficiency virus, acquired immune deficiency syndrome (AIDS), human papilloma virus, hepatitis and other sexually transmitted diseases;

(3) [Present] **Teach that life begins at conception and present** students with the latest medically factual information regarding both the possible side effects and health benefits of all forms of contraception, including the success and failure rates for the prevention of pregnancy and sexually transmitted diseases; or shall present students with information on contraceptives and pregnancy in a manner consistent with the provisions of the federal abstinence education law, 42 U.S.C. Section 710;

(4) Include a discussion of the possible emotional and psychological consequences of preadolescent and adolescent sexual activity and the consequences of adolescent pregnancy, as well as the advantages of adoption, including the adoption of special needs children, and the processes involved in making an adoption plan;

(5) Teach skills of conflict management, personal responsibility and positive self-esteem through discussion and role-playing at appropriate grade levels to emphasize that the pupil has the power to control personal behavior. Pupils shall be encouraged to base their actions on reasoning, self-discipline, sense of responsibility, self-control, and ethical considerations, such as respect for one's self and others. Pupils shall be taught not to make unwanted physical and verbal sexual advances or otherwise exploit another person. Pupils shall be taught to resist unwanted sexual advances and other negative peer pressure;

(6) Advise pupils of the laws pertaining to their financial responsibility to children born in and out of wedlock and advise pupils of the provisions of chapter 566 pertaining to statutory rape;

3. A school district or charter school which provides human sexuality instruction may separate students according to gender for instructional purposes.

4. Father, as we are reminded within the Beatitudes from the Sermon on the Mount, blessed are the meek for they will inherit the earth. May we also be reminded of the purpose of our gathering by these two quotes found within the Capitol and our Senate Chamber: "The welfare of the people shall be the supreme law" and "Free and fair discussion will ever be found the firmest friend to the truth". I ask for your guidance in making decisions that may affect the lives of our fellow citizens and friends. I ask to be filled with empathy for the circumstances of others who may live their life differently from my own. Remind us each day of your words in the Gospel of Matthew: Judge not, that you will not be judged. For whatever measure of judgement you place on others, the same measure shall be placed on you. And, let us constantly be reminded of your greatest commandment of all – To love others as we love ourselves.

Please join me in saying Amen!

“334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. (1) Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice registered nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, and Schedule II - hydrocodone; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill.

(2) Notwithstanding any other provision of this section to the contrary, a collaborative practice arrangement may delegate to an advanced practice registered nurse the authority to administer, dispense, or prescribe Schedule II controlled substances for hospice patients; provided, that the advanced practice registered nurse is employed by a hospice provider certified pursuant to chapter 197 and the advanced practice registered nurse is providing care to hospice patients pursuant to a collaborative practice arrangement that designates the certified hospice as a location where the advanced practice registered nurse is authorized to practice and prescribe.

(3) Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services.

(4) An advanced practice registered nurse may prescribe buprenorphine for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the collaborating physician.

3. The written collaborative practice arrangement shall contain at least the following provisions:

(1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;

(2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;

(3) A requirement that there shall be posted at every office where the advanced practice registered nurse is authorized to prescribe, in collaboration with a physician, a prominently displayed disclosure statement informing patients that they may be seen by an advanced practice registered nurse and have the right to see the collaborating physician;

(4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;

(5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity, except as specified in this paragraph. The following provisions shall apply with respect to this requirement:

a. Until August 28, 2025, an advanced practice registered nurse providing services in a correctional center, as defined in section 217.010, and his or her collaborating physician shall satisfy the geographic proximity requirement if they practice within two hundred miles by road of one another. An incarcerated patient who requests or requires a physician consultation shall be treated by a physician as soon as appropriate;

b. The collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by Pub.L. 95-210 (42 U.S.C. Section 1395x, as amended), as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic;

c. The collaborative practice arrangement may allow for geographic proximity to be waived when the arrangement outlines the use of telehealth, as defined in section 191.1145;

d. In addition to the waivers and exemptions provided in this subsection, an application for a waiver for any other reason of any applicable geographic proximity shall be available if a physician is collaborating with an advanced practice registered nurse in excess of any geographic proximity limit. The board of nursing and the state board of registration for the healing arts shall review each application for a waiver of geographic proximity and approve the application if the boards determine that adequate supervision exists between the collaborating physician and the advanced practice registered nurse. The boards shall have forty-five calendar days to review the completed application for the waiver of geographic proximity. If no action is taken by the boards within forty-five days after the submission of the application for a waiver, then the application shall be deemed approved. If the application is denied

by the boards, the provisions of section 536.063 for contested cases shall apply and govern proceedings for appellate purposes; and

e. The collaborating physician is required to maintain documentation related to this requirement and to present it to the state board of registration for the healing arts when requested; and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;

(7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;

(8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse;

(9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's delivery of health care services. The description shall include provisions that the advanced practice registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days;

(10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection; and

(11) If a collaborative practice arrangement is used in clinical situations where a collaborating advanced practice registered nurse provides health care services that include the diagnosis and initiation of treatment for acutely or chronically ill or injured persons, then the collaborating physician or any other physician designated in the collaborative practice arrangement shall be present for sufficient periods of time, at least once every two weeks, except in extraordinary circumstances that shall be documented, to participate in a chart review and to provide necessary medical direction, medical services, consultations, and supervision of the health care staff.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to geographic proximity shall allow a collaborating physician and a collaborating advanced practice registered nurse to practice within two hundred miles by road of one another until

August 28, 2025, if the nurse is providing services in a correctional center, as defined in section 217.010. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150- 5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his or her medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, or physician assistant collaborative practice arrangement and also report to the board the name of each licensed professional with whom the physician has entered into such arrangement. The board shall make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the

collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150- 5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of this section.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services, as defined by 20 CSR 2150- 5.100 as of April 30, 2008, or to collaborative practice arrangements between a primary care physician and a primary care advanced practice registered nurse or a behavioral health physician and a behavioral health advanced practice registered nurse, where the collaborating physician is new to a patient population to which the advanced practice registered nurse is familiar.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other term of employment shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other term of employment shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

13. (1) The provisions of this section shall not apply to an advanced practice registered nurse who has been in a collaborative practice arrangement for a cumulative two thousand documented hours with a collaborating physician and whose license is in good standing. Any such advanced practice registered nurse shall not be required to enter into or remain in an arrangement in order to practice in this state. Any other provisions of law requiring a collaborative practice arrangement

or delegation shall not be required for an advanced practice registered nurse described in this subsection.

(2) The provisions of this subsection shall not apply to certified registered nurse anesthetists.

(3) Notwithstanding any provision of this section to the contrary, an advanced practice registered nurse applying for licensure by endorsement may demonstrate to the state board of nursing completion of a cumulative two thousand documented hours of practice. Such advanced practice registered nurses shall not be required to enter into a collaborative practice arrangement in order to practice in this state.

SENATE AMENDMENT NO. 4

Amend Senate Substitute for Senate Bill No. 1111, Page 14, Section 210.211, Line 134, by inserting after all of said line the following:

“210.221. 1. The department of elementary and secondary education shall have the following powers and duties:

(1) After inspection, to grant licenses to persons to operate child-care facilities if satisfied as to the good character and intent of the applicant and that such applicant is qualified and equipped to render care or service conducive to the welfare of children. Each license shall specify **its effective dates and whether it is temporary**, the kind of child-care services the licensee is authorized to perform, the number of children that can be received or maintained, and their ages ;

(2) To inspect the conditions of the homes and other places in which the applicant operates a child-care facility, inspect their books and records, premises and children being served, examine their officers and agents, deny, suspend, place on probation or revoke the license of such persons as fail to obey the provisions of sections 210.201 to 210.245 or the rules and regulations made by the department of elementary and secondary education. The commissioner also may revoke or suspend a license when the licensee surrenders the license;

(3) To promulgate and issue rules and regulations the department deems necessary or proper in order to establish standards of service and care to be rendered by such licensees to children. No rule or regulation promulgated by the department shall in any manner restrict or interfere with any religious instruction, philosophies or ministries provided by the facility and shall not apply to facilities operated by religious organizations which are not required to be licensed;

(4) To approve training concerning the safe sleep recommendations of the American Academy of Pediatrics in accordance with section 210.223; [and]

(5) To determine what records shall be kept by such persons and the form thereof, and the methods to be used in keeping such records, and to require reports to be made to the department at regular intervals; and

(6) To grant a temporary child care license to a child care provider upon submission of a complete license application to expand an existing site or to add a new location; provided, that the child care provider also submits an approved fire safety inspection and an approved sanitation inspection for the site being expanded or added.

2. Any child-care facility may request a variance from a rule or regulation promulgated pursuant to this section. The request for a variance shall be made in writing to the department of elementary and secondary education and shall include the reasons the facility is requesting the variance. The department shall approve any variance request that does not endanger the health or safety of the children served by the facility. The burden of proof at any appeal of a disapproval of a variance application shall be with the department of elementary and secondary education. Local inspectors may grant a variance, subject to approval by the department of elementary and secondary education.

3. The department shall deny, suspend, place on probation or revoke a license if it receives official written notice that the local governing body has found that license is prohibited by any local law related to the health and safety of children. The department may deny an application for a license if the department determines that a home or other place in which an applicant would operate a child-care facility is located within one thousand feet of any location where a person required to register under sections 589.400 to 589.425 either resides, as that term is defined in subsection 3 of section 566.147, or regularly receives treatment or services, excluding any treatment or services delivered in a hospital, as that term is defined in section 197.020, or in facilities owned or operated by a hospital system. The department may, after inspection, find the licensure, denial of licensure, suspension or revocation to be in the best interest of the state.

4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 210.201 to 210.245 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.

Senator Coleman moved that the above amendment be adopted, which motion prevailed.

Senator Rowden assumed the Chair.

Having voted on the prevailing side, Senator Coleman moved that the vote by which **SA 4** was adopted be reconsidered, which motion prevailed by the following vote:

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, second Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Journal of the Senate

SECOND REGULAR SESSION

FORTY-FIFTH DAY - MONDAY, APRIL 8, 2024

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Stephen George offered the following prayer:

“He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God.” (Micah 6:8 NIV)

Almighty God, as we start back to work this week, we are reminded that You value justice, mercy and humility. We ask that You would grant us the wisdom to discern what is right and just in the midst of complexity and contention. Fill our hearts with compassion for those who are marginalized and oppressed, that our decisions will reflect Your love and mercy. Instill in us a spirit of humility, that we may recognize our own limitations and seek Your guidance in all that we do. Bless our gatherings this week with Your presence and peace, that our proceedings may be conducted with integrity and grace. We ask this in Your Holy Name, Amen.

The Pledge of Allegiance to the Flag was recited.

“169.070. 1. The retirement allowance of a member whose age at retirement is sixty years or more and whose creditable service is five years or more, or whose sum of age and creditable service equals eighty years or more, or who has attained age fifty-five and whose creditable service is twenty-five years

or more or whose creditable service is thirty years or more regardless of age, may be the sum of the following items, not to exceed one hundred percent of the member's final average salary:

(1) Two and five-tenths percent of the member's final average salary for each year of membership service;

(2) Six-tenths of the amount payable for a year of membership service for each year of prior service not exceeding thirty years.

In lieu of the retirement allowance otherwise provided in subdivisions (1) and (2) of this subsection, a member may elect to receive a retirement allowance of:

(3) Two and four-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-nine years or more but less than thirty years, and the member has not attained age fifty-five;

(4) Two and thirty-five-hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-eight years or more but less than twenty-nine years, and the member has not attained age fifty-five;

(5) Two and three-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-seven years or more but less than twenty-eight years, and the member has not attained age fifty-five;

(6) Two and twenty-five-hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-six years or more but less than twenty-seven years, and the member has not attained age fifty-five;

(7) Two and two-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-five years or more but less than twenty-six years, and the member has not attained age fifty-five;

(8) Two and fifty-five hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is thirty-two years or more regardless of age;

(9) Two and six-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is thirty-three years or more regardless of age.

2. In lieu of the retirement allowance provided in subsection 1 of this section, a member whose age is sixty years or more on September 28, 1975, may elect to have the member's retirement allowance calculated as a sum of the following items:

(1) Sixty cents plus one and five-tenths percent of the member's final average salary for each year of membership service;

(2) Six-tenths of the amount payable for a year of membership service for each year of prior service not exceeding thirty years;

(3) Three-fourths of one percent of the sum of subdivisions (1) and (2) of this subsection for each month of attained age in excess of sixty years but not in excess of age sixty-five.

3. (1) In lieu of the retirement allowance provided either in subsection 1 or 2 of this section, collectively called "option 1", a member whose creditable service is twenty-five years or more or who has attained the age of fifty-five with five or more years of creditable service may elect in the member's application for retirement to receive the actuarial equivalent of the member's retirement allowance in reduced monthly payments for life during retirement with the provision that:

Option 2.

Upon the member's death the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member as the member shall have nominated in the member's election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the retired member elected option 1; or

Option 3.

Upon the death of the member three-fourths of the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1; or

Option 4.

Upon the death of the member one-half of the reduced retirement allowance shall be continued throughout the life of, and paid to, such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance shall be increased to the amount the retired member would be receiving had the member elected option 1; or

Option 5.

Upon the death of the member prior to the member having received one hundred twenty monthly payments of the member's reduced allowance, the remainder of the one hundred twenty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the one hundred twenty monthly payments, the total of the remainder of such one hundred twenty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the one hundred twenty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum; or

Option 6.

Upon the death of the member prior to the member having received sixty monthly payments of the member's reduced allowance, the remainder of the sixty monthly payments of the reduced allowance shall

be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the sixty monthly payments, the total of the remainder of such sixty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the sixty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum.

(2) The election of an option may be made only in the application for retirement and such application must be filed prior to the date on which the retirement of the member is to be effective. If either the member or the person nominated to receive the survivorship payments dies before the effective date of retirement, the option shall not be effective, provided that:

(a) If the member or a person retired on disability retirement dies after acquiring twenty-five or more years of creditable service or after attaining the age of fifty-five years and acquiring five or more years of creditable service and before retirement, except retirement with disability benefits, and the person named by the member as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either survivorship benefits under option 2 or a payment of the accumulated contributions of the member. If survivorship benefits under option 2 are elected and the member at the time of death would have been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated beneficiary may further elect to defer the option 2 payments until the date the member would have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section;

(b) If the member or a person retired on disability retirement dies before attaining age fifty-five but after acquiring five but fewer than twenty-five years of creditable service, and the person named as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either a payment of the member's accumulated contributions, or survivorship benefits under option 2 to begin on the date the member would first have been eligible to receive an actuarial equivalent of the member's retirement allowance, or to begin on the date the member would first have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section.

4. If the total of the retirement or disability allowance paid to an individual before the death of the individual is less than the accumulated contributions at the time of retirement, the difference shall be paid to the beneficiary of the individual, or to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the individual in that order of precedence. If an optional benefit as provided in option 2, 3 or 4 in subsection 3 of this section had been elected, and the beneficiary dies after receiving the optional benefit, and if the total retirement allowance paid to the retired individual and the beneficiary of the retired individual is less than the total of the contributions, the difference shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence, unless the retired individual designates a different recipient with the board at or after retirement.

5. If a member dies and his or her financial institution is unable to accept the final payment or payments due to the member, the final payment or payments shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated. If the beneficiary of a deceased member dies and his or her financial institution is unable to accept the final payment or payments, the final payment or payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated.

6. If a member dies before receiving a retirement allowance, the member's accumulated contributions at the time of the death of the member shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or to the estate of the member, in that order of precedence; except that, no such payment shall be made if the beneficiary elects option 2 in subsection 3 of this section, unless the beneficiary dies before having received benefits pursuant to that subsection equal to the accumulated contributions of the member, in which case the amount of accumulated contributions in excess of the total benefits paid pursuant to that subsection shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence.

7. If a member ceases to be a public school employee as herein defined and certifies to the board of trustees that such cessation is permanent, or if the membership of the person is otherwise terminated, the member shall be paid the member's accumulated contributions with interest.

8. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, if a member ceases to be a public school employee after acquiring five or more years of membership service in Missouri, the member may at the option of the member leave the member's contributions with the retirement system and claim a retirement allowance any time after reaching the minimum age for voluntary retirement. When the member's claim is presented to the board, the member shall be granted an allowance as provided in sections 169.010 to 169.141 on the basis of the member's age, years of service, and the provisions of the law in effect at the time the member requests the member's retirement to become effective.

9. The retirement allowance of a member retired because of disability shall be nine-tenths of the allowance to which the member's creditable service would entitle the member if the member's age were sixty, or fifty percent of one-twelfth of the annual salary rate used in determining the member's contributions during the last school year for which the member received a year of creditable service immediately prior to the member's disability, whichever is greater, except that no such allowance shall exceed the retirement allowance to which the member would have been entitled upon retirement at age sixty if the member had continued to teach from the date of disability until age sixty at the same salary rate.

10. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, from October 13, 1961, the contribution rate pursuant to sections 169.010 to 169.141 shall be multiplied by the factor of two-thirds for any member of the system for whom federal Old Age and Survivors Insurance tax is paid from state or local tax funds on account of the member's employment entitling the person to membership in the system. The monetary benefits for a member who elected not to exercise an option to pay into the system a retroactive contribution of four percent on that part of the member's annual salary rate which was

in excess of four thousand eight hundred dollars but not in excess of eight thousand four hundred dollars for each year of employment in a position covered by this system between July 1, 1957, and July 1, 1961, as provided in subsection 10 of this section as it appears in RSMo, 1969, shall be the sum of:

- (1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;
- (2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;
- (3) For years of membership service after July 1, 1957, and prior to July 1, 1961, the benefits provided in this section as it appears in RSMo, 1959; except that if the member has at least thirty years of creditable service at retirement the member shall receive the benefit payable pursuant to that section as though the member's age were sixty-five at retirement;
- (4) For years of membership service after July 1, 1961, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

11. The monetary benefits for each other member for whom federal Old Age and Survivors Insurance tax is or was paid at any time from state or local funds on account of the member's employment entitling the member to membership in the system shall be the sum of:

- (1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;
- (2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;
- (3) For years of membership service after July 1, 1957, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

12. Any retired member of the system who was retired prior to September 1, 1972, or beneficiary receiving payments under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 1, 1972, will be eligible to receive an increase in the retirement allowance of the member of two percent for each year, or major fraction of more than one-half of a year, which the retired member has been retired prior to July 1, 1975. This increased amount shall be payable commencing with January, 1976, and shall thereafter be referred to as the member's retirement allowance. The increase provided for in this subsection shall not affect the retired member's eligibility for compensation provided for in section 169.580 or 169.585, nor shall the amount being paid pursuant to these sections be reduced because of any increases provided for in this section.

13. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases two percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by two percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board with the provision that the increases provided for in this subsection shall not become effective until the fourth January first following the member's retirement or January 1, 1977, whichever later occurs, or in the case of any member retiring on or after July 1, 2000, the increase provided for in this subsection shall not become effective until the third January first following the member's retirement, or in the case

of any member retiring on or after July 1, 2001, the increase provided for in this subsection shall not become effective until the second January first following the member's retirement. Commencing with January 1, 1992, if the board of trustees determines that the cost of living has increased five percent or more in the preceding fiscal year, the board shall increase the retirement allowances by five percent. The total of the increases granted to a retired member or the beneficiary after December 31, 1976, may not exceed eighty percent of the retirement allowance established at retirement or as previously adjusted by other subsections. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

14. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 13 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; except that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1976.

15. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

16. Notwithstanding any other provision of law, any person retired prior to September 28, 1983, who is receiving a reduced retirement allowance under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 28, 1983, and whose beneficiary nominated to receive continued retirement allowance payments under the elected option dies or has died, shall upon application to the board of trustees have his or her retirement allowance increased to the amount he or she would have been receiving had the option not been elected, actuarially adjusted to recognize any excessive benefits which would have been paid to him or her up to the time of application.

17. Benefits paid pursuant to the provisions of the public school retirement system of Missouri shall not exceed the limitations of Section 415 of Title 26 of the United States Code except as provided pursuant to this subsection. Notwithstanding any other law to the contrary, the board of trustees may establish a benefit plan pursuant to Section 415(m) of Title 26 of the United States Code. Such plan shall be created solely for the purpose described in Section 415(m)(3)(A) of Title 26 of the United States Code. The board of trustees may promulgate regulations necessary to implement the provisions of this subsection and to create and administer such benefit plan.

18. Notwithstanding any other provision of law to the contrary, any person retired before, on, or after May 26, 1994, shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. Journal of the Senate

SECOND REGULAR SESSION

FORTY-SIXTH DAY - TUESDAY, APRIL 9, 2024

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Stephen George offered the following prayer:

“Do not forget my teaching, but let your heart keep my commandments; for length of days and years of life and abundant welfare they will give you.” (Proverbs 3:1-2 NRSV)

Heavenly Father, as we continue the work set before us, help us not to forget Your teachings so that we may keep Your commandments as we work with one another on matters of importance to our state and its citizens. We ask for Your continued protection for those in our State’s Highway Patrol and National Guard who are in Texas at the border. We also ask for Your protection on the men and women from our state who are serving in the military, and especially for those who are in the middle east right now. Protect them and their families while they are away. We ask this in Your Holy Name, Amen.

The Senate met pursuant to adjournment.

The Reverend Stephen George offered the following prayer:

"Pride goes before destruction, and a haughty spirit before a fall." (Proverbs 16:18 NRSV)

Almighty God, we ask that You would grant us the wisdom and grace to work with one another in humility, acknowledging our own limitations and shortcomings. Help us to set aside pride and self-interest as we carry out the responsibilities entrusted to us. Grant us the humility to listen to one another, to consider diverse perspectives with respect, and to make decisions that reflect Your wisdom and compassion for the benefit of all those whom we serve. We ask this in Your Holy Name, Amen.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for Senate Bills Nos. 767 & 1342, Page 7, Section 452.355, Line 40, by inserting after all of said line the following:

“452.425. Any court order for the custody of, or visitation with, a child [may] **shall** include a provision that the sheriff or other law enforcement officer shall enforce the rights of any person to custody or visitation unless the court issues a subsequent order pursuant to chapter 210, 211, 452 or 455 to limit or

deny the custody of, or visitations with, the child. Such sheriff or law enforcement officer shall not remove a child from a person who has actual physical custody of the child unless such sheriff or officer is shown a court order or judgment which clearly and convincingly verifies that such person is not entitled to the actual physical custody of the child, and there are not other exigent circumstances that would give the sheriff or officer reasonable suspicion to believe that the child would be harmed or that the court order presented to the sheriff or officer may not be valid.”; and

Further amend the title and enacting clause accordingly.

Senator Brattin moved that the above amendment be adopted, which motion prevailed.

Senator Fitzwater assumed the Chair.

Senator Arthur offered SA 2:

SENATE AMENDMENT NO. 2

Amend Senate Substitute for Senate Committee Substitute for Senate Bills Nos. 767 & 1342, Page 7, Section 452.355, Line 40, by inserting after all of said line the following:

“452.375. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) “Custody” means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;

(2) “Joint legal custody” means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned, or decreed, the parents shall confer with one another in the exercise of decision-making rights, responsibilities, and authority;

(3) “Joint physical custody” means an order awarding each of the parents significant, but not necessarily equal, periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

(4) “Third-party custody” means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. There shall be a rebuttable presumption that an award of equal or approximately equal parenting time to each parent is in the best interests of the child. Such presumption is rebuttable only by a preponderance of the evidence in accordance with all relevant factors, including, but not limited to, the factors contained in subdivisions (1) to [(8)] (9) of this subsection. The presumption may be rebutted if the court finds that the parents have reached an agreement on all issues related to custody, or if the court finds that a pattern of domestic violence has occurred as set out in subdivision [(6)] (7) of this subsection. When the parties have not reached an agreement on all issues related to custody, the court shall consider all relevant factors and enter written findings of fact and conclusions of law, including, but not limited to, the following:

(1) The wishes of the child's parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child's best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent **and the willingness and ability of parents to cooperate in the rearing of their child, to maximize sharing information and minimize exposure of the child to parental conflict, and to utilize methods for resolving disputes regarding any major decision concerning the life of the child;**

(5) The child's adjustment to the child's home, school, and community **and the child's physical, emotional, educational, and other needs.** The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children;

(6) The mental and physical health of all individuals involved, including **the mental health or substance abuse history experienced by either parent;**

(7) Any history of abuse of any individuals involved, **including domestic and child abuse. In determining whether the presumption is rebutted by a pattern of domestic violence, the court shall consider the nature and context of the domestic violence and the implications of the domestic violence for parenting and for the child's safety, well-being, and developmental needs.** If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm, **whether physical, verbal, emotional, or psychological;**

[(7) The intention of either parent to relocate the principal residence of the child; and]

(8) [The unobstructed input of a child, free of coercion and manipulation, as to the child's custodial arrangement] **The distance between the residences of the parents seeking custody, including consideration of any relocation which has occurred or an intent to relocate; and**

(9) **The reasonable input of the child as to the child's custodian, if the court deems the child to be of sufficient ability, age, and maturity to express an independent, reliable preference and that such input is in the best interests of the child and will not be emotionally damaging, with due consideration of the influence that a parent may have on the child's input.**

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.031, 566.032, 566.060, 566.061, 566.062, 566.064, 566.067, 566.068, 566.083, 566.100, 566.101, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

- (b) A violation of section 568.020;
- (c) A violation of subdivision (2) of subsection 1 of section 568.060;
- (d) A violation of section 568.065;
- (e) A violation of section 573.200;
- (f) A violation of section 573.205; or
- (g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, the general assembly encourages the court to enter a temporary parenting plan as early as practicable in a proceeding under this chapter, consistent with the provisions of subsection 2 of this section, and, in so doing, the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall consider each of the following as follows:

(1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(3) Joint legal custody with one party granted sole physical custody;

(4) Sole custody to either parent; or

(5) Third-party custody or visitation:

(a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded to a person related by consanguinity or affinity to the child. If no person related to the child by consanguinity or affinity is willing to accept custody, then the court may award custody to

any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;

(b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to [(8)] (9) of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child. The court shall not presume that a parent, solely because of his or her sex, is more qualified than the other parent to act as a joint or sole legal or physical custodian for the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 8 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. After August 28, 2016, every court order establishing or modifying custody or visitation shall include the following language: "In the event of noncompliance with this order, the aggrieved party may file a verified motion for contempt. If custody, visitation, or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion with the court stating the specific facts that constitute a violation of the custody provisions of the judgment of dissolution, legal separation, or judgment of paternity. The circuit clerk will provide the aggrieved party with an explanation of the procedures for filing a family access motion and a simple form for use in filing the family access motion. A family access motion does not require the assistance of legal counsel to prepare and file."

11. No court shall adopt any local rule, form, or practice requiring a standardized or default parenting plan for interim, temporary, or permanent orders or judgments. Notwithstanding any other provision of law to the contrary, a court may enter an interim order in a proceeding under this chapter, provided that the interim order shall not contain any provisions about child custody or a parenting schedule or plan without first providing the parties with notice and a hearing, unless the parties otherwise agree.

12. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, both parents shall have access to records and information pertaining to a minor child including, but not limited to, medical, dental, and school records. If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or any child has been the victim of domestic violence, as defined in section 455.010, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody or the child. A court shall order that the reports and records made available under this subsection not include the address of the parent with custody if the parent with custody is a participant in the address confidentiality program under section 589.663. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, any judgment of dissolution or other applicable court order shall specifically allow both parents access to such records and reports.

13. Except as otherwise precluded by state or federal law, if any individual, professional, public or private institution or organization denies access or fails to provide or disclose any and all records and information, including, but not limited to, past and present dental, medical and school records pertaining to a minor child, to either parent upon the written request of such parent, the court shall, upon its finding that the individual, professional, public or private institution or organization denied such request without good cause, order that party to comply immediately with such request and to pay to the prevailing party all costs incurred, including, but not limited to, attorney's fees and court costs associated with obtaining the requested information.

14. An award of joint custody does not preclude an award of child support pursuant to section 452.340 and applicable supreme court rules. The court shall consider the factors contained in section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child.

15. If the court finds that domestic violence or abuse as defined in section 455.010 has occurred, the court shall make specific findings of fact to show that the custody or visitation arrangement ordered by the court best protects the child and the parent or other family or household member who is the victim of domestic violence, as defined in section 455.010, and any other children for whom such parent has custodial or visitation rights from any further harm.”; and

Further amend the title and enacting clause accordingly.

Senator Arthur moved that the above amendment be adopted, which motion prevailed.

Senator Thompson Rehder moved that **SS for SCS for SBs 767 and 1342**, as amended, be adopted, which motion prevailed.

On motion of Senator Thompson Rehder, **SS for SCS for SBs 767 and 1342**, as amended, was declared perfected and ordered printed.

“160.400. 1. A charter school is an independent public school.

2. Except as further provided in subsection 4 of this section, charter schools may be operated only:

(1) In a metropolitan school district;

(2) In an urban school district containing most or all of a city with a population greater than three hundred fifty thousand inhabitants;

(3) In a school district that has been classified as unaccredited by the state board of education;

(4) In a school district that has been classified as provisionally accredited by the state board of education and has received scores on its annual performance report consistent with a classification of provisionally accredited or unaccredited for three consecutive school years beginning with the 2012-13 accreditation year under the following conditions:

(a) The eligibility for charter schools of any school district whose provisional accreditation is based in whole or in part on financial stress as defined in sections 161.520 to 161.529, or on financial hardship as defined by rule of the state board of education, shall be decided by a vote of the state board of education during the third consecutive school year after the designation of provisional accreditation; and

(b) The sponsor is limited to the local school board or a sponsor who has met the standards of accountability and performance as determined by the department based on sections 160.400 to 160.425 and section 167.349 and properly promulgated rules of the department; or

(5) In a school district that has been accredited without provisions, sponsored only by the local school board; provided that no board with a current year enrollment of one thousand five hundred fifty students or greater shall permit more than thirty-five percent of its student enrollment to enroll in charter schools sponsored by the local board under the authority of this subdivision, except that this restriction shall not apply to any school district that subsequently becomes eligible under subdivision (3) or (4) of this subsection or to any district accredited without provisions that sponsors charter schools prior to having a current year student enrollment of one thousand five hundred fifty students or greater.

3. Except as further provided in subsection 4 of this section, the following entities are eligible to sponsor charter schools:

(1) The school board of the district in any district which is sponsoring a charter school as of August 27, 2012, as permitted under subdivision (1) or (2) of subsection 2 of this section, the special administrative board of a metropolitan school district during any time in which powers granted to the district's board of education are vested in a special administrative board, or if the state board of education

(2) A public four-year college or university with an approved teacher education program that meets regional or national standards of accreditation;

(2) As a district transitions from provisionally accredited to full accreditation, the district shall continue to fall under the requirements for a provisionally accredited district until it achieves three consecutive full school years of full accreditation;

(3) In any school district classified as unaccredited or provisionally accredited where a charter school is operating and is sponsored by an entity other than the local school board, when the school district becomes classified as accredited without provisions, a charter school may continue to be sponsored by the entity sponsoring it prior to the classification of accredited without provisions and shall not be limited to the local school board as a sponsor.

A charter school operating in a school district identified in subdivision (1) or (2) of subsection 2 of this section may be sponsored by any of the entities identified in subsection 3 of this section, irrespective of the accreditation classification of the district in which it is located. A charter school in a district described in this subsection whose charter provides for the addition of grade levels in subsequent years may continue to add levels until the planned expansion is complete to the extent of grade levels in comparable schools of the district in which the charter school is operated.

5. The mayor of a city not within a county may request a sponsor under subdivision (2), (3), (4), (5), or (6) of subsection 3 of this section to consider sponsoring a "workplace charter school", which is defined for purposes of sections 160.400 to 160.425 as a charter school with the ability to target prospective students whose parent or parents are employed in a business district, as defined in the charter, which is located in the city.

6. No sponsor shall receive from an applicant for a charter school any fee of any type for the consideration of a charter, nor may a sponsor condition its consideration of a charter on the promise of future payment of any kind.

7. The charter school shall be organized as a Missouri nonprofit corporation incorporated pursuant to chapter 355. The charter provided for herein shall constitute a contract between the sponsor and the charter school.

8. As a nonprofit corporation incorporated pursuant to chapter 355, the charter school shall select the method for election of officers pursuant to section 355.326 based on the class of corporation selected. Meetings of the governing board of the charter school shall be subject to the provisions of sections 610.010 to 610.030.

9. A sponsor of a charter school, its agents and employees are not liable for any acts or omissions of a charter school that it sponsors, including acts or omissions relating to the charter submitted by the charter school, the operation of the charter school and the performance of the charter school.

10. A charter school may affiliate with a four-year college or university, including a private college or university, or a community college as otherwise specified in subsection 3 of this section when its charter is granted by a sponsor other than such college, university or community college. Affiliation status recognizes a relationship between the charter school and the college or university for purposes of teacher training and staff development, curriculum and assessment development, use of physical facilities owned by or rented on behalf of the college or university, and other similar purposes. A university, college or community college may not charge or accept a fee for affiliation status.

11. The expenses associated with sponsorship of charter schools shall be defrayed by the department of elementary and secondary education retaining one and five-tenths percent of the amount of state and local funding allocated to the charter school under section 160.415, not to exceed one hundred twenty-five thousand dollars, adjusted for inflation. The department of elementary and secondary education shall remit the retained funds for each charter school to the school's sponsor, provided the sponsor remains in good standing by fulfilling its sponsorship obligations under sections 160.400 to 160.425 and 167.349 with regard to each charter school it sponsors, including appropriate demonstration of the following:

(1) Expends no less than ninety percent of its charter school sponsorship funds in support of its charter school sponsorship program, or as a direct investment in the sponsored schools;

(2) Maintains a comprehensive application process that follows fair procedures and rigorous criteria and grants charters only to those developers who demonstrate strong capacity for establishing and operating a quality charter school;

(3) Negotiates contracts with charter schools that clearly articulate the rights and responsibilities of each party regarding school autonomy, expected outcomes, measures for evaluating success or failure, performance consequences based on the annual performance report, and other material terms;

(4) Conducts contract oversight that evaluates performance, monitors compliance, informs intervention and renewal decisions, and ensures autonomy provided under applicable law; and

(5) Designs and implements a transparent and rigorous process that uses comprehensive data to make merit-based renewal decisions.

12. Sponsors receiving funds under subsection 11 of this section shall be required to submit annual reports to the joint committee on education demonstrating they are in compliance with subsection 17 of this section.

13. No university, college or community college shall grant a charter to a nonprofit corporation if an employee of the university, college or community college is a member of the corporation's board of directors.

14. No sponsor shall grant a charter under sections 160.400 to 160.425 and 167.349 without ensuring that a criminal background check and family care safety registry check are conducted for all members of the governing board of the charter schools or the incorporators of the charter school if initial directors are not named in the articles of incorporation, nor shall a sponsor renew a charter without ensuring a criminal background check and family care safety registry check are conducted for each member of the governing board of the charter school.

15. No member of the governing board of a charter school shall hold any office or employment from the board or the charter school while serving as a member, nor shall the member have any substantial interest, as defined in section 105.450, in any entity employed by or contracting with the board. No board member shall be an employee of a company that provides substantial services to the charter school. All members of the governing board of the charter school shall be considered decision-making public servants as defined in section 105.450 for the purposes of the financial disclosure requirements contained in sections 105.483, 105.485, 105.487, and 105.489.

16. A sponsor shall develop the policies and procedures for:

(1) The review of a charter school proposal including an application that provides sufficient information for rigorous evaluation of the proposed charter and provides clear documentation that the education program and academic program are aligned with the state standards and grade-level expectations, and provides clear documentation of effective governance and management structures, and a sustainable operational plan;

(2) The granting of a charter;

(3) The performance contract that the sponsor will use to evaluate the performance of charter schools. Charter schools shall meet current state academic performance standards as well as other standards agreed upon by the sponsor and the charter school in the performance contract;

(4) The sponsor's intervention, renewal, and revocation policies, including the conditions under which the charter sponsor may intervene in the operation of the charter school, along with actions and consequences that may ensue, and the conditions for renewal of the charter at the end of the term, consistent with subsections 8 and 9 of section 160.405;

(5) Additional criteria that the sponsor will use for ongoing oversight of the charter; and

(6) Procedures to be implemented if a charter school should close, consistent with the provisions of subdivision (15) of subsection 1 of section 160.405.

The department shall provide guidance to sponsors in developing such policies and procedures.

17. (1) A sponsor shall provide timely submission to the state board of education of all data necessary to demonstrate that the sponsor is in material compliance with all requirements of sections 160.400 to 160.425 and section 167.349. The state board of education shall ensure each sponsor is in compliance with all requirements under sections 160.400 to 160.425 and 167.349 for each charter school sponsored by any sponsor. The state board shall notify each sponsor of the standards for sponsorship of charter schools, delineating both what is mandated by statute and what best practices dictate. The state board shall evaluate sponsors to determine compliance with these standards every three years. The evaluation shall include a sponsor's policies and procedures in the areas of charter application approval; required charter agreement terms and content; sponsor performance evaluation and compliance monitoring; and charter renewal, intervention, and revocation decisions. Nothing shall preclude the department from undertaking an evaluation at any time for cause.

(2) If the department determines that a sponsor is in material noncompliance with its sponsorship duties, the sponsor shall be notified and given reasonable time for remediation. If remediation does not address the compliance issues identified by the department, the commissioner of education shall conduct a public hearing and thereafter provide notice to the charter sponsor of corrective action that will be recommended to the state board of education. Corrective action by the department may include withholding the sponsor's funding and suspending the sponsor's authority to sponsor a school that it currently sponsors or to sponsor any additional school until the sponsor is reauthorized by the state board of education under section 160.403.

(3) The charter sponsor may, within thirty days of receipt of the notice of the commissioner's recommendation, provide a written statement and other documentation to show cause as to why that action should not be taken. Final determination of corrective action shall be determined by the state board of education based upon a review of the documentation submitted to the department and the charter sponsor.

(4) If the state board removes the authority to sponsor a currently operating charter school under any provision of law, the Missouri charter public school commission shall become the sponsor of the school.

18. If a sponsor notifies a charter school of closure under subsection 8 of section 160.405, the department of elementary and secondary education shall exercise its financial withholding authority under subsection 12 of section 160.415 to assure all obligations of the charter school shall be met. The state, charter sponsor, or resident district shall not be liable for any outstanding liability or obligations of the charter school.

19. (1) A new charter school authorized by legislation enacted on or after July 1, 2024, shall only be established by following the procedures described in this subsection to refer to the qualified voters of the school district a ballot measure authorizing the same. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the measure, then the provisions of this section shall become effective for such school district. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the measure, then no charter school shall be established in such school district until the measure is resubmitted pursuant to this subsection to the qualified voters and such question is approved by a majority of the qualified voters voting on the measure.

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-FOURTH DAY - TUESDAY, APRIL 23, 2024

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Stephen George offered the following prayer:

“Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither—whatever they do prospers.” (Psalm 1:1-3 NIV)

Heavenly Father, as we convene today, we lift our hearts in gratitude for the opportunity to serve our state. Like trees planted by streams of water, may we be firmly rooted in Your word and guided by Your counsel. May our deliberations be fruitful, yielding prosperity and peace for our communities and our state. Bless us with Your favor as we seek to fulfill our duties with integrity and righteousness. We ask this in Your Holy Name, Amen.

CONCURRENT RESOLUTIONS

Senator Carter offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 37

Whereas, the state of Missouri values its sovereignty and independence; and

Whereas, the citizens of Missouri are increasingly alarmed by the influence of international organizations like the World Health Organization, the United Nations and the World Economic Forum in this state; and

Whereas, a number of recent proposals supported by the United Nations and the World Economic Forum are deeply concerning, including but not limited to:

(1) The promotion of insect-based foods as a replacement for traditional meat products, limiting food choice and infringing on personal dietary preferences and traditions;

(2) The imposition of ESG, or environmental, social, and corporate governance, requirements on businesses that increase regulations, raise costs, and reduce economic freedom for entrepreneurs and businesses;

(3) The concept of social credit, akin to a credit score for social behaviors, that gives the government undue control over individuals' daily lives, punishing those who dissent or hold differing views;

(4) Advocacy for censorship, including government preapproval of information shared online, on social media, and on television that threatens the fundamental principles of free speech and stifles open discourse;

(5) Support for global medical mandates, such as lockdowns, travel bans, business closures, and medical passports, that infringe on individual liberties and personal autonomy;

(6) The endorsement of digital identification that records and tracks individuals' activities, raising concerns about mass surveillance and the erosion of personal privacy;

(7) The potential implementation of mass surveillance technologies, including facial recognition cameras and biometric implants, that pose significant threats to personal privacy and civil liberties;

(8) Placing onerous burdens, costs, and regulations on farmers in the name of sustainability goals that jeopardize agricultural practices and the livelihoods of farmers;

(9) The advocacy for the elimination of private property rights, which undermines the principles of individual ownership and personal freedom; and

(10) The introduction of central bank digital currencies (CBDCs), programmable currency controlled by central banks, that grant the government instant visibility and control over citizens' finances, infringing on financial privacy and personal autonomy;

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Second General Assembly, Second Regular Session, the House of Representatives concurring therein, that the General Assembly firmly reasserts its unwavering dedication to the principles of sovereignty and self-determination, declaring unequivocally that any encroachments on the freedom of its residents must be immediately stopped; and

Be It Further Resolved that the General Assembly openly voices its concerns regarding all attempts made by international organizations, including but not limited to the United Nations, the World Economic Forum, and the World Health Organization, to advocate for policies and initiatives that could undermine the core values and interests of Missouri's residents; and

Be It Further Resolved that the General Assembly strongly encourages a comprehensive review of all agreements or partnerships involving international organizations to guarantee their alignment with the fundamental principles of individual freedom, privacy, autonomy, and the right to private property, which are cherished by the people of Missouri; and

Be It Further Resolved that the General Assembly remains resolute in its commitment to engaging in international cooperation as long as such endeavors respect the autonomy and sovereignty of our great state; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor and Missouri's Congressional delegation.

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-SEVENTH DAY - MONDAY, APRIL 29, 2024

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Stephen George offered the following prayer:

"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock." (Matt 7:24-25 NIV)

Almighty God, You are our rock and our foundation. As we start back to another week of work, we ask for Your guidance to navigate the challenges and opportunities before us, and for strength to put Your Word into practice. May Your Spirit of wisdom unite us in purpose and vision, and may Your light illuminate our minds and hearts as we strive to serve our constituents with integrity and compassion. We ask this in Your Holy Name, Amen.

“208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as described in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. Section 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. Section 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the term “temporary leave of absence” shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians' services, whether furnished in the office, home, hospital, nursing home, or elsewhere;

(7) Subject to appropriation, up to twenty visits per year for services limited to examinations, diagnoses, adjustments, and manipulations and treatments of malpositioned articulations and structures of the body provided by licensed chiropractic physicians practicing within their scope of practice. Nothing in this subdivision shall be interpreted to otherwise expand MO HealthNet services;

(8) Drugs and medicines when prescribed by a licensed physician, dentist, podiatrist, or an advanced practice registered nurse; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, podiatrist, or an advanced practice registered nurse may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

(9) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

(10) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(11) Home health care services;

(12) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions or any abortifacient drug or device that is used for the purpose of inducing an abortion unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in the physician's professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(13) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. Section 1396d, et seq.);

(14) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(15) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his or her physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered

in a residential care facility or assisted living facility licensed under chapter 198 shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if he or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(16) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. Section 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department

of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(17) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. Section 301, et seq.) subject to appropriation by the general assembly;

(18) The services of an advanced practice registered nurse with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(19) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(20) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(21) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced

during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(22) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(24) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(25) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as described in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subdivision, the term “hospice care” means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (15) and (16) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. Section 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is

the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. Section 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. Section 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. Section 1396a (a)(13)(C).

10. The MO HealthNet division may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

12. If the Missouri Medicaid audit and compliance unit changes any interpretation or application of the requirements for reimbursement for MO HealthNet services from the interpretation or application that has been applied previously by the state in any audit of a MO HealthNet provider, the Missouri Medicaid audit and compliance unit shall notify all affected MO HealthNet providers five business days before such change shall take effect. Failure of the Missouri Medicaid audit and compliance unit to notify a provider of such change shall entitle the provider to continue to receive and retain reimbursement until such notification is provided and shall waive any liability of such provider for recoupment or other loss of any payments previously made prior to the five business days after such notice has been sent. Each provider shall provide the Missouri Medicaid audit and compliance unit a valid email address and shall agree to receive communications electronically. The notification required under this section shall be delivered in writing by the United States Postal Service or electronic mail to each provider.

13. Nothing in this section shall be construed to abrogate or limit the department's statutory requirement to promulgate rules under chapter 536.

14. Beginning July 1, 2016, and subject to appropriations, providers of behavioral, social, and psychophysiological services for the prevention, treatment, or management of physical health problems shall be reimbursed utilizing the behavior assessment and intervention reimbursement codes 96150 to 96154 or their successor codes under the Current Procedural Terminology (CPT) coding system. Providers eligible for such reimbursement shall include psychologists.

15. There shall be no payments made under this section for gender transition surgeries, cross-sex hormones, or puberty-blocking drugs, as such terms are defined in section 191.1720, for the purpose of a gender transition.

16. Notwithstanding any provision of law to the contrary, no MO HealthNet funds shall be expended to any abortion facility, as defined in section 188.015, or to any person who or entity that is an affiliate of any entity that operates as an abortion facility in this or any other state or that refers patients to an abortion facility.”; and

Further amend the title and enacting clause accordingly.

Amend Senate Substitute for Senate Bill No. 748, Page 1, In the Title, Line 5, by striking “reimbursement allowance taxes” and inserting in lieu thereof the following: “MO HealthNet”; and

Further amend said bill and page, Section 198.439, line 2, by inserting after all of said line the following:

As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department

of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(17) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. Section 301, et seq.) subject to appropriation by the general assembly;

(18) The services of an advanced practice registered nurse with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(19) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(20) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(21) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced

during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(22) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(24) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(25) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as described in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subdivision, the term “hospice care” means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (15) and (16) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. Section 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is

the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. Section 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. Section 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. Section 1396a (a)(13)(C).

10. The MO HealthNet division may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

12. If the Missouri Medicaid audit and compliance unit changes any interpretation or application of the requirements for reimbursement for MO HealthNet services from the interpretation or application that has been applied previously by the state in any audit of a MO HealthNet provider, the Missouri Medicaid audit and compliance unit shall notify all affected MO HealthNet providers five business days before such change shall take effect. Failure of the Missouri Medicaid audit and compliance unit to notify a provider of such change shall entitle the provider to continue to receive and retain reimbursement until such notification is provided and shall waive any liability of such provider for recoupment or other loss of any payments previously made prior to the five business days after such notice has been sent. Each provider shall provide the Missouri Medicaid audit and compliance unit a valid email address and shall agree to receive communications electronically. The notification required under this section shall be delivered in writing by the United States Postal Service or electronic mail to each provider.

13. Nothing in this section shall be construed to abrogate or limit the department's statutory requirement to promulgate rules under chapter 536.

14. Beginning July 1, 2016, and subject to appropriations, providers of behavioral, social, and psychophysiological services for the prevention, treatment, or management of physical health problems shall be reimbursed utilizing the behavior assessment and intervention reimbursement codes 96150 to 96154 or their successor codes under the Current Procedural Terminology (CPT) coding system. Providers eligible for such reimbursement shall include psychologists.

15. There shall be no payments made under this section for gender transition surgeries, cross-sex hormones, or puberty-blocking drugs, as such terms are defined in section 191.1720, for the purpose of a gender transition.

16. Notwithstanding any provision of law to the contrary, no MO HealthNet funds shall be expended to any abortion facility, as the term “abortion facility” is defined in section 188.015, or to any person who or entity that is an affiliate of any entity that operates an abortion facility in this or any other state or that refers patients to an abortion facility.”; and

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-NINTH DAY - MONDAY, MAY 6, 2024

The Senate met pursuant to adjournment.

Senator Bean in the Chair.

The Reverend Stephen George offered the following prayer:

"Do everything without complaining or arguing, so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe as you hold out the word of life." (Philippians 2:14-16a NIV)

Heavenly Father, Your word reminds us that our words and actions are to reflect our belief in You. May our work today—and every day, reflect Your love and grace, and shine as a beacon of light in a world often overshadowed by darkness. Bless this gathering with Your presence, and infuse us with the wisdom and discernment needed to fulfill our duties with integrity and honor. We ask this in Your Holy Name, Amen.

Any reimbursement increases made through enhanced appropriations for services shall be allocated to providers regardless of whether the provider is public or private. Such increases shall be considered additive to the existing contracts. In addition to payments reflecting the cost of services, contracts shall include incentives provided in recognition of performance based on the evaluation tool created under subsection 2 of this section and the corresponding savings for the state. The response and evaluation team under subsection 3 of this section shall review a formula to distribute such payments, as recommended by the division.

7. The division shall consider immediate actions that are in the best interests of the children served including, but not limited to, placing the agency on a corrective plan, halting new referrals, transferring cases to other performing providers, or terminating the provider's contract. 8. By July 1, 2021, the children's division shall promulgate and have in effect rules to implement the provisions of this section and, pursuant to this section, shall define implementation plans and dates. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

9. A provision in a service provider contract in which the state is indemnified, held harmless, or insured for damages, claims, losses, or expenses arising from any injury, including, but not limited to, bodily injury, mental anguish, property damage, or economic or noneconomic damages or loss caused by or resulting from the state's negligence, in whole or in part, shall be void as against public policy and unenforceable. As used in this subsection, "service provider contract" means a contract, agreement, or understanding between a provider of services and the division regarding the provision of services.

210.135. 1. Provided, however, any person, official or institution intentionally filing a false report, acting in bad faith, or with ill intent, shall not have immunity from any liability, civil or criminal. Any such person, official, or institution shall have the same immunity with respect to participation in any judicial proceeding resulting from the report.

2. An employee, including a contracted employee, of a state-funded child assessment center, as provided for in subsection 2 of section 210.001, shall be immune from any civil liability that arises from the employee's participation in the investigation process and services by the child assessment center, unless such person acted in bad faith. This subsection shall not displace or limit any other immunity provided by law.

3. Any person, who is not a school district employee, who makes a report to any employee of the school district of child abuse by a school employee shall have immunity from any liability, civil or

criminal, that otherwise might result because of such report. Provided, however, that any such person who makes a false report, knowing that the report is false, or who acts in bad faith or with ill intent in making such report shall not have immunity from any liability, civil or criminal. Any such person shall have the same immunity with respect to participation in any judicial proceeding resulting from the report.

4. In a case involving the death or serious injury of a child after a report has been made under sections 210.109 to 210.165, the division shall conduct a preliminary evaluation in order to determine whether a review of the ability of the circuit manager or case worker or workers to perform their duties competently is necessary. The preliminary evaluation shall examine:

- (1) The hotline worker or workers who took any reports related to such case;
- (2) The division case worker or workers assigned to the investigation of such report; and
- (3) The circuit manager assigned to the county where the report was investigated.

Any preliminary evaluation shall be completed no later than three days after the child's death. If the division determines a review and assessment is necessary, it shall be completed no later than three days after the child's death.”; and

[Screened volunteers include, but are not limited to, persons who regularly assist in the office or library, mentor or tutor students, coach or supervise a school-sponsored activity before or after school, or chaperone students on an overnight trip.] Screened volunteers may only access student education records when necessary to assist the district and while supervised by staff members. Volunteers that are not screened shall not be left alone with a student or have access to student records.

2. **(1)** The school district **or charter school** shall ensure that a criminal background check is conducted on any person employed after January 1, 2005, authorized to have contact with pupils and prior to the individual having contact with any pupil. of transporting school children. The **school district or charter school** may allow such drivers to operate buses pending the result of the criminal background check. [For bus drivers,] The school district **or charter school** shall be responsible for conducting the criminal background check on drivers employed by the school district **or charter school under section 43.540.**

(3) For drivers employed **or contracted** by a pupil transportation company under contract with the school district **or the governing board of a charter school**, the criminal background check shall be conducted **by the pupil transportation company** pursuant to section [43.540] **43.539** and conform to the requirements established in the National Child Protection Act of 1993, as amended by the Volunteers for Children Act.

(5) A criminal background check under this section shall include a search of any information publicly available in an electronic format through a public index or single case display.

3. In order to facilitate the criminal history background check, the applicant shall submit a set of fingerprints collected pursuant to standards determined by the Missouri highway patrol. The fingerprints shall be used by the highway patrol to search the criminal history repository and shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files.

4. The department shall distribute the fees collected for the state and federal criminal histories to the Missouri highway patrol.

The department of elementary and secondary education shall facilitate procedures for school districts to submit personnel information annually for persons employed by the school districts who do not hold a current valid certificate who are required by subsection 1 of this section to undergo a criminal background check, sexual offender registry check, and child abuse central registry check. The Missouri state highway patrol shall provide ongoing electronic updates to criminal history background checks of those persons previously submitted, both those who have an active certificate and those who do not have an active certificate, by the department of elementary and secondary education. This shall fulfill the annual check against the criminal history records in the central repository under section 43.530.

6. The school district may adopt a policy to provide for reimbursement of expenses incurred by an employee for state and federal criminal history information pursuant to section 43.530.

7. If, as a result of the criminal history background check mandated by this section, it is determined that the holder of a certificate issued pursuant to section 168.021 has pled guilty or nolo contendere to, or

9. For any teacher who is employed by a school district on a substitute or part-time basis within one year of such teacher's retirement from a Missouri school, the state of Missouri shall not require such teacher to be subject to any additional background checks prior to having contact with pupils. Nothing in this subsection shall be construed as prohibiting or otherwise restricting a school district from requiring additional background checks for such teachers employed by the school district.

10. A criminal background check and fingerprint collection conducted under subsections 1 to 3 of this section shall be valid for at least a period of one year and transferrable from one school district to another district. A school district may, in its discretion, conduct a new criminal background check and fingerprint collection under subsections 1 to 3 **of this section** for a newly hired employee at the district's expense. A teacher's change in type of certification shall have no effect on the transferability or validity of such records.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2005, shall be invalid and void.”; and

An order directing the release of information shall be immediately reviewable, and a petition by the [secretary] **director** for review of the order shall automatically stay any further proceedings in a trial court or administrative hearing until the disposition of the petition by the reviewing court. (c) Held and administered under the terms and conditions contained in paragraphs (a) and (b) of this subdivision.

2. A qualified spousal trust may contain any other trust terms that are not inconsistent with the provisions of this section, including, without limitation, a discretionary power to distribute trust property to a person in addition to a settlor.

3. All property at any time held in a qualified spousal trust, without regard to how such property was titled prior to it being so held[.];

Property held in a qualified spousal trust];

The trustees shall, within ten days after their appointment or election, qualify by taking the oath of civil officers and organize as a board of hospital trustees by the election of one of their number as chairman, one as secretary, one as treasurer, and by the election of such other officers as they may deem necessary.

2. No trustee shall receive any compensation for his or her services performed, but a trustee may receive reimbursement for any cash expenditures actually made for personal expenses incurred as such trustee, and an itemized statement of all such expenses and money paid out shall be made under oath by each of such trustees and filed with the secretary and allowed only by the affirmative vote of all of the trustees present at a meeting of the board.

3. The board of hospital trustees shall make and adopt such bylaws, rules and regulations for its own guidance and for the government of the hospital as may be deemed expedient for the economic and equitable conduct thereof, not inconsistent with sections 205.160 to 205.340 and the ordinances of the city or town wherein such public hospital is located. The board shall provide by regulation for the bonding of the chief executive officer and may require a bond of the treasurer of the board and of any employee of the hospital as it deems necessary. The costs of all bonds required shall be paid out of the hospital fund. Except as provided in subsection 4 of this section, it shall have the exclusive control of the deposit, investment, and expenditure of all moneys collected to the credit of the hospital fund, and of the purchase of site or sites, the purchase or construction of any hospital buildings, and of the supervision, care and custody of the grounds, rooms or buildings purchased, constructed, leased or set apart for that purpose; provided, that all moneys received for such hospital shall be credited to the hospital and deposited into the depository thereof for the sole use of such hospital in accordance with the provisions of sections 205.160 to 205.340. Any agreement entered into pursuant to this subsection pertaining to the lease of the hospital, as herein defined, shall have a definite termination date as negotiated by the parties, but this shall not preclude the trustees from entering into a renewal of the agreement with the same or other parties pertaining to the same or other subjects upon such terms and conditions as the parties may agree. Notwithstanding any other law to the contrary, the county commission in any noncharter county of the first classification wherein such hospital is located

may separately negotiate and enter into contractual agreements with the lessee as a condition of approval of any lease authorized pursuant to this subsection.

5. The board of hospital trustees shall have power to appoint a suitable chief executive officer and necessary assistants and fix their compensation, and shall also have power to remove such appointees; and shall in general carry out the spirit and intent of sections 205.160 to 205.340 in establishing and maintaining a county public hospital.

A day care center established by the board shall be licensed pursuant to the provisions of sections 210.201 to 210.245. The operation of a day care center shall be paid for by fees or charges, established by the board, and collected from the hospital employees who use its services. The board, however, is authorized to receive any private donations or grants from agencies of the federal government intended for the support of the day care center.

7. The board of hospital trustees shall hold meetings at least once each month, shall keep a complete record of all its proceedings; and three members of the board shall constitute a quorum for the transaction of business.

8. One of the trustees shall visit and examine the hospital at least twice each month and the board shall, during the first week in January of each year, file with the county commission of the county a report of its proceedings with reference to such hospital and a statement of all receipts and expenditures during the year; and shall at such time certify the amount necessary to maintain and improve the hospital for the ensuing year.”; and”; and

2. (1) [During the period beginning on January 1, 2010, but ending on or after June 30, 2010, the department of economic development shall not approve applications for tax credits under the provisions of subsections 4 and 10 of section 253.559 which, in the aggregate, exceed seventy million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559. For each fiscal year beginning on or after July 1, 2010, but ending before June 30, 2018, the department of economic development shall not approve applications for tax credits under the provisions of subsections 4 and 10 of section 253.559 which, in the aggregate, exceed one hundred forty million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559. For each fiscal year beginning on or after July 1, 2018,] The department

[of economic development] shall not approve applications for tax credits **for properties not located in a qualified census tract** under the provisions of subsections [4] **6** and [10] **12** of section 253.559 which, in the aggregate, exceed ninety million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559. The limitations provided under this subsection shall not apply to applications approved under the provisions of subsection [4] **6** of section 253.559 for projects to receive less than [two] **four** hundred seventy-five thousand dollars in tax credits, **which number shall be annually adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers, or its successor index, as such index is defined and officially reported by the United States Department of Labor, or its successor agency, provided that no such adjustments shall be made after June 30, 2030.**

(2) For each fiscal year beginning on or after July 1, 2018, the department shall authorize an amount up to, but not to exceed, an additional thirty million dollars in tax credits issued under subsections [4] **6** and [10] **12** of section 253.559, provided that such tax credits are authorized solely for projects located in a qualified census tract. **Projects that receive preliminary approval that are located within a qualified census tract may receive an authorization of tax credit under either subdivision (1) of this subsection or this subdivision, but such projects shall first be authorized from the tax credit amount in this subdivision before being authorized from the tax credit amount in subdivision (1) of this subsection. The thirty million dollars in tax credits provided in this subdivision shall be annually adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers, or its successor index, as such index is defined and officially reported by the United States Department of Labor, or its successor agency, provided that no such adjustments shall be made after June 30, 2030.**

(3) For each fiscal year beginning on or after July 1, 2018, if the maximum amount of tax credits allowed in any fiscal year as provided under subdivisions (1) and (2) of this subsection is authorized, the maximum amount of tax credits allowed under [subdivision (1)] **subdivisions (1) and (2)** of this subsection shall be adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers, or its successor index, as such index is defined and officially reported by the United States Department of Labor, or its successor agency. Only one such adjustment shall be made for each instance in which the provisions of this subdivision apply. The director of the department [of economic development] shall publish such adjusted amount.

3. **(1)** For all applications for tax credits approved on or after January 1, 2010, no more than two hundred fifty thousand dollars in tax credits may be issued for eligible costs and expenses incurred in the rehabilitation of an eligible property [which] **that** is a [nonincome] **non-income**-producing single-family[, owner-occupied] residential property **occupied by the taxpayer applicant or any relative within the third degree of consanguinity or affinity of such applicant** and **that** is either a certified historic structure or a structure in a certified historic district.

(2) For all applications for tax credits, an amount equal to the applicable percentage may be issued for eligible costs and expenses incurred in the rehabilitation of an eligible property **that is a non-income-producing single-family residential property occupied by the taxpayer applicant or any relative within the third degree of consanguinity or affinity of such applicant and that is either a certified historic structure or a structure in a certified historic district. For properties not located in a qualifying county, tax credits shall not be issued under this subdivision unless the property is located in a distressed community, as defined under section 135.530.**

4. The limitations on tax credit authorization provided under the provisions of subsection 2 of this section shall not apply to:

(1) Any application submitted by a taxpayer, which has received approval from the department prior to October 1, 2018; or

(2) Any taxpayer applying for tax credits, provided under this section, which, on or before October 1, 2018, has filed an application with the department evidencing that such taxpayer:

(a) Has incurred costs and expenses for an eligible property which exceed the lesser of five percent of the total project costs or one million dollars and received an approved Part I from the Secretary of the United States Department of Interior; or

(b) Has received certification, by the state historic preservation officer, that the rehabilitation plan meets the **qualified rehabilitation** standards [consistent with the standards of the Secretary of the United States Department of the Interior], and the rehabilitation costs and expenses associated with such rehabilitation shall exceed fifty percent of the total basis in the property.

5. A single-resource certified historic structure of more than one million gross square feet with a Part I approval or on the National Register before January 1, 2024, shall be subject to the dollar caps under subsection 2 of section 253.550, provided that, for any such projects that are eligible for tax credits in an amount exceeding sixty million dollars, the total amount of tax credits for such project counted toward the annual limits provided in subsection 2 of section 253.550 shall be spread over a period of six years with one-sixth of such amount allocated each year if:

(1) The project otherwise meets all the requirements of this section;

(2) The project meets the ten percent incurred costs test under subsection 9 of section 253.559 within thirty-six months after an award is issued; and

(3) The taxpayer agrees with the department of economic development, on a form prescribed by the department, to then claim the entire award of the original “state historical tax credits” over three state fiscal years with the initial year being the calendar year when the tax credits are issued.

253.557. 1. If the amount of such credit exceeds the total tax liability for the year in which the rehabilitated property is placed in service, the amount that exceeds the state tax liability may be carried back to any of the three preceding years and carried forward for credit against the taxes imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to 143.265 for the succeeding ten years, or until the full credit is used, whichever occurs first. Not-for-profit entities[,] including, but not limited to, corporations organized as not-for-profit corporations pursuant to chapter 355 shall be [ineligible] **eligible** for the tax credits authorized under sections [253.545 through 253.561] **253.544 to 253.559**. Taxpayers eligible for [such] tax credits may transfer, sell, or assign the credits. Credits granted to a partnership, a limited liability company taxed as a partnership, or multiple owners of property shall be passed through to the partners, members, or owners respectively pro rata or pursuant to an executed agreement among the partners, members, or owners documenting an alternate distribution method.

2. The assignee of the tax credits, hereinafter the assignee for purposes of this subsection, may use acquired credits to offset up to one hundred percent of the tax liabilities otherwise imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to 143.265. The assignor shall perfect such

transfer by notifying the department [of economic development] in writing within thirty calendar days following the effective date of the transfer and shall provide any information as may be required by the department [of economic development] to administer and carry out the provisions of this section.

253.559. 1. To obtain approval for tax credits allowed under sections [253.545] **253.544** to 253.559, a taxpayer shall submit an application for tax credits to the department [of economic development]. **The department shall establish an application cycle that allows for year-round submission and year-round receipt and review of such applications.** Each application for approval, including any applications received for supplemental allocations of tax credits as provided under subsection [10] **12** of this section, shall be prioritized for review and approval, in the order of the date on which the application was postmarked, with the oldest postmarked date receiving priority. Applications postmarked on the same day shall go through a lottery process to determine the order in which such applications shall be reviewed.

2. Each application shall be reviewed by the department [of economic development] for approval. In order to receive approval, an application, other than applications submitted under the provisions of subsection [10] **12** of this section, shall include:

(1) Proof of ownership or site control. Proof of ownership shall include evidence that the taxpayer is the fee simple owner of the eligible property, such as a warranty deed or a [closing statement] **county assessor record as proof of ownership**. Proof of site control may be evidenced by a leasehold interest or an option to acquire such an interest. If the taxpayer is in the process of acquiring fee simple ownership, proof of site control shall include an executed sales contract or an executed option to purchase the eligible property;

(2) Floor plans of the existing structure, architectural plans, and, where applicable, plans of the proposed alterations to the structure, as well as proposed additions;

(3) The estimated cost of rehabilitation, the anticipated total costs of the project, the actual basis of the property, as shown by proof of actual acquisition costs, the anticipated total labor costs, the estimated project start date, and the estimated project completion date;

(4) Proof that the property is an eligible property and a certified historic structure or a structure in a certified historic district **or part 1 of a federal application or a draft national register of historic places nomination has been submitted to the state historic preservation office. In such instances, the application may proceed as a preliminary application concurrent with the associated federal process for nomination to the National Register of Historic Places;**

(5) A copy of [all] land use [and building approvals reasonably necessary for the commencement of the project] **plans**; and

(6) Any other information [which] the department [of economic development] may reasonably require to review the project for approval.

Only the property for which a property address is provided in the application shall be reviewed for approval. Once selected for review, a taxpayer shall not be permitted to request the review of another property for approval in the place of the property contained in such application. Any disapproved application shall be removed from the review process. If an application is removed from the review process, the department [of economic development] shall notify the taxpayer in writing of the decision to

remove such application. Disapproved applications shall lose priority in the review process. A disapproved application, which is removed from the review process, may be resubmitted, but shall be deemed to be a new submission for purposes of the priority procedures described in this section.

3. (1) In evaluating an application for tax credits submitted under this section, the department [of economic development] shall also consider:

(a) The amount of projected net fiscal benefit of the project to the state and local municipality[, and the period in which the state and municipality would realize such net fiscal benefit] **as calculated based on reasonable methods;**

(b) The overall size and quality of the proposed project, including, **but not limited to:**

a. The estimated number of new jobs **or housing units, or both**, to be created by the project[.];

b. **The estimated number of construction jobs and professional jobs associated with the project that are included in total project costs;**

c. **Capital improvements created by a project and the potential of future community investments and improvements;**

d. **Increased revenues from sales or property taxes;**

e. The potential multiplier effect of the project[.]; and

f. **Other** similar factors; **and**

(c) [The level of economic distress in the area; and]

[(d)] Input from the local elected officials in the local municipality in which the proposed project is located as to the importance of the proposed project to the municipality. [For any proposed project in any city not within a county, input from the local elected officials shall include, but shall not be limited to, the president of the board of aldermen.]

(2) The provisions of this subsection shall not apply to **historic schools or theaters or** applications for projects to receive less than [two] **four** hundred seventy-five thousand dollars in tax credits, **which number shall be annually adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers, or its successor index, as such index is defined and officially reported by the United States Department of Labor, or its successor agency.**

4. (1) **The department shall promptly notify the state historic preservation office of each preliminary application for tax credits. After receipt of such notice, the state historic preservation office shall determine whether a rehabilitation satisfies the qualified rehabilitation standards within sixty days of a taxpayer filing an initial application for tax credits. The determination shall be based upon evidence that the rehabilitation will meet qualified rehabilitation standards, and that evidence shall consist of one of the following:**

(a) **Preliminary approval by the state historic preservation office; or**

(b) **An approved part 2 of the federal application, which the state historic preservation office shall forward directly to the department without any additional review by such office.**

(2) If the state historic preservation office approves the application for tax credits within the sixty-day determination period established in subdivision (1) of this subsection, such office shall forward the application with any review comments to the National Park Service and shall forward any such review comments to the applicant. If such office fails to approve the application within the sixty-day determination period, such office shall forward the application without any comments to the National Park Service and shall have no further opportunity to submit any comments on such application.

(3) Conditions on a state preliminary application or on part 2 of a federal application shall not delay preliminary state approval but shall be addressed by the applicant for final approval of such application.

(4) Any application for state tax credits that does not include an application for federal tax credits or a nomination to the federal National Register of Historic Places shall be reviewed by the state historic preservation office within sixty days of a notice received under subdivision (1) of this subsection.

(5) (a) An application for state tax credits may provide information indicating that the project is a phased rehabilitation project as described under 26 U.S.C. Section 47, as amended. Such application for a phased rehabilitation project shall include at least the following:

a. A schedule of the phases of the project with a beginning and end date for each phase and the expected costs for the whole project. The applicant may submit detailed plans for the project at a later time within the application process;

b. The adjusted total basis of such project, which shall be submitted with the schedule of phases of the project; and

c. A statement that the applicant agrees to begin each phase of such project within twelve months of the start date for such phase listed in the schedule of the phases.

(b) The applicant may submit a preliminary certification of costs upon the completion of each phase of the project.

(c) Upon approval of the cost certification submitted and the work completed on each phase of such project, the department shall issue eighty percent of the amount of the state tax credit for which the taxpayer is approved under this section. The remaining twenty percent of the amount of the state tax credit for which the taxpayer is approved under this section shall be issued upon the final approval of the project under this section.

(6) If the department determines that the amount of tax credits issued to a taxpayer under subdivision (5) of this subsection is in excess of the total amount of tax credits such taxpayer is eligible to receive, the department shall notify such taxpayer, and such taxpayer shall repay the department an amount equal to such excess.

5. If the department [of economic development] deems the application sufficient, the taxpayer shall be notified in writing of the approval for an amount of tax credits equal to the amount provided under section 253.550 less any amount of tax credits previously approved. Such approvals shall be granted to applications in the order of priority established under this section and shall require full compliance

thereafter with all other requirements of law as a condition to any claim for such credits. If the department [of economic development] disapproves an application, the taxpayer shall be notified in writing of the reasons for such disapproval. A disapproved application may be resubmitted. **If the scope of a project for which an application has been approved under this section materially changes, the taxpayer shall be eligible to receive additional tax credits in the year in which the department is notified of and approves of such change in scope, subject to the provisions of subsection 2 of section 253.550 and subsection 7 of this section, if applicable; however, if such project was originally approved prior to August 28, 2018, the department shall evaluate the change in scope of the project under the criteria in effect prior to such date. A change in project scope shall be considered material under this subsection if:**

(1) The project was not previously subject to a material change in scope for which additional tax credits were approved; and

(2) The requested amount of tax credits for the project after the change in scope is higher than the originally approved amount of tax credits.

[5.] 6. Following approval of an application, the identity of the taxpayer contained in such application shall not be modified except:

(1) The taxpayer may add partners, members, or shareholders as part of the ownership structure, so long as the principal remains [the same] **a principal of the taxpayer**, provided however, that subsequent to the commencement of renovation and the expenditure of at least ten percent of the proposed rehabilitation budget, removal of the principal for failure to perform duties and the appointment of a new principal thereafter shall not constitute a change of the principal; or

(2) Where the ownership of the project is changed due to a foreclosure, deed in lieu of a foreclosure or voluntary conveyance, or a transfer in bankruptcy.

[6.] 7. In the event that the department [of economic development] grants approval for tax credits equal to the total amount available **or authorized, as applicable**, under subsection 2 of section 253.550, or sufficient that when totaled with all other approvals, the amount available **or authorized, as applicable**, under subsection 2 of section 253.550 is exhausted, all taxpayers with applications then awaiting approval or thereafter submitted for approval shall be notified by the department [of economic development] that no additional approvals shall be granted during the fiscal year and shall be notified of the priority given to such taxpayer's application then awaiting approval. Such applications shall be kept on file by the department [of economic development] and shall be considered for approval for tax credits in the order established in this section in the event that additional credits become available due to the rescission of approvals or when a new fiscal year's allocation of credits becomes available for approval **or authorized, as applicable**.

[7.] 8. All taxpayers with applications receiving approval on or after July 1, 2019, shall submit within [sixty] **one hundred twenty** days following the award of credits evidence of the capacity of the applicant to finance the costs and expenses for the rehabilitation of the eligible property in the form of a line of credit or letter of commitment subject to the lender's termination for a material adverse change impacting the extension of credit. If the department [of economic development] determines that a taxpayer has failed to comply with the requirements under this subsection, then the department shall notify the applicant of

such failure and the applicant shall have a thirty-day period from the date of such notice to submit additional evidence to remedy the failure.

[8.] **9.** All taxpayers with applications receiving approval on or after the effective date of this act shall commence rehabilitation within [nine] **twenty-four** months of the date of issuance of the letter from the department [of economic development] granting the approval for tax credits. “Commencement of rehabilitation” shall mean that as of the date in which actual physical work, contemplated by the architectural plans submitted with the application, has begun, the taxpayer has incurred no less than ten percent of the estimated costs of rehabilitation provided in the application. Taxpayers with approval of a project shall submit evidence of compliance with the provisions of this subsection. **Taxpayers shall notify the department of any loss of site control or of any failure to exercise any option to obtain site control within the prescribed time period within ten days of such loss or failure.** If the department [of economic development] determines that a taxpayer has **lost or failed to obtain site control of the eligible property or otherwise** failed to comply with the requirements provided under this section, the approval for the amount of tax credits for such taxpayer shall be rescinded [and such amount of tax credits]. **A taxpayer may voluntarily forfeit such approval at any time by written notice to the department. Any approval rescinded or forfeited under this subsection** shall then be included in the total amount of tax credits **available in the year of such rescission or forfeiture**, provided under subsection 2 of section 253.550, from which approvals may be granted. Any taxpayer whose approval [shall be subject to rescission] **is rescinded or forfeited under this subsection** shall be notified of such from the department [of economic development] and, upon receipt of such notice, may submit a new application for the project. **If a taxpayer's approval is rescinded or forfeited under this subsection and such taxpayer later submits a new application for the same project, any expenditures eligible for tax credits under section 253.550 that are incurred by such taxpayer from and after the date of the rescinded or forfeited approval shall remain eligible expenditures for the purposes of determining the amount of tax credits that may be approved under section 253.550.**

[9.] **10. (1) (a)** To claim the credit authorized under sections [253.550] **253.544** to 253.559, a taxpayer with approval shall apply for final approval and issuance of tax credits from the department [of economic development], which[, in consultation with the department of natural resources,] shall determine the final amount of eligible rehabilitation costs and expenses and whether the completed rehabilitation meets the **qualified rehabilitation** standards [of the Secretary of the United States Department of the Interior for rehabilitation as determined by the state historic preservation officer of the Missouri department of natural resources].

(b) Evidence that the completed rehabilitation meets the qualified rehabilitation standards shall be shown by one of the following:

- a. Final approval by the state historic preservation office; or**
- b. An approved part 3 of the federal application.**

(c) The state historic preservation office shall review each final application within sixty days and then forward the application to the National Park Service and send copies of any review comments to the applicant. If the state historic preservation office fails to review the application within sixty days, the application shall be forwarded without comments to the National Park Service

and the state historic preservation office shall have no further opportunity to submit comments on such application.

(d) An award of tax credits under sections 253.544 to 253.559 shall be contingent on and awarded upon the listing of such eligible property on the National Register of Historic Places.

(2) Within seventy-five days of the department's receipt of all materials required by the department for an application for final approval and issuance of tax credits, which shall include a state approval by the state historic preservation office or an approved part 3 of the federal application for projects receiving federal rehabilitation credits, the department shall issue to the taxpayer tax credit certificates in the amount of seventy-five percent of the lesser of:

(a) The total amount of the tax credits for which the taxpayer is eligible as provided in the taxpayer's certification of qualified expenses submitted with an application for final approval; or

(b) The total amount of tax credits approved for such project under subsection 3 of this section, including any amounts approved in connection with a material change in the scope of the project.

(3) Within one hundred twenty days of the department's receipt of all materials required by the department for an application of final approval and issuance of tax credits for a project, the department shall, unless such project is under appeal under subsection 14 of this section:

(a) Make a final determination of the total costs and expenses of rehabilitation and the amount of tax credits to be issued for such costs and expenses;

(b) Notify the taxpayer in writing of its final determination; and

(c) Issue to the taxpayer tax credit certificates in an amount equal to the remaining amount of tax credits such taxpayer is eligible to receive, as determined by the department, but was not issued in the initial tax credit issuance under subdivision (2) of this subsection.

(4) If the department determines that the amount of tax credits issued to a taxpayer in the initial tax credit issuance under subdivision (2) of this subsection is in excess of the total amount of tax credits such taxpayer is eligible to receive, the department shall notify such taxpayer, and such taxpayer shall repay the department an amount equal to such excess.

(5) For financial institutions credits authorized pursuant to sections [253.550 to 253.561] **253.544 to 253.559** shall be deemed to be economic development credits for purposes of section 148.064. Such an appeal shall constitute an administrative review of the decision and shall not be conducted as an adjudicative proceeding.

(2) The department shall establish an equitable appeals process.

(3) The appeals process shall incorporate an independent review panel consisting of members of the private sector and the department.

(4) The department shall name an independent appeals officer as chair.

(6) Within fourteen days of receipt of an appeal, the appeals officer or review panel shall notify the department of economic development or the state historic preservation office that an appeal is pending, identify the decision being appealed, and forward a copy of the information submitted by the appellant. The department of economic development or the state historic preservation office may submit a written response to the appeal within thirty days.

(7) The appellant shall be entitled to one meeting with the appeals officer or review panel to discuss the appeal, and the appeals officer or review panel may schedule additional meetings at the officer's or panel's discretion. The department of economic development or the state historic preservation office may appear at any such meeting.

(8) The appeals officer or review panel shall consider the record of the decision in question; any further written submissions by the appellant, department of economic development, or state historic preservation office; and other available information and shall deliver a written decision to all parties as promptly as circumstances permit but no later than ninety days after the initial receipt of an appeal by the appeals officer or review panel.

(9) The appeals officer and the members of the review panel shall serve without compensation.”;

If the amount of such credit exceeds the total tax liability for the year in which the rehabilitated property is placed in service, the amount that exceeds the state tax liability may be carried back to any of the three preceding years and carried forward for credit against the taxes imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to 143.265 for the succeeding ten years, or until the full credit is used, whichever occurs first. Not-for-profit entities[,] including, but not limited to, corporations organized as not-for-profit corporations pursuant to chapter 355 shall be [ineligible] **eligible** for the tax credits authorized under sections [253.545 through 253.561] **253.544 to 253.559**. The assignee of the tax credits, hereinafter the assignee for purposes of this subsection, may use acquired credits to offset up to one hundred percent of the tax liabilities otherwise imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to 143.265. The assignor shall perfect such transfer by notifying the department [of economic development] in writing within thirty calendar days following the effective date of the transfer and shall provide any information as may be required by the department [of economic development] to administer and carry out the provisions of this section.

253.559. 1. To obtain approval for tax credits allowed under sections [253.545] **253.544** to 253.559, a taxpayer shall submit an application for tax credits to the department [of economic development]. **The department shall establish an application cycle that allows for year-round submission and year-round receipt and review of such applications.** Each application for approval, including any applications received for supplemental allocations of tax credits as provided under subsection [10] **12** of this section, shall be prioritized for review and approval, in the order of the date on which the application was postmarked, with the oldest postmarked date receiving priority. Applications postmarked on the same day shall go through a lottery process to determine the order in which such applications shall be reviewed.

2. Each application shall be reviewed by the department [of economic development] for approval. In order to receive approval, an application, other than applications submitted under the provisions of subsection [10] **12** of this section, shall include:

(1) Proof of ownership or site control. Proof of ownership shall include evidence that the taxpayer is the fee simple owner of the eligible property, such as a warranty deed or a [closing statement] **county assessor record as proof of ownership.** Proof of site control may be evidenced by a leasehold interest or an option to acquire such an interest. If the taxpayer is in the process of acquiring fee simple ownership, proof of site control shall include an executed sales contract or an executed option to purchase the eligible property;

In such instances, the application may proceed as a preliminary application concurrent with the associated federal process for nomination to the National Register of Historic Places;**

(5) A copy of [all] land use [and building approvals reasonably necessary for the commencement of the project] **plans;** and

(6) Any other information [which] the department [of economic development] may reasonably require to review the project for approval.

Only the property for which a property address is provided in the application shall be reviewed for approval. Once selected for review, a taxpayer shall not be permitted to request the review of another property for approval in the place of the property contained in such application. Any disapproved application shall be removed from the review process. If an application is removed from the review process, the department [of economic development] shall notify the taxpayer in writing of the decision to remove such application. Disapproved applications shall lose priority in the review process. A disapproved application, which is removed from the review process, may be resubmitted, but shall be deemed to be a new submission for purposes of the priority procedures described in this section.

3. (1) In evaluating an application for tax credits submitted under this section, the department [of economic development] shall also consider:

(2) The provisions of this subsection shall not apply to **historic schools or theaters** or applications for projects to receive less than two hundred seventy-five thousand dollars in tax credits.

4. (1) **The department shall promptly notify the state historic preservation office of each preliminary application for tax credits. After receipt of such notice, the state historic preservation office shall determine whether a rehabilitation satisfies the qualified rehabilitation standards within sixty days of a taxpayer filing an initial application for tax credits. The determination shall be based upon evidence that the rehabilitation will meet qualified rehabilitation standards, and that evidence shall consist of one of the following:**

(a) **Preliminary approval by the state historic preservation office; or**

(b) An approved part 2 of the federal application, which the state historic preservation office shall forward directly to the department without any additional review by such office.

(2) If the state historic preservation office approves the application for tax credits within the sixty-day determination period established in subdivision (1) of this subsection, such office shall forward the application with any review comments to the National Park Service and shall forward any such review comments to the applicant. (5) (a) An application for state tax credits may provide information indicating that the project is a phased rehabilitation project as described under 26 U.S.C. Section 47, as amended. Such application for a phased rehabilitation project shall include at least the following:

a. A schedule of the phases of the project with a beginning and end date for each phase and the expected costs for the whole project. The applicant may submit detailed plans for the project at a later time within the application process;

b. The adjusted total basis of such project, which shall be submitted with the schedule of phases of the project; and

c. A statement that the applicant agrees to begin each phase of such project within twelve months of the start date for such phase listed in the schedule of the phases.

(b) The applicant may submit a preliminary certification of costs upon the completion of each phase of the project.

(c) Upon approval of the cost certification submitted and the work completed on each phase of such project, the department shall issue eighty percent of the amount of the state tax credit for which the taxpayer is approved under this section. The remaining twenty percent of the amount of the state tax credit for which the taxpayer is approved under this section shall be issued upon the final approval of the project under this section.

(6) If the department determines that the amount of tax credits issued to a taxpayer under subdivision (5) of this subsection is in excess of the total amount of tax credits such taxpayer is eligible to receive, the department shall notify such taxpayer, and such taxpayer shall repay the department an amount equal to such excess.

5. If the department [of economic development] deems the application sufficient, the taxpayer shall be notified in writing of the approval for an amount of tax credits equal to the amount provided under section 253.550 less any amount of tax credits previously approved. Such approvals shall be granted to applications in the order of priority established under this section and shall require full compliance thereafter with all other requirements of law as a condition to any claim for such credits. If the department [of economic development] disapproves an application, the taxpayer shall be notified in writing of the reasons for such disapproval. A disapproved application may be resubmitted. **If the scope of a project for which an application has been approved under this section materially changes, the taxpayer shall be eligible to receive additional tax credits in the year in which the department is notified of and approves of such change in scope, subject to the provisions of subsection 2 of section 253.550 and subsection 7 of this section, if applicable; however, if such project was originally approved prior to August 28, 2018, the department shall evaluate the change in scope of the project under the criteria in effect prior to such date. A change in project scope shall be considered material under this subsection if:**

(1) The project was not previously subject to a material change in scope for which additional tax credits were approved; and

(2) The requested amount of tax credits for the project after the change in scope is higher than the originally approved amount of tax credits.

[5.] 6. Following approval of an application, the identity of the taxpayer contained in such application shall not be modified except:

(1) The taxpayer may add partners, members, or shareholders as part of the ownership structure, so long as the principal remains [the same] **a principal of the taxpayer**, provided however, that subsequent to the commencement of renovation and the expenditure of at least ten percent of the proposed rehabilitation budget, removal of the principal for failure to perform duties and the appointment of a new principal thereafter shall not constitute a change of the principal; or

(2) Where the ownership of the project is changed due to a foreclosure, deed in lieu of a foreclosure or voluntary conveyance, or a transfer in bankruptcy.

[6.] 7. In the event that the department [of economic development] grants approval for tax credits equal to the total amount available **or authorized, as applicable**, under subsection 2 of section 253.550, or sufficient that when totaled with all other approvals, the amount available **or authorized, as applicable**, under subsection 2 of section 253.550 is exhausted, all taxpayers with applications then awaiting approval or thereafter submitted for approval shall be notified by the department [of economic development] that no additional approvals shall be granted during the fiscal year and shall be notified of the priority given to such taxpayer's application then awaiting approval. Such applications shall be kept on file by the department [of economic development] and shall be considered for approval for tax credits in the order established in this section in the event that additional credits become available due to the rescission of approvals or when a new fiscal year's allocation of credits becomes available for approval **or authorized, as applicable**.

[7.] 8. All taxpayers with applications receiving approval on or after July 1, 2019, shall submit within [sixty] **one hundred twenty** days following the award of credits evidence of the capacity of the applicant

to finance the costs and expenses for the rehabilitation of the eligible property in the form of a line of credit or letter of commitment subject to the lender's termination for a material adverse change impacting the extension of credit. If the department [of economic development] determines that a taxpayer has failed to comply with the requirements under this subsection, then the department shall notify the applicant of such failure and the applicant shall have a thirty-day period from the date of such notice to submit additional evidence to remedy the failure.

[8.] **9.** All taxpayers with applications receiving approval on or after the effective date of this act shall commence rehabilitation within [nine] **twenty-four** months of the date of issuance of the letter from the department [of economic development] granting the approval for tax credits. "Commencement of rehabilitation" shall mean that as of the date in which actual physical work, contemplated by the architectural plans submitted with the application, has begun, the taxpayer has incurred no less than ten percent of the estimated costs of rehabilitation provided in the application. Taxpayers with approval of a project shall submit evidence of compliance with the provisions of this subsection. **Taxpayers shall notify the department of any loss of site control or of any failure to exercise any option to obtain site control within the prescribed time period within ten days of such loss or failure.** If the department [of economic development] determines that a taxpayer has **lost or failed to obtain site control of the eligible property or otherwise** failed to comply with the requirements provided under this section, the approval for the amount of tax credits for such taxpayer shall be rescinded [and such amount of tax credits]. **A taxpayer may voluntarily forfeit such approval at any time by written notice to the department. Any approval rescinded or forfeited under this subsection** shall then be included in the total amount of tax credits **available in the year of such rescission or forfeiture**, provided under subsection 2 of section 253.550, from which approvals may be granted. Any taxpayer whose approval [shall be subject to rescission] **is rescinded or forfeited under this subsection** shall be notified of such from the department [of economic development] and, upon receipt of such notice, may submit a new application for the project. **If a taxpayer's approval is rescinded or forfeited under this subsection and such taxpayer later submits a new application for the same project, any expenditures eligible for tax credits under section 253.550 that are incurred by such taxpayer from and after the date of the rescinded or forfeited approval shall remain eligible expenditures for the purposes of determining the amount of tax credits that may be approved under section 253.550.**

[9.] **10. (1) (a)** To claim the credit authorized under sections [253.550] **253.544** to 253.559, a taxpayer with approval shall apply for final approval and issuance of tax credits from the department [of economic development], which[, in consultation with the department of natural resources,] shall determine the final amount of eligible rehabilitation costs and expenses and whether the completed rehabilitation meets the **qualified rehabilitation** standards [of the Secretary of the United States Department of the Interior for rehabilitation as determined by the state historic preservation officer of the Missouri department of natural resources].

(b) Evidence that the completed rehabilitation meets the qualified rehabilitation standards shall be shown by one of the following:

- a. Final approval by the state historic preservation office; or**
- b. An approved part 3 of the federal application.**

(c) The state historic preservation office shall review each final application within sixty days and then forward the application to the National Park Service and send copies of any review comments to the applicant. If the state historic preservation office fails to review the application within sixty days, the application shall be forwarded without comments to the National Park Service and the state historic preservation office shall have no further opportunity to submit comments on such application.

(d) An award of tax credits under sections 253.544 to 253.559 shall be contingent on and awarded upon the listing of such eligible property on the National Register of Historic Places.

(2) Within seventy-five days of the department's receipt of all materials required by the department for an application for final approval and issuance of tax credits, which shall include a state approval by the state historic preservation office or an approved part 3 of the federal application for projects receiving federal rehabilitation credits, the department shall issue to the taxpayer tax credit certificates in the amount of seventy-five percent of the lesser of:

(a) The total amount of the tax credits for which the taxpayer is eligible as provided in the taxpayer's certification of qualified expenses submitted with an application for final approval; or

(b) The total amount of tax credits approved for such project under subsection 3 of this section, including any amounts approved in connection with a material change in the scope of the project.

(3) Within one hundred twenty days of the department's receipt of all materials required by the department for an application of final approval and issuance of tax credits for a project, the department shall, unless such project is under appeal under subsection 14 of this section:

(a) Make a final determination of the total costs and expenses of rehabilitation and the amount of tax credits to be issued for such costs and expenses;

(b) Notify the taxpayer in writing of its final determination; and

(c) Issue to the taxpayer tax credit certificates in an amount equal to the remaining amount of tax credits such taxpayer is eligible to receive, as determined by the department, but was not issued in the initial tax credit issuance under subdivision (2) of this subsection.

(4) If the department determines that the amount of tax credits issued to a taxpayer in the initial tax credit issuance under subdivision (2) of this subsection is in excess of the total amount of tax credits such taxpayer is eligible to receive, the department shall notify such taxpayer, and such taxpayer shall repay the department an amount equal to such excess.

(5) For financial institutions credits authorized pursuant to sections [253.550 to 253.561] **253.544 to 253.559** shall be deemed to be economic development credits for purposes of section 148.064. The approval of all applications and the issuing of certificates of eligible credits to taxpayers shall be performed by the department [of economic development]. The department [of economic development] shall inform a taxpayer of final approval by letter and shall issue, to the taxpayer, tax credit certificates. The taxpayer shall attach the certificate to all Missouri income tax returns on which the credit is claimed.

[10.] **11.** Except as expressly provided in this subsection, tax credit certificates shall be issued in the final year that costs and expenses of rehabilitation of the project are incurred, or within the twelve-month

period immediately following the conclusion of such rehabilitation. In the event the amount of eligible rehabilitation costs and expenses incurred by a taxpayer would result in the issuance of an amount of tax credits in excess of the amount provided under such taxpayer's approval granted under subsection [4] 6 of this section, such taxpayer may apply to the department for issuance of tax credits in an amount equal to such excess. Applications for issuance of tax credits in excess of the amount provided under a taxpayer's application shall be made on a form prescribed by the department. Such applications shall be subject to all provisions regarding priority provided under subsection 1 of this section.

[11.] **12.** The department [of economic development] shall determine, on an annual basis, the overall economic impact to the state from the rehabilitation of eligible property.

13. (1) With regard to an application submitted under sections 253.544 to 253.559, an applicant or an applicant's duly authorized representative may appeal any official decision, including all preliminary or final approvals, denials of approvals, or dollar amounts of issued tax credits, made by the department of economic development or the state historic preservation office. Such an appeal shall constitute an administrative review of the decision and shall not be conducted as an adjudicative proceeding.

(2) The department shall establish an equitable appeals process.

(3) The appeals process shall incorporate an independent review panel consisting of members of the private sector and the department.

(4) The department shall name an independent appeals officer as chair.

(5) An appeal shall be submitted to the designated appeals officer or review panel in writing within thirty days of receipt by the applicant or the applicant's duly authorized representative of the decision that is the subject of the appeal and shall include all information the appellant wishes the appeals officer or review panel to consider in deciding the appeal.

(6) Within fourteen days of receipt of an appeal, the appeals officer or review panel shall notify the department of economic development or the state historic preservation office that an appeal is pending, identify the decision being appealed, and forward a copy of the information submitted by the appellant. The department of economic development or the state historic preservation office may submit a written response to the appeal within thirty days.

(7) The appellant shall be entitled to one meeting with the appeals officer or review panel to discuss the appeal, and the appeals officer or review panel may schedule additional meetings at the officer's or panel's discretion. The department of economic development or the state historic preservation office may appear at any such meeting.

(8) The appeals officer or review panel shall consider the record of the decision in question; any further written submissions by the appellant, department of economic development, or state historic preservation office; and other available information and shall deliver a written decision to all parties as promptly as circumstances permit but no later than ninety days after the initial receipt of an appeal by the appeals officer or review panel.

(9) The appeals officer and the members of the review panel shall serve without compensation.”;

HOUSE AMENDMENT NO. 2

Amend Senate Substitute for Senate Bill No. 1298, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

“143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer’s federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer’s federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer’s federal tax liability pursuant to

Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued

only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the

commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;

- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan;
- (i) Livestock Gross Margin Insurance Plan;

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist;

(12) One hundred percent of any retirement benefits received by any taxpayer as a result of the taxpayer's service in the Armed Forces of the United States, including reserve components and the National Guard of this state, as defined in 32 U.S.C. Sections 101(3) and 109, and any other military force organized under the laws of this state; and

(13) **For all tax years beginning on or after January 1, 2022**, one hundred percent of any federal, state, or local grant moneys received by the taxpayer if the grant money was disbursed for the express purpose of providing or expanding access to broadband internet to areas of the state deemed to be lacking such access.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. (1) Beginning January 1, 2014, in addition to the subtractions provided in this section, one hundred percent of the cost incurred by a taxpayer for a home energy audit conducted by an entity certified by the department of natural resources under section 640.153 or the implementation of any energy efficiency recommendations made in such an audit shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for any such activity is included in federal taxable income. The taxpayer shall provide the department of revenue with a summary of any recommendations made in a qualified home energy audit, the name and certification number of the qualified home energy auditor who conducted the audit, and proof of the amount paid for any activities under this subsection for which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any recommendations made in a qualified home energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an individual taxpayer or taxpayers filing combined returns exceed one thousand dollars per year for individual taxpayers or cumulatively exceed two thousand dollars per year for taxpayers filing combined returns.

If implementation of the energy efficiency recommendations occurred during more than one year, the deduction may be claimed in more than one year, subject to the limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

9. The provisions of subsection 8 of this section shall expire on December 31, 2020.

"301.560. 1. In addition to the application forms prescribed by the department, each applicant shall submit the following to the department:

(1) Every application other than **an application for a new motor vehicle franchise dealer where the applicant is a retailer that sells agricultural supplies and is under common ownership and control with at least five other new motor vehicle franchise dealers doing business under the same name, or** a renewal application for a **new** motor vehicle franchise dealer shall include a certification that the applicant has a bona fide established place of business. Such application shall include an annual certification that the applicant has a bona fide established place of business for the first three years and

only for every other year thereafter. The certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located; except that in counties of the first classification, certification may be performed by an officer of a metropolitan police department when the applicant's established place of business of distributing or selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police officer is employed. When the application is being made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located or, if the applicant's place of business is located within the jurisdiction of a metropolitan police department in a first class county, by an officer of such metropolitan police department. A bona fide established place of business for any new motor vehicle franchise dealer, used motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle dealer, trailer dealer, or wholesale or public auction shall be a permanent enclosed building or structure, either owned in fee or leased and actually occupied as a place of business by the applicant for the selling, bartering, trading, servicing, or exchanging of motor vehicles, boats, personal watercraft, or trailers and wherein the public may contact the owner or operator at any reasonable time, and wherein shall be kept and maintained the books, records, files and other matters required and necessary to conduct the business. The applicant shall maintain a working telephone number during the entire registration year which will allow the public, the department, and law enforcement to contact the applicant during regular business hours. The applicant shall also maintain an email address during the entire registration year which may be used for official correspondence with the department. In order to qualify as a bona fide established place of business for all applicants licensed pursuant to this section there shall be an exterior sign displayed carrying the name of the business set forth in letters at least six inches in height and clearly visible to the public and there shall be an area or lot which shall not be a public street on which multiple vehicles, boats, personal watercraft, or trailers may be displayed. The sign shall contain the name of the dealership by which it is known to the public through advertising or otherwise, which need not be identical to the name appearing on the dealership's license so long as such name is registered as a fictitious name with the secretary of state, has been approved by its line-make manufacturer in writing in the case of a new motor vehicle franchise dealer and a copy of such fictitious name registration has been provided to the department. Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from maintaining a bona fide place of business, including the related law enforcement certification requirements, and from meeting the minimum yearly sales;

(2) The initial application for licensure shall include a photograph, not to exceed eight inches by ten inches but no less than five inches by seven inches, showing the business building, lot, and sign. A new motor vehicle franchise dealer applicant who has purchased a currently licensed new motor vehicle franchised dealership shall be allowed to submit a photograph of the existing dealership building, lot and sign but shall be required to submit a new photograph upon the installation of the new dealership sign as required by sections 301.550 to 301.580. Applicants shall not be required to submit a photograph annually unless the business has moved from its previously licensed location, or unless the name of the business or address has changed, or unless the class of business has changed;

(3) Every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, trailer dealer, or boat dealer shall furnish with the application a corporate surety bond or an irrevocable letter of credit as defined in section 400.5-102, issued by any state

or federal financial institution in the penal sum of fifty thousand dollars on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the dealer complying with the provisions of the statutes applicable to new motor vehicle franchise dealers, used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, trailer dealers, and boat dealers, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the dealer's license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except, that the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy of a current dealer garage policy bearing the policy number and name of the insurer and the insured. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid at the order of the department and in the amount determined by the department to any buyer or interested lienholder up to the greater of the amount required for the release of the purchase money lien or the sales price paid by the buyer where a dealer has failed to fulfill the dealer's obligations under an agreement to assign and deliver title to the buyer within thirty days under a contract entered into pursuant to subsection 5 of section 301.210. The department shall direct release of the bond or irrevocable letter of credit proceeds upon presentation of a written agreement entered into pursuant to subsection 5 of section 301.210, copies of the associated sales and finance documents, and the affidavit or affidavits of the buyer or lienholder stating that the certificate of title with assignment thereof has not been passed to the buyer within thirty days of the date of the contract entered into under subsection 5 of section 301.210, that the dealer has not fulfilled the agreement under the contract to repurchase the vehicle, that the buyer or the lienholder has notified the dealer of the claim on the bond or letter of credit, and the amount claimed by the purchaser or lienholder. In addition, prior to directing release and payment of the proceeds of a bond or irrevocable letter of credit, the department shall ensure that there is satisfactory evidence to establish that the vehicle which is subject to the written agreement has been returned by the buyer to the dealer or that the buyer has represented to the department that the buyer will surrender possession of the vehicle to the dealer upon payment of the proceeds of the bond or letter of credit directed by the department. Excepting ordinary wear and tear or mechanical failures not caused by the buyer, the amount of proceeds to be paid to the buyer under the bond or irrevocable letter of credit shall be reduced by an amount equivalent to any damage, abuse, or destruction incurred by the vehicle while the vehicle was in the buyer's possession as agreed between the buyer and the dealer. The dealer may apply to a court of competent jurisdiction to contest the claim on the bond or letter of credit, including the amount of the claim and the amount of any adjustment for any damage, abuse, or destruction, by filing a petition with the court within thirty days of the notification by the buyer or lienholder. If the dealer does not fulfill the agreement or file a petition to request judicial relief from the terms of the agreement or contest the amount of the claim, the bond or letter of credit shall be released by the department and directed paid in the amount or amounts presented by the lienholder or buyer;

(4) Payment of all necessary license fees as established by the department. In establishing the amount of the annual license fees, the department shall, as near as possible, produce sufficient total income to

offset operational expenses of the department relating to the administration of sections 301.550 to 301.580. All fees payable pursuant to the provisions of sections 301.550 to 301.580, other than those fees collected for the issuance of dealer plates or certificates of number collected pursuant to subsection 6 of this section, shall be collected by the department for deposit in the state treasury to the credit of the "Motor Vehicle Commission Fund", which is hereby created. The motor vehicle commission fund shall be administered by the Missouri department of revenue. The provisions of section 33.080 to the contrary notwithstanding, money in such fund shall not be transferred and placed to the credit of the general revenue fund until the amount in the motor vehicle commission fund at the end of the biennium exceeds two times the amount of the appropriation from such fund for the preceding fiscal year or, if the department requires permit renewal less frequently than yearly, then three times the appropriation from such fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation from such fund for the preceding fiscal year.

2. In the event a new vehicle manufacturer, boat manufacturer, motor vehicle dealer, wholesale motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle auction, trailer dealer, or a public motor vehicle auction submits an application for a license for a new business and the applicant has complied with all the provisions of this section, the department shall make a decision to grant or deny the license to the applicant within eight working hours after receipt of the dealer's application, notwithstanding any rule of the department.

3. Except as otherwise provided in subsection 6 of this section, upon the initial issuance of a license by the department, the department shall assign a distinctive dealer license number or certificate of number to the applicant and the department shall issue one number plate or certificate bearing the distinctive dealer license number or certificate of number and two additional number plates or certificates of number within eight working hours after presentment of the application and payment by the applicant of a fee of fifty dollars for the first plate or certificate and ten dollars and fifty cents for each additional plate or certificate. Upon renewal, the department shall issue the distinctive dealer license number or certificate of number as quickly as possible. The issuance of such distinctive dealer license number or certificate of number shall be in lieu of registering each motor vehicle, trailer, vessel or vessel trailer dealt with by a boat dealer, boat manufacturer, manufacturer, public motor vehicle auction, wholesale motor vehicle dealer, wholesale motor vehicle auction or new or used motor vehicle dealer. The license plates described in this section shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

For purposes of this subsection, qualified transactions shall include the purchase of salvage titled vehicles by a licensed salvage dealer. In order for salvage dealers to obtain number plates or certificates under this section, dealers shall submit to the department of revenue on August first of each year a statement certifying, under penalty of perjury, the dealer's number of purchases during the reporting period of July first of the immediately preceding year to June thirtieth of the present year. The provisions of this subsection shall become effective on the date the director of the department of revenue begins to reissue new license plates under section 301.130, or on December 1, 2008, whichever occurs first. If the director of revenue begins reissuing new license plates under the authority granted under section 301.130 prior to December 1, 2008, the director of the department of revenue shall notify the revisor of statutes of such fact.

5. Upon the sale of a currently licensed motor vehicle dealership the department shall, upon request, authorize the new approved dealer applicant to retain the selling dealer's license number and shall cause the new dealer's records to indicate such transfer. If the new approved dealer applicant elects not to retain the selling dealer's license number, the department shall issue the new dealer applicant a new dealer's license number and an equal number of plates or certificates as the department had issued to the selling dealer.

6. In the case of motor vehicle dealers, the department shall issue one number plate bearing the distinctive dealer license number and may issue one additional number plate to the applicant upon payment by the dealer of a fifty dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty cents for the additional number plate. The department may issue a third plate to the motor vehicle dealer upon completion of the dealer's fifteenth qualified transaction and payment of a fee of ten dollars and fifty cents. In the case of new motor vehicle manufacturers, powersport dealers, recreational motor vehicle dealers, and trailer dealers, the department shall issue one number plate bearing the distinctive dealer license number and may issue two additional number plates to the applicant upon payment by the manufacturer or dealer of a fifty dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty cents for each additional number plate. Boat dealers and boat manufacturers shall be entitled to one certificate of number bearing such number upon the payment of a fifty dollar fee. Additional number plates and as many additional certificates of number may be

obtained upon payment of a fee of ten dollars and fifty cents for each additional plate or certificate. New and used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, boat dealers, and trailer dealers are limited to one additional plate or certificate of number per ten-unit qualified transactions annually. New and used recreational motor vehicle dealers are limited to two additional plates or certificate of number per ten-unit qualified transactions annually for their first fifty transactions and one additional plate or certificate of number per ten-unit qualified transactions thereafter. An applicant seeking the issuance of an initial license shall indicate on his or her initial application the applicant's proposed annual number of sales in order for the director to issue the appropriate number of additional plates or certificates of number. A motor vehicle dealer, trailer dealer, boat dealer, powersport dealer, recreational motor vehicle dealer, motor vehicle manufacturer, boat manufacturer, or wholesale motor vehicle dealer obtaining a distinctive dealer license plate or certificate of number or additional license plate or additional certificate of number, throughout the calendar year, shall be required to pay a fee for such license plates or certificates of number computed on the basis of one-twelfth of the full fee prescribed for the original and duplicate number plates or certificates of number for such dealers' licenses, multiplied by the number of months remaining in the licensing period for which the dealer or manufacturers shall be required to be licensed. In the event of a renewing dealer, the fee due at the time of renewal shall not be prorated. Wholesale and public auctions shall be issued a certificate of dealer registration in lieu of a dealer number plate. In order for dealers to obtain number plates or certificates under this section, dealers shall submit to the department of revenue on August first of each year a statement certifying, under penalty of perjury, the dealer's number of sales during the reporting period of July first of the immediately preceding year to June thirtieth of the present year.

7. The plates issued pursuant to subsection 3 or 6 of this section may be displayed on any motor vehicle owned by a new motor vehicle manufacturer. The plates issued pursuant to subsection 3 or 6 of this section may be displayed on any motor vehicle or trailer owned and held for resale by a motor vehicle dealer for use by a customer who is test driving the motor vehicle, for use by any customer while the customer's vehicle is being serviced or repaired by the motor vehicle dealer, for use and display purposes during, but not limited to, parades, private events, charitable events, or for use by an employee or officer, but shall not be displayed on any motor vehicle or trailer hired or loaned to others or upon any regularly used service or wrecker vehicle. Motor vehicle dealers may display their dealer plates on a tractor, truck or trailer to demonstrate a vehicle under a loaded condition. Trailer dealers may display their dealer license plates in like manner, except such plates may only be displayed on trailers owned and held for resale by the trailer dealer.

8. The certificates of number issued pursuant to subsection 3 or 6 of this section may be displayed on any vessel or vessel trailer owned and held for resale by a boat manufacturer or a boat dealer, and used by a customer who is test driving the vessel or vessel trailer, or is used by an employee or officer on a vessel or vessel trailer only, but shall not be displayed on any motor vehicle owned by a boat manufacturer, boat dealer, or trailer dealer, or vessel or vessel trailer hired or loaned to others or upon any regularly used service vessel or vessel trailer. Boat dealers and boat manufacturers may display their certificate of number on a vessel or vessel trailer when transporting a vessel or vessels to an exhibit or show.

9. If any law enforcement officer has probable cause to believe that any license plate or certificate of number issued under subsection 3 or 6 of this section is being misused in violation of subsection 7 or 8 of this section, the license plate or certificate of number may be seized and surrendered to the department.

10. (1) Every application for the issuance of a used motor vehicle dealer's license shall be accompanied by proof that the applicant, within the last twelve months, has completed an educational seminar course approved by the department as prescribed by subdivision (2) of this subsection. Wholesale and public auto auctions and applicants currently holding a new or used license for a separate dealership shall be exempt from the requirements of this subsection. The provisions of this subsection shall not apply to current new motor vehicle franchise dealers or motor vehicle leasing agencies or applicants for a new motor vehicle franchise or a motor vehicle leasing agency. The provisions of this subsection shall not apply to used motor vehicle dealers who were licensed prior to August 28, 2006.

The boundary of the urban area shall, as a minimum, encompass the entire urban place as designated by the Bureau of the Census.

226.540. Notwithstanding any other provisions of sections 226.500 to 226.600, outdoor advertising shall be permitted within six hundred and sixty feet of the nearest edge of the right-of-way of highways located on the interstate, federal-aid primary system as it existed on June 1, 1991, or the national highway system as amended in areas zoned industrial, commercial or the like and in unzoned commercial and industrial areas as defined in this section, subject to the following regulations which are consistent with customary use in this state:

(1) Lighting:

(a) No revolving or rotating beam or beacon of light that simulates any emergency light or device shall be permitted as part of any sign. No flashing, intermittent, or moving light or lights will be permitted except scoreboards and other illuminated signs designating public service information, such as time, date, or temperature, or similar information, will be allowed; tri-vision, projection, and other changeable message signs shall be allowed subject to Missouri highways and transportation commission regulations;

(b) External lighting, such as floodlights, thin line and gooseneck reflectors are permitted, provided the light source is directed upon the face of the sign and is effectively shielded so as to prevent beams or rays of light from being directed into any portion of the main traveled way of the federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System and the lights are not of such intensity so as to cause glare, impair the vision of the driver of a motor vehicle, or otherwise interfere with a driver's operation of a motor vehicle;

(c) No sign shall be so illuminated that it interferes with the effectiveness of, or obscures, an official traffic sign, device, or signal;

(2) Size of signs:

(a) The maximum area for any one sign shall be eight hundred square feet with a maximum height of thirty feet and a maximum length of seventy-two feet, inclusive of border and trim but excluding the base or apron, supports, and other structural members. The area shall be measured as established herein and in rules promulgated by the commission. In determining the size of a conforming or nonconforming sign structure, temporary cutouts and extensions installed for the length of a specific display contract shall not be considered a substantial increase to the size of the permanent display; provided the actual square footage of such temporary cutouts or extensions may not exceed thirty-three percent of the permanent display area. Signs erected in accordance with the provisions of sections 226.500 to 226.600 prior to August 28, 2002, which fail to meet the requirements of this provision shall be deemed legally nonconforming as defined herein;

(b) The maximum size limitations shall apply to each side of a sign structure, and signs may be placed back to back, double faced, or in V-type construction with not more than two displays to each facing, but such sign structure shall be considered as one sign;

Stacked structures existing on or before August 28, 1999, in accordance with sections 226.500 to 226.600 shall be deemed legally nonconforming and may be maintained in accordance with the provisions of sections 226.500 to 226.600. Structures displaying more than one display on a horizontal basis shall be allowed, provided that total display areas do not exceed the maximum allowed square footage for a sign structure pursuant to the provisions of paragraph (a) of this subdivision;

(3) Spacing of signs:

(a) On all interstate highways, freeways, and nonfreeway federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System:

a. No sign structure shall be erected within one thousand four hundred feet of an existing sign on the same side of the highway;

b. Outside of incorporated municipalities, no structure may be located adjacent to or within five hundred feet of an interchange, intersection at grade, or safety rest area. Such five hundred feet shall be measured from the beginning or ending of the pavement widening at the exit from or entrance to the main traveled way. For purpose of this subparagraph, the term “incorporated municipalities” shall include “urban areas”, except that such “urban areas” shall not be considered “incorporated municipalities” if it is finally determined that such would have the effect of making Missouri be in noncompliance with the requirements of Title 23, United States Code, Section 131;

(b) The spacing between structure provisions of this subdivision do not apply to signs which are separated by buildings, natural surroundings, or other obstructions in such manner that only one sign facing located within such distance is visible at any one time. Directional or other official signs or those advertising the sale or lease of the property on which they are located, or those which advertise activities on the property on which they are located, including products sold, shall not be counted, nor shall measurements be made from them for the purpose of compliance with spacing provisions;

(c) No sign shall be located in such manner as to obstruct or otherwise physically interfere with the effectiveness of an official traffic sign, signal, or device or obstruct or physically interfere with a motor vehicle operator’s view of approaching, merging, or intersecting traffic;

(d) The measurements in this section shall be the minimum distances between outdoor advertising sign structures measured along the nearest edge of the pavement between points directly opposite the signs along each side of the highway and shall apply only to outdoor advertising sign structures located on the same side of the highway involved;

(4) As used in this section, the words “unzoned commercial and industrial land” shall be defined as follows: that area not zoned by state or local law or ordinance and on which there is located one or more permanent structures used for a commercial business or industrial activity or on which a commercial or industrial activity is actually conducted together with the area along the highway extending outwardly seven hundred fifty feet from and beyond the edge of such activity. All measurements shall be from the outer edges of the regularly used improvements, buildings, parking lots, landscaped, storage or processing areas of the commercial or industrial activity and along and parallel to the edge of the pavement of the highway. **On nonfreeway primary highways where there is an unzoned commercial or industrial area on one side of the road in accordance with this section, the unzoned commercial or industrial area shall also include those lands located on the opposite side of the highway to the extent of the same dimensions.** Unzoned land shall not include:

(a) Land on the opposite side of the highway from an unzoned commercial or industrial area as defined in this section and located adjacent to highways located on the interstate[, federal-aid primary system as it existed on June 1, 1991, or the national highway system as amended, unless the opposite side of the highway qualifies as a separate unzoned commercial or industrial area] **or primary freeway highways;**
or

(b) Land zoned by a state or local law, regulation, or ordinance;

(5) “Commercial or industrial activities” as used in this section means those which are generally recognized as commercial or industrial by zoning authorities in this state, except that none of the following shall be considered commercial or industrial:

- (a) Outdoor advertising structures;
- (b) Agricultural, forestry, ranching, grazing, farming, and related activities, including seasonal roadside fresh produce stands;
- (c) Transient or temporary activities;
- (d) Activities more than six hundred sixty feet from the nearest edge of the right-of-way or not visible from the main traveled way;
- (e) Activities conducted in a building principally used as a residence;
- (f) Railroad tracks and minor sidings;

(6) The words “unzoned commercial or industrial land” shall also include all areas not specified in this section which constitute an “unzoned commercial or industrial area” within the meaning of the present Section 131 of Title 23 of the United States Code, or as such statute may be amended. As used in this section, the words “zoned commercial or industrial area” shall refer to those areas zoned commercial or industrial by the duly constituted zoning authority of a municipality, county, or other lawfully established political subdivision of the state, or by the state and which is within seven hundred fifty feet of one or more permanent commercial or industrial activities. Commercial or industrial activities as used in this section are limited to those activities:

- (a) In which the primary use of the property is commercial or industrial in nature;
- (b) Which are clearly visible from the highway and recognizable as a commercial business;
- (c) Which are permanent as opposed to temporary or transitory and of a nature that would customarily be restricted to commercial or industrial zoning in areas comprehensively zoned; and

(d) In determining whether the primary use of the property is commercial or industrial pursuant to paragraph (a) of this subdivision, the state highways and transportation commission shall consider the following factors:

- a. The presence of a permanent and substantial building;
- b. The existence of utilities and local business licenses, if any, for the commercial activity;
- c. On-premise signs or other identification;
- d. The presence of an owner or employee on the premises for at least twenty hours per week;

(7) In zoned commercial and industrial areas, whenever a state, county or municipal zoning authority has adopted laws or ordinances which include regulations with respect to the size, lighting and spacing of signs, which regulations are consistent with the intent of sections 226.500 to 226.600 and with customary use, then from and after the effective date of such regulations, and so long as they shall continue in effect, the provisions of this section shall not apply to the erection of signs in such areas. Notwithstanding any

other provisions of this section, after August 28, 1992, with respect to any outdoor advertising which is regulated by the provisions of subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527:

(a) No county or municipality shall issue a permit to allow a regulated sign to be newly erected without a permit issued by the state highways and transportation commission;

(b) A county or municipality may charge a reasonable one-time permit or inspection fee to assure compliance with local wind load and electrical requirements when the sign is first erected, but a county or municipality may not charge a permit or inspection fee for such sign after such initial fee. Changing the display face or performing routine maintenance shall not be considered as erecting a new sign;

(8) The state highways and transportation commission on behalf of the state of Missouri, may seek agreement with the Secretary of Transportation of the United States under Section 131 of Title 23, United States Code, as amended, that sections 226.500 to 226.600 are in conformance with that Section 131 and provides effective control of outdoor advertising signs as set forth therein. If such agreement cannot be reached and the penalties under subsection (b) of Section 131 are invoked, the attorney general of this state shall institute proceedings described in subsection (1) of that Section 131.

226.550. 1. No outdoor advertising which is regulated by subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527 shall be erected or maintained on or after August 28, 1992, without a one-time permanent permit issued by the state highways and transportation commission. Application for permits shall be made to the state highways and transportation commission on forms furnished by the commission and shall be accompanied by a permit fee of two hundred dollars for all signs; except that, tax-exempt religious organizations as defined in subdivision (11) of section 313.005, service organizations as defined in subdivision (12) of section 313.005, veterans' organizations as defined in subdivision (14) of section 313.005, and fraternal organizations as defined in subdivision (8) of section 313.005 shall be granted a permit for signs less than seventy-six square feet without payment of the fee. **The permit fee of two hundred dollars shall be waived for landowners, provided that the landowner is the permit holder and owns both the land upon which the outdoor advertising is placed and the business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.** In the event a permit holder fails to erect a sign structure within twenty-four months of issuance, said permit shall expire and a new permit must be obtained prior to any construction.

2. No outdoor advertising which is regulated by subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527 which was erected prior to August 28, 1992, shall be maintained without a one-time permanent permit for outdoor advertising issued by the state highways and transportation commission. If a one-time permanent permit was issued by the state highways and transportation commission after March 30, 1972, and before August 28, 1992, it is not necessary for a new permit to be issued. If a one-time permanent permit was not issued for a lawfully erected and lawfully existing sign by the state highways and transportation commission after March 30, 1972, and before August 28, 1992, a one-time permanent permit shall be issued by the commission for each sign which is lawfully in existence on the day prior to August 28, 1992, upon application and payment of a permit fee of two hundred dollars. All applications and fees due pursuant to this subsection shall be submitted before December 31, 1992. **The permit fee of two hundred dollars shall be waived for landowners, provided that the landowner is the permit holder and owns both the land upon which the outdoor advertising is placed and the**

business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.

3. For purposes of sections 226.500 to 226.600, the terminology “structure lawfully in existence” or “lawfully existing” sign or outdoor advertising shall, nevertheless, include the following signs unless the signs violate the provisions of subdivisions (3) to (7) of subsection 1 of section 226.580:

(1) All signs erected prior to January 1, 1968;

(2) All signs erected before March 30, 1972, but on or after January 1, 1968, which would otherwise be lawful but for the failure to have a permit for such signs prior to March 30, 1972, except that any sign or structure which was not in compliance with sizing, spacing, lighting, or location requirements of sections 226.500 to 226.600 as the sections appeared in the revised statutes of Missouri 1969, wheresoever located, shall not be considered a lawfully existing sign or structure;

(3) All signs erected after March 30, 1972, which are in conformity with sections 226.500 to 226.600;

(4) All signs erected in compliance with sections 226.500 to 226.600 prior to August 28, 2002.

4. On or after August 28, 1992, the state highways and transportation commission may, in addition to the fees authorized by subsections 1 and 2 of this section, collect a biennial inspection fee every two years after a state permit has been issued. Biennial inspection fees due after August 28, 2002, and prior to August 28, 2003, shall be fifty dollars. Biennial inspection fees due on or after August 28, 2003, shall be seventy-five dollars. 5. In order to effect the more efficient collection of biennial inspection fees, the state highways and transportation commission is encouraged to adopt a renewal system in which all permits in a particular county are renewed in the same month. In conjunction with the conversion to this renewal system, the state highways and transportation commission is specifically authorized to prorate renewal fees based on changes in renewal dates.

6. Sign owners or owners of the land on which signs are located must apply to the state highways and transportation commission for biennial inspection and submit any fees as required by this section on or before December 31, 1992. For a permitted sign which does not have a permit, a permit shall be issued at the time of the next biennial inspection.

The state highways and transportation commission shall deposit all fees received for outdoor advertising permits and inspection fees in the state road fund, keeping a separate record of such fees, and the same may be expended by the commission in the administration of sections 226.500 to 226.600.

Such signs shall be erected, maintained, and paid for by the department of transportation by appropriation from the Missouri medal of honor recipient's fund, established under section 226.925.

2. The signs shall include the words "Medal of Honor Recipient", the name of the recipient, and the year in which such person received the award. The overall design of the sign, including size, color, and lettering, shall be designated by the department based on available space in the right-of-way and to conform with the guidelines provided in the Department of Transportation Manual on Uniform Traffic Control Devices.

3. For purposes of this section, "hometown" means the city, town, or village in which the award recipient resided for a majority of his or her lifetime. Only one city, town, or village shall be designated as a recipient's hometown and signs honoring such recipient shall be placed on only one route through the recipient's hometown.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void."; and

2. There shall be added to the taxpayer’s federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer’s federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer’s federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be

carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. Notwithstanding the provisions of sections 301.030 and 301.035 to the contrary, the director of revenue shall establish a system of registration of all farm vehicles, as defined in section 302.700, owned or purchased by a farm vehicle fleet owner registered under this section. The director of revenue shall prescribe the forms for such farm vehicle fleet registration and the forms and procedures for the registration updates prescribed in this section. Any owner of more than one farm vehicle which is required to be registered under this chapter may, at his or her option, register a fleet of farm vehicles on an annual or biennial basis under this section in lieu of the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue an identification number to each registered owner of a fleet of farm vehicles registered under this section.

2. Fees of all vehicles in the farm vehicle fleet to be registered on an annual or biennial basis shall be payable not later than the last day of April of the corresponding year, with two years’ fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application for registration shall be valid for registration of a farm fleet vehicle in accordance with this section. The fees for vehicles added to the farm vehicle fleet which are required to be licensed at the time of registration shall be payable at the time of registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee, and when licensed on or after January first the fee shall be one-fourth the annual fee. If biennial registration is sought for vehicles added to a farm vehicle fleet, an additional year’s annual fee shall be added to the partial year’s prorated fee.

3. At any time during the calendar year in which an owner of a farm vehicle fleet purchases or otherwise acquires a farm vehicle which is to be added to the farm vehicle fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and may register the vehicle for the partial year as provided in subsection 2 of this section. The farm vehicle fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred under this subsection.

4. Except as specifically provided in this subsection, all farm vehicles registered under this section shall be issued a special license plate which shall have the words “Farm Fleet Vehicle” and shall meet the requirements prescribed by section 301.130. Farm fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

5. The director shall make all necessary rules and regulations for the administration of this section and shall design all necessary forms required by this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.”; and

HOUSE AMENDMENT NO 1 TO
HOUSE AMENDMENT NO. 7

Amend House Amendment No. 7 to Senate Substitute for Senate Bill No. 1298, Page 1, Line 1, inserting after the words “Page 17,” the following:

“Section 301.010, Line 492, by inserting after said section and line the following:

“303.425. 1. (1) There is hereby created within the department of revenue the motor vehicle financial responsibility enforcement and compliance incentive program. The department of revenue may enter into contractual agreements with third-party vendors to facilitate the necessary technology and equipment, maintenance thereof, and associated program management services.

(2) The department of revenue or a third-party vendor shall utilize technology to compare vehicle registration information with the financial responsibility information accessible through the system. The department of revenue shall utilize this information to identify motorists who are in violation of the motor vehicle financial responsibility law. The department of revenue may offer offenders under this program the option of pretrial diversion as an alternative to statutory fines or reinstatement fees prescribed under the motor vehicle financial responsibility law as a method of encouraging compliance and discouraging recidivism.

(3) The department of revenue or third-party vendors shall not use any data collected from or technology associated with any automated motor vehicle financial responsibility enforcement system. For purposes of this subdivision, “motor vehicle financial responsibility enforcement system” means a device consisting of a camera or cameras and vehicle sensor or sensors installed to record motor vehicle financial responsibility violations.

(4) All fees paid to or collected by third-party vendors under sections 303.420 to 303.440 may come from violator diversion fees generated by the pretrial diversion option established under this section.

2. The department of revenue may authorize law enforcement agencies or third-party vendors to use technology to collect data for the investigation, detection, analysis, and enforcement of the motor vehicle financial responsibility law.

3. The department of revenue may authorize traffic enforcement officers or third-party vendors to administer the processing and issuance of notices of violation, the collection of fees for a violation of the motor vehicle financial responsibility law, or the referral of cases for prosecution, under the program.

4. Access to the system shall be restricted to qualified agencies and the third-party vendors with which the department of revenue contracts for purposes of the program, provided that any third-party vendor with which a contract is executed to provide necessary technology, equipment, or maintenance for the program shall be authorized as necessary to collaborate for required updates and maintenance of system software.

5. For purposes of the program, any data collected and matched to a corresponding vehicle insurance record as verified through the system, and any Missouri vehicle registration database, may be used to identify violations of the motor vehicle financial responsibility law. Such corresponding data shall constitute evidence of the violations.

6. Except as otherwise provided in this section, the department of revenue shall suspend, in accordance with section 303.041, the registration of any motor vehicle that is determined under the program to be in violation of the motor vehicle financial responsibility law.

7. The department of revenue shall send to an owner whose vehicle is identified under the program as being in violation of the motor vehicle financial responsibility law a notice that the vehicle's registration may be suspended unless the owner, within thirty days, provides proof of financial responsibility for the vehicle or proof, in a form specified by the department of revenue, that the owner has a pending criminal charge for a violation of the motor vehicle financial responsibility law. The notice shall include information on steps an individual may take to obtain proof of financial responsibility and a web address to a page on the department of revenue's website where information on obtaining proof of financial responsibility shall be provided. If proof of financial responsibility or a pending criminal charge is not provided within the time allotted, the department of revenue shall provide a notice of suspension and suspend the vehicle's registration in accordance with section 303.041, or shall send a notice of vehicle registration suspension, clearly specifying the reason and statutory grounds for the suspension and the effective date of the suspension, the right of the vehicle owner to request a hearing, the procedure for requesting a hearing, and the date by which that request for a hearing must be made, as well as informing the owner that the matter will be referred for prosecution if a satisfactory response is not received in the time allotted, informing the owner that the minimum penalty for the violation is three hundred dollars [and four license points], and offering the owner participation in a pretrial diversion option to preclude referral for prosecution and registration suspension under sections 303.420 to 303.440. The notice of vehicle registration suspension shall give a period of thirty-three days from mailing for the vehicle owner to respond, and shall be deemed received three days after mailing. If no request for a hearing or agreement to participate in the diversion option is received by the department of revenue prior to the date provided on the notice of vehicle registration suspension, the director shall suspend the vehicle's registration, effective immediately, and refer the case to the appropriate prosecuting attorney. If an agreement by the vehicle owner to participate in the diversion option is received by the department of revenue prior to the effective date provided on the notice of vehicle registration suspension, then upon payment of a diversion participation fee not to exceed two hundred dollars, agreement to secure proof of financial responsibility within the time provided on the notice of suspension, and agreement that such financial responsibility shall be maintained for a minimum of two years, no points shall be assessed to the vehicle owner's driver's license under section 302.302 and the department of revenue shall not take further action against the vehicle owner under sections 303.420 to 303.440, subject to compliance with the terms of the pretrial diversion option. The department of revenue shall suspend the vehicle registration of, and shall refer the

case to the appropriate prosecuting attorney for prosecution of, participating vehicle owners who violate the terms of the pretrial diversion option. If a request for hearing is received by the department of revenue prior to the effective date provided on the notice of vehicle registration suspension, then for all purposes other than eligibility for participation in the diversion option, the effective date of the suspension shall be stayed until a final order is issued following the hearing. The department of revenue shall suspend the registration of vehicles determined under the final order to have violated the motor vehicle financial responsibility law, and shall refer the case to the appropriate prosecuting attorney for prosecution. Notices under this subsection shall be mailed to the vehicle owner at the last known address shown on the department of revenue's records. The department of revenue or its third-party vendor shall issue receipts for the collection of diversion participation fees. Except as otherwise provided in subsection 1 of this section, all such fees shall be deposited into the motor vehicle financial responsibility verification and enforcement fund established in section 303.422. A vehicle owner whose registration has been suspended under sections 303.420 to 303.440 may obtain reinstatement of the registration upon providing proof of financial responsibility and payment to the department of revenue of a nonrefundable reinstatement fee equal to the fee that would be applicable under subsection 2 of section 303.042 if the registration had been suspended under section 303.041.

8. Data collected or retained under the program shall not be used by any entity for purposes other than enforcement of the motor vehicle financial responsibility law. Data collected and stored by law enforcement under the program shall be considered evidence if noncompliance with the motor vehicle financial responsibility law is confirmed. The evidence, and an affidavit stating that the evidence and system have identified a particular vehicle as being in violation of the motor vehicle financial responsibility law, shall constitute probable cause for prosecution and shall be forwarded in accordance with subsection 7 of this section to the appropriate prosecuting attorney.

9. Owners of vehicles identified under the program as being in violation of the motor vehicle financial responsibility law shall be provided with options for disputing such claims which do not require appearance at any state or local court of law, or administrative facility. Any person who presents timely proof that he or she was in compliance with the motor vehicle financial responsibility law at the time of the alleged violation shall be entitled to dismissal of the charge with no assessment of fees or fines. Proof provided by a vehicle owner to the department of revenue that the vehicle was in compliance at the time of the suspected violation of the motor vehicle financial responsibility law shall be recorded in the system established by the department of revenue under section 303.430.

10. The collection of data pursuant to this section shall be done in a manner that prohibits any bias towards a specific community, race, gender, or socioeconomic status of vehicle owner.

11. Law enforcement agencies, third-party vendors, or other entities authorized to operate under the program shall not sell data collected or retained under the program for any purpose or share it for any purpose not expressly authorized in this section. All data shall be secured and any third-party vendor or other entity authorized to operate under the program may be liable for any data security breach.

12. The department of revenue shall not take action under sections 303.420 to 303.440 against vehicles registered as fleet vehicles under section 301.032, or against vehicles known to the department of revenue to be insured under a policy of commercial auto coverage, as such term is defined in subdivision (10) of subsection 2 of section 303.430.

13. Following one year after the implementation of the program, and every year thereafter **for a period of five years**, the department of revenue shall provide a report to the president pro tempore of the senate, the speaker of the house of representatives, the chairs of the house and senate committees with jurisdictions over insurance or transportation matters, and the chairs of the house budget and senate appropriations committees. The report shall include an evaluation of program operations, information as to the costs of the program incurred by the department of revenue, insurers, and the public, information as to the effectiveness of the program in reducing the number of uninsured motor vehicles, and anonymized demographic information including the race and zip code of vehicle owners identified under the program as being in violation of the motor vehicle financial responsibility law, and may include any additional information and recommendations for improvement of the program deemed appropriate by the department of revenue. The department of revenue may, by rule, require the state, counties, and municipalities to provide information in order to complete the report.

14. The department of revenue may promulgate rules as necessary for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

303.430. 1. The department of revenue shall establish and maintain a web-based system for the verification of motor vehicle financial responsibility, shall provide access to insurance reporting data and vehicle registration and financial responsibility data, and shall require motor vehicle insurers to establish functionality for the verification system, as provided in sections 303.420 to 303.440. The verification system, including any exceptions as provided for in sections 303.420 to 303.440 or in the implementation guide developed to support the program, shall supersede any existing verification system, and shall be the sole system used for the purpose of verifying financial responsibility required under this chapter.

2. The system established pursuant to subsection 1 of this section shall be subject to the following:

(1) The verification system shall transmit requests to insurers for verification of motor vehicle insurance coverage via web services established by the insurers through the internet in compliance with the specifications and standards of the Insurance Industry Committee on Motor Vehicle Administration, or "IICMVA". Insurance company systems shall respond to each request with a prescribed response upon evaluation of the data provided in the request. The system shall include appropriate protections to secure its data against unauthorized access, and the department of revenue shall maintain a historical record of the system data for a period of no more than twelve months from the date of all requests and responses. The system shall be used for verification of the financial responsibility required under this chapter. The system shall be accessible to authorized personnel of the department of revenue, the courts, law enforcement personnel, and other entities authorized by the state as permitted by state or federal privacy laws, and it shall be interfaced, wherever appropriate, with existing state systems. The system shall include information enabling the department of revenue to submit inquiries to insurers regarding motor vehicle insurance which are consistent with insurance industry and IICMVA recommendations, specifications, and standards by using the following data elements for greater matching accuracy: insurer National

Association of Insurance Commissioners, or “NAIC”, company code; vehicle identification number; policy number; verification date; or as otherwise described in the specifications and standards of the IICMVA. The department of revenue shall promulgate rules to offer insurers who insure one thousand or fewer vehicles within this state an alternative method for verifying motor vehicle insurance coverage in lieu of web services, and to provide for the verification of financial responsibility when financial responsibility is proven to the department to be maintained by means other than a policy of motor vehicle insurance. Insurers shall not be required to verify insurance coverage for vehicles registered in other jurisdictions;

(2) The verification system shall respond to each request within a time period established by the department of revenue. An insurer’s system shall respond within the time period prescribed by the IICMVA’s specifications and standards. Insurer systems shall be permitted reasonable system downtime for maintenance and other work with advance notice to the department of revenue. Insurers shall not be subject to enforcement fees or other sanctions under such circumstances, or when systems are not available because of emergency, outside attack, or other unexpected outages not planned by the insurer and reasonably outside its control;

(3) The system shall assist in identifying violations of the motor vehicle financial responsibility law in the most effective way possible. Responses to individual insurance verification requests shall have no bearing on whether insurance coverage is determined to be in force at the time of a claim. Claims shall be individually investigated to determine the existence of coverage. Nothing in sections 303.420 to 303.440 shall prohibit the department of revenue from contracting with a third-party vendor or vendors who have successfully implemented similar systems in other states to assist in establishing and maintaining this verification system;

(4) The department of revenue shall consult with representatives of the insurance industry and may consult with third-party vendors to determine the objectives, details, and deadlines related to the system by establishment of an advisory council. **Members of the advisory council shall serve in an advisory capacity in matters pertaining to the administration of sections 303.420 to 303.440, as the department of revenue may request. The advisory council shall expire one year after implementation of the program.** The advisory council shall consist of voting members comprised of:

(a) The director of the department of commerce and insurance, or his or her designee, who shall serve as chair;

(b) Two representatives of the department of revenue, to be appointed by the director of the department of revenue;

(c) One representative of the department of commerce and insurance, to be appointed by the director of the department of commerce and insurance;

(d) Three representatives of insurance companies, to be appointed by the director of the department of commerce and insurance;

(e) One representative from the Missouri Insurance Coalition;

(f) One representative chosen by the National Association of Mutual Insurance Companies;

(g) One representative chosen by the American Property and Casualty Insurance Association;

(h) One representative chosen by the Missouri Independent Agents Association; and

(i) Such other representatives as may be appointed by the director of the department of commerce and insurance;

(5) The department of revenue shall publish for comment, and then issue, a detailed implementation guide for its online verification system;

(6) The department of revenue and its third-party vendors, if any, shall each maintain a contact person for insurers during the establishment, implementation, and operation of the system;

(7) If the department of revenue has reason to believe a vehicle owner does not maintain financial responsibility as required under this chapter, it may also request an insurer to verify the existence of such financial responsibility in a form approved by the department of revenue. In addition, insurers shall cooperate with the department of revenue in establishing and maintaining the verification system established under this section, and shall provide motor vehicle insurance policy status information as provided in the rules promulgated by the department of revenue;

(8) Every property and casualty insurance company licensed to issue motor vehicle insurance or authorized to do business in this state shall comply with sections 303.420 to 303.440, and corresponding rules promulgated by the department of revenue, for the verification of such insurance for every vehicle insured by that company in this state;

(9) Insurers shall maintain a historical record of insurance data for a minimum period of six months from the date of policy inception or policy change for the purpose of historical verification inquiries;

(10) For the purposes of this section, “commercial auto coverage” shall mean any coverage provided to an insured, regardless of number of vehicles or entities covered, under a commercial coverage form and rated from a commercial manual approved by the department of commerce and insurance. (1) “Beneficial uses”, water uses, which include but are not limited to domestic, agricultural, industrial, and other legitimate beneficial uses;

(2) “Department”, the Missouri department of natural resources;

(3) “Director”, the director of the department of natural resources;

(4) “End use”, the final location for which the exported water will be used, consumed, or applied for a stated beneficial use;

(5) “Person”, any individual, partnership, copartnership, firm, company, public or private corporation, association, joint stock company, trust, estate, political subdivision, water district, or any agency, board, department, or bureau of the federal or any state government, or any other legal entity which is recognized by law as the subject of rights and duties;

(6) “Water resources”, any Missouri water source occurring on the surface, in natural or artificial channels, lakes, reservoirs, or impoundments, and in subsurface aquifers which are available or which may be made available.

2. In order to protect the access, use, and enjoyment of Missouri’s water resources, it shall be unlawful for any person to withdraw water from any water source for export outside the state of Missouri unless such person holds a water exportation permit issued by the department. A water exportation permit shall not be required to withdraw water from any water source for export outside of the state by a public water system, as defined in section 640.102, where the withdrawal and ultimate end use are within the same six-digit hydrological unit code as defined by the United States Geological Survey and within thirty miles of the state border.

3. It shall be unlawful for any permit exempted from the requirements of subsection 2 of this section to be used for any purpose other than a beneficial use, specifically where the withdrawal and ultimate end use of water are within thirty miles of the state border.

4. During the review process of any permit required by this section, the director shall determine from the application for a water exportation permit and any supporting materials whether the following conditions have been met:

(1) There is water available in the amount specified in the application to export for water use outside the state of Missouri;

(2) The applicant has a present need for the water and intends to put the water into beneficial use. In making the determinations of need and beneficial use, the director shall consider the availability of all water sources and other relevant matters as the director deems appropriate, and may consider the availability of groundwater as an alternative source;

(3) The proposed use will not interfere with existing in-state uses;

(4) The proposed use will not interfere with proposed beneficial uses within the state, including recreational use. In making this determination, the director shall conduct a review pursuant to subsection 6 of this section;

(5) The water subject to the permit applications could feasibly be transported to alleviate water shortages in the state.

5. Within one hundred eighty days after the department’s receipt of a complete application, the director shall issue a proposed decision to either approve the application if the conditions in

subsection 4 of this section have been met or deny the application if the conditions in subsection 4 of this section have not been met and shall hold a thirty-day public comment period on the proposed approval or denial. After the comment period, the department shall respond to comments received and shall either approve the application or deny the application if the conditions in subsection 4 of this section have not been met. If the department approves the application, it shall send its findings to the clean water commission and Missouri soil and water districts commission for review using the criteria described in subsection 4 of this section. At the next scheduled meeting, the clean water commission and Missouri soil and water districts commission shall review the department's findings. If the clean water commission and Missouri soil and water districts commission agrees with the department's decision that a permit should be issued, the clean water commission and Missouri soil and water districts commission shall send its decision back to the department for the issuance of the permit. If the clean water commission or Missouri soil and water districts commission disagrees with the department's decision for the issuance of the permit, the clean water commission and Missouri soil and water districts commission shall send its decision back to the department and the department shall deny the application. Any permit issued pursuant to this section shall state the time within which the water shall be applied to beneficial use. Permits issued pursuant to this section shall be issued for a period not to exceed three years after the date of issuance.

(1) In the absence of appeal as provided under chapter 536, the decision of the director subject to approval or disapproval of the clean water commission and Missouri soil and water districts commission shall be final.

(2) Applications for renewal of a water export permit shall be filed at least one hundred eighty days prior to the expiration date of the existing permit, and the director shall determine whether the conditions in subsection 4 of this section are still satisfied. The director's decision to renew the permit shall be subject to the clean water commission's and Missouri soil and water districts commission's review and approval or denial pursuant to this subsection.

6. The department shall promulgate rules regarding the process of sending the department's findings to the Missouri soil and water districts commission and the clean water commission for review under this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.

7. (1) Before granting water supply for access and use outside the state of Missouri, the director shall consider existing and proposed in-state uses in order to guarantee that in-state users will have access to and use of all of the water required to adequately supply for beneficial uses.

(2) The director shall review the needs for water supply export every three years to determine whether the water supply continues to be adequate for municipal, agricultural, industrial, domestic, and other beneficial uses within the state.

8. Subsections 4 to 7 of this section are subject to the most recent reports, data, and information in consideration of each permit application, whether the application is for an initial permit or renewal of an active or expired permit.

9. The review conducted pursuant to subsection 4 of this section shall not be used to reduce the quantity of water authorized to be transferred pursuant to the active life of permits issued prior to such review.

10. On the filing of an application to export water outside the state, the applicant shall designate an agent in the state of Missouri for service of process and to receive other notices.

11. In the event of a conflict between the conditions of use required in Missouri and conditions required in another state, the water permit holder shall consent to conditions imposed by the director.

12. A major water user, as defined in section 256.400, may, at any time, request the director to reevaluate any existing water exportation permit using the criteria under subsections 4 and 7 of this section. The director shall create a mechanism for a major water user to submit to him or her such a request for reevaluation and shall provide to the major water user his or her findings within sixty days of the request for reevaluation. After reevaluating the permit, the director shall impose additional conditions necessary for the continued exportation of water outside the state if the director determines that the existing permit is negatively impacting the requesting major water user's beneficial use of his or her water resources. The director's decision to modify or to decline to modify the conditions in an existing permit pursuant to this subsection shall be subject to the clean water commission's and Missouri soil and water districts commission's review and approval or denial pursuant to subsection 5 of this section.

13. Nothing in this section shall preclude a person from bringing any constitutional, statutory, or common law claim to vindicate or otherwise defend the user's water rights. A permit issued under this section shall not serve as a defense to any claim brought against a water permit holder for the infringement of water rights.

14. The time-limited, active life of the permit, not to exceed three years, requires the director to determine whether there has been a substantial or material change relating to any matters set forth in subsections 3 to 5 of this section in response to renewal applications requesting a permit for authorization of the continued export of water outside the state. The director may impose additional conditions to address any such substantial or material change or may deny the permit renewal application as necessary to comply with this section based on any such substantial or material changes. The director's decision to renew the permit shall be subject to the requirements of subsection 5 of this section.

15. If the attorney general receives a complaint that provisions of this section have been violated, or, at the request of the department, the attorney general may bring an injunctive action or other appropriate action in the name of the people of the state to enforce provisions of this section. Suit may be brought in any county where the defendant's principal place of business is located or where the withdrawal of water occurred in violation of this section.

16. Whenever a person applies for a water exportation permit, the department of natural resources shall send a written notice to the county commission of the county where the water for exportation is located.

17. Whenever the United States Drought Monitor (USDM) indicates a D2 level drought for any county for which an export permit has been issued, the department of natural resources shall reevaluate such export permit. If the USDM indicates a D3 or worse drought condition in any county, the department shall reevaluate all existing permits within the state. Whenever a state of emergency is declared by the governor under section 44.100 for all, or any part of the state, based on drought conditions, the department may reevaluate any existing water exportation permit. Any reevaluation completed under this section shall use the criteria under subsections 3 to 5 of this section. After reevaluation of the permit is complete, the department shall have the authority to impose additional conditions or revoke the permit if necessary for the continued exportation of water outside the state if the director determines that the existing permit negatively impacts beneficial use of water resources. The director's decision to modify, revoke, or make no changes to the permit shall be subject to the clean water commission's and Missouri soil and water districts commission's review and approval or denial pursuant to subsection 5 of this section."; and

Any person that owned and operated a licensed ambulance on December 31, 1997, shall receive an ambulance service license from the department, unless suspended, revoked or terminated, for that ambulance service area which was, on December 31, 1997, described and filed with the department as the primary service area for its licensed ambulances on August 28, 1998, provided that the person makes application and adheres to the rules and regulations promulgated by the department pursuant to sections 190.001 to 190.245.

3. The department shall issue a new ground ambulance service license to an ambulance service that is not currently licensed by the department, or is currently licensed by the department and is seeking to expand its ambulance service area, except as provided in subsection 4 of this section, to be valid for a period of five years, unless suspended, revoked or terminated, when the director finds that the applicant meets the requirements of ambulance service licensure established pursuant to sections 190.100 to 190.245 and the rules adopted by the department pursuant to sections 190.001 to 190.245. In order to be considered for a new ambulance service license, an ambulance service shall submit to the department a letter of endorsement from each ambulance district or fire protection district that is authorized to provide ambulance service, or from each municipality not within an ambulance district or fire protection district that is authorized to provide ambulance service, in which the ambulance service proposes to operate. If an ambulance service proposes to operate in unincorporated portions of a county not within an ambulance district or fire protection district that is authorized to provide ambulance service, in order to be considered for a new ambulance service license, the ambulance service shall submit to the department a letter of endorsement from the county. Any letter of endorsement required pursuant to this section shall verify that the political subdivision has conducted a public hearing regarding the endorsement and that the governing body of the political subdivision has adopted a resolution approving the endorsement. The letter of endorsement shall affirmatively state that the proposed ambulance service:

(1) Will provide a benefit to public health that outweighs the associated costs;

(2) Will maintain or enhance the public's access to ambulance services;

(3) Will maintain or improve the public health and promote the continued development of the regional emergency medical service system;

(4) Has demonstrated the appropriate expertise in the operation of ambulance services; and

(5) Has demonstrated the financial resources necessary for the operation of the proposed ambulance service.

4. A contract between a political subdivision and a licensed ambulance service for the provision of ambulance services for that political subdivision shall expand, without further action by the department,

the ambulance service area of the licensed ambulance service to include the jurisdictional boundaries of the political subdivision. The termination of the aforementioned contract shall result in a reduction of the licensed ambulance service's ambulance service area by removing the geographic area of the political subdivision from its ambulance service area, except that licensed ambulance service providers may provide ambulance services as are needed at and around the state fair grounds for protection of attendees at the state fair.

5. The department shall renew a ground ambulance service license if the applicant meets the requirements established pursuant to sections 190.001 to 190.245, and the rules adopted by the department pursuant to sections 190.001 to 190.245.

6. The department shall promulgate rules relating to the requirements for a ground ambulance service license including, but not limited to:

- (1) Vehicle design, specification, operation and maintenance standards;
- (2) Equipment requirements;
- (3) Staffing requirements;
- (4) Five-year license renewal;
- (5) Records and forms;
- (6) Medical control plans;
- (7) Medical director qualifications;
- (8) Standards for medical communications;
- (9) Memorandums of understanding with emergency medical response agencies that provide advanced life support;
- (10) Quality improvement committees; [and]
- (11) Response time, patient care and transportation standards;
- (12) Participation with regional EMS advisory committees; and**
- (13) Ambulance service administrator qualifications.**

7. Application for a ground ambulance service license shall be made upon such forms as prescribed by the department in rules adopted pursuant to sections 190.001 to 190.245. The application form shall contain such information as the department deems necessary to make a determination as to whether the ground ambulance service meets all the requirements of sections 190.001 to 190.245 and rules promulgated pursuant to sections 190.001 to 190.245.

190.112. 1. Each ambulance service licensed under sections 190.001 to 190.245 shall identify to the department an individual as the ambulance service administrator, who shall be responsible for the operations and staffing of the ambulance service.

2. Any individual identified as the ambulance service administrator under subsection 1 of this section shall be required to have achieved basic training of at least forty hours regarding the operations of an ambulance service and to complete two hours of annual continuing education to maintain the individual's status as the ambulance service administrator.

3. The training required under this section shall be offered by a statewide association organized for the benefit of ambulance districts or be approved by the state advisory council on emergency medical services. Such training shall include information on:

- (1) Basic principles of accounting and economics;**
- (2) State and federal laws applicable to ambulance services;**
- (3) Regulatory requirements applicable to ambulance services;**
- (4) Human resources management and laws;**
- (5) Grant writing, contracts, and fundraising;**
- (6) The state sunshine law requirements under chapter 610 and state ethics laws; and**
- (7) Volunteer and community involvement.**

4. Any individual serving as an ambulance service administrator as of August 28, 2024, shall have until January 1, 2026, to meet the training requirements of this section.

190.166. 1. In addition to the grounds for disciplinary action described in section 190.165, the department may refuse to issue, deny renewal of, or suspend a license required under section 190.109, or take other corrective actions as described in this section, based on any of the following considerations:

- (1) The license holder is determined to be financially insolvent;**
- (2) The ambulance service has inadequate personnel to operate the ambulance service to provide basic emergency operations. The ambulance service shall not be deemed to have such inadequate personnel as long as the ambulance service has the ability to staff a minimum of one ambulance unit twenty-four hours each day, seven days each week, with at least two licensed emergency medical technicians, and has a reasonable plan and schedule for the services of a second ambulance unit;**
- (3) The ambulance service requires an inordinate amount of mutual aid from neighboring services, such as more than ten percent of the total runs in the jurisdiction in any given month or more than would be considered prudent, and thus cannot provide an appropriate level of emergency response for the service area that would be considered prudent by the typical operator of emergency ambulance services;**
- (4) The principal manager or a board member or executive of the ambulance service is determined to be criminally liable for actions related to the license or service provided;**
- (5) The license holder or principal manager or a board member or other executive of the ambulance service is determined by the Centers for Medicare and Medicaid Services to be ineligible for participation in Medicare;**

(6) The license holder or principal manager or a board member or other executive of the ambulance service is determined by the MO HealthNet division to be ineligible for participation in the MO HealthNet program;

(7) The ambulance service administrator has failed to meet the required qualifications or failed to complete the training required in section 190.112; or

(8) If the ambulance service is an ambulance district, three or more board members have failed to complete the training required in section 190.053.

2. If the department determines an ambulance service is financially insolvent or its operations are insufficient as described in subsection 1 of this section, the department may require the license holder to submit a corrective action plan within fifteen days and require implementation of such corrective action plan within thirty days.

3. The department shall provide notice of any determination of insolvency or insufficiency of operations of a license holder by the department to:

(1) Other license holders operating in the license holder's vicinity;

(2) Members of the general assembly who represent all or part of the license holder's service area;

(3) The governing officials of any county or municipal entity in the license holder's service area;

(4) The appropriate regional EMS advisory committee; and

(5) The state advisory council on emergency medical services.

4. Upon taking any corrective action under this section, the department shall immediately engage with other license holders in the affected area to determine the extent to which ground ambulance service may be provided to the affected service area during the time in which the provisional or affected license holder is unable to provide adequate services, including any long-term service arrangements. The holder of a provisional or suspended license may enter into an agreement with other license holders to provide services to the affected area. Such agreement may be in the form of an agreement to provide services, a joint powers agreement, formal consideration, or payment for services rendered.

5. Any ambulance service operator who provides assistance in the service area of another ambulance service operator whose license to operate has been suspended under this section shall have the right to seek reasonable compensation from the ambulance service operator whose license to operate has been suspended under this section for all calls, stand-by time, and responses to medical emergencies during such time the license remains suspended. The reasonable compensation shall not be limited to only those expenses incurred in actual responses, but may include reasonable expenses to maintain the ambulance service including, but not limited to, the daily operation costs of maintaining the service, personnel wages and benefits, equipment purchases and maintenance, and other costs incurred in the operation of an ambulance service. The ambulance service operator providing assistance shall be entitled to an award of costs and reasonable attorney's fees in any action to enforce the provisions of this section."; and

10. The director of revenue may adopt any rules and regulations necessary to carry out the provisions of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

302.272. 1. No person shall operate any school bus owned by or under contract with a public school or the state board of education unless such driver has qualified for a school bus endorsement under this section and complied with the pertinent rules and regulations of the department of revenue and any final rule issued by the secretary of the United States Department of Transportation or has a valid school bus endorsement on a valid commercial driver's license issued by another state.
