Journal of the Senate

ONE HUNDRED SECOND GENERAL ASSEMBLY

OF THE

STATE OF MISSOURI

SECOND REGULAR SESSION

FIRST DAY – WEDNESDAY, JANUARY 3, 2024

The Senate was called to order at 12:00 noon by Lieutenant Governor Mike Kehoe.

Senator May offered the following prayer:

Father we thank You for this day. We thank you for the opportunity to serve once again in these prestigious positions. God as we gather for the 102nd General Assembly, grant us the wisdom and the grace to work for the people of Missouri. We humbly seek Your guidance, Your expertise, and Your understanding. Grant us discernment to make wise decisions. Grant us discretion, to speak with authority and conviction. Grant us the ability to discover the uniqueness that each of us bring into these hallowed halls.

Help us to make wise decisions that reflect Your love, Your grace, and Your mercy. As you are the God of Social Justice, help us to reflect on that justice with compassion for all people in the state, and not just those of one district. For we are One legislature, One state, One Missouri.

We pray for unity and that our deliberations may be guided by Your spirit of cooperation and commitment.

As the Father, Son, and Holy Spirit are One, and do not differ, help us to work in the Spirit of Oneness. Arrest our hearts, from our fleshly motivations. Arrest of our minds, from fleshly intentions, and arrest our tongue, from speaking ill of one another in this chamber.

God we ask that you have Your way in the sacred chamber.

As Heaven is Your sacred throne, let it be so, on Earth as it is in Heaven. So give us this day, filled with purpose, filled with provision, filled with perseverance. Lead us not, into temptation, lead us not, to be lured away, lead us not, to be attracted to the folly of the flesh. But deliver us from ourselves, and bring us into the unity of one Spirit. In Jesus Name, Amen.

The Pledge of Allegiance to the Flag was recited.

Senator O’Laughlin announced photographers from Jefferson City News Tribune, The Associated Press, St. Louis Public Radio, Nexstar Media Group, Maries County Advocate, Gasconade County Republican, Spectrum News, St. Louis Post-Dispatch, Missouri Independent, and Gray TV were given permission to take pictures in the Senate Chamber.

Opening Address

Senator Caleb Rowden, President Pro Tem

Second Regular Session, 102nd General Assembly

January 3, 2024

To my esteemed colleagues, honored guests, and fellow Missourians –

I stand before you today with a profound sense of duty and responsibility as we convene for the 2024 legislative session. For about 1/3 of this chamber, me included, this is our last first day of session. The last chance for some of us to make a difference for our communities and our state via the mechanism of the Missouri Senate.

My question for us is simple—will we seize this moment?

Will we focus on principled progress or political pandemonium?

Will we care more about Missouri’s future or our own political futures?

What I am about to say isn’t breaking news—political experts and onlookers don’t think this session is going to amount to much. I say let’s prove them wrong.

Children stuck in failing schools and their parents need us to prove the experts wrong.

Those struggling to make ends meet because of rising inflation need us to prove the experts wrong.

Our constituents who sent us here to secure their liberties and economic opportunities need us to prove the experts wrong.

I have faith in each and every one of you to rise to this occasion, to put the needs of our constituents before our own ambitions, and to prove that we can indeed govern well. Together, let us write a chapter in the history of Missouri that we can all be proud of long after our time in this chamber is done.

Now let’s get to work!

Senator Hough assumed the Chair.

Journal of the Senate

SECOND REGULAR SESSION

SECOND DAY - THURSDAY, JANUARY 4, 2024

The Senate met pursuant to adjournment.

Senator Fitzwater in the Chair.

Senator Fitzwater offered the following prayer:

Dear Heavenly Father who dwells in and through everything, great is Your name! May Your will be done in these halls even today, as we seek to redeem our days and Your world through grace and peace just as it is in heaven. Today, provide all the things we need to sustain a desire to glorify You, while allowing us the boldness to forgive and seek forgiveness for our wrongs, just as You've forgiven us. And please give us a clear vision, one that honors you and doesn't lead us down the wrong paths that only create hardship for ourselves and our state. For Yours is the kingdom, the power, and the glory forever and ever, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE RESOLUTION NO. 552 NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Twenty-third District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, Second Regular Session, that the Senate Rules be amended to read as follows:

“Rule 64. A substitute for the text of a bill is not in order until all pending amendments thereto have been disposed of. **No substitute shall be adopted by the senate until such substitute has been distributed to each member of the senate at least two legislative days before the substitute is offered.** A substitute bill for an original bill or for a committee substitute shall take the form of an original bill and be subject to floor amendments, except that it shall not be subject to amendment by a further floor substitute. No further amendments or substitutes may be entertained after the senate adopts a substitute bill.”.

CONCURRENT RESOLUTIONS

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 20

Whereas, motorcycle ridership has continued to increase over time, with registrations growing from 3,826,373 in 1997 to 8,600,936 in 2015; and

Whereas, as of August, 2016, the ongoing National Motorcycle Profiling Survey 2016, conducted by the Motorcycle Profiling Project, found that approximately one-half of the motorcyclists surveyed felt that they had been profiled by law enforcement at least once; and

Whereas, motorcycle profiling means the illegal use of the fact that a person rides a motorcycle or wears motorcycle related apparel as a factor in deciding to stop and question, take enforcement action, arrest, or search a person or vehicle, with or without legal basis under the Constitution of the United States; and

Whereas, complaints surrounding motorcycle profiling have been cited in all fifty states; and

Whereas, nationwide protests to raise awareness and combat motorcycle profiling have been held in multiple states:

Now Therefore Be It Resolved that the members of the Senate of the One Hundred Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby:

- (1) Support increased public awareness on the issue of motorcycle profiling;
 - (2) Encourage collaboration and communication with the motorcycle community and law enforcement to engage in efforts to end motorcycle profiling; and
 - (3) Urge law enforcement officials to include statements condemning motorcycle profiling in written policies and training materials;
- and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for each law enforcement agency in the state of Missouri.

President Kehoe assumed the Chair.

Senator O’Laughlin offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 21

Relating to hypertrophic cardiomyopathy awareness day.

Whereas, hypertrophic cardiomyopathy ("HCM") is a chronic cardiac disease involving thickening of the heart muscle and which may lead to debilitating symptoms and serious complications, including heart failure, atrial fibrillation, stroke, and, in rare cases, sudden cardiac death; and

Whereas, HCM is the most common inheritable heart disease and may affect anyone, regardless of age, gender, or ethnicity, with a reported prevalence ranging from one in two hundred to one in five hundred in the general population; and

Whereas, an estimated seven hundred thousand to one million six hundred fifty thousand people in the United States have HCM, but eighty-five percent of this number may remain undiagnosed; and

Whereas, HCM shares symptoms with other common cardiovascular and pulmonary diseases, such as shortness of breath, chest pain, fatigue, palpitations, and fainting, which makes it difficult to distinguish HCM from these other diseases; and

Whereas, when untreated, all-cause mortality is three to four times higher in patients with HCM than that of the general population; and

Whereas, knowing one's medical history and any signs and symptoms of HCM is an important first step in receiving an accurate diagnosis of HCM; and

Whereas, a health care provider will need to conduct a thorough screening with cardiac health questions to help identify a risk of genetic and congenital cardiac disorders; and

Whereas, a health care provider may conduct several tests, including an echocardiogram, a cardiac magnetic resonance imaging scan, or genetic testing in order to confirm a family history of HCM, and will need to examine the heart to diagnose HCM; and

Whereas, following a diagnosis of HCM, it is important for patients to work with their health care provider to learn more about their disease and to understand different management options, including prescription medication and surgical treatment options that may help:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate the fourth Wednesday in February of each year as "Hypertrophic Cardiomyopathy Awareness Day" in Missouri; and

Be It Further Resolved that the General Assembly encourages all residents of this state to participate in activities to bring awareness of this disease and the need for diagnosis and treatment; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Journal of the Senate

SECOND REGULAR SESSION

THIRD DAY - MONDAY, JANUARY 8, 2024

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

Senator McCreery offered the following prayer:

As we begin this New Year we give thanks for fresh starts, for new beginnings, for the hope of Spring.

As we anticipate the fall of new snow tonight, let it be a reminder of the fresh shoots of green it will bring. Let it be a metaphor, a reminder, for our work here: “For true leaders plant trees in whose shade they will never sit.” Let that desire for investment in our children, for those who will follow us, guide us and lead us.

We pray for Your peace in this body and in this world.

As we remember former Senate Staff Ian Dunlap and hold his family in our hands and in our hearts. May his time in this building remind us that our time here is but temporary and fleeting.

In the words of Missouri-born poet laureate Maya Angelou: “people will forget what you said, people will forget what you did, but people will never forget how you made them feel.”

In that spirit, let us strive to understand each other better, to be better legislators, and better statesmen, worthy of your glory. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE RESOLUTION NO. 557
NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Twenty-third District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, Second Regular Session, that Senate Rules 50 and 60 be amended to read as follows:

"Rule 50. Referrals of bills and appointments to committee shall be made by the president pro tem; and no bill shall be considered for final passage unless it has been reported on by a committee and printed for the use of the senators. A report of all bills recommended "do pass" by a committee shall be submitted to the senate by the chairman and all committee amendments accompanying the report shall be printed in the Journal. **Every report of an appropriations bill by the Committee on Appropriations shall contain a notation for each section of the bill that requires a new appropriation of general revenue or general revenue equivalent.**

After a bill has been referred to a committee, one-third of the senators elected has the power to relieve a committee of further consideration of a bill and place it on the calendar for consideration. In any case where a committee has been relieved of further consideration of a bill as herein provided, a majority of the senators present but not less than one-third of the senators elected, may, at any time before final passage thereof, again refer the bill to the same or some other committee for consideration. No bill or resolution shall be reported adversely by any committee until the author of the bill or resolution has been given an opportunity to appear and be heard before the committee to which it is referred.

One-third of the senators elected may relieve a committee of an appointment and a motion to grant advice and consent of the Senate to that appointment is then in order upon a vote of the majority of the Senate.

Rule 60. **1.** An amendment shall not go beyond the second degree to an original bill.

2. Any section of an appropriations bill that has been noted by the Committee on Appropriations in its report to the senate as containing a new appropriation of general revenue or general revenue equivalent shall be considered a committee amendment and shall be voted upon separately upon the bill being brought before the senate.

3. All amendments adopted by either house to a bill pending and originating in the same shall be incorporated in the bill, and the bill as perfected shall before the third reading and final passage, be printed for the use of the members. The printing of bills ordered to third reading and final passage shall be under the supervision of the Committee on Rules, Joint Rules, Resolutions and Ethics, whose report shall set forth that they find the printed copy of such bills as theretofore agreed and furnished for the use of the members is correct. A correct record of each day's proceedings in each house shall be furnished for the use of the members of the general assembly before the record is approved and no bill shall be signed by the presiding officer of either house until such printed copy thereof shall have been furnished for the use of the members of the general assembly and the record of the previous day shall have been approved. When agreed to by both houses, the bill as finally passed shall be typed or printed and signed by the presiding officer of each house and transmitted to the governor."

Senator Bean assumed the Chair.

Seantor Eigel offered the following resolution:

SENATE RESOLUTION NO. 558
NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Twenty-third District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, Second Regular Session, that Senate Rule 60 be amended to read as follows:

"Rule 60. Rule 60. **1.** An amendment shall not go beyond the second degree to an original bill.

2. (a) No amendment to an appropriations bill of the state budget shall be in order if such amendment increases the total amount of general revenue or general revenue equivalent, in the aggregate, appropriated in all appropriations bills considered by the senate. Any amendment that increases the amount of general revenue or general revenue equivalent, in the aggregate, appropriated in all appropriations bills shall be required to be distributed to the senators at the same time that a separate amendment is distributed to the senators that makes an equal reduction in general revenue or general revenue equivalent in the same bill or any other of the appropriations bills still pending. If the reduction is in another bill, the decreasing amendment shall be taken up first, and the increasing amendment may be taken up only if the decreasing amendment is adopted. When a pair of amendments is submitted, the decreasing amendment shall be required to clearly identify the corresponding increasing amendment.

(b) If a senator's decreasing amendment is adopted and the same senator's increasing amendment is defeated, the decreasing amendment's adoption is moot.

(c) The offering and adoption of an amendment decreasing the amount of general revenue or general revenue equivalent appropriated without a balancing increase creates no right of another senator to offer an increasing amendment in any amount up to the amount of the decrease effected by the decreasing amendment, and no senator may be recognized for the purpose of making such an amendment.

3. All amendments adopted by either house to a bill pending and originating in the same shall be incorporated in the bill, and the bill as perfected shall before the third reading and final passage, be printed for the use of the members. The printing of bills ordered to third reading and final passage shall be under the supervision of the Committee on Rules, Joint Rules, Resolutions and Ethics, whose report shall set forth that they find the printed copy of such bills as theretofore agreed and furnished for the use of the members is correct. A correct record of each day's proceedings in each house shall be furnished for the use of the members of the general assembly before the record is approved and no bill shall be signed by the presiding officer of either house until such printed copy thereof shall have been furnished for the use of the members of the general assembly and the record of the previous day shall have been approved. When agreed to by both houses, the bill as finally passed shall be typed or printed and signed by the presiding officer of each house and transmitted to the governor."

Journal of the Senate

SECOND REGULAR SESSION

FOURTH DAY - TUESDAY, JANUARY 9, 2024

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

Senator Trent offered the following prayer:

"The Lord will keep You from all harm—he will watch over your life; the Lord will watch over Your coming and going both now and forevermore." (Psalm 121:7-8 NIV)

Heavenly Father, through travel in bad weather and good, we ask that You would watch over our coming and going. Keep us from all harm, and guide us so that we do not harm others.

Help us to be mindful of those around us, and to be a blessing to them as we go about our work. Help us not to forget that You are sovereign. Use us to accomplish Your purposes. In Your Holy Name we pray, Amen.

Senator Carter offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 22

Relating to missions of institutions of higher education.

Whereas, Missouri state law provides a process that state colleges and universities may use to seek a statewide mission designation; and

Whereas, this process authorizes the Coordinating Board for Higher Education to approve a change in the statewide mission of any state college or university upon being presented with evidence that the institution has the capacity to implement such mission change successfully; and

Whereas, Missouri Southern State University has provided the Coordinating Board for Higher Education with evidence that it has the capacity to discharge a statewide mission in health and life sciences and immersive learning experiences, in addition to the University's existing statewide mission in international or global education; and

Whereas, the Coordinating Board for Higher Education voted to approve Missouri Southern State University's request for such mission change at the Board's meeting on September 13, 2023;

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby approve the proposed mission change of Missouri Southern State University; and

Be It Further Resolved that Missouri Southern State University is hereby designated and shall hereafter be operated as a statewide institution of international or global education, health and life sciences, and immersive learning experiences; and

Journal of the Senate

SECOND REGULAR SESSION

SIXTH DAY - THURSDAY, JANUARY 11, 2024

The Senate met pursuant to adjournment.

Senator Fitzwater in the Chair.

Senator Gannon offered the following prayer:

“For I say, through the grace given unto me, to every man that is among you, not to think of *himself* more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. For as we have many members in one body, and all members have not the same office . . .” (Romans 12:3-4).

Dear Lord, I pray You give us Your guidance and wisdom today to do according to Your will. We ask You look over this body and help us to glorify You in all we do. Keep us safe as we travel back to our respective districts. In Your name we pray, Amen.

The Pledge of Allegiance to the Flag was recited.

Journal of the Senate

SECOND REGULAR SESSION

SEVENTH DAY - TUESDAY, JANUARY 16, 2024

The Senate met pursuant to adjournment.

Senator Bean in the Chair.

The Reverend Stephen George offered the following prayer:

"Stop doing wrong, learn to do right! Seek justice, encourage the oppressed. Defend the cause of the fatherless, plead the case of the widow." (Isaiah 1:16-17)

Heavenly Father, as we start back to this week's work, we are reminded that we are starting one day later than normal.

We thank You for the courage and conviction that defined Dr. King's life—a life dedicated to breaking chains of oppression and fostering a society where all are treated with dignity and respect, and ask that You would help us to make this state be a place where all are treated equally and with respect.

Grant wisdom to each Senator present, that their decisions may be grounded in fairness, compassion, and a commitment to the common good. May their debates be marked by understanding, their resolutions by unity, and their outcomes by justice.

We ask this in Your Holy Name, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

CONCURRENT RESOLUTIONS

Senator Eigel offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 25

Whereas, Israel has been granted her lands under and through the oldest deed, as recorded in the Torah or Old Testament, a tome of scripture held sacred and revered by Jews and Christians alike; and

Whereas, Missouri recognizes the claim and presence of the Jewish people in Israel that has remained constant throughout the past four thousand years; and

Whereas, Missouri recognizes Israel's declared independence and self-governance that began on May 14, 1948, with the goal of reestablishing its legally recognized lands as a homeland for the Jewish people; and

Whereas, Missouri's son, U. S. President Harry S. Truman, was the first world leader to officially recognize Israel as a legitimate Jewish state on May 14, 1948, only eleven minutes after its creation; and

Whereas, Missouri agrees with and supports the U.S. presidential decision, on December 6, 2017, to recognize Jerusalem as the eternal capital of Israel; and

Whereas, The United States of America and the state of Missouri have enjoyed a close and mutually beneficial relationship with Israel and her people; and

Whereas, Israel is a great friend and ally of the United States of America in the Middle East:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred-Second General Assembly, Second Regular Session, the House of Representatives concurring therein, commend Israel for its cordial and mutually beneficial relationship with the United States of America and the state of Missouri since 1948 and believe that the relationship shall continue to strengthen and be valued in this state and in this country, in all its dimensions; and

Be It Further Resolved that the General Assembly supports Israel's right to exist and recognizes Jerusalem as the eternal capital of Israel; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Israeli Consulate General to the Midwest in Miami, Florida.

Senator McCreery offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 26

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Journal of the Senate

SECOND REGULAR SESSION

EIGHTH DAY - WEDNESDAY, JANUARY 17, 2024

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Stephen George offered the following prayer:

"Give Your servant therefore an understanding mind to govern your people, that I may discern between good and evil, for who is able to govern this Your great people?" (1 Kings 3:9 ESV)

Heavenly Father, as we continue the work to which we were elected, we ask that You would give us understanding minds to govern your people. Help us discern between good and evil, and give us wisdom to govern wisely.

Help us to seek unity in our decisions, and to work together—not for our own good, but for the greater good of those we serve. We ask this in Your Holy Name, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

"For I know the plans I have for You", declares the Lord, 'plans to prosper You and not to harm You, plans to give You hope and a future'." (Jeremiah 29:11 NIV)

Heavenly Father, as we finish our work for this week, help us to trust that You have our best interest in mind. Help us to trust that You want us to prosper and give us hope for the future.

As we work together to accomplish the tasks set before us, help us to seek solutions that will help our state prosper and give us hope for the future.

Help us to set our personal wills and desires aside and work together for the greater good of the people of this great state. Lead us, and give us wisdom. We ask this in Your Holy Name, Amen.
