

JOURNAL OF THE HOUSE

Second Regular Session, 103rd General Assembly

TWENTY-FIRST DAY, MONDAY, FEBRUARY 16, 2026

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Representative Brian Seitz.

Father, we come to You today, as elected officials, recognizing Your sovereignty over the whole earth: past, present and future.

While You existing eternally outside of time and knowing all things, we as part of Your creation come to You as those who can only learn from the past and live in the present.

To that end, I ask that You guide our thoughts and actions, impressing upon us by the Holy Spirit the need to do what is right, aligning us with Your perfect will.

We ask these things in the name of Christ Jesus, our Lord.

Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Madeline James Huff.

The Journal of the twentieth day was approved as printed by the following vote:

(1) To investigate applicants and determine the priority and eligibility of applicants for a license and to select among competing applicants for a license the applicant which best serves the interests of the citizens of Missouri;

(2) To license the operators of excursion gambling boats and operators of gambling games within such boats, to identify occupations within the excursion gambling boat operations which require licensing, and adopt standards for licensing the occupations including establishing fees for the occupational licenses and to license suppliers;

(3) To adopt standards under which all excursion gambling boat operations shall be held and standards for the facilities within which the gambling operations are to be held. Notwithstanding the provisions of chapter 311 to the contrary, the commission may authorize the operation of gambling games on an excursion gambling boat which is also licensed to sell or serve alcoholic beverages, wine, or beer. The commission shall regulate the wagering structure for gambling excursions, provided that the commission shall not establish any regulations or policies that limit the amount of wagers, losses, or buy-in amounts;

(7) To require a licensee, an employee of a licensee or holder of an occupational license to remove a person violating a provision of sections 313.800 to 313.850 or the commission rules, orders, or final orders, or other person deemed to be undesirable from the excursion gambling boat or adjacent facilities;

(8) To require the removal from the premises of a licensee, an employee of a licensee, or a holder of an occupational license for a violation of sections 313.800 to 313.850 or a commission rule or engaging in a fraudulent practice;

(9) To require all licensees to file all financial reports required by rules and regulations of the commission;

(10) To issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of books, records, and other pertinent documents, and to administer oaths and affirmations to the witnesses, when, in the judgment of the commission, it is necessary to enforce sections 313.800 to 313.850 or the commission rules;

The provisions of this subdivision shall apply only to patrons giving identifying information for the first time. Such system shall be submitted to the commission by October 1, 2000, and approved by the commission by January 1, 2001. The excursion gambling boat licensee shall use identifying information obtained from patrons who have elected to have marketing blocked under the provisions of this section only for the purposes of enforcing the requirements contained in sections 313.800 to 313.850. This section shall not prohibit the commission from accessing identifying information for the purposes of enforcing section 313.004 and sections 313.800 to 313.850;

(15) To determine which of the authorized gambling games will be permitted on any licensed excursion gambling boat;

(16) The commission shall base its decision to license excursion gambling boats on any of the following criteria: the docking location or the excursion cruise could cause danger to the boat's passengers, violate federal law or the law of another state, or cause disruption of interstate commerce or possible interference with railway or barge transportation. The commission shall consider economic feasibility or impact that would benefit land-based development and permanent job creation. The commission shall not discriminate among applicants for excursion gambling boats that are similarly situated with respect to the criteria set forth in this section;

(17) The commission shall render a finding or findings concerning the transition from a boat, barge, or floating facility to a nonfloating facility within thirty days after a hearing on any request from an applicant or existing licensee. Such hearing may be held prior to any final action on licensing to assist an applicant and any city or county in the finalizing of their economic development plan;

(18) To require any applicant for a license or renewal of a license to operate an excursion gambling boat to provide an affirmative action plan which has as its goal the use of best efforts to achieve maximum employment of African-Americans and other minorities and maximum participation in the procurement of contractual purchases of goods and services. This provision shall be administered in accordance with all federal and state employment laws, including Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991. At license renewal, the licensee will report on the effectiveness of the plan. The commission shall include the licensee's reported information in its annual report to the joint committee on gaming and wagering;

(19) **To annually adjust the admission fee imposed pursuant to section 313.820 for inflation; and**

(20) To take any other action as may be reasonable or appropriate to enforce sections 313.800 to 313.850 and the commission rules.

313.820. 1. An excursion boat licensee shall pay to the commission an admission fee of two dollars, **as adjusted for inflation, every two hours** for each person ~~embarking on an excursion gambling boat with a ticket of admission~~ **present within the gambling area of each gambling facility. Within the first two months of each calendar year, the commission shall adjust annually for inflation based on the Consumer Price Index for All Urban Consumers for the Midwest Region, as defined and officially recorded by the United States Department of Labor or its successor, to determine the new admission fee beginning January 1, and shall go into effect at the beginning of the new fiscal year. Such fee shall be calculated initially on inflationary data recorded by the United States Department of Labor in January 1993 and such figure shall be used to calculate inflation adjustments for the remainder of fiscal year 2027 and for the next ten complete fiscal years thereafter. The first fifty cents of such admission fee as adjusted for inflation shall be deposited to the credit of the department of natural resources historic preservation revolving fund and administered according to the provisions described in section 313.835(2)(a) to commemorate the bicentennial of the location of the permanent seat of government as described in second Section of the eleventh Article of the original Constitution of the state of Missouri. Unless renewed by the Missouri general assembly upon the expiration of the provisions of this section, all revenue from such fee shall be remitted to the commission and shall be distributed according to the provisions of this section. Two dollars of such fee, as adjusted for inflation, shall**

be paid to the veterans commission capital improvement trust fund upon the effective date of this section.

One dollar of such fee, **as adjusted for inflation**, shall be deposited to the credit of the gaming commission fund as authorized pursuant to section 313.835, and one dollar of such fee, **as adjusted for inflation**, shall not be considered state funds and shall be paid to the home dock city or county. ~~[Subject to appropriation, one cent of such fee deposited to the credit of the gaming commission fund may be deposited to the credit of the compulsive gamblers fund created pursuant to the provisions of section 313.842.]~~ Nothing in this section shall preclude ~~[any licensee from charging any amount deemed necessary for a ticket of admission to any person embarking on an excursion gambling boat]~~ **the commission from adjusting the fee annually as deemed necessary to account for inflation.** ~~[If tickets are issued which are good for more than one excursion, the admission fee shall be paid to the commission for each person using the ticket on each excursion that the ticket is used.]~~ If free passes or complimentary admission tickets are issued, the excursion boat licensee shall pay to the commission the same fee upon these passes or complimentary tickets as if they were sold at the regular and usual admission rate; however, the excursion boat licensee may issue fee-free passes to actual and necessary officials and employees of the licensee or other persons actually working on the excursion gambling boat. The issuance of fee-free passes is subject to the rules of the commission, and a list of all persons to whom the fee-free passes are issued shall be filed with the commission.

2. In all present and future forms of remote wagering, an excursion boat licensee shall pay to the commission a remote wagering access fee in lieu of an admission fee of one and one half percent of the total amount of money waged each month. The proceeds of such remote wagering access fee shall be deposited to the credit of the gaming commission fund as authorized pursuant to section 313.835, and shall be distributed in accordance with regulations promulgated by the commission, except that the first thirty-five million dollars from the proceeds of the remote wagering access fee shall be deposited to the credit of the department of natural resources historic preservation revolving fund as described in section 313.835(2)(a).

~~[2]~~ 3. All licensees are subject to all income taxes, sales taxes, earnings taxes, use taxes, property taxes or any other tax or fee now or hereafter lawfully levied by any political subdivision; however, no other license tax, permit tax, occupation tax, excursion fee, or taxes or fees shall be imposed, levied or assessed exclusively upon licensees by a political subdivision. All state taxes not connected directly to gambling games shall be collected by the department of revenue. Notwithstanding the provisions of section 32.057 to the contrary, the department of revenue may furnish and the commission may receive tax information to determine if applicants or licensees are complying with the tax laws of this state; however, any tax information acquired by the commission shall not become public record and shall be used exclusively for commission business.

313.835. All revenue received by the commission from license fees, penalties, administrative fees, reimbursement by any excursion gambling boat operators for services provided by the commission and admission fees authorized pursuant to the provisions of sections 313.800 to 313.850, except that portion of the admission fee, not to exceed one cent, that may be appropriated to the compulsive gamblers fund as provided in section 313.820, shall be deposited in the state treasury to the credit of the "Gaming Commission Fund" which is hereby created for the sole purpose of funding the administrative costs of the commission, subject to appropriation. Moneys deposited into this fund shall not be considered proceeds of gambling operations. Moneys deposited into the gaming commission fund shall be considered state funds pursuant to Article IV, Section 15 of the Missouri Constitution. All interest received on the gaming commission fund shall be credited to the gaming commission fund. In each fiscal year, total revenues to the gaming commission fund for the preceding fiscal year shall be compared to total expenditures and transfers from the gaming commission fund for the preceding fiscal year. The remaining net proceeds in the gaming commission fund shall be distributed in the following manner:

(1) The first five hundred thousand dollars shall be appropriated on a per capita basis to cities and counties that match the state portion and have demonstrated a need for funding community neighborhood organization programs for the homeless and to deter gang-related violence and crimes;

(2) The remaining net proceeds in the gaming commission fund for fiscal year 2013 and each fiscal year thereafter shall be distributed as follows:

(a) The revenue generated by the fee authorized in section 313.820(1) shall be remitted to the Missouri department of natural resources historic preservation revolving fund which shall contract with a charitable organization which is exempt from federal income tax and whose Missouri unrelated business taxable income, in any, would be subject to the state income tax imposed under chapter 143 for the construction of a facility for the acquisition and preservation of artifacts related to Missouri's riverboat heritage.

~~[(a)]~~ **(b)** The ~~[first]~~ **next** five million dollar portion shall be transferred to the access Missouri financial assistance fund, established pursuant to the provisions of sections 173.1101 to 173.1107, and additional moneys as annually appropriated by the general assembly shall be appropriated to such fund;

~~[(b)]~~ (c) The ~~[second]~~ **next** three million dollar portion shall be transferred to the veterans' commission capital improvement trust fund created in section 42.300;

~~[(c)]~~ (d) The ~~[third]~~ **next** four million dollar portion shall be transferred to the Missouri National Guard trust fund created in section 41.214, and additional moneys as appropriated by the general assembly may be appropriated to such fund, up to one million five hundred thousand dollars annually;

~~[(d)]~~ (e) **The next fifteen million dollar portion shall be transferred to the Missouri department of natural resources historic preservation fund and shall be used to preserve and protect collections of historic artifacts;**

(f) Subject to appropriations, one hundred percent of remaining net proceeds in the gaming commission fund, after the appropriations are made pursuant to the provisions of paragraphs (a), (b), and (c) of this subdivision, shall be transferred to the veterans' commission capital improvement trust fund created in section 42.300."; and
