To Whom It May Concern,

My colleagues and I are writing to request official recognition and all associated perks of a house-designated *Labor Caucus*. The purpose of the caucus would be to enable members to more easily identify and collaborate on labor-related issues and other similar issues within the common sphere of public interests. The caucus would be bipartisan, and all the members of the proposed caucus would need to meet the following requirements:

- Be a current Representative of the Missouri State Legislature
- Be a supporter of the organized labor

Once approved, the caucus would convene and elect caucus leadership amongst its current members and other interested individuals who meet the approved membership requirement; the caucus would also adopt a set of operational procedures and bylaws at said meeting. Thank you in advance for your help with this matter as we work to advance the goals of the 103rd General Assembly of the Show-Me State.

Sincerely, the below signatories from the 103rd general assembly,

Rep. Adrian Plank, D-Chair

Rep. Mark Boyko, D-Vice Chair

Rep. Phil Amato, R-Chair

Rep. Mike Steinmeyer, R-Vice Chair
