### AN ACT

To repeal section 288.055, RSMo 2000, relating to employment security, and to enact in lieu thereof one new section relating to the same subject.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 288.055, RSMo 2000, is repealed and one new section enacted in lieu thereof, to be known as section 288.055, to read as follows:

288.055. 1. Notwithstanding any other provision of this chapter, an unemployed claimant otherwise eligible for benefits shall not become ineligible for benefits because of [his] **such claimant's** enrollment in and satisfactory pursuit of a retraining course of instruction which the director has approved for the individual.

2. An unemployed individual who files a claim for benefits may apply to the division for a determination of potential eligibility for benefits during a period of retraining or with respect to a claimant who has not applied for such determination, if the director finds the circumstances under subdivision (1) of subsection 3 of this section to exist, then the director shall make a complete determination under subsection 3 of this section, and where potential eligibility is determined, the director shall require the claimant to take a retraining course of instruction to be eligible for benefit payments.

3. A determination of potential eligibility for benefits under this section and chapter shall be issued to an unemployed claimant if the director finds that:

(1) Reasonable employment opportunities for which the unemployed claimant is fitted by training and experience do not exist or have substantially diminished in the labor market area in this state in which he is claiming benefits;

**EXPLANATION — Matter enclosed in bold faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

17           (2) The retraining course of instruction relates to an occupation or skill for which there  
18 are, or are expected to be in the immediate future, reasonable employment opportunities in any  
19 labor market area in this state in which the claimant agrees to seek work;

20           (3) The retraining course of instruction is one prescribed by the director;

21           (4) The individual has the required qualifications and aptitudes to complete the course  
22 successfully and profit therefrom; and

23           (5) Upon completion of [his] **a** retraining course of instruction the individual should be  
24 qualified to use the skills acquired under labor organization rules where applicable to such skills.

25           4. Notwithstanding the provisions of subdivision (2) of section 288.040, an unemployed  
26 claimant who is able to work is eligible to receive benefits under this section and chapter, with  
27 respect to any week during a period of retraining only if the director finds that:

28           (1) [He] **The claimant** has been determined potentially eligible under subsection 3 of  
29 this section; and

30           (2) [He] **The claimant** submits with each claim a written certification executed by a  
31 responsible person connected with the retraining program certifying that [he] **the claimant** was  
32 enrolled in and satisfactorily pursuing the retraining course of instruction.

33           5. If an individual fails to submit for any week during a period of retraining the  
34 certification required by subsection 4 of this section, [he] **said individual** shall be ineligible to  
35 receive any benefits for that week. This subsection shall not render a claimant ineligible for  
36 benefits for any week during a period of retraining if on or before Monday of that week [he] **such**  
37 **individual** notifies the division that [his] **the** retraining course of instruction has been or is being  
38 discontinued or terminated prior to that week.

39           6. An unemployed claimant otherwise eligible for benefits under this section and chapter  
40 shall not be disqualified for refusing suitable employment offered to [him] **said claimant**, or  
41 failing to apply for suitable employment when notified by an employment office, or for leaving  
42 [his] **said claimant's** most recent temporary work, accepted during [his] **said claimant's**  
43 retraining, if the acceptance of or applying for suitable employment or continuing such work  
44 would require [him] **said claimant** to terminate [his] **a** retraining course of instruction.

45           7. Notwithstanding any other provision of this section, no payment of benefits shall be  
46 made to any individual for any week or part of any week with respect to which [he] **such**  
47 **individual** is entitled to receive training benefits as a result of participation by this state pursuant  
48 to the provision of any federal law providing for the payment of such benefits unless required  
49 by such federal law.

50           8. Words and phrases used in this section have the meanings ascribed to them in this  
51 chapter.

52           9. Notwithstanding any other provision of this section, the director may determine upon

53 application of a claimant who is unemployed due to a permanent mass layoff, that such claimant  
54 is eligible for training, and such claimant shall be eligible to receive benefits under this section  
55 and chapter if [he] **such claimant** meets the requirements of subdivision (2) of subsection 4 of  
56 this section and is otherwise eligible for benefits.

57 **10. Notwithstanding any other provision of this chapter, claimants who are**

59 **Bureau of Apprenticeship and Training of the United States Department of Labor and who**

65 **United States Department of Labor certified program of apprenticeship; and**

66 **(2) The director determines the claimant is required by the terms of the United**  
67 **States Department of Labor certified program of apprenticeship to participate in full-time,**  
68 **off-the-job training for which the claimant receives no compensation or is compensated in**  
69 **an amount less than said claimant's weekly benefit amount.**

70 **11. The director shall have the authority to issue blanket approval of**  
71 **apprenticeship training programs that have been certified by the United States Department**  
72 **of Labor, thereby satisfying the requirements of subdivision (2) of subsection 10 of this**  
73 **section.**

74 **12. The provisions of subdivision (4) of subsection 1 of section 288.040, requiring**  
75 **a one-week waiting period, shall not apply to claimants who are determined to be eligible**  
76 **for benefits pursuant to this subsection.**
