one new section relating to the same subject.

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 302.181, RSMo 2000, is repealed and one new section enacted in lieu  
2 thereof, to be known as section 302.181, to read as follows:

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340  
2 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic  
3 or other comparable material. All licenses shall be manufactured of materials and processes that  
4 will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge or duplicate  
5 any license without ready detection. All licenses shall bear the licensee's Social Security number,  
6 if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that  
7 the licensee does not possess a Social Security number, or, if applicable, a certified statement  
8 must be submitted as provided in subsection 4 of this section. The license shall also bear the  
9 expiration date of the license, the classification of the license, the name, date of birth, residence  
10 address including the county of residence or a code number corresponding to such county  
11 established by the department, and brief description and colored photograph of the licensee, and  
12 a facsimile of the signature of the licensee. The director shall provide by administrative rule the  
13 procedure and format for a licensee to indicate on the back of the license together with the  
14 designation for an anatomical gift as provided in section 194.240, RSMo, the name and address

16 attorney in fact for the purposes of a durable power of attorney for health care decisions. No  
17 license shall be valid until it has been so signed by the licensee. If any portion of the license is  
18 prepared by a private firm, any contract with such firm shall be made in accordance with the  
19 competitive purchasing procedures as established by the state director of the division of  
20 purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social  
21 Security number shall serve as the applicant's license number. Where the licensee has no Social  
22 Security number, or where the licensee is issued a license without a Social Security number in  
23 accordance with subsection 4 of this section, the director shall issue a license number for the  
24 licensee and such number shall also include an indicator showing that the number is not a Social  
25 Security number.

26         2. All film involved in the production of photographs for licenses shall become the  
27 property of the department of revenue.

28         3. The license issued shall be carried at all times by the holder thereof while driving a  
29 motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any  
30 police officer or peace officer, or any other duly authorized person, for inspection when demand  
31 is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any  
32 duly authorized officer shall be presumptive evidence that such person is not a duly licensed  
33 operator.

34         4. The director of revenue shall issue a commercial or noncommercial driver's license  
35 without a Social Security number to an applicant therefor, who is otherwise qualified to be  
36 licensed, upon presentation to the director of a certified statement that the applicant objects to  
37 the display of the Social Security number on the license. The director shall assign an  
38 identification number, that is not based on a Social Security number, to the applicant which shall  
39 be displayed on the license in lieu of the Social Security number.

40         5. The director of revenue shall issue a license without the photograph to an applicant  
41 therefor, who is otherwise qualified to be licensed, upon presentation to the director of a  
42 statement on forms prescribed and made available by the department of revenue which states that  
43 the applicant is a member of a specified religious denomination which prohibits photographs of  
44 members as being contrary to its religious tenets. The license shall state thereon that no  
45 photograph is required because of the religious affiliation of the licensee. The director of  
46 revenue shall establish guidelines and furnish to each circuit court such forms as the director  
47 deems necessary to comply with this subsection. The circuit court shall not charge or receive any  
48 fee or court cost for the performance of any duty or act pursuant to this subsection.

49         6. The department of revenue may issue a temporary license without the photograph to  
50 out-of-state applicants and members of the armed forces, except that where such temporary  
51 license is issued it shall be valid only until the applicant shall have had time to appear and have

52 his or her picture taken and a license with his or her photograph issued.

53       7. The department of revenue shall issue upon request a nondriver's license card  
54 containing essentially the same information as the driver's license upon payment of six dollars  
55 if the applicant is [under the age of] **between the ages of fifteen and** sixty-five. An applicant  
56 who is sixty-five years of age or older may purchase a nondriver's license card without a  
57 photograph for one dollar or a nondriver's license card with a photograph for six dollars. All  
58 nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A  
59 person who has passed his or her seventieth birthday shall upon application be issued a  
60 nonexpiring nondriver's license card. The nondriver's license card shall be used for identification  
61 purposes only and shall not be valid as a license.

62       8. **The department of revenue may issue a nondriver identification card to any child**  
63 **between the ages of two and fifteen who is a resident of this state, presents a birth**  
64 **certificate or other proof of age and identity acceptable to the department, has paid the**  
65 **required fee of two dollars and fifty cents per year for each year the identification card is**  
66 **issued, and completes an application form furnished by the department. The department**  
67 **may issue a nondriver identification card to a person under the age of two years for good**  
68 **cause shown. The nondriver identification card shall contain essentially the same**  
69 **information as a driver's license except that such identification card shall be clearly**  
70 **marked as an identification card. Every identification card issued pursuant to this**  
71 **subsection to persons less than fifteen years of age shall expire in the birth month of the**  
72 **applicant and shall be issued for a period of two years. The identification card may be**  
73 **renewed on application and payment of the fee required by this subsection.**

74       9. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall  
75 become effective unless it is promulgated pursuant to the provisions of chapter 536, RSMo.
