139.050. 1. In all constitutional charter cities in this state which have seven hundred thousand inhabitants or more, all current and all delinquent general, school and city taxes may be paid entirely, or in installments of at least twenty-five percent of the taxes, and the delinquent taxes shall bear interest at the

rate provided by section 140.100, RSMo, and shall be subject to the fees provided by law.

2. The director of revenue shall issue receipts for the partial payments.

3. Subsection 1 of this section shall not apply to payment for real property taxes by financial institutionals, as defined in Section 381.410, RSMo., who pay tax obligations which they service from escrow accounts, as defined in Title 24, Part 3500, Section 17, Code of Federal Regulation, as amended.

139.052. 1. The governing body of any county may by ordinance or order provide for the payment of all or any part of current and delinquent real property taxes, in such installments and on such terms as the governing body deems appropriate. Additionally, the county legislative body may limit the right to pay such taxes in installments to certain classes of taxpayers, as may be prescribed by ordinance or order. Any delinquent taxes shall bear interest at the rate provided by section 140.100, RSMo, and shall be subject to the fees provided by law.

2. The county official charged with the duties of the collector shall issue receipts for any installment payments.

3. Installment payments made at any time during a tax year shall not affect the taxpayer's right to protest the amount of such tax payments under applicable provisions of law.

4. Subsection 1 of this section shall not apply to payment for real property taxes by financial institutionals, as defined in Section 381.410 RSMo, who pay tax obligations which they service from escrow accounts, as defined in Title 24, Part 3500, Section 17, Code of Federal Regulation, as amended.

139.053. 1. The governing body of any county, excluding township counties, may by ordinance or order provide for the payment of all or any part of current real and personal property taxes which are owed, at the option of the taxpayer, on an annual, semiannual or quarterly basis at such times as determined by such governing body.

2. The ordinance shall provide the method by which the amount of property taxes owed for the current tax year in which the payments are to be made shall be estimated. The collector shall submit to the governing body the procedures by which taxes will be collected pursuant to the ordinance or order. The estimate shall be based on the previous tax year's liability. A taxpayer's payment schedule shall be based on the estimate divided by the number of pay periods in which payments are to be made. The taxpayer shall at the end of the tax year pay any amounts owed in excess of the estimate for such year. The county shall at the end of the tax year refund to the taxpayer any amounts paid in excess of the property tax owed for such year. No interest shall be paid by the county on excess amounts owed to the taxpayer. Any refund paid the taxpayer pursuant to this subsection shall be an amount paid by the county only once in a calendar year.

3. If a taxpayer fails to make an installment payment of a portion of the real or personal property taxes owed to the county, then such county may charge the taxpayer interest on the amount of property taxes still owed for that year.

4. Any governing body enacting the ordinance or order specified in this section shall first agree to provide the county

collector with reasonable and necessary funds to implement the ordinance or order.

5. Subsection 1 of this section shall not apply to payment for real property taxes by financial institutionals, as defined in Section 381.410 RSMo, who pay tax obligations which they service from escrow accounts, as defined in Title 24, Part 3500, Section 17, Code of Federal Regulation, as amended.

143.471. 1. An S corporation, as defined by Section 1361 (a)(1) of the Internal Revenue Code, shall not be subject to the taxes imposed by section 143.071, or other sections imposing income tax on corporations.

2. A shareholder of an S corporation shall determine such shareholder's S corporation modification and pro rata share, including its character, by applying the following:

(1) Any modification described in sections 143.121 and 143.141 which relates to an item of S corporation income, gain, loss, or deduction shall be made in accordance with the shareholder's pro rata share, for federal income tax purposes, of the item to which the modification relates. Where a shareholder's pro rata share of any such item is not required to be taken into account separately for federal income tax purposes, the shareholder's pro rata share of such item shall be determined in accordance with his pro rata share, for federal income tax purposes, of S corporation taxable income or loss generally;

(2) Each item of S corporation income, gain, loss, or deduction shall have the same character for a shareholder pursuant to sections 143.005 to 143.998 as it has for federal income tax purposes. Where an item is not characterized for

federal income tax purposes, it shall have the same character for a shareholder as if realized directly from the source from which realized by the S corporation or incurred in the same manner as incurred by the S corporation.

3. A nonresident shareholder of an S corporation shall determine such shareholder's Missouri nonresident adjusted gross income and his or her nonresident shareholder modification by applying the provisions of this subsection. Items shall be determined to be from sources within this state pursuant to regulations of the director of revenue in a manner consistent with the division of income provisions of section 143.451, section 143.461, or section 32.200, RSMo (Multistate Tax Compact). In determining the adjusted gross income of a nonresident shareholder of any S corporation, there shall be included only that part derived from or connected with sources in this state of the shareholder's pro rata share of items of S corporation income, gain, loss or deduction entering into shareholder's federal adjusted gross income, as such part is determined pursuant to regulations prescribed by the director of revenue in accordance with the general rules in section 143.181. Any modification described in subsections 2 and 3 of section 143.121 and in section 143.141, which relates to an item of S corporation income, gain, loss, or deduction shall be made in accordance with the shareholder's pro rata share, for federal income tax purposes, of the item to which the modification relates, but limited to the portion of such item derived from or connected with sources in this state.

4. The director of revenue shall permit S corporations to

file composite returns and to make composite payments of tax on behalf of its nonresident shareholders not otherwise required to file a return. If the nonresident shareholder's filing requirements result solely from one or more interests in any other partnerships or subchapter S corporations, that nonresident shareholder may be included in the composite return.

5. If an S corporation pays or credits amounts to any of its nonresident individual shareholders as dividends or as their share of the S corporation's undistributed taxable income for the taxable year, the S corporation shall either timely file with the department of revenue an agreement as provided in subsection 6 of this section or withhold Missouri income tax as provided in subsection 7 of this section. An S corporation that timely files an agreement as provided in subsection 6 of this section with respect to a nonresident shareholder for a taxable year shall be considered to have timely filed such an agreement for each subsequent taxable year. An S corporation that does not timely file such an agreement for a taxable year shall not be precluded from timely filing such an agreement for subsequent taxable years. An S corporation is not required to deduct and withhold Missouri income tax for a nonresident shareholder if:

(1) The nonresident shareholder not otherwise required to file a return agrees to have the Missouri income tax due paid as part of the S corporation's composite return;

(2) The nonresident shareholder not otherwise required to file a return had Missouri assignable federal adjusted gross income from the S corporation of less than twelve hundred dollars;

- (3) The S corporation is liquidated or terminated;
- (4) Income was generated by a transaction related to termination or liquidation; or
- (5) No cash or other property was distributed in the current and prior taxable year.

6. The agreement referred to in subdivision (1) of subsection 5 of this section is an agreement of a nonresident shareholder of the S corporation to:

- (1) File a return in accordance with the provisions of section 143.481 and to make timely payment of all taxes imposed on the shareholder by this state with respect to income of the S corporation; and

- (2) Be subject to personal jurisdiction in this state for purposes of the collection of income taxes, together with related interest and penalties, imposed on the shareholder by this state with respect to the income of the S corporation.

The agreement will be considered timely filed for a taxable year, and for all subsequent taxable years, if it is filed at or before the time the annual return for such taxable year is required to be filed pursuant to section 143.511.

7. The amount of Missouri income tax to be withheld is determined by multiplying the amount of dividends or undistributed income allocable to Missouri that is paid or credited to a nonresident shareholder during the taxable year by the highest rate used to determine a Missouri income tax liability for an individual, except that the amount of the tax withheld may be determined based on withholding tables provided

by the director of revenue if the shareholder submits a Missouri withholding allowance certificate.

8. An S corporation shall be entitled to recover for a shareholder on whose behalf a tax payment was made pursuant to this section, if such shareholder has no tax liability.

9. With respect to S corporations that are banks or bank holding companies, a pro rata share of the tax credit for the tax payable pursuant to chapter 148, RSMo, shall be allowed against each S corporation shareholders' state income tax as follows, provided the bank otherwise complies with section 148.112:

(1) The credit allowed by this subsection shall be equal to the bank tax calculated pursuant to chapter 148, RSMo, based on bank income and other tax returns in 1999 and after, on a bank that makes an election pursuant to 26 U.S.C. Section 1362, and such credit shall be allocated to the qualifying shareholder according to stock ownership, determined by multiplying a fraction, where the numerator is the shareholder's stock, and the denominator is the total stock issued by such bank or bank holding company;

(2) The tax credit authorized in this subsection shall be permitted only to the shareholders that qualify as S corporation shareholders, provided the stock at all times during the taxable period qualifies as S corporation stock as defined in 26 U.S.C. Section 1361, and such stock is held by the shareholder during the taxable period. The credit created by this section on a yearly basis is available to each qualifying shareholder, including shareholders filing joint returns. A bank holding company is not allowed this credit, except that, such credit

shall flow through to such bank holding company's qualified shareholders, and be allocated to such shareholders under the same conditions; [and]

(3) In the event such shareholder cannot use all or part of the tax credit in the taxable period of receipt, such shareholder may carry forward such tax credit for a period of the lesser of five years or until used, provided such credits are used as soon as the taxpayer has Missouri taxable income; and

(4) For the purpose of this subsection, the term "tax credit" shall include the amount determined pursuant to subdivision (1) of subsection 2 of section 148.030, RSMo, plus any amount actually paid pursuant to subdivision (2) of subsection 2 of section 148.030, RSMo, and other tax credits permitted for S corporations in section 148.064, RSMo.

148.064. 1. Notwithstanding any law to the contrary, this section shall determine the ordering and limit reductions for certain taxes and tax credits which may be used as credits against various taxes paid or payable by banking institutions. Except as adjusted in subsections 2, 3 and 6 of this section, such credits shall be applied in the following order until used against:

(1) The tax on banks determined under subdivision (2) of subsection 2 of section 148.030;

(2) The tax on banks determined under subdivision (1) of subsection 2 of section 148.030;

(3) The state income tax in section 143.071, RSMo.

2. The tax credits permitted against taxes payable pursuant to subdivision (2) of subsection 2 of section 148.030 shall be

utilized first and include taxes referenced in subdivisions (2) and (3) of subsection 1 of this section, which shall be determined without reduction for any tax credits identified in subsection 5 of this section which are used to reduce such taxes. Where a banking institution subject to this section joins in the filing of a consolidated state income tax return under chapter 143, RSMo, the credit allowed under this section for state income taxes payable under chapter 143, RSMo, shall be determined based upon the consolidated state income tax liability of the group and allocated to a banking institution, without reduction for any tax credits identified in subsection 5 of this section which are used to reduce such consolidated taxes as provided in chapter 143, RSMo.

3. The taxes referenced in subdivisions (2) and (3) of subsection 1 of this section may be reduced by the tax credits in subsection 5 of this section without regard to any adjustments in subsection 2 of this section.

4. To the extent that certain tax credits which the taxpayer is entitled to claim are transferable, such transferability may include transfers among such taxpayers who are members of a single consolidated income tax return, and this subsection shall not impact other tax credit transferability.

5. For the purpose of this section, the tax credits referred to in subsections 2 and 3 shall include tax credits available for economic development, low-income housing and neighborhood assistance which the taxpayer is entitled to claim for the year, including by way of example and not of limitation, tax credits pursuant to the following sections: section 32.115,

RSMo, section 100.286, RSMo, and sections 135.110, 135.225, 135.352 and 135.403, RSMo.

6. For tax returns filed on or after January 1, 2001, including returns based on income in the year 2000, and after, a banking institution shall be entitled to an annual tax credit equal to one-sixtieth of one percent of its outstanding shares and surplus employed in this state if the outstanding shares and surplus exceed one million dollars, determined in the same manner as in section 147.010, RSMo. This tax credit shall be taken as a dollar-for-dollar credit against the bank tax provided for in subdivision (2) of subsection 2 of section 148.030; if such bank tax was already reduced to zero by other credits, then against the corporate income tax provided for in chapter 143, RSMo.

7. In the event the corporation franchise tax in chapter 147, RSMo, is repealed by the general assembly, there shall also be a reduction in the taxation of banks as follows: in lieu of the loss of the corporation franchise tax credit reduction in subdivision (1) of subsection 2 of section 148.030, the bank shall receive a tax credit equal to one and one-half percent of net income as determined in this chapter. This subsection shall take effect at the same time the corporation franchise tax in chapter 147, RSMo, is repealed.

8. An S corporation bank or bank holding company that otherwise qualifies to distribute tax credits to its shareholders, shall pass through any tax credits referred to in subsection 5 of this section to its shareholders as otherwise provided for in subsection 9 of section 143.471, RSMo, with no reductions or limitations resulting from the transfer through

such S corporation, and on the same terms originally made available to the original taxpayer, subject to any original dollar or percentage limitations on such credits, and when such S corporation is the original taxpayer, treating such S corporation as having not elected Subchapter S status.

9. Notwithstanding any law to the contrary, in the event the corporation franchise tax in chapter 147, RSMo, is repealed by the general assembly, after such repeal all Missouri taxes of any nature and type imposed directly or used as a tax credit against the bank's taxes, shall be passed through to the S corporation bank or bank holding company shareholder in the form otherwise permitted by law, except for the following:

(1) Credits for taxes on real estate and tangible personal property owned by the bank and held for lease or rental to others;

(2) Contributions paid pursuant to the unemployment compensation tax law of Missouri; or

(3) State and local sales and use taxes collected by the bank on its sales of tangible personal property and the services enumerated in chapter 144, RSMo.

148.400. All insurance companies or associations organized in or admitted to this state may deduct from premium taxes payable to this state, in addition to all other credits allowed by law, income taxes, franchise taxes, personal property taxes, valuation fees, registration fees and examination fees paid, including taxes and fees paid by the attorney in fact of a reciprocal or interinsurance exchange to the extent attributable to the principal business as such attorney in fact, under any law

of this state. Unless rejected by the general assembly by April 1, 2003, for all tax years beginning on or after January 1, 2003, a deduction for examination fees which exceeds an insurance company's or association's premium tax liability for the same tax year shall not be refundable, but may be carried forward to any subsequent tax year, not to exceed five years, until the full deduction is claimed; except that, notwithstanding the provisions of section 148.380, if any deduction is claimed through the carryforward provisions of this section, it shall be credited wholly against the general revenue fund and shall not cause a reduction in revenue to the county foreign insurance fund.

301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice

of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

3. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

4. If a motor vehicle or trailer is subject to a lien or

encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant

to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 3 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

5. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure.

362.044. 1. Stockholders' meetings may be held at such place, within this state, as may be prescribed in the bylaws. In the absence of any such provisions, all meetings shall be held at the principal banking house of the bank or trust company.

2. An annual meeting of stockholders for the election of directors shall be held on a day which each bank or trust company shall fix by its bylaws; and if no day be so provided, then on the second Monday of January.

3. Special meetings of the stockholders may be called by the directors or upon the written request of the owners of a majority of the stock.

4. Notice of annual or special stockholders' meetings shall state the place, day and hour of the meeting, and shall be published at least ten days prior to the meeting and once a week after the first publication with the last publication being not more than seven days before the day fixed for such meeting, in some daily or weekly newspaper printed and published in the city or town in which the bank or trust company is located, and if there be none, then in some newspaper printed and published in the county in which the bank or trust company is located, and if there be none, then in some newspaper printed and published in an adjoining county. A written or printed copy of the notice shall be delivered personally or mailed to each stockholder at least ten but not more than fifty days prior to the day fixed for the meeting, and shall state, in addition to the place, day and hour, the purpose of any special meeting or an annual meeting at which the stockholders will consider a change in the par value of the corporation stock, the issuance of preferred shares, a change in the number of directors, an increase or reduction of the capital stock of the bank or trust company, a change in the length of the corporate life, an extension or change of its business, a change in its articles to avail itself of the privileges and provisions

of this chapter, or any other change in its articles in any way not inconsistent with the provisions of this chapter. Any stockholder may waive notice by causing to be delivered to the secretary during, prior to or after the meeting a written, signed waiver of notice, or by attending such meeting except where a stockholder attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

5. Unless otherwise provided in the articles of incorporation, a majority of the outstanding shares entitled to vote at any meeting represented in person or by proxy shall constitute a quorum at a meeting of stockholders; provided, that in no event shall a quorum consist of less than a majority of the outstanding shares entitled to vote, but less than a quorum shall have the right successively to adjourn the meeting to a specified date no longer than ninety days after the adjournment, and no notice need be given of the adjournment to shareholders not present at the meeting. Every decision of a majority of the quorum shall be valid as a corporate act of the bank or trust company unless a larger vote is required by this chapter.

6. (1) The stockholders of the bank or trust company may approve business by proxy and cancel any stockholders' meeting, provided:

(a) The stockholders are sent notice of such stockholders' meeting and a proxy referred to in this section;

(b) Within such proxy the stockholders are given the opportunity to approve or disapprove the cancellation of such stockholders' meeting;

(c) At least eighty percent of such bank or trust company's stock is voted by proxy; and

(d) All stockholders voting by proxy vote to cancel such stockholders' meeting.

(2) No business shall be voted on by proxy other than that expressly set out and clearly explained by the proxy material. If such stockholders' meeting is canceled by proxy, notice of such cancellation shall be sent to all stockholders at least five days prior to the date originally set for such stockholders' meeting. The corporate secretary shall reflect all proxy votes by subject and in chronological order in the board of directors' minute book. The notice for such stockholders' meeting shall state the effective date of any of the following: new directors' election, change in corporate structure and any other change requiring stockholder approval.

7. The voting shareholder or shareholders of the bank or trust company may transact all business required at an annual or special stockholders' meeting by unanimous written consent.

362.105. 1. Every bank and trust company created under the laws of this state may for a fee or other consideration, directly or through a subsidiary company, and upon complying with any applicable licensing statute:

(1) Conduct the business of receiving money on deposit and allowing interest thereon not exceeding the legal rate or without allowing interest thereon, and of buying and selling exchange, gold, silver, coin of all kinds, uncurrent money, of loaning money upon real estate or personal property, and upon collateral of personal security at a rate of interest not exceeding that

(2) Accept for payment, at a future date, drafts drawn upon it by its customers and to issue letters of credit authorizing the holders thereof to draw drafts upon it or upon its correspondents at sight or on time not exceeding one year; provided, that no bank or trust company shall incur liabilities under this subdivision to an amount equal at any time in the aggregate to more than its paid-up and unimpaired capital stock and surplus fund, except with the approval of the director under such general regulations as to amount of acceptances as the director may prescribe;

(3) Purchase and hold, for the purpose of becoming a member of a Federal Reserve Bank, so much of the capital stock thereof as will qualify it for membership in the reserve bank pursuant to an act of Congress, approved December 23, 1913, entitled "The Federal Reserve Act" and any amendments thereto; to become a member of the Federal Reserve Bank, and to have and exercise all powers, not in conflict with the laws of this state, which are conferred upon any member by the Federal Reserve Act and any amendments thereto. The member bank or trust company and its directors, officers and stockholders shall continue to be subject, however, to all liabilities and duties imposed upon them by any law of this state and to all the provisions of this chapter relating to banks or trust companies;

(4) Subscribe for and purchase such stock in the Federal Deposit Insurance Corporation and to make such payments to and to make such deposits with the Federal Deposit Insurance Corporation and to pay such assessments made by such corporation as will enable the bank or trust company to obtain the benefits of the insurance of deposits under the act of Congress known as "The Banking Act of 1933" and any amendments thereto;

(5) Invest in a bank service corporation as defined by the act of Congress known as the "Bank Service Corporation Act", Public Law 87-856, as approved October 23, 1962, to the same extent as provided by that act or any amendment thereto;

(6) Hold a noncontrolling equity interest in any business entity that conducts only activities that are financial in nature or incidental to financial activity or that is established pursuant to subdivision (16) of subsection 1 of this section where the majority of the stock or other interest is held by Missouri banks, Missouri trust companies, national banks located in Missouri, or any foreign bank with a branch or branches in Missouri, or any combination of these financial institutions; provided that if the entity is defined pursuant to Missouri law as any type of financial institution subsidiary or other type of entity subject to special conditions or regulations, those conditions and regulations shall remain applicable, and provided that such business entity may be formed as any type of business entity, in which each investor's liability is limited to the investment in and loans to the business entity as otherwise provided by law;

(7) Receive upon deposit for safekeeping personal property

of every description, and to own or control a safety vault and rent the boxes therein;

[(7)] (8) Purchase and hold the stock of one safe deposit company organized and existing under the laws of the state of Missouri and doing a safe deposit business on premises owned or leased by the bank or trust company at the main banking house and any branch operated by the bank or trust company; provided, that the purchasing and holding of the stock is first duly authorized by resolution of the board of directors of the bank or trust company and by the written approval of the director, and that all of the shares of the safe deposit company shall be purchased and held, and shall not be sold or transferred except as a whole and not be pledged at all, all sales or transfers or pledges in violation hereof to be void;

[(8)] (9) Act as the fiscal or transfer agent of the United States, of any state, municipality, body politic or corporation and in such capacity to receive and disburse money, to transfer, register and countersign certificates of stock, bonds and other evidences of indebtedness;

[(9)] (10) Purchase, lease, hold or convey real property for the following purposes:

(a) Lease transactions do not result in loans for the purpose of section 362.170, but the total amount disbursed under leasing obligations or rentals by any bank to any person, partnership, association, or corporation shall at no time exceed the legal loan limit permitted by statute except upon the written approval of the director of finance;

(b) Lease payments are in the nature of rent rather than interest, and the provisions of chapter 408, RSMo, are not applicable;

[(11)] (12) Contract with another bank or trust company, bank service corporation or other partnership, corporation, association or person, within or without the state, to render or receive services such as check and deposit sorting and posting, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices,

[(14)] (15) Make debt or equity investments in corporations or projects, whether for profit or not for profit, designed to promote the development of the community and its welfare, provided that the aggregate investment in all such corporations and in all such projects does not exceed five percent of the unimpaired capital of the bank, and provided that this limitation shall not apply to loans made under the authority of other provisions of law, and other provisions of law shall not limit this subdivision;

[(15)] (16) Offer through one or more subsidiaries any products and services which a national bank may offer through its financial subsidiaries, subject to the limitations that are applicable to national bank financial subsidiaries, and provided such bank or trust company meets the division of finance safety and soundness considerations. (b) State-chartered banks and trust companies to establish

branches to the same extent that federal law permits national banks to establish branches;

(c) Subsidiaries of state-chartered banks and trust companies to the same extent powers are granted to national bank subsidiaries to enable such banks and trust companies to compete;

(d) State-chartered banks and trust companies to establish trust representative offices to the same extent national banks are permitted such offices.

(2) The orders shall be promulgated as provided in section 361.105, RSMo, and shall not be inconsistent with the constitution and the laws of this state.

5. As used in this section, the term "subsidiary" shall include one or more business entities of which the bank or trust company is the owner, provided the owner's liability is limited by the investment in and loans to the subsidiary as otherwise provided for by law.

6. A bank or trust company to which authority is granted by regulation in subsection 4 of this section, based on the population of the political subdivision, may continue to exercise such authority for up to five years after the appropriate decennial census indicates that the population of the town in which such bank or trust company is located has exceeded the limits provided for by regulation pursuant to subsection 4 of this section.

362.106. In addition to the powers authorized by section 362.105:

(1) A bank or trust company may exercise all powers necessary, proper [and] or convenient to effect any [or all] of

the purposes for which the bank or trust company has been formed
and any powers incidental to the business of banking;

(2) A bank or trust company may offer any direct and indirect benefits to a bank customer for the purpose of attracting deposits or making loans, provided said benefit is not otherwise prohibited by law, and the income or expense of such activity is nominal;

(3) Notwithstanding any other law to the contrary, every bank or trust company created under the laws of this state may, for a fee or other consideration, directly or through a subsidiary company, and upon complying with any applicable licensing statute, acquire and hold the voting stock of one or more corporations the activities of which are managing or owning agricultural property, subdividing and developing real property and building residential housing or commercial improvements on such property, and owning, renting, leasing, managing, operating for income and selling such property; provided that, the total of all investments, loans and guarantees made pursuant to the authority of this subdivision shall not exceed five percent of the total assets of the bank or trust company as shown on the next preceding published report of such bank or trust company to the director of finance, unless the director of the division of finance approves a higher percentage by regulation, but in no event shall such percentage exceed that allowed national banks by the appropriate regulatory authority, and, in addition to the investments permitted by this subdivision, a bank or trust company may extend credit, not to exceed the lending limits of section 362.170, to each of the corporations in which it has

invested. No provision of this section authorizes a bank or trust company to own or operate, directly or through a subsidiary company, a real estate brokerage company;

(4) Notwithstanding any other law to the contrary except for bank regulatory powers in chapter 361, RSMo, powers incidental to the business of banking shall include the authority of every Missouri bank, for a fee or other consideration, and upon complying with any applicable licensing and registration law, to conduct any activity that national banks are expressly authorized by federal law to conduct, if such Missouri bank meets the prescribed standards, provided that powers conferred by this subdivision:

(a) Shall always be subject to the same limitations applicable to a national bank for conducting the activity;

(b) Shall be subject to applicable Missouri insurance law;

(c) Shall be subject to applicable Missouri licensing and registration law for the activity;

(d) Shall be subject to the same treatment prescribed by federal law; and any enabling federal law declared invalid by a court of competent jurisdiction or by the responsible federal chartering agency shall be invalid for the purposes of this subdivision; and

(e) May be exercised by a Missouri bank after that institution has notified the director of its intention to exercise such specific power at the close of the notice period and the director, in response, has made a determination that the proposed activity is not an unsafe or unsound practice and such institution meets the prescribed standards required for the

activity permitted national banks in the interpretive letter.
The director may either take no action or issue an interpretive
letter to the institution more specifically describing the
activity permitted, and any limitations on such activity.

The notice provided by the institution requesting such activity
shall include copies of the specific law authorizing the power
for national banks, and documentation indicating that such
institution meets the prescribed standards. The notice period
shall be thirty days but the director may extend it for an
additional sixty days. After a determination has been made
authorizing any activity pursuant to this subdivision, any
Missouri bank may exercise such power as provided in subdivision
(5) of this section without giving notice.

(5) When a determination is made pursuant to paragraph (e)
of subdivision (4) of this section, the director shall issue a
public interpretative letter or statement of no action regarding
the specific power authorized pursuant to subdivision (4) of this
section; such interpretative letters and statements of no action
shall be made with the name of the specific institution and
related identifying facts deleted. Such interpretative letters
and statements of no action shall be published on the division of
finance public Internet website, and filed with the office of the
secretary of state for ten days prior to effectiveness. Any
other Missouri bank may exercise any power approved by
interpretative letter or statement of no action of the director
pursuant to this subdivision; provided, the institution meets the
requirements of the interpretative letter or statement of no

action and the prescribed standards required for the activity permitted national banks in the interpretive letter. Such Missouri bank shall not be required to give the notice pursuant to paragraph (e) of subdivision (4) of this section.

For the purposes of this subdivision and subdivision (4) of this section, "activity" shall mean the offering of any product or service or the conducting of any other activity; "federal law" shall mean any federal statute or regulation or an interpretive letter issued by the Office of the Comptroller of the Currency; "Missouri bank" shall mean any bank or trust company created pursuant to the laws of this state.

362.109. Notwithstanding any law to the contrary:

(1) State laws preempt the field of future legislation as to regulation of the business defined in section 374.300, RSMo, to the exclusion of any order, ordinance or regulation by any political subdivision; and

(2) Nothing contained in this section shall prohibit any ordinance of any political subdivision that conforms exactly with any state statutes governing the regulation of the business defined in section 374.300, RSMo.

362.119. Any bank organized [under] pursuant to the laws of this state may invest not to exceed five percent of its capital, surplus and undivided profits in shares of stock in any new or existing trust company or companies or any new or existing holding company or companies controlling a trust company or companies, provided that such holding company is either a bank holding company or is a holding company with the sole purpose of

owning a trust company, if the direct or indirect ownership of a majority of such stock or class of stock in such [trust company or companies] entity or entities is restricted to banks authorized to do business in the state of Missouri. For purposes of this section, the term "ownership of a majority of such stock or class of stock" does not mean or infer that such owner or owners have a controlling interest or voting interest in such trust company or companies, and the term "entity" means a trust company, bank holding company or a holding company that is not a bank holding company but that has the sole purpose of owning a trust company.

362.170. 1. As used in this section, the term "unimpaired capital" includes common and preferred stock, capital notes, the surplus fund, undivided profits and any reserves, not subject to known charges as shown on the next preceding published report of the bank or trust company to the director of finance.

2. No bank or trust company subject to the provisions of this chapter shall:

e. f. Loans to the extent they are secured by a segregated deposit account in the lending bank if the lending bank has obtained a perfected security interest in such account;

g. Evidences of debt which are direct obligations of, or which are guaranteed by, the Government National Mortgage Association, the Federal National Mortgage Association, the Student Loan Marketing Association, the Federal Home Loan Banks, the Federal Farm Credit Bank or the Federal Home Loan Mortgage Corporation, or evidences of debt which are fully collateralized by direct obligations of, and which are issued by, the Government National Mortgage Association, the Federal National Mortgage

Association, the Student Loan Marketing Association, a Federal Home Loan Bank, the Federal Farm Credit Bank or the Federal Home Loan Mortgage Corporation;

(b) The total liabilities to the bank or trust company of any individual, partnership, corporation or limited liability company may equal but not exceed thirty-five percent of the unimpaired capital of the bank or trust company; provided, that all of the total liabilities in excess of the legal loan limit of the bank or trust company as defined in this subdivision are upon paper based upon the collateral security of warehouse receipts covering agricultural products or the manufactured or processed derivatives of agricultural products in public elevators and public warehouses subject to state supervision and regulation in this state or in any other state of the United States, under the following conditions: first, that the actual market value of the property held in store and covered by the receipt shall at all times exceed by at least fifteen percent the amount loaned upon it; and second, that the property covered by the receipts shall be insured to the full market value thereof against loss by fire and lightning, the insurance policies to be issued by corporations or individuals licensed to do business by the state in which the property is located, and when the insurance has been used to the limit that it can be secured, then in corporations or with individuals licensed to do an insurance business by the state or country of their incorporation or residence; and all policies covering property on which the loan is made shall have endorsed thereon, "loss, if any, payable to the holder of the warehouse receipts"; and provided further, that in arriving at

the amount that may be loaned by any bank or trust company to any individual, partnership, corporation or limited liability company on elevator or warehouse receipts there shall be deducted from the thirty-five percent of its unimpaired capital the total of all other liabilities of the individual, partnership, corporation or limited liability company to the bank or trust company;

(c) In computing the total liabilities of any individual to a bank or trust company there shall be included all liabilities to the bank or trust company of any partnership of which the individual is a member, and any loans made for the individual's benefit or for the benefit of the partnership; of any partnership to a bank or trust company there shall be included all liabilities of and all loans made for the benefit of the partnership; of any corporation to a bank or trust company there shall be included all loans made for the benefit of the corporation and of any limited liability company to a bank or trust company there shall be included all loans made for the benefit of the limited liability company;

(d) The purchase or discount of drafts, or bills of exchange drawn in good faith against actually existing values, shall not be considered as money borrowed within the meaning of this section; and the purchase or discount of negotiable or nonnegotiable [installment consumer] paper which carries the full recourse endorsements or guaranty or agreement to repurchase of the person, copartnership, association, corporation or limited liability company negotiating the same, shall not be considered as money borrowed by the endorser or guarantor or the repurchaser within the meaning of this section, provided that the files of

the bank or trust company acquiring the paper contain the written certification by an officer designated for this purpose by its board of directors that the responsibility of the makers has been evaluated and the acquiring bank or trust company is relying primarily upon the makers thereof for the payment of the paper;

(e) For the purpose of this section, a loan guaranteed by an individual who does not receive the proceeds of the loan shall not be considered a loan to the guarantor;

(f) Investments in mortgage-related securities, as described in the Secondary Mortgage Market Enhancement Act of 1984, P.L. 98-440, excluding those described in subparagraph g. of paragraph (a) of subdivision (1) of subsection 2 of this section, shall be subject to the restrictions of this section, provided that a bank or trust company may invest up to two times its legal loan limit in any such securities that are rated in one of the two highest rating categories by at least one nationally recognized statistical rating organization;

(2) Nor shall any of its directors, officers, agents, or employees, directly or indirectly purchase or be interested in the purchase of any certificate of deposit, pass book, promissory note, or other evidence of debt issued by it, for less than the principal amount of the debt, without interest, for which it was issued. Every bank or trust company or person violating the provisions of this subdivision shall forfeit to the state the face value of the note or other evidence of debt so purchased;

(3) Make any loan or discount on the security of the shares of its own capital stock, or be the purchaser or holder of these shares, unless the security or purchase shall be necessary to

prevent loss upon a debt previously contracted in good faith, and stock so purchased or acquired shall be sold at public or private sale, or otherwise disposed of, within six months from the time of its purchase or acquisition unless the time is extended by the finance director. Any bank or trust company violating any of the provisions of this subdivision shall forfeit to the state the amount of the loan or purchase;

(4) Knowingly lend, directly or indirectly, any money or property for the purpose of enabling any person to pay for or hold shares of its stock, unless the loan is made upon security having an ascertained or market value of at least fifteen percent more than the amount of the loan. Dated this day of, 20.....

Provided, if the officer owns or controls a majority of the stock of any other corporation, a loan to that corporation shall be considered for the purpose of this subdivision as a loan to the officer. Every bank or trust company or officer thereof knowingly violating the provisions of this subdivision shall, for each offense, forfeit to the state the amount lent;

(6) Invest or keep invested in the stock of any private corporation, except as provided in this chapter.

3. Provided, that the provisions in this section shall not be so construed as in any way to interfere with the rules and regulations of any clearinghouse association in this state in reference to the daily balances; and provided, that this section

shall not apply to balances due from any correspondent subject to draft.

4. Provided, that a trust company which does not accept demand deposits shall be permitted to make loans secured by a first mortgage or deed of trust on real estate to any individual, partnership, corporation or limited liability company, and to deal and invest in the interest-bearing obligations of any state, or any city, county, town, village, or political subdivision thereof, in an amount not to exceed its unimpaired capital, the loans on real estate not to exceed sixty-six and two-thirds percent of the appraised value of the real estate.

5. Any officer, director, agent, clerk, or employee of any bank or trust company who willfully and knowingly makes or concurs in making any loan, either directly or indirectly, to any individual, partnership, corporation or limited liability company or by means of letters of credit, by acceptance of drafts, or by discount or purchase of notes, bills of exchange or other obligation of any person, partnership, corporation or limited liability company, in excess of the amounts set out in this section, shall be deemed guilty of a class C felony.

6. A trust company in existence on October 15, 1967, or a trust company incorporated thereafter which does not accept demand deposits, may invest in but shall not invest or keep invested in the stock of any private corporation an amount in excess of fifteen percent of the capital and surplus fund of the trust company; provided, however, that this limitation shall not apply to the ownership of the capital stock of a safe deposit company as provided in section 362.105; nor to the ownership by a

trust company in existence on October 15, 1967, or its stockholders of a part or all of the capital stock of one bank organized under the laws of the United States or of this state, nor to the ownership of a part or all of the capital of one corporation organized under the laws of this state for the principal purpose of receiving savings deposits or issuing debentures or loaning money on real estate or dealing in or guaranteeing the payment of real estate securities, or investing in other securities in which trust companies may invest under this chapter; nor to the continued ownership of stocks lawfully acquired prior to January 1, 1915, and the prohibition for investments in this subsection shall not apply to investments otherwise provided by law other than subdivision (4) of subsection 3 of section 362.105.

7. Any bank or trust company to which the provisions of subsection 2 of this section apply may continue to make loans pursuant to the provisions of subsection 2 of this section for up to five years after the appropriate decennial census indicates that the population of the city in which such bank or trust company is located has exceeded the limits provided in subsection 2 of this section.

362.270. Within thirty days after the date on which the annual meeting of the stockholders is held the directors elected at such meeting shall, after subscribing the oath required in section 362.250, hold a meeting at which they shall elect a chief executive officer which the board may designate as president or another appropriate title, from their own number, one or more vice presidents, and such other officers as are provided for by

the bylaws to be elected annually.

362.325. 1. Any bank or trust company may, at any time, and in any amount, increase or, with the approval of the director, reduce its capital stock (as to its authorized but unissued shares, its issued shares, and its capital stock as represented by such issued shares), including a reduction of capital stock by reverse stock split, change its name, change or extend its business or the length of its corporate life, avail itself of the privileges and provisions of this chapter or otherwise change its articles of agreement in any way not inconsistent with the provisions of this chapter, with the consent of the persons holding a majority of the stock of the bank or trust company, which consent shall be obtained at an annual meeting or at a special meeting of the shareholders called for that purpose. A bank or trust company may, but shall not be obligated to, issue a certificate for a fractional share, and, by action of its board of directors, may in lieu thereof, pay cash equal to the value of the fractional share.

2. The meeting shall be called and notice given as provided in section 362.044.

3. If, at any time and place specified in the notice, stockholders shall appear in person or by proxy, in number representing not less than a majority of all the shares of stock of the bank or trust company, they shall organize by choosing one of the directors chairman of the meeting, and a suitable person for secretary, and proceed to a vote of those present in person or by proxy.

4. If, upon a canvass of the vote at the meeting, it is

ascertained that the proposition has carried, it shall be so declared by the president of the meeting and the proceedings entered of record.

5. When the full amount of the proposed increase has been bona fide subscribed and paid in cash to the board of directors of the bank or trust company or the change has been duly authorized, then a statement of the proceedings, showing a compliance with the provisions of this chapter, the increase of capital actually subscribed and paid up or the change shall be made out, signed and verified by the affidavit of the president and countersigned by the cashier, or secretary, and such statement shall be acknowledged by the president and one certified copy filed in the public records of the division of finance.

6. Upon the filing of the certified copy the director shall promptly satisfy himself or herself that there has been a compliance in good faith with all the requirements of the law relating to the increase, decrease or change, and when he or she is so satisfied he or she shall issue a certificate that the bank or trust company has complied with the law made and provided for the increase or decrease of capital stock, and the amount to which the capital stock has been increased or decreased or for the change in the length of its corporate life or any other change provided for in this section. Thereupon, the capital stock of the bank or trust company shall be increased or decreased to the amount specified in the certificate or the length of the corporate life of the bank shall be changed or other authorized change made as specified in the certificate.

The certificate, or certified copies thereof, shall be taken in all the courts of the state as evidence of the increase, decrease or change.

7. Provided, however, that if the change undertaken by the bank or trust company in its articles of agreement shall provide for the relocation of the bank or trust company in another community, the director shall make or cause to be made an examination to ascertain whether the convenience and needs of the new community wherein the bank desires to locate are such as to justify and warrant the opening of the bank therein and whether the probable volume of business at the new location is sufficient to ensure and maintain the solvency of the bank and the solvency of the then existing banks and trust companies at the location, without endangering the safety of any bank or trust company in the locality as a place of deposit of public and private moneys, and, if the director, as a result of the examination, be not satisfied in the particulars mentioned or either of them, he or she may refuse to issue the certificate applied for, in which event he or she shall forthwith give notice of his or her refusal to the bank applying for the certificate, which if it so desires may, within ten days thereafter, appeal from the refusal to the state banking board.

8. All certificates issued by the director of finance relating to amendments to the charter of any bank shall be provided to the bank or trust company and one certified copy filed in the public records of the division of finance.

9. The board of directors may designate a chief executive officer, and such officer will replace the president for purposes

of this section.

362.335. 1. The directors may appoint and remove any cashier, secretary or other officer or employee at pleasure.

2. The cashier, secretary or any other officer or employee shall not endorse, pledge or hypothecate any notes, bonds or other obligations received by the corporation for money loaned, until such power and authority is given the cashier, secretary or other officer or employee by the board of directors, pursuant to a resolution of the board of directors, a written record of which proceedings shall first have been made; and a certified copy of the resolution, signed by the president and cashier or secretary with the corporate seal annexed, shall be conclusive evidence of the grant of this power; and all acts of endorsing, pledging and hypothecating done by the cashier, secretary or other officer or employee of the bank or trust company without the authority from the board of directors shall be null and void. The board of directors may designate a chief executive officer who is not the president, but who shall perform all the duties of the president required by this section.

362.495. Whenever unusual withdrawals from any bank or trust company doing a banking business in this state, organized under the laws of this state are being made, or whenever in the judgment of the president and cashier or president and secretary of such bank or trust company and/or the board of directors thereof, unusual withdrawals are about to be made, such officers and/or directors are hereby authorized to suspend payment of checks of depositors and any and all other withdrawals of assets of such bank or trust company for a period of six banking days.

The board of directors may designate a chief executive officer who is not the president, but who shall perform all the duties of the president required by this section.

In addition to the foregoing, if the loan is for the construction, repair, or improvement of residential real estate, the lender may charge a fee not to exceed one percent of the loan amount for inspection and disbursement of the proceeds of the loan to third parties. Notwithstanding the foregoing, the parties may contract for a default charge for any installment not paid in full within fifteen days of its scheduled due date.
