A majority of the school boards or one or more school boards with a majority of the student population in any county may impose, by order, a sales tax on all retail sales of up to one cent, in one-eighth cent increments, made in such county which are subject to taxation pursuant to sections 144.010 to 144.510, RSMo. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no order imposing a sales tax pursuant to this section shall be effective unless there is submitted to the voters of the county, at a state general or primary election, a proposal to authorize the school boards to impose a tax.**

**2. The ballot of submission shall contain, but need not be limited to, the following language:**

**Shall the school districts of ..... (County name) impose a county-wide sales tax of ..... (Insert amount) for a period not to exceed ..... (Insert number) years for the purpose of ..... (Insert educational purpose)?**

☐ YES

☐ NO

**If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".**

**If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the order shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the tax. However, in no event shall a proposal for approval of a sales tax be submitted to the voters pursuant to sections 162.1174 to 162.1178 sooner than ten months from the date of the last proposal submitted pursuant to sections 162.1174 to 162.1178 in the school district.**

Once the tax authorized by sections 162.1174 to 162.1178 is abolished or is terminated by any means, all funds remaining in the special trust funds shall be used solely for activities initiated with revenues raised by the tax authorized by sections 162.1174 to**

162.1178.

4. The tax authorized by sections 162.1174 to 162.1178 shall terminate not more than five years from the effective date of such tax unless sooner abolished by the school boards. Once the tax authorized by sections 162.1174 to 162.1178 is abolished or is terminated by any means, the school boards shall have no power to impose the sales tax unless and until the school boards shall again have submitted another proposal to authorize the imposition of the sales tax authorized by sections 162.1174 to 162.1178 and such proposal is approved by a majority of the qualified voters voting thereon, but no proposal for the sales tax shall be submitted to the voters to become effective in less than four calendar quarters of the date the sales tax was abolished or terminated.

5. Moneys generated by a single county education sales tax may be used for property tax reduction in the manner described in section 162.1153, placing the purpose of the tax on the ballot.

162.1175. 1. School districts in contiguous counties may create a regional multicounty education sales tax district as provided in this section. The district may impose an education sales tax substantially in compliance with section 162.1174.

2. The school board of the district with the majority of the student population in a county or a majority of the school boards in a majority of the school districts in a contiguous county or counties may file with the county clerk of the county in which the greatest part of the proposed district's population resides a petition requesting the establishment of a regional multicounty education sales tax district. The petition shall include:

- (1) A description of the counties located within the proposed district;
- (2) The names of the school districts located within the proposed district;
- (3) The name of the proposed district;
- (4) The rate of proposed sales tax to be levied;
- (5) The duration of the tax;
- (6) The purposes of the tax; and

(7) A request that the question be submitted to the voters residing within the proposed district to determine whether they will establish a regional multicounty education sales tax district pursuant to this section.

Shall there be organized in the counties of ..... (County names) a regional multicounty education sales tax district, to be known as "....." (Insert name of district), for the purpose of ..... (Insert educational purpose)?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the district shall be deemed organized. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the district shall not be organized unless and until the school boards shall again have submitted another proposal to authorize the organization of a regional multicounty education sales tax district and such proposal is approved by a majority of the qualified voters voting thereon. However, in no event shall a proposal for approval of a sales tax be submitted to the voters pursuant to sections 162.1174 to 162.1178 sooner than ten months from the date of the last proposal submitted pursuant to sections 162.1174 to 162.1178 in the school district.

4. Pursuant to this section, the school board of the district with the majority of the student population in a county or a majority of the school boards in a majority of the school districts in a county or counties contiguous with a Missouri county with an established education sales tax pursuant to section 162.1174 may petition to establish a regional multicounty education sales tax district with the authority to impose an education sales tax at the identical rate of the established education sales tax for the remainder of its effective period. When such a district is established pursuant to this subsection, the distribution of the proceeds deriving from the regional multicounty district will be adjusted so that the per-pupil amount of the school districts in the county or counties petitioning for establishment of a district pursuant to this section shall not exceed one hundred fifty percent of the per-pupil amount the districts of the adjoining county would have received if the adjoining county's proceeds were considered separately.

5. Nothing in this section shall be construed to require contiguous counties whose voters have approved an educational sales tax to create a multicounty educational sales tax area, nor to require a county with an existing education sales tax to adopt an additional education sales tax upon establishment of a regional multicounty education sales tax district and imposition by the district of a regional education sales tax.

162.1176. 1. All sales taxes collected by the director of revenue pursuant to sections 162.1174 to 162.1178

on behalf of any school district, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited with the state treasurer in a special trust fund, which is hereby created, to be known as the "School District Sales Tax Trust Fund". The collection fee shall be reduced to one-half of one percent in the third year and subsequent years, if any, of the tax. The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each school district imposing a sales tax pursuant to sections 162.1174 to 162.1178, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the school district which levied the tax. Such funds shall be deposited with the treasurer of each such school district, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the school board. Districts shall deposit moneys from the trust fund in the teachers', incidental, or capital projects fund, at the discretion of the board. Such moneys may be transferred between such funds by the board. Such moneys shall not be used for the determination of salary compliance.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any school district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such school districts. If any school district abolishes the tax, the school board shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such school district, the director of revenue shall authorize the state treasurer to remit the balance in the account to the school district and close the account of that school district. The director of revenue shall notify each school district of each instance of any amount refunded or any check redeemed from receipts due the school district.

3. Except as modified in sections 162.1174 to 162.1178, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed pursuant to sections 162.1174 to 162.1178.

162.1178. No revenue received by a school district from the tax authorized pursuant to sections 162.1174 to 162.1178 shall be included in calculating state aid pursuant to section 163.031, RSMo."; and
