

# JOURNAL OF THE HOUSE

Second Regular Session, 91st GENERAL ASSEMBLY

---

FORTIETH DAY, MONDAY, MARCH 18, 2002

Speaker Kreider in the Chair.

Prayer by Father David Buescher.

God of human history, we stand ready to acknowledge Your presence. With faith in You and in ourselves, we ask for enthusiasm for the tasks at hand. With hope in You and in our own history, we trust our efforts here are moving into a future even better for the human family. Your gift of charity binds the family of humankind residing in our state together.

For some in this Chamber, this week may hold out some suffering. With You, even that can have meaning. Whatever religion we may profess, or even if we are of no faith, steer all the works, joys, and sufferings of this day and this week towards positive conclusions in You. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kelsey Ward, Tony Beltran and Tashia Merritt.

The Journal of the thirty-eighth day was approved as corrected.

The Journal of the thirty-ninth day was approved as printed.

**(2) The director of the department of health and senior services, who shall serve in a nonvoting, advisory**

capacity;

(3) Two members of the Missouri house of representatives, one from each major political party represented in the house of representatives, appointed by the speaker of the house who shall serve in a nonvoting, advisory capacity;

(4) Two members of the senate, one from each major political party represented in the senate, appointed by the president pro tem of the senate who shall serve in a nonvoting, advisory capacity;

2. Members appointed by the governor shall serve for four-year terms and until their successors are appointed. Provided, however, that the terms of half of the six original appointees shall be for two years. Other members, except legislative members, shall serve for as long as they hold the position which made them eligible for appointment. Legislative members shall serve during their current term of office but may be reappointed.

3. Members of the commission shall not be compensated for their services, but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties. The commission shall review the projected costs of all existing state and federal mandated benefits. The report shall state the costs of all current state and federal mandated benefits and recommend to the general assembly which mandated benefits should be repealed from state law.

2. The commission shall submit the list of the proposed deletions of state mandated benefits to the general assembly no later than the tenth legislative day of the session beginning in January, 2004. Notwithstanding any provision of law to the contrary, upon submittal, the general assembly may by resolution implement the recommendations of the mandated benefit review commission. The resolution shall contain all the recommendations of the commission.

376.1587. Whenever a legislative measure containing a mandated health benefit is proposed, the appropriate committee of the general assembly having jurisdiction over the proposal shall hold a public hearing and determine the level of support for the proposal among the members of the committee. If there is support for the proposed mandate among a majority of the members of the committee, the committee may refer the proposal to the mandated benefit review commission for review and evaluation pursuant to sections 376.1590 and 376.1593. Once a review and evaluation has been completed, the committee shall review the findings of the mandated benefit review commission. A proposed mandate may not be enacted into law unless review and evaluation pursuant to sections 376.1590 and 376.1593 has been completed.

376.1590. Every proposed legislative measure that mandates a health insurance coverage, whether by requiring payment for certain providers or by requiring an offering of a health insurance coverage by an insurer or health carrier as a component of individual or group health insurance policies, shall be accompanied by a report prepared by the mandated benefit review commission that assesses both the social and financial effects of the coverage in the manner provided in section 376.1593, including the efficacy of the treatment or service proposed.

376.1593. Upon referral of a mandated health benefit proposal from the appropriate committee of the general assembly having jurisdiction over the proposal, the mandated benefit review committee shall conduct a review and evaluation of the mandated health benefit proposal and shall report to the committee in a timely

manner. The report must include, at the minimum and to the extent that information is available, the following:

- (1) The social impact of mandating the benefit, including:
  - (a) The extent to which the treatment or service is utilized by a significant portion of the population;
  - (b) The extent to which the treatment or service is available to the population;
  - (c) The extent to which insurance coverage for this treatment or service is already available;
  - (d) If coverage is not generally available, the extent to which the lack of coverage results in persons being unable to obtain necessary health care treatment;
  - (e) If the coverage is not generally available, the extent to which the lack of coverage results in unreasonable financial hardship on those persons needing treatment;
  - (f) The level of public demand and the level of demand from providers for the treatment or service;
  - (g) The level of public demand and the level of demand from the providers for individual or group insurance coverage of the treatment or service;
  - (h) The level of interest in and the extent to which collective bargaining organizations are negotiating privately for inclusion of this coverage in group contracts;
  - (i) The likelihood of achieving the objectives of meeting a consumer need as evidenced by the experience of other states;
  - (j) The relevant findings of the state health planning agency or the appropriate health system agency relating to the social impact of the mandated benefit;
  - (k) The alternatives to meeting the identified need;
  - (l) Whether the benefit is a medical or a broader social need and whether it is consistent with the role of health insurance and the concept of managed care;
  - (m) The impact of any social stigma attached to the benefit upon the market;
  - (n) The impact of this benefit on the availability of other benefits currently being offered;
  - (o) The impact of the benefit as it relates to employers shifting to self-insured plans and the extent to which the benefit is currently being offered by employers with self-insured plans; and
  - (p) The impact of making the benefit applicable to the state employee health insurance program established pursuant to chapter 103, RSMo;
- (2) The financial impact of mandating the benefit, including:
  - (a) The extent to which the proposed insurance coverage would increase or decrease the cost of the treatment or service over the next five years;
  - (b) The extent to which the proposed coverage might increase the appropriate or inappropriate use of the treatment or service over the next five years;
  - (c) The extent to which the mandated treatment or service might serve as an alternative for more expensive or less expensive treatment or service;
  - (d) The methods that will be instituted to manage the utilization and costs of the proposed mandate;
  - (e) The extent to which the insurance coverage may affect the number and types of providers of the mandated treatment or service over the next five years;
  - (f) The extent to which insurance coverage of the health care service or provider may be reasonably expected to increase or decrease the insurance premium and administrative expenses of policyholders;
  - (g) The impact of indirect costs, which are costs other than premiums and administrative costs, on the question of the costs and benefits of coverage;
  - (h) The impact of this coverage on the total cost of health care, including potential benefits and savings to insurers and employers because the proposed mandated treatment or service prevents disease or illness or leads to the early detection and treatment of disease or illness that is less costly than treatment or service for later stages of a disease or illness;
  - (i) The effects of mandating the benefit on the cost of health care, particularly the premium and administrative expenses and indirect costs, to employers and employees, including the financial impact on small employers, medium-sized employers and large employers; and
  - (j) The effect of the proposed mandate on cost-shifting between private and public payors of health care coverage and on the overall cost of the health care delivery system in this state;
- (3) The medical efficacy of mandating the benefit, including:
  - (a) The contribution of the benefit to the quality of patient care and the health status of the population, including the results of any research demonstrating the medical efficacy of the treatment or service compared to alternatives or not providing the treatment or service; and

- (b) If the legislation seeks to mandate coverage of an additional class of practitioners:
- a. The results of any professionally acceptable research demonstrating the medical results achieved by the additional class of practitioners relative to those already covered; and
  - b. The methods of the appropriate professional organization that assure clinical proficiency; and
- (4) The effects of balancing the social, economic and medical efficacy considerations, including:
- (a) The extent to which the need for coverage outweighs the costs of mandating the benefit for all policyholders;
  - (b) The extent to which the problem of coverage may be solved by mandating the availability of the coverage as an option for policyholders; and
  - (c) The cumulative impact of mandating this benefit in combination with existing mandates on the costs and availability of coverage.”; and

Further amend said bill, title and enacting clause accordingly.

Representative Marble moved that **House Amendment No. 2** be adopted.
