

JOURNAL OF THE HOUSE

Second Regular Session, 91st GENERAL ASSEMBLY

FORTY-NINTH DAY, TUESDAY, APRIL 9, 2002

Speaker Kreider in the Chair.

Prayer by Father David Buescher.

God of mercy, Father of justice, Lord of peace, manifest Yourself in this room, in office, hearing room, corridor; wherever You are needed to bring order from disorder and serenity from discord.

In this great Capitol building, may even the stones resound with Your aura. Help all here to recall the greatness of their calling, even in the little decisions and judgements, which add up to important ends. Help us build, not just material progress, but expanse in mind and heart, which truly makes us free. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Tasha Scott, Lauren Nilges, Justin Major, Alex Pang, Michelle Scott, Shelby Helton, Julie Nulsen, Ryan Schulze, Marneekwua Carter, Mary Boedeker, Robert Dawkins, Anthony Dickson, Zach Eastman, Matt Elbert, Jason Evans, Jacob Evers, Luke Garrison, Lee Glaser, Sebastian Harms, Anthony Henderson, Jennifer Hess, Ben Hjelle, Max Holtz, Rachel Ilyashov, Jim Janney, Eddie Johnson, Matt Lambeth, Timothy Mathis, Ben Meraz, Claire Mosely, Megan Multack, Drew Nangle, Patrick Nangle, Adam Parli, Rodney Payne, James Peisker, Aaron Richter, Meaghan Roberts, Tasha Scott, Andrea Seligman, Ashley Tate, Jon Voelz, Charles Warren, Jennifer Williams, Marie Wilson, Ryan Wolfe, Tyrone Jones, David Craft, Jason McDonald, George Strickland and Carly Wilburn.

COMMITTEE REPORTS

Committee on Agriculture, Chairman Berkowitz reporting:

Mr. Speaker: Your Committee on Agriculture, to which was referred **HR 281**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE RESOLUTION NO. 281

Whereas, the historical attachment of Missourians to the land and agriculture is decreasing; and

Whereas, today's farmers and ranchers contribute to the abundant, healthy, and low-cost food, fiber, and fuel system that drives the state and national economies; and

Whereas, the chasm that exists between production and the plate allows for misunderstandings of the importance of agriculture; and

Whereas, the Governor's Task Force on Agriculture identified the necessity of building an organizational and communications infrastructure to better serve the needs of the agriculture community; and

Whereas, the House Agriculture Committee does recognize the critical need for cooperation between the various organizations within agriculture to tell the agriculture story; and

Whereas, the House Agriculture Subcommittee tasked with making recommendations for implementation of the Governor's Task Force on Agriculture findings met and discussed the challenges and opportunities presented by better coordination and focus of resources; and

Whereas, it is agreed that through additional emphasis on coordination, the agriculture community can better educate consumers, both young and old, about the importance of agriculture production to our state and nation; and

Whereas, to be successful, this effort must be a venture embraced by both the public and private sectors:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-first General Assembly, urge the Departments of Agriculture, Natural Resources, Conservation, Health and Senior Services, and Economic Development, and the Coordinating Board for Higher Education to cooperatively develop plans for increased awareness and understanding of the importance and opportunity of the state's agriculture industries; and

Be it further resolved that the members of the House of Representatives urge private sector agriculture interests to join with government in cooperative programs of education, focusing on both in-school as well as practical hands-on interaction; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the Directors of the Departments of Agriculture, Natural Resources, Conservation, Health and Senior Services, and Economic Development, and the Coordinating Board for Higher Education.

HOUSE CONCURRENT RESOLUTION NO. 18

WHEREAS, recent legislative hearings have brought to light serious problems in the ability of young adults to understand and evaluate consumer credit issues, such as credit cards and payday loans; and

WHEREAS, mistakes with financial well-being made in early adulthood can imperil a young adult's credit rating and affect his or her ability to be a productive member of society; and

WHEREAS, the ability to evaluate the soundness and advisability of using particular consumer credit programs is a crucial life skill; and

WHEREAS, the Missouri assessment program communications, mathematics, and social studies assessments for middle school and high school students offer a unique opportunity to gauge the extent of young people's understanding of these issues; and

WHEREAS, the first goal of the Show-Me Standards includes elements such as evaluating information and ideas, and applying acquired information to different contexts as students, workers, citizens, and consumers; and

WHEREAS, in some disciplines, such as consumer and family sciences and business education, extensive work has already been done to chart skills such as comparing various aspects of consumer credit against not only the Show-Me Standards but also national standards and tests; and

WHEREAS, dictating the content of courses by state statute may not always be good public policy, but making known legislative priorities so that existing programs may accommodate those priorities is an obligation of the General Assembly:

NOW, THEREFORE, BE IT RESOLVED by the members of the House of Representatives of the Ninety-first General Assembly, Second Regular Session, the Senate concurring therein, that the Department of Elementary and Secondary Education should:

1) Impanel a group or groups of teachers to determine if consumer credit issues can be addressed in the framework of the Show-Me Standards and, if so, determine what type of questions, including the possibility of performance events, would be appropriate for inclusion in the statewide assessments, as well as addressing the optimum grade level for inclusion, whether middle or high school, or both;

2) If the teacher panels respond favorably to the inclusion of consumer credit questions, determine if and how the assessment instruments can be kept comparable with previous years' instruments as they are rewritten in the ordinary course of test development to incorporate consumer credit elements;

3) Determine what steps would be necessary to track and report statewide average performance on those elements concerning consumer credit issues and advise if it is possible or advisable;

4) Encourage organizations that represent individual curriculum areas, such as communications, mathematics, and social studies, to incorporate analysis of consumer credit issues where appropriate; and

5) Identify and publicize methods besides statewide assessments that could help students and teachers incorporate consumer credit issues in teaching and learning, including professional development opportunities; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Commissioner of Education.

HOUSE CONCURRENT RESOLUTION NO. 13

Whereas, HR 3113, the TANF Reauthorization Act of 2001, was introduced in the United States House of Representatives on October 12, 2001, which would reform the Temporary Assistance for Needy Families program to make it clear that the program's principal focus is the long-term reduction of poverty rather than a short-term immediate reduction in the welfare rolls; and

Whereas, HR 3113 would also make it clear that postsecondary education is a work activity under the TANF program by providing access to postsecondary education for TANF recipients as a permissible work activity; and

Whereas, in the United States, education has always been a route to economic self-sufficiency and social mobility; and

Whereas, in the twenty-first century, at least one year of postsecondary education will become increasingly more essential for all workers; and

Whereas, TANF does not currently extend our nation's commitment to educational opportunity to persons living in poverty with their children, but who are ready, willing, and able to benefit from postsecondary education; and

Whereas, data from several studies has demonstrated that the additional earning capacity that a postsecondary education provides can make the difference between economic self-sufficiency and continued poverty for many TANF recipients; and

Whereas, among families headed by African American, Latino, and Caucasian women, the poverty rate declines from fifty-one, forty-one, and twenty-two percent to twenty-one, eighteen and one-half, and thirteen percent, respectively, with at least one year of postsecondary education; and

Whereas, further data has found that postsecondary education not only increases incomes, it also improves self-esteem, increases children's education ambitions, including aspiring to enter postsecondary education themselves, and has a dramatic impact on quality of life; and

Whereas, now more than ever TANF recipients need postsecondary education to obtain the knowledge and skills required to compete for jobs and enable them to lift themselves and their children out of poverty in the long-term; and

Whereas, without some postsecondary education, most women who leave welfare for employment will earn wages that place them far below the federal poverty level, even after five years of employment; and

Whereas, allowing TANF recipients to attend postsecondary education, even for a short time, will improve their earning potential significantly, with the average person who attends a community college, even without graduating, earning approximately ten percent more than those persons who do not attend postsecondary education at all; and

Whereas, women who receive TANF assistance clearly appreciate the importance and role of postsecondary education in moving them out of poverty to long-term economic self-sufficiency; and

Whereas, as of November 1999, at least nineteen states had considered or enacted strategies to support recipient's efforts to achieve long-term economic self-sufficiency through the pursuit of postsecondary education:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-first General Assembly, Second Regular Session, the Senate concurring therein, support HR 3113, the TANF Reauthorization Act of 2001; and

Be it further resolved that the General Assembly urges Missouri's Congressional delegation to support the passage of HR 3113, the TANF Reauthorization Act of 2001; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, and each member of Missouri's Congressional delegation.

SENATE CONCURRENT RESOLUTION NO. 58

An act by concurrent resolution and pursuant to Article IV, Section 8, Missouri Constitution, to disapprove Rule 20 CSR 500-6.700 and direct the Department of Insurance to promulgate an emergency rule and a proposed rule as required by Section 287.135, RSMo.

WHEREAS, in 1993, the General Assembly enacted Senate Bill No. 251 containing the provision now codified at Section 287.135, RSMo, which requires the Department of Insurance to promulgate rules to determine the criteria by which a workers' compensation insurer may reimburse fees charged by a managed care organization ("MCO"); and

WHEREAS, the Department of Insurance promulgated Rule 20 CSR 500-6.700 which would become effective thirty days after publication in the Code of State Regulations; and

WHEREAS, the Department of Insurance has filed proposed rulemakings on at least 7 occasions but have failed to finalize such proposed rulemakings with the filing of an order of rulemaking with the Joint Committee on Administrative Rules and the Secretary of State; and

WHEREAS, the Joint Committee on Administrative Rules has held at least two hearings on previous rules proposed by the Department; and

WHEREAS, nearly ten years have passed since the Department of Insurance was directed to promulgate rules to determine the criteria by which workers' compensation insurers may reimburse fees charged by managed care organizations; and

WHEREAS, numerous managed care organizations were organized for the purpose of providing services in workers' compensation matters; and

WHEREAS, workers' compensation insurers have denied claims for payment from managed care organizations due to the absence of the rule required pursuant to Section 287.135, RSMo; and

WHEREAS, numerous managed care organizations have suffered financial losses due to their denied claims for services; and

WHEREAS, the Joint Committee on Administrative Rules held a hearing on March 7, 2002, and by a unanimous vote disapproved Rule 20 CSR 500-6.700 and recommends that the General Assembly act to disapprove and suspend Rule 20 CSR 500-6.700; and

WHEREAS, the Joint Committee on Administrative Rules directed the Department of Insurance to promulgate an emergency rule and a proposed rule with a sunset of December 31, 2002, which would provide a mechanism to pay managed care organizations, including those whose claims have been denied since the passage of Senate Bill No. 251 in 1993, based on the absence of a rule as required pursuant to Section 287.135, RSMo; and

WHEREAS, the Department of Insurance agreed to abide by the directions of the Joint Committee on Administrative Rules relating to the promulgation of an emergency and proposed rule; and

WHEREAS, the Department of Insurance to date has failed and refused to abide by the directions of the Joint Committee on Administrative Rules relating to the promulgation of an emergency and proposed rule:

NOW, THEREFORE, BE IT RESOLVED, that the members of the Missouri Senate, Ninety-first General Assembly, Second Regular Session, the House of Representatives concurring therein, upon concurrence of a majority of the members of the Senate and a majority of the members of the House of Representatives, hereby disapprove proposed Rule 20 CSR 500-6.700; and

BE IT FURTHER RESOLVED, that the General Assembly hereby directs the Department of Insurance to promulgate an emergency rule and a proposed rule with a sunset of December 31, 2002, which would provide a mechanism to pay managed care organizations, including those whose claims have been denied since the passage of Senate Bill No. 251 in 1993, based on the absence of a rule as required pursuant to Section 287.135, RSMo; and

BE IT FURTHER RESOLVED that a copy of the foregoing be submitted to the Secretary of State so that the Secretary of State may publish in the Missouri Register, as soon as practicable, notice of the revocation upon this resolution having been signed by the Governor or having been approved by two-thirds of each house of the Ninety-first General Assembly, Second Regular Session, after veto by the Governor as provided in Article III, Sections 31 and 32, and Article IV, Section 8 of the Missouri Constitution; and

BE IT FURTHER RESOLVED that a properly inscribed copy be presented to the Governor in accordance with Article IV, Section 8 of the Missouri Constitution.

In which the concurrence of the House is respectfully requested.
