

JOURNAL OF THE HOUSE

Second Regular Session, 91st GENERAL ASSEMBLY

SIXTY-SECOND DAY, WEDNESDAY, MAY 1, 2002

Speaker Kreider in the Chair.

Prayer by Representative Jim Kreider, Speaker of the House.

Oh! Almighty and Everlasting God, Creator of Heaven, Earth and the Universe. Help me to be, to think, to act what is right, because it is right; make me truthful, honest and honorable in all things; make me intellectually honest for the sake of right and honor and without thought of reward to me.

Give me the ability to be charitable, forgiving and patient with my fellowmen - help me to understand their motives and their shortcomings - even as Thou understandest mine! Amen, Amen, Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: David Goddard, Kelly Stumpf, Jasmine Moore, Kendrell Townsel, Christopher Smith, Keyonte King, Vahava Florans, Nechama Dina Simon, Rochel Halle, Rachel Axelbaum, Bracha Sarah Pentelnik, Shulamis List, Chaya Mushka Huber, Gage Henry, Lydia-Rae Rice, Tim Work, Nikkita Joseph and Edjuan Smith.

SENATE CONCURRENT RESOLUTION NO. 64

WHEREAS, recognizing that visual development from birth through school age has sensitive and critical periods where abnormalities can lead to permanent impairments, especially in the development of binocular vision, an important part of human vision; and

WHEREAS, realizing that conditions such as strabismus (ocular misalignment) including esotropia (crossed eyes) and exotropia (outward turned eyes) occur in up to 6.7% of children prior to entering elementary school and anisometropia (significant difference in refractive prescription between the eyes) has a 1% or higher prevalence and clinically significant hyperopia (farsightedness) a prevalence of 3-6%; and

WHEREAS, The Journal of the American Public Health Association reported that 25% of Missouri's K-6 children have some kind of vision deficiency; and

WHEREAS, noting that the majority of eye and vision conditions prior to entering elementary school are not obvious on gross examination and go undetected; and

WHEREAS, noting that decreased binocular vision and depth perception can lead to problems in gross motor and fine motor development, and that uncorrected hyperopia is associated with deficits in visual perceptual skills, reading readiness, intelligence quotient, and reading achievement; and

WHEREAS, realizing that early comprehensive childhood eye care is a neglected area, that less than half of pediatricians perform even limited vision screenings, and pediatric screening, when performed, is usually limited to a light reflex test which will not detect most strabismus, hyperopia or anisometropia; and

WHEREAS, recognizing that professional organizations agree that screening under age 3 is not successful but there is ample evidence that amblyopic conditions should be detected and treated as early as possible;

NOW, THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby impel school districts to implement:

(1) The institution of a comprehensive vision screening to be performed on kindergarten age children. Such screenings should be done through the use of photorefractive technology developed by the National Aeronautics and Space Administration, and should screen for myopia, hyperopia, oblique astigmatisms, anisometropia, constant strabismus, ocular media opacities, other visible eye abnormalities, and defects that can lead to amblyopia.

(2) With the completion of such screening all children and schools would receive information detailing their screening results. Children with possible problems indicated will be directed to seek the services of an eye care professional to address their problem through a full eye examination.

(3) This screening system will begin with a pilot program for the 2002 school year. This program will be implemented in designated school districts as funding permits

(4) This pilot program will be funded through monies deposited in the “Blindness, Education Screening & Treatment Fund”.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 65**.

SENATE CONCURRENT RESOLUTION NO. 65

WHEREAS, the September 11, 2001, terrorist attacks have had a substantial impact on the American economy; and

WHEREAS, insurers estimate that their losses from the attacks could reach \$70 billion; and

WHEREAS, insurance coverage on the World Trade Center and the businesses in and around the Trade Center were multi-layered, and will affect insurers of all kinds, including: property-casualty, liability, workers' compensation, business interruption, life, health and reinsurance; and

WHEREAS, insurers are concerned that they cannot adequately or accurately price insurance coverage for future catastrophes resulting from terrorism; and

WHEREAS, reinsurers are already notifying their customers that they will no longer cover terrorism risk, and primary carriers are notifying state insurance regulators that they intend to seek exclusions of terrorism coverage in their contracts with policyholders; and

WHEREAS, without adequate insurance coverage, banks may be unwilling to extend loans for commercial transactions, such as mortgages, construction projects and other capital-intensive programs; and

WHEREAS, the inability of the insurance industry to cover losses from future terrorist activities may require action by the federal government; and

WHEREAS, a federal backstop would assure an available and affordable insurance market America's consumers and businesses in these challenging times; and

WHEREAS, a federal backstop program would help to eliminate market constriction and prohibitively high prices, would facility insurance transactions necessary for commerce, and would assure the broad-based ability of families and businesses to recover from future incidences of terrorism;

WHEREAS, without a backstop, a limited availability of insurance against terrorism would have a severe adverse effect on our country's economy as financiers would be reluctant to lend, businesses would be reluctant to invest, and consumers would be unable to afford insurance;

NOW, THEREFORE, BE IT RESOLVED that the members of the Senate of the Ninety-first General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the members of Congress to provide for a limited and temporary backstop for insurance against terrorism; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for each member of Missouri's Congressional Delegation.

In which the concurrence of the House is respectfully requested.

LETTER OF OBJECTION

May 1, 2002

The Honorable Jim Kreider
Speaker of the House of Representatives
State Capitol
Jefferson City, MO 65101

Dear Mr. Speaker:

As a member of the House Miscellaneous Bills and Resolutions Committee, I wish to express my objection to the emergency hearing of Senate Substitute for Senate Bill 1248 on Tuesday, April 30, 2002.

The bill was assigned to the committee Tuesday morning, heard by the committee less than three hours later, and a House Committee Substitute, substantially different from the Senate bill, was approved in the same meeting. The only “good cause” identified for this hasty action was “due to budget situation”, yet a meeting of the committee had been scheduled for 9:15 a.m. on Wednesday, May 1, 2002.

Any bill deserves more careful consideration, but a bill that increases taxes by more than \$200M dollars should never be handled so cavalierly.

I therefore request that HCS SS SB 1248 be removed from the Calendar and reassigned to committee for a full and open hearing.

Sincerely,

/s/ Cindy Ostmann

ADJOURNMENT

On motion of Representative Crump, the House adjourned until 9:30 a.m., Thursday, May 2, 2002.
