162.081. 1. Whenever any school district in this state fails or refuses in any school year to provide for the minimum school term required by section 163.021, RSMo, or is classified unaccredited for two successive school years by the state board of education, its corporate organization shall lapse. The corporate organization of any school district that is classified as unaccredited shall lapse on June thirtieth of the second full school year of such unaccredited classification after the school year during which the unaccredited classification is initially assigned, **or at a later date as determined by the state board of education under the circumstances described in subsection 2 of this section.**

2. If a school district which has been declared unaccredited achieves provisional accreditation within the initial time period before lapse as stated in subsection 1 of this section, the state board of education shall establish a subsequent date, not earlier than one full school year nor more than two full school years after the date on which the district achieves provisional accreditation, after which the provisionally accredited district shall lapse unless it achieves full accreditation before the date set by the state board for lapse.

3. Except as provided in subsection 13 of this section, the territory theretofore embraced within any district that lapses pursuant to this section or any portion thereof may be

24 **prior to the initial date of lapse**, the department of elementary and secondary education shall
25 conduct a public hearing at a location in the unaccredited school district **regarding the**
26 **continuing operation of the educational programs within the lapsed district**. [The purpose
27 of the hearing shall be to:

28 (1) Review any plan by the district to return to accredited status; or

29 (2) Offer any technical assistance that can be provided to the district.

30 3.] 5. Except as otherwise provided in section 162.1100, [in a metropolitan school
31 district or an urban school district containing most or all of a city with a population greater than

36 within the district or what provisions might otherwise be made in the best interest of the
37 education of the children of the district. The special administrative board shall consist of two
38 persons who are residents of the school district, who shall serve without compensation, and a
39 professional administrator, who shall chair the board and shall be compensated, as determined
40 by the state board of education, in whole or in part with funds from the district. **A majority of**
41 **the members of a special administrative board shall be deemed to have standing in a court**
42 **of a competent jurisdiction to enjoin any action of the school board of the unaccredited**
43 **district to prevent wastage of the assets of the district.**

44

45 [4.] 6. Upon lapse of the district, the state board of education may:

46 (1) Appoint a special administrative board, if such a board has not already been
47 appointed, and authorize the special administrative board to retain the authority granted to a
48 board of education for the operation of all or part of the district;

49 (2) **Within the limits prescribed in subsection 13 of this section**, attach the territory
50 of the lapsed district to another district or districts for school purposes; [or]

51 (3) Establish one or more school districts within the territory of the lapsed district, with
52 a governance structure consistent with the laws applicable to districts of a similar size, with the

53 option of permitting a district to remain intact for the purposes of assessing, collecting, and
54 distributing property taxes, to be distributed equitably on a per eligible pupil basis, but to be
55 divided for operational purposes, which shall take effect sixty days after the adjournment of the
56 regular session of the general assembly next following the state board's decision unless a statute
57 or concurrent resolution is enacted to nullify the state board's decision prior to such effective
58 date; or

59 **(4) Continue operation of the school district under the existing governance**
60 **structure under terms and conditions established by the state board of education.**

61

62 7. The special administrative board may retain the authority granted to a board of

64 time of the lapse.

65 [5.] 8. The authority of the special administrative board shall expire at the end of the
66 third full school year following its appointment, unless extended by the state board of education.
67 If the lapsed district is reassigned, the special administrative board shall provide an accounting
68 of all funds, assets and liabilities of the lapsed district and transfer such funds, assets, and
69 liabilities of the lapsed district as determined by the state board of education.

70 [6.] 9. Upon recommendation of the special administrative board, the state board of
71 education may assign the funds, assets and liabilities of the lapsed district to another district or
72 districts. Upon assignment, all authority of the special administrative board shall transfer to the
73 assigned districts.

74 [7.] 10. Neither the special administrative board nor any district or other entity assigned
75 territory, assets or funds from a lapsed district shall be considered a successor entity for the
76 purpose of employment contracts, unemployment compensation payment pursuant to section
77 288.110, RSMo, or any other purpose.

78 [8.] 11. If additional teachers are needed by a district as a result of increased enrollment
79 due to the annexation of territory of a lapsed or dissolved district, such district shall grant an
80 employment interview to any permanent teacher of the lapsed or dissolved district upon the
81 request of such permanent teacher.

82 [9.] 12. (1) The governing body of a school district, upon an initial declaration by the

86 cannot attain accreditation within three years of the initial declaration that such district is
87 unaccredited. In the case of such a district being declared unaccredited, such plan shall be
88 presented to the voters of the district before the district lapses. In the case of such a district being

89 declared provisionally accredited, such plan may be presented before the close of the current
90 accreditation cycle.

91 (2) The plan may provide that the school district shall remain intact for the purposes of
92 assessing, collecting and distributing taxes for support of the schools, and the governing body
93 of the district shall develop a plan for the distribution of such taxes equitably on a per pupil basis
94 if the district selects this option.

95 (3) The makeup of the new districts shall be racially balanced as far as the proportions
96 of students allow.

97 (4) If a majority of the district's voters approve the plan, the state board of education
98 shall cooperate with the local board of education to implement the plan, which may include use
99 of the provisions of this section to provide an orderly transition to new school districts and
100 achievement of accredited status for such districts.

101 [10.] **13.** In the event that a school district with an enrollment in excess of five thousand
102 pupils lapses, no school district shall have all or any part of such lapsed school district attached
103 without the approval of the board of the receiving school district.
