

JOURNAL OF THE HOUSE

First Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-THIRD DAY, WEDNESDAY, APRIL 16, 2003

Speaker Pro Tem Jetton in the Chair.

Prayer by Reverend Frank Buchanan II, Peace Tabernacle Church, Joplin, Missouri.

Dear Jesus,

Good Morning. We offer praise and honor to You, the Creator of the Universe, the One true and living God. Please forgive us of our debts, our failures and our many shortcomings. We confess our lack of wisdom and need of You today.

I ask that You would bless the United States of America, our troops and the State of Missouri. Please preside over the business being conducted here today. Help each one to think clearly and make decisions based on Your Word. You know the very thoughts and intents of our hearts. Help us to have pure thoughts and motives. Let Your Spirit move at will in this Chamber and speak to those who will listen for Your voice.

Thank You for this day and for each one gathered here. Thank You for blessing us with Your presence and for helping us find Your perfect will. Also, thank You for blessing our country and protecting us by Your mighty power.

Bless the LORD, O my soul: and all that is within me, bless Your holy name.

In Jesus name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kyle Tuberty, Nicole Tuberty, Sara Brungardt, Pat Cashmore, Kirk Chonis, Katie Friedland, Courtney McLain, Gregory Young, Kayla Ervin, Brooke Hahn, Jennifer Wiebracht, Diana Wuelling, Melissa Miget, Brett Herbst, Kayla Thomason, Franklin Buchanan III, Kyle Bashaw, Kelly Kennedy, Gina Lakenburger, Stanley Ruchalski, Benjamin Hiserote and Taylor Deayon.

Speaker Hanaway assumed the Chair.

Further amend said bill, Page 96, Section 334.430, Line 1 of said page, by inserting after all of said line the following:

"334.530. 1. A candidate for license to practice as a physical therapist shall be at least twenty-one years of age. A candidate shall furnish evidence of such person's good moral character and the person's educational qualifications by submitting satisfactory evidence of completion of a program of physical therapy education approved as reputable by the board. A candidate who presents satisfactory evidence of the person's graduation from a school of physical therapy approved as reputable by the American Medical Association or, if graduated before 1936, by the American Physical Therapy Association, or if graduated after 1988, the Commission on Accreditation for Physical Therapy Education or its successor, is deemed to have complied with the educational qualifications of this subsection.

2. Persons desiring to practice as physical therapists in this state shall appear before the board at such time and place as the board may direct and be examined as to their fitness to engage in such practice. Applications for examination shall be in writing, on a form furnished by the board and shall include evidence satisfactory to the board that the applicant possesses the qualifications set forth in subsection 1 of this section. Each application shall contain a statement that it is made under oath or affirmation and that its representations are true and correct to the best knowledge and belief of the person signing the statement, subject to the penalties of making a false affidavit or declaration. The board shall not issue a permanent license to practice as a physical therapist or allow any person to sit for the Missouri state board examination for physical therapists who has failed three or more times any physical therapist licensing examination administered in one or more states or territories of the United States or the District of Columbia. **The board may waive the provisions of this section if:**

(1) The applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States or District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States or the District of Columbia; or

(2) The applicant has held a provisional license pursuant to section 334.535 for three years and the provisional license has not been disciplined or limited.

If the applicant fails the licensure examination three times, and then obtains a professional degree in physical therapy at a higher level than previously completed, the applicant can sit for the licensure examination three additional times.

3. The examination of qualified candidates for licenses to practice physical therapy shall include a written examination and shall embrace the subjects taught in reputable programs of physical therapy education, sufficiently strict to test the qualifications of the candidates as practitioners. The examination shall be given by the board at least once each year and shall be administered to all candidates, and the examination given at any particular time shall be the same for all candidates and the same subjects shall be included and the same questions shall be asked. Candidates shall be required to achieve a passing score, as determined by the board, on an examination before being issued a license.

4. The examination shall embrace, in relation to the human being, the subjects of anatomy, chemistry, kinesiology, pathology, physics, physiology, psychology, physical therapy theory and procedures as related to medicine, surgery and psychiatry, and such other subjects, including medical ethics, as the board deems useful to test the fitness of the candidate to practice physical therapy.

5. Examination grades or scores shall be preserved by the board subject to public inspection. Examination papers retained by the board shall be subject to public inspection for a period of three years, after which they may be destroyed.

334.535. 1. The board may issue a provisional license as a physical therapist for any applicant who:

(1) Has failed three or more times to achieve a passing score on a physical therapist licensing examination administered in one or more states or territories of the United States; and

(2) Has achieved a passing score on a physical therapist licensing examination administered in one or more states or territories of the United States; and

(3) Otherwise meets all requirements for permanent licensure as defined in sections 334.500 to 334.620; and

(4) Submits an application to the board on a form prescribed by the board.

2. A provisionally licensed physical therapist shall, at all times, practice physical therapy under the direction and supervision of a physical therapist licensed in this state. The supervising licensed physical therapist shall be available to the provisionally licensed physical therapist at all times either in person or via telecommunications. The board shall determine by rule the scope of practice of the provisionally licensed physical therapist and the

amount of time and type of supervision of the provisional licensed physical therapist by the supervising licensed physical therapist.

3. A provisional license shall be renewed annually by submitting an application to the board on a form prescribed by the board.

4. If a supervising licensed physical therapist is unable to continue supervising a provisional licensed physical therapist, the provisional licensed physical therapist shall cease practicing immediately and the provisional license shall terminate. The board shall adopt by rule procedures for reinstatement of the provisional license if the person obtains a new supervising licensed physical therapist.

334.540. 1. The board shall issue a license to any physical therapist who is licensed in another jurisdiction and who has had no violations, suspensions or revocations of a license to practice physical therapy in any jurisdiction, provided that, such person is licensed in a jurisdiction whose requirements are substantially equal to, or greater than, the requirements for licensure of physical therapists in Missouri at the time the applicant applies for licensure.

2. Every applicant for a license pursuant to this section, upon making application and showing the necessary qualifications as provided in subsection 1 of this section, shall be required to pay the same fee as the fee required to be paid by applicants who apply to take the examination before the board. Within the limits provided in this section, the board may negotiate reciprocal compacts with licensing boards of other states for the admission of licensed practitioners from Missouri in other states.

3. Notwithstanding the provisions of subsections 1 and 2 of this section, the board shall not issue a license to any applicant who has failed three or more times any physical therapist licensing examination administered in one or more states or territories of the United States or the District of Columbia. **The board may waive the provisions of this section if:**

(1) **The applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States or District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States or the District of Columbia; or**

(2) **The applicant has held a provisional license pursuant to section 334.535 for three years and the provisional license has not been disciplined or limited.**

If the applicant fails the licensure examination three times, and then obtains a professional degree in physical therapy at a higher level than previously completed, the applicant can sit for the licensure examination three additional times.

334.550. 1. Upon the applicant paying a temporary license fee, the board shall issue without examination [a] **an initial** temporary license to practice physical therapy for a period of time not to extend beyond the time when the results of the [next] examination are announced to any person who meets the qualifications of subsection 1 of section 334.530, **not to exceed six months**; provided that, the applicant has not previously been examined in one or more states or territories of the United States or the District of Columbia. The temporary license may be renewed at the discretion of the board and payment of the temporary license fee.

2. The board may [once] renew a temporary license [issued] **once** pursuant to this section if the licensee fails to sit for the next scheduled examination; provided that, the applicant shows good and exceptional cause for failing to sit for the examination. The applicant shall state the good and exceptional cause in writing and shall verify such statement by oath. The board shall define good and exceptional cause by rules and regulations. **The duration of the temporary licensure shall be determined by the board.**

3. **The board may renew a temporary license not to exceed six months following the first failure of the examination by an applicant if such person submits an amended agreement-to-supervise form which is signed by the applicant's supervising licensed physical therapist. Such renewed temporary licensee shall only engage in the practice of physical therapy under the on-site supervision of a licensed physical therapist. The board shall define by rule the scope of such supervision which shall require stricter supervision than that required for an initial temporary license. The board shall not renew a temporary license following the second failure of the examination by the applicant.**

4. **The board may issue an initial temporary license pursuant to this section for a first-time applicant for licensure by examination without presentation of a diploma indicating graduation or final semester transcripts; provided that, all other documentation and fees necessary for an initial temporary license have been submitted to and approved by the board.**

5. The board may issue [a] **an initial** temporary license to any first-time applicant for licensure by examination

if such person submits **a diploma indicating graduation and final semester transcripts acceptable to the board, and an agreement- to-supervise form which is signed by the applicant's supervising physical therapist.** Such **initial** temporary licensee may only engage in the practice of physical therapy under the supervision of a licensed physical therapist. The board shall define the scope of such supervision by rules and regulations.

334.560. 1. The board shall charge each person who applies for examination for a license to practice as a physical therapist an examination fee.

2. Should the examination **results** prove unsatisfactory and the board refuse to issue a license **as a physical therapist** thereon, the applicant failing to pass the examination may reapply and return to any meeting and be examined upon payment of a reexamination fee[; but no temporary license may be issued to such persons]. **A renewed temporary license may be issued to such persons pursuant to subsection 3 of section 334.550.**

3. **Upon failure for the second time of an applicant for licensure as a physical therapist by examination, the board shall require the applicant to pursue and successfully complete a program of remediation before sitting for the examination for a third time. Such program of remediation shall:**

- (1) **Be submitted on forms and in a manner approved by the board;**
- (2) **Be provided by a licensed physical therapist approved by the board prior to the initiation of the program; and**
- (3) **Have the results of the program documented by the licensed physical therapist, and reviewed and approved by the board following completion of the program.**

4. **Upon failure for the third time of an applicant for licensure as a physical therapist by examination, the board shall not permit such applicant to reapply for the examination. Such persons shall not receive a license to practice as a physical therapist in this state, except as otherwise provided in sections 334.530 to 334.540.**

334.655. 1. A candidate for licensure to practice as a physical therapist assistant shall be at least nineteen years of age. A candidate shall furnish evidence of the person's good moral character and of the person's educational qualifications. The educational requirements for licensure as a physical therapist assistant are:

- (1) A certificate of graduation from an accredited high school or its equivalent; and
- (2) Satisfactory evidence of completion of an associate degree program of physical therapy education accredited by the commission on accreditation of physical therapy education.

2. Persons desiring to practice as a physical therapist assistant in this state shall appear before the board at such time and place as the board may direct and be examined as to the person's fitness to engage in such practice. Applications for examination shall be in writing, on a form furnished by the board and shall include evidence satisfactory to the board that the applicant possesses the qualifications provided in subsection 1 of this section. Each application shall contain a statement that the statement is made under oath of affirmation and that its representations are true and correct to the best knowledge and belief of the person signing the statement, subject to the penalties of making a false affidavit or declaration.

3. The examination of qualified candidates for licensure to practice as physical therapist assistants shall embrace a written examination and which shall cover the curriculum taught in accredited associate degree programs of physical therapy assistant education. Such examination shall be sufficient to test the qualification of the candidates as practitioners. The examination shall be given by the board at least once each year. The board shall not issue a license to practice as a physical therapist assistant or allow any person to sit for the Missouri state board examination for physical therapist assistants who has failed three or more times any physical therapist licensing examination administered in one or more states or territories of the United States or the District of Columbia. **The board may waive the provisions of this section if:**

(1) **The applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States or District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States or the District of Columbia; or**

(2) **The applicant has held a provisional license pursuant to section 334.535 for three years and the provisional license has not been disciplined or limited.**

If the applicant fails the licensure examination three times, and then obtains a professional degree in physical therapy at a higher level than previously completed, the applicant can sit for the licensure examination three additional times. The examination given at any particular time shall be the same for all candidates and the same curriculum shall be included and the same questions shall be asked.

4. The examination shall include, as related to the human body, the subjects of anatomy, kinesiology, pathology,

physiology, psychology, physical therapy theory and procedures as related to medicine and such other subjects, including medical ethics, as the board deems useful to test the fitness of the candidate to practice as a physical therapist assistant.

5. Examination grades or scores shall be preserved by the board subject to public inspection. Examination papers retained by the board shall be subject to public inspection for a period of three years and thereafter may be destroyed.

6. The board shall license without examination any legally qualified person who is a resident of this state and who was actively engaged in practice as a physical therapist assistant on August 28, 1993. The board may license such person pursuant to this subsection until ninety days after the effective date of this section.

7. A candidate to practice as a physical therapist assistant who does not meet the educational qualifications may submit to the board an application for examination if such person can furnish written evidence to the board that the person has been employed in this state for at least three of the last five years under the supervision of a licensed physical therapist and such person possesses the knowledge and training equivalent to that obtained in an accredited school. The board may license such persons pursuant to this subsection until ninety days after rules developed by the state board of healing arts regarding physical therapist assistant licensing become effective.

334.660. The board shall license without examination legally qualified persons who hold certificates of licensure, registration or certification in any state or territory of the United States or the District of Columbia, who have had no violations, suspensions or revocations of such license, registration or certification, if such persons have passed a written examination to practice as a physical therapist assistant that was substantially equal to the examination requirements of this state and in all other aspects, including education, the requirements for such certificates of licensure, registration or certification were, at the date of issuance, substantially equal to the requirements for licensure in this state. The board shall not issue a license to any applicant who has failed three or more times any physical therapist assistant licensing examination administered in one or more states or territories of the United States or the District of Columbia. **The board may waive the provisions of this section if:**

(1) The applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States or District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States or the District of Columbia; or

(2) The applicant has held a provisional license pursuant to section 334.535 for three years and the provisional license has not been disciplined or limited.

If the applicant fails the licensure examination three times, and then obtains a professional degree in physical therapy at a higher level than previously completed, the applicant can sit for the licensure examination three additional times. Every applicant for a license pursuant to this section, upon making application and providing documentation of the necessary qualifications as provided in this section, shall pay the same fee required of applicants to take the examination before the board. Within the limits of this section, the board may negotiate reciprocal contracts with licensing boards of other states for the admission of licensed practitioners from Missouri in other states.

334.665. 1. Upon the applicant paying a temporary fee, the board shall issue, without examination, [a] **an initial temporary license to practice as a physical therapist assistant for a period of time not to exceed beyond the time when the results of the next examination are announced to any person who meets the qualifications of section 334.655, not to exceed six months; provided that, the applicant has not previously been examined in one or more states or territories of the United States or the District of Columbia.** The temporary license may be renewed at the discretion of the board and upon payment of a temporary license fee.

2. The board may issue an initial temporary license pursuant to this section for a first-time applicant for licensure by examination without presentation of a diploma indicating graduation or final semester transcripts; provided that, all other documentation and fees necessary for an initial temporary license have been submitted to and approved by the board.

3. The board may issue an initial temporary license to any first-time applicant for licensure by examination if such person submits a diploma indicating graduation and final semester transcripts acceptable to the board, and an agreement-to-supervise form which is signed by the applicant's supervising physical therapist. Such initial temporary licensee may only engage in the practice of physical therapy under the supervision of a licensed physical therapist. The board shall define the scope of such supervision by rules and regulations.

4. The board may renew a temporary license once pursuant to this section if the licensee fails to sit for the next scheduled examination; provided that, the applicant shows good and exceptional cause for failing to sit for the examination. The applicant shall state the good and exceptional cause in writing and shall verify such

statement by oath. The board shall define good and exceptional cause by rules and regulations. The duration of the temporary licensure shall be determined by the board.

5. The board may renew a temporary license not to exceed six months following the first failure of the examination by an applicant if such person submits an amended agreement-to-supervise form which is signed by the applicant's supervising licensed physical therapist. Such renewed temporary licensee shall only engage in the practice of physical therapy under the on-site supervision of a licensed physical therapist. The board shall define by rule the scope of such supervision which shall require stricter supervision than that required for an initial temporary license. The board shall not renew a temporary license following the second failure of the examination by the applicant.

334.670. 1. The board shall charge a person, who applies for examination for a license to practice as a physical therapist assistant, an examination fee. If the person does not score a passing grade on the examination, the board may refuse to issue a license. Any applicant who fails to pass the examination may reapply and be reexamined upon payment of a reexamination fee. [No temporary license may be issued to any person who has previously failed the examination in Missouri or any other state or jurisdiction.] **A renewed temporary license may be issued to such persons pursuant to the provisions of section 334.655.**

2. Upon failure for the second time of an applicant for licensure as a physical therapist assistant by examination, the board shall require the applicant to pursue and successfully complete a program of remediation before sitting for the examination for a third time. Such program of remediation shall:

- (1) Be submitted on forms and in a manner approved by the board;
- (2) Be provided by a licensed physical therapist approved by the board prior to the initiation of the program; and
- (3) Have the results of the program documented by the licensed physical therapist, and reviewed and approved by the board following completion of the program.

3. Upon failure for the third time of an applicant for licensure as a physical therapist assistant by examination, the board shall not permit such applicant to reapply for the examination. Such persons shall not receive a license to practice as a physical therapist assistant in this state, except as otherwise provided in section 334.655 or 334.660.

334.672. 1. The board may issue a provisional license as a physical therapist assistant for any applicant who:

- (1) Has failed three or more times to achieve a passing score on a physical therapist assistant licensing examination administered in one or more states or territories of the United States; and
- (2) Has achieved a passing score on a physical therapist assistant licensing examination administered in one or more states or territories of the United States; and
- (3) Otherwise meets all requirements for permanent licensure as defined in sections 334.500 to 334.620; and

- (4) Submits an application to the board on a form prescribed by the board.

2. A provisional licensed physical therapist assistant shall, at all times, practice physical therapy under the direction and supervision of a physical therapist licensed in this state. The supervising licensed physical therapist shall be available to the provisional licensed physical therapist assistant at all times either in person or via telecommunications. The board shall determine by rule the scope of practice of the provisional licensed physical therapist assistant and the amount of time and type of supervision of the provisional licensed physical therapist assistant by the supervising licensed physical therapist.

3. A provisional license shall be renewed annually by submitting an application to the board on a form prescribed by the board.

4. If a supervising licensed physical therapist is unable to continue supervising a provisional licensed physical therapist assistant, the provisional licensed physical therapist assistant shall cease practicing immediately and the provisional license shall terminate. The board shall adopt by rule procedures for reinstatement of the provisional license if the person obtains a new supervising licensed physical therapist."; and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Ruestman, **House Amendment No. 2** was adopted.

Representative Wright offered **House Amendment No. 3**.

Representative Byrd raised a point of order that **House Amendment No. 3** goes beyond the scope of the bill.

The Chair ruled the point of order well taken.

Representative Jones offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Substitute for House Committee Substitute for House Bill No. 564, Page 1, In the Title, Line 21, by inserting before the period on said line the following:

"with an emergency clause"; and

Further amend said bill, Page 15, Section 324.409, Line 4, by inserting after all of said line the following:

"324.526. 1. Notwithstanding any provision of the law to the contrary, the director of the division of professional registration shall issue a temporary license to practice tattooing, body piercing, or branding under the following requirements:

(1) The applicant for temporary licensure is entering the state of Missouri for the sole purpose of participating in a state or national convention wherein the applicant will be practicing the profession of tattooing, body piercing, or branding;

(2) The applicant files a completed application with the division at least two days prior to the start of the convention and tenders a fee of twenty-five dollars; and

(3) The applicant is otherwise qualified for licensure pursuant to sections 324.520 to 324.526, and the rules and regulations promulgated thereunder.

2. A temporary license to practice tattooing, body piercing, or branding issued pursuant to this section shall be valid for a period not to exceed fourteen days and shall not be renewable.

3. Notwithstanding the requirements of sections 620.127 and 620.145, RSMo, an applicant for temporary licensure pursuant to this section shall not be required to provide a Social Security number if the application is submitted by a citizen of a foreign country who has not been issued a Social Security number and who previously has not been licensed by any other state, United States territory, or federal agency."; and

Further amend said substitute, Page 40, Section 328.075, Lines 12, 13 and 14, by deleting the following **"have an educational equivalent to the successful completion of the tenth grade and"**; and

Further amend said substitute, Page 41, Section 328.075, Lines 11 and 12, by deleting the following **“, and have an education equivalent to the successful completion of the tenth grade”**; and

Further amend said bill, Page 178, Section B, Line 10, by inserting after all of said line the following:

"Section C. Because immediate action is necessary to increase and preserve state tourism and convention revenue in light of the current fiscal crisis, the enactment of section 324.526 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 324.526 of section A of this act shall be in full force and effect upon its passage and approval."; and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Jones, **House Amendment No. 4** was adopted.

Representative Holand offered **House Amendment No. 7.**

House Amendment No. 7

AMEND House Substitute for House Committee Substitute for House Bill No. 564, Page 2, Section A, Line 24, by inserting after all of said line the following:

"209.309. 1. The board may offer provisional certification to interpreters achieving a minimal level of certification established by the board. A provisional certification is limited to one year; during such year the interpreter must be reevaluated and achieve the next higher level of certification. If an evaluation slot is not available during the term of the provisional license, the interpreter may be granted an extension. A holder of a provisional certification may only be granted one extension. **A person nominated by a local public school district in Missouri shall be granted a provisional public school certificate when all of the following conditions are met:**

(1) **The local school district certifies that it was unable to locate an interpreter certified and licensed pursuant to sections 209.319 to 209.339, and otherwise acceptable to the local school district for employment, to accept the position;**

(2) **The local school district certifies that the person has demonstrated the skills necessary for the**

assignment to the satisfaction of the local school district;

(3) The local school district certifies that failure to employ the person would, to the best of their knowledge, result in noncompliance with applicable state or federal statutes or regulations; and

(4) The person nominated certifies that they will begin the application process for the certification and licensure requisite pursuant to sections 209.319 to 209.339 within ninety days.

2. Provisional public school certificates shall be issued within seventy-two hours of application containing the above certifications, and shall remain valid for eighteen months or until the person obtains the certification and licensure otherwise required by sections 209.319 to 209.339.

3. Provisional public school certificates may be revoked when the person ends their employment with the school district or if the person commits any of the actions listed in subsections 1 to 5 of section 209.317.

209.321. 1. No person shall represent himself or herself as an interpreter or engage in the practice of interpreting as defined in section 209.285, **except as provided in subsection 6 of this section**, in the state of Missouri unless such person is licensed as required by the provisions of sections 209.319 to 209.339.

2. A person registered, certified or licensed by this state, another state or any recognized national certification agent, acceptable to the committee that allows that person to practice any other occupation or profession in this state, is not considered to be interpreting if he or she is in performance of the occupation or profession for which he or she is registered, certified or licensed. The professions referred to in this subsection include, but are not limited to, physicians, psychologists, nurses, certified public accountants, architects and attorneys.

3. A licensed interpreter shall limit his or her practice to demonstrated areas of competence as documented by relevant professional education, training, experience and certification. An interpreter not trained in an area shall not practice in that area without obtaining additional relevant professional education, training and experience through an acceptable program as defined by rule by the Missouri commission for the deaf and hard of hearing.

4. A person is not considered to be interpreting pursuant to the provisions of this section if, in a casual setting and as defined by rule, a person is acting as an interpreter gratuitously or is engaged in interpreting incidental to traveling.

5. A person is not considered to be interpreting pursuant to the provisions of this section if a person is engaged as a telecommunications operator providing deaf relay service or operator services for the deaf.

6. A person granted a provisional certificate to interpret in a public school shall not be subject to the regular certification or licensure requirements of sections 209.319 to 209.339.

209.322. The board shall recognize the following certificates:

(1) National Registry of Interpreters for the Deaf (NRID) certificates, which include Comprehensive Skills Certificate (CSC), Certificate of Interpreting/Certificate of Transliteration (CI/CT) and Certified Deaf Interpreter (CDI); [and]

(2) National Association of the Deaf (NAD) certificate levels 3, 4 and 5; and

(3) A provisional public school certificate."; and

Further amend said title, enacting clause and intersectional references accordingly.

Representative Purgason assumed the Chair.

On motion of Representative Holand, **House Amendment No. 7** was adopted.

Representative Johnson (90) offered **House Amendment No. 8**.

House Amendment No. 8

AMEND House Substitute for House Committee Substitute for House Bill No. 564, by inserting on Page 75, at the end of Line 6, the following section:

"334.109. 1. A physician licensed pursuant to this chapter may collaborate and share responsibilities with a qualified person practicing independent of the physician and licensed as a health professional under the laws of this state with respect to preoperative and postoperative care for surgical patients, provided the patient agrees to having a portion of his or her preoperative and postoperative surgical care delivered by a health professional who is not the operating surgeon after having been fully informed about and acknowledging in writing all aspects

of the arrangement, including but not limited to the respective licensure and qualifications of each provider, the financial arrangements regarding division of fees, who will be responsible for each aspect of care, and the patient's right to accept or decline to participate in the arrangement.

2. A division of fees between providers sharing surgical care responsibilities must be based solely on the relative value of services provided to the patient which are reasonable and necessary for the patient's care.

3. A physician licensed pursuant to this chapter or another licensed health professional violates this section if such physician or professional does any of the following:

- (1) Demands to manage preoperative and postoperative care in return for making a surgical referral;
- (2) Threatens to withhold referrals to a surgeon who does not agree to participate in a collaboration arrangement;
- (3) Offers to delegate preoperative or postoperative care to a licensed health professional practicing independent of the surgeon in return for receiving a surgical referral; or
- (4) Initiates a collaboration arrangement with another licensed health professional when the patient otherwise would have been released from further care following surgery."; and

Further amend said title, enacting clause and intersectional references accordingly.

Representative Holand offered **House Amendment No. 12.**

House Amendment No. 12

AMEND House Substitute for House Committee Substitute for House Bill No. 564, Page 102, Section 334.717, Line 10, by inserting after all of said line the following:

"334.735. 1. As used in sections 334.735 to 334.749, the following terms mean:

- (1) "Applicant", any individual who seeks to become licensed as a physician assistant;
- (2) "Certification" or "registration", a process by a certifying entity that grants recognition to applicants meeting predetermined qualifications specified by such certifying entity;
- (3) "Certifying entity", the nongovernmental agency or association which certifies or registers individuals who have completed academic and training requirements;
- (4) "Department", the department of economic development or a designated agency thereof;
- (5) "License", a document issued to an applicant by the department acknowledging that the applicant is entitled to practice as a physician assistant;
- (6) "Physician assistant", a person who has graduated from a physician assistant program accredited by the American Medical Association's Committee on Allied Health Education and Accreditation or by its successor agency, who has passed the certifying examination administered by the National Commission on Certification of Physician Assistants and has active certification by the National Commission on Certification of Physician Assistants who provides health care services delegated by a licensed physician. A person who has been employed as a physician assistant for three years prior to August 28, 1989, who has passed the National Commission on Certification of Physician Assistants examination, and has active certification of the National Commission on Certification of Physician Assistants;
- (7) "Recognition", the formal process of becoming a certifying entity as required by the provisions of sections 334.735 to 334.749;
- (8) "Supervision", [control exercised over a physician assistant working within the same office facility of the supervising physician except a physician assistant may make follow-up patient examinations in hospitals, nursing homes and correctional facilities, each such examination being reviewed, approved and signed by the supervising physician] **overseeing the activities of, and accepting responsibility for, the medical services rendered by a physician assistant. The supervising physician shall at all times be immediately available to the physician assistant for consultation, assistance or intervention either personally or via telecommunications. A supervising physician shall**

be personally present for practice supervision and collaboration a minimum of twenty percent of clinic hours in any clinic location utilizing physicians assistants. The physician assistant shall be limited to practice at locations where the supervising physician is no further than thirty miles by road using the most direct route available, or in any other fashion so distanced as to create an impediment to effective intervention and supervision of patient care or adequate review of services; except that, physician assistants practicing in federally designated health professional shortage areas (HPSA) shall be limited to practice at locations where the supervising physician is no further than fifty miles by road, using the most direct route available. Only those physician assistants with active professional certification and a master's degree in science or health-related field shall be eligible to practice at a location other than where the supervising physician is personally and continuously present. The board shall promulgate rules pursuant to chapter 536, RSMo, for the [proximity of practice between the physician assistant and the supervising physician and] documentation of joint review of the physician assistant activity by the supervising physician and the physician assistant.

2. The scope of practice of a physician assistant shall consist only of the following services and procedures:

- (1) Taking patient histories;
- (2) Performing physical examinations of a patient;
- (3) Performing or assisting in the performance of routine office laboratory and patient screening procedures;
- (4) Performing routine therapeutic procedures;
- (5) Recording diagnostic impressions and evaluating situations calling for attention of a physician to institute treatment procedures;
- (6) Instructing and counseling patients regarding mental and physical health using procedures reviewed and approved by a licensed physician;
- (7) Assisting the supervising physician in institutional settings, including reviewing of treatment plans, ordering of tests and diagnostic laboratory and radiological services, and ordering of therapies, using procedures reviewed and approved by a licensed physician;
- (8) Assisting in surgery;
- (9) Performing such other tasks not prohibited by law under the supervision of a licensed physician as the [physician's] **physician** assistant has been trained and is proficient to perform;
- (10) Physician assistants shall not perform abortions.

3. Physician assistants shall not prescribe nor dispense any drug, medicine, device or therapy independent of consultation with the supervising physician, nor prescribe lenses, prisms or contact lenses for the aid, relief or correction of vision or the measurement of visual power or visual efficiency of the human eye, nor administer or monitor general or regional block anesthesia during diagnostic tests, surgery or obstetric procedures. Prescribing and dispensing of drugs, medications, devices or therapies by a physician assistant shall be pursuant to a physician assistant supervision agreement which is specific to the clinical conditions treated by the supervising physician and the physician assistant shall be subject to the following:

- (1) A physician assistant shall not prescribe controlled substances;
- (2) The types of drugs, medications, devices or therapies prescribed or dispensed by a physician assistant shall be consistent with the scopes of practice of the physician assistant and the supervising physician;
- (3) All prescriptions shall conform with state and federal laws and regulations and shall include the name, address and telephone number of the physician assistant and the supervising physician;
- (4) A physician assistant or advanced practice nurse as defined in section 335.016, RSMo, may request, receive and sign for noncontrolled professional samples and may distribute professional samples to patients;
- (5) A physician assistant shall not prescribe any drugs, medicines, devices or therapies the supervising physician is not qualified or authorized to prescribe; and
- (6) A physician assistant may only dispense starter doses of medication to cover a period of time for seventy-two hours or less.

4. A physician assistant shall clearly identify himself or herself as a physician assistant and shall not use or permit to be used in the physician assistant's behalf the terms "doctor", "Dr." or "doc" nor hold himself or herself out in any way to be a physician or surgeon. No physician assistant shall practice or attempt to practice without physician supervision or in any location where the supervising physician is not immediately available for consultation, assistance and intervention, except in an emergency situation, nor shall any physician assistant bill a patient independently or directly for any services or procedure by the physician assistant.

5. The physician assistant shall be a person who is a graduate of a physician assistant program accredited by the American Medical Association's Committee on Allied Health Education and Accreditation or its successor or is certified by a national nongovernmental agency or association, who has passed the National Commission on Certification of

Physician Assistants examination and has active certification by the National Commission on Certification of Physician Assistants or its successor. A person who has been employed as a physician assistant for three years prior to August 28, 1989, and has passed the National Commission on Certification of Physician Assistants examination shall be deemed to have met the academic requirements necessary for licensing. **All applicants for physician assistant licensure who complete their physician assistant training program after January 1, 2006, must have a master's degree in a health or medical science related field.**

6. For purposes of this section, the licensing of physician assistants shall take place within processes established by the state board of registration for the healing arts through rule and regulation. The board of healing arts is authorized to establish rules pursuant to chapter 536, RSMo, establishing licensing and renewal procedures, supervision, supervision agreements, fees, and addressing such other matters as are necessary to protect the public and discipline the profession. An application for licensing may be denied or the license of a physician assistant may be suspended or revoked by the board in the same manner and for violation of the standards as set forth by section 334.100, or such other standards of conduct set by the board by rule or regulation. Persons licensed pursuant to the provisions of chapter 335, RSMo, shall not be required to be licensed as physician assistants.

7. "Physician assistant supervision agreement" means a written agreement, jointly agreed upon protocols or standing order between a supervising physician and a physician assistant, which provides for the delegation of health care services from a supervising physician to a physician assistant and the review of such services.

8. When a physician assistant supervision agreement is utilized to provide health care services for conditions other than acute self-limited or well-defined problems, the supervising physician or other physician designated in the supervision agreement, shall see the patient for evaluation and approve or formulate the plan of treatment for new or significantly changed conditions as soon as practical, but in no case more than two weeks after the patient has been seen by the physician assistant.

9. At all times the physician is responsible for the oversight of the activities of, and accepts responsibility for, health care services rendered by the physician assistant.

10. No physician may be designated to serve as supervising physician for more than three full-time equivalent licensed physician assistants. This information shall not apply to physician assistant agreements of hospital employees providing in-patient care services in hospitals as defined in chapter 197, RSMo.

11. It is the responsibility of the supervising physician to determine and document the completion of at least a one-year period of time during which the licensed physician assistant shall practice with a supervising physician continuously present before practicing in a setting where a supervising physician is not continuously present."; and

Further amend said title, enacting clause and intersectional references accordingly.
