

JOURNAL OF THE HOUSE

First Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, WEDNESDAY, APRIL 23, 2003

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, You have said, "There is a way that seems right to a man, but its end is the way of destruction." Help us do what is right in Your sight, rather than what just seems right.

You've given us the strength to do it. We say "Yes" to You and Your plans.

We understand that "without good counsel, plans go awry, but in the multitude of counselors they are established." May we receive sound counsel from wise advisors and may we take that counsel to heart.

Show us what is good and proper in every situation. May Your peace, love, and mercy prevail in our lives, our families, our state, and our nation.

Now may the grace of our Lord and the love of God be with us all.

To You be the glory, both now and forever. In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Ryan Kerans, Rachel Croon, Constance Noah, Jessi Stewart, Cara Stewart and Allissa Schoenberger.

The Journal of the fifty-seventh day was approved as corrected by the following vote:

COMMITTEE REPORTS

Committee on Budget, Chairman Bearden reporting:

Madam Speaker: Your Committee on Budget, to which was referred **HS HCS HB 121** (Fiscal Note), begs leave to report it has examined the same and recommends that it **Do Pass**.

Committee on Administration and Accounts, Chairman Miller reporting:

Madam Speaker: Your Committee on Administration and Accounts, to which was referred **HR 1847**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE RESOLUTION NO. 1847

WHEREAS, Section 21.155, RSMo, provides that the House of Representatives may, by resolution, continue in employment such number of efficient employees after any adjournment of a regular session or sine die adjournment of the General Assembly as may be necessary for operation of the House; and

WHEREAS, the House of Representatives will have need for secretarial, administrative, and research, budget, and support staff after the adjournment of the House on May 16, 2003; and

WHEREAS, employees of the House of Representatives are designated and funded in House Bill No. 12, including those employees who may be needed for veto, special, or extraordinary sessions of the House:

NOW, THEREFORE, BE IT RESOLVED that the Missouri House of Representatives, Ninety-second General Assembly, may employ for the period between May 16, 2003, and January 7, 2004, such employees as are necessary to perform the duties of the House, not to exceed that amount authorized pursuant to appropriation. Such employees shall include necessary secretarial, administrative, and research, budget, and support staff personnel appointed by the Speaker whose terms of employment are established by the Committee on Administration and Accounts.

Committee on Agriculture, Chairman Myers reporting:

Madam Speaker: Your Committee on Agriculture, to which was referred **HCR 3**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE CONCURRENT RESOLUTION NO. 3

WHEREAS, a permanent electronic identification device to track all red meat-producing livestock from farm to table would be a great protective device for anti-bioterrorism; and

WHEREAS, such devices would be useful to the producers of red meat-producing livestock in controlling diseases as a method of tracing such livestock back to the farm; and

WHEREAS, such devices would be beneficial in providing producers with livestock carcass information, including the rate of gain; and

WHEREAS, such devices would be most useful in generating information on the concept of "farm to table" to protect American consumers:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-second General Assembly, First Regular Session, the Senate concurring therein, hereby encourage the Animal and Plant Inspection Service of the United States Department of Agriculture to develop and promulgate a permanent electronic identification program to be used on all red meat-producing livestock that would gather information and help protect the United States' consumer in the event of a bioterrorist threat; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the United States Department of Agriculture.

Madam Speaker: Your Committee on Agriculture, to which was referred **HCR 5**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE CONCURRENT RESOLUTION NO. 5

WHEREAS, the Missouri Department of Agriculture has expressed a strong need for a biosafety level 3 lab to be housed on the veterinary school campus at the University of Missouri-Columbia;

WHEREAS, a biosafety level 3 lab would bridge gaps within the University and the University and the Department of Agriculture, the Department of Conservation, and the Department of Health and Senior Services in protecting the environment from agents that are a potential threat to plants and animals, but not to humans; and

WHEREAS, the Missouri Farm Bureau, the Missouri Veterinary Medical Association, the Governor's Chronic Wasting Disease Task Force, and the Missouri Livestock and Poultry Health Council have all expressed support of the establishment of a biosafety level 3 lab in the State of Missouri; and

WHEREAS, the establishment of a biosafety level 3 lab is of critical importance to the Department of Conservation because of the threat chronic wasting disease poses for Missouri deer and elk herds. Since there currently is no biosafety level 3 lab in the state, the 6,000 samples taken during the most recent deer season in Missouri are being sent to other laboratories across the country, which will most likely result in delays of several months in receiving test results; and

WHEREAS, the establishment of a biosafety level 3 lab in the State of Missouri will provide the necessary infrastructure to assist infectious disease specialists and researchers who work with highly infectious pathogens to do so in a safe and controlled environment:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-second General Assembly, First Regular Session, the Senate concurring therein, hereby encourage and recommend the establishment of a biosafety level 3 lab on the veterinary school campus of the University of Missouri-Columbia; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for University of Missouri-Columbia Veterinary School, the Director of the Department of Agriculture, the Department of Conservation, and the Director of the Department of Health and Senior Services.

Committee on Judiciary, Chairman Byrd reporting:

Madam Speaker: Your Committee on Judiciary, to which was referred **SB 521**, begs leave to report it has examined the same and recommends that the **House Committee Substitute Do Pass**.

ADJOURNMENT

On motion of Representative Crowell, the House adjourned until 9:00 a.m., Thursday, April 24, 2003.
