

JOURNAL OF THE HOUSE

First Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-NINTH DAY, MONDAY, MAY 12, 2003

Speaker Hanaway in the Chair.

Prayer by Father David Buescher.

God, Creative Spirit, we thanked You yesterday for our mothers. You are a God of all societies, families, and communities. We trust that You attend here in the body politic as well. Gather all of us here into Your midst, that these men and women discover again in their centers and souls energy, strength, and wisdom – gifts of Your making.

During this, the last week of this 2003 Legislative Session, we especially need Your ingenious and resourceful company in our words and work. May the fatigue of long hours, difficult judgments and decisions, and many votes not sway the hope that in the middle of our lives dwells the presence of the heart of all societies and nations, You who live with us and guide us forever. Amen.

The Pledge of Allegiance to the flag was lead by MarQuan Pennington.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: MarQuan Pennington.

The Journal of the sixty-eighth day was approved as corrected by the following vote:

The ballot of submission shall be in substantially the following form:

Shall the (name of district) impose a sales tax of (insert rate) to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the proposal, then the sales tax shall become effective on the first day of the second calendar quarter immediately following the election. If a majority of the votes cast oppose the proposal, then the district shall not impose the sales tax authorized in this section until after the district has submitted another such sales tax proposal and the proposal is approved by a majority of the qualified voters voting thereon. However, if a sales tax proposal is not approved, the district shall not resubmit a proposal to the voters pursuant to this section sooner than twelve months from the date of the last proposal submitted pursuant to this section.

9. There is hereby created the "Exhibition Center and Recreational Facility District Sales Tax Trust Fund", which shall consist of all revenue collected pursuant to this section. The director of revenue shall be custodian of the trust fund, and moneys in the trust fund shall be used solely for the purposes authorized in this section. Moneys in the trust fund shall be considered nonstate funds pursuant to section 15, article IV, Constitution of Missouri. The director of revenue shall invest moneys in the trust fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the trust fund. All sales taxes collected by the director of revenue pursuant to this section on behalf of the district, less one percent for the cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in the trust fund. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which was collected in the district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of the officers

of each district and the general public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district. The director of revenue may authorize refunds from the amounts in the trust fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of the district.

10. The sales tax authorized by this section is in addition to all other sales taxes allowed by law. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, apply to the sales tax imposed pursuant to this section.

11. Any sales tax imposed pursuant to this section shall reduce to a rate of one-tenth of one percent twenty-five years from the effective date of the sales tax unless an extension of the sales tax is submitted to and approved by the qualified voters in each district in the manner provided in this section. Each extension of the sales tax shall be for a period not to exceed twenty years. The ballot of submission for the extension shall be in substantially the following form:

Shall the (name of district) extend the sales tax of (insert rate) for a period of (insert number of years) years to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the rate and for the time period approved by the voters. If a majority of the votes cast oppose the extension, then the district shall reduce the sales tax rate to one-tenth of one percent. If a sales tax extension is not approved, the district may submit another sales tax proposal as authorized in this section, but the district shall not submit such a proposal to the voters sooner than twelve months from the date of the last extension submitted.

12. Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270, RSMo, or repurchase agreements secured by such securities. If the district abolishes the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

13. In the event that the district is dissolved or terminated by any means, the governing bodies of the counties in the district shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing bodies of the counties, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the county treasurer of each county in the district and take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears to the total levy for the district in the previous three years or since the establishment of the district, whichever time period is shorter. Upon payment to the county treasurers, the trustee shall deliver to the clerk of the governing body of any county in the district all books, papers, records, and deeds belonging to the dissolved district.

14. After August 28, 2003, any county of the first classification with more than one hundred thirty-five thousand four hundred but less than one hundred thirty-five thousand five hundred inhabitants may create a district in any unincorporated area of the county, or in any incorporated area of the county upon approval of the governing body of the incorporated area by ordinance, pursuant to this section upon the filing of the required petition signed by all of the owners of property within the proposed district with the governing body of the county and upon unanimous approval of all owners of property within the district of the order creating the district and

the proposed sales tax ballot question. In the event that any county creates a district pursuant to this subsection, and no registered voters reside within the boundaries of the district, the proposed sales tax ballot question and the extension of the sales tax authorized by this section shall be submitted to the qualified voters of the county.

Further amend said bill, Page 20, Section 473.730, Line 3 of said page, by inserting immediately after said line the following:

“558.019. 1. This section shall not be construed to affect the powers of the governor under article IV, section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020, RSMo, section 558.018 or section 571.015, RSMo, which set minimum terms of sentences, or the provisions of section 559.115, RSMo, relating to probation.

2. The provisions of this section shall be applicable to all classes of felonies except those set forth in chapter 195, RSMo, and those otherwise excluded in subsection 1 of this section. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of a defendant after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include commitment to a regimented discipline program established pursuant to section 217.378, RSMo. Other provisions of the law to the contrary notwithstanding, any defendant who has pleaded guilty to or has been found guilty of a felony other than a dangerous felony as defined in section 556.061, RSMo, and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the defendant has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the defendant must serve shall be forty percent of his sentence or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(2) If the defendant has two previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the defendant must serve shall be fifty percent of his sentence or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(3) If the defendant has three or more previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the defendant must serve shall be eighty percent of his sentence or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

3. Other provisions of the law to the contrary notwithstanding, any defendant who has pleaded guilty to or has been found guilty of a dangerous felony as defined in section 556.061, RSMo, and is committed to the department of corrections shall be required to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for crimes committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the defendant before he is eligible for parole, conditional release or other early release by the department of corrections. Except that the board of probation and parole, in the case of consecutive sentences imposed at the same time pursuant to a course of conduct constituting a common scheme or plan, shall be authorized to convert consecutive sentences to concurrent sentences, when the board finds, after hearing with notice to the prosecuting or circuit attorney, that the sum of the terms results in an unreasonably excessive total term, taking into consideration all factors related to the crime or crimes committed and the sentences received by others similarly situated.

6. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for defendants convicted of the same or similar crimes and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall establish a system of recommended sentences, within the statutory minimum and maximum sentences provided by law for each felony committed under the laws of this state. This system of recommended sentences shall be distributed to all sentencing courts within the state of Missouri. The recommended sentence for each crime shall take into account, but not be limited to, the following factors:

(a) The nature and severity of each offense;

(b) The record of prior offenses by the offender;
(c) The data gathered by the commission showing the duration and nature of sentences imposed for each crime;
and

(d) The resources of the department of corrections and other authorities to carry out the punishments that are imposed.

(4) The commission shall publish and distribute its system of recommended sentences on or before July 1, 1995. The commission shall study the implementation and use of the system of recommended sentences until July 1, 1998, and return a final report to the governor, the speaker of the house of representatives, and the president pro tem of the senate. Following the July 1, 1998, report, the commission may revise the recommended sentences every three years.

(5) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(6) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(7) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

7. If the imposition or execution of a sentence is suspended, the court may consider ordering restorative justice methods pursuant to section 217.777, RSMo, including any or all of the following, or any other method that the court finds just or appropriate:

- (1) Restitution to any victim for costs incurred as a result of the offender's actions;
- (2) Offender treatment programs;
- (3) Mandatory community services;
- (4) Work release programs in local facilities; and
- (5) Community-based residential and nonresidential programs.

8. If the imposition or execution of a sentence is suspended, in addition to the provisions of subsection 7 of this section, the court may order the assessment and payment of a designated amount of money to a county crime reduction fund established by the county commission pursuant to section 50.565, RSMo. Such contribution shall not exceed one thousand dollars for any charged offense. Any money deposited into the county crime reduction fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565, RSMo. County crime reduction funds shall be audited as are all other county funds.

[7.] 9. The provisions of this section shall apply only to offenses occurring on or after August 28, 1994.”; and

“559.021. 1. The conditions of probation shall be such as the court in its discretion deems reasonably necessary to ensure that the defendant will not again violate the law. When a defendant is placed on probation he shall be given a certificate explicitly stating the conditions on which he is being released.

2. In addition to such other authority as exists to order conditions of probation, the court may order such conditions as the court believes will serve to compensate the victim, any dependent of the victim, or society. Such conditions may include, but shall not be limited to:

- (1) Restitution to the victim or any dependent of the victim, in an amount to be determined by the judge; and
- (2) The performance of a designated amount of free work for a public or charitable purpose, or purposes, as determined by the judge.

3. In addition to such other authority as exists to order conditions of probation, in the case of a plea of guilty or a finding of guilt, the court may order the assessment and payment of a designated amount of money to a county crime reduction fund established by the county commission pursuant to section 50.565, RSMo. Such contribution shall not exceed one thousand dollars for any charged offense. Any money deposited into the county crime reduction fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565, RSMo. County crime reduction funds shall be audited as are all other county funds.

[3.] 4. The defendant may refuse probation conditioned on the performance of free work. If he does so, the court shall decide the extent or duration of sentence or other disposition to be imposed and render judgment accordingly. Any county, city, person, organization, or agency, or employee of a county, city, organization or agency charged with the supervision of such free work or who benefits from its performance shall be immune from any suit by the defendant or any person deriving a cause of action from him if such cause of action arises from such supervision of performance, except for an intentional tort or gross negligence. The services performed by the defendant shall not be deemed

employment within the meaning of the provisions of chapter 288, RSMo. A defendant performing services pursuant to this section shall not be deemed an employee within the meaning of the provisions of chapter 287, RSMo.

[4.] 5. The court may modify or enlarge the conditions of probation at any time prior to the expiration or termination of the probation term.

6. **The defendant may refuse probation conditioned on a payment to a county crime reduction fund. If he or she does so, the court shall decide the extent or duration of sentence or other disposition to be imposed and render judgment accordingly. A judge may order payment to a crime reduction fund only if such fund had been created prior to sentencing by ordinance or resolution of a county of the state of Missouri. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering the probationers to make payments. A defendant who fails to make a payment or payments to a county crime reduction fund may not have his probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.”; and**

on the registry” insert the words **“unless the events which caused that person’s name to be placed on the registry are currently under investigation or an appeal of the division’s determination is currently pending”**.

Senate Amendment No. 24

AMEND Senate Substitute for House Substitute for House Committee Substitute for House Bill Nos. 679 & 396, Page 70, Section 210.113, Line 18 of said page, by inserting immediately after said line the following:

“210.115. 1. When any physician, medical examiner, coroner, dentist, chiropractor, optometrist, podiatrist, resident, intern, nurse, hospital or clinic personnel that are engaged in the examination, care, treatment or research of persons, and any other health practitioner, psychologist, mental health professional, social worker, day care center worker or other child-care worker, juvenile officer, probation or parole officer, jail or detention center personnel, teacher, principal or other school official, minister as provided by section 352.400, RSMo, [Christian Science practitioner,] peace officer or law enforcement official, or other person with responsibility for the care of children has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect, that person shall immediately report or cause a report to be made to the division in accordance with the provisions of sections 210.109 to 210.183. As used in this section, the term “abuse” is not limited to abuse inflicted by a person responsible for the child's care, custody and control as specified in section 210.110, but shall also include abuse inflicted by any other person.

2. Whenever such person is required to report pursuant to sections 210.109 to 210.183 in an official capacity as a staff member of a medical institution, school facility, or other agency, whether public or private, the person in charge or a designated agent shall be notified immediately. The person in charge or a designated agent shall then become responsible for immediately making or causing such report to be made to the division. Nothing in this section, however, is meant to preclude any person from reporting abuse or neglect.

3. Notwithstanding any other provision of sections 210.109 to 210.183, any child who does not receive specified medical treatment by reason of the legitimate practice of the religious belief of the child's parents, guardian, or others legally responsible for the child, for that reason alone, shall not be found to be an abused or neglected child, and such parents, guardian or other persons legally responsible for the child shall not be entered into the central registry. However, the division may accept reports concerning such a child and may subsequently investigate or conduct a family assessment as a result of that report. Such an exception shall not limit the administrative or judicial authority of the state to ensure that medical services are provided to the child when the child's health requires it.

4. In addition to those persons and officials required to report actual or suspected abuse or neglect, any other person may report in accordance with sections 210.109 to 210.183 if such person has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect.

5. Any person or official required to report pursuant to this section, including employees of the division, who has probable cause to suspect that a child who is or may be under the age of eighteen, who is eligible to receive a certificate of live birth, has died shall report that fact to the appropriate medical examiner or coroner. If, upon review of the circumstances and medical information, the medical examiner or coroner determines that the child died of natural causes while under medical care for an established natural disease, the coroner, medical examiner or physician shall notify the division of the child's death and that the child's attending physician shall be signing the death certificate. In all other cases, the medical examiner or coroner shall accept the report for investigation, shall immediately notify the division of the child's death as required in section 58.452, RSMo, and shall report the findings to the child fatality review panel established pursuant to section 210.192.

6. Any person or individual required to report may also report the suspicion of abuse or neglect to any law enforcement agency or juvenile office. Such report shall not, however, take the place of reporting or causing a report to be made to the division.

7. If an individual required to report suspected instances of abuse or neglect pursuant to this section has reason to believe that the victim of such abuse or neglect is a resident of another state or was injured as a result of an act which occurred in another state, the person required to report such abuse or neglect may, in lieu of reporting to the Missouri division of family services, make such a report to the child protection agency of the other state with the authority to receive such reports pursuant to the laws of such other state. If such agency accepts the report, no report is required to be made, but may be made, to the Missouri division of family services.”; and

Further amend said bill, page 130, Section 302.272, line 18 of said page, by inserting immediately after said line the following:

“352.400. 1. As used in this section, the following words and phrases shall mean:

(1) “Abuse”, any physical injury, sexual abuse, or emotional abuse, injury or harm to a child under circumstances required to be reported pursuant to sections 210.109 to 210.183, RSMo;

(2) “Child”, any person regardless of physical or mental condition, under eighteen years of age;

(3) “Minister”, any person while practicing as a minister of the gospel, clergyperson, priest, rabbi, **Christian Science practitioner**, or other person serving in a similar capacity for any religious organization who is responsible for or who has supervisory authority over one who is responsible for the care, custody, and control of a child or has access to a child;

(4) “Neglect”, failure to provide the proper or necessary support or services by those responsible for the care, custody, and control of a child, under circumstances required to be reported pursuant to sections 210.109 to 210.183, RSMo;

(5) “Religious organization”, any society, sect, persuasion, mission, church, parish, congregation, temple, convention or association of any of the foregoing, diocese or presbytery, or other organization, whether or not incorporated, that meets at more or less regular intervals for worship of a supreme being or higher power, or for mutual support or edification in piety or with respect to the idea that a minimum standard of behavior from the standpoint of overall morality is to be observed, or for the sharing of common religious bonds and convictions;

(6) “Report”, the communication of an allegation of abuse or neglect pursuant to sections 210.109 to 210.183, RSMo.

2. When a minister or agent designated pursuant to subsection 3 of this section has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect under circumstances required to be reported pursuant to sections 210.109 to 210.183, RSMo, the minister or designated agent shall immediately report or cause a report to be made as provided in sections 210.109 to 210.183, RSMo. Notwithstanding any other provision of this section or sections 210.109 to 210.183, RSMo, a minister shall not be required to report concerning a privileged communication made to him or her in his or her professional capacity.

3. A religious organization may designate an agent or agents required to report pursuant to sections 210.109 to 210.183, RSMo, in an official capacity on behalf of the religious organization. In the event a minister, official or staff member of a religious organization has probable cause to believe that the child has been subjected to abuse or neglect under circumstances required to be reported pursuant to sections 210.109 to 210.183, RSMo, and the minister, official or staff member of the religious organization does not personally make a report pursuant to sections 210.109 to 210.183, RSMo, the designated agent of the religious organization shall be notified. The designated agent shall then become responsible for making or causing the report to be made pursuant to sections 210.109 to 210.183, RSMo. This section shall not preclude any person from reporting abuse or neglect as otherwise provided by law.”; and

Further amend the title and enacting clause accordingly.

Children shall be promptly returned to the care and custody of a non-offending biological parent without regard for marital status where:

(1) The unmarried parents have continuously maintained joint domicile for a period of at least six months prior to the alleged incident, or where the parents are maintaining separate households; and

(2) Where a preponderance of the evidence indicates that only one of the parents is the subject of an investigation of abuse or neglect; and

(3) The non-offending parent does not have a history of criminal behavior, drug or alcohol abuse, child abuse, or child neglect, within the past five years; and

(4) Where the biological parents are maintaining joint domicile and offending parent is removed from the home either voluntarily or involuntarily, or when the biological parents live separately and the child must be removed from the home of the custodial parent; and

(5) A non-offending parent requests custody of the child and agrees to cooperate with any orders of the court limiting contact or establishing visitation with the abusive parent and the non-offending parent complies with such orders; and

(6) When the biological parents maintain joint domicile, it shall be presumed that the offending parent has given permission for the non-offending parent to live in the household; and

(7) The court shall order either a temporary or permanent change of custody of the child if the non-offending parent does not have legal custody of the child, and shall order modifications to any welfare benefits which may be required to assure the well being of the child.”; and

Further amend the title and enacting clause accordingly.
