

HB 163 -- Human Cloning

Co-Sponsors: Pratt, Yates, Dusenberg

This bill prohibits individuals from knowingly engaging or participating in human cloning and from knowingly using public funds to engage or attempt to engage in human cloning. It also prohibits individuals from knowingly using public facilities for engaging in or attempting to engage in human cloning and prohibits public employees from allowing other individuals to engage in or attempt to engage in human cloning while using public funds or public facilities. Violation of the bill is a class B felony.
