This bill revises provisions pertaining to the Kansas City Police Retirement System.

The Kansas City Police Department is required to grant authorized leave with pay to active police officers and civilian employees to attend educational seminars and similar functions for a period not to exceed 10 days in any calendar year. The bill requires that the educational seminars and similar functions be authorized by the Retirement Board.

If the City of Kansas City and the Kansas City Police Department adopt a program of incentives to encourage early retirement of members, the board is authorized to administer and pay the incentives established by the program. This provision is contingent upon the city requesting and agreeing to increase financial contributions to the police retirement system.

If the City of Kansas City and the Kansas City Police Department adopt a program of incentives to encourage early retirement of civilian employees, the Retirement Board for Civilian Employees is authorized to administer and pay the incentives established by the program. This provision is contingent upon the city requesting and agreeing to increase financial contributions to the civilian retirement system.

The bill also requires a funeral benefit of \$1,000 to be paid in addition to all other benefits for a civilian employee. Proper proof of death is required. If the funeral benefit for a civilian employee is less than the employee's accumulated contributions, an amount equal to the difference is required to be paid to the employee's designated beneficiary or personal representative.
