

HB 318 -- County Municipal Courts

Co-Sponsors: Baker, Davis (122), Rector

This bill allows the Cass County Commission to establish a county municipal court by county ordinance. The county municipal court will have jurisdiction over county ordinance violations and municipal ordinance violations for municipalities with which the county has a contract to prosecute. The county commission will establish by ordinance the number of judges to be appointed, their qualifications, the court's term and hours, pleading and appearance policies, and court costs.
