

HB 372 -- Regulation of Ephedrine

Co-Sponsors: Parker, Rupp, Smith (14), Dempsey, Sutherland, Green, Schneider, Davis (19), Brown, Threlkeld

This bill requires any person or business who displays or sells ephedrine products to store them behind a counter. This requirement does not apply to the sale of animal feed containing ephedrine or dietary supplements containing naturally occurring or herbal Ephedra or an extract of Ephedra.

The bill also exempts any person or business from penalty who can document the establishment of an employee training program that provides information to employees concerning the provisions of the bill.

Any person or business who violates the provisions of the bill will be guilty of a class A misdemeanor.
