

HB 443 -- Department of Transportation Employees' Annual Leave

Co-Sponsors: King, Davis (122)

This bill specifies the rate at which annual leave accrues for Department of Transportation employees.

The bill also gives employees three options for use of accrued annual leave which is in excess of their maximum leave balance. Employees may apply the excess accrued annual leave to their shared leave program, purchase retirement credits, or invest the cash equivalent into their deferred compensation plan, subject to certain restrictions.
