

SCS HB 491 -- BIENNIAL REGISTRATION

Currently, driveaway licenses and windshield placards for physically disabled persons are for one year. This bill allows applicants for both to choose a two-year period. The bill also provides language regarding the color scheme of license plates; reinstates language allowing any applicant registering property-carrying commercial motor vehicles to request an additional plate at a charge not to exceed \$15; requires plate tabs to be displayed in the designated area rather than in the middle of the plate; and provides standardized language which prohibits apportioned motor vehicles and commercial motor vehicles in excess of 18,000 pounds from obtaining special license plates.
