

HB 499 -- School District Subdistricts

Co-Sponsors: Walton, Hoskins

This bill requires the St. Louis County Board of Election Commissioners to create within 60 days after August 28, 2003, seven subdistricts in any school district that is within or that adjoins a school district within a street light maintenance district with less than 3,000 inhabitants. The bill sets up procedures for drawing subdistrict boundaries, how to apportion the subdistricts, transition provisions, and provisions for filling vacancies.
