

HB 510 -- Human Rights

Co-Sponsors: Hilgemann, Jones, Riback Wilson (25), Lowe, Campbell, Wilson (42), Boykins, Fraser, Haywood, Brooks, Hubbard

This bill prohibits discrimination based upon a person's sexual orientation. The bill defines "sexual orientation."

The bill also clarifies that discrimination includes cases where unfair treatment results from the guilty party's mere assumptions about the victim (e.g., race, religion, etc.), whether or not those assumptions are true or false.
