

HB 557 -- Unused Sick Leave for Retirement

Co-Sponsors: King, Davis (122)

This bill revises provisions pertaining to credited service for unused sick leave accumulated by members under the Highways and Transportation Employees' and Highway Patrol Retirement System (HTEHPRS), the Missouri State Employees' Retirement System (MOSERS), and the Missouri State Employees' Retirement System, Year 2000 Plan (MSEP 2000).

The bill repeals a provision which prohibits members of HTEHPRS and MOSERS from using credited sick leave to reach the required time for vesting.

The bill allows members retiring under HTEHPRS to use sick leave accruals to meet service requirements for normal retirement eligibility under the Year 2000 Plan.

Finally, the bill also prohibits members under MSEP 2000 from using credited sick leave for determining eligibility for retirement.
