

HB 601 -- Controlled Substances

Co-Sponsors: Hunter, Emery, Wallace, Wilson (130), Schneider, Viebrock, Jetton, Cooper (120), Dixon

This bill creates the crime of manufacturing a controlled substance near a school. The crime is a class A felony. A person commits the offense by manufacturing or distributing a controlled substance within 2,000 feet of school property, including a school bus. The term "school" includes both public and private schools grades K-12, as well as public or private colleges, universities, or public vocational schools.
