This bill allows for special license plates designated "Boy Scouts of America," "Girl Scouts of America," and "Gold Award."

To obtain these plates, a person must get an emblem-use authorization statement (\$25 contribution). Persons wanting a "Boy Scouts of America" plate must get the authorization statement from any local district council in the state. Persons wanting a "Girl Scouts of America" or "Gold Award" plate must get the authorization statement from the Girl Scouts of America. The use authorization statement must be presented to the Department of Revenue at the time of registration along with a \$15 fee in addition to the registration fee and other documents required by law. No additional fee will be charged for personalization of these plates.

Revenue collected from authorization contributions, minus any reasonable administrative cost, will be used solely for the purposes of the respective organizations.
