

HB 720 -- Human Resources

Sponsor: Meredith

This bill:

(1) Renames the Personnel Advisory Board as the Human Resources Advisory Board and the Division of Personnel of the Office of Administration as the Division of Human Resources;

(2) Requires the director to work with appointing authorities and allows the director to delegate duties as he or she deems necessary;

(3) Prohibits seeking, offering, or providing assistance for an examination conducted for employment;

(4) Prohibits any state employee from either obstructing or providing special or secret information to any person with respect to an employment prospect, with violation a class A misdemeanor;

(5) Requires that any order by the board regarding the appeal of a dismissal or involuntary demotion of a regular employee be a final decision subject to judicial review; and

(6) Requires that orders of reinstatement by the board include guidelines determining proper calculation of back pay.
