

HJR 12 -- Highways and Transportation Commission

Sponsor: Graham

This proposed constitutional amendment requires that beginning November 2006, members of the Highways and Transportation Commission be elected, with one from each congressional district. The terms of the commission will be for four years, except that the terms of the first members elected from odd-numbered congressional districts will be for two years. Vacancies on the commission will be filled by the Governor with the advice and consent of the Senate.
