22 (5) To investigate alleged violations of sections 313.800 to 313.850 or the commission
23 rules, orders, or final decisions;

24 (6) To assess any appropriate administrative penalty against a licensee, including, but
25 not limited to, suspension, revocation, and penalties of an amount as determined by the

27 on the gambling games, whether unauthorized or authorized, conducted during the previous
28 twelve months as well as confiscation and forfeiture of all gambling game equipment used in the

44 (11) To keep accurate and complete records of its proceedings and to certify the records
45 as may be appropriate;

46 (12) To ensure that the gambling games are conducted fairly. No gambling device shall
47 be set to pay out less than eighty percent of all wagers;

48 (13) To require all licensees of gambling game operations to use a cashless wagering
49 system whereby all players' money is converted to physical or electronic tokens, electronic cards,
50 or chips which only can be used for wagering on the excursion gambling boat;

51 (14) To require excursion gambling boat licensees to develop a system, approved by the
52 commission, that allows patrons the option to prohibit the excursion gambling boat licensee from

53 using identifying information for marketing purposes. The provisions of this subdivision shall
54 apply only to patrons giving identifying information for the first time. Such system shall be
55 submitted to the commission by October 1, 2000, and approved by the commission by January
56 1, 2001. The excursion gambling boat licensee shall use identifying information obtained from
57 patrons who have elected to have marketing blocked under the provisions of this section only for
58 the purposes of enforcing the requirements contained in sections 313.800 to 313.850. This
59 section shall not prohibit the commission from accessing identifying information for the
60 purposes of enforcing section 313.004 and sections 313.800 to 313.850;

61 (15) To determine which of the authorized gambling games will be permitted on any
62 licensed excursion gambling boat;

63 (16) Excursion gambling boats shall cruise, unless the commission finds that the best
64 interest of Missouri and the safety of the public indicate the need for continuous docking of the
65 excursion gambling boat in any city or county authorized pursuant to subsection 10 of section
66 313.812. The commission shall base its decision to allow continuously docked excursion
67 gambling boats on any of the following criteria: the docking location or the excursion cruise
68 could cause danger to the boat's passengers, violate federal law or the law of another state, or
69 cause disruption of interstate commerce or possible interference with railway or barge
70 transportation. In addition, the commission shall consider economic feasibility or impact that
71 would benefit land-based development and permanent job creation. The commission shall not
72 discriminate among applicants for continuous-docking excursion gambling that are similarly
73 situated with respect to the criteria set forth in this section;

74 (17) The commission shall render a finding concerning the possibility of continuous
75 docking, as described in subdivision (15) of this section, within thirty days after a hearing on any
76 request from an applicant or licensee. Such hearing may be held prior to any final action on
77 licensing to assist an applicant and any city or county in the finalizing of their economic
78 development plan;

79 (18) To require any applicant for a license or renewal of a license to operate an excursion
80 gambling boat to provide an affirmative action plan which has as its goal the use of best efforts
81 to achieve maximum employment of African-Americans and other minorities and maximum
82 participation in the procurement of contractual purchases of goods and services. This provision
83 shall be administered in accordance with all federal and state employment laws, including Title
84 VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991. At license
85 renewal, the licensee will report on the effectiveness of the plan. The commission shall include
86 the licensee's reported information in its annual report to the joint committee on gaming and
87 wagering;

88 (19) To take any other action as may be reasonable or appropriate to enforce sections
89 313.800 to 313.850 and the commission rules.
