---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Sections 302.130, 302.171, 302.177, 302.181, 302.720, and 302.735, RSMo, are repealed and six new sections enacted in lieu thereof, to be known as sections 302.130, 302.171, 302.177, 302.181, 302.720, and 302.735, to read as follows:

302.130. 1. Any person at least fifteen years of age who, except for age or lack of instruction in operating a motor vehicle, would otherwise be qualified to obtain a license pursuant to sections 302.010 to 302.340 may apply for and the director shall issue a temporary instruction permit entitling the applicant, while having such permit in the applicant's immediate possession, to drive a motor vehicle of the appropriate class upon the highways for a period of twelve months, but any such person, except when operating a motorcycle or motortricycle, must be accompanied by a licensed operator for the type of motor vehicle being operated who is actually occupying a seat beside the driver for the purpose of giving instruction in driving the motor vehicle, who is at least twenty-one years of age, and in the case of any driver under sixteen years of age, the licensed operator occupying the seat beside the driver shall be a grandparent, parent, guardian, a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or a qualified instructor of a private drivers' education program who has a valid driver's license. Beginning January 1, 2001, an applicant for a temporary instruction permit shall successfully complete a vision test and a test of the applicant's ability to understand highway signs which

16 regulate, warn or direct traffic and practical knowledge of the traffic laws of this state, pursuant  
17 to section 302.173. In addition, beginning January 1, 2001, no permit shall be granted pursuant  
18 to this subsection unless a parent or legal guardian gives written permission by signing the  
19 application and in so signing, state they, or their designee as set forth in subsection 2 of this  
20 section, will provide a minimum of twenty hours of behind-the-wheel driving instruction. The  
21 twenty hours of behind-the-wheel driving instruction that is completed pursuant to this  
22 subsection may include any time that the holder of an instruction permit has spent operating a  
23 motor vehicle in a driver training program taught by a driver training instructor holding a valid  
24 driver education endorsement on a teaching certificate issued by the department of elementary  
25 and secondary education or by a qualified instructor of a private drivers' education program. If  
26 the applicant for a permit is enrolled in a federal residential job training program, the instructor,  
27 as defined in subsection 5 of this section, is authorized to sign the application stating that the  
28 applicant will receive the behind-the-wheel driving instruction required by this section.

29         2. In the event the parent, grandparent or guardian of the person under sixteen years of  
30 age has a physical disability which prohibits or disqualifies said parent, grandparent or guardian  
31 from being a qualified licensed operator pursuant to this section, said parent, grandparent or  
32 guardian may designate a maximum of two individuals authorized to accompany the applicant  
33 for the purpose of giving instruction in driving the motor vehicle. An authorized designee must  
34 be a licensed operator for the type of motor vehicle being operated and have attained twenty-one  
35 years of age. At least one of the designees must occupy the seat beside the applicant while  
36 giving instruction in driving the motor vehicle. The name of the authorized designees must be  
37 provided to the department of revenue by the parent, grandparent or guardian at the time of  
38 application for the temporary instruction permit. The name of each authorized designee shall be  
39 printed on the temporary instruction permit, however, the director may delay the time at which  
40 permits are printed bearing such names until the inventories of blank permits and related forms  
41 existing on August 28, 1998, are exhausted.

42         3. The director, upon proper application on a form prescribed by the director, in his or  
43 her discretion, may issue a restricted instruction permit effective for a school year or more  
44 restricted period to an applicant who is enrolled in a high school driver training program taught  
45 by a driver training instructor holding a valid driver education endorsement on a teaching  
46 certificate issued by the state department of elementary and secondary education even though the  
47 applicant has not reached the age of sixteen years but has passed the age of fifteen years. Such  
48 instruction permit shall entitle the applicant, when the applicant has such permit in his or her  
49 immediate possession, to operate a motor vehicle on the highways, but only when a driver  
50 training instructor holding a valid driver education endorsement on a teaching certificate issued  
51 by the state department of elementary and secondary education is occupying a seat beside the

52 driver.

53 4. The director, in his or her discretion, may issue a temporary driver's permit to an  
54 applicant who is otherwise qualified for a license permitting the applicant to operate a motor  
55 vehicle while the director is completing the director's investigation and determination of all facts  
56 relative to such applicant's rights to receive a license. Such permit must be in the applicant's  
57 immediate possession while operating a motor vehicle, and it shall be invalid when the  
58 applicant's license has been issued or for good cause has been refused.

59 5. In the event that the applicant for a temporary instruction permit described in  
60 subsection 1 of this section is a participant in a federal residential job training program, the  
61 permittee may operate a motor vehicle accompanied by a driver training instructor who holds a  
62 valid driver education endorsement issued by the department of elementary and secondary  
63 education and a valid driver's license.

64 6. A person at least fifteen years of age may operate a motor vehicle as part of a driver  
65 training program taught by a driver training instructor holding a valid driver education  
66 endorsement on a teaching certificate issued by the department of elementary and secondary  
67 education or a qualified instructor of a private drivers' education program.

68 7. Beginning January 1, 2003, the director shall issue with every temporary instruction  
69 permit issued pursuant to subsection 1 of this section a sticker or sign bearing the words  
70 "PERMIT DRIVER". The design and size of such sticker or sign shall be determined by the  
71 director by regulation. Every applicant issued a temporary instruction permit and sticker on or  
72 after January 1, 2003, may display or affix the sticker or sign on the rear window of the motor  
73 vehicle. Such sticker or sign may be displayed on the rear window of the motor vehicle  
74 whenever the holder of the instruction permit operates a motor vehicle during his or her  
75 temporary permit licensure period.

76 8. **The director shall verify that an applicant for an instruction permit issued**  
77 **pursuant to this section is lawfully present in the United States prior to accepting the**  
78 **application. Verification of lawful presence shall be conducted pursuant to regulations**  
79 **promulgated by the director.**

80 9. **An applicant for an instruction permit issued pursuant to this section who is not**  
81 **a citizen of the United States shall not be issued an instruction permit for a duration that**  
82 **exceeds the applicant's lawful presence as authorized by the United States Immigration**  
83 **and Naturalization Service.**

84 10. The director may adopt rules and regulations necessary to carry out the provisions  
85 of this section.

302.171. 1. **The director shall verify that an applicant for a driver's license is**  
2 **lawfully present in the United States prior to accepting the application. Verification of**

3 **lawful presence shall be conducted pursuant to regulations promulgated by the director.**  
4 **An** application for a license shall be made upon an approved form furnished by the director.  
5 Every application shall state the full name, Social Security number, age, height, weight, color of  
6 eyes, sex, residence, mailing address of the applicant, and the classification for which the  
7 applicant has been licensed, and, if so, when and by what state, and whether or not such license  
8 has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified,  
9 the date and reason for such suspension, revocation or disqualification and whether the applicant  
10 is making a one dollar donation to promote an organ donation program as prescribed in  
11 subsection 2 of this section. **A license or instruction permit issued pursuant to this chapter,**  
12 **shall contain the applicant's legal name as it appears on a birth certificate or as legally**  
13 **changed through marriage or court order. No name change by common usage based on**  
14 **common law shall be permitted.** The application shall also contain such information as the  
15 director may require to enable the director to determine the applicant's qualification for driving  
16 a motor vehicle; and shall state whether or not the applicant has been convicted in this or any  
17 other state for violating the laws of this or any other state or any ordinance of any municipality,  
18 relating to driving without a license, careless driving, or driving while intoxicated, or failing to  
19 stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without  
20 the owner's consent. The application shall contain a certification by the applicant as to the truth  
21 of the facts stated therein. Every person who applies for a license to operate a motor vehicle who  
22 is less than twenty-one years of age shall be provided with educational materials relating to the  
23 hazards of driving while intoxicated, including information on penalties imposed by law for  
24 violation of the intoxication-related offenses of the state. Beginning January 1, 2001, if the  
25 applicant is less than eighteen years of age, the applicant must comply with all requirements for  
26 the issuance of an intermediate driver's license pursuant to section 302.178.

27       2. An applicant for a license may make a donation of one dollar to promote an organ  
28 donor program. The director of revenue shall collect the donations and deposit all such  
29 donations in the state treasury to the credit of the organ donor program fund established in  
30 sections 194.297 to 194.304, RSMo. Moneys in the organ donor program fund shall be used  
31 solely for the purposes established in sections 194.297 to 194.304, RSMo, except that the  
32 department of revenue shall retain no more than one percent for its administrative costs. The  
33 donation prescribed in this subsection is voluntary and may be refused by the applicant for the  
34 license at the time of issuance or renewal of the license. The director shall make available an  
35 informational booklet or other informational sources on the importance of organ donations to  
36 applicants for licensure as designed by the organ donation advisory committee established in  
37 sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the  
38 licensee presents the completed application to the director whether the applicant is interested in

39 making the one dollar donation prescribed in this subsection and whether the applicant is  
40 interested in inclusion in the organ donor registry and shall also specifically inform the licensee  
41 of the ability to consent to organ donation by completing the form on the reverse of the license  
42 that the applicant will receive in the manner prescribed by subsection 6 of section 194.240,  
43 RSMo. The director shall notify the department of health and senior services of information  
44 obtained from applicants who indicate to the director that they are interested in registry  
45 participation, and the department of health and senior services shall enter the complete name,  
46 address, date of birth, race, gender and a unique personal identifier in the registry established in  
47 subsection 1 of section 194.304, RSMo.

48         3. An applicant for a license may make a donation of one dollar to promote a blindness  
49 education, screening and treatment program. The director of revenue shall collect the donations  
50 and deposit all such donations in the state treasury to the credit of the blindness education,  
51 screening and treatment program fund established in section 192.935, RSMo. Moneys in the  
52 blindness education, screening and treatment program fund shall be used solely for the purposes  
53 established in section 192.935, RSMo, except that the department of revenue shall retain no more  
54 than one percent for its administrative costs. The donation prescribed in this subsection is  
55 voluntary and may be refused by the applicant for the license at the time of issuance or renewal  
56 of the license. The director shall inquire of each applicant at the time the licensee presents the  
57 completed application to the director whether the applicant is interested in making the one dollar  
58 donation prescribed in this subsection.

302.177. 1. To all applicants for a license or renewal to transport persons or property  
2 classified in section 302.015 who are at least twenty-one years of age and under the age of  
3 seventy, and who submit a satisfactory application and meet the requirements set forth in  
4 sections 302.010 to 302.605, the director shall issue or renew a license upon the payment of a  
5 fee of thirty dollars; except that, no license shall be issued if an applicant's license is currently  
6 suspended, taken up, canceled, revoked, or deposited in lieu of bail.

7         2. To all applicants for a license or renewal who are between twenty-one and sixty-nine  
8 years of age, and who submit a satisfactory application and meet the requirements set forth in  
9 sections 302.010 to 302.605, the director shall issue or renew a license upon the payment of a  
10 fee of fifteen dollars; except that, no license shall be issued if an applicant's license is currently  
11 suspended, taken up, canceled, revoked, or deposited in lieu of bail.

12         3. All licenses issued pursuant to subsections 1 and 2 of this section shall expire on the  
13 applicant's birthday in the sixth year after issuance and must be renewed on or before the date  
14 of expiration, which date shall be shown on the license. The director shall have the authority to  
15 stagger the expiration date of driver's licenses and nondriver's licenses being issued or renewed  
16 over a six-year period.

17           4. To all applicants for a license or renewal to transport persons or property classified  
18 in section 302.015 who are between eighteen and twenty-one years of age or greater than  
19 sixty-nine years of age, and who submit a satisfactory application and meet the requirements set  
20 forth in sections 302.010 to 302.605, the director shall issue or renew a license upon the payment  
21 of a fee of fifteen dollars.

22           5. To all other applicants for a license or renewal less than twenty-one years of age or  
23 greater than sixty-nine years of age who submit a satisfactory application and meet the  
24 requirements set forth in sections 302.010 to 302.605, the director shall issue or renew a license  
25 upon the payment of a fee of seven dollars and fifty cents. All licenses issued pursuant to this  
26 subsection and subsection 4 of this section shall expire on the applicant's birthday in the third  
27 year after issuance.

28           **6. An applicant for a license issued pursuant to this section who is not a citizen of**  
29 **the United States shall not be issued a license for a duration that exceeds the applicant's**  
30 **lawful presence as authorized by the United States Immigration and Naturalization**  
31 **Service. The director may adopt rules necessary to allow the issuance of a temporary**  
32 **license when an applicant has less than one year of lawful presence authorization from the**  
33 **United States Immigration and Naturalization Service, provided the applicant has met all**  
34 **other requirements for licensing pursuant to this section.**

35           7. The director of revenue may adopt any rules and regulations necessary to carry out the  
36 provisions of this section. No rule or portion of a rule promulgated pursuant to the authority of  
37 this section shall become effective unless it has been promulgated pursuant to the provisions of  
38 chapter 536, RSMo.

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340  
2 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic  
3 or other comparable material. All licenses shall be manufactured of materials and processes that  
4 will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge or duplicate  
5 any license without ready detection. All licenses shall bear the licensee's Social Security number,  
6 if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that  
7 the licensee does not possess a Social Security number, or, if applicable, a certified statement  
8 must be submitted as provided in subsection 4 of this section. The license shall also bear the  
9 expiration date of the license, the classification of the license, the name, date of birth, residence  
10 address including the county of residence or a code number corresponding to such county  
11 established by the department, and brief description and colored photograph of the licensee, and  
12 a facsimile of the signature of the licensee. The director shall provide by administrative rule the  
13 procedure and format for a licensee to indicate on the back of the license together with the  
14 designation for an anatomical gift as provided in section 194.240, RSMo, the name and address

15 of the person designated pursuant to sections 404.800 to 404.865, RSMo, as the licensee's  
16 attorney in fact for the purposes of a durable power of attorney for health care decisions. No  
17 license shall be valid until it has been so signed by the licensee. If any portion of the license is  
18 prepared by a private firm, any contract with such firm shall be made in accordance with the  
19 competitive purchasing procedures as established by the state director of the division of  
20 purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social  
21 Security number shall serve as the applicant's license number. Where the licensee has no Social  
22 Security number, or where the licensee is issued a license without a Social Security number in  
23 accordance with subsection 4 of this section, the director shall issue a license number for the  
24 licensee and such number shall also include an indicator showing that the number is not a Social  
25 Security number.

26         2. All film involved in the production of photographs for licenses shall become the  
27 property of the department of revenue.

28         3. The license issued shall be carried at all times by the holder thereof while driving a  
29 motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any  
30 police officer or peace officer, or any other duly authorized person, for inspection when demand  
31 is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any  
32 duly authorized officer shall be presumptive evidence that such person is not a duly licensed  
33 operator.

34         4. The director of revenue shall issue a commercial or noncommercial driver's license  
35 without a Social Security number to an applicant therefor, who is otherwise qualified to be  
36 licensed, upon presentation to the director of a certified statement that the applicant objects to  
37 the display of the Social Security number on the license. The director shall assign an  
38 identification number, that is not based on a Social Security number, to the applicant which shall  
39 be displayed on the license in lieu of the Social Security number.

40         5. The director of revenue shall issue a license without the photograph to an applicant  
41 therefor, who is otherwise qualified to be licensed, upon presentation to the director of a  
42 statement on forms prescribed and made available by the department of revenue which states that  
43 the applicant is a member of a specified religious denomination which prohibits photographs of  
44 members as being contrary to its religious tenets. The license shall state thereon that no  
45 photograph is required because of the religious affiliation of the licensee. The director of  
46 revenue shall establish guidelines and furnish to each circuit court such forms as the director  
47 deems necessary to comply with this subsection. The circuit court shall not charge or receive any  
48 fee or court cost for the performance of any duty or act pursuant to this subsection.

49         6. The department of revenue may issue a temporary license without the photograph to  
50 out-of-state applicants and members of the armed forces, except that where such temporary

51 license is issued it shall be valid only until the applicant shall have had time to appear and have  
52 his or her picture taken and a license with his or her photograph issued.

53 7. The department of revenue shall issue upon request a nondriver's license card  
54 containing essentially the same information as the driver's license upon payment of six dollars  
55 if the applicant is under the age of sixty-five. **The director shall verify that an applicant for**  
56 **a nondriver's license issued pursuant to this section is lawfully present in the United States**  
57 **prior to accepting the application. Verification of lawful presence shall be conducted**  
58 **pursuant to regulations promulgated by the director.** An applicant who is sixty-five years  
59 of age or older may purchase a nondriver's license card without a photograph for one dollar or  
60 a nondriver's license card with a photograph for six dollars. All nondriver's licenses shall expire  
61 on the applicant's birthday in the sixth year after issuance. A person who has passed his or her  
62 seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. The  
63 nondriver's license card shall be used for identification purposes only and shall not be valid as  
64 a license.

65 8. **An applicant for a nondriver's license issued pursuant to this section who is not**  
66 **a citizen of the United States shall not be issued a nondriver's license for a duration that**  
67 **exceeds the applicant's lawful presence as authorized by the United States Immigration**  
68 **and Naturalization Service. If lawful presence is authorized for a period of less than six**  
69 **months, no nondriver's license shall be issued.**

70 9. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall  
71 become effective unless it is promulgated pursuant to the provisions of chapter 536, RSMo.

302.720. 1. Except when operating under an instruction permit as described in this  
2 section, no person may drive a commercial motor vehicle unless the person has been issued a  
3 commercial driver's license with applicable endorsements valid for the type of vehicle being  
4 operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit  
5 shall allow the holder of a valid license to operate a commercial motor vehicle when  
6 accompanied by the holder of a commercial driver's license valid for the vehicle being operated  
7 and who occupies a seat beside the individual, or reasonably near the individual in the case of  
8 buses, for the purpose of giving instruction in driving the commercial motor vehicle. A  
9 commercial driver's instruction permit shall be valid for the vehicle being operated for a period  
10 of not more than six months, and shall not be issued until the permit holder has met all other  
11 requirements of sections 302.700 to 302.780, except for the driving test. A permit holder, unless  
12 otherwise disqualified, may be granted one six-month renewal within a one-year period. The fee  
13 for such permit or renewal shall be five dollars. In the alternative, a commercial driver's  
14 instruction permit shall be issued for a thirty-day period to allow the holder of a valid driver's  
15 license to operate a commercial motor vehicle if the applicant has completed all other

16 requirements except the driving test. The permit may be renewed for one additional thirty-day  
17 period and the fee for the permit and for renewal shall be five dollars.

18 **2. No instruction permit shall be issued pursuant to this section unless the director**  
19 **verifies that the applicant is lawfully present in the United States prior to accepting the**  
20 **application.**

21 **3. No instruction permit shall be issued pursuant to this section for a duration that**  
22 **exceeds the applicant's lawful presence as authorized by the United States Immigration**  
23 **and Naturalization Service. If lawful presence is authorized for a period of less than six**  
24 **months, no permit shall be issued.**

25 **4.** No person may be issued a commercial driver's license until he has passed written and  
26 driving tests for the operation of a commercial motor vehicle which complies with the minimum  
27 federal standards established by the secretary and has satisfied all other requirements of the  
28 Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any  
29 other requirements imposed by state law. Applicants for a hazardous materials endorsement  
30 must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56)  
31 as specified and required by regulations promulgated by the secretary. Nothing contained in this  
32 subsection shall be construed as prohibiting the director from establishing alternate testing  
33 formats for those who are functionally illiterate; provided, however, that any such alternate test  
34 must comply with the minimum requirements of the Commercial Motor Vehicle Safety Act of  
35 1986 (Title XII of Pub. Law 99-570) as established by the secretary.

36 (1) The written and driving tests shall be held at such times and in such places as the  
37 superintendent may designate. A twenty-five dollar examination fee shall be paid by the  
38 applicant upon completion of any written or driving test. The director shall delegate the power  
39 to conduct the examinations required under sections 302.700 to 302.780 to any member of the  
40 highway patrol or any person employed by the highway patrol qualified to give driving  
41 examinations.

42 (2) The director shall adopt and promulgate rules and regulations governing the  
43 certification of third-party testers by the department of revenue. Such rules and regulations shall  
44 substantially comply with the requirements of 49 CFR Part 383, Section 383.75. A certification  
45 to conduct third-party testing shall be valid for one year, and the department shall charge a fee  
46 of one hundred dollars to issue or renew the certification of any third-party tester. Any  
47 third-party tester who violates any of the rules and regulations adopted and promulgated pursuant  
48 to this section shall be subject to having his certification revoked by the department. The  
49 department shall provide written notice and an opportunity for the third-party tester to be heard  
50 in substantially the same manner as provided in chapter 536, RSMo. If any applicant submits  
51 evidence that he has successfully completed a test administered by a third-party tester, the actual

52 driving test for a commercial driver's license may then be waived.

53 (3) Every applicant for renewal of a commercial driver's license shall provide such  
54 certifications and information as required by the secretary and if such person transports a  
55 hazardous material must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of  
56 Public Law 107-56) as specified and required by regulations promulgated by the secretary, such  
57 person shall be required to take the written test for such endorsement. A twenty-five dollar  
58 examination fee shall be paid for upon completion of such tests.

59 [3.] 5. A commercial driver's license may not be issued to a person while the person is  
60 disqualified from driving a commercial motor vehicle, when a disqualification is pending in any  
61 state or while the person's driver's license is suspended, revoked, or canceled in any state; nor  
62 may a commercial driver's license be issued unless the person first surrenders in a manner  
63 prescribed by the director any commercial driver's license issued by another state, which license  
64 shall be returned to the issuing state for cancellation.

302.735. 1. The application for a commercial driver's license shall include, but not be  
2 limited to, the legal name, mailing and residence address, if different, a physical description of  
3 the person, including sex, height, weight and eye color, the person's Social Security number, date  
4 of birth and any other information deemed appropriate by the director.

5 2. **The director shall verify that an applicant for a commercial driver's license**  
6 **issued pursuant to this section is lawfully present in the United States prior to accepting**  
7 **an application. Verification of lawful presence shall be conducted pursuant to regulations**  
8 **promulgated by the director.**
