Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 304.235, RSMo, is repealed and one new section enacted in lieu

304.235. All commercial motor vehicles shall be required to stop at an official weigh
2 station, or to be identified through automated means approved by this state and determined to
3 be in compliance without the necessity of stopping, except those licensed for a gross weight of
4 not more than eighteen thousand pounds shall not be required to stop or to be identified unless
