83 shall meet or exceed the standards of the National Safety Council's eight-hour "Defensive
84 Driving Course" or, in the case of a violation which occurred during the operation of a
85 motorcycle, the program shall meet the standards established by the director of the department
86 of public safety pursuant to sections 302.133 to [302.138] **302.137**. The completion of a
87 driver-improvement program or a motorcycle-rider training course shall not be accepted in lieu
88 of points more than one time in any thirty-six-month period and shall be completed within sixty
89 days of the date of conviction in order to be accepted in lieu of the assessment of points. Every
90 court having jurisdiction pursuant to the provisions of this subsection shall, within fifteen days
91 after completion of the driver-improvement program or motorcycle-rider training course by an
92 operator, forward a record of the completion to the director, all other provisions of the law to the
93 contrary notwithstanding. The director shall establish procedures for record keeping and the
94 administration of this subsection.

302.304. 1. The director shall notify by ordinary mail any operator of the point value
2 charged against the operator's record when the record shows four or more points have been
3 accumulated in a twelve-month period.

4 2. In an action to suspend or revoke a license or driving privilege under this section
5 points shall be accumulated on the date of conviction. No case file of any conviction for a
6 driving violation for which points may be assessed pursuant to section 302.302 may be closed
7 until such time as a copy of the record of such conviction is forwarded to the department of
8 revenue.

9 3. The director shall suspend the license and driving privileges of any person whose
10 driving record shows the driver has accumulated eight points in eighteen months.

11 4. The license and driving privilege of any person whose license and driving privilege
12 have been suspended under the provisions of sections 302.010 to 302.540 except those persons
13 whose license and driving privilege have been suspended under the provisions of subdivision (8)

14 of subsection 1 of section 302.302 or has accumulated sufficient points together with a
15 conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of
16 financial responsibility with the department of revenue, in accordance with chapter 303, RSMo,
17 and is otherwise eligible, shall be reinstated as follows:

18 (1) In the case of an initial suspension, thirty days after the effective date of the
19 suspension;

20 (2) In the case of a second suspension, sixty days after the effective date of the
21 suspension;

22 (3) In the case of the third and subsequent suspensions, ninety days after the effective
23 date of the suspension.

24

25 Unless proof of financial responsibility is filed with the department of revenue, a suspension
26 shall continue in effect for two years from its effective date.

27 5. The period of suspension of the driver's license and driving privilege of any person
28 under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has
29 accumulated sufficient points together with a conviction under subdivision (10) of subsection
30 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving
31 privilege as defined in section 302.010. Upon completion of such period of restricted driving
32 privilege, upon compliance with other requirements of law and upon filing of proof of financial
33 responsibility with the department of revenue, in accordance with chapter 303, RSMo, the license
34 and driving privilege shall be reinstated.

35 6. If the person fails to maintain proof of financial responsibility in accordance with
36 chapter 303, RSMo, the person's driving privilege and license shall be resuspended.

37 7. The director shall revoke the license and driving privilege of any person when the
38 person's driving record shows such person has accumulated twelve points in twelve months or
39 eighteen points in twenty-four months or twenty-four points in thirty-six months. **The**
40 **revocation period of any person whose license and driving privilege have been revoked**
41 **under subdivision (11) of subsection 1 of section 302.302 shall be as follows:**

42 **(1) One year, plus one year in which limited driving privilege may be permitted, if**
43 **the person's driving record shows no suspensions or revocations during the immediately**
44 **preceding seven years;**

45 **(2) Five years, plus two years in which limited driving privilege may be permitted,**
46 **if the person's driving record shows one suspension or revocation during the immediately**
47 **preceding seven years; or**

48 **(3) Ten years, plus three years in which limited driving privilege may be permitted,**
49 **if the person's driving record shows more than one suspension or revocation during the**

50 **immediately preceding seven years.**

51

52 **At the end of the revocation period, the revocation shall be terminated by a notice from the**
53 **director of revenue, if the person has filed proof of financial responsibility with the**
54 **department of revenue in accordance with chapter 303, RSMo, and is otherwise eligible.**

55 The revocation period of any person whose license and driving privilege have been revoked
56 under the provisions of sections 302.010 to 302.540 **other than subdivision (11) of subsection**
57 **1 of section 302.302** and who has filed proof of financial responsibility with the department of
58 revenue in accordance with chapter 303, RSMo, and is otherwise eligible, shall be terminated
59 by a notice from the director of revenue after one year from the effective date of the revocation.
60 Unless proof of financial responsibility is filed with the department of revenue, except as
61 provided in subsection 2 of section 302.541, the revocation shall remain in effect for [a period
62 of two years from its effective date] **an additional year**. If the person fails to maintain proof of
63 financial responsibility in accordance with chapter 303, RSMo, the person's license and driving
64 privilege shall be rerevoked. Any person whose license and driving privilege have been revoked
65 under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of
66 termination of the revocation from the director, pass the complete driver examination and apply
67 for a new license before again operating a motor vehicle upon the highways of this state.

68 8. If, prior to conviction for an offense that would require suspension or revocation of
69 a person's license under the provisions of this section, the person's total points accumulated are
70 reduced, pursuant to the provisions of section 302.306, below the number of points required for
71 suspension or revocation pursuant to the provisions of this section, then the person's license shall
72 not be suspended or revoked until the necessary points are again obtained and accumulated.

73 9. If any person shall neglect or refuse to surrender the person's license, as provided
74 herein, the director shall direct the state highway patrol or any peace or police officer to secure
75 possession thereof and return it to the director.

76 10. Upon the issuance of a reinstatement or termination notice after a suspension or
77 revocation of any person's license and driving privilege under the provisions of sections 302.010
78 to 302.540, the accumulated point value shall be reduced to four points, except that the points
79 of any person serving as a member of the armed forces of the United States outside the limits of
80 the United States during a period of suspension or revocation shall be reduced to zero upon the
81 date of the reinstatement or termination of notice. It shall be the responsibility of such member
82 of the armed forces to submit copies of official orders to the director of revenue to substantiate
83 such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary
84 notwithstanding, the effective date of the four points remaining on the record upon reinstatement
85 or termination shall be the date of the reinstatement or termination notice.

86 11. No credit toward reduction of points shall be given during periods of suspension or
87 revocation or any period of driving under a limited driving privilege granted by a court or the
88 director of revenue.

89 12. Any person or nonresident whose license or privilege to operate a motor vehicle in
90 this state has been suspended or revoked under this or any other law shall, before having the
91 license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee
92 of twenty dollars which shall be in addition to all other fees provided by law.

93 [13. Notwithstanding any other provision of law to the contrary, if after two years from
94 the effective date of any suspension or revocation issued under this chapter, the person or
95 nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such
96 license or privilege to operate a motor vehicle in this state.

97 14.] **13.** No person who has had a license to operate a motor vehicle suspended or
98 revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10)
99 of subsection 1 of section 302.302 shall have that license reinstated until such person has
100 participated in and successfully completed a substance abuse traffic offender program defined
101 in section 302.010, or a program determined to be comparable by the department of mental
102 health. Assignment recommendations, based upon the needs assessment as described in
103 subdivision (22) of section 302.010, shall be delivered in writing to the person with written
104 notice that the person is entitled to have such assignment recommendations reviewed by the court
105 if the person objects to the recommendations. The person may file a motion in the associate
106 division of the circuit court of the county in which such assignment was given, on a printed form
107 provided by the state courts administrator, to have the court hear and determine such motion
108 pursuant to the provisions of chapter 517, RSMo. The motion shall name the person or entity
109 making the needs assessment as the respondent and a copy of the motion shall be served upon
110 the respondent in any manner allowed by law. Upon hearing the motion, the court may modify
111 or waive any assignment recommendation that the court determines to be unwarranted based
112 upon a review of the needs assessment, the person's driving record, the circumstances
113 surrounding the offense, and the likelihood of the person committing a like offense in the future,
114 except that the court may modify but may not waive the assignment to an education or
115 rehabilitation program of a person determined to be a prior or persistent offender as defined in
116 section 577.023, RSMo, or of a person determined to have operated a motor vehicle with
117 fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with
118 the court determination of the motion shall satisfy the provisions of this section for the purpose
119 of reinstating such person's license to operate a motor vehicle. The respondent's personal
120 appearance at any hearing conducted pursuant to this subsection shall not be necessary unless
121 directed by the court.

122 [15.] 14. The fees for the program authorized in subsection [14] 13 of this section, or a
123 portion thereof to be determined by the department of mental health, shall be paid by the person
124 enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any
125 fee charged for the program, a supplemental fee in an amount to be determined by the department
126 of mental health for the purposes of funding the substance abuse traffic offender program defined
127 in section 302.010 and section 577.001, RSMo, or a program determined to be comparable by
128 the department of mental health. The administrator of the program shall remit to the division of
129 alcohol and drug abuse of the department of mental health on or before the fifteenth day of each
130 month the supplemental fee for all persons enrolled in the program, less two percent for
131 administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees
132 due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not
133 to exceed the annual rate established pursuant to the provisions of section 32.065, RSMo, plus
134 three percentage points. The supplemental fees and any interest received by the department of
135 mental health pursuant to this section shall be deposited in the mental health earnings fund which
136 is created in section 630.053, RSMo.

137 [16.] 15. Any administrator who fails to remit to the division of alcohol and drug abuse
138 of the department of mental health the supplemental fees and interest for all persons enrolled in
139 the program pursuant to this section shall be subject to a penalty equal to the amount of interest
140 accrued on the supplemental fees due the division pursuant to this section. If the supplemental
141 fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the
142 department of mental health within six months of the due date, the attorney general of the state
143 of Missouri shall initiate appropriate action of the collection of said fees and interest accrued.
144 The court shall assess attorney fees and court costs against any delinquent program.

145 **16. No person who has had a license to operate a motor vehicle suspended or**
146 **revoked shall have that license reinstated until such person has participated in and**
147 **successfully completed a driver-improvement program. To create eligibility for license**
148 **reinstatement, the person must enter and complete the driver-improvement program after**
149 **the date that the license was suspended or revoked. The driver-improvement program**
150 **shall meet or exceed the standards of the National Safety Council's twelve-hour**
151 **"Attitudinal Dynamics of Driving" course, shall include substantial content covering safe**
152 **practices and attitudes concerning vehicle interaction with pedestrians, bicyclists, and**
153 **motorcyclists, and shall cover state and local law concerning pedestrians, bicyclists, and**
154 **motorcyclists and their interaction with other vehicles.**

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309,
2 the director of revenue shall return the license to the operator immediately upon the termination
3 of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

4 2. Any operator whose license is revoked pursuant to these sections, upon the
5 termination of the period of revocation, shall apply for a new license in the manner prescribed
6 by law.

7 3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear
8 applications and make eligibility determinations granting limited driving privileges. Any
9 application may be made in writing to the director of revenue and the person's reasons for
10 requesting the limited driving privilege shall be made therein.

11 (2) When any court of record having jurisdiction or the director of revenue finds that an
12 operator is required to operate a motor vehicle in connection with any of the following:

- 13 (a) A business, occupation, or employment;
- 14 (b) Seeking medical treatment for such operator;
- 15 (c) Attending school or other institution of higher education;
- 16 (d) Attending alcohol or drug treatment programs; or
- 17 (e) Any other circumstance the court or director finds would create an undue hardship
18 on the operator;

19
20 the court or director may grant such limited driving privilege as the circumstances of the case
21 justify if the court or director finds undue hardship would result to the individual, and while so
22 operating a motor vehicle within the restrictions and limitations of the limited driving privilege
23 the driver shall not be guilty of operating a motor vehicle without a valid license.

24 (3) An operator may make application to the proper court in the county in which such
25 operator resides or in the county in which is located the operator's principal place of business or
26 employment. Any application for a limited driving privilege made to a circuit court shall name
27 the director as a party defendant and shall be served upon the director prior to the grant of any
28 limited privilege, and shall be accompanied by a copy of the applicant's driving record as
29 certified by the director. Any applicant for a limited driving privilege shall have on file with the
30 department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any
31 application by a person who transports persons or property as classified in section 302.015 may
32 be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if
33 proof of financial responsibility does not accompany the application, or if the applicant does not
34 have on file with the department of revenue proof of financial responsibility, the court or the
35 director has discretion to grant the limited driving privilege to the person solely for the purpose
36 of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and
37 the limited driving privilege must state such restriction. When operating such vehicle under such
38 restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for
39 that vehicle.

40 (4) The court order or the director's grant of the limited driving privilege shall indicate
41 the termination date of the privilege, which shall be not later than the end of the period of
42 suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the
43 director, and a copy shall be given to the driver which shall be carried by the driver whenever
44 such driver operates a motor vehicle. The director of revenue upon granting a limited driving
45 privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall
46 carry a copy of the limited driving privilege while operating a motor vehicle. A conviction
47 which results in the assessment of points pursuant to section 302.302, other than a violation of
48 a municipal stop sign ordinance where no accident is involved, against a driver who is operating
49 a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points
50 are assessed to the person's driving record. If the date of arrest is prior to the issuance of the
51 limited driving privilege, the privilege shall not be terminated. The director shall notify by
52 ordinary mail the driver whose privilege is so terminated.

53 (5) Except as provided in subdivision (6) of this subsection **and subsection 7 of section**
54 **302.304**, no person is eligible to receive a limited driving privilege who at the time of application
55 for a limited driving privilege has previously been granted such a privilege within the
56 immediately preceding five years, or whose license has been suspended or revoked for the
57 following reasons:

58 (a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any
59 similar provision of any federal or state law, or a municipal or county law where the judge in
60 such case was an attorney and the defendant was represented by or waived the right to an
61 attorney in writing, until the person has completed the first thirty days of a suspension or
62 revocation imposed pursuant to this chapter;

63 (b) A conviction of any felony in the commission of which a motor vehicle was used;

64 (c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5),
65 (6), (7), (8), (9), (10) or (11) of section 302.060;

66 (d) Because of operating a motor vehicle under the influence of narcotic drugs, a
67 controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as
68 provided in section 577.060, RSMo;

69 (e) Due to a revocation for the first time for failure to submit to a chemical test pursuant
70 to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if
71 such person has not completed the first ninety days of such revocation;

72 (f) Violation more than once of the provisions of section 577.041, RSMo, or a similar
73 implied consent law of any other state;

74 (g) Disqualification of a commercial driver's license pursuant to sections 302.700 to
75 302.780, however, nothing in this subsection shall prevent a person holding a commercial

76 driver's license who is suspended or revoked as a result of an action occurring while not driving
77 a commercial motor vehicle or driving for pay, but while driving in an individual capacity as an
78 operator of a personal vehicle from applying for a limited driving privilege to operate a
79 commercial vehicle, if otherwise eligible for such limited privilege; [or]

80 (h) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not
