AN ACT

To amend chapter 67, RSMo, by adding thereto one new section relating to mechanical codes.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 67, RSMo, is amended by adding thereto one new section, to be
2 known as section 67.2045, to read as follows:

67.2045. 1. Any county of the first classification with more than one hundred
2 ninety-eight thousand but less than one hundred ninety-nine thousand two hundred
3 inhabitants may enact an ordinance creating a mechanical code in order to ensure the
4 proper licensing of mechanical contractors and workers.

5 2. The provisions of a mechanical code must provide for, but are not limited to, the
6 following:

7 (1) The creation and compensation of a "Committee of Mechanical Code Review"
8 for the purposes of considering proposed changes to the mechanical code;

9 (2) The licensing of contractors and workers engaged in or performing HVAC
10 servicer-installer work, process piping system work, HVAC duct system work, or fire
11 suppression system work; and

12 (3) The registration of proof of financial responsibility prior to licensing by any
13 company, corporation, partnership, joint venture, individual, or other business entity that
14 performs work that requires a permit under the mechanical code.

15 3. An ordinance enacted pursuant to this section may create a board of examiners
16 for mechanical licensing to oversee the licensing of mechanical contractors and workers
17 and the enforcement of the provisions of this code.
