To repeal section 313.812, RSMo, and to enact in lieu thereof one new section relating to local approval for licensing of excursion gambling boats.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 313.812, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 313.812, to read as follows:

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

- (1) The recommended number of licensed excursion gambling boats operating in such city or county;
- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan

18 development;

19 (4) The city or county proposed sharing of revenue with any other municipality;

20 (5) Any other information such city or county deems necessary; and

22

23 The commission shall provide for due dates for receiving such plan from the city or county.

24 2. A license to operate an excursion gambling boat shall only be granted to an applicant
25 upon the express conditions that:

26 (1) The applicant shall not, by a lease, contract, understanding, or arrangement of any
27 kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed
28 under this section or of the system of wagering described in section 313.817. This section does
29 not prohibit a management contract with a person licensed by the commission; and

30 (2) The applicant shall not in any manner permit a person other than the licensee and the
31 management licensee to have a share, percentage, or proportion of the money received for
32 admissions to the excursion gambling boat.

33 3. The commission shall require, as a condition of granting a license, that an applicant
34 operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of
35 Missouri's or the home dock city's or county's riverboat history.

36 4. The commission shall encourage through its rules and regulations the use of Missouri
37 resources, goods and services in the operation of any excursion gambling boat.

38 5. The excursion gambling boat shall provide for nongaming areas, food service and a
39 Missouri theme gift shop. The amount of space used for gaming shall be determined in
40 accordance with all rules and regulations of the commission and the United States Coast Guard
41 safety regulations.

42 6. A license to operate gambling games or to operate an excursion gambling boat shall
43 not be granted unless the applicant has, through clear and convincing evidence, demonstrated
44 financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

45 7. Each applicant shall establish by clear and convincing evidence its fitness to be
46 licensed. Without limitation, the commission may deny a license based solely on the fact that
47 there is evidence that any of the following apply:

48 (1) The applicant has been suspended from operating an excursion gambling boat or a
49 game of chance or gambling operation in another jurisdiction by a board or commission of that
50 jurisdiction;

51 (2) The applicant is not the true owner of the enterprise proposed;

52 (3) The applicant is not the sole owner, and other persons have ownership in the

53 enterprise, which fact has not been disclosed;

54 (4) The applicant is a corporation that is not publicly traded and ten percent or more of
55 the stock of the corporation is subject to a contract or option to purchase at any time during the
56 period for which the license is to be issued unless the contract or option was disclosed to the
57 commission and the commission approved the sale or transfer during the period of the license;

58 (5) The applicant has knowingly made a false statement of a material fact to the
59 commission; or

60 (6) The applicant has failed to meet a valid, bona fide monetary obligation in connection
61 with an excursion gambling boat.

62 8. A license shall not be granted if the applicant has not established his good repute and
63 moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No
64 licensee shall employ or contract with any person who has pled guilty to, or has been convicted
65 of, a felony to perform any duties directly connected with the licensee's privileges under a license
66 granted pursuant to this section, except that employees performing nongaming related
67 occupations as determined by the commission shall be exempt from the requirements of this
68 subsection.

69 9. A licensee shall not lend to any person money or any other thing of value for the
70 purpose of permitting that person to wager on any gambling game authorized by law. This does
71 not prohibit credit card or debit card transactions or cashing of checks. Any check cashed must
72 be deposited within twenty-four hours. The commission may require licensees to verify a
73 sufficient account balance exists before cashing any check. Any licensee who violates the
74 provisions of this subsection shall be subject to an administrative penalty of five thousand dollars
75 for each violation. Such administrative penalties shall be assessed and collected by the
76 commission.

77 10. Gambling excursions including the operation of gambling games on an excursion
78 gambling boat which is not continuously docked shall be allowed only on the Mississippi River
79 and the Missouri River. No license to conduct gambling games on an excursion gambling boat
80 in a city or county shall be issued unless and until the qualified voters of the city or county
81 approve such activities pursuant to this subsection **and subsection 11 of this section**. The
82 question shall be submitted to the qualified voters of the city or county at a general, primary or
83 special election upon the motion of the governing body of the city or county or upon the petition
84 of fifteen percent of the qualified voters of the city or county determined on the basis of the
85 number of votes cast for governor in the city or county at the last election held prior to the filing

 100 submitted to and approved by a majority of the qualified voters of the city or county at a later
 101 election.

102

103 Excursion gambling boats may only dock in a city or unincorporated area of a county which
 104 approves licensing of such excursion gambling boats pursuant to this subsection **and subsection**
 105 **11 of this section**, but gambling operations may be conducted at any point on the Mississippi
 106 River or the Missouri River during an excursion. Those cities and counties which have approved

140 requirements of chapter 306, RSMo, and is subject to an inspection of its sanitary facilities to
141 protect the environment and water quality by the commission or its designee before a license to
142 operate an excursion gambling boat is issued by the commission. Licensed excursion gambling
143 boats shall also be subject to such inspections during the period of the license as may be deemed
