AN ACT

To repeal sections 287.141, 287.148, 287.149, 287.160, 287.170, 287.180, and 287.780, RSMo,
and to enact in lieu thereof seven new sections relating to workers' compensation
benefits.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Sections 287.141, 287.148, 287.149, 287.160, 287.170, 287.180, and
2 287.780, RSMo, are repealed and seven new sections enacted in lieu thereof, to be known as
3 sections 287.141, 287.148, 287.149, 287.160, 287.170, 287.180, and 287.780, to read as follows:

287.141. 1. The purpose of this section is to restore the injured person as soon as
2 possible and as nearly as possible to a condition of self-support and maintenance as an
3 able-bodied worker by physical rehabilitation. The provisions of this chapter relating to physical
4 rehabilitation shall be under the control of and administered by the director of the division of
5 workers' compensation. The division of workers' compensation shall make such rules and
6 regulations as may be necessary to carry out the purposes of this section, subject to the approval
7 of the labor and industrial relations commission of Missouri.

8 2. The division of workers' compensation shall continuously study the problems of
9 physical rehabilitation and shall investigate all rehabilitation facilities, both private and public,
10 and upon such investigation shall approve as qualified all such facilities, institutions and
11 physicians as are capable of rendering competent physical rehabilitation service for seriously
12 injured industrial workers. Rehabilitation facilities shall include medical, surgical, hospital and
13 physical restoration services. No facility or institution shall be considered as qualified unless it

**EXPLANATION — Matter enclosed in bold faced brackets [thus] in this bill is not enacted and is intended
to be omitted in the law. Matter in boldface type in the above law is proposed language.**

14 is equipped to provide physical rehabilitation services for persons suffering either from some
15 specialized type of disability or general type of disability within the field of industrial injury, and
16 unless such facility or institution is operated under the supervision of a physician qualified to
17 render physical rehabilitation service and is staffed with trained and qualified personnel and has
18 received a certificate of qualification from the division of workers' compensation. No physician
19 shall be considered as qualified unless he has had the experience prescribed by the division.

20 3. In any case of serious injury involving disability following the period of rendition of
21 medical aid as provided by subsection 1 of section 287.140, where physical rehabilitation is
22 necessary [if the employer or insurer shall offer such physical rehabilitation to the injured
23 employee and such physical rehabilitation is accepted by the employee], then in such case the
24 director of the division of workers' compensation shall be immediately notified thereof and
25 thereupon enter [his] **the director's** approval to such effect, and the director of the division of
26 workers' compensation shall requisition the payment of [forty dollars] **a sum equal to fifty**
27 **percent of the applicable temporary-total disability compensation rate** per week benefit from
28 the second injury fund in the state treasury to be paid to the employee while [he] **the employee**
29 is actually being rehabilitated, and shall immediately notify the state treasurer thereof by
30 furnishing [him] **the state treasurer** with a copy of [his] **the director's approval** order. But in
31 no case shall the period of physical rehabilitation extend beyond twenty weeks except in unusual
32 cases and then only by a special order of the division of workers' compensation for such
33 additional period as the division may authorize.

34 4. [In all cases where physical rehabilitation is offered and accepted or ordered by the
35 division, the employer or insurer shall have the right to select any physician, facility, or
36 institution that has been found qualified by the division of workers' compensation as above set
37 forth.

38 5.] If the parties disagree as to such physical rehabilitation treatment, where such
39 treatment appears necessary, then either the employee, the employer, or insurer may file a request
40 with the division of workers' compensation for an order for physical rehabilitation and the
41 director of the division shall hear the parties within ten days after the filing of the request. The
42 director of the division shall forthwith notify the parties of the time and place of the hearing, and
43 the hearing shall be held at a place to be designated at the discretion of the division. The director
44 of the division may conduct such hearing or [he] may direct one of the administrative law judges
45 to conduct same. Such hearing shall be informal in all respects. The director of the division
46 shall, after considering all evidence at such hearing, within ten days make [his] **an** order in the
47 matter, either denying such request or ordering the employer or insurer within a reasonable time,
48 to furnish physical rehabilitation, and ordering the employee to accept the same, at the expense
49 of the employer or insurer. When the order requires physical rehabilitation, it shall also include

50 an order to requisition the payment of [forty dollars] **a sum equal to fifty percent of the**
51 **applicable temporary-total disability compensation rate** per week out of the second injury
52 fund in the state treasury to the injured employee during such time as such employee is actually
53 receiving physical rehabilitation.

54 [6.] **5.** In every case where physical rehabilitation shall be ordered, the director of the
55 division may[, in his discretion,] order the employer or insurer to furnish transportation to the
56 injured employee to such rehabilitation facility or institution.

57 [7.] **6.** As used in this section, the term "physical rehabilitation" shall be deemed to
58 include medical, surgical and hospital treatment in the same respect as required to be furnished
59 under subsection 1 of section 287.140.

60 [8.] **7.** An appeal from any order of the division of workers' compensation hereby created
61 to the appellate court may be taken and governed in all respects in the same manner as appeals
62 in workers' compensation cases generally under section 287.495.

63 **8. An employee shall be entitled to continuous employment with the same employer**
64 **to the occupation engaged in when the injury was sustained, or the injury or disease caused**
65 **the employee to lose time from work, at the employee's option, when released to do so by**
66 **the employee's physician as being able to perform the essential functions of such**
67 **occupation, without reduction in the level of wages and benefits, and without limitation as**
68 **to the length of time. No Family and Medical Leave Act entitlements or restoration rights,**
69 **or similar federal or state laws relating to such topic, shall be reduced while the employee**
70 **is unable to work as a result of an occupation injury or illness.**

287.148. 1. Within [one hundred and twenty days of the date of the injury] **sixty days**
2 **from the date of the employee's application for vocational rehabilitation services,** the
3 [employer] **director** shall determine whether the injured worker has sustained an injury that
4 results in a loss of suitable, gainful employment. If the [employer] **director** can determine that
5 a loss of suitable, gainful employment has occurred, the **director shall order the** employer
6 [may] **to** retain the services of a rehabilitation practitioner or a rehabilitation provider. A written
7 determination of this finding shall be sent to the division of workers' compensation with copies
8 to the employer, insurer, employee and their representatives on forms approved by the division.
9 In the event that a determination cannot be established, within [the one hundred and twenty days
10 of the date of injury, due to the extent of the injury] **sixty days from the date of the employee's**
11 **application for vocational rehabilitation services,** the employer shall, as regulated by the
12 division of workers' compensation, continue to review the status of the injured employee at
13 appropriate intervals to determine [his] **the employee's** loss of suitable, gainful employment.
14 If a rehabilitation practitioner or provider is retained by the employer, the rehabilitation
15 practitioner or provider shall, within [ninety] **ten** days:

16 (1) Conduct an initial consultation with the injured employee, the employer and all
17 treating physicians; and

18 (2) Perform a vocational rehabilitation assessment which shall include a plan if
19 rehabilitation services are deemed to be required. A copy of the vocational rehabilitation plan
20 shall be sent to the employer, insurer, employee, their representatives, the treating physicians and
21 to the division.

22 2. The employer may retain a rehabilitation practitioner or provider who shall perform
23 the services stated in subdivisions (1) and (2) of subsection 1 of this section, in the event of an
24 injury of sufficient severity as determined by the treating physician, which interferes with
25 occupational functioning that involves:

26 (1) The severe mangling, crushing, amputation or nerve impairment of a major
27 extremity;

28 (2) A traumatic injury to the spinal cord that has caused or may cause paralysis or severe
29 restriction of movement;

30 (3) Severe burns;

31 (4) A serious head injury with neurological or neuropsychological involvement; or

32 (5) Loss of sight in one or both eyes or loss of communication skills to include loss of
33 hearing in both ears or loss of speech, or both.

34 3. The director shall immediately notify the employer that an injured employee may
35 require the services of a rehabilitation practitioner or rehabilitation provider if he receives a
36 surgeon's report and other medical reports supplied by the employer or employer's insurer that
37 details an injury of sufficient severity as described in this section.

38 4. The initial period of a plan may not exceed a period of twenty-six weeks, but only the
39 [employer] **director** may extend the period of the plan for **such** an additional [twenty-six-week]
40 **time period that is reasonable**. Any extension shall be consistent with the initial plan and
41 limited to no greater goal than restoration of the employee to suitable, gainful employment **at**
42 **comparable wage**. [The maximum costs for implementing the vocational testing, vocational
43 rehabilitation plan, or subsequent tuition or retraining shall not exceed five thousand dollars,
44 exclusive of the costs of medical treatment, medical evaluation and fees paid to the vocational
45 rehabilitation provider or practitioner, without the approval of the division.]

46 5. If rehabilitation services require residence at or near the facility, institution or
47 practitioner's office and away from the employee's customary residence, reasonable and
48 necessary costs of board, lodging and travel shall be borne by the employer or insurer.
49 Rehabilitation services shall be performed by practitioners and providers approved by the
50 director within this state when such facilities or practitioners are reasonably available, or
51 elsewhere when approved by the director.

287.149. 1. Temporary total disability or temporary partial disability benefits shall be
2 paid throughout the rehabilitative process.

3 2. The permanency of the employee's disability under sections 287.170 to 287.200 shall
4 not be established, determined or adjudicated while the employee is participating in rehabilitation
5 services.

6 3. Refusal of the employee to accept rehabilitation services or submit to a vocational
7 rehabilitation assessment as deemed necessary by the [employer] **director** shall result in a fifty
8 percent reduction in all disability payments to an employee, including temporary partial disability
9 benefits paid pursuant to section 287.180, for each week of the period of refusal.

287.160. 1. Except as provided in section 287.140, no compensation shall be payable
2 for the first three days or less of disability during which the employer is open for the purpose of
3 operating its business or enterprise unless the disability shall last longer than fourteen days. If
4 the disability lasts longer than fourteen days, payment for the first three days shall be made
5 retroactively to the [claimant] **employee**.

6 2. Compensation shall be payable as the wages were paid prior to the injury, but in any
7 event at least once every two weeks. If an injured employee claims benefits pursuant to this
8 section, an employer may, if the employee agrees in writing, pay directly to the employee any
9 benefits due pursuant to section 287.170. The employer shall continue such payments until the
10 insurer starts making the payments or the claim is contested by any party. Where the claim is
11 found to be compensable the employer's workers' compensation insurer shall indemnify the
12 employer for any payments made pursuant to this subsection. If the employee's claim is found
13 to be fraudulent or noncompensable, after a hearing, the employee shall reimburse the employer,
14 or the insurer if the insurer has indemnified the employer, for any benefits received either by a:

- 15 (1) Lump sum payment;
16 (2) Refund of the compensation equivalent of any accumulated sick or disability leave;
17 (3) Payroll deduction; or
18 (4) Secured installment plan.

19

20 If the employee is no longer employed by such employer, the employer may garnish the
21 employee's wages or execute upon any property, except real estate, of the employee. Nothing
22 in this subsection shall be construed to require any employer to make payments directly to the
23 employee.

24 3. Where weekly benefit payments [that are not being contested by the employer or his
25 insurer] are due, and if such weekly benefit payments are made more than thirty days after
26 becoming due, the weekly benefit payments that are late shall be increased by ten percent simple
27 interest per annum. Provided, however, that if such claim for weekly compensation is contested

28 by the employee, and the employer or his **or her** insurer have not paid the disputed weekly
29 benefit payments or lump sum within thirty days [of when the administrative law judge's order
30 becomes final, or from the date of a decision by the labor and industrial relations commission,
31 or from the date of the last judicial review, whichever is later] **after becoming due**, interest on
32 such disputed weekly benefit payments or lump sum so ordered, shall be increased by ten percent
33 simple interest per annum beginning thirty days [from the date of such order] **after becoming**
34 **due**. [Provided, however, that if such claims for weekly compensation are contested solely by
35 the employer or insurer, no interest shall be payable until after thirty days after the award of the
36 administrative law judge.] The state of Missouri or any of its political subdivisions, as an
37 employer, is liable for any such interest assessed against it for failure to promptly pay on any
38 award issued against it under this chapter.

39 4. Compensation shall be payable in accordance with the rules given in sections 287.170,
40 287.180, 287.190, 287.200, 287.240, and 287.250.

41 5. The employer shall not be entitled to credit for wages or such pay benefits paid to the
42 employee or [his] **employee's** dependents on account of the injury or death except as provided
43 in section 287.270.

287.170. 1. For temporary total disability the employer shall pay compensation for not
2 more than four hundred weeks during the continuance of such disability at the weekly rate of
3 compensation in effect under this section on the date of the injury for which compensation is
4 being made. The amount of such compensation shall be computed as follows:

5 (1) For all injuries occurring on or after September 28, 1983, but before September 28,
6 1986, the weekly compensation shall be an amount equal to sixty-six and two-thirds percent of
7 the injured employee's average weekly earnings as of the date of the injury; provided that the
8 weekly compensation paid under this subdivision shall not exceed an amount equal to seventy
9 percent of the state average weekly wage, as such wage is determined by the division of
10 employment security, as of the July first immediately preceding the date of injury;

11 (2) For all injuries occurring on or after September 28, 1986, but before August 28,

17 (3) For all injuries occurring on or after August 28, 1990, but before August 28, 1991,
18 the weekly compensation shall be an amount equal to sixty-six and two-thirds percent of the

20 compensation paid under this subdivision shall not exceed an amount equal to one hundred

21 percent of the state average weekly wage;

22 (4) For all injuries occurring on or after August 28, 1991, **but before August 28, 2004,**
23 the weekly compensation shall be an amount equal to sixty-six and two-thirds percent of the
24 injured employee's average weekly earnings as of the date of the injury; provided that the weekly
25 compensation paid under this subdivision shall not exceed an amount equal to one hundred five
26 percent of the state average weekly wage;

27 (5) **For all injuries occurring on or after August 28, 2004, the weekly compensation**
28 **shall be an amount equal to sixty-six and two-thirds percent of the injured employee's**

41 454.517, RSMo, by any other party except by order of the division of workers' compensation.

42 3. The employer shall be entitled to a dollar-for-dollar credit against any benefits owed
43 pursuant to this section in an amount equal to the amount of unemployment compensation paid
44 to the employee and charged to the employer during the same adjudicated or agreed-upon period
45 of temporary total disability.

46 4. **An employee shall be entitled to continuous employment with the same employer**
47 **to the occupation engaged in when the injury was sustained, or the injury or disease caused**
48 **the employee to lose time from work, at the employee's option, when released to do so by**
49 **the employee's physician as being able to perform the essential functions of such**
50 **occupation, without reduction in the level of wages and benefits, and without limitation as**
51 **to the length of time. No Family and Medical Leave Act entitlements or restoration rights,**
52 **or similar federal or state laws relating to such topic, shall be reduced while the employee**
53 **is unable to work as a result of an occupational injury or illness.**

287.180. 1. For temporary partial disability, compensation shall be paid during such
2 disability but not for more than one hundred weeks, and shall be sixty-six and two-thirds percent
3 of the difference between the average earnings prior to the accident and the amount which the

4 employee, in the exercise of reasonable diligence, will be able to earn during the disability, to
5 be determined in view of the nature and extent of the injury and the ability of the employee to
6 compete in an open labor market. The amount of such compensation shall be computed as

31 **shall be an amount equal to sixty-six and two-thirds percent of the injured employee's**
32 **average weekly earnings as of the date of the injury; provided that the weekly**
33 **compensation paid pursuant to the this subdivision shall not exceed an amount equal to**

36 check, or other negotiable instrument approved by the director which will not result in delay in
37 payment.

38 **3. No Family and Medical Leave Act entitlements or restoration rights, or similar**
39 **federal or state laws relating to such topic, shall be reduced while the employee is unable**

40 **to work as a result of an occupational injury or illness.**

2 employee for exercising any of [his] **the employee's** rights under this chapter. Any employee

4 [his] **the** employer. **The employee shall prove by a preponderance of the evidence that the**
5 **employer knew, or by the exercise of ordinary care, should have known, that such**
6 **discharge or discrimination was related to the employee's exercise of rights under this**
7 **chapter.**
