118 circumstances beyond his or her control. A dentist, specialist or hygienist whose right to practice  
119 has been affected pursuant to this subdivision shall, at reasonable intervals, be afforded an  
120 opportunity to demonstrate that he or she can resume competent practice with reasonable skill  
121 and safety to patients.

122 (a) In any proceeding pursuant to this subdivision, neither the record of proceedings nor  
123 the orders entered by the board shall be used against a dentist, specialist or hygienist in any other  
124 proceeding. Proceedings pursuant to this subdivision shall be conducted by the board without  
125 the filing of a complaint with the administrative hearing commission;

126 (b) When the board finds any person unqualified because of any of the grounds set forth  
127 in this subdivision, it may enter an order imposing one or more of the following: denying his or  
128 her application for a license; permanently withholding issuance of a license; administering a  
129 public or private reprimand; placing on probation, suspending or limiting or restricting his or her  
130 license to practice as a dentist, specialist or hygienist for a period of not more than five years;  
131 revoking his or her license to practice as a dentist, specialist or hygienist; requiring him or her  
132 to submit to the care, counseling or treatment of physicians designated by the dentist, specialist  
133 or hygienist compelled to be treated; or requiring such person to submit to identification,  
134 intervention, treatment or rehabilitation by the well-being committee as provided in section  
135 332.327. For the purpose of this subdivision, "license" includes the certificate of registration,  
136 or license, or both, issued by the board.

137 3. After the filing of such complaint, the proceedings shall be conducted in accordance  
138 with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing  
139 commission that the grounds, provided in subsection 2, for disciplinary action are met, the board  
140 may, singly or in combination:

141 (1) Censure or place the person or firm named in the complaint on probation on such  
142 terms and conditions as the board deems appropriate for a period not to exceed five years; or

143 (2) Suspend the license, certificate or permit for a period not to exceed three years; or

144 (3) Revoke the license, certificate, or permit. In any order of revocation, the board may  
145 provide that the person shall not apply for licensure for a period of not less than one year  
146 following the date of the order of revocation; or

147 (4) Cause the person or firm named in the complaint to make restitution to any patient,  
148 or any insurer or third-party payer who shall have paid in whole or in part a claim or payment for  
149 which they should be reimbursed, where restitution would be an appropriate remedy, including  
150 the reasonable cost of follow-up care to correct or complete a procedure performed or one that  
151 was to be performed by the person or firm named in the complaint; or

152 (5) Request the attorney general to bring an action in the circuit court of competent  
153 jurisdiction to recover a civil penalty on behalf of the state in an amount to be assessed by the  
154 court.

155 **4. If the board concludes that a dentist or dental hygienist has committed an act or**  
156 **is engaging in a course of conduct that would be grounds for disciplinary action and**  
157 **constitutes a clear and present danger to the public health and safety, the board may file**

158 a complaint before the administrative hearing commission requesting an expedited hearing  
159 and specifying the conduct that gives rise to the danger and the nature of the proposed  
160 restriction or suspension of the dentist's or dental hygienist's license. Within fifteen days  
161 after service of the complaint on the dentist or dental hygienist, the administrative hearing  
162 commission shall conduct a preliminary hearing to determine whether the alleged conduct  
163 of the dentist or dental hygienist appears to constitute a clear and present danger to the  
164 public health and safety that justifies that the dentist's or dental hygienist's license be  
165 immediately restricted or suspended. The burden of proving that a dentist or dental  
166 hygienist is a clear and present danger to the public health and safety shall be upon the  
167 Missouri dental board. The administrative hearing commission shall issue its decision  
168 immediately after the hearing and shall either grant to the board the authority to suspend  
169 or restrict the license or dismiss the action.

170 5. If the administrative hearing commission grants temporary authority to the  
171 board to restrict or suspend a dentist's or dental hygienist's license, the dentist or dental  
172 hygienist named in the complaint may request a full hearing before the administrative  
173 hearing commission. A request for a full hearing shall be made within thirty days after the  
174 administrative hearing commission issues a decision. The administrative hearing  
175 commission shall, if requested by a dentist or dental hygienist named in the complaint, set  
176 a date to hold a full hearing under chapter 621, RSMo, regarding the activities alleged in  
177 the initial complaint filed by the board. The administrative hearing commission shall set  
178 the date for full hearing within ninety days from the date its decision was issued. Either  
179 party may request continuances, which shall be granted by the administrative hearing  
180 commission upon a showing of good cause by either party or consent of both parties. If a  
181 request for a full hearing is not made within thirty days, the authority to impose discipline  
182 becomes final and the board shall set the matter for hearing in accordance with section  
183 621.110, RSMo.

184 6. If the administrative hearing commission dismisses without prejudice the  
185 complaint filed by the board under subsection 4 of this section or dismisses the action  
186 based on a finding that the board did not meet its burden of proof establishing a clear and  
187 present danger, such dismissal shall not bar the board from initiating a subsequent action  
188 on the same grounds in accordance with this chapter and chapters 536 and 621, RSMo.

189 7. Notwithstanding any other provisions of section 332.071 or of this section, a currently  
190 licensed dentist in Missouri may enter into an agreement with individuals and organizations to  
191 provide dental health care, provided such agreement does not permit or compel practices that  
192 violate any provision of this chapter.

193 [5.] 8. At all proceedings for the enforcement of these or any other provisions of this

194 chapter the board shall, as it deems necessary, select, in its discretion, either the attorney general  
195 or one of the attorney general's assistants designated by the attorney general or other legal  
196 counsel to appear and represent the board at each stage of such proceeding or trial until its  
197 conclusion.

198 [6.] 9. If at any time when any discipline has been imposed pursuant to this section or  
199 pursuant to any provision of this chapter, the licensee removes himself or herself from the state  
200 of Missouri, ceases to be currently licensed pursuant to the provisions of this chapter, or fails to  
201 keep the Missouri dental board advised of his or her current place of business and residence, the  
202 time of his or her absence, or unlicensed status, or unknown whereabouts shall not be deemed  
203 or taken as any part of the time of discipline so imposed.

2 [332.341. 1. Any person or other entity who believes that a registered and  
3 licensed dentist or a registered and licensed dental hygienist has so acted or failed to  
4 act that his certificate of registration or license or both should, under the provisions  
5 of this chapter, be suspended or revoked, or who believes that any applicant for a  
6 certificate of registration or license to practice dentistry or to practice as a dental  
7 hygienist is not entitled thereto under the provisions of this chapter, may file a  
8 complaint with the secretary-treasurer of the board.

9 2. If the complaint so filed does not contain statements of fact which if true  
10 would authorize, under the provisions of this chapter, suspension or revocation of the  
11 accused's certificate or license, or does not contain statements of fact which if true  
12 would authorize, under the provisions of this chapter, the refusal to issue a certificate  
13 or license to an applicant, the board shall either forthwith dismiss the charge or the  
14 charges or, within its discretion, cause an investigation to be made of the charges  
15 contained in the complaint; after which investigation the board shall either dismiss  
16 the charge or charges or proceed against the accused by written complaint as  
17 hereinafter provided.

18 3. If the complaint so filed contains statements of fact which if true would  
19 authorize, under the provisions of this chapter, the revocation or suspension of an  
20 accused's certificate or license, or both, the board shall cause an investigation to be  
21 made of the charge or charges contained in the complaint and unless the investigation  
22 discloses the falsity of the facts upon which the charge or charges in the complaint  
23 are based, the board shall file with and in the administrative hearing commission a  
24 written complaint against the accused setting forth the cause or causes for which his  
25 certificate of registration or license or both should be suspended or revoked.  
26 Thereafter the board shall be governed by and shall proceed in accordance with the  
27 provisions of chapter 621, RSMo.

28 4. If the charges contained in the complaint filed with the board (after the  
29 investigation as aforesaid), if true, would constitute a cause or causes for which,  
30 under the provisions of this chapter, an accused's license should not be issued or  
31 renewed or a cause or causes for which under the provisions of this chapter a  
certificate of registration should not be issued, the board shall cause an investigation

32 to be made of the charge or charges and unless the investigation discloses the falsity  
33 of the facts upon which the charge or charges contained in the complaint are based,  
34 the board shall refuse to permit an applicant to be examined upon his qualifications  
35 for licensure or shall refuse to issue a certificate or license or to renew a license, as  
36 the case may require.

37 5. The provisions of this section shall not be so construed as to prevent the  
38 board on its own initiative from instituting and conducting investigations and based  
39 thereon to make written complaints in and to the hearing commission.

40 6. If for any reason the provisions of chapter 621, RSMo, become  
41 inapplicable to the board, then, and in that event, the board shall proceed to charge,  
42 adjudicate and otherwise act in accordance with the provisions of chapter 536,  
43 RSMo.]
