7           (b) Both creditor and third party do not share common ownership.

8           2. Either fee provided for in subdivisions (1) and (2) of subsection 1 of this section may  
9 be charged such debtor, and is not included as interest or service charges for the purposes of state

5 367.200, RSMo, and except:

6           (1) On loans for thirty days or longer which are other than "open-end credit" as such term  
7 is defined in the federal Consumer Credit Protection Act and regulations thereunder, a fee, not  
8 to exceed five percent of the principal amount loaned not to exceed seventy-five dollars may be  
9 charged by the lender; however, no such fee shall be permitted on any extension, refinance,

17 payment in default for a period of not less than fifteen days in an amount not to exceed five  
18 percent of each installment due or the minimum payment due or fifteen dollars, whichever is  
19 greater, not to exceed fifty dollars[; except that, a minimum charge of ten dollars may be made].  
20 If the contract so provides, a charge for late payment on each twenty-five dollars or less

28 provided in section 367.170, RSMo; however, notwithstanding any other provision of law, with  
29 the consent of the borrower, such insurance may cover property all or part of which is pledged  
30 as security for the loan, and charges or premiums for insurance providing life, health, accident,  
31 or involuntary unemployment coverage;

32 (6) Charges assessed by any institution for processing a refused instrument plus a

34 (7) If the contract or promissory note, signed by the borrower, provides for attorney fees,  
35 and if it is necessary to bring suit, such attorney fees may not exceed fifteen percent of the  
36 amount due and payable under such contract or promissory note, together with any court costs

39 the contract;

40 (8) Provided the debtor agrees in writing, the lender may collect a fee in advance for  
41 allowing the debtor to defer up to three monthly loan payments, so long as the fee is no more  
42 than the lesser of fifty dollars or ten percent of the loan payments deferred, no extensions are  
43 made until the first loan payment is collected and no more than one deferral in a twelve-month  
44 period is agreed to and collected on any one loan; this subdivision applies to nonprecomputed  
45 loans only and does not affect any other subdivision;

46 (9) If the open-end credit contract is tied to a transaction account in a depository  
47 institution, such account is in the institution's assets and such contract provides for loans of  
48 thirty-one days or longer which are "open-end credit", as such term is defined in the federal  
49 Consumer Credit Protection Act and regulations thereunder, the creditor may charge a credit

52 outstanding along with any interest, and shall not be considered the unlawful compounding of  
53 interest as that term is defined in section 408.120.

54 2. Other provisions of law to the contrary notwithstanding, an open-end credit contract

7 contract provides for monthly installments, the first installment may be payable at any time  
8 within one month and fifteen days of the date of the loan.

9 3. For revolving loans, charges may be computed at a daily rate of one-thirtieth of the
