FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would make changes to workers' compensation procedures. Medical network providers and licensed registered nurses who act as medical case managers would be added to the list of health care providers that an employer may select to provide medical care for employees who have suffered a work-related injury or illness. The proposal would also clarify current law regarding alternative fee agreements entered into by the employer's insurance carrier.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
