FISCAL IMPACT - Small Business

**Oversight** assumes that small businesses functioning as adult cabarets or sexually-oriented businesses might be negatively impacted by a prohibition of their ability to advertise using billboards along state highways.

DESCRIPTION

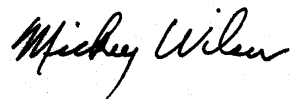

This legislation prohibits the location of billboards within one mile of any state highway for adult cabarets or sexually-oriented businesses and prohibits persons under twenty-one from putting them up. Non-conforming billboards that exist at the time of adoption of this proposal will be allowed to remain in place but must be made to conform within three years from August 28, 2004.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
