#### ASSUMPTION

Officials from the **Department of Social Services** and the **Office of State Courts Administrator** assume this proposal would not fiscally impact their agencies.

#### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

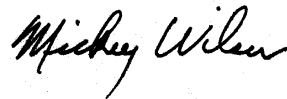

### DESCRIPTION

This proposal lengthens the statute of limitation on civil claims for damages caused by sexual abuse suffered as a child. Under current law, a claim must be brought within three years from the date the victim should have discovered the injury or illness or within five years of the victim's eighteenth birthday, whichever occurs later. The proposal lengthens the second part of this statute to 10 years from the victim's twenty-first birthday.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
