DESCRIPTION

This proposal prohibits any long-term care facility from relieving an ombudsman volunteer from their duties. Ombudsman volunteers may only be relieved by the regional ombudsman in consultation with the state ombudsman.

The proposal further requires all long-term care facilities to accept ombudsman volunteers when they are available. Any long-term care facility not willing to work with the ombudsman program will be subject to sanctions by the Department of Health and Senior Services.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
