FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Higher Education**, the **Office of the Attorney General**, and the **Office of the Governor** assumed this proposal would have no impact on their organizations.

Although officials from **Southwest Missouri State University** did not respond to our request for information, in response to a similar proposal they stated the proposal would have no fiscal impact on their organization.

Oversight assumes that Southwest Missouri State University would sell the described parcel of land for at or near market value and that the selling cost would be minimal. This proposal would not result in any change in appropriations or expenditures from any state fund.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would authorize the Board of Governors of Southwest Missouri State University to sell and convey ownership of a tract of land in Springfield, Missouri.

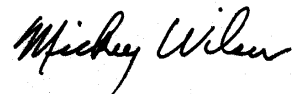

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
