### **FISCAL ANALYSIS**

#### **ASSUMPTION**

Officials from the **Department of Public Safety - Missouri Highway Patrol (MHP)** state the proposal would require their agency to check the Missouri State Sex Offender registry whenever a request for and open criminal record background check is made by an individual. The MHP assumes the proposal will not fiscally impact their agency.

DESCRIPTION

This proposal makes a technical change to the definition of "Missouri criminal record review" to mean a review of both criminal history records and sex offender registration records.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
