AN ACT

To repeal section 161.415, RSMo, and to enact in lieu thereof one new section relating to minority teaching scholarships.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 161.415, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 161.415, to read as follows:

161.415. 1. Within the limits of amounts appropriated therefor, the department of elementary and secondary education shall make available up to one hundred one-year, [renewable] **nonrenewable** scholarships in an amount of two thousand dollars to minority students for the purpose of encouraging minority students to enter teaching. Such scholarships shall be available to minority high school graduates and college students who are residents of Missouri, and who enter and make a commitment to pursue a teacher education program approved by the department of elementary and secondary education and offered by a four-year college or university located in Missouri, or who after the completion of their baccalaureate degree enter teacher education and make a commitment to teach science or mathematics, and who have:

- (1) Achieved scores on an accepted standardized test of academic ability, including, but not limited to, the SAT, ACT, SCAT, which place them at or above the seventy-fifth percentile; and
- (2) A high school rank at or above the seventy-fifth percentile.

EXPLANATION — Matter enclosed in bold faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law. Matter in boldface type in the above law is proposed language.

15 2. If the number of applicants exceeds the number of scholarships or revenues available,
16 the department of elementary and secondary education may consider the financial needs of the
17 applicant.

18 3. Any college or university located in Missouri which offers a teacher education
19 program approved by the department of elementary and secondary education, and wishes to have
20 the scholarships provided pursuant to this section made available to eligible applicants for
21 admittance to such college or university, must provide matching funds to match one dollar for
22 every two dollars made available by the state pursuant to this section for students attending the
23 college or university. Such matching funds shall not be taken from money made available to the
24 college or university from state funds. The total scholarship available to any one student from
25 state and from college and university sources pursuant to such match program shall be three
26 thousand dollars per year.

27 4. [A recipient shall be eligible for a renewed scholarship for a maximum of three
28 additional years. Eligibility for renewed scholarships shall be based on criteria established by
29 the colleges of education and the department of elementary and secondary education.

30 5.] As used in this section the term "minority" includes Asian Americans, Hispanic
31 Americans, Native Americans and African Americans.

32 [6.] 5. The scholarships provided in subsection 1 of this section shall be available to
33 otherwise eligible students who are currently enrolled in a community college and make a
34 commitment to pursue a teacher education program approved by the department of elementary
35 and secondary education and offered by a four-year college or university located in Missouri.
