### SECOND REGULAR SESSION

## [TRULY AGREED TO AND FINALLY PASSED]

### SENATE SUBSTITUTE NO. 2 FOR

HOUSE COMMITTEE SUBSTITUTE FOR

# **HOUSE BILL NO. 980**

## 92ND GENERAL ASSEMBLY

2513S.04T 2004

## **AN ACT**

To amend chapter 640, RSMo, by adding thereto three new sections relating to environmental regulation.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 640, RSMo, is amended by adding thereto three new sections, to be known as sections 640.015, 640.018, and 1, to read as follows:

known as sections 640.015, 640.018, and 1, to read as follows:

640.015. 1. All provisions of the law to the contrary notwithstanding, all rules that

prescribe environmental conditions or standards promulgated by the department of

natural resources, a board or a commission, pursuant to authorities granted in this chapter

4 and chapters 260, 278, 319, 444, 643, and 644, RSMo, the hazardous waste management

 $5\quad commission\ in\ chapter\ 260, RSMo, the\ state\ soil\ and\ water\ districts\ commission\ in\ chapter$ 

6 278, RSMo, the land reclamation commission in chapter 444, RSMo, the safe drinking

7 water commission in this chapter, the air conservation commission in chapter 643, RSMo,

and the clean water commission in chapter 644, RSMo, shall cite the specific section of law

or legal authority. The rule shall also be based on the regulatory impact report provided

10 in this section.

11

- 2. The regulatory impact report required by this section shall include:
- 12 (1) A report on the peer-reviewed scientific data used to commence the rulemaking process;
- 14 (2) A description of persons who will most likely be affected by the proposed rule, 15 including persons that will bear the costs of the proposed rule and persons that will benefit 16 from the proposed rule;
- 17 (3) A description of the environmental and economic costs and benefits of the proposed rule;

- 19 (4) The probable costs to the agency and to any other agency of the implementation 20 and enforcement of the proposed rule and any anticipated effect on state revenue;
  - (5) A comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction, which includes both economic and environmental costs and benefits;
  - (6) A determination of whether there are less costly or less intrusive methods for achieving the proposed rule;
  - (7) A description of any alternative method for achieving the purpose of the proposed rule that were seriously considered by the department and the reasons why they were rejected in favor of the proposed rule;
  - (8) An analysis of both short-term and long-term consequences of the proposed rule;
- An explanation of the risks to human health, public welfare, or the **(9)** 32 environment, addressed by the proposed rule;
  - (10) The identification of the sources of scientific information used in evaluating the risk and a summary of such information;
  - (11) A description and impact statement of any uncertainties and assumptions made in conducting the analysis on the resulting risk estimate;
  - (12) A description of any significant countervailing risks that may be caused by the proposed rule; and
  - (13) The identification of at least one, if any, alternative regulatory approaches that will produce comparable human health, public welfare, or environmental outcomes.
  - 3. The department, board, or commission shall develop the regulatory impact report required by this section using peer reviewed and published data or when the peerreviewed data is not reasonably available, a written explanation shall be filed at the time of the rule promulgation notice explaining why the peer-reviewed data was not available to support the regulation. If the peer-reviewed data is not available, the department must provide all scientific references and the types, amount, and sources of scientific information that was used to develop the rule at the time of the rule promulgation notice.
  - 4. The department, board, or commission shall publish in at least one newspaper of general circulation, qualified pursuant to chapter 493, RSMo, with an average circulation of twenty thousand or more and on the department, board, or commission website a notice of availability of any regulatory impact report conducted pursuant to this section and shall make such assessments and analyses available to the public by posting them on the department, board, or commission website. The department, board, or

commission shall allow at least sixty days for the public to submit comments and shall post all comments and respond to all significant comments prior to promulgating the rule.

- 5. The department, board, or commission shall file a copy of the regulatory impact report with the joint committee on administrative rules concurrently with the filing of the proposed rule pursuant to section 536.024, RSMo.
- 6. If the department, board, or commission fails to conduct the regulatory impact report as required for each proposed rule pursuant to this section, such rule shall be void unless the written explanation delineating why the peer-reviewed data was not available has been filed at the time of the rule promulgation notice.
- 7. Any other provision of this section to the contrary notwithstanding, the department, board, or commission referenced in subsection 1 of this section may adopt a rule, without conducting a regulatory impact report if the director of the department determines that immediate action is necessary to protect human health, public welfare, or the environment; provided, however, in doing so, the department, board, or commission shall be required to provide written justification as to why it deviated from conducting a regulatory impact report and shall complete the regulatory impact report within one hundred eighty days of the adoption of the rule.
- 8. The provisions of this section shall not apply if the department adopts environmental protection agency rules and rules from other applicable federal agencies without variance.
- 640.018. 1. The department of natural resources shall not place in any permit any requirement, provision, stipulation, or any other restriction which is not prescribed or authorized by regulation or statute, unless the requirement, provision, stipulation, or other restriction is pursuant to the authority addressed in statute.
- 2. Prior to submitting a permit to public comment the department of natural resources shall deliver such permit to the permit applicant at the contact address on the permit application for final review. In the interest of expediting permit issuance, permit applicants may waive the opportunity to review draft permits prior to public notice. The permit applicant shall have ten days to review the permit for errors. Upon receipt of the applicant's review of the permit, the department of natural resources shall correct the permit where nonsubstantive drafting errors exist. The department of natural resources shall make such changes within ten days and submit the permit for public comment. If the permit applicant is not provided the opportunity to review permits prior to submission for public comment, the permit applicant shall have the authority to correct drafting errors in their permits after they are issued without paying any fee for such changes or modifications.

- 3. In any matter where a permit is denied by the department of natural resources pursuant to authorities granted in this chapter and chapters 260, 278, 319, 444, 643, and 644, RSMo, the hazardous waste management commission in chapter 260, RSMo, the state soil and water districts commission in chapter 278, RSMo, the land reclamation commission in chapter 444, RSMo, the safe drinking water commission in this chapter, the air conservation commission in chapter 643, RSMo, and the clean water commission in chapter 644, RSMo, such denial shall clearly state the basis for such denial.
  - 4. Once a permit or action has been approved by the department, the department shall not revoke or change, without written permission from the permittee, the decision for a period of one year or unless the department determines that immediate action is necessary to protect human health, public welfare, or the environment.
  - Section 1. 1. If a refund mandated under article X, section 18, of the Missouri Constitution from the following funds:
- 3 (1) The water and wastewater loan fund established pursuant to section 644.122, 4 RSMo;
  - (2) The water pollution permit fee subaccount of the natural resources protection fund established in section 640.220;
    - (3) The water and wastewater loan revolving funds; or
- (4) Any fund established by the office of administration for the sole purpose of receiving and distributing state match bond proceeds for the department of natural resources' state revolving fund programs established pursuant to the federal Clean Water Act, the federal Safe Drinking Water Act, or any federal regulation authorized under either federal act, would violate the federal Clean Water Act, the federal Safe Drinking Water Act, or any federal regulation authorized under either federal act, the department of natural resources shall identify an equal amount from other funds appropriated to the department.
  - 2. The commissioner of administration shall transfer the funds identified by the department, that would otherwise be transferred from the funds identified in subsection 1 of this section, to the state general revenue fund for any refund that occurs after August 28, 2004.
